

The Symphony

Silence of lambs
sings
the symphony of
Bethovan;

Says
the story of
Midnight's children;

Wear
the thorns of
lonliness;

Dove into the
deepest desert
to seek a shadow
atleast;

Silence of lambs
shared
a foolish game
which swallows
each other ;
Teach to cheat
one another;
Make the path
of strangers;
Save the melody
of bullets and
shoot each other
with pleasure;

silence of lambs
twittered.....
Bethovan, thy
Symphony
is so nice
so great
because of
its silence....!
