just being me(8-19-19)

This first poem was a 5 min poem i made up without any ones help. I wrote this because i am tired of people trying to be or act different just to make friends or trying to be compite with others or make others look bad. Yeah you mite want to be little miss or mr perfect but now ones perfect be you and dont ever change that because thats what every one loves about you. You mite want to change your way of being rude but never change the way peoplelove you. My aunt said hey your awesome dont ever change and i said i will never change for anyone or any thing cause i am who i am.

Be You

Do you pretend to be someone your not
do you try to be perfect
are you scare to show people the real you
well dont be
dont you get tired of it
or do you love it
dont you want to stop?
be you, do you
and most of all show people you

just being me

Shyness

Do you talk
or do you just stay there behind the room
are you ashamed of how you are shy
or do you not care
yeah i am one of them
i love singing and dancing
but i hide my self
yeah i wish i could shine
but all that shame is covered up
i cry, i try not to worry about it
my shyness covers who i am
it does not allow me to be me
under all that i shine
i am me and you are you
i want to shin i try to shine
thats what i want to do

just being me

The Love Of A Father

Nothing means more than the love of a father
daddy's little girl

is what you like to be called

its all you want

but the love of a father is much more

its what every girl want

daddy's little girl is one of the most beautiful thing

a father looks out for there girl

makes shore that no guy do any harm

but now dad your love still is worth it

i love you with all my heart! : -)

just being me

True Friends

are you a true friend
really
a true friend is always there
a true friend helps you with problems
someone who's loyal
yeah your that person
i cant think of ways to thank you
your awesome
your a true friend
your special
that's a true friend
not like others
you are truly a true friend
thank you

just being me
