# Is It Ok?

Wherever you go, wherever you look,  
Everywhere you see the same,  
Crying, shouting, murmuring people.

There is a death,  
Here is an accident,  
Where is the safety?

One says – “Roads are good”,  
Other says – “Roads are bad”,  
I say – “No good & bad, only one please! ”.

I can drive in bad road,  
I can drive in good road,  
I can't drive “good and bad” in the same road!

Is it OK for you?  
If OK, you live longer and further,  
Or you suffer sooner or earlier.
