Shrini Deewana(November 1,1965)

Hi,

I am born and brought up in Mumbai in a traditional Tamil Brahmin family. Right from my school days I am keen and avid reader of Hindi Poems.

I have been hooked to write hindi poem after having read a poem called 'Koshish karne waalon ki kabhi haar nahin hoti' which has been written by Shri. Harivanshrai Bachchan. After having read this poem I was also inspired to write poem and started trying to write poems in Hindi. I have kept the nickname of Shrini 'Deewana' for all my writings.

With every poem I am trying to improve myself and my language. In case if there is any error in my language I shall sincerely request the readers to forgive me for the same.

Since there is provision for Hindi fonts I am giving all my poems in Hinglish. Kindly bear with me for the same.

Kavitaon ke saagar mein hum to bas ek tinka hai magar,
Koshish hamari jaari hai bas aage hi badthe jaane ki,
Bas aap logon se ek hi guzaarish mein karta hoon,
Padthe rahiye sab lekh meri aur galati koi nazar aaye to,
Bata dena woh galati mujhko,
Is maha kavya ke saagar mein, ek tinke ke jeene ke liye,
Tumahaare sahare ke hi zaroorat hai,
Mujhe aage badthe rehane ke liye.

A Lonely Heart

It's always said that Days are bright and the nights are dark,
I will say it all depends on the feelings of your heart,
When you are cheerful Day & Night are bright
When you are sad even a Sunny day seems to be Dark.

When you are with your love it's always bright,
When you miss your love it's always dark,
No matter whether its day or night,
It all depends on the feelings of your heart.

Love is the light that makes your life bright,
When you miss the light its darkness for your sight,
No matter whether its day or night,
It all depends on the feelings of your heart.

At times love understands your plight,
At times it thinks you are just to begin a fight,
The plight of heart of a lonely soul,
Who will understand better than your beloved?

Oh my love, before you blame or say its fight,
Just think what's the plight that leads to fight,
A missing heart does not deserve the blame,
It needs your love to burn in as flame.

Burn the flame of desire in your lovers' heart,
Understand the plight of your lovers' heart,
Just give your love and see how the heart jumps in joy,
Just treat it as a heart and not just a playing toy.

Once the lonely heart is filled with your love,
The darkness of heart will see a light so bright,
No matter whether its day or night,
A joyful heart is just always bright.

Aao Chaand Mein Ghar Basaye

Mohabbat mein to kehate hai sab mein tod laoonga chand bhi,
Lekin mein kehata hoon sanam chalo hum ghar basaye chaand mein,
Socho zara kaisa hoga woh aalam jab chaand mein hoga apna ghar,
Jahan koi na ho dushman mohabbat ke aur na humko kisi ka hai darr.

Sochta hoon mein sanam kaisa hoga apna ghar chaand mein,
Jahan par honge sirf mein aur tum aur koi na honge humein taakne,
Socho zara kaisa hoga woh alam jab rahenge hum ek duje ke baahon mein,
Kaisa hoga sanam woh alam jahan honge na koi dushman pyaar ke.

Duniya ke liye to aati hai mahine mein ek din amavas ki raat bhi,
Lekin sanam hamare jeevan mein phir kabhi amavas ki raat hi na aayegi,
Har raat apne hogi punam ki jab humtum madhosh ho jayenge,
Bas ek duje ke baahon mein lete hum prem ke geet gun gunayenge.

Socho zara kya sochenge duniya wale jab woh dekhenge chand ko ek chand
mein,
Chand bhi sharma jaayegi sanam dekh kar chand sa mukda tera,
Taare sab kehate rahenge na jaane kahan chali gayee hamare roshni,
Roshni hamari ghum ho gayee hai jab se chand mein aayee hai chand si ek pari.

Humko abhi na zarurat hai holi ki na zarurat hai humein diwali ki,
Bas agar zarurat hai kisi ki to woh hai ek duje ke saat ki,
Jab tum rahoge saath mere har din hogi mere holi aur diwali ki,
Bas sanam tera saath jo mile to mein samjhoonga meri kismat khil gayee.

Aap Ke Aane Ke Baad

AAP KE AANE KE BAAD

Khushiyaan aayee hai zindagi mein aap ke aane ke baad,
Muskurahat aayee hai chehere pe aap ke aane ke baad,
Kehane ko to zindagi hum bhi jee rahe the pehale se magar,
Zindagi jeene ka mazaa aaya hai aap ke aane ke baad.

Dil to dhadak thi thi mere janam se hi magar,
Har dhadkan mein aap ka naam hai aap ke aane ke baad,
Pyaar ishq aur mohabbat ke baatein sune the hum bhi magar,
Mohabbat kya hai yeh samjh paya hoon aap ke aane ke baad.

Saagar ka ek kinara to pehele se hi tha mein magar,
Duje kinaare ko dekh paaya hoon mein aap ke aane ke baad,
Hum dono ke beech ki jo yeh doori hai yeh sirf saagar nahin,
Yeh saagar bhi ab mohabbat ho chuki hai aap ke aane ke baad.

Saagar ki har leharen pehele sirf ret laati thi mujh tak magar,
Ab yeh leharen mohabbat ka paigam lati hai aap ke aane ke baad,
Raat jagne ka koi shauk nahin tha mujhe pehele magar,
Ab neendh hi nahin aati hai humein aap ke aane ke baad.

Aankhon se pehele bhi kabhi chalka karte the aansoon magar,
Yeh aansoon bhi ab moti ho gayee hai aap ke aane ke baad,
Pehale jo chalakte the woh to sab the aansoon gham ke magar,
Ab yaadon ki aansoon chalakne lagi hai aap ke aane ke baad.

Jab miloonga tumhein, pehanaoonga tumhein un motiyon ki mala,
Jo banaya hai maine aasoonon se jo aayee hai aap ke aane ke baad,
Tab tum jaan paaogi kitne aasoon chalke hai mere aankhon se,
Jo chalaki hai yaadon mein sirf aap ke aap ke aane ke baad.

Aisa ek pal bhi nahin hoga jab yaad teri na satati ho humein,
Na jaane itna dil kyon tadapti hai ab aap ke aane ke baad,
In tadap ko mein apne dil se nikaloon to nikaloon kaise,
Mera dil to mere bas mein hi nahin hai aap ke aane ke baad.

Kehane ko to pehele bhi hum likthe the magar,
Mere lekh mein jaan aayee hai aap ke aane ke baad,

Mohabbat ke bahut se daastan padhe hai humne magar,
Ab khud apne mohabbat ki daastan banaya hai aap ke aane ke baad.

Kal tak log Laila Majnu ka naam lete the mohabbat ki baatein karne,
Kal woh hamari tumahari mohabbat ki baatein karenge,
Mohabbat ki aag dil mein lag gayee hai hamare tumhare,
Yeh sab kuch hua hai bas aap ke aane ke baad.

Agar Tum Naa Aate Mere Jeevan Mein

Yeh to ab soch ke bhi dil ghabratha hai sanam,
Tum agar na aati mere jeevan mein to mera kya hota,
Kaise milta mujhe itna saara pyaar jo paya hoon tujhse,
Mere chehre ki muskurahat na jaane kahan chupa hota.

Zindagi bas jee rahe the hum jeene ke liye,
Zindagi kya hai yeh samjha hoon jab se paya hoon tumhein,
Yeh to ab soch ke bhi dil ghabratha hai sanam,
Tum agar na aati mere jeevan mein to mera kya hota,

Jo pyaar lutaya hai tune mujhpe woh bhala koi aur kya luta pata,
Tarasthi thi jeevan meri bas pyaar paane ko,
Khush naseeb hoon mein jo paya hoon sachha pyaar tera,
Yeh to ab soch ke bhi dil ghabratha hai sanam,
Tum agar na aati mere jeevan mein to mera kya hota,

Tu hi meri jeevan hai aur tu hi hai mere dil ki dhadkan,
Tere bina ab jeevan ke ek pal bhi mujhe jeena manzur nahin,
Yeh to ab soch ke bhi dil ghabratha hai sanam,
Tum agar na aati mere jeevan mein to mera kya hota.

Mere malik ai khuda shukra guzaar hoon mein,
Aisa ek pyaar jo mere jeevan mein laya hai tune,
Bas dua hai mere ab ek baar tu mujhe mila de us se,
Jisne nyochar kiya hai jeevan mein itna pyaar mera.

Anjaan Shehar

Anjaan shehar anjaan safar manzil ka na koi thikana hai,
Chahe katin ho raahein magar mujhko chalte hi jaana hai,
Na jaane kahan le jaayegi jeevan yeh maine nahin jaana hai,
Aise anjaan safar mein bhi humdum tera yaad bahut suhana hai.

Chahe jo bhi shehar mein rahata hoon teri yaad bahut satati hai,
Kabhi yaad mere tere oh dilbar ashkon ki lehar beha jaati hai,
Use rokna chahoon to bhi nahin rukthi woh to behate hi jaati hai,
Aansoon ke har ek boond mein sanam teri tasveer nazar aa jaati hai

Tujhe yaad kiye bina sanam mujhko neendh kabhi nahin aati hai,
Neendh bhi chain ki hoti nahin khawabon mein tu roz satati hai,
Jab bhi dekhoon tujhe mein khawabon mein ek muskaan chaa jaati hai,
Tere ek jhalak paate hi sanam dil mein sukoon ki lehar chaa jaati hai.

Kyon yaadon mein mere basi ho tum kyon itna mujhe tum tadpati ho,
Sanam itna door mujhse tum rehakar kyon itna mujhe tum rulati ho,
Waise to ab kuch dinon se mein tujhe aksar yaad nahin karta hoon
Bas jab jab saansein leta hoon sanam yaad tujhe mein karta hoon.

Ek baar paas mere aakar bhar lo mujhe tum apne baahon mein,
Ek baar tere baahon mein aakar mujhe chain se sanam so jaane do.
Kabhi kisi kaaran sanam tum door mujhse nahin ho jaana,
Tere bina nahin jee paayega sanam yeh tera pagal "Deewana".

Apnapan

Apna rishtha alag hai auron se jisme na hai mangalsutra na chutki bhar sindoor,
Prem aur vishwaas hi hai mangalsutra is rishthe ki, aur apnapan hai iska sindoor,

Dosti is rishte ka jadd hai jo pehele hi din dono ne jathayee thee,
Aur jo bharosa tume ne kiya mujhpar pehele hi din us par maine dil lutayee thee.

Us din raat bhar so na saka mein aur bas teri hi tasveer tha dekh raha,
Baar baar ek hi sawaal utha mere dil mein aur baar baar khud se mein yeh pooch
raha,
Aise usne kya sochi hogee jo itna bharosa mujhpar jathayee hogee,
Ab dil mein mere bas ek baat thi jo bharosa kiya hain usne mujhpar use jeevan
bhar nibhani hogi.

Phir har din woh kab aayegee yehi mera man tha soch raha,
Baitha tha mein rahon mein aur tha rasta us ka dekh raha,
Woh naa aayee saamne mere, par apne sandeshe thi woh bhej rahi,
Jab bhi uska sandesha aata mera man machal jaata,
Aur uske sandeshe ko mein ek baar nahin sau baar pad leta.

Phir aise ek din aayee, jab woh mujhe phir mil gayee,
Unhe saamne dekhte hi mere dil mein dabe saare armaan khil gayee,
Hum dono mein baatein hui, aur haal chaal puche gaye,
Aaj mein bahut hi khush tha, ke woh mujhe phir mil gayee.

Der raat tak hum ek duje se bas baatein hi karte rahen,
Itne dino ke jo chahat thi dil mein, un chahat ko poore karte rahe,
Baaton hi baaton mein hum jaan gay ek duje ki sab baatein,
Dil ko bahut hi sukoon mila, aaj unse karke itni baatein.

Ab har roz hum milne lage, aur der si baatein karne lage,
Bas in baaton baaton mein ek duje ko ab hum jaan gaye,
Mera dil use tha de chuka, par jaan na paya uske dil ka haal,
Usko kaise poochoon mein, kya tune bhi neendh gawaya hai?

Ab mujhe aise lagne laga, ke uske bina na jee paaonga mein,
Agar woh mujhe na mil paayee to, jeete jee ab mar jaoonga mein,
Ek din himmat jata li meine, aur ek hi pal mein usko yeh pooch liya,
Kya humsafar banogi tum mere, aur jeevan bhar saath mere dogi.

Pehele woh kuch na samaj paayee, aur kuch pal woh khamosh rahi,
Uski khamoshi se ab mein, uski dil ki baaton ko mein jaan gaya,
Uski dil ki ghabrahat mein pehachan gaya, aur raaz us dil ka jaan gaya,
Use vishwaas dilaya maine, uske mann mein ehsaas jagaya meine.

Ab use himmat dilayi meine, hamare jeevan mein na aayegi koi badha,
Na kabhi koi yeh raaz jaan paayenge, yeh hai mera tumse waada,
Ab phir poocha mein us se, kya tum banoge mere Jeevan Saathi,
Bas nau minit ki baath thi, mere haathon mein uske haath thi.

Kal tak mein mohabbat se apparichit tha, aaj mohabbat ko jaan gaya,
Dono mein ab ek chahat jaagi, dono dilon mein mohabbat jaagi,
Ab ek duje ke jeevan saathi banke, hum ek duje mein kho gaye,
Bhulkar saare dukh aur dard, hum ek duje mein samaa gaye.

Woh din tha sunehera din mere jeevan ka, jab usne mujhe apnaya tha,
Pyaar aur mohabbat kya hai, yeh mere dil ko usne hi bataya tha,
Ab aisa ek pal bhi nahin jab hum ek duje ko na karte ho yaad kabhi,
Aisa ek bhi din raat nahin, jab hum dono ka saath nahin.

Hum dono ne apna jeevan ek duje ko kar diya hai arpan,
Ab ek duje ke bin, hum nahin jee payenge ab ek bhi din,
Mana hum dono hai door sahi, par doori hamare dil mein nahin,
Mere dil mein sada woh rehati hai, aur uske dil mein main rehata hoon.

Bas itna dua hai ab mera rab se, Ke sada hum dono sang hi rahe,
aisa kabhi na koi waqt aaye jeevan mein, Ke hum dono ko hona pade ek duje se
juda, jab kehana pade alvida duniya ko, Hum dono ko bas sang hi rakhna,
jab bhi humein tu bulayega, bas humein ek hi sang tu bula lena

Apni Alag Duniya Hogi

Aisa lagta hai barson beet gaye tumse baatein karke,
Na jaane tum kab aaogi aur mere dil ki tadap kab mitaogi,
Na jaane kab woh ghadi aayegi jab tumse baatein hogi,
Na jaane kab tumhare meethi aawaaz mere kaanon mein gunjegi.

Dil karta hai sanam jala doon mein saari duniya ko,
Duniya mein kuch bache to woh sirf hum dono sanam,
Tab tumhein apne baahon mein bhar loonga sanam,
Madhosh hokar khoob karoonga mein tumse pyaar sanam.

Yeh zaalim duniya kya jaane kitna mohabbat karta hoon mein tumse,
Yeh zaalim duniya kya jaane kitna marta hoon sanam mein tumpe,
Yeh duniya kabhi nahin samjhegi sanam mohabbat apni,
Aise zaalim duniya ki mujhe koi parwaha nahin hai sanam.

Mujhe jo chahiye woh hai saath tumhara jeevan bhar ka sanam,
Tumhare bin sanam ek pal bhi nahin jee payenge hum,
Dil karta hai bas tumhein is zaalim duniya se bhaga le jaoon sanam,
Is duniya se door ek alag duniya mein apna naya jahan basana hai sanam.

Apne us nayee duniya mein honge sirf hum dono sanam,
Jahan par koi rokh nahin hogi hum dono ke mohabbat ke sitam,
Jahan din raat mein bas karoonga tumse hi pyaar sitam,
Bas pyaar karte karte hum dono mar jaayenge ek duje ke bahon mein sanam.

Arpan

Na jaane kab woh din aayega,
Jab mein tumhien apne saamne paoonga
Bhar loonga tumhein mein baahon mein apne,
Tumhein kaskar gale se laga ke rakhoonga.

Dil to dhadak thi thi pehele se mere,
Ab is dhadkan mein ek mehak sa chaa gaya hai
Zindagi to mein yuhi jee raha tha,
Ab jeene ka mujhko maksad mil gaya hai.

Kabhi socha hi nahin tha zindagi itni rangeen hogi,
Rangon ki pehchachaan mujhe tumhin ne diya hai,
Ab mein tujse aur kya maangoon mere Yaara,
Tune to khud ko hi mere baahon mein arpan kiya hai.

Kabhi socha hi na tha mujhko mohabbat bhi hogi,
Aur mohabbat bhi kuch is kadar si ho gayee hai,
Ab bin tere jeena bas mushkil ho gayee hai,
Khud ko karta hoon mein Arpan tere kadmon mein Yaara.

Ashkon Ki Mala

Maine zindagi tere naam ki,
Tere raah mein aankhein thaam di,
Jab tu nahin hai milti mujhe,
Behate hai ashkh mere aankhon se.

Khona nahin chahata hoon mein in ashkon ko,
In ashkon mein bhi hai teri yaadein bhari,
Tere yaadon se bhi mein ai sanam,
Mein kabhi door na reha paoonga.

Apne aankhon se behate ashkon ka,
Sanam ek mala mein banaoonga,
Jab kabhi bhi miloonga mein tujhe,
In ashkon ki mala tujhe pehanaoonga.

Pehanegi jab is ashkon ki mala ko tu,
Meri yaadein sada tujh mein bas jayegi,
Na kar paayenge juda tumhe humse koi,
Mein tere gale se lipta hi reha jaoonga.

Bas Tere Hai Hum

Tere dil mein chupi hui har raaz mein jaanta hoon,
Tera zubaan jo gun guna raha hai woh saaz mein jaanta hoon,
Door hoon mein tujhse to kya hua hai dil bhar mere,
Tere dil mein jo dhadakthi hai woh dhadkan to hai mere.

Tu hai agar sur to mein hoon saaz mere sanam,
Tu agar hai murat to mein hoon taaj mere sanam,
Hum se kabhi chup nahin sakti hai koi raaz tere,
Tere har ek raaz mein tera humraaz hoon mein.

Sanam chupa nahin sakti tu koi baat mujhse,
Mein tere dil ki baatein tere aankhon mein padh loon,
Tujhe kuch kehane ki bhi zaroorat nahin hai,
Tere dil ki baaton ko mein apne dil mein sun loon.

Gazab ka ek rishta hai sanam hamara tumahara,
Door hokar bhi ek duje ke baahon mein hum hai rehate,
Ek duje ke bin sanam hum kabhi jee na sakenge,
Ek duje ke saansein bankar hi hum hamesha rahenge.

Baseraa

Is duniya mein har kisi ka ek basera hai,
Jaise chidiya ka ghosla mein basera hai,
Varsha ka badalon mein basera hai,
Mera to basera hai tere dil mein,
Ek tere siwa koi yahan na mera hai.

Saath suron mein mujhe aawaaz teri aati hai,
Indradhanush mein mujhe chehara teri nazar aati hai,
Tere naam ke saath hi juda hai sanam naam mera,
Ek tere siwa is jahan mein nahin hai koi kaam mera.

Woh jeevan jo mein pehale jee raha tha woh to be matlab tha,
Zindagi ka koi matlab bani hai tere jeevan mein aane ke baad,
Tu hai mere aankhon ka noor mere dil ka khuda,
Tere bina jeena yeh mein soch bhi nahin sakta.

Bebaasi

Ek duje se itne door hokar bhi hum kitne paas hai,
Itne paas hokar bhi milne ko dil mein ek aas hai,
Bin baatein kiye har pal dil mein ek pyaas si hoti hai,
Kya isi tadap ko log dilon ki bebasi kehate hai.

Mera dil hai tujh mein aur tera dil hai mujh mein lekin,
Dil ek duje mein hokar bhi ek bechhini si hai har pal chin,
Tujhe na dekhoon ek roz to bas ro padtha hai yeh dil mera,
Kya isi tadap ko log dilon ki bebasi kehate hai tu mujhko bata.

Ab mein yeh soch bhi nahin sakta yeh jeevan tujh bin kya hoti,
Dil mein har pal ek tadap aur ek aag si jalti hi rehati hai,
Har pal chahat hai tujhe milne ki aur tujhe bahon mein bharne ki tamanna hai ab
is dil mein,
Kya isi tadap ko log dilon ki bebasi kehate hai ab tu hi mujh ko bata.

Mera jeevan hua safal jis pal aayee tu jeevan mein mere humsafar bankar,
Tujhe dekhe bagair nahin hai jaana is duniya se mera dil yehi kehate hai,
Kya dil ke is tadap ko hi log dilon ke bebasi kehate hai.

Chaand Suraj Ka Pyaar

Agar chaand karne lage mohabbat suraj se to kya hoga,
Is dharti mein sada din hogi ya phir sada raat hi hoga?
Kis se hogi roshan yaaron yeh jahan apna,
Dharti par raj suraj ki garmi ka hoga ya chaand ki thandak ka hoga.

Kya hoga agar Milan chaand ka suraj se hoga,
Chaand mein aa jayegi garmi ya suraj thanda pad gaya hoga,
Kya hoga dharti ambar ka jab Milan chaand suraj ka hoga,
Kya is dharti mein phir kabhi koi amavas ya koi grahan hoga.

Chaand suraj to karishma hai kudrat ka yaaron,
Sabi ko yakeen hai in dono ki Milan kabhi nahin hoga,
Chaand to karti hai mohabbat suraj se zamane se magar,
Chaand to sada khush hai bas suraj ki kiron ko apnakar.

Yeh to jaanti hai chaand bhi ke uski Milan suraj se kabhi nahin hogi,
Phir bhi pagalon jaise pyaar karti hai woh suraj se sadiyon se,
Chaand to yeh jaanti hai ke suraj ki kirnen bhi uski nahin hogi,
Kirnon ko woh simet thi hai aur bhikar thi hai dharti ko roshan karne.

Pyaar is jag mein sabhi ka ho chaand suraj ki tarah,
Jis pyaar mein koi umeed ya phir koi chaha na ho,
Pyaar tumahara agar tumhein na mile to bhi kya,
Khush raho agar tumahare pyaar kisi ke kaam aa jaye.

Dard Dil Ka

Kitne armaan aur kitne mohabbat hai mere dil mein,
Saare armaan aur mohabbat khilaye hai tum ne,
Har pal dil tarasta hi rehata hai tujhse baatein karne,
Khwaab saja rakhi dil mein tumhein baahon mein bharne.

Par aaj is kadar rooth gayi sanam tum mujhse,
Ek pal na socha kya beetegi mujhpar aur keha gayi mujhse,
Ab se naa baatein karoongi kabhi bhi mein tumse,
Dil mein aisa ek dard hua jaise door ho rahi ho mere zindagi mujhse.

Mana maine kar diya tha sanam khafa tujhko,
Par aisi bhi kuch na thi jo tum aisi sazaa do mujhko,
Jab bhi mein sochtha hoon goonjthi hai tumahari hi aawaaz,
Teer sa chubthi hai dil mein par moonh se na nikale koi aah.

Dard dil mein jab hota hai to yeh ankhen bhar aati hai,
Aankhon se behate hue ashkon ko mein sanam chupaoon kaise,
Inhe behane dene ki sanam mujhko koi chaha nahin,
Ashkon ke har boondh mein chehara tera nazar aaye mujhe.

Tere bin to sanam jeevan mera hai kuch bhi nahin,

Bas itna tum samajh lena oh mere humdum,

Daulat Ki Bhooki Duniya

Ek pyaar hi hai mera jo sada mere saath nibhati hai.

Daulat ko dekhkar kyon rang badalti hai yeh duniya,
Kya daulat kisi ke saath kabra mein bhi jaati hai, Saath jaati hai to woh hai bas
dua zamane ke logon ki,
Jo is duniya se us duniya tak saath nibhati hai.

Daulat ke bhookon se mera rishta kabhi na karna ai mere khuda,

Dil Chahata hai ke mein choom loon tere gulaabi honthon ko,
Jo nasha hai tere honthon mein use peeke madhosh abhi ho jaaon abhi,
Hosh mein rehana hai kise jab tum baithi ho saamne mere,
Tere baahon mein samaakar dono badan ki aag ko mein bhujaaon abhi.

Lete rahoon mein lekar tujhe apne baahon mein,
Door hone na doon ek pal ke liye bhi tujhe mere nazaron se,
Tere saanson ki garmi ko sanam mein mehasoos karoon,
Deewana hoke sanam tujhe mein bahut pareshan mein karoon.

Jaane kab aayegi woh ghadi jab hum honge ek duje ke baahon mein,
Seene se lag jaaon tere aur unhein le loon mein apne haathon mein,
Ai sanam tadap jo mere dil mein hai ab saha jata hi nahin,
Dil ke is tadap ko ai sanam tu hi bata kaise mitaon mein.

Dekhna chahata hoon ai sanam tujhko mein itna kareeb se,
Tere tan ke har mehak ko mein basaa loon apne seene mein,
Tere zulfon se kheloon mein tere badan ko mein taraash doon,
Teri har adaa ko mein banake tasveer apne palkon mein utaar doon.

Ai sanam tu hai zindagi meri ai sanam tu hai har khushi meri,
Deewana ki har khushi
Phir jab bhi aaye yaad teri tere mehak hogi mere hi kareeb,
Dil Chahata hai sanam ek baar mein bas mil loon tujhse,
Phir nahin rahegi koi gham dil mein zindagi bhar meri.

Dil Ki Baatein

Yeh jeevan mera ek andhiyari nagar thi,
Banke jyoti mere jeevan mein tum aa gayee ho,
Mit gaya sab andhera faila mohabbat ka ujala,
Jab se aayee tu sanam mein to ho gaya hoon Deewana.

Tadapta tha mein jis mohabbat ke khatir,
Woh saari mohabbat maine hai tujhse hi payee,
Yeh karta hoon wada aaj mein tujhse jaanam,
Kabhi tera saath zindagi bhar na chodenge humdam.

Na aayegi kabhi jeevan mein tujhpar koi aafat,
Jo bhi aayegi aafat use mein dekh loonga,
Tere kadmo mein kabhi koi kaanta na chubegi,
Kaanton par mein khud ko nichavar karoonga.

Nahin hai ye saare sirf mohabbat ke wade,
Hai saare sanam mere dil se nikli baatein,
Mere dil mein hai ab bas tasveer chayee,
Mere has saanshon mein bas tere mehak hai samayee.

Dil Ki Dhadkan

Baitha hoon yaadon mein chand ghaanton se mein yunhi,
Bahut se logon ko dekha hai yahan aate jaate hue maine,
Ek tu jiska intezaar mera nazar aur dil karta rehata hai.
Ek tu hi hai sanam jo nahin aati nazron ke saamne mere.

Kab tak mein yunhi tarasta rahoon batade mujhko,
Itni tadap ab mujhse nahin saha jata hai sanam,
Thod de saari bandishen jo bandhi hai is duniya se,
Aake baahon mein sama ja ab tu ai mere sanam.

Tere bin har ek lamha bhi mujhe ek umar sa ab lagta hai,
Dil mein ek darr aur sehami si uljhan basi rehati hai,
Rona chaoon to bhi mein ro nahin sakta kyonki darr hai,
Kahin beha na jaye teri tasveer jo basi hai meri aankhon mein.

Dil ki dhadkan har ghadi ab tej se dhadakthi hai,
Jab bhi teri yaad mere dil mein aake mujhe sataati hai,
Ek pal bhi nahin jab yaad na teri aaye mujhko,
Dil ki dhadkan to bas har pal ab tej se dhadakthi rehati hai.

Dil Ki Tadap

Har woh pal dil tadap utthi hai jab dilruba tujhse baatein nahin hoti,
Har woh pal aankhen bheeg jati hai jab tujhse mulaakatein nahin hoti,
Sochtha hoon ai dilruba mein tujhe yaad na karoon itna magar,
Kya karoon har saanson ke saath saath teri yaad bhi aa jaati hai.

Na jaane ai dilruba aisa kya jaadu kiya hai tune mujhpar,
Har pal lab mein tere naam ke siwa kuch bhi nahin aati hai,
Yun to apni zindagi jee raha hoon ai sanam mein magar,
Tere siwa ek pal bhi jeene mein koi raas nahin aati hai.

Apne dil ki tadap mein tujhe kaise samjhaoon sanam,
Apne dil ka dard mein tujhe kaise bataoon sanam,
Sochthi ho tum karta hoon bahut pareshaan mein tum ko magar,
Kya beet thi hai mere dil mein yeh tumhein kaise dikhaoon sanam.

Tum jo kahogi to mein jaan bhi luta doonga tere khaatir,
Mein kar doon kuch bhi kurbaan tere ek khushi ke khaatir,
Hothon par tera sada muskaan rahe ai mere sanam,
Aur bhoolna nahin har kadam mein hoon mein tumahare saath sanam.

Dil Ki Umeed

Umeed hamare dil mein hain,
ek din hum tumse milenge zaroor,
tab duniya chahe kuch bhi kehale,
tumko hum bahon mein bhar lenge zaroor

Tujko baahon mein bharte hi,
tere hothon ko choomenge hum,
tere hothon ke woh meetha ras,
jee bharke pee lenge hum

us milan ko duniya kya rokegi,
jise khuda ne banaya hai,
yeh karishma hai us kudrat ka,
jo tumko humse milaya hai

Tadap to hai do dilon ki majboori,
Milan se hi hogi yeh tadap bhi poori,
Pyaase ko gar paani mil jaaye,
Phir rahegi na uski koi aasha adhuri.

Dharti Amber mein bhi hai doori,
Par inka prem nahin hai koi chori,
Log kehate hai doori hai inki majboori,
Par yeh kehate hai Kshitij kare Milan ko poori.

Prem aur Mohabbat ki doori ko na kaho tum majboori,
Tadap to hai bas mohabbat ki hai ek zaroori,
Milan ho jaaye to mit jaayegi yeh pyaas bhi poori,
Tab tak is aag ka jalna hai bas zaroori.

Milenge ek din hum tumse, yeh yakeen hain mujhe,

Duniya Ki Parwah Nahin

Kabhi sochtha hoon kyon zindagi ne aise sazaa di,
Milakar bhi humein kyon hum mein itne darmiyaan di,
Agar Itne hi door rakhna tha kismat ko humein,
To milaya hi kyon tha jab milana nahin tha humko.

Mohabbat kya hai yeh pehale mein samajhtha nahin tha,
Tumahare pyaar ne hi sikhayee mujhe kya hai mohabbat,
Agar dikhlake mohabbat door karna hi tha mohabbat se,
To mohabbat kya hai yeh mujhe samjhaya hi kyon tha.

Dil karta hai sanam khatam mein zindagi apne kar loon,

Friendship

Human beings are just like a book,
It's easy to judge them by just a look,
No need to read them from page to page,
They may not be even of your age.

Friendship is never kept in a cage,
Allow it to fly just in its own rage,
See the friendship as it soars in sky,
It's friendship for which your heart would like to die.

When you had come you had come all alone,
Your parents and siblings had come along,
But friendship is only what you have yourself made,
Never allow a good friendship to fade.

Hogi Pyaar Ki Jeet

Nahin mohabbat ki raha aasan magar kabhi darna nahin tu mere yaar,
Rukavatein to aayegi rahon mein magar kabhi rukhna nahin tu mere yaar,
Dil mein hamesha tu rakhna yeh hausla ke mit jaayega dono ke beech jo hai
faasla,
Mil jaayegi manzil tujhe aur mohabbat hogi baahon mein,
Soch aisa ek din bhi aayega jab hogi jeet tere pyaar ki.

Chahe kuch bhi kahe zamana tujhe zamane se tu darna nahin kabhi,
Hoti hai hamesha jeet pyaar ki yeh baat bhulna nahin kabhi,
Dil mein tere hai jo pyaar ki tadap us tadap ko kabhi mitne na do,
Yeh tadap hi tujhe le jaayegi apne mohabbat ke manzil ki oor,
Soch aisa ek din bhi aayega jab hogi jeet tere pyaar ki.

Chahe sanam door ho ya paas ho mohabbat kabhi mit thi nahin,
Mohabbat woh chiraag hai jis chiraag mein itni aag hai,
Jala degi woh saare duniya ko jo aayenge beech raahon mein,

Soch aisa ek din bhi aayega jab hogi jeet tere pyaar ki.

Jab Tum Nahin Rahoge Sang Mere

Ek din maine dekha jalti jwaala mere khwaab mein,
Jab gaur se dekha to paya tere chintan chitha jal rahi thi us aag mein,
Hai yeh kya ho gayi soch kar tham gayee mere saansein raaha mein,
Phir ek kadam bhi mein chal nahin paya aur dher hua mein raha mein.

Jab beeti baaton ko yaad kiya tab mujhe yaad aayee woh baat bhi,
Apne hi kandhon par tujhe uthakar tujhe pahunchaya maine ghat mein,
Tere is aakhiri safar mein tujhe sajaya tha maine apne haathon se,
Apne haathon se jaanam aaj maine mehendi rachyee tere haathon mein.

Bade pyaar se maine tera shringaar kiya par tu yeh samajh nahin payee,
Maine pehanayee tujhko kangan aur mathe par bindi jo maine layee thi,
Phir jab maine tujhko dekha mujhe laga tera shringaar adhura hai,
Lekar phir chutki bhar sindhoor tere maang maine sajaa diya.

Meri dulhan saj chuki thi apne antim safar ke liye,
Doli mein laana tha jisko uski arthi aaj utha raha hoon mein,
Agni kund jalana tha jiske liye aaj uski arthi jala raha hoon mein,
Saat phere nahin liye to kya woh bhi to hai dulhan meri.

Saarey rishtey ghat se chale gaye par mujhe na chaha thi jaane ki,
Bas baith gaya mein jwaale ke aage na jaane kab tak baitha raha,
Tab kisi ki awaaz mere kaanon mein goonj padi,
"Dekho pyaar isko kehate hai apne deewani ke chitha ke saamne baithkar chala gaya Deewana bhi".

Jo bhi aaye the tumhein ghat pahunchane,
Koi mudkar bhi tumhein nahin dekhenge,
Choot gaya hai ab sab saath tumahara,
Jo bade pyaar se tumne tha sawara jag mein.

Jise tumne pala tha pyaar se aaj aag wohi tumhein lagayega,

Jalkar raakh ho jaoge to hasthi nahin asthi tum kehalaoge,

Choot gaya hai aaj is dharti se tumhara rishta sara,
Sab kahenge swargawaas ho gaya bechara,
Rote hue tum aaye the is jag mein,
Ab sab ko rulakar tum is jag se jaoge.

Kuch dinon mein sab ke aansoon sukh jaayenge,
Lag jaayenge sab apne jeevan ki daud mein,

Jeevan Saathi

Kuch hi pal mile the hum tumse,
Kuch hi pal mein tune mujhe samjha apna,
Aur keha di who saari dilki baatein,
Jo tune apne dil mein dafnaya tha.

Us kuch pal ne kiya kuch aise jaadoo,
Ke mera dil hua bas bekaboo,
Har roz tujhe yaad mein karne laga,
Tera intezaar mein ghadiya guzarne laga.

Phir ek din tujhse mulakaat hui,
Jee bharke tujhse baatein hui,
Us raat mein nahin so paya tha,
Tere yaad mein neendh gavaya tha.

Mein na samajh saka kaise kahoon tujhse,
Woh dil ki baatein jo kehana chaha tujhse,
Pare mere dil ki baat tu samajh gayee,
Aur tum mujhse yeh kehane lagi.

Kehado tum mujhse woh saari baatein,
Jo kehane ki chahat hai dil mein,
Sunkar tumse yeh baatein,
Mujh mein ek josh sa jaag gayee.

Maine tujhse mohabbat ka ikraar kiya,
Jise tune bhi na inkaar kiya,
Ab dil mera machalne laga,
Tere pyaar ke aag mein jalne laga.

Ab mujhko bas yun lagne laga,
Tere bin mein na jee paoonga,
Kuch sochke maine tumse pooch liya,
Kya sada rahogi tum saath mere.

Sunkar mere dil ki baatein,
Tum ne kaha isme kya shaque hai,
Mein sada rahoongi saath tere,
Mein sada rahoongi saath tere.

Phir dil thaamke maine tumse puch liya,
Kyat um ban na chahogi mere jeevan saathi,
Mere baatein sunkar tum khamosh hui,
Tere khamoshi se mera dil bechain hui.

Kab Tak Karein Hum Intezaar

Tere intezaar mein mujhe har pal lage jaise ho sadiyan,
Tere sangat mein guzaare sadiyan bhi lage mujhe ek pal,
Tujh bin har pal mujhe lage jaise ho koi sazaa,
Aise dard bhari jeevan ab jeeya na jaaye sanam.

Bahut waqt guzar chukki hai sanam tere intezaar mein,
Ab mujhse saha jaata nahin woh gham tere intezaar ke,
Har pal mujhe bas khat khaye jo pal bitaye intezaar mein,
Pata nahin kab hogi khatam sanam ghadi tere intezaar ki.

Jab karti nahin tu intezaar, to woh dard tujhe kya hogi khabar,
Jo dard jhele hain is dil mein maine, woh bhala tujhe kya hogi khabar,
Tu samajhti hai main hota hoon khafa, jab der se tu aati hai,
Par tu kya samjhe main khafa nahin, mere dil kar dard tere saamne aati hai.

Mujhko tujse koi ruswa nahin hai, na koi shikwa na koi gila,
Jo karta rahein tera intezaar har pal woh shikwa kaise karega bhala,
Ai sanam mujhe tu aur na tadapa is intezaar ke ghadiyon mein sada,
Sehane ke taakat kam ho gayee hai, aur bad gayi hai dil mein dard mera.

Ab sanam mein mangta hoon bas haath uthakar yehi duva,
Ai Khuda mere sanam ko tu ab mere paas laa de zara,
Aur na rakh tu use door mujhse aur mila de mujhse zara,
Yeh agar mumkin nahin hai to humko utha le is jahan se zara.

Jis jahan mein milna hi nahin hai us jahan mein kya jeena bhala,
Kab tak sahen hum yeh judai, kab tak karein hum intezaar,
Bas dard bhare yeh jeevan ke jeene mein kya hai mazaa,
Ai khuda tu reham kar aur humein mila de, ya utha le humein is jahan se zara.

Karishma Kudrat Ka

Kudrat ka karishma bada hi ghazab hai,
Kitne haseen is jahan ko banaya who rab hai,
Rab nahin hai to duniya mein kuch bhi nahin hai,
Rab hai to yeh jahan hai warna kuch bhi nahin hai.

Oonche pahadon ko kisne rachaya hai is jahan mein,
Gehere saagaron ko kisne banaya hai is jahan mein,
Is jahan ko rangon mein ranga hai kisne is jahan mein,
Yeh jahan to hai srishti us rab ki rab nahin to kuch bhi nahin hai.

Suraj ke kirnon ke roshni se jagti hai yeh duniya,
Kya kabhi us suraj ko jagaya hai kisi ne is jag mein,
Agar chand suraj ko banaya na hota us rab ne,
To socho kya haal hota is jahan ka bina chaand suraj ke.

Yeh duniya to chalti hai rab ke sahaare,
Yeh duniya to chalti hai rab ke ishaare,
Hum to bas paatra hai hum kuch bhi karte nahin hai,
Hum jo bhi karte hai woh karte hai bas hum rab ke ishaare.

Sanam mujhe intezaar hai us ghadi ki,
Jab mein tere ghesuon ke chaon mein rahoonga,
Tadap us ghadi khatam hogi mere dil ki,
Jab tere saasein mere saanson se milti hogi.

Khafa Na Hona Tum Mujhse

Shayad maine ek galati ki hai zindagi mein apni,
Umeedein bahut laga baitha hoon zindagi se apni,
Zindagi ne meri pyaar bahut hi diya hai mujhko,
Phir bhi chahat dil ki kabhi kam nahin hoti meri,
Isi liye shayad khafa hoti hi rehati hai sada zindagi meri.

Shayad mere is chahat se naraaz hai zindagi meri,
Kabhi hoti hai khafa to kabhi root thi hai zindagi meri,
Na jaane maine aisa kya jurm kiya chahat jatakar apni,
Shayad mere chahat mein umeedein bahut hi zyada hai,
Isi liye shayad khafa hoti hi rehati hai sada zindagi meri.

Apne chahat ko sanam ab mein chupaoon kaise,
Pyaar to paya hoon is jeevan mein paakar tere saath,
Tujhko to chahata hoon apne jaan se zyada dilbar,
Is liye maangta hoon saath tera mein har pal ai sanam,
Mere mohabbat ko tu zabardasti na samajh ai sitam,
Tere bin jee nahin paoonga mein yeh hai meri kasam.

Mujhse itna khafa na hote rehana ai mere dilbar,
Tere bina mera jeena dushwaar ho na jaaye kahin,
Raat din kat thi nahin hai tere yaadon ke siwa,
Tum hi mere palkon mein sada basi rehati ho mere dilbar,
Tujhse mein aur kuch na maagoon mein ai mere sitam,
Bas sada saath hi rehana kabhi na chod dena mujhko,

Khath Tum Tak Pahunchaon Kaise

Likha tha maine ek khath tujhko,
Par woh khath tum tak na pahuncha paya,
Tum tak who khath pahunchata bhi kaise,
Tumahara to pata bhi mein na jaan paya.

Tadapta hai har roz yeh dil mera,
Woh khath tum tak pahunchane ko,
Pahunchaon who khath mein tum tak kaise,
Bas yeh ek baat maine nahin hai jaana.

Sanam ek din mere khawaabon mein aakar,
Zara mujhe apni pata tum bata dena,
Mere dil ki saari baatein tumhein batane ki,
Mujhe sanam ek raasta tum bata dena.

Tadapta hai mera dil saari baatein tumhein batane ko,
Kaise sambhaloon tadap mein apne dil ki,
Zara tum hi mujhko sanam bata dena,
Aur aakar mere tadapte dil ko ho sake to samjha dena.

Bas ek dua hai us khuda se mera,
Hamesha tere hi banker mein reha jaoon mein,
Sanam tere bina ho mujhko jeena,
Aisa din kabhi na aaye mere jeevan mein.

Khuda Se Ek Dua

Ai khuda tera bhi koi jawab nahin,
Kitna haseen banaya hai tune yeh jahan,
Chand karti hai roshan jahan ko raaton mein,
To din mein suraj se hoti hai roshan tera yeh jahan.

Jhilmilate rehate hai tare sada gagan mein tere,
Mitti ke meethi sugandh tere pehale varsha laati hai,
Indradhanush chaa jaati hai neel gagan mein tere,
Suraj ki kiran varsha ko jab apne gale lagati hai.

Kya mohabbat banayee hai tune dharti amber mein,
Door hokar bhi woh karte hai pyaar ek duje se,
Dharti amber ka rishta bhi hai bahut hi mahaan,
Unki kalpana ke Milan ko Kshiteej kehate hai jahan.

Kya mohabbat banaya hai tune sagar ke leharon aur kinaron mein,
Leherein aakar kinare ko choom kar laut jaati hai,
Yeh jaanti hai leherein ke kinare se Milan uski naamumkin hai,
Phir bhi machal thi hal leherein kinare ki hi yaadon mein.

Itne mohabbat bhari rangeen duniya mein ai khuda,
Tune aisa ek jeev kyon banaya jise kehate hai insaan,
Dil aur dimaag kyon di hai tune is insaan ko,
Us dil aur dimaag mein nafrat kyon tune paida hai kiya.

Bas ek baat mein tujhse puchna chaoon ai khuda,
Ho sake to mujhko tu itna bata de zara,
Kyon banayee hai tune mazhab naam ka ek shaitaan,
Jis par ladta hai aaj duniya ka har ek insaan.

Ai khuda soch hota kitna haseen tera yeh jahan,
Agar mazhab tune nahin banaya hota yahan,
Pyaar mohabbat se hoti kitni rangeen yeh jahan,
Agar tune paida nahin kiya hota mazhab naam ka ek shaitaan.

Ai khuda tujhse karta hoon mein bas ek dua,
Is jahan se mita de tu mazhab naam ka shaitaan,
Bas ek mazhab se bhari rahe tera saraa jahan,
Jis mazhab ko pyaar mohabbat kahe yeh saara insaan.

Le li hai bahut se jeevan mazhab ke naam par tune,
Ab humein pyaar mohabbat se jeene ka ek mauka de de,
Kar di hai laal is dharti ko tune lahu se insaan ke,
Ab humein apne ashkon se is lahu ko mitane ka ek mauka de de.

Is haseen duniya ko banade tu pyaar se rangeen,
Bata de tu duniya ko pyaar mohabbat nahin hai namumkin,
Jaisa pyaar banaya hai tune dharti amber mein,
Aisa hi pyaar tu jaga de har ek insaan ke man mein.

Yehi umeed ke chiraag ko sada jalaaye rakhoonga mein.

Har woh din suhana hota hai jo din sanam tum mere hi sang bitati ho.

Hum tum do kinaare hai saagar ke aur yeh saagar mohabbat hai apni,
Yeh kaisi mohabbat hai sanam jo itne door rehakar humein tadapati hai,
Kya hum dono mein lagi mohabbat ki aag yeh sagar kabhi buja paayegi,
Kya do premi ki mohabbat ki tadap yeh duniya kabhi samajh paayegi.

Yeh kaisa insaaf hai khuda ka sanam jo milaya hai par milan nahin ki,
Yeh kaisa nirday khuda hai sanam jo na samajhe pyaar hum dono ki,
Ai khuda hum tumse karte hai dua samajhle tu pyaar do premi ke,
Itna na tu tadapa hum dono ko ke hum jeene ke hi chaha chod de.

Tu ne hi banaya hai rishta hum dono mein ab tujhe ise nibhana bhi hoga,
Chahe duniya se tujhe ab ladna pade hum dono ko tujhe milana hi hoga,
Ek tere siwa yahan koi nahin jo pyaar hum dono ka samajh sakte hai,

Koi taraste hai do waqt ke roti ko, To koi paison ke bistar par hi sote hai,
Kisi ko tan dhakne kapade nahin hote hai, To koi nangepan ko hi fashion kehate

Koi taraste hai mamta ki khaatir, To kisi ke godh suni suni hoti hai.

Kudrat ka khel bahut nirala hai, Kahin hariyali hai to kahin veerani hai.

Kisi ka dil mein hai mohabbat bhara, To kisi ke dil mein nafrat ki bhandar hai,
Kisi ke jeevan hai gulshan se saja, To kisi ka jeevan lagta ek samshan hai,
Taraste hai koi mohabbat ke khaatir, To koi maar rahe mohabbat ko laat hai,
Kahin ut rahi hai doli basane apni duniya, To kahin arthi duniya se jaane ko
taiyaar hai.

Kudrat ka khel bahut nirala hai, Kahin hariyali hai to kahin veerani hai.

Kahin jal rahi hai shaadi ki agni, To kahin agni se ho rahi shav raakh hai,
Kisi ki maang sindoor se sajthi hai, To kahin ujadthi kisi ki maang hai,
Koi mana rahe hai khushiyon ki diwali, To koi kar rahe maatham saari raat hai,
Kahin par khushiyon ka aalam hai, To kahin gham mein dooba jahan hai.

Kudrat ka khel bahut nirala hai, Kahin hariyali hai to kahin veerani hai.

Kahin ugti hai suraj nayee subah ki, To kahin par amaavas ki raat hai,
Koi tadapte hai apni mohabbat paane, To koi mohabbat paakar bhi laachar hai,
Koi kar rahe hai raaj mohabbat se, To koi kar rahe bas hathyachaar hai,
Kahin sukh se bhara hai kisi ka jeevan, To kisi par dukh kar raha apna waar hai.

Kudrat ka khel bahut nirala hai, Kahin hariyali hai to kahin veerani hai.

Kya Yehi Hai Azaadi

Kya keemat hai insaanon ke jeevan ki,
Kya yeh batayega mujhe ab koi,
Kyon ho rahi hai itni is desh mein dehashat,
Kya yeh samjhayega mujhe ab koi.

Kya duniya mein koi mol nahin hai,
Ab hum insaanon ke jeevan ki,
Kya pranth pranth mein bhat gayee hai,
Apna yeh desh jo kabhi to ekjut thi.

Kya rajyon ke seemaon ne insaniyat hi khatam kar di,
Ya kursi ki koi lalach ne apne desh ki yeh sthithi kar di,
Kahan gayee woh Bharat jisne kabhi ladi azaadi ka jung,
Kya azaadi ne kar di hai apne saare sapnon ko bhang.

Kal apna desh tha ghulam magar,
Is desh mein sab ki ekjut to thi,
Aaj hum angrezon se azaad hai magar,
Apne hi dharam ke hum hai ghulam bane.

Kab milegi humein ab phir se azaadi,
Is jaath aur dharam ki ghulami se,
Kab hategi apne pairon se yeh bhedi,
Jo jaath aur dharam ne pehanaya hai humein.

Aisi azaadi ki ab kya matlab hai,
Jo baant rahi hai is desh ko pranthon mein,
Aisi azaadi ki ab kya matlab hai,
Jo pehanaye bhedi apne hi tarakki ke pairon mein.

Aao hum milkar aise desh banaye,
Jisme pranthon ki nahin koi seema hogi,
Dil se hum bas Bharatiya hi rahein,
Aur prachand Bharat apna hi hogi.

Jahan na hogi koi bhed bhaav,
Kisi bhi pranth ke logon mein,
Har Bharatwasi azaad rahega,
Kisi bhi pranth mein jaakar basne.

Mein Akela Hi Rahoonga

Mein akela hoon akela hi rahoonga
Jab bhi mere jaan mere saath na hogi,
Yaad to aati rehati hai woh mujhe har pal,
Aur aankhon se aansoon behate rehate hai.

Kaise samjhaon us bedardi sanam ko dil ka haal apna,
Kaise bayan karoon kitna tadapta hai dil mera uske liye,
Kaise kahoon us se ke jee raha hoon sirf usi ke liye,
Warna jeene ki to mujhe koi bhi chaha nahin.

Tadapta to hoga uska dil bhi mere yaadon mein lekin,
Yeh maatam si mukaam usi ne laya hai is jeevan mein,
Jab bhi hum dono mil nahin paate ek duje ko,
Ya jab koi baat nahin hoti hai hum dono mein.

Uske jeevan mein to log hai jis se behal jaati hogi dil uski,
Lekin kiske sahare behaloon sanam mein dil mera,
Mein to hoon ek akela is badi duniya mein sanam,
Koi nahin hai mera is jahan mein ek tere siwa.

Jab sanam tum nahin de paogi waqt apna mere liye,
Tab kya umeed rakhoon mein badi duniya se sanam,
Jab apna hi saath na de mere har pal ai sanam,
Tab duniya kya saath degi is badnaseeb jeevan ke.

Yeh woh muskaan hai jo bhaga thi hai thakavat meri,
Yeh woh muskaan hai jo laati hai jaan mere jeevan mein,

Mein to pagal hoon deewana hoon mohabbat mein teri,
Tere pyaar ke khaatir sanam hum kuch bhi kar denge,
Log kehate hai ko woh banayenge mohabbat ke liye taj mahal,
Lekin hum tumse aisa koi wada nahin kar denge.

Taj to bani thi mumtaz ke baad uske yaadon mein,
Hum to tere sang hi jiyenge aur tere sang hi mar jaayenge,

Sarva Dharma Sambhavana ki mool hai is desh ki sanskriti.

Yahan ki sanskriti ne hai sikhayi Athithi Devo Bhava humko,
Isiliye is desh ne pehele Mughal aur Angrezon ko bhi apnaya tha,
Par yeh hamari kismet thi ke Angrezon ne ghulam hume hi banaya tha,
Apni Bharat Mata ke liye hum jaan bhi luta sakte hai,
Yeh us pal hamare veer jawanon ne duniya ko dikhlaya tha.

Unke veerta se hi mili is desh ko ghulami se aazaadi,
Apne aazaadi ke is din ko chalo aaj hum sab milkar manayenge,
Aur saath mein yaaron ek waada bhi hum kar jaayenge,
Jab aayegi aanch is desh par hum kabhi na chup baithenge,
Apne aazaadi ke khaatir apne jaan tak hum luta denge.

Hum khud na kisi par waar karenge par desh ki aanch bachayenge,
Desh par kabhi koi aafat aaye to hum chup nahin reha paayenge,
Ek baar ghulami seha chuke hum phir aisa na hone hum denge,
Apne desh ki aazaadi ko hargiz mitne kabhi na hum denge.

Humko apne jaan se hai pyaari apna pyaara Hindustaan,

Pyaar aur Mohabbat se sanam sajaya hai maine tujhko,
Sanam tujhse milne se pehale bas mein to jee raha tha,
Jeevan ka arth kya hai tujhe paakar hi maine samjha.

Kaise samjhaon apne dil ko samjha de sanam tu mujhko.

Diwali wahan manati thi tum,
Aur duniya mere ujada sa laga,
Har pal tujhe bas yaad mein karta raha,
Mana teri kuch majboori thi,
Par dil kuch bhi na sun saka.

Dil mein jo kuch bhi armaan thi,
Woh armaan ansoon mein beha gayee,
Koi bhi na tha jo mujhe thaam le,
Aur behate hue ansoon ko rok le.

Ek wada karo tum mujhse sanam,
Ke aisa phir hogi na kabhi,
Aisa ek din aaye na jeevan mein mere,
Jab jeena padega mujhe tere bin.

Mana tere bhi majboori hai,

Sachha yaar woh hota hai jiske dil mein pyaar sachha ho,
Sachha pyaar woh hota hai jo kare hifazat apne dilbar ki,
Dekh sajni ke aankhon mein aansoo tadap uthe dil sajan ki,
Sajni ke aankhon ka aansoo bhi lage use khoon ka khatra.

Mohabbat Ki Jung

Dekhoonga kaise behati hai paani jharne bankar tan se tere,
Kaise badthi hai khoobsoorati tere jab behati hai paani tan se tere,
Dekh kar behate paani ko sanam mera mann mein khayal aata hai,
Kash mein bhi hota ek boond us paani ki jo tere tan se behata hai.

Jo kismat payee hai pani ki us boond ne aise kismat mere nahin,
Paani bhi chootha hai tujhko par tujhe choona mere kismat mein nahin,
Kab tak yeh doori sehana hai kab tak aise hi humein tadapna hai,
Kya is tadap ki koi anth nahin kya hamare pyaar ka koi arth nahin.

Kaise samjhaye hamare pyaar ka arth is naa samajh duniya ko,
Kaise samjhaye is duniya ko ke pyaar karna koi gunah nahin,
Yeh duniya kya samajh sakegi tere mere dil ki baaton ko,
Yeh duniya kya mita sakege tere aur mere tadapthi raaton ko.

Jab dilon ki tadap mita nahin sakte to kuch kehane ki inhe haq hi nahin,
Kyon kadra karein hum us duniya ka jo pyaar ko samajh nahin paate hai,
Yeh duniya hamare kuch aise hi hai jo sadiyon se aise hi chalti aayee hai,
Aise bereham duniya wale pyaar ko kabhi chain se jeene dete nahin.

Poojenge woh Radha Krishna ko par pyar ki paribhasha nahin samjhenge,

Aao chalo hum dono milkar lade is duniya se aur is duniya waalon se,

Mohabbat Ki Puraani Yaadein

Aaj ek zinda laash hoon mein kabhi chanchal thi jeevan meri,
Meri sooni jeevan ko usne mohabbat se rang di thi kabhi,
Jab se aayee thi woh mere jeevan mein jeevan madhur si lagne lagi,
Mera man kuch aisa machalne laga jaise rimjhim varsha barasne lagi.

Uske mohabbat mein mann bheega aise jaise varsha mein tan bheegata ho,
Usko apne seene se lagaake rakhna chahata tha mein har pal ko,
Mein is kadar use chahane laga jaise koi pyaasa chahe saawan ko,
Harr pyaas mitathi thi woh meri aur mann chaha uske hi sang jeene ko.

Mujhe itna pyaar diya usne jitna is jag mein payaa hoga na koi kabhi,
Phir ek din toofaan aayee meri beeti kaali jeevan uske nazar aayee,
Is baat se uska dil toot gayee au woh bas mujhse rooth gayee,
Woh saath mera chod gayee mujhe apne haal mein chod gayee.

Uska roothna mujhse saha na gaya par saari galati to thi meri,
Ab kos raha tha mein khud ko aur apne jeevan ke beeti baaton ko,
Jo mohabbat aayee thi mere jeevan ab jeevan bhar ki yaadein chod gayee,
Meri saari khushiyan chooth gayee jaise jeevan mujhse rooth gayee.

Ab bhi yaad aati hai mujhko uski saari mohabbat ki baatein,
Woh saare lamha yaad aati hai jo lamha humne saath gujaari thi,
Use paana shayad meri kismat mein nahin is liye saath apna chooth gayee,
Aaj ek zinda laash hoon mein kyon ki mere mohabbat mere saath nahin.

Mohabbat Koi Paap Nahin

Darta hoon mein sanam bas is jag mein us amavas ki raat se,
Jab chaand hi hogi nahin us gagan mein taaron ke saath mein,

Aansoon behate hoge aankhon se mere jab sota hoga yeh jahan.

Aise veerani raat mein sanam tum mujhe akela rehane na do,
Aa jao mere paas aur baahon mein tum mujhko tham lo,
Thak gaya hoon mein ai dilruba jaagkar itne raaton ko,

Tere saanson ki garmi se mit jaayegi dil ki thakan mere,
Ab kahoonga mein khuda se ab humein phir se jaga na do,
Hum dono ko yunhi sote sote tum paas apne bhula bhi lo.

Jeene ki ab tamanna nahin hai hum dono ko ek duje ke bina,
Aisa jeevan to ab lag raha hai jaise hum dono ko ho koi saza,
Chalne do hum dono banke arthi bilkul kareeb kareeb se,
Jalne do chitha hum dono ki bas ek hi agni jwaala mein.

Ab kahoonga mein duniya se jo dushman the mohabbat ke mere
Dekhlo ai duniya waalon ab hum insaan nahin bas raakh hai,
Mohabbat hi hai sab se badi baaki ke sab to bas khaakh hai,
Mohabbat se kabhi fir nafrat na karna usme na koi paap hai.

Jab bahenge hum raakh bankar hum dono ek ho jaayenge,
Tab hamare us milan ko is jag mein koi bhi rok na paayenge.

Mohabbat Kya Hai?

Usne humse poocha Mohabbat kya hai?
Mohabbat kya hai use hum kaise bataye,
Aadhi umar beet chuki hai mere is duniya mein lekin,
Mohabbat kya hai ab tak hum yeh samajh nahin paaye.

Mohabbat ki paribhasha sab ki alag hai,
Mohabbat mein aasha sab ki alag hai,
Mohabbat se badh ke kuch bhi nahin is jahan mein,
Mohabbat kea age jhukta hai aasmaan bhi.

Koi keha raha hai mohabbat hi aasmaan hai,
Koi keha raha hai mohabbat hi yeh jahan hai,
Koi puchtha hai ke Mohabbat kahan hai,
Koi keha raha hai mohabbat har dil mein jawan hai.

Meera ke bhakti mein bhi hai mohabbat,
Radha ke shraddha mein bhi hai mohabbat,
Dono ke mohabbat ke manzil ek hi hai lekin,
Dono ke mohabbat ke raaste alag alag hai.

Dono ke yaadon mein basa hai bas kanha,
Dono ke dilon mein bas chupa hai kanha,
Dono ke dilon ki mohabbat hai kanha,
Dono ke dilon ki dhadkan hai kanha.

Koi kehata hai mohabbat hai shakthi to,
Koi kehata hai mohabbat hai bhakti,
Kisi ke liye shraddha hi mohabbat hai to,
Kisi ke liye pooja hi mohabbat hai.

Zehar ko bhi amrut banati hai mohabbat,
Sholon ko bhi phoolon mein badalti hai mohabbat,
Bhari hai khuda ne itni taakat mohabbat mein ke,
Saari duniya se bhi kabhi lad jaati hai mohabbat.

Ab humse na koi yeh puche mohabbat kya hai,
Mohabbat hai yeh jahan mohabbat aasmaan hai,
Mohabbat se rangeen yeh saara jahan hai,
Mohabbat hi duniya ka sabse haseen sama hai.

Saat suron mein dooba saaj hai mohabbat,
Is duniya ka sabse haseen raaz hai mohabbat,
Khuda ke banayee beshumaar taaj hai mohabbat,
Do dilon ko baandhne waali aas hai mohabbat.

Waise to hum karte rehate hai intezaar unka badi lambi ghadi,
Par jab woh aate hai saamne to unhein jaane ki hai bahut jaldi,
Mein nahin jaanta ke kaun sahi hai aur hai kaun galat,
Bas yeh chahata hoon ke tum mere sang bi bitao kuch apni waqt,
Aur us ghadi ko mein apne dil mein sada ke liye kar loon qaid.

Har ghadi bas intezaar karana hi mere sanam pyaar nahin,

Nigahen num si ho jaati hai intezaar karte karte,
Kya kabhi un Nigahon ka dard mehsoos kiya hai tumne,
Meri Nigahen to bas karte hi rehati hai intezar tumahari,
Kab tak yeh Nigahen intezaar mein lagi rahe keh do zara.

Dard hoti hai in nigahon mein intezaar karte karte,
Is dard ka kya hai ilaaz yeh bhi to humein keh do zara,
Darr raha hoon kahin aasoon ki jagah khoon na behane lage in Nigahon se,
Tumahara raasta dekh dekh kar ab thak gayee hain Nigahein meri.

O Life

O LIFE, I HATE YOU,
I HATE YOU TO SUCH AN EXTENT THAT,
I HAVE STARTED LOVING DEATH.

O LIFE, THOUGH YOU ARE KNOWN TO BE
BRIGHT N COLOURFUL,
YOU ARE UNCERTAIN,
AT TIMES, YOU ARE COLOURFUL,
ALL OF A SUDDEN YOU BECOME
SO DARK AND DULL THAT
I FIND IT DIFFICULT TO
ADJUST MYSELF WITH YOU.

O LIFE, DEATH THOUGH DARK
IT ALWAYS REMAINS DARK, THOUGH INITIALLY
ONE FINDS DARKNESS, A BIT DIFFICULT
TO ADJUST, BUT ONCE ADJUSTED TO IT,
ITS LOVING AND CHEERFUL.
DARKNESS OF DEATH IS CERTAIN
WHICH NEVER CHANGES WITH TIME.

O LIFE, DEATH THOUGH BITTER
ON ITS ARRIVAL, ONCE IT FULLY
EMBRACES, I CAN GET RID OF ALL
THE WORLDLY TROUBLES CAUSED BY YOU.

O LIFE, YOU ARE THE ONE WHO WILL
ULTIMATELY LEAD ME TO DEATH,
BUT, DEATH, WILL ULTIMATELY LEAD ME TO
AN ETERNAL LIFE WHICH HAS NO END.

Mere har saanson mein tum hi tum basi oh mere sanam.

Zindagi mein itni tadap pehale kabhi na thi oh mere sanam,
Bahut tadpa hoon jab se aayee ho jeevan mein tum oh mere sanam,
Har ghadi bas us pal ka hi intezaar rehata hai mujhe,
Jis ghadi mere baahon mein hogi tum oh mere sanam.

Khwaab tum sang bahut hi sajaaye hai maine oh mere sanam,
Aake har khwaabon ko haqueekat mein badal dena oh mere sanam,
Bahut tadpa hai "Deewana" bas tere liye oh mere sanam,

Pata Nahin Kab Aur Kaise Yeh Ho Gaya

Pata nahin kab aur kaise yeh ho gaya,
Kisi anjaane se humein ishq ho gaya
Socha hi nahin tha ishq ke samandar mein doobenge hum kabhi,
Lekin kal tak jo dil tha hamara woh aaj kisi ka ho gaya,
Pata nahin kab aur kaise yeh ho yeh gaya..

Pata nahin kab aur kaise yeh ho gaya,
Zindagi to kal tak chal rahi thi apne hi raahon mein,
Ek woh aaya mere jeevan mein aur raah mera kho gaya,
Na jaane aise kya jaadu thi uski baaton mein,
Na kuch socha na samjha aur mein uska "Deewana" ho gaya,
Pata nahin kab aur kaise yeh ho gaya.

Pata nahin kab aur kaise yeh ho gaya,
Jo bharosa jataya tha usne mujhpar,
Us bharose par hi dil mera lut gaya,
Kal tak jo saansein thi mere khud ki,
Aaj woh saansein bhi uska ho gaya,
Pata nahin kab aur kaise yeh ho gaya.

Patthar Ki Murat

Puja se unko fursat nahin milti to mohabbat woh humse kaise karenge,
Khuda bhi to hai sirf pathar ki murat us murat se ab kya dua hum karenge,
Humko zarurat nahin hai koi dua ki humko zarurat nahin hai kisi ki ada ki,
Aaye hai akele akele hi jeeyenge akele hum jeekar akele hi mareenge.

Mujhe maut se ab to koi darr nahin hai yeh maut mera kuch kar na sakega,
Chahe woh aaye jab bhi mere dwaare apne baahein failakar use mein miloonga,
Kya diya hai mujhko is duniya ne jo is duniya mein jeene ki chah mein karoonga,

Na mili koi sukh na koi chain mann ka aise duniya mein rehakar mein kya
karoonga.

Na koi khuda hai na koi farishtha yeh sab hai baatein har ek insaan ke maan ka,
Agar koi shakti hoti is jahan mein to woh shakti humein aise sataati nahin thi,
Karke juda mohabbat ko mohabbat se woh mohabbat ko kabhi aise rulati nahin
thi,
Mein hoon ek insaan jo kaam apna kar raha hoon mujhe parawah nahin kisiki
dua ki.

Bhala ya bura hoon apne dam pe jee raha hoon mujhe koi shakti ki zarurat nahin
hai,
Agar mar bhi jaoon ai duniya waalon mere maut par kabhi koi gham na karna,
Mere shav par koi maala na dharna mere shav par koi kumkum na bikharna,
Na mera shraddha karna na koi paath padhna mere maut par tum koi gham na
karna,
Mujhe phool aur kumkum ki zarurat nahin hai woh phool aur kumkum us murat
par hi rakhna.

Prem Granth

Jab jab do dil milte hai, pyaar usi ko kehate hai,
Jo ehsaas dil ko tadpaati hai, pyaar usi ko kehate hai,
Jo neendh chain churati hai, pyaar usi ko kehate hai,
Jo laati hai dil mein ek bechaini, pyaar usi ko kehate hai

Aise hi ek din is jag mein, mila ek saajan apne sajni se,
Jaise sajni se saajan ki nain ladi, saajan apna dil kho baitha,
Na samajh saka woh kya thi jaadu, jo uske dil ko paar gayee,
Sajni ki nazrein bas ek teer bankar, saajan ke dil par vaar gayee.

Chup kar saari duniya se saajan sajni se milne laga,
Un dono ke jeevan mein, ab to prem ki bagiya khilne laga,
Dono ke hi dil mein ek darr thi, kya apnayenge unhein ghar wale,
Pyaar mohabbat kya hoti hai, yeh berahmi duniya kyaa jaane.

Pyaar mohabbat aisa ek rishta hai, jo chupaya nahin chupta jag se,
Ek din inki mohabbat ke charche, dono ke ghar mein hone lagi,
Badki jwaala dono ghar mein, milne na diye woh sajni ko saajan se,
Saajan sajni dono tadap the the, ek duje ki ek jhalak ke liye

Phir dono ne yeh than liya, ab woh ladenge jung mohabbat ki,
Chahe ladna pade unhein duniya se, par rahenge ab ek duje ke banke,
Sajni ghar se nikal gayee, aur saajan ke ghar aa pahunchi,
Saajan ke sab ghar waale, Sajni ka rasta the rok rahe.

Jab dekha sajan sajni ko, apne hi ghar ke dwaar khadi,
Bas teer sa nikal pada woh bhi, apne sajni ko baahon mein bharne,
Sare ghar waale ek hokar bhi, rok na sake saajan sajni ko,
Saajan lekar apne sajni ko, apne hi ghar se woh nikal pade.

Ghar waalon se yeh dekha na gaya, jeet mohabbat ka hote hue,
Sajan ko apne bas mein laane, woh sajni par waar kiye,
Jaise hi sajni par waaar hui, sajni zameen par gir padi,
Sajni ki saasein thamne lagi, saajan pagal hone laga.

Sajni ko bejaan dekhte hi, saajan ka dil tadap utha.
Saajan bekaabu hokar, apne hi gharwalon par toot pada.
Bas is haatha payee mein, ek waar hua saajan par bhi
Ek waar us par hote hi, saajan bhi zameen par simat gaya.

Jab gir pada saajan neeche, woh kuch aise zameen par gir pada,
Girte hi sajan ke haath, sajni ke gale ka haar bana,
Duniya na samjhi mohabbat ko, aur maar diya saajan sajni ko,
Mar kar bhi mohabbat inki, sada jahan mein jagne lagi.

Jahan chahat thi doli sajane ki, ab jaa rahi thi arthi unki,
Par mar kar bhi saath nahin choota, saajan aur sajni ki,
Dono saath hi chal rahe the ab, is duniya se bahar jaane ke liye,
Chitha bhi dono ki saath jali, aur asthi mein dono mil hi gaye.

Dono ke duniya se jaate hi, unke mohabbat ke charche ab chalne lagi,
saajan sajni ki har ek baatein, ab prem granth kehalane lagi,
Suno suno ai duniya walon, mohabbat ke tum dushman na bano,
Mohabbat ko bas kavita hi rehane do, maar kar mohabbat ko phir Prem Granth
ka naam na do.

Pyaar Mohabbat

Dil karta hai jeevan ka har ek pal mein
bas tere hi saath guzaaroon,
Har saanson mein tere yaadon ko basa loon,
Har dhadkan mein main tujhe samaa loon.

Tujh bin lage ab yeh jeevan adhuri,
Hoti nahin hai koi kaam ab poori,
Har pal mein bas teri hi yaadein,
Karti hai ghayal ab mere dil ko poori.

Tadap to hai do dilon ki majboori,

Pyaase ko gar paani mil jaaye,
Phir rahegi na uski koi aasha adhuri.

Sarhadh Kyon Banaya

Duniya ko hisson mein baata hai kisne,
Duniya mein sarhadh banaya hai kisne,
Panchi ki to nahin hai koi sarhadh jahan mein,
To insaanon ko sarhadhon par baata hai kisne.

Suno duniyawalon yeh duniya hai bahut choti,
Is choti si duniya ko na baato tum sarhadhon pe,
Jana ho Japan ya Cheen ya phir America,
Koi lamba safar nahin hai koi is duniya mein.

Phir is chote se safar ko khon baata sarhadhon par,
Aur kyon hai kiya alag duniya ke har mulkon ko,
Kyon banayee hai itne niyam oh duniyawaalon,
Kya zaroorat hai Visa aur in niyamon ki.

Sabse lamba safar woh safar hai duniyawalon,
Jisme na koi niyam hai na zaroorat koi visa ki,
Yeh safar to paar hoti hai bas chaar kandhon par,
Aur tere chitha ki agan se yeh safar hai aage bad rahi.

Sazaa

Ek din puchunga mein khuda se kyon diya aisi saza,
Jab milana hi tha humein pehele hi kyon na mila diya,
Kisko sunaye haal dil ka kaun samjhega mohabbat mera,
Yeh duniya na samjhegi mohabbat hamari woh kahegi humein bewafaa.

Apni mohabbat kyon chupaye duniya ke dar se tu bata,
Jab zindagi thi ghamon mein dubi kya duniya hamare saath tha,
Duniya to bas humein taane dengi iske siwa use aata hai kya,
Aise duniya se kyon dare hum tu hi bata meri dilruba.

Kab tak yunhi hum tadapte rahenge tu bata ai dilruba,
Is tadap mein ab zindagi bhi lagne lagi hai ek sazaa,
Yeh sazaa ab seha na paaye ai dilruba yeh dil mera,
Kyon na hum tum milke keha de is bereham duniya ko ab alvida.

Aao chale hum aise jahan mein jahan mohabbat ke dushman koi na ho,
Jahan karte hai puja pyaar ki aur pyaar ke quatil koi na ho,
Tab hi mitegi pyaas tan ki aur mitegi apni dil ki tadap,
Jab rahogi tum baahon mein mere tab chain se reha payenge hum.

Subaha Ka Khawaab

Aaj subah ek khawaab mein dekha,
Khawaab thi badi sundar sanam,
Sab se alag tha ek chota ghar apna,
Jisme humtum rehathe the sanam.

Sanam woh ghar itni sundar hai,
Aur rangon mein woh hai safed,
Ghar ko aur chamkane ke khatir,
Lagi hai battiyan har ek oor.

Battiyon ke roshni se chamak uthi hai,
Sanam woh pyaara sa ghar apna,
Lag raha tha who koi ghar hi nahin,
Par sheesh mahal hai woh apna.

Mein bahar se laut aa raha tha,
Sanam tum khadi thi dwaar mein,
Apne nayan bichaye raahon mein,
Bas mere hi intezaar mein.

Tumne pehani thi woh libaas,
Jiska rang bhi tha sanam safed,
Sanam apne is safed libaas mein,
Tum to lag rahi thi bas Chandni.

Roshni ke beech mein tum khadi thi,
Aur sanam mein to bas pareshan tha,
Ghar ko roshan kiya in battiyan ne,
Ya tumne sanam meri chandni.

Tumhein dekhkar raha na gaya,
Aur mein dauda tum tak aaya,
Aakar tumahare paas mein,
Tumhe apne baahon mein bhar liya.

Bharke tumhe mein apne baahon mein,
Tumhein laga sanam mein choomne,
Tere hothon ko liya mein apne honth mein,
Aur laga tere honthon ka ras mein choosne.

Kehate hai sach hoti hai koi bhi khawaab,

Ab to Karta hoon sanam mein intezaar,
Apne khawaab ko hakeekat hone ki.

Likhne baithoon to alfaaz nahin milti,
Kehane ki chahat hai bahut kuch dil mein,
Kehane baithoon to lafz nahin milti.

Ai jaan kaise samjhaon dard-e-dil mera,
Jo intezaar mein rehati hai kab aaogi tum,
Janta hoon mein tumahari majboori lekin,
Is kambhakat dil ko kaise samjhayenge hum.

Jab ai dilruba hogi tum mere hi baahon mein,

Tamanna Hai Mere Dil Mein

Bahut se sapney humne sajaye hai jaan dil mein,
Tumse milne ki umeed humne jagaye hai dil mein,
Tumahare baahon mein aaghosh hone ki tamanna hai dil mein,
Tumhein apne baahon mein jakad lene ki khwaish hai dil mein.

Tumahare zulfon ki mehak mehsoos karne ki tamanna hai dil mein,
Tumahare baahon mein sar rakh kar rone ki tamanna hai dil mein.
Tujhse mein kaise dikhaon woh saare sapney jo sajaye hai dil mein,
Tujhse milne ki umeed humne jagaye hai dil mein.

Tere hothon ke ras peene ki chahat hai is dil mein,
Tere aankhon ke geharayee mein doob jaane ki tamanna hai dil mein,
Log to kehate hai khwaab raaton ki neendh mein aati hai,
Par jab se tumhein mila hoon din mein khwaab dekhne ki aadat ho gayee hai is

Tanha Dil Barasti Aankhein

Aankhon mein sada tasveer bankar rehati ho tum,
Dil mein mere sada yaadein bankar rehati ho tum,
Lekin kab tak jiyoonga mein tere yaadon ke sahare,
Aakar de do mujhe tum apne baahon ke sahare.

Na jaane kyon banayee hai aisi milan apni khuda ne,
Jo milkar bhi nahin mil paate hai hum ek duje se,
Dil hai udaas aur akela hoon mein sanam aa jaa,
Aakar sanam mujhe tum apne dil mein basa jaa.

Tanha hai dil aur sanam tanha hoon mein,
Kahin khoyee hai meri aankhein aur rota hoon mein,
Kahin mera aansoon duniye ke nazar mein na aa jaaye,
Isi liye duniya ke nazron se chup chup kar rota hoon mein.

Ab aansoon mere sanam thamthi hi nahin hai,
Mere dil ki siskiyan ab rukhthi hi nahin hai,
Sanam ab is gham se bachne ka raasta tu bata de,
Ya duniya se bachakar mujhe apne daaman mein chupa le.

Tera Intezaar Hai Sanam

Intezaar rehati hai nazron ko tumahari ek jhalak paane ke liye,
Intezaar rehati hai dil ko tumahari ek aahat sun ne ke liye,
Sanam hum bhi intezaar mein hi baithe hai us din ka,
Jab sanam ke ek jhalak dikhayee degi aur aahat sunayee degi.
Na jaane kab aayegi woh ghadi aur kab khatam hogi intezaar meri

Thak gaya hoon mein sanam tera intezaar karte karte.
Duniya to kehate hai ke intezaar ka phal meetha hota hai,
Par dar raha hoon ke jab intezaar khatam hogi us pal,
Duniya yeh na kahe mujhse ke meetha mana hai tumahare sehat ke liye,
Darr raha hoon aaye na koi baadha sanam tere intezaar mein.

Tumse milne se pehale itni bechaini nahin thi mere dil mein,
Jab se dekha hoon tumhein bad gayi hai hadh se zyaada bechaini meri,
Sanam teri har baat aur har ada aati hai yaad mujhko,
Kabhi nazron se door nahin hat thi hai sanam surat teri,
Tadapta hoon phir se milne tujhko na jaane kab hogi puri woh muraad meri.

Jee karta hai sab kuch chod kar tere paas aa jaoon mein sanam,
Aakar tere paas tere daaman hi mein chup jaoon sanam,
Phir se kheloon mein zulfon se tere aur choom loon tere gaalon ko,
Aur choomoon tere madh bhare honthon ko mere dilbar,
Aur dekhoon woh teri sharam aur haya oh mere sanam.

Sana bas itna kehana choonga aaj mein tujhse,
Tere bin jeevan meri ab kuch bhi nahin hai oh mere sanam,
Tum hi ho saansein mere aur tum hi ho mere dil ki dhadkan,
Tum bin kisi bhi kaam mein ab lagta nahin hai mera mann,
Sanam tum bin ab kuch bhi nahin hai ab yeh jeevan Deewane Ki.

Har pal mujhe yaad aati hai sanam woh saari beeti baatein,
Yaad aati hai mujhe har pal apni woh saari mulaakatein,
Jo bhi ghadi beeti hai tere baahon mein oh mere Sanam,
Mere jeevan ka sabse haseen pal hai bas wohi pal Sanam,
Kaise bhooloonga mein apne jeevan ke sabse haseen pal Sanam.

Karta hoon dua ke aaye phir laut ke meethi woh ghadi,
Jab hogi tum Chandni banke saamne mere hi khadi,
Bhar loonga mein tumhein baahon mein apne Sanam,

Bhool jaayenge hum tum duniya ko bas sada ke liye,
Aur bankar rahenge hum dono bas ek duje ka Sanam.

Isiliye oh mere sanam tune mujhe apne se door kara diya,

Kitni bhi mushkilein aaye raahon mein phir bhi,
Bas muskurakar hamesha tu unka saamna karna,
Tere har kadam pe tera saath hai yeh 'Deewana'
Yeh baat kabhi na bhulna aur bas haste rehana.

Likhte to the hum pehale bhi magar ai mere sanam,
Lekh mein mohabbat chalakne lagi hai aap ke aane ke baad,
Tere khushi ke liye kar dega kuch bhi kurbaan tera "Deewana",
Sada muskurate rehana aur muskurahat ko dhalne na dena.

Teri Nazrein

Jab nazrein mile mere tere nazron se,
Nazron se kuch bhi chupaya na gaya,
Tere dil mein chupi saari baatein,
Ek pal mein hi nazron ne bayan kiya.

Tere nazron mein maine dekha mohabbat teri,
Tere nazron mein maine sharam haya dekha,
Tere nazron mein maine dekha ek darr,
Tere nazron mein maine tera sapna dekha.

Jab mila raha tha main tere nazron se nazar,
Tab haye sharam se jukh jaati tera sar,
Tirchi nazar se dekh rahi thi tu mujhko,
Aur dil mera bas bekaaboo hota hi gaya.

Woh sharmilee si muskaan teri,
Bankar ek teer mere dil mein utari,
Dil karta hai tujhe itna mein pyaar karoon,
Tujhe bahon mein bharoon aur pyaar karoon.

Tadapti thi palkein jab ek darr tere dil mein hota tha,
Sharam mein tere palkein bandh ho jaati thi,
Jab bhi koi thes tere dil ko lagta tha,
Tere baaye aankhon mein aansoo aa jaati thi.

Jitni khamosh thi teri zubaan utni hi baatein teri nazrein karti hai,
Zubaan tere bandhe aur khamosh rahe phir bhi,
Teri nazron ki boli samajhti hai meri nazrein,
Kuch tujhe batane ki zaroorat hi nahin sanam,
Hum pad chuke hai saari baatein tere nazron se.

Bas tumse ek choti si guzaarish hai Sanam,
Kabhi apne aankhon mein aansoo na aane dena,
Jab bhi dooba ho dil ghamon mein tera Bas yaad humein tu karle sanam,
Mein saamne tere aa jaoonga aur bahon mein tujhe mein bhar loonga.

Lekar tujhe mein apne bahon mein tere saare gham bhula doonga,
Tere jeevan ke saare lamhon ko bas khushiyon se mein bhar doonga,
Yeh waada aaj tujhse karta hoon mein Deewana,

Jeevan bhar mein tera hi rahoonga Sanam.

Aisa to ek pal bhi nahin jab yaad teri na aaye mujhko,
Jab sota hoon khwaabon mein aati ho tum,
jab jaagta hoon har pal bas satati ho tum,
Itna kyon tarsaati ho sanam,

dil tadapta hai tujse milne ko.
Teri aankhon se aankhen milane ko,
Aur teri baahon mein lipat jaane ko,
Teri daaman mein sar chupane ko,
Aur tere aanchal se aansoo mitane ko.

Kab tak juda rahoon tujse oh sanam
Tum bin mushkil ho gaya guzarna har pal sanam,
Ab bas aake mujhe apne baahon mein le le sanam,
Aur hone de dil ka har dabe armaan pura sanam.

Bahut tadpa hoon aur tadpa nahin jaata sanam
Kuch to kardo ke hum tum mil jaaye sanam
Tumhein meri kasam kuch to jaldi karo sanam
Kuch aise kardo ke hum tum mil jaaye sanam

Yeh judaai ab aur na seha paoon mein sanam,
Darta hoon tumhe milne se pehale mar na jaoon sanam,

In behati ashkhon ko aake tum rok lo oh mere sanam
Aur mujhe bas ek raat chain se apne bahon mein sone do sanam.

Teri Yaadein

Teri yaadon mein mere subah beeti hai,
Tere hi yaadon mein beeta mera shaam,
Tere hi yaadon mein sari raat mein jagta hon,
Tere yaadon ke siva nahin hai mujhe koi kaam,

Ab to tu hi batadey oh Jaaneman meri,
Kaise guzaaron mein meri umar tamam,
Tum to keha deti ho is Deewane ko,
Itna yaad na karna mujhe oh Deewane.

Deewane ki dil ka haal bhi socho zara,
Jiski har dhadkan kahe tera hi naam,
Agar mein yaad na karoon tujhe to jeeyoon kaise,
Mere jeevan ke saansein bhi chalti hai tere hi naam se.

Deewana bhi jaanta hai tumahare dil ko,
Jo har pal har ghadi yaad to karti rehati ho mujhe,
Phir bhi bas kehane ko kehati rehati ho,
Na mein tumhein yaad karti hoon, Na tum mujhe yaad karna.

Mana hum tum mile nahin hai ab tak,
Par yeh to nahin hai ke mein tumhein jaanta nahin,
Jaanta hoon mein har dhadkan ko tumahare,
Jo bas dhadakti hai Deewana ke hi naam se.

Mohabbat se jab bhara hai dono hi dil,
Kareeb rehane ki zarurat hi nahin,
Door reha kar bhi hum tumahare dil ko jaante hai,
Tumahare Dhadkan ko hum apne Dhadkan sa maante hai.

Dilruba yeh kabhi na sochna tum ke hum nahin mile hai,
Ek din aise hoga jab hum honge ek duje ke baahon mein,
Jab hum itne kareeb honge ke hawa bhi na jayega hamare beech,
Yeh waada hai Deewana ka Deewani se.

Pehele jo guzarti thi ghadiyan sang tumahare,
Aaj woh guzarti hai bas mere akelepan mein,
Na jaane phir kab aayegi woh beeta zamana,
Nahin lagti hai dil mere ab sanam tere bina.

Kahin to kho gayee hai woh ghadiyan jab hum kareeb the,
Aaj lagta hai badti hi jaa rahi hai dooriyan hum dono mein,
Dil mein darr sa rehata hai mera kahin kho na doon mein tumhein,
Ab to jee nahin paoonga mein tere bina oh mere sanam.

Na jaane lag gayee kis ki nazar hum dono ko sanam,

Dil mera hai gham mein dooba hua tere bin mere sanam,
Rukti nahin hai behate aansoon tere yaadon mein sanam.

Par yaadon se dil bharta nahin yeh hai hakeekat oh sanam,

Na jaane kab khilegi bahar mere jeevan mein aur milogi tum mujhe.

Na jaane kab aayegi phir se woh suhana mausam sanam.

Tumahare honthon ke mithaas ko mein chakna chahoon sanam,
Sada hi tum ho meri aur sirf meri hi rahogi tum dilbhar,
Hamesha tumahare sang hi rehana chahoon mein sanam.

Zindagi ke raah guzar rahi thi koi musafir ki rahon ki tarah,
Na koi manzil aa rahi thi nazar na koi tha caarvaan,
Door tak sooni thi raahein aur nahin aati thi kuch nazar,
Thak gaya tha mein chalte chalte aur ho raha tha mein bekhabar.

Khud ko jab is duniya mein akela mehasoos mein tha kar raha,
Us ghadi na jaane kahan se tu aayee aur thaam li tune mera haath,
Soonni raahon mein tu aake chal padi tu bhi mere hi saath,
Ab hum dono chal rahe the thaame haathon mein ek duje ke haath.

Ab safar kateen nahin hai mere saath mere hai jo mera humsafar,
Ek din dilbar mere tu baahon mein apne sone de mujhe,
Baahon mein tere rakh ke apna sar rona chahata hoon dilbar mere,
Aaj tak jo gham hai dil mein bhara us se bheeghona chahoon mein tujhe.

Thak gaya hoon jeevan ke daud mein ek din bas sula de tu mujhe,

Tum Hi Ho Honthon Ki Muskaan Meri

Pehele jo udaasi chaayee rehathi thi chehare mein,
Par aaj badal gayee hai muskaan mein
Jab se tum aayee ho jeevan mein
Zindagi rangeen ho gayee hai,

Aise ek apnapan jo jataya hai tumne,
Ke hum aapke deewane ho gaye hai
Pehele to the hum sirf naam ke deewana
Ab to hum sahi lafzon mein deewana ho gaye hai

Zindagi ke raah mein to hum pehale bhi chalte the magar,
Jab se tum aayee ho raha guzar banker,
Raah ab aur bhi haseen ho gayee hai,
Tum sang rahogi to jaanam in raahon mein hum chalte hi jaayenge.

Yaadon mein rehate rehate pata hi nahin chalta,
Kab subah se shaam hui din raat ab ek se lagte hain,
Din mein aise ek pal hi nahin jab yaad tujhe na karta ho.

Agar aap saamne ho aur kuch likhne kaho,
To hum yuhin bas likhte hi jaayenge,
Kaagaz bhar jaayegi kalam ki syaahi khatam ho jaayegi
Par haath hamara kabhi na thak kar rukh jayegi.

Phir agar tum woh kagaz lekar dekho kya likha hai humne,
To har kaagaz mein sirf tumahara hi naam tum paogi
Tumahara naam likhte rehane ko mein
Apni khush kismat samajhta hoon, .

Har koi khush naseeb nahin hote mere jaise
Jinhe itni pyaari mohabbat milti hai
Tum sirf mohabbat hi nahin chahat ho meri,
Tum sirf dil hi nahin dharkan ho meri,
Ai sanam mein tera saath na chodunga janam janam tak,

Mein to aankhon se ashkon ko bahaye jaa raha tha.

Tumhein to fursat hi nahin mili apne deewane ke khaatir,
Tum to shehanaiyon ke mehafil mein ghum thi,
Kaise tum jaan paogi kya kya guzri hai mere dil mein,
Us ghadi jab tum nahin rahi thi sanam sang mere.

Ai khuda aisa kuch din tu mere dilruba ke jeevan mein bhi laana,
Jab woh tadpe mere yaad mein aur mein na rahoonga uske sang us pal,
Kash tab woh samajh payegi dil ki dard ko mere,
Kash tab woh jaan paayegi kaisi hoti hai dard dil ki.

Yeh to alag baat hai ke mein to rehata hoon sang dilruba ke har pal,
Shayad bajthi ho shehanayee ya ho rahi ho maatham koi mere ghar mein,
Shayad isi liye woh nahin samajh paati hai akelapan kya hai,

Mohabbat mein hai apni itna taakat ke mila degi tumhein humse ek din,

Na rok payegi saari duniya milan apni,
Bas isi umeed mein hum tum jeete hain.

Jab dil ki mohabbat sachi hai tu na kisise tu dar na kisiki parwah tu kar,

Zindagi Ki Tadap

zindagi mein itni kabhi udhasi na thi,

Yun to hum zinda hai sirf duniya ke liye,
Jeene ab is dil mein koi chahat hi nahin.

Pehele jo jhoomti thi dil mere mohabbat ke khushiyon se,
Ab mohabbat ke ghamon mein doob ke tanha baithi hai,
Kisko sunaon mein haal-e-dil dilruba mere dil ki,
Koi na samjhega mere dil mein tadap kya hai.

Aaj bhi mein yaad karta hoon un beete lamhon ko,
Jo lamha bas tere hi saath guzara tha maine,
Beeta lamha mujhe bahut hi tadpati hai,
Yaad teri aa aa ke mujhe satati hai.

Yeh to khabar nahin kab mujhe yun jeena hoga,
Kab tak mujhe yunhi is dil ke tadap ko sehana hoga,
Kya aayegi kabhi phir laut kar woh beete lamhein,
Yaa maut ke aane tak mujhe yunhi tadapke jeena hoga.
