# A Beautiful N Cute Lady

A lady with her Beauty,  
Sometimes makes me naughty.  
With a complete look or half,  
Makes me always flat.  
Her look is very serious,  
for guys, its very dangerous.  
I like her smile and her cute dimple,  
It makes me feel something very cool.  
'bout friendship, she says 'I don't have answer for that',  
But for me, I live in friendship and that's the best.  
'Love is good in books or in cards', she says,  
Love is the only thing, I love to share with all ages.
