imad jeelani(21-03-2001)

Who's That?

who's that climbing up the tree?
glimpsing and watching me,
who's that in the darkness deep?
I could hear your creepy sound.
The shadow looked like a monster ready to pounce on me.

The broken windows were flying around me,
who's that scaring me so late?
looking in when i'm all alone.
