In Need Of Some Guidance(07-10-1991)

OMG! Anyone who comes to this page....

I'm sorry you've wasted your time.

I had a few good poems here...but I deleted them.

(then when I wanted to put them back on I couldn't find'em)

so oh well!

besides, I can't write anymore....

I suck!

Goodbye

It's me, again
sorry to bother you..
needing a friend.
Can't hide the pain...
can't face it... can't take it.
Can't breathe, my lungs... crushing,
my heart aching... lost... stolen.
Ripped out of me... my soul...
I have one?
no it's gone.... hiding... left me, alone.
running! come back! !
it's happy.. not with me!
gotta be happy for it! !
can't.... how selfish... very selfish...
not like you... you have to do it...
you know you must.... ok i will...
it's only fair...
goodbye.

In Need Of Some Guidance

To My Friend

You'd think I'd be used to everyone leaving,
Which I am.
But it still hurts.
You'd think I'd expect you to do the same,
but I didn't.
You were my friend,
or so I thought.
I looked at you as someone I trusted, completely, which I rarely do.
I shared my secrets with you,
even when it was hard to tell the truth,
I never lied to you,
whatever you asked,
you had an honest answer.
Then all of a sudden it wasn't what you wanted to hear.
Saying that the open truth could lead to the end.
You were like the rest.
Left without saying what it was...
I don't understand...
You always knew what to say, but now you're making no sense.
Since it's been a while
you'd think that I've healed,
but I haven't (completely)
I miss your questions,
which you'd never shy to ask,
I miss your encouragement,
and you inspiring me to try harder.
I miss your sarcasm
which always made me laugh.
Bottom line is, I miss you,
my best friend, in the past.
