Bleeding Heart

i sit in my room
i start to cry and i try
to foget that all was lies
you never loved me

because people change and
promises are broken
you promised you would respect me
all was lies
you never cared for me
now i know
and im hurting so badly
i thought u loved me
you grabbed my heart
saying you would care for it
and i belived you
now im paying bad for it
you never did so
all you did
was throw it on the floor and stomp on it
you gave it back saying you never wanted it
i walk around
with my heart bleeding a total mess
trying not
to drown in the blood that leaks out of my heart
and it was all your fault
yes it was your fault
now i sit in my room
i try not to cry
to forget all the lies
but this heart can't take no more
