When my heart's beat goes up and down  
I feel like i am a clown  
Who always frowns.  
Then one day a girl came to me and asked: "why are you so sad? "  
I told her: " everyone calls me bad"  
She told me that does a flower comes to ground,  
before its about?  
NO right! so come lets have some sprite..  
you feel its funny right?  
but when your upset youll know that i said it right! ! ! !

# Hapiness Is On Your Way This Day

Hapiness is on your way,  
Waiting for you everyday.

Give a little,  
Take some hatred away.  
Hapiness it waiting on your way.  
Come lets enjoy on this day.  
Have a smile wait, , wait for a while..

# Love

Love is something that you give it away,  
and it bounces back to you  
Have you ever fell in love,  
May be you would say no but yes I do  
It's just like a boomerang comes back to you  
Love is something that you give it away,  
And it always comes back to you.

# Poor People

Poor people sit at the door,  
and plead, could i have a rice bowl?  
We say get lost from here!  
Have you ever thought how much the poor person will fear,  
We selfish, stupid and bad people,  
Do not understand how will it feel  
When we are poor and when we deel,  
whit a rich man, , we'll know how it will feel! !

# Pray To God

Pray to God each day,  
Say him that I am sorry  
for all I do and say,  
Ask his blessings  
bow down and say: "Thankyou God for this day! "

..AMEN..

# Put A Smile Upon Your Face

Put a smile upon your face,  
close your eyes and wish a thing,  
and you will see a light upon the beam,  
Your wish will come true that i say,  
Make a promise to God each day,  
Keep it up, and say: "Oh Lord look, I've been through one day"

# Winter's Love

Winter, has the charm of life,  
Winter, is like my wife.  
Winter is my love,  
Winter is my dream of always "wow"  
I always wait for winter like its friend,  
the trees in winter always bend, having its branches like the ghosts arms.  
they are my always my eye's charms.  
do you love winter as i do?
