Mets Are Ghost

they are a team
they blow off steam
the ball is hit with a powerful beam
the looser are bad with screams

there voice is not cool
the curse is a bad tool
they are all fools
they drool

PS. they are ghouls

my heart just rip with a tare

Sour Life

Life is so sour like a lime
All we need is more time
The flavor is gross like if licking a dime

The Man In A Mall

There is a mall
Someone is coming out the bathroom stall

There is a man
Looking with his cam
Oh damn

There is a ladie
Her name is Katie
She works at a place called mateys

She calls the police
A cop name felice

The cop said to leave
The woman is about to conceive

A baby girl was born
Now the mother is torn
It is time to morn
Her father fell dead in a dorm
Trying to come in a storm

What Is Copper!

Coppers symbol is Cu
Nitric acid turns it green then blue

Its texture is smooth and sometime rough
It's found in food like Lobster and nuts

If copper is what you desire
Then look for in a motor wire
