lillypop joke(death is bad)

At The Zoo

First I saw the white bear, then I saw the black;
Then I saw the camel with a hump upon his back;
Then I saw the grey wolf, with mutton in his maw;
Then I saw the wombat waddle in the straw;
Then I saw the elephant a-waving of his trunk;
Then I saw the monkeys-mercy, how unpleasantly they-smelt!

Everything Mom

How did you find the energy, Mom
To do all the things you did,
To be teacher, nurse and counselor
To me, when I was a kid.
How did you do it all, Mom,
Be a chauffeur, cook and friend,
Yet find time to be a playmate,
I just can't comprehend.
I see now it was love, Mom
That made you come whenever I'd call,
Your inexhaustible love, Mom
And I thank you for it all.

I Copied This Off The Internet (Lol(

I miss my mum most of all,
it seems that without her I always fall.
Its weird not having her around,
lifes so difficult is what I've found.

Everythings hard, my head is all mixed,
unless she comes back things can't be fixed.
I wish things were back to the way that they were,
the times when my life revolved around her.

Although its been good to be on my own,
its just not the same i feel so alone.
I know that sometimes things seemed so bad,
but its not the same to just have a dad.

My mum is so special shes really the best,
she can't be compared to all of the rest.
Sometimes we fought over things that were dumb,
But none of that matters shes my special mum.

Super Mom

Mom, you're a wonderful mother,
So gentle, yet so strong.
The many ways you show you care
Always make me feel I belong.
You're patient when I'm foolish;
You give guidance when I ask;
It seems you can do most anything;
You're the master of every task.
