# Die

when i die u cry  
when i cry is why u die  
when u die i die  
when i die u die

# Friends

friends are there for eachother there there for one another  
there with you when your happy or sad  
theyll never make you mad  
there with you trough hard times  
even when you cry or wine  
thre true true friends  
there with you till the end

# Get Back With U

dont walk away like u always do

this time baby your the only thing thats been on my mind ever sience u left ive been a mess.

i told u once i would leve u alone but i gotta let u go

i wanna get back to the old days when the phone would ring and i knew it was u.

i wanna hold back like u get that like we used to

oh hold me like u mean it like u miss me cause i know u do

i want to get back get back with u
