A Life Experience

A life experience when a love one breaks your heart.

But instead you want let HIM/HER go at all.

A life experience when someone or people try their HARDEST to break you up with the one you really LOVE.

So much to say in a life experience SESSION 1.

Just A Lil Something

well my mind is racing and im slowly going crazy.
its seem like the more i try the more i fail.
everyone seems to judge me n wont let me be.
im always doing something wrong n never being treated like im grown.
i guess i have that face says plz help me im a hopeless child..... i wish i could
just run away from all my problems but what good would that really do, beside
cum back to hunt me.
lord i need your love to shine to me more then anything right now, it seem i have
no one else to help me.
no friends or family n the person that i felt will always be there it seem that he the
one that make me feel un grown and makes me feel like im always wrong bt i no
he the wrongi no nim gone make it im strong n i have the spirt of the lord with
me n my kids...
