# Quiet

Suga you are quiet and thats no lie,  
as if your sound could ever die.

Do you ever say a word,  
not was what i heard.

Dont be shy scream loud and clear,  
thas wat what everyone wants to hear.

Any louder and we might hear you,  
now thats what a voice is suppose to do.

Now let me speak loud with words not sound,  
what i have to say may be profound.

But now the quiet kid is comin out,  
Dont say no more 'speak ups' and listen to what i have to say.

Im tired of being the pushover and the quietest,  
let that be someone else for a chance.

Im comin out fo my shell today,  
so you better listen to what i have to say.

No more tellin me what you gonna do,  
its my turn to show you.

Have fun while it last,  
cause shes comin out pretty fast.
