Feelings Of Respect

I mean you no harm
But I have feelings
just like you
So respect me
Or I'll disrespect you.

Life

Life is strange and powerful,
Loving and hating,
Cruel and kind,
To all it sees fit.

It may love all,
Yet hate all,
One and the same,
For it is never ending

My Grief

My name is of no matter
because I am full of grief.
My grandpa died
just last week.

But it makes me happy
to know he died in peace.
