# Dark Memories

My Lord carried me HOLY HOLY is HE

Rape, Rape, Rape, Rape  
This inner voice screamed  
So deep inside of me,  
Hoping nobody heard the voice within me.  
Work, Work, Work, Work  
get your job done.  
Dark, Dark, Rape, Rape  
You saved me before the death of me.  
You carried me threw all the pain,  
without you I surely would have died.  
Holy Holy Holy Jesus my strength
