The fact is it claimed that i should die, /
hence i became suprised /
and for this reason when i expose it /
i heard another voice of a certain anonymous /
male sympathizing with me that i grow up /
for this matter. /

My exposure...

They Crammed Me...

(03 / 05 / 2021 / 10: 52-Am) .

The fact is after smoking i drink water, /
hence it's a habit i designed /
and for this reason the illusions, feelings, voices /
and charms crammed me /
and as a result by pretending like it is their aim /
by ordering me to do it for this matter. /

My exposure...

They Just Believe!

(03 / 05 / 2021 / 10: 44-Am) .

Illusionally we negotiated with my girlfriend, /
that we'll have sex only! /
Then after that my uncle i.e Thabo became proud... /
My problem is that what kind of an elder who rely /
to such a thing... /

I told that i am mentally disabled, /
hence Mbuye i.e my cousin believe in me that /
i behave for this matter. /
So, my problem is i will die without a woman, /
because i know for a fact that people /
like me don't last in relationships... /
Incase you wondering i read this on the internet! /
and i believed because i give up my relationships /
before they go far /
and that is because my girlfriends appear /
illusionally and give me attitude for this matter. /

My exposure...

My Rotten Family...

(03 / 05 / 2021 / 10: 35-Am) .

The fact is i saw my younger... /
sister being pregnant for the second time, /
hence i am talking...about Ntsoaki /
and for this reason my parents and her /
did not introduce her baby in a formal way, /
for me to be proud like a first born for this matter. /

The fact is after that they expect me to welcome /
that child by teaching her to speak, walk and play, /
hence i blame my parents /
and for this reason it is the same issue when it... /
comes to my other two younger and youngest /
brother for this matter /
and after that they blame me illusionally... /

They say if you stick around feces for too long /
you end up sticking like it, /
but to me it is a different story. /
No wonder why i am composing this poem! /
because i behave, hence i am 34 /
so when i reach 40 it will be then /
that i will have kids as it is the right time! /

My exposure...

I Am Scared...

(03 / 05 / 2021 / 10: 29-Am) .

I m scared that one day... /
i am going to lose my eye-sight... /
because of these feelings, /
which suppresses me like a charm... /
and this would happen for few seconds... /
and i would feel like i am losing... /
my vision to see when they.. /
suppress me and this hurts, /
because i am still a child /
and i am still enjoying my youth... /
Imagine...being blind at an early age /
It is not fair to be honest... /

My exposure...

Rihanna...

(03 / 05 / 2021 / 10: 24-Am) .

The fact is after exposing Rihanna /
for raping me illusionally /
she claimed that i think she is... /
food that i eat for her to rape me, /
hence i ignored her because... /
to people like her rape is a minor thing /
and for this reason one can tell from the way they /
expose their bodies on television. /

My exposure...

Church Bores Me...

(03 / 05 / 2021 / 10: 17-Am) .

My father sent me to sister Thwala, /
to tell her that at 4pm it is... /
a church music practice, /
so i lied to him! by saying that i did not find her! /
So, my mother told me that... /
i need to go back at 3pm /
and i will find her... /
My father claimed illusionally... /
that they will never be told by me for being a liar... /

My exposure...

There's No Hurry In S, A...

(19/04/2021/09: 03-Am)

The fact is I was e-mailing/
The press release to promote/
My album in local, national/
and international newspapers/
Hence I saw an illusion/
Of a certain outsurance/
Ambassador lady illusionaly claiming that I should/
Be fast and for this reason /
It ate me alive because.../
I am the one who is driving, /
So I can never be told by a passenger for this matter./

My exposure...

My Untold Stories...

(19 / 04 / 2021 / 08: 48-Am) .

The fact is I have been /
raped, hence by Rihanna's/
illusion... /
and for this reason after /
that she claims that i am /
poor, so how can she /
rape me... /
The fact is after that... /
a certain anonymous /
male voice blamed me /
that it is because I am... /
unemployed, hence even /
my father's illusion... /
blamed me that it is... /
because i am always asleep... /
The fact is what made /
me happy is that my /
younger brother Lefa's /
illusion claimed that /
she is going to die, /
hence after that he /
kicked her hard /
and for this reason i... /
felt proud about it /
for this matter. /

My exposure...

I Am A Warrior!

(15 / 04 / 2021 / 09: 50-Am) .

The fact is they used to claim /
that i am mentally disabled, /
hence as an author /
and for this reason /
they envy me because.../
i am successful for this matter.

The fact is Mbuye used to / claim that i am following /
him through a library, /
hence it is a fat lie... /
and for this reason i went /
there through Ben i.e my /
best friend for this matter. /

The fact is they used to claim /
that i am following Lefa /
i.e my younger brother, /
hence when i am composing /
and for this reason when i... /
made it it eats them alive /
for this matter. /

The fact is i nearly fell in /
a trap, hence of proposing /
the whites for my dream /
and for this reason they... /
ambush me for this matter. /

My exposure...

My Problems...

(08 / 04 / 2021 / 02: 22-An) .

Nicki Minaj claimed illusionally that it is Jay-Z's /
plan.../

meaning now that i have registered with /
SAMPRA(South African Music Publishing Rights /
Association) . /

I believe that she is just a celebrity, /
because Jay-Z found a recording deal /
to make it /
and i did it by myself as a brand! /

Ima i.e a consultant from SAMSUNG Internet Cafe /
claimed illusionally in an underemining way /
that my room is dirty, so i am poor /
and by that time i think i can make it... /

I believe that it is a curse to be from /
a community like mine, /
because i have been bewitched by an ex-friend /
of mine from this very community. /
It is just a public, because he has ruined /
the reputation of all the members of it by /
bewitching me. /

They are blaming me that i have raped a child /
i.e Lebohang without realizing that she is /
the one who came to me and even worse Lefa /
that is my younger brother put a voice for me to /
repeat after it that i love her. /
So, it is just a family, because they are failing /
to understand my struggle that i have a weakpoint /
of repeating after the voices, so no wonder why /
Lefa took advantage... /
What hurts me the most is that they can't /
defend me, hence they are siding with the voices, /
illusions, feelings and charms that i need /
to propose... /

It is just America, because of a voice and illusion /
of Beyonce Knowles when she is ruling me to /
renovate by pretending like it is her plan /
whistly not, because i am the one who came up with /
and i tried to save money in a stokvel, /
which i stopped because of her tactics /
So, i just thought that i should compose /
a poem, because no-one understands i.e voices /
and illusions as they claim that it is her plan. /
So, the reason behind this poem is to find sympathy /
in my own world whereby i have planned to /
renovate my room without a disturbance /
from the likes of Beyonce Knowles...

The fact is only god knows that it is her plan, /
so from now on i will renovate even though they /
claim and blame me that i am following her /
Just because she is well-known globally /
she thinks she can rule everyone around /
with her fame, but unfortunately i am not /
that kind of a guy who can be used with his plan... /
So, i believe that it is just America, because it bears /
people or should i say illusions and voices /
of Beyonce Knowles to come and use people /
like me... /

I believe that it is just South Africa, because... /
illusions, feelings, voices and charms suppress, /
undermine, humiliate and beat me whenever /
they get a chance to do so and this happens /
when i am watching television, listening to radio, /
reading newspapers, magazines, relaxing, eating /
and utilizing the internet and typing... /

The fact is i am mentally disabled, /
hence i am always surrounded /
and suppressed by the feelings /
and for this reason they are trying /
to make my eyes to be blur... /

The fact is especially in the night, /
hence i have to blink now and then /
and for this reason to test my vision /
for this matter. /

The fact is even during the day, /
hence i would feel like i have lost /
my vision and for this reason for 5 to 15 seconds /
for this matter. /

My Challenges...

(31 / 03 / 2021 / 09: 18-Am) .

The fact is i am infected with schizophrenia, /
hence i am hearing voices and for this reason /
i was watching the repeat of a soapie called /
The River on channel 161 on DSTV for this matter. /

The fact is i heard a voice, hence it belonged to /
Presley Tshweneyagae and for this reason /
he goes by the name of Thuso on The River /
for this matter. /

The fact is his voice claimed in an undermining way /
that to him it is a small amount, hence with regard /
that i am about to receive money for royalties by /
SAMRO and for this reason after registering my / company for this matter. /

The fact is this is one of the challenges, /
hence on my way up and for this reason /
i will not give up for this matter. /

My Downfall...

(30 / 03 / 2021 / 07: 09-Am) .

The fact is i have a weak-point, /
hence i am infected with schizophrenia /
and for this reason i am seeing illusions, /
when no-one else is around, hearing voices, /
being surrounded and suppressed by the feelings /
and charms all over the body for this matter. /

The fact is one day i repeated... /
after my younger brother Lefa's voice, /
hence to propose her first born i.e Lebohang /
and for this reason i realized afterwards that it was.../
him, who put a voice for me to propose... /
his child and i believe because one day i heard his /
voice, which i repeated after a little bit whereby /
he wanted me to say that it is my home when i.../
enter the kitchen for this matter. /

The fact is after that the illusions, /
voices, feelings and the charms had a problem /
about it, hence they forced me to propose... /
and for this reason they broke my record /
of behaving for a decade, by sleeping... /
with 2 girls for this matter. /
