Butterfly

Love is like a butterfly
So beautiful and colorful
Like the sky above my eyes
I see you smile so shyfully
an it makes my heart skip a beat

Now I finally see
Why your in my dreams
an believe how my heart feels for you

And the new thought that is in my mind
an find the meaning those words
You said to me
So do you finally see
How much you mean to me

What Is Love?

Love is a painful thing
that can make you want to cry
and show the tears you try hide

but it can be the most wonderful thing in the world
it can make smile and laugh
with no fear of the world that surrounds you

it can be happy or sad
it can hurt or heal the pain you feel
when you fill your heart with it

you can receive or give it
it can be jealousy or trust in the one you love
even though you can't see it
it is real it surrounds us every day and every night

you can feel it deep in your heart
so what is love is it special and wanted or is it cruel and hated
SO WHAT IS LOVE
