# 'Panic'

A child who is left naked  
No where to go

Where's a place  
To call home

Roaming the dark streets  
Very young and all alone

Stomach growling  
Feet hurting

Body tired  
No where to sleep

Weeping as he walks  
Tears fall as he talks

The streets is my home  
Continue your journey and walk

In the darkness  
You hear a scream

Wake up baby, Wake up baby  
You're having a bad dream
