As The Sun Rises

As the sun rises,
my sadness demises,
i feel the sand on my feet,
as soft as my bedsheet.

Ivan Ramirez N

Beautiful Day

Beautiful Day, If I must say, my mind is just in complete disarray,
I wouldn't pay not a quarter, to see my mind Slaughtered, all because of
a choice, such a silly, little don't we all Rejoice, on this Beautiful Day? Why
would we want this Perfect day, to sway away? Oh! How much I wouldn't pay, to
stay, on this Perfect, Beautiful day.

Ivan Ramirez N

Butterflies

Butterflies, Butterflies,
different kinds of color,
Butterflies, Butterflies,
Do they ever cry?
I try to understand,
It keeps me up all night,
trying to think what's right,
before I sleep into the night.

Ivan Ramirez N

Candy Land

Candy land Candy land,
chocolate sand,
Candy land, Candy land,
let me hold your sugary hand.
Candy land, Candy Land,
the sweetest land there is.

Ivan Ramirez N

Candy Land (2nd)

Cotton candy houses,
chocolate milk oceans,
a sweet blue sky,
A children's paradise.

Go to sleep on the sugary cloud;
rising above the Hershey sand;
there's always a hand,
at the top of The Ice Cream Mountain.

Ivan Ramirez N

Dark Rain

My heart is full of rain,
all I can see is dark rain,
splattered in red,
while I'm waking up from bed.

Ivan Ramirez N

Don'T Ever Forget

Don't ever forget,
that I love you,
the good times we've had and the bad,
The smiles we've shared.
Don't listen to me,
when I say I don't care for you.
Deep inside,
you know I love you,
Deep inside,
you know we belong together,
you might not say it,
But I can see it in your smile.

Ivan Ramirez N

Everybody's Gonna Die

Everobody's gonna die,
this is not a lie,
go on cry,
don't be shy,
just remember the next day, you could die.

Ivan Ramirez N

Everyday

Everyday,
I miss you more.
I miss you in my arms...
I miss your heart-warming smile.
I miss the feeling,
when your around me.
Those moments when we are face-to-face,
I...
Just want to kiss your face all day.
Everyday,
I wish to see you,
to hear your voice,
to hold you in my arms...
To be with you again.

Ivan Ramirez N

Forgive And Forget

Forgive and forget;
The pain is behind us;
We can start anew.
Bring the love back,
vanquish the pain,
revitalize the love,
lets have good memories from now on,
instead of bad,
please,
lets forget the fights we've had.

Ivan Ramirez N

Good Luck

Good luck with your dreams;
Good luck with the future.
Good luck to the people;
Who got hurt in the past.

Good luck to those people like me;

who plan on doing something with their life.

Good luck to everyone with problems;
and everyone with family dead...

Good luck to those people;
Who got stuck in disasters,
But still stay strong;
with everything gone wrong...

Ivan Ramirez N

Happiness

I full of Happiness,
when I'm around you,
I try to get near you,
every second I can,
I might not act like it,
but I love you,
all those who say different,
don't now,
how I fell,
I'm full of happiness,
when I'm near.

Ivan Ramirez N

Happy As Can Be

I'm happy,
for some reason,
I think I know what it is,
but when I saw her smile.
It made me happy,
it made me smile,
it made me feel warm inside.

Ivan Ramirez N

Have No Fear

Have no fear,
when I'm near, I'll take your back,
no matter the odds,
so,
Have no fear,
and know,
that I'm Near

Ivan Ramirez N

Her Smile

Her Smile, makes me smile,
Her voice, makes me jump for joy,
I love everything about her,
never cried for a girl, she was the first,
threw myself to the dirt,
can't stand being without you,
wanted to be with you forever,
but now that we are apart,
got a part of my heart,
that belongs to you.

Ivan Ramirez N

How I Fell For You?

How I fell for you,
Was it your Heart-warming smile,
or your Heart-Melting eyes?
It wasn't a choice,
falling for you,
I couldn't help it.
This is love,
I feel it.
I would do anything for you,
My love.

Ivan Ramirez N

I Keep Having Dreams

I keep having dreams,
about your beauty,
others might not see,
or feel the way I feel,
towards your beauty.

I keep having dreams,
that your in my arms,
It's the best feeling ever,
when your with me,
I can't stop dreaming about you.

Ivan Ramirez N

I Think Of You

When I close my eyes,
I think of you,
When I open my eyes,
I think of you,
When I look up at the stars,
I think of you,
All I think about,
Is you.

Ivan Ramirez N

I Won'T Let You Fall

I won't let you fall,
I wouldn't allow it,
Without you; My life would crumble,
My whole world will just shake,
rumble,
collapse,
I can't imagine a world without you,
If I let you fall,
My world would soon follow.

Ivan Ramirez N

If I Left...

If I left...
would anyone care?

Would any notice,
that I wasn't there?

I have asked myself this,
time and time again,
trying to gain an answer,
from the one...
deep within my heart,

Would they really care?
Would it cause a scare?
These things I must know...
Because If I left...
Who would remeber me?

I want to know your answer...
I want to here the truth...
I want to know...
If you truly love me two?

Ivan Ramirez N

If There Was A Place

If there was a place,
were you could let your-self astray,
with no delay's.
No one telling you what to do,
No more living in other people's shoe's.
Live your life,
even if it isn't perfect,
just be happy,
for what you have,
And always remember that special place,
where life is not complicated,

like a shoelace,
That little Perfect Place in your mind.

Ivan Ramirez N

I'LI Do Anything For You

I'll climb the highest mountain,
I'm swim the deepest sea,
I'll catch a speeding bullet,
I'll do anything for you,
this you might not know,
I bow before your beauty,
I smile at your face,
and I bow beneath your grace.

Ivan Ramirez N

I'LI Never Stop Loving You

I'll never stop loving you, never forget you,
no matter what happens,
you will always be in my heart,
a part that will never break,
keep it in lock,
your the only in girl in my heart,
and you will always be.

Ivan Ramirez N

I'LI Show The World

I'll show the world,
what I can be, One Day,
I'll show the world,
you just wait and see,
I'm full of confidence,
with not a single fear,
I'll hold everything that is dear to me closely,
'cause one day,
I'll show the world,
What I can truly be.
I'll rise,
from the bottom to the top,
never stopping.
People can say what they say,
any day.
But one of these days,
I'll show them,
and the world,
the best that I can be,
just wait and see.

Ivan Ramirez N

I'M In Heaven

When I look at her, its too good to believe,
I feel a sign of relief, Deep inside,
All my worries, All my fears,
Disappear, I almost cry,
tears of joy, but the way she talks,
the way she smiles, knocks me dead,
I feel like I'm in heaven, when your near me.

Ivan Ramirez N

I'M Just In Love

Her eyes, dazzle me,
Her smile, leaves me speechless, can't resist to look at her,
she makes angels, look like frogs,
she has me head over heels,
I'm just in love,
and I'm never gonna stop until I die,
lying down on the ground,
thinking about you,
and what we are going to do.

Ivan Ramirez N

In Love Forever

In Love Forever, never gonna stop,
not today, not anyday, what do you say?
What do you say? I don't know, I don't know.
All I know, is that, I'm In,
Love Forever.

Ivan Ramirez N

In The Future

In the future you will be crying on my shoulders,
In the future you will be flying in the sky,
In the future you will say I used to be shy,
And in the future

I'll end up crying over you
Day and Night
'Til I see the light.

Ivan Ramirez N

Love

Told her I loved her, she didn't believe me
I'll do anything for her, I'll fling myself into the sea,
but I don't see how you can't believe me,
I for you, and every time, I lay down in bed, I'm thinking about you,
The one I love,
You.

Ivan Ramirez N

Love You

Is there anyone that loves you,
like me?
Or looks at you with loving eyes,
such as mine?
I care for you,
this I'm sure you know,
how I fell for you,
is a mystery,
it came as a surprise,
I have never felt for a girl like this,
you are the first,
that I have ever loved,
as much as this.

Ivan Ramirez N

Missing You

I don't know if you realize,
don't know if you care,
but everyday your not here,
near me,
I'm missing you,
it's like a year without rain,
without any happiness,
the only reason I'm almost ever happy,
is because of your beautiful smile,
it always makes me happy,
and your voice,
I always miss your sweet voice,
Every day...

Ivan Ramirez N

No One...

No one will ever be able to love you,
as much me.
No one will be able to make me want them,
with one action, such as you.
Nothing will ever be able to make me happy,
more than you.
No one will make me feel this way,
ever are something different,
You are My inside your heart,
You feel the same way,
You know it and I,
My Love,
My Queen...
My everything.

Ivan Ramirez N

No Stopping Me

There's no stopping me,
when I set my mind to it,
racing toward that door,
forward into the future,
don't know, what lies ahead,
I do not know,
but there's no stopping me.

Ivan Ramirez N

Not The Same

It's not the same, when your not here, 'cause it,
fells like a game, with no ending, going on forever,
and ever, just never stopping, but there,
something just popped, and like I said,
it's not the same when,
You are not here.

Ivan Ramirez N

One Life

In your one life,
you get one love,
the one you just want to hold;
kiss,
be with forever.

Live your life well;
before you say farewell,
to all the moments you've had;
the good and the bad.

The people you've met,
the places you've been.
Live your life to your fullest;
don't despair,
breathe in the freedom.

This kingdom will rise,
But this will be your last and only life.
Try to accomplish;
all that you can.
Everyone has one life;
Try not to waste it,
Live your life, full of joy.

Ivan Ramirez N

Remember Me

Remember me,
When I am gone...
Remember the good times we've had,
Remember My Smiles,
and My loving eyes.

Remember me,
When I am far far away...
Keep me in your heart.
Keep me close,
When I am away.

I'll remember you always,
My First Love,
I'll keep you in my Heart Forever.

We'll be connected always,
our hearts...
as one.

Ivan Ramirez N

Secrets

I'm shrouded in a cloud of mystery,
everyone is keeping from me.
They share it in class,
behind my back,
It's left untold...
I always have to find out everything the hard way,
I can't say It's really fun,
'cause there supposed to be my friends,
I guess I was wrong.
What hurts me even more,
Is that, above everyone else,
she tells me to stay out it.
It's about my brother,
and my so-called-friend,
who passes the blame on others,
when it was really him.
He lies all day,
you all believe what he says.
I just can't stand a liar,
who tells the twisted truth.

Ivan Ramirez N

She Doesn'T Know

She doesn't know, how much I love her, doesn't know,
what I would do, I'd climb the highest mountain,
I'll search the deepest seas, I love you,
and I'll do anything for you,
I don't know if you know it,
But,
If you were to leave my life,
I would cry myself to sleep at night,
wishing everthing was alright,
Wishing you were still here,
crying every day and night.

Ivan Ramirez N

She Drives Me Crazy

She drives me crazy, with every word she says,
every day, I look at her, my mind would just be dazzled,
she puts on a show, without even knowing,
she makes my mind spin, around and around,
and all the time,
You're the only girl in my mind.

Ivan Ramirez N

The Fallen Angel

I saw a woman,
by the lake,
her golden hair,
blowing in the breeze.
Her face;
that of the Angels,
Her eyes;
the color of the stars.

Then, the light shining down on her,
she turned around, and looked at me,
with a smile on her face,
and in an instant;
The fallen angel had returned to whence she came from.

Ivan Ramirez N

The Love Of My Life

The love of my life, makes me smile,
The love of my life, is all I think about,
The love of my life, I will never forget,
The love of my life, I will always follow,
I can't swallow these feelings,
just impossible,
Your the only one that I have ever loved,
And I will continue Loving.

Ivan Ramirez N

The Moonlight Fisherman

I saw him in the moonlight,
with a fishing pole in his hand,
There was no water for miles,
and I wondered what he was doing,
for hour's without end.

Then he swished the pole,
back and forth,
and I slept a peaceful sleep.

The next day I awoke,
but I never saw the Moonlight Fisherman again.
But alas, I still waited,
a never-ending hope.

Ivan Ramirez N

The Person I Am

The person I am inside,
no one knows, not even myself,
I try, and try again,
to find myself,
locked,
behind these doors,
Lies a rooms without floors.

Ivan Ramirez N

The Reasons

The reasons why I love you,
there are so many,
where do I begin?

I love your hair, the way it shines in the light,

I love your smile, the way it makes me happy, and I can't resist,
but to smile right back,

I love everything about you, your the girl for me,
this I'm pretty sure of, and I want you to know,
I love you, and your the only girl That I care like this for,
don't let anyone tell you otherwise.

Ivan Ramirez N

This World We Live In

This world we live in,
has different personalities,
the corrupted,
the just,
and those who are evil,
those who combat it,
and make it perish,
This world we live in,
is so different,
in many, many ways,
so many types of people,
too many I must say,
make all the wrong decisions.

Ivan Ramirez N

Up And Down

Up and Down, All around,
Without a sound,
more silent then the night,
faster than the light,
going around,
making everything right,
and without A doubt,
it keeps on going,
Up and Down,
Without a sound.

Ivan Ramirez N

When I First Met You

When I first met you,
I had my doubts,
about what would happen,
and about how you felt.

After that,
I made the worst decision of my life,
I didn't realize how much I loved you,
'Til I lost you...
I regreted it so much,
what I did...
I'm at a loss for words...
I love you,
I'll say it Clear as Can be.

I hope you know this...
No one can you love you more than me,
This I know,
and so do you.
You love me two,
I see it in your Eyes and smile.
You deny often, But you and I know the truth,
I wonder if you see it,
In my eyes and smiles.

Ivan Ramirez N

When I Look Into Your Eyes

When I look into your eyes, you make me wanna cry, you make me fell shy. I
always sigh, when i see you up high, your eyes look down on me, I fell like a
clown, although I do not make, not a eyes your eyes, they stare at me, your
eyes your eyes, they make me wanna cry, your eyes, make me fell like I'm living
a lie.

Ivan Ramirez N

When You

When you hug me, I get a feeling inside,
I can't explain it, it just feels right,

And when you kiss me, I swear I can fly,

And I try try again, to get that feeling again.

Ivan Ramirez N

Worth The Pounds

I love to indulge in your prescence
a and delightful exprience
yet chills scurry up my spine
pound and pound on my shoulder
yet I have not collapsed
all the days of thinking
and night in confusion
yet the pain felt is none
and overall I'd say
that your worth the pounds
and sincerely love you.

Ivan Ramirez N

Your Eyes

Your Eyes,
make me wanna cry,
I was shy before I met you, but that all soon changed,
I don't know what got into me, only one thing changed,
and that was who I was, from the way I acted, to how I felt,
you are the one who changed me, and my life,
if I lost you,
there'd be a knife through my heart.
