# Do You Know God?

When I cry he listens to me  
When I am sad he is there for me  
Is he from among my parents?  
From among friends?  
He is God  
The 3 letter word  
That means a lot to me  
God  
He is God who held my finger when I was a child  
He was always there for me  
When I grew up  
He gave me support when I aged  
He is like the ocean that is calm from outside  
But is deep and has life stirring within it  
He is like the mountain that stands confidently  
He is greater than the comparisons we make  
He is always there  
He is God.

# Smile For God

There are many sorrows in life  
There are many ups and downs  
But life doesn't end there  
Each passing day has something new to offer  
Life is full of hope  
One needs to just keep striving  
There will be a time when your day will come  
You will be the winner  
And success will knock at your door  
So Forget the past  
Forget the future  
Live the present and don't forget  
There is someone else whose always with you  
Who else but God  
So smile for God  
And he will be miles with you.

# Tear

A tear rolls down from a child's face when he is born  
A tear rolls down from a mother's face when a child is born  
A tear rolls down from a father's face when he sees his child  
Why one cries? is hard to find  
But the reason is simple  
Tear is an expression of one's sorrow  
Tears go down when a person is sorrowful  
But after crying life seems beautiful  
Crying is not the end of life  
It is just the beginning of your life  
So next time you feel like crying  
Don't stop  
Cry.
