

The soul

I saw a deep sea
in your eyes...

It waved again
and
again to me....!

A little beep
in my heart
twittered ...
Can i be the small
droplets in you?

The deep sea
smiling with
its small
bits of waves..
No,you can't
you can't be
droplets in me..

I saw a wavy scar
in the deepness
of the sea

My soul twittered...
Can i be the music
with in you?

Never,the sea
roared ...
don't come to me
don't come to me
i feared.. i feared
some times ...
you may be my soul...
