# My Life

My life by: leonshay baldwin

My life is a soul beating though my heart.

My life is beating faster and faster.

My life is kind more and more.

My life is sorry because i did something wrong.

My life is spectacular like a rocket.

My life is..... GREAT! ! ! ! ! ! ! !

# Nobody

Nobody but you by: Leonshay Baldwin

When you look me in the eyes i see nobody but you.

When you say i love you i see nobody but you.

When days come by and you see my heart you see nobody but me.

can't you see there's nobody to see but you and me.

So listen to this you are my night and shining armor and there's nobody else but you and me.
