I Love Him, Forever

He's the air i breathe.
He's the reason my heart beat.
He's part of my soul.
He's my life.
I cannot live without him.
Not now.
Not ever.
That's why i know he will be with me forever.
He will always be there.
Just as he promised.
He's not only a part of me.
He is me.
Without him i am nothing.
There is nothing without him.
I will always love him.
I will never forget him.
Because he is still here.
Here with me.
No matter where he is.
He will always be with me.
Forever.

Living In This World

We're living in a world,
A world that's always moving, always doing something, anything,
There's never peace, never quiet and there never will be.
You are never on you own, never,
No matter how lonely you feel, you'll never be alone, never.
You may not believe it,
But in a world with 7 billion people,
It's never gonna be quiet and peaceful.
The world is never gonna stop moving,
No matter how much you may want it to,
It's never gonna stop,
Never.
