# A Lonely Sakura!

lonely sakura  
blooming alone on the tree  
waiting to fall down

# A Message!

talented friend how are you today  
reasonable poem, i write not say  
abc letters we type to each other  
nice pics you make never make it over  
good friend hey, your dreams go for

# Hello World!

Hello world! i love you all

peace, love, kindness and green earth ball

that what we need, so let's share it

let's take few steps to gain it

take my hand war is about to finish

stare at skies with reflection of earth's greenish

# Hoa!

happy life that what i wish for you  
optimistic, a word i wanna hear from you  
adorable you are, and i'm your brother  
please, don't forget me too my little sister

# Hope!

Leaves are keep falling

Trees are so sad for the lost

But the hope is spring

# Lonely Star!

quiet star in sky  
bright, alone, sad, abandoned  
waiting for a wish
