# Broken

I've Lost My Love  
I've Lost The Guy  
I've Lost Everything And I Don't Know Why

I've Lost All Hope  
Iv'e Lost All Faith  
I've Lost The Only Thing I'll Ever Love

Because I'm Broken  
I'm Torn All Up Inside  
Because I'm Broken  
I Don't Know How To Hide It

I Don't Know If I'll Make It Throught The Day  
I'll Try And Try And Try Until I Die  
OOOOH YEAH  
I'll Try And Try And Try Until I Die...

Kayla Louise Smith

# Finding Love

Some People Say It's Real  
Some People Say It's A Myth  
All I Know Is I Found It  
And I Would Never Give It Up For The World!

Love Is When Your Always Happy  
Love Is When Your Heart Beats Faster  
Love Is When Your Head Over Heals  
But All I Know Is I Found It  
And I Would Never Give It Up For The World!

Kayla Louise Smith

# Love

Is Love A Myth?

Is Love Real?

They Say Only Some People Have Love

They Say Its Hard To Find

They Say That I May Never Find It

But If Someday I Do I Shall Cherish It Because It Is The Most Beautiful Thing In  
Life

I Hope I Can Find It

If I Do I Wont Let Go, Of That One Special Person, That Makes My Heart Glow.

I Long For The Moment That I Fall In Love Because

If I Ever Get That Moment There Is Hope For Someone Else
