Keith Young(July,10,1984)

Hello my name is Keith Young. I am 25, I read murder mystery books, love music from Germany, I am a former foster kid got kicked out when i was 17 been on my own since. All the depressing poems on here are from the time i was in foster care and the other ones are after i got out. I am at a point in my life now that i am starting to think that poetry has no meeting anymore because nobody care about it now and days. oh and i would like to say thanks to all the ex's in my life you guys where my inspiration in writing my poems best of luck to everybody on this site

"right Place - Right Time" "wrong Place – Wrong Time"

"Right Place - Right Time" "Wrong Place – Wrong Time"

We all end up there

We believe it's the right place

We believe it's the right time

Why do we want it to be the right place?

Why is it always the wrong place?

Why is it always the wrong time?

"Right Place - Right Time" "Wrong Place – Wrong Time"

We are happy when we are in the right place at the right time

Yet when we are in the wrong place at the wrong time

We are lost

We feel like nothing

We are sad

We cry

Our feelings getting hurt

Why can't we be in the right place all the time?

Why can we be in the right time?

"Right Place - Right Time" "Wrong Place – Wrong Time"

Amanda

Brown haired beauty
An angel
A wish that came true
Amanda
You're everything I need
You're an angel
Why don't you want me
Why do you hurt me
Am I not good enough for you
I told you how I felt
I liked you
I cared about you
Give me a chance please
You light up my heart
You make the little kid inside happy
Amanda
Hug me please
Hold me when I cry
I need you
You say you like me
You say I'm a need and not a want
Why did you choose a want instead of a need
Amanda
You say your not ready for me
You say that you're not ready for the love I would give to you
Why did I open up to you
Amanda

Broken Hearted

Why did u break my heart?
Why did u make me cry?
Why did you hurt me?
I poured my heart out
I gave you my all
You were my love
You said you love me
I don't know if that's true
You have broken my heart
Broken Hearted
The kid inside is hiding because of you
You tore me up
Inside
Inside my heart
I am crying
Cry like a kid with out a mom
Losing you was like
Losing the most priceless piece of my heart
My soul is empty now
My spirit is down
Guard is down
Anything can hurt me now
Weak because of you
So
Broken Hearted
Why did you hurt me so bad?
Please tell me
I need to know

Keith Young

Don't Judge Me

You don't know me
Why do you judge me
Your not god
Your no one to me
Don't Judge Me
Who do you think you are
Judging me
Telling me how I should be
Stop judging me
Don't Judge Me
You don't even know me
Why do you judge me
Is it because you think your better then me
Don't Judge Me
I said
Don't Judge Me
Will you stop Judging me
I am tired of you
Judging me
Don't Judge Me
I hurt because of you
I cry because of you
I am alone because of you
All because of you judging me
Don't Judge Me

Dreams & Wishes

You where my dream
You where my wish
What happened
I thought my dream came true
I thought my wish came true
The day I looked into your eyes
The day I saw you crying
I was there for you
Held you in my arms
Dreams & Wishes
What are they
Sometimes our dreams fool our hearts
Sometimes our wishes seem good
Do we really know what love is
Dreams & Wishes
I cry on your shoulders
You cried on mine
We held each other
Dreams & Wishes
Death to us part
Does that mean anything really
People leaving each other for what
No feelings left
No care for each other
Why do we dream
Why do we wish
Dreams & Wishes
I was there for you
I showed you my heart
I gave you everything
I tried
Good bye
Dreams & Wishes
Never come true

Keith Young

Endless Hope

Endless Hope
The endless hope
I've tried
I gave it my all
I gave all my hope
To be with you
Endless Hope
That you brought to me
Hope that will never be there
Hope that is empty inside
Hope with no love
Hope that will never come
True
Endless Hope
For us
For friendship between
For all that are lost
You're my endless hope
Endless Hope

Keith Young

Everytime

Everytime I see you
Everytime I think of you
Everytime I'm talking to you
Everytime
Everytime I dream
I dream of you
Everytime I think of you
I fall in love with you more
Everytime I'm talking to you
I hear the sounds of my angel
I love you
Everytime
Everytime I feel my heart break
I think of you
Everytime I am having a bad day
I think of you
Everytime I feel like I'm not loved
Your there to remind me that I am
My angel
My queen
The holder of the key to my heart
My dream
My hopes all came true the day I meet you

Keith Young

Foster Care

No love
No care
Parents that just in it for the money
Medicating us
Moving us
Like pawns on a chess board
One place to another
First group homes
Then abusive homes
Why are we being punished
It's not our fault
Foster Care
Were not loved
Were treated like we're not important
Were the foster care youth
Listen to us
We need love not medicine
We need hope
Please give us the chance we deserver
We are the foster care youth of the world
HEAR US
Foster Care

Keith Young

Friends

You thought you had them
We all think we do
Think about all the times
When they weren't there for you
Friends
When you need them are they there for you
Why can't they be there for you
Friends
When you cry
When your hurting inside
When you need someone to love you
Friends
What is a true friend
Due we even know
How do we find out that they are true friends
Friends
Please don't lie
Tell us the truth
Be there for us
Friends

Happily In Love

Happily in Love
She's happy that she met him
He's happy that he met her
She loves him
He loves her
He's the world to her
She's the world to him
Happily in Love
She's empty inside without him
He's empty inside without her
She's in love with him
He's in love with her
There for each other
Caring for each other
Watching over each other
She's his soul mate
He's her soul mate
No longer lonely
No longer empty inside
He's the one
She's the one
Happily in Love

Keith Young

Hate

I hate this Pain
This lonely soul
Lost Soul
I hate this life
Life filled of hate for people
All the Disrespect
I hate this soul
To loving
To caring
To kind
To much like a bro
I hate it all
Felling like I'm lost
Felling like there's no love
I am to loving
I am to caring
I am too much like a bro
Think About What You Say It Does Hurt

Keith Young

Home R Not Home

Home a place of comfort
Home a place you love
Home a place you make a living
Not home you fell alone
Not home you fell like you don't belong
Not home you're out of your comfort zone
Always lost
Always confused
Hating it
Wishing you were back home
No fun
Hoping you didn't waste your time
Lost
Lonely
Always lost
Always confused
Home R Not Home

Keith Young

I Am Tired

I Am Tired
Tired of giving my all
Tired of telling you that I like you
Tired
Just so tired
I Am Tired
Tired of you

I am just so tried
Tired of you
I Am Tired

Keith Young

I Believe In You

I Believe In You

You mean the world
You are an angel
You're a queen
You're a goddess
You're the rule of my world
I Believe In You
Don't give up
Please don't hurt yourself
Giving up your life is not worth it
Everything is going to work out
I Believe In You
I am here for you
I will be the shoulder for you to cry on
Cry on my shoulder
It will help
I Believe In You
You're an angel
Don't ever give up
No matter how much it hurts
Don't cut please
Don't try to kill yourself
It won't help
Your loved
Loved by me
Loved by your family
I Believe In You
I will always be your tissue
I will always wipe those tears away

I Cry With Pain Inside

Why did I hurt you
Why do I do it so much
I never mean to
I Cry With Pain Inside
I am hurting inside
I love you
I never mean to hurt you
I can't live without you
I Cry With Pain Inside
I hurt so bad inside
To know that I caused you pain
I made you feel like I did
I am crying inside
I Cry With Pain Inside
I am felled with pain that I can't bare
I need you please forgive me
I Cry With Pain Inside

Keith Young

I Dream Of You

I Dream Of You
Every night
Every day
Every time I dream
I Dream Of You
Those beautiful eyes
That beautiful soul
That's
Caring
Loving
Kind
Every night
Every day
Every time I dream
I Dream Of You
Empty without you
Lonely without you
Lost without you
You are the dream of all dreams
The dream that came true
Every night
Every day
Every time I dream
I Dream Of You

Keith Young

I Like Her

Hazel eyes
Brown hair
Loving personality
Loving person
She is what I need
She doesn't need me
Why
I fell like there is no point
Why should I try?
Try to care
Try to love
Try to be there
I well always care even when it hurts me inside
I like her

Keith Young

I Love This World Not

All the hate
All the war
All the pain
All the hate for color
All the war for what
All the pain inside
Love doesn't live in this world
Where made of hate
Where made for wars
Where made with pain
Hate over color
Wars over religion
Pain over others
How should we live?
I Love This World Not

Keith Young

I Miss You

I miss you
In my arms
In my life
So incomplete
I miss you
My dear love
I need you
In my arm
In my life
So empty without you
I miss you
Please come back
I'll love you more
I give you my all
I need you
Without you
I am so empty inside
Lonely
Broken hearted
Without you
I miss you

Keith Young

I Quit

I Quit

I tired of trying
I'm tired of giving my all
I've cried inside for to long
I Quit
I've loved you even when you were weak
I've cared for you
I've gave you my all
I Quit
Why did you hurt me
Why did u break my heart
Please stop
I giving up on you
I Quit
I'm quitting you like a bad habit
Kicking you to the curb
Moving on without you
You're nothing to me now
I Quit
Quit you
Quit on love
Quit on being sweet
You made me this way
I hope your happy
Goodbye
I Quit

Keith Young

I Tried

I Tried

I have been there for you
I cried many nights
Without you I hurt
I Tried
I gave you my all
I even went to see you
I was willing to give up everything for you
I was willing to start a new life with you by my side
I Tried
I even told you how much you mean to me
I told you everyday that I love you
I Tried
I gave you my heart
Why did you hurt me so bad?
What did I do?
Why did I try?
I gave my all to be with you
All to end for what?
I Tried
I will never forget you
You stole my heart
You kidnapped my soul
Your holding it all hostage
I will do anything for it back
I cry inside
I fell like I am not alive inside
Please love me
I'm tired of trying
I'm just plain tired
I Tried
I am giving up

Keith Young

I Try

Why do I try?
I don't like my life
Lost in life
Lost in love
Lonely
Lost
No hope of being free
I don't belong here
Why am I here
Felling like I am not loved
Felling so lost and lonely
I am lost and lonely
Please don't leave me to be
I don't want to be alone
Alone in this world
Filled with no love
Filled with no care
Filled with no sprit
Filling like u don't want me
Happy to be without u if u want
Happy to not need
Happy that I have no friends
I try
Try too much
Try with all my life
It hurts inside

I Write This Love Letter To You

I Write This Love Letter To You

As I pray

As I live

As I care

I Write This Love Letter To You

Never ending

As long as you love me

No longer empty inside

No longer lonely

As I pray

As I live

As I care

I Write This Love Letter To You

My love

My dream come true

My hopes

My wish

All came true because of you

As I pray

As I live

As I care

I Write This Love Letter To You

I owe my all to you

My love

You're my world

My love

I Write This Love Letter To You

I'm Giving Up Inside

I've tried
I've gave it my all
Pour my heart out
Poured it all out
All for you
I'm Giving Up Inside
Why try
Pouring my heart out
All out
Just for you
Why try
Why care
Why give you my all
My heart
My soul
I'm Giving Up Inside
Lost
Confused
Feelings that aren't true
Lost feelings
Feelings for one
Feelings that I can't let out
I'm Giving Up Inside

Keith Young

I'm Tired Of Trying

I'm Tired Of Trying

I thought I had friends
I thought people cared about me
I try
Try to call them
Try to help them
I show my emotions
I show them I care
I am always there by their side
Their never by mine
I'm Tired Of Trying
I tried to hard
I fell like nobody love me
I'm giving up
I'm tired of being Keith
I'm Tired Of Trying
I showed them that I care
I get nothing back
Everyday I'm told to be Christ like
I don't know how he dealt with his pain
I can't give up
Please tell me I am loved
I am so alone
I am hurt deep inside
I am no longer Keith inside
I lost my heart
I lost all my hope
I'm Tired Of Trying
Love me please

I'M Living Life Without You

I'm Living Life Without You
I'm all alone
Broken hearted
Lonely
Lost
Wishing I was back with you
I'm so sad
I'm empty inside
Looking for you
Were did I go wrong
I'm Living Life Without You
It hurts so bad
I cry ever night
You're no longer in my arms
You're no longer there
You took my heart with you
I'm Living Life Without You
Please come back
Sorry I hurt you so bad
I never meant to
I'm sorry
I'm idiot
I'm a prick
I'm Living Life Without You
All alone
Wondering why I do to myself
Wondering when I'll stop
Hurting people inside
Never meant to break your heart
Why do I hurt you
Why did I break your heart
I'm Living Life Without You

I'm Your Stalker

I see you
I follow you
When you're awake
When you're asleep
I know where you live
I'm your stalker
I know everything about you
That lovely brown hair
Those lovely hazel eyes
That lovely soft skin of yours
Every freckle on your skin
We like the same things
I even married you in my mind
I'm your stalker
You cant see me
You don't know me
But i know everything about my WIFE
You work all night
You walk home the same way i do
I'm your stalker
You look beautiful today
In that black dress
Don't you cry
I'll hold you
I'm your biggest fan
I'M YOUR STALKER

Keith Young

Just A Figment Of Your Life

You never call
You don't even care
I was
Just A Figment Of Your Life
I was never important
You never really loved me
You never really cared about me
Why
I cared about you
I loved you
I was there for you
I stopped you from hurting yourself
I thought I was a good man
Was I just a
Just A Figment Of Your Life
One part that you don't care about
One time that you want to forget
One figment of time that means nothing
Was I just a
Just A Figment Of Your Life
I wish I wasn't
I wish that you don't forget what we had
You were my angel
You were my queen
I thought of you everyday
I am giving up I am hurting to bad
My soul is crying
Crying because of you
I am
Just A Figment Of Your Life
Aren't I
You never really cared
You never really loved me
I wish I could go back in time and take away this pain
The pain you caused
Just A Figment Of Your Life

Keith Young

Life Is Hell

Please look at life through my eyes
Realize the pain inside this lonely heart
Days when life is hard
After all the things I've been through
All the pain
All the hate
All the lies
One thing life is hell for me
Life is Hell
Nobody Cares
Nobody Loves
No Needs
No life
I'll Make It through the Pain
Life Is Hell

Keith Young

Lonely Path

Walking around
Trying to find our way
Look and you should find
Where are we
Why are we here
What did we deserve to walk this?
Lonely Path
We can see
No lights around
We are scared
Guide us
Please provide us a light
To guide us through this
Lonely Path
Where is everyone?
Where did they go?
Why can't we find them?
Why do our angels hide?
We need you
Walk with us
Please
We all are wondering down our own
Lonely Path

Keith Young

Lonely People

We wonder around
Walking all alone
All the darkness
No light to guide us
We are all lost
We are
Lonely People
Looking for something
Searching for love
Searching for long lost family
Searching for ourselves
We are all lost
We are
Lonely People
Find us
Lead us
Guide us
Walk beside us
Lost in a world of no hope
A world of sin
A world felled of lies
A world felled with sex
Do we really know what love is?
We are all just
Lonely People
Searching
Wondering
Crying
Why do we feel so alone?
Is it because we are all just
Lonely People

Keith Young

Longtime Waiting

Sitting on a train heading to nowhere
Wondering when I'll get their
It's going to be a
Longtime Waiting
What to do
Why wait
We all wait for time to take us away
It's still a
Longtime Waiting
Hours
Days
Months
Going by
As we stare at the blue sky
As we remember the past
As we wonder what we well become
It's all a
Longtime Waiting

Keith Young

Look Inside

I searched
We all have searched
I've looked but can not find what I need
We all have looked but can not find what we need
Look Inside
If I do I just might find what I need
If you do you just might find what you need
I just need to
Look Inside
We all just need to
Look Inside
My soul so empty
Your soul so empty
My spirit is lost
Your spirit is lost
Love yourself
I'll love myself
Care for others
I will
Show them you love them
I will
Just promise me you'll
Look Inside

Keith Young

One Heart
One Soul
One Life
With a lost Soul
Lost Heart

Felling Like You Don't Belong
Lonely Heart
Lonely Soul
Lonely Life
Lost and Lonely

Keith Young

Lost Kid

All the hate
All the pain
All the abuse that takes place for the of today
Dads that don't care
All they know is to hurt the lost soul inside
That poor little kid
Felling like nothing
Because of a dad hurting his soul
All the hate
The kid hopping that he'll make it in life
All the pain
Through all the pain inside
All the abuse
He'll make it through it all

Keith Young

Lost Society

We have to look a certain way
We have to act a certain way
We have to in a society that lost its way
Lost Society
Can we be original?
Can we be our self?
Can we just be happy?
Lost Society
We have to be unhappy
We have to behave
We have to be judgmental
The media saying we are a
Lost Society
Can we just be our self's

Keith Young

Lost Soul

Once a kid
Once in love
Wishing life would be good
A trapped soul that's lost in a lonely heart
No sprit
No will to love
No will to care
One day he'll find his soul in the one he lost
The Love of his life
Lost Soul forever to the day he'll find her

Keith Young

Love

Love

We all say we love are partners
We all say you mean the world to me
We all say I love you
Do we really know what love is
Love and
Openness with each other
Very passionate about each other
Everyday
Love
You mean the world to me
You're my light
You're the one that gives me hope
Every time I hold I am in heaven
You're my love
Love
What would life be like with out you
What would I do with out your light in my life
Your an angel
You're my goddess
You're the answer to my prayers
Love
Do you love me
Do you see the light in my eyes
Do you see the love I have for you
My wish came true the day I met you
My love
Love

Keith Young

Love In My Eyes

Your the Love In My Eyes

Keith Young

Love Me

I call you everyday
You break my heart
You tried to love me
I loved you
The 6 months I had you
6 months of my heart beating faster
6 months of being in heaven
6 month of felling happy
You let the hurting kid out so I could shine
I opened my heart to you
I tried to love you more
I didn't even think I could live my life with out you
I am hurt so bad in side
It just seems like you don't
Love Me
I would do anything for you
You said you loved me
You said you want to be with me
I am willing to do anything to be with you
You said the same to me
Thing if your telling the truth
Do you
Love Me
I love you even though you broke my heart
Tore it to pieces
I am giving up
I need you
You don't want me anymore
I will never forget you
I love you
Love Me
Please I am sorry for being me

Middle Of No Where

Walking around
Lost
Confused
Where are we
Why are we here
Are we lost?
Lost in hopelessness
We're in the
Middle of No Where
Walking the lonely path
Walking in the darkness
No light to guide us
No hope of making it
We're in the
Middle of No Where
We need u to guide us
We need u to lead us
We need u to show us the way
Help us god
Please
We are in the
Middle of No Where
In our life
In are journey
In the walk back to you
Shine your light on us
Please
We're lost
We're lonely
We need your love
We're stuck in the
Middle of No Where

Keith Young

My Angel

Where are you
I'm lost
I'm lonely
Wondering where you are
My Angel
I've searched for you
I thought I had you in my heart
But it wasn't you
My Angel
I need you
I'm alone without you
Where are you
Why can't I find you
Why are you hiding
My Angel
Please reveal yourself
Please come to me
I cry everyday
I'm alone
I'm lost
Please
Pretty please
Let me find m you
My Angel

Keith Young

My Black Rose

You're my Black Rose
I water you every day
I make sure I shine my light on you
I show you more love than any of my other roses that died
You're the one
My Black Rose
Where would I be without such a beauty
What would I do without my Black Rose
I love my Black Rose
I'll keep you forever
My Black Rose
I'll make sure you'll never die
I'll make sure
To water you
I'll make sure
To love you
I'll make sure
To shine my light on you
My Black Rose

My Guard Is Down

My Guard Is Down

I let it down
Let the draw bridge out
Told my guards to let you in
Let you in to the heart of my soul
My Guard Is Down
Just for you
Gave you full access to my kingdom
I held you in my arms
Should you how much I cared about you
Asked you to be my queen
Asked to hold my broken heart
Asked you to heal me
What happened
Why won't you help me rule my kingdom
Why won't you give me a chance
I need you
Because of you
My Guard Is Down
Now my heart is broken again
Goodbye I don't need you
I kicking you out
I am pulling the draw bridge up
Locking the gates
My guard is no down

Keith Young

My Long Lost Love

My Long Lost Love
My long lost love
Where are you
My long
My lost
My love
My Long Lost Love
Where are you
I'm lost
Can't find my way
Where are you
My Long Lost Love
Empty inside
Lonely inside
Lost in a world
Searching for you
My Long Lost Love
Where are you
The love of my life
Fix my broken heart
I don't want to be lonely anymore
I'm lost without you
I'm empty without you
I'm lonely without you
Where are you
My Long Lost Love

My Sweet Baby Teddy Bear

When I hear your voice
I'm happy
I'm glade
When your in my arms
I feel warm
I feel like I'm loved
No longer alone
No longer empty inside
When I see you
I see an angel
I see sweet a blond beauty
I see a wish that came true
I see all my hope in life come true
My Sweet Baby Teddy Bear
My queen
My angel
My love
My beaming joy of light
The pray that came true
Gods gift to me
The one that saved me
The one that holds the key to my heart
My Sweet Baby Teddy Bear
I love you
I am nothing without you
I am empty without you
I am lost without you
I'm happy that god gave me you
My Sweet Baby Teddy Bear

Keith Young

Once Upon A Time

I loved you
I cared for you
I longed to hear your voice
I tried to help you
You were my angel
You were my sweet baby teddy bear
I gave you my heart
Once Upon A Time
Why did I try
Why did you not
I cry inside every night
I loved you
I cared for you
I held you
Once Upon A Time
The same old story
Man meets women
Falls in love
Gets his heart broken
That was us
You broke my heart
Once Upon A Time

People

Why do people like me?
Why do people look up to me
Why do I not like me?
Why people please tell me why
People say I am a friend
Say they don't need a friend
Say they want to be loved
That's what I offer
But yet u don't want me to love why
Why when I am with people they say I am not funny
They say I scare them
People why
Why all the sore words
I love all
But I get none in return
Ever person I say hello to
Ever person I talk to
Ever person I wait on
People that want to be my friends but won't hang with me
Why do I feel like this?
People please love me

Keith Young

Please Hold Me

Please hold me
I am hurting inside
Hug me
Wipe my tears away
My inner child needs you
Hold Me
I cry
I hurt
No one loves me
Alone in this world
Dark
No light
Wondering around
Hold Me
I am hurting inside
Lost
Crying
All this pain
Make it go away
I need you
Hold Me
Please
Can you
Just
Hold Me
I need to let it out
I hurting me inside
I cry
Hug me please
That poor little kid inside of me
Hold me

Keith Young

Please Understand Me

Why
Why do you not understand
I cry inside
Lonely
No one cares
No one understands
Why
Why do I hurt so bad
Life empty
Empty
No love
No care
Alone
Sad
Please god help me
I cry
I hurt
My pain
Stop this pain inside
Broken hearted
Please Understand Me
Please don't hurt me
My pain
My broken soul
No spirit
Lonely
Love me please
Care for me please
Be there for me please
I need a shoulder to cry on
Can I car on yours
Help me please
Please Understand Me

Run Away

Why did you hurt me?
Why don't you care?
Why don't you love me?
I'm lost
I'm lonely
I tried
I feel like I don't belong
Maybe I should just
Run Away
Maybe someone else can show me love
The love you didn't show me
Leaving me alone
Selling your drugs
Selling your soul to Satan
Letting him control you
Why don't you love me?
I'm I too much like Christ?
Maybe I should just
Run Away
Maybe you'll get the picture
I loved you mom
I cared about you mom
Why didn't you love me back mom?
Why didn't you care for me mom?
Why did you pick drugs over me?
You didn't love me
You don't care for me
All you cared about was your next high
I' running away
Never coming back
Good bye mom
Good bye to you
Run Away

So Empty And Broken Inside

Why am I so empty and broken inside?

Lonely inside

Empty inside

Broken inside

So Empty and Broken Inside

Without a soul

Without a will

Please feel the void inside

inside this empty heart

Heal my broken heart

Fill my empty soul with love

So Empty and Broken Inside

Lonely soul

Lost spirit

Why am I so empty and broken inside?

Feeling like I have nowhere to go

Only God can help me now

So Empty and Broken Inside

Tell Me The Truth

Tell Me The Truth
Why did you lie
Why did you even tell me
Telling me that you like me
Telling me that you want to be with me
Tell Me The Truth
Tired of people lying
Tired of people not caring
Tired of people like you
You said you liked me
You said you wanted to be with me
Why did you lie
Why did you tell me all of that crap
Tell Me The Truth
I wasted my time
I wasted my love
Why should I be your friend
How do I know you won't lie to me again
You'll never be ready for a guy like me
I'm giving up
I'm not trying anymore
Why did you lie
Lying to me
I'm not your friend
Goodbye
Tell Me The Truth

That Day Scroll Up One Space

I meet you
You open my eyes
I saw the light
The light in your eyes
That Day
I cried
Cried for you
Cried for I
Why
Why
Why
Why did I cry
That day
I was happy inside
Happy for you
Happy for me
That Day
I was in haven
I was with you
That Day
Why
Why
Why
Did you say goodbye
That Day
I miss you
I loved you
I cared for you
That Day
Why
Why
Why
Did you lie
Lie to me
Hurt me
You said you loved me
That Day
Why
Why

Why
I gave you my all
That Day
I cried
I hurt
My pain
My soul lost
Lost forever
My will to live over
Why did you lie
That Day
You hurt me
You broke my heart
That Day

The Holder Of The Key To My Heart

The Holder Of The Key To My Heart

You open it

I let you in

I cried

I hurt

I let the little kid out

I told you all

The true me

The Holder Of The Key To My Heart

You hold my heart in your hands

Is it beat with love

You hold the key

That opened my heart

Helped the hurting kid inside

Shined your love in

Showed him the way

Showed him that someone loves him

Showed him that you care

The Holder Of The Key To My Heart

You helped me

Was there for me

I needed you

I was lost without you

I was empty without you

The Holder Of The Key To My Heart

I love you

The Holder Of The Key To My Heart

Without where would I be

Without you I would still be a wonder

Without you I would not have had felt loved

You are my angel

You are my queen

The Lonely Man

The Lonely Man
Lost
Wondering
Confused
The Lonely Man
Who is this lonely man
Is it you
Is it me
Is it the homeless guy outside
The Lonely Man
Always wondering if he'll be found
Alone in such a big world
Walking the streets
Looking at all the lights
Seeing all the sad people
Seeing all the happy people
Seeing all the drugs and booze
How is he
This lost soul
This wondering soul
The poor confused man
The Lonely Man
We are all lost
We all are wondering
We all are confused
Where do we go
I'm The Lonely Man
You're The Lonely Man
The Lonely Man

The Masked Man/Woman

Who is he/she
Why does he/she hide behind the mask
I see him/her everyday
You see him/her everyday
Look harder
Search harder
You'll find him/her
The Masked Man/Woman
We all see him/her
All the time
He/she see's us every morning
Just look deeper
Just search harder
He/she is always with us
I see him
You see him
He/she cries all the time
Where is he/she
The Masked Man/Woman
Look inside
Look into your soul
You'll see everybody's has a mask on
I'm the masked man
You're the mask man/women
We all live one big lie
We are all the masked man/women
The Masked Man/Woman

The Nice Guy

Why is he the one that always finishes last
Makes him feel like nothing
He hates being the nice guy
Always getting told he's too nice
Caring
Loving
Romantic
The Nice Guy
For once in his life can he finish first
For once can people stop saying he is too
Nice
Caring
Loving
Romantic
Can someone give him a chance for once
He is tired of being himself
He is tired of being too
Nice
Caring
Loving
Romantic
Please people give him a chance
The Nice Guy

The Same Old Story

I loved you
You loved me
I was there for you
You were there for me
I cried
You cried
Longing for each other
Wanting each other
The Same Old Story
I thought this would be different
I thought I would not hurt so bad inside
I thought you cared
I did
The Same Old Story
I was in heaven
I was happy inside
I loved you
I cared for you
Why did it have to end
Why does it hurt so bad
Why did I hide
The Same Old Story

The Screw Up Man

The Screw Up Man

I screw up
Why
Is it because I'm
The Screw Up Man
I hurt you
I say the wrong things
I break your heart
Not even knowing I do
Am I

I screw everything up
Don't know how
Don't know why
Don't even know I do
I'm
The Screw Up Man

The Target Of Pain

What was caused me to be
The Target of Pain
Why I'm I always hurt
Why is it that I cry inside
Feeling like you don't care
Feeling like I'm worthless
Feeling like no one loves me
Torn and broken
Why am I always
The Target of Pain
It hurts so bad
My heart torn in two
Feeling like nobody want's to be with me
Always getting told I like you
I love you
I care about you
You're important to me
But yet I'm not
Because I'm just
The Target of Pain
I feel your pain
I feel my pain
It hurts
I can't handle it anymore
Please take this target off my soul
Off my heart
I don't want to be
The Target of Pain
Of anyone's pain anymore

The Used Man

The Used Man

You said you didn't want to get with me
You said you loved me
You said you wanted me
You came over and used me
Just to make you feel better
You'll hug me
You'll hold my hand
You spend more time with me than your boyfriend
I'm I just
The Used Man
In your book
Just someone you just want to use
Someone that will show you the love no one else will
What am I to you
What did I do wrong
Why did you just use me
Is it because I'm
The Used Man
I am tired of being used
I'm not a toy
I'm not a plaything
You use me then just leave and stop talking to me
I hope your happy
Thanks for taking a piece of my heart when you left
I'm just
The Used Man

Torn Apart By 2 Worlds

Torn Apart By 2 Worlds
Why is it that I feel like I am torn apart?
Torn apart from my love
Alone
Lost
Confused
Why did you tear me apart?
Why does it feel like we are 2 worlds apart?
Torn Apart By 2 Worlds
I love you
You love me
I want to be there for you
Age what is it?
Nothing but a limit on life
Let your love out
I'll let mine
Why am I so lost?
Why am I so confused?
Why did I hurt you?
I made it hard for you□
Torn Apart By 2 Worlds

True Color

I thought I knew you
I thought you cared
I thought you loved me
I showed you my
True Color
I showed you who I was
Inside and outside
Why did I love you
Why did I care about you
Why didn't I believe my friends
Now I see why
Because you lied to me
You showed me your
True Color
You said that you were nice
Caring
Loving
What a lie
You said you loved me
You said I was the one
You lied
You broke my heart
True Color
I see why you did it
It was because I was just another mark on you belt
Thanks for showing your
True Color
Now I know the type of person you are
Your not who I thought you were
I've learned from you
True Color

Try

Try to be friends
Try to be there for you
Try to care for you
Try to love you
Never to realize that he'll never make friends
No Matter What
No Matter How Much
No Matter How Nice
No Matter How Funny
No Matter How Caring
No Matter How Loving
Try, Try, Try
Tried To Hard
Try and be my friend
Try

Keith Young

Two-Faced

You seemed nice
You seemed so sweet
I dated you
I loved you
I cared for you
Gave you two years of my life
I was always there for you
Even when my friends said you are a bad person
I didn't believe them
I lost my friends because of you
Two-Faced
You changed
You yelled at me
You made me cry
You broke my heart
Two-Faced
Why didn't I see your true color
I thought you were the one
I thought you cared
I thought you were the one
I thought you was sweet
Caring
Loving
The compassionate one
One big lie
Your nothing but
Two-Faced

Keith Young

Victoria

I tried to help
I cried every time you cut yourself
You were my wish that come true
I needed you
You needed me
I helped you
I cared for you
I loved you
Victoria
Why my sweet angel
Why did you make me cry
Why did you hurt me so bad
Why did I even try
I had an angel I thought
I had someone that loved me I thought
My heart broken inside
Victoria
Why did you hurt me
Why did you make me cry
I've tried to stop thinking of you
You broke my heart and made me cry
Why

What A Waste Of Time

What A Waste Of Time

6 months I loved you
6 months I cared for you
6 months I held you
6 months I gave you my heart
6 Months
What A Waste Of Time
I helped you
Got you threw it all
Made the pain go away inside you
What A Waste Of Time
6 Months
I lived happy
Got a better job for you
Had sacrificed for you
What A Waste Of Time
Of holding you
Of loving you
Was I a waste of time
What A Waste Of Time

What Am I To You

What Am I To You

Just a friend

Just a person for you to go to

Just a pawn on your chess board

What Am I To You

I've opened up to you

I've told you everything

I was there for you went no ones else was

What Am I To You

Just a another person

You say you love me

Why do you lie to me

You say you want to be friends with me

Tell me the truth

You say you are afraid to be with me

What is there to be afraid of

What Am I To You

Just another person that loves you

Just another broken heart

Just another person that cares about you

I'm tired of this

Tried of holding my pain

Tired of lying to myself

Tired of hiding how I fell

Why do I even try

I am walking away

Walking away from you

Walking away from the hurt you cause me

What Am I To You

Am I just here for you to use

I'm not allowing you to hurt me anymore

Goodbye my love

Goodbye my dreams

Like the famous saying " you don't know what you had till it leaves"

Goodbye my dear friend

Where Are You

Looking for you
Searching for the empty piece of my heart
Got the biggest hole
Missing you
Come back please
I miss you
I remember the day
I held you in arms
I hugged you
I remember
The time I gave you my love
The time we cried together
All the time we fight
My heart longs for
Where are you
Where did I go wrong
Sorry I hurt you
I need you
My life is nothing without you
Sorry I made you cry
Where are you

Keith Young

Why

Why do we live a lie
Why do we live a sad life
No faith
No love
No one there
No hope for life
We all live one big lie
Why Why Why
Why live a life of lies
Why live a life of hate
Why care
Why love
We are all one in life with christ

Why Did I Even Try

You hurt me
You broke my heart
You made me cry
You said you loved me
Was that a lie
Why Did I Even Try
You made me doubt myself
You made me give up on love
I loved you
Why Did I Even Try
Why did you hurt me
Why did you make me cry
Why Did I Even Try
Tried to love you
Tried to care for you
All you did was use me
Step all over me
Crushing up my hopes
Crushing up my heart
Why Did I Even Try
I am not trying anymore
I'm giving up on love
Giving up on you
Giving up on everybody
Why Did I Even Try
