Concrete Love

true love doesnt crash
it doesnt vanish
and frown apart
it is pinned and lasted 4 years
even the storm
cant bring it off
its full of trust
and not dust
the vivid love
can hold the pain and blood
though its blind
and keen to see the flesh
it doesnt desire
to cut the wirebecause the concrete love
dares the wicked blood!

How

how could you slip away, from the heartaches
That we've been through
the battle that we won
How could you say that I don't love you
anymore, that when you faced your greatest fear
who would you go to..
When you were frail and numb
don't know where to go..
all doors are locked while crying
there was a man, who always lifted you
that was me, who faced all your struggles
But then you dumped me after all that we've been
through

Now that you're gone and calmly moving away
w/o impulsive action and fruitless words
I always thank God for having you for a while
You gave me something to remember
The kiss and embrace
amid the noise and haste
I will not forget you for the rest of my aspiration
for you who gave me desire and faith
Thank you.....But how could you....? ?

If

if only we could see each others eyes
we will see each others tears
the longing and wanting to feel
the breath of dialog
if you can bear to hear the untrusty
and taste the old fruit
throws by the unforgiving mouth-

You can see me smiles, taste my lips
and hug my flesh,
but you cant see the doubtfulness
of my eyes, saying be your promises
and do my dreams
if only i can write a milloin of poems
ill give it to you
to fill up your days w/o
happiness and smiles
and if you see the future,
ill be depth and blind coz i dont want the path
w/o you at my back!

Our Dream

our love isadequate
but it is snared by our flesh
and blood-coz were bind,
we didnt force our selves
to do wrong
and ruin the gripped upon our root
but it turns right
from
our dream
to be in each others arms,
and do what ever we wanted to do
like your honest promises
the swee kisses
and the embrace of ypur soft arms
if only we can live in our own dream
ill be sleeping
every second of my breath!

Undeniable Feeling

love na b seen
love is keen
love crys, but my love
love 4 you will not die
coz the feeling is undeniable
like the deepest see
and the highest tree

love may ill but
love cant kill
the anger in my heart
frowns when your beside me
the alluring sent of your skin
makes my heart floats and
carry us to our paradise

love is verb
ya love os herb
i need you to be w/ me
for the rest
of my life
coz my feeling 4 you is
undeniable! !
