## Kayla Hudson()

I'll be going to college soon and I am heavily debating on either a Pre-Med degree or an English degree. Both will accompany a minor of my own choosing. As you can see below, I don't have many poems. My close friend is really the poet and I'm more of a creative writer. When I write poems based on my written work, the poems are better understood than poems that I write off the hand. Enjoy these poems though!

# As I Stand

As I stand facing my enemy  
Taking my stance for what lies ahead;  
I know that my life is on the line,  
A head for a head is my philosophy

As I stand facing my enemy  
who is across the field  
I want to yield to the fact;  
that lives are to be lost  
and the cost is deadly then.

As I stand facing my enemy  
I can see that we are on hold  
for those of us who are bold are not cold  
for their love for their beliefs is strong

As I stand facing my enemy  
who is across the field,  
I am taking my stance for what lies ahead  
and the battle will soon begin.

# Midnight On Halloween

In the dark, you're my light;  
you're that light, that shines my night.  
Never the witch, never the ghost,  
but which one is the host tonight?  
You're the light; each night, that i've relied on.

I want to say thanks to my friends for giving me this inspiration: Allison, Michael, Megan, Brandon, and Adrian. Without you guys in Horticulture class, this poem would not be complete as well. Thank you.

# Wanted

Summary: Whether you're a singer, writer, fireperson, electrician, doctor or a friend, there will always be someone who needs you.

Poem:

I'm always wanted  
Wherever I go.  
Singing and dancing,  
To my heart's desire.  
As my friends cheer me on.

I'm always wanted  
Wherever I go.  
Writing and speaking,  
From city to city.  
As my loyal readers  
Meet and greet me.

I'm always wanted  
Wherever I lead.  
While I'm at home;  
Surrounded by friends,  
Surrounded by family,  
On a daily basis.

I'm always wanted  
Wherever I lead.  
Whatever my job may be,  
and Whichever place I reside in;  
There is someone who is close by  
Who needs me because I'm wanted.

# Why Did I Do That?

Why did I do that?  
not to mention to top it off;  
I can't be near you and  
I can't hear you

Why did I do that?  
Why did I let you walk into my life?  
How could I talk like that?  
Let you think something that isn't true.

Why did I do that?  
I'm scared for you  
I can't hurt you,  
but it looks like I have already

Why did I do that?  
Why did I lie to myself?  
Why did I let myself think those things?  
Why did I say yes to your question?  
I hurt you, but you don't fully realize it.  
I've hurt you, you'll hate me when you find out.  
I want to say sorry,  
but; I am not to be forgiven....  
for I have sinned, and I regret it.
