Charity Love

All you need to understand Charity love is so important
In other countries torture is he
So dip your fingers in that Pocket
Just 20 or 60p
You dont understand how there life could be
Just 20 or 60p goes to them to make a pound
so they can get cleanwater from us
So bugs and paupers can stay away
Just 20 or 60p
Can change these peoples lives forever so please
Think of charity Love

My Love And I

My love and I live by the sea
Where the sea breeze flows in your face
Where the the fish dance
In there mind with thee
And the crabs go flamenco with there clicks
I know somtimes my love waits for me
I know that she waits for me by the sea

My love somtimes goes cold on me
but i warm her up with a bit of sauce
I know my love waits for me
I know that she waits for me by the sea

My love and I often sit
Comfortably in are seats
In the front room
watching TV
Documentries gulore
And game shows in
I know that my love waits for me
I know that she waits for me by the sea

My love who waits for me by the sea
She is Fish and Chips
YOU SEE! ! ! ! ! ! ! ! !
