Rain To Heal

Once in a year,
The rain is here.
Like the tears of heaven.
Comes to heal the,
Natures's life. By bringing,
Greenery over earth's peel.

Rain gives back strength,
Destroyed by the humans.
Try's to make it,
Back like heaven.

Tears from eyes of nature,
Matches the drop comes from heaven.
It comes with a song,
With the bursting of sky.
Rain drops from the lap of heaven.
