# Crush

Looking into your eyes,  
The stars inside are all in disguise.  
This feeling inside of me  
Is one that I can agree  
With.

Watching you sit there,  
Is something I just can't bear.  
You look over at me and smile,  
I can tell you are versatile  
Enough.

I'm head over heels,  
Like I'm rolling on wheels.  
Returning the favour?  
That would be something I would savor  
For all Time.

But I just watch from afar.  
You must think I'm bizarre.  
But if you knew how much I liked you,  
It would bring anew  
Your perspective on love.

# How I Feel

I tried to write a poem,  
I wanted to make you smile,  
I could have said I'd die for you,  
Or walk a thousand miles.

That may sound poetic,  
But not really sincere,  
Its hard to put into words,  
How I feel in here.

In here is where you are,  
You've been there from that start,  
You alone and no-one else,  
Buried deep inside my heart.
