Jessica Hickmott()

I love writing poems i go to John McGrgor school in Chatham Ontario. I am in grade 9

As Life Goes On

As life goes on,
I will get older,
Make new friends,
Probably get married, have kids,
And I will get old,
But in the end,
I will be the best I can.

Best Friends

You're my best friend,
you were from the start,
together we stand
strong,
and we should never be apart.

We found a friendship,
so powerful and true,
that I know it will last
forever.

Between You And Me

If you love me you would tell me,
If you hate me you would tell me,
I love you with all my heart.
I hope you love me too.

Dream

You can dream,
You can wish upon a star,
You can be anything you want to be,
I have a dream,
You have a dream.

Family

Love your family,
and they will love you.
Take care of them,
and they will take care of you.
You should always love your family,
no matter what.

Friends

A hug is worth a thousand words. A friend is worth more...

Friendship

friendship is important,
You will need them,
And they need you,
I love my friends,
And they love me.

I Am Special

I am a daughter, sister and best friend,
I feel happy when I help someone else,
I see the positive side of me,
I believe I could do anything I put my heart to,
I try to become a leader,
I wonder why I'm some times scared,
I am a good person.

I am myself always,
I dream to become a superstar,
I question why people get hurt,
I smile when someone smiles at me,
I read about other people,
I enjoy singing with my friends,
I am superstar.

I am a best friend,
I cry when people leave me,
I hear what people say to me,
I hope my dreams come true,
I sing when I'm upset,
I understand rules of things,
I am special.

I Love You

I love you,
You are my love dream,
You are my sweetheart,
You are my life.

Life

life is like a rollercoaster ride you cant resiste you can have good days and you can have bad days you can love life and you can hate it.

Jessica Hickmott

Love

Love is so Powerful,
You can't explain it,
You can feel it in your heart
And you can see it in each others eyes

Love Is....

Love is like roses,
Love is apart of life,
Love is what brings us together, Love means everything to me.

Jessica Hickmott

Love Someone

You love someone
not because you want him to love you too
but rather you love him simply because
you found no reason not to.

The Friend

You need a friend,
a friend you can count on,
a friend you can trust,
a friend you can have fun with,
a friend you can do things with.

The One I Loved The Most.

You loved me,
And I loved you,
You came to save me,
but I didn't need you.

You lied to me,
Then you made me upset,
I didn't know what to do.

I thought I was able to trust you,
but I was wrong,
I need you in my life,
but maybe I was wrong about that too.

The guy I love the most
is GONE.

As life goes on,
we will get older,
and we might meet new people.

Sometimes I wonder about you,
and think about who we would be,
if you didn't lie to me.

When I Was Young

When I was young,
I learned how to walk,
I learned how to talk,
I also went to preschool,
I met new friends,
And I got along with everyone.

You

Do what makes you happy
Be with who makes you smile
laughs as much as you breathe
love as long as you live
