I usually write about what im feeling. If i feel sad i write sad poems. If im happy i write happy poems. But most of the time i write heartbroken poems because of all ive been through...

Cry

Have you ever fallen in love
But knew they didn't care
Have you ever felt like crying
But knew you'd get nowhere
Have you ever watched them walk away
Not wanting them to go and whispered
'I love you' softly not wanting
Them to know... you cried all night
In misery, and almost went insane
There's nothing in this world
That causes so much pain.

Feelings

You make me feel free,
I can be all i want to be,
I can be the real me,
Your all i see.

When we kiss,
All i miss,
Is now his,
Im more than just his sis.

I love you,
Yes i do,
Its 100% true,
When im around you its hard to stay cool.

Friendship

Our inside jokes,
Too many to name,
When we're apart,
It's never the same,
When we're together,
It's nothing but fun,
Replacing you,
Just can't be done.

Love

If love is just love,
Guns are just guns,
Trade ammunition,
Fire with doves.

Love mends the broken,
Bringing on peace,
Healing the nation,
Let us be free.

My Day

My day started like every other day,
Wake up saying hey,
Start talking to this guy i like,
I like him like a kid getting a bike.

I give my friend his number,
That made me dumber,
She took him from me,
Why cant he see.

My boyfriend broke up with me,
And he cant see,
He doesnt care,
Im gonna tear out my hair! ! !
