Afternoon Dreams

Afternoon dreams of you and me
being together and doing fun things.
Rather going for walks or out to lunch,
just sitting on the couch cuddling so close
it wouldn't matter what we were doing
because as long as I'm with you
I'll always be happy.

Afternoon dreams of my precious dove
and all of the love I hold for her.
I would give anything to at least talk right now,
to share with each other all of
our hopes, feelings, and thoughts.
I long so much to read your words
and hear your voice.
I want to tell you directly I love you so much.

Beautiful afternoon dreams of my sweet Angel dove
and caressing your cheek while I hold you so close,
then push your hair back so I can gaze
upon your beautiful face in full then
give you the sweetest kisses you could ever hope for.
I would then just thank you so much for
all of your love and all that you do.
I would thank you so deeply for just being you.

Beautiful afternoon dreams of you and me
just being together and sharing various things.
It doesn't matter what as long
as I'm sharing whatever we're doing with you.
I want to share my whole life with my Angel Queen.
I want these dreams to be real with you my sweet dear,
I want them to be soon because I so deeply love you.

Michael P. McParland

Beautiful Lady 10

Beautiful lady I send these kisses
in pure adoration to you in sweet
love and kindness to you.
Feel their tenderness as they
fall upon you and give you my warmth.
Beautiful lady I can't wait to hold you
and kiss your sweet lips myself.
Close your kind eyes and remember
my loving looks and smile
because for you I wear them right now.
Beautiful lady I adore you to no end.

Beautiful lady feel my hand
as I take yours in mine
so I can walk right beside you the whole time.
I truly love you and support you in full,
beautiful lady I give myself to you.
I love and adore you as my only Angel,
beautiful lady I care for you deeply
and want to marry you and together
spend all eternity.
You are my soul mate and I truly treasure you.
You're a diamond in the rough and truly
the most beautiful lady I've ever known.

Michael P. McParland

There is no other for this man because since we met
I knew you were the one in my heart and soul.
I wish so long ago I had had the courage to look
you straight in the eyes and say I love you dear,
but I was so very young and so very shy and scared.
I'll forever regret it if I never get to look at you and say it
because my Kira you are beautiful and I adore you
in true love and can't accept this life alone
without you in it my sweet one.

Sunday Night Snuggle

I long so deeply for a Sunday night
snuggle with you my sweet one.
To stop and heal the aching need in our hearts,
to just have the contact we need
feeling each other right there
in our loving arms sharing warmth.
A Sunday night snuggle with you my dear one,
it's what our hearts need and souls deeply want.

Right now my emotions are so back and forth
going up and down so very fast.
I feel fine in one moment
and then the next I almost begin crying.
I don't care how I sound to others
because I just want you to know
I truly love and miss you so much.
The tears are from the loving need I have for you
and a Sunday night snuggle would be
the perfect cure for the blues.
Being with you my sweet Angel so true.

A Sunday night snuggle leading to
a Monday night snuggle too,
and so on into Tuesday and Wednesday
carrying on through all time in each others arms.
A lifetime of snuggling with
my one and only true love
is everything I truly want.
I want you to be with me for all time
sharing our lives and giving fulfillment
like no other can.
It's only you my sweet Angel dove.

A sweet Sunday snuggle with you my dear one
because you make the hurts of the world
and beasts in it go away and make me feel better and safe.
My heart needs the healing in your loving arms
and I want to share with you the things
that are hurting me so very much.

I want to have the sweet healing of your loving arms,
I want to have my sweet Kira back in my life
to snuggle forever and strengthen our bond.
You will forever be my only one.

Sweet lady I want a Sunday snuggle
so for you I can do all the same.
Help heal your wounds and you aching heart
while listening to all the things you need tell.
I want to be here for you because in no way my dear
have I ever thought this was just about me.
I just express myself the best I know how
and I apologize if sometimes my full meanings
get lost in the mix.
I care so deeply for you and want to listen in full,
I want to hear your sweet voice and all of you tales.
I love you sweet Kira come snuggle with me.

My sweet precious darling I would
give anything for a sweet Sunday night snuggle with you.
To have you near caressing your cheek
with you smiling at me.
Your head on my chest as we talked away
forgetting the world and everyone else.
Just taking the time we've needed to be by ourselves.
I love you sweet Kira and need you in my life
because a large piece of me is missing without you in my arms.
It's cold and it's lonely and I don't want anybody else
I only want you my sweet lady here in my arms.

Tender Evening Kisses

Tender kisses for you my sweet darling
on this early evening now here.
Sweet tender kisses to fill you with cheer,
sweet tender kisses to give you a smile,
sweet tender kisses to fill you
with nice cozy warmth inside and out.
Sweet tender kisses because I love you dear one.

On this evening and night my dear darling
feel me holding you tight
and giving you sweet tender kisses of light.
To show you my love and reassure you I'm there,
to just help you feel good letting you know
you're truly beautiful and love.
Sweet tender kisses because I can't resist
giving my Angel sweet tender kisses
from my pure desire.
I can't resist holding you because
I love you so deeply inside.

Tender evening kisses to you my sweet dear
while we just spend time with each other
in spirit being so near.
As I read my books or watch my movies
I'll be sending you sweet tender kisses
and writing you poems of my heart and souls feelings.
Forever my darling I am yours in full
I love you so much and give sweet tender kisses
eternally to you.

Love Note 268

Such beautiful and tender
Sunday afternoon dreams
I'm having of you my sweet dear
in my heart and mind.
Such tender feelings as always
fill me up past the brim
and overflow in pure
tender love for you.
You are a precious jewel
my sweet one and I adore you
to no end.

I just said a prayer
for both of us
so we will both feel peace
in our hearts
and our arms around each other
in total love.
I prayed for your heart
and all as I always do
so you'll know I'm there
and feel my abundant
undying love.
God bless you sweet one
I love so very much.
Now a small rest
because I still feel quite tired
and I want to return to my dreams
in hopes that I'll see you.
I promise sweet love
I'll be back up very shortly
so I can continue to write for you
and tell you I love you.
I just need some rest
and so long to be with you
in some way there is.
If I can hold you in dreams
it will help till you're here.
To hold you and kiss while stroking your hair.

I love you fair lady
and you are an answer to so many prayers,
you truly are a gift from God
I'm so thankful for.
Each moment that passes
I love you more and more.

Warmth For You

There is ever loving warmth and acceptance
for you my sweet dear here in my arms.
You are not alone and are deeply loved,
my heart and arms are wide open for you
so please don't push me away
and let me give all of my loving warmth to you.
You are the Angel who I want to share
my entire life and beyond.
It is you my sweet dear in whose arms I belong.

I have so much love to give
my heart overflows with the abundance there is
and it's only you I want to share it with.
I want you to shower in it and feel
overjoyed and complete as you bask within it.
There is endless loving warmth in my heart
and in my wide open arms for you
my sweet Angel dove.
You are a diamond in the rough whom I so deeply love.

I'll always hold eternal loving warmth
for you my sweet one no matter what.
I adore you my beautiful one
so much that it aches from how intense it can get.
I wish you could just be me for a second
to understand and know all that I feel.
To know the depth of my love and immensity it goes,
I wish you could be me so you could
understand and feel it all because I so often
confuse you with the things I try to explain.
You are the only one I'd ever let see
and feel everything that I fully am.
I will take down my defenses because
within me there's such loving warmth for you.

There truly is such abundant warmth in my heart
and I want to hold you here in my arms.
To give you sweet kisses and show you your worth,
to tell you you're beautiful and I love you so much.

There is infinite loving warmth for you
in my very soul and heart.
It will never run out no matter what
so please don't push me away
because I want to give it to you in total and full.
I want to shower you with all of my loving warmth.

A Beautiful Dream 3

Oh my sweet dear I've just risen now
from a long nap and a beautiful dream.
Right away I needed to say I love you
and at my best describe the scene.
Oh my sweet lady what a beautiful dream
and to see you in anyway makes my heart sing.
I love you so much my sweet Angel Queen.

It was as if we were back in school
which is strange because we were
todays current age all grown up and everything.
I looked down the hall and as always
you were chatting with someone
being your bright self lighting up somebody's day.
I felt nervous indeed but could not
go anywhere without seeing you
to talk and hug you and see where things went.
So I gathered my courage and sauntered your way.

As I got close I slowed just a bit
so as not to be rude and totally interrupt.
Just as I got beside you you noticed
my presence and as you looked up
I said hello my best friend Kira,
I have so dearly missed you.
With a blank stare of amazement
you stood for a minute and then smiled at me
without anger or hurting but just so happy.
We gave our special smiles that said I love you
and just hugged each other for the longest while.
Such a beautiful dream my lady supreme.

From there we walked hand in hand and talked
all over going wherever our feet took us
not caring because we were with each other.
Such a beautiful dream my sweet lady
who means everything to me.
A reality I hope will soon be
because I love you more with each passing day,

I want you more than anything else
and to spend eternity in each others arms.

You are all my most beautiful dreams
sweet Kira so beautiful and supreme.
You are the greatest and make me feel
excited and happy in so many ways.
My heart melts for you
and I so deeply cherish and adore you.
You are a beautiful dream Kira my Queen.
I love you immensely and wish for your hand
so please hear my hearts call and know I'm for real.
Please talk to me sweetie I need you so bad.

Michael P. McParland

Morning Note 117

Good morning sweet dear
and a big smile just for you
to start this day
with millions of
kisses and hugs on their way
to you every single hour today,
I want you to be showered
in all the never ending
love and admiration I have for you.
The smiles I have for you
are genuine from my
heart and soul because
your loving beauty puts them there.
You are the Angel who
lights up my heart
and helps get me
through the dark times.
I love you Kira
my sweet Angel dove.

Have a great day
my magnificent woman
so beautiful and good.
Feel the suns warmth
and let it fill you with
all of the abundance of my caring love.
I will be with you
holding your hand
giving sweet kisses the entire day.
Pulling you in to hug you
and say Kira I love you,
I truly thank God
for you are a blessing.
You are so beautiful
throughout your whole being.
A wonderful Angel
and my Queen so wonderful.
I love you my darling
and am always with you.

With a smile and kiss
for you I say good morning
and that I truly love you
and want to be with you forever.
Soon I pray we'll spend
part of each morning in bed
snuggling together sharing our warmth.
I know that's what I forever want,
you are everything my heart desires,
you are a beautiful woman
I cherish and admire
so remember and feel these things
as you go through your day
so you will feel all my love
and remember you're not alone.
I love you Kira and will
always be your man
standing tall by your side.

Michael P. McParland

A Sweet Kiss

On this restless night my sweet dear
between periods of light sleep
I send to you a sweet kiss of pure love
straight from my heart to yours.
A sweet kiss to tell you
that you mean so very much
and I love you tons.

On this night of longing for you my Angel Queen
I reach out my hand to take yours
and tightly pull you in
to give you a sweet kiss and tell you this.
I know you may still be hurt and angry
but believe me I am so very sorry
I truly love you and want to make you happy.
I love you sweet Kira and my heart
calls out to you in its want for giving,
you truly are all of my pure and clean desiring.
So a sweet kiss to you my sweet one
and feel my arms around you.
I love you so much and need to know if you are alright.

Michael P. McParland

Goodnight My Darling Kira 2

Goodnight my darling Kira it's been a long day
and I'm ready to end it by going to bed.
My heart is hurting tonight so I want
to just lay down under my fans and cover my eyes.
Listen to some soothing music and dream
of my sweet Angel bride.
Of holding you and giving sweet kisses,
just hearing you say you love me.
Then fall asleep so I can see you
in my dreams and say I love you to.
Goodnight my dear darling Kira
I truly do so deeply love and miss you.

Goodnight my sweet Kira I'll be holding
you ever so tight in spirit tonight,
holding your hand and rubbing your back
while I reassure you so sweetly
softly speaking that I want and need you so badly
and that I would give anything to be with you.
I would give my best and everything to you
because you are my Queen whom I deeply admire,
adore, and am enamored by in every way.
Feel my arms around you and my lips upon yours,
sweet kisses and hugs to you always sweet one
with all of my warmth and love.

I'll see you tonight my dear one of light in the land of dreams
where we can just lay among the moon and the stars
holding each other so very close
getting lost in the powers surrounding us.
The pull of the moon and the shooting stars,
feeling the pure and wonderful intoxication
of the love that we hold.
Feel the strengthening of our bond
as we hold each other kissing
lying among the moon and the stars.

Goodnight my darling Kira my heart goes out to you,
feel all of the love that it holds

and showers onto you.
You are my Angel and only true love,
you are the one I always yearn for.
I long to share everything I am with you,
I only want to give all of that to you.
I love you sweet Kira my heart belongs to you,
you are my essence and keeper of my very soul.
So please come and join me while we go to bed,
we'll snuggle and kiss for awhile
before you finally rest your head upon my chest
and once again I say goodnight my dear darling Kira
I love you so much and it's with you
I want to spend all of my life both this and the next.
You are an Angel and truly the best.

Michael P. McParland

Prayer Of Eternal Thanks

Dear God I again come before you here
to give a prayer of thanks
and again to ask of your eternal loving help.
All these things I bring
in humble thanks and with pure intent.
Dear God I come before you now
not just for me but my only one,
she truly is wonderful and I love her very much.

Dear God I thank you first
for having brought Kira into my life.
To have known her and felt such love
is a gift from you and a gift from her.
I thank you God for a blessing oh so pure
and an Angel who's graced my life and heart
in so many ways with light.
Dear God please help her know
that I am thankful for all she does and who she is.
Thank you God for a soul so wonderful.

Dear God again I ask that you
help her to know she's not alone
and that I am here to take her hand
whenever she may want or need.
Help her heart to feel reassured and calm
that I would not rebuke her or push away
the one I dream of each night and day.
Dear God help her know I will be her knight
to protect and defend her everyday.
Bless her to know that my hand is there to take
and I'll hold her close through every storm.
Help her to know that I'm here through good and bad
and that I'll not abandon her ever in any way.

Dear God please just help her to have peace at heart
and feel the loving strength I send.
Help her to know she's so deeply loved
and I will forever give her all I have
along with my very best.

Bless her that she'll feel my loving arms
wrapped so tight around in pure comfort.
Please soothe her heart so she will
find some rest and feel refreshed.
Please help her soul feel mine there
as my heart calls and sings to her my undying love and care.
Help her to see my loving looks and smile
as she closes her precious eyes to feel me closer.

Dear God please just be with her
and help her to feel happy
lifting all her worst burdens.
I will carry all of them to see her
completely healthy, happy, without pain
and able to do everything she's dreamed.
Dear God please help clear her path
for though she is a strong and righteous fighter
she's fought so much and made it through
she deserves her reward by being free
from all the things she deals with everyday.
Please dear God take her afflictions away
and pass them onto me so she can be free.
I love her so and would do anything
to make her burdens go away.

Dear God at last I ask thee
to truly know and feel within her heart and soul
all the love I hold and the depths to which it goes.
Help her to know that I have never lied to her
and never helped anyone or anything
work against her for some messed up thing.
Bless her heart to know that I would give my life for her
and am in deep remorse for my wrongs in the fights we've had.
Bless her soul to know that what I feel
is truly clean and pure and I only want the best for her.
Dear God please let her know that I believe
that she is truly wonderful and an Angel I adore,
please help her to know eternity is what I want with her.
She is a special gift and one I can't give thanks for enough.
I thank you God and I thank her
please bless that woman with all the best and to always know
that I am here and I truly love her best.

Amen.

ILYF and ever KP

Beautiful Kira 2

Beautiful Kira my sweet dear
how I long to hold you near.
I want to know if you're okay
and if you're smiling for me.
I worry over you so much
because I know how much you hurt.
I think about you almost all the time
because I love you with all my soul and heart.

Beautiful Kira I so miss your lovely face,
I remember your shining smile
and how when we would feel that connection
randomly we would look up and see each other
and say I love you dear with the biggest grins.
We truly didn't know it then for we were young
but those smiles were a symbol of our love.
Wide open telling everything
for the shy words we kept in.
Oh my beautiful Kira I want to have you here.

Beautiful Kira you truly are my brightest hopes and dreams
and I pray each day and night I'll hear from you so soon.
To see your words, to hear your voice,
to feel the warmth of all your love.
I can feel it surround me now but I long
to have your words and soon be with you near.
I want you in my arms my love
I want beautiful Kira here to kiss.

Beautiful Kira I adore you dear
and worry over you.
You have told me at times before
not to worry over you.
I love you though sweet one and will be concerned,
I want to know you're doing well
and feel all my warmth and love.
You are so very beautiful and my only love,
Kira you are so sweet and a precious jewel
and without you in my life I feel so very lost.

Kira you are beautiful and the holder of my heart,
Kira you are beautiful and truly my only one.

Michael P. McParland

Holding You Ever So Tight

in heart and spirit the rest of today
and all through this night.

I want you to know I am ever present.
That you matter immensely and mean everything,
I'm holding you ever so tight
to reassure and comfort my Angel of light.

I'll be holding you ever so tight
so dry your tears sweet one
and feel the strength that I send you in your heart.
You're not alone and I love you so much,
feel peace in your soul as I take ahold.
Feel this sweet kiss I place upon your forehead
and relax knowing I'll always be holding you.

I'm always holding you my dear one
ever so tight because it feels so right.
I can't wait to have my arms about you in person,
to just cry my eyes out in true pride and joy
from having my Angel tight in my arms.
To tell you I love you as I look in your eyes.
To once again see my true beauty before me
and tell you that you truly are so beautiful.
I'll be holding you ever so tight

Sweet One 8

Sweet one it's so lonely here without you,
I long to talk to you and hear
how your day is going and how you are.
I miss hearing all your feelings and thoughts
so I could know just how you are.
To sit and smile just because
I was talking to you and that felt good.
Sweet one I so miss you because you're so cool and good,
I love you tons my precious one.

Sweet one I miss the way you always
asked me how I was and truly cared to know.
I know you still care and always will
because your heart is so big and full of love.
I'll always care about you too,
I just miss the talks and directly telling
you just what I think and how I feel.
You are so supreme and that's for real,
I miss you babe you are truly sweet
and the only one I want and need.

Sweet one my heart holds such true love for you
and I pray you will always know that is true,
I pray so soon to look at you and say
I love you Kira and want to be with you.
To hold you close and just stroke your hair,
to just take in the act that you are there
and feel all the precious love we share.
Sweet one you are such a jewel and I deeply cherish you.

Darling my one true love please have faith
in me and all I hold.
I truly love you and would give my life
to you in full as any man would for the one he loved.
I will always stand by your side
fighting for and defending my Angel bride.
I love you so and adore you deeply in every way

to be your man and hold you hand in hand for all time.

I love you dear you're everything and all I want.

Michael P. McParland

A Lazy Saturday

A lazy Saturday with my only lady
would be such a treat to have every weekend.
Even on busy ones the evenings
could be lazy as we sit relaxing and unwinding
in each others arms talking and laughing.
A lazy Saturday is the thing dreams are made of.

I dream of a lazy Saturday with you today
to just sit and watch videos with you in my arms,
be entertained while learning things
or debating on what we think about them.
Laughing at the absurd and relaxing in full.
I want endless lazy Saturdays
with you my sweet dear.

A lazy Saturday with afternoon naps
be they long or light drifting with your head on my chest,
I'll just hold you so close while I stroke your hair
and lightly talk giving you reassurance
of my endless love and that I'll always be there.
Give you sweet comfort and warmth through all of my love.
What could be better than a lazy Saturday with you?
Not a thing my sweet love because I'd be with you.

So many lazy Saturdays I pray in our future so soon,
sooner rather than later I want you in my arms.
To just feel contented and peaceful feeling whole
I want to have you forever right by my side.
Lazy Saturday always being our treat we will reserve them
for just you and me.
Maybe having a plan or just finding something to do
I want to spend every Saturday with you.
Hand in hand through our time expressing our love
I want everyday to be with you because I love you so much.

Michael P. McParland

To Share

There's so much to share
both in the short and long term
and I so want to experience it
and share it all with you my dear.
The smiles and the joys that will come,
any tears there may be I want
for us to be there and dry each others eyes.
There's so much in life to share
and I want to share it all with you.

In just a few short weeks
Ohio State begins the season once again
and I want to experience the joys with you
as we fight to win it all again.
To celebrate the joys as we
undoubtedly repeat as champs again.
I want to sit with you and have the fun
of watching my favorite team with my favorite girl.
I want to share this special thing with my special one.

It will be your birthday in a few short months
and I want to be with you to celebrate.
To give you gifts and cook you a birthday meal,
to hold you close and rub your back.
To write a birthday poem of thanks and love
just for you to show you how much you mean.
I want to be there to serve my Queen
on her special day because you are my everything.
I want so much to share with you
that great time because I love you more than anything.

I want to share with you your precious life
and get to know you in every way.
Sit and listen while you tell me about
the dreams you have lived and want to be apart,
all the fears you want and need to be protected from,
all the knowledge that you have,
and all the ideas and thoughts within your heart and head.
I want to share it all with you my sweet Angel dove.

I want to share it all with my only one.

I want to share with you all my dreams and hopes,
all the things I can only trust you with,
the knowledge that I have with the sometimes
strange and wild thoughts within my head.
Share all my fears and what I need protection from,
share with you my need to talk because you listen dear.
I want to share myself with you because
I love you dear and trust you too.
I so long to share it all with you.

Throughout our lives and eternal time
there will be so much to share
and I want to share it with the one who means the most.
I want to share it with my Kira oh so dear,
I want it to matter so it's with you I want to share.
To have you close and show you you mean the most,
to look at you and smile saying I love you.
Share myself and those things that
I can and will only share with you.
There is so very very much in life to share
and through it all I want to share it all with you.

Michael P. McParland

Night Note 103

Sweet love sweet love
how are you my dear?
I'm sorry I was silent so long
I was exhausted from days
of little sleep and not
long after writing you last
yesterday I fell down
into sleep and stayed literally
the entire day.
Never waking or getting up
for a single thing.
I'm so sorry if you were
worried about anything
or hurting in any way.
I love you so much
and don't want you to
ever worry that something
may have happened.
You are my sweet Angel dove.

Sweet love I hope you had
a wonderful day and
felt all the loving warmth
I always send no matter
what I am doing or how I feel.
I love you with all my heart and soul.
I've been up for 45 minutes now
but had a headache and have
been trying to get myself moving.
I'm in physical pain
and need food.
Also there's always
a sadness to deal with when
I rise because you're not here
to hug and kiss
and say I love you Kira my dear.
I send these hugs
and kisses to you right now sweet one
and I will be doing some writing

for you soon when
I have myself more together sweet one.

So sitting here listening
to Falco getting myself moving
and thinking of you smiling
I want to say thank you sweet Kira
in so very many ways
and I love you deeply my dear.
God bless your sweet heart
you are my best friend and soul mate
and I give you my life
because you're great.
I'll write more for you soon my dear
as I come more alive.
I love you so much sweet Kira
and am forever your dedicated
loving man.
I'd do anything for you
and give it all.

Michael P. McParland

Longing And Aching

Lying here in pure silence
catching some small sleep in the dark night
and I long to have you here by me
where I can reach over and pull you in.
I ache so very bad in many ways,
you don't know how badly I need you my dear.
Not just for me but for you,
I ache profoundly to lay here tonight
in silence and hold you listening
to you breathe peacefully as you sleep.
Your head right by me or on my chest.
I long and ache badly for you my sweet one
so full of kindness and class.

I am not perfect and I know my writing
is not always as good as I want it to be
but I truly try so hard and give you best
as I do in everything I'm doing for you.
I'm so sorry for where I fall short,
I want to be perfect for you.
I long and ache to make you the happiest
woman as is possible.
I ache to be able to hold you
then have you lay down on your tummy
so I can rub your hurting back gently to give you comfort.
I just ache to have my sweet lady
and there's no way on here
I would reveal all my needs and reasons.
I truly just want to be with my Kira
to hide my face in your shoulder and cry for a while.

I long and ache simply because I love you so deep.
I want you to share everything with me,
I want to know you in everything that there is
because I love you and want to be with you.
You're the only one I trust to share
all those things I'm dying to give.
I only trust you to listen in actual interest
and not look at me funny and laugh.

I long and ache for my sweet lady
and right now you can't know how badly I need you.
Right now lying in bed I need nothing more
than to be able to reach over and pull you in closely
saying I love you Kira and I want you to be with me forever.
I long and ache for my true love who accepts me.

I truly ache for the presence of my Angel Queen
and to give you my everything.
I want you in my arms Kira to hold you so close
in true and pure love from the heart.
I want you to know that you matter.
I just want you here with me to build
a life together and maybe a family.
I'm longing and aching for you
because I love you so much
and just want to make you happy and
please you in all that I do.
You mean more to me than anyone can truly know.
You are sweet Kira and you are a great gift from God.

Michael P. McParland

Sweet Goodnight Kisses

Sweet goodnight kisses to you my Queen Kira.
Will you honor me by crawling into bed
to snuggle together and share sweet kisses
so deep and passionate from the love in our souls.
I want to cuddle with you
and gaze into your loving soft eyes.
Just to be with you is the way I would want to end the night.
Being with beautiful Kira kissing
you so tenderly as we drifted off to sleep.
Goodnight my precious one and I send
these kisses and hugs to you.

I'll be holding you in spirit through the whole night
so know I am with you to protect and take care
so no matter what you'll always feel safe.
I want to hold you close while you rest your head
on my chest to give us both comfort and peace.
We will be so warm and cozy together
just like we were in your beautiful dream.
Smiling and knowing everything is okay
because this is the beginning of our eternal journey.
Feel that in spirit sweet Kira
because I am there with you and will never
give up on this dream and leave you.
You are everything to me and I love you
to deeply to break both our hearts so very coldly.
So snuggle up tight in my loving warmth.

Goodnight and sweet kisses to you my Angel bride
take comfort in the prayers and strength that I send,
God bless your precious heart my best friend.
I truly am the luckiest man to
have the love of the woman he most adores
and his truly awesome best friend.
A dream come true if one ever did,
to complete it all I want to marry you and have a family.
Dream of these things as you lay in bed
and in spirit I hold you giving sweet kisses
Oh my dear Angel I so long to hold you

so I bid you goodnight with endless sweet kisses
so I can close my eyes and snuggle with you.
Kira I love you you're a treasure I've so deeply needed and cherish.

Michael P. McParland

Beautiful In Every Way

How could you ever think you aren't beautiful
my kind and precious dear?
I just looked upon your picture
in true need to see your glowing smile
and immediately there are butterflies in my stomach.
You are so beautiful and truly gorgeous as I fully see it.
You are a true woman with God given gifted natural beauty.

How can you look in the mirror or
in my eyes and see how I look at you
and think you are not beautiful?
You are so adorable and my heart melts for you.
I just want to hold and kiss you
for a million reasons and your being beautiful
is just one of those reasons I love you.
Your beauty stretches far and wide in many ways.

You have the most gorgeous eyes and smile
that take my breath away and my heart skips a beat.
The cutest face with lips and cheeks I want to kiss,
and your body is so very beautiful
I would have to be blind not to notice
and that's only part of your beauty
and I truly love it.

You're so intelligent and you are a thinker too,
I love a woman that has brains and thinks for herself.
That is so sexy and you are truly bright
and we have such deep and great conversations.
Your heart and soul are truly deep and kind
and like me from being hurt you've had to put up walls
but I've seen behind them many times
and what I've seen is Angelic beauty that takes my breath away.
You are so beautiful in every way
and those who say you aren't are jealous
of the wonderful gorgeous woman I see in you.

How could you ever think that you
aren't beautiful and just as good as all the rest?

How could you look in the mirror and think
you're not a gorgeous woman who shines so bright
and gives this man weak knees and short of breath?
You are so beautiful and I love you dear.
You are beautiful in so many ways
I can't even begin to count them all out.
What you hold inside is beyond description
and physically you are a beauty unlike anybody else.
Kira you are beautiful and I love you so very much.

Love Note 267

Sitting here with my music
and worried that you're mad at me.
You know silly me
can be very jumpy,
other times though I get
those telling feelings.
So I just wanted you to know
that I love you deeply
and care for you so very much.
My heart calls out
to give a tender touch
and apologize if
I did upset you in any way.
I want you to be happy
my sweet Angel Queen
and I take your hands
to pull you in for a tight squeeze.
I'm here for you
and want you to know
I'm only yours.
I love you Kira
and I'd give anything to have you here.

Michael P. McParland

Starving

I crave the pure love I know you hold,
it quenches the starving that built in my soul
from all the years of rejection by others.
The separation forced on us when we were young
I was left starving for true acceptance and true love
and knew you were the only true holder of those things.
In all the time we could not find each other
for your love I was so deeply starving
and never for a minute did I not crave
the precious love you hold and give.
I crave your love to this very day because
you are truly an Angel from up above.
You can finally stop this starving that hurts so much
and make me feel like a human being and good man,
and I will always give you my everything
so you'll never stop feeling like the Queen you are.
I'll work to stop your starving as well
because we will heal each others broken hearts from true love.
So please dear one let's cure this starving hurt
and finally quench our thirst to heal
in the true love we crave given to each other
by our precious bond and trust that builds stronger everyday.
I want us both to stop this starving feeling
and know true fulfillment in the love we both share
and deeply need.
I love you dear and it's only you that
can cure this starving need for love within my heart and soul.
You truly are my only one.

Michael P. McParland

Feeling You So Deep

I can feel you so strong right here with me
and in my deep tiredness and exhaustion
it helps calm me down and give me peace.
I can smell you skin and hair
and it gives me a soothing rush.
You almost feel close enough to touch.
I'm feeling you so deep and I wish
that I could reach out to caress your soft cheek
then push back your hair to gaze upon
my Angels beautiful eyes and face
the say I love you Kira and plant a kiss.

I can feel you near and your arms around me in spirit,
I pray so soon I'll be wrapped in them in person.
To share a sweet touch with you kissing,
snuggling, being intimate with my only one.
If you only knew the things you do to me
in the best and magical ways from the simple
to the very deep in many ways.
I can feel you near and a weary smile
has adorned itself across my face.
A weary smile from being tired
but content in every way knowing you're by my side.

I can feel you near and it's the
most peaceful I have felt in a long time.
I can feel your love radiate and warm me up,
it gives me a joy I can't describe
and I'm so thankful to you my dear.
I send sweet kisses to give you thanks
and all the precious love I hold for you.
I can't wait to be in your arms for real
and kiss you over and over thanking you
for all you do and what you mean to me.

I can feel you dear and I pray you feel me too,
our bond I know is as strong as ever.
It is there because what we have is real,
I so deeply love you and can feel you near.

It makes me tingle in so many ways
and filled with lights of joy.
You are a miracle to me and I thank God for who you are,
a beautiful woman who I so deeply cherish.
A diamond in the rough and blessing
I will always be thankful for.

I can feel you near and so very deep
and I hope you know how much your love means to me.
It's worth more than any riches on this earth,
not a thing could take my love away for my Angel Queen.
I adore you deeply and want you here
within my loving arms because from the power
I feel right now I know that true
fulfillment and joy is just ahead.

Michael P. McParland

Tenderness 2

I've said it before but I want to say it again
that every thought and feeling I hold for you
is deep tenderness and love so pure.
I just want to hold and touch you
in pure love and respect for the beautiful
Angel that I know you are.
Deep within my heart and soul
to my very core it's only tenderness I hold for you.

I deeply ache without you here to hold,
I ache so bad to have your words.
The conversations that we had
and the special bond we deeply share.
I miss you deeply my sweet precious dear,
I hold such tenderness for your
beautiful, bright, and kind loving soul and heart.
I long to give you myself in whole
and share myself in closeness
which I can never do with another soul.
I hold such tender devoted love for only you.

I truly ache and long for you
because I miss your tender loving care.
I want to show you that you are loved,
I want to help heal your broken heart.
I want to be everything you want and need.
I want to be there for you no matter
what you may need both bad or good.
I want to hold your hand as we walk side by side
showing all the tender loving care I hold inside.

I am not perfect but for you I'll always fight,
giving tender kisses both day and night.
Gently yet firmly hold you close for comfort and peace,
I want to show my tender love in every look,
in every touch, in every action and every word
because I love you Kira and my heart and soul
hold such tenderness for you.

A Beautiful Afternoon

A beautiful summer afternoon in Minnesota today,
one to go out for a walk and sit down on the grass.
A day to take in natures beauty and feel at peace,
a beautiful day and yet I'm partly empty
because you're not here to enjoy it all with me.
A beautiful afternoon that lacks full beauty
because you're not here to share it with.

A beautiful afternoon I wish I could
take you for a walk then sit under a tree
while I held you tight and close to me
as we just talked about everything under the sun.
A beautiful afternoon that could be
so much more if you were here to kiss and smile
giving my whole world light like you always have.

A beautiful afternoon I so wish I could share with you,
in any way there is it wouldn't matter
because I would be with you and have peace within me at last.
Just one to sit and hold you close
and be comforted by you being here.
A beautiful afternoon I so truly long to share with you,
to just hold your hand and gaze in your eyes.
Say I love you Kira you are the Angel I desire,
I crave your love and need you fully
because I want to alway make you happy.

A beautiful afternoon I wish I could share
with beautiful precious you.
Just know that you'll be there for life
and know our bond strengthens everyday.
A beautiful afternoon with the only one
I'll truly ever need and want.
To give myself and share my life,
a beautiful afternoon I'd give anything to share with you.
You are my Angel, you are my light,
you are my best friend and true love for all time.

Michael P. McParland

Morning Note 116

A sweet and bright
good morning sweet love
I have a busy morning
not far ahead.
A trip to the doctors
for my wonky head
and running about just a bit.
I wish I could
spend these few hours
in bed holding you near.
Just have you by me
and stroke your long hair.
Speak to you softly
about this and that.
Just a good while
with my Angel dear.
To have you so close
know you're okay.

I'll be thinking of you
and sending my heart.
Feel it through the
warmth of the sun as it delivers my love.
Feel my arms around you
as I take your hand
and in your ear softly whisper
Kira I love you.
I can't imagine life
without you right by me.
You are a treasure and diamond
and I cherish you
because you are kind and compassionate.
You have the heart
and the soul of an Angel straight through.
You are so good and I admire you.

Have a great day
my lady so fair
and I will be here

if you want and need.
I'll never leave or abandon you,
I love you too much
and I don't want to ever hurt you.
So close your sweet eyes
and see my smile of love
coupled with the adoring looks
I only gave you.
You are so special
in my heart and soul,
I love you sweet darling
and thank God for the gift of you.

Michael P. McParland

A Hug Of Pure Love

A massive hug of pure love to you
for who you are because that's
just why I love and want you because you're you,
you're a wonderful lady I adore
and want to look upon and declare my love.
To kiss you deep and feel
the electricity flow between us deep.

A hug and kiss of pure love to you
sweet one so very good in heart and soul.
I truly cherish you in every way
and hope soon to show you how I feel in full.
I love you so very much and want to have your hand.
A hug and kiss to you of pure love
so you'll feel secure and know I care.

Night Time Dreams

Night time dreams of total bliss with you,
all the things I long and hope for us to do.
Go for a walk out in the sun while holding hands,
then find a quiet spot within the grass
to sit and talk while in each others arms.
A day spent with you in beauty's charm.
A day with my only love to discover
what's around us and inside.

Night time dreams of seeing you
and knowing you'll be forever near.
Giving a full new hope and light to my life
and hoping I've provided that as well.
Knowing now there is a point to live,
to stay clean and show my heart.
Night time dreams of you and me
where my Angel sits beside me every day.
Night time dreams where I look at you
and say I love you Kira and I'm glad you're here to stay.
I wouldn't have it any other way.

Night time dreams of what can be reality
sharing all we have and all we are.
Working through the things that tore us apart,
grabbing on to our special bond that's seen us through
and feel the love that's never stopped
and we still feel right now.
Night time dreams of holding you
and saying I'm sorry for how I mistreated you in angers words.
Night time dreams to look in your eyes
and show my loving truth.

Night time dreams of me and you
the only woman I truly want and need,
the knowledge in my soul and heart
that you're the one who I'm meant for.
I dream of truth because it's what I know
and what I feel.
Night time dreams of me and you

because you are the one and each day
I love you more and more.

Michael P. McParland

Evening Note 65

A quiet evening
I wish I was spending with you.
I'm not doing much
and would love to talk
and laugh with sweet you.
I have just a few plans
and chores to do.
I would give anything
to spend this evening with you.
Sit arm in arms
watching videos and rest,
sit and read a bit while
we sat quietly on the couch.
Just to be with my lady
would be the very best.

Evenings with you
winding down from the day
where I could hold you
and kiss you are the sweetest of dreams.
I pray that so soon they
will be real so we will be happy.
I love you sweet Kira
and am dreaming of you
on this quiet evening.

Michael P. McParland

You're a diamond in the rough
a truly good jewel.

Beautiful woman I want to hold you forever
because you are so good.
I love you more than anyone will ever know.
You are the Angel who rescued my heart,
I waited so long to show you my love.
I want to help give you the best life there is
forgetting all the people that so deeply hurt you.

Beautiful woman I love you so much,
with all of my heart and soul I give you myself.
I want you to be happy and fully fulfilled
because you deserve happiness and treatment so good.
You are my Queen I so adore and the Angel
I'd give my entire life for.
I love you Kira you're so beautiful and clean.
How could I not want to spend eternity with thee?

Sweet One 7

Sweet one I think of you every night I go to bed
and it's you I think of every time I rise from sleep.
My first feeling is how I long to give you a kiss
and pull you in for a hug so tight and close.
I love you babe and want to forever have you in my life,
you are the one who holds my heart and I love you so very much.

Sweet one it is you that's in my dreams.
You chase away the nightmares that you know have always haunted me.
You make my dreams so bold and bright
giving everything such beautiful celestial light.
Sweet one that is also what you do within my lonely life,
like my family you truly care and show me love,
something never truly done by other ones.
I love you lady you are so good and my life is yours.

Night Note 101

Sitting here tonight
all alone and wondering
as always how you are.
Worrying that you're okay
and not in tears full of fears.
I love you dear and
I am here for you
whenever you may need.
I miss your voice,
I miss your face,
I miss your words.
I sit here and dream
of holding you
while I watch videos
and read my books.
I hope you're well
my sweet Angel dove.

Just sitting here and
dreaming of having you
within my loving arms.
I'm ever sending all
my loving care and warmth to you.
Feel the peace of all
my deep kisses and endless hugs
remember I'm right there
with you my only one.
I pray you feel my hand in yours
and may God bless your heart
my precious one.
I love you deeply and
I'll never leave you sweet one
of my greatest dreams.
So soon I pray my dear
you be spending every night with me.

Michael P. McParland

Late Night Snuggle

A late night snuggle with you
would be so very good right now.
I'm cooking a snack that we could share
while we now watched a movie.
Then you could just rest your head on my shoulder
while we sat on the couch and got lost in the story.
A late night snuggle with you
would be good medicine for our longing souls.

I so truly ache to have you in my arms,
to have you close sharing my love
and feeling yours so very close as we snuggled through the night.
I feel your love all around
and it feels so very good my only one,
I just long so very much to have you here
to snuggle and feel you right next to me.
You have the key to my aching needing heart.

How I long for and dream of a late night snuggle with you,
to just have you lay down and rub your back.
Help you release all that built up stress,
to give you pure comfort in my giving love.
I want you to forever be here in my arms.
I love you Kira and want to snuggle with you.

Michael P. McParland

My Hand In Yours Forevermore

I reach out to take your hand
so you'll know I'm there,
my hand is ever within yours
to give you all my love,
to help you feel safe and warm.
I'll always take your hand
because I am your forever man.
I'll always stand for yo to fight and defend.

My hand is in yours my love
because I truly care.
I pull you in for a great big kiss and hug.
I'll be holding you with my hand in yours,
I'll be holding it to support my only love.
Feel me there and all my love surround
as I give my all.
My hand in yours to give you peace my sweet Angel dove.

My hand is in yours right now
and will be through the night,
give it a loving squeeze to help each other
in our longing loving need.
I will hold you close and softly whisper in your ear.
I love you Kira and I'm always here
my hand will be in yours no matter what the time.

Night Time Kisses 3

Night time kisses to you my sweet dear.
I'm still very tired and need a small rest
I want to hold you so tight and kiss you
passionately while we gently drift.
I love you sweet lady and send deep
night time kisses your way to feel true loving peace.

Sweet night time kisses to Kira my love
I want you here to lightly rest in my arms.
I still feel so tired tonight and want you here
to lay down next too and feel your peace.
I miss you so deeply and need your touch,
my spirit and body long to be in your arms.
Sweet night time kisses to my only love
I wish you were here to kiss and hold.

I wish you were here my dear one for a light rest
because I just want to be with you having you close.
There is not another no matter how life goes,
I love only you in the deep ways a man does.
I love you sweet lady and send kisses your way,
feel my arms about you as I lay down for right now.

Michael P. McParland

Spend Time With You

I'm so very tired and miss you my dear so true,
I want to sit down on the couch
and rest my head in your lap.
Spend time with you and have you near
to be with the one I need.
I want to spend time with you
and give fully of myself.

I want to spend time with you
and hear your heavenly voice.
Just relax by holding you
while we read and watch TV,
listen to music we both love
while we lay back and feel at peace.
I just want to spend time with you
because you're the Angel I love and miss.

I want to see and hear your words
and smile because they're the best.
I want to give you my shoulder and chest
on which to rest when you are tired and want away from the world.
I just want to spend time with the woman who's very best,
I just want to be with you because to you I can release.
I just want to spend time with you
because for you I hold true love in my heart.
I just want to be with you because you are
the one who understands and together we can escape the world.

Michael P. McParland

Evening In Each Others Arms

How I'd love to spend this very evening
cooking dinner for you after a trip
to the store to pick up everything you want.
Then after enjoying this special meal for you
sit down together and hold each other
in perfect calm and being at one.
Just taking in the loving peace that
would surround us in this place.
An evening in each others arms
is something we both deserve.

I just want to be able to please you
in every way and every thing I do
each and every day.
Make you happy and make you smile
while you feel fulfilled and proud.
Then be able to sit with you at night
wrapping up in each others arms and say I love you dear.
Let's forever be happy and stay this way,
you're a miracle sweet lady and Angel pure,
I only want to be in your arms forevermore.

So many evening I just want to be with you
and give you everything you want and need.
I have so much love I want to give to you.
Every night to cook you dinner and have your help
as we clean up and shut things down in the house.
Then just sit and snuggle while we decide what we want to do,
I just want to be with you
because I love you dear and want to give myself
to my only one if full because you are my Queen.

Michael P. McParland

I Want And Need You Everyday

Sweet one I want to see you everyday when I rise,
I want and need to hug and kiss you to start our day.
To look into your Angelic eyes and see you smile,
I just want and need to see my true love everyday.
I want to be with you so I can be in heaven
when I look to you and say Kira you are beautiful,
life without you has been so hard and blue.
I truly love you through and through.

I truly want and need to be with you
everyday that I am upon this very earth.
Then hold you close when we enter eternal life.
I want to have you by my side through
all precious space and time.
I want and need to be with my Queen
whom truly is my everything.

I want and need to be there for you everyday,
to celebrate the joys you want to share,
for you to know you're not alone
and can pour out everything you'll ever need.
I want and need to be there when you cry,
something we all need to do from time to time.
I want to be there so you can bury your face in my chest
and let those things out that really hurt.
I want and need to be there for my dear
because I love you more than anyone can truly know.

I truly want and need you to know I love you so,
just how deep it goes and that I adore you in full.
I want to begin and end every day within
your beautiful, loving, kind, accepting arms
and just have your light to make things good.
I love you dear and want to be as good
and helpful to you too.
I truly want to spend my life with you as my wife
because Kira you are everything I need and want.

Michael P. McParland

Goodnight Sweet One 4

Goodnight sweet one at this late hour,
now let's retire for the night together.
I want to snuggle with my one
and kiss you so very sweetly.
Tonight rest my head next to you
while you rub my face and head.
I need your sweet comfort very much
and as ever will give mine in return
while we listen to one of my play lists on Spotify.
I want to lay side by side with you in comfort sweet one.

Goodnight my sweet one and feel my arms around you,
since not in person yet in spirit so very tight.
Just stroking your hair and rubbing your back.
I'll see you in our divine dreams as well
just to hold you and make you smile
placing sweet kisses on your beautiful face.
I'll see you there tonight,
you are a true guardian and Angel of light.
Kira you're everything I need and want.

Goodnight my sweet one now let's go to bed
and be with each other so very close
feeling and basking in our loving warmth.
Please stroke my face and head as I
rest it right next to you to
smell your beautiful pale skin and long dark hair.
I just need to be close to you.
Goodnight my sweet one I love you
so very true and deep.
I want all eternity to be a journey with you and me
forever hand in hand and in ecstasy.

Michael P. McParland

Quiet Night 3

Sitting alone on this quiet night
thoughts and emotions running rampant.
I miss you so much and hurt for your touch,
I can't sleep right now because my thoughts run and run.
My heart calls to you dear wanting to hold you near,
both that and my mind want so badly to talk to you.
Hear your sweet voice and have intelligent exchange,
here all the interesting and beautiful thoughts that you have.

Just sitting all alone on this quiet night
and I'd give anything to watch some TV with you
before we went to bed.
Then rest and relax in each others arms,
snuggle and kiss for awhile before
you finally rest your head on my chest
and I tightly pull you in to give us both peace,
falling asleep with each other both smiling.
Sitting here lonely on this quiet night,
Kira my darling I want you here in my life.

Sitting here alone on this night
and the storms outside have just begun threatening again.
All the more reason to want you here,
to wrap up with each other and stay soothed the night through.
I need you here because I love you dear,
I want to serve you just as a good man should.
I love you deeply and want to say directly to you.
Kira you're beautiful and I totally love you.

Michael P. McParland

Silently Thinking

Sitting here silently and thinking of you,
wishing you were here so I could
pour out my heart and soul in full.
Just hold you close and see your bright face,
look upon the beauty of the Angel my heart holds in place.
I just wish you were here to hold hands
and hold close as I fix a snack
and spend time with the lady I fully admire and respect.

Just sitting here silently and longing for you
so after our snack we could put on a film
then lay down on the couch and rest together at last.
I would rub your back and stroke your hair,
give you sweet kisses to relax your stress.
Let you feel all my love as I held you near,
just sitting here silently and dreaming of you.

I'm sitting here silently and wondering just how you are,
praying you're not mad at me in some way.
I worry about you and care deeply too.
Do you feel all the loving warmth I send to you?
I love you sweet lady and want you to know
I'm always here.
I hope that you realize I'm always here
and you're not alone.
I love you sweet Kira you're my only one.

Sitting here silently and in spirit I hold you,
feel me so near as I hold you so close.
I'm with you always to watch over you,
Oh my dear Kira I want to be with you forever.
You're the most beautiful woman I've ever known
I wish you were here to spend this night in each others loving arms.

Michael P. McParland

Relaxing With You

I wish I were relaxing with you
on this late Sunday night here.
Reading a book and watching a movie
I would be holding you while you did those with me.
To just look over as you're in my arms,
see your sweet smile and sparkling eyes.
Feeling you near and the warmth of your love.
I long to be relaxing with you on this Sunday night.

To relax with you in my arms
would be true comforting peace having you near,
to be with the woman I so dearly love.
To be fulfilled having my other half with me,
feeling your heart and loving spirit
as we cuddled and kissed while sitting here in comfort.
A relaxing late Sunday night with my Angel of light,
let's make it happen soon my sweet Kira so right.

Relaxing with you here in my arms
is right now the greatest thing I could have.
To look upon you and say I love you sweet dear,
you're the most beautiful woman on earth there is.
I love you so deeply you're a God given gift from heaven,
holding you is a true pleasure and blessing.
Relaxing with you as we do what we do
is the greatest way to unwind and find peace in all things.

Michael P. McParland

Snuggle 30

Come my sweet dear for a late evening snuggle,
it's storming here and the power may go out.
It's flashing both ways and I would love you to be here
to snuggle and cuddle this storm away.
It doesn't scare me but I would love to be with you
no matter what to be able to snuggle and be with you.

Come my sweet lady and share a snuggle,
sharing sweet kisses while we are together.
Share warmth as we ride out this storm,
we'll watch a movie for the time being
and if power goes out we'll rest away holding each other.
Your head on my chest as I deeply comfort you,
come my sweet dear and let's share a snuggle.
I want to be in your arms because I so love you.

Michael P. McParland

Love Note 265

Dreams and tender thoughts
of you fill my heart and head.
A smile crosses my face
as my heart fills with joy
over the love you hold for me
and how truly wonderful you are.
I send sweet kisses and hugs
from my heart and soul to you.
I'm holding you and by your side always
sweet one so beautiful and good.
I'm so deeply in love with you.

Tender thoughts and feelings
of love for you fill my heart,
head, and soul.
You are the greatest my only one
and as I now go about getting
some chores done I'll
be dreaming of you
and holding you so very close.
Of all the things we'll do
when you're here sweet one.
Thinking of you will
help the time pass as
I work around here.
Thank you my love
for all you do for me.
Sweet kisses and hugs to you
now my dear as I get things done,
I truly love you so very much
and want to be with you for all time.

Michael P. McParland

Holding You Tight On Sunday Night

I'll be holding you tight on this Sunday night,
so you'll feel all of my admiring love
and feel comfort and peace knowing I'm there.
I want you to always have peace in your heart
and know you're not alone because you are loved.
I'll be holding you tight giving kisses so sweet.

I'll be holding you tight as I go along
on this Summer Sunday night.
While I am reading and watching movies
I'll hold you so close,
listen closely for my voice as I whisper
Kira I love you you are the best.
There isn't anyone I'd rather be with,
then caress your check with a kiss on you neck,
then pull you in to stroke your hair and rub your back.

I'll be holding you tight so feel the comfort
I give to your precious heart.
I love you deeply and want you here,
I want to hold you tightly every Sunday evening.
You are my everything and my Angel so true,
I'll be holding you tight because I deeply love you.

Michael P. McParland

Sweet Sunday Dream

I had a sweet Sunday dream of you and me,
just a beautiful time together in each others arms.
I love you so much and getting up is hard
when I've had such a sweet Sunday dream
of you and me hand in hand in each others arms.
I want to be with my love right now
so I can give a smile and kisses from my heart and soul.
I love you sweet Kira you are my one.

In my sweet dream we didn't meet anywhere
you were just here and that was so good.
We just spent such beautiful time,
being with you is all I want.
A sweet Sunday dream with Kira my Queen.
What could be better?
Just being with her for real.
I love that sweet woman because she is my best friend.

A sweet Sunday dream of sweet Kira and me,
I long so much for that reality.
I know it will come and I hope so soon,
the sweetest of dreams as I hold her close.
Through today I'll be reveling
in this sweet Sunday dream.
My dear Kira feel all the loving warmth that I send.

Michael P. McParland

A Prayer For My One

Dear God I come to thee
to offer up a prayer for my one,
the Angel I hold so dear
and love to no end.
To give her peace of mind
and peace at heart.
So she'll know she's deeply loved
and cared for in every way.

I ask thee God to help her know
her true and total worth.
Help her to see as I do
just how beautiful she truly is,
help her to see the magnificent woman
I know and see is there in full.
Help her to forget what those
who have abused, used, and mistreated her
have done and said to bring her down.
Help her to see the gorgeous Queen she is.

Please dear God continue to help
her know that she is not alone,
that I am here when and if she needs,
that I am with her in spirit every day,
that I won't hurt and abandon her
because she means so much to me
and to see and know she's hurt tears my heart out.
Please help her to know just
how deep and immense my love for her is.
Help her to know my heart overflows
with tender compassionate love just for her.

Dear God I ask so deeply for you
to help her know how sorry I am
for the things I did wrong,
help her to know I'm filled with remorse
from things said during our fights
and that they haunt me every day.
Please help her to know how sorry I am

and want the chance to look her in the eyes
and sincerely apologize from my very core.
Help her to see just how horrible I feel
for hurting my special lady oh so fair.
Please help her to know I regret those things
and love her deeply in every way.

Dear God I ask so deeply
that you let the sun shine upon
her every single day and take away
her many oppressive aches and pains.
She does not deserve to suffer with these things,
she deserves perfect health to fully
enjoy this life because she's the best.
I will take on her maladies happily
to see her smile and be pain free
being able to move around as she pleases
not feeling like a million needles
are being jammed within her body.
Bless her to be free from these things
and feel no more oppressive pain ever again.
She deserves the best more than anyone else there is.

Dear God please help her to be assured
of both of our undying love for her,
continue to help her know my love for her
and that I always think about and worry over her.
That she holds my heart and I am hers,
continue to help her know her abundant worth.
Please dear God help us to come together soon
because we both so long to be with each other
celebrating our sacred bond and true love
healing our broken aching hearts.
Help us because we know it's true
and we want fulfillment in each others arms.
Please bless us to come together so very soon,
above all else though please bless her
to know she's truly loved and cared for in every way
to give her comfort and peace knowing
I'm always by her side and I'll never
leave her abandoned in the cold
because I love her with all my heart,

mind, body and soul to no end.

Michael P. McParland

and fill you with love to give you comfort.
Bedtime kisses to you now let's get some sleep.

We'll put on some music or an audiobook,
just drift away together feeling complete and total.
Bedtime kisses to you my Queen Angel.

Goodnight my sweet Queen and sleep well.

I'll be holding you tight as you
rest your head comfortably upon my chest,
I'll be stroking your hair and back
softly speaking to give you peace.

and softly tell you you're my Angel of light.
That I love you deeply and you're all I want,
I'll just hold you so close giving some kisses
while I softly talk and you drift off.

I'll see you tonight in dreams of light
just us spending time wherever we might.
Talking, walking, and holding hands,
lying down or sitting while we hold each other.
It doesn't matter as long as I'll be with you,
spending time holding you and hearing your voice,
looking in your eyes and seeing you smile.
Tonight my sweet love in our precious dreams.

Goodnight my dear Angel with this passionate kiss,
let's finish our movie then soon go to bed.
To snuggle and giggle while we kiss and just be together
I love you sweet Kira please come so soon
so we can in bliss be together forever.

Saturday Night Snuggle And Kisses

As I get prepared to put on another film
I'll just lie down on the couch
and wish you were here right next to me
to snuggle and give kisses to
while we relaxed and watched the film.
I wish I coul snuggle with you
and just have you near.

A Saturday night snuggle with kisses
before a lazy Sunday with you.
Tonight watching a movie then going to bed.
All the while kissing and snuggling
feeling peace and content.
I just want to have you so very near.
To stroke your back and your hair
while we sit and relax so needed together.

As I put on a movie and lie down on the couch
I'll be dreaming you are with me right here.
To hold and to kiss and be in bliss
as we snuggled away this Saturday night
in true comfort and peace.
I love you sweet lady and pray so soon for this,
a Saturday night snuggle and kiss.

Michael P. McParland

Love Note 264

Sitting here dreaming of you
my sweet love.
I just finished a film
and the whole time wished you were here.
To enjoy the action
and all the fun.
So soon my darling
I pray you'll be here.
To hold as we enjoy
our soft quiet evenings.
So I can hold you so close
and sweetly kiss you.
Just to know that
I am with my Queen Angel.

Dreaming of you my sweet love
as I go further about this night,
always wishing you were
right here to hold.
Soon I'll watch another movie,
one I think you would like
and in spirit hold you
so close and tight.
Feel my sweet kisses
and hand holding yours,
I'm sending you all of my loving warmth.
Feel my arms as I hold you tight,
I love you sweet lady
and will be with you all night.

Michael P. McParland

Saturday Evening Snuggle

It's Saturday evening the perfect time
to wind down and have quiet in each others arms.
Wrap up for a good snuggle on the couch
and watch a good movie while we sit and relax.
Just enjoy the company of each other
and get lost in the films story.
Feel at peace and as one as we
snuggle so tightly and calm in each others arms.

A quiet Saturday evening sharing dinner and a snuggle with you
are everything I long for and want to do.
I love you so much and want you here in my arms,
I lay here right now watching videos
and dreaming of when you'll be here.
To sit and enjoy good information and laughs,
and you can prevent me from being stupid
by watching the scary ones that lately freak me out.
I'll thank you sweetly with a kiss and a smile.
I so wish you were here for a Saturday evening snuggle.

A Saturday evening dinner and snuggle with you.
What could be better sweet one than being with you?
Nothing I say because you are the one
who I gave my heart and to be with forever and more.
You are the Angel my heart calls and sings for.
I love you deeply and can't wait for these snuggles,
to just sit on the couch and escape the whole world
with each other just as we've wanted.

Michael P. McParland

Love Note 263

Good late afternoon my sweet one
and I'm sorry I didn't write more sooner.
Please don't be upset for
I'm never gone.
I'll never leave you
because I love you so much.
I was having a beautiful dream of us.
How could I leave when
I had you close in some way?
How could I leave even when it was a dream?
I was there with you spending time,
holding your hand and feeling divine.
Oh my sweet Kira I wish you were here
just to hold and give a kiss
as I say I love you sweet one.
How could I leave that dream
before you are here?
I could not ask you to leave
such a dream that made you happy.
A dream of us cuddling and kissing,
I know you would glow as well
in the light of that dream.
Please my sweet lady let's soon make it real.
Life without you is so dull and gray,
it hurts to not have you
in my arms everyday.

I'm sorry sweet one
if you were upset or worried.
I never want to make you feel lonely
or worried over something,
it kills me inside if
I know that your feeling jittery.
Rather it be in worry,
sadness, or angry.
I'm sorry if you felt
any of those feelings.
I wish I could hold you
and comfort you deeply.

I love you sweet Kira
my Angel so sweetly.
I just want you to know
I want that dream for reality.
My beautiful Kira
right by me so sweetly.
Talking and laughing
just like we used to.
You truly are a great treasure.
I love you Kira and want to
spend all time just with you.

Michael P. McParland

A Beautiful Dream 2

Just waking from a long sleep
I didn't want to leave
and I feel a bit sad now that I have.
I had a beautiful dream of you and me
and for you to not be here as I wake
makes me feel a little bit sad.
It was a beautiful dream
and we spent such a happy time together.

We found each other in a crowded place
an we both invited each other to lunch
and spend the day knowing it was just
the beginning of it all.
We just spent time side by side
holding hands and feeling happy
as we were together.
A beautiful dream that needs to be,
I love you Kira you're my everything.

A beautiful dream my sweet lady
so pure and clean.
There isn't anything I wouldn't give
to have you right here with me.
I love you so much my Angel Queen
and you are my real life dream.
I'm always with you and I want you here,
it's sad to wake from that dream
and not be able to hold you near.
I love you sweet Kira it was a beautiful dream
and you're my beautiful woman I adore to no end.

A Late Night Kiss

A late night kiss to you
my beautiful Angel so true.
I'm pulling you in
so close and tight
for a kiss and a snuggle so cozy on this night.
Something I look forward to doing
everynight through eternity with you.

A late night kiss and nuzzle
together smiling under the covers
as we relax listening to music or audiobooks.
A late night kiss and cuddle sweet lover
to fill us with peace and feel contentedly safe.
Just rest your head upon my loving chest
and drift off as I stroke your hair and rub your back.
Feel my loving warmth course through you forever and now.

A late night kiss to you my sweet Angel I miss,
I'll always hold you so tight now in spirit
and so soon in person giving my love endlessly to my passionate Angel.
I love you sweet lady and long for your presence,
a late night kiss and a snuggle to you my Queen Angel.
I'll be dreaming of you and your Angelic smile.

Michael P. McParland

Goodnight My Angel Love

Goodnight my dear Angel love
and with a sweet kiss let's go to bed,
snuggle with each other and feel the warmth,
bask in the glow of the bond that we share.
Lay there and kiss in each others arms
and telling each other about all of our love.
Come now sweet dear and let's go to bed,
I want to cuddle with my Angel bride.

Goodnight my Angel love and I miss you so much,
I'll be holding you tight as I stroke your hair
and give you kisses from my very soul and heart.
Listen closely for my voice as I say
Kira I love you you're my cherished sweet one.
I'll never get enough of you my sweet Angel dove,
I'll hold you forever because it feels so right.
I love you my Angel because you are Kira.

I'll see you tonight and kiss you sweetly
within the land of dreams,
I'll hold you so tightly as we lay down
with each other under the summer moon.
Just feel the wonder and glory of
true loves greatest story.
Just you and me darling the way that it should be,
I'll see you and hold you in the land of sweet dreams.

Goodnight my true Angel love
and for all eternity let's end every night
together holding each other feeling the warmth.
Then start every morning feeling the glory
that true love and unity hold.
I love you sweet lady and you are my beauty,
there isn't anything I wouldn't share with you.
So let's go to bed and snuggle and kiss,
goodnight my true Angel you're surely the best.

Michael P. McParland

Summer Moon

Just you and me under the summer moon
arm in arm our hearts and souls in synch
singing to each other bursting with emotion,
being with you my only one under the summer moon
lying on a blanket in each others arms.
What could be better than two true loves
being with each other in natures beauty?
Nothing my dear because I would be with you.

Under the summer moon my Angels beauty illuminated
by the divine celestial light,
putting you in its perfect glow to frame my perfect girl.
Under the summer moon with you feeling
your warmth and glow.
Under the summer moon with you where
nothing can touch or hurt us at all.
A world that's all our own as we get lost
in each others tune.
I would love to lay under the summer moon with you
because I love you deep my tender one.

Just to be in your arms under the summer moon,
a splendid place and splendid time
with the perfect one.
Under the summer moon with you the Angel of my heart.
We will do this dear I promise you
and I just hold you close to me.
Talking and kissing while we get lost
in the spell that love's created for us dear.
You will rest your head upon my chest
while we lay in peace in bliss under the moon so full.
I love you dear and can't wait to be with you
under the bright and beautiful summer moon.

Sweet Kisses And A Snuggle

On this late afternoon
I want to bring in the evening with you
giving sweet kisses and a snuggle too.
I want to spoon with my lady wrapped in my arms,
make you feel safe and filled with love.
Sweet kisses and snuggling would be the perfect thing
to be doing with my beautiful lady
bringing in this summer evening.

Michael P. McParland

The Eyes And Soul

You have the eyes smile and soul of an Angel,
so truly divine and beautiful.
When I'm in need of Angelic beauty
to escape the ugliness in this world
I look to you to remember what true beauty is.
If you're not around I close my eyes
to see your sparkling eyes and beautiful smile,
I feel your precious soul and your arms around,
and when I am standing near I just look over
and immediately smile at my sweet dear Angel.
The one for whom I'm so thankful and in love with
forever and ever.

I look into your heavenly eyes and I see
and bare witness to the soul of an Angel,
the whom I adore and want to be with forever.
Giving everything I am to her,
my very best always when I can,
I'll never hurt my precious lady because
she is so very sweet and I can't stand
to see her even remotely ache.
She is a diamond in the rough and the sweetest love there is,
I look into her eyes and see an Angel true.

In your eyes and soul I truly see pure
caring love running through and through,
something so very true and others
have misused and hurt you through your care,
I love you babe and want you to feel
such intense and caring love returned.
You have the eyes, the smile, and the soul
of an Angel and one I so adore.
I love you Kira you're my only one
and I give myself to you of my free will
in full my precious Queen.
I am your forevermore because you are the Angel I adore.

Michael P. McParland

Eternally Thankful For You

Now rising from another stretch
of much needed sleep the first thing
I want to do is say thank you lady so sweet,
you truly are my everything and totally great.
Nothing around will ever be able to
surpass what you mean to me.
You are my blessed Angel and my treasured Queen,
a diamond so pure shining and good.

Thank you sweet one for always taking my hand
and being with me in spirit or person.
Thank you for the love that you give
and how you help provide peace to help calm me down.
Thank you Kira for just being you.

I send to you always my loving strength
to fill you with the warmth that I feel.
I worry for you and will always
love you more than anyone knows.
I want to give you all of myself
because I am thankful and love you so much.
You are so beautiful and nothing
can ever match the beauty of my Angel so good.
I love you Kira and thank you always
because our loving bond is eternal and epically strong.

I love you sweet Kira and I'm eternally thankful
that I have known you and you are still
going to be in my life.
I know that we'll make it because our love
is so truly good, strong, and so truly right.
I thank you sweet Kira and kiss you so sweet.
Thank you my darling I love you truly
through and through.

Michael P. McParland

I Love You 12

I love you sweet one so beautiful and good,
as I lie down for a bit more
I kiss you in spirit and hold you close.
Come join me for a snuggle so you
can rest your head upon my chest
while I stroke your hair and rub your back.
Drift off together in peace listening
to each other breathe and feeling complete and pleased.

I love you my sweet Kira so very cool,
I'll be holding you so tight as I rest here for a bit.
Kissing you and saying you're the best,
I love you more than anything there is or was.
Nothing can ever equal what love I hold for you,
I want to hold you for eternity because
you're the Angel that makes me happy.
I love you Kira and I want you to be here with me.

Now let's snuugle and feel each others warmth,
I can think of nothing better than lying here with you.
A nice sweet kiss I place upon your lips
before I so closely pull you in.
I love you dear and for you I'm always here,
I'll never leave or ignore my precious one I hold so dear.
I love you Kira you are the one that
I give my life and heart to for all time.

Michael P. McParland

Thank You Sweet One

Thank you sweet one
for all the loving strength
you give and send to me.
You helped calm my anxiety
so I could eat and sleep.
I only woke up about an hour ago
and I'm sorry I didn't write a bit sooner.

Thank you sweet one
I'm so grateful and thankful for you.
Later when I have rested a small bit more
and gotten a bit done I'll
thank you in full for how grateful I am.
I wanted to tell you I love you so much
and know that you're great.
Kira you're amazing and I want
to give you a kiss and hold you so tight.

Michael P. McParland

A Goodnight Snuggle With You

Goodnight my sweet dear and
I want you to know Kira you are my hero.
I want to end every night holding you tight
and feeling your warmth as we share sweet kisses
before you rest your head on my chest
and we peacefully sleep feeling complete
as feel safe and content with each other
under the blankets hiding from the rest of the world.
I want you here in my bed and in my arms
through all time because you are my one.

Goodnight my dear and I'll snuggle the night through with you
holding you tight and close stroking your hair.
Just softly talk while you relax and drift off,
tell you I love you and ramble on as I do
and I'm so thankful you enjoy that.
I so need that ear and love that it's you who listens to me.
I'll be holding you in comfort to give you peace
and make you feel calm and soothed inside.

I'll see you tonight in the land of dreams
where I want you to tell me if you're alright or not
so either way I can give you comfort.
Just have you in my arms wrapped up
in a soft blanket so very cozy.
Just a time to have you in my arms
and listen to what you need to say.
I love you dear and our dreams will become reality
I know it in my heart and soul.

Goodnight my dear let's just kiss and snuggle for awhile
before you rest your head on my chest
and hold you so tight in comforts light.
I want to have you in my arms for eternity
because you are Kira and that is great.
I love you and it fills my heart
beyond anything I can describe.
Let's snuggle sweet one and make it a good night
for peaceful sleep with hearts that don't hurt as much

knowing they'll soon be healed in each others arms.

Michael P. McParland

Relaxing In Dreams With You

As the night now winds down
I have finished the last few things in my path
and I can relax feeling all your
love I know without a doubt is real and there.
My body and my mind are feeling more at ease
as I dream of what we would be doing
and all the sharing on this quiet summer evening.
Relaxing in the real love you send
and the dreams I know in my heart and soul will come.

After a cool refreshing shower
and now eating a real dinner
for the first time in quite awhile
I feel relaxing calm within your love and warmth.
Relaxing watching videos on You Tube
and dreaming you were here with me.
Spending time in each others arms
laughing over the random countdowns I enjoy,
and at times being touched by something more.
I'm relaxing in your truthful love
and dreaming that I am in your arms
as you rub my face and head.

Relaxing here knowing one day soon
these dreams will be real and you'll be here.
For me to hold and comfort you,
let you know you have support and are loved.
That you will never ever be alone
because I love you deeply and will
always do everything to keep you from suffering.
We'll be relaxing in each others arms
feeling safe and knowing peace.
I can't wait to hold you through the evenings
holding you so close while I stroke your hair and rub your back
and these are the dreams right now
to which I feel calm and relax.
I feel your love as it surrounds me now
and I hope you can feel mine just like that right now.

Michael P. McParland

A Relaxing Evening With My Lady

So very exhausted from days on end
of next to no sleep at all.
I've finally caught a few hours
this afternoon and I can think
of nothing better to help calm my nerves in full
than a relaxing evening with my lady,
my true love, and my best friend.
Just being with her in each others arms
would be perfection in the heaven that she is and brings.
Her calming presence and beautiful spirit
would make a perfect evening with her by my side.

A relaxing evening is just being with her.
It doesn't matter what we would be doing
as long as she was here to spend time
and look at so I could say I love you Kira,
thank you for giving me your time and love.
It means everything to me,
you are my sweet precious Queen.
A relaxing evening just being by her side
and in her Angelic loving arms.
She's what I want and need because she's
so truly good in her very heart, mind, body, and soul.
A beautiful woman I deeply adore in every way.
I'll never stop loving her.

A relaxing evening with my sweet lady
tonight must be my beautiful dream.
So soon I pray a great reality.
I'll be sending her all of my love
and in spirit holding her so she'll know
that I'm right there with here
and when the time has come I'll be right here.
She need never worry that I'll disappear
because my Angel is my heart.
I can't wait to have relaxing evenings with her,
I so deeply wish tonight could be one
but my heart as ever is with her.
I love you dear and as I try to find relaxing peace

I'll be dreaming of peaceful evenings with you.
You are my centered calm with our shared love,
and you always help me even when you don't know.

Michael P. McParland

Looking At Your Picture

After achieving a short 45 minute nap
I'm just lying here in bed with you on my mind
and in my heart for many reasons galore.
I look upon your picture as I keep it up
always to see on my computer screen
and I say out loud Kira tell me how you are.
I'm worried about my beautiful woman I so deeply love,
please talk to me and let me know how you are.
I miss you dear you're my number one.

Lying here in bed so very tired from
being awake a very long time
and I gaze upon your beautiful face for comfort.
Sending you all of my loving strength
so you won't feel cold and alone for even a moment in time.
So you'll feel all of my loving care
within your soft and precious heart.
Lying here looking at your picture
to feel closer to you right now in some way.
To just see the beautiful woman I adore
in the only way I can right now.

Lying here in bed and praying
you feel and know all that I hold
and that you're feeling all the loving warmth I send.
Looking at your picture and I wearily smile
in my tiredness because I still feel
joy within my heart whenever I see you.
I love you dear and you fill my heart with light,
you give me something special inside I can't describe.
You are a miracle and amazing Angel to me
and I can't wait to hold you close
and tell you everything I've wanted through the years.
Until I can though for now I look upon your picture
where I can see you and feel some connection,
see that smile that lights up the worlds sky.
I love you Kira and can't get enough of you,
my heart is yours and it melts in your tenderness so pure.

Michael P. McParland

A Kiss Of Comfort And Peace

As I now try to sleep my dear
I send you a kiss of comfort and peace
to remind you I'm by your side
and holding your dear hand.
I send a kiss of comfort
so you'll be at peace and feel my love.

A kiss of comfort and peace to you my one.
I send a million of them for you
to feel my love and feel my heart.
I love you Kira my darling one so rare
a kiss of comfort and peace because
I want you to know how much you mean to me.

Michael P. McParland

It's Only You

It's only you I feel so close to.
It's always been that way through
the years that passed both apart
and in contact.
It's only you I felt close to
and wanted to give myself in full.
To give my trust and show what's in my heart,
share all my ups and downs knowing you'll
always do your best to understand
and be there for me.
It's only you I can truly share myself with
because you truly are something special.

It's only you sweet one.
I want to be there for you night and day
and for you to feel safe to trust me,
to tell me everything in your heart and soul.
It's only you in these matters of the heart.
I can only truly give myself when
it's true love known through the soul,
to be touched by the one who is your essence here on earth
and for me it's only you.
I adore you dear and I can' be with any other soul there is.
It's only you because we share a bond
that transcends this earth and predates it too.
It's only you because I can feel it within myself.

It's only you that can be the one I give myself and my life,
I am yours because I know it's good and right,
I know the kind and wonderful woman you are.
It's only you I can love in such a way
and without you that part is broken and completely lost.
You truly are my Angel Queen and the one who
can truly help tear my walls down.
You are the one who has given me new hope in this life.
It's only you because you are my Angel true.
I love you Kira and it truly is only you
I feel close to in that special way that true love is.

Michael P. McParland

Morning Kisses Of Comfort

Good morning now my precious dear
I send these kisses to give you comfort on this day,
I send these kisses for a bright
beginning as we embark on what this brings.
I wish that I could just lay here with you
and cuddle for a little while.
To have you close and feel your warmth
to help calm my body, mind, and heart.
Just to be with you is reason enough.

I send you morning kisses and all
the strength I have in me,
to give you peace and feel me there beside.
I send you all my love because
you are the one I adore in full.
Sweet morning kisses for my Angel bride
to give you a smile of which to face the day.
Morning kisses in shared assurance that we'll find our way
back to each other once again.

I send to you these morning kisses
just because I want and can.
To show you that you're because
I like to show my heart and love for you.
I send these kisses to fill your heart with cheer
because I want to see you feeling good.
A happy Kira is what I want forever
through all time my only one.
I send these morning kisses simply cause I can
and want to make you happy just as well.

These sweet morning kisses with all of my love
I just wish we were able to cuddle some time today.
I send you these kisses though to take strength,
feel the suns warmth and feel all my love.
Remember the warmth of my smile and eyes
because what they showed to you was tender care.
Sweet kisses my lady and feel me right there
hand in hand by your precious side.

I love you deeply you are my only wish,
sweet kisses sweet Kira you're simply the best.

Michael P. McParland

Sending All My Love And Warmth (Goodnight)

Lying here and thinking of precious you
sending all my love and warmth
with great big hugs and kisses too.
Feel my arms wrap so tight around
and pull you in to give you peace,
help you feel the deep amount of loving care I have.
To just let you know you are special,
treasured, and truly loved.
Feel my spirit now as I pull you in
to give you my love in warm embrace.

Goodnight my dear and get some needed peaceful sleep,
I'll be with you telling you I love you
while I hold you close and sweetly kiss you
in my souls true loving care and depth.
You're not alone because I care,
I won't abandon someone I so deeply love.
Hand in hand forevermore my sweet Angel dove.
I want to make my whole life with you.

I'm sending you always my endless love and warmth.
Wrap up in its tender care as a blanket,
it's there to make you feel safe and protected.
I send you all my strength to make you smile
and help provide me with that needed glow.
I love you dear you are so beautiful
and truly cool.

I'm still nowhere near sleeping here my dear,
I don't know when it will happen my precious one
but I'll still see you in your sweetest dreams.
To hold and kiss you as we relax
under our tree in the flower field,
soothed and calmed by the rushing river and each other.
Our voices giving endless comfort.
I'll be there dear to rub your back and hold you near,
to stroke your hair as you rest your head upon my chest.

Goodnight my darling precious Kira

and know my heart is beating for you.
It has only kept its power in my hope
of our reuniting.
I am yours in full forever dear,
nothing could ever take me from you.
So rest your head and feel my love
and arms wrapped around.
My prayers, my heart, my thoughts,
and my very soul and essence will be with you through the night,
Kira I love you so very much and will always
be here for you and be your faithful man.

Michael P. McParland

Come My Dear

Come my dear and let's just relax in bed,
we won't sleep just yet.
Rest your head upon my chest and wrap
your arms around me tight.
I want and need to feel you very near,
and I'll pul you in to give you
all my strength and loving peace.
I just want to hold my lady and relax
while we talk and spend some special time.

I just want to lay in bed and have you there,
feel this loneliness melt away.
Rub your back to ease the pain
and gently kiss my precious Queen.
I just want to talk while we relax
and I can have the chance to look in your eyes,
see that pure soul and heart I have missed.
To just be mesmerized by your beauty
and feel the warmth of being fulfilled.
Come my dear and relax for now in bed,
just rest your head upon my chest
while we cuddle and feel complete.

Will you come my dear and spend some time
within each others arms in loving bliss?
Would you honor me and let me hold you close?
Can I just rub your back and stroke your hair
while we lay in bed and talk away?
To just relax with you and have you near
would be an epic dream come true.
I love you dear and want to grow through life
with only you right by my side.
You truly are everything I want and need.

Michael P. McParland

Nighttime Prayers For You

As I sit here on this late night
I send prayers up to God that you will be happy and well.
That you will feel all of my warmth and love
knowing my hand is in yours and you're not alone.
I'm holding you close in loving care
to fill you with contented peace.
I always say nighttime prayers for you my sweet dear
so you will know that I deeply care.

This is not my goodnight for I'll be up for awhile yet
but I wanted to tell you that my hearts with you,
it sings and calls out to you revealing itself.
Showing you everything that I hold and will give,
it beats for you my sweet Angel dove.
I say my nighttime prayers for God to bless you so dear.
I love you sweet lady you are my special one.

Feel the deep comfort of the prayers that I offer,
I so truly want you to be content, fulfilled and happy.
I want you to forever smile feeling joy in your heart
and comfort in spirit.
I want to be there to help my Queen get it,
I want to hold you and give you my love so abundant,
I pray that so soon you'll be here with me.

I want to give you the world and share all of mine,
I want to let you into my heart as with no other I could,
I want to tear down these walls and let you in.
My nighttime prayers are for love and happiness
and no matter what transpires I want you to be happy.
I love you dearly and pray for your heart,
that it may be at peace and know that you're loved.

Michael P. McParland

Adorable One

Adorable one so truly beautiful and good
I treasure you in every way because you are my only love.
I want to spend forever holding you and being at your side,
holding hands as I take yours in mine
and kiss you softly on the lips.
Then just pull you in and say adorable one
I love you more and more with each passing day.
I want to be with you and make you so deeply proud,
I want to see you smile for the rest of time.

Adorable one my heart truly melts for you.
When I think of you in any way my whole
body begins to glow and quake.
I'm so in awe and impassioned love
I don't know what to do.
I feel it so strong within and I need for you to know,
I want for you to see and I want to let it show.
My adorable one I long to be with you.

Adorable one I treasure you in full,
there isn't anything I don't truly love.
Your perfections and your flaws make you who you are,
they make you precious Kira the woman I truly love.
Someone I so adore I can't stand life when you're not around,
a woman I so truly cherish she's my Angel and I need her.
Kira you're adorable and I treasure you profoundly,
you are a precious jewel who shines so great and brightly.
You are my best friend and someone I truly trust
to give myself and secrets to.
I love you adorable one and I send this kiss to you.

Michael P. McParland

I Just Want To Be With You

I just want you here to spend some time,
hold your hand and see your smile.
Feel your love as we hold each other,
feel safe and warm within my woman's arms.
Being close to the one I love the most.
I just want to be with you my precious one.

I just want to be with you and look in your eyes,
share a tender touch as I caress your cheek,
kiss your lips with passion from my soul unleashed.
Giving you my soul in every breath,
share such closeness that transcends this earth.
Making our love more true and deeper every day.
I just want to be with you because
I love you and you are perfect as yourself.
I love you Kira and want to hold you close.

I just want to be with you because
then I'll have my other half right by my side,
be fulfilled and work to make you happy
and complete in every way.
Just to know your tender heart is right there,
to know the perfect woman loves me too
and is right there when I want to talk and hug.
So you'll know that I'm right near
and will never leave because you have my support.
I just want to be with you my sweet Angel dove.

I just want to be with you because my heart
overflows with endless love,
I can't explain it except I know you're great,
you're beautiful, and my soul mate.
I know I can never be with anyone but you,
I could never share closeness with another soul.
I just want to be with you because
I love you so and I want to hold you close.

Michael P. McParland

I'm Worried About You

I'm worried about you my dear.
How are you and are you okay?
I fear you're so sad and coming apart
just like me.
I can't stand to see you hurting
or feeling so low and down.
You are a beautiful Queen
who means everything to me.
I love you dear and I'm worried about you.
Please let me know how you're doing
while I take your hand and hold you
close to me stroking your hair
and saying it's okay because I'm with you.

I love you dear with all my heart
and I'm going out of my mind in concern for you.
I want to be right there to protect my one,
fight and defend my precious one.
I need to know you're okay and be your man.
I want to be the one you turn to
forever no matter what.
I want to be your hero through thick and thin.
I love you Kira and I'm so worried it's true.
I'd give my whole life just for you.

I'm worried dear and it's killing me
because my heart needs to know you're well
or if there's something I can help you with.
My sweet precious Kira I am always here for you,
just trust me because my heart and life are yours.
I love you and need you in my arms.
I worry because I care about you
in the greatest way there can ever be.
You are my Angel and only love.
I'm worried Kira because I can't
live without my one right here and doing well.
You're my everything and I can't take
not knowing what's up with you
or being here not seeing and holding you.

Long Days

Long days here dreaming of and waiting for you,
hoping soon God will bless me and you.
To find our way through a presented path,
have the courage to take it and find
those things we need and want.
Such long days where I pray for you.
I dream of you and send my endless love,
I send my warmth so you'll know you're not alone.

Such long days being here alone,
I often feel your love and being in your arms
but I so deeply want and need you here.
I often feel close to crying
from all the emotions inside right now
I can't show or tell you here.
Long days where I so often feel very broken,
I just want to hold my love within my arms.
Know that the future is looking bright and good.

So many long days and I feel very tired,
I either sleep non stop or never sleep at all.
I long for peace you always helped give me in the best of times,
I long to give you that too because you're grand.
I want to see you smile because I made you dear,
having made you proud in many ways.
Such long days I wait for this.
I love you dear and I'll wait until
God has opened up a shining way,
I'll wait for you no matter how many
long days I must face through time.

Good Morning Kiss 2

A sweet good morning kiss to you
my dear Angel I so deeply love and miss.
A sweet morning kiss to tell you
you're loved and cared for in every way.
Feel my arms around you as I pull you in
to give you peace and warmth knowing I'm there.
A sweet good morning kiss to start the day.

I love you sweet lady and wish
you were here to hold as this morning rolls,
to lay here in bed and snuggle
before the days full hustle and bustle.
To just be with you knowing the day will be good.
I send you this good morning kiss
so you will feel comfort in your beautiful heart.
For you to know that by me you'll always be loved.

A sweet good morning kiss to my only love
who I so dearly miss.
Feel the warmth of the sun because at its
brightest and most comforting way
it symbolizes all the love that I feel.
An infinite flame for my only dear,
a burning inside of epic pride, amazement,
and endless joy to have had you in my life before.
An eternal flame of hope that you will return,
that you will let me hold you so tight and give my all.
A sweet good morning kiss to give you myself.

I love you sweet lady you are truly amazing,
I'd do anything to see you fulfilled and happy.
I always want to make you proud of me so deeply,
to look in my eyes as you used to
and let your spirit tell me you love me.
Then speak it so softly as you gently touch me,
as we hold each other so tightly.
A sweet good morning kiss because you are
the one that I love and I miss.
Kira my lady I want to be with you as long as time lasts.

Michael P. McParland

How Could I Not?

How could I not fall in love with you?
Your heart reached out and your soul
spoke out from the very start.
We were so young I may not have known right away,
but I knew you were right and I was yours
right away before I even realized it.
I felt a connection as old as time.
How could I not fall in love with you
when I know we've paled around in spirit before we came to earth?
How could I not treasure you when I know you're awesome worth?

How could I not want to spend all time with you
when everything feels so empty and sad without you here?
How could I not do my best in every way I can
to show my Queen she is the best?
Though it may not always show I truly do
try to give the greatest in myself because
I adore you and want your hand.
Eternity would be so barren without you at my side.
How could I face forever without my Angel bride?
How could I keep from loving you when
you're all I see with a loving heart and eyes?

How could I have not fallen for you as I deeply did?
I saw the love within your eyes as we would
randomly look up and at each other smile
with the brightest warmth.
How could I not treasure you in every way
and long to hold you inmy arms?
How could I not try to help you see you're beautiful
and that no matter what other pigs have done
they were to dumb and selfish to see your worth.
How could I not want to marry you and be your man?
How could I not pine for my only one?

How could I not hurt so bad with how things are?
When I'd give anything to talk to you,
to hold you near and look in your eyes
as I say to you Kira you are so very good.

I love you deeply and I want to make you proud,
I want to make you happy forever my sweet dear.
How could I not strive to give you all?
Dear I would give you everything because
I gave my heart to you and that surely is for keeps.

Michael P. McParland

you are everything I need, crave, admire, and truly want.
You are the diamond I have treasured for so long.

Tired Afternoon

A tired afternoon on which
I would like to lie down for a nap with you,
wrapped in my arms and feeling your love,
while as always giving you all of mine in return.
Resting so peacefully and feeling fulfilled.
Sweet peace with my lady as we lay in bed.

A tired afternoon I'm worn out,
I would like nothing better than being with you,
just feeling your presence right by my side
where I could tell you you're amazing
and so truly sweet my only Angel.
Just pull you in for a tight squeeze and kiss.
A tired afternoon and as always you're deeply missed.

Oh my dear Queen and Angel I'm so incredibly tired,
I wish you were here to keep me sweet precious company,
to hold my hand and tell me all is okay,
then I return will assure you the same thing.
A tired day so full of true need,
I love you babe you complete me and give me reason to live.

A Peaceful Sunday With You

A peaceful Sunday with you
is what I long for right now my dear.
Rather it would be us at least talkinh here
like we always used too until
we could meet again,
or even better holding you close
right here while I lightly and sweetly kiss you
whispering Kira I love you in your ear.

A peaceful Sunday with at least
the comfort and peace of your sweet loving words,
being able to tell directly
how much I adore you and care.
To feel some sense of being close to you
by just chatting away the day
with my sweet precious lady so deeply great.

A peaceful Sunday here just having you close
to read books and watch movies in each others arms,
to just be with you as we talked and talked,
knowing we're both loved and feeling whole.
I love you sweet Kira and want you to be here
in my life in some way.
I want to hold you and kiss you saying you're great.

Lonely Nights 2

Lonely nights are so very long indeed,
aching badly in the heart
and not having one bit of true relief.
These lonely nights just drag on
as I lay here missing you
longing to talk and be with you.
Hold you close and say I love you dear.

Lonely nights where you feel so tired
but cannot sleep from the persistant aching,
missing the one who makes you smile
and sooths the wounds the world is making.
I miss you dear and I want these
lonely nights for both of us to disappear,
be in each others arms resting and snuggling
just like a perfect pair as we are.
I want our hearts to heal by
being with each other experienceing that what's real.

These lonely nights hurt so very much
and all I want is to have your arms
around me tight giving total comfort,
my arms around you too as we both
laugh and talk crying when we need my love.
A trusted bond and loving care,
that is what we truly share
and without you here I'm all alone
and I hurt deep down to my very core.
These lonely nights tear out my heart.

These lonely nights my dear can end for us
just come and rest your head upon my chest
let us snuggle tight while I caress you in loving care,
I just want to hold you my sweet Angel
of true love and light.
I want to be your noble knight,
end these lonely days and nights.
Save you from the sadness I know that you feel,
give you a smile that will last

when with a kiss our love I seal.
I miss you babe and that's for real.

These lonely nights truly are the very hardest
because missing you is the greatest challenge,
not having you is pure saddness.
I love you dear and want you here
to hold in total peace and solace,
to feel you near and know we're both safe now,
give of myself in full to my Queen because I adore her,
hold you tight and kiss you deeply
letting my very heart and soul out.
These lonely nights are true torture.
I love you darling and I long for you,
you are my other half and best friend,
these lonely nights are hell because I miss you dear,
I just want to hold you close and let you know
you're not alone and truly loved.

Come Snuggle Tight

Come snuggle tight my Angel of light,
I want to feel you close
and thank you so much for your sweet love.
I want to snuggle forever
with my sweet love and Angel,
feeling complete harmony as you are close to me.
Give you my love and sweet thanks
kissing you deeply while we relax.

Come my sweet lady and snuggle ever so tight,
I started feeling sick while I was out
and still don't feel quite right.
I want to be in your arms while I
lie down here and recuperate,
see you smile at me and say I love you babe
everything is going to be okay
now just rest your head on my shoulder for now.
I love you sweet lady and want to snuggle
with my best friend and Angel today and forever.
You are my Queen and I deeply adore you.

So my sweet lady let's snuggle while I get feeling better,
then later snuggle some more because I'll be feeling better
and I will thank you for always being here for me,
tell you how much I appreciate all you do for me,
something I plan to do as soon as I see you.
I so deeply love you my precious Angel
come and let's snuggle being close and just be together.

Love Note 260

Going about my morning here
dreaming of you my sweet dear,
wishing I could spend this day with you
doing all of the thins we've wanted to,
just holding hands a feeling our special love.
I miss you sweet lady and love you
more than anyone will ever know.

I'm about to head out the door
and go to the store to pick up some odds and ends,
hey case lot's the best it sets you up
with what you like for awhile.
I just wish you were here to go with,
spend time with my lady I find amazing.
That snuggle for awhile before
I would make us a beautiful lunch.
To snuggle with and cook for my lady
is heaven on earth and one of my dreams of beauty.
I love you sweet lady and we'll be
taking apart of those things aplenty.

Going here about my morning
and of you I'm dreaming and smiling.
Feel my hand sweet lady as I take your hands in mine
and kiss them so gently,
then pull you in and hold you tightly,
I wish you were here to spend time with.

kissing and snuggling.
I had those dreams
and I hope you did too.
I pray so soon
we will be able to have it for real.

To feel you close and next to me,
so you can feel my arms around you
in total want and love.
So you'll know that I'll need you forever,

So I'm reaching out for a good snuggle and kiss,
I want to hold you close forever because I love you so much.

Michael P. McParland

Morning Note 112

An early good morning to you
my sweet precious dear.
It was a restless night
of sleep here,
I pray you slept well
feeling my arms around you in pure love,
I was dreaming of you
as I lightly drifted in and out.
I dreamt of our future
and holding you ever so tight.
I gave me a smile
I'm so thankful for.
Thank you sweet lady
for the warming comfort you give.

As I continue to lay here
in hopes of some sleeping
I'll be dreaming some more
of holding you ever so close.
I so wish you were here
to be with me now resting in bed
on this summer morning
in each others arms,
share some sweet morning kisses
and feel a true happiness
that without you has eluded.
In spirit my dear I will
be tightly holding you.
Listen closely my dear
for my voice as I whisper to you
I love you sweet Kira,
you are the greatest and keep my heart going.
It is you my sweet Angel
who I want to be with always.

So my sweet dear have
a beautiful day
and feel me beside you
as I hold your hand all the way.

I will forever be your rock
and unwavering support.
Whenever you need me
just give me a shout.
Close your sweet eyes
and always remember my loving looks and smile,
they were always for you
my Queen I so admire.
Feel te sub shine upon you
and be filled with its warmth,
let it remind you of my endless love,
I truly care for you so very much.
My sweet Angel dove you truly
are so precious to me.
I love you and thank you
for all that you do
and just being you.

Michael P. McParland

Goodnight Kiss 18

Let us end this day my sweet one
and we'll slip into bed and each others arms
where we can share some goodnight kisses
for a little while sharing some
special time just being together
giving the sweetest kisses in each others arms
and for the time being that's good enough.
Just to be in bed next to you
holding each other is contentment enough.
Goodnight my sweet darling I love you so much.

Gently rest your head on my chest
as I pull you in tight and hear my heart beat,
it beats for you my lady so sweet.
Hear how it sings for you in clear tune
all of the most beautiful love songs that remind me of you.
As I take your hand to hold as well
feel peace and comfort knowing you're
loved in every way and in full,
I love you for you, I want Kira to be herself
because you're the woman I fell in love with
not somebody else, I have no expectations
my dear for you become something else.
So feel my arms around you with the sweet,
tender, passionate kisses I give
and listen for my voice as I say
Kira I love you you're truly the best.
You're my sweet Angel dove and with you
by my side I can finally in true peace rest.

I'll see you tonight in the majestic
and magic land of dreams where it will be
just you and me lying down on a blanket
among the moon and the stars being
ever enchanted by each other and their powerful magic.
We'll just hold each other and feel
whole once again as we hold each other so close,
feeling peaceful content as we watch
the show of the moon and stars

and while we talk away interupted
by sweet kisses for each other along the way.
Tonight my sweet lady hand in hand
and in each others arms we'll recieve comfort
in the magical and majestic land of dreams.
I pray that so soon it will be reality.

So I say goodnight my sweet lady with this deep kiss,
now let's slip into bed and end this day
together holding each other snuggling to forget our daily stress.
Let's just gaze at each other while we talk
along about all of the things that we want,
sharing what ever may be on our minds at the moment,
as we just cuddle and spend quality time together.
That's all I want my sweet lady is to be in your presence
holding each other feeling you close and hearing your voice,
exactly how I want to begin every day and end every night
being with my lady and Angel who feels so very right.
I just want to be with my lady every day and each night
because I love you my Angel you are my Queen and soul mate,
you are my best friend whom I share a bond with that cannot break.
I want to be with you for all eternity as your mate.
Goodnight my sweet Angel and I send you this kiss,
have the sweetest of dreams and I'll see you there.

Michael P. McParland

Michael P. McParland

To Hold You

To hold you now would be bliss,
to just have you in my arms
feeling your loving warmth
and giving all of mine in return,
feeling our hearts heal
and our souls glow as we
just sat snuggling in each others arms.
To hold you now would be heaven on earth,
having my Angel wrapped in my arms
would be a blessing so righteously good.

To just hold you and look into
those precious Angelic eyes
then give you sweet kisses
is what I live for and pray,
to be close to my loved one
and give you my all.
To treat my Queen as the treasure she is
and stand by your side fighting for
and defending through whatever may come.
To be able to hold you forever
is my greatest dream.
For eternity to have my sweet lady with me.

To just be able to sit and hold you
is what I crave because you'd be near me,
I truly just want to spend time with you
my sweet precious lady.
Seeing you smile and your beautiful eyes sparkle,
to kiss your lips in passionate bliss,
to have you pressed against me sharing
loving warmth in pure reassurance.
To hold you close and share everything
about our entire lives.
These are the things I so deeply want,
I long to hold you sweet lady
because I love you so much
and I can't think of anything better

Sitting here thinking
of my only one.
Your memory helps keep
my nervousness down,
whenever I am anxious
and I feel a panic attack
I think of good times with you
and all the love that we share.
Even if it does not defeat
this state in whole
it helps make things tolerable
and pass things much smoother.
I think of you my sweet Angel
and even in this state
you make me smile.
I'm sending you deep
passionate kisses with a tight hug.
You are amazing and I love you so much.
I hope soon you'll be here
to truly hold and thank.

Feeling You 3

Still so very tired and not feeling well
but I can feel you near and it feels so good.
I can feel your arms around me
and I can smell your skin and hair.
It warms me through and through
knowing you love me to and feeling you here.
I just you were here in person
so I could look upon you once again
and see each other smiling lovingly
and I could look in your eyes and say
I love you Kira you're my everything.

Lying here in bed resting
and I can feel you here with me,
in each others arms so very lovingly,
in spirit sweet kisses I am sending.
I miss you dear and so deeply wish that you were here.
Please my sweet one soon talk to me,
I know you can feel my love as I feel yours.
Let's work this out so we can soon
hold each other for real without
anymore fears, worries, or doubts.
I love you babe let's talk things out.
I can feel you near and our love is strong
we deserve our time to be as one,
to be together with our loving bond so strong.

Lying here still quite tired and not feeling well
but I can feel you near and it helps me so,
in your arms is truly where I want to be.
It's where I'm at home and can be as I am,
we love each other for who we are
and I treasure you in every way.
I can feel you near and it feels good,
I truly long to have you in my arms for real.
You're all I want and all I need,
I love you Kira you are my precious Angel Queen.

Michael P. McParland

Life Without You

I miss you dear, my only one,
life without you is far less fun.
Our talks and jokes,
just spending time with you
was what made life worth it all
and with you gone it's all
so boring and sad as hell.
I miss you dear because I love you so.
Life without you is so very blue.

Life without you feels so empty
and seems so bleak without my Angel
I hold so dear and is my light.
You hold my heart and you are my one,
I love you truly my hero and best friend.
Life without you hurts and feels
like a pure struggle to no end.
I love you babe and I always will.
A life without you I cannot stand,
please sweet lady hear my call
and we'll take each others hands.

I want to spend all time with you
walking hand in hand feeling warmth
within the love we share,
knowing that what we hold is pure truth,
knowing that the one I love
truly loves me too.
Life without you here feels so very cold,
I know you love me dear and that's
why I want you close to hold and kiss.
I love you babe you are the one I deeply miss,
nothing else could ever take your place.
Life without you Kira feels like a waste,
I love you more each and every day.

Michael P. McParland

Hold You Near

I'd give anything to have you here
and be able to hold you near,
just have you in my arms
and next to me surrounded by
your endless beautiful charms.
I'd give anything to hold you near
and be able to whisper I love you dear
so very soft and full of care
within in your precious ear.

I just want to hold you near
and know that all is right within the world,
I want to hold you close
giving us both such endless peace.
I want you here with me
where I can hold you near
while we lie in bed and ignore the world.
Finally take the time that we deserve
and you can rest your head on my chest
while I just wrap you tight
and pull you close and tell you
everything is alright.

Forevermore I want to hold you near
and have the only one I love
right here within my accepting arms,
show you your worth as a great Queen,
to show you're loved in every way.
I want to hold you near
and tell you how much you mean to me,
lie here in bed and be at peace
as we close our eyes and talk as we drift in and out.
I love you Kira my sweet Angel dove
and I want you here within my arms.
When you're here I'll hold you close
and I'll never again let you go.

Longing Fiercely Tonight

Lying here sleepless in bed once again
longing and aching for my sweet one.
Dreaming of those sweet kisses
while holding you among the moon and stars.
I can feel your arms around me
just as tight as mine are around you.
I see your smile so sweet and very kind,
looking into your eyes I show you my soul
for I have nothing I want to hide.
I give you myself in every way
because I love you so deeply.
Then with a deep passionate kiss
I pull you in to just hold each other for a good while.
As I lay here in bed I share
this dream with you my sweet Angel Queen.

Lying here in bed fiercely aching
in want and need through my love for you
which is so pure and reachs to my very core.
I'm so deeply exhausted more
than anyone knows as I can tell are you
and I want you here where we can
both be at peace and be whole,
giving true solace and comfort
in the loving bond that we share,
a trye love of best friends
and soul mates so truly rare.
Lying here aching fiercely for you.

I love you babe and I always will,
this space beside is saved just for you.
I long always to have you with me,
to be by my Angel taking your hand.

Kisses Among The Moon And Stars

Goodnight my sweet love and think of me
as you look to the moon and stars,
feel the strength of my love and see me smiling
as I'm sending you massive kisses and hugs.
I'll be watching over you as always
my sweet Angel dove.
Keeping you safe and warm in my loving arms,
before falling asleep see me up
with the moon and stars shining on you.

As you drift off hear my voice
as I say Kira I love you please come and join me,
together we'll meet in our dreams
in the most magical and majestic scene,
among the moon and the stars we'll
reunite in total joy feeling our love.
Sharing sweet kisses as we hold each other,
talking, laughing, and quietly sitting
as we just bask in the glow of each other.
Among the moon and the stars my sweet one
we'll spend tonight in each others arms.

Among the moon and the stars tonight
we'll share sweet passionate kisses of pure delight,
being fulfilled by our loving bond,
being with each other as we so deeply want.

Michael P. McParland

Kissing Your Lips

Kissing your soft luscious pink lips
is something I so dearly want.
To feel the passion flowing between us,
an energy built releasing at last.
A long dreamt of desire and gift
that we have both longed for and want.
I can't wait to show you my love
when with this kiss on your soft pink lips
I'll be giving you my heart, mind,
body and soul totally in full.
Kissing your soft pink passionate lips
will be a testament in its power
to all the truth that I hold.
I love you my darling
and it's only your sweet and soft
pink passionate lips I want to kiss.
Not another soul in heaven or on earth.

Michael P. McParland

A Quiet Night With Each Other

A quiet evening relaxing here,
gentle and tender thoughts of you fill my head,
my heart feels such loving warmth
for you my sweet dove.
A quiet evening here wanting to hold you,
to talk and share all that there is.
Both of us pouring out and listening
intently to learn more of the one
we've always wanted and needed.
A night of exquisite peace just you and me.

A quiet evening filled with desire,
desire to hold you and touch you,
give you sweet kisses filled with my hearts passion.
A quiet night to just be with one another
listening, learning, sharing, never being boring.
With you my sweet one not a dull moment has passed,
every one spent with you is electric
and filled with love and joy of truth.
A quiet night with you is all I want,
to just know tthat you're and you need me too.
An eternity of quiet nights I long
and desire to share with you.

A quiet evening peacefully dreaming
of being here with my Queen forever,
dreaming of endless quiet nights together.
Sharing closeness from our hearts
true and pure loving need and desire,
giving ourselves in full no matter the action
for we know we will always stand tall
and fight for each other.
I dream of these things and want
a quiet night in true peace with my Angel.
I love you sweet darling
you're my hearts true love and only desire.

Sunny Afternoon Dreams

A bright sunny day so beautiful
in so many ways,
a nice breeze is steadily blowing
keeping the humidity at bay.
Such a wonderful day to sit
in the shade and have beautiful dreams.
Think of the Angel I love in every way,
send a prayer and sweet kisses her way.
Hope she knows that I love her
and care in every way.

So many dreams and so many truths,
so many things to share with you,
a sunny afternoon dreaming
of what I hope and know our future could bring.
Praying you know that I'm always here,
that you will always have faith that I'm by your side.
Dreaming of you making me smile.
A sunny afternoon I long to be holding you,
to share this sweet scene with my precious Queen.

Sunny afternoon dreams of my Angel Queen
sending my love and feeling yours strong and clean,
I remember the good times
and dream of those that will be new.
I dream of my lady and Kira that's you.
I long for that future and wait for you,
so we can spend every sunny afternoon living our dream.

Michael P. McParland

A Smile And Hug

for the only Angel I'll ever adore.

A smile and hug for you

so you can see me lovingly smiling,
looking upon you so adoring.
A smile and hug with deep kisses too,
God bless you my darling
I truly love you totally through.

Michael P. McParland

Lying In Bed (Thoughts Of You)

Lying in bed and not feeling well,
to help the time and queasiness pass
I think of you and your loving strength.
I even smile as I dream of yours,
and that perhaps I'm the reason you're wearing it.
You help my stomach and headache feel better,
thoughts of you and feeling your spirit.
I love you sweet lady you're my only Angel.

Lying in bed so tired and feeling not well,
thoughts of you keep it from being pure hell.
I can feel you holding me saying all is well,
that you are here to snuggle and make everything better.
I can feel you sweet one and the
knowledge and thoughts help make things better.
You help this sick feeling lighter and near fleeting,
I can feel your sweet love and I
pray you feel all of mine as it is flowing.

Thoughts of you my sweet darling
as I lay here in bed trying to feel better.
You help the time pass with your love
making everything so much easier.
You are my Angel and I truly love you
and as I close my eyes once again
all my precious thoughts will of my special lady.

Michael P. McParland

My Hand In Yours Always

My hand is in yours everyday,
right by your side I'll always be.
Standing by you giving all of my love,
fighting for you giving all that I have.
My hand in yours as I give my Queen
the infinite warmth in the love that I hold.

My hand is in yours as I take it up,
pulling you in I will hold you so close.
My hand is in yours because I give you myself,
my heart, my soul, and my life are all yours.

Michael P. McParland

A Sweet Kiss To The Angel I Miss

A sweet kiss to you my Angel so true,
I so deely love and miss you.
As I retire on this hot summer night
I still feel so cold
because I can't hold you tight.
Be wrapped in your arms having your love
right here surrounding us in loving warmth.
Giving comfort and peace ever so right.

A sweet kiss to you and a tight squeeze
in my arms to give you my love.
I'll see you and smile in my dreams tonight,
hold you so tight and know that is right.
Cry in relief as all pain and grief leave.
I hope that so soon that will be real too,
I miss you my Angel and am lost without you.
A sweet kiss my sweet lady my bed
and arms are so empty and longing for you.

A sweet kiss for my Angel I so deeply miss,
feel my heart calling in it's love and warmth,
be surrounded in its deep caring and wrap up
in its eternal security.
I love you my Angel and I'll always
be giving you sweet tender kisses.

Michael P. McParland

I Sleep All Day

I sleep here all day
to escape the pain and in hopes
of having a sweet dream of you
I sleep all day because I miss you so
and want to see you in some way.
So sleep I do to have a dream of you.

I slept all day yesterday from in evening
in full to just about an hour ago.
I prayed to dream of you and it happened too.
You called me on the phone and we talked
in endless love and fun.
It was so soul warming and my heart
was light in pure loves fancy.
That was just the start of that dream
I truly want.
Soon I'll return to sleep in hopes
I'll talk to you just like we used to do.

I slept for so very very long
from the exhaustion in my heart,
my body, my mind, and very soul.
It's there so very deep with aching need
for my one who helps ease the pain.
I slept and had that dream,
you came to my house and my heart burst
with pride and happiness.
We just smiled and spent time,
you helped me do many things that
I have needed in the loving care we share.
We just basked in each others glow
and finally all was right and I felt good.

I slept so long from so much
and to see you in my dreams.
I did and all was right and good,
I was happy there with you.
Then I had to wake and get up
feeling my heart once again break in full

missing, wanting, needing you.
A pain so deep I want to scream.
I'm so very tired from this world
and I miss you because I love you.
Soon I'll return to bed
so I can pray I'll see you again
where we'll spend time and hold each other.
I love you babe and pray you know
how much I do and want to be with you
and make all right so we'll be happy once again.

Michael P. McParland

Sunday Dreaming

A Sunday afternoon lying in bed,
I'm exhausted deeply in so many ways.
I dream of your smile to help get to sleep,
dreaming of seeing you and bein your sweet arms.
Hearing I love you and saying I love you too,
feeling your warmth surround me here.

A Sunday in bed spent dreaming of you,
how I miss you so much and hope to hear from you soon.
Dreaming of being right here together
tightly wrapped in each others arms,
feeling your heart as it beats next to me,
to be at peace as we're smiling.
A Sunday so tired spent here in my bed,
I love you babe you are all of my brightest dreams.

Michael P. McParland

Lay With Me

Lay with me please my dear,
I am so very tired and feel alone,
deeply sad in so many ways.
Most of all because I don't
have you to hold and talk to.
Lay with me dear and hold me near,
let me feel all of your love.

Please come lay with me
and together be in peace.
It's what we want,
it's what we need.
Come lay with me my dear
because I love you deep and want you here.

Michael P. McParland

The Language Of Music

The language of music is universal
and how it touches me so,
moving me in the deepest ways.
It can move mountains and clear the clouds.
Fill the heart and soul with joy,
help give that release you need.
Ah music my language, escape, and savior.
It's what helps me feel and touch the world,
a way to reach out and share,
show how I think and feel.
Sweet music of the soul how I adore you
you're the language that all can understand.
Sweet music you're what will save the world
because it is pure art from the very heart and soul.

Michael P. McParland

A Gentle Night Kiss

A gentle kiss I send to you
my heat and lifes true sweetness.
It's overflowing with loving warmth
to give you peace and total comfort.
I've not forgotten you and I'm always
thinking of you in one way or another.
A gentle kiss my sweet one I so dearly miss.

Gathering you up in my loving arms
I give you this gentle night kiss.
It says that I love you as not a word could,
it is to show you I want only you.
It is to reassure you that I'll never leave you
because I'm so devoted to my only Angel.
A gentle night kiss to soothe your aches.

A gentle kiss my sweet one on this night
and I am holding you ever so tight,
in my mind and my heart,
in spirit my arms so very tight.
Holding you close to chase away frights.
A gentle night kiss to the one that I miss,
I love you darling and you are the best.

Michael P. McParland

These Days Here

These days here are so long
and filled with aching need.
To hold you close and feel you here,
say I simply, deeply, love you dear.
I want to be with you forevermore
my sweet Angel dove.

These days here seem so very barren,
I often feel like crying
and come close to breaking.
Without you here to hold and talk too
there's a massive void that can't be filled.
You're my missing half and bright sun.
These days here without you
are so long and painful dear.

These days here my sweet Angel I want and need
are the loneliest and dull gray
without you here to be and play as
we always did and may.
These days here have but fleeting smiles
followed soon by this aching pain missing you.
Wishing you were here to share it all.
I'm missing you and my other half.
These days here sweet dear won't pass
until you come back with your light.

These days here sweet dear are filled
with dreams of you and me.
The happiness I know should be
as I hope and pray they'll still be.
I love you babe you are the one
who makes all right in the world.
I pray you see and feel my love
is so very deep and genuine.
You are amazing and these days here
mean nothing without my only one.

These days here sweet one,

what can I say?
They're so empty without you
and there's nothing that can fill that space,
nothing in exsistence can take your place
or make me forget and not think of you.
Kira you're a blessing it is true
and I completely love you.

Michael P. McParland

You're The One

You're the one that holds my heart,
you're as beautiful as the rising sun.
You fill me up with joyful love,
you're the one I keep on fighting for.
You're the one I'll stay true to forevermore,
you're the one that I adore.
You're the one I want so close.
I love you babe because you're the one for me
and without a doubt you matter most.

Michael P. McParland

Forever Close To You

To be close to you is what I want in every way,
in pure love and giving share myself with you.
Feeling closeness I don't want with anyone else,
to be close to you giving kisses pure.
To gaze in your eyes so we can see our souls,
closeness where our spirits touch and truth is known,
A special gift shared and given in true love.

For all eternity I want to be close to you,
hold your hand and forever be your man.
A lifetime by your side and much more,
I love you deeply and I always will.
To be near to you and share such wholesome closeness too
is something I want to give and share with only you.
I want to know your close no matter what,
be it at my side as in our days we run about,
or knowing that I can always cry
upon your shoulder as my rock,
closeness too because our hearts and souls
so crave and need that loving, accepting touch.
I want to know you're always near
and be able to hold you close to me.

Sleepless Night

A sleepless night just lying here in bed,
holding back the tears any way I can.
I come so close to breaking down
just by the drop of a random hat,
I want to let it go but can't.
I miss my one and want her back,
in her arms I could let go and relax.

A sleepless night that stretches on and on,
this pain just deepens far and wide,
an empty pit that confirms the truth I've always known.
That without you I'll never love again
and I'll forever be alone.
I can't love another as I do my Angel,
a sleepless night to sit and ponder.
Will I see you once again?
Do you love me still my only one?
Will we have our chance to be hand in hand?
Will I have the chance to tell and show you all?

A sleepless night and I want you here,
to hold so close and feel you near.
Be surrounded in both our loving warmth,
knowing that I'm wanted and truly loved.
To share with you all I am,
everything I hold is all yours,
my world is open if you'll step through the door.
It's something I want to share with only you.
On this sleepless night so very long
I bask in tender thoughts of you.
I love my sweet Angel dove and want you
to forever be right by my side.
You my darling are my hope and pride.

Thinking Of You 3

Sitting here on my own
thinking of you with a aching smile,
wondering how you are
and hoping that you're okay
feeling the sun and all my loving warmth.
Thinking of you and praying all is well.

Sitting here all by myself
thinking of all the times we had,
thinking of your precious eyes and smile.
I hope so soon I'll get to see them again
and feel all the lonely, longing,
aching pain melt away.
Thinking of you and know you're the one.

Just sitting here quite blue
in my deep need for you
and hoping you know I truly love you so,
wanting to just hold you in my arms
giving all of my love filling us with peace.
I so deeply miss you babe and want you here.
I'll be thinking of you always sweet one
because I love you more than anything.

Michael P. McParland

In Your Arms Tonight

Goodnight my sweet one
and I wish it would be spent
being held in your warm loving arms,
holding and feeling you close,
filled with pure peace in your sweet true love.
Knowing I'm safe and all is good,
to be in your arms and know that I'm loved.

To be in you arms
while I hold you too.
Smiling and sharing sweet kisses so pure,
telling you everything I've had to hold in,
pouring out everything that I've waited years.
To be in your loving arms is all I want,
to be accepted for just who I am.
Goodnight my sweet love
I'd give anything to spend it in your
kind loving arms.

No matter what I send you all of my loving warmth,
to wrap you in comforts of my true heart,
to give you full peace and extra strength,
so you'll know that I've not abandoned you
and I'll forever be here.
I love you my darling and hold you so dear.
I want to hold you in my arms stroking your hair
while I make you feel safe and loved.
I would give everything to spend my life with you.
My sweet Angel dove what are we to do?

Goodnight my true love and sleep well,
dream of us being in each others arms.
Surrounded in love knowing true bliss,
truly feeling safe at last.
We are best friends and true to each other,
we know we want to forever be as a couple.
I love you sweet one and miss you so much,
goodnight my sweet darling
I'm holding you tight within my loving arms and spirit.

Michael P. McParland

Fiercely Aching For You

Fiercely aching for you
and I don't know what to do.
I feel all alone without my one,
I'm homeless and unwanted not being in your arms.
I just lie here most the day long,
unable to read or write at all.
I don't enjoy my movies and hardly smile.
I'm fiercely aching for you
and don't know what to do.

Lying here fiercely aching
longing to hold you very close.
I feel so tired from this broken heart,
I just want to talk and laugh with my one,
hear and read her caring tender words.
I ache for you and I'm so lost
I don't know just what to do.
I'm so alone without my Angels songs,
please hear and feel my heart
as it calls for and to just you.
I'm fiercely aching without you here.

I hope and pray you'll return one day,
so very soon to take each other in our arms.
I love you deeply and I'm aching fiercely
without you to feel in many ways.
I'm all alone here in bed today,
my tears are flowing and my
love for you is ever growing.
I fiercely ache because I miss you babe
you truly are my everything.

Michael P. McParland

Your loving strength
helps get me through so much strife.
I'm also always here for you
and right by your side.
I want to be the hero

Under The Covers 10

Come now sweet lady and let's
crawl together under the covers
and hide beneath them snuggling.
Escape into our own world we've created
and just relax with each other,
look into our eyes and just smile
as we communicate our sweet love
without speaking a word.
Then share some kisses before we again
tightly embrace just snuggling
and talking as we drift off to sleep.
Come now sweet one and with the biggest smiles
crawl under the the covers to just snuggle and nuzzle.
The perfect way to get some needed sleep
is within my sweet Angels arms.

Aching For You

Lying here alone in bed
and inside I'm aching very bad,
I long for you and want you here
to hold and feel you next to me.
To smell your hair and hear you breathe,
feel your heart beating next to me.
To sit and listen as you talk
just getting lost in your beautiful voice.
Enjoy the words and things you have to say.
I ache so very bad and want you here.

Lying here alone in bed wanting
and needing madly to have you near.
The usual releases just won't do.
Only you my dear can help get me through
because it's you I want and long for so very hard.
To have you here and feel your warmth,
to share sweet kisses as we drift off.
I ache so bad to see into your eyes
and say I love you babe I'll never leave.
Will you please marry me?
I ache so hard to have you here.

Lying here in bed like every night all alone
hoping, wishing, praying that you'll soon be here.
I need you dear because my love's sincere,
you complete me in so many ways.
I feel so lost without my Angel Queen,
I want you here to give you everything.
I want to be your man and protect and honor
a beautiful woman as a real man should.
I want to be your King and treat you like
the greatest Queen because you are to me.
I long and ache to feel you next to me,
I want to make you smile while I caress your cheek
looking in your eyes and softly speak
telling you that you are so great
and in my soul I know the truth that you're the best,
no other soul out there can beat you out.

You're my only love and lady without a doubt.

Lying here aching and wanting you so very bad
because you're my Angel and truly rad.
I'll never be able to put in words
just how deeply and intensely I feel for you.
You'll have to look into my eyes and see
the way that I react when you're around,
then you'll see the intense love and need I have for thee.
I want to help you understand and share myself,
gifts I cannot share with anybody else.
Only you my sweet soul mate.
You're my best friend and it feels so great,
each day my love for you grows more vast.
I long for you to be here with me.

I know that this is right
and what I've waited years for.
With my Angel at home
in your arms pressed to your lips
getting lost in the waves of
true love that we share.

You are held so very tight within
my heart and soul forevermore
and I can't wait to seal our bond
within your arms kissing your lips
so passionately and in deep loving care
to show you all the love I feel,
to let you know I'll give you my all
in everything all the time.
You are held tightly within me
and my love pulses with intensity.

I truly long so much to be in your arms
tightly held feeling your lips
against me as we share our loving warmth
giving true reassuring comfort and peace
as I tell you I love you and I will show you.
Soon so soon I pray that I'll be tightly in your arms
my dear sweet Angel and only one.

I Hope And Pray

I hope and pray that you're still there
reading my words listening to me,
seeing that I'm still here and I'll never leave,
I so deeply love you and can't
just walk away and abandon you.
You are the Angel I always prayed and hoped for,
the sweet dove I waited years for.
The sweet Queen I'd wait an eternity for.
I pray you're still here so you can see
I long and work to be able to dry your tears
and heal your broken heart.
I hope and pray I can still be your knight.

Each day I hope and pray that you
are ever healthy and safe fearing nor facing
sickness or troubles that I do not know,
I pray for nothing to hurt you
and I want to be there by your side with you
to always protect and take care.
I want to give you all you deserve,
show you you're beautiful and so very fair.
Be a loyal love and protector,
I'd give or do anything for the fulfillment of my only lady.

and I'm dying inside everyday worrying.
Without you my dear the world is much darker.

I hope and pray that you'll always
remember and have deep faith that I am here for you,
that you will not fear or worry that
at some random point I am leaving.
I hope and pray that if you're ever
confused or unsure of something I do or say
that you will ask me my meaning
because I know I often get confusing.
If I ever hurt you in any way
I want and need to apologize and always correct it.
I don't like my lady hurting at all,
especially by something I did.

I hope and pray to forever do right by you.

I hope and pray you're still there
reading and hearing my words knowing their truth.
I need you sweet one I'm lost without you,
I'm all alone without the one person
who can ever understand or take down my walls.
I hope and pray you know how much you mean to me,
that I've known since the beggining it
was you who would hold my heart through eternity,
that our spirits held something special beyond definition.
I hope and pray that you will
always feel and know of my heart and souls truth.
I love you sweet darling and I always will.
I hope and pray that we won't remain lost
and we'll find the path of everlasting joy and hope.

I Miss You So Very Much

As I've gotten better bit by bit
through this day I've felt your endless love
and I know it's helped me so much.
Not just on this day but many more
and I'm so sincerely and truly
thankful to and for you in everyway.
It makes me miss you even more
wishing I were here in your arms
to tell you all I feel and thank you dear.
I miss you so very much and miss you
my sweet Angel dove I deeply love.

I miss you so very much
and am thankful for being showered in your love.
Do you feel mine and does it
also help you to make it through?
If not than I am failing my Angel true
and that would break my heart and crush my soul.
I miss you so very much
but love you thousands of times more.
I pray my loving strength and warmth
has helped you just as much.

I miss you so very much and life
has lost so much meaning without your gleaming touch,
without your brilliant smile and loving looks.
Have I touched your heart my true love?
I miss you madly and love you even more,
I hope you know how much you mean to me.
I'm truly thankful for all you do and who you are,
I love you sweet darling Kira just for you.
You are my Queen and nothing else or one
will ever do because I want you to be you
as you want because that's the woman I truly love.

I truly miss you so very much
and thank you for all your loving strength,
I've been feeling my health improve bit by bit
and I know it's because in spirit you've been here.

You are my one and only love so true
and I want to spend all eternity with only you.
You are an Angel, you are my light,
I love you Kira dear you truly are all I want.

Michael P. McParland

Maybe I'll See You

Maybe I'll see you so soon my sweet love,
God willing sooner than we've thought
if there truly is any mercy on earth.
Do you believe in miracles and mercy dear one?
This is where so much will hinge for me
my sweet Angel dove if I believe in mercy anymore.

Next month there's a very good chance
I'll be returning to Utah for a week or two.
If God will bless us I will see you
and you'll see me too.
If we see each other at first don't speak,
just let me open my arms out to you
so you can give me the sign you want
me to take hold and pull you in.
Then with tears I'll tell you I love you
and have missed you like hell.
Please forgive me and love me for all time.
If we see each other let's embrace
and talk as long as we can
and if possible only part while we get our
plans and things together at last.

If God will have mercy and bless us so true
maybe we'll see each other so soon.
I swore I would never return there
except to see and be with you my dear one.
Pray with me dear that our dream will come true,
I love you dear Kira and I want to see you.

Michael P. McParland

my head pounding and splitting
with a deep migraine.
So today the doctors for me
to get the medication I need

So I must lay back down
to rest my throbbing head
but wanted to say
good morning my love
and I so wish you were here
to cuddle with while
listening to my soothing
classical music,
I'd ask so lovingly
if you would rub my face
and head to help give relief.

Have a wonderful day my dear one
I truly love you so much.
I'll be holding your hand
the whole day and holding you close.

Michael P. McParland

Feel me so close as I tightly wrap my arms about you,
in spirit with you always I'm by your side

Beautiful One 3

Beautiful one so truly dear to me
I wish you were here to share this eve,
to sit back and read while holding hands.
To put my head upon your loving shoulder
while I close my eyes and lightly drift
while you watch your favorite shows.
Beautiful one a life with you is all I dream.

Beautiful one I adore you in everyway it's true,
I love you so very much you take my breath away.
You don't realize just how pretty you really are,
I want a portrait of my lady to hang
upon my bedroom wall to see everday as I rise,
go about my days, and as I kneel to say my prayers
for you and me before I lie down.
Saying I love you Kira you truly are so grand.
Even after we're reunited I will keep
that portrait to make me smile.

My beautiful one you are my everything,
in my heart and eyes you're the perfect one.

My Angel 3

My Angel so true I deeply love you

You are so truly beautiful and always amaze,
my dear sweet Angel into your eyes I gaze
enraptured by your bright smile in so many ways,
then say I love you my Queen
I want to spend eternity in your arms,
you're everything I want and you have me charmed.
Oh my sweet Angel you're very fine,
I love you sweet Kira I want you to be mine.

Michael P. McParland

So Very Tired

So very tired and want to relax with my lady,
just sit back and snuggle reading listening to music.
Sit in the sunshine by the pool
enjoying the nice breeze of today.
Then a nice late afternoon rest before
I cook her a beautiful dinner,
eating while lovingly holding hands.

So very tired today and just want to relax
with my sweet Angel dove whom I deeply adore,
just relaxing doing only the smallest of chores.
I feel so very tired and miss my one
I wish so very much for a long snuggle with her,
to rest and relax on this tired day.

So very tired and as I go at a medium pace
I dream of my lady and all these beautiful things,
I hope she knows and hears all of my hearts calls.
I long to relax and spend time with my Queen
on this very tired day.
I love you babe.

Michael P. McParland

the greatest woman ever alive.

I didn't sleep so very well
and have a sinus infection that's hell
but I continue on feeling
all of your love and to
make it to the day where I
can everyday give you all of mine.

Have the most beautiful day
and feel me take your hand
and you into my arms,
I will be smiling just
for you my dear one

May the sun shine upon you
giving all of its warmth.
I love you dear Kira you are the best.

Michael P. McParland

Let Us Sleep 2

As I put on some soft soothing classical
let us lay down holding each other to sleep.
First sharing sweet tender kisses
as we just snuggle and nuzzle feeling
glory in being with each other.
Then as you rest your head upon my chest
I'll just stroke your hair as contentedly
we drift off to sleep fulfilled at last.

I pray that so soon we'll find this path
and to calm down in full I'll dream of this.
I love you sweet darling and I'll be here
always for my Queen and Angel.

Aching Severely

Awaking from a couple hours nap
and I dreamed again of losing you,
my worst nightmares haunting me.
I already hurt from missing you,
now severely aching for my darling true.
I ache so bad from missing you,
I severely ache because you're not here
and I truly in every way love you so.

I'm aching so severely and just want
to lie here in bed and cry,
I feel so broken and like death
right now I just want to die.
I miss you darling dear
and ache severely wanting to at least talk to you.
More so though I just want to hold my only one,
be close to you and tell you
of all my love dissolving this severely aching pain.

I just woke up from a nightmare
filled and restless nap.
I can't take losing you in any ways,
I love you babe and want to take your hand,
I junt need your help and meet half way,
my severely aching heart is being crushed
by being all alone within this life,
I just want you here and we can end the strife.
I'm aching fiercely in my missing you,
this seperation of space is pure hell.
I love you Kira and you are the only cure,
I need and want you to end this severely aching hell.

Michael P. McParland

Love Note 226

Oh my sweet love
you're amazing to me,

Hand in hand forever

Oh my sweet Angel
I'm yours for all time.

Michael P. McParland

Thinking

Thinking of all the good times we had,
the conversations and how we'd smile and laugh,
the most loving and deep conversations
with so much depth and true feeling
how they warmed both of our hearts.
There were many where I did break down some walls,
very revealing and private painful things I shared,
stuff that I could only tell you.
I'm thinking of them and I miss it so much.

I'm thinking of the gorgeous and beautiful woman I love,
her name is Kira and she's my sweet Angel dove.
She holds my heart in her tender hands.
I'm thinking about how wonderful and amazing she is,
I'm thinking of those random loving looks
that we could feel pulling at us and we would just smile,
with our eyes and demeanor saying I love you dear one.
We knew in our hearts what all was implied,
we were just kids though and scared to move on,
I'm thinking of it all and wish all the pieces
would now into place fall,
my heart is hurting needing you here.

I'm thinking of my only Angel and how I adore her,
that I miss everything about her,
I don't miss the mistakes that we made
but I'm always thinking how we can get past them and grow
because all of the good is abundant and amazing in every way.
I'm thinking of you my dear Kira and how
I want you with me forever and ever.
I hope you feel all of my love and in spirit
my arms wrapped tightly around you.
I'm always thinking of you my dear one
and feeling endless love in my soul and my heart,
you are amazing and a beautiful woman and soul.
I love you my dear Kira above everything and all.

Michael P. McParland

A Sunshiny Day

It's a sunshiny day over here today
and I wish you were here to go out and play,
just go out for a walk or wrestle
around laughing in the soft green grass.
Sit in the shade holding each other
smiling in complete fufilling peace.
A beautiful sunshiny day
with the beautiful woman I adore in every way.

A sunshiny day to just lay back and think of you,
all the fun that we should be having
and I pray that we will be one day.
Only then will I be smiling in true happiness all the time,
sunshiny days even during the stormy and grays,
today though it is sunny and bright
and I'm wishing I were with my sweet Angel bride.

A sunshiny day and I want to spend it with you.
My sweet beautiful woman where are you
and will you come so soon?
I love you and miss you to not an end,
my sweet dear Kira you're all of my hopes and dreams.
I miss you so much and want to be with you in the sun,
come let me hold you sharing our lives in pure warmth.

Michael P. McParland

Morning Note 85

Good morning sweet love
I have finally arisen
and wish I was holding you and kissing.
The perfect way to start
a day where my body is aching
from being so busy lately
chasing around town
with my nephews,
and being so tired from that
and being sad without you
here in my arms to hold so tight.
I wish you were here to
keep lying in bed for
10 or 15 minutes more
cuddling and kissing.

Feel as I take your
hand in mine and pull
you in for the biggest of hugs,
my prayers and thoughts
are with you the
whole day my sweet love.
Have the greatest of days
and be warmed by the sun.
I love you dear Kira
and if you need anything
I'll be right here for you.

Michael P. McParland

You are my greatest dream and mean everything,
I love you Kira and in the night it's of you I dream,
sending all my loving warmth as my heart calls out.
Do you feel it's loving touch?

forever hand in hand right by my side.
My sweet precious Kira you are my Angel bride.

We both know I'm a bad writer
but you love it so I do it all for you.
I just want to hold your hand
and kiss your loving lips.
Look into those mysterious lovely eyes
and see you smile caressing your soft cheek.
Lying here alone in bed
longing to see the woman I truly love in every single way.

Lying here with a heavy heart
trying not to cry.
Please hear my call and plea my precious one,
I miss you deeply my dear one

as I hold you so close and tight next to me.
Just softly talking sharing kisses so gentle,

Where are you sweet love I need you here?
I want you here in my arms to talk
and tell you everything you want to know.
Where are you sweet love so you can share all?

Why my sweet love all the silence?
How come every time we get started
something comes and derails us?
It's not always been our fault we've been thrown
but we should have and can come through it all.
I love you sweet lady where are you now?
Why can't this all just start flowing our way?
Where are you sweet one I want to take your hand.

Why my sweet love will you not just talk?
I have so much to say and to pour out.
I want to apologize for my wrongs,
and I'm not here to judge for anything.
I just love you my dear where are you now?
Why can't we just come and be as one?
I long and desire to hold you so much,
I love you Kira why is this so hard?

lying in bed as I look in your eyes,
caressing your cheek saying Kira I love you.
You're my Angel and Queen and my everything,
I want to be with you through all time.

I'm so truly sad without you
and if you can't be here by my side
I can hope to dream of you instead.
To hold you so tight giving passionate kisses so deep,
stroking your hair and speaking so light.
I know though that when I awake
my longing will be so much stronger the pain worse.

I truly am so very tired, lonely, and sad,
longing painfully for the Angel I love.
I want and need my only best friend.
To cry on her shoulder and tell her my sorrows,
so many run so very deep and only she
can help heal my wounded soul and heart.
I will do the same for precious, beautiful her,
we need each other so very bad.

My sweet beautiful woman I adore to no end
I only need you to no end.
My heart is yours and calls out so loud
saying Kira my dear I love you so much,
come lay down with me and I'll pull you in close.

Dear One

Dear one the whole time I was out
I thought of you wishing I could hold your hand,
walking through the massive mall
enjoying dinner, stores, and rides galore.
With my nephews and parents there
I enjoyed myself,
but you were missing and that makes me sad,
oh my dear one I want you here so very bad.

Dear one my feet hurt and I'm very tired,
a long night at the Mall of America.
I wish you were here to rub your back and feet,
you deserve the best treatment and tonight you would need it.
I'd rub your tired legs and back,
your swollen feet and aching neck,
and if feeling queasy from the bumpy rides
I'd get you gingerale and rub your tummy till it was well.
I miss you babe and I wish you'd been there.

In summary though I just want you here,
to share such things then end the night
snuggleing smiling and content in each others arms.
To be fulfilled in both our lives

ever so bright filled
with all the love
and warmth I send to you.
Feel as I take your hand
giving it a kiss as
I tightly pull you in
for a tight squeeze
and passionate true love
filled kiss.
How I so deeply adore you.
You'll never be alone
as I will be by your side
forevermore my darling Angel Queen.

As I head out the door
to do some shopping
I wanted to say I love you
my precious beautiful Queen.
I'm so glum without you around
and will be thinking of you
as I'm going about my chores.
God bless you deeply
in every way my sweet dear lady,
I love you so very much
and hope you'll be here soon
to spend our lives and eternity.
I love you Kira and adore you
so very much.

Cloudy Day

A cloudy day here in Minnesota today,
I'm tired and feeling very sad.
Irritable from the loneliness
and so much not going mine or our way.
I wish you were here to give a great big hug,
kiss and talk while we cuddle sweet one.
You are deeply missed and I long
to feel you in my arms and your spirit here.

A gray and cloudy day in Minnesota today,
my heart is heavy and I feel irritable
needing my sweet beautiful woman to hold and talk to.
I miss you sweet lady I so adore.
I wish you'd reach out so we could talk
and share our loving hearts and souls.
You're my lady and I miss you so very much.

A cloudy day here on this sad longing day,
I wish you were here to wrap up with
and brighten everything for us together,
for one another in strength and peace.
Smiling and reassuring of the great love we hold.
I love you Kira and want you in my life
and in my arms to chase away the gray cloudy days
forevermore to never again return.
You are the Angel that brings light sweet one,
I cherish and adore you to no end.

All You Had To Do

All you had to do was talk to me
and we could have seen it through,
but instead you're walking out
when I've tried and worked so hard.
Why couldn't you just talk and understand?
I reached out to take your hand,
I have feelings too sweet lady I love so true.
I'm not a monster so please stop saying that,
I've tried so hard and gave my best.
All you had to do was talk
and our dreams were ours to take,
but instead say hurtful things and walk away.
Now my heart is crushed and so am I.

because I can feel it over here.
Do you know that I can sense you
even oh so far away?
I can and when you're hurting
or angry I feel twice as sad
because I don't like it when
you're sad or mad,
I want you to be happy and smiling.
Believe it or not I want the best
for my sweet Angel dove.

so please stop worrying over that.

Dreaming Of You 7

Dreaming of you sweet one
as I go about doing my chores.
I think of you smiling because you are happy,

it's what I strive to do always.
To make you happy and proud is what I want,
to see you smiling makes me happy at heart.

Dreaming of you and all the best times,
longing so much for our conversations.
Thinking about all the dreams that we share,
knowing that there is a bright future ahead
if we talk and work together as we have before.
I love you sweet lady and it feels so good.

Dreaming of you to help get me through,
I need you so much my sweet Angel dove.

I Hurt 3

I hurt sweet dear so very bad indeed,
I need to talk to you and want to hold you near.
I need you to know that when you blocked me
early this week it truly broke my heart.
I love you so very much
and want to give you my best and all.
Without you around I hurt in full sweet one.

Life without you is so full of pain,
very bland and very plain,
you give it the taste, color, and vibrance
that all life needs to make it grand.
Without you sweet dear I hurt so very bad,
I need you here with me
because I love you more than anything.

I hurt without you dear
and have just spent the past four days in bed,
I barely eat and either sleep for long stretchs
or I can't sleep at all.
The only reason I'm up today is because I have to be
and the aching is non stop.
I still smile thinking of you
because you are so beautiful and I love you,
that's why I ache because I miss the woman
I love above all else in heaven or on earth.

I miss you Kira my special Queen,
I miss you my Angel so very bright and true.
I hurt all alone and want you here to hold,
to see your precious smile and look at you,
tell you I love you and want to spend eternity
by your side forevermore hand in hand,
because you are my only one and best friend.

Michael P. McParland

Have Faith In Me

Have faith sweet one in all my dedication,
have faith that I will never leave you all alone
because I don't want to see you hurt.
I love you so very much and give you all of my support,
I want you here beside me everyday because you light me up.
You are my greatest Angel dear and I love you so.

Have faith sweet one that I have worked so hard,
on all that I have needed to and continue to as well.
I would never tell you I am perfect dear
because I still have so far to go.
Improvement is a constant thing and I want to
keep on getting better for both you and me.
Please have faith sweet one because I love you dear.

Have faith sweet one that I have done all I know to do,
I need you to reach out now so we can sit and talk.
I want to look you in the eye so you will know my truth,
I want to see my beautiful woman once again
and give you the sweetest kisses too.
Please have faith sweet one that if I knew what more to do
I would have already done it.
I'm in epic pain being so far away because I love you dear.

Have faith sweet one I humbly ask you so.
The bond and love we share are deeply sacred dear,
we've felt this love so very long
and we want the best for the other I know it's so.
Please come take my hand and we'll share our faith
through all time and space.
I love you Kira and I have deep faith in you in every way,
I know you are the one for me

earlier but closed my eyes
for a minute and fell back asleep,
I've just arisen and I am sorry
I have not written sooner.
I truly love you so very much
and feel awful.
Still a very busy evening and
night ahead for me as
my nephews will be here tomorrow
and I have a lot to get ready.
Thinking of you will help me smile
and keep the time moving
a whole lot faster.
You help me in ways you cannot
possibly guess.
I love you sweet lady
you are the best.

Remember and feel that
I am with you always
whereever you are
and that I will not
leave you alone.

about things that I have promised you.
I am always here for
my sweet Angel Queen.
You truly are my everything,
hand in hand through all time
full of epic beaming pride.
I love you Kira you are my one.

Close your eyes and
reach out your hand,
feel mine in yours as
you see me smiling
with my eyes wide open
in love hiding nothing.
Sweet precious Kira
I love you so much
and you are my everything.
Come take my hand
and spend eternity with me
my sweet precious woman.

Michael P. McParland

Hello Mee Too

Hello Mee Too I miss you so much
a dear friend I lost one year ago,
a deep misunderstanding led to horrible words.
I've missed you so deeply ever since.
Everyday I hope and pray that you will come back,
I hope that you still read all my work.
You helped with the bad times and cheered me up.
To me you truly mean lots.

I wanted to tell you hello
and that I miss you Mee Too
please come back.

Michael P. McParland

Quietly Talk

Sweet lady let's find a quiet place and just talk,
holding hands and looking into each others eyes.
I have nothing to hide nor do I want to,
I want you to look into them and see everything.
It will be so hard for me to release
but I love you and trust you and I want to so bad.
Let's find a private place to just sit and talk,
where we can hold each other and do our needed crying.
Come let me show you all that is held within these walls.

I want you to share with me all that you hold,
I've been dying so long to know you in whole.
Your past and your present, your dreams for the future,
please let me see all my beautiful woman I love so dearly.
Come take my hand and we'll quietly sit

just staying in bed eating hardly a thing
and just getting sick when I force myself too.
I truly need you my sweet Angel dove.
Come let me hold you and release myself,
then please give me that same cherished thing in return.
I love you so deeply my whole body aches,
come get me sweet lady I need you so much.

Morning Note 77

Good morning sweet love
I pray you are well
and feeling all of my love.
I hope you got some good sleep
so you will be well rested
and healthy.
I worry about you in every way,
don't tell me I shouldn't
it's because I love you so deep.

My sleep was very little
and extremely restless,
I feel exhausted throughout
my entire body,
thoughts of you are
helping pull me through.
You are my Angel and give me hope,
even though I deeply fear
that you're pulling away.
I'll always have hope
and be by your side,
I won't leave you
abandoned and cold.
You're too important
and special to me my sweet one.
So let's start this morning with
a great big kiss and hug.
Let it fill us both
with peace and warmth.

My thoughts and prayers
will be with you throughout the day.
After this as I close
my eyes for a bit more I'll
be wishing you were right here
to hold before we had to
get up and truly start our day.
To just hold you I know
would give me peaceful sleep.

May you feel the warmth
of the sun as it shines upon you,
it is my love sent as message,
to tell you I love you
and adore you so very much.
To feel and know the truth of my heart,
that you are it's holder forevermore.
Feel my arms wrap so
tightly in love around you,
with a great big kiss of passion
remember you're not alone,
I love you sweet Angel
and I'm always here
and in spirit forever
right by your side.

Michael P. McParland

Sleep Well Sweet Kira

Goodnight dear Kira and sleep well.
I have another migraine and I feel sick,
my heart is in agony as well.
I wish you were here to lay down with me
and if you wanted to rub my face and head,
bring me ultimate comfort in that soothing
action as well as you being here.
I love you so much and through the night
my arms will be wrapped around you so very tight.

Sleep well sweet Kira this headache
is getting much worse,
say a prayer for me dear that it will go soon.
I'll see you tonight in the land of dreams

Lying In Bed

Lying here in bed and I still haven't slept,
I've been up for close to 22 hours now.
I just want you here by me in my arms,
spooning holding you tight.
Just having my lady right here with me,
that's all I want is to lay here
listening to beautiful music with you.
A dream of mine I pray will be real,
so soon my sweet love I need you bad.

Lying here thinking of all the good times we've had,
smiling thinking of all the love for me you've always held.
I hope you think of all the love I hold too
and feel every bit that I send to you in return.
Lying here now I can feel you so close
and I always pray you'll feel me there too.
I'm with you always my sweet Angel true,
I love you so much and want you to know.

Lying here still trying to sleep
dreaming of you my sweet Angel dove,

I'm here for you my lady you're not alone.
Come take my hand and don't push me away,
let me show you my love and how much I care.

Good morning sweet love
I hope you slept well
and had the most beautiful of dreams.
I was thinking of you
through the night sending
my deepest warmth and love.
I did not sleep a wink
through the whole night
but as I close my eyes
and wanted to tell you
I love you and to have
the best of days.

Feel me there always
beside you holding you close
hand in hand,
feel all the smiling kisses I send.
Feel the suns warmth as
it is a symbol of my loving heart,

Will you come snuggle with me sweet one?
Wrap me in your arms and say it's alright,
that we can just stay like this now and talk
reveling in the loving care that we hold.
That you know I'll never leave you alone
and that you'll never leave me behind either.
Please come and snuggle so we can reassure each other.

Will you come snuggle and hold me so tight?
Then I can stroke your hair and release my all,
show you my soul through my words and eyes,
look right into them and you'll see no lies.
Then I'll push back your hair and caress your cheek
just before I lean in for a passionate kiss so very deep.
Release all my love into that one single kiss
to show the power of this amazement for you that I hold,
then just pull you in close to feel you near
and say I love you dear darling Kira you're my Angel best friend.

Will you come snuggle and we'll comfort each other?
Help give our hearts and souls needed comfort.
I know that we can find our way there if we
just talk and look in each others eyes.

Lying Here Crying

Lying here crying longing for you,
I yearn for your touch being held in your arms,
to just snuggle and nuzzle
as I hide from the world crying
face buried in your loving shoulder,
but alone here I am lying in bed crying
wishing for death.

I pray to God to just fall asleep
then quietly slip into peace,
where the loneliness ends.
I still would not leave you
because from heaven I would
assurdely be watching over you

I will never leave you no matter the situation,
I love you so much so I'm lying here crying
wishing that I were here with you.

So this is my night as has been my day,
lying in bed crying needing you here.

and that's why I'm crying.

To treat you in every way a beautiful woman deserves,

Solitary Confinement

It's solitary confinement in my heart and soul
without you here my dear one,
I'm so very lonely without you.
In a confined space all by myself without
you in my arms to kiss and talk to.
Solitary confinement without you talking to me,
I don't know what to do and feel broken
without you my sweet one.

Solitary confinement in this hell
without my special Angel here,
having done everything I know to do.
A solitary hell knowing that you hurt too
but don't always believe how my heart bleeds for you.
That I'd give anything to have you here
holding you close comforting you.
To have the fun times in every way,
that I ache so bad to have you here.
A solitary hell that drives me mad.

Solitary confinement where I think of
suicide more and more each day you're away,
a life long bipolar problem which I was 8
the first time the loneliness drove me that way,
but I hold on in hopes of being in your arms.
Solitary confinement without you here breaks my heart.
I love you Kira you're my one.

This solitary confinement drives me madder still
that I feel like I'm cracking wider still,
I love you and you make me whole,
when you listen, talk, and understand I feel so good,
I long to give that all back to you.
You're my darling sweet Queen of mine.
This solitary confinement is pain in full my precious one.

So come so soon and we'll free ourselves,
share our lives giving up this heaviness.

Sweet darling Kira
I love you so very much.
I wish you were here to keep
me company as this night goes on.
I'm intensely lonely and drunk,
life means little without you.
If it weren't for my music
and still having hope
I'd give up.
I need you here in my arms,
you're so very special to me.
I just want you to know you're loved
and I am here for you forever
no matter what.
You are my Angel and my Queen,
my everything.
Kira sweet lady please come be with me.

Michael P. McParland

Precious Darling

My precious darling Kira you are a gift to me,
the only person who could so capture me,
an Angel blessing upon the earth.
You are a wondorous miracle when you
leave yourself open to all understanding.
A loving woman so full of giving,
please talk to me and give me full understanding.
There is but very little I can do this way.
I know when you understand your heart
is the most open and understanding.
Online is destroying a love so pure
that the devil is having his way.
We are a love story of the ages that jealoust destroys.
Why do that to ourselves.
Kira my precious darling I've done what I know,
please my precious Queen come to me.
You are my everything.

Kira my precious darling I want to hold you and help you,
I don't know what more I can say here,
you're a beautiful woman I adore and desire
in the afterlife to stand with before God and ask for eternity.
You're the greatest damn woman alive to me
and my precious darling and I hurt for thee.
Please hear my plea because I love you sweet lady.

Michael P. McParland

No Matter What You Say

No matter what you say sweet one
I love you more everyday.
I'm trying my best to navigate a blind maze
and it's hurting me badly for you
to not talk and get upset when I get lost.
I'm not yelling just telling you how I feel.

No matter what you say I care and I love you,
I'm right here and I need your guidance sweet one.
Talk and help me don't just assume,
this hurts me immensely for you to say I'm cold hearted.
look at all that I've said and done.

No matter what you say I love you deeply,
I would have walked away if I did not.
I hurt too and want to show you all,
I've given the best that I have.
So my sweet darling I love you so much
and no matter what you say or think
that is the truth.

Michael P. McParland

My Darling One 3

My darling one I love you so much
and go by the best understandings I have,
I felt rejected yesterday as well.
I am very observant and intelligent in much
yet in others you would be amazed at
how very confused I get.
I never feel desire to hurt you
and I hope you know truly in your heart that is so.
I need you in my life and arms,
you're my Angel Queen and my everything.
I would never hurt you intentionally.
I get deeply hurt by things too
and talking brings understanding that avoids
wrongful hurting from all parties,
and neither of us would ever hurt each other intentionally.

My darling one Kira I have so much to share as do you,
let us come together as I would never reject you,
I understand how hard it is but we deserve our happiness.
Come my sweet darling one and take my hand,
let me hold you as you look in my eyes and see my soul.
I want and need to show it all to you,
it is full of hurt and scars that only you can help heal,
I want you by my side forevermore.
If I ever lose you I've always known the score,
I can't live without my soul mate, Angel, Queen,
hero and best friend, you my sweet dear darling Kira are my everything.

My only darling love Kira if you could
see and feel this heart right now
you would know such the horrible ache it feels,
being away from you is pure hell noone deserves
and how much my love flows,
I feel and know your ache and for you to hurt makes
my heart and soul scream in agony.
You are my amazing woman and Angel from heaven
and I desire you you in every way in purity for higher planes.
My only darling Kira I love you please come to me.

Michael P. McParland

A Peaceful Sunday Night

A peaceful Sunday night in your arms
sitting watching TV or a movie,
or just as good reading a book
would be the ideal way to end the weekend,
it would make facing another week
not just seem less bleak but be
a pleasureable thing because knowing
I'd be with you in your arms anytime
would make my life and soul happier.
A peaceful Sunday night with you
would be pure heaven.

A peaceful Sunday night with my Kira,
what a pleasent dream and delight
that noone else could ever provide,
nothing could compare to time with you,
I've always felt happy and whole with you
and this Sunday night would be grand
spent only with you.
A peaceful one with my only one,
feeling peaceful and content as one
with the greatest lady ever known.
Oh my sweet Kira you're the greatest girl,
my Angel and Queen so truly supreme.

A peaceful Sunday with you in my arms,
I dream of that now my dear one

Michael P. McParland

Love Note 200

Hello my tender Angel of love
I hope you are having the
happiest and brightest of days.
Thank you as always for your
kind loving understanding
because it truly means everything.

I was so truly exhausted last night
for when having gone to bed I had
only gotten 3 and a half hours of rest
in the 54 hours past and it was
all in the beautiful rest
which you brought me peace,
so I finally went out in the deepest last night,
I wish truly I could have
written you through the night.
Truly thank you sweet one for your
understanding heart and soul,
and as I get going more and more
as always I will give you my very best
to show my true loving heart and soul
which you feel always because you hold
and I'm so very proud that you do.

I love you Kira my dear precious Angel
and I will now get up more and
do what needs doing and as the day
goes my mind will be moving finding
beautiful things for my woman.
I'll be with you also in spirit,
so here's a big kiss of pure
passion and feel the devotion
and all my dedication.
With a big smile I love you babe.
I'm always here for you no matter what.

Michael P. McParland

Goodnight My Queen

Goodnight my fair Queen I am exhausted
and so badly need the sleep.
I know you understand but still
I apologize for a shorter goodnight,
feel my arms wrap around you so tightly
as I kiss you and say I love you,
you are the greatest woman
and tonight feel my heart sing for you.

Goodnight my Queen Kira
please come and hold me as we
snuggle this whole night away
and as we drift I'll just tell you
how you are my everything and sweet lady.
Goodnight my sweet Kira
and I promise to see you in the land of dreams,
I so deeply wish you were here.
A zillion kisses to you my Queen.

Michael P. McParland

Calming Night With You

A heavy storm outside has just begun
and sweet lady I wish that I could
spend it with you just cuddled up in bed
talking and kissing throughout.
I'd hold you so tight from any frights.
I wish so very much you were here for a calming night,
to just curl up together as one.
I need so badly to be with my only one.

A calming night with you is my greatest prayer
and it's all that I want is to have you here,
to kiss you and hold you and say Kira I love you
would be the most calming night I could imagine
yet feeling your love and you in my heart
I know I'll make it even though for you I'll be aching.

A calming night is what I'll be dreaming of,
an entire night here spent just with you.
I love you so much and want you to know
that you my sweet darling Kira are the greatest of all.

Michael P. McParland

Evening Note 55

Good evening my love
I'm sorry I'm so quiet
my mind is just very jammed up
and distracted,
I truly in my heart and soul so far
have wanted to write you much more.
I apologize my dear truly
I had intended better
and feel sad I could not show
you better more of my love.
I know you know and feel all
of my dedicated love as I feel yours,
it's the most dedicated in the world.

No matter the circumstance though
I am with you always in
heart mind and soul,
you're my dear Queen Angel.
I know you feel it and I know
you believe and trust me,
but reassurance in words is
also a good thing to be given.
Words of love are as important as actions.
That's something we both understand
in our true love and having
been used because of our caring souls.

I love you dearly sweet lady
and am with you always,
here's the biggest, deepest,
passionate kiss and tight hug for you sweet one.
You truly are so beautiful
and to anyone who ever told you different
I want to beat them up
for saying such hurtful lies.
You're a blessing and gift from God,
everything a real man
could need and want.
The world just lacks on what

real men are and wonderful
women have suffered,
sadly most of all you've been hurt.

I love you Kira my Angel Queen
and I need you more than
anyone can know.
You are truly the medicine my
heart and soul need.
You truly are the greatest
and I will stick by
and protect you forever.

Michael P. McParland

Come Sit 2

Come sit with me dear on
this evening of loving need,
I want you here to spend time
holding each other so very tight
keeping each other feel so very
safe and warm.
Please my sweet lady come sit with me.

I feel overwhelmed and very alone
and I desire to have you here at my side
holding hands as we just enjoy our love,
kissing and talking, reading and watching films,
everythying is easy and possible
when you are with me.
Just spending time is my desire and need.
Please my sweet darling come sit with me?

You are so strong and your love is amazing
and it's that I am so in need of,
your support and your caring,
your tender concern that help make me feel so calm,
I want you here to sit by me.
Supporting and helping each other with love,
always there with a helping hand.
Sweet lady what we have is so very amazing,
so please come sit with me and
we'll make it as always together.
A night with you just casually sitting
and talking would be a dream my dear Angel.
So come take my hand and I'll pull you in
then together let a fun night begin.
I love you sweet Kira my heart is singing for you.

Michael P. McParland

A Beautiful Rest

Sweet lady I know you were here
with me in spirit because I could so deeply feel you
whith the comfort you brought me.
I had barely slept in the last two days
and when I laid down wrapping up in my blanket
I felt your loving calm surround me in full
and feeling you holding me I slept for a bit finally.
You are my sweet Angel Queen.

A beautiful rest finally set in my sweet dear
and you made it beautiful in spirit and dreams,
of the dreams I recall only that you were there in my arms
as we cried tears of pure joy while laughing in happiness too
that we were together where we always wanted to be.
Then we gently kissed and gazed at each other smiling bright.
With the dream and your arms in spirit about me
it was a beautiful rest and I thank thee sweet lady.
You are so truly amazing.

A beautiful rest my sweet darling that will
help carry me through this late afternoon
and late evening which is so needed since
for the next two weeks I am here alone
and must take care of everything.
A beautiful rest providing rest and strength
which you so deeply helped.
I love you Kira for you truly are the best.

Michael P. McParland

Come Wrap Up

Come wrap up with me in a blanket sweet dear
and lie down to snuggle and kiss before we rest,
I've not slept very well these last few days
and I need a nap to recharge,
I'm feeling very exhausted and wiped out.
Just a rest though my dear and I want
to do it wrapped up with my love in a blanket.

Come wrap up and as we drift closer to sleep
we'll just snuggle sharing kisses and
possibly even satisfying our tingles.
Then rest in true love and feel peace
in our arms.
Come wrap up in my orange fuzzy comforter.
I love you darling and I'm dying to cuddle.

So please my sweet lady and come wrap up with me,
I know we both need the sleep and
we will find our greatest safety and solace
wrapped up together arm in arm so unseperable.
I love you sweet Kira and want to
get this much needed sleep with my lady.

Michael P. McParland

You Are True Sweetness

You are sweetness personified my love
and I adore you so very much,
I just want to hold you and kiss you forever,
I love you so much and in this life
in every way I want to experience
it all with you.

I yearn so deeply to share in that special way
and all others great things only with you.
My sweet darling Angel you are true sweetness
and a magnificent woman whose love I deeply cherish.
I pray I have shown that I know of your love
because I feel it with me everywhere I go,
I can feel your soft precious hand wrapped in mine.
I know your love is just as true and strong.

You are true sweetness and I am
truly so lucky to have such a beautiful Angel.
One who adores me as I adore her,
and is understanding of all my odd ways,
you are true sweetness my love
and Kira I'll spend eternity thanking you
and always giving my very best.
Kira you are such sweetness with dear tenderness
when I finally see I'm going to kiss you and hold you forever,
you are the sweetness of great woman I dream of.

Michael P. McParland

A Beautiful Walk 2

I've just returned from the most beautiful walk
and in my heart and mind beautiful lady I spent it with you.
Hand in hand smiling admiring the surroundings
and getting lost in the love we have for each other.
A beautiful walk with a beautiful lady.

A beautiful walk reminicing on you and us
all of the good times we had.
When we've worked through the bad they'll
no longer matter beyond the lessons we've learned
so I just dreamed of you and our beautiful future,
a lifetime of true love with my sweet dear Angel.

I sent you so very many messages of love
and I pray that you recieved them all
being filled with warmth and peace
feeling the pure truth of my hearts
desires and intents.
On my beautiful walk my heart sang to you
in full rythm and voice all of the adoration I hold.

As I now lie down for a short bit
to let my body rest and cool down
I'll be dreaming of us snuggling now,
just basking in the glow of our sacred bond
and feeling whole being with you.
I love you sweet Kira and you are so beautiful
I can't wait to take beautiful walks
and cuddle up because you are the greatest my one.

Michael P. McParland

A Beautiful Walk

A little chilly this morning
but in a short bit I will go for a
walk on this beautiful day
to think, remember, smile about you.
Laugh remembering the good and funny times,
not wallowing in the bad ones
but think of their lessons so as
not to make the same mistakes again.
Here very shortly a beautiful walk
to think about beautiful you.

A beautiful walk to clear the distractions
and put us better in tune,
I'll be sending you many messages of love
while I am out my dear so feel them
strong and watch out for all the
kisses, smiles, and hugs they bring.

So shortly as I embark on my beautiful walk
I'll ask Kira are you ready?
Then reach for your hand in spirit
and all the while holding it look at the flowers,
the ducks and geese, all the wonders surrounding
thinking of my beautiful lady
my heart being filled even more with the love that I hold.
Know that I am with you and that I know you're with me.

So very shortly my dear make sure you
are ready for all my messages of love
and hear my hearts songs
saying Kira I love you sweet one.
Let us talk so very soon and find
our way to our eternal path and home
sealed in our true everlasting love.

Michael P. McParland

Slow Start Today

Slow start to the morning sweet one
but I'll get up to speed I promise.
I say this with a smile of love
that I know would make you laugh,
not in a mean way of course but
a laugh of love in the humor we share,
and because you know I'm cheesy dear.

A slow start to this morning and
trying to get going,
my engine keeps firing then chocking.
I'll feel I'm awake then like
I'm ready to go back to sleep.
A slow start to the morning
I promise you dear that I'll get there.

I love you tons and want to give my best and all,
so I'm trying to rev up my engines to peak
but some mornings it's like a diesel grind,
it takes a while for everything to get going.

A slow start to the day but will
pick up its speed.
I love you sweet darling and I'll be
dreaming of and writing for you through the day,
you are the beauty that brings inspiration my way,
so when I find the best words I put them down
so a slow start to the day but I get there.
I love you sweet lady you are amazing.

Michael P. McParland

I Miss You So Badly

I miss you so badly and am aching fiercely,
I would give anything to be with my lady.
I want to have you here in my arms
telling you I love you while holding you tight.
I miss you so badly and not just tonight,
I miss you badly every minute of life.

I miss you so badly and all that we shared,
I miss talking and laughing over everything,
our little sayings and our little jokes.
I miss them and you so very much,
all the small things were truly the big,
because through them we showed our love
and it was so deeply felt.
I miss you so badly my only one.

I think back through the time we've known each other
and I miss looking at you randomly and
all of a sudden we'd both start smiling.
We didn't know it then but we were saying I love you,
in those looks were pure adoration
and the true love we've always carried.
I miss you so badly and my heart's in agony.

I miss you so badly and you need to know it
so you'll know that I care in the ways that I've said it,
and my sweet darling Kira I do my best to always show it
because you are amazing and deserve the best of everything.
I would never besmirch you or insult you by giving you any less.
I miss you sweet Kira and love you so much.

I miss you so badly and want you here to show you all,
that my heart is pure and intentions are best,
that I would never lie to you or try to hurt you some way.
I love you so deeply my best friend.
I miss you so badly my Kira and I need you here.

although I almost always do,
but today is worse and I want
you here to hold each other and converse.
Just spend time with each other
getting lost in our fun
just like we always did.
I'm incredibly lonely and I'd
give anything to have you here with me.

Sitting here lonely and feeling quite sad,
I wish my lady was here to hold and to kiss,
just spend the day as the lovers we are
sharing everything that we love
and fulfilling all of our needs.
I'm feeling so lonely sweet one
please come and sit with me.

I'm feeling so lonely
and everything seems so boring
just talking to you would make life better,

long for your sweet precious smile.
Your sparkling eyes pierceing right through me
making me feel all happy and tingly.

The Most Beautiful

Ah right now on my computer
the most beautiful song plays,
and through my mind memories
of you my sweet sweet Kira
lady so fair and fine play as well.
Divinity, divinity.
Dear God how you've created such beauty.

Michael P. McParland

Evening Note 52

Good evening sweet dear of mine
I hope your day has been grand.
I wish you were here with me as
I listen to all my new Falco albums.
You know how much music
means to me sweet one.
Almost as much as you but I
would give up these heavenly sounds
for my heavenly Angel earth bound.
Together though is true ecstasy
unchained I can't describe.

I just wanted you to know
that I love you my sweet
and that once again you are my everything.
I'll be thinking of you
my dear sweet Kira and
I'll write so much more for you
as the night goes along.
I love you and you simply are
amazing my sweet dear.

Dreaming Of You 6

As I rested through this afternoon
and drifted in and out of waking sleep
it was of you my sweet darling I dreamed.
I just held you close as we looked each other in the face,
smiling with our eyes and mouths,
I caressed your cheek and just admired you.
A beautiful dream to be in reality conceived.

The most beautiful dream my dear Kira can you see?
Just looking at each other in our pure love.
Wrapped in our arms no more needed it was just us two.
Don't you see and feel from me that this is
what I truly want and need?
To just hold and be held by my lady as we gaze at each other
feeling all the love we hold for each other.
Being with my only Angel.

As I rested dear and dreamed this blissful dream
I know that it is and soon needs to be our reality.
I want you here to hold and your cheek caress,
just look in your eyes and know I'm with the very best.
To see that beaming smile of a God blessed Angel
who is a gift to this world and to me.
I dream of us my sweet Angel dove and I need for
you to soon be here within my arms.
You are my hopes, you are my dreams.
Kira my sweet love, you truly are everything to me.

Michael P. McParland

Snuggle 20

Time for a few hours light rest my dear
so would you come snuggle with me?
I want nothing more than to slide
under the covers and snuggle with my sweet lady
kissing smiling and laughing together.
You are my beauty and everything,
come snuggle with me Kira and rest for awhile.
I love you dear one so come and I'll
wrap you up in my loving arms kiss you
and we'll drift for a couple of hours.

Michael P. McParland

Love Note 191

Good afternoon my sweet love

I've went about my meanderings here,
and my heart has beaten in love
solely for you.

I am always with you sweet love
please remember, hand in hand
step by step every way every day
you are the love of my life beautiful one.
I hope to have you here in my arms very soon.

Have the most wonderful of afternoons

Michael P. McParland

I Want To Be

I want to be with you always no matter what,
no matter the experience or time frame
I want to be with and there for you.
No matter what I want and need to be there for you.

I want to be there when you cry to comfort,
I want to be there when you smile or laugh
so we can share that experience and look back.
I want to be there as your rock in every place
to stand for and defend you.
I want to be the man who learns about
and knows you best.

I want to be there for you always should
you ever need my help and strength
be it in just a odd situation or
against a vile person so I can strike them
down rightly for my most beloved woman.
I want to be there no matter what.

I care about and love you more than anything.
Do you really understand what's in my heart
and soul for you fair lady?
I hold back so often because my passion
is so unbriddled I want to cry in its intenese giving.
I want to be there with you as your lover,
your protecter, your equal, as the person whom you share everything.
Not as a ruler, a conquerer, or headmaster.
To rule you would be vile and repulsive because you
are a magnificent independent woman.
I want to be there to share a real life of love and pleasure.

I want to be the one you turn to and need
as I will always turn to you in love, need and giving.
I love and desire you my precious jewel you are
everything I can desire in your beauty and loving heart,
Kira dear I want to always be by your Angelic side.
You are my one, you are my Queen.
I want to be there to share everything.

Michael P. McParland

you and my music have helped me smile today.
My beautiful one how divine you truly are,
I adore you hi and low near and far,
you are my everything sweet lady and Angel from on high.

My beautiful one without you
I'd be lost in a meaningless life,
no reason, no hope, no real light,
just my addictions to keep my afloat.

I will spend an eternity thanking you again and again.
You are so damn beautiful and amazing.

My beautiful one please come take
my hand and let me wrap you up,

Good morning Kira sweet love of mine.
I hope you slept well and through
the night felt all of my kind

this whole day and everyday
through your life sweet one,
you are never alone and you
never will be again,
so please my love I beg you
that when you're in need to give me a call,
I've done much for those I
cared far less for so only
imagine what I'd give for you.
Stop hesitating in fear or
other thoughts I cannot fathom.
Kira you are mine and I am yours
in a way no other person can conceieve.
I love you so very very much
my heart is broken being just
feet from you.

Have a bright warm sunny day

my hand in yours,
I'm always watching out for you.
For those who have hurt you in life

I can't describe my sorrow and
hellacious fury at them
your heart is the greatest treasure
to me there will ever be.
Know I am with you always sweet love
and though it may not always be
evident or can I here voice it
my heart and love for you is
earth shattering.
For me to express its full power
would make me scream in emotions release.
You are the Queen of all and
I hate others seeing it because
it's so sacred.
I love you Kira.

So please have a good day
and come back soon to me.
I need you in every way,
your what has given my heart
its reason to care and love,
continuing to beat for so very long.
I forsake all others that way

Come let me release this earthquake
of celestial emotion in your arms so soon my one.
Kira I love you to no end,
you're a miracle to me.

Michael P. McParland

Night Note 85

Hello my sweet love
how goes your night
my dear Queen?
I'm just sitting here
flashing through the net
listening to Falcos album Emotional
and it's on your song
Star Of Moon And Sun.
You are so amazing to me dear one,
I love you so much
and for you my heart aches.

I love you sweet one and soon
I'm going to go out and sit
thinking about you being with me
as we'd just cuddle, share some food,
and greatest of all just spend time.
You're all my greatest, brightest,
most wanted and needed hopes and dreams.
Oh my sweet sweet Kira
you are my everything.
I wanted to say I love you
and I'm sorry if you're angry at me
in any way for anything
and please don't be because I
truly don't mean to as my every
action for you is to try and help
you understand my oddity, or make
you proud and happy.
If you're upset I'm crushed
because you're my pride and joy.
The Angel and apple of my eye.
Forget all haters who mock me on here
because I continue on for you.
You're the crown jewel of my heart.
Kira you're supreme and a gift from God
whom I deeply love.

I hope you're okay and feel

me there by your side.
In a little over three days
it's just me and the cats for two weeks
and I'd give anything to have you here
making life happy, bright and fair
my sweet dear Queen.
So please feel my hand in yours
and remember I'll never leave you.
I love you Kira and you are my
very essence heart and soul.

Michael P. McParland

Come Sit

Come sit with me sweet one
and instead of sleep watch
some of an old favorite Home Improvement.
I need a night of comfort with you
and food for the soul.
Ramen tonight which may seem trite
but it's good for the stomach and soul.
Come sit with me my only one.

Come sit with me sweet Kira love
because I just want to look at you
in awe and wonder of your beauty,
wondering how a brute like me recieved the love
of an Angel and wonder, how she could find me handsome.
Just look at you and think of how blssed I am.
I love you Kira Petranovich please come sit with
and hold this loving man.

Come sit with me please sweet one and spend time.
Can't you see that's most important to me?
Yes making love and other stuff is grand
but I only want to be with you and spend time,
glory in your shining loving spirit
feeling and knowing through you I'm a good man
and worth something.
Please come sit with me and we'll just do something.

Come sit with me for awhile please sweet one
and come cuddle the night through,
I need you and you don't know how bad I hurt inside,
I'm weeping in agony without at least your words,
without your loving arms around me and your sweet lips on mine.
Without you here to share everything in our lives,
without you I'm falling apart more and more
and seriously with no exageration dying bit by bit.
A soul like mine without his love is nothing and cannot exist.
I love and need you my only sweet darling Kira
so tonight for a while please come and sit.

Michael P. McParland

Crying In Bed 2

Sweet lady love and light
of my life I miss you so.
Where are you now one I so adore?
I lie in bed with tears streaming
out of my lonely eyes in need of you.
I can't sleep now and the nightmares have returned,
a night spent crying in bed longing for my one.

I miss you my sweet lady love and need you here with me
side by side your head upon my chest as I stroke your hair,
then my tears will be from contented peaceful joy
knowing you are in my arms to give all my lifes love.
Instead tonight a tired mind, tired body, aching body,
aching heart crying in bed alone.
I so badly need you.

Come darling and dry my tears and I'll dry yours too,
I'm sick of all the distance and lonliness too,
so many many nights crying in bed I've never told you,
I feel broken inside I want and need you to be put back together,
you're all I want and need in this life my dear
so please please please come hold me close tonight
and tell me that everything is alright.
Come lie beside me and help me stop crying in bed tonight
because I love you madly Kira and you're my everything and universe.

Michael P. McParland

Goodnight My Precious One

Goodnight my precious one I love you so much,

I'll be holding you through the entire night
saying I love you sweet Kira you are my guiding light,
I'm breaking down and losing it without you at my side.
You are my everything my sweet Angel Bride.

I'll see you within the land of dreams where we
can just lay down on a big blaket on a boat
watching the amazing moon and stars.
As we just hold each other talking and kissing,
I miss you Kira and this I pray will soon be reality.

Goodnight my precious one I'm sending you all
of my loving care and deep warmth.
I miss you so much my Angell of light

My Beautiful One

My beautiful one as I'm about
to lie back down for a bit more rest
I was looking at your picture and
you're so very beautiful and the very best.
I need to print your picture out
so I can hug that till you're here.

My beautiful one I love you so and
as I lie down I'd give anything to have you here,
to cuddle kiss and talk a bit.
Just be with you that's all I want.
You make me smile you make me golw.
I love you Kira.
Where are you?

Michael P. McParland

Only You 2

Only you sweet Kira could grab my heart in such a way,
only you my sweet sweet Kira could take me away.
I give myself to you in full as a man so deep in love,
only you could ever hold my heart for so very long,
only you could get a lone wolf to say I am yours
and yours alone for eternity side by side.

Oh my sweet eternal darling you are the Angel who
God has blessed and gifted to this world
but to me ever so much more into my aching life.
For as much as I had always tried to find other friends
I found very few and after New York as a child
until you a true one I could not find.
Only you could accept and love this flawed man,
and I love only you Kira from heaven beautiful.

Sweet sweet Kira in my eyes it's only you forevermore,
you are my heart and souls true desire.
The tears I weep for you are from the deepest love
that only you and God can ever truly understand.
Only you have the hopes outside of two, my parents,
of understanding why my mind and heart do as they do.
Oh my sweet sweet dear Kira I love only you.

Michael P. McParland

Dreaming 2

As I lay here resting on this evening at hand
it's you I'm dreaming of my only one,
being in your arms and sharing kisses.
Talking, laughing, just being with each other,
in these dreams I cry from the joy I feel inside.
The joy of being with my lady and knowing we are forever,
and even though in waking I cry tears of sadness
from not having you lying next to me I smile
because I know that soon our day will be here.
So here I go back down to sleep to have more dreams of you and me.
I love you Kira you are my one and only.

Michael P. McParland

Snuggle 17

Come sweet darling and let's embrace each other
as we slip under the covers pulling them over our heads,
just escape into our own little world
getting away from the outside one for awhile
while we gaze at each other smiling, softly talking,
laughing and snuggling while I caress your cheek and stroke your hair.

Come now sweet darling we'll hide underneath the covers
holding each other so cozy and tight sharing kisses
of pure delight just feeling our bodies next to each other
not even sex but just the presence of each other
in pure true love something we so badly need.
Come now my sweet darling and let us now snuggle.

I want to snuggle and nuzzle with you every day and night
for the rest of time because it's only you that I love and can touch,
you know I have issues with prolonged touching with others
but I could sit and hold you for hours and hours.
So please come and let's slip under the covers and snuggle
because I love and trust you sweet one.

Michael P. McParland

Goodnight My Angel 2

Goodnight Kira my true Angel I love you so very much,
let us end this day with a kiss and a hug then I
want you to lay on your tummy so I can give you a back rub,
relax all the tension and pain
that gets stored there as much as I can,
rub your feet and your legs as well and softly your neck.
Then we'll slide under the covers and snuggle together
sharing sweet kisses so delightful
and whisper sweet words to each other.
I love you Kira my Angel and I need you to know that.

I'm sending you all of my warmth and love with
great big smiles, kisses and hugs of pure delight.
Will you hold me tonight my sweet darling and rub my head and face?
I deeply need your comfort so very bad.
I love you sweet lady and I do want you here.
We need to figure out how to
make things happen because you are my dream.

Tonight within the land of dreams we'll lay on a blanket
in our field of flowers bundled up together under
a blanket and in each others sweet arms,
we will watch an enchanting meteor shower and be mesmerized
by the show and gazing into each others soft eyes.
I'll be giving you sweet kisses the entire time.

Goodnight Kira my Angel can you feel and hear my heart calling?
It's telling you how much I love you and am deeply long,
you are my everything my only one and I'd give up
my whole life to just have one day with you,

This Kiss To You 2

On this night I pull you in
for a tight hug of comfort
and just hold you for the longest while
saying I love you Kira and I need you in my life,

so very wonderful and beautiful
you're perfect in my eyes.
Everything is alright my love let's
just talk and figure it all out
then come back together to never part again.
Then I caress your soft and precious cheek
pushing your hair back so I can
kiss you fully on your full and lucious lips,
an electric shock of passion shared between us.
I love you Kira and this kiss to you
my sweet Angel Queen I'm here for you
whenever you may need.

Michael P. McParland

You Truly Are

You truly are so very beautiful to me,
you literally take my breath away
as the earth begins to quake and my knees begin to shake.
Didn't you ever notice in high school
my embarassment as I would have to sit
so you wouldn't notice certain things?
Couldn't you see the love within my eyes
knowing I was looking at the most beautiful girl
both inside and out?
Could you see it in my smile that I knew you
were the most beautiful girl I had ever seen
and that I loved you so supreme?

You truly are an Angel and Queen to me I'm
so in awe of all the love you bring
and I wish I could do a better job of
helping you understand me.
I so often feel I'm failing you and like a screw up too
because I know I can't explain good enough
the racing bipolar thoughts within my head.
I try my best but I get so confused sometimes
and then I begin to get very scared.
You truly are the one I love because I know
that when I can explain in full you will
understrand and have the patience that I need.
I love you Kira you're so rad.

You truly are the woman of my dreams and
I want you here with me,
I've done what I right now know to do,
if you take courage and reach out I will
never ever reject you,
then we'll begin to find our way through.
I would love to have you here for those
two whole weeks in full.
You truly are a blessing sent by God
and the only woman I truly love.
Kira you are the greatest in my book
and I want to spend eternity with you.

Michael P. McParland

Dreaming Of You 5

What Is The Point Without You?

What is life without your true love?
What is the point if you must go on
with an aching heart longing for them?
Why deprive ourselves when we both know
the truth of our immense love and that
we'd both do anything for the other.
What is life without you?
Empty and sad, incomplete with tons
of crying is what it is.
Life without you is a heartbroken deal.

What is the point if I can't have you
here in my arms soothing our hearts and spirits?
Do you know you're the only reason I come back here,
I need to share myself and my words
with my only lady and Angel
because life without you is so sad and
makes me cry so often at random.
For you I open myself up far more
than I ever have before or otherwise would.
I love you sweet Kira and life without you is no good.

What is the point without you sweet love
all alone I just feel so very scared, confused, and tired.
I'm about to lay down because I want to
dream of us under our tree by our river kissing and cuddling.
I love you so much and my heart deeply hurts,
I'm lucky to have you and there's no point being without you.
You are my Angel and the one I adore I love you sweet Kira
each day it grows more and more.

Dark cloudy ovecast skies that symbolize how I feel

dreams of you my sweet love and they
were so very beautiful indeed,
dreams of you always help my sleep
be more relaxing and restfull

I don't remember many specifics
of these many dreams of today

wonderful time together talking
and walking together and sharing kisses.
You also helped save me from my nightmares
which you know so often haunt me.
You truly are my hero sweet lady
and I will forever thank you.

I know that soon these beautiful
dreams will come true as we just
spend time in each others arms
talking, laughing, holding each other and kissing.
You are all my only dreams and the
most beautiful woman of them all.
I love you so very much Kira my only one.

Today while I was getting much needed sleep
I had the most beautiful dreams of you and me,

one day soon my sweet Angel our future will be here.

My Beautiful Lady 2

Beautiful lady I wish I could just
give you the biggest hug right now
and a nice soft kiss of love.
Then if it would be okay with you
I'd rest my head in your lap
while you lightly rubbed my face and head,
I think then perhaps being comforted
by the woman I truly deeply love
I could sleep in peace because

You're So Beautiful 7

If I were asked to define beautiful
sweet love I would say to look at you,
from inside out all I see is a beautiful
woman I so truly deeply love.
You are so beautiful sweet one and
you are an Angel in my eyes.

You truly take my breath away
because when you smile your eyes light up
and I feel overwhelmed with the true beauty I see,
as I've said before I'm so glad you don't
hide and ruin your natural beauty with
makeup and such useless fake things.
Your beauty is so natural that stuff would take away.
You're so beautiful my love and I'm
in awe of you all the way.

Kira I just see beauty when I look at you
because I feel it from the inside of you as well,
a kind and precious heart possessed by very few,
so tender and loving I just want to be with you
because you are an Angel before me and I so adore thee
You truly are a beauty Kira and I love you so.

Michael P. McParland

Beautiful Days Spent With You

I dream of and look forward too
the beautiful days ahead I'll spend with you.
Even now in my mind I see you sitting
on the couch as I enter the room to sit with you.
I can't tell you just how fast my heart
speeds up and the joy that fills my cup
because you are so beautiful and I can see you there.

I smile when I think of you and the days that will come soon
because I'll be in my ladies arms and feel safe and calm,
I won't be able to let you go or stop caressing
your cheek gently and slightly push back your hair
so I can see your beautiful face in full
giving kisses on you cheeks, your forehead,
and your luscious lips over and over again.
I dream of these beautiful days I'll spend with you.

There will be many days spent with many different emotional pulls,
as all couples do we'll sometimes be mad but I
know we've learned what not to do and how to handle it too,
and even on those days I'll be so grateful and happy
because no matter how I feel I'll be with you
and I love you so very much I can never stay mad at you,
because you are my lady and I treasure you,
I won't make the same mistakes I promise you because
they've made us both cry rivers and it is torture of the soul.
I dream of all the days I'll spend with you,
they'll all be beautiful because I'll be with you.

The days spent with you will be the brightest of my life,
my heart sings with joy just knowing that you love me too
and want to share your heart and life,
it makes me so happy I could cry, I can't wait for the days ahead.
I love you Kira and I know that what we hold
is pure solid gold and I can't wait to
spend such beautiful endless days with you.

Michael P. McParland

I See And Feel

I close my eyes and feel the light
of the sun warm me as I see
and feel you smiling upon me sweet one,
even across the distance I can
feel all the abundant love you hold
as your heart and soul reach out to touch me.
I can see and feel your beautiful smile
and I recall the gorgeous looks of love you always gave.

I can feel all the loving warmth
and care you're sending me
and it fills me up with joy and comforting peace.
I'm smiling so big and filled with light.
Do you feel the smile you're giving me today?
You make me so very happy sweet lady of my dreams.

I see your smile and eyes as you look to me

Come take my hand sweet lady love
and snuggle with me as I still
try to get some rest here this morning,
let me pull you in tight to say I love you
and the give you some kisses as we close our eyes for awhile
just snuggling like the two true lovers that we are,
content and smiling knowing all is right.

Come hold me close under the covers as
we cuddlew and nuzzle just feeling safe
with one another and at peace,
come snuggle dear while I rest for
a couple hours at least.
Being in your arms would be pure
comforting relief forgetting
all stresses and fears while I'm with you there.

To snuggle with you this early Sunday morning would be grand
to not only get some rest but to be with my lady
whom I love, need, and want so very much,
a peaceful way to start a beautiful day,
come snuggle, cuddle, and nuzzle with me sweet one.
I love you deeply and those days will come
I just wish we could snuggle right here now.

Michael P. McParland

I Can't Imagine

I can't imagine there being a greater love than you,
someone who could understand me as well as you,
there isn't someone who has such patience and love
to truly try to get to know what I feel and am down to my core.
I can't imagine or believe that for me
there's a better woman to share my life and give my all.

I can't imagine a more beautiful woman in full truth
because you are who I dream of all the time,
I can't imagine another person so kind and loving
I could ever spend my life,
I only know one other person so kind and loving
and that would be my precious mother,
I truly treasure you just as much my sweet Angel.

I truly can't imagine giving up all my secrets
breaking down my walls of protection for anyone else but you,
I could never let another see behind those defenses
because I only trust you to see and carefully handle.
I can't imagine nor could I ever let another in
like I have and will let you.

My sweet darling I can't imagine my life without
my Queen Angel who gives me such bright hope
and lights my path for the glowing future that I want,
you are the love I've always craved because what
you hold inside is pure and true and you're so brave.
I can't imagine nor do I want to the hell that life
would be if I totally lost you.
I love you deeply and I hope you will forever know
that I want to be with you forever and I can
imagine the paradise and happiness with you forevermore in my life.

Michael P. McParland

Morning Note 60

Good morning my beautiful darling
as the sun rises on a brand new day
and to give it a fresh start
I send you this great big hug and kiss,
the perfect way to tell
my lady to have a great day.

I pray you slept well and
feel refreshed and rested,
I want you to have the

I got only very little
and I tossed and turned mostly,
I'll catch cat naps here and there
though as the day progresses.

I and my thoughts and heart
will be with you throughout the day,
feel all the loving warmth I send
seeing my loving looks
and the great big smile you
always brought to me my Angel.
I truly do miss you so very much
and long for our day to be here soon
when I can just hold you and
tell you how thankful I am for you,
because you are a blessing
and that is true.
So feel me there beside you
as I hold your hand
feeling all the loving peace I hold,
you will be forever the
only woman I'll ever love
and of you I'll never get enough.

Tonight within the land of dreams let's walk among the clouds,
a celestial heaven scene so peaceful and serene,
an early look at the future right ahead for us
after a lifetime spent soon together here on earth
and then our eternal home set on high a gift from God
for staying true and fighting side by side to make it through.
I'll be holding you there tonight as we dream a future land.

Goodnight my sweet dear Angel of pure and wholesome light,
I long for you so very much and all the love you send to me,

Beautiful One 2

Beautiful one you truly move my heart and soul,
when I see your picture I truly feel
the earth move beneath me because
from your beauty all around I am so moved,
your eyes, your smile, a beautiful body,
just a beautiful face of a beautiful woman in every way,
gorgeous in my eyes I shake with the power
of what I see, beautiful one you just take me away.

Your heart mind and soul are breath taking
and throughly moving in the way you
love and care about me showing it everyday.
I try so hard to give you the same
and pray that I have suceeded in many ways.
Beautiful one I am always amazed by you
all the time in different ways,
you are such a blessing to me.

I love you so very much my beautiful one
and will always do my best to make sure it shows
so you will know I care and you are so beautiful,
you truly are one of Gods most beloved
and a true gift being one of his greatest works of art.
Beautiful one I just can't get enough of you
and hope so very soon to have you in my arms
because I love you in the deepest way
and I need to look you in the eyes and tell you
that you are my everything and ask for you to be my wife.

Michael P. McParland

I Feel You

As I was resting I could feel your arms
around me and you smiling squeezing me tight
and it felt so very good warming my soul and heart.
Your love is so strong and abundant
it can overwhelm and in the best way possible.
I could feel your arms and smile.
I love you sweet lady you truly are spectacular.

I can feel you here with me hand in hand
all the loving care and warmth you hold,
I can also smell your hair and feel
you lying here right next to me.
Darling you truly are an amazing blessing
and I'm so thankful for you endlessly.

I feel and know within my heart that in spirit
we knew each other long before we came to earth,
we clicked so very fast and I can count on
one hand alone how often I've encountered that,
sweet darling I was in love with you before I even realized it.
I could feel from then you were the woman
I would always want and need.

So to this day I feel our bond so strong
and your beautiful spirit next to me,
I feel a love so immense and deep, truly profound.
I can feel your hand in mine you're here with me,
I love you deeply and I feel your love in full as well,
Oh my sweet darling I'll feel this way forever
and I want to spend forever by your precious side.

Hugs And Kisses 2

Here on this early spring evening as I am
about to close my eyes and rest for a while.
I pull you in sweet lady for a great big hug and kiss,
a tight squeeze and deep passionate kiss
to warm our hearts and souls and let
you know just how beautiful you are.
Kira you are beautiful in every way there is.

I could just give you hugs and kisses all the time around
but especially now as I get ready to lie down
for an early evening post dinner rest,
a great big comforting hug and kisses
for my dear Angel I really miss,
soon though I know I'll feel your arms and lips.

So many hugs and kisses babe I'm truly sending your way
to fill you up with all my loving warmth
so feel my arms around you as I pull you in,
with a deep and loving kiss I'll then pull back
and look into those God blessed Angelic eyes and say
I love you sweet sweet Kira and I will forever be by your side
I want to spend eternity with you I can think of nothing better.

Michael P. McParland

Love Note 172

Sweet lady how
truly beautiful you are to me,
so magnificent and truly
wonderful in every way
in my admiring eyes,
you mean everything to me
and you're the only one I'll ever want,
hand in hand by your side
through all eternity as we
get lost into each other
smiling, talking, laughing,
and cuddling all the while.
Sweet sweet lady of mine
I love you so very much
and you're the greatest of all time.

Michael P. McParland

Every Night

Sweet love I wish for the rest of my life
to spend every night in bed with you,
not even sex but to just hold you tight
feeling you right next to me,
to hold on and never let go of the woman I love.

Perhaps it suprises you perhaps it does not
but I've never been loved like that,
never been held by a lover or deeply kissed in passions light,
I've never had the touch of a deep love,
and every night through all time I long and desire
to feel your touch as I just say I love you sweet lady
and thank you for being here and loving me,
it means so very much.

You can't know how badly my soul needs to
feel you in my arms and recieve that soothing touch,
to just have contact and most importantly with you,
I've gone so long without being touched in any way
that my soul aches and feels so sad
and I want and need every night to just lie in bed
holding you and kissing while smiling and looking into your eyes.

Sweet sweet lady love of mine I just want to
fall asleep in your arms as we quietly talk
about anything and everything under the sun,
to finally share my life and have it be with my only one.
I love you sweet Kira and every night I want to be with you in bed,
not just sex even but to just have you there
in my arms knowing you love me and you care.

Beautiful Spring Day

Just returning from my shopping chores
and what a beautiful Minnesota spring day it is,
I know the sun is shing because you're smiling
and sent it this way bearing all your love and joy,
what a beautiful spring day my dear and the
only thing that could make it better is you here to share.

Sweet love the thought of you and the peace you sent
helped keep my nerves at bay in the store today
so I felt not a bit of anxiety or panic in any way.
You helped keep me calm and enjoy this beautiful day,
I'm about to go grab lunch at SubWay and wish
you were here so I could buy you lunch
and then come home to watch some films and talk.

Such a beautiful Minnesota spring day and it makes
me think of your glowing smiling face,
the joys it brings makes me tingle in just regular pure joy,
how I love you deeply sweet lady of all my hopes and dreams.
Soon I know you will be here to enjoy these days
with me my sweet true Angel and only one,
they will be so filled with love and spiritual ecstacy
just thinking of them makes me glow.

Chilly Outside

It's chilly outside again today
and I wish I could spend it inside with you,
just holding each other under some covers.
Holding hands, talking and laughing,
listening to music while doing some napping.
It's chilly outside and the perfect day
to stay inside with your love
and I wish you were here to cuddle under the covers.

It's chilly outside again today
and I wish you were here to just hold and keep warm,
feeling the peace surrounded by our love
holding hands and just resting as you
lay your head calmly upon my rising chest.
Just a chilly day that would be perfect
to spend inside wrapped up in the arms of my true love.

It's chilly outside and I just want to wrap up with you,
feeling so cozy and warm knowing everything
around us is perfectly alright and fine
because we are together wrapped up from the cold
no longer apart from each other and alone.

Dreaming Of You 4

Dreaming of you and all the beautiful things we could do,
I got paid today and I could take you out to the movies,
any one for it is your pick, sitting in the back
holding each other sneaking little kisses so quick.
An afternoon spent getting lunch and laughing.
I'm dreaming of you and all we could do.

Dreaming of how we could just lie in bed passing the day
in each others arms just talking, reading, or listening to music,
shutting the world out just for a day of our lesuire.
Dreaming of sitting here holding you smiling
holding hands feeling no stress of the world above our heads.
Just sitting here enjoying each other and the love that we
hold and truly feel between us.

I'm dreaming of you and the future we'll have as we
stand side by side with each other every step of the way
each and every day for we are true lovers
with a bond not to be broken,
perseverance and dedication have
gotten us through and will continue to.
Sitting here dreaming and longing for my special woman.

Dreaming of you and how beautiful you truly are,
how I long to look in your eyes and see your beaming smile
while I say I love you sweet lady and wish to be with you forever.
You are my Angel and you hold my heart sweet woman,
I dream of you always because you are so special
your heart and soul touch mine and that is amazing,
there are too many feelings for me to explain
just know I love you and dream of you each day.

Michael P. McParland

Longing 4

Lying here in bed longing to feel your touch,
just feel your hand in mine as we softly kiss.
Caressing your cheek as I look at you and say
I've longed for this so very long,
to have you next to me kissing and revealing
my whole soul and being to the only woman I truly love.
I long so much to have you here and have you next to me.

My soul and body ache in longing need to have
you here next to me just snuggling in pure love
with my sweet Angel dove.
I look to you picture and say sweet one
I hope that you will be coming soon.
I just long so much to have my arms around the greatest woman,
and feel the loving warmth within her arms.

Lying here in bed I dream and long to have you here with me,
to feel your touch as we lightly kiss and look
into each others eyes saying I love you babe and have missed you so,
I long so very bad to have my one within my arms to
say I've waited for this day my Angel Queen.
I love you deeply and I love you so,
I am yours sweet love forevermore.

A Prayer For My Love 2

Dear God I come before you
to ask these things for my love
and I for better understanding
and knowlendge of the heart,
to comfort her on so much and give her peace.
Dear God please hear me and grant these things.

Dear God please be with her tonight and always
filling her with peace knowing she is beautiful,
that she is loved and never alone.
Help her to know I am here for her always
and by more than she knows she is so deeply loved.
Help her to be comforted with love and strength
knowing she's being watched over by those
who will protect her with their everything.

Dear God I ask thee so strongly to help her
know just how deeply I love her and care for her
that I would be willing to give my life in total.
Help her to know that I would never hurt her
and that I will give her my all and keep her safe forever.
Dear God please help her feel what I hold in my heart
so she can know how truly deeply I love her,
help her to know that she is a blessing and gift in my life,
and that I truly treasure and adore her.

Dear God please truly help her to realise her worth
and know she is the most beautiful woman,
help her to get better and heal
from what other people have done to her accepting
the loving words and help from those who see the worth
of a wonderful woman who deserves so much better.
God please help soften her heart to be able
to let in those who truly love her and won't hurt her.

Please dear God lift the pains from her body,
it breaks my heart to see her stricken with malady.
She deserves so much better though I know she is strong
and that's why you so mightly test her.

I beg you though to not make her suffer
and to let me carry these agonizing burrdens.
Dear God please make her not suffer.

Finally dear God I ask on this night for you
to sit with her stroking her hair in great comfort,
help her to know and feel the abundant love we both feel,
help her to know I'm always here and that I
wish to be her man and husband through eternities years,
that my love is pure truth and deeper than anything.
Help her heart to be calmed in full peace and no tears.
Please my dear God help her to always be happy
and know she is truly beautiful and deeply loved.
Dear God please help her to know she is my hero and best friend.

11 Months (I Miss You)

11 moths since that terrible fight that so hurt our hearts,
it's haunted my mind and soul everyday now for almost a year,
and I miss you so much I truly hope you know.
I hope you know how badly I hurt over the things
I said and did to hurt my only one.
I feel so empty inside and I ache without you
my sweet sweet Angel of all that is good and right.

It's been 11 months and I hurt missing you so much,
11 months and I'd give anything to take it all back,
the hurt words we both said and felt,
the anger that has left us with great need to heal.
A bad afternoon that tore two true lovers apart
and are traveling such a long way to get each other back.
It's been 11 months and I miss you sweet Angel,
I love you so very much.

11 months of longing and need to come back together and heal,
11 months and for not one day has it gotten easier for you or me.
11 months I want to forget by going back in time to late May
and rescuing us from the events that led to that day,
so our hearts would be whole and we'd still be as one with
no harms and no scars to feel such horrible pain.

11 months my sweet darling and I so badly miss you,
I'm so sorry for my part and the things I said that deeply cut you.
It's been 11 months and I know you also still love me
and I'm here and ready when you want to talk to me.
I love you sweet Kira and it's been a nightmare these 11 months past,
I love you sweet darling and I miss you so much.

Michael P. McParland

Love Note 166

I just want to sit
side by side and hold your hand,
I don't mean to make you sad
I'm not upset with you

that I miss you deeply
and just want to rest my head
on your lap while we softly
speak and you rub my face and head.
I just want to tell you
how I long to have you here,
I feel your love and makes me proud,
it fills me with joy unbound.
I just want to make you happy
my dear and tender only one.

I love you darling and
my heart forever calls for you,
I just want to share my
all and everything with only you.
I love you deeply my best friend
Kira please feel all the loving warmth I send.
I love you deeply and need you too.

Holding You Tight 3

It's chilly outside and feel
a bit of a chill inside here
and I wish I were
holding you tight giving
you shelter withing my kind loving arms
basking in each others warmth
just lovingly contentedly
rocking back and forth.

It's a bit chilly unseasonably late,
inside a bit of a chill but
I think that's because I'm
here alone without my sweet lady so fair
I wish I were holding you tight right here.
With a giant deep passionate kiss
I'd gaze lovingly into your eyes
while we both smile and say
Kira I love you and want to stay
here forever with you as my bride

Good afternoon my sweet love
and kind Angel so good,
I hope your day has been bright
and warm filled with all
the deep kind love that I send.
I can feel your love surrounding me
and it makes me feel so very good.
I still feel so very very tired
indeed and I wish you were here
to lie down and rest with me,
I'm afraid to rest right now
because if I fall into a deep sleep
I don't know when I would get up
and I don't want for you to worry

let me know you're alright and
feel happy and safe,
don't forget that I am with you

be right for us to come back together
and feel the light.

Michael P. McParland

I Miss You Always

I love you so much my sweet darling
and I miss you always no matter the time,
only sometimes does it feel a little bit better
because maybe something else big is on my mind
and then I think of how I wish you were here
to talk to and help everything seem better
I miss you more and long ever so hard.

I miss you always because you are my Queen,
even in the worst times we've had fighting,
being angry and when we've both said mean things,
I miss you then because I miss you always
and then wish I could hold you while we
both sat and cried and apologized because I
know we've never truly meant those mean words
both of our tempers can just be so very bad.
I miss you always and want you here in my arms.

I miss you always my Angel and want to be with you always,
you make me smile and feel happy, complete,
and like a good person who is loved with sincere compassion,
and I love you so much I want to show you
eveything that I am and how truly much I care.
I miss you always my true love and Angel,
I love you and miss you no matter the time,
no matter wherever I am, no matter the situation.

Take My Hand 12

Come take my hand sweet lady and sit
while I hold you close and stroke your hair,
reassure you of all the loving care
I hold so deeply for you and that you're my Angel true.
We all need and deserve that soft calming
reassurance from time to time and
sometimes it's needed more than others.
I will always be here to happily and caringly
reassure you my dear because I'm the same way.

Come take my hand sweet one and let us just sit
while I hold you so tight and give you a deep
loving passionate kiss to fill you with peace,
comfort you with the strength of loving
dedication we both hold so deeply.
Come take my hand as we sit and just softly
and lovingly speak holding each other the whole day.

So come take my hand sweet one and look into my eyes
as we sit and just lovingly hold each other and softly speak,
reassure each other in our love because it's
a good thing for those who love each other
to restate their love and dedication to each other.
I love you deeply sweet sweet Kira so come take my hand
and let me stroke your hair while we hold each other tightly
and lovingly speak just enjoying each others company.

Warmth In Your Arms

Warmth in your arms is what I so desire,
I've been so very tired the last few days
and I so very want to nap the whole time
feeling you next to me and the warmth
of your heart soul and body,
feel warmed from my skin through my entirety.

Warmth in your arms is so very needed,
I need you my sweet love to be able to
release all these pent up emotions and feelings,
you're the only one who has the key to
these walls so I can open them up
and tell everything I need and want.
I need and want you here so I can release all my tears
and you can help dry my eyes and tell me
evereything is alright and then just hold me so tight.

I want to be enveloped by the warmth in your arms
where I can feel peace from so many fears
and then just sleep until the tiredness is gone.
I love you so very very much and just want to
feel the pure warnth and comfort you have in your arms.
I love you sweet Kira my hero, my Angel, and my greatest friend.

right here holding and kissing me
saying you love me and can't wait

True Hearts Desire

As I'm about to lie down for a rest
I looked at your beautiful picture
and felt a tug at my heart.
As I took it all in and said
hello my sweet Kira you are so truly beautiful
and dear God how I deeply miss you,
the loneliness without you hit me so hard
and I hope so badly to have a dream about you.

As I close my eyes I will say I love you Kira
please come back so soon so
we can lie here holding each other as we sleep in pure comfort,
I'll be dreaming of us as I drift off for awhile.
I love you and need you my sweet one,
my heart and soul are yours my dear one and
I can't stand the loneliness without my sweet dear love.

As I'm about to lie down I saw your picture
and my heart fluttered as I said Kira
you are so damn precious and beautiful.
You are my hearts true desire, my Angel.
I love you so much and can't wait to hold you,
Kira my dear you are an amazing miracle.

Lying here now crying in bed
because I know you are hurting

tell you I love you and need you,
if there was a way I could just tell you.

So I'm just lying in bed crying because
I know you think that I am mad or upset
and I am not I promise I don't want to hurt you,
I just want to hold you and talk to you

I'll be here crying in bed for a little bit
because I know you are hurting and I'm
terrified that I've screwed it all up
so you will be leaving.

A Beautiful Dream

It was such a beautiful dream,
one that began where as usual
it was just me on my own
going about doing whatever there was.
There was a pervasive lonely feeling
and that is a sad feeling.

Then there you were and my heart
filled with such joy and elation,
my heart and soul bursting with love
for my only lady all the dullness
had gone away and I just felt
fulfilled and happy and I
was overjoyed because you were with me.

A beautiful dream because it was
just you and me where we sat and talked,
you told me you loved me and wanted
to be with me then we just held each other
and we smiled as I told you I loved you too.
It was a beautiful dream because I spent it with you.
I love you sweet Kira and I pray that be reality soon.

and will give my everything
and best for you.

Michael P. McParland

Come Lay Beside Me

Please come lay beside me sweet lady,
I don't know if I'll sleep
it's that I want and need you to
lay here beside me while listening to music
to help wipe away the frown on my face.
It is not in any way because of you I frown,
I want your help to chase that frown away,
and I want you to lay next to me in bed
and talk listening to music to feel better.

Come lay beside me sweet one and hold my hand,
look at me and smile telling me that you love me
and just pull me in tight for a big hug, squeeze me so tight.
I know you love me and it makes me feel good.
I just want a day to lay in bed here with you
by my side and listen to music for awhile,
talking and holding each other.

Come lay beside me sweet lady and
I will just softly talk and telll you
everything that's been going on.
Tell you I love you and that of you
I am so very proud and at times I get
so scatter brained there's a million things
I mean to thank you for or tell you about
and I forget and then you get hurt
because in my minds absence I
forgot to tell you how special you are.
I love you Kira and need you so very much.
Please come lay next to me today right now
and just softly talk and relax with some kisses as well.

no anger babe no worries there just very
hyper and cannot focus with my thoughts

More Beautiful Art For You

Sweet darling I wish I were more talented to
create better art for you,
so I could create many different kinds
in many different ways to honor you
the best I could in each form
unique and delicate in their own expressive way.
I wish I were more talented
and better versed in all the arts
to create beauty just for you.

You know music is my first passion
and I can play the Baritone Horn and Trombone
but it's been years and composition
is a whole different beast.
If I knew how though and could I'd write
you music and songs of all kinds.
Symphonies and operas, classical so sublime.
Great songs of love like Falco, Queen,
the Pet Shop Boys and Huey Lewis and The News.
Try my hand at all giving my best to
create great art for my only one.
Art is the soul and the greatest expression
of the hearts passion and love there is.

I can't draw or paint at all,
if I could though I would paint the
most exquisite portrait of my Queen on a cloud,
Gods shining light beaming down upon her
presenting her as the gift she is.
I wish I had just enough talent to
sketch you beautiful pictures as gifts from the heart.
If I could I would create great art non stop.

I will always write for you dear
because doing things like this for you
make me happy knowing you enjoy them,
I long to make and see you happy,
making you proud and filled with joy.
So I will always give my very best

for you in every way sweet lady of my hopes and dreams.
I love you Kira darling my Angel so beautiful and true.

Michael P. McParland

then give you the biggest kiss of true love
as you rest your head on my chest.
I'm longing and aching to hold you now.

Dear sweet Kira my Angel so true
as I lie down to rest will you hold
me tightly in spirit as I do?
I'm in need of your strength and
long to hold you while you're holding me.
My darling offer up a prayer with me
that we will feel each others arms
wrapped tightly around while we catch a nap,
I love you sweet darling you're so amazing,
Kira I long to hold you forever.

Dancing Under The Moon

When the time has come we will embrace
and dance in joy under the moon,
enchanting starlight with enchanting music
holding each other tight smiling
and dancing in celebrations cheer.

Dancing together under the moon for
eternity just you and me the stars lighting our stage,
under the moon in peaceful relief and comfort
having made it through all the painful trials.
To our favorite music we'll dance together under the delightful moon.

The moon and stars forever lighting up
our beautiful lifes to be spent side by side,
they set the tone for us in our deep romantic love
an eternal dance of connection between our souls.
Under the moon a marvelous life and love story spent
together lost in each other when the time has come.

I love you my darling and want you forever by my side,
oh my sweet darling I'm deeply longing for your company tonight.

Michael P. McParland

Sweet Love

Sweet love of my life, sweet love of my heart
I long and yearn to be in your arms,
I miss you so and tonight I want to fall asleep in your arms.
Since 4 P.M Sunday I've had maybe 5 hours sleep,
I want to feel your loving comfort wrapped around me,
next to each other snuggling in contentments charm.
I love you sweet darling and Angel of mine.

Sweet one of pure love you are so beautiful and
you need to realize that you are because you're
too harsh on yourself and you're an amazing woman.
Stop and look at your many acomplishments and
trials you have prevailed,
a beautiful heart mind and soul,
don't you doubt or shoot down for a second that
you are a beautiful and sexy woman as well.
You're my hero and inspiration and all I
hope for and want is to give of myself and
be apart of your life because I tell no lie
and do not overstate that I think you're great
and sharing your life would be a miraculous blessing.
No flattery here because in love I never give what's not real,
Kira Petranovich you are an amzing miracle Angel to me.
For you to love me and want to know this odd and honestly
bizzare man that noone gets fills me with such joy I could cry.

Sweet love of my life, sweet love of my heart,
sweet love of my soul, I know I can't spend my life with another,
I have loved truly only once more and it held
not even a quarter of a quarter of a quarter of the
powerful connection we share,
and that's a story neither here or there it's the fact
that when I've been touched in such a way I
could never to another give myself away,
I'd still be dreaming of you everyday.
You are my sweet love of kindness and light,
I can't imagine life without you in it.
Sweet loving Angel so dear and kind I know the
beautiful heart and soul you hold inside and

for reasons I understand you often try to hide from others around,
and knowing the sweet kind spirit you are I know
you're an amazing woman and everything I'm looking for,
the most beautiful loving woman on earth when you let it show.
You are amazing and I cherish you sweet lady and Angel true.

Michael P. McParland

Evening Note 42

Good evening sweet dear
how are you doing?
I hope you are smiling
as that's how I'm imagining you
while I sit back and play
in my head so many things
I hope sooner than later
we'll get to enjoy with
each other.
I'm going to hold you so very close
at first just soaking in the reality
of being with you and
enjoying having you in my arms.
Just savor the feeling of
being there with my only one.

I wish you could be here
to rest with me for a bit
and then just a quiet evening
for kisses and snuggling
hiding my face in your shoulder
feeling safe at last with my guardian Angel,
just nuzzle in close for
the needed peace that only you can provide.
A quiet evening with you
wrapped up in each others arms,
that's all that I want.

I will be with you as
always through this whole evening,
I'm right beside you
holding your hand and letting
you know I am there always
just for you my sweet lady true.
Feel these deep kisses and
big hugs of loves hunger,
I crave my lady and for you
to be here and just sit with
while I lightly rest.

I truly miss you so much.
I love you Kira and I'll
be here as long as you need.

Beautiful Art For You

Sweet dear I long to create
beautiful art for you everyday,
to create something from my words
to show my deep love and care
means so much and to me is very important too.
It makes me happy to know I
wrote something that you love and
touches your precious heart and soul.
I strive and work hard to everyday
create beautiful art for you.

I may not always accomplish the beautiful
thing I aim to do in full,
I wish everyday I could write a thousand
materpieces that would be timeless
just for you and you alone.
Beautiful poems of my deepest soul
and full emotion to share with
my lady and only love my thoughts
and feelings for you in the
deepest most honest ways that would
be for only you to ever see.
Through that I know I could express
it all and help you understand
exactly what I mean and what I'm thinking,
beautiful intimate poems of the heart and soul
laying everything bare for you sweet dear.
I will only show you my soul stripped
bare showing the world and emotion I hold inside.

I strive everyday sweet lady to make
you such beautiful art to make you proud,
to make you glow in the love we share.
I hope and pray that I have honored you in many ways.
I love you so very much and I always
want to create such beautiful art for my Angel bride.

Michael P. McParland

Can An Artist?

Can an artist ever really know how
deeply they can and have deeply moved a persons heart and soul?
Can something so amazingly powerful and
earth shattering in emotion even be done
intentionally through a constructed plan?
Or do the most celestial spiritual pieces
of art that move come through raw instinct that
in a moment of pure brilliance just happens?
Can an artist from there truly even realize
just what they have done creating something
that will have eternal heartfelt meaning to someone?
I don't believe the most touching mnoving
things were ever done that plan in full alone.
For such things to come the artist must draw
from their well and soul servicing what they need
having hope that to others it will appeal.
To be so touching and moving it must
be created by the artists heart and soul.

Can an artist ever truly understand and know
just how they've touched and moved another soul?
Giving meaning, hope, support, release
a life line in the happiest and saddest times.
Is the artist even aware of the feelings they touched?
Probably not but having experienced the moving art
of great hearts and minds it's okay if they
could never understand the ways it moved me in mass.
It only matters that they did and I thank them deeply
and love them so for their art.
I would only hope they know the power of the God given talent.

Dreaming Of My Queen

Just been resting today
deep in my own world
dreaming of my sweet precious
Queen wondering how you are.
Hoping you feel well feeling
all of my love and warmth that I send.
I miss you so much and want
to give you all the support that I can.

Just dreaming of you my sweet Angel Queen
and how I'd give anything to have you here in my arms,
so we could be at peace and you
would feel comfort and ease in your aching heart.
To me the ache within you is far more
important to me than mine to heal,
you being here would help put us both at ease
but it is your heart I want calmed most of all.
You don't deserve all the hell you've been put through,
I desire to give you the love you deserve,
because to me you're a miracle and gift from above.

So today just deep in my own little world,
if you were here I'd share it with you
because I will only ever share that inner
area of my mind heart and soul with my only one,
and it is you my sweet Queen I'm dreaming of.
So do know I'm thinking of you and wondering
where you are and how you are doing,
wondering if your smiling making everything shine
around you in the amazing beauty you have.
I'm dreaming of having you here in my arms.
Please my sweet Queen I know that you worry that
maybe I'm leaving, feeling angry, or not thinking of you
but I assure you I'm dreaming and thinking,
I'm not mad or upset in even the slightest,
and I'm not leaving I swear.
Trust me though that I understand the insecurity you feel
because other people have treated you very bad,
I know it's hard to trust again.

I give you my most sacred promise and vow on
all I hold dear, respect and revere.
I love you deeply and I'm right here for you always
my true sweet precious Queen I hold dear.

Michael P. McParland

Late Morning Nap

A marvelous late morning nap in your arms
is what sounds so beautiful now,
to be in your arms on this late spring morning
would be bliss having you next to me
holding me close.

A late morning nap with my love held so tight,
I wish you were here tp lie down with
as I'm deeply exhausted and tired.
I love you sweet darling and of you I'll be dreaming.

Michael P. McParland

Wrapping You Up

I'm wrapping you up tight into a
comforting loving hug,
one to fill you with light and hope
to let you know I am thinking of you,
hoping you're okay and your heart is at peace
knowing I'm always here and support you no matter what.
I'm wrapping you up in a massive hug
giving you also a deep passionate kiss.

I'm wrapping you up tight because I'm
so worried about you and how you are doing,
my heart and soul are calling out saying I love you.
I fear you're in pain and feel lonely
even though you are not because I'm here for you always.
I'm wrapping you up in this very tight hug
so you'll always remember my love and heartfelt admiration
feeling me by you to always give strength and support you,
I'm wrapping you up too because we both
need the comfort from each other.
So with a big kiss and a tight hug so big
I love you sweet Kira I miss you so much.

Michael P. McParland

Morning Note 51

Good morning sweet darling
I hope you slept well and felt
deep comfort from all the love that I send.
I will be with you the whole day,
I always am so please
take strength in the knowlege
and feeling that I am right
by your side giving you
my endless love because I adore you.
Have a good day and feel
the love of my heart and
the immense amount that I hold.
What I wouldn't give to gaze
upon my beautiful woman right now,
to give you a kiss and look you
deeply in the eyes to say
Kira I love you and I mean that
and feel that more than anything.
You are an amazing miracle
and gift to me.

I'll tell the sun to shine
right upon you in this day,
so through its warmth it can
deliever my love,
close your sweet eyes and see
my loving looks and big smile,
know that what you always saw in my face
is true love and beaming over
the person who holds your heart.
God bless you and be with you
you are loved by him and me so very deeply.
Take heart in knowing that
you're a beautiful special woman
and I love you like no other.
You are my lady and dream,
my Angel and Queen so marvelous
and soul satisfying to me.
I'm right here if you need me

and I'll be here always.
I love you sweet Kira and I
can't wait to see and hold you.

Michael P. McParland

I Love You As You

Sweet darling I love you because you are you
and you do as you do.
I love you because of the person you are,
even your flaws as diffcult as may be sometimes
are part of the reason I love you so much,
because the perfect bits mixed with the
imperfect bits make my sweet Kira herself,
and I love that woman so much.
Sweet darling I love you because you are you
and you do independently as you do,
that's why I'm madly in love with you.
Make sense? :)

It's just as you love me for me and
being the odd man that I am even
with the flaws that I have,
I know you find many quirky and funny,
and that makes me happy making
me love you even more than before.
What makes our loving bond so very special
is we love each other for being ourselves,
we don't want each other to change but
in those needed spots just improve
upon them for better understanding
and not having fights that have so hurt us.
You love me for me as I love you for you
and that's just but one small part
that makes what we share so beautiful and rare.

Michael P. McParland

I'm With You Now

Feel at peace and be calmed for
I am with you there right now,
my arms wrapped around you so very tight
reassuring you telling you it's all alright.
I love you still and I always will,
I'm right by your side hand in hand forevermore.
I will always stand right beside you and
stand up fighting always for you.
Be at peace and feel my strength.

I'm with you now as in spirit I always am,
feel me there holding you while I stroke your hair,
kissing you in true love telling you
that you're the one and if so needed for you
I would give my life and surely die.
I will do anything for my Angel bride.
Be filled with warm cozy comfort for
I am there giving you all my warming love.

I am right there with you and care so deeply
for the woman I know I've known since before we came to earth,
right off our souls touched and to you I
opened up and shared more of my inner self than
I ever do with anyone in so many ways.
Feel my hand within your hand sweet one because
I am with you now to give you peace and
reassure you of my caring tender love.

I'm right there with you because I love you so,
I know you're in pain and hurting so.
It tears me up to know that there are tears of sorrow
flowing from the eyes and soul of my darling,
I'm right there with you so you'll not be alone,
feel my arms wrapped tighly around you now.
I'm with you always my sweet darling dear
never forget the deep immense love I feel.
I will protect you from all harm and pain
because I love you darling and I want to
give you all my best my everything,

I want to honor you in every way.
You are my Angel and my one I'm there with you right now
and when you're ever feeling lonely close your eyes
and see my loving smile,
then you'll feel me there protecting you,
you'll now my vow and dedication are pure truth.

Michael P. McParland

Sleeping Among The Moon And Stars

Goodnight my sweet love I cherish so much,
look at the stars tonight for that's
where we will meet and spend the whole night,
see my great big loving smile and let
it carry you up to the enchanting
night sky to be with me in my arms.

I have our spot of pure peace and sleep
all set ready for us to stay the night.
A majestic tree in a majestic field
of many dazzling, bright,
yet ambient colors that amaze the eyes, spirit, and mind.
Under this tree on a blanket wrapped
up together under another holding each other.
Contentedly resting and healing by the magic
of the stars and moon that give us their light and time.

With a massive kiss I look in your eyes and tell
you I love you my only sweet one,
you are the greatest gift and prize of a love
anyone could ever hope to recieve.
A true blessing and God sent Angel so great and divine.
Come cuddle with me and we'll spend the night
among the amazing miracle that are the moon and stars.

Tonight my sweet darling just lying there holding you
feeling you close among the moon and the stars
enjoying the deep love for me you feel and show.
A truly beautiful miracle and miraculous night
spent with my Angel among the moon and stars.
I love you sweet darling and goodnight again,
feel me holding you, kissing you, reassuring you
through the truth of my words.
Feel at pure comfort and peace the whole night long
for it is you to whom I belong.

Michael P. McParland

My Precious Love

Oh my sweet precious love my heart swells for you,
not from agony and pain but a swelling of love,
a true love in so many ways simple and plain,
yet so complicated for I cannot explain or
adequately express that which I feel so deeply inside.
My precious love my heart swells for you in
true love and endless pride.

My precious love I will be here forever I'm right by your side,
I'm not leaving at all and I'm sending you
millions of kisses and hugs with smiles abound just for my one.
I love you so much and it frustrastes me so
that you can't be me for only a moment
to feel what I feel and know the truth that I do.
My precious love I wish you could know for a moment what I hold.

My precious love you have a beautiful heart of gold
and I treasure that heart because it is yours.
I want to see it happy glowing in full,
I want everyday to make you happy and proud.
I want to show you and your heart your worth which
others have robbed you of your belief.
You are beautiful and wonderful one of a kind.
My precious love your you and that's grand,
I wouldn't trade you in for one single thing.

My precious love I just want you to know I am always here,
you are a blessing my Angel best friend,
I would never change having met you because you are so special to me.
My precious love you are a wonder to me and
I'll love you forever and I'm never leaving.

Michael P. McParland

In Case

In case you have any fear of me being angry
I assure you I am not.
No way can I be angry at my only one,
just pure love and acceptance for you in my heart.
No anger or desire to yell,
just pure love and desire to support and comfort you,
help you know I am here and you're not alone.
Kira my dear I love you so.

Michael P. McParland

Good evening sweet love
I hope on this evening
you are smiling and well,
I hope you have felt the
peace of all my care
and loving warmth.
I think about you
and how you are doing.
I want you to be happy sweet lady.

I am okay just not really sleeping,
here and there a half hour rest
then back up and cannot relax.
I just want to sleep for a bit
then wake up feeling better
and fully physically pleasant.
So it goes though in my
many bipolar cycles.

I want you to know
that I love you so deeply
and that on this evening
I wish I were holding you
lying in bed just feeling
deep peace as we snuggle and talk.
I pray for all to come
so very soon,
I know you need me just
as I need you too.
God bless you sweet lady
and feel my loving peace.
Be happy and at ease
knowing and feeling the love that I send.

Michael P. McParland

how you long for someone who loves you as you.
Treats you with respect as you deserve and sees
the intelligent woman I see, know, and have experienced is there.
My eyes heart and soul have seen and felt
the core good and righteous loving kindness that you hold.
Please share with me so I can help you heal.

My eyes have seen a beautiful woman who I truly love,
my heart and soul feel yours in return and feel
all their loving, giving longing care.

My eyes heart and soul see only you.
I love you deeply in every way and I can't fathom losing you,
I want to give you all that you deserve,
always treating and showing you the beautiful
kind woman we both know you are.
My eyes heart and soul know the truth of my desire,
to spend forever with my Queen and Angel.

Michael P. McParland

Morning Note 50

Good morning sweet love

My sleep is still very erratic
constantly up and down.
Have the brightest of days and
feel me right there by your side
giving loving kisses and hugs.
Let the sun fill you with
all my deep caring loving warmth,
you truly are so special to me.

I love you my darling and
pray I'll hear from you so very soon,
so I can tell you I love you
and have so deeply miss you.
You are an Angel and I adore
you so very deeply.
Have a great day my sweet lady
and remember I'm near.

Michael P. McParland

No Matter What

When you come and talk to me feel no fear,
I'll love you through all time no matter what you bare
because I love you truly just as you do me.
Feel not a bit of worry that I'll reject you
because I have felt your heart and spirit next to mine
and I know the pure wholesome goodness you hold inside.
I do not want to nor will I judge,
understanding and knowledge of my girl is all I want.

No matter what sweet one I'll love you just as much,
I feel fear too in that some of my revelations will shock you too.
To know and understand each other is all we need,
we're good people with kind hearts and know what we are.
I'll still feel the immense never ending love I've always had
because overall and far ruling is the beautiful woman I know,
I could never hate you, be disgusted by or other repulsive behavior.
No matter what my heart sings for you.

I love you deeply dear through prayer and our bond
I know the wonderful beautiful woman that you are,
I'll love you no matter what through all eternity.
So feel no fear and come into my loving open arms
then share with me everything you will as I will in return.
Come now sweet one I love you so let's start our journey together now,
because no matter what no matter where I love you always
my sweet precious Angel dove.

Michael P. McParland

Time For A Rest

I'm so very tired my darling one.
Would you come join me and rest?
Snuggle and nuzzle feeling cozy and safe,
I'm tired to the bone and need a rest.
Come join me my love and let's snuggle up.
I love you sweet dear come snuggle and rest.

Michael P. McParland

My Heart (Loud And Proud)

My heart calls to yours full of love
so very proud and very loud,
my heart calls to you in pure love
and immense caring adoration too.

So very loud and proud I announce
to the entire world that my heart is yours
and that forever I'll be by your side.
My heart reaches out to you calling
in full voice I love you Kira you are truly grand.

Michael P. McParland

I Always Think And Worry

I love you darling and there is no greater truth.
I always think and worry about you
and what you're going through.
I'm sorry and I worry for all the wrong I've done,
I worry that it's left a permanent mark that
is an everlasting painful burn.
I worry about all the things that go on
in your life that I know nothing of,
I worry immensely if your hurting inside
or if in body somehow hurt.
I worry for your precious heart that I so truly love.
I always think and worry about my only one.

I always think about and look at you,
you are my everything and I want to give my all for you.
I've never wanted to hurt you a bit
and that it's ever happened daily breaks my heart.
I worry that you'll never know me in full,
when all I wish to do is share all I am with you.
I have no friends and don't much desire them,
you're my best friend and I worry I'll never see you again,
I worry that we'll both spend this earthly life
heartbroken and all alone if we don't work things out.
I think about the fact that there are reasons
in your life why maybe you cannot,
and I wonder deeply why you can't.
I understand if there are reasons why,
and I worry that you think I cannot see that
on this earth sometimes things will interfere.

I love you darling and that's the greatest truth,
I so often worry that you can't see it because
other people have smashed you down so you no longer
see the beautiful precious woman that you are.
I worry that you don't know just how wonderful,
beautiful, precious and dear you truly are.
I think about you all the time and how I
want to spend my life right by my only one.

So yes my love I think and worry about you everyday,
because you are a precious gem that I adore.
I worry because I have more to tell you and share
than in your greatest dreams you could imagine.
I'm not bad just a man filled with intense passion
who needs so much love I know I drain you and ask too much,
I worry that unintending I've sucked you dry.
Too much to tell and too many tears so I must stop right here,
just know my love I know you're heart and like me
you often protect it well beyond, even to the most important people.
I worry because of my fears and needed walls that
now I may never get to reveal what's there at all.
You make me happy and you make me shine,
it's being away from you that breaks my heart.
So don't be mad and do not fear
I'm now thinking and worrying over you.
I care so much that for one sweet moment with you
I'd give up all my life.
You are my Angel and you are my Queen,
you mean everything to me.
So yes I think about and worry over you.
Kira my darling I so immensely love you too.

Michael P. McParland

Sleep Well Sweet One 2

Sleep well sweet one I'm eternally giving you
all my love and warmth rather we be together or apart,
right now apart but so soon together I pray for it.
With a massive hug and kiss let's end this night and go to bed,
just snuggle in the glow of our true love,
kiss and cuddle knowing everything is well and good.

Sleep well sweet one feel me there with you
holding you close while in word and action reassuring you.
Making sure you know my love is true and
that you're not alone because I'm never leaving you.
I love you to pieces and eternity is where as
true soul mates and lovers we will take our places.

Sweet one tonight in the land of dreams we shall
once again come together and meet.
I just want to wrap up tight within a blanket
with you and in your arms.
Stay the night together surrounded in what we need each other,

Morning Note 48

Good morning my one and only
true love from up above.
I've been up the whole night through
gathering all my courage to
show all my love for you.
I just emailed you my sweet love
and not long after this
on Face Book I will message you.
Messages telling you of my love,
how much I miss my Angel and only one.
That life has had very few
bright moments without you
and lightly how I fell apart
over the summer, fall and winter.
I share with you the one shining thing
that helped get me through and
I know you'll understand how
important and how helpful it was
because I've shared how much that
one thing means to me and it was
a beacon of light that gave hope
in a way I will only be able
to share directly when we speak
for the sense it needs.
I love you Kira babe my sweet lady
so truly special to me.

Have the most wonderful day and
feel me there by your side hand in hand
every step of the way,
giving you a tight squeeze to let
you know you're not alone because
I'm your man and you're my girl,
I'm sending you all my love and warmth.
I love you Kira and shortly on
FB I will message you to let you know
that I'm not gone and forever I
will be by your side for eternity.

Michael P. McParland

Anything

There isn't anything I wouldn't do
for my beautiful Angel true.
I would do anything to make her happy
and make her smile,
because when I see those sparkling eyes
my heart and soul jump for joy going wild.
I lover her madly and I love her so.
There isn't anything I wouldn't do for her.

If she were cold I'd give her my coat
and the very shirt right off my back,
I'd give her everything I had to make sure
she was warm and cozy feeling good.
If anyone was ever hurting her in any way
I'd beat them up and make them apologize in every way,
noone hurts my only girl,
she's the most special person in the universe.
If she was hungry I'd go without eating
to make sure she was filled and nourished to be so strong,
if she needs help in any way I'll be there.

I will do anything for my precious one,
get up my courage to do things I wouldn't
for anyone else but her and God.
Anything for my Angel Queen.
I love her deeply and I love her madly
and I'm about to be more courageous to show
her all my love than for anyone or anything I ever have.
She is the one I so adore and I would do anything for her.

Michael P. McParland

Soon now my love face to face we will come again
smiles as big and filled with joy as children,
knowing at last our fate and bliss is here,
an eternity with each other filled with cheer.
Soon now my dear the Angels in heaven singing as we come near.

Soon now the closeness and love we've so longed to share,
our spirits equally becoming one,
knowing in full what true love has wrought and how it fells,

Tonight I'll see you in the land of dreams among the moon and stars,
the sun will come and say hello but the moon and stars are ours.
We'll walk along the path getting lost in each others eyes,
then we'll come to a stop where I have set a spot
for us to lay down on the grass and wrap up in a blanket
holding each other feeling proud,

Quiet Evenings

Quiet evenings are what to God I pray for
to have everyday for the rest of my life with you.
To always eat a cozy dinner after a day
of getting done with things that needed doing then.
Not always a fancy dinner cozy and beautiful
because it's shared with you.
My Angel and my only love a perfect evening begins.

Then after cleaning up we can in full relax,
sit back on the couch holding hands while
reading from a book aloud we have chosen to explore as one,
live the adventure page by page as a couple in full love.
These quiet evening I pray to God I know
will be so soon.

Then we'll pop some popcorn and watch a movie you choose,
none of my horror films unless that what you want.
Then just hold each other as we laugh and cry along,
afterwards talk about what we liked.
These quiet evenings of my dreams are all alone with you.

Quiet evenings with my only love are my greatest dreams,
soon I know that we will begin this dream
smiling in true love the entire time.
Feel the love and comfort sweet one of knowing it is real,
that soon my Angel we will be there because I so truly love you.

Michael P. McParland

16 Years Ago Tonight

16 Years ago tonight
April 15th 1999
was the most beautiful night
of my entire life.
A simple night spent in your company,
a night of being close but not touching.
A beautiful night of our souls and hearts bonding
getting to know each other in deep conversation,
a beautiful night where my love for you was sealed eternally tight.

16 years ago tonight
April 15th 1999
was the most beautiful wonderful night
and a feeling I want to share with you for all time.

Dreamt Of You 10

While I was resting I was having what
actually amounted to the most mundane of dreams.
As I recall I was looking through a book
of something and not overly entertaining.
When the phone rang I answered and
it was my one and only true lover
all of a sudden filling me with joy
and making things happier.

This time I only dreamed of you being on the phone
but at least I was talking to you feeling
elated and relieved to finally hear your voice again.
We talked about much but mostly our poetry
and how much we loved each others writing.
We went through each others poems giving our favorites
and which lines were the most moving and touching.
It has made me so happy because we also talked
about seeing each other.

I dreamt of you and it was so beautiful,
I was able to say Kira I love you and need you,
I just want to lay here holding and kissing you,
and in return you said that would be wonderful Michael
and I love you too you are so adorable and beautiful.
It's made my heart sweel with joy and in bliss.
Kira my dear you are the best.

I love you sweet Kira I know this will be truth,
because you are amazing and I love you
just as you so deeply love me.
I miss you and need you and dreams can come true.
I know ours will because of our bond a blessing so true,
oh my sweet darling I so love you.

ILYF and ever KP

I want to hold you so tight and tell you
everything is going to be completely alright
before pulling my head back looking into your eyes
and tell you that you are my Angel and I deeply adore you,
I want to look into your eyes so you can see
the pure depth of my feelings I'm sharing.

I want to look deep in your eyes and not speak a word
just lovingly look and as they always have let our spirits speak,
an entire conversation will be had without one word
having come out of our mouths,
I just want to look into your eyes revel and bask
in this deep spiritual God blessed connection we have.
Looking into the eyes of an Angel you I behold.

I just want to hold you and your hands while I
lovingly gaze into your beautiful eyes and
tell you I love before planting the biggest
most loving passionate kiss on your precious lips.
A long lingering kiss to heal our hearts in full bliss
then pull back and once again tell you I love you sweet one.

I want to look in your eyes as I tell you
everything that I feel and hold inside.
I want to look into your eyes as I give my

Michael P. McParland

Holding You Tight 2

As I lay here this afternoon drifting
in and out I dream of holding you tight
and us just talking catching up.
Discussing what we need, what we want,
just randomness in whatever we feel like.
It's the dream of just holding you tight
that makes me feel whole and complete,
knowing that there you'll feel
loved and safe your heart healing in many ways.
As will mine too sweet lady true.

Just holding you tight as we talk, kiss,
sit silently, or just drift off to sleep
is what I need and want too.
You always made me feel accepted and safe,
I almost never feel calm, relaxed and safe
with anyone and you're one of the few
who make me feel safe and also totally loved.
To just hold you tight chases away my lonely frights.

I just want to hold you tight and be
enveloped in full by the love that we share,
just enjoy and experience the electricity in the air.
Savor our true love that on this earth is so rare,
I want to hold you so tight and secure
making up for the lost years and fights.
Help you to know how truly sorry I am.
I love you so much and as I continue to rest
I'll be dreaming of all the kisses we'll share
while holding you tight feeling cozy and alright.

Michael P. McParland

Feeling You Near 2

I can feel your incredible love
surrounding me now and you feel
so incredibly near it's as if I could
just reach out and pull you in for
that badly needed kiss and hug,
just holding you the whole day through.
My heart, arms, and soul incredibly
long to be holding you.

I am happy though because I can feel you so near,
I can almost see you because the
feeling is so very sharp and clear.
I know you're helping by sending all of your loving warmth.
I thank you my darling so very much,
you have helped me relax and made my heart smile
I will now be able to rest for a little while.
I'm exhausted but have been unable to sleep,
feeling your love and all the peace that you give
I can close my eyes in comfort.

I hope and pray that you are able to feel
my warm loving care just as much,
I hope you feel it just as strong so
you will know the depth and strength of its truth.
I love you so much you are truly
the only woman I'll ever want.
Our bond is there for a reason and
I truly love you so very much.

I can feel you near and I feel contented
and soothed in your abundant caring
unconditional love.
You are so amazing my sweet Angel dove.
Thank you for everything as I am about
to rest for awhile.
Feeling you near has saved me from pure sadness,
I love you sweet lady I'd be lost without you.

Beautiful Days 3

Endless beautiful days with my sweet lady
are what I so deeply and dearly pray
for each and every day.
To have her right by my side holding hands
no matter what we are doing as long
as I am with her they will be the happiest of days.

Some of the most beautiful days of my
life were spent with her talking,
sitting by each other in school,
walking down the street to share a smoke or two.
It didn't matter to me what we were doing
because just being with her made the day beautiful.

Beautiful days to God I pray asking
make it easy to bring us together at last,
please reward two people filled with true love
who have waited so very long and have
remained commited to each other in heart
through many years no matter what.
Please dear God help bring these beautiful days back so very soon.

I love her so very much and she is my other half,
she brings the hope and sun she is my Angel of light.
She is such a beautiful woman with the kindest heart,
a beautiful sensitive soul I admire and am inspired.
Beautiful days will in full return with her and
there will be endless joy being with the woman I love,
she's a miracle and blessing a true gift from God.

Through all the beautiful days I will give her my best
treating her like the Queen that she is,
for she is so truly precious and rare,
a diamond in the rough so beautiful and fair.
I so truly cherish and love her and long
for the beautiful days together never ending
spending all eternity together.

Beautiful Ride

Babe when all comes together and
we are forever in each others arms
the life we share will be the most
beautiful ride with the most loving moments
ever shared between to true lovers.
A beautiful ride with the most beautiful times,
side by side with my Angel bride.

There may be pot holes at times as we
travel our road together in this life,
but everyone does and as of yet we've beaten them all.
Our strong bond and true love has pulled us through,
hand in hand we'll always find the way through.
I know in our trials and fights we're past the worst,
because before our beautiful ride we
just had to find ourselves and learn from the falls.
I know we've done that so come now my darling
for this most beautiful ride.

I love you so deeply and would share this with no other,
it's only you and me forever and ever.
I've waited for this to be with only you,

wish you were here to
wrap up in my arms and
stay cozy with in this late
winter storm so cold.
I just want you here to

Each Day 4

Each day I continue to work hard and improve
so I can be the best man for you.

would be insulting and dishonoring you.
Each day my sweet love I strive and work hard
for both me and you so our dreams will come true.

Each day I pray for you sweet love to
know and feel in your heart and soul
all of the love I feel and hold for you.
So you'll know you're not alone and
I am right there with you hand in hand

Michael P. McParland

My Sweet Queen

My sweet Queen you truly are so beautiful to me,
you are wonderful in your kind caring love.
The friendship we've so long shared
has been the most important and meaningful
one I've ever had in my life.
I don't make friends easy or trust any different
and you are in my heart forever and I trust
you my sweet Quen to no limit.
I love you so deeply my whole soul glows
from your deep wonderful meaning.

My sweet Queen I have loved you since the very beggining,
you enamored me and swept away all my lonely
fears that I would not find my beautiful dear one.
You amazed me so because when I met you
I was not looking for sex, girlfriend, or love.
Then there you were my Angel so pure that my
heart called out and leapt forward to let
this sweet girl know that forever I was hers.
You my sweet Queen were that girl and now
the most beautiful woman on Gods green earth.

I know my sweet Queen that I've loved you
since the beggining of all time.
Our souls connected and our bond formed so fast
it is as if we were blind,
before we knew true love was right there.
I love you so deeply my sweet Queen and Angel on high,
you are my best friend and someone I deeply admire.
Oh my dear sweet Queen I pray for eternity by your side.

Michael P. McParland

Bright Shining

Bright shining thoughts of my love
give my days a great helpful start.
Thinking of her smile so bright
and loving looks of pure light
help give me reason to go on
fighting through everything
to get back to her and show all my love.
Bright shining feelings of hope are
what she gives me in droves.

She is the bright shining Angel that
helps get me through all the saddness I feel,
she helps guide me along knowing
the happiest future is true and near,
my Angel of light and my Angel of love
gives me the greatest acceptance and love ever known.
She is my bright shining northern star
of unconditional love and I cherish her.

My lady is a bright shining light within
my entire life which at so many points
has been utterly lonely and dark.
I thank her so much and love her so deep,
she's my bright shining star and Angel Queen.
I'll love her forever and hold her so dear
for eternity it's just her and me.

I'm still deeply tired but
can't sleep knowing you're hurting.
I'd give anything to be with you
holding you tight stroking your hair
while I reassuringly whisper
in your ear that everything is alright,
I'm by your side forever feel
not a doubt because hand in hand
giving you a tight squeeze
giving you endless strength and peace,
you're never alone my only one.

I love you so much and
need you in my life too.
Please come here my darling and
gather me up too.
You're all that I want and
all that I need,
oh my sweet darling you're
everything to me.
I love you my sweet Angel Queen.

Without You 2

Without you my dear I will have lost it all,
you're the woman I love and I have fought
for through 16 years to give all my love.
I don't want to go on without the woman I love,
we can find our way through it all
because I won't give up on you for I'm right
by your side hand in hand through it all.
I just want you to see inside and understand
everything that I hold and I feel.
Without you I'll never be able to find the way
and I'll never feel complete in any way.

Without you sweet love I'll never know that special touch,
you can't understand how badly I tingle and
with you in full share myself.
It hurts so bad emotionally, spiritually, and physically
not having you here to hold and kiss becoming
one as our spirits touch and give the purest love.
Rubbing away the built up pressure and tension is not enough,
it is not true love but a cheap rendering of need.
Without you sweet love I am empty and fully alone.

I want to share my life with you in every way,
without you I am drifting a nothing to the world.
You love me so deeply as I do you too,
without you I'm breaking and close to in full.
I love you so much and need your hand within mine,
as long as you aren't leaving neither am I.
I love you sweet Angel dear Queen of mine.

Michael P. McParland

I Love And Need

I love and need you sweet one.
Do you know and feel the longing need in my heart?
I have done right now all I know to
and every day multiple times I pray crying
asking God to hear from you.
I don't just want you as my friend but as
the woman I will be with forever sweet love.
I need your hand and want your arms around me
my sweet Angel dove.
I've done what I know please talk to me my dear.

I love and need you and am losing my will
without you here my sweet love so dear.
I love you and need you and only you can
ever know and see what I hold in my heart.
Please don't go without talking to me
and giving me that chance I would give my life.
I sit here crying because I need to see your words
and hear your voice being with you soo.
I love and need you my only one,
please take my hand and hold each other so tight and near.

Michael P. McParland

Love Note 134

I truly love you my darling
well beyond the imagination
of anyone but God himself.
You are my diamond in the rough,
my Angel and Queen who holds my heart.
I hurt so much my heart
swells in great pain right now,
a much needed rest for this
body and soul that desires you
forever sweet dear.
I am with you now hand in hand
and forever I will.
You are the woman I love
and I dream of all night and day.
Kira sweet one I just want
to hold you so tight and near.

Michael P. McParland

My Heart Hurts

My heart hurts very bad right now,
a rest very soon I think to escape the world
and hurting feelings within my heart.
Hide under the covers for awhile
just let my aching heart rest with
releasing the tears now flowing from my eyes.
A rest now for my aching heart.

Michael P. McParland

My Sweet Lady Love

Oh my sweet lady love how are you today?
I miss you so much and am sending all my loving warmth.
While I was out I thought of you and how
I wished you were there holding my hand so tight
just feeling our love and sharing our times
and life together witout the world to worry about.
Only thinking of our plans for the future and the family
I so deeply hope and pray to build with you,
the greatest woman and mother there will ever be on this planet.

Oh sweet lady love I truly treasure and adore you so much,
I wish you were here and I could share with you
this wonderful special lunch while we enjoyed
a movie, some music, or one of my audiobooks.
Just spend this afternoon eating, cleaning up,
and then in each others arms snuggling for a needed nap.
Oh my sweet lady love I long for and need you so much.

You are my sweet lady and only true love
until I am with you in each others arms I won't be complete,
life is empty and cold my heart standing still,
please come and take me starting it again.
I love you so much and you are my sweet Angel dove,
come my dear Queen and let me hold you so close
and with a kiss begin our eternal journey in true everelasting love.

Michael P. McParland

Hard Morning

Such a hard morning today as I wake up
and still you're not here,
making my heart and soul ache with longing need
to have my sweet lady smiling and holding me.
Such a hard morning as I feel so sad and lonely
yearning to have you here in my arms,
or massaging your feet for the days needed
chores so you will be loosened and ready
and won't hurt as much as we go about them.
Such a hard morning wanting my lady.

A hard morning after a night of bad sleep,
that while I lied back down for more rest
my heart, soul, and body began aching
and hurting needing you here as I felt so alone,
a deep need and desire for your arms around me.
A hard morning to get going knowing you're
not here to spend it with as I go to the store
to pick up some odds and ends for a lunch I'd love to share.
A hard morning because I so badly need to see
that God blessed Angelic smile from the most beautiful woman.
A hard day because I just need to see you and
talk to you feeling the bond and love we are sharing.

I love you so much my sweet lady,
today will you send me some extra special strength and love
that I am so deeply craving?
Please hold me so tight and tell me everything is alright,
I'm having a hard lonely morning today.
I love you so much please come soon my Angel of truth,
come hold me forever and I will hold you.
No more hard mornings for either of us,
I need you my darling for eternity and I love you so much.

Michael P. McParland

Dreamt Of You 9

When I lied down to finally sleep last night
it was shallow and restless with nightmares for a few hours.

my aching heart and racing mind giving full rest a chance.
And who should this Angel be that approaches
bringing calming comfort and peace but my sweet lady
and only love helping me sleep and have the most beautiful night.

In my dream we embraced just holding each other
kissing and smiling not a worry of the world to bother us,
it was such joy seeing you my gorgeous woman I want to cry
at your memory for how happy it makes me and your true beauty.
I feel so sad and lonely though having to leave you there
you not being here to greet me when I open my eyes
seeing that shining beautiful smile knowing I'll be
spending the day with my sweet woman so fair and amazing in every way.
I dreamt of you sweet lady and I didn't want to wake,
so that's why the so very long sleep today.

Cleansing

Your deep love is so cleansing and warming
from the cold and fear of this world.
It is cleansing from the dirtiness of hate

that holds no genuine love just remourse.
Your true deep love is so cleansing
and from my heart and my soul I send thanks.

Your deep true love is so cleansing of all
the hopeless loneliness that so enveloped
me in terror and anger dimming the world of its beauty.
Your true love reignited in me the light of
hope and knowing that I would have the chance
to share and show unto you all my loving care,
your love is so cleansing of all the loneliness
and fear that had so taken me sinking my spirit
in cold barren dissapointment.
Thank you my dear for your cleansing understanding.

Your loving heart and spirit are so refreshing and cleansing
and I will show you the ways and how thankful
I am when we at last come back together.
Thank you sweet Kira I love you
and your warm loving strength is so refreshing and cleansing.

Good afternoon my darling one
I hope this day is going well
for you filled with sunshine.
It's rainy and overcast here
in Minnesota but my day is
bright with thoughts of you
feeling your loving warmth
and energy too,
it helps make the day better
in so many ways.

I'm still feeling weak from
being sick and need a small nap
but will write you as soon as I get up.
Not long I promise sweet one,
continue to feel my arms around you
knowing I'm right there at your side
hand in hand every step of the way,
I'm never leaving you in the cold dark
alone shaking and crying heart broken.
I'd never do that to the woman I love,
just you and me forevermore.

I love you sweet darling and
this small nap now for me,
I miss you so much and wish
we were together cuddling,
soon though I have no doubt
just my Angel and me nothing
will bother us ever again
or tear us apart.
I love you sweet lady
holder of my soul and heart.

Michael P. McParland

true beauty more than anything within my eyes.
You truly are a precious rose my Queen on high,
I'll love you through eternity because
my heart is yours and our souls connect in the deepest way.

Eternal love is there because of the
special spiritual bond we share.
A truly blessed gift from God a love like this
through eternity by our sides hand in hand
with no fear or doubt over this precious prize.
Eternal love between you and me the most
beautiful thing we've ever felt or seen
together never parting celebrating celestial
bliss in our love so pure and eternal lasting.

Morning Note 38

Good morning sweet lady
and I have finally arisen
and in a minute I'll get moving
after this sickness.
I'm feeling mostly better
so I will do a few light
things to test all out
and see how I'm running.

I hope you slept well and
that all of your dreams were
beautiful and I was there,
that we were enjoying ourselves
in the land of dreams.
Have the most beautiful of days
and feel me by your side
hand in hand under the suns rays,
I'm wrapping you up in a tight
squeeze and give you this giant
kiss to start a good bright day.
I'm sending you all of my warmth
and love to feel peace and strength,
reassure you that you're never alone
because I am here for you.
I love you so much my only one.

Whenever you need to my love
reach out your hand and take hold,
remember I'm here if you need.
I love you so much and will
feel the strength of your love as
I get up and fully recuperate.
Thank you sweet love for all
of the wonderful things that you give.
Close your eyes seeing and feeling
my loving look and smile,
carry it with you every step of the way.
I love you so much and can't
wait for you to be present

when I can just wrap you up and
tell you I love you over and over.

Goodnight My Sweet Darling

Goodnight my sweet darling as we slide
into bed a great big hug and kiss,
to end this day and night together
recovering our energy and health.
I'll be holding you tight through the night
my sweet sweet lady and Angel of light.

I'm sending you all of my love and warmth
with the biggest of kisses and hugs you'd ever want,
I miss you sweet lady and can't wait to
have you here in my arms to hold you all the time.
I love you sweet lady and will be thanking you
for through all time as we go hand in hand.

I'll see you tonight in the land of dreams
where we'll lay in our field of flowers
laying down on a blanket gazing at the moon and stars,
under another blanket and in our arms gently
speaking at smiling while we got lost in
the moon and stars in our arms.
Tonight by our river relaxing in the land of dreams.

Goodnight my sweet darling and may all of
your dreams be the sweetest and brightest,
I'll be right by you holding you so tightly
feel all of the loving peace I bring you.
I love and miss you so much and can't wait
for the golden moments of being with you always.
Our time is so soon and will last forever
I love you eternally and deeply my only Angel.

Evening Note 31

Good evening dear

I've been lightly dozing
and feel a little better now.
A night of sleep ahead and
tomorrow I should be
out of bed and getting on
my feet a bit to get my strength,
thank you for all your loving warmth.
I wanted to say I love you dear
and miss you deeply so.
I won't miss my goodnight tonight
I promise you my love I'm sad I
missed our kiss last night.

but feeling better than I was,
remember I'm always by your side
hand in hand no matter how I feel,
I'm wrapping you up in the
tightest hug so you won't feel alone.
I love you deeply I hope you know
I can't wait to have you here
within my loving arms.
I wish you were here to help me
through this time of sick
just holding my hand while we softly
speak, read, and listen to my
audiobooks and music.
Soon enough though I know it will be,
I love you darling here a great big
kiss to you from me.

Michael P. McParland

Restless

Laying here restless still feeling quite sick,
I feel so tired but my body won't settle
and my stomch tosses and turns so I can't sleep.
Reach out your hand my sweet darling and
help comfort my restless body and mind.
Your sweet spirit and kind loving heart
are the greatest medicines known to me,
they have helped relax me many a time.

I am so restless here lying down with this sickness,
my audio books and classical music cannot calm me,
you being here with me while softly talking and reading
while holding my hand reassuringly would be the
greatest thing making dreams a reality,
soothe this restless mind and body to find
rest from this illness making me shake feeling
so hot but then so bitterly chilly.
I wish you were here to have your company calming
my weary mind and body.

I am so restless sweet dear but need the sleep to get well
please reach out your hand to take mine and in our love
soothe and relax me from this restless spell.
I love you so much and wish you were here,
your love makes everything so much easier to bare.
I'll be dreaming of you while I lay here in this restless state,
it will help make things easier in so many ways.
I love you sweet lady and miss you so dear,
please reach out your hand and come here so soon.

Michael P. McParland

A Rest My Dear

A bit more rest dear to try
and beat this sickness I feel.
As I'm lieing here listening
to my new audiobook I'll be
thinking of you and wishing
you were here to hold and

I love sharing things with my lady
and while you are away I
miss doing that so very much.
Return soon so we can together
share all that we love and admire.

I'm sending you all my love and warmth
sweet lady I wish to be with all my days.
Come hold me close and tight
while I lay down filling me with all
your peace and strength,

Your Picture 5

About to lay back down and rest
some more so I can get better
and not get even sicker from no sleep.
So before I put my head down
I looked at your glowing face and smile
and it soothed my heart and soul
giving comfort to calm me in full.
I'll get good sleep now because
looking at your picture I took in
the beauty of my celestial Angel.
Helping me feel all the more your loving peace.
You are amazing my only Queen.

So I am now laying down and
in my head I see you glowing
in your loving way.
Come and snuggle with me sweet lady

My Sweet Soul Mate

My true love is the greatest woman
along with my mother I've ever known.
My true love is my best friend I've
known and loved since I was 15.
She's such a beautiful Angel
and means everything to me.
She is so very sweet and my soul mate.

My true love and sweet soul mate
give me hope and fill me with light.
On days such as this feeling sick,
physically drained and dead tired
she gives me such loving warmth
to help me heal and regain the strength
and peace I need in mind, body, and soul.
My true love is a Queen with mercy so supreme
and is an Angel so kind and loving to me.

My sweet soul mate, my best friend, and my only one
is my hearts greatest reason to beat on,
together we share the strongest and most beautiful bond.
One that is blessed by God and cannot be destroyed.
She is magical to me and I adore her in every way,

It's All I Can Do (I Love You)

It's all I can do some days
to cling so tight to my emotions
and not break down in tears,
because I miss you deeply dear
and want you in my arms.
I need you by my side right now
because my heart and soul are tired of being alone.

I just want to be with you no matter where,
be it here where I am or where you are right now,
I don't care where we are and live,
because I just want to be with you
and that's everything in my heart and mind there is.
It's all I can do right now to not break down and cry.
I miss you deeply and want to wrap you in my arms.

It's all I can do many times a day
to not climb on the highest roofs and peaks
to shout I love you Kira please come and hold my hand.
I just need you in my life because my heart
holds a love so truly pure I would
go with you no matter where being happy because you're there.
I just want to be with you and hold you dear.

I've been sitting here with music playing
and as beautiful songs come on at
the corner of my eye a tear begins to form,
because I wish you were here to share this
beautiful piece of music with.
You know how I only share music with my most beloved,
and I want to share everything about myself
with you the only one I'll ever love.

It's all I can do some days struggling
through the lonely aching pain to
get stuff done and not break out in tears
from missing you and needing your arms so
tightly wrapped around me very tight.
I just need you babe so please come soon

and take my hand walking to our glowing future
full of joy and everlasting giving love.
You are my Angel and I love you with

Night Note 66

Up and down lately
just a bit my sweet darling
and Angel bright.
Still not feeling well
at all but while up
I wanted to write you
a beautiful poem and tell
you right here and now
that I love you so,
you are truely wonderful
and pure magic to me in every way.
I so badly long and ache
to have you here in
bed with me holding
each other tight and close
sharing all of our loving warmth,
taking pure comfort as
our hearts rhythym synch
and beat together as one
feeling true love,
our souls glowing in the
immense joy they feel being
whole as we are together at
last never to part again.
I so deeply miss and want you here.
I love you beautiful lady
and sweet soul that has
touched my life so deep
in many ways.

I don't know how long
I may be up sweet one
I still feel so tired and weak,
I wish you were here
to rub my face and head while
we lay here and softly talk.
You are the medicine that
heals and calms my aching
heart and soul,

and would make feeling sick
go easier knowing you were here.
I know though of all the
loving warmth you send,
I feel it all and thank you so.
I can't truly express the joy
I feel and what it means to me.
Remember I'm by your side
no matter what or how I feel,
strong in health or feeling sick
I'm there for my love hand in hand
every step all the way you are my dear.
I send you this massive kiss
with a squeeze to cheer you up.
I want you to be happy now
and always Kira of all my dreams.

I will relax a bit now to try
and feel better a little bit,
I'll let you know when the
pillow calls my name.

I want you to be here in my arms.
I miss you deeply and need you here,
you are my other half completeing
my entire heart and soul.

Love Note 121

Mid morning my dear and
how I want to talk to you
even if just to say
I love and miss you.
Although I desire so much more,
to talk away the hours through the day,
enjoying the loving company
of my darling I've so missed,
getting lost in your glow
and total love,
having the best of days
hearing your lovely voice.
I wish I could at least talk
to you telling you
I love you through and through
my Angel true.

Just wanted to say I love
and miss you so much my dear,
you are a jewel so very rare.
A diamond in the rough
so kind and wonderful
beautiful in every way.
I truly treasure you my only one,
as hand in hand by you I stand,
never leaving you to face the cold alone.
I love you so and I want to
give you my everything and all,
let me prove to you my abundant worth.
You are a wonderful woman I so adore.

Michael P. McParland

Without You

Without you I feel so lost
and don't know what to do.
I feel cold and empty without
your kind, warm, loving care.
I'm completely and utterly alone without you.

I feel so lost without my partner
and guide together getting through it all,
the best times and worst.
Everything feels dull, plastic and detatched without you.
My head spins in scared confusion,
I'm so lost without you my only love.
What am I to do adrift in the middle
of this ocean here all alone?

My heart feels so heavy swelling in pain,
I'm numb in the worst of ways where
nothing seems real yet catatonically
the pain is sharp and so severe.
I hurt so badly and feel lost without you here,
a large piece of my heart and soul are gone.

Where are you darling one I so dearly love?
Will you come back soon and take my hand?
Then hold each other as in joy we cry and laugh?
Just holding one another for many hours,
saying how much we've missed each other
in words and reverent silence,
looking into each others eyes
and say I love you dear I'm glad you're mine.
Will you be coming back to get me my Queen?

I'm so lost and empty without you love,
wandering around confused without my one
to hold so close giving all my secrets too.
Without you I have no one to trust,
because you are my other half and Angel of true light.
I love you so deeply in my heart and soul
which I so long ago gave to you.

I'm lost without you in my life sharing all there
is with each other in loving pride.
Without you I'm so very sad and lost sweet Angel dove.

Michael P. McParland

Morning Note 32

Another day now lays
before us my lady
of the moon and stars
shining so brightly high above.
I love and need
the brilliant light that you provide,
for when the skies are grey
I think of your smiling face
then the day turns bright
and I see a way.
I love you so very much
I hope you know,
my heart beats on time
just for you.
You are so beautiful
I cannot stand to have
you so very far away.
I want you here so every day
in full I can be amazed.
You're so beautiful in every way.

Have a marvelous day
my Angel so fair and pure,
my heart and I are right there with you.
Holding hands and in my arms
I'll profess my love to you
in full because I need to
let you know the depth of my whole soul.
I love you dear and I
want to be with you through all the years.
My heart is breaking without you here,
I hope and pray for what we need
to heal our aching hearts and souls
within each others accepting,
loving, needful arms.
I want you so much my only one.

Feel the sun and let it
warm you with all my love,

feel the kisses I send to you.
May they give you peace
filling you with all my love.
I'll be sending you millions
of smiles on the hour to
give you cheer,
feel the depth of my soul
sweet dear.
I love you deeply and
cherish you so greatly.
I don't even know how to
describe it justly.
Just feel in your soul
the great love I feel
and for you my pure intentioned
want and need.

Michael P. McParland

Take My Hand 9

On this lonely morning please
take my hand and give me comfort.
As I lay down and try to rest
I need your warmth and peace
feeling your deep love surround in full.
Please take my hand and I'll hold you near.

Take my hand dear and give each other
needed love and peaceful strength,
then hold each other close while I give you a kiss.
I need to feel you right next to me,
I need your love my sweet lady.

I love you so and need you here
by my side forevermore,
you are the keeper of my very heart and soul.
Please take my hand sweet one and feel my love.

Michael P. McParland

Night Note 62

Hello my sweet darling
I'm up and about though
I feel mostly like a zombie.
Restless sleep not very
calm and deep so I'm just
going to get up and
do some of the things I need.
You know I usually do
my chores in the night as it goes,
so eat some food and
then do all of those,
I'll be thinking of you all the time.
Wishing you were here to
just relax and talk while I do my work.
Just being near and feel your love,
then afterwards just sit down
and holding hands talk
about this and that laughing
and enjoying the love we share.
That would be so beautiful
my only one.

I'll be with you the whole
night through wrapped up
in my arms snuggling
and holding your hand too.
Letting you know I truly love you
and that I always will
you're not alone because I am here.
I love and miss you very much my dear.

I will write you poems
today as wonderfully
and as much as I can.
I want to post only the best for you,
so I promise to give you
my best and all I can.
I only strive to honor you
and want to make you happy and so proud.

I fear I've fallen short on that.
I love you dear and am sending
all my loving warmth with
everlasting peace and strength.
I send to you this great big kiss
to fill you with my wholesome love,
know that it's true in every way.
I miss you so very much and
will love you through eternity
my sweet Angel and loving Queen.

Michael P. McParland

Tired 3

Tired with a heavey heart,
time to sleep and see you there.
We'll talk and I can show you all,
reveal the whole truth in me.
That which I've told you all along,
and those things I held to tell
in private time where they belonged.
I have so much to give to you,
I love you so much my darling one
if you only really knew the depth of it.

Michael P. McParland

Goodnight My Beautiful Love

Goodnight my beautiful precious love,
my heart with all my loving warmth go out to you.
With many tears I give you this deep kiss
filled with passion and truth of everything within my soul for you,
pure admiration, respect, care, and the truest love there is.
Only the kindest feelings reside in me.

I'm with you always hand in hand arms wrapped
so very tightly around as we lay in bed tonight.
I tell you how much I deeply love and trust you,
these walls are down as long as you are willing and
ready to hear all the things I so long to share.
I ache severely to give myself in full to you.

I'll see you within the land of dreams,
I'll let you pick our activity.
I just want to spend time with my lady
talking, smiling, holding hands and snuggling.
I'll meet you in a land so grand for
two people so in love.

Goodnight Kira my beautiful love,
my heart and spirit call to you.
Please hear their words and hear their truth,
I pray you will feel and know the sincerity
in the abundant love and care I've always held for you
and that it will touch you in how I feel.
I love you so my only one and Angel Queen,
you are my everything and mean so very very much to me.

ILYF and ever KP

Michael P. McParland

Love Note 120

I love you sweet lady
plain and true.
I will always love
only you.
My heart is yours
and in your hands it beats so proud.
You are the only one
I'll ever truly love.

Michael P. McParland

I'll Always Want You

I'll always want you in my life
no matter what happens we can fix it,
you're my only one,
I'm not going anywhere.

I love you so deeply nothing can take it from me,
I want and need you in my life.
I'll always want you no matter what.
I am here and I always will be my dear.
I love you with every part of my soul and being.

Michael P. McParland

No Negativity

I will show no negativity
because there's no need to heighten pain.
I will not sling words
I don't mean at ones I love,
because it hurts all involved and
causes greater regret later on.
I've done too much of that
and feel that constant torture
within my heart.
Nor is it a heart of black,
I'm just a man who's made mistakes,
I always try to do the best I can.
Like all other human beings I have my bad moments
and I will eternally apologize for that.

No negativity anymore.
I only want and care to show my love,
I hope and pray you know it's true
and feel the intent of my heart too.
I have bad moments and I am human just the same,
please forgive me because
I forgive and love you more than you will ever know.

Michael P. McParland

Evening Note 29

Good evening my love
how has your day been so far?
I feel better after my
little rest to decompress.
Again I thank you for
all you give and do my sweet
Queen that helps relieve my distress,
you truly are my hero and best friend,
I'll spend eternity thanking you
by always giving my very best
and showing my love in every way.
Oh my darling soon,
soon I hope and pray.
The longing is so strong
and I need to have
you here within my arms.
Seeing you smile looking into your eyes
and feeling the shining hope
you give to me inside.
My dear Angel of love and light.

I'll be keeping busy
this evening my only one,
but do not fear poetry
I will be writing you.
I just need to keep my mind busy
at all times to prevent worry
that always leads to pain somehow.
My overthinking always makes me spaz.
You though dear make me relax
and beam with loving pride,
you are truly my Angel Queen
with a heart filled with
true love and kindness that will never die.

A big kiss to you right now
and don't forget I'm with you
every step holding hands
wrapping you up in my love and warmth,

I give to you all my peace and strength.
I love you sweet you are
everything so truly great,
without you my life would be
small and weak without a point.
You are the reason I continue on,
in my eyes you are truly great.
I love you so and miss you dear
I hope and pray you'll soon be here.

Michael P. McParland

Thought Of You

Thought of you while I was out my dear
wishing you were there right by my side.
It was very crowded and people kept
on jamming me into a corner.
I was getting very anxious your
sweet spirit and reassurance always calms me.
I couldn't wait to get back home so I could write you.

So I am back at home decompressing from
the anxiety filled chore and I
thought of you the whole time through
to give me strength and fight on through
the anxeity to get done with everything.
I'm always thankful for the warm loving care you send.
I hope and pray I've helped you too.

Now I'll lay back for just a bit to catch
my breath and my wits,
I'll be thinking about you my dear
sending all my loving care.
I love you babe feel my arms around you
pulling you in for a thank you kiss.
I miss you so very much
I can't wait for you to be right here.

Michael P. McParland

Love Note 119

Almost noon my dear I wanted
to see how you were doing.
As always I'm right there holding
you ever so near to give you
all the peace and strength you'll
ever want and need,
feel all my loving warmth surround you
with the biggest hugs and kisses
to make you happy and fill you
with all my endless unconditional love.
You are so wonderful to me.

I'm out the door to do
a spot of shopping,
the kitties need food as do
I need a bit too.
All the while I'll be wishing you
were there with me to
enjoy your loving heart and company,
I miss it all the time
no matter where I am or go
I wish you were by my side
holding hands seeing your smile.
I feel your loving warmth and
spirit though and it gives me
strength, hope,
and courage to keep on going.
I know soon enough you'll
be by my side forevermore
sharing our love for eternity.

I'll write you when I return
to tell you I'm okay
and that still and always
I love you and will
never leave or abandon my only one.
You're my hero, Angel, and best friend.
I'm yours in every way forevermore,
I give myself in full to you.

Michael P. McParland

Dancing Through The Night

Dancing through the night with our
favorite and most beautiful music
our hearts beating as one
and our spirits taking flight reaching new heights.
In the arms of my only lady smiling
and feeling pure delight.

Falco, Mozart, Pet Shop Boys,
and all the music that brings you delight.
Sharing our loves in each others arms.
Our souls coming together filling in the holes
from being all alone giving peace
and strength with endless joy.
Dancing through the night my best friend and Angel Queen.

Being in your arms under the moon and stars
is the greatest dream by far,
to look into your eyes as we sway and come
together feeling love in each others arms.
Wrapping you up in the slowest songs
and closing my eyes and just feel you near.
Dancing the night away with my Angel oh so fair.

Soon my dear I know it's so,
we'll dance the nights away in loves sweet song.
Forever in each others arms
feeling complete in our joyus and pure true love.

Michael P. McParland

Thank You My Angel And Hero

You have done very much for me my Angel
of everlasting light and love.
It will take me many times in many ways
to tell all and in the greatest ways thank you in full.
I'll attempt here though to give a few
and give the greatest thanks I can sweet lady of mine.

In the middle of High School and many years after
we lost almost all contact save a few moments
that were intensely emotional and filled with love.
Events that pulled us apart that were not fair
and being young well beyond our control.
I still loved you all that time and I know
in my heart and soul you loved me too.
Thank you dear in depth so righteously true.

In all those years I felt you from far away
and always knew we'd find our day,
and again we found each other and I felt your love right away,
thank you my love for not forgetting me
you truly are so kind and great.
Our love remained as I always knew it would.

Your love is what kept me going through those years,
so many times the power you sent kept me alive.
You are my Hero and my Angel,
I thank you dear for every way you've helped me from then to now.
I love you so very much for the soul you have
and the wonderful lady you are in full.

So many hard days through the years you've helped me,
yesterday being the most current.
I've given you so many secrets
because I love and trust you,
my walls are coming down because
I give myself to you in full sweet lady.
You are my everything my sacred precious hero.

For now I shall stop here but expect many more thanks my dear.

You have been my universe and the holder
of my heart and soul, my essence is yours in full.
I want to marry you because your love and spirit
are so truly clean and pure.
I love and thank you dear forevermore.

Michael P. McParland

Morning Note 31

Good morning my love
and only true dear.
My rest for now is done
and here very shortly I
will get started writing my
great poem of thanks to you.
Please never worry about my
dedication or love for you.
You're all I want, need, and
I will always work so very hard for you.
I am yours for eternity my only love,
as I rested I could feel your
arms around me and was filled
with your warm abundant love.
Thank you again sweet lady of mine.

Have the most wonderful of days
and feel me there beside you
hand in hand giving you a
big tight squeeze of true love.
There will be never ending
happiness for us soon I know.
Feel all my warmth and love
as the sun shines on you my only one.
It's all for you that I
go on and try so very very hard,
you are my Angel of light and grace,
my hero, and my everything.
Close your eyes and see me smiling,
feel all its love as I kiss you.
I give myself in full to you.
I love you sweet lady and here very
shortly I will write my
poem of thanks to you
because I want you to know how
very wonderful, beautiful, and special
you truly are.
I love you so much and want to be
by my Angel Queen for eternity.

Michael P. McParland

Beautiful Lady 2

Beautiful lady I thank you so much
for all the wonderful beautiful things you do.
I give myself in full to you,
thank you for your kind loving heart and spirit,

my dear sweet Angel.

You're one of so very few that truly tries
to understand my mental issues too,
why sometimes I get so confused and act
so in a panic I smile for as you say I am a spaz.
Your fun names of love always make me glad.
You are special my only one.

This is not my great poem of thanks,
that will be coming my beautiful lady oh so great.
Right now my head still hurts and mentally,
physically, and emotionally I'm still spent.
I want to be at my best for you so a small rest is do.
Not long I swear to you.

Will you come join me and hold me close?
Rub my face and head while I tell you
all my love and what I hold inside?
It will help recharge me in your awesome love,
because you are my sweet Angel dove.
I will give you the greatest poem of thanks,
because you my dear are my everything.

Michael P. McParland

My head hurts just a bit but
food is the cure for that.

Simple Sunday

A simple Sunday to lay back relax and dose,
the perfect day and the perfect time.
Today just to lay back and think of
old times and the good they had.

A simple Sunday to close my eyes and dream
of a lady so fine and fair she enraptures me.
Dream of all the times we shared letting the
abundant good outweigh the bad times we had.
No need for negative thoughts where love is felt.
They were mistakes from which we have learned.

A simple Sunday praying for the dream of mine,
to open up my messages and see her precious name.
A beautiful message with words of love,
I know that it will happen please let it be today my Queen.
A simple Sunday filled with hope and future dreams.

A simple Sunday I can feel her love,
she is so very special my sweet Angel dove from high above.
A true gift and blessing I am grateful for
because she is so beautiful my only one.
A simple Sunday spent working on my faults for her.

A simple Sunday my sweet Angel and best friend,
I'm sending all my loving warmth your way.
You have given me more than you can know
and I thank you truly for all you've done.
Feel me close wrapped in my arms
I'm holding you so tight on this simple Sunday
filled with loving dreams and hope.
You are my Queen and greatest dream.
I'm greateful for all the love you send to me,
and I'm sending you back all of mine.

Michael P. McParland

Night Note 61

My dear love I yearn for you
on this lonely night.
Not in sadness but with a
smile I feel and think of
your kind and everloving heart.
I just want to hold you near
smile big and proud knowing
that the one I love
is now and God willing forever in my arms.
You make me so very happy,
being apart is what makes
me so very sad when it happens.
When we come together
forever happy days will be here again.
I just wish that we could
talk while waiting for that point.
Please know though that I
am not pushing just voicing that
of which I am wishing.
I can't hold in my feelings
because I can't go on living
without you truly knowing
what's in my heart and always growing.
I love you dear and for me
it's always showing.

I pray your Sunday goes so well,
that you'll be thinking of mee too my dear.
I'll be by your side the whole time through,
hand in hand tightly holding you.
I wish to spend my life that way,
I know once we have talked and you've
seen it all you will know the man
I am is not really weak or very strong,
I just rise to the occasion when I can,
and for you I'll show my vulnerable side.
You are worth telling the whole truth,
and I will always give it have no doubt.
I love you babe my Angel and best friend true

feel all the love and warmth I send to you,
let it wrap you up so good and snug,
feel the strength and peace it holds inside.
I give you all and the best I can
because you are the greatest woman on this earth
and my only one.

Michael P. McParland

Right Now (Holding Hands)

Right now all I wanna do is hold your hand
while we look at each other and talk,
that's all I wanna do is look at you and smile
holding your beautiful soft hand and talk,
tell you so many things reverently and soft.

Right now I was just thinking about the times
I have made you cry and I've heard you cry once
and it broke me up inside.
I wanna hold your hand and look you in the eye,
say I'm so sorry babe it breaks my heart to
ever see, hear, and know that you are in pain.
I'm so angry at myself for ever making you feel that way.
Can you ever forgive this stupid man for what he's done?
I can't forgive myself unless you can and say it's so.
I love you so much my only one.

Right now my heart is calling, yearning to hold you near,
I just want to hold your hand and look at beautiful you.
You are so beautiful do you even really know?
I just wanna hold your hand and tell you so.
Right now my heart aches and longs to be with only you.

Oh my precious best friend and only dear,
right now I so badly need to hear from you.
I know you're shy as so am I,
but please message me so we can talk on facebook or on here.
Right now I so badly want and need to talk to you.

Right now I feel your love and am sending mine.
Can you feel the depth and power it truly holds?
Oh my sweet love I need you here so very bad.
I love you deeply and I always have,
deep down I know you've always felt it deep and true.
I hope to spend all time with you.
You are my Queen and my Angel of sweet delight
right now come my dear and hold my needful hand
and me so very close and very tight.

Michael P. McParland

Night Note 60

Approaching midnight here
and thinking of you while
I go about little things here and there.
Hoping as ever that you are well
and wishing so very much
that you were here.
I can feel all the love
you hold for me and I
am filled with joy and
thank you endlessly.
Can you feel all the love
I feel and send my only love
and true best friend?
I truly hope because I hold
it all in abundance I
so very long to share.
Just you and me with
the moon and stars lighting
up the floor to dance,
just you, me, and great music.

I'll be saying a prayer
for you as I always do
for you to be at peace and feel my
love with no worries in the least.
You're the greatest my Angel Queen.
I'll be here the whole night
through and as always by your side
hand in hand for eternity
just me and you.
I love you darling so very much,
you're my special lady and
I'm never going to let go.

The Luckiest Man

Because of you sweet one and all
the warmth and love you give to me,
I am and always will be
the luckiest man on earth.

Not much more right now can I add to this,
for I feel an overly long statement
would make it lose its power.
So I just want this short message to convey from me.

That you are to me with no flattery intended,
no overstatement given,
and 100% from my heart and soul in love unconditional,
the most beautiful woman on this earth,
and your love and kindness are my universe.
Simply put I love you dear and because of you
and all you are I truly am the luckiest man there ever was.

Michael P. McParland

and I will give my all for you.

and that I will not do.
So as the night goes I'll give my
best for my one true love and that

from on high above.
I'm right by your side hand in hand
forever my only one.

My Lady Love

My lady love is my everything,
there isn't anything I wouldn't
give or do for my Angel Queen.
She helps get me through the
toughest times and I'm grateful epicly.

Kira is my lady love and I have
pure admiration for her in my heart and soul,
there isn't anything she can't do
in my eyes so full of love and endless wonder.
She has a heart of gold and a God blessed
soul equaled by no other.

Kira P. is my lady love and my life is hers forever.
She's an amazing woman who I've loved
now for 16 years since I was 15.
She's an amazing miracle to me and everyday
I bend down on my knees to thank God
for this special being so kind rare and lovely.

Oh my lady love I want to have your hand
for an eternity of blissfull marriage.
You are so amazing that even in my sickest
states I'd walk the earth as needed to get to you
and hold you near my only one and best friend.

I'll be by your side forevermore giving everything
I have and am for my only lady love.
You are a blessing and I thank you so very much.
I want to be with you forever dear.
Will you come take my hand in bliss?

Michael P. McParland

Yesterday

Yesterday I had things to do
and wanted to be here a ton for you.
Then the exhaustion of many days
and sickness came and tripped
me up in many ways laying me out
that even now I'm mostly flat.

Yesterday I had a doctors appointment
to go to in the afternoon.
I fell asleep after so very long awake
and when I got up to go I couldn't walk,
my body in whole had given out and my
mind was confused on top of that.

So a few hours sleep I hoped would cure me,
spliting my head open a migraine from hell
was my fate then and I could have screamed.
I can't eat either canker sores fill my mouth
all around nothing I can do about them.

So yesterday now into today I've felt
awful and am only just getting to an allright place.
I'm sorry love I could not tell you in some sort of way.
I had come apart and could only manage my goodnight poem.
I am going to work hard to do as much as I can
for you today because you are my only one and everything.
I love you so much KP you were what helped
get me through with the love you send to me.

Michael P. McParland

Goodnight My Darling Kira

Goodnight my sweet sweet darling Kira,
I'm so sorry I was not around today
but there are many good reasons I will
explain after my health recovers a bit more.
I love you so very much and I am with you now
as I always hand in hand.

I'm sending you all of my love and warmth
with massive hugs and kisses just for you.
I will give you millions more of both in the land of dreams.
I miss you so much I even cried in my sleep.
Please don't be mad I' will tell you
why my absence later when my health allows.

Goodnight my darling Kira I am right there holding you.
Pulling you in so close for comfort we both need,
I'll see you soon my only one,
we both need the closeness with each other in every way,
eternity with you is my greatest dream.

Michael P. McParland

Night Note 59

Dear sweet lady feel
my arms lovingly wrap around
you pulling in close for a tight squeeze.
Turn around and see me smiling
at you as I come down to
give you the deepest passionate
kiss of pure love to be dreamed.
For you and me everyday it
will be reality a plenty.
I so deeply adore and cherish you.
Not getting much more than
light rest and dreading the
doctors this afternoon for a
number of reasons,
not scared at all just tiredness
and stress make me want to stay in.
I will take strength from the
loving beauty you send letting
it fill me up with patience
and courage in many ways.
I wish you were here to thank
and hold for actual deep
peaceful sleep in your arms my Angel Queen.

So tired and missing you,
trying to eat but have tons of canker sores.
I so deeply anticipate our
being together and can't wait
to look in your eyes smiling
seeing heaven in them and feeling
truly loved by a woman for the first time.
Being loved for me outside of my
family for the rarest of times.
I know your love is true and feel it from here.
Feel all of mine as I send it
too through the moon and the stars,
they're helping deliver it shining
ever so bright on my Angel Kira
such a beautiful delight.

Now to struggle with eating
then more light resting.
Will you come hold your man
and keep me safe from the frights of my mind?
Give me peace and strength of
a lady so bold and brilliant,
stronger than 99% that I know.
I'm right there beside you
holding your soft hand,
feel my smile and look of love.
Everything of me is for you
and I'll give it all for eternity.

Michael P. McParland

Tell Me Sweet Lady

Please tell me sweet lady what I need to do for you.
Please tell me where you need a hand and let me help,
tell me if I'm doing right and pleaseing you.
I just want to make you happy and fulfilled.
Please fill me in sweet lady on what is needed, wanted,
and when we can finally come together feeling peace
in each others arms being soothed in its healing.

Please tell me sweet lady your whole side of the story
and what's currently going on in your area.
Right now I don't know how to bring us in one place
and I can't figure it out and solve it all by myself.
Please tell me it will happen and soon so we can
be one again never parting or losing this special thing.

I beg you to tell me sweet lady I'm so scared and tired.
I'm so afraid in some way of losing my dear Angel,
and I can't take full loss again.
Mentally I would fall apart and break down.
Please tell me sweet lady what must be done
and together figure out so many other things.
I love you immensely and I can't sleep because
I need you so badly and I'm afraid of missing anything
even if it's a long shot magical thing.
I will now rest please take my hand and cuddle with me.
Tell me everything sweet lady because I love you intensely
and want to spend eternity in your loving arms.

Michael P. McParland

Goodnight My Dear Angel

Goodnight my dear Angel from heaven above
with a great big kiss and squeeze I say I love you
and I'll see you much sooner than later.
Then we'll spend every night together in bed
snuggling feeling total peace and comfort.
Complete at last with our hearts healed as one.

I'm send you in great abundance tons of
kisses and hugs with all my love and warmth.
Forever I will give you every last bit of my
energy, warmth, strength and peace because I
want you to have the greatest life and I'll
aid that and provide it in any way I can.
You are the one I will give anything and everything for.
You're my sweet Angel dove of yesterday, today, tomorrow,
and every day there after.

In the land of dreams tonight we shall meet
in our vast field of flowers holding each other
laying on a blanket this time under the moon and stars.
Just enjoying the light and silence with the
chirping of crickets holding each other so tight and close.
No cold to get in and nothing to disturb our peace.
So soon a needed reality my dear.

Goodnight my dear Angel I'll be holding you
stroking your hair and kissing your neck and cheek.
Just telling you I love you so much and miss you intensely,
I need my Queen to come and grab me fulfilling all
my aching needs, to be held, told I'm important and loved,
that I'm special and so very very handsome.
Words from you I've been dying to hear.
So many needs and our time will come I know,
I love you sweet lady and eternity with you is all I want.

Michael P. McParland

Your Picture 4

Your beautiful picture is what's getting
me through this lonesome sad night.
As soon as the aching and pain begin
to get really bad wrenching my heart around
I pull up your picture and see that smile
only an Angel from heaven to earth can posses.
My heart melts as I longingly smile saying
oh my sweet dear Kira I miss you so much
and I need you here so we can cuddle forever
saying the hell with the world it's our time
to finally shut everything out spending time together.
Oh your beautiful sacred picture saves me on these nights,
thank you sweet sweet Kira for being such a
beautiful and pretty woman.
Inside and out I'm so taken aback.

Your picture saves me tonight from the
totures of facing it all completely alone.
When I look upon it I can feel you even closer
seeing and feeling you smile at me.
I feel you so close as if you're standing right before me
and I want to reach out and grab you in the
tightest of hugs saying I love you my
sweet little lady I love so much.
Please kiss me and help fill in so many holes.
Your picture puts you right here helping me
feel in full your loving, caring, tender peaceful warmth.
I thank you so deeply my love.

Your picture showing off that million dollar smile
and the brightest eyes that look right into me
where I no longer hide because you're the one that I love.
Please don't leave me and make your picture all I have left,
because to see you in person is the greatest wonder there is
and I need to gaze upon you saying your name,
confessing my love again and again.
Just being in your arms knowing I'm home and with
my true soul mate and loved one.
Who I will fight for to no end and spend eternity

giving and serveing her all of my best.

Michael P. McParland

To Be With You (Service)

I just want to be with you forever.
I care about you and wonder if you're
doing alright and need my help all of the time.
If it has ever seemed I believed it was more
and mostly about me I apologize I never meant
for it to look that way because I don't feel or believe that.

I confide so very much about what I think and need
out of the loving respect and trust I have in you.
I've been trying to communicate this by telling you
and showing you sides and things no other could
ever hope in their wildest dreams to see and experience from me.
I am so sorry I've gone about this all wrong,
I've tried to express my desire to be of service and give
you not one bit less, in my heart and soul I want
to give you so much more because you deserve better.

Being of service to my only lady is one of the things
that truly makes me happy and feel great.
I love listening to you and for years have died inside
for you to tear down your walls sharing everything
so I could know you throughout and help you heal,
so I would know where not to tease or make a stupid comment
off the cuff not knowing why it angered or hurt you.
I'm here and I'm listening, ready and willing to give
and do all the things that you need.
I know you're longing and in want of holding just
as much as me and I ask for it constantly with
both of our wants and needs in my mind.
I'm so sorry if I made it seem it was all about me.

I've just wanted to show you how important you are
and that no other woman could ever take your place.
I won't give them even a quarter of my soul,
heart and trust that you've gotten,
I care more about your needs and wants and I did a bad job
of communicating what I was saying.
I'm so very sorry please forgive me.
I love you so much and I want to be of great service,

you are my Angel bride and I want to give you every part
of me in service, trust, faith, giving all of my
inner most fears and secrets.
For eternity I just want to be with my lady giving
her my all and everything she'll ever want and need.

Michael P. McParland

Fiercely Aching Heart

My heart aches so fiercely right now
I just want to collapse from the need
and exhaution overtaking me.
I need you here and I feel your deep love,
do not fear or doubt it for reasons I do not understand.
Please help me to know what you need I am right here.
I feel the great power of love that you hold.

All I know is that I want and need to be with you,
steadily my heart rips and mind breaks more and more
with each passing day you're not here at my side,
fearing a future so empty without my only lady.
I just know that I love you and need you by me.
Please talk to me and we'll figure everything out.
My heart is aching fiercely and the tears are
now coming so under the covers I need to be going.
I'll write you more later my sweet sweet Angel of love,
right now I'm aching so much and afraid that I'm lost for words.
I love you Kira Petranovich please feel my heart as it
is yours forever my sweet Angel dove.

Michael P. McParland

Evening Note 27

Good evening sweet lady
let me start by thanking you
for all your kindness and love.
It means so very much to me
tears come to my eyes from all
the love that you feel and you send.
You're the greatest my sweet Angel dove.
Perhaps finally in a few minutes
I'll finally lay down for some rest,
a doctors appointment awaits me
tommorow afternoon.
I'll be thinking of you to
help get me through any boredom and pain.
You provide me with endless strength.

Have a beautiful evening my one and only,
more poems will be coming after a bit of resting.
I can at least hold you in my
arms of writing while waiting for
you to be here in person.
I strive to honor and show you my
deep passionate everlasting love
every day no matter where we are
my true Angel Queen.
So feel me there holding you tight
hand in hand and with a big kiss
I'll now lay down putting the early evening to rest.
I'll be dreaming of you sending
my love and warmth.
I love you sweet lady and
I thank you deeply once again.

Michael P. McParland

Amazing Feeling

An amazing feeling comes over me
and fills me up as I feel the love
that you feel so deeply and you're sending to me.
Such amazing joy I haven't felt in so long,
Thank you sweet darling for the big smile I wear.
I feel at peace with strength,
happy the rarest of things anymore.
You give joy and light me up.
An amazing feeling from you love and comfort
I can't thank you enough.
Now please smile for me as I return
my deep loving, strength, peace, and warmth.
An amazing feeling we can share with each other.
I love you dear lady so amazing you are
in every way that I know.
You make me smile in abundant joy.

Michael P. McParland

I Love You Kira 10

I love you Kira in a million different ways,
when I say that it even hurts and brings weight
feel no fear for it's not in one bit of sadness,
regret, or some other backward feeling for which I should be smacked.
It feels heavy in the boundless size and depth
of the love I carry for you in its immensity.
Imagine carrying the love of the world within
your heart and body for the most beautiful person
you know and on earth.
That is the sort of heavy weight I carry and feel for you.
Deep abundant true love matched by only you.

The pain that I feel is from my heart swelling with
love and pride at your sight, at the sound of your voice.
Your picture has made me have to sit down from
the longing pain of true pure love that I feel.
In high school the tingling would get so bad and be clear
it got painful demanding I sit to avoid embarrassment.
The pain I feel is need and desire for your spirit,
your mind, your hand for eternity, and hold no doubt
for the magnificent sexy woman you are.
This is the weight and pain I carry and feel,
in pure love and delight I'd give it up not at all.
You're such a wonderful Angel to me and I'm in awe.

I love you Kira and when in my arms I'll spend
days possibly even weeks telling you the ways that I love you
and find you so deeply attractive.
Why I want to be with you forever knowing eternity
for us isn't nearly long enough.
I love you so much Kira and so very deeply,
I send you this hug and kiss with my ever abundant
love and warmth to show you from here my undying passion.
My dear Angel Queen and sweet lady so perfect for me,
I love you deeply and want to hold your hand forever through time.

Michael P. McParland

Our Love

Our love is so immense and deep
a truly wonderful experience that will never be beat.
Spending time with you my Angel and having
your love truly is a spiritual experience
unmatched and will only ever be known by a great few.
Our love is something so very special and
my heart bursts into a zillion emotions
when I see, think, hear your voice,
or see a beautiful picture of you.
My heart feels joy, relief, lightness,
pain, heaviness and things yet to be defined
in so very many ways.
Our love is a special bond that I thank God for everyday,
and I thank you my dear Kira for all that you do
and the pure unconditional love that you give to me.

Our love is to be celebrated in everything it
has helped us see and discover.
When we are at last in each others arms I'll
try to explain these immense feelings and the different
ways in which they effect and touch me.
Our love is a miracle and to forsake such a thing
and a true soul mate, best friend, and an Angel
you share such a deep connection would be a sin.
It would be to spit in true loves face punishing ourselves
for all of our days spread before us.
I know for me it's eternity with you or loneliness through death.
Our love is so special and I will fight for you and it always.
I treasure you and your heart, the love that we share is
the greatest thing I've ever known and is out there.

To me our love means everything and I'm lost,
confused, scared, empty and broken without it.
You complete me in every way and I can't deny
I want and need you for my eternal bride.
As a Mormon I do not believe in death do we part,
but a celestial eternity where we can be together
celebrating the afterlife in Gods glory no reason
to part company in some convoluted fashion.

Our love is special and unconditionally unlimited,
I love you my Queen Angel and wish to spend with you
an eternity in pure loving ecstasy forevermore never parting.

Michael P. McParland

Love Note 113

Good afternoon sweet lady
I so hope your day is well
and you're feeling all my love and warmth,
feel me beside you hand in hand
arms wrapped around holding you tight.
I miss you so much please
know that you're not alone
and you never will be sweet one.
Feel and hear my heart as
it's calling to you,
beating in need please let it
be soon I'm aching so bad.
I've still not slept a wink,
I don't know if I'll ever
rest again my only one.
Not until you're here in
my arms anyway.
You are my Angel and light
and I need you so much.

Oh sweet lady and dear love of mine.
What to do while I wait
anxiously for you to be here wrapped
up in my arms deeply kissing
telling you everyting within me.
Please come and listen I only
want the love of the greatest
and most pure woman.
I only want you in my life forever,
it's eternity we can have together
with the courage to claim it.

Michael P. McParland

The Moon And Stars

If I could my sweet love I'd reach
up to the sky grab the moon and stars,
then present them to you as the greatest
gift of love to show you how much you mean
to me and your abundant worth.
For no other would I present such a
beautiful precious gift,
because they're not you my
beautiful precious lady and Angel.

If I could I would on command make the stars
light up and twinkle in your presence
whenever you wished because I will go the
lengths to give you everything I have and you need.
If I could I would draw shapes and love notes
within the stars so you could look up and know
that your man Michael has done this for you
in pure love and desire for his only one.

If I could I would change the cycle of the moon
at certain times so as a Cancer I would not be so moody
making my bipolar worse like I have PMS.
I would tell the moon just what you wanted and needed
so you could rest in ease knowing I've taken care
of everything so you won't have to worry about a thing.
If I could I'd make the moon shine brighter for
a night time stroll down the beach.
If I could I would give you the world.

I wish I could reach up and gift you the moon and the stars,
give you everything you'll ever need and want.
I want to give you the whole universe but I can't.
What I can offer you though is my vows and my hand,
spending eternity side by side in blissful, celestial happiness.
And provide my lady and only true love with the greatest life
she truly deserves.

Michael P. McParland

Tired Tears

Feeling awful tired my dear because
I still haven't laid down though I
desperately need too.
I miss you so much and am distracting
myself in a number of ways but they don't help.
I still just ache and miss you though
not crying just yet.
When I lay down though I know they'll
flood my pillow as I'll have to hide under
the covers not letting anyone know or suspect
the longing aching tears I do shed.

I'm so tired and that makes it all worse,
because I wish you were here holding me ever so close.
Chasing away all the loneliness and the frights
that haunt my sleep and even scare me in drifting
while awake giving me the coldest scariest shivers.
Just one of those things I need to share with you
so it will make sense and you can understand that malfunction.
I just need you here to help avert these tired tears,
telling you that I love you and helping you is
a great service to me too because I feel loved
and calm when I'm showing and giving you all of my love.

Tired tears will most likely strike when
my head hits the pillow missing you,
my heart aching to feel your arms around me in comfort,
giving strength and peace to each other in
warmth and love mutually shared in respect and honor.
Come hold me my love and help prevent these tired tears,
you are everything I want and hold dear.

Michael P. McParland

I Love You So Much 2

I love you so much I'm sitting
here and despite being intensely tired I can't sleep.
I just want you here in my arms and need
to know that I am doing right.
I've gotten it so very wrong in confusion
in the past I worry that somehow I will
hurt you again not realizing something I did.
I love you so much and need you in my arms
to just hold and be filled with your wholesome,
caring, loving warmth that I so need and crave.
Help me to know I'm doing good and you're happy.

I love you so much that I don't want to sleep
lest I miss a miracle and magical moment or
be delayed on it by even minutes or hours.
I love you so much I'll pass up sleep for days
just in hopes that I'll see or
hear something from my only lady.
I love you so much and inside I'm celebrating
knowing your love for me is abundant and growing.
I want you here to lie in bed all day and cuddle.

I hope this in no way sounds sad,
it's just from a tired mind expressing the love
and joy I hold inside wanting you here in my arms.
I love you so much please tell me it's soon.
I love you so much I'll give you everything
and hold you so tightly everyday through all time.

Michael P. McParland

Mee Too Where Are You?

Where are you Mee Too?
I truly miss you so much and
your kind hearted, loving friendship
I need and want so very much.
I finally made a playlist on YouTube
of the Pet Shop Boys album Elysium for you.
My favorite album of theirs and I want
to share my Falco music too.
You know that sharing music to me is a
private special thing done only with the
truest and trusted of friends like Kira and you.

Mee Too I miss you so very much,
you helped me by listening and knowing
how I felt about my special one.
You understood when I cried and helped stop
many a tears from flowing with your special
spirit and heart helping me get through it.
If I weren't such an idiot we would have found the
right keys together helping me find the solutions
and right ways to show Kira how sorry I am
and that I'm not in want of hurting her,
that I slipped up something major and am working on all of it.

Mee Too where are you?
There's still so much I want and need
to understand if you are able to tell me at all.
I just miss our talks and friendship,
a special bond that was there between us.
Something empty and missing since May leaving me
aching in both dull and sharp pains.
Mee Too you are so righteously cool and I need
you around to talk and go on like we used to.
Where are you Mee Too I really want and need you.

Michael P. McParland

Michael P. McParland

The Wonder Of You

Oh how I beam with radiant light
when I think of you, read your words,
look at your picture, remember you voice,
see your eyes and smile as you're looking at me.
Oh the wonder of you how I want so much
to sing and dance for you my sweet lady
in perfect romance.
You are the greatest and I'm glowing in hope
and pure love for my Angel Queen so pure and a blessing.

The wonder so awesome I just want to
hold and kiss you forever.
I love you so much I know I'm gushing,
but by God with total joy and love I am bursting.
Oh the life I'm going to share with my one,
giving you everything I am and will be for all time.
The wonder of Kira my sweet Queen and Angel,
the greatest lady in history and oh how I love her.

Michael P. McParland

What To Do?

What to do on these lonely nights longing for you?
I know our time will come and you'll be here
then holding each other tightly dancing under the
moon and stars with the night as our playground,
it is ours to enjoy dancing, lying out on the grass,
talking for hours ignoring the time that has passed.

Until that time though what to do on a long
lonely night of longing like this which
can be so very maddening and hard to deal?
What to do beyond the little tasks and chores
I already occupy my mind with in tedious time?
I just want you here spending time no matter
the things we're up to as long as you're by my side,
laughing and talking, fooling around and making trouble.

So what to do on a long tedious night of longing
for my amazing Angel bride?
I guess back to reading maybe a short tale of
creative writing to feed the soul and imagination.
Although satisfying not as much without you here
cowriting and sharing the fruits of our combined minds and labor.
What to do on a weary night of longing needing
you here in my arms passing the time with each other?
I must find something so time will move faster getting
me one step closer to seeing my Queen and kissing her everyday
from now through all eternity.

Michael P. McParland

Night Note 58

Oh my sweet darling I hope
you've had the most restful of nights.
I got a little sleep but not much,
your sweet spirit helped me
get the small bit that I did.
I thank you always my Angel
for all the wonderful things that you do.
You're a miracle and blessing to me.
I'll never stop asking how a
plain boring man like me
got a woman so beautiful and interesting
that is so charming and
wonderful in every manner and way.
You never cease to amaze me
and blow me away.
I thank God for this blessing
every single day that I rise
365 days a year and that is no lie.

I hope you've slept well and felt
warm comforting peace in all the
endless love that I send.
Holding your hand laying next to
you in bed arms wrapped tightly around
you my sweet Angel dove.
I want to feel as close to you as I can.
You are everything I want and need in my life,
you are my soul mate and best friend,
eternity is all ours and I want
to have your hand in the celestial
bonds of marriage spending it together.

Michael P. McParland

Things To Share

So many things I hold inside and
am dying to tell you because I don't
want to hide a thing from my lady and Angel
I love so very much.
I want to share them with you because I want to
and it's physically and mentally painful
to keep holding all of it in.
I need to look in your eyes and share these
many many things both big and small.
Are you ready and will you fully listen?
So many parts will be hard to tell and
as painful for me to relive,
I'm sure it will be as painful for you
to hear what I felt and faced
in so many ways.
There will be happy too and I need to pour it out
and give you my all showing everything in my soul.

Such things of depth and lightness to share and tell,
the burden of carrying it all alone for so long
the weight is dragging me down to the ground.
Will you help me up and hold me close for awhile?
I'll do the same for you because I know there's
so very much pain and happiness you've been carrying too.
We need release of these weight baring loads that we've
towed around by ourselves for so long.
It's time to entrust one another telling everything that we carry,
releasing ourselves in true trusting loving fashion.
So much to tell and all the time in the world for us.

I need to release and I know you do too,
I'm bursting at the seams to give you all of myself
releasing everything behind my steep and thick
walls of life long defense.
I'm ready and want to let you in.
Are you willing to step through
and also share the same things too?
So much to tell and so much to release,
I love you sweet lady and in pure faith and loving trust

I turn myself completely over to you.

Michael P. McParland

Feeling You Here

I'm feeling you here my precious dear
and all of your loving warmth is giving me peace,
relaxing me so I may finally get some sleep.
Wrap your arms around me and hold my hand.
Just snuggle up close as we shut our eyes.
I feel you near and it almost gives me tears,
partly in longing but mostly from being so happy
being filled with your love and in spirit feeling
your soft and strong arms wrapped around me.
My heart feels happy at last and will be complete when you're here.

Feeling you here and I give you this big kiss,
let it give you warmth with all the love that it holds.
Taking your hand I grab you and snuggle up tight,
tell you I love you sweet darling please come
here soon and heal the scars of our aching hearts.
We need it sooner than later and from only each other.
Tonight though I feel you here and I feel safe for once
with only the tiniest shreds of fear from the nightmares,
those will go in total when you are here warming
the other side of the bed giving full comfort.
I feel you here tonight though and that's good for now,
just take me and wrap me up in your arms.
I love you sweet darling I'm completely charmed.

Michael P. McParland

Night Note 57

Sitting here smiling my darling
thinking of you and all
the times I know that we'll share.
I see you smiling and looking
at me with those sparkling
mesmerizing eyes that hypnotize.
I let you take me in because
I do not want to hide
from you a single thing.
What I have is all yours and
I give it to you from pure
love and free will.
You are my Angel who I adore,
my soul mate and best friend.
Eternity with you is my dream.

Sitting here organizing the
books in my kindle while thinking
of you and what a pleasure
it's been to have you in my life
and know you through all this time.
The future is coming and
around the bend it's almost here,
I will take you by the hand
pulling you in tightly most likely
unable to speak from tears of happiness
and fulfillment that you're finally here
and I'm about to kiss the woman I
so deeply need and adore.
The future is bright and I drift away
as I do various things,
dreaming of the beautiful times in a magical
scene that we'll do and we'll share
for an eternity hand in hand.
I love you sweet lady you are
the only woman in life for
who I ever planned.

Michael P. McParland

Goodnight My Sweet Diamond

Goodnight my bright shining diamond in the rough,
you are a beacon of light bringing me out of the dark.
With the biggest passionate kiss I seal this night,
a great big smile on my face and a heart filled
with peaceful, comforting delight.
You are the Angel and star that lights up my life.

I'm sending you all of my love and warmth to
wrap you up in a blanket of strength and security
knowing I'm always right there beside you holding hands.
I'll be holding you the whole night through cuddling
and kissing you saying that you have no worries I'm
here forever because I am your man.
I'll love you through eternity and I always have.

We'll meet tonight in the land of dreams dancing
together among the moon and the stars.
Rotating and mixing the flow between fast songs and slow,
the best ones though will be with you in my arms
looking into each others eyes revealing our souls.
I have nothing to hide from you nor will I try.
Many kisses while dancing among the moon and the stars
while in the land of dreams tonight.
Soon it will be real and I'll hold you so tight.

Goodnight my diamond so rare and bright,
I'm the luckiest man in history that you are shining on me.
You are the greatest woman any man could ask for or hope,
you are my Angel and I'll be holding you for eternity
and of course tonight my sweet delight I treasure so much.

ILYF and ever KP

Michael P. McParland

Rejoicing

Rejoicing in your love knowing that
there's a bright future ahead for us
and I'm beaming with pride and excitment
rejoicing in the love that you give me
and all the love that we share.
You're so special to me you truly are.

I'm rejoicing in the bright hopeful
future I see ahead right around the bend.
A future of happiness we've worked
and waited for striving so hard,
and it's a future we so richly deserve.
I'm rejoicing knowing I'll spend
my future with you my sweet Angel dove.

I've waited so long knowing that this day would come,
working so hard and being patient
to be the best man you could ever need and want.
You are my everything and I am rejoicing
in all the unconditional love and acceptance you bring.
I love you sweet lady you're my only one.

I'm rejoicing in the beautiful blessing God
has sent me in the most beautiful woman
any man has ever needed and wanted.
An Angel that's saved me in numerous ways
yet to be told and I will show you my grateful love forevermore.
I love you my Queen so pure and loving,
right around the corner is our future and I'm
excitedly in happiness rejoicing.

Michael P. McParland

A Needed Rest 2

Now I can lay down and relax for
a short and needed rest with a smile on my face.
Knowing your hearts singing to me
I feel so very warm and soothed in comfort
you've provided my sweet Angel dove.

A needed rest for a short while than
up again to write you more poems,
for now though this rest to recharge my mind
for fresh words and ideas to honor my love.
I also want to shut my eyes and dream of
your beauty my precious one so dear and treasured.

Come hold me so close and snuggle under the blankets,
giving total peace and strength as we smile drifting
off your head on my chest hearing my heart beat,
it beats for you my sweet Angel of light.
A needed rest for a short bit to refresh and
dream of my lady I love and so miss.
I thank you for the smile and light heart
for eternity we'll do that for each other no doubt.

Michael P. McParland

Oh My Sweet Angel

Oh my sweet Angel you are my hope and light,
you are the northern star which brightens
my dark nights showing me the paths
to a future so wonderful, happy, and rare.
My sweet Angel you are the greatest thing to
ever happen to me.

Oh my sweet Angel I will spend eternity
showing you how thankful I am.
Over and over again I'll be there to serve you
and give all the things you could want to be happy.
You are my sweet Angel and I would give everything
to be by your side holding your hand through all time
smiling and kissing my Angel bride.

Oh my sweet Angel I love you so much,
words can't describe my feelings in full
you are so very wonderful and awesome it's true.
I send you endless love and warmth with
great big kisses and hugs.
Oh my sweet Angel I love you so much.

Michael P. McParland

My Sweet Diamond

My sweet diamond shines so bright
and boldly beautiful before me,
amazing me with the brilliance she carries
and the close to blinding light of love.
She is a diamond in the rough and a precious gem,
my sweet Angel dove I kneel before thee now.

My sweet diamond of pure beauty dazzles me,
stunning and amazing a heart of gold,
a soul so wonderful, pure, and clean.
A blessing without a doubt
one of Gods most beloved he gifted down to earth.
A woman I so deeply treasure and admire,
I wish to have her hand forever.

My sweet diamond is my best friend and the greatest treasure,
before my eyes she stands on high and I ask for
her forgiveness in all my weakness needing her sweet love.
My sweet diamond is the reason I keep on living
finding hope and light within an earthly mental prison.
She's my diamond and my Queen I so treasure deeply in every way,
I hope and pray to have her as my wife one day.

Michael P. McParland

Evening Note 26

Good evening my dear one
I hope your day was well.
I've been dreaming of you
the whole day through,
sending all my love and warmth
standing next to you,
hand in hand in my arms
everywhere and everyday
my Angel so very true.
My heart is calling out telling
you all the love it holds.
It's aching very bad to
have you here and for me to
be in your loving accepting arms.
I miss my only one and Angel Queen.
I miss you darling more and more
with each passing day and more.

Have the best of nights my
lovely dear I'll be right
here if you need a helping hand or ear,
I'll keep on writing for you
sweet Angel dove I so adore.
I'm missing you so very much
my heart truly physically hurts,
I love you deeply and need you here
within my open arms and open heart.

Michael P. McParland

I Need (Your Touch)

I need your touch and yours alone,
it's the only one that will complete
me and bring my soul back to robust life in full.
I've gone so very long without human
contact and touch that each day a little
bit more of me grows sadder and wilts.

I need your touch not just in sex,
but to hold your hand and be in
your arms knowing I'm accepted and loved.
Making love will be great but most of all
I just need your touch hugging and kissing,
holding hands to feel skin next to skin,
body next to body I've so long not had and missed.

I need your touch in the most profound of ways,
my soul and heart are screaming in need of contact
and love that I so badly crave.
Only you can fulfill that longing need,
because my soul wants you and you hold my heart,
my soul mate and best friend.
Only your touch will do my Angel Queen.

31 and a half years with but 15 minutes of
that sort of contact and love.
My soul and heart are starving and needing your tender touch.
I can't take the lonliness and great need much longer,
I need your touch my sweet darling please come hold me so tight
and take my hand forever in yours my dear lover.

Michael P. McParland

Your Sweet Heart

Your sweet heart is all I seek to share,
I want to show you all the love I hold.
Help heal it of the wounds and scars inflicted
by so many other and a few by me.
Your sweet heart means everything to me
and I want to share in its glow and epic glory.

I want and need your sweet heart to help
soothe and heal my scared and wounded heart as well.
I want you to do it because you're my only one,
you are one of those who knows me best,
you may not see how but I'm a mystery to everyone you see.
I don't try to be I just am for reasons I can't even guess.
I want your sweet heart to help get me through these mighty tests.

Your sweet heart has touched me in so many different ways,
I don't know how to share them all and I can't and won't do it here.
Your sweet heart is the love I need and crave,
I long to have you here to help each other get through things.
You are my Angel Queen nwith the sweetest heart,
come and take my hand to heal our souls as one.

Michael P. McParland

Love Note 112

Just after noon my dear lady
and I'm laying here in bed
trying to rest but no luck at all.
I'm quite hungry too but
don't feel like getting up
to make some food,
I couldn't down more than a
bite or two anyway so it doesn't matter.
I'm just laying here thinking
of you and hoping you're well
and enjoying my poetry,
one of the thoughts that still
gives me full cheer and a smile
is you reading it and loving what
is there with a smile,
your heart touched as you feel
the love in my scrawlings.

I hope you feel all of my
warmth and my love I'm sending to you.
That you feel me beside you
holding your hand.
You're not alone my sweet Angel
I'm here for you always and want
to help you in all that you need.
I'm wrapping my arms around you
for a tight reassuring loving squeeze,
I'm burying my face in your shoulder
to hide from the world for just a minute.
You are my guardian Angel, best friend,
soul mate, and beloved protector.
I'll love you forever and ever.

Have the best of afternoons and
feel all of my love.
Time for me to rest some more
replacing the sleep that won't come.
I miss you insanely and need you bad,
I love you my Angel come and

get me wraped up in your arms
my Queen and only one.

Michael P. McParland

Warmth 2

Warmth is all I want to feel in your arms,
as I finally lay down to rest this morning.
I want to feel your warmth around me squeezing
tight to give me the peace and strength I need.
I just want to feel the warmth and soothing calm,
satisfaction of your love I deeply need.

I just want to feel your kisses to stop
the tears inside that I am feeling,
to help me rest this little bit in calm
feeling full with your wholesome love.
I just need the warmth of you cuddling in your arms.

I just need the warmth and care I know you feel for me,
please come and wrap me up in your embrace
telling me everything is okay and I'm safe
forever now that you're here forever to hold and kiss me.
I just want and need the warmth that you provide
because without you here I feel so very empty and incomplete inside.
You are my soul mate and best friend and I want to
share our warmth forever through eternity.

Michael P. McParland

Morning Note 28

Another morning now stretches
before us sweet love and
another day where I
can only dream of you.
I'll be sending all of my
warmth and love praying to God
that you'll recieve it feeling
every last bit and being
filled with cheer as you are
reassured that I'm there
holding your hand giving you
kisses as I pull you into my
arms for a tight squeeze of
love we both so very much need.

I'm sending tons of sushine your way,
close your eyes my Angel of light
and feel the glow of my smile
as I'm looking at you,
remember my look of love as it
grows in your heart.
I love you sweet lady please
remember that you're not alone.
You don't have to face the trials
and coldness of this world by yourself.
I'm right here for you baby
just call out.

Have a good day and if you
feeling weak or sad just reach
out and take my hand my Queen.
Call me and talk to me I'm always here,
message me I need your words as well.
I love you my darling and
want you to know I'm right here for you.
Eternity is ours just me and you.

Michael P. McParland

A Day To Relax

I dream of a day where nothing important
or pressing would be happening no one
bothering us as we spent the day relaxing and resting.
We both so badly need a day with no stress
spent together smiling in each others arms.

No movies, no T.V, no phone,
no other people interupting and bothering.
Just talking and music,
enjoying each other, our love, and our company.
a day to relax with each other just
sitting back on the couch,
snuggling in bed as we enjoy each other in
the stress free quiet resting,
reconnecting in full with our bond
nothing interfereing to test it at all.

A day to relax laying back cuddling your head on my chest,
listening to each other breathing, resting,
on our beautiful day to relax.
A look at our future in its pure excellent beauty,
I dream and need just as you a day to relax,
holding each other in pure loving rest.

Michael P. McParland

Night Note 56

The hours pass by ever so slow,
filling my time with podcasts
and tedious tasks to fill
my head and stiil I think of you.
How these tasks would go
faster and easier
that they'd even be fun with
you by my side helping along.
Everything is more enjoyable
and lighter when you're by my side
and spending time.
I just needed to drop in
real quick and say I love and
miss you so very much.
I'm glad that you're mine
my sweet Angel dove.

ILYF and ever KP.

Michael P. McParland

Dreaming Of You 3

Dreaming of you my darling one.
Seeing your smile and sparkling eyes,
feeling your arms wrapped around me
and it feels warm and comforting like being at home.
I'm dreaming of you and the things
I want to share with only you.

Dreaming of you and how on these nights
I can't sleep I wish you were here sittig
or laying down next to me holding my hand
snuggled into my side while you relax and dose off.
I'm dreaming of you and how beautiful
life will be to share with you.

I'm dreaming of kissing you as we just lay in bed,
snuggling and cuddling hiding my face in
your shoulder to block out the world and chase
the numerous fears and frights away from the night.
It may not make sense now but it will when
we talk and I can reveal everything in my soul.
I'm dreaming of squeezeing into you tight
for peace and comfort I've needed so long.

I'm dreaming of cuddling and holding you,
protecting and healing your aching heart
which needs deep solace and peace too.
For you to cry on my shoulder and bury your
face in my chest while you release all there is,
then I'll dry your eyes and tell you I love
you sweet Kira everything is alright because
I'll never leave you and I'm here to help you.
I'm dreaming of cuddling you making things all better.

I'm dreaming of us and how I need you so soon,
to start our lives together I have so much I
want and need to share with you.
Come hold my hand and let's trust each other.
I'm dreaming of the days all comes together.
I love you so much and I always will,

I'm yours for eternity no other will do.

Michael P. McParland

Under The Covers 7

I want you to come join me under the covers
to snuggle and nuzzle pass this lonely day and night away.
We can just bury ourselves covering our heads
escaping into a world we alone have created.
Talking and laughing,
kissing and snuggling till we fall asleep
in complete comfort and peace.
Come join me under the covers and find solace in
our own world that we've created in each others loving arms.

Michael P. McParland

Night Note 55

Sitting here trying to
keep myself busy sweet lady
but my heart keeps feeling
that tug and wanting you here by me.
I miss you so much
and I'll never deny it.
You are my sun, moon,
stars, an Angel who light up my sky.
Making me smile and you fill
me with endless pride.
Do you know just how
proud of you I am and
always will be?
When I think of you I begin to beam,
you are happiness and joy
unbridled to me.

Feel my arms around you
as you sleep tight tonight,
feel endless comfort as I
give you kisses and hold your hand.
One day soon we're going to
snuggle every day for hours.
Healing and fulfilling
the togetherness we've so needed.
I love and miss you my darling
and I'm so deeply aching.

Trying to keep myself busy
and it's only slightly working,
my heart wanders to you and
tugs with great need for
my Angel Queen.
I miss you so much and
send all my loving warmth,
with great big kisses and hugs
for eternity and more
I'll always love you.

Michael P. McParland

Hold My Hand, Hold My Heart

Come hold my hand sweet darling
I need so much to feel you near.
I'm filled with worry and fear.
Afraid that I might lose you,
fearful that I'll screw it up
and in some way hurt both of us.
Please come hold my hand
and hold my heart to reassure me now.

Come hold my hand and soothe my
aching worrired heart.
Slide into bed with me where we can
cuddle chasing away all the empty cold.
Look into each others eyes and
gaze into our very souls,
saying I love you darling and I'm here forevermore.
Come take me in your arms and hands
calming each others hearts for a peaceful night ahead.

You hold my heart and soul just as I
want it to be forevermore.
You are my Angel and a blessing I always thank God for,
Please come take my hand and fill me up,
my other half is incomplete without you here.
Come hold my hand and soothe my heart I need
it so very bad.
You are the only woman I'll ever love and eternity
is yours and mine.

Michael P. McParland

Goodnight From The Stars

Look up to the stars sweet lady and see me smiling
and waving as I say goodnight my true Angel.
Feel the abundant warmth and love I am sending,
receive all these big hugs and trillions of kisses as well.
Each one contains special love that is only for you,
only you can handle the immense power they bring.
Look to the stars and moon and see me smiling at only you.

I'll see you in the land of dreams where with me
among the stars and moon is a special scene I've
prepared for just you and me.
A majestic lake side picnic under a tree laying
down holding each other as the stars put on a show
of fire works for us to enjoy.
A special scene prepared by me just for us among
the moon and the stars in the land of dreams.

Look up at the stars before you retire under the covers,
then feel the warmth and peace as I slide in behind you.
Wrapping my arms around saying I love you sweet lady
you're my only Angel I want to spend eternity like this forever.
Please let your guard down as I will let mine down too,
accept me fully in trust and get each other through the hard times.
I want you and need you in every way that there is,
please give me your hand and spend eternity together.
First though tonight look up into the stars and see me smile.

Michael P. McParland

Aching Heart, Aching Need

An aching heart with aching longing need,
I just want to get it right for you and
show you all of my endless everlasting love.
Will I ever get it right?

I have a heart that aches so very bad
and is in deep need of you here.
Being in your arms and feeling your kiss,
hearing and telling you I love and miss you so very much.
My heart aches and needs you so very much.

Michael P. McParland

Night Note 54

Oh sweet darling
I miss you so very much.
I wish you were here right
now to just lie down
in bed holding each other
talking sharing anything and everything,
telling jokes, sharing what we've read,
what we've watched, and old times
we shared together with future plans ahead.
I so badly wish you were here
my only sweet darling one.

Soon I'll send my goodnight wishes
with more poetry just for you,
but right now just a message
to say feel me there beside you
hand in hand a big squeeze in
my arms with many passionate
kisses to keep you warm.
I love you so much my darling
Kira I need and want you here.

Michael P. McParland

I Care Deeply

I care for you so deeply more than you can ever know,
my heart begins to hurt in loving joy whenever I think of you.
When apart like this I feel as if I'm coming apart
and don't have a clue of what to do.
Everybody has some advice but I don't care because
I love you more than anything and can't move on when
I know you love me too.
I care deeply my only one and you don't
have to believe me but it's true.

I care so deeply that in all the time after high school
and up to when we restablished contact I couldn't
look at other women the whole time I saved myself for you.
Just one slip up in that entire time and I want to take it back,
I want to give you all of my life and myself because
you're the one I love and care about.
You are my Angel and my Queen and that's a solid fact.

I've made mistakes a plenty and I can't forgive myself for any,
because I care for you in every way and to see you hurt
kills me inside and every way.
I know there are many things that have hurt you in the past
I want to help you heal from those so please stop pushing me away.
I want to hold you close and let you laugh and cry,
I want you to release it all because
I care about my Angel Queen and only one.

I care so much I worry constantly,
where ever I am I stop and think of how I wish you were there.
I care so much and love you deeper still.
You are my everything and I care so much and
more than you can possibly know.

Michael P. McParland

A Small Rest 6

Lay down for a while and close my eyes
to recharge my battery and mind a bit,
shed a few tears from the lonely pain inside.
Listen to Falcos album Weiner Blut with so many
wonderful songs of love and peace.

Dream of you holding my hand and laying
down holding me knowing all the truth I hold inside.
That I love you so much my heart throbs with
pain you being so far away.
A small rest to soothe my mind and soul,
dream of you holding my hand and holding me.
A few tears under the covers,
I truly do love you so very much.

Michael P. McParland

I Would Never

I would never try to trick you
or lie to you in any way at all.
Deception is not my game or motivation
and the thought of it or be it spoken
in any way is a kick in the stomach
and knife to my heart.

I would never lie of my love
or trick you in some warped way to hurt.
My love is pure and genuine and
I want to share it and my life
for eternity with you.

Michael P. McParland

Evening Note 25

Evening is here and it's
time to wind down from the day.
Reading, watching movies,
writing you poetry.
All of these things I will do
and the best one is dreaming of you.
Through writing and imagining
you're the main love interest
in the books that I read,
we both save each other because
you are strong too.
Watching movies so badly wishing
you were here to hold and
rest your head on my shoulder and chest.
I wish you were here to relax
with in this evening at hand.

I hope your day went well
and you were warmed by all the
love and sunshine I sent,
I was thinking and praying for you
sending millions of kisses too.
Did you feel me there by your
side hand in hand me squeezeing
you tight in pure love my only one?
I need you so much I am
filled with love I need to share.
Have the best of evenings
and I'll keep writing you more,
I love you sweet Angel and I miss
you so much most could never comprehend.

Michael P. McParland

Need And Want

Kira Petranovich I need you now more than ever,
I can't do this all alone anymore my Angel.
My mind and body are coming apart it feels like
and you're the only person than can help
me bring it back together.
I can't do it all alone because you're the one I need and want.

Kira love I know you feel like you are coming apart as well
and I want to be there to help you through this hell.
I want to take you by the hand and gather you in my arms
stroking your hair consoling you telling you it's alright
and that I so deeply love you.
Assure you that I'll be with you forever I'm not
leaving ever for some stupid reason.
I know you want and need me too and I need and want to be there for you.

I need and want you sweet Angel of all my greatest hopes and dreams,
you're everything I'll ever want and need,
I can't keep doing this by myself and all alone.
I need you here as a support and to hold my hand.
Together we can make it through and when we have God will smile
saying I'm so proud of you two and your gift is paradise celebrating
with each other and your family forevermore.

Michael P. McParland

In My Arms

I long so much to have you in my arms.
I lie here just dreaming of what
I'd say and all the things we'd share.
In my arms is where you should be to heal our hearts,
I ache so very bad to have you here.

Michael P. McParland

I Hurt 2

I'm hurting here just longing for you,
I want to have you here in my arms so I
can just tell you I miss you and love
you so deeply and need you too.
I long for you sweet darling and need you here.
Can you feel all the love and warmth I'm sending you?
Can you feel my deep need to have you in my arms
and to spend eternity with you?

I truly so deeply need you here and it's
so painful being apart and it grows worse every day.
Time doesn't heal as they say,
I knew it never would because I gave you my heart
and you're my Angel through this life and the next every day.
I hurt for you darling and pray for the miracle
I'll open the door and you will be there.

I used to never cry not even in physical pain,
now I cry often from the aching hole in my soul
that desperately needs you there.
I cry because I feel your aching longing pain from so far,
please come and let me take you in my arms.
I love you so deeply with my heart, mind, and soul.
I need you for eternity my only one.

Michael P. McParland

Love Note 111

Good afternoon my sweet love,
as I still go about my chores
I wanted to drop in and say
I love you so very much my only one.
Feel me there by your side
hand in hand drying your tears
as you dry mine to,
then I'll lightly kiss your
eyes before a deep passionate
one on you your lucious beautiful lips.
Feel my arms around you pulling
you in for a tight squeeze
telling you sweet heart you're
the most beautiful delicate peach,
the apple of my eye my desert
I love to eat up.
I'm looking forward to that candy
as soon as we are together
my Angel Queen.

With a big kiss and a tight squeeze
please no longer feel any
fear or loneliness because I am here.
If you need to cry come let me hold you,
I don't want you facing
any sorrow alone.
I love you so much and to you
my heart is loudly calling
and singing the greatest love
songs I've ever known.
Once again feel the tight squeeze I'm
giving my hand in yours.
I'll love you for eternity my Angel Queen
and spend it with you.

Michael P. McParland

My Heart Aches Badly (For You)

My heart aches so very bad for you,
I just want to lie in bed and cry
endlessly all day to have you here.
I get up and do chores,
play games on my kindle and read to try and distract my mind.
Nothing works because all the while
I think of how I want you here and how
much better they would be with you by my side.

My heart is aching calling out to you,
the tears are close to coming from the
longing I feel so desperately for you.
My life is so very dull and dreary
without you to at least speak to and laugh,
even more though I want you here to hold
and kiss telling you how very much I love you
and how dearly you've been missed.
My heart aches so badly wanting you.
Can you feel the need I hold in store?

Even from far away I can hear and feel
your heart crying out to me and it makes my heart
cry out all the more as I want to hold and soothe you
my sweet sweet Angel I so deeply need and adore.
My heart aches because you're the one who
truly knows and holds it,
and for eternity I want to share with you and show it.
Please come take my hand and join me in
never ending ecstacy.
I love you deeply my one and only Angel Queen.

Michael P. McParland

I Am Here (For You)

I am always here for you sweet lady
I hold so very dear in my heart and soul.
Please come and show me everything you want and need,
I am here to help and have been waiting these
many years to be your man and give you everything
you need and that I can.
Come show me all the things you need and when
you're ready I will show you mine.

I am always here listening to everything you say and feel,
I've waited oh so long to hear what you have to say and help.
I long to learn everything about my lady and what she feels,
she wants, she knows, and everything she has learned.
I am here to listen Kira of my hopes and dreams,
come tell me everything you need to say pouring out all you
hold inside and want to show me my Angel bride.

Come hold me and place your head upon my shoulder,
bury it in my chest if that would make you feel all the better.
Cry as much and as long as you will ever need.
I am right here to help you in everything.
Please share with me your whole life's story and let me help
heal your aching heart taking away all the painful scars.

I am always here for you I'm never leaving I promise you,
I'm by your side hand in hand arms wrapped around pulling you in.
I want to help you giving all I am,
you're my precious lady and cherished Angel Queen.
For eternity I'll be there by you listening, seeing, helping you.
I love you deeply my only one for eternity it's me and you.

Michael P. McParland

Your Strength (Thank You)

Thank you sweet love for all the strength you provide,
after a short rest I can finally do all the things I need.
With all the warmth and love that you send I feel
like a worthwhile person who can do what he needs
and so very much more.
You make me feel so very handsome and strong and I
thank you my Angel for all the wonderful things that you do.

Thank you so much for all the love that you have and you give.
When I am done with my chores I'll write you the
loveliest poem you could hope for because you deserve it
and as always I'll give you my best because I wish to
honor you with every word that I write and deed I perform.

Your strength has provided me with so much and I thank you again
for your abundant and endless love.
You mean so much to me and I only hope I can show it
over the future years I know we'll spend together,
I love you sweet Kira that the universe can barely contain it.
Please take my hand and enter eternity as wife and husband.

Michael P. McParland

Take My Hand 8

Reach out and take my hand sweet lady
and angel who gives me endless courage and strength,
I need your help to get up and going on this day.
Just feeling run down and tired still but
I won't let the exhaustion overcome me today.
Reach out sweet lady and take my hand I so
very badly need some of your strength today.

Take my hand so I may return some to you as well,
let me show and share with you all the love I hold.
As always I'm sending all my warmth and love to you,
with great big hugs and millions of kisses too.
Make sure you get every one my sweet Angel dove.
Reach out your hand so I can give you some peace and love.

Please take my hand I need some strength today,
to get up and going and beat the tiredness that plagus.
So I can finish my chores and be here for you
giving my best in every way my Angel Queen.
Reach out and take my hand because I love you babe
and you are the rock who keeps me going with endless
pride and strength,
for eternity I'll thank you endlessly and spend
my energy repaying you.

Michael P. McParland

To Snuggle

What I wouldn't give to snuggle with you right now,
I'm dying to have you in my arms and see you smiling
while I kiss you and say I love you sweet darling
you light up my life and give me hope in the greatest of ways.
What I wouldn't give to be laying in bed right now
snuggling with you smiling and kissing hearing
you say I love you sweet man let's never leave this place again.

To be snuggling with you right here in my bed is how
I want to spend the entire day just smiling holding each other close.
Would you care to join me to share our abundant love and warmth?
I would give anything to have you here smiling in my arms
so I could say I love you sweet lady with tears of love
and pure joy in my eyes as I look at your angelic beauty
and as always am stunned by your purity.

I love you so much and wish to snuggle with you forever
my Angel Queen and one and only.
You are everything I'll ever want and need.
Come and hold me sweet lady and smile at me,
let me pull you in and say I love you sweet darling
let's snuggle forever in this special place.

Michael P. McParland

Love Note 110

Good morning dear finally,
I forgot to say that
earlier I'm sorry.
You truly are my everything
and my Angel.
I don't know what I'd
ever do without you.
Remember I'm right there beside you
holding your hand my
arms wrapped around you
pulling you in and squeezeing you
tight so you'll always
remember just how much I love you.

Have a great day my sweet Angel dove
I'll be thinking of you and praying to.
You've helped me get past
all those things that were scaring me,
I thank you in bunches
because you always help protect me.
I'll be writing and thanking you forever,
I hope you realize all that you do
and that I'm truly so very thankful.
Have a great day see and feel me smiling
my sweet darling,
I love you so much and will be
holding you for eterninty.

Michael P. McParland

Lots Of Chores (Thinking Of You)

In a litte bit I'll have lots of chores
to get going on and catch up on doing.
Tedious stuff mostly of course,
how very boring right.
The entire time though it will help
things go faster thinking of you and our future,

Thinking of you has gotten me through so much
so many times I can't possibly tell you
just how much you have saved my life.
You'll help get me through these chores
just as when I worked at Smiths and Target
you got me through the worst of nights.

Thinking of you will get a bright start
to this dreary overcast day outside.
Snow is back on the ground in Minnesota
and for tommorow I have a doctors appointment to think about.
You will help clear my mind of all of it
getting me through with a smile.
I thank you sweet lady you are my everything
and my smile.

Michael P. McParland

I Love You Kira (Don't Be Mad)

I love you Kira I really truly do.
I know you are upset with me but
I fell asleep yesterday and slept
the entire night through.

I love you Kira even though you may
not believe me right now,
I love you more than anything and
am doing the very best I can.

I love you Kira please don't be mad at me,
it makes me feel sick to my stomach
when I know you're upset.
I love you Kira please give me time to get going,
you are my everything and I'll love you for all eternity.

Michael P. McParland

Love Note 109

Almost evening sweet lady
and the headache is mostly
gone, a quick note
to say I love you so very
much and miss you tons.
You are my sun, moon,
and stars.
I need and want you here
to hold ever so bad.
You are my everything
and when you're here
I'm going to make it
all up to you and show
my Queen just you mean to me.
I love you sweet lady
feel me there holding you
giving you these kisses
of pure love my only onr.

ILYF KP.

Michael P. McParland

Love Note 108

Good afternoon sweet lady
I hope this day has found you well.
I just arose from my rest
and have a headache to greet me here.
I hope the sun is shining on you
and you feel all the love and
warmth I'm sending,
with hugs and kisses always
and remember I'm right beside
you holding you so close
hand in hand because I love you
deeply more than anything.
I'll take care of this head ache
in short order now then
write you lots of poems my dear,
thank you always for your kind
loving understanding of all I
go through over here,
it means everything sweet Angel
of my wonderful hopes and dreams.
Talk soon after this headache
has cleared and feel
all my loving warmth surround you there.
I love you tons and wish
I were holding you while I lay down.

Michael P. McParland

I Want And Need You 2

I want to have you here in my arms
to love and enjoy every day together
throughout our lives for the rest of time.
Being with you was always so much fun
no matter what we were doing one on one.
I want to have our conversations again
where we learned and laughed getting lost
in time and subjects with each other.
I want you in my life because I love you
and you make my heart glow and feel so proud.

I need you because you make me feel complete,
though you may not understand and it may not
make sense you make me feel like a man who's strong
and handsome that matters and is wanted.
You help keep me going and help give me a companion to
fight along with in this world so I am not alone.
I want and need you because I so deeply love you and want
to show you all your worth and that you're a Queen.
I need you because we deserve and need each other as
true lovers whose hearts are kind and sensitive and compliment each other.

I want you because you're beautiful in every way there is,
I know you don't feel you are at times and I
want to show you how you are and help you
realize you're just as beautiful and more so than the rest.
I need you because you bring peace into my life
where without you there is none.
I've faced many mental breakdowns without you here at times,
you are my rock and I don't feel weak when you are by my side.
I need you on days like today where I'm still so
very tired but my body fights the sleep.
With you right here rubbing my face and head you resting
upon my chest I could sleep for so long finally being refreshed.
I need you and I want you because you give me life.
I love you Kira you are the crown jewel of my heart,
my Angel Queen I want you for eternity a diamond in the rough.

Michael P. McParland

Morning Note 27

A new week ahead
of us my darling one
and may it bring us closer
together perhaps finding our way.
Finally holding each
other in complete bliss
and fulfilled happiness,
being with the one we love
the aching and longing
within us finally cured.
As we just look into
each others eyes gazing
into our souls hiding nothing
finally sharing it all.
No longer need or want for our
defenses as we are ready to give
of ourselves in full.

Have a wonderful day my sweet lady
full of sunshine anhd warmth,
feel my loving peace and strength
surround you and wrap you up in its blanket,
hand in hand forever in my arms never
worrying or feeling alone again
my dear Angel always know I'm
praying for you and love you
with all of my being.
You are my Queen and a blessing,
soon enough I am going to hold and kiss you,
for eternity we'll be together
having built our own corner of heaven,
where only our family and most trusted friends
will ever be let in.
For eternity in true love our
paradise of true love we'll build together.

Michael P. McParland

No Need For Words

When we see each other there
will be no need for words as our spirits
will say it all when we look at each other.
When we lock eyes we will know that
it is time and our fate is sealed forever,
as we reach out and grab each others hands
silently saying without a word I've missed
you so much and I love you purely with all my heart.
I will be yours forever my sweet one.
No words needed between us as we share that
long awaited kiss of deep love and need between us.

There will be no need for words because the
bond we share says it all our spirits and
hearts speaking volumes to each other as we lock eyes
and smile knowing that we are with our soul mates and Angel,
no need to worry or think about further searching.
No words needed because our hearts and souls are as one
reaching out and singing to each other beating with one another.

As we silently touch hands pulling in each other smiling
there will be no doubt that what we feel and where we
are is truly right and for eternity what we need and want.
Then the greatest purest kiss in history shared between us
our souls fully commiting to one another.
Then pulling back without one word into each others eyes we
look and say I love you my darling and sweet Angel.
I want to marry you and in your arms spend eternity.
We need no words because our souls have always been as one
so deeply, purely, divinely connected.
A union blessed by God in heaven.

Michael P. McParland

Night Note 53

Lightly resting on this
night and as I'm up for
a few minutes I wanted to
wrap you in my arms for a
great big kiss.
Feel me right beside you
hand in hand smiling at you my only one,
my arms wrapped around and
pulling you in for a tight
loving squeeze as I whisper
in your ear you're a peach
my dear a treasured cherished jewel
you're the greatest woman
by God sent to earth,
thank you for the love you
show and give to me
I will spend my life repaying you.
I feel pure love down to my core,
you are the only one I'll ever
want and I love you with
all my heart, mind, and total soul.

Goodnight again with a giant kiss,
feel me smiling ang giving you
my all encompassing look of love,
I'm embracing you so very tight
I love you Kira you're the greatest
Angel whos love any man could ever
hope to have and want.
The greatest woman in heaven and on earth,
my best friend and soul mate I truly trust.

ILYF and ever KP

Michael P. McParland

To Just Rest

To just be able to rest my head upon
your shoulder while you rub my face and head
would be the perfect way to relax and decompress,
to just tell you that I love you
as we drift away to sleep with a kiss
as I lay my head back down upon your shoulder
feeling safe and secure at home.

To just rest my head upon your soft breasts
as we close our eyes and talk about everything
we've ever wanted and needed would be a dream
come true and a deep need finally fulfilled,
just talking as you rub my face and head as we talk
resting my head at home upon your soft breasts
the most beautiful way to relax and open up
to the only woman I'll ever love.

To just rest my head on the pillow next to yours
while I look into to your eyes, caress your cheeck,
and stroke your hair is such a beautiful dream
I want and need fulfilled you rubbing my face and head
releaseing all the longing and aching we've felt within.
I love you darling and to just lay in bed and share these
moments with you is all I want and need to be fulfilled.

Michael P. McParland

The Greatest 3

You are the greatest of all time,
the most beautiful woman I've ever known.
You simply just blow me away and all I can say is
I love you,
I love you,
I love you,
I love you,
you're the greatest sweet lady
you are my angel and I so deeply admire you.

Michael P. McParland

Goodnight Sweet Lady 2

Goodnight sweet lady the true love of my life
with a great big hug and kiss I seal this
weekend and long day of aching need and want.
I slide right in bed next to you and pull
you in to hold you close the whole night through,
tell you everything is alright because I'm right
by your side forever and never leaving my Angel true.

I'm sending you all my deep and caring wholesome
warmth and love with these massive hugs and
a million and one kisses just for you to give
you peace and strength and to help you keep the faith,
you deserve the reassurance and I want to give you
all the peace of mind and soul you need.

I'll see you in the land of dreams where we'll
just walk along the path hand in hand among
the moon and stars being enchanted by each other
and the amazing show that they provide.
Kissing and holding each other as we go along as well,
I'll see you in the land of dreams so grand
to spend time with my Angel Queen.

Goodnight sweet lady I love and miss you so very much,
I thank you endlessly for all the ways you've
helped me and what you've given me in many ways.
I'll try so hard to write you much tonight while I'm
between resting points,
I wish to honor you always my sweet Angel dove.
Goodnight sweet lady and the most wonderful of dreams,
I can't wait to hold you in my arms through every night
for all eternity.

Michael P. McParland

Sweet Lady 4

My sweet lady how I miss you very much,
when I turn on my computer and see your
smiling face I let out a little sigh and
moan saying hello Kira, I love and miss you so.
I hope to see you soon my Angel you are my everything.

Sweet lady you have truly helped me lately
in ways right now so far away I don't think you truly know.
With all the loving kindness and peace you've sent
you've helped me sleep and eat,
something I haven't been able to do in so very long.
I apoologize if I've been absent so very much but
your loving heart and spirit have helped me relax at last
and I thank you so very deeply for that.

Sweet lady you have given my path a bright light
to lead me on as you are my northern star,
you are the love of my life and the woman I've always sought.
You are my Angel Queen and I thank you deeply for everything,
I love you so very much and with you want to spend eternity.

Michael P. McParland

Peace In You

I find endless deep peace in you my Angel true,
when I look into your eyes I see pure love
so very wholesome and true which makes my heart
melt in admiration and awe of my lady so beautiful,
my best friend, and my wonderful hero too.

I find peace in your presence as you speak to
me in a soft. kind, caring, and loving voice.
You speak to me as a man and it makes me feel good,
even now just thinking of it all I almost come to tears
not of sadness but pure peaceful joy.
You are everything comforting I need and want.

One day soon I will find peace in your arms
and get lost for eternity holding hands as we come together,
you provide me faith and peace of mind that had
long ago been lost and departed.
You brought back the gift of true love into my life
and gave me peace my cherished Angel and Queen.

I find peace in the blessing you are and the knowledge
Gods given me that you are a gift on this earth
and a gift he brought into my life,
you are such a beautiful woman sweet Kira and I
will give you everything I am and I have.
I love you so deeply and admire you so,
you give me peace in the deepest of ways.

Love Note 107

Oh my sweet lady how
are you on this late afternoon?
I hope you are resting as
I am finally doing.
You need the sleep just
as much as I my Angel Queen.
I'm sending all on my love
and warmth to help
comfort you and fill you
with peace and strength my dear love.
Feel me right there holding
your sweet hand and giving
you a tight squeeze of pure love,
you are not alone and you
never will be.
Just close your eyes and see
me smiling and the look
of love I always give you
sweet lady of my greatest
and brightest hopes and dreams.
Just lie down your
head and feel my arms around
you and get some rest,
I'm sending you kisses to
give you loving peace.
How I miss you so much.
Let us both rest and later
many poems for you from my soul.
I love you sweet lady
you're truly the best.

Michael P. McParland

You're Wonderful

You're so very wonderful and beautiful,
I want you to know how deeply I truly love you.
I want to hold you and heal our aching hearts,
have you rest your head upon my chest
while we drift off on this quiet Sunday and get some rest.

You're truly wonderful and I love you very much,
You're so very beautiful and I want to marry you
and spend our entire lives.
You are my everything and I send
my heart and loving warmth to you.
I love you so very much my
sweet sweet Kira and you are wonderful.

Michael P. McParland

Longing Need

I hurt so very much today with
longing need to have you in my arms.
I feel so empty today and I'm
throbbing so very deep inside.
I'm longing and I need you deeply on this day.
I love you so very much and want you in my arms.

Michael P. McParland

Missing

I'm so painfully missing you and
all the fun things we shared both big and small.
The conversations we shared laughing all the while,
making you laugh was always one of the greatest
things that I could do and always tried because
I love you and you being happy is a splendor.
Your smiling and laughing fills me up wtith joy.

I'm missing all the things we shared,
plans for the future and that we were on the verge
of really breaking through when things went so wrong
and it makes me want to cry because I miss you
so much my heart just twists around in need to
hear your voice and read your words.
I'm missing you so bad and it makes me tired and want to go to bed.
Without you here I feel lifeless and all around
me is just dreary gray.
I miss you my darling Angel and I can't wait for
you to come back here and stay.

I'm missing your sweet spirit and loving heart I can
feel so very strong even from the distance that seperates us now.
Your spirit and kindness are so very strong,
you truly are one of Gods brightest Angels and a blessing
that is needed here on earth and in my life.
I love and miss you my only one and it's painful
feeling incomplete without you in my life.

Michael P. McParland

Feel No Despair

Feel no despair sweet lady I'm
just very tired and catching up
on some very needed sleep.
I'm not mad at you in any way,
though I do feel sad because I wish you were here.
Please come back soon so I can
hold you close and reveal to you my heart and soul.

Feel no despair for I'm right here,
I just wish you were here to lay with me
as I try to get more sleep and be
totally recharged for thee.
I feel no anger though I do feel sad,
sad because I ache so deeply for you to be here.
If you're worried just extend your hand
and let me hold it to give you peace
and be filled with love.
I need your strength too so let's give
each other that which we both need.
I love you darling deeply as you do me.

Michael P. McParland

My Heart Beats (For You)

My heart beats for you my darling one,
you fill it with such brilliant light
and it amazes me just how beautiful and great you are.
My heart beats for you and they will forever beat as one.
Can you feel my heart beating just for you over there?
Can you feel all the loving admiration my heart feels?
Do you know my only one that my heart beats just for you?

You truly are a magical Angel of wonder to me,
a Queen I treasure and am in awe of in every way.
Just thinking of you my knees begin to shake and I tingle,
my heart beats for you because you are such a beautiful
amazing woman that I feel a love so true and pure for.
My heart beats for you a diamond in the rough my only lover.

My heart beats for you and desires only your arms around me,
to have another woman embrace me outside of frienship
would fill me with shame and be a betrayal to the love we carry.
My heart beats for you and you're the one it truly treasures,
I cherish you and my heart beats because I'm proud of you.

My heart beats for you and is yours and yours alone,
it won't and can't ever love another and I have no desire
to try and give myself or heart to another woman.
I feel guilty and horrible even looking at other women.
My heart beats for you and you alone because I love you more
than anyone can ever know.
You are the reason it goes on and it is yours forevermore my only one.

Michael P. McParland

Morning Note 26

Good Sunday morning my
true love and only one,
up right now for just a few
minutes and wanted to
wish you a wonderful day,
ande thank you for
the wonderful peace and
love you send me.
I give you the biggest kiss
in gratitude and true love
for my Angels gifts that never end,
I could cry for the great
love and things you give to me.

A while longer to rest
on this Sunday morning but
needed to thank my sweet lady,
the greatest to ever live and
oh so beautiful you make me
smile and help calm me as I rest my head.
Feel my smile and look of love,
feel me right there by your side,
my hand in yours my arms squeezeing you
into a tight embrace of epic love.
I'm right there with you every day.
A bit more rest sweet lady and Angel Queen,

My Love 4

My love is so sweet and so strong,
she is so beautiful not one thing wrong.
The most loving heart and spirit,
the most beautiful smile and eyes glowing bright.
My love who holds my heart, spirit, and essence,
we share a bond so strong it will last forever.
My love is my Queen and my Angel,
she is my best friend and for all eternity I'll love her,
she is the greatest woman of all time.

Michael P. McParland

Night Note 52

Laying here restless
yet still quite tired
my eyes heavy wanting sleep,
thinking of you though helps
keep me calm and feel deeply safe.
You are my protector and
guardian Angel sweet lady
of my greatest hopes and dreams.
I just want you to know
I love you deeply and
that you bring soothing
calm and peace to me.
That I thank you sincerely
for all the love you give
and wonderful things you do,
oh sweet Kira my only one
how I deeply truly love you.

Feel my spirit right beside you
holding hands and pulling you in
for a tight squeeze to say how
much I love and care,
thanking you once again for all you do.
I look forward and can't wait
until the days we'll lay in bed and
just hold each other talking
sharing everything we want and need.
I so love you my Queen and Angel
you are the most beautiful woman
I've ever known.

Michael P. McParland

Your Strength (Snuggling)

On this night as I lay here drifting lightly
in and out of sleep I dream of you the entire time
and long so much to snuggle and nuzzle burying
my face inside your shoulder hiding from the world
and to just feel closer to my lover feeling peace from you.
I'm still feeling scared from the things I told you
about the other day that I'm even sleeping with
my bedroom light on through the night,
and you know nothing in general ever gives me such a fright.
I want and need your strength to help me feel at peace
in a million different ways.
I crave to have you in my arms snuggling and kissing
all night and through the day.

I just want to snuggle with my only one and cure
both our lonely, aching longing hearts.
To feel you here beside me is the only thing I want.
Look into each others eyes as fist I hide my face
within your shoulder until I feel so safe,
then look into your eyes and say thank you babe
for all your comforting peace,
you truly are an Angel of light that can never be replaced.
Then as I stroke your hair and with a kiss as you lay your
head upon my chest we close our eyes smiling and
get some peaceful sleep finally knowing true rest.
I love you darling and your strength is the greatest thing there is
and I want to snuggle with you every night and day
in this life and through eternity,
you are my Angel Queen and everything.

Michael P. McParland

Big Hug And Kiss

As I lie down now to get a little bit of rest
I send you this great big hug and kiss,
a needed comfort for both of us.
To show you my deep love and care to give reassurance,
to fill you with all my love and warmth as I
whisper in your ear I love you Kira my sweet dear,
you are my Angel and I want to marry you.
Spend eternity in your arms giving you
everything that I have and I am,
you are the only woman I'll ever love.

As I lay down for this little rest
I wrap my arms around you for this big hug
and plant my lips on yours for a deep passionate kiss.
Then pull back looking in your gorgeous angelic eyes,
smile and say I love you deeply my only one
and forevermore I'm stiking by your side.

Michael P. McParland

and I adore her more than anything both on earth and heaven.
Thank you God for this beautiful woman,
help her to know I so deeply love her.

Amen.

Take My Hand 7

Take my hand and give
each other comfort on this difficult night.
Fill each other with peace and
love we both so badly need.
Take my hand just to let each other
know we're there,
giving the peace and comfort
in the love we share.

I know you love me just
as much and just as deeply as I love you.
Take my hand and share the comfort
through the bond we both share.

The Way You Are

I love you just the way you are.
You are a beautiful and wonderful woman right now
no need to change and become something
different that would be a tragedy and it
would break my heart to ever see you
not be the woman that you are because
I fell in love with the woman I see
and know just as you are.

I love you for the way you are a kind
loving spirit with a heart of gold,
a beautiful Angel whom I love with

Tired Lazy Saturday

Still struck by epic tiredness on a lazy
Saturday afternoon and the dream way to spend it
would just be laying in bed with you
cuddling listening to music, watching movies,
and ordering some food to just spend the
whole day with each other talking and being
right there with one another.
The perfect tired lazy Saturday in my mind
with just you and me.

A tired and lazy Saturday afternoon as this one
I wish I could spend with you in bed
wrapped up in each others arms looking into
each others eyes passing the day away.
Smiling talking just feeling the love surrounding us
as we rest away the lazy tired day without a
single stress to worry about just enjoying
our special bond.

This would be the perfect tired lazy Saturday
to just lay here in your arms.
Continue to catch up on all that sleep while
holding you in perfect peace and comfort deeply felt,
the greatest dreams I have are with you that way spent.
I love the peace you bring and all the love you share with me,
I just plain and simply love you my one and only
Angel of deep beauty.
I look forward to all our future lazy tired weekends together
where we'll just spend them all in each others arms
forgetting all the troubles in the world around us.

Michael P. McParland

Days (Without You)

Days without you are ever so lifeless
and dull without color and very bland.
Your beauty and sweet spirit are what
bring them to life making them so happy and wonderful,
you make everything pop out in bright contrast
giving everything brilliant texture and joy.

These days without you are the hardest ones
where I just want to stay in bed and sleep,
passing the time away till I can see you again
celebrating our bond and the deep love that we have.
Days without you are quite sad and so boring,
your beauty livens things up and gives my life
color and reason,
for you are my Queen and I
feel deep passion for you my Angel so wonderful.

I can't wait for these lonely days to end,
then the happiest days with you will begin.
No end of pure joy and love in sight,
all days and time with fulfillment seeing your smile.
All time with my lady so beautiful and my
best friend always and forever.
What more could I ask than to spend eternity with you?
I love you so deeply with all of my heart
and my soul for you are the greatest
most beautiful woman of all time.

Michael P. McParland

Love Note 105

Good afternoon my sweet lady

I just got up not five minutes ago,
thank you always for your
patient understanding of everything my one.
A quick hello for this moment
as I get up to get moving
around sweet one so dear.
I love you immensely and
I hope your day is great.
I miss you very much and wish
that you were here,
help chase away the nightmares
and all the boredom that I feel.
The days are dull and gray
without you in them in every way.

We'll talk soon my sweet lady
of hope and light,
I'll keep on doing my best for you
because I love you with all my
very soul and heart and you
are the greatest woman in heaven and on this earth.

ILYF KP.

Michael P. McParland

Calm And Peace

Thank you my darling for the
calm and peace you bring to me.
All the love and care you give and send
has helped calmed me so I can sleep
and has helped me keep my temper
from going off a few times lately
on other people and things.
You would be so proud at how I've kept
my anger from getting the best of me.
I thank you too though for the calm and peace you send
and the caring love you endlessly give.
You are an Angel of the greatest kind I can attest.

Kira you give me abunbdant calm and peace
and I hope and pray I've made you proud
in endless ways for how I have improved and handled myself.
Thinking of you has helped me through with all
the love and kindness you have sent
I thank you dear for the beautiful woman
that you are and how you have stuck by my side.
You fill me up with calm and peace and I thank you endlessly.

You give me such calm and peace
I cannot thank you enough my Angel Queen.
I so deeply apologize for how I failed you in the past
and I deeply ask for your forgiveness
in the ways I still fall short.
I hope and pray that I can attone and make them up.
You are the greatest blessing I could have.

You have given me such calm and peace to
be here in bed at rest and I ask thee still to
reach out and hold my hand to get further more.
It is still so deeply needed and your further strength
will help keep the remaining anger at bay.
You are an inspiration and true hero to me.
Thank you once again for your calming peace
I love you darling in countless ways.
You are the greatest lady on this earth and I thank

God for you every day in every single way.

Michael P. McParland

My Sweet Lady 2

My sweet lady oh so very beautiful and fair
how I long to have you here in my arms tonight
as I lay here in a restless sleep so lonely without
you in my arms to look at and smile saying I love you
my darling one and cherish you to no end.
Then with a kiss you would rest your head upon my chest
and I would read and sing to you as we fell asleep.
I so long for you my sweet fair Angel from above.

My sweet lady whom I so adore I wish you were here
to snuggle and I could tell you how much I adore the
wonderful heavenly person you truly are,
to celebrate my Queen while holding and kissing you
after every poem I read and song I sing to you my one.
I would only ever sing for you and hope you'd want
and like me too.
These are the beautiful things I dream of doing for you
my sweet lady of so rare and truly fair.
I treasure and cherish you in the greatest ways.

Kira my sweet lady and most beautiful Angel high above the rest,
I would give everything to have you here cuddling in bed.
I might end up crying when you are finally here,
not in any sorrow but from cheer and
relief that you are in my arms here to stay forevermore.
I'll tell you everything and how I've missed your bright soul,
your loving heart and sweet voice that perks me up.

My sweet lady you are all my greatest dreams and hopes.
I love you deeply and am holding you in spirit,
I so wish you were here though to pull in tighter
so I could whisper in your ear that you are the greatest
and for eternity I will be here at your service.
That I truly love you with all my very heart and spirit
and can feel the love you have for me and thank you.

Michael P. McParland

Come Snuggle Under The Covers

As I drift in and out of a restless sleep
come sweet sweet lady and snuggle with me under the covers.
Let me bury my face in your shoulder and
just hide from everything and everyone but you,
for a good while feeling protected and
so deeply loved in your arms.
Where I'll no longer feel alone and
be at peace in my sweet ladys warm embrace
of pure love with a kiss to make it alright.

Come snuggle with me under the covers
and tell me everything is alright,
rubbing my face and my head while I look into your eyes
say I love you Kira you are my Angel and protector,
please just lay here and we'll hold each other forever,
you make me feel safe warm and like someone special,
and I want to do the same showing you how wonderful you are
and give you all the best as you truly deserve.

Come snuggle and nuzzle with me under the covers
where we can feel safe and kiss over and over escaping
into our own world talking, laughing, crying, and making love
with the rest of the world left behind and forgotten.
Where it's just you and me and nothing else matters.
I love you my Queen and Angel and I need you here so very bad,
you are the woman I love and the true love I've always wanted,
come join me and we'll forever snuggle under the covers.

Michael P. McParland

Night Note 50

Laying here sweet lady
and mostly asleep,
once again I wanted to
say I love you sweet lady
and I'll be dreaming of you
holding you close and
stroking your beautiful hair,
kissing you deeply at points
as the night goes along
to keep us warm and feel
safe and full of strength.
I love you my darling and will
be dreaming of you and
sending all of my loving
warmth to surround you.
Truly feel in your heart and
soul all the love that I feel.
I love you my darling and I
truly deeply need you here.

Michael P. McParland

Sleep Well My Darling One

Goodnight and sleep well my darling one.
As I slip into bed beside you I wrap my
arms around and give you a giant kiss
to seal the day with this symbol of love
I desire so deeply to begin and end each day
with you sweet Angel I dearly miss.
Rest your head on my chest and let's sleep
peacefully feeling our hearts come together
beating as one.

I'll see you in the land of dreams where tonight
we'll lay on a blanket under the stars on a cool
and comfortable spring night.
Wrapped in a blanket in each others arms,
soothed by each other and the rushing river not far off.
Feeling warm, cozy, and full of peaceful comfort
in each others enveloping warmth and loving arms.
Soon a reality I know it my Queen so deeply loved.

Goodnight and sleep well Kira my darling one,
endless kisses and hugs with all of my loving warmth
I send to you so you'll feel peaceful and safe knowing
I'm right beside you holding you close.
Feel me smiling and watching over you always my one.
I love you deeply and will remain yours forever,
eternity is ours my sweet Angel and lover.

Michael P. McParland

Night Note 49

Oh my darling one
laying here in bed restlessly
sleeping lightly
and feeling lonely without you here.
How are you doing my love.
are you okay?
How are you feeling in whole?
I hope you're not in pain
and know you're not alone because
I am with you there always,
by your side hand in hand.
A great big kiss to you my
love to make you happy and give
you peace and strength from your man.
I'm sending you all of my loving
warmth to help you know I'm
never leaving you,
you'll never be abandoned left
in the cold.
You are my universe and everything,
and you know I'm not crazy
like so many out there think.
You care for me deeply as I do you.

I'll be sending you my goodnight wishes soon
and write for you through
the night as I go along,
you keep me going my sweet Angel dove.
Still I want to sleep some more
to keep dreaming of you,
be holding you laying on a blanket
under our majestic tree by the
beautiful river in our field of flowers.
Thank you for never treating me
like I'm crazy and batty,
just one of the many reasons I
so deeply love thee.
I'm sending you all of my love
with a billion and one kisses every hour,

I'm thinking and praying for you
my sweet darling.
I'm here for you always please take my hand,
I can't wait to be with you
forever because for us two there is never an end.
I love you sweet darling my Angel so fair.

Michael P. McParland

Evening Note 22

Here in the early evening
I'm laying in bed drifting
in and out of sleep I want and need.
I'm sending my heart with all
my warmth and love to you.
We're both longing and aching
so very much and I want
you to feel my heart
and spirit with you to fill
you with peace and strength,
feel me there holding you
so tight and close
kissing you in pure love,
holding hands to feel
the strong bond we share.
I love and miss you so very much
and I'm going to go meet
you in the land of dreams right now.

I promise to write you so much
more when my mind will fully allow.
Remember that I love you very
deeply and that our time will come
and I'll hold you for eternity.
You are my Angel, my only Queen,
my heart, my soul, and my essence are
yours forevermore.
You are the only woman I adore,
a blessing sent from God above.

Michael P. McParland

Love Note 104

As I'm up for just
a bit between rests
I wanted to drop in and
check in on you my
sweet Angel Queen,
tell you again that I'm
with you always holding
you ever so close to me,
hand in hand I pull you in
for a tight squeeze,
a billion kisses I send to thee.
Wrap up in all my
loving warmth and be filled
with peace in what it holds.
I'll be writing you more
as I can through this day and night,
because I love you so much
and want to show it constantly
in every way that I can.
You're my soul mate and best friend
and I will fight for you to no end.

Michael P. McParland

It Doesn't Get Easier

It doesn't get easier or better over time
the longer you're away,
I found out a long time ago that it only gets harder
and the hole inside me grows the longer we're apart.
It doesn't get easier or better and I only feel
sadder as time passes by without my sweet lady.

It doesn't get easier over time without you my darling,
my heart just yearns and aches more
longing to have you right here in my arms.
The tears only become more as I need you here
feeling your soul right next to mine where
they can literally speak to each other without a spoken word.
It doesn't get a bit easier it in fact just gets more hard.

I send you all of my loving warmth and I can
feel that which you send too but it's not like
having you here and I just crave you more.
It doesn't get easier and I don't feel any better,
I just long and ache for you more and more.
I truly hope you do feel all the love that I hold
and all the love that I send,
I assure you I can feel yours.

I miss you sweet lady and Angel so true,
I'm there with you always holding your hand and you,
but it doesn't get better or any easier over time.
Not having you here just hurts more and more
because I love you with all my heart and soul
and you are my everything and want to be with you so bad.

Michael P. McParland

You Are 2.....

You are the only woman that I'll ever love.
You are the only woman that I see shining before me,
you are the most beautiful woman I've ever known.
That is the pure truth because my heart sings
and dances, my stomach fills with butterflies whenever
I look at you be it your picture or in person.
You are the person I truly most treasure and cherish,
you are the Angel I work so very hard for to give everything.
You are my best friend who I strive to make proud
and you are my soul mate who I love very much.
You are everything I need and want
and I want to make you the happiest woman on earth,
then through eternity the happiest woman there ever is.
I love you sweet lady you are all I see
and I know truly that you are the one for me.

Michael P. McParland

Love Note 103

Laying here resting again

Michael P. McParland

Waking Thoughts

As I arise Mozart still playing to ease and soothe
my headache happy wakeful thoughts turn to my love.
Remember sweet lady how I adore classical music
and it makes me happy too even though I have a sad poem about it.
You'll remember how Mozart, Chopin, and classical
all around is a deep love and passion of mine.
So as I arise this morning my headache mostly gone
my loving morning thoughts turn to you sweet one.

My wakeful thoughts turn to you so my day will be
bright and the skies the proper happy blue they
should always be for thoughts of you chase the sad blues away,
wakeful thoughts of you help the day start right
with a big bright happy smile on my face.

In my waking thoughts I hope that you slept well
and had beautiful dreams as well.
I hope and wonder if you saw me there so I could
hold you close and kiss you tell you how much
I deeply care love and miss you too.
So we can just snuggle on our blanket gazing
at each other smiling lighting up our lives.
I see you all the time and it gives me strength and pride.

Oh my happy waking thoughts are of you smiling and
holding me as bright and breezy Mozart pieces play,
I'm filled with cheer and hope knowing that our days
will soon come and we can just talk and talk sharing
everything being who we are because we love
each other for ourselves.
My waking thoughts are cheery ones of you sweet love
now please smile for me and light the sky.
I love you deeply and oh so truly my bright and heavenly Angel Bride.

Michael P. McParland

Morning Note 25

Good morning sweet lady
another day is here and
as it begins I embrace you
and give you a big kiss to
start it as I want by showing
you my love,
that is how I want to
begin and end each day.
Woke up here with a bit
of a headache and need to
take care of that first.
Then after that write for you
some more my only one.
Thinking of you will
help beat it and get me through,
you always help me beat
my pains, aches, and sicknesses.
You are my Angel and truly great.

Feel me now take your hand
as we begin the day knowing
I'm by your side all the way,
arms wrapped around you squeezeing you tight.
I love you so deeply my darling

I beat this headache.
Feel all my warm wholesome
love surround and warm you,

Thanks To My Darling

I give so many thanks to you my dear darling
for the endless ways you help me and things you do.
Even when you're not present in the physical
in spirit and heart there's still so much you do
that you may or may not know but I swear on
my honor that it's true you still do much it is true.

You are a protector in more ways than you know.
I ran across something the other day and it's bothered me
since but thinking of you chases the fright I feel away.
You know I love horror and strange frightening things,
but this has gotten to me and continued to needle my
deep hidden fears and keeps scaring me.
I feel your spirit though with your deep warming love,
I think of your smile and deep beauty you hold,
then I feel better with peace, strength, and consoled.
Thank you my darling for all that you do.

You help get me through so many pains both physical and mental,
like today I still type and write
for despite my burned and infected finger
for you I find the strength to give everything,
no matter what pain because I know and feel
your strength and how you have overcome
and it inspires me my love.
As in no matter the saddness or pain from my mental
or emotional sways you are there and help pick me up and get along.
I thank you my darling and love you to no end.

You do so much and it will take many more poems
in which to list and to thank you for the loving support you give,
oh my dear Angel as it takes me time know that I
so deeply love, admire, treasure, and cherish you.
I thank you so much my darling for all that you do.
I will love you forever and want to be with you for all time,
come let me hold you and for eternity be mine.

Michael P. McParland

Love Note 101

About out the door
for my doctors appointment
and wanted to tell you
I love and miss you.
I burned my finger quite
badly on Tuesday and it's
getting more painful and
making it hard on typing,
and I can barely use it.

Remember the million kisses
I'm sending each hour and
feel every one.
Starting now each hour
a million and two kisses just for you.
You are an amazing woman
and I so deeply love you.
The most beautiful Angel
and blessing I could ever
have hoped for.
I'll write you as soon as
I get back and I'll let
you know if I feel any better,
share with you the things that I need to.
Take strength and peace and
remember I am with you always
my dear.
I love you and miss you
and know soon I'll be holding you,
you are everything my sweet
Angel Queen.

Michael P. McParland

Your Picture 3

Your picture is now my screen saver
and for when it is locked the first
thing I see is you smiling and it cheers me up,
fills me with hope and light.
You your smile and sparling eyes enchant
and inspire me in the deepest ways.
I love you darling immensely close to bursting.

On the darkest and dreariest days when I'm
feeling really down and sad when my screen saver
pops on and there you are smiling I'm suddenly
filled with cheer and begin smiling too.
You are my true dear Angel and best friend.
I will show you just how much you light up
my life everyday day when we are together.

You my darling truly are the most beautiful woman
on earth to me and I thank you and God for being
so very beautiful inside and out and for you being in my life
and loving me so deeply and freely as you do.
After the doctors I have so many ways to share
with you what you've done recently.

Your picture in this time apart is helping save me
and it's both my screen saver and locked screen.
It helps me feel you even closer and I always feel
all the loving warmth you send me.
Thank you so much my dear beautiful Kira so fair,
I love you deeply and never despair because we will
be together I swear,
eternity is ours my sweet Angel dove.

Michael P. McParland

These Kisses

I send them all your way to wrap you up in warmth
giving you deep peace, strength, happiness.
Never forget that I love you deeply and so very much.

All these kisses are for you to let you know

be sending you millions of kisses.

Smile For Me 2

I'm about to lay down and rest my weary body and mind,
give me a smile sweet lady to help put me at ease
and give me strength and peace to finally sleep.
You're smile is the light touch to help my
heart be filled with cheer as I close my eyes.
Smile for me and hold my hand.

I'm not feeling sad just worn down from not sleeping,
I just need your loving warmth to wrap me up
with you smiling, holding my hand, and pulling me
in tight to hold and feel comfort with you by me.
Smile and reach out I'll feel the power,
and I so much already do.

Smile for me and be filled with cheer,
your being happy will help me too.
I love you so much and want you here laying with me,
smile my dear and hold on very tight.
I need you sweet lady my Angel of light.

Michael P. McParland

Beautiful Lady

Beautiful lady so gorgeous and sweet,
I can't help but admire her from near or afar.
She is mesmerizing and intoxicating
there's an air of mystery about her.
It's clear she holds such wonderful things,
and she'll only share them with a special
person she truly loves.
I'm proud to say that beautiful lady loves me.

It never failed that whenever I saw her
I stopped dead in my tracks always taken aback
and melted with her beauty,
even thinking of her my heart beats faster
and I smile wishing I could hold and kiss her.
A beautiful lady so wonderful. unique, and unmatched.
I love her so much and can't wait till she's back.

Beautiful lady how I wish I could paint like a master,
create a magnificent portrait as a gift,
or if I were an expert sculptor I would create
a beautiful heavenly statue working tirelessly
to get everything perfect as a testament and labor of love
to capture and celebrate your exquisite beauty.
A reminder to future generations what true beauty is about.

Oh my beautiful sweet lady I love,
you are everything I find perfect and want.
Your beauty in all ways has taken my heart,
you are a true natural wonder,
no need to disturb or tamper with what is perfect already.
I find you amazing and love you deeply,
you are my beautiful lady and it is fulfilling.

Michael P. McParland

How Can I Express? (Praise)

How can I ever express all the gratitude I feel
and praise you for the wonderful woman you truly are?
How can I ever show you in full just how much
you mean to me and adequately show in equal
giving love my abundant gratitude?
You are so truly wonderful my only one.

How can I express my overwhelming joy and love
for the only woman I adore when no words exist that
can ever be slightly adequate and fall far short?
Is there enough that I can ever do to show my
undying love and thankfulness for all she does
and how truly wonderful she is?
Can I ever praise her high enough like she deserves?

Oh my darling how can I ever repay and thank you
for all the love and kindness you give to me?
What can I ever do for you being a kind woman who
tries to understand and work through with me
the difficult times from my bipolar ups and downs?
Can I ever find that way to say and fully show
as I want and need how truly great you are to me?
I will work hard everyday to show my love and thanks,
giving everything I have.
In pure love and admiration with a thankful heart
I will always work to show you.
I love you darling and you are my Angel,
once again I thank you for your kindness and loving heart,
you have no equal in heaven or on earth you simply dear
are the very best.

Michael P. McParland

Love Note 98

Oh sweet lady beautiful
thoughts of you glimmer,
shimmer, and shine within
my mind and I'm smiling.
Listening to beautiful music,
as I sing along tears almost
start to run from my eyes,
not from sadness but the joy
and love I feel for you
coming through the music
to me with intense emotion
that fills my heart and soul,
with all the love and
admiration I have for you,
overwhelming me in a magnificent way.

I decided to wait and rest,
I've stayed up so long
and I would give up all sleep
to write for you and
do anything else you want and need,
you're my Angel and I adore you
deeply in earth shattering ways.
I'm there with you in spirit now
holding you so very close.
I'm always with you giving all
my warmth, love, strength, and peace.
I'm your man and protector,
I'm always watching out for
you in any way I can no matter how far.
You're never alone sweet one because
I won't make you take the world on
all alone when I love you truly in every way.
You're not alone.

Have a beautiful day fair lady
and if you start feeling sad
close your eyes and see me smiling at you
with the look in my eyes I always gave.

You know the one I mean.
If feeling lonely or sad reach
out your hand and grab mine
because you know it's there.
I'll be thinking of and praying
for you to be happy and have no pain.
I love you so much my darling one,
we will celebrate our love
on a day not so far away
and then forever be together side by side
no longer ever facing the fear or
pain of being apart.

Michael P. McParland

Resting

Getting some much needed rest
from being awake for so long
and exhausted from all the emotions I feel.
Please come join me dear and we'll
just lie here in bed this morning
resting feeling so safe and peaceful
in each others arms.
I'm in need of deep rest please come
join me and hold each other so tight.

Some much needed rest from the deep
exhaustion and fatigue I feel within me,
I want you to come lie beside me and
tightly wrap your arms around me.
Telling each other how much we are in love,
I would really like and need your
company and comfort now.
Please come rest with me sweet lady
and hold me tight rubbing my face and head.
I love you my Angel you fill me with peace.

Michael P. McParland

Dreaming Of You 2

Dreaming now of holding your hand
while sitting back and looking in
your eyes getting lost in your sprit within.
Captivated and taken by the pure beauty
I see before me and in awe that you're mine.

I'm dreaming of you and all the beautiful
things we will do when you are here,
spending time together at last.
Having our world around us to ourselves.
Just us enjoying and celebrating
the loving union and bond that we share.
Always in each others arms being as close as possible.

Just lying in bed on lazy days,
cuddling and kissing passing the hours,
sharing ourselves in pure closeness knowing that
it is true love that we're giving and celebrating.
I'm dreaming of many days spent in bed just snoozing
or time spent together strengthening
our bond even further becoming closer as people.

I'm dreaming of you and my hearts calling out.
Do you feel the joy and anticipation it sends?
Excited for the days ahead with my lady
her heart beating with mine right next to me.
I'm dreaming of you and all the time my love grows.
I need you sweet lady and love you so much
I will take you into my arms and hold you
against me forever in spirit and as often as
possible physically.
I'm dreaming of you and holding on knowing
our dream will come true and we'll always
have each other for eternity side by side.

Michael P. McParland

Morning Note 23

Good morning my dear
I hope you slept well
and saw me in your dreams
so I could hold you.
Since I can't take you in
my arms right now in person
in spirit and dreams are
a good way for me to show
and give you all of my love.
Fill you with the warmth and peace
I know that you need and
I strive to provide for my Angel Queen.
I can't wait for the moment
I wrap my arms around you tightly,
for right now though feel
the intensity and immensity
of my endless passionate love.
Let it sink into your soul
and take strength knowing
I'm grateful for you and will
be here for you when it's time.

Have a good day my sweet Angel dove
and remember I'm right by your side,
holding your hand and holding you
tightly clutched against for maximum comfort.
I miss you so deeply and
my soul is reaching to yours
ready for our time and in need
of our unity in becoming one.
I love you darling and the
passionate flame for you
burning inside me will never die,
it burns eternally for you my only one.

Michael P. McParland

Dear Love

Dear love I just arose not long ago
from my short restless rest
and I'm thinking of you hoping you are well.
Wishing I could talk to you
there's so much I was thinking of while
laying down that I want and need to tell and share.
The deepest thoughts and feelings I have in me,
and I can only ever do that with you my love.
If not they must stay inside forever to
protect my heart from this world.
These are things only you can ever know
and I would share.

Dear love I smile with every thought of you,
I know you send me your deep love and warmth
just as I do for you,
and it helps so very much but not like if you were here.
Yes I'm sad in many ways but happy because
I know you love me and I believe we will have our day,
it's the endless waiting weighing on my emotional heart,
you don't make me sad you give me pride and cheer abound,
I love you deeply and more than could possibly be measured.

Dear love please just know my loving care is deep
and feel my soul as it embraces you,
it helps to at least know you feel its touch.
Take strength and courage from its warmth.
Dear love I want to have you here,
in my arms holding you and talking soft,
just above a whisper reverently telling
that I deeply love you and want to be together
as long as time itself.
That you are my Angel and the greatest gift would
be to have you as my wife.
Dear love you are the greatest blessing God has
ever sent into my life,
I cherish you like the treasure you truly are,
sweet dear love you are everything that's right.

Michael P. McParland

Night Note 47

I've been thinking of you
the whole night through,
missing you deeply and
wondering how you are doing.
I hope you're okay and
feel me there and all of my love.
I wish I could hold you
and just talk while
we drifted off.
I'm so tired and exausted
beyond belief.
I've been up forever
unable to sleep.

I'm now going to lay down
and try to rest for a bit.
I wanted to tell you
before I do I so deeply love you
and need you too.
You are the light of my life
and true love too.
I hope that you know you
mean that much to me.
Now feel me put my arms around you
as we close our eyes for some sleep.

Michael P. McParland

Goodnight Kira Sweet One

Goodnight Kira my sweet love and only one,
may you have the sweetest of dreams and get
deep peaceful sleep knowing everything is alright,
that I love you and am with you always no matter what.
I'm dedicated to you and will fight for you always.
You're my lady and I love you so much.

Goodnight Kira sweet one feel all my love and warmth
surround and wrap you up in a blanket of comfort and peace.
Feel the joy in all the kisses and hugs I send feeling
me wrap you up in my arms pulling in tight to just
be as close together so we can and feel safe and whole again.
I'm with you in spirit kissing you all over telling you
how deeply for you I truly love and care.

Goodnight sweet Kira the woman I desire in every way,
I'll meet you tonight in the land of dreams,
we'll waltz among the moon and stars getting lost
with each other in the love that we share,
intoxicated by the stars and moon where we belong
with each other living in their amazing splendor.
I'll meet you there and greet you with a kiss and smile,
say I love you sweet darling come and join me.

Goodnight Kira my sweet Angel of delicate beauty,
sleep well and dream of me holding you.
Feel me close letting my body warm you up from the cold
filled up from the loneliness curing the longing aching we feel.
I love you sweet lady and not too long from now
I pray you'll be in my arms forever.
I'll give you everything I have and am through eternity.

Michael P. McParland

Endless Thanks

My darling you are such a wonder and blessing,
having you in my life has been truly amazing.
All the things you have done for me and still do
I thank you endlessly for being the beautiful woman you are,
I thank you for giving all that you have.

You have given me the greatest love that there is,
a true acceptance and unconditional gift that has no end.
You have given me hope of a better life with no fear
that I'll forever be alone as an outsider
kept at a distance from others lack of caring.
I love you sweet darling and thank you endlessly.

You have helped me know that true love exists,
a belief I've always had but you came
into my life and proved its truth.
You have given me reason to know there is truly
a chance for a happy life completed with boundless love.
I thank you endlessly for all that you do
and who you are.

I thank you endlessly for all the things that you give.
I thank you endlessly for being true to you.
I thank you endlessly for giving and helping
in more ways and in depth than you know.
I love you my Angel and thank you deeply and
endlessly for being so kind, loving, and great.

Michael P. McParland

A Lifetime

A lifetime of love and a lifetime of passion,
a life time of joy and happiness spent together.
Just you and me basking in the glow of true love
forever in each others arms never parting again.
A lifetime of true connection between souls.

A lifetime spent with my beautiful Angel.
What more could I ever want or expect for eternity?
Just you and me for a lifetime and more
hand in hand sealed as partners walking through eternities door.
A lifetime being with my best friend who is
so truly special and I adore.

A lifetime of fulfillment and peaceful content,
something so very few will ever even dream much more get.
A lifetime of being complete with my one.
I love you sweet lady for a lifetime and far beyond,
eternity is ours and I will spend it with you
because I love you with every fiber of my being
and you are my sweet Angel Queen.

Michael P. McParland

Evening Note 19

Good evening my darling
I hope you're smiling for me now,
that would fill my heart
with brilliant light and cheer.
Whenever you're happy
I am too in so many ways.
You're being happy makes
my heart and soul glow.
I hope you know that
your happiness to me is
most important.
You are my lady and your
heart being light with joy
is a major goal.
I want to always give you a
reason to smile and be fulfilled.

Very early evening and
I hope that you feel me there
giving you a big smile
feeling the warmth and comfort I give you,
my arms wrapped around and pulling
you in so tight,
a big kiss to start this night.
I'll be thinking of you
and writing some more

I love you sweet lady
and have a good night,
I'm with you always
have not a doubt.

Michael P. McParland

Sun, Moon, And Star

I was just sitting here doing nothing really
listening to Falcos album Emotional,
when on came his song The Star of Moon and Sun,
with the biggest grin I thought of my only one,
this song and you my lady so sweet and true
have pulled me through this dreary day
and here's what I want to share with you.

You are the sun that lights up my days
making them bright and happy,
helping me get through the toughest days.
You are my sun and your warm light
fills me up with endless love,
giving hope to keep fighting on.

You are the moon that kills the darkness
in the night warding off the nightmares
that haunt my sleep.
You help illuminate the nights of which
can be the loneliest, scary, empty times.
You are the moon which I thank for helping
light the night and give a needed comfort
in the lonely times.

You are the star of my universe,
an Angel glowing with a beaming smile,
eyes sparkling with endless love and true kindness,
with the purest honest soul I have ever known.
You are the northern star that helps me find the path
that leads to true happiness and not give up in whole.
I love you darling my star and only one.

You are my sun, moon, and only star.
What more could I ever hope or ask for?
What more could I need than your love my sweet Angel Queen?
You light up my heart and spirit giving life
to true love so rarely known.
You're so special and I love you very much.
Give me the greatest honor of your hand and

we'll together spend eternity in celestial splendor and glory.

Michael P. McParland

Love Note 97

and hope to see you so very soon.
I'm incomplete without you.

Sweet One

Sweet one I'm having a hard day.
What to do when my heart hurts so badly for you?
I'm so very tired but can't sleep,
my mind feels foggy but races all around.
I'm having a hard day sweet one
I wish you were here to hold and give me deep comfort.

Sweet one I am having a difficult day,
I'm all alone and feel so sad inside.
I need your company and arms around me,
lay right next to you in bed feeling your heart beat.
Put on some music and we would fall asleep,
sweet one you are the light that would help
ease the pain and sad feeling hard day.

Such a hard day sweet one I cherish and need,
you've always been the shining star that helped
cut through the dark and give me a smile.
I love you sweet lady you're the greatest to me.
I wish we could at least talk on this hard day.
Sweet one your love is the perfect medicine.

Michael P. McParland

and fills me with light everlasting.
You are the woman of whom I've always been dreaming.

Michael P. McParland

I Want You Here

I want you here my sweet Angel
from heaven on earth.
I need to hold you and release these
fears, pains, and tears.
I can only do that with you,
because I love and trust you in ways
that before with others I never could.

I want you here to share my hopes, dreams,
cheers, excitements, and the love for you I deeply hold.
I need you my darling to share everything forevermore.
To be the people we can both count on when
the road before us gets bumpy and rough,
when we start feeling weak and need that
person of trust on which to lean.
I want you here and need you sweet dear.

I want you here to share your lifes story,
tell me everything both tragic and in glory,
with you there is no mundane or boring
because you are the lady I admire in every way.
I want you here to be your partner and trusted ear,
I need you my darling more than anyone can know.

I want to share with you silly things that excite me,
just random thoughts that may seem odd and amusing.
I want to share them with you and have you share everything too.
I love you so much I can't describe the depth of its glow.
I want you and need you sweet lady and Angel my Queen.

I want you here and I hurt so bad being by myself,
even if there were another I'd feel alone
because she wouldn't be you feeling my heart and soul.
I need you dear because you know who I am,
I want you here because I love you and can't bare
the distance not having you near.

Michael P. McParland

Night Note 46

I was just listening to music
and as always my mind turned
to you my sweet love.
I smiled from the happiness
you always bring no
matter the way.
Joy filled me as I
saw in my mind your beautiful smile
and felt all your loving
care fill me with warmth inside.
I know that you're sending it my way.
I love you so much sweet lady
I deeply need and want here.

Listening to the music
it made my heart sing,
can you feel the love and
comfort it calls to you?
I feel so happy knowing
you care and love me too.

The music filled me with light
and I wanted to send you
this kiss with a
great big smile from the heart.
You gave my night light
and gave me peace.
I love you sweet lady
you are truly the one I need
and hope to be with for eternity.

Michael P. McParland

Goodnight Sweet Kira 12

Goodnight my Angel and love of my life
I'm so very tired and am turning in for the night,
with this great big hug and kiss I end this day
and am sending you all of my love and warmth.
I'd give anything to have you here in my arms,
I'm hurting very bad right now needing your heart next to mine.

Goodnight sweet Kira I'll be with you in spirit,
holding you close and caressing you with delicate grace.
Giving you comfort and peace reassuring you
you're not alone and will never be my dear.
I am your man and will always stand by you.
Relax and feel comfort taking my hand.

In the land of dreams in the world that is ours
I'll see you and hold you stroking your hair.
Just tell you I miss you and how much I love you,
then we'll lay under our big tree by the river
and rest with your head on my chest.
Feeling complete in the land of dreams
which for now is just ours.
Soon though my dear reality charms.

Goodnight sweet Kira I miss you so much,
a tight squeeze and big kiss for you my sweet love.
I'm so very tired and aching inside,
soon I pray so hard you'll be here.
Wrapped in my arms our hearts healing and beating as one.
I love you deeply and so very much,
grab my hand tight and we'll get each other through this night.

Michael P. McParland

Night Note 45

It's a cool and pleasant
Sunday night,
the end of a restless day
wishing so much for my
lady to be here in my arms
just cuddling the day away,
lost in the peace of our love
feeling complete just resting here.
I miss you sweet lady so dear.

I've been sending you
big hugs and deep kisses
filled with my warmth and love
to give you peace and strength.
I hope that you were comforted
in the energy of it,
and felt me there with you
in spirit as I always am.
I'll be with you in some way
every day so you'll never be
or feel alone.
I'm here for you my sweet Angel dove.

I was up and down
being quite tired,
not more than a cat nap for me.
You helped me through it
though with your memory,
and all the loving warmth
you send in abudant splendor,
I'm so greatful for you sweet lady.

I love you so much and
very soon so many
peaceful Sundays in bliss for us.
The most wonderful times
with my only one.
The greatest of dreams for me
finally fulfilled.

Michael P. McParland

Closeness

I long to share that true closeness
with you my dear love.
To know and feel a true connection
of the soul two becoming one.
When given in true love the purest
form of love there truly is.
I long to share myself with you.

I so deeply need that closeness
I could sometimes scream from
the loneliness I feel and know that
I want to share with you my life.
Everything about me and not just for a night,
but to give my all and have that closeness for all time.

I so long to feel that closeness and
complete the missing part within my soul,
a piecethat can only be filled by you.
Holding hands throughout time as we give
ourselves completely in this life and next.
I give you everything because I love you truly
and you simply are the best.

I'll never have or share that closeness with another,
every part of me is for my sacred lady,
I would not dishonor either her or me
by breaking my highest dedicated promise.
I commit to her and will only ever share that closeness.

I love my lady in the deepest way there is,
an all encompassing love that fills my heart and soul.
A love only she can ever understand and
something I will never give another one.
I only long for closeness with my greatest love,
she is the one to whom I belong.

Michael P. McParland

Take My Hand 5

Take my hand sweet lady and come join me,
lay down for a peaceful Sunday evening rest.
Holding each other feeling content and relaxed,
giving each other strength and abundant comfort.

Come take my hand and feel the power
of our loving bond and connection.
I need you sweet lady please come now
take my hand and hold me.
I love you immensely and need you right by me,
come take my hand and lets rest in our arms feeling content.

Michael P. McParland

Love Note 94

Late afternoon and I'm
deeply tired.
I ache deeply and harshly
wishing you were here
in my arms quelling this
longing need and desire.
I hope you feel all
the love that I'm sending.
Right there by you arms
wrapped tightly in love.
I'll be by your side forever
my darling Angel of loving fire.

It's late afternoon and
I am aching for you.
I hope your day has gone better
and you have smiled for me
making my day better.
A note to make you feel better,
to let you know once again that I love ya.
Very soon the beggining
of our beautiful future.

Michael P. McParland

Peaceful Sunday

If you were here what a beautiful
peaceful Sunday it would be,
just lazing about and enjoying the day.
Relaxing and spending time together
having fun just you and me.

To just sit back on the couch holding hands
with my right arm wrapped around your shoulders pulling you in,
just dozing in peace and silence with each other,
a peaceful Sunday fit for two true lovers.

Take a stroll in the park with sun shining down,
smiling and giving us warmth.
A beautiful peaceful Sunday strolling along
with my Angel enjoying the beauty surrounding
and basking in the richness of the love that we share.
A dream on this Sunday and future plan.

A peaceful Sunday just sitting and reading,
talking and reliving old times both together and solo,
sharing our lives on a peaceful Sunday.
What could be better than spending a beautiful
Sunday with your beautiful lover?

A peaceful Sunday spent with you is what
dreams are made of and I know they'll come true.
My heart and soul feel the truth that we both know,
we'll spend forever in each others arms.
There will be many peaceful Sundays together,
and I'm excited for every one that is coming.

Michael P. McParland

Simply

Simply said my dear I love you
for who you are in every way,
I don't ever want you to change.
Because I love the woman I fell for,
and anything else would be worlds less.
Simply put I love you the best.

It's very simple my dear that I am here forever
and yours through eternity sweet Angel of mercy.
I love you more than anything or anyone else,
simply put my sweet lady I love only you
and it will forever be that way.

Simply put my dear I find you the most beautiful,
those sparkiling eyes and beaming smile.
A wicked figure so divine I tingle with pride,
simply put you're the most beautiful woman on earth.
A great mind of vast intelligence with a kind loving heart
that gives and gives endlessly.
An Angel to me and to my heart a great Queen.
Simply put you are the greatest in my book.

Put plain and simple you're the woman
I dream of and long for.
You're the perfect fit for all I could want and need,
you are the greatest and I love you for you.
Simply put my sweet Angel I want to spend eternity with you.

Michael P. McParland

Love Note 93

Just short of noon
I love you sweet darling
and am dreaming of you.
How is your Sunday so far?
I hope it's warm and cozy
where you are,
I hope you're feeling the sun
as it shines down upon you
delivering my love filling
you with great warmth.
I hope you feel me beside you
holding you close hand in hand.
Forever with you in every way,
I'll always be there for
my lady of grace.

A quiet morning and soon noon
on this Sunday in March,
I'd give anything to have you
here spending it with.
Nothing specific just what
we feel at a whim.
Sitting on the couch holding
each other would be grand.
Any time with you is treasured
and wonderful my Angel so true.

Just short of noon on this
Sunday in March,
sending you kisses and plenty of hugs,
if you need anything
give me a shout.
I'll do anything at the drop of a hat,
remember you're not alone and
you will never be because
I love you and treasure
all the wonderful things that we share.
I love you sweet lady and
I always will.

Michael P. McParland

A Small Rest 5

A small rest is needed my dear,
please reach out your hand
and let me know you are near.
Send me some peace as I lay down
for just a short while.

I need a small rest and your loving strength,
reach out your hand and grab mine tight.
Help me feel calm and steady with
the love so abundant and beautiful you carry.
Please take my hand and let me know you are here.

A very small rest and I'm thinking of you
to help keep me calm as can be.
Please reach out your hand and help me along,
you are so truly wonderful and strong,
I love you darling and thank you for everything.
You are the best and I can't wait for you
to be here with me,
right by my Angel in her peaceful grace.

Michael P. McParland

Yearning

I'm yearning for you to be here,
to be in your arms where I feel warm and safe.

Michael P. McParland

I Love You Deeply

I love you deeply to my very core,
everything about you I deeply adore.
Just to see you I'm blown away,
I start to stutter and babble when I'm talking to you,
the deep amazement and passion I feel
never fades or recedes it's always there.
I love you deeply Kira so rare.

I love you so deeply and admire my Angel,
you make me feel joy and happy again.
You give me hope and you give me light,
you have revived so many things inside me that died.
I love you so deeply and will spend my days
giving you everything in thanks and dedication,
pure love for you in every action.

I love you deeply and can't tell you enough,
you fulfill my boring life.
I wish to give you as much as you've given me,
I want to be the perfect man for you my sweet lady.

freedom from fear and a lonely existence,
you've given a new hope for true love a love shared between us.
I love you deeply and need you for life,
I ask for your hand through eternity spending
existence together cherishing the love we feel for each other.
Never parting our hearts in unison singing.

Michael P. McParland

Morning Note 22

Good morning love

asa new day is upon us.
I hope you slept well

fatigued from the anxiety.
Your loving support is
all I need and it's such a
great gift my sweet Angel Queen.
Have a beautiful day
and send me a smile
with a kiss from the heart.
Wrap me up in your arms
giving me strength and
filling me with your love.

Michael P. McParland

Full Of Hope

I am forever filled with hope for our future,
we have the most loving bond that holds us together,
getting us through thick and thin it's gotten us through everything,
even today as we stand helping us work our way
back together and find new ways to make it through the bad weather.

I'm full of hope with no pessimism,
I know what we have and I know what we share.
I give everything to you including my life,
one day soon you'll be the sweetest of wives.
I'll be the luckiest man in the world having
my Angel right there to spend every day.

I'm full of hope because I have seen and felt
all the kind loving care that you hold,
and I know that you need and want this union just as bad,
we're both fighters and work for what we know is right,
we tenaciously go after what we need to have.

I'm full of hope because I love you so much,
I can hear and feel your heart calling and
mines singing right in return.
I long so very much to have you here in my arms,
to fulfill the other half that has been empty so long.
You are my soul mate and you complete me,
you are an Angel and blessing I so cherish and thank thee.

Michael P. McParland

Night Note 44

Middle of the night and
I'm trying to stay busy
and keep the anxiety down.
Better though I'm thinking
of you and it's making me smile.
I miss you so much and
am worried for how you
are and how you feel.
I know I haven't done as much
the past few days and
I apologize I hope you're
not upset.
Making you happy and proud
is my biggest goal and
greatest joy,
making you smile is the greatest reward.
Seeing you happy is worth
more than all the earths gold.

I'm missing you so very much,
and I'm still on the verge of
not feeling well.
I so wish you were here
to comfort each other.
So I could kiss you and
tell you everything is alright
have not a single worry,
for I'm right here and never leaving,
I'll be here forever my sweet lady.

Feel me there with right now
as you read,
feel my arms around you and
my hand in yours tightly clutched,
so you'll know you're not alone
and you never will.
I love you so much and can't
wait to be in your arms and cast
off this lonely dead weight.

By your side be fulfilled at last,
holding my lady forever in time.

Michael P. McParland

The Key

Not so long ago there were many locked doors
of happiness and joy all around me,
and try as I might I could not open them
or find a way to enter the doors of bliss
they held in store,
they were a mystery and I was fast losing hope
of the treasures held inside and spoke.
Until you came back into my life,
you are the key that has opened things back up.

You are the key in so many ways that gives me
hope and light a reason to work and strive,
I see and feel real possibility and know
that all those joys and rewards will be ours
because you were the key that opened those doors.
With your kind loving spirit and heart you
renewed that which had died bringing a spring
like season to me as you are an Angel so caring.

You were the key and I continue to work and strive
so I can bask in these glories with you my Queen of passion and fire,
I will give you my all because never again do I want
to lose you or the rewards of elated fulfillment you bring.
I love you so much you are the key.

Michael P. McParland

Joy

Joy is what I feel whenever I see, think,
or even hear your beautiful name,
joy is what I feel outright about you sweet lady.
A joy that can't be equaled by anything
or anyone else you see.
Only you bring such joy to me.

Elation when I hear your voice and my heart
almost bursts in adoration when you speak to me and say my name.
Shivers down my spine and all over tingling
when you say Michael, I get lost in a euphoric daze.
Joy is all I feel for you my Angel so truly great,
you're so beautiful and I'm in awe that you love me too.
How am I so lucky to be blessed with the love of a Queen
like you?

Joy now as I'm writing thinking of you,
longing and aching to have you in my arms,
by my side, hand in my hand, seeing you smile,
looking into your eyes,
just longing and aching to have you in every way my darling.
You bring me joy in the most heavenly ways,
you are the greatest my Angel Queen.

There will be endless joy when we come together,
eternity spent laughing joyously together,
pure happiness in my soul with the joys of knowing
our future together will happen.
I love you so much in all ways every day,
I'm with you forever and thank you for the joy that you bring.

Michael P. McParland

Night Note 43

all of my love and the
warmth surrounding you.
Remember always I'm right
by your side holding your hand
wrapping you up in my protective arms.

standing alone,
I love you my Angel
and I'm yours forever.

could be holding you.

with all of my strength and peace,
so you may get a great nights sleep.
I love you my darling and
soon we will end these lonely nights,
no more aching from longing.
Fulfilled smiles on our faces
as we drift off to sleep

A kiss from my heart because I truly love you.

Michael P. McParland

Beautiful Afternoon

It's a beautiful spring like late afternoon
here in central Minnesota and the only thing
that would make it better is beautiful you.
You would make it brighter and warmer
giving me company on which to do things.

The duck pond is still mostly frozen over
but the geese are out waiting for it to melt,
we could take a walk along the path surrounding it
basking in the sun and enjoying the beauty
of new life that is blooming.
Just feeling our love as it grows greater by the moment.

A beautiful spring like late afternoon evening
fast approaching here in central Minnesota and
you being here with me would be the perfect thing.
Sit in the shade holding each other enjoying
the warm weather while we just took in everything
and the joy of being together.
Renewal of life and hope all around including
our eternal journey as it's truly begun.

It's a beautiful day here in Minnesota my dear
and I'd give anything to have you here.
Enjoy this beautiful day with my beautiful lady.
Any day spent with you is beautiful my Angel
of light oh so rare and I want to be with you forever
to enjoy the most gorgeous life with my sweet Queen
I hold so truly dear.
I love you babe and hope to have you near soon
when the most beautiful days will forever be here.

Michael P. McParland

Love Note 92

I hope you're having
a beautiful day sweet love.
I'm out the door to
pick up what's needed to
make dinner and wanted
to tell you I love you
before I go.
Feel me there with you
my hand in yours,
arms wrapped around you
in permanant warmth.
I'll be with you always
no matter what and no matter where.
I wanted to tell you
I love you before
I head out the door.

Michael P. McParland

Quiet Days

So many quiet days pass and in many
ways I enjoy the quiet and it's not bad.
The solitude in which there is to read and think,
watch movies and TV not being bothered is
a blessing and convinence I enjoy,
but the aspect that hurts is they're spent without you.

The quiet days without you can feel so cold
even in the hottest days of summer,
not being in your arms can bring such lonely chills
equaling the worst of cold Minnesota winters.
That's where the quiet days lose their pleasent haze.

Those quiet days feel so empty without you to join me
while I sit and read or give me a chance to
dicuss the things with you of which I think,
to once again share intelligent conversation with my one.
They're sad without you there to share the movies or TV.
Laughing, crying, getting lost in these stories
with each other sharing everything about our glories.

Quiet days are a plenty and in so many ways
I love them and the peaceful solitude for exploring.
The point in which it's haunting though is that I
wish I could be sharing them right now with you.
I hope that very soon you will be here and we'll
just enjoy the benfeits in our very arms
knowing that all the worlds time is ours.
I love and miss you so very much and when it comes
all my quiet time will be spent right by your side.

Michael P. McParland

Love Note 91

Afternoon on a beautiful Saturday,
and I'm thinking of
my beautiful woman so very exceptional.
I hope your weekend is going well so far
and you feel all my loving warmth,
for as ever I am there
with you holding your hand
wrapping you in my arms to comfort
and reassure that I will
always be by your side and care for you.
I love you enormously sweet lady.

Feel the sun shine on you
and see me smiling too.
All filled with loving tender
care just for you.
My fair lady so beautiful,
loving, courageous and bold.
My Angel so sweet and
accepting thank you so much
for all you do.
Feel the warmth of the sun
and all my love as I send it to you.

As I lay down for the
smallest of rests still weary
and drained from that anxiety
that attacked me the last day and a half,
know that I'm with you now
and feel me there.
I will write you more poems as
this day goes along showing
and giving you endless love.
I love you my lady fine,
my Angel so dearly divine.
I'll soon be back up and
writing more for you my
lady so true.
Have not a fear in you I'll

never be leaving because you
are my everything.

Michael P. McParland

Fly High

Come take my hand sweet fair lady and
we'll fly high on the wings of true love.
True love shared by two souls so warm,
kind, loving and rare.
Just you and me babe flying high on the wings
of love provided by our admiration for each other.

Come fly high with me my only one claiming
our fate of eternity together hand in hand
never to have anything deny us again,
come fly high with me sweet one the
promised land of forever is yours and mine.

I love you deeply Angel of my greatest hopes and dreams,

Michael P. McParland

All That I've Written

I think of all that I've written
and almost all of it is for you,
and what can be found but a testament
and confession of true love.
I truly adore you sweet one.

There have been poems of despair,
poems of anger and hurt,
poems of confusion not knowing what's what,
poems describing the heights of
ecstasy and truly being happy,
the best poems where the truth is
in my admiration of you,
yet you'll find not one poem of hatred
because you my sweet darling I never could.

I've taken down many though I still have them,
the ones of anger and coarse words have
no place for anyone else's consumption.
I keep them as mine only because I wrote them,
not because I feel them.
Remember my Angel that the true words are loving ones,
the poems of my true heart and soul are the
loving ones with no harsh words.
My best and truest are my confessions and praises of you.

I think of you and all that I've written
and I hope and pray that no matter what happens
in our final fate you will treasure them always
my sweet loving Queen.
When we're together we will read them all as we sit
by a warm cozy fire,
going along I can tell you what I was thinking and feeling,
then declare with a kiss I love you more than ever.
I believe with my all that we'll be together but
God forbid we should not I want you to have them to treasure,
read them from time to time and remember your best friend,
admirer, true lover Michael and give me a smile,
filled with warmth and love to last forever,

but I know we'll be by that fire reading and laughing together.

I love you sweet lady and I'll never let you see
the poems of anguish, pain, and anger,
I know after the many years and cures they still hurt
and I won't let that happen because I will not put you in pain.
I am your man and protector and will not in any way make you suffer,
because you are my lady, my Angel, my Queen and my lover,
most of all though you're my soul mate and best friend,
I will give you only the best for eternity sweet lady.

Michael P. McParland

Love Note 87

Good afternoon sweet love
I am thinking of you,
hoping you're well and feel
me right there with you.
I know that you're struggling
and I am sending all of my strength
as well as my warmth and my love.
Please remember you'll never
have to face anything alone,
I am right here and willing,
wanting to help and I'll drop
everything right away
and come to your aid.
I love you so much and won't
ever make you face this
cold world alone.

Just feel the sun shine
and see me smiling at you,
filled with love and acceptance
giving all that I am
to my Angel Queen so supreme.
You are my love and
I know that you'll make it.
Trust in God and those that you love,
and we'll help carry you through it.
Fighting along side a wonderful
woman I cherish and honor.
Always feel me there holding your hand
arms wrapped around,
looking out and defending the woman I love.

I'm never leaving and you
know in your heart and soul
that is true.
Just close your eyes and
feel me with you.
I love you so much and
will give you my all.

Sweet lady I promise I'll
always be with you
you're my only one
and I need you too.

Michael P. McParland

A Huge Hug

A huge hug for you of friendship and pure love,
a hug for you my lady because you deserve it sweet one.
A huge hug for all the pain you feel now and
all the pain you've felt.
You don't deserve to have the scars that have been
inflicted by other cold hearted souls.

A huge hug for you in full comfort, peace, and filling strength,
a huge hug from me to show my support and love my awesome one.
A huge hug for all the hard times and trials you have faced,
and those you will in the future throughout life.
Remember I am here you don't have to face them on your own,
I am by your side hand in hand everyday for eternity.

A huge hug from my heart just to show my caring love,
I want you to know all the respect and admiration that it holds,
I want you to remember it's always yours,
a huge hug to show my lady I'm only hers,
that I am here to give you everything I am and have.

A huge hug of passion filled with all my admiration,
a tingling too that fills me through,
when you are ready I'll not press a single thing,
I'll still be here and never stop supporting.
A huge hug to let you know of my undying dedication.

Endless smiles and endless hugs to you my Angel,
I'll be here for you everlasting.
I love you so and it is through my entire heart and soul,
you are my Quenn the woman I will adore through all time.
A huge hug to you don't ever worry you're not alone.

Love Note 86

About to head out the door
to do a few chores and
wanted to say before I do
that I love you babe it is true.
You are the sun and moon
that light my sky,
the stars that shine
like your big smile.
You chase away gray clouds
and rainy days.
The birds sing for you
and butterflies fill me up
dancing all about.
You are my all and everything
I'm by your side sweet
lady of my hopes and dreams.
Oh my Angel I love you,
I can't wait to hold you close
and take your hand.

Michael P. McParland

Each Day 3

Each day that comes I hope and
pray to hear from you,
to finally talk and catch up,
to begin to talk and work things out.
Figuring out where we went wrong
and the solutions to get through them.
A chance to apologize for what I did wrong,
to begin down the road to make all right with you.

Each day I think of us and all the times we shared,
all the good and bad laughing and crying right along.
Each day I think of you and how beautiful,
kind, loving and caring you are,
I remember the exceptional woman that I love
and smile thinking of your beaming soul.

Each day I look at what I did wrong,
I feel sorrow but use it to see the things
on which I need to work moving right along.
So when you return they'll be in line
to be the best man you could ever want.
Each day I think and work on those things I need to do.

Each day I hope and pray I'll hear from
you so we can tell everything we want and need,
to work out everything both good and bad
coming together on everything.
I love you my sweet lady and Angel of light so true,
each day I think of you hoping to hear those
treasured words and your sweet voice too,
I hope to hear them soon.

Michael P. McParland

My Lady, My Rock

My lady is my rock and gets me through,
she gives me reason and helps me improve.
When I'm feeling weak or that the fights too big,
I think of her encouraging me and I get back
up wuth a grin charging back head in to
face that which brings me down.

My lady is the rock of love I know will not erode,
she will stand forever as my monument of strength,
she is one of the few with my family that's
stuck by and cheered me on
never putting limits on where love must begin or end.
My lady is my Angel and my rock solid Queen,

My Sweet Rose

My sweet rose has given me a new
lease on life and reason to hope,
the love she shows and gives to me
has filled me up with peace and strength
to continue on and not give up.
My sweet rose is an Angel sent from God above.

My sweet rose is the most unique woman
I've ever known and I love that she
is herself not changing just to please a single thing.
She is herself and independent as they come,
she's a fighter and an inspiration,
my sweet rose fills me with awe
and I'm so very proud of her.

My sweet rose Kira is the kindest woman
in heart and soul.
She gives of herself and protects those in need,
she does not put herself above anybody else
always reaching out a helping hand.
My sweet rose is a charitable giving person.

My sweet Kira a precious diamond and majestic rose
is the purest love I have ever know,
she gives me love and accepts me for the man I am,
she does not mock or sneer like so many do
for my many oddities and illness.
She loves me unconditionally for who I am
as I do her and we respect each other in true love.
She's the woman of my dreams a precious rose
I so dearly need.
My Angel and my Queen I love her dearly through eternity.

Michael P. McParland

Around You

When I'm around you I'm filled with light,
an immense joy and love of pure delight.
Looking at you I finally feel so happy
as our souls connect and begin
once again to sink into each other,
creating an energy so powerful others
can't help but notice it and be amazed
in it's bright power.
I get that most sensational tingling feeling
knowing in the presence of true love
with you I want to celebrate it,
but I'm too shy to initate
and can't approach you like I need and want to.
I die inside hoping you'll reach out
grab my hand and pull me close.
I ache for it tingling all over in pure love.

When around you I forget the world
and all my burdening problems,
it's just you I see and want to be with
all the time never ending just you and me.
I always wanted everyone else to leave
so we could talk together without them interfering.
When around you I forget the world
and know lightness in my heart.
When around you I know that things
can always be alright,
because I love you and we share a bond.
A bond of awesome power that
connects us to each other and
all I see and want is you.
You are the light of love and hope I see,
when around you I know that there is good.

Michael P. McParland

much or nearly enough,
but that's okay because as
always you were my waking thought,
the brightest thing to rise and shine.
I love you dear and hope
your day is full of cheer,
just close your eyes and think of me,
feel me with you all the way.
Feel the sun shining and
let it warm you through.

everything my heart and soul desire,
everything I need and want to have within my life.

clean and pure my sweet lady of the greatest dreams.

talking about our future plans and kissing as we stroll along.
One day soon it will be for real.

Goodnight sweet sweet Kira whom I love so much,
a big goodnight kiss before we climb into bed

A small rest for a bit
will hopefully do the trick,
give me back a bit of kick.
Will you come join me
and we'll hold each other close?
Feel contented peace within our hearts.
A small rest for both of
us to just have some time
to reconnect and be in bliss.

I'm missing you and want to
be with you my only one.

I'm missing you and feel so lost
without my Angel here to pal around,
to just hold and talk or even
silently sit as we do different stuff.
Just to have you near me is all
I really want.

I'm missing you and I know that
you are missing me just as much,
we need to come together talk and hug
working out all the things that went wrong.
Our will and love is so strong
I know we'll make it my sweet love.

Michael P. McParland

You're So Beautiful 5

You bring a brilliant beauty
to a world that so often lacks,
filled with gray dull skies and
colors that are faded and washed out.
You bring back the light and color,
making everything vibrant and filled with life.
You are so beautiful lady Angel
of my greatest hopes and dreams.

You're so beautiful it's actually painful
but in the best of ways,
not a pain that hurts but a stunning jolt
that sends shock waves through me
like an electric burst.
You're so beautiful my only one.
If you could only see yourself through
my eyes you would know just how much you
affect me in every way,
with the beauty you hold outside and in.

You're so beautiful the words I use
cannot describe the treasure you truly are.
A kind loving soul and heart,
a mind that fascinates me with intelligent thought,
a face and figure so divine.
You're the perfect package my beautiful one,
you blow away everything I've ever seen.

Kira you truly are Gods greatest work of art,
he took extra special time creating you,
a blessed Angel of the highest kind.
One of his most beloved I know it in my soul,
a blessing in my life he sent to me.
I love you lady so sacred, rare, and precious through,
You're so beautiful and I'm in awe of you.

Michael P. McParland

For Eternity 2

I want to spend eternity by your side,
hand in hand walking along in sweet warm sun.
Knowing no strife or pain,
I know my lady that we can make it there.
Fighting through all troubles with
and for each other together,
never losing sight of what we need and want
our love will help get us through and
in the end eternity is ours just us two.

You're the only one my soul feels connected to,
you're the only one my heart sings the
greatest and sweetest love songs for.
You're the only one sweet lady that inspires
me to write not just love poetry
but poetry in whole.
I want for all eternity to be with you.

For eternity exploring majestic scenes,
all the wonders of the universe just you and me,
sealed in sacred and a blessed holy bond
we'll be together bound and never broken for eternity.
Only you my sweet Angel Queen.

I'm with always here on earth,
even if just in spirit at times.
Always holding you, watching out for you,
protecting you and here to help in everything.
For eternity through the afterlife I want that too.
I love you Kira my sweet lady I really do,
and for eternity I want it to be just us two
walking hand in hand never feeling alone again.
For eternity you and me.
What happier way could there be?

Michael P. McParland

What can I do to prove the love I hold
and its immense depth and warmth?
My love please tell me what I can do for you?

I love you Kira my one true love.
I've loved you for so very long,
I've loved you since day one
when we met so long ago.
I've loved you since March 1999.
I've never stoped loving you
and I never will.
Can you feel the truth and depth of
all this loving admiration I feel?

My love for you knows no bounds.
It's unconditional I make no demands
on which it solely stops or begins.
My love is there no matter what,
it truely is sincere 100%.
My love for you my Angel is the
greatest thing I have in any way.
And losing you is my greatest fear.

I love you Kira and I'll always
work to show you that what I say
is truly real and I want to make you happy,
serene, content, and fulfilled.
I want to prove to you my love is real.
I want to give you all my love
for all our lives both in this one and the next.
I love you Kira and that is the
greatest thing I know and feel.

Morning Note 17

Good morning love
another day is here.
I hope the sun shines
upon your soul and gives you cheer.
I only ever want the best
for my Angel I hold so dear,
feel me with you as time passes
hand in hand my arms
around you as I
whisper in your ear
all my love and sharing
all my secrets.
I give them up to you
because I trust and
love you more than
you can ever know.
I miss you deeply my sweet lady.

I hope this day is
as beautiful as you,
that would make it a
glowing day and
so rarely exquisite.
Feel the sun and be
filled with cheer seeing
my loving smile directed at you.
Be filled with strength
and cheer knowing I
am dedicated and fighting for you.
I'm never giving up on
my only one,
I love you so very much
and I always will for all time.

Michael P. McParland

Night Note 32

Sitting here on this quiet night
playing games on my kindle
thinking of my one and only true love.
How beautiful she is and how much
I miss her sweet heart and soul,
her beautiful shining eyes and smile,
and just how badly I want to
kiss her and hold her in my arms forever.
I wonder does she know the depths of my love,
just how badly I miss her and
need her in my life forever?
Will she come back and talk to me
so we can solve everything
then begin our eternal journey
being proud, fulfilled, and happy?
Does she know that my heart
is in a million pieces without her
and there's no mending it until
she's back again?
Does she know I long to heal
her heart and be the greatest
man alive for her?
I hope and pray each and every day
for her return and her
happiness which she deserves.

Sitting here on this quiet night
about to return to one of
my various books.
All the while I think of her,
I'm sending all my love and warmth,
praying she knows I'm there
with her hand in hand and in my arms.
The greatest woman and Angel
Gods ever created and given to
both heaven and earth,
a blessing truly in my life.
Back to my books, games,
and movies where in everything

I see her brilliant face.
How I long to have her next to me.
I love you Kira with everything I am,
it is immense and you are
everything and all that I want
my sexy lady and Angel Queen.

Michael P. McParland

A Prayer For Tonight 2

God once again I come before you
to ask of these blessings for my love
and for me as well.
Her happiness and safety matter to
me most of all and that is my concern.

Please be with her and give her peace of heart,
peace of mind, peace of soul,
please help her to know she's truly loved
and will never be alone.
Help her to always know that I am here.

Dear God please always protect her in every way,
keep her safe from harm physically, mentally,
and most highly emotionally too.
I can't stand to see her in pain,
it breaks my heart to know she hurts
please put those pains on me.

Dear God please help her to know and always feel
that I am by her side all the time in every way.
Help her to feel my hand in hers and in my arms
tightly wrapped around pulling her close in.
Dear God please help her to know the immensity
of my undying everlasting love,
help her to know I'm never leaving and I'm commited to her.

Dear God help her to know that I've commited
to only her within my immortal soul,
that I'll never look for or have another it is only her.
Please help her to know I'm hers alone and
that's the way I want it because she's a blessing
and an Angel in my life from you.

Dear God please just help heal her of all her pains,
let me carry them if anyone must do it and needs be.
Make it so she's the happiest woman on this earth,
to see her smile and joyusly laughing is the greatest gift.

Dear God again please help her to know of both our love
and feel our loving strength,
help her that she'll know the truth I hold and
please help bring her back to me.
I love her deeply and she is the one whose hand I wish to have,
I want to spend eternity with my beautiful gorgeous Angel Queen.

Amen.

Michael P. McParland

Goodnight Kira My Precious Queen

Goodnight Kira my precious Queen
you mean so very much to me.
I love and miss you deeply and no it
doesn't get easier at any point my lover.
It keeps getting harder and harder to

along with great big kisses and hugs to fill
you up with contented peace feeling reassured of my love.

be left in peace from everything just you and me.
Next to a beautiful river in a field of flowers,
laying on a blanket under a tall majestic tree
holding each other in an embrace of true lovers.
In the land of dreams just you and me.

Goodnight Kira my precious Queen,
never forget that I'm with you always everywhere hand in hand,
I'm smiling brightly at you squeezing you tight within my arms.
Be at peace and feel my strength around you now,
I love you deeply my best friend,

it's only you and I'd rather be alone than have
another woman in my arms.
Sleep well and God bless you with the sweetest dreams,
I love you Kira through all time I just want it
to be you and me through eternity my Angel Queen.

Michael P. McParland

Night Note 31

Sitting here reading a bit and
in a few minutes I'm going to
watch the German film on
Falcos life for the second time.
First though I wanted to let
you know I'm sending all
my warmth and love and am
right there holding you
close to me hand in hand
where I will spend my life forevermore.

I love you dearly

Angel Queen I so adore.

Michael P. McParland

My Dream 2

My dream is to spend eternity by you,
hand in hand against the world with my lady.
Sweet sweet Kira my Angel Queen is the one
of whom I dream and I long to bask in the
glory she brings and beams.

As I sit here very tired now missing you so much,
I dream of us with our future family in a
beautiful country house.
Filled with the love and beauty that only we
can create and share.
I dream of us with the perfect future my darling dear.

My dream sweet one is to just be with you
and in each others arms sharing our future
which if all alone is very dim,
but as I dream it with you my one it's bright
and fruitful as we both need and want.
I love you Kira and my dream is to be with you,
you're my only one and sweetest girl.

Michael P. McParland

Evening Note 15

and with this big kiss
I say I love you deeply
Kira of my greatest dreams.

Michael P. McParland

Love Note 82

Awake at last sweet Angel of my dreams.
Just got up 10 minutes ago
and am trying to eat
something around the
very painful sores in my mouth.
A quick hello to
my lady love right now
and I'll write you a
whole lot more as the night goes.
First though as I get
up and I get going I wanted
to let my lady know
I love her tons and am
forever holding on to her.

Michael P. McParland

Love Note 81

Hello sweet lady I
haven't yet been able to sleep,
and I wanted to drop in
and say you're truly so great,
I love you dearly and not
a day goes by where I don't
look to the sky and say
I love you Kira where ever
you may be,
I hope that you're well and the sun's
shining on you filling you with warmth.
I'm sending you every bit of my loving warmth,
I'm right there beside
you today as I am everyday,
holding your hand wrapping
you up in my arms to assure
you that you're not alone.
That I'll be with you forever,
you're my lady and Angel,
my universe and everything.

I'll be here forever waiting
for you with wide open arms,
my heart has always been open
and it will remain that way forever.
I'll never give myself to another
because in spirit I've already
given myself in whole.
So on this side as well I will
remain faithful to my only one.
The woman I'm meant for and
will never get past or over,
you're my best friend and soul mate
and I wouldn't have it any other way.

I must truly lay down and
close my eyes until I fall asleep,
a long slumber is needed and I
expect right ahead,

I'll let you know as soon as
I emerge from its depths.
Never worry or fear that I've
given up or left.
I'll never walk out on you
my sweet Angel dove.
I truly love and miss you so much,
please don't doubt the immense
amount of love and dedication I hold.
You truly are the woman I want to
be with for eternity sharing
everything both sides have to offer.

Michael P. McParland

Happy And Proud (My Love Kira)

I just want to make you happy and proud,
I love you sweet lady if you only knew how much.
I die a little more inside each day
that you're gone and mad at me.
I just want to make things right between us.
I hurt immensely too and have almost
lost my mind and taken other steps.
I just want to make you happy and proud,
I'd give you the world if I could.
I just want to share my world with you forever.
I've tried to reach out before but you pushed me away,
I'm scared, confused, and lost I don't know what to do.

I just know I love you and want to make you happy and proud,
and I feel like a failure because I always let you down.

Michael P. McParland

You May Not Believe Me

You may not believe me but
I treasure you deeply and love
you forever no matter what.
You don't know the immense feelings
I hold in my heart.

You may not believe me but
you'll always be my Angel and
the bearer of my heart.
I love you more than you will ever know,
and I'll always love you no matter what.

Michael P. McParland

Off To Bed 2

Off to bed I go with a heart
screaming in pain.
Tears again staining my pillow,
I am trying my best and don't know
what to do I'm confused and lost.
I just look at her picture and know
I'll never give up.
I just feel so broken inside and
I know the answer to fix it all,
I just don't know the equation
that gets me there.

Off to bed my heart
bursting with sorrow and fear
that she'll just disappear,
I'm going to just hide under the
covers and silently shed
these tears of lonely pain and fear.
Where no one can see me or hear,
off to bed where I'll just weep
until I drift away to sleep.

Michael P. McParland

Come And Sleep Beside Me

Sweet lady I need to lay down for
another long stretch of sleep.
I'm exhausted and beaten from being up
for countless hours along with the
many things weighing on my heart and mind.

So please come sleep beside me and help
all of these things drift away as we hold
each other forgetting the world and just
losing ourselves in our love and a world we'll
create together where we can escape and feel peace,
being safe together just snuggling, talking,
always sharing our many hopes and dreams.
A place for just you and me.
Come crawl into bed and sleep beside me.

I want nothing more than to begin and end every day
being in bed with you there in my arms knowing
you're never leaving because you're my wife and Angel.
Tonight will you grant me this early gift and come sleep beside me?
Chasing away the nightmares and coldness,
filling each other with comfort and peace
only provided by true lovers.

I'm sending you all my loving warmth and I can feel you as well,
but still I ask if you'll come sleep beside me with a
tight embrace of each other reassuring and fulfilling
that inner need of company and contact with the one you so cherish.

I love you sweet Kira and need you,
you mean more to me than you can possibly know.
So I ask you from the core of my loving soul.
Will you come sleep beside me where we will both feel better?
Our hearts beating as one healing in harmony a
s we both want and need,
finding our future right around the bend before us.

Michael P. McParland

Quiet Night 2

Sitting here exhausted and intensely tired,
longing and and aching for
you my sweet darling.
I hope you are sleeping well
having the sweetest of dreams.
Where I am holding you and
giving you deep peace and comfort,
where we can just be together away
from the world and it's cold demeanor.
I love and miss you so much
I just want you here by my
side to share our deep loving warmth
feeling complete in each others arms.

Feel me right next to you and
know that I truly deeply love you,
don't feel cold or alone because
you're not I will not make you
take on the world just as one.
I am here for you my sweet Angel so dear,
I'm looking out for you always.

Sitting here so tired on
this quiet lonely night.
I miss you so much and need you here,
you truly give me peace and fill me with love.
All I can really say is that you
fulfill me and I love you completely
in my heart, mind, body, and soul.
You are everything I need and want.
You're my sweet Angel dove.

Michael P. McParland

Goodnight My Sweet Angel

holding you close telling you I love you and

That I want and need you to come back so I can

look into your eyes as I caress you and then
passionately kiss you fulfilling us both with the
satisfaction of finally getting that longed for dream.
The beginning of a long awesome journey just you and me.

Tonight though with you in spirit and in the land of dreams,
where I just want to hold you and fulfill our needs
that ache so very deep helping us heal and be at peace,
giving us strength for everything that is ahead.
God willing soon we'll be together again,
but in the land of dreams on this night holding each other
our hearts and spirits healing as they touch one another.
A time for us to just lay down and rest feeling content.

my love and warmth along with great big kisses and hugs.
I'm holding you tight kissing you deeply telling you
I miss you so very much and I need you back.

because I love you my dear and we'll find our way back together,
sealing our bond entering our union into eternity,
we'll live in joy feeling complete having each other again.

Michael P. McParland

Night Note 30

How are you doing my love?
My internet was on the fritz
so that's why I disappeared for a bit.
I hope you're okay and not feeling
lonely or upset.
Just feel my arms around you
surrounded by my love and warmth,
I'll always be there for my lady fair.

I hope that your day went well,
that you kept warm inside with
peaceful thoughts of you and me,
your memory and spirit is
what got me through this aching day.
Once again my Queen has saved me
and I can't thank you enough
my sweet Angel dove.
You truly cheer me up and
bring joy overflowing to my heart.
You are the picture of the
perfect woman in my book.

I'll soon send you my
sweet goodnight wishes,
for now though I wanted to
let you know what was keeping
me from writing for you,
and tell you once again my
dear Queen.
I love you so much you're
the crown jewel of my heart,
the apple of my eye,
a true peach that I just want
gobble up with my love.

ILYF and ever KP

Michael P. McParland

Love Note 80

Fast approaching evening my lady
and I'm hoping your day
was bright and happy.
Remembering and thinking of
my loving smile,
I hope it filled you with
warmth, comfort, and peace,
feeling me there with you
holding you close.
I thought of you and
your great big beautiful smile,
it filled me with light
giving me a big smile as well.
You my sweet lady are the
Angel who makes the world turn.

Yet my heart aches so bad
twisting around in sad pain,
I miss you so much and
long for you to be here.
I just wish we could talk
and clear the air,
then just catch up with
each other finding out how
we are and where we've been.
Our many adventures and happenings
no matter how exciting or dull.
Once again hearing our voices
losing track of time,
laughing and exploring
various things we would stumble upon.
I miss you so much
my sweet Angel dove and
it hurts so much you not being here.

I'll be thinking of you
this evening as I try to
keep myself busy.
Once again with movies and

tedious tasks,
also some reading I
have gotten behind and
want to do that.
I'll be wishing and longing
for you to be here
sitting with me as I
go about doing these various things.
Just having you around
is a blessing I want and need,
you bring such joy with
your big heart and loving spirit.
Please come back soon
my sweet love and we'll hold
each other never letting go
in endless joy taking strength from our bond.

I love you deeply and
I feel so empty
it's painful not having
you here at my side my
treasured precious Angel.
You are the one I want to
give my whole life and all of my love,
for you are my lady that I've
loved for 16 years since
I was 15.
I know you're my soul mate
and I love you so dearly,
Kira you are my lady and
Angel who completes me.

Michael P. McParland

Thought About You 2

I was out and about doing my shopping
and all the while I thought about you my one and only.
I saw couples together alone and with families
and all I could think was I wish that was us
just spending time as we did our chores both in
the house and having to go out.
I thought about you and how much I love you and miss you.

While I was shopping I looked at food that I knew
I could make us a wonderful meal for a perfect night,
just sitting there with each other enjoying good food
one of the greatest ways to spend time with a lover.
To cook for you would be a great honor.
Then after we could just leisurely clean
then sit on the couch in peaceful quiet and cuddle.

I thought of you and our brilliant bright future,
always standing up and beside one another.
Going hand in hand about our days whatever the adventure,
holding my dear lady as the Angel she is whispering sweet nothings.
I thought about you the whole time because I love you
and want you to be with me forever.

Michael P. McParland

Love Note 79

Good afternoon my only one
I hope your day so far has been good.
I'm about to head out
the door to finally
finish up some chores
and before I go I wanted
to tell you I love you.
I'll be thinking of you
the whole time
wishing you were with me.
I'll feel your presence though
and that means a lot
my sweet darling.

Continue to feel me
holding you close,
my arms around you as
I hold your hand.
One day soon I know
we'll be together forevermore.
You are the only woman
I'll ever adore.

So as I get ready
to head out the door
I want you to know I'm
thinking of you and you're
always in my prayers.
I love you sweet lady
my Angel so true.
May God bless you always
my sweet Angel dove.

Michael P. McParland

of the greatest woman alive,

Michael P. McParland

Please Be With Me

Come and join me dear and we'll hold each other so close,
please be with me forever my sweet lady I love.
I want to be with you and share my whole life,
something I won't do with another soul in this world.
I only trust you to see behind these walls of defense.

Come hold my hand and spend eternity with me,
we will live in bliss being content and filled with peace.

Love Note 78

Good morning darling
I hope you slept well,
I've been thinking of you all night
longing for you wishing
you were here.
You make me smile with your
heart of gold and sweet soul,
but my heart aches because
you're not here for me
to enjoy it.
I feel your love though
and I know you're here
with me in spirit.
Just as I'm with you
always holding your hand,
wrapped in my arms saying
I love you.

Have a good day my only one,
I'll be thinking of you
and in spirit walking along
right by your side.
I miss you so much sometimes
I just break down and cry.
You mean so much to me
my sweet lady and Angel.
Without you here I'm half empty
and far from complete,
you are the woman who fills me up,
you are a treasure that
can't be equaled and I'll
never give up.

May the sun shine upon you
on this winter day,
just close your eyes and be
warmed thinking of me.
Remember my smile I showed
to you so lovingly,

imagine our kiss that will come
I promise you my sweet lady.
I love you so much and want
you to be happy.
Smile for me today knowing
it will make me smile and
give my heart a peaceful
feeling knowing you're
sending your strength and

that you need the contact for peace and strength as well,
reach out and grab my hand so we can comfort each other.

Michael P. McParland

Morning Note 16

Another day is upon us
and for me the sun rises on you,
you're the reason it shines
and feels so cozy and warm.
I'll be with you all day
with a big smile on my face,
you smile for me too
you beautiful lady you.
Close your eyes and see me there,
feel the big kiss I'm giving you
as I slip my hand into yours

I Cry (For You)

I cry for you my dear because I know how much
you hurt and how lonely you feel.
I know that there is so much stored inside you
and that much has happened from others
abusing, humiliating, and degrading you.
I cry for all the pain and loneliness you feel.

I cry for you dear because though I don't
know specifics of what has happened
I know that it's there and the pain that you feel
is immense, great in size and for you I feel sick.
I cry and feel anger against those others who hurt you,
I wish I could have been there to punish them and save you.
I'm so sorry I couldn't stop them from harming my loved one.

I cry because you feel abandoned and lonely,
believeing there's no one you can reach out to.
I promise you though that I am right here
and I am with you holding your hand always.
I cry because I don't want you to face life all alone.
You are my lady and I am here for you through eternity.

I cry for you because of the fights which we've had
and the words I have said that hurt you so bad,
I cry because I know they cut you and for that I hate myself.
I love you so much and I hate to see you crying
feeling so low having been hurt at all
but especially by your man.
I cry for you in sorrow because I want to see you happy
and would take it all back.

I cry for you Kira because I know others have hurt you so very badly,
because you believe you're alone though I assure you you're not.
Please come and share with me all your tribulations and trials,
let me hold you till you are done crying,
let me help you get through it healing your
heart and your soul hand in hand together.
Please let me show you that you're worth more than all
those jerks put together for I'll treat you like

you've always deserved my beautiful lady.
As the gorgeous Angel Queen that you are.

I cry for you because of all that you've
gotten in life and you deserve so much better.
So come take my hand and together step into the promised land.
I love you sweet Kira for you are my lady,
and I want to give you the love that you need
and show you that you truly are a precious rare treasure.

Will You 4?

Will you ever come back and talk to me my love?
Will you hold me and let me tell you my lifes story?
Maybe then you can understand so
many things so much better,
I'm not making excuses just
trying to bring understanding to my lover.

Will you ever come back and take down your walls?
Will you tell me everything about you life and so much more?
I want and need to know everything about you as well,
I know this isn't just about me and I never felt that way.
You would never fully open up either and that
hurt me just as much.
We both need to drop our walls of self defense.

I love you sweet lady do you know how much?
Will you ever realize you're my life and I need my only one?
Will you come and talk to me so I can explain
and apologize like I know we both need in our souls?
Do you realize how much I torture myself every day for my wrongs?
I love you my Angel you're my hopes, my light and my Queen.

Will you ever come talk to me so we can share our whole lives?
Will you ever forgive me like I hope and pray?

Night Note 27

Sitting here trying to
occupy my tired mind and
thinking about you all the while.
I long to have you here in my arms
curled up in bed your head
resting upon my chest,
you listening to my heart beat.
Knowing it beats just for
you and is singing the
greatest love songs in the universe.
I ache so badly to
just have you in my arms as we drift off.
I wish you could feel just
what I feel inside because I
want and need to share with you
everything I hold and do not hide
but can't adequately express and describe.

Sitting here in bed and wishing
you were here by my side to
just lay next to and hear you breathe.
Know you're here forevermore and never leaving,
feeling pride in my beautiful lady.
You are the Angel for whom I'm waiting.
I'll be here dreaming until you return,
with an open heart and open arms
I'll meet you with tears of joy
down my face streaming.
I won't be able to say a word,
because I'll be to overcome with
a flood of emotions tying my tongue.
When I can though I'll say I love you
sweet lady Kira of my dreams,
I've missed you so much but now
you're here and my heart sings.

Michael P. McParland

A Gift For You (My Heart)

I have here for you the greatest gift I could ever
give to anyone and Kira I choose to give it to you.
My heart is yours and I want you to hold it forevermore,

want you to have as it's keeper for you are the reason it keeps on beating.

Only one other gift can be more sacred and I
will save that for only you as well,
but here now and always I present to you this
gift that is my heart for I love you so
and for eternity it's yours to have.
You are the one I choose because I can't imagine
another ever even touching it in anywhere near the same manner.
You are so far above the rest,
a special Angel to whom I kneel before with this precious gift.

I give to you the greatest gift I could ever give,
my heart and you know how protected it has been,
so please treasure it and be delicate.
You are the only person for whom the defenses have been taken down,
you are the crown jewel and northern star of this very heart.
A gift to you I give so very proud.

I love you Kira and my heart is yours to have and yours alone,
you know what defenses have surrounded and glimpsed the
many wounds that have fell upon it.
Now I drop these walls of protection and give to you
this gift of pure trust and being fully open.
It's a gift so rare and one I give to my lady fair,
because I love you dearly and I trust you deeply in every way.

A Prayer For Tonight

I come to you God on this night
to offer a prayer of peace and ask for
you to help give my love your comfort
and be filled with strength so profound,
and to help her to know the truth of
all the love I feel.

God please watch over her and continue to
help her know she's not alone.
That she's so deeply loved and that at
a moments notice in need of anything
I'm right here to answer her call for help.
Give her peace to know she's not all alone in the least.

God please help her to know the truth and depth
of my everlasting love and dedication,
that I would not lie about such things or try to
hurt her for some reason beyond our comprehension.
Please bless her with the peace of mind and true
knowledge that what I hold inside is pure and solid.
Help her to know I walk along with her everyday
in spirit by her side,
that I'll never leave her broken and abandoned like a
toy I'm bored with after a little while.
Help her to know I treasure her in every way for
just who she is my Kira from heaven and my best friend.

God please be with her and clear her body of all its pain,
she does not deserve such suffering.
She deserves a perfect body with no sickness or maladies,
she's a gorgeous loving woman who deserves the greatest things.
Let me carry her heavy burdens so she can be happy
doing everything she's ever wanted.
I would give my life to make her whole and happy.

God please just be with her and give her endless peace,
she deserves pure contentment and happiness with no sadness,
please give her full release of these things that cling to her.
I love her very much and to see her smile is the greatest

thing I can imagine when her soul is filled with joy and contentment unmatched.
God please help her find everything she wants and once again
on my behalf please have her know the truth of my immense
and undying love for her the one I want to be with forevermore.

Come Rest 5

Come climb into bed with me my love
and lets rest holding each other
tightly in our loving arms.
Just put your head upon my chest,
you know I love Mozart and Chopin,
we'll put on their music and be soothed
with each other and their beauty hand in hand.

Come rest with me and let us find
peace and ease with each other in my bed,
come let me hold you and heal your heart.
You mean so much to me and your pain
makes me want to cry.
I need to comfort you and see that smile,
come and listen to the music while I
comfort you in my loving warmth and
reassure you that I'm here, I love you,
and I'm never leaving.

Come into my open arms and let us climb
into bed to rest.
Let me hold you tight forevermore.
I love you Kira you are the woman I
truly and eternally adore.

Beautiful Days 2

I dream of and long for beautiful days with you.
I could spend hours on end just smiling and staring
getting lost in your angelic eyes,
mesmerized by their magic glow which pulls me in,
melts my heart with the loving delicate soul I see within.

Beautiful days where I could just sit there talking with
you as the hours slip away,
just drifting off to heaven with the sound of your beautiful voice.
Finally hearing all the stories of your life, every hope and dream
you've held, all the people and things you love.
Something I've longed for and wanted for years and needed too.

Beautiful days just holding hands in each others arms,
sitting in silence while our hearts and spirits speak and heal.
Quality time with my lady who I want to spend eternity with,
the lady of my sweetest dreams and Angel that's blessed
me with her heart of gold and love supreme.
Beautiful days just you and me.

I love you Kira and my dreams are beautiful days
just spent with you in endless time.
I hope to show you just how much I love and need you
through deep talking and my actions giving you my best
and my everything and all.

to defeat those things which try to pull us apart at the seams.

of beauty spent with you hand in hand and by your side.

like a murderer that belongs on death row.

Please just let me express my sorrow and remourse,
tell you how sorry I am that I was so coarse.

Quiet Night

Quiet Night and I've not yet slept,
a bit of food on my stomach to calm
the empty pit that is grumbling.
Then lay my head down thinking of you.

It's a quiet night full of tired aching and longing,
wishing there was a way I could tell you
how much I love you and miss you.
Just have a way to share everything that's
happened since we last talked in May.

A quiet night of hopes and prayers,
as of yet no sleep but I'm almost there.
I'll be thinking of you holding you
in spirit so you'll feel all of my loving warmth.
I love you so much listen closely on this
quiet night so you can hear me tell you
I love you and I'm by your side forever.

Michael P. McParland

I hope and wish for a dream with you
my sweet lady coming to visit.
To hold me close and hold me dear,
to fill me with warmth through your
kind loving heart and spirit.
To have your shoulder to cry on and
release all this aching sadness.
A dream where you just kiss me and hold me,
give reassurance that everything
is okay and we'll find our way back together.
A dream I hope and wish for in which
your arms are around me giving such
peace and endless comfort.
Where we can tell each other I love you
and I'm here with you hand in hand forever.

I want to hold you so tightly
and kiss you passionately,
caress your cheek while I look
into your eyes and tell you it's alright.
I'm right here with you always
and I'll never leave you,
I would not hurt and abandon you
breaking your heart into a million pieces.
I love you so much my Queen and my Angel.
My heart beats for you and
it's yours for eternity.
Without you it would cease beating,
no longer having a reason to go on living.
You are my everything,
a true gift and blessing God given
by sending you into my life.
My heart and soul sing for my
Angel Bride.

Thinking, longing, and aching
for you on this late afternoon.
I'm sending you all of my love
and my warmth to fill you with peace
and endless strength.
You are an inspiration to me
my best friend.
I'm there with you always your
hand in mine.
I'll hold you forever sweet lady divine,
I love you so much and
my heart calls to you.
I can't wait for you to be here
I'll hold you forever my

true Angel of light that
fills me up.

What More Can A Man Ask For?

What more can a man ask for and have
in a time of great need and support?
The woman he loves most and more than anything.
Her smile and encouragement will pick you back up,
give you the courage and reassure you that
you're still worthwhile and can conquer it all.
What more can a man need in times of despair?
His woman supporting him cheering him on is
the greatest gift of all.

What could a man ever need more than words
of support and encouragement from the woman he needs?
Just a hug and a kiss from her to get him going again.
A supportive woman can drive a man to achieve greater things,
I don't need anything but the love and support
of my sweet lady from heaven above.

What more could a real man ask for and hope
than a kind loving woman who supports him in droves?
It is a true gift and support to have a lady
who gives you endless unconditional love.
What more does a man need than the embrace of
the woman he truly holds in his heart?

What more could I want than my sweet Angel dove?
Not a thing because she supports me and loves me to no end,
she believes in me and loves me for the man I truly am.
She gives me encouragement, hope, endless love and support.
What more could I ask for than my sweet sweet Kira?
Nothing I say because I truly love her completely
so very much and she supports me and encourages me
no matter what.

Dull Aching Day

It's a dull day and I ache
for you so very much,
my heart is hurting wanting you.
I know that our day will come
but right now my heart aches and swells
with need to have you near.

Reach out and touch my hand let's
help comfort each other knowing and
feeling the loving warmth we both feel and send.
I'm longing and aching today so very bad.

It's a dull day with time passing so slow,
as I sit here and ache for my only one.
I long to cuddle and bury my face in your shoulder,
hide from the world in your loving comfort.
I miss you so much and I need you in my life.
A dull day with nothing that takes my mind away
from the stresses of life,
only you could ease my mind of that guff.

I feel your love as I pray you feel mine
but I wish so very much that you were here by my side.
It feels empty without you a giant hole in this space,
I ache so badly my sweet Angel of grace.
You fill me up and fulfill me completely
I love you so much my soul mate I ache without you so badly.

Michael P. McParland

Come Warm Yourself

Come my dear lady and warm yourself up,
let me hold you close and chase away
any feelings and fears of lonely cold,
come warm yourself in my arms being wrapped
in my love soothing your heart and giving it cheer.

Come here my darling and I'll hold you so tight,
you can cry if you need and cry till your tears run out.
Release to me all of your tension and pain,
help me to know all your fears so I can chase them away.
Let me hold you and warm you with everything that I am,
I'll do anything to make you happy and see you smile.

Come cozy up and warm yourself against me,
I'm pulling you in tight and holding your hand
to reassure you I'm here forever you're my only one.
I love you sweet lady I'll help keep you warm,

Come let me hold you tight and warm my sweet Angel up.

Dreaming

Dreaming of you here in my arms,
no talking, no music, no background noise,
just us sitting here in silence you in my arms.
As we just enjoy being together sharing
and feeling all the love we hold so tender.
Not a spoken word needed because we know
what the other is thinking.

I'm dreaming of the beautiful moment as we just
sit there relaxing holding each other
while in shared thoughts lightly drifting.
Feeling complete in surrounding comfort and peace
knowing that our future together is just beggining.
An adventure of love so true and exciting.

I'm dreaming of you and all of the things
I want to do with you and for you,
show my Angel and Queen just how much she truly means,
giving you everything you want and need.
I'm dreaming of you and all the beauty you hold.

I'm dreaming of our time together,
all that we'll share and that we'll treasure,
enjoying it all because we'll be together.
I'm dreaming of you my beautiful woman.
I love you so deeply and can't for your arrival,
for only then will my life truly begin.

Michael P. McParland

Just Hold My Hand

Just hold my hand right now though just in spirit,
take strength and peace from all the love that we feel.
It passes between us in the bond that we share,
just take hold of my hand and know that I'm there.
I'll never leave you alone in any way,
you are my Angel and I strive to be yours.

Take my hand and place it upon your aching heart,
just feel the soothing comfort and love
pass through too it and let calm and serenity surround.
Just take my hand and let us both feel secure
in sharing our love knowing our bond is safe and sound.

Feel my arms around you and these comforting kisses,
take strength from the warmth that passes between us.
I'll be yours forever I'm committed to you for eternity,
know in your heart as I do that our day will be coming.
I love you so much and I know you love me,
I will fight for you always so take
my hand now and be filled with peace.

Morning Note 15

Good morning my dear another
day lays before us,
it's the weekend and I hope for you
it will be relaxing and peaceful.
I wish I could spend it with you,
the whole time in bed just
wrapped in each others arms.
I'll be with you in spirit holding
your hand but I wish it were
in person to feel your body next to me.
With great big kisses and as tight hug
let's start this day my sweet lady
we'll talk more as the day goes.
I love you so much and I'm
feeling your love everywhere that I go,
I thank you and am sending my all.

Night Note 23

Thinking of you on this cold winter night
hoping you're okay and everything is alright.
Sending all of my warmth and my love
so you can wrap up in its peace
and know that you're never alone,
that I'm always with you
through everything no matter the time.
I'm right by your side through
thick and thin.

Lonely Night Longing

A lonely night longing and
aching deeply for you,
my heart hurts and I don't know what to do.
I miss you so much and would
give everything to have you here,
at least if we could talk that
would help soothe.

I'm lonely and aching so bad
on this cold Minnesota winter night,
I wish you were here to help warm
each other up.
In a tight embrace surrounded in love
we'd be filled with peace and strength
we both deeply need and crave.

A lonely night and all I want
is you by my side,
to snuggle and kiss knowing everything
is alright.
I miss you sweet lady you're
everything that I need and
I want nothing else just your
hand in mine holding each other ever so tight.

I know you're present in spirit as I am with you,
but nothing compares to having you here.
I love you so much and pray for our day,
that it come soon so we can heal and

Night Note 22

Thoughts of my love dancing
and singing beautifully in my head,
making me smile still and
it feels so good.
Missing her greatly but
feeling her love.
I know that she's here
in spirit and mind and
eventually in person.
She makes me smile and I'll
have worked hard and be ready.
She's very special and
the greatest,
One day it's her I'm going to marry.

Tonight I'm smiling and
glowing big over her.
She gives me hope and great joy,
gives me reason to live.
I can't wait for her to be here

Not A Day For Writing

Today is not a day for writing,
I'm in too much pain to use the pen.
The words are chocked with
hurt and tears and I just want to
sleep this painful day away.
It's not one for writing,
it's just one for crying.

Michael P. McParland

Exausted and weary sweet lady
and am laying down to sleep,

Michael P. McParland

Kira (Reaching Out)

Kira I love you and miss you,
I hope that you realize and
know how much sorrow I hold for
all that went wrong.
To ever know that I caused you to hurt
and to cry from any actions of mine
rips at my soul because you
are the one I love more than
anything else,
and to know I caused tears makes me feel like
a loser and criminal for leaving such scars.
I love and miss you so much
and I have volumes I hope
to share.

Kira it's been you from the start
without a doubt.
Everything about you makes
my heart, soul, body and mind shout
with a joy that I cannot describe.
It's vibrant and courses through
every vein all that you bring.
I just want you to know these things.
You are so beautiful and magnificent
in every word and deed to me.
It's not sweet talk or jive when I
call you an Angel and a Queen.
Your spirit shines forth in brilliant light to me.
You are my best friend and the lady
I share a bond with that can't be explained,
and I'm thanful for it and rejoice in every way.

Kira my love and sweet angel dove,
feel all of my love everyday and
everywhere that you go,
for you know that I'm with you
holding your hand.
My heart is yours forevermore
and I'll never leave you alone

out in the cold.
For you're truly the one and
with you I am so truly, deeply,
madly in love.
My peace and strength with you always,
I know that our time is coming.

Michael P. McParland

Longing Night

I'm aching badly on this night,
I just want to see you and hold your hand,
lay in bed and cuddle till we drift
away to blissful sleep.
Feeling peace in purity because
I'll have you and you'll have me.

I miss you so and very much,
it all feels so empty without you my dear.
I long for you to join me and
just be here with me.
No more empty spaces inside of me.

I ache and long for you tonight,
even if I could talk to you it
would make things feel somewhat alright.
At least I'd have your messages to read
over and over time and time again.
I miss you love and ache for you so bad.

It's a tough night of aching and missing you,
I do feel your love surrounding and filling me
and that helps very much.
I appreciate and thank all you do for me.
Still I long to have you here holding me,
seeing your smile and hearing your voice.
I love you babe I so dearly long for you
to be with me.

Michael P. McParland

Michael P. McParland

Love Note 62

Thoughts of my love running
along in my head,
the sweetest lady of time,
a true treasure and diamond that
shines so bright and so strong,
she lights a beautiful path
for us to follow along.

Thoughts of my love running
along in my head,
the sweetest lady of time
I love her so much,
I hope to spend eternity with her.

Michael P. McParland

Longing For You 2

I'm longing for you to be here
and just be near me to feel
the comfort of your loving spirit.
Feeling very alone and miss you
each second more and more.
I'm longing for you sweet one
I love you so much.

Michael P. McParland

Love Note 61

My dear what I wouldn't
give to have you here
just sitting and talking
spending quality time.
I think of you always,
and my loving warmth goes
out to you now as ever.
Hand in hand I am there
and with a big kiss on the lips
to say I love you.
Let you know you're the
greatest of all time.

A quick note of love
to tell my sweet Angel dove
that I love and miss you
so very much.
My heart to yours in
union with our everlating bond.
You are the Angel Queen
of which I dream and hope
to marry some day,
and with eternity spend.

Michael P. McParland

A Beautiful Day (With You)

I dream of a beautiful day with you,
walking hand in hand in the park
along the duck pond.
Just enjoying your company as we stroll along,
feeling your love and your warmth next to me.

A beautiful day with you spent talking and laughing,
sharing our favorite things and why they're important,
telling stories reliving old times,
filling in the gaps of when contact was gone.
A beautiful day together just spending time.

A beautiful day with you just cuddling in bed,
no need for more just being close together
embracing each other hearts and souls mending together.
A beautiful day with you just having you
in my arms next to my body.

A beautiful day is any one I spend with you.
Hearing your voice and your laugh,
seeing your eyes and smile sparkle making
my heart beat a thousand miles an hour.
A beautiful day is one spent with you.

I love you so much and the days aren't as bright,
not having you here or talking makes things
dim and hazy in need of an Angels light.
I pray you'll return and see the truth in my eyes.
A beautiful lifetime with you is what I call a prize.

Michael P. McParland

Love Note 60

Good afternoon my dear Angel Kira,
I hope the sun is shining on you
giving you bright warmth and hope
along with all that I send
in droves coupled in love.
Hand in hand with you through all time.
You're in my thoughts and prayers
helping get me through this
time of sickness and giving me hope
and reason to fight on.
You are the best, the tops,
and my lady supreme.

I hope you are well today
and it is a beautiful one
just like you.
I hope you know just what you
mean to me and how deep.
Hearts in rhythym beating
in time as one.
I love you sweet Angel of mine
forevermore.

Michael P. McParland

The Fog Has Cleared

The fog has cleared and before me
you an Angel of light has appeared,
sweeping away the uncertainty that
had clouded my mind and my dreams from reality,
clearing the fog that chocked my spirit and heart.

Ahead of me now my Angel of light has
broken the mist that fogged up my sight,
to see brighter days not so far ahead.
She's given me reason to improve on the
faults that sank in during hazy depressions.
The Fog has cleared and her heart is the token.

I loved her forever but sight and hope were
lost for many reasons in a thick fog that
blocked all the light making so much dim and hazy.
I got lost and was broken the mist ripping
and tearing me gradually wearing far down.

Ahead of me now hand extended she beckons,
bringing me power and motivation through
kind and pure loving revelation.
Her spirit and heart have brightened and
rekindled a reason to go on and live.
My Queen and my Angel how you've moved the fog
and all darkness has lifted.

Then choice to rebuild as she before me reappeared
my Angel of light who I love so very much
broke the fog and destruction of my malaise ridden days,
Oh my Angel my Angel I love you so much and I thank you
for being a woman that is so kind and filled with love.

Michael P. McParland

Love Note 59

Closing my eyes and thinking of you,
wanted to tell you as I
catch another short round that
you are the lady I find grand,
a true gem and the apple of
my eye that no other person
can ever dream of taking your place.
You are the one and only
and I love you more than
a fat kid loves his candy.

I love you my dear,
may you feel all of it
and my warmth to your comfort,
filling you with all of its
strength and peace.
I am always there with you,
my hand in your hand I'll
always love you forever and ever.

Michael P. McParland

Your Warmth 3

For me your warmth and love is all
there is and all I want.
Being with you by my side is the
greatest thing that could happen.
Having you as my wife the greatest
honor I could possibly think or imagine.

I've always known spending everday day and night
hand in hand surrounded by your loving warmth
is the best thing that could ever happen to me.
You are beautiful in every fashion,
I want to spend my life holding and kissing
you in warmth my sweet lady.

Your warmth is my dream and desire,
being right next to you is how I wish to
start and end each day through eternities time.
If not by you I'd rather it be alone,
for you're the best and there is no other I want.
Having loved you my heart will not see another.
Only you now and only you forever.

Your warmth of love and kindness are what matters,
I want to be with you where there's a true bond
of love, respecet, and mutual desire.
It's your warmth I want because I love you truly
and you are so wonderful and special to me.

Michael P. McParland

Having You Here

Do you know deeply I miss you my only one?
I just wish you were here to hold and
talk with all night long.
Going where ever as we drifted in our minds,
we would just talk about anything as we always did.

Having you here would make things so bright and happy,
just to hold hands and be with each other would
be the greatest and most pleasent thing.
To gaze into each others eyes speaking a million
things without one word.
That would fulfill me in so many ways.

You being here would make things seems more bareable
because at the end of all things you'd still be here.
To talk to and laugh, cry if needed,
just you being here would brighten it all
because it's you who would be here.

I love you so much and you make me smile,
you're the love of my life and all time,
just having you around always made things brighter with hope.
I thank you for all and wish you were here to
just snuggle and talk to.

Michael P. McParland

Resting Thoughts

Laying here resting thinking of you,
you make me smile and fill me with love.
I really miss everything about us,
you are so truly special and the
only woman I'll ever love.

Laying here resting and going to sleep,
I'm thinking of you my sweet lady
and holding you tight.
I wish you were here and that we could talk,
but I feel you in spirit and that feels so good.

I'm laying here resting and you're
all of my thoughts.
It's you that relaxes me my Angel of light.
I love you so much you give me peace
and help keep me calm.
I'm holding you tight my sweet lady,
now together lets smile and rest.

Michael P. McParland

Goodnight My Love 2

Goodnight my love and sweet one,
I hope that all is well and your heart feels
all the love and strength I send.
You truly are most important to me and I
will always be here for my Angel Queen.

I'm sending all my warmth and love to wrap you up
and keep you warm from the cold so you'll
know that you're not alone.
Right along are those hugs and kisses that I
give endlessly to the one and only lady
that my heart loves, longs for and misses.

Goodnight my love I'm sticking close to you
I'm not going anywhere I promise you.
I'm pulling you in tight holding you so close,
a caress across your cheek and a deep kiss
to remind you how deeply passionate I feel.
To let you know it's alright and I'm always
with you no matter what,
so fear not you can sleep in peace I'll still
be here forever you and me.

Goodnight my love I'll see you in the land of dreams,
we'll just lay down and hold each other in a vast field
of wild flowers and a waterfall to back it all.
I'll just lay there and listen while you talk and
tell me everything you want and need.
I want to be here for you my dear,
beautiful times with the beautiful you.
I'll be waiting there and have it set when you get there.

So goodnight my love and get some good sleep
feel my arms around you and the many kisses.
I miss you dearly and can't wait to have you near me.
You are my Angel and guiding light,
I love you so very much and want you to know and realize
your great worth to me for I treasure you more than anything.

Michael P. McParland

Night Note 20

Another night is before us sweet love.
I hope your day was beautiful
just like you.
For then I know that it will have
been as wonderful as can be.
I'm with you arms wrapped around
tightly giving all my loving
warmth with a great big passionate
kiss to fill you with peace
and strength.
So you'll know you are truly loved
and that I am yours forevermore.
You are my exquisite woman that
no other has even come close to
or matched.
I can feel you here warming me
on this freezing Minnesota night
and filling me with loving peace.
Thank you dear you mean
everything to me.

I hope that soon we will
be spending these nights together
chasing away the terrible weather.
Just staying in reading books,
watching TV, listening to good music,
or best of all cuddling in bed.
Those are the times for which I live.
I hope that your night goes so well,
and I'll send my goodnight wishes
in a bit.
Never forget that I'm always there with you,
arms around you hand in hand,
never will I leave you I promise.

It's you that I think of when I lay down.
I think of you almost constantly all the time inbetween,
you are so special to me and I want you
to forever be with me facing each day.
My heart to yours forevermore.

For years when contact was lost for whatever reasons
it was you that I thought of and waited,
I always knew in my heart and my soul I always
truly loved you and wanted you remaining dedicated.
I'll never have another love it's you that's so special.
My heart to yours with pure love forevermore

I promise you I'll always be true and stick next to you.

I've promised I'll not leave or abandon,
I don't want to because I love you and am incomplete without you.
You fill me up with a reason and joy that words can't describe,
I just love you so much my Angel Queen of passion.
My heart to yours in purity and truth forevermore.

I would give everything that I have and I am
for you to always be happy and have not a worry,
I'd give my own life in sacrifice to take away all
of your pains and sadness making you the happiest.
You've faced so much you deserve only the greatest.
You are my best friend and I love you,
you are a hero and teacher and have given me more than you know.
My heart to yours forevermore.

Michael P. McParland

Love Note 58

Good afternoon my sweet lady
I love and miss so much.
How has your day been?
I hope that it went well and
most supreme.
I only ever want the best for you,
your happiness is the most
important thing I want.
You are a beautiful Angel
and I just miss you so very much.

I had a very very long sleep
with my classical on constant play.
It helped soothe and calm my
heart and nerves just like your love.
I felt you with me the entire time,
your love giving me peace and
the comfort that helped give me this
needed sleep.
I love you babe and thank you
for everything you give to
and do for me.
I'm still quite sick and as you
know extreme fatigue doesn't
pass in just one day,
but I'll get through with all
your love and I'm fighting along
to be good and strong for my only one.

I hope your day was great
and I miss you tons my Angel who
loves me as I do her.
I'm giving you my very best
and will continue to
sweet Angel of my sweetest dreams.
I'm with you always hand in hand,
never forget my promise for I
would never lie and hurt my Queen
I so adore.

I love you babe so please know that
I'm working hard in every way.
You are the one whos hand I want
to hold for eternity.
The greatest lady who's ever lived.

Michael P. McParland

Evening Note 7

Good evening dear I hope
that you are feeling well
and your day was great
in every way.
I've been resting a lot
recovering from this
sickness that's knocked me down,
listening to classical
music I so deeply love.

I miss you deeply and I
will not deny that I hurt a lot,
to an extreme that
makes my heart scream.
I love you so and am with
you always giving kisses and hugs,
wrapping you in peaceful warmth.
I know you're angry and don't
believe me but I treasure you deeply.

I'm worn out and exausted
from being sick and the emotions
that over power me.
I need to sleep.
Will you come and hold me,
just let me know you love me?
Just be here to bring peace and comfort?
I love and miss you darling one,
I'll be dreaming of you the
whole time.

Michael P. McParland

Love Note 57

About to lay down
for a bit more rest,
before I do though I
just wanted to say
I love you babe and
it's just pain and
tears without you near.
I'm sending all my love
and holding you in spirit
soul and mind for eternity.

Michael P. McParland

Love Note 56

Up for a bit to grab
a little food to eat.
While I'm up I wanted and
needed to tell you my lady
I love you and can't get enough
of who and all you are.
You're truly special to me
and that means everything.
Remember hand in hand I'm
with you every step all the way.
I'm with you in my arms right now.
Feel my loving warmth and go
about your day with peace at heart.
All my strength and spirit I send to you.

I love you Angel of my dreams
both waking and of sleeping.
I miss and want you so very much.
You are truly the most important
person in my life.
I'll love you through eternities time.

Michael P. McParland

Classical

In my deep sorrow it is my
classical music I escape into.
Deep brooding adagios of epic
emotion that are the soul.
Define it's deepest feelings
in every way.
Especially one that weeps
in more intricate ways than
can ever be understood or explained.

Into my classical music I now
release myself and cry
until I fall asleep.

Michael P. McParland

Please Touch My Hand

Please touch my hand sweet one
and let me know that you are there.
This pain right now is so intense,
with flowing tears I cannot describe how I feel.

Please touch my hand and help me
know that I'm not really all alone.
Please just touch my hand and sit
with this old soul holding him as
he cries these tears from the
depths of his very soul.

Please touch my hand and
help me to know that you are there.
I love you my beautiful lady,
a soul filled truth.
So stay with this old soul
and hold me as I weep these tears.

I truly love you my only one.

Michael P. McParland

Come Hold Me Close

Will you come hold me close
as I get some needed rest?
I want you dear as much
as I need you.
I just want to lay down
and cuddle while I sleep a little.

I love you so very much
and in your arms I find peace and comfort.
Come hold me close and hold me tight,
sharing and feeling our deep love and warmth,
wrap me up and let me know
that you are here.

Will you come hold me close as
I lay down for awhile and close my eyes?
Share a peaceful night with me
in each others longed for company?
I hope you will because I love you
and want to spend some very needed time.

Michael P. McParland

I Just Want And Need

I just want and need you here with me,
holding hands in each others arms as
we lay in bed or just sit on the couch.
When we go to the duck pond and just
sit watching and feeding them on the bench.
Your fun and loving personality and
presence are all I want and need.

I don't want you to take care of and
solve all my problems for me.
I just want and need your support
in those things which I lack the skill,
the knowledge and a boost in confidence
where I just lack the courage.
I only want the loving care and support
I know you hold and long to share.
I would never ask or expect you to
bare the burden of everything before us.

I just want to sit and talk like we used to
and still could and should.
I could talk to you about everything that
went through this strange mind of mine,
and you didn't mind and even liked as I would
babble on always branching off in a
million different ways forgetting where I
even started in the first place.
I miss our conversations filled with
mutual respect and admiration,
true love that always accepts and listens.
I only want and need those sort of things.

I want and need to be there when you
are in pain and feeling blue,
just to help and support you in everything we do.
I just want to be there as a comfort
and companion of true love so you'll
no longer feel lonely,
believing that you're on your own without

a helping hand and someone who cares.
I just want to show you that you are special
and so deeply dearly loved.
You need to know those things because you are
an Angel so rare and precious that so much would be
lost and empty on earth without you.
You are so truly dearly beautiful my love.

I just want and need the only woman whose
soul I am connected.
To be with through times both good and rough,
to always be there for and with each other.
The sort of love that lasts forever.
I just want and need the woman I
have unconditional love for without any expectations.
I just want and need her as the woman I fell in love with.
I only want and need you by my side no
terms of service expected or required,
just the pure love of the Angel in my waking dreams I behold.
Only her forevermore.

My dear Queen and sweet Angel dove,
I only want and need your understanding and love.
I only want to give you all I am and have,
experience together a life of true deep endless love.
I only want and need my only one who for
many years without wavering I have truly loved.

Michael P. McParland

Goodnight Sweet One 2

Goodnight sweet one I love you so very much,
I'm sending all my warmth and love to
give you peace and strength.
Right along are great big hugs and kisses,
I hope that they add some comfort and
reassure you of my undying everlasting love.

I'm right there holding you caressing
your gorgeous angelic face.
Whispering to you my love and all the ways
I'm going to show and prove it everyday.
In each others arms is the only way
to end the night.

Goodnight sweet one I truly want to
have you close to look at in the eye,
kiss and touch and enjoy you in full.
Truly get lost in each others sprits
and passions held back too long.
To be together as we go to bed is
the only way to drift to sleep.

Good night sweet one just feel that
soft loving caress across your face,
feel my arms holding you secure and safe.
I love you sweet one I so adore,
may you have the sweetest dreams befitting
those of an Angel and loving Queen.

Michael P. McParland

Night Note 19

I hope your day went
well my love.
I was with you all along,
believe it or not
I still love you and
I always will.
I hope you felt all my
surrounding warmth and love.
You're always on my mind
and in my prayers.
I treasure you sweet dear.

My anxiety improved a bit,
still up and down.
Bipolar is a constant
life long struggle.
So up and down at times
and here it was.
Still back and forth but
feeling your love and smile
helped make things better.
You've always been the key
for what makes me shine and smile.
I miss you tons my only one.

In a bit I'll wish
my goodnight,
right now just a note
to send my love.
My hand in yours forever,
I just love you deeply
and so very much.

Michael P. McParland

I've Never Given Up

I've never given up dear love
and I never will because I love you
deeply my lady fair.
Just because you cannot always see it
does not mean that I'm not working,
fighting doing everything I know
to be the best I can for you and me.

I've never given up can't you feel
all the love I have and how I've strived?
I could never give up even if I
wanted to and tried,
but I don't because you're the one I
want to hold forever.
I always give my best please believe me.

I've never given up for any reason,
you need to see there is still so very
much to explain and tell you.
Things I cannot tell now because you could
not understand until you're here to look at
in the eye and make sense of these
things and feelings I hold inside.
So much from this vantage point that would make no sense.

I love you more than ever and have never
given in at all my Angel I so treasure.
I'll not give up on you or us so please
don't lose your faith or give up on me.
I'm just a man and one who's filled with
pure unconditional love for a precious woman.
Who without her here is all alone and a mess.

I love you dear so please don't believe
or think I would ever give up on you and me.
I want this more than anything that you can think.
You complete me and fill my soul with
eternal radiant light and hope.
So please don't think I've quit,

and please don't give up on me sweet lady
because I love you more than you can ever know.

Michael P. McParland

Whatever, Whenever

Whatever you may want or need
you can reach out to me.
Whenever you need a helping hand
and a loving heart just reach out
by your side and grab my hand.
I'm always with you,
whatever or whenever there's a want
or need just call out to me
and I'll be there.

Whenever you feel there's a need for
some sort of help or support,
whatever it may be I'm by your side
forever without a doubt.
Just hold out your hand and I'll
take it so you'll know I'm always here.

Whatever, whenever you need an
ear and tender shoulder to let loose on,
never forget that I love you and won't
leave you abandoned feeling barren.
I'll be here for you whatever and
whenever you may need.

I don't ever want you to feel you
face the world alone without a love,
because I'm right here by your side
fighting with you all along.
Whatever and whenever you just need or want,
shout out to me I'm eternally by your side.

Sweet love and my Angel from above,
never feel or fear that you're alone.
I would not know and watch a woman I
so deeply love have to face so many
trials in this life alone.
You mean to much to me my Angel Queen.

Whatever you will ever want or need,

whenever it may be I am here and proud to help.
I love you deeply and want to be there
for the one I hold so dear.
Don't believe or feel you're all alone
because you're not,
I'm always here.

Michael P. McParland

Evening Note 6

It's early evening and
time for a short rest.
I'm missing you and hurting too.
Feel all my love surround you now
as I'm sending it with warmth,
kisses and tight hugs.

Have a peaceful evening sweet lady
of my hopes and dreams.
Just feel comfort and be at peace,
I'm always with you and
praying for your best my Angel true.

It's early evening my only one
and for a bit I will lay down.
Just wanted to say that I love you,
I miss you badly deeply,
I long and ache so hard for you.

Michael P. McParland

Love Note 55

Hello my dear I hope
your day is going well.
Full of all the loving warmth
I'm fully sending,
I hope you feel at peace
knowing I love you and
am always with you.
I'll always be your lover
and protector.
I'll diligently give all
of myself to keep you
safe and happy my lovely one.

My day was dragging but
picked up a bit because
Push! Push! Falcos '98 single
I had to get imported from Germany
arrived in the mail finally
picking up my spirits.
I wish you could be here to
listen and enjoy it with me.
I have no doubt though
that this will happen when all is ready.
I miss you so much I keep
listening to the same songs
and albums that make me think of you,
I sing along the whole time through.

I truly hope that you are
doing well feeling peace and
comfort in my loving warmth.
Your smile and eyes truly shine,
they light up my day and make it bright.
Looking at your picture and
going through my memories of you
helps get me through the sick
and very anxious days.
You're an antidote and cure in
abundant appreciated ways.

I miss you dear I hope you
know how much I feel for you.

I love you Angel of my
prayers and blessings,
I am so truly thankful.
Feel me there hand in hand,
you're always in my mind,
my heart, my soul.
I'm with you love anytime
and anywhere you ever need.
I want to be your hero for eternity.

Michael P. McParland

Night Note 18

Just a peaceful message
from my weary mind.
I want to say I love you
dear and that you're my
bright thoughts that get
me through the darkest nights.
Knowing that you feel my
love and cherish it makes
things more bareable by a bit.
I hope that you are sleeping
well and not a nightmare
haunts you beautiful dreams.
I'm holding you so ever close,
feel peace and comfort in your heart,
I love you babe now and always.

Michael P. McParland

A Prayer Of Thanks (For You)

I give to God a prayer of thanks for
having brought you into my life so
I could know a special woman I truly love.
I adore and cherish you that's not just sweet talk,
every word I say is from my heart and soul.

I truly thank God for leading me to you,
it was at a time in my life when I was
truly without a real friend and all alone.
You were the first person in countless years
to truly care about me and my feelings.
Give me love like a friend and though not offical
you gave a love which only a woman gives a man.
My heart was yours for many reasons.

I saw how lonely you were too,
you are tough and a fighter beating all the odds,
but I saw through the exterior you used
to push away and repel others.
A defense I understand all too well,
but I saw the tender heart of true loving
care which so few posses,
and they get used, abused, and hurt the most.

Despite our ups and downs no matter how hard some have been
I send a prayer to God always thanking him
for leading us to each other in a time so full of need.
I thank him every day and night no matter if
I'm angry, crying from pain and sadness, or just
plain confusion because I don't understand you.
I thank him because I love you deeply and you
are so very special.

I thank God in sacred heart felt prayer
for you no matter what may happen,
because the mark you've left on me and
importance of all you are is more than I
can ever say or you can see.
I thank God every day for the Angel he sent my way.

I hope and pray to God for thanks and the chance
to truly as adults face and fix our mistakes,
bringing us closer in our fight for brighter
future days together holding hands to grab eternity.
You're the one who makes sense to me because
I love you and want no other,
you hold my heart and soul, you are my essence.

I right now in my heart send God a prayer
of deep and sincere thanks to know you
and have had you in my life.
A true blessing I'm thankful for and
marvel at every day.
You truly are an Angel and a Queen who
means more to me than anything.

I love you dear so very much,
I give God endless thanks for your love.
You're a beautiful woman I truly want to serve
and spend my exsistence with.
I make no joke nor lie about the warmth my heart
holds for you.
I love you and that's what I know in my being
through and through without a doubt.
I send a prayer of thanks to God for you.

Michael P. McParland

Goodnight My Dear 2

Goodnight my dear I pray that
you will get all the rest and
sleep you so deserve and need,
You are such a special lady to
the world and me.
Without you here there would be a
brilliant shining star missing on this earth.

Goodnight my dear let's hold each other
tight on this very stressful night.
Help stop the shivers and bring us
close together our souls touching,
hearts beating deep with each other.

Goodnight my dear I'm deeply praying
for you to always be in peace and cheer,
if anyone deserves it, it is you.
I'm also sending all my love and warmth
in great abundance on this night.
Watch for those hugs and kisses right behind it.

I'm with you there I assure you so,
I always am in my heart, in my soul,
with everything I am and hold.
I am by your side thick and thin through it all.
Please put your hand in mine and let's
curl up and get some sleep,
while I pull you in and hold you tight.

Goodnight sweet lady my only one,
my dear you are the Angel I've waited for.
Though hope would often grow quite dim,
and despair quite often set in,
I always knew that you'd return.
For this I pray and hope again.
I'll love you always for all eternity,
you are my best friend and precious Queen.

Michael P. McParland

Night Note 17

No matter how I'm feeling
or a single thing that's
happening I want you
to remember I love you
deep and strongly
and I'm always with you
through everything,
good and bad it doesn't matter.
Even here in my ill health
I've been thinking of you
and holding you near,
wrapping you up in a big
comforter of my loving warmth,
my hand forever in your
hand through eternity my Queen.

On this night and every
day and night forevermore,
remember it's you I love
and not another.
You're the woman whose
heart and soul shine
and sing to me in celestial
tones and feelings.
Always remember my solemn vow
that I will never leave or
abandon leaving you cold,
empty, broken, and alone.
I don't want to hurt you because
I so deeply care and love you so.

So please remember that
no matter my health or
any other circumstance
I'm by your side through
our entire existence.
I love you so very much,
a good deal of all this crumbling
stress is because you're not here

right now sharing our lives,
you're so deeply missed.
I'm holding you tight against me now,
feel all my wholesome love surround.
You are my Angel and my Queen,
I love you sweet lady please
soon come back to me.

Michael P. McParland

In Need

I'm in need of you my only one,
I'm in a bad state emotionally
and mentally my sweet Angel I so need.
I'm in an anxious state,
unrest disturbs my mind in many ways.

I know not why things are this way.
They just are and it makes
me scared and feeling vulnerable,
intensely emotional and all alone.

I'm in need my dear for the peace of
mind and heart you always bring.
I haven't been writing because my
mind won't focus for long on anything.

I'm in need of all your tender loving care,
I'm shaking here in epic tons
of unrest, confusion, and tons of fear,
I need my Angel to calm my heart
and soul from the weight they bare.
I love you sweet I hope you'll understand
my small amount of writing as it's been,
I apologize but I want to give you all my best.
Please forgive me for so little writing
I've done today.

I need you dear my mind and emotions
are a wreak and inside destroying me.
You've always been the one to help me through,
please say a prayer and in spirit hold me
near covering me in your loving warmth.
I love you deep my Angel true,
I need you more than you can ever know.

Michael P. McParland

Love Note 54

Passing the day away
reading on my kindle
and playing games.
I wanted to stop in
and say my dear I'm
thinking of you and
love you deeply sweet
one my heart I'm
eternally commited to.
I hope the sun is shinning
on you oh so bright,
and that you can
feel my hand in yours
I'm right by your side.
I hope you'll give me a
smile and feel the
love I have for you,
like a warm blaket
wrapped around you so secure.

Please always know I
truly love you so,
only you right now
and only you forevermore.
An angel filled with love and light,
a Queen that I admire
everyday in every way.
My best friend and
greatest confidant.
You are everything I
need and want.

Sweet sweet Kira that
holds my heart and soul
so soft and tender like the
precious jewel she truly is.
Please come and hold me
help keep out this frigid
Minnesota cold.

Help comfort both our
hearts and heal our hurts
in this time of need.
I love you dear my only one,
you're my soul mate and for
eternity I want you near.
You fulfill me in every way
there is.

Michael P. McParland

Morning Note 11

Good morning dear
I hope that you slept well.
Had dreams aplenty of us
being together in a
majestic land.
Holding each other
and our hands.
Wrapped in bliss that
without each other we have missed.

I hope your day is sunny
and goes so well.
I'll be right there enjoying
it with you my sweet dear.
Hand in hand forevermore,
think of that as you start your day.
I love and miss you very much,
I'll be thinking of you'
the entire time.
Sending all my love and
warnth for you to feel
endless strength and
oh so very safe.
I'll be watching over you
through exsistence evermore.

Good morning dear I
truly hope you are well.
My days are empty without you here.
I hope that you'll return,
my arms and heart are
wide open my sweet Angel.
I love you strong,
I love you true,
I always have
I always will.
You're the best to me precious
Angel of my sweetest dreams.
There is no getting over you

because you are my cherished Queen.

Michael P. McParland

Night Note 16

The night is slowly
passing by,
but memories of you
help and make me smile.
I send you all my
love and warmth.
I wish so much that
I could be there and
hold you close.
Just hear you breathe
feeling your precious
heart beat against me.
The pain is only
getting worse.
I hope that soon
we can at least converse.
I love you dear and
can feel you close,
I'm there with you
so I hope that you
feel me too.

The night can be so
cold, extremely dark,
and very slow,
but your presence and
memory help it pass
in ease feeling all your love.
I hope and pray
you'll very soon
be here,
then we can live in cheer
for eternity smiling
ear to ear.

I love you babe
you are my sun, my moon,
my stars and my Angel light.
You are everything and

all I want for the rest
of time.

Michael P. McParland

Night Note 15

Sitting here still tired dear.
The anxiety finally
subsiding just a little,
It's drained everything out of me.
I miss you so and tomorrow
I will try to do
a whole lot more writing
just for you.
Give you a gift you so
truly love,
the written word in poem.
For now though a bit more rest,
I hope you sleep well
my Angel I love most and miss.
Your health and heart are
what's most important
in my life.
You're what matters to
me most of all.

I love you babe and
hope your night is great,
filled with lots of
peaceful, restful, pleasent sleep.
I'm right there holding you,
saying you're the best,
I truly do and always will
for eternity love only you.

Michael P. McParland

Goodnight Sweet Kira 8

Goodnight my love I hope your day was good,
I hope you felt me near and there with you.
My hand in yours watching out keeping
you safe with every step along the way.

Goodnight sweet Kira I'm sending all
my love and wholesome loving warmth,
along with the greatest biggest kisses and hugs just for you.
My hand in yours I'm pulling you in tight
holding you saying I love you dear it's alright.

Goodnight sweet Kira I'll see and hold you
in the eternal land of dreams,
where I'll hold and kiss you as we just sit

anxious heart, soul, and mind really need.

Goodnight sweet Kira feel me there with you
as I always am you know it's true.
I love you babe you're a heaven sent
sweet soul Angel.
I don't know what I'd ever do without you,
you're the greatest thing to ever happen to me.

Michael P. McParland

Evening Note 5

Laying here in bed
listening to my audiobook
but only paying half attention,
because I'm thinking of and
longing for you as well.
Battling this infernal
anxiety which haunts
me here on this night
of needed sleep.
I can feel you near but
I still so dearly wish that
you were here.
Help me get through all
this confusing fear,
I will always help you
in everything you
would want and need.
A life fulfilled with
perfect love which
we alone fought to build.
I love you dear and
I miss you so severe.
I know one day all
will be good and clear,
where we'll find our way
back to each other
and never feel the sorrow
of seperation as long as we
both shall live again,
be it in this life and the next.
I love you dear enjoy your
evening I'm with you there,
I'm sending all my loving
warmth and care.
Once again I love you dear,
more than anyone can ever know.

Michael P. McParland

Help Bring Me Peace

Help bring me peace my only one,
anxiety attacks now fill me up.
I rested for ten minutes,
then with a jolt woke up and was shaking,
filled with a fear I can't explain.

Help bring me peace my sweet lady,
the anxiety clings at me for no good reason
and I'm so tired, sick and just need sleep.
You're the only one that can calm and
stop these vicious nerves that so disturb
me in these wicked ways.

Say a prayer for me then come hold me close,
wrap me in you loving arms and let me feel
your spirit and loving beating heart.
I need the peace and comfort to my soul you bring,
please help me oh my Angel Queen.

Help bring me peace and bring me solace,
I'm just so tired and you are the cure
and all that which I desire.
I love you dear my best friend,
please help bring me peace and we'll
always be there for each other just like
we always have,
forever through eternity my greatest friend.

Michael P. McParland

Come Rest With Me?

Hello sweet lady I hope that
you are doing well.
I'm laying back down for some
more rest.
Try to put this illness at a stop to not progress.
Would you come and join me
share and combine our loving warmth?

I love you dear and I want you here,
just to hold and talk and pass the time.
Life with you was always the greatest times.
I miss you dear and hurt inside.
Yet your memory and thoughts of you
make my heart glow every time.

Would you come rest with me as I lay back down?
Help each other feel better about the day,
I feel you here though and it gives me pride.
I would like you to come and rest,
we can hold each other in comfort and full peace.
I love you dear and am with you there,
You mean so much to me it's you that gets me through.

Michael P. McParland

Love Note 53

Good afternoon my
only one I hold so dear.
A lot of rest for me
on this day so not
much writing so far I fear.
This sickness is in full grip.
I'm worn out and feel
wiped out.
I'm sorry I've not
done a better job
of showing all my love.
It's been a day of rest
my sweet angel dove.
Still so very tired and
worn out from this illness
coupled with so little eating
and little sleep.
I'll try to better
my sweet lady I
care for so very deep.

I love you so I truly
want you to know I
hold you rooted in my
very heart and soul.
Each day I love and miss
you more and more.
Please know that it is true.
I'm with you always this
I swear,
even when sick and tired
wiped out in being from
all this exausting fatigue,
hand in hand I'm watching
out and over you.
I love you dear please always
feel me near.
I want to spend eternity
with only you.

Your are so precious to me

Laying here wide awake
thinking of and longing
for you.
I hope you're feeling
good and sleeping well.
No matter what I want the

I say you're my
Queen and Angel.
It's from the heart
I speak these words
of truth and love
I deeply feel.
The love I feel for
you is so surreal.

I'd give everything
to have you here.
Holding hands and
cuddling in bed.

Laying here so wide awake.

To fix our fouls and
try again.
I love you more and
more each and every day,
no matter what my Angel Queen.

to change and become another.
It's you I love so I want you
to be yourself now and forever.

I would never change who I am
but just improve my person.
Be the best for you which you deserve.
Why should I expect different?
I want my Kira to be herself
not one bit different.

Why would I expect my Angel Queen
to morph into another being?
It's you I fell in love with.
Why would I want you to become another?

I love you dear you are my lover.
I admire and respect you like no other.
I want my darling to be the woman
I truly admire.

the frozen tundra
that is Minnesota.
Just had my first
cigarette since April.
I miss you babe and
I love ya.
I wish you were
here to help make
things warmer,
to make life calmer
and more tolerable.
To help each other
stop hurting in this

I'm always with you
everywhere you go.
Hand in hand through
the very end.

My life is worthless
and empty here without
my only love.

I love you Kira

take me near,

forevermore.
Let us heal our
broken hearts together.
Find peace and comfort

within each other.

The sun is setting
and my stomch is still
a grumbling and the
nightmares were right there waiting.
I love and miss you
my sweet and only Angel.
I wish that you were
here to just hold and cuddle.
Chase away the shakes
and shivers from those nightmares.
The past few days I really
haven't been able to feel you.
Are you there sweet lady?

I'll most likely spend the
evening and night all in bed
because this sickness is in full grips.
I just so wish that you were
here to talk and hold my hand,
cuddle with and fall asleep
in complete peace protected by
your warmth and strong spirit heart.
I love you Kira and am sending you great
big hugs and kisses.
I wish that you were right
here with me.

Michael P. McParland

Exhausted 6

Oh my dear I am beat through and through,
I'm just so tired and would love to be joined
here by you.
Holding my hand while I held you,
slipping away to sleep for once not

My hand in yours forevermore.
My arms around you filling
you with warmth, hope,
and endless love.
I only ever want the best for you.

I love you Kira you're
the greatest I have ever known.
I'm sorry I'm not feeling well.
Look away so you don't see my tears,
I don't want you to feel them either.
I love you so I hope you know,
I'm with you always my sweet lady
and Angel so divine.

Michael P. McParland

I Miss You 6

I miss you sweet lady you mean everything to me.
I'm sick again like I was last year,
I wish you were here to make this bareable.
Laying here feeling incredibly weak,
very long stretchs of being wide awake,
followed by long boughts of sleep.

I miss you and I don't want you here to take care of me,
I want you here for the loving company.
A hand to hold through the weakest points,
just you to hold when the sadness has taken a total hold.
Just have my lady here to pass while this
sickness stays and lasts.

I miss you and I'm tired through and through.
Just you being here would make some
things better it is true.
Just to have you laying next to me while
listening to music or my audiobooks.
You'd make this sickness bareable with
your sweet soul soothing voice.

I miss you and I want to talk to you
I'd expel all my energy just to chat a while.
You made life easier and now I sit back through
a sickness all alone that haunted me for a
month and a half this last year passed.
You would help it seem like a second
wrapped up in your loving Angels arms.

I miss you Kira you're the one I live for
and keep up the endless fight.
I just want you here your hand in mine our
arms around each other feeling fine.
I love you dear my Angel Queen,
I miss you so my only one.

Michael P. McParland

Morning Note 9

Another day is here and
I hope it's a bright and
beautiful one for you my precious dear.
I miss you still and hope
that very soon we'll see
each other across the room,
then smile and come together,
fall into a deep embrace and
just tell each other how much we've missed,
that our love is deep and
eternal.

Good morning love I hope you
have a splendid day.
I'll be with you hand in hand
the entire time don't forget.

I love you with everything I am Kira.
Can't you see the pain I feel
and the truth I hold within?
I would never lie of these things.

and best friend.

I love you more than you can ever know,
I'm about to go to bed now and release
all the pain I feel through burning tears I hide.
I love you Kira why would you think
that I enjoy this?

I love you and I know you hurt inside,
I'd give anything to take that pain
and never have you feel any again.
I miss you more and more each day.
I love you Kira and my heart is
broken beyond all recognition with you not being here.

I love you Kira and I'm crawling
back inside my lonely bed.
Put my head under the covers to shed
the burning painful tears I hide.
I love you Kira my true love and
only woman of my heart.
You're the only one and it's for you alone I hurt.

Michael P. McParland

Hold Me Tight Tonight

I'm still feeling incredibly weak
and spent from earlier being sick.
I need your beautiful company
with your endless and deep strength,
my heart has been aching just
like yours has been too.

Hold me tight tonight my love
and we'll get each other through.
Combine our warmth and the loving care
immense we hold for another,
and this night will be the best
just sharing it in each others arms.

Hold me tight tonight my sweet one from above,
I'll hold you too and I'm never letting go.

Michael P. McParland

Love Note 50

I love you babe.
Didn't get to say
it very much yesterday.
You are such a wonderful
blessing and I wish you
had been here to spend
the day with me in bed.
Then keep me company at
the point which I got sick.
You presence and beautiful
voice would have made things
more bearable and easy to get through.

I love you sweet lady and
wish you were here listening
to Falcos album Junge Romer
with me right now.
We don't know German but we'd
sing along anyway.
You are the tops my Sweet Queen
and any other woman is
a bore next to you.
God I wish you were here
to kiss. smile at,
and hold.

I love you Kira and

precious hand.

Michael P. McParland

Goodnight My Sweet Sweet Kira 2

it then sick through near the rest.

a great big hug and kiss goodnight.

I'm sending you all my warmth and love
with the biggest kisses and hugs.
I'm holding you oh so close and tight
the whole night my hand in your hand.
I love you so very much my Angel Queen.

You are my everything and I am with you always.
I'll see you in the land of dreams where
we can hold each other forever, talk just catching up,
Lay down with each other on a blanket on the grass
next to a calming fast rushing river under a tree,
just you and me together forever.

Goodnight my sweet sweet delightful Kira.
Feel me behind you holding you tight
no tears or sadness near or in sight.
I'm yours forever always near at hand,

Michael P. McParland

Love Note 49

Been asleep all day

so very very much.

Michael P. McParland

Come Rest 4

Come grab my hand sweet lady of mine,

Just lay here holding each other.
Will you help dry my tears and

wrap up in each others arms and
drift of in each others warmth and
all the peace we provide for each other.

I love you so deeply as I know you do me,

I want to nuzzle my face deep into your shoulder
getting small and comfortable be calmed by my lady.
I love you so much my sweet darling,
grab my hand and come to bed where we'll rest
until we're truly rested.

Michael P. McParland

Tons Of Tears

Tons of tears today I'm
feeling so lost and confused
and I don't know what to think
or what's going on.

I just know that my heart hurts
on epic proportions and
I just want to curl up into a
ball in bed and die.
Heavy thoughts of suicide on my mind.

The world around me I don't
know what to say,
and I don't care if my critics
on here don't understand.
They don't know what's in my
mind and my life.

Tons of tears and filled
with such abundance of
sorrow I feel sick to my stomach,
my heart feels as if it may burst.
Tons of tears no ending in sight
on this cold and bleak Sunday afternoon.

Michael P. McParland

Love Note 48

Still trying to get to sleep,
thinking of you hoping you're alright,
wondering if you're thinking of
and missing me too.
I love you and wish I'd hear
from you so we could talk and
you could tell me just how you're doing.
Although I can feel from
here that you're hurting like me
and we're both hurting equally bad.
So many things I need to say
in this spot of the note but as
is here I can not.

I must again attempt to rest my
aching and weary body, mind,
heart, and soul.
I'll be right by you and holding you all day.
I love you so much sweet lady
my only true Angel
I am in agony for you and
there's only one cure.

Michael P. McParland

Exhausted 5

Worn out and spent in all ways,
been up forever and barely eaten a thing.
It's time to lay down and attempt
to find and receive some sleep.
My dear will you come and join me?

Just lay down and hold each other
close our eyes and in the fulfilling
comfort drift off to sleep smiling,
our spirits complete and whole with us together.
A unity so profound it's what both of
us need it's what my instincts tell me.

So please come and join me
and let us hold each other to sleep
away this heart break and exhaustion that
is so deeply haunting us.
It's the medicine and remedy for our
hearts and souls so deeply hurting.

I'm completely exhausted and will attempt to sleep.
Come join me with your beautiful spirit,
rubbing my face and head saying everything is okay,
that you know I so truly deeply love you and you love me too.
Bringing us both peaceful contented hearts and rest.
I love you so much Kira my best friend.

Michael P. McParland

Morning Note 8

Good morning sweet lady
I hope you slept well.
I wanted to drop you this
note to start both of our
days off right.
First a huge hug and a kiss
to start everything off
with a sign and deep passionate
feeling of true love.
Then a long loving look
into your beautiful eyes
to tell you I love you
and you're the one that
keeps my heart secure and safe.

Good morning my dear one
for all eternity.
I've been up for two days
I hardly sleep or eat anymore.
I'll crash out eventually though
I can't tell you just when.
May the sun shine so bright
upon you today my divine Angel
of pure light.
Let it warm you and fill you
with peace and delight.
I'm right there with you
holding your hand as you walk along,
then when you sit and lay down
I wrap you up in my arms to
help us both feel the love
being safe and secure with each other.

Good morning my lady fair,
go about your day with the lightest of hearts.
Know you are loved and never alone,
God's watching out for you
and so am I.
I love you so very much my sweet love,

may God bless you today and always
my blessed Angel of love
from above.
Please enjoy your day and
worry not about me.
I've burdened you enough
with all of my demanding, tiring
worries that I'm sure drive you mad.
I can never thank you enough
for all the wonderful things
you have done for me and your endless support.
Have a superb day my dear Angel
I love you so much.

Michael P. McParland

Heaven With You

Talking with you and spending time together
to me is truly heaven,
I can think of no better way to spend my time,
or anyone I'd rather be with.
Even thinking of you now as I write this my
heart begins to pound with anticipation and passion.
I long and I crave to have you near and have
my dear Angels attention.
For my Angel true to be by my side where I can
give you all of my undivided attention,
and while you share everything pouring out,
just hold you in my arms and listen through out.

Talking to you, being with you, dreaming of you,
reliving memories of you are heaven on earth
and it makes me long a million times more.
I've told you before and I'll tell you again
you complete me sweet lady you're my better half.
You've shown me things I'd never seen before
and to this day you still do.
You are an Angel for sure because any way I'm with
you be it in mind, body, or spirit it's heaven on
earth and I can only hope that you find half as much
pleasure and fulfillment in this average man.

You're an Angel on earth the Queen of my heart,
and my essence, all that I am.
You've brought a divine love and joy to me,
and it's filled me with a need and you being gone
is a canyon sized hole in my heart and my soul.
Please do what you feel is best,
my first concern is your happiness,
I just hope and pray that you'll give me that chance
and in person,
please no more internet.
I want to experience heaven up close within your arms.

You are the one that keeps me going in so many ways,
you are my hero and greatest best friend.

I need and crave all of your love in every way,
to be with each other and spend time every day,
bonding as one whenever we want.
You are heaven on earth my Sweet Angel Queen,
I love you so very much and your love is what I need.

Michael P. McParland

Take My Hand 3

I'm putting my hand out
grab on and never let go.
I'm reaching it out for you
to hold so we'll both feel comfort
knowing that the other is there.

I'm having a very hard time and
need lots of support.
I'm sorry sweet lady that I
often put you through so very much.
Right now my heart just needs
your strength and your peace
to calm me down.
I'm hoping I'm doing the same for you.

Take my hand my true love and sweet Angel,
let me hold you and let you know
that your safe and will never be alone.
I love you so much and just need your peace,

are just simply the best.
You are all that I desire in my life.

Michael P. McParland

Come Hold Me 4

Come hold me tight tonight sweet lady
I need your reassurance.
I know that you truly deeply
love me too with all of your heart,
mind, body, and soul.
It's just a time period where I need
lots of comfort to help calm my soul
and give me peace.

Come hold me my Angel of light and hope,
let's cuddle together just feeling comfort
and peaceful in each others arms.
I can think of no better way to make it through the night.
I want you in my arms so very bad my body
aches to have you right next to it.

Come hold me sweet Kira the woman of my dreams,
plain and simple my spirit needs it.
I need the contact and to be touched by
a person I love.
I have no contact with others nor do I want to,
but the lack and deficiency of a soft loving
touch, kiss, and caress is weakening my soul and
it's dying a slow lonely death.
I want you to hold me to share your love
and to help give my soul a reason to believe
it's worth going on and my Angel is there.

I love you sweet lady Kira my only one,
I just want us to hold each other tonight
and so much more into eternity my dear.
You're my best friend and the one I truly
trust and adore.
Who better to spend my entire existence with
than the woman I truly love and am closest to?

Michael P. McParland

Love Note 47

Sitting up nowhere near sleep
thinking of you while I play games on my kindle.
I'm trying to occupy my mind to
try and blind the pain
but I love you so much I can't help but
think of you time and again.
You truly are so special to me
a true Queen of my heart and soul.
I wish you were here to just cuddle
and talk as we lay in bed.

Goodnight My Valentine

Goodnight my sweet Valentine I missed
you so very much today,
not that I love you any more
or less on certain days.
You're the most special person on earth to me
no matter the time or day it's always you all the way.
Lay down now and rest your beautiful head,
have peace in your heart, mind, soul,
and have the sweetest of dreams.

I'm sending you all of my love and my warmth
as I climb in to bed next to you in spirit,
put my hand in yours and gather you up in my arms
and give you a deep passionate kiss to end the long day.
Just lay down and listen to you breathe,
feel your heart beating and bury my face in your shoulder.

I'll see you in the land of dreams,
the land of forever where we'll spend the night
among the moon and the stars taking part
in their enchanting glow and dance.
Holding each other entranced by the majestic
sights and experience up among the moon
and the stars partaking in the magic that they are.

Goodnight Kira my Valentine I miss and
love you so very nuch.
I have and hold to faith that we'll find vour way,
I may not know exactly how but we will.
I love you sweet lady my best friend and Angel from on high,
please come to me soon and we'll rescue each other
healing our broken hearts together.

Michael P. McParland

Night Note 9

How are you doing sweet lady of mine?
Are you feeling the love
and warmth that I am sending?
Are you at peace and feeling the strength?
Do you feel my heart beating next to yours?
My soul is singing the greatest
songs of love to touch yours,
to help you know that I'm there
and that I so deeply love you
and will always truly care.

Are you feeling well on this
cold winter night?
Have you received all the kisses
and hugs that I have sent your way?
Do you know of and feel all of
the prayers I'm saying for you?
I pray for your peace and protection
and for your ailments to be healed
and ask for them to be put upon me,
so you can have the greatest life with
no pain and very little strife.
I love you so much.
Do you feel and know the truth of that?

I hope you are well and feeling me
on this February night.
We both need the peace and comfort
our hearts and souls bring to each other.
You're the most important person
and thing in my life,
I care about and worry over you
every day and every night.
May you be blessed forever and feel
my arms around you now,
I'm holding your hand and my Angel
I love you more than you can know.

Michael P. McParland

Kira My Valentine

Kira the only woman in my heart,
my true love and for her it will never part.
She's the keeper of all that is right
and brings me true hope and light.
She is my guardian Angel and gives me
endless amounts of peace and strength.

When she's not near she sends her loving energy,
it's filled with a power no one can ever equal.
Her heart and soul are so precious,
she's my Queen and best friend and I so deeply adore her.

Kira my Valentine is a true hero,
the things she's conquered and persevered
through have been many and she's totally awesome.
She's my hero and lady supreme,
I'm her biggest fan and she means the world to me.

Kira Petranovich my only true love and Valentine,
I love you so much no man has ever held
or known just what I hold inside.
You are all that I want and the only one that I need,
I hope and pray you'll come back and talk to me.

Michael P. McParland

Take My Hand 2

Will you take my hand sweet lady
and help give me peace and comfort?
I'm filled with enormous anxiety
and need your love and strength to get through it.

Please take my hand my only one
and feel all the love I hold for you.
I'm anxious and I'm hurting
I so badly need to feel your love and your spirit.

Come take my hand and wrap me up in your arms,
pull me in close and tell me you love me
and that everything is peaceful and alright.
Just snuggle with each other until we both are healed.

I'm sending you all my love and warmth to you
my sweet lady I love forevermore.
I need all of your strength and peace on this very night,
I just want you here to have and to hold to pass
this lonely night which I feel so deeply scared and sad.

I love you sweet lady you're the greatest of all,
please come take my hand and let's comfort
each other to make it through the night.
Hold my hand and hold me near,
I love and need you so much my Angel Queen.

Michael P. McParland

Love Note 46

Hi there sweet lady I hope
you are doing well.
My thoughts and heart are
with you as am I.
A quick note to tell you
I love you,
and to remind you you're
never alone because I'm
always here for you.

I care so much my
one and only.
Please don't shut me out
I so badly want and need you.
My dear Angel Queen I
deeply love you.

Michael P. McParland

Valentines Night

Here on Valentines night I'm sitting
here at home eating a steak dinner alone.
I've still set a place for you though
lest a miracle happen and you show up here.
If not it in some way comforts me to
see a setting, a plate, cup, knife,
napkin and a fork giving some hope
for our future together.

I miss you so much and this steak dinner
won't be half as good without you,
but I'll be imagining you across the table.
Smiling and looking at each other,
enjoying the meal I cooked for my lady,
just reveling and basking in each others company.

Here on Valentines night as I escape deeper
within my own little world,
it doesn't make things easier because of
that universe you're the center.
So my heart yearns and longs for my sweet Angel,
my best friend and true soul mate of forever.

I'm about to go eat my Valentines steak dinner,
come join me I'll see you at the table.
We'll say a prayer thanking God for each other,
then enjoy the meal I cooked for my lady.
I love you so deeply my sweet angel dove,
you're my year round Valentine no matter what.

Michael P. McParland

Evening Note 3

It's the very late afternoon
and fast approaching evening,
just want to say I love you
and that I'm tightly holding you there,
our hearts beating next to each other
bringing us peace and harmony
a very needed feeling for us now.

On this Valentines evening
spent all alone I'll be reading
books, listening to music,
and watching movies that remind me of you.
It's the best way to
feel like you're here while
I feel your loving spirit from there.
I'll be sending you all of
my warmth and loving energy as well.
I just miss you so much
my sweet angel dove.

As evening sets in I'm
feeling ever more lonely.
I guess I'll now escape
to my books to try and keep
it from growing.
I love you so much have a warm
and pleasent evening and night,
feel me there holding your hand
and holding you pulling in tight.

Michael P. McParland

Valentines Prayer

Dear God I ask you for this special
Valentines prayer to help my love
and me so we'll be at peace in our
hearts and minds and to help be
confident and firm in the truth.

Dear God please help my sweet lady
know that my love is so deep
and it is purely true.
Help her to know there are no lies
in all I've told and confessed to her,
that I would never disrespect or
dishonor her by telling disgusting
heart wrenching hurtful lies.

Dear God help me to know always
and feel the love for me that she holds.
I know it is there and that it is real,
I just want and need to feel it
around me so much more,
because I'm a weak man who needs reassurance
and tends to worry too much.

Dear God most of all please help her
to know that her safety, happiness,
fulfillment, wants and needs are the
most important things to me.
I want what's best for her always
whatever it may be.
Please help her to know the deep
pureness and truth of my sheer
endless love for her
deep in her precious soul and heart.

Dear God I send this Valentines prayer
not just for today but every day to come.
Watch over her and assure her of both our deep love,
help her to know she's never alone
and that I'm right here ready and willing for her.

Please just help her know the truth of
all that I am and have said within her heart.
Help her to know that I love her so deeply
and neither I nor that will ever part.

Michael P. McParland

My Queen 7

You Kira are my Queen and you
truly mean so very much to me.
You're my Angel on earth,
you're all that I need.
I'm sad, cold, empty,
and all alone without you.
You fill the void that is there
without you here.

I love you so much and about
that I would never lie.
Your sprit shines and sings to me,
your heart glows like the northern star.
I'm drifting aimless and alone
lost at sea with you gone.

You are my Queen and my best friend
and my love and admiration have no end.
I will do anything for you
including give up my life
my Sweet Angel Queen.
I don't think you realize just
how much you mean to me.

I've committed myself to only you,
my heart is forevermore yours and
that's what I want and choose.
From the start I was all yours,
because my heart discovered true
love when I met and discovered
the greatness and loving kindness of you.

So my dear Queen of all that is good
and right in this world to me.
I confess my love from an open heart straight to you.
I hope you know and accept its full truth,
I would never lie about such things,
especially to you whom I'm always truthful.
I love you so much my Angel my Queen,

I bow down before you on my right knee,
I ask for forgiveness and show all my sincerity
I've born to you my true soul and its depth.
Will you give me true honor and marry me?

Michael P. McParland

Love Note 45

Good afternoon sweet lady of mine,
I hope this day so far has found you fine.
With a smile and high spirits,
plenty of hope and joy within it.
Feel peace in your heart and
your hand in mine.
I'm right there with you all the
way all of the time.
You're my Angel my Queen,
you truly are sent from heave
an Angel Queen blessed upon
me and everyone that you meet.
You are divine and a sweet soul treat,
you make my heart beat at double the speed.
I can; t help but love both
by choice and something like fate,
you're the only woman I'll
ever want to be with each day
and every night.
You are the woman who lights
up my life.

I love you so much
my sweet Angel dove.
You give me such pure
boundless unconditional love.
It fills me with joy and gives me worth,
a kind for me that didn't exist.
You make me so happy I give you my life.
I'll spend my whole life making
you happy feeling fulfilled,
I'll go the lengths to give
you all that you want and even more.
You are the one that I choose
no other will ever do.
I love you sweet lady
you're the greatest woman I've ever
known and you will always be.

Michael P. McParland

Sweet Angel My Valentine

Kira Sweet Angel you are my
year round Valentine,
I adore and cherish you everyday
no matter the time.
You are the supreme lady,
a Queen so unique and divine truly regal,
a gem of heaven to earth whom I fully treasure.
Sweet Angel you are my Valentine forever.
I love you so much let's spend eternity together.

Michael P. McParland

The Greatest 2

Darling one you truly are the greatest to me,
you're everything I could ever want and need.
You mean the universe and sum up all that is right.

I love you so much my Angel Queen,
you have helped me so much in everything.
What more could I ever ask in a love?
You're the greatest sweet lady I love you so much.

Michael P. McParland

I'm Not

I'm not afraid to love or be loved,
it's a very sad mistake to think such a thing.
Right now I just don't know what's going on
and I'm willing to go on faith but
I need guidance and help my sweet lady,
please be very clear and give me your hand.

To all who think it I'm crazy
I just have a mental illness,
a chemical imbalance which many are stricken.
Those with bipolar should not be feared or
treated like something repugnant and less,
something so many do and try to steer clear.
Some push you out because we can be difficult,
but we're not crazy we just have an illness.

I'm not a cold hearted monster or a bad man,
nor am I a good man I just am.
I strive for my best and sometimes
fall epically short,
and I punish myself by beating me up.
I so often feel like a failure and in this
case perhaps I am.
I've failed my sweet lady time and time again,
and I make myself sick for all I've done wrong.

I'm not perfect nor would I ever claim.
I'm not attractive not handsome at all,
but not ugly either just very plain.
I'm not afraid of love I so desperately need it,
sweet lady please give me your hand and a much needed chance.
I love you so much and I want to make it all up.

I'm not crazy to you all who say so,
just stricken with an illness I do my best to deal.
I'm not hateful or cold or filled with revenge,
I have deep love and have no desire to hurt any others.
I'm just tired and I'm at my limits,
how much can a man take before his mind and soul break?

Michael P. McParland

Love Note 44

I love and miss you so very much,
you are just so special to me.
My heart is yours and it hurts
without you here or even talking
from time to time.
Please though do what you feel
is right and what you need.
My poems are not to try and
guilt you or sway you in any way
against what you think and feel.
They're my outlet for my feelings
and to let you know that I still
so very deeply love you,
and so you'll know if you decide
to return I'm still here with
an open heart and arms.
I want you to return only
of your own free will and
desire to give me that chance.

I love you sweet lady and long
to have you near right here.
I can't lie I'm confused by
so much going on around me.
Perhaps I'm really stupid
I don't know right now.
We already know I'm mostly
in a world of my own,
but I'm still mostly aware of
what's going on out there.
I need your help so bad to
make sense of it all.

Please have a wonderful day,
feel the sun shining upon
you my dear.
I'm with you all the time
in every single way.
I won't abandon you like I said.

I'm sending you all of my warmth and love.
I love you so much
my sweet Angel dove,
please always take care and be safe
my sweet one.

Michael P. McParland

A Year Ago Today (Valentines)

A year ago today we were talking here
with each other almost the whole day.
Wishing each other a beautiful love
filled Valentines day,
talking about anything and everything
as we usually did.
Saying I love you and you are the best.

One year later and I'm all alone,
I'm hurting so bad and I know you are too.
Where are you at in so many ways?
How are you doing overall,
are you okay?
I miss you sweet darling and I'd give anything
to take away all the mistakes and
have you around in at least some way.

A year ago today and in many ways
it doesn't seem so long ago,
but in others it might as well
have been a million years.
Happy Valentines Day my sweet lady and Angel.
I love you so much I hope sooner rather
than later we'll come back together.

Michael P. McParland

Morning Note 7

Good morning beautiful one
the sun is rising morning has come.
I want to wish you the brightest
of all days,
filled with love and peace
contented warmth around.
May God be with you every
single step of the way.

Remember I'm with you always
holding you and your hand.
I'm not letting go or going anywhere.
I'm committed and sticking
by you for eternity.
Have a great day sweet lady
I love you so much,
if you truly ever need anything
please get in touch.

Michael P. McParland

Winter Thoughts

It's a winter wonderland outside,
earth as so much is in hibernation at rest.
Preparing for another cycle to
bring us beauty and sustenance
anew in great bounty to help get us through.

It's a cold winter a time of rest,
a time to reflect and work on the
things that need it the most and that which we can.
A time to reconnect and reconcile
with the things and the people we've
lost that are still here on earth,
for tomorrow they may not be this life
throws out curve balls unplanned.
So never forget to tell your loved ones you care.

It's a cold winter outside,
but in your heart it doesn't need to be.
Let be filled with warmth and love
trying to be of service to who you can,
enrich the spirit as much as you can.
Lead and teach by example don't wait
around for some other person to carry that load.

It's a cold winter yes a time to rest,
but all mentioned above applies as well.
A time to reflect and to work on
those things that so need it.
Always be kind and of service to your fellow man,
make sure to always tell and let your
family and friends know that you love them and care.
Always count your blessings and thank God
that they're there.

Michael P. McParland

A Love Rooted

A love rooted so deep
it's earth shattering.
A bond and connection
that is beyond comprehension.
Even my love and I
can't explain it or
even truly understand it,
but I'm grateful for it
because she's the greatest
woman and I'll have no other person.

A love rooted so deep inside of me,
it gives me reason to live
and keeps me planted on earth,
if it weren't for her
I'd long ago have found death.
A love rooted in life and I
thank her for all she has done.
She's my best friend and Angel
and I love her so much.
I want and I need her in my life forever,
rooted together in marriage
with a family we're proud of.
A profoundly rooted love that
gives light and by most can only
ever be imagined.

I love my sweet lady
and in me it is rooted so deep,
my heart quivers and beats
for her and continues on
to serve and give whatever she needs.
She's my Queen and my hero,
a dear person I look up to,
my best friend who I give my whole life to.
I love you so much
my only true love,
it's rooted so deep it will
never budge.

Michael P. McParland

Love Note 43

I love you so much
my sweet angel dove.
My heart hurts, yearns,
and is calling out.
I want you so bad and
I need your love to no end,
I'll always give you my best
and my all to no end.

My love is limitless,
my love is true,
my love is everlasting
and it's all just for you.
Our love is proof to the world
that true love exists and goes
on to no end.
Our bond is so strong
and for you I will always
fight and defend.

I love you sweet lady
and wish you were here.
My heart and soul are calling to you.
Do you hear and feel
their power, love, and need?
You are my Angel and pride,
I love you so much my darling
I hope that you know just how
truly deep and real it truly is.

Michael P. McParland

You're Not Alone

You're not alone now sweet love,
nor will you ever be because
I'm always with you where ever you are,
and what ever may be
I'll be by your side holding your
hand for eternity.

I love you so much and I care in
every way in every single thing,
I would not and could not leave you
all alone out in the cold to face
everything by yourself without any help.
You're to precious to me and my
heart won't accept you being in pain
watching you bleed.

You're not alone my sweet Angel
not right now not ever will you be.
I love you so much my heart and mind
are with you at all times,
you are my essence my lady divine.
I love you so much I promise you
now and forever you're not nor
will you ever be all alone.

Michael P. McParland

Be My Valentine?

Will you be my Valentine dear lady so divine?
Will you come take my hand spend the whole day
then dance the night away?
Will you honor me and give me the greatest
Valentine anyone has ever or will ever have?
Kira sweet lady of mine will you be my Valentine?
I love you so much only you give this day worth.

Michael P. McParland

You Are Beautiful

My dear love you truly are beautiful,
even if you don't believe it,
to me you glow and project like and Angel.
My legs shake and I'm struck dumb
whenever I hear your voice
and when you enter a room.

You are so beautiful you don't even know,
just how much you make my heart beat
and stomach twist and turn with passion that yearns.
I just want to reach out and grab you,
hold you and kiss you but not just because
you're beautiful but because I love you.

I love you so much and that's such a large part,
but I know true beauty when I see it and
you are everything that exemplifies it.
You're my perfect picture of a beautiful person,
with a beautiful heart and soul that matches
and gives me fabulous fits.

You truly are beautiful my sweet Angel dove,
no other woman will ever match who you are.
You are the woman I treasure you are my best friend,
I'll love you through eternity there
truly is no end.

Michael P. McParland

Happy Valentines Day

Happy Valentines Day my true love,
I wish I could be with you but I
can't this year so I want to give you this poem,
you are the only one my heart is meant for.

Happy Valentines Day my precious one,
feel your heart fill with love
as I send you my all.
My warmth with hugs and kisses are coming too.
I hope that next year we'll be together
to spend this day in each others arms
and every day there after.

Happy Valentines Day my sweet lady
and blessed Angel from above.
My heart, mind, essence, and soul
are all yours and with you as always,
take peace and comfort and feel the strength
that I give to you in everything that is me.

Happy Valentines Day my Sweet Angel Queen,
may you have the sweetest and happiest of days.
I'm praying to God that you'll feel
and know the depth and the power of
my love and have not a second of worry or doubt.

I love you so much and not just on
Valentines Day.
That's just a date on the calendar,
you're my Valentine each and every day
forever and ever.

Michael P. McParland

Feeling You 2

I can feel you near and it's
helping me deal with all the pain that I feel.
I can't sleep and my stomach hurts,
my heart is screaming in need to
have you holding me and talking.

I can feel you here though and it's
calming me down.
It brings a sense of comfort
and true peace to me now.
Thank you sweet lady in how much
and just how you help me out.

I can feel your loving warmth and I
hope that you can feel all of mine.
You are my soul mate and give me peace of heart and mind.
I love you so much my best friend and hero.
I can feel you near and I
no longer feel like a zero.

Michael P. McParland

Love Note 42

I love you immensely
my only one.
This quick note is to
make sure you'll always know.
I'm right there
with you holding your hand.
My heart hurts right now
and you're the only cure.
A note to reach out
and tell you you're great.
I love you my dear you're my
Sweet Angel Queen.

Michael P. McParland

Goodnight My Only One 4

Goodnight my only one it's a night
to turn in early for me.
I'm sending you all of my love and my warmth,
wrapping you up in my arms and giving
you those great big kisses and hugs.

A very early night needed for me,
I hope once again to see you in the land of dreams.
Where we can do whatever we please,
without others around to be judged
under their opressive scrutiny.
Just lay with you by a rushing stream,
on a big soft blanket under a tree.
Just holding each other kissing and talking
in the land of dreams where time doesn't matter
and pains not allowed because it's a bother.

Goodnight my only one and look to the stars,
there you'll see my wearry and loving smile.
I as God to bless you and sit by your bed the whole night,
to make sure you know he loves you and so do I.
I'm holding you close now put your
head on my chest as I grab your soft precious hand.
Goodnight my dear I love you so much.
It's bed time for me early tonight.

Michael P. McParland

Evening Note 2

Wanted to say hello my darling one.
That I love you and miss you tons.
I'm sitting here listening to
the Pet Shop Boys and feeling
completely and totally all alone.
I'm sad and my heart is aching,
I'm feeling like a failure
and perhaps I am.

Sitting here on this quiet
and extremely lonely evening
thinking of you and wishing
at the very least we could be talking.
Wondering where you are and
just how you're doing.
I'm concerned for you as I always am,
I worry over all my loved ones.
Just sitting here sad and feel like crying
on this evening that's too quiet and cold.

Wondering what you're thinking on
this very evening and if you have
any Valentines plans for tomorrow.
You know I don't and without you
that's okay I'd prefer it that way.
Just an evening note to let you know
that I love you and am thinking
much about everything with us.
I miss you tons and love you more,
I hope you're happy and okay.
I'm listening to the Pet Shop Boys
and reading a bit,
that's somewhat helping but I'm still hurting.
Feeling all alone by yourself is no fun.

I love you sweet lady and miss you so much.
I'll be thinking of you sending
all my love and warmth your way,
as well as great big kisses and hugs.

Take care my only one,
I truly love you so very much.

Michael P. McParland

A Quiet Night

A quiet night spent reading different
things and wishing you were here sitting by my side.
Either read as well or maybe me reading to you,
even you sitting here with your head
on my shoulder as you dozed or watched T.V.
A quiet night with you is better than
a quiet night here spent all alone.

No matter what my thoughts drift to you and
it makes my heart long and feel just a little bit sadder.
I would give anything to have you here by my side.
I enjoy quiet evenings spent just reading and writing,
but wanting and needing you so much just makes them haunting.
With echos and cries of the lonliest kind,
it makes the heart painfully jitter.

A quiet night spent with my many books,
going through many short stories and working through novels.
I read up to 6 books at a time to
help always occupy my mind and endless time.
I usually like the quiet but not at all tonight.
I just want you here to hold hands, kiss, and smile.

Until you're here so many quiet nights stretch
far out before me,
books and movies alone are not the key to keeping me busy.
I don't want to go out,
even in the best of times I'm a homebody you know that.
So I'll do everything I can to keep my
mind busy to help pass the time,
I'll never stop thinking of you sweet Angel of light,
I don't even want to try so I won't.

I love you my dear and while I read, write, and do
whatever I may and whatever I might I'll
be thinking and longing for you the entire time.
Because you are my Sweet Angel Queen and to me
you are my true love and everything.

Michael P. McParland

Evening Note

A note to you on
this here early evening.
I hope your day went well
and I hope your evening and night
will be the best of all.
You are always on my mind
and I'm always with you there.
My hand in yours my arm
around you there,
you are my lady a blessing
from God and I am your man,
I will always work and give
you all the best that I have and can.

Have a great evening I love
you so very much sweet Kira my dear.
Come take my hand and let's just sit down.
Talk for awhile, listen to music,
read, and watch some films that
you will choose.
you're the greatest sweet lady
you're my hopes and my dreams.
I love you so very much
may God bless you all the time.

Michael P. McParland

I Love You Sweet Lady

I love you so much sweet lady
and long for you to be here.
You truly are one of the few
that really knows me and in most
all areas you know me the very best.

Sweet lady you are the crown jewel of my life,

and higher above then all the rest.
You inspire me with your toughness and fire,
you don't realize just how much you
motivate and inspire bringing
reason and hope to this man and no doubt others.

I love you sweet lady and hope you'll
be here so much sooner than later.
You are my everything and your helps

You are the most beautiful and
greatest lady there has ever been.

I love you sweet lady and need you here.

my hopes and my dreams because you are
all of my greatest hopes and greatest dreams.
I love you so much you're my divine lady sweet,
please say you'll come spend eternity with me.

Michael P. McParland

Dreamt Of You 8

In my long slumber to recover
you came to me in the most beautiful
of all places my dreams and spent time with me.
I was just going about doing nothing,
when the phone rang and it was
my dear sweet Angel asking if she could come over.

Of my sweet love why would I ever say no?
You're all I want and to always have you around.
We just spent time talking and
holding each other while on my bed
just laying down and relaxing.
We played games while laughing,
and reading together the most wonderful
ways this man could fathom to spend time
with the greatest woman alive.
My Angel Queen to I so idolize.

I didn't want to wake up because when
I did you wouldn't be here,
and that has made me sad though brightened
from that soul gratifying beautiful dream.
I love you so much and I know that's
our futures reality touch,
I can't wait to have you here by my side
my sweet Angel dove.

Michael P. McParland

Long Slumber

I needed a very long sleep to
catch up and refresh from so many
days of no sleep and emotion.
I'm sorry I didn't have more
written for you and was there
more for you like I need to be
and should always be sweet lady.

I almost woke up a few times
but I was dreaming of you and
it was so beautiful being with
you spending time talking,
walking, holding each other.
Why would I ever leave heaven?

I just needed a long slumber
and I saw you while in the
land of dreams,
the land of forever.
I love you so much my sweet Angel dove,
I can't wait to spend my whole life with you.

Michael P. McParland

Love Note 41

Finally up after a very long
sleep of recovery sweet lady.
A quick note right now to
say I hope you're having a
beautiful and peaceful day.
I hope the sun is shining
on you and all that you love.
Just a quick note right now
but more to come later.
I love you so much
sweet lady if you were
here the day would be so much
better.

Michael P. McParland

Under The Covers 4

Come join me under the covers
where we can hug and kiss each other
till we fall asleep from all this exhaustion.
Be content and peaceful
sharing the warmth and love
of peace and harmony.

Just hug and kiss under the covers
falling asleep with smiles on our faces.
Fulfilled from having each other near,
so come join me and slide underneath the covers.
Give me that gorgeous heart melting smile,
it makes me quiver with it's angelic beauty of heaven.
Then let me just gaze into those bright sparkling
divine eyes which mesmerize.
I love you Sweet Angel Queen so then just
hold and kiss me underneath the covers
until content and happy with great big smiles
we fall asleep in a truly restful state.

Michael P. McParland

Love Note 38

I love you babe
just need you to know.
Come take my hand and
let me hold you now.

Michael P. McParland

Fallen Apart

I started falling apart in April
2011 from that ugly awful fight.
Still I maintained a sort of
balance limping through
each day and night.
Some far worse than others just
spending the day underneath the covers.
There was a good friend named Mee Too
that I talked to most everyday
when we didn't have problems and take a break.
She was a truly great friend just like you.
A friend I miss just like you.

Then the end of May last year you are
more than aware of what happened there,
and since then I came completely
undone in so many ways,
in my mental state yes but not
so much agressive temper which I've been improving,
but other ways that I can't explain.
I've fallen apart and crumbled
beyond what you could think or know.

At first I maintained a little bit,
hope sliping a bit more each day.
Then in mid July on my birthday when I
recieved not a single greeting in any way
my foundation and entire self fell apart
in close to every way there is.
I haven't told you for I did not want
to hurt or worry you in any way.
I just confess it now because in sorrow
I hope it will show how very special to me you are.
I won't elaborate on all the ways I have
come undone and fallen down.
I just want to tell my Queen I love her so very much.

Michael P. McParland

What Can I Do?

What can I do to help you
in anything and everything you need?
My heart is sinking feeling like
and worrying that you're pushing away from me.
Do you believe that I so deeply love you?
Do you truly know how much you mean to me?
Do you know just how connected my heart is to you?

I offer you everything I can and am,
I would give you the entire world if it were mine.
I want to spend my life here on earth and
in the next with you forever.
I want us both to heal our broken hearts together.
My heart right now is cracking up inside,
so I must lay down and look at your picture while I cry.
I love you so deeply within my heart and soul,
and I know from our connection you feel
that same for me as well.
Do you know how badly I ache in total in my being?
Do you know how truly badly I need you here with me?

Michael P. McParland

Come Lay Down

Come here and lay down with me
sweet lady and let us get some sleep.
I'm exhausted and physically wiped out,
come lay with me and we'll be filled
with loving, comforting peace.

Just hold each other as we drift away,
no worries all our problems forgotten
as we just lay in our arms your head upon my chest.
Just this thought helps soothe my aching soul and heart.
I pray that you are feeling all my warmth and love.

Come lay down and we will finally sleep,
your Angelic spirit so divine sings to me.
I embrace your love as I feel it all around,
come lay down my love and let us rest until
we are refreshed and ready to begin our journey.
I love you so my sweet true love,
eternity is ours and I'm so proud to be with you.

Michael P. McParland

Reading 2

Reading here to pass the time and
escape the world around me for awhile.
Fantasies abound of every kind,
to try and help temporarily ease the pain.
Adventure, horror, erotica, and science fiction,
all at my fingertips on my treasured kindle.
Just pass the time in these many worlds
to distract my mind from my hurting heart.
It's only minimal temporary relief
for so many things remind me of my sweet lady,
then I feel the tug and get a lump within my throat.
I continue on though because I know that
she would want me to,
I just wish she was here to read to and
discuss the books that we have read and shared.

Michael P. McParland

Night Note 8

Sweet lady thinking and longing for you tonight,
hoping and praying that you are alright.
I love and miss you so much,
I wish you were here to make these rough times
feel better with your angelic spirit and heart.

I hope this night has found you well and secure,
feel all my love and my warmth as I'm right there with you.
You are the greatest and I just miss you so much,
but knowing I always have your loving support
gets me through these tough times.
Even as I'm being mocked and told to shut up
I won't because I love you so much.

Have a beautiful evening and I'd write you
so much more if this site wasn't constantly down.
I miss talking to you and at the very least
I can and love to write poetry for you.
I love you sweet Kira have a peaceful loving night,
I'm right there holding you tight in my arms.

Michael P. McParland

by a beautiful river
in a field of flowers.
Have a wonderful evening

joking, laughing, reminiscing,
and plan for what is coming.

so very beautiful and
the greatest woman to me.

Goodnight Sweet Kira 7

Goodnight sweet Kira my only love
as you turn in I give a big kiss and hug.
I'm laying next to you holding you tight
against my body for comfort and warmth
my hand in yours just softly talking
until we fall asleep.

I'm with you there in spirit and am sending
all my loving strength and warmth to you,
wrap up in the blanket of my love and know
and feel the protection that is held within.
I will do anything my precious lady needs.

Goodnight sweet Kira look to the stars and the moon
and see my loving eyes and smile,
they project my deep and immense love for you,
a prayer to God from me for you.
To be at peace and know you're loved
and that I am with you all the time.
To keep you healthy and protected,
to let you know I truly care and you're not neglected.

Goodnight my sweet sweet Kira Angel to me
and bringer of pure hope and light
I'll see you in the land of dreams tonight,
just hold each other and heal our broken hearts,

You truly are my sweet angel dove.

Michael P. McParland

All I'll say for now is I need you here
to be wraped up in your loving arms.
I just need your love and wholesome warmth.
Come rest with me dear I love you so very much.

Michael P. McParland

I Care

I care deeply and you know it's true,
I'm always right here for you.
So don't think or feel like you're all alone,
because I care my dear and you know it's true.

I care for you in every way,
I'm concerned by even the smallest things,
because you mean the universe to me.
So don't you dare say I don't care.
I love you so much it physically hurts.

I care for you and all the things that
happen and matter to you.
If I didn't care I wouldn't love you
and would have split very long ago.
So I care and in your heart you know and feel it too.

I care so much and for you to say
I don't is like a dagger to my heart.
I'm always here and care,
I love you dear and you know all is true
because we're attached in the most spiritual circumstance.

Michael P. McParland

Morning Note 6

Good morning love I
hope this day will find you well.
Thoughts and dreams of
you are dancing in my head.
I wish that you were here
to kiss and hold to
start this day on the perfect note.
So in spirit I send you
big hugs and kisses
with all my love and tons of warmth.
Please be happy and
feel the sun upon your soul.
I've told it to
rise and shine just for you.
I'm there with you everyday,
feel my presence by your side.
Hand in hand we'll make it through,
our will is strong as are you,
our bond is pure and
cannot be broken by a single thing.

I love you sweet one
and want to wish you well.
Have a marvelous day my lady
you are my number one.

Michael P. McParland

First Feeling, First Thought

When you first saw me you had a profound
and deep premonition and feeling from your soul,
please remember it have faith and take ahold.
We both knew it's truth way back then,
and we know it now as time has proven
to us our bond of steel time and time again.

Remember that first feeling,
remember that first amazing thought.
A truth blessed by God why would we rebuke this gift now?
He's given us so many chances,
he must have a plan and we're true soul mates
I have not one drop of doubt.

Remember that first thought and feeling,
I can feel the truth of it in my entire being.
I love you so very much,
and you know I don't believe in fate
but I do believe with all my heart and soul in us.
So trust that feeling and we'll find our way
for Gods help asking us to know and always find the
right ways to deal with things.
I know it's true and I can feel that you do too.

Michael P. McParland

My Queen 6

Oh my dear sweet Queen and only one,
I adore you more than all men on earth have ever loved,
to me you're the only woman that can hold my heart,
I want noone elses time, heart, or hand in marriage,
because you're the bearer of all that's right and good.

My Queen you are my Guardian Angel and I
give myself to only you and you alone.
No other will ever have my hand and heart,
no other will ever share my boda a sacred temple,
no other will get beyond friendly thoughts actions
from me I will always honor my Angel Queen.

My Queen of Celestial beauty and a divine caring, loving heart,
I could never bare to see you part.
You are the better half of my heart and soul,
to see you go would be ripping out my beating heart.
Each day my love for you grows becoming ever brighter
lighting updarkened halls in my heart that I had lost.

My Queen for you I would give my life to fight and defend,
against anything or anyone that hurts you in anyway,
you're so special to this average man.
I wish to hold you for eternity,
I hope that will take my arm and honor me.
I love you so my Angel Queen to me you truly are everything.

Michael P. McParland

Inside

Inside my heart is crying, weeping,
screaming out in agony.
For I'm all alone and feel homeless
with no place to go.
I miss and long for my true love
but she's not here she's far away.

Inside my heart is crying, weeping,
intensely heavy from all the grieving.
I just want her to come and hold me,
from everyone out there and here she's
one who's not embarrassed to be my friend.
She sticks by me in every way,
she's not embarrassed or ashamed to
stand up and cheer me,
and without her I'm intensely lonely
and inside my heart is crying, weeping,
because I love her deeply and she's not here
to hold and comfort me.

Michael P. McParland

Please Don't Leave Me

Please don't leave me sweet lady,
the thought almost breaks me.
I'm working so very hard and my
love for you is rooted so very deep within my soul.
For you to leave me I truly believe would almost kill me.

I always want you to do what you feel best though,
I don't want you to feel you must
stay and be forever trapped.
That would make me a self centered filthy rat.
I love you babe and truly hope you'll give me
that chance and stay,
I'll work so hard to make you the happiest
Queen on this earth every day.

Michael P. McParland

Love Note 35

Just a simple good night
and I love you babe.
You're all I want and
everything I need and crave.
You are a sweet delight
in every single way.
I love you so
my sweet angel dove.

Michael P. McParland

Another Painful Night

Another night completely alone and aching for you.
I can't cry I'm all tapped out right now,
and I'm in more of a catatonic type place.
I can't talk and have to force myself to eat,
I can't sleep and that's what I want with
things the way they currently are.

I want so very bad to have you here within my arms,
it would fulfill and comfort me to feel your body next to me,
talking your voice so beautiful, soothing, relaxing,
we would both just drift away into a peaceful place.
It's so painful being without you and all alone.
Even if I were with another I'd still be alone without you.

So another painful night stretch's out and I pray it's
just one night closer till we'll be together.
Feel me with you there in spirit,
know that I deeply care and love you my sweet lady.
I know you love me just as much and can feel it strong,
it's just painful though without you right here now.
I love you my precious Queen I'm holding on to
hope and you on this painful night the whole way through.

Michael P. McParland

Goodnight Kira My Angel Divine

Goodnight my Angel who I love so very much,
I place this kiss upon your lips to seal
and bring this long day and night to a close.
I'm sending all my love and warmth to you sweet one
with huge massive hugs and kisses for you alone.
Wrap up tight tonight and feel my arms around
you as I lovingly pull you into me so tight.

I love you Kira my true divine Angel,
you are a true blessing from God and I wish
and strive to honor you in every way I can.
I'll see you in dreamland where all our desires are fulfilled,
time has no meaning there and space is tossed aside.
We'll go fishing at the lake,
wrapped up side by side in a blanket sipping
hot chocolate the whole way through.
Smiling, kissing, softly talking,
just being there together is so very good.

Goodnight my Divine Angel Queen you are so deeply
beautiful in everyway in everything.
I'm holding you so very tight whispering in your
ear that everything is peaceful and alright,
I love you Kira and am with you every day and night.
Sleep well my dear and I'll see you in the land of dreams.
I can't wait to be with you for all eternity.

Michael P. McParland

Lips

Deeply passionately kissing your sexy lips,
slowly exploring as I take my time.
Igniting passion overwhelming,
I've been dying to kiss your lips
so sweet divine and alluring.

A kiss that burns with deep desire
I kiss your lips over and over.
I will keep it up until we're both fulfilled,
after all we've been aching in throbbing need,
waiting for far too long to please this need,

So a long desired firey passion filled kiss
I plant light then firmly on your precious lucious
lips that deep desired wanted kiss.
How badly we both have needed this,
I love you dear this is just the first of many
deep and pleasuring loving kisses.

Michael P. McParland

Night Note 7

The sun has now set over the western horizon,
night has set in and it's of you I'm thinking.
I worry though you don't like me too,
I do anyway because I love you and want you to be well,
not in tears or some useless fear of me just leaving you.
I promised from my deepest heart of hearts that
I would not abandon or coldly cut and part.
You mean too much you are my everything.

I send this night note just to say hello good evening
I hope sweet love that you are doing well,
that even as I sit and read it's you I think of as I go along.
I'm with you always hand in hand,
I'm watching out protecting you in every way.
I want you to feel my loving warmth,
sent to you with great big kisses and hugs.

I love you dear have a good night and calm your mind,
have peace in your heart as I hold you all night long.
I love you so and hope you know it's true deep
within your precious soul.
You my Angel and my Queen to whom I offer all and give everything.

Michael P. McParland

Love Note 34

Hope you're having
a peaceful, beautiful,
wonderful night my sweet love.
Laying here in bed
dreaming of you.
I can feel your spirit
all around me here,
you're so filled with love
and it makes me
feel so good.
I sending all my love to
you as always in return.

I love you babe
you are my only one.
Please come take my hand
and let us spend
the night in sweet content
in each others arms.

Michael P. McParland

Come Rest 2

Come lay down with me sweet lady and get some sleep.
I'm so very tired and I hurt a lot,
come lay down and hold me close while we rest.
I want and need to feel your warmth and spirit,
feel your love right here in person.

I miss you deeply so very much,
I'm with you always be surrounded in my loving warmth.
I just want to lay in bed and hold you close,
feel content and safe within your arms.
You're all the company I truly need.
I love you my sweet sweet Kira come
lay down within my arms and rest with me.

Michael P. McParland

Excruciating Pain

Such excruciating pain within,
I just want to curl up in a ball and die.
I just ache in whole and want to have
you here to tightly hold.
I'm so lonely and all alone.
I don't know what to do without you here.

Michael P. McParland

Working Hard 2

I continue always working and
doing my very best for you.
I'll never give up I promise that.
How could I stop working toward
and do for the one I so truly love?

I'll do and give you all my best,
I want to always be right by you.
You're my hopes and my dreams
and I won't forsake you for anyone or anything.
Please have faith and please have trust,
come take my hand and celebrate our bond.
I love you dear and just want you
to here with me.

Michael P. McParland

Restful Day

I need a day to rest from writing sweet lady,
there will still be some today but not as much.
Just remember though it doesn't mean that
I love you one bit less.
I'm just still so very tired from the
endless days of no sleeping and the
pain I'm in is immense and very intense.

I hurt in every way that a person has to hurt,
physically from the chronic pain,
deep arthritis from the psoriasis that haunts me,
and an aching heart that loves and misses you.
That pain runs deeper than the rest,
the only thing that would kill it would being
in your arms in this very spot.
A message would though give some relief.
I know though that you're doing things
the way you feel you must.

So this is a restful day to just lay back and relax,
liste to my favorite Pet Shop Boys album Elysium
many times again and again.
Many songs of love and reflection and as all theirs do
they make and help me think of you.
I'll be with you this entire day holding you close and your hand,
I love you darling so very much I'm with you always
in spirit, mind, soul, and heart.

Michael P. McParland

Love Note 33

A note to say hello
my love and I love you so.
At the doctors office and
about to leave I just
wanted to let you know
and hear these words from me.
I'm thinking of and
always with you,
my heart is longing to
be near you.
I want to hold you
oh so close and very tight,
you are so missed each day and night.

I love you dear
you are my only one.
Please have a special day
now with this big hug and kiss.

Michael P. McParland

Sorrowful Mistakes

I wish I hadn't made all
these stupid mistakes,
I'd give anything to take them back.
From the first so long ago
to the most recent not so many days ago
I feel awful and my heart is tortured.

I'm so sorry Kira sweet love,
although I know sorry is hardly enough.
It is the best I can suffice right now,
when the time comes though and
given the chance I will spend my
life making it up and proving myself.

I'm just so truly sorry for all of my wrongs,
even as I sit here in the doctors office
I feel I could cry.
To know I have hurt you is a sin
for which I feel disgusting and foul,
and to know you're angry even rightfully so
hurts my heart like the burning damned.
I love you so much my sweet Angel dove,
I feel like a cretin for all the wrong
that I have done.

I long and pray for you to know that
I am so truly sorry and that I will make
it all up when we are together.
Please know that I truly love you so much
and that you are the one My Angel Queen
who I want to spend eternity.

Michael P. McParland

Morning Note 5

There is no sun in Minnesota today,
it's cold snowing and dreary.
Your love and thoughts of you will
brighten everything and help me get through.

Good morning to you sweet love
I hope you slept well and feel better today.
My loving warmth is coming your way
and I'll be holding your hand and
you through the entire day.
I miss you tons and will be thinking
of you and your strength to get me
through this busy day.
I love you tons and can't wait
to have you by my side.
You're the only one that truly
makes my life feel better.

Michael P. McParland

Goodnight Sweet Kira 6

Goodnight sweet Kira back to bed to catch up on sleep,
I'm holding you tight and will see you in the land of dreams.
I'm sending you all of my warmth and love and giving
you comfort and fulfillment with kisses and hugs.
I'm so very tired so I need to lay down,
goodnight sweet Kira you are the greatest woman alive.

Michael P. McParland

Love Note 32

Finally got a bit of rest my dear,
now some dinner then back to bed I go.
I just wanted to stop and let you know
I love you so my sweet angel dove.

Michael P. McParland

Still Can't Sleep

I still can't sleep and I'm beyond exausted my lady,
so I'm laying here looking at your picture it's
making my eyes a bit dusty with the aching longing tears.
I'm too exausted and fatigued to fathom
much to tell you and say.
It's just I still can't sleep and need
to reach out my hand for you to grab and
comfort while I lay here and doze looking
at your beautiful picture.
I love you my dear and if you only knew
just how sorry I am in all the ways that I've failed.
You just mean so much to me my only one.

Michael P. McParland

A Rest 3

I've been awake for something like 52 hours,
I lost exact count awhile back.
Finally ate a bit of food and will
lay down and hope to at least rest for a few.
Oh my sweet darling will you grace me
in the land of dreams among the flowers?
Where we can just lay down by the stream
on a cozy blanket under a tree.
Listening to birds chirping and
the wind lightly blowing across the lush land.
A place of peace to just hold each other,
gazing into our eyes revealing our souls.
Pouring forth all the dreams and desires we hold.
For now until we really can please meet me
in the luscious and plush land of dreams.

A rest for me I hope my heart will
stop hurting for just awhile.
It's making my whole body ache and
yearn for relief and the need to be held by you.
So a rest for me sweet dear one.
I'm sending you all of my love and my warmth,
and I'm with you there holding your hand,
reassuring you of all my love giving you my strength.
I love you sweet one I miss you so much
if you feel a tear or two hit you it's because I love you.

Michael P. McParland

Things To Say

There's just so much to tell you
so much to say and I'm bursting
with the need to tell you and spill it all.
With nothing would I ever be crass
or have the intent to offend,
it's just my love that the filter
would need to come off.
The chains on these walls broken for them to fall,
and behind it just a riptide of info,
emotion and questions.
Not one from anger or in transgression,
just a long fulfilled need and
service of trust to you by releasing it all.
Many questions you'll find stupid and dumb,
much reason and explanation for actions
I've done both right and wrong.
A lot of embarrassing moments and
blushing for us both.
All because I want to release for you
let the walls fall and there's just
so much to say and so many things,
and all must be in private just you and me.

Michael P. McParland

Early Morning Blues (Brightened By You)

Not that I've yet slept but still I sit
here in the early morning with the blues beset.
I'm lonely, bored, and aching so bad inside,
the blues have got a grip and they're shaking me up.
One thing though and one thing alone helps
bring a smile to my face and help for now chase them away.

I just sit back and think of my lady,
though it honestly does bring to my heart more of a tug
it calms me down because I just imagine us
laying back in bed holding each other, smiling, content.
No more confusion or fear of anger from miscommunication.
Just being there with each other in bed held tight together,
our bodies warming each other skin next to skin.
Just pure love surrounding the scene.

I know it's reality will soon be discovered and when
it is I'll never want to leave that spot or let go of my Angel.
We will have fought too long and hard to get to that spot,
the rest of the world will have to wait till we're ready.
I just think of that and hold in my heart the knowledge
of being together again and spending time with each other to no end.
She helps me beat the blues even though it tugs at
my heart just a good deal more knowing she's not here
but damn it she's my hope and desire, the woman I love and admire.

So as I sit in the grips of the early morning blues,
even considering food then sleep who knows.
She helps kick down the door in all ways,
almost bringing tears to my eyes.
She's the key and my only one I hope I still bring her
happiness like she does for me.
She is my angel my protector my soul mate forever,
Her name is Kira and before God and all of you
I proudly attest that I love her.

Michael P. McParland

My Heart To Yours

My heart to your heart
beating together as one.
Combined and joined
in the rhythym of true love.
Feeling complete when together
no longer alone in sad slumber.
My heart to your heart
always for eternity beating together.

Michael P. McParland

I Get Confused Sometimes

I get so confused sometimes my lady
and was really lost the other day for awhile.
In my work to get better if I begin
to feel frustrated I must immediately back off.
It's to help cool my jets so I don't
burst into flames in an unnecessary way
just hurting others in my way.
In all that's surrounded me I got confused.

I'm so sorry I'm so stupid at times,
my mind just spins around so fast with
the bipolar I can easily get lost.
I know you have seen it though I
most likely never told you or explained it.
I take full blame for that
oversight and I'm filled with shame.

All I can say is I get scared and confused,
especially when I think and
feel I've done something wrong.
The methods I may have to use at times for
my improved temper and its cooled down demeanor
will need explaining or they
can be up front offending.
I'm so sorry sweet one I just
so often feel confused
and I feel ashamed with myself
always because I deeply love you.

Michael P. McParland

I Just Want.....

I just want to be loved.
I just want to be needed.
I just want you to accept me sweet lady.
I know that you love me so deeply
and that you treasure me too,
but I need to hear the spoken
assurances sometimes too.

I just want to know that I'm needed,
that I've done a good job in the proper places,
I need to hear that I'm handsome
as so few have ever said it.
I want you to look at me and say
sweet man you are spectacular
and I'm so happy to have you.
Because men often need to know
they're appreciated too,
just in some different ways it is true.

I just want to know that I'm needed,
that I provide a safety and comfort,
that I move you in all ways not just my art.
I want to know you think I'm smart even if I'm not,
for you to rest your head
on my chest and say this is the best.
I just want to be loved, needed,
and accepted, because you my
sweet lady are everything I've ever wanted and need.

Michael P. McParland

Reaching Out 2

Reaching out now to touch you
and let you know I'm there.
Please grab my hand back and
let me me know you're still there,
that you are holding my heart
and want to keep it in safe care.
I'm reaching out for both of our sake.

I'm missing you and my heart really hurts,
I just need to fee; you near to relax.
I want us both to feel safe and
have comfort through each day.
It will help us build on what we have.
I love you so much I'm so deeply tired,
I'm reaching out to let you know I'm still
here and I'm not leaving.
Will you grab my hand back and help me relax?

Michael P. McParland

Longing 2

Longing so very bad for you on this night,
feeling cold and alone I'm scared without you near.
You're my protector my Angel,
my hero that chases the nightmares away.
You keep me calm and give me peace of mind,
you're all that I want in this space and time.

Can you feel me near and all the
love and the warmth that I send?
Is it helping you tonight as
you go through it by each minute?
I'm feeling so sad and wish you were here,
I'm lost and I'm hurt I need your peace.

You mean more to me than you can truly know,
I'm longing to wrap my arms around you and hold you close.
I'm lonely and hurting for you,
I'm sending you all of my strength, my love, and my warmth,
I'll send you my sleep too if you need and it helps.
I don't use much these days I've been awake for 46 hours.

I just long for your presence my Sweet Angel Dove,
a blessing to me from high above.
May God always be with you and bless your kind heart,
may he keep and protect you from all harm.
I ask him to stay by your side the whole while,
comforting and protecting my woman.
I love you so much my only one,
I'm longing for you and I hope with me you're not done.

Michael P. McParland

A Prayer For Your Comfort

I come before you dear God to ask thee of these favors,
a very few for myself but almost
all for the woman I love and adore.
Help her to know my words, thoughts, and deeds are pure,
that this is the truth in my heart and soul,
and that for eternity I have given those and myself
to show the great depth and expanse of my true love.

Please dear God be right by her side each night and day,
give her your arm to prop her up at times she needs help.
Help her to know it's okay to seek assistance
from those that she loves and love her in return.
Help her to know that I am here and she's not alone,
please help carry her when she's fallen and feels
that she cannot carry on.
Please dear God help her to see that I'm here with deep love,
wanting to help and to serve,
treat her like the marvelous woman she is.

Dear God sit by her bed every single night,
stroke her hair and her face to give
her deep comfort and no nightmares.
Please be there to help calm and
heal her beautiful loving heart.
Please help her to know I deeply regret
the pains I did inflict,
that I will never forgive myself and relive them each day.
Please my dear God help her to know
that I'm so truly sorry and want to help her heal.

Dear God please clear all people and things
away that would hurt her.
Please punish them for she's truly a loving delicate woman,
yes she's a fighter and survived so very much,
but at her core I've seen she's tender, loving, and soft.
Please dear God of the sorrows hasn't she had enough?
Please though stick by her I know that she'll conquer.

Dear God just bless her so much in every way that there is.

I love her so much and I don't know that she believes,
but the wells that I hold are expansive and deep.
Please help her to feel my heart and my soul and
that I am always right by her side my hand in hers.
Dear God give her comfort and peace,
tell her of both of our love and how beautiful she is.

Michael P. McParland

Goodnight My Sweet Sweet Kira

Goodnight my sweet Angel I wanted
to give you a goodnight kiss,
I'll probably be up a long while yet.
I'm here with you though curled up in bed
holding you so close and tight in my arms
my hand is forever in yours.

I'm sending you all of my warmth and love,
with endless kisses and hugs for you to wrap up in.
From head to toe please feel their comfort and be secure
I want you to know that you are so deeply loved.
I'll send along some of my sleep as well so you
may rest at length and be refreshed.

I'm just so filled with sorrow so you
may hear me crying and feel my tears as
I'm behind you holding you tight to my body.
Please don't worry about it,
just go to sleep knowing that I am there
holding you dear and will not leave unless you say.
My heart is just heavy from my own misunderstandings
that have hurt my Queen and given her sorrow.

Goodnight my sweet sweet Kira Angel of light,
I won't sleep for a long while yet but
I'm there and holding you tight.
With a kiss and a squeeze of the hand and hold
I say goodnight Angel Queen my sweet sweet Kira.
I love you so much.

Michael P. McParland

Night Note 6

A quick note to
say I love you my dear
it's been an incredibly
lonely day without you here.
I occupied my mind with a
few interesting things and the mundane.
All the while though you
were running through my mind.
Wondering how you were doing
and if you were good.
Hoping you were feeling all
of my endless love and warmth.

I love and miss you
so very much.
So I wanted to send
this little night note
to let you know
I so truly love you
and you've been on my mind.

Michael P. McParland

I Want (Your Hero)

I want to be your hero,
the one you look to when you need a shoulder,
the man whose hand you reach for every time,
the man who means the most protecting your entire world.

I want to be the man who helps heal you,
the man you'll lean on in times of need,
the man you know you can count on in the worst of times,
I want to be the man you know will fight and bleed
and give his life to protect your honor and your entire self,
I want to be your hero my sweet dear Angel.

I know you're hurting from the past and want you
to share with me these crimes against my treasured one,
then help heal your broken heart and sacred soul,
make right for you everything I can.
I want to be your hero my Sweet Angel Queen.

I want and wish to always give you this service,
an eternity with you to share our love forever,
hand in hand in each others arms.
I want to be your hero as you
are mine I'm your biggest fan.
I love you Kira and I long to be your hero,
if you look into my heart you'll
see my pure intent and desire.
I love you sweet lady forevermore my only one.

Michael P. McParland

I Love You Kira 8

I just need you to know right now
that I love you so much.
Kira I will give everything up just for you,
my life and soul are incomplete without you here.
I just love you so much and our bond
will hold us together in some fashion forevermore.
I hope you will come and see all I've done
and how I truly am.
Give me the chance to show you I am faithful
to my Angel and my Queen,
that I will be a good man for thee.

I love you Kira so very much,
I'd walk through a valley of thorn bushes bare skin exposed
to get to you and share your love.
I would walk on hot coals or broken glass,
I would give you anything and do what you ask.
I know in my heart and in my soul that
you would never ask or demand such things,
I swear to you though I will go the lengths for your love.

You've touched my heart and my soul,
they are forevermore only yours.
I hurt and I ache like tortures of the damned
without you here in my life by my side.
My heart is twisting in excruciating pain,
I break down in tears and crumple physically
time and time again.
I love you Kira and without you my heart will never mend.

I love you so much and the pain is intense,
I would never in any way lie of these things.
You're my better half and my angel true.
Without you I'm lost and confused
what am I to do?
Please come take my hand and hold me so close
let this stupid man prove his heart is love and my true worth.
I love you sweet Kira you're my Sweet Angel Queen,
without you here I've withered to nothing.

Michael P. McParland

Hold My Hand

Hold my hand sweet love and brighten our afternoon,
I'm hurting today and miss you so much.
I just want to be reassured and feel you near,
I'm also sending you all of my warmth and my love.
I'm wraping you up in my arms while holding your hand
whispering in your ear I love sweet lady everything is alright.

Come hold my hand and make this afternoon bright
you are a dream fulfilled and the light of my life.
I'm always with have never a doubt,
I'm holding your hand with my arm around your sholder
pulling you closely and tightly in.
I love you sweet lasy my Angel Queen,
come hold my hand to complete both our days.

Michael P. McParland

X-Rated (Sometimes I'm Extreme)

I can be X-Rated at times and very extreme,
X-Rated doesn't mean pornographic
it's just a warning of something possibly being shocking.
I can and quite often am in the right company
X-Rated extreme to the highest of orders.
Yet around those I love and respect in fact
out of general decency I don't act that way in public.

I can be X-Rated and extreme and though never G rated
I can also be very classy and clean.
It just depends on the place and situation,
sometimes it's great and releasing to be extreme and X-Rated,
other times it's cleansing to be reserved and behaved.

It's a duality in humanity it's to varying degrees
in who each person is and the view they see.
X-Rated for some may just be PG to me,
or a very light PG-13.
It's all ones perspective on the world in general.

So rather I'm feeling X-Rated extreme or my best light PG,
I'm still me at my core and that's they way it should be.
Being course in the right place and time,
then paying due respect and reverence in it's right space
for those who would be offended and disgraced.
Despite having an X-Rated side and some taste.
I still have honor and I will observe and pay that respect.

Michael P. McParland

Zeal

I feel great zeal in all the
love and acceptance you give to me.
Happy can't even describe it just right sometimes.
I'm zealous and burst with pride,
from this great gift of true love you give to me.
It's helped me to tear down these walls,
to confide in a woman I feel such endless love for.

Joy is not even adequate to
describe this feeling I feel,
I'm filled with zeal over
the fulfillment you bring to me.
I'm zealous of the future I know we'll share.

I just love you so much
and I'm zealous over the woman I cherish.
For life I'm going to hold you close
and hold you ever so tight.
I love you sweet lady and I say it with zeal.

Michael P. McParland

Tired And Painful Sunday

It's just a painful Sunday I'm
tired mentally and yearning for you.
It's one of those days where nothing
distracts or satisfies my brain.
My heart hurts to much and my
mind wanders wondering how you are
and just how you're doing.

A dull painful day with a aching and
tired heart that just wants you here.
To help calm it and ease with reassurance,
and return the feeling and favor.
A Sunday with no help to be passed,
just sit through it and hope something comes out.

My soul and heart are tired and in pain,
your love is the only thing that can ease this rain.
I know though that you're mad at me I can
feel it even so far away,
that makes the hurt worse and I feel such deep remorse.
I just want to give you my best,
if you only knew how hard I've worked and I've
tried both mentally and emotionally in all ways.
I will have bad days though so please don't give up on me.

A tired and painful Sunday I hate so very much,
I'm lonely and empty with no one to talk to.
I yearn and I long for your sweet spirit my dear,
I'm sending all of my love and my warmth
I love you sweet one please feel me near.

Michael P. McParland

Never Slept

Been up somewhere between 32 to 34 hours,
I just can't sleep with my mind at a peak.
Thinking of much pondering this and that,
worrying over what I've done wrong along
with if and how I can correct it.
My hearts twisting in agony hoping I can.

I never slept not even really a little rest,
maybe later fatigue and tiredness will will get the best.
My mind is pumping though peaking along,
trying my best to improve where I need and want.
Trying so hard to get things right for the
people I want to benefit from this work.

I never slept because my heart would not relent,
it just gave me aching pain and longing for my precious dame.
I miss her so much and my heart and mind can't relax,
I just hope she knows and she feel all my love
and all the energy at work to give her my all.

I never slept but later I'll try,
probably after 48 hours has come and passed by.
Just to read and to write,
watch some films and with my parents spend time.
Most of all though just hope I hear from her.
So I'll sleep in due time when it comes
until then though I'll just distract myself with many a thing.

Michael P. McParland

Love Note 31

I love you sweet dear
and I miss you so very much.
You are the gleam in my eye,
the woman for higher plains
which I strive.
You are so truly spectacular
I just want you and need you.

You are the one I adore,
a peach the apple of my eye,
a true priceless gem and
in your beauty you're unequaled.
I love you darling and I miss you so much,
I am with though sweet love forever and always.

Michael P. McParland

Mee Too (My Friend)

Mee Too I wish you'd come back,
I really miss you a lot.
The conversations, the fun,
all the funny jokes and stories we told.
Mee Too you're still a good friend in my eyes,
you're in my heart forever and that is no lie.

I just miss our conversations serious and silly,
all of the things and times that we shared
that it's gone is a pity.
So Mee Too I wish you were here,
to talk and to laugh,
help all the hard times pass.

Michael P. McParland

Morning Note 4

The sun rises in the east
with thoughts of you shining brilliant in my mind.
The sun sets in the west with
dreams of you but that's for a later time.
The dreams and memories are
a bright wonderful way to start my day.
A new hope I'll hear from or see
you in someway I crave.
A new bright spot to hope for and strive.

So a little note to say good morning
babe I love you so much on this day,
and every day before and after this one now.
You're my lady and I am dedicated
and true to only you.
I offer you my heart and my life,
for your love and acceptance
are all that I want.
To wake every morning knowing
and seeing that you are still there,
that it's not all been a dream and
with waking a crushing scene.
To smile and say good morning
I love you then kiss you to get going.
That would just be the start of our day.

So this little note to say good morning
and hello sweet one.
I'll try my best and hope to please you today.
I love you sweet lady my Angel on high,
I'll try not fail you again today.
Give me a kiss to give me your best,
so many chores but your memory and spirit
will give me the energy to get going.
I love you so much my sweet darling,
good morning my sweet angel dove.

Michael P. McParland

Please Just Love Me

I love you so very much my darling one,
so please believe me when I tell you that from my heart.
You mean everything to me transcending
the moon and the stars our friends in the sky
that blow us kisses every night.
I don't want much my sweet lady,
please just love me, come get me
and give me the chance to prove myself.

Please just love me, hold me, take my hand,
talk to me and make love every night.
Please just love me and let me give you
all that I have and everything that I am,
I'll never stop working on what and where I need to.
Please just come take me in your arms and
share our love through eternities time on end.

Please just love me that's all I really want,
to be with my cherished lady and
be honored by her hand in mine.
Please just see the truth that is within me,
please just love me and hold me like I know you do.
That's all I want my sweet lady because I deeply love you.

Michael P. McParland

Hold Me Tight 2

Come hold me so tight tonight please,
I'm in need of your arms around me.
Don't know if I'll sleep and pretty sure I won't,
but I still want and need you here
in spirit to hold me tight and help
me feel safe and content.

You don't have to say a word if you don't want,
just to feel you close with your arms around me.
Hearing your voice and your breathing though
would make things a million times better.
If you want to and you're willing of course.
Please never feel forced because
that's not what we're about.
So if you'd like will you come hold me oh so very tight?

I need you tonight and every night for eternities light.
I feel safe and accepted in your arms,
I feel like a man when you look at me.
You don't laugh and mock calling me crazy like others do,
I love you so much believe it or not.
So please come hold me close and hold me tight,
please help me feel safe and at peace on this night.

Michael P. McParland

I'm Not Perfect

I'm not perfect and would never claim it.
I'm a zillion light years from it
and don't put up nor hold false bravado.
Right at this time from perfect
I couldn't feel further.
I'm anything but and I won't claim it.

I'm not perfect at all
but I feel perfectly alone,
empty inside without my one.
At this point I don't even feel protected by God.
I'm nowhere near perfect and have
never made that claim,
not while in sound mind at least.

I'm not perfect I'm just lost.

Michael P. McParland

Night Time Tears

Lying here in bed looking at your picture,
crying as I examine your features.
I know you're mad and since I can't tell you
I just turn to your printed gorgeous features and say
I'm sorry sweet lady, I love you, I miss you.
I wish I could get things right reach out and hold you.

Just laying in bed with tears running down my face,
I think of you and how I want you in this space.
It's empty, it's lonely, and you're the only one
that can fill it and be satisfactory.
I'm sorry I'm bipolar if I could cure it I'd do it just for you,
I'm working though by taking all of my meds
and doing the right things the best that I can.

Lying here on this night crying a lot,
I just look at your picture and pray to God.
That you'll be alright and be at
peace in your heart and your mind.
That you'll be able to rest and in the morn feel refreshed.
Please don't worry about me you've bared enough
of my bothersome burdens.
More than you should and I have no right to ask,
so please just lay your head down and get some rest.

Lying here looking at your beautiful picture,
the tears flow because I love you and miss you.
I say goodnight to you and please don't be mad,
I wish I could adequately tell you and show you what's in my mind.
Then I hug it against myself since I don't have you here
then put it away for the next night and many to come.
I love you sweet lady please don't worry about me,
it's you that's important to me.

Michael P. McParland

Night Note 5

Goodnight sweet lady
I know you're mad at me.
I'm praying for you to have
peace of mind and peace of heart.
I'm going to bed and wish you were here,
I just hurt and feel bad.
I can feel that your mad
and it burns in my chest,
I'm just so truly sorry I'm trying my best.
I'm lost and confused trying
to figure the way just what to do.
Rest assured always that I deeply love you.
Be at peace tonight I'm sending you
all of my strength and all of my love.

Michael P. McParland

It Was Only You

It was only you I've ever wanted,
you're my very best friend and I failed you.
You're the most beautiful woman
I've ever known.
I don't know what to say except
I love and cherish you more each day.
No other woman took the time to get to know me
and listen to me, treat me like an equal
human being.
You touched me like no other could ever,
I can only say that I love you so much
and without you there's no point left.

Michael P. McParland

Goodnight Sweet Kira 5

Goodnight my sweet Angel dove Kira
my blessing from God up above.
Early to bed for me tonight I'm so exhausted
and I have a headache with bite.
I love you so much and just want to give you my best,
please know that I try in every way that I can.

I'm sending you all of my love and my warmth
with great big extra kisses and hugs,
please wrap up in them and find comfort galore.
I miss you so much and have done a great deal of crying,
like it or not for you I will worry.
You're my true love and about you everything matters.

Goodnight sweet Kira I'm right next to you,
your hand in mine my arms around you.
I love you so much and want to spend my whole life,
for you my sweet darling I'll never stop trying my best.
Goodnight my sweet sweet Kira my Angel Queen.
I love you so much will you
accompany me to the sweet land of dreams?

Michael P. McParland

I've Tried

I've tried so very hard and I've worked,
I never said it was easy and that I had far to go.
I'm sorry you're angry at me and
it leaves a huge aching ball in my chest,
please don't give up on me I'm trying my best.

Michael P. McParland

Infinite Kisses

Infinite kisses and hugs I send to you my love.
Never ending dedication and hope,
never ending light from you my Angel on high.
Everlasting joy and contentment found in your arms,
true fulfillment and satisfied need given by you.

Infinite endless kisses and hugs I send to you,
be looking and make sure you receive them
because they're only for you my sweet Angel dove.
Infinite kisses for my lady true,
infinite kisses because I truly love you.

Michael P. McParland

Does My Art?

Is my art actually any good?
Does my art even matter?
I strive and I try but perhaps I am a failure.
I want to honor and paint the greatest
portrait through my words be it a person,
subject, or object.
I feel in sad doubt right now though if
I am any good in this art.

Does my art truly reach out and touch?
Or am I truly a mad man in his own world?
A world where people feel a sympathy so
they say good job you're improving my friend.
If so I truly thank them for being so kind,
for I'm good at so little and so few are kind.
I'm thankful for their kind words, hearts, and minds.

Does my art really matter even in small?
Does it reach the woman I love?
I write for her most because I strive
to honor her above all.
So I ponder is she honored by my mad minded scrawls?
Does she know and feel my heart and soul within?

Is my art touching a single person?
Moving their hearts and their souls,
opening their minds to new expanses?
Maybe it's so I don't really know.
I just hope that it is, and most of all I hope
she knows of all my energy I pour into the words.
Only time tells of art rather it's ulimately good or not.
Still I'll wonder does my art even matter?

Michael P. McParland

My Heart Melts

My heart melts for you every time I see or think of you,
my soul is yours as I know we are connected forevermore.
My knees buckle and I begin to shake,
whenever I see or hear your voice it's like a seizure overtakes.

My heart melts for only you and with
tears my eyes begin to fill.
For I an blown away by the loving presence you bring.
I am awe inspired and struck speechless by your love.
How does a common man like me get such an honor
like you loving me?

My heart and knees melt for you at every turn,
the special tingling an eternal thing I yearn.
You are my Queen the entire universe to me,
my heart melts for you every time my Angel Queen.
I love you truly and always strive to prove it,
I wish you could feel just what I do inside.
My heart is your forever more,
it melts for you at every turn.
You are the most precious jewel and lady in my life.
I love you dear please be my wife.

Michael P. McParland

Love Note 30

A love note to check in on you
and say I hope you're well
my sweet angel dove.
I hope your day has been well
with lots of sunshine to keep you warm,
feeling all of the love I'm sending to you
with my arms wrapped around pulling you in to.

I love you sweet babe you're my darling one,
I miss you so much my heart
from the pain is coming undone.
God be with you always and bless your sweet heart,
I miss you so much but
I love you even more.

Michael P. McParland

So Tired

I'm so tired and feel broken inside,
don't know what to do except hide.
Hide from the world just sit and
escape into my music,
escape into my books doing lots of reading.
Best of all though escape into my dreams
to see and spend time with my precious lady.

Just to see that beautiful smile and those shining eyes,
to hear her voice as we just spend the day talking.
About anything and everything it doesn't really matter,
the most important part is that we are together.
Just spending time and holding each other,
reading, singing, and watching movies together.

I'm so damn tired and weeping inside,
I'm all alone and just want to die.
I'll go to bed soon and sleep a long time,
I hope to see you and hold you in dream land my one.

Michael P. McParland

A Word

A word for you my sweet Angel dove.
You are the greatest and I love you so very much,
I'm lost and I hurt without my true one,
but you give me hope because I know one day you'll be here
and that gives me joy.
I love you dear lady my sweet Angel dove.

Michael P. McParland

Love Note 29

Before I go about this
cold dark dreary day I
just want to say I love you dear,
I'll be holding you tight in spirit
thinking of you the entire time.
Praying to God that you'll be fine
and feel his love and mine.

This quick note to tell you
my only one you are so beautiful
and that I adore you, and I love you
as I go about this dull
dark dreary day.
You're the only bright spot there is,
for you're my sole light.
My dear sweet Angel Queen.

Michael P. McParland

Love Note 28

I just love you so much babe
that I can't stop writing.
Do you realize how much
I truly love you dear?
Do you know how badly I need you?
Do you realize just how much
you truly mean to me and that
I would never lie about such a thing.

I love you Kira and I'll
keep writing though maybe not as much.
Why will I keep writing you ask?
Because I love you so much and
will prove it to you by fighting
through all pains and the names
and mocking from others here.
I love you Kira you are my Queen.
Do you really know just how
much you mean to me?
I love you babe.

Michael P. McParland

Thank You Pet Shop Boys

about my sweet sweet Kira the
greatest lady for real.

Thank you Chris and Neil your masterpiece
album Elysium has come to be the soundtrack
of my life both sad times and happy surreal.
Intellectual dance is how I would descrice you.
You've proven pop can be more than the passing fad.

I won't go on at length but say
Chris and Neil you touch my heart and life in evey way.
Two gentleman of the greatest kind,
I thank you dear sirs may God bless
you forever for the servive you've done.

Michael P. McParland

Love Note 27

My Darling with tears in my eyes
I just want to tell you
that I love you so much.
I won't be around

Michael P. McParland

Tear Soaked Pillow

Back to my lonely tear soaked pillow,
I hope I'll see you in the land of dreams
where we can cry together and just let it out.
I just want to have you by my side and near,
you don't believe me though and so
I hurt so much more.

So my head goes all alone on
my dreanched tear soaked pillow.
I love you babe please meet me in the land of dreams.

Michael P. McParland

I Miss You So Much 2

I miss you so very deeply painfully much.
I hurt too bad to say much more
except to tell you I love you deeply my only one.

Michael P. McParland

Out There Call Me What You Will

To all out there who want to call me nuts
and cut me down just go ahead because
you don't know me and you don't understand a thing.
You look and sound pathetically stupid judging
someone and their situation when you only
see and don't even know just one side of the story.
Go ahead and call me names and push me down,
in the end it's you that wears the losers crown.

So please go ahead attack my wrting and my mental state,
I'm type 1 bipolar and don't hide a thing
the difference from you is I understand and work
very hard to not attack and offend acting like
a child throwing a tantrum.
The names and barbs surely hurt,
It's painful and embarassing to be called crazy and mocked,
but I'm gonna be me and the fact is as long as my
lady KP enjoys my writing that's all that I need.

I write for me and her about whatever my fancy right then,
if you don't like it then pass it by and don't read it.
There are some people that like what I do and read it.
So don't fathom to tell me I can't express my love or
that I'm a psychotic sociopath.
I'll write for her as much as I want as well as anything else.
So call me names if you wish,
news flash to haters you don't know a thing about me.

Michael P. McParland

To My Lady Fair

Michael P. McParland

A Needed Rest

I now must lay down for a needed rest my love,
been a very long few days with little to no sleep
but thinking of tyou has helped me get through these few.
I'll see you in the land of dreams where we
can and will hold hands.
Wrap each other in our love and warmth,
just holding each other as we drift off
laying down nest to a river hypnotized by it's steady rush.

A needed rest for me my Queen will you join me for a bit of sleep?
A time to heal and bond our aching hearts,
mend all the time ans space spent apart.
Just reconnect as we lay by the river in each others arms and chat.
So join me in this needed rest and find some needed pease,
spending time with you is the greatest gift.
So come lay down and I'll wrasp ypu in my arms,
I love you Kira you're my lucky charm.

Michael P. McParland

Love Note 26

I wanna say a late good morming to you babe,
there have been some telling me
to stop writing you here and some have called me crazy.
Well their opinions don't matter
because you're my lady and
you are a huge part of my lifed,
really my everything.
So a late good morning to my ladt
brought to me by fate,
and a deep kiss to get us on our way.
I love you babe and who cares what
the haters say.
They're just jealous of what we have.

Michael P. McParland

Your Company

55 hours straight with no sleep.
I'm deeply wraked with fatigue and
starting to feel quite sick.
Would you honor me with your
precious spirit and company?
There is nothing more I could
want and need.

Michael P. McParland

My Hand Is Here

My hand is here please reach out and take it,
give it a squeeze and we'll silenly
communicate we love each other.
Them just lay side by side holding on
for dear life in true love forevermore.

Michael P. McParland

Please Come Hold Me 2

Please my dear sweet Queen Angel
come hold me tight and let me rest
my head upon your upper chest.
I've been awake for 52 hours and
I'm hurting so bad for the both of us.
I haven't stopped crying
the entire morning.
I promised I would never leave you
and I am here to dry your tears and hold you.

Please my dear literally come and hold me tight,
let me tell and show you in these months how
badly I really have fallen apart.
I want your arms around me I want to
hear you say you love me too.
Flat out I just love you and want you here.

Michael P. McParland

Feeling You Dear

I'm feeling your deep profound love my dear,
it's helping to give me peace of mind and calm me down.
You truly are an angel from heaven sent,
God knew I needed a special one that understands
and has deep unconditional love and patience to
take my hand and help me through.
You're a blessing and I'll spend my life in grateful
service dedicted to show my love and repay you.

It's been a tough last few days for me,
so feeling you near my dear is a great relief in helping me.
You set my mind, heart and soul at ease.
I finally feel safe with you in spirit holding me.
Just knowing of your bountiful love is
worth more than an infinite amount of worlds.
Thank you sweet sweet Kira for all your love and warmth,
you fill and complete my life and soul and I
truly love you so very very much.

Michael P. McParland

Longing So Much

I'm longing for you tonight so very much,
my heart is aching and calling to you.
It's telling your heart and soul that I truly love you
that I want and need you here because you're
the woman of my dreams and my Angel Queen.
I'm longing to hold you and talk laying right next to me.

I just miss you so much with all of your
strength and unconditional true love.
You help pick me up and fill me with cheer,
I hope for you I have been able to do the same.
I'm longing to hold you to fill you
with comfort, peace, and hope.
To help you feel safe and completely at ease,
we've always protected each other standing tall
against those who interfere and would hurt us.

I long for you my sweet angel dove,
I want you next to me showering kisses and hugs.
You help me forget about those that laugh
at and mock me for what I write and things that I do,
you make me feel like I matter and I'm
important and worthy of your loving heart.
I love you sweet darling and I'm sorely longing for you,
I just want you here in my arms sharing our
abundant love and deep warmth.

Michael P. McParland

To Feel Your Touch

My darling one I need to feel your touch,
yes in the most innocent of ways with
a hug and a kiss, holding hands while watching films,
shoulder rubs massages and just horsing around,
but there is the sacred spiritual side,
and I am in need of it at this point in my life.

I so badly want and need to bond with my lady,
the bodies a temple and not to be worshiped
but celebrated and shared with true lovers.
Bringing their hearts and souls closer together,
it is the greatest gift one can give to another.

To feel your touch would be the greatest honor to me,
I'm saving myself for only you.
No other can have me I'm yours alone,
because this act of the soul should be between
best friends that are soul mates like you and me.
I love you so much and in all ways I desire
and very much need to feel your delicate touch.

Michael P. McParland

Big Hug

A big hug my love before
I once again attempt to lay down.
I'll see you in dream land where
I have so very much to tell you,
and hold you tightly against me.
Just get some badly needed sleep
being comforted by you.
You reassuring me,
you like my poetry while others laugh at me.

A big hug please say a prayer
for us to find our peace.
I love you my darling one.
I need some sleep when I get to the
land of dreams will you meet me there?

Michael P. McParland

Love Note 25

I love you
I miss you,
I'm so lost and
confused I don't know what to do.
I don't think I'm
a good or usefull person.
I do know that you're
my best friend and Angel.
I feel like a worthless loser,
but above all things
I know I deeply love you.

Michael P. McParland

Goodnight Sweet One

Goodnight sweet one I'm sorry
I didn't get more posted.
Why does it seem something is always in the way?
I know though we'll persevere because
we've not let any obstacles fully derail
our deep and tender love,
I know we'll always fight for
our future for we are dedicated.

Goodnight sweet one I'll be laying
next to you in spirit holding you close
and holding you soft and tender hand.
I'll seal the night with a kiss of pure love
to calm us down and bring us peace.
I'm sending you all my warmth and love
with the greatest kisses and loving hugs.
Oh my darling dear I miss you so much.
You're one of so very very few that truly
knows me and accepts my eccentric ways
still loving me forever each night and day.

Goodnight sweet one I'll see you in dreamland
where we'll dance, rest, and hold each other
among the enchanting moon and stars.
We'll forget all our earthly problems
and just escape to our special place holding
each other the whole time through.
Forgetting about the people who poke and prode
making fun of what they'll never understand,
for in each other we have found such loving peace.
Goodnight sweet one I'll love you well beyond
eternities time.

Michael P. McParland

Tears

Sitting here weeping such bitter tears missing you.
I'm so lost I don't know what to do.
I've reached out and I don't know if
you've seen and heard my messages.
I'm trying to change those things which are wrong.
So we'll never face heartbreak again.

Endless rivers of tears flow from my eyes.
They're dry and scratchy and sore
from the exertion endlessly put upon them.
They burst forth from me at the oddest of times.
One minute laughing out loud to a favorite show,
the next moment I break down and the tears assault me
driven to the surface from the bitter pain in my soul.

These tears are the most lonesome things on earth you see.
Because you're not here to dry them and comfort me.
You know you are my rock?
You are the one I admire most.
You've continually beaten all the odds
while remaining a beautiful person humble
with no need to flaunt or boast.

These tears will they ever stop?
Will you come back and be my bride?
I love and miss you so very much.
These tears have never flowed as such for anyone else.
So let me tell you that you are my universe
my pride and joy.
Come take my hand and help me end these tears today.

Michael P. McParland

Love And Acceptance

I just want your love and acceptance,
the most important things I can conceive.
To be with the one I truly love,
to make and have a family.
To create a life with you is the
most wonderful gift we could give each other.
I really just want to say here though
is I love you deeply more and more and
all I want is your acceptance and unconditional love.

Michael P. McParland

Tender Caress And Kiss

I tenderly caress your cheek lightly with my hand,
looking you in the eyes as I move in for
our long awaited and deeply anticipated kiss.
It will be the most fulfilling experience and
moment in our lives up to that point,
an electric shock of profound ground shaking love.
A beautiful moment in time so long awaited and deeply needed.

Every night I can promise you I'll caress
your cheek and stroke your hair.
I won't be able to stop admiring
and touching my lady fair,
then just cover you in kisses to make up
for all the years and distace that
held up that sweet experience.

I just want to hold you near and confess
all my heart and deep love to you.
Look into your eyes and be hypnotized by
your precious gorgeous smile,
caress your cheek say I love you my great Queen,
then seal our love and the night with a passion
filled deep delicious kiss.

Michael P. McParland

You're So Beautiful 3

I'm feeling so very lonely today,
I'm missing you so deeply bad.
I just want to hold you tight,
kiss you tenderly a million times,
then pull back to look you in the eyes
and say Kira my sweet lady from above,
you're so beautiful you just blow me away.
How did I get so lucky to find you
and receive true love from an Angel?
How did I get so blessed to be with
the most beautiful woman I've
always wanted, needed, and who's
true love I've always craved and desired.
You're so beautiful how does a
homely man like me get so rewarded?

You're so precious my Angel Queen,
if only you could see the glowing
precious gem you are every time I think of you.
You are so beautiful in every way.
I need my lady next to me each night and day,
you're the only one who will fulfill and complete me.
You're so beautiful my little sexy Queen,
I love you in my heart and soul fiercely
yet at the same time so tenderly.
You are so beautiful I'm in awe that you love me too.

Michael P. McParland

You Would Be Proud

You would be proud of me sweet lady,
I'm holding my tounge and keeping my temper
against people and things I would have
struck out and attacked not long ago in these situations.
I'll not go into detail right here now
to pay it attention in public isn't worth it.
I just want you to know that you can be proud
for the distance I've come,
though I know there's still far to go.

These things though are quite discouraging
it brings me down and makes me want to give up the pen.
Why be mocked and down trodden when I'm already hurting?
Though I'm not bothering anyone so why do they care?
Anyway my darling of forever I just want you to
know I think you would and even are very proud
of all the work that I've done.
You've been the biggest reason because you're
my beacon of light and I love you my only one.

Michael P. McParland

Kira (My Sweet Lady)

Kira is my sweet lady,
a true treasure and
love that can't be equaled.
She's my lady and she's so sweet.
Kira my love you are so neat.

Kira is my sweet lady
and no other man
can be so lucky.
They'll never have the
greatest woman of all time,
I may not either but
she truly loves me something
they'll never have.

My sweet lady Kira the grandest
woman you'll ever meet.
She's my lady and forever
I'll love her through eternity.

Michael P. McParland

I Love You Kira 7

Kira you are an angel from my dreams,
when we met we were practically kids.
You were 16 and I 15,
8 monthe seperate our ages.
It was fate that we met,
I have no doubt of that,
for in these 16 years since we first met,
I've loved you endlessly through all that time.
I could never eve truly fathom a relationship
with another woman in our time apart.
I avoided them and ever self destructed many a chance.

I love you Kira and right now as I
lay in bed I long to just have you here and hold my hand.
Softly talking about this and that,
it doesn't matter what because we're together and
that's the important part.
I love you because ti you I know I can bare my soul,
share the pains and fears I hold,
yet all the happy glee and my glowing love for thee.
I love you Kira you're everything to me.

Kira you are the true love of my entire life,
through all the years you're the one I dreamed of.
Noone else could fill that gaping hole in my soul,
that space is reserved for you.
I love you Kira and that truy is the deal,
I can't imagine life without you.

Michael P. McParland

Quick Note

A quick note to my love,
I'm thinking of you and hope

I hope your hearts at peace
and the sun along with my love
are keeping you comfortable and warm.
I'm missing you so much and
praying for you too.
Please let me know how
you are doing and if I can

in all the warmth and love I send your way.
You are my everything and I truly adore
and love you so.

Michael P. McParland

Can't Relax

I can't relax to get some rest,
I'm thinking of you but it's
making me long and ache for you even more.
How much I just want to have my
arms around you and hear your beautiful voice.
Thinking of you almost always brings me peace,
but today it's making me restless and close to tears,
wishing and acheing so bad that you were here.

I can't relax this morning and have barely
eaten anything in two days.
Please my love send me all your love and warmth,
and I'll send ever last bit I can spare.
I can't relax yet but knowing you'll be
sending your loving energy will set my mind at ease,
I'll just lay down and think of what
we'll talk about and do.
Then I hope to see you in the land of dreams,
where I'll hold you, kiss you,
and then tell you I truly deeply love you.

Michael P. McParland

Love Note 24

Hello my love I wanted to drop
in to tell you I so deeply love you.
I need to lay down so I wanted
to give you this hug and kiss
before I put my head to the pillow.

I've been up for 28 hours and
I have been sending you all of
my love to help give you peace
and strength to keep you calm.
I may not sleep but need to get
a cat nap at least.
So I wanted to send you this note
before I lay down to say I love you my dear.
I miss my sweet Angel Queen.

Michael P. McParland

For The Very Few

To the very few people who regularly
read my poetry and like it openly.
I just want to say thank you from
the bottom of my heart.

It means so very much to me
for anyone to like what I pen,
so to the very few who do like
and respect me I owe you thanks
with sincerity in these words.

To have my art be appreciated in any way
gives me a joy I can't quite explain.
I speak from my heart I know no other way,
so despite any discouragement knowing
a few people respect me and my work
keeps me going.

For the very few and the truly special one,
I deeply thank you and I
can't thank you enough or repay your kindness
except here with a heartfelt sincere
thank you.

Michael P. McParland

Warmth, Love, Hugs, And Kisses 3

Warmth, love, hugs, and kisses with
my only one is the dream I most desire.
To be with each other forever in the moon
and stars celebrating love in a cosmic river.
An experience meant for only true soul mates and lovers.

To have and to hold feeling your warmth,
sharing our love, being able to hold you
at anytime sharing endless kisses.
It makes my soul sing just dreaming of this time.
Forever blessed and enchanted in the moon
and stars a cosmic ocean to explore
wide and far.

Warmth, love, massive hugs and kisses,
a dream I know we'll reach fighting always for each other.
A bond that's indestructible,
made of blessed steel that God created,
we'll forever dance within the cosmic ocean and river
with the moon and stars as our partners.
A true love and companionship built to last,
beginning and ending with our warmth, love,
endless hugs and kisses sealing our hearts and souls together.

Michael P. McParland

So Much

So much left to tell,
so much left I want and need to say
tearing down these walls to show you all.
It won't be easy and some things will
take time for me to be able relive
them from immmense and extreme pain.
I'll do it all though because I love
and trust you and if you want you
deserve have every right to know it all.

So much to share with my only lady,
my hopes, my dreams, only you
will ever be allowed to have my body.
A sacred thing to share and through
this life and the next it's only
you I'll give myself to.
You are my soul mate and if the loves
not true I would never commit
to another to another person anywhere.

There's just so much left to tell and share,
a universe of eternal happiness stretchs before us.
I long to tell and give you my heart
and soul my everything.
I love you dear that's the truth exposed in plain.

Michael P. McParland

To Honor You

I strive when I write to honor you,

I just want to show my love in ever way
and pay you the highest honors in life
which a woman and true Queen richly deserve.
I love you dear and I will always work
very hard to honor you.

Michael P. McParland

May I?

May I just put my arms around
you love and hold you close,
while I just rest my head on your
shoulder to feel your love and decompress?
I just want some quiet time to
sit and just lay down next to you.
A long snuggle with my Angel
is just what I need to
help feel better and make it through.

May I just hold you close and rest my
head right next to yours?
Some quiet time with you to just
reflect and take in your gorgeous self.
To just be there with you and feel your endless love,
while I share mine too by kissing and holding you.
There may be a couple tears but from finally
being there with my lady fair.

May I just snuggle, nuzzle, hold you tight,
while we just sit and softly talk?
I hope and pray for this each and every day.
Please know and feel my everlasting love,
to just sit and hold you and your hand
would complete me in so many ways.

So may I my darling dear just reach out
to tell you in full depth just how I feel?
May I just say to you I want you to be my valentine?
May I show you how deeply I truly feel?
I love you so my sweet lady Angel from above,
I hope and long for the days and nights where
I can just put my head upon
your shoulder and share our love.

Michael P. McParland

love there is there's no doubt that you are worth it.
Even through our worst fights and pain,
you have always been and always
will be worth everything.
No matter what may ever face us,
be it big or small, the good and bad,
you my dear are worth it all.

Not a thing on this earth or in the universe
could ever make me lose my love for you.
Your spirit is a bright hopeful beacon,
you are the greatest woman a divine blessing.
Oh my sweet sweet Kira you are more than worth it,
you are the only one I have truly chosen.
Your love and hand are all I want through eternities door.
You are worth it as I burst with endless love and joy.

Kira you are worth it and don't ever doubt it,
you deserve only the very best and
I'm not sure I am that but I will give you everything.
I'll stretch well beyond my greatest limits,
because my dear I love you deeply
and you are so truly sincerely worth it.

Michael P. McParland

Night Note 4

Goodnight again sweet love
I miss you tons and want you here.
My life has an enormus empty
spot without you by my side.
Please know that I love
you deeply like no other can ever love.
You mean everything my Angel Queen
the sweetest girl I've ever
known and seen.
I'm sending all my warmth and love to thee,
wraping you up in my arms next to me.
I love you dear and miss you so,
until you're here I'll see you
in the land of dreams.

Michael P. McParland

Society Wonders Why

Society wonders why we have
become such an uncaring
pack of sociopathic sycophants.
Well take a look at yourselves
the great lot of you
when your apparent reason
for existence is to
cynically spit on others
joys, hopes, loves and feelings.

So ask not why decent
society has died.
Look into the mirror and see
the unkind, uncaring,
sociopath that you are.

Michael P. McParland

Dear God

Dear God I send this prayer
to ask that you always be with her.
Let my love forever fill her heart,
that our spirits will always feel
each other as they sing and touch.
Dear God please let her know she's deeply loved,
that I'm here for her through
eternity forevermore.

Dear God please just touch
and calm her precious heart.
Give her peace surrounded
in you infinite divine love.
Keep her safe and give her perfect health,
let me carry her burdens so
she'll be so happy all her days.
Dear God she deserves and needs
relief from her afflictions in every way.

Dear God just watch and
protect her Angelic heart,
please let her know

are pure in true love.
Dear God let her know to me

Please let her know that to me

Under The Covers 3

Feeling really tired from my busy day sweet lady,
I'm about to go to bed and want to know
if you'll slip under the covers with me to
relax, find deep comfort and peace.
Just to lay there and hold you close is
the greatest gift you could give and I could know.
Just to share our loving care and warmth.

I love you dear and am sending you tons of
kisses and hugs with all my warmth and love.
Feel my arms around you my only one,
as we just lay under the covers softly talking one on one.

Will you join me under the covers in dreamland on this night?
Just hold hands, smile, and great big hugs,
lay beside a gorgeous lake.
Feed the ducks and just revel in the love we share.

I'd Rather

I'd rather be dead than spend
my life without you in it,
not having you around is a
painful nightmare so profound.
Not having you at my side and
as my wife makes my life a total waste.

I'd rather spend my life alone
than settle for another
because they'll never be as great as you.
I'd rather spend sleepless nights
and hungry days that never end,
then spend my time with another
woman while I dream and long for my fair lady.

I'd rather die and be all alone,
then live my whole life without you.
My life is empty and my heart
hurts in deep agony.
I just want you by my side and make you happy.
You fulfill my lonely aching
injured heart.
You help me forget a past I try to ignore.
I love you dear and without
you here it is so dreary and all
I want is my sweet Angel dove and greatest lady.

Michael P. McParland

My Sweet Darling

My sweet darling one I'm
reaching out and calling to you.
I need to tell you and you
need to know how much I truly
deeply love you more and more.
Your heart and spirit are so
truly tender, loving, and kind.
Without you here and had you never
entered my life it would be purely empty
null and void.
You are the keeper of my heart,
my only one.
The woman I know God sent to me,
blessed me with the greatest thing
anyone could ever need.
My sweet darling you're my everything
and I love you so deeply
it kills me to not be with you every day,
because you're my best friend
with an unbreakable bond with my soul mate.

Michael P. McParland

A Few Tears

A few tears tonight rolling
from my eyes down my face.
It's been a tough day
I ache and feel frustrated inside.
I wish you were here to hold
and help heal my aching lonely heart
and talk with me to forget these anxiety filled things.

A few tears from my eyes because
it was a struggle with a couple
of things that stress my being,
and tomorrow I'll have to try
and fix them again.
My mind is stressing already wanting them done,
I don't think I'll sleep again on this night.
How I wish I could be in
my sweet ladys loving arms.

Most of all though these tears are for you,
because I failed you tonight and miss
you so painfully too.
I want to hold your hand and embrace
you so close and firm.
Put my head on your shoulder while
we just softly talk.
We'd dry my tears because I know
you don't want me to cry,
it hurts your heart too when I do.
We could just spend time with each other
doing whatever and these tears would be gone
as if they were never.

A few tears tonight from a frustrating day,
I also felt lonely longing so hard for you.
More anxiety tomorrow having to correct things all over,
a few tears from the frustration and anxiety.
The hardest part though is missing you,
I want you, I need you, I love you so much.
I need you here I want to hold you and talk.

Michael P. McParland

My Darling One

My darling one I truly miss and adore you so,
I wish you were here to just talk and hold.
Share all our thoughts and future dreams,
about all the things we want to do and achieve
with each other in splendid harmony.
To have and hold you near is all I want for now.

Oh my darling dear I want to hold your hand
while we go for walks be it down the street or in the sand.
Just to see you smile and experience your
eyes which so beguile is a dream of reality
I so truly want and long to feel.

My darling one you're so amazing,
in all things you set my heart in passion ablazing.
You are my best friend and that you'll
have me blows my mind in astonishing excitement.
You are my darling one the only love of my entire life,
Kira you're my only one and I love you so much.

Michael P. McParland

I'm Sorry Love

I'm sorry love that I didn't
do better for you today.
That I was silent this afternoon and evening,
I laid down for a nap and went
out like a light for many hours.

I'm sorry love I failed you today,
I feel awful and hope you did not cry.
I have just been so exhausted,
but that's no excuse for failing my woman.
I'm sorry sweet love that I was silent tonight.

I'm sorry love that I let you down,
I feel terrible leaving you hanging around.
I love you so much and feel sick to my stomach,
I love you sweet lady I'm sorry I messed up.

Michael P. McParland

Love Note 19

Up for a minute from my rest,

and all the loving warmth I send.
Keep cheer in your precious heart,
don't forget your man is there
to always hold your hand at your side.

A note for you this very afternoon
to say I love you my Angel Queen.
Between my rests I just want
to say that you're the best,
I'll soon eat lunch then meet
you back in the land of dreams.
A quick note to say be filled with cheer,
I love you sweet and so very dear.

ILYF KP.

Quick night note before I do some chores.
I love you dear my Angel true,
you'll help pass the time and get me through.
Listening to my favorite music
the love songs I'll think of you.

Time to buckle down and do my few things,
then I can relax and write so many
of my dreams and feelings out,
read my books and drift off to worlds of written word.

Once again I love you.

Michael P. McParland

So Many Chores (You Make Them Fly)

So many chores to do around the house,

Dreamt Of You 7

I lied down for a rest in the late after noon,
then slept until midnight because I dreamt of you.
Why would I wake up when I am in heaven?
Why would I leave when I'm spending time with my Angel?
It has filled my heart with peace and joy,
oh sweet lady I adore you more and more.

I dreamt of my sweet lady and it gave me bright hope,
as we just did normal things like take a walk,
watch movies, talk, read a book, and listen to music too.
My heart and spirit are filled with joy,
for I know it was a gift from God your spirit touching mine,
giving me patience and hope knowing we'll have our time.

I dreamt of you my lady of the stars,
my heart is so happy and singing to yours.

The Truth Lays

The truth lays in all the years
where we have always loved each other,
never wavering and we're always longing,
to come together and always be with each other.

The truth is that our hearts and souls
have also been connected and as one,
an unwavering loving dedication never undone.
The truth lays in the way our spirits
are connected by this special bond,
that even in the worst times we could never break it.

The truth is even with great distance and too much time,
we still feel each other and our love
is intensely strong.
Over time it's just deeply grown,
the roots of which cannot be pulled apart by anyone.
The truth lays in that we are soul mates
and filled with unconditional true love.

The truth is my only one I could never
imagine being with another person.
You the Angel that is my light
and as each day comes for you my passion grows.
The truth lays in the fact I love you dear
to me you are worth a million worlds.

Michael P. McParland

Dance With Me

Dance with me and we'll tango the night away,
mesmerized and locked into a world of our own with each other.
Put your hands upon my shoulders as
I grab you by your sexy waist.
We'll just move together smoothly
in perfect harmony,
passing through the night in passion filled delight.

Dance with me my sexy lady tango with me proud,
let the inhibitions fly and conquer precious ground.
Hold me close as we control the floor in
a magical performance till now unknown,
dance with my fair lady and tango proudly down.

Dance with me and find our rhythm true,
tango with me darling all this night through.
Underneath the moon and stars to the break of dawn,
dance with me and tango hard till our
energy has gone.

Michael P. McParland

Rest My Dear

Lay down and rest for awhile my dear,
as I am doing right now and let
us meet in the land of dreams.
We will come together and hold hands,
in the rolling pastures of a gorgeous mountain.
Lay down a blanket and lay in the shade
of a tall and lush majestic tree.
Just holding hands and each other drifting peacefully.

Lay down and rest your mind,
feel my love and warmth as in spirit I hold you near.
Wrap up in it's deep abundance,
cherish and revel in my hugs and kisses,
lay down and rest awhile feeling all the
peace our hearts and spirits provide together.

Join me in a peaceful needed slumber,
in dreamland connecting laying down in the pastures.
Taking in the peaceful mountain,
feeling the coolness in the shade
while holding hands and each other.
So rest my dear and feel me near,
I love you deeply and want to give you all
my time and everything.

Michael P. McParland

Your Heart To Mine

Your heart to mine is
talking and singing all the time.
It sings the most beautiful of songs,
celestial heavenly themes.

My Dream

I saw you in my dream,
and as always you were the most beautiful thing.
We smiled across the field
of flowers at each other.
Yours glowing like the afternoon sun
so very high and bright in the sky.
My knees began to buckle with the excitement inside,
Happiness and joy had truly arrived.

We didn't run to each other but just savored the moment,
not wanting to miss a thing just admiring each other.
Then we just hugged without a spoken word,
while our spirits and hearts said a million things.
We just stayed that way for what seemed like hours.

Finally we sat down in the flowers by a babbling brook,
and just held each other as I babbled on,
it's so wonderful that you enjoy that and don't mind.
Yet I also listened while we gazed at each other,
pure love and acceptance was truly evident and deeply felt.
As we sat in the flowers by the brook talking
and kissing while holding each other.

In my dream I saw you and held you,
as we told each other how much we've
loved and deeply missed the other.
This I dream of when both waking and sleeping.
I know in my heart this dream will come true,
our love is so strong it pulls
and has always kept us together.
You are my dream my sweet Angel dove,
feel all my warmth as I'm with you there.
I love you so deeply and I won't have another,
you are my woman forever and I will be your man.

Michael P. McParland

Sleep At Last

I now go to sleep at last,
I've been up for 24 hours past.
I've finally eaten a little bit
so have no worries love I'll be healthy
when you come back.
I want to be the best for my only one.

As I finally go to bed I wish
you were here with me.
To hold and cuddle as we drift to sleep.
Feeling warm and safe with smiles on our faces,
I'll be dreaming of you as I close my eyes
and when I get to dreamland I'll hold you there.

I love you dear and as always
send you all my warmth and love,
with these great big hugs and kisses wrap
up in them and feel the admiration I hold.
I now lay down to sleep at last,
I'm holding you and give you a kiss.
I love you dear You are the one,
my Queen my sweet angel dove.

Michael P. McParland

A Prayer For My Love

Dear God may my love always
have peace of mind and heart.
Please let her know that she is loved,
that she is special.
That she is one of your brightest
and most loving Angels.
Please keep her safe so she may
touch and move many more lives.

Please be with her and let her
know and feel your loving strength.
Let her be confident that she's
a strong woman that has persevered along.
Please bless her with the best of health,
let her experience a pain free life.
I attest to you she deserves the happiness
more than most on this earth.
I will take all extra burden to
free her from ailments cast on her.
I know that she is strong I just
want her to have a life free from hurt.

Dear God let her know of all your abundant love,
let her know she's never alone.
Assure her that my love is deep and pure,
that I am always there with her.
That my heart is hers and my words are true,
help her to never feel any fear.
Protect her and assure her in our comforting love,
She is the most special Angel I've ever
known and I love her very much.
So dear God please above all else,
watch over her and make sure she always has the best.

Crying Tonight

Lying in bed crying tonight,
I miss my Angel,
I miss my Queen of guiding light.
My heart and soul are pounding with intense pain,
The tears are flowing from my
heart and eyes I wish that you were here.

I'm crying tonight and in the depths of lonely despair,
I haven't eaten or moved in many hours
I hurt and don't care to do those things.
I want my love to hold me,
tell me it's okay.
I just want her here to spend the night and day,
I'm empty and I'm hurting I feel
the tortures of the damned.
I love you darling wonder,
please come hold my hand.

Just lying here in bed and crying,
longing for my love.
I miss you so much my Angel Queen,
please hear my lonely call.
I just want to hold you tight and near,
dry each others lonely tears.
I just want to share with you my loving heart,
and help to heal yours from all the hurting scars.
I love you my sweet darling,
the whole night through I'll just
be laying here crying out for you.

A Rest

Time for a rest to recharge myself,
to be at my best to do what there is.
To be clear minded and sound incase
my lady should write I'll be of sound mind.
Not tired so I'll end up getting
confused and not making sense.
So I can tell her all that I need
to apologize and let her know
how truly I love her.

Time for a rest to overall
just be at my best.
Work on the things that have need
my undivided attention the most.
So I can prove to all but mostly my love
that I have improved and will not
stay stuck in the mud of anger where I fell.
A little rest is needed my dear.

To my dear a rest I need and
I wish deeply that you were here.
To hold and to kiss while
holding your hand feeling complete
comfort and peace,
true bliss that would be.
I'll be thinking of you though as
I close my eyes right now.
With a smile my love I send
you my warmth and my love with a great big smile.
I love you my dear in my dreams

Tired 2

I'm just tired and don't know what to do,
so I'll just lay here listening to
music and rest awhile.
I wish you were here to rest with me,
but you may not want to anymore.
That makes me more tired and gives
the desire to just sleep forevermore.

I'm just tired and miss you so much,
I'm just going to rest until I don't know when.
Maybe cry while I drift away,
I'm so tired I can't hold it anyway.
I'll just lay down and dream of holding you,
I know that's all I want no matter how tired.
So I'll just wear my eye shades and drift away,
I'm tired babe and I love you well beyond the end of days.

Michael P. McParland

Dreamt Of You 6

I saw you in my dreams and it has lifted me.
First I saw you across the room,
you didn't see me but you were
smiling and talking to somebody.
I approached and you still didn't notice
being occupied with being courteous.
When I finally steped up beside you and said hello
you looked up in suprise and then your smile grew
and we embraced tightly and for a very long while.

It's lifted my spirits and my heart,
while at the same time I now long even more.
Holding you tightly within my dream,

My Hand In Yours

My hand in yours as we lay in bed.
Your head resting on my chest,
both smiling as we just lightly drift.
Content, peaceful, together,
fulfilled at last being in each others arms
just lying in bed holding hands.

Lying here on my back my hand in yours
as you lay next to me with your head on my chest,
I know now all is finally right,
for being with my true lady is a blessing
only so few men will ever get.
The gift of true love from the woman he adores,
my hand in hers just enjoying her spirit
and soft delicate skin.

My hand in yours just lying in bed,
as I whisper Thank you Dear God for this blessing,
a sweet Angel to give me hope and
guidance with companionship I have wanted,
and with a woman I truly adore.
Then pulling you close with my arm around your shoulder
I give you a kiss tightening my hand in your hand
and say I love you sweet Kira I am yours forever.

Michael P. McParland

Coffee And Cream Chocolate

Sitting here eating coffee and cream chocolate
while writing and reading love poetry all
the while just dreaming of thee.
The perfect mixture for art of the soul and heart.
I wish more than anything you were here to take part.

Later I'll be reading some books and watching a film,
undoubtedly write more poetry just for you,
while I'll be eating coffee and cream chocolate dreaming
of all we will do and all that we'll share,
just wishing that I could hold you now.

I'd give all that I have to just sit holding your hand
and together share my coffee and cream chocolate
because it would be fulfilling and I know you would love it,
and you know that sharing food is great bonding between lovers.
Oh how I would give up all that I have for you to be in my arms
sharing coffee and cream chocolate,
because dear God my dear I love you so much.

Dancing The Night

With the stars and the moon in the sky
together we'll dance the night away.
Only with you would I let so
loose and freely give myself away.
For you are the true angel of my life and dreams.
The one who comforts and whisks me
away to greater heights of peace while
helping keep and make me feel safe.
The only one who's cracked these walls of defense,
with my precious Queen I'll always
let myself be free.

With the stars and the moon blowing
kisses our way my dear lady of forever
we shall dance the night away in
the land of dreams.
Feel my heart beating as we come together
for our endless earth shattering greeting.
Every second spent with you is
celestial heaven.
I love you so much God forever bless your tender heart,
and please know for you these walss came down,
and when you're ready all tales will be given and told.
You are the Angel Queen of my greatest dreams.

With the stars and the moon as our only charms
we forever dance and sing the night away,
for you are the only one I choose, need, wish,
and truly want to spend every night and day.
You are my sweet angel dove and hearts true home.
I'm always with you and always here,
when you come I'll just hold you near as all my tears
finally breach and openess speaks.
To tell you how much I love you,
how much I've missed you,
and how deeply I will always work to show you
that I truly love you and want to be your eternal man.

So then my dear as we make our vows for time long before us,

we'll eternally dance with in the moon and stars
for endless years and hours.
Until then though we'll see each other and hold hands,
fulfilling each others needs in the land of dreams.
I love you with all my heart, soul, mind,
and being for eternity my Angel Queen.

Listening To Poe

Listening to Poe on audio
to relax me in hopes to sleep.
May his poetic prose in tales
of the macabre and terror bring me
the peace of focus I need to sleep.

Ah my idol of poetry,
a misunderstood and lonely man.
I take refuge and solace in your word.
My Dear Sir Edgar Allan Poe,
hats off to you and bravo.
May your stories carry me away to sleep,
as I lose myself in the exquisite audio.

Michael P. McParland

Bless Your Heart

Dreamt Of You 5

In my long slumber of recovery I saw you.
The nightmares tried to haunt and assault me,
then you came and fought them away.
Wrapped me in your arms and said I'm here my love
and now everything's okay because they can't hurt you.
My sweet angel from above came and rescued me from harm.
I thank you to the ends of the earth for all you've done.

I dreamt of you and found the peace I needed to
recuperate for a little bit from all the time
I haven't slept from deep sorrow and stress.
You are my guardian Angel Queen and you're the best.
May God always deeply bless you for your beautiful
tender loving heart that keeps giving despite its scars of hurt,
you truly are a miracle of all that's pure, righteous, and right.

I dreamt of you my darling dear and you held my hand
while holding me keeping me near.
Telling me all the time that you love me
and will always be there.
I just love you eternally and with all my entire heart,
soul, mind, and glowing being.
Thank you love to me you truly are everything.
I'll love you through all time my sweet angel dove.

Weary Smile 2

As I sit here awake
it's of you I deeply think.
I'm tired and I'm weary
but your presence and memory make me cheery.
I can never get enough
of you sweet lady.

Your smile your glow,
all the ways you made me
laugh I play over and over.
Your eyes pulling me in deep,
as you just lovingly smiled at me.
I wearily smile in my fatigue.

You're one of the very few things
that still makes me smile.
You're a beautiful woman and
I want you to know that.
I miss you so much and I long for your touch.

Just sitting here awake
on this dead quiet night.
Thinking of you my only
darling and I wearily smile.
I wish you were here just to
cuddle and pull in close,
shut our eyes as we just
enjoyed each others peace,
so I just wearily smile and say,
I miss you babe and
I truly love you so much.

Michael P. McParland

A Prayer

A prayer for us I offer up.
So we may always be happy
and together always find our way through.
A prayer so we'll always know
and feel in our hearts all the
love we hold for each other.

May we always remain in the clearest of minds.
So fear and anger never cloud kindnes
blackening our thoughts and our minds.
Let us always have and practice
understanding and patience,
so we'll not be divided by moments of anger.
Practice communication freely so we'll
forever be together and have each other.

I pray for all obstacles to soon be cast down,
so we can hold each other and have contentment
and peace in our souls and hearts.
So we can join hands and be for each other
present forever.
I pray that the lonely pain we both feel
we soon end and be over.

I pray for us dear to remain steady and strong.
Always feel and know of each others warmth,
being content feeling the love in our hearts.
I miss you my lady and it deeply hurts,
I hope and I pray that soon we will be
in each others arms healing these scars.
Feel it strong my one as I'm sending you all of my love.

I love you sweet lady and always pray for the best,
in both of our lives every way that there is.
I hope and I pray to soon have you near.
I deeply desire my sweet angel dove.

tightly hold you while telling you all is okay.
I love you my darling and that you'll always

know that I hope and pray.

letting it wash over me while I think of thee.
Just a night to sit out in
a light breezy summer rain,
and think of my only love and how she is.

I always smile when I think of her,
because no matter what she lights my spirit up.
She'll forever be an inspiration to this man.
In the moonlight rain I silently pray for her.
To feel my love and warmth and that
in every way she'll be happy and well.
I know she loves me just as much please
help that she will find her way back.
I want to help heal the wounds of her broken heart.
Correct all the wrongs that I have wrought.

In the light breezy moonlight rain
I look to the stars and see you there.
I smile and ask the moon, stars and God to pass my message.
I love you Kira to me you are so very special,
you are the one I find so completely
beautiful as an entire person.
Please feel my love in your heart and soul
and make your needed celebrated return.
I love you more than any man has ever loved
a woman because they never had my special Kira.
I love you babe you are my only one.

Michael P. McParland

I Never Wanted To Hurt You

I swear to you on my life and on those things which
you know I hold so very personal that all I say here is the truth.
I swear on my Buckeyes, my last name and the love
I feel for only a select few that have gotten
through the walls to my heart that everything here is the truth.

I've never lied one bit about how much I love you and cherish you.
For the last 16 years all I've wanted was to be with you,
marry you, have you here by my side,
go to bed every night with you in my arms.
I've never been married and I have no kids,
never even been in a relationship.
I've always remained faithful to you
in my heart and waited all this time.
I could never and would never lie about this feeling or
just come around and play you when I only needed something.
I beat myself up all the time everyday for the things that have
gone wrong and I'm responsible for.
Knowing you're in pain hurts me so deeply I wish you knew.
For just like right now I'm sick to my stomach missing you,
and knowing you hurt my soul feels deathly, painfully ill as well.
I would never play with a heart, I especially couldn't live
with myself if I ever played with yours for some gain.

I would never help another or others hurt you for any reason.
I'd sooner face cruel and unusual torture and punishment
than with the knowledge watch and hear you go through mental
and emotional degradation and dishonor.
I couldn't live with myself as for the pain that I have
caused I can barely take it right now.
April 1st 2011 will forever haunt my mind heart and soul.
I would happily dole out great punishment to any
and all that have treated you bad, hurting severely beating you down
I could never and would never aid a single thing against you.

My love and devotion have always been one million percent genuine.
I'm just a deeply confused and flawed man that in
relationship interaction has no idea what he's doing.
I'm just an inexperienced boy in that area.

I may not always accomplish giving all that you need,
but I always try my best through trying to understand and learning
step by step as I go, I'm not a good man at all.
I'm just a man who's striving and trying his best for
I truly see you as my precious Queen.
What more can I say I'm not cruel, cold hearted and mean.
My temper quite often is from
embarrassment and being angry with myself,
because I know that I'm failing you and you deserve the best.

This is all truth and there's a canyon of more to pour out to you.
I hope you'll come back so I can show and share everything with you.
I'm deeply ashamed and mournful for all of my failures.
I care about you in a way that so few on earth ever
truly get to feel and be acquainted.
I can't even begin to describe it's vast bottomless depth.
That's a truth that comes from my immortal and eternal soul.
I send you all of my love so you'll always know.
I miss you so much and I'm torn up inside.
All these things are the truth and on my Buckeyes, my last name,
the love of my family and you.
I swear that I love you so deeply that it often physically hurts.

Michael P. McParland

Longing For You

I'm longing for you to be here by my side.
Just to hear your voice or read your words
right now would help calm and soothe this aching heart.
I long to have you in my arms rocking back and forth
and tell you that I love you and I know we'll never part.
Our spirits share a special bond that can't be torn apart.

I long to have you in my arms and then pull back,
look you directly and deeply in the eyes then
we'll share that long desired and awaited kiss.
Just thinking of it sends electric
shocks through my body and spirit.
I know it will be the most powerful
experience we can ever imagine.

Then after that amazing moment pull back again
and say to you my God you are truly the most amazing woman,
I'm so filled with love for you I
feel dizzy with all the passion I have for you.
Then I know I'll lean back in and kiss
my angelic best friend again and again.
You are so special to me my lady fair.

I long so much to share my life with you,
have you as my wife forever more.
It would be the greatest honor I could ever know
to be your husband for the eternities and more.
I love you babe I long each second for you
more and more.

Michael P. McParland

I Need You 2

I need you here to hold and tell you
how badly I miss you and your sweet spirit.
There's a gigantic empty void with you gone.
It hurts so much my body literally aches.
Even my favorite hobbies and escapes
don't take the pain away.

I just sit and think about how I wish you were here,
to share all our favorite things enjoying
the things that make us so very happy.
I think about us smiling and laughing,
just looking into your eyes and give a loving sigh.
I need you here my sweet angel dove.
I'm dying inside without my best friend.

I just need and want you here to spend some
quality loving bonding time.
Even just holding each other in total silence.
To just lay in bed with your head on my shoulder and chest
resting and getting the sleep that we need.
Being content in the safety and warmth that we provide for each other.
I need you by my side forever and ever.

Kira my love I need you because you understand me best,
I've shown you more of my soul than anyone else.
It's from true love that I have exposed the scars
of deep pain from others humiliation and abuse.
I'll never talk to another soul about those
because their not my true love like you are.

I need you my dear because I love you so much.
Without you here I'm incomplete,
your my other and truly much better half.
You fill the voids in my life and make
me feel loved and like I matter.
I need you my dear because I love you my sweet angel dove.

Michael P. McParland

Come Be With Me 2

Come be with me babe and let's hold each other close.

Find the answers and reasons why we acted as we did,
then find the solutions so we can learn and move on.
Please come be with me and lets heal our aching souls and hearts.

I need to hold you tight my dear because the lonely
pain is tearing me up inside and steadily driving me mad.
I hate myself for all of my mistakes and I'm dying to make it right.
I so badly need you near to hold my hand and in your arms,
look into your divine precious eyes and say I apologize.
I'm tortured by what I've said and done.
I can only imagine what it's done to you.
I can't live alone with out my best friend and only one.
Please forgive me for all I've done.
I love you so very deeply do you truly know?

Please come be with me so we can hold each other so
very tight and very close.

it's alright because it's been pure and right all along.

I love you so very deeply KP.
You mean a million universes to me.

Michael P. McParland

My True Love

Kira my dear you are my one and only true love.
When we first met I was taken away.
Not long after that you had captured me
and for eternity to you I gave my heart away.
Almost 16 years ago and in all that time
my love for you has only deepened and grown.

You are my true love and I want to be by
your side for the rest of my living days.
Counting my life on this side and the afterlife too.
I want to spend all of eternity with you.
You are my soul mate that lifts me to
brighter new heights.
You give my spirit hope and a reason to live.

You are the lady I work so very hard for.
I'm working to become a better man so
you'll always know what you're worth as my Queen.
I just love you so much I want to
give you all that I have and I am because
you mean the universe to me.

Kira P. you are my true love and all that I seek.
I cherish and adore you for all that you are.
You're a grand lady with a big loving heart.
You have unconditional love and that's a lost art.
I admire your toughness and how you've persevered,
I admire my Angel and hero that you are.

You are my true love and the one I adore.
If I can't have you than I'd rather be alone.
I gave you my heart and it's yours forevermore,
I want you to hold it and treasure it wherever you are.
You're the only one worthy because I love only you.
You mean so much to me without you I'm lost
I don't know what to do.

Kira my love you're my only one.
Will you honor me by giving me your hand?

Will you be wife and partner for eternities time?
Will you let me take you in my arms and forever be mine?
Will you give this poor man the greatest gift that there is?
Will you give me your heart making me the richest man there is?

You're my true love and the one I adore.
Sweet lady Kira you are the greatest woman alive.
I love you so much you are my Angel and best friend.
I want to spend all of time with you by my side
sharing and enjoying our unbreakable bond to no end.

Michael P. McParland

Holding Hands

Just holding hands you and me,
that would be a sweet thing to me.
Just sitting back on the couch at night,
holding hands and talking about everything in sight.
That would be an ideal time.

Holding hands with you is just one
of the very many ways I will connect with you.
Hand in hand staring into each others eyes,
transcending time and space in spirit
just you and me.

Come hold my hand my darling one.
That just sounds like a fulfilling thing.
To have your hand in mine one arm around you
would make my night because I'd be with you.
I love you babe and I want to sit and hold your hand.
Look into your precious eyes and let you know
that for all eternity I will be your man.

You are the only woman I truly love and adore.
I truly don't want anyone else but you.
I look around and no one compares or comes close to you.
You're one of a kind and my best friend,

My heart and soul cry out to you.
Oh my dear God what am I to do?
My tears are all dried up,
I can't cry because I'm all tapped out.
Inside though it's a torrential fall,
endless weeping from my fractured heart and soul.

I hurt so bad and I want you here,
to hold me in your arms rocking me
back and forth saying it's okay my dear.
I love you too and I'm right here,

I hurt so much and I'm missing you.
Have no doubt my love that I'm in pain hurting too.
I know you're lonely aching where you're at.
I want to cure us both and get rid of

Thinking Of You 2

Wide awake and thinking of you.
Wishing you were here and all the
things I long to tell and do with you.
Show you all my love in many ways.
Reading books while hand in hand,
singing songs, laugh like kids at silly things,
write poems about all the things we adore,
just sit and hold hands staring in each others eyes,
then kissing like mad until we pass out.

Wide awake and so badly missing you,
with the running thought that if we could only talk.
Yet still smiling knowing that our
time will soon be in our hands.
We'll celebrate by staying up talking
holding hands and each other like always planned.
Looking toward our bright future that
will last through eternities fortune.

Wide awake and sending you all my love and warmth,

Michael P. McParland

Drifting

Drifting out here all alone on the empty seas.
Without you here I'm tired, worn out and sad.
I go days without eating a single thing,
when I do it's because I've started feeling sick.
Then at least half the time I only throw it up.
I'm sick and lonely very empty without you.

I either never sleep or it's all that I can do.
Either way I feel constant fatigue and often lay in bed.
I'm weary and dehydrated from all the crying I've done.
I'm lonely and I'm hurting insanely without you here to talk.
I'm just drifting on these open seas praying
that you'll come around and see all the work I have done
and listen as I tear down all these lonely walls.

I love you babe and miss you so very much.
My heart throbs and aches to have you by my side,
in my arms, in my life forevermore,
you are the divine angel I so adore.
For you to give me your hand would be the greatest
thing that has ever happened to any man.

I love you so my sweet angel dove and without
you here I just slowly drift along.
You give me reason and endless hope filled light.
You are my Queen and hero and to be with you
in this life would be pure delight.
I love you more than anyone or anything can ever know.

Please come take my hand and help guide me back to land.
Let me show you all the hard work I've put in.
We'll make our plan for the brightest future
where we will always blossom in our grandest times.
We will be the happiest and most fulfilled,
loving wife and husband.

Unfortunately though so many have used and abused
your loving giving nature so that you have forgotten

What Better 2?

What could be better than a night
spent together just you and your love?
To talk and read, sharing songs and memories,
deep kisses fulfilling all needs,
staring into each others eyes revealing
your inner most secrets and souls.
Reveling in warmth and security you've longed for.
Then at the end just falling asleep
wrapped in each others arms feeling complete.
What could be better than a night spent with thee?

Michael P. McParland

You're So Beautiful 2

You're so beautiful to me because
I've seen in you a true kindness
and love held in so few.
I've seen the beautiful woman you are,
inside and out you carry an Angelic heart.
You've always wanted the best and I've
seen you reach out to help even those
who didn't deserve a single ounce.

You've brought out the best in me and
helped me want to become a much better man.
With you I want to marry and have a partner
through life and make a family with my special Queen.
A family I can and will love with the woman most supreme.

You're so beautiful because I love you so much,
people have hurt and degraded you
so you don't even see your own beauty
and realize how it's touched.
Your beauty is immense shining above theirs,
let me help you remember and show
the world how precious you are.

You're so beautiful and I mean that so deep,
if it weren't for you I'd be totally lost
and where I'd be I don't have a clue.
So know in your heart that your beauty is true.
Inside and out and that's just one of
the millions of reasons I so deeply love you.

Michael P. McParland

Come Hold My Hand

Come hold my hand and we'll just sit
and enjoy each others warmth.
Revel in all the love we hold
knowing that we're always there
and all we are will never go cold.
Because our bond is so very strong
it can't be destroyed by anything or one
that would ever intend it harm.

Come hold my hand as I gaze into your eyes
to tell you how much I love and treasure you
and that to me you truly are divine.
You may not believe it but for me you truly
are a gift and blessing from heaven.
God knows just what we need and from my
prayers he brought you into my life.
Come take my hand and let me show you
all the ways that you matter and depend.

Come hold my hand and rest your head upon my chest,
hear my heart as it's beating still because you're around.
Just feel the warmth and comfort I wish
for you to feel as I project it,
helping you feel safe and happy from letting you know it.
Please come hold my hand and let us just
sit here quiet while we drift away to sleep.
Knowing here with the other we have finally found peace.
Kira you are my angel and my light,
please believe me when I say I love you like
no other and just want to lay in bed and hold you tight.
ILYF and ever.

Michael P. McParland

Agonized Heart

My heart is twisting and turning
filled with lonely agony.
I miss you so much and it insanely hurts.
It calls to you saying you're my only one,
please come back and give me another chance.
Let me show you alll the work I've done,
I am going to break down these walls
and you'll see why it was so hard and took so much time.

My agonized heart wants only you.
To lay in bed just holding you
while I quietly cry and stroke your hair
telling you how much I love and care.
Just how much I've missed you and badly need you there.

My heart is crying in deep agony
with need to have you near.
Please hear my call my darling one
and know I hold you dear.
I'd give my life my everything
just to be with you.

Michael P. McParland

Kira You Are Everything

Kira you are everything to me.
For right now do not think about
how or why you have saved this man
and are not just his world but universe.
Just feel comfort and love within your
soul and heart to know for me you are everything.

I just want to wrap you up and hold you close,
I want to give you the things that
only you will need to heal and be happy.
I just want to be close to you for that
alone would help heal and close so many
scars from the past many that have been left
by others but your love has and will
generously help heal.

Kira you are everything and to you alone
my heart shouts and sings.
It shouts I love you babe please come back this way,
then sings the many songs of love
that make me dream of you and take me away.
You are my everything and to me that's okay.
For you are the sweetest girl I have ever known.

You know I have promised I am yours
and I will never share myself with another soul,
feel that truth within yourself because
I could never stand another touching me there.
For you are my queen and true love I
would not sell you out or disrespect by giving
another that honor which only you can claim
for it's you that I keep clean.

Kira you are everything and your love is
the only thing I truly seek.
To make you happy and fulfilled is the
greatest dream I have for you and me.
So please just know how much I love you so,
and feel all my love and warmth with

great big hugs and kisses as I send them to you.
For Kira you are my everything and I love you
more and more with each day God brings.

Michael P. McParland

Filled With Tears

I was looking at your picture last night
to say I love you and I miss you,
goodnight sweet lady I really wish I could hug and kiss you.
Then the sight of you began to blur as
my eyes began to fill with burning tears.

Tears of longing need and true love,
tears of self hatred for all the wrong I did.
Tears for all the hard work I've done
and not knowing if you'll ever see or know
all the ways I've worked hard and grown.

I just sat there looking at your picture
with painful tears streaking down my cheeks.
I said I love you babe please know I mean
it so very much.
I'm sorry for the things that went so wrong.
I hate that you are hurting deep inside and
I hate that I have in part any cause,
I love you Kira and all I want is for you
to have and be filled with joy.

Even as I put your beautiful picture away
for safe keeping to look at many more days.
The tears still filled my eyes and continued for hours more,
just how many I do not know.
I just know that they came from all
the ways I love and miss you,
because I've always known you hurt inside and
all I want to do is hold and help you.
For no matter if you believe you are my
pride and joy and I so deeply love and want you.

So even now as I write this poem of love to you
I fight back tears that fight to fill my eyes
because I'm so overwhelmed with the many ways in
which I truly love and deeply care for you.
Kira you are my queen and my true love,
please know I'm always here with an open heart

and open arms.

ILYF and ever KP

Michael P. McParland

Always Here

I'm always here for you
I'm never going to abandon or leave,
wrap up in my warmth like
a pure blanket of loving security.
I'm always here and I love you so much,
with a huge kiss and a hug I say goodnight.

Michael P. McParland

Little Goodnight

A little goodnight my dear
and my wish in life is to just
have you here to hold so very close.
Help you feel safe and secure in your
knowledge that you are my queen and
I'll forever be here in true love
right by your precious side.

Goodnight my sweet love I'm sending
all of my warmth and my love straight to you,
then wrap up in my hugs and kisses too.
Goodnight my sweet angel
I'm in serious pain without you.
I love and treasure you so deeply
if you truly could feel all of
it's bottomless well inside my soul.

Michael P. McParland

Lovers Of The Night

Lovers of the night come together
to bask in loves sweet song and dance.
With the stars and the moon shining
brightly upon their celebration
where two souls bond in the most intimate fashion.
They send down their bright blessings and acceptance
to those lovers of the night when
true love and not just base lust
is the motivating factor.

Lovers of the night.
With the stars and moon shining oh so bright
feel no shame in celebrating your love
setting red hot passion alight.
For in true love where two souls
transcend the mortal earth as one.
The stars and moon shine upon you
smiling giving you both eternal blessings.
To never ever come undone.

Michael P. McParland

I Love You So Much

I love you so much my only love.
I'm thinking of you right now.
I wish you were here to have and to hold,
sit and watch movies, read some books,
and then just lay down for a rest.

I love you so much my only one.
I long for you here by my side.
I know we'll always be there for each other
holding up in support through pain and pleasure.

I just love you so much and you truly are beautiful to me.
I want to take you by the hand and at the
altar seal our eternal bond with my Queen.
I love you so much feel it strong as
I'm sending it all with my warmth, kisses and hugs.

I just love you so much know it
in your soul and your heart.
I can't wait to hold you and kiss you
and say everything's alright.

Michael P. McParland

I Miss You So Much

I miss you so much my whole
body aches with my spirit also shaken.
I can hardly ever sleep
and will even go days without eating.
I miss you so much but far more important
is that I truly love you unconditionally
with all my heart, body, mind and soul.
You are the only woman I love
and I miss you deeply and very much so.

Michael P. McParland

Under The Covers 2

I want to just climb into bed and
get under the covers and kiss you on the head,
say I love you so my sweet angel dove.
Then wrap my arms around you to just feel
your precious heart beating.
Feeling calmed, soothed,
and reassured listening to your steady breatheing.
As we both feel the warmth
and love we hold for each other.

So under the protective covers as two lovers
enbracing with an iron clad bond of unbreakable true love.
We feel fulfilled and complete,
looking into each others eyes and smiling as we
drift away to a peacefull contented sleep.

Michael P. McParland

As You Are

I want and need you to know
I'll only ever want you as you are.
I would never disrespect you
and ask for something you could not,
would not, or ever want to be.
Please know my love for you is
truly because of the wonderful lady you are.

To me you truly are a gift from God
and so beautiful, enchanting and pretty.
My words of poetry may seem to over express
at times in an unrealistic way,
but I choose those words to say
because I want you to know I truly
love the woman I've seen so far, for who you are.
I use those words because to me you truly are heaven.

I want and love you as you are imperfections and all,
with the little and big flaws because my sweet woman
I have deeply felt your kind loving heart and soul.
My sweet dear Kira I know you ache inside
from much and I just want to be your guy.
To help and hold, share stories jokes that make us laugh.
I want to be the shoulder you can find comfort.
Rather just for warm security or if you need to
cry your eyes out from all the sadness
and pain you have held inside.

I only want you as you are just as I know
that's exactly how you want me.
I will struggle with so much in many ways at times
but I swear to you I'll never lie
and I will always give you
all the strength and love I have inside.

My one and only Kira who I adore.
I do not know all but I know within
my heart, soul and entire being I love
and want you just for who you are.

A beautiful woman I will always love and adore.
You are you and that's what's magic to me.

ILYF Kira dear.

Michael P. McParland

Tired

I'm awful tired and gonna get some rest.
Just want to say I love you babe
and I miss you so.
I'll be holding on with loving arms,
and sweet tender caring dreams of you
as I get a couple hours sleep.

I'm tired and I'm missing you,
but seeing your bright heart gets me through.
I love you sweet lady and in the land
of loving healing dreams I'll soon see you.
To have and hold sharing all the best we are.

Michael P. McParland

Loving you forever babe.
Not just today or through tomorrow,

Snuggle Tight

Come lay with me and snuggle tight tonight.
Give each other warmth and reassurance,
that we have each other and the rest of
the outside world doesn't matter.

Just come and wrap up in my arms,
get as close as we possibly can.
Just feel our spirits speak and calm
us in our bond of true loving peace.

Come snuggle tight and together
make it through the lonely night.
Knowing that true love is always there.
Reassured in comfort from the other there.

Michael P. McParland

I Believe In You

I believe in you my sweet dear.
You have always been there with loving care,
to lend a hand and give a kind open
sympathetic heart and ear.
You've always given out an open hand
to anyone who needs the help doing what you can.

I believe in you for your faith
and dedication have truly never waivered.
You've always shown unconditional love
in your support and understanding
with the many things I have struggled.
I believe in you because you've always showed it,
but I truly know it because I deeply feel it.

I can feel in my heart and soul the loving
dedication and purity you hold.
I believe in so many ways that cannot be told,
words cannot express the hopes and joys,
fulfillment and pride,
deep passion and awe for a hero and Angel held so high.

So Sweet

It's so sweet to have known you through my life.
It's even sweeter to know you're always there

with each other.

It's so sweet when you're near me and look
me right in the eyes.
It melts my heart with all the strength
and beauty I see held inside.
A woman I'm so dearly proud of she's
my true and deepest hero I hope she knows.

It's so sweet my only one for I know soon
this oppressive time and distance will be gone.
It will be so sweet as we greet to lock
each other up within our arms reveling in
true love a blessed gift from God.

It is so sweet for when we finally reunite
all the lonely pain is done and gone.
I look at you and say these walls of mine
have been broken down so my queen can be truly crowned.
I know that when the tests are done
and peace is restored to you and me.
All will be truly sweet.

A small rest with you in spirit.
Our arms around each other

Under The Covers

Feeling so sad and empty inside.
I'm just going to crawl under the covers and hide,
perhaps put on some Pet Shop Boys.
Their album Elysium may bring some peace I need.

I'm feeling so sad, lonely, and empty inside.
I'm fighting back the tears I know you'd
not want me to cry in pain.
I just want someone to come here and stay.
I'm so tired and lonely why can't you be here?

Just feeling sad and empty worried about all the time,
how I hate that it has passed and seem wasted.
Where are all those years and why haven't we repaired?
I'm sad and weeping in my soul,
I'm sick of being all alone.
I've worked so hard on my vices though a major few
are hanging round my neck yet I can promise you I'm working.
I just want you here to show my love and feel contentment.

Michael P. McParland

An idol and inspiration who is one
of truly a true few who I model and
am fully inspired to express
my art and actions through.

First you told us all as you sang
Ganz Wien is now all on Heroin,
warned us to be looking out for Der Kommissar
for the faster you live the faster you will die.
You always melt my soul and chill my spine
with my five favorite songs Zuviel Hitze,
Junge Romer, Hoch Wie Nie, Jeanny, and Out Of The Dark.
Einzelhaft is pure genius.

You express a passion and addiction
I know and truly feel.
I can relate and fully feel your meanings
and the motions of your songs and love affairs.
You only ever loved your wife
no matter what the situation may have been,
you stayed loyal to her through the very end
just as I only love my sweet Kira
and will only ever give myself to her.
Your soul and passion reach down to my heart and speak to me.

Your life was cut too short.
So much art was to come from this great man.
I almost come to tears from the tragic
end that was far too soon.

Falco I adore your art and you as a man.
Like me so deeply flawed but full of love.
I raise a candle and glass to you in sweet tribute and memory.
I love you Falco may you last forever in
your true great art and all of it's deep meaning.

Head And Heart

My head and heart are hurting so badly
I'm missing you once again,
not that that longing pain ever ends.
I miss you so and I need you here.
I never lied and I'm so empty without my dear.

My head and heart ache so harshly fierce.
Please feel my love and need and come right here.
I know you're love is strong for me,
please feel the truth of mine as I send
it all to thee.

I hurt so bad I need you here.
To wrap up in my arms and let you
know how much you mean to me.
You are my Queen, my heart and my soul.
I ache for you and badly so.

My head and heart are pounding with
such lonely need.
If you only knew how much you mean to me.
My other half, my pride my joy,
my diamond in the rough I cherish and adore.

My heart is leaping out and calling
in full crying voice for you.
Please hear and feel it's beating,
throbbing, never ending true love for you.

Michael P. McParland

Missing You Tonight

Missing you tonight very much.
So I'm staying up to think of you,
smile while remembering yours,
seeing those angelic eyes making me
brightly hopefully glow.

Missing you my sweet angel dove,
so I'm staying up to pray for you
to know and deeply feel my love.
Sending all I have with tons of joy,
to also make you smile and oh so happy.

Missing you but full of anticipation and bright hope,
dreaming of our days to come
truly knowing we'll seal and deepen
our God blessed bond.
Where eternity stretches long before us
where we'll revel in our deep true love
and I so clearly see it.

Missing you my only one but can
feel you all around me and your boundless love.
It gives me warmth and deep comfort,
in it I feel so safe and of your
graceful loving spirit I feel your
love so true and unconditional bearing its
truth so deep in my heart and soul I know
the truth of it.

Michael P. McParland

Smiling At You

Smiling at you from the stars tonight,
they're shining brightly upon you as I say goodnight.
I love you my dear and in spirit am holding you near.
I'm sending you all of my warmth and my love,
and just for you the biggest and grandest
of smiles, kisses, and hugs.

Smiling at you from the bright shining stars,
I love you so much I can't wait to hold you here.
Tell you how much you mean to me and your worth,
give you my all including my life.
Just wrap up my angel under the covers and inside my arms,
tell her I love her sealed with a kiss as
we lay there together and drift off to sleep.

A dream of you and me,
a sacred bond of eternal unity.

Feeling your spirit here makes me smile,
gives me peace, makes me glow with loneliness release.

For you my soul is stripped bare,
for I am yours alone and I'll show you all.
Give you my secrets, my hopes and my dreams,
I'll give you everything I am and that you need.

Feeling your spirit I am now at peace,
I can finally turn in and feel your arms
around me as I drift off here in my bed.
I love you sweet one I am eternally yours
Feeling your sweet spirit I so truly dearly adore.

Michael P. McParland

Your Warmth 2

Your warmth is needed
wrapped up in your arms.
I just long to hold you,
tell you I love you and how important you are.
Kiss you and tell you everything is alright,
that I'm never leaving
I'll not hurt or abandon.
Let you know you're my Angel and Queen,
that to me you truly are everything.

Your warmth and love does
surround me yet I wish
we were wrapped up in each others arms.
Just lying in bed cuddling
while I stroke your soft hair.
We would just lay there and talk
looking into each others souls through our eyes,
feeling the immense true love we both hold.

Your warmth in your arms
I long to behold for I know and
feel the warmth of your spirit around me.
To have you by me completely is the truth of my dreams,
I love you so much I just want
to be in your arms having your
warmth surround me complete.

Turning In

Another night has come,
and here soon it's back
to bed I've gone.
Before turning in though,
I just wanted say,
I love you more than all the world.

Michael P. McParland

True Love 3

In each other we have found true love.
We have captured something very rare,
and to it we are bound.
We came together by pure chance,
but we chose each other with
true love in our hearts of pure intent.

So forever we shall be bound
and dedicated to the other.
In true love that has never
been seen, felt, or experienced
by any others.

Michael P. McParland

True Love 2

True love is something rare.
Something so few will ever know or meet.
You and I were of the lucky ones my sweet delight.
Kira I knew from the start and I believe you knew too.
That between us a strong bond connected
and true love we'd found not just putting the key
of our locked bond in our pocket but throwing it
out because we knew in our hearts that no matter
the circumstance we would never truly part.

True love is something we saw and met in each other.
Our spirits touched and quickly bonded,
even through the distance never forgetting and
very often I feel your presence and your spirit
rubbing my back hugging me tight in my toughest times
saying it's alright because I love you and I'll never stop.
I hope you can feel me too as I often reach out and
speak my words of love so you'll know and to comfort
cure the sadness I know is there for we've both spoken of
so much that we both share.

I know in my heart that we're not done.
Nothing on earth can ever stop true love
if the ones in love are not done.
We just need to talk and share solutions
to the things that have hurt us we can hurdle them
and show everyone who deems to hurt us that
they're just fools with no hope to beat us.
True love conquers all my love.
My god Kira you're my angel from up above.

True love is what we've always shared.
We found it when we were so very young.
And though tough times and distance have popped up
and tried to hurt us.
We've persevered and deep within us nothing has destroyed
the unbreakable bond between us.
We're not done for we share true love.
Come take my hand Kira and let us forever stand.

Michael P. McParland

True Love

True love is all I feel for you.
No sour words are to be pointed your way.
Just know it's my expression and my art.
I have no desire to hurt you in wretched remarks.

True love is all that's in my heart and mind for you.
Please be assured that here in my art I do not insult you.
You mean the world you're my universe,
trust me when I say for you I have nothing coarse.

True love and shining charm are in my heart.
From your love and arms I will never part.
Please feel my true love just for you.
Wrapping around you massaging your precious heart.

True love I hold no malice so heed my words of love.
No words of hate
no foul spitting from deep fountains of despicable hate.
So hear my words of true love for you my dear
are my sweet angel dove.

Michael P. McParland

True Beauty

True beauty is all I see in you.
Purity through, my soul is vexed.
To love you is so truly complex.
Soul so clean and pure I sweat.

True beauty is the only you.
True virtue is only courting you.
Perfection here within my grasp.
The tender touch a quivering thought I gasp.

For true beauty is a rare delight.
In a world so barren of delight.
You are my only sweet respite,
from all the deeply wallowing hopeless gloom.

True beauty speaks with tender lips.
Of which one day I hope to kiss.
Silky smooth and oh so fair,
Long flowing hair I want you there.

Your true beauty shouts to me.
Come take me now and share our vows.
We'll share a fate no others knew.
Come take my hand I want you too.

True beauty is my only want.
Inside out she's the greatest without a doubt.
I'm coming now to take my bride,
her acceptance fills me with bursting pride.

Tribute To Freddie Mercury

Your light shined forth oh so bright.
Through troubled waters you did fight.
Your power, your passion.
Through musical genius you
truly fashioned a revolution of the soul.

Your genuine lyrics were so bold.
What they mean to me cannot be told.
They move me so I feel released,
from the sadness I feel so deep.
You spoke the truth about emotions depth.
Showing heartbreak is not death.

You showed such courage and moral strength.
The world is better for what you spake.
You're the true king of rock n' roll.
Without you now it's all so dull.

Thank you Freddie for what you were.
Your life has truly touched us all.
Now rest in peace you blessed soul.
We love you much.
It was a ball.

Michael P. McParland

Touched

I am touched eternally by
your everlasting love so pure.
It opened my eyes anew when I first met you.
A whole new world came into view.
Of a spirit that never dies with hope everlasting,
you've changed my whole life.

I am touched by your spirit and strength,
never laying down giving up
you have a heart of gold and to the world you show it.
I am truly touched by the way
you take on life and go about it.

I love you so much and am deeply touched
in the way you see me and return it.
You are the sun and the stars shining so bright,
you give me light and I am touched because
I know all of the feelings I have for you are right.

Michael P. McParland

Too The One I Love

Down from up above you must have come.
When around you I am stricken dumb.
Your beauty is so fine.
It makes me feel as if I've drunk too much wine.

Your beauty is so complete,
To describe it I lack the speech.
You fill me with such wonder.
So I sit here and ponder.
Then if I can't have you I'm a goner.

Your eyes see right through me.
They're so deep and true.
So I cannot help but tell the truth.
You're the one I love.
Take me with you back above.

We'll be so happy like two doves.
To the one I love please have me.
Only then can I be happy.
Sure this poem may be sappy,
But for you to reject me would be really crappy.
So please be mine, and I'll be thine.
From there on all will be fine.

Michael P. McParland

Tonight And Every Night

Tonight and every night no matter what.
I'll think of you and look to the stars
say I love and miss you dear,
goodnight my love
the sweetest of dreams sleep tight.

Tonight and every night for all my life.
I'll pray for you to feel my love and feel me near.
For you to never know of any tears,
so your heart will have no fears.
For peace to be upon you through all your years.

So tonight and every night forever more.
I'll dream and pray with you in my
heart and mind.
I love you babe you're the brightest
sweetest angel from heavens heights.

Michael P. McParland

Tonight

Tonight will last forever.
Under the moonlight we come together.
I've waited oh so long for this eve.
Together now we make believe.
That the world is ours,
healing all the hurts and scars.

Tonight we're free.
Passion flowing madly growing forever,
knowing that the winds of love are freely blowing.
Tonight is bliss as we seal it with a kiss.
Let it never end this night of divinity.
Our love stretches on to infinity.

Michael P. McParland

To The Unwritten

To all the souls that are yet unwritten
keep the path of joy and love may it not be broken.
So much to learn and delight to be felt.
Take heed my friends so many experiences to be dealt.

At times it will be hard to pull
through all the hurt and pains that befall.
Struggle through this unwritten spell
with a song in your heart and so much care.

Give freely to both your soul and earthly mates
right on through to the pearly gates.
Your life's path is yet unwritten
so make it grand spreading joy and love to all of mankind.

Michael P. McParland

To Have And To Hold

Right now in this moment
I wish I could just have you here.
To have and to hold,
Simply look into your eyes
and bare witness to you of the
love that I hold and show you my soul.
Right now I'd give anything and be thrilled
just for you to be here to have and to hold.

Michael P. McParland

Time

The time is near.
Now get in gear.
Prepare yourself it's almost here.
No time to waste.
Before it is too late.
I need to tell you of this fate.
So we'll have joy and not be reprobate.
I want you now to be my mate.
The time has come for us to date.
So help me now to clean this slate.
From all the blinding pain and hate.
What we'll have is true first rate.
Love so pure I know for sure.
That all our suffering will be cured.

The time is now.
On my knee I bow.
With humble pride.
I ask thee now to be my bride.
From this life we should not hide.
Eternities waiting.
It does not lie.

Michael P. McParland

Thought About You

I was at the game today
watching Ohio State beat Minnesota it was fun.
The whole time though my mind
always wandered to you,
wishing you were there to hold
and to talk to.
warm each other from the cold
and driving snow.

I just thought about how much
fun it would be to have you
at your first football game,
enjoying your company cheering
on my favorite team.

The most important part though
and the thing I painfully miss the most,
would be just having you there,
having you near,
being with someone who understands and cares.
The most important of all is you
and it would be spending the most precious of time.

I thought of you during the game
and wished so badly that you were there,
and my heart still felt cheer for
one day soon I know you'll be here.
I love you my angel I'm all set and prepared.

Michael P. McParland

The World

Your love is worth more than all the riches in the world.
To imagine life without you is the most bitter pill it burns.
I'll give you all I have and more,
because the world only began when you were born.

Let every other man fight for earth
because your love is my whole world.
No other can compare to you,
their lack of depth and richness too,
could never suffice or ever do.

Your eyes reveal a world of love.
With depthness through and sweetness tune.
Your voice so fair like birds singing in open air.

The world you are,
and the world you'll be.
Forever with supreme epic meaning to me.

Michael P. McParland

The Wind

The wind is hard.
Quite sharp and fierce.
To the very core I'm pierced.
Inside I fear I'll soon be forced.
To get away from this horrid host.

The gusts cut me so very coarse.
The blackness spewed is so verbose.
I hate it for it's pushy boasts.
I'll now escape before I'm toast.

It pushes me madly this wicked ghost.
I'll hide inside until it dies.
Away from all these wretched lies.
Only then will I realize.
Freedom from it's killing cries.

Michael P. McParland

The Sweetness

As I taste the sweet honey it envelopes my soul.
I frolic through the fields in bliss now knowing that all will be well now.
I have found my rose among the rubble.
We embrace feeling and feeding each other's souls, minds, and bodies.
We are renewed in each other's passion.
Is this what I searched for,
for what must have been an eternity?

I tremble as we come together.
Do I dare give all myself forever?
Can I truly be all that you need?

I love and hunger for you.
You are all that is right in the world.
Divine beauty personified.
Hesitation, a single tear.

You stare into my eyes.
I know once again that all will be well.
I take you and it is bliss.
To let go now I would be remiss.
Take me, take me.
Never let go again.

Michael P. McParland

The Storm

A tempestuous storm.
Well beyond the norm.
Thunder crashing threateningly warns.
God will crush all the evils in all it's forms.
The time has come for all reform.

You'll face your demons in this storm.
Struggling, pleading to be reborn.
Only through him will come no harm.
The storm is heavy.
Now are you ready?
To face the pain that on you rains?
Go to him with no refrain.
He'll save you if you're true and plain.
About the things you must explain.

If you won't the lightning strikes.
To put you back and set you right.
You'll suffer mighty in this plight.
The rapture storm is dark as night.
Destroying wicked blackness to set things right.

He showed you all the things to do.
You ran away just like a fool.
Now you'll pay it's mean and cruel.
For all the people you have hurt.

You're paying now in a ten fold spurt.
The storm will break,
but only when you finally wake.
To cast your arrogance in the lake.
So go to him and don't be fake.
He'll save your life it's not too late.

Michael P. McParland

The Step

The time has come to take this step.
I know it's real I will not fret.
I know your love is mine to get.
I'll prepare myself to get you back.
So you'll see I'm no slack.
In all the things you really want.
You need and cherish.
I'll never let these perish.

Through leaps and bounds our love is found.
With each step we take we feel the pound.
Our hearts are beating with the sound.
Of the words of love with blessed token.

The bond we share cannot be broken.
Let's take this step in harmony.
Finding what we both can be.
All the things that set us free.
Let's take the first step, it's what we need.

Michael P. McParland

The Stars Are Smiling

The stars are smiling down upon you every night,
for down here on earth you are the
brightest star by far and my guiding light.
I love you so much my sweet angel dove,
I send my goodnight and my message of love
up to god and the stars so they can help
deliver those feelings right to my only love.

Goodnight my sweet angel, my sweet sweet KP,
I love you so much and I'll never get enough.
You fulfill me in all manners and ways,
I could just sit and stare at you and your
beautiful eyes and smile for days.

The stars are smiling on you
and I love you so much.
Do you know how deeply my heart, soul,
and mind you have touched?
Please feel all my warmth and love
with great big hugs and kisses I'm sending to you.

Look up at the stars they're smiling at you.
For me them and God are saying goodnight
sweet one and I truly love you.
You're an angel my hero the one I adore.
KP I can't get enough of your spirit so pure.

Michael P. McParland

The Scene

The scene is so serene.
It gives me hope and sanity.
To these things I try to hold.
The beauty so elegant and bold.

When I come here it is strange.
I see the light.
The world is truly bright.
I feel no fear.
I have no doubt.
Nothing here could hold such clout.
The breeze is soft.
Above all else my spirit is not lost.

When I come here it's a splendor.
I know that love is truly tender.
So I sit here in this scene.
Caught inside a wonderful dream.

Michael P. McParland

The Only One

You're the only one. It is true.
I could never love anyone but you.
When in despair I look to you.

Hope eternal springs,
with all the joys you bring.
All this splendour you make me feel.
The fact you're here is so surreal.

There is no other.
You're the only one.
I hope you believe I'm the one.
Playing the field is over and done.
When you know you've found the one.

I never feel the need to frown.
When the one I needs around.
Nothing Else could take the place.
Of this picture perfect face.

Together we'll build a special place.
To spend such endless blissful days.
The only one will do for life.

I take thee now as my wife.
To have and hold. Forever cherish.
Never seeing a single blemish.
I never imagined this day would come.
Eternally now with my only one.

Michael P. McParland

The Night Glorious Light

Shadows fall.
The day is old.
The night is peaceful. Quiet.
In this time I can't deny it.

My thoughts are clear.
My spirit cheers.
As I wonder why these fears?

All that's there is joyous splendor.
Knowing of your love so tender.
Never denying.
No need for crying.
Knowing that the worlds not dying.

The night is cold.
In your love I feel so warm.
Telling you I feel no harm.
As I sit here in the night.
In your precious charm I delight.
It never ends your sacred light.

It lifts my spirit to keep the fight ever onward through this night.
I'll feel no remorse or spite.
Please stay with me.
Help me choose the right.
Lead me to your glorious light.

Michael P. McParland

The Mist

Through the mist I wander.
With all the time to ponder.
Beasts of such ferocity come at me with such intensity.
I continue on of necessity,
to find a true philosophy.

The mists so dense.
I need to make recompense.
For all that's wrong I must confess.
I cannot stand this lonely test.
In the mist and in the midst.
I'm truly blind it gives me fits.

The mist is thick,
It eats you cold and quick.
Beats you madly like a switch.
The mist is dark it kills the heart.
Madly eats you like a shark.
The mist is cold and I grow old.
Hopefully soon I'll find my hold.

Michael P. McParland

The Land

A gentle hand guides us through this land.
That holds such bounties and such tragic ends.
Take this hand and you'll find a joy, gloriously grand.
Ignore it though and you'll end up buried in the sand.

There are many glories in this story.
Although at times it seems quite horrid.
At least we can say it's never boring.
Many pratfalls are in your way.
Take this hand you'll rule the day.
Never feeling skies of gray.
Unless you wander the other way.
Then blackness strikes and bleakness spikes.
Tortured by such ghastly likes.
Cannot be imagined in their heights.
Depravity, misery and savage spite.
Eat you up you'll feel no light.

So take this hand to guide you through the land.
You need it to be strengthened for the plan.
It leads you to rewards so grand.

Michael P. McParland

The King

He stands alone.
Determined to unite all for the greater good.
A man of strong will and faith.
The weight and opposition is vast,
there at every turn to discourage and destroy the forces of righteousness that he has built and fought for.
As the opposition grows many of his forces weaken under the immense pressure and darkness.
Many abandon him for the pleasures of the flesh.
He is deeply saddened and distraught by the weakness of man and their lascivious nature.
Further and further the blackness grows,
over the earth suffocating all that is just.
He has finally reached the point of thorough despair and heartbreak. All of his greatest commanders and confidants have turned their backs on him, having lost faith in him and the cause.
Despair, sorrow, bewilderment, suicide haunt him day and night.
He is broken, robbed of his will, self-respect, and faith.
He himself falls away leaving only the tiniest glimmer of hope in the world.

After a long journey of debauchery, self loathing, enjoying all sins of the flesh, and exploring the dark arts he is left a bitter broken man. Thoroughly distraught and void of but the few remnants of the man he once was.
Finally he falls to his knees and begs for forgiveness, determined to free himself from this bondage.
Now he turns back to the light prepared to pick himself up and rise from the ashes.
After a long difficult internal battle he begins to pick up the pieces again and rebuild his kingdom.
With renewed passion and strength he once again faces the opposition and begins to drive it back.

This battle still rages today the forces of light gaining much ground, victory and facing setbacks he fights on.
The King is our rock and saviour.
God save The King.

The Greatest

You're not just the greatest girl I've ever known.
You're the greatest person to the world I attest.

I would never want to seek or be with another
only you my precious delicate flower.

You're the greatest and you hold my heart and soul.
I want you to be my wife and mate for eternity evermore.

The Best Days

The best days in life are spent with you in some way.
I always love the ones with you in person the most,
but days speaking to you online are a good ones too.

Days dreaming of you and reliving memories are the best,
because at least in my mind I can lay my head on your
shoulder and on your chest to rest my head and close my eyes,
with your soothing voice telling it's all okay and you'll
always love me always through each day as they pass.

The best days in life always involve you
in any and every way there is to believe.
I love you dear you're my only one and everything.
You're my angel who lights up my life in every way,
I love you KP my darling one you help me survive each day.

Michael P. McParland

The Arrival

A splendid arrival.
With such great stories of survival.
We now know what's been done.
Through all the days that have come and gone.
I am so happy that now it's done.

The hard pressed waiting,
while the years have spun.
No longer feeling cold and shunned.
With your arrival here the day is won.
So tell me now what went so wrong.
I guess it doesn't matter now that you have come.
My heart is beating now with boisterous song.

Your arrival here took so very long.
With such great cheer you now are here.
I have no need for petty fears.
That you'd ever leave me here in bitter tears.
So we'll join in blissful days.
I need to feel your loving gaze.
Your arrival here has brought bright rays.
Of brilliant sunshine that's here to stay.

Michael P. McParland

Thank You So Very Much

and all of your unconditional love.
You fill me up with such emotion
I feel as if I might burst.

The joy and happiness I feel
are more real than any other emotion,
before you on my knees I kneel.
Praying, thanking God for this gift of
true love and passion,
a love like no other on earth
it's uniquely fashioned.

I thank him for the light he's
brought into my life,
saving me from the hell of utter loneliness,
by sending an angel who's wrapped me up

Drying my tears and kissing me,
saying it's alright dear,
I love you and I'm here,
you have nothing more to fear,
for we have true love that provides protection,
we've been blessed by God with a profoundly
strong and epic bond.

So I ask you now my darling one.
Will you make me whole and marry me?
Seal our lives as one?

look into those big bright sweet eyes
and ask you if you'll marry me.

I profess to you my true and everlasting love.
That you're the only one I truly adore.
That I wish to spend this life with you,
and through eternity spend and share our afterlife too.
I can think of no one better than sweet you.

I've loved you deeply for 15 years
that have come and have gone.
All the while loving my only one, my sweet Angel true,
I've always known I could never love anyone but you.

Tenderly I take your hands to confess my
inner most deep and sacred feelings.
Letting you know that my walls are down
and my soul and heart to you I'm fully releasing.
For you're my soulmate and the one I want,
I need you because alone I'm in a fog completely lost.

I dip down to my right knee,
take your hand and ask ever so tenderly.
KP will you be my wife, my treasured Queen forevermore?

given me a purpose making me so very happy.
So tenderly now I ask thee sweet angel dove KP.
Will you make me the luckiest man in history and honor me?
Will you take my hand and marry me?

Michael P. McParland

Taking It All In

I'm laying here half awake,
remembering the happy times we shared.
Those are the days and words that matter,
the ones spoke in haste and anger
hold no weight they do not matter.
For in both our minds and souls we
truly know our hearts intent.
We have no desire to truly harm.

So I'm laying here and taking in
all the precious memories of my love,
where we've been and where we're going.
I know our futures bright it has me glowing.
So I take it all in and say I truly love you
my darling one.
I miss you but our day is approaching.
I'm waiting here with open arms
and an open heart.
I know when we embrace we'll never again
Let go and part.

Michael P. McParland

Take My Hand

Take my hand my only one,
we'll help guide each other
through this land.
Past all the dangers
and vicious haters.
That deem and strive
to tear us up and
forever keep us apart.

Take my hand and together
will strive and fight together
to find our way through.
To the eternal happiness we deserve,
joy in each others arms
making up for all the time we lost.
Having the family we've
always dreamed about and
live a happy life with our few kids,
teaching them manners and right and wrong,
we'll always strive to do our best
because our love for our family
and each other is from heaven truly blessed.

So please come and take my hand,
we'll begin this journey through
till it's very end.
Together we will quickly make it.
Supporting each other through every
hour, minute, second of waking.
Our bond is so very strong it will
cut right through the fronts that they present.

So come now dear and take my hand,
we love each other immensely to no end.
Let's go find the future we deserve.
Forever shut out the destructive jerks.

the chance to share all I am with you.
I just ask for the chance to share in
each other's pure love.

the greatest woman I've ever known,

Striking Beauty

Skin so fair.
Luscious long black hair.
Big brown eyes right through me stare.
Small in stature.
Large in toughness that can fracture.
Perfect features I stare in rapture.

I cannot help but look at you.
Your perfect beauty is so true.
No need for make up, you're divine.
No need to ruin what is fine.
On your perfect proportions my eyes do dine.

The hearts you break,
with the sexiest smile known to date.
No other compares to you.

You're the pinnacle of God's greatest achievements.
No earthly man could hold such plans.

Stars Of Love (Dreaming Of You)

If a star fell out of the sky
every time I dreamed of you,
within a week the night would turn black.
For you are the center of my loving world,
I sit and stare at the stars dreaming
of my only love.

If a star fell every time I dreamed of us,
a meteor storm would turn the earth to dust.
It could not withstand the cosmic dreams
caused from my loving heart and hopeful thoughts.

When I sit and look up at the stars
a light breeze drifts through and on
it's tail I get a scent of all that's you.
I speak to them and say please
give my love these words.

I miss you and I love you,
I can't wait to put my arms around you.
When the sun rises give her my morning greetings,
wishing her the greatest day with
fulfilled happiness and safety everywhere she's going.
Then upon your sparkling return,
wish her my goodnight song.
Sending all my love and warmth,
with the biggest hugs and kisses
she could ever want.
Tell her that she's my angel too,
and has saved me in so many ways,
And once again remind her of my love
coursing in my being through and through.

If a star fell every time I dreamed of you,
the sky would soon be empty like
my very life without you.
So I say goodnight up to the stars,
so they can send my message to you far and wide.

I'll just dream upon them until
we're together once again.
KP look up there too and you'll
see me blowing kisses right at you.

Michael P. McParland

Splendid

Such splendid dreams I have involving you.
The times we've had your loving soul
that warms me through and through.
Splendid dreams of days to come.
When I know you'll be in my arms
protecting each other eternity to come.

Splendid anticipation knowing what's to come.
Soon I know all the strife will be gone and done.
We're meant to be will work it out,
we've fought through so much to this point I have no doubt.
My splendid lady to have and to hold.
When you become my bride I never let go.

So splendid how you enrich my life.
You've brought so much passion and endless spice.
Forever in awe of your shining light,
knowing you'll take me in brightens my entire soul
cleansing me of all rage full doubts.

So splendid to know these dreams will soon come true.
It gives me drive to keep on going
fight through all the horrible things that turn me blue.
My sweet precious splendid lady how I
will always stand true by you.

So splendid you are to me in all you are.
You have kept me going through my trials
oh so far.
My splendid lady the best it's true.
Come let me hold you kiss you
tell you how much I adore you and have terribly missed you.

I can't wait for that splendid day.
When we embrace and tell each other it's okay.
Then look into the others eyes and seal it with a kiss
never again saying goodbye.

Michael P. McParland

Spiritually Bound

We are forever spiritually bound
in our shared and true love.
Two rare souls that in
each other have found deep
wells of love so many look for

True soul mates of the rarest kind.

undying, awe inspiring,
earth shattering love.
I would never trade you for
anything else for you are the only one,
my sweet angel dove.

given ourselves freely to each other.
Not possibly could I ever find
such divinity in another.

and the biggest heart,
there is no doubt you are my angel
blessed upon me from up above.

Spiritually bound you make me so proud.
I want your love and you hand for an
eternity and well beyond.
You are the one for me
as I am for you.
We're spiritually bound
giving ourselves to each other
feeling so proud without any doubts.

Michael P. McParland

Spectacular Lady

A spectacular lady I love so much.
I can sense you near,
hear your voice feel your touch.
My days are filled with memories and dreams of you.

I'm completely exhausted
now about to retire,
and as I drift away to dreamland
I will look and find you there.
Hold your hand embrace you near.
Say I've missed you
so very much my dear.
I love you so I'm never going to let you go.
Well shedding tears of joy
knowing I am yours and you'll be mine,
and I'll be yours.

The most spectacular lady
whose defied all the odds.
A shining spirit a divine gift,
my awe and loving admiration
I'll never deny it.

And feel my arms around you,

and all my secret passions.
Feel me near as I feel you.
My spectacular lady
I truly know our day is near.

Michael P. McParland

Soon

Soon we'll be free from all this gloom.
No need to feel impending doom.
Holding hands in loving swoon.
Peaceful feelings with so much room.
To live and breathe with time to groom.
The greatest roles we have assumed.

Soon the time will be just right.
For each other we'll live and die.
Knowing we were worth the tears we cried.
Fighting through the hateful lies.
That others flung as they passed by.

Soon we'll see what's good indeed.
Were all we'll ever really need.
Take heart my dear and have no fear.
Soon the loneliness will disappear.

Michael P. McParland

So Good

Touch me in the way that feels so good.
You stroke my ego with such a gentle hand.
It feels so good to be with you.
Your passionate smile, your gentle soft lips.
Tease and tickle at the tip.
You kiss and nibble just a bit.
It drives me wild with such delight.

You know just how to make me tick.
With a jerk and then a lick.
Just keep on going for a little bit.
Excitement builds with the thrills.
You're the best it gives me awesome chills.
Don't stop now it's almost done.
It forces through me like a shot from a gun.

That's so good I know it's real,
the spectacular ways you make me feel.
It's so good don't ever stop,
just keep on going round the clock.
That was great I contemplate.
We'll go again it's not too late.

Michael P. McParland

Snuggle

Come and snuggle with me as I lay down to sleep.
Feeling your warmth and arms around me
will help comfort my scared and troubled soul.
To nuzzle with you would make my world complete,
my face and head buried on the inside of your shoulder
curled up tight against your body to be as close
so I'll no longer feel cold and alone.

Come cuddle and nuzzle and make
each others night and souls feel complete
not one single hole that leaves us longing for
something more that we're not finding.

Come cuddle with me and kiss me too.
We'll say goodnight and possibly even sing some tunes.
Most important though is having you in my arms
telling each other it's all alright because we have each other.

Michael P. McParland

Sitting here awake,
dreaming of your beautiful face.

I want you here to hold my hand.
Kiss you on the cheek and
you would look at me and say
you'll always be my man.

Our day is coming I can feel it.
The waiting though is unappealing.
For I want and need you here
to have and hold.
Kiss you on your precious lips,
then here you say that it's alright.
So then we'll tell each other
we're here forever,
because we so deeply love each other

I'm just so thankful that you're there.

I don't have a ton of words today.
Just know KP I'm so thankful for you
each and every day.
I get on my knees and thank God
for bringing you to me so could
complete our souls,
so I would know the greatest woman
he ever created.

I'm out of words today my mind is foggy gray,
I just wanted you to know I'm
thankful for you not just today but every day.
You're the one I treasure and hold true,
my angel my hero,
KP my darling dear I love you.

Ten Dozen Red Roses

I have ten dozen red roses here for you.
Just a token of my love,
a simple gift for a wonderful beautiful girl
whom I truly love.

I personally removed every thorn
so you won't get poked and stabbed
needlessly hurt.

Ten dozen beautiful red roses,
a simple heartfelt gift.
For the most wonderful, magnificent,
beautiful woman I love so much
and have dedicated my entire life.

Sending All My Love

I'm sending you all my love
each and every single day.
Can you feel it envelop you,
warm your heart and fill your soul?
Can you feel my arms surround
you as I embrace you across the space?

I could feel you this very
morning as I sat silently reading.
I could feel you next to me,
your warm smile and deep love,
they filled me up and lifted my heart,
it's the happiest I've felt in ages passed.

I'm always sending you
all my love and warmth.
With the biggest hugs
and romantic kisses just for you.
Can you feel the passion
I hold deep inside for you?

I can still feel all your love.
I can sense you near,
I smell your hair,
I smell your skin.
The senses fill my heart with joy,
for I know our bond persists
and we'll stick it out till the very end.

I'm sending you all my love
so rest your head and sleep
knowing that I will forever hold you dear.
Feel my love I'm never going to abandon you.

Michael P. McParland

Saved

Know it or not you have saved me.
Your love and presence in my life a joy
unequaled I now and forever proclaim it.
You gave me light and hope that I'd long lost.
The only fear I face now is that you're ever lost.
I know though that you'll never forsake me.
Just as you know I could never let you go.

You have saved me in so many ways you cannot even know,
but in due time I'll be able to tell you all.
We'll fight through all the pain and bad.
Our bond is made of steel it will hold forever
my sweet fair lady of the highest class.

You have saved me in so many ways
so know it's true when you here me say.
I love you
I want you
I need you.
So let's come back together and talk things out.
I'll always fight for you in every way I can.
You saved me true so let me help to always save you too.

Longing hard to be so deep inside.

I need you here to show and share with you all my love.
Please come and help relieve my longing pain,
in all arenas but right now my God I need this one.
I want you and need you for all my life

Rest Your Head (On My Chest)

Rest your head upon my chest,
we'll talk until we fall asleep.
In full warmth and comfort from each other
we'll just sleep until there's no more fatigue.
For finally with each other in our arms
we'll feel safe and full of comfort.

Come rest your head upon my chest,
and let me wrap my arms around you
to securely hold and protect you from
any doubts or fears that may still haunt you.
To reassure how very much I love you.

Come now let's lay down and rest your head
right next to mine.
Stare into each others eyes and feel
the wholesome love we hold inside.

Come now and with me rest your beautiful
spirit, heart and mind,
chase away all this lonely fatigue we
can no longer abide.
Find contentment in each others arms
and soothe our souls.
Find the peace we need in our arms
resting until we are recharged.

So come KP and rest your head upon my chest,
let us feel and enjoy the peace we feel
and need within each others arms.
It is right there where our journey can begin.

Michael P. McParland

Worry not for when you wake up I'll still be here,

make things all better for the time being.
I'll protect you from all harm.
I will make sure you feel and know all of my love.
So rest your head and get all the sleep that you need.
I'm sending all of my warmth and my love with great
big kisses and hugs.
I love you so deeply and I miss you completely.
But I'll still be here so right now just rest your head.

Michael P. McParland

Rest With Me

Come rest with me KP.
I'm very tired but will not sleep,
so please honor me with your
heavenly angelic company.

Hold me tight and tell me it's alright.
Stroke my face and hair with your hands
so very delicate soft and fair.
Tell me that you love me and aren't going anywhere.

loves you more than any known thing.
Let's hold each other close too keep

Please come rest with me KP
and help the world and all around,
be so serene and calming by your soothing voice

Michael P. McParland

Rest Assured K.P

Know that that's where you stand.
Eternally in my heart and my soul,
will you honor me
by being in my arms forevermore?

Rest assured I am dedicated to you.
I love you so much that to even feel
your spirit pull away for a second throws
me into utter chaos and dismay.
That's where you stand,
firmly in my whole being for
you are my Angel and Queen.

Rest assured KP I love you so much,
I'm in such desperate pain being away
from you right now.
I need to hold you and look in your eyes,

Respect For You

I have respect for you
in so many different ways.
Your fire and your passion,
your kindness and your love,
your strength to fight through all the pain.
I openly admire you for your
determined honest ways.

I respect you for having
given me so much of your
patience and precious time.
The second chances when I have
screwed up like a foolish child.
I respect that you've taken all the time
to truly get to know me.
Broken through and down so many walls
that so many others never had the
courage to even try and climb.
I love and respect you for understanding
why the walls were there foe such a long time.

I respect and admire your rock hard
perseverance in the face of hate and doubt.
I truly can't tell you all the ways
I respect and love you for there's too
much there to count.
Just know that I love you dear,
respect you and hold you as a hero
that I so admire and who's loving
dedication and confidence I look to and aspire.

Renewed Hope

Renewed hope I have found
in the love you've given me,
KP your acceptance and faith
has opened many doors and helped
me find so many keys.
To life and care brought anew,
a hope and happiness disappeared
when I thought that I lost you.

KP you've renewed hope
in this lost mans life.
Helped give me back direction
I had lost in many years of dark,
bombarded with using, abusive,
confusing things and people.

You've renewd my hope and belief
that there are still good
loving, caring, helpful people.
KP you've renewed a loving heart
that had almost lost all faith
that it could find a happy
loving wife and place.

KP I love you far wider
and deeper than 10 universes.
You've renewd my hope and heart
in ways that I have so long and deeply needed.
I can never thank you deep and long enough.
Just know I love you so very much.

You're truly an angel that understands
what I am all about.
That my heart and soul speak worlds of love.
You've renewd a passion held so deep,
you've renewd my essence I thank you
so very true in every word and deed.

I love you,

I love you,
I love you true.
You have renewed all my faith and belief
I want to marry you.

Remember Loving Words

Remember that the loving words are the truth.
Angry ones were spoken in times of blue,
some here too are only fiction.
So please for Gods sake remember
and only listen to the loving words.

You know how much I truly love you.
The endless deep wells I hold inside.
So do not take angry words to heart,
so many of them are not meant for you
for all I have is endless pure love just for you.

Please remember that the loving words are the truth.
They're always meant for only you.
Feel my love inside your heart,
for not a second shall it ever part.
I miss your smile eyes and sweet presence in my life.
You help calm me take away all the strife.

Without you here I do not eat or even sleep
so how could I point cross words
at a beautiful heart and soul I hold so deep?

Please remember that the loving words are the truth.
I want and need you so how could
I slam you when you're my angel true?
Please come be in my arms and feel my love,
let me whisper in your ears those words so dear
to the one God sent me from up above.

Ready For Bed

Ready for bed once again in my empty bed.
Sleep has not been my friend,
hopefully I will find it,
rest awhile let my mind go quiet.

I wish that you were here to hold.
Stroke my head and face.
Just look into my eyes revealing
all your love calming me with your
endless love I so desire.

Ready for bed I'll just
dream of all the things you hold,
in my heart I feel your love
I know you're sending it my way.

Ready for bed I'm sending my love as well.
I hope soon that you'll be here to hold.

Reading

Reading brings such wonderful solace.
Taking the mind to millions of places.
A wonderful way to spend time by yourself.
When there's nobody there,
or you just need some time to
escape and be by yourself.

There are so very many things
of which to read.
I have nearly a thousand books
just which one should I read next
to satisfy this unquenchable thirst?

I'll just have to read more
than one at a time.
Immersing myself in the written word.
Not coming up for breath
until I feel satisfied and must rest my eyes.
For only awhile though,
for I cannot wait to return to the page
and see just what twists the tale takes.

So soon I shall forget the world
and follow the hero's and villains as they
travel along on their many adventures.
Discovering new worlds and learning of old.
Soon my dear friends I'll share with you
all the wonderful things that my books behold.

Michael P. McParland

Radiate With Radiation

Radiate with true brightness babe.
Like three mile island and chernobyl
our love is an atomic blast.
No need to clean up here though.

So let's radiate with the radiation of intensity.
Blowing away the gawkers of jealousy.
They're just stupefied from our radiant beaming.
They've never seen anything quite so everlasting through the screaming.

Our radiance shoots through eternity
burning up the ozone layer.
Radiance of radiation that burns and sizzles,
killing all that is bad
and now to bring forth that which will renew.

Michael P. McParland

Quick Night Note

I'm sending you lot's of special
and strong soothing love tonight.
I have a feeling we're both in need
on this frightfully cold and lonely night.

I love you babe and when
I can I'm going to hold you close.
Chase away the loneliness and tears,
give our souls the healing they need.

On this cold and lonely night though
feel my heart and warmth surround you
as in spirit I wrap you up in my arms for comfort.
I love you babe and I'm badly missing you.

So to help us both chase away the loneliness
I wanted to send you this note
to let you know I love you so very much,
I'm sending you all my warmth and love
with big hugs and kisses to calm
and soothe my only one.

down on one knee with abundant love I ask will you to marry me?
I could never love another as I do you,
I'd rather die alone than settle for a lesser love.

Michael P. McParland

Profound

What on earth can be more profound
that a person who opens up and expresses their heart mind and soul,
in full truth of all the things that they've explored.
In whatever they've studied in raptured joy.

Michael P. McParland

Pouncer

Pouncer you were my little bundle of joy.
For years my best and only friend.
The perfect cat who always greeted me at the door,
when back from school or back from work
you came running to the door to be picked up and get your kisses
your black and white beauty I so adored.

You'd come and sit with me and lay down too,
when times were blue and sad you knew I needed you.
You weren't the most graceful guy but that's what made you so unique.
Big bright eyes of a kitten through your adult days
curiosity you always knew.

You left us far too soon at only 8 years old.
Summer of 2007 a year so bad and it also came for you.
Cancer took you up inside your mouth.
It ate you up and you couldn't eat you just wasted up.
I miss you so my precious little beautiful guy.

I didn't want you to continue feeling so much pain
so after a few more months you looked at me
and said it's time for me please send me home.
I took you down to vet you laid so calm
knowing that peace was right around the bend.

I still cry when I think of how you left that day.
As I write this I cry today.
I miss you so and still love you dear,
when I get to heaven I'm gonna hold you give you kisses
on your head behind your ears.

You were my best friend and kept me company.
Through such lonely days
I wish you were still here.
I have two new friends I know you'd like them now.
For Max and Caesar I say hello and when we get to heaven
we'll see you there and play with so much time to spare.

Michael P. McParland

Pointless

It's pointless though I like it still.
It pleases me so it fits the bill
continuing on through useless drills.
The absurdity of it really kills,
I love these old pointless horror films.

The plot is wretched and extremely thin,
their laughable attempts to be quite grim,
it never ceases to make me grin.
I love them tons with pointless puns,
they're exquisitely needless and quite dumb.
They never stop in endless run.

I want to see them all it's so much fun,
they're completely pathetic like this poem
going on in endless drone.
I like it still though it's pointless fun.
You do to cause now it's done.

Michael P. McParland

Please Tell Me

Please tell me just what it is I need to do?
Please tell me so I'll get it right and find my way back to you.
We'll always be friends sharing our special bond,
it's never been broken and it never will.

Please tell me what I need to do
because you mean so very much to me that's completely true.
I care about you more than life itself,
I just want you in my life to share it all,
our experiences, our thoughts, our hearts,
I want to live knowing you'll always be my friend,
our devotion never dying.

Please tell me where I've been right and wrong,
so I can always correct the wrong I've done
and continue those wonderful things that you love.

I'll forever be your loving friend.
You fill an empty void that your absence brings.
I hope you know just how much you mean to me.
You're my best and most treasured friend I don't
ever want to lose you again.

So please tell me how and what I need to do.
You're my friend my love to make you happy
fills me with joy making me so happy too.
I've missed you oh so much,
I want to fix all that I have done.

I'm also here to take your hand.
Please show me the way so I can hug you,
tell you how much I've missed you,
and that I'm happy that you're back.
I'll always do my best for you my friend.

Michael P. McParland

Please Be Mine Today

Please come back and be mine today
my sweet Angel dove.
The memories of you and me are what make life
tolerable and moments so divine.
You are truly my shining light
and guiding star like the northern light.

Please be mine today and let us never part.
Your love is that which keeps me going in all it's glory.
Remembering your eyes and smile.
A spirit that burned so brilliant and inspired.
You showed me love you showed me true art.
I only have thanks for you for ever more.

Please come and be mine on this very day.
It's been to long since we talked and laughed
playing complicated games teasing each other
poking fun but never mean or meant to bother.
I miss you so those wonderful days of fun
we'd explore the world in each others minds.

Please be mine and let us show the world
that true love exists beyond anything they could imagine,
helping each other in pure supporting passion
in every facet of devotion and needed fashion.

So please be mine today or very soon.
Life is so very stagnant without you.
I'm bored and lonely,
much worse though so depressed and sad.
You are my smiles and bright joy
I dream of you in the worst times to get me through.

So please come back and be mine forever.
I'll give you all you ever need and all I have,
Of the immense love I've always had please remember.
I love you I miss you I need you more than ever.
Please come and be my wife I give to you my entire life.

Michael P. McParland

Perfection

There is true perfection in this bond we share.
Even in the brutal fights we've faced
our true love gets us through we still keep
together strongly embracing never thinking of quitting.

There is truly only perfection within our love.
It's the mortal things to work on
to beat those cracks to avoid the pains
the world and jerks have brought on us in jealousy
to try and break us hurt us bold.

Yet through the perfection of my lady true
I'll always continue on fighting just for you.
I know you've also weathered much for me.
How my heart glows knowing such a strong and loving woman
stands with me helping me up from every blow.

The perfection of our true love
will get us through I have no doubt.
Because we're both fighters for our beliefs
our loves and families too.
We have each other and will always fight
for our perfect love it's perfection in truth.

Michael P. McParland

Perfect Moment

The perfect moment with the perfect person.
I'm quite surprised they're here with me.
Despite all my dreams,
I'd never have believed.
That at this moment it would finally be.

So here it is.
Finally knowing the perfect kiss.
Holding hands in perfect bliss.
It's so unreal,
my head is shrouded in a mist.
I can hardly believe such luck as this.

I never want this moments end.
In the greatest joy your sweetness lends.
The greatest moment which truth defends.
We hold the greatest love in lifes great plan.
Never ending and doing all we can.
To make it through with God's' great helping hand.

Michael P. McParland

Patience

Patience is a virtue.
You'll need it to stay true.
Whenever you are feeling blue.
Faith, and patience will always pull you through.

Though at times it may seem bleak,
and hope is very weak.
Be patient and you'll find what you now seek.

Love is patience which you really need.
Push too hard and good will leave.
The patient man will take the lead.
Rewarded well for this virtuous seed.
With which he grew and paid his dues.

The impatient man will always lose.
So wait your turn, ignore the burn.
With patience now you'll not be spurned.

Michael P. McParland

Out Of The Dark

Out of the dark and into the light.
Upon me the sun shines so bright.
Hope renewed upon this rock,
dreams flooding back,
reopening doors that
for so long have been locked.

I'm coming your way,
together we'll grab them,
cherish them for life.
We've beaten all the odds
from those so jealous
and tried to destroy us.
We've won the day true love is ours.
For we have persevered and come
out of the dark.

Michael P. McParland

Our Night 2

Spending the night with each other
in the best way I can ever imagine.
Sitting holding one another in silence yet
communicating still telling each other everything.
Listening to beautiful music and watching a sweet movie
that's your pick.

Then we lay in bed kissing and just talking.
Letting the other know it's all
alright that we're never leaving or letting go.
Just sharing all the things we've missed,
the things we've shared and all the things
we hope to accomplish in each others lives.

Lying in bed just looking into each others eyes.
Occasional kisses still giggling at nothing
like we're still just kids.
Slowly drifting off in each others arms,
with no fear because we both know in the morning the other will
still be here never going to leave our devotion is solid.

That will be our perfect night together.
Holding each other talking, kissing,
dreaming, and then drifting off simply sleeping.

Michael P. McParland

Our Night

I imagine you before me,
revealed in all your pure beautiful glory.
Shining with anticipation and pride
for the special gift we're about to share.
You are so perfect in your beauty through
I've anticipated this night to be spent with you.

Our eyes and hands travel slowly
getting to know each other in all our glory
preparing to share our souls in all that's holy.
Kissing and staring into each others eyes.
We see our souls with no need or desire to hide.

We've both waited so long for our special time.
Now our waiting is finally done.
With a deep breath a sigh of relief we're now together
bonded in each others hearts and souls forever after.

I never want this night to end.
For I've never felt closer to another.
Yet a lifetime of joy stretches far beyond us.
We'll stay joined forever no one can break us.

So here I stand before you now.
We're admiring each others beauty taking it all in.
Come take my hand and embrace me now.
Let us now fully know each other.
Strengthen our bond we've shared forever.

Michael P. McParland

O.S.U Force

Our game is polished and poised.
When you face us you'll be destroyed.
With ground attack and vicious sacks.
We'll break your back and not relax.

With aerial gains of awesome displays.
We'll rack up yardage with no delays.
Our defense makes you stumble and fall.
Turning over tons of balls.
We're a mighty force that can't be stopped.
Get ready now you're gonna drop.

Michael P. McParland

Only You

Only you can help fill the void within my soul.
You are my other half which gives me hope
and completes my heart.
Only you can help me find my path.
You bring out all the best in me.
Make me smile and make me laugh.
You bathe my soul in true romance.

It's only you forever in my heart.
So will you please come take my hand
and wear my ring?
Be my mate for life and through eternity?
For only you can fill my heart.

Michael P. McParland

Only One Forever

There will only be one for me forever.
Only you it's true.
Have no fear and feel no doubt.
My heart is yours my eyes for you.
It's the pure truth you're the only one forever.

Michael P. McParland

One More Chance

Give me one more chance to prove my love.
I'll treat you the way you deserve.
I'll show you I'm worthy of your glory.
Together we'll live a beautiful story.

One more chance to find romance.
Without a single backward glance.
I'll prove to you that it's not through.
There's still so much we have to do.
I may not have been the greatest bloke.
Now I see why you had to go.
Now I ask for you to see.
I've made the changes that you need.

One more chance for a love so true.
My life makes no difference without you.
I wasn't always there to show I cared.
Now I want to repair the bond we shared.
Just one more chance I ask of you.
For forgiveness sake don't say it's through.
Just think of all the love we'll make.
Knowing that we're the best two mates,
to share in such a glorious fate.

Michael P. McParland

One In A Million

Only one in a million could claim this prize.
It always comes as a surprise
to have finally realized
that you're now mine and I am thine.

No other man could ever plan
the necessities of taking your hand.
They know not what they need to be
or how to treat you specially.
It's quite a shock to finally have so much luck.
You truly see I'm not a schmuck.

One in a million could truly read
The tender caring that you need,
you have such depths of sweetness care.
Saving it for the one who dares
to show you that he's truly rare.
I'm that one from a million strong,
it surprises me that I have won.
Though we know that you're not wrong.

We help each other to be strong.
We'll last forever,
being proud of what we weathered.
It's greatness now for we're together.

Michael P. McParland

Oh Praise And Rejoice

Oh praise now for his time has come.
To release us from these mortal bonds.
Rejoice and celebrate for here we are the end of days.
No more pain, no sadness too.
All is fine from here on through.

Rejoice Rejoice his glory does shine.
Illuminating all that is so rich and fine.
We must have dealt in everything the way he'd want for we are here.
I can feel his glow, his enormous strength.
I feel so happy now the clouds are gone.

Oh praise him now and all he is
praise the greatness on this day.
No more hate, no need to fear all the ugliness has now been cleared.
So rejoice and praise we've made our way,
through the path of disarray.

Michael P. McParland

Oh If.....

Oh if I could only reach out
and tell you now how much
I deeply love and miss you,
the emptiness inside I feel without you.

If only I could call you up,
say how I want and need you in my arms.
Then you could come over or I could go to
your beautiful dwelling.
Then just lay in bed and talk.
Comfort each other in our
unconditional pure love.

If you only knew how much I needed you,
your arms around me talking about
nothing and everything.
Just grace me with that voice I so long to hear,
and stroke my hair and face
because you know it relaxes me.
If you just knew how bad I need you
and you could be here.

At the very least though there's one more thing.
Oh if I could only call you.....

True Art

True art never dies.
Continually transcending space and time.
It stands through all the ages,
moving young and old alike
not limited by generations.
For it grabs the most vital parts
of our souls and hearts.
Giving sound and vision,
of heavenly things to soothe
and tame the inner heathen.
True art will last forevermore.
It's an unfathomable beauty
that is forever young,
never growing one bit old.

Two Lost Souls

Surrounded by a sea of black.
Not knowing how to find the things they lack.
Two lost souls that need true love.

No one understands these complex beings.
Their wants, and needs,
far exceed than that others can read.
They cannot see the depth which bounds within them,
they'd get lost among the trees.

Two lost souls that need each other's trust,
but opportunity has passed things rough.
They need to see,
they need to touch.
Upon these things that they must trust,
to make the thrust into a future robust.

They search and search,
forever seeming stuck in a lurch.
They get to know others,
finding no one they trust.
Overall compatibility seems a bust.

Two lost souls that continue to dream.
Of the one that can help them,
find acceptance and pride.

Two lost souls that forever will search,
till they find each other they know it will work.
To have and to hold,
give all their secrets behold.

Two lost souls who are ready to give,
they've seen it all,
there's no reason to live.

Then one day by chance in the park.
They looked at each other ignited a spark.
Two lost souls had found what they need.

A fulfilling destiny that will fill all their needs.
True love and hope that binds them together,
eternal souls with love that causes thunder.

An unbreakable bond to last the ages.
A brand new book filled with empty pages.
Their story is grand and yet to be written.
For each other forever smitten.

Understanding Is The Key 2

Understanding is the key
to all the things we want and need.
All I want is for us both to listen,
understand the best we can about each other.
Start with all the time we missed,
the things we felt at our forced separation.
The impressions and beliefs that to
this very day have caused confusion.
To start the beginning is where the healing
will have it's best chance.
Listening intently so we'll not miss a thing
and fully understand.

We need to connect the years between
our losing contact and reuniting.
Explore and find what the other went through,
understanding all the feelings and emotions
from those days both good and bad,
those within that may still be brewing
affecting us in ways we have not noticed
and brought us close to ruin.
We must find and understand these things,
for those are the keys for success we so
desperately want and need.

We'll share our pasts,
our whole life's stories.
Not all at once though because I know
both our histories are intense and
too much extreme emotion for one sitting.
To share those things and give such trust away
is such a depth of knowledge and understanding
that leads to discovery of why so much
happens as it does,
and can show us roads to travel solving all.

Through all of this we'll begin to
find so many answers to the things that don't make sense.
Where so many misunderstandings and

mistakes have come together and hurt us
through their pure disgrace.

If we go back through to comprehend these roots
we can begin to find a path out of this
tangled over drown jungle of pure confusion.
Connecting all the pieces will start the healing
helping us get started.
Then continue by finding all the right
solutions so we will not lose this loving
bond we both so cherish.

Understanding each other in all we can
on every way is our best chance so we'll
know just what we both need and want,
I have no doubt of our commitment to each other.
So let us show the faith we hold and bear our souls
to see the truth and find
the understanding that will save us now.

I love you more than anything on earth KP.
I swear to you I will go the lengths
to never lose us.

Michael P. McParland

Understanding Is The Key

All I want to start is for us both to listen,
understand the best we can about each other.
The time we missed,
the things we're finding that make no sense.
Listen intent to find out where
and what our youth to now has brought.
That shaped us gave us our
strengths, weaknesses, and fears,
understand so we can fully know
the best we can why we sometimes act
irrational and various ways as we sometimes do.

I just want to know you through,
your life top to bottom
all you're willing to give for a
connection that will strengthen our unbreakable bond.
I want to understand all the things
that have always confused,
frustrated and haunted me.
Leaving me feeling useless and weak.
for my inability to help you find the relief you seek.
I want to understand,
to give you the happiest life that you deserve.
You've done so much to help
so many others yet next to none
have given you your honors.
I wish to understand so from now until the end
I can always help you work through the pain,
frustration and anger I know you hold
from many years of being under rated and disrespected.

I desperately desire to give you all my secrets,
my pain, my humiliations, and my fears.
Maybe help you understand the rage I hide.
It doesn't make me a dangerous scary guy.
If only you understood,
and when I find the way to explain
why it's so hard for me to truly give up all that trust,
even directly right now to the woman I truly love.

I maybe wrong in all manner
needing some guarantee before
I give you the key to all that's me.
It's only you I'm willing to tell
and share all my life's journey the hope,
extreme despair, shame,
humiliations, and fear,
as well as all my hopes, happiness, joy, and cheer.

I never share those years with anyone,
but for you I'll put down all my defenses
disarm the protective guns.
I want us to understand each other,
always holding on to our love and
special unbreakable bond a wondrous thing,
of pure devotion and strength that has lasted
no matter the times that have been bad.

Please don't hate or resent
me for the wrongs I've done.
I want us to understand the best we can,
all of our moves the good and bad.
So I beg thee please let's find the way
to fully open up our hearts with trust.
Listen knowing that all we share is truth
no fear of cutting words or judgment at each others hands.

I offer now to give you something rare given to only you.
I will share it all
in a show of love and good faith for you.
Try to help you know my roots,
my moves through life,
I want to give it all to you.
I offer this with my heart full of trust.
What say you?
Are you willing to at lest listen to me?
Ask questions and I'll do my best
to help you understand my many odd ways
so hopefully I won't come off as such a slag.

I truly trust you,
you're intelligent I know you can

make much sense of a lot of my chaotic ways
once I've shared my stories of many many days.
You'll find I'm not a total miserable scary threat,
you know I'm truly loving
with only pure passion and need for you.

After I share my lives times,
It's your decision rather or not to share.
Either way I love you still.
I'll be happy to finally let you know my entire tale.
So I let you choose whatever you feel comfortable with there.
You can also decide where you'd
like me to start with many questions
that I can answer about my days,
to cover all there is from my travels about.
through all this very time.

I love you so very much
and I long for us to succeed.
You're my everything,
the first step and key
is true total understanding.

Michael P. McParland

Undying Love

Undying love I forever send to you.
My Queen, my Angel, my life for you.

Michael P. McParland

Vision Of Beauty

You KP are a true vision of beauty.
Inside and out you project a fairness
that is unequalled no doubt.
You still stun and amaze me every time
I look and see those shining eyes and smiling face.

Your heart is so kind and so pure,
filled with care for all things,
something so loving and very rare.
A soul that shines forth and touches all
that you meet along your course.
A vision of true beauty you are my only love.

You are a vision of pure and
true beauty in every way there is.
I love you totally for all and who you are.
A truly beautiful person and soul,
an angel that I adore from on hi.

You are my vision of beauty and
I love you more than anything or anybody.
You light up my life and my world,
you are all that is right
my sweet angel dove.

Michael P. McParland

Visions

Visions of you dancing in my head.
It calms my nerves which are always on edge.
You know I'm such a spaz,
we used to joke how I always was.

The visions of you shimmering and glowing
bright within my minds sight,
fill me with endless hope joy and delight.
A big smile spreads across my face,
something so very rare these days.

Visions of you embracing me tight saying it's alright.
Kissing me and saying yes I'll marry you.
Visions of putting a ring upon your finger
and the night we seal our bond forever.
Visions of our whole life through.
Stretching beyond eternity too.

Michael P. McParland

Roman Showers

Roman showers pouring on me.
My chest is filled with joy so hotly.
I love this scene so lush and thick just like a dream.

When it comes it fills a need.
A deep desire on which I feed.
It's quite beautiful but so taboo.
Why don't you come and join me too?

Let us pass in roman showers,
spilling all that we've devoured.
Sharing this will give such power.
Though some will say that it's so dour.
Don't listen to them for they are sour.

When it pours down on your face.
For everything else you'll lose your taste.
It gives you a feeling of such delight.
You're washed away of judging spite.
So let us partake of it this night.
Roman showers showing us brand new heights.

Michael P. McParland

None Sweeter

In the world there are so many beautiful
and wonderful sweet things.
None are sweeter though than you dear.
You bring joy and happiness in ways never thought.
You've brought richness and fullness
in ways I'd dare not sought.
You are the sweetest angel of which I could ever dream.

In all that I know and through all
the places and times I've known.
None has been sweeter than my darling dear,
You truly are the love and light of my life.
You're sweetness has cheered me up
and to you I forever give my life.

Michael P. McParland

Not Yet Slept

I've not yet slept and before I lay down.
I wanted to tell you I love you dear,
as I fall asleep it's in your memory I'll drown.
It brings me comfort and peace
giving my heart and my life a whole new lease.
So before I lay down and wrap up in your
beautiful angelic countenance I miss,
I wanted to tell you I love you and miss you,
but I'll forever be here anticipating our
blessed reunion a true heavenly gift.

Michael P. McParland

No Other

I want no other they can never do.
You are my angel
my guiding light
showing me the way to make it through.

No other has ever touched my soul in such an intimate way.
You touched my heart and took my breath away.
Only you have ever seen the depths of my soul,
the only one I shared my deepest secrets
and pains revealing all of myself.

I want no other because they are not you.
They can never measure up to your
beauty through and through.
I send you all of my love my wonderful angel
I'll be yours forever never doubt my dedication.

Michael P. McParland

No More Yelling

No more yelling between us anymore.
It only hurts and destroys the love we hold and have in store.
No more yelling and using coarse words.
We've been cut deep enough by the rest of the world.

No more yelling I'll do my best I promise you.
I know I've failed many times before but I'm working hard it's true.
I don't like yelling and saying cross mean words.
It hurts me too though not as much as you.

It crushes me when you've yelled at me
because your love and acceptance I so deeply treasure.
I know if I've made you mad I've really screwed up bad.

Please no more yelling in the future that we hold.
Please come back so we can talk and face the problems that we have.
Peacefully quietly loving speak to each other
truly showing that we truly care and matter.

I'm here with meekness ready to admit all my weakness'
to show you all my heart and quietly lovingly peacefully talk.
I will not yell because I love you so,
I just want to look you in the eyes and say I love and miss you so very much and give my promise of no yelling for my lady that I adore.

Michael P. McParland

No Greater Love

No greater love have I ever known,
of which to me you have shown.
There is no greater love on this
earth or entire universe.
Than that which you share and you show,
to me and the world.
There is no greater love on this earth.

Michael P. McParland

Nightlife

Nightlife so peaceful and serene.
I can sit here with my thoughts,
mulling over all the good times laughing and loving.
Ponder the wonders of this world,
make solutions to change the wrongs in all,
and in the individual start a flow of change.

Nightlife with quiet light surrounding me.
Reading from all the books I've wanted to.
To learn new things or escape into fictonal worlds.
Meet new people and hear their stories,
go on their adventures feeling fulfilled
yet sad when it's all over.

Nightlife to just sit and watch some movies.
Those ones that I've been looking forward to.
Horror movies in the dark,
deep dramas that break my heart.
And watch some kind of romantic piece that
I'm too embarassed for others to know
I'm looking forward for a mushy piece.

Nightlife where I can truly be myself,
everyone's in bed and not around.
I'm just free to do all those things
I want and need.
The birds can have the day,
I like the night
for that's when my spirit shines bright.

Michael P. McParland

Never Ending

Never ending loyalty,
never ending love.
An eternity spent in my heart,
I'll love through the end of time.

Never will I hate you,
never will I resent or hold a grudge.
Never will I feel anything but undying love.

Never forget that you're my angel true,
I never have and never will stop loving you.
Forever my heart is yours I can't take it back because I gave it to you forever more.

Never never never will I give up on thee.
Remember I'm still here for you please come back and make things truly open and clean.

Never ending love,
never ending admiration,
never ending loyalty for my precious dove.

Michael P. McParland

Needed Sleep

Once again I will lay down my head,
attempt to get the sleep that eludes
me so very much these days.
It slips through my fingers quite
often as I'm drifting off,
something in my brain will fire.
Getting me up and I have lost that
precious moment to retire.

Please be with me KP send me
some love and let me know that it's okay
to lay down and let my body go,
find the rest and sleep
my mind and body so badly need.
If you have the energy to spare
please send me some to calm me down.

Once again I rest my head upon the pillow,
attempt to get this needed sleep.
Goodnight my love I miss you so.
I'm sending you all my warmth and love,
with endless amounts of colossal
hugs and deep kisses just for you.
Through all your being feel my intensity
and be warmed by the burning passion
from a love so true indeed.

Goodnight my sweet angel dove,
you're my angel and I know you're
always thinking of me I can feel your love.
I hope you can feel all of mine
which I send every bit to warm you up
as I try to get this needed sleep.

Michael P. McParland

Needed

You're needed right now so I can hold you near.
To show you how you're loved and how much
I treasure you.
You're needed so we can comfort each other
to feel immaculately warm and safe.
Yet let's just skip all the semantics and get to the point.
You're needed not just here but in my life.
So I'm holding you in spirit tonight
giving you a kiss and telling you I love you
and everything's alright.

Michael P. McParland

Need To Know

What I need you to always know within your heart and soul.
Is that I truly love you in my heart
to the very deepest of it's elemental parts.
I have from the start and I will to the end.
Always remember that I'll love no matter the circumstance
Always be here for you never ending.
You're my life and angel my everything.

I'm to weary to say much more right now.
Spent the night crying with taxing thoughts
weighing on my fragile mind.
I needed to come though and say I love you.
I can't take the thought that I would hurt you
even for the shortest time worrying that I had left you
and given up for all time.

ILYF

Michael P. McParland

Need

I just need your love and acceptance.
Please try to realize I communicate the very best I can to be fully honest with you.
I just need to know if the words of love are totally true,
I need to hear or see the words directly from you.
I hurt and feel very empty.
To me you may not know you have been a savior.
I need you to accept and truly know my love for you is no lie, no sweet talk, it's all sincere.
When I think of you I want to cry,
rarely from hurt or pain though.
I need you to know it's because I miss your strong presence and your very beautiful immaculate countenance.
You'll never know how much I want and need you in every way.
My need and desire for mental connection and physical need are strong enough it feels like the unfulfilled longing will kill me.
I just need you to know that I always try my very best,
I will always need you in my life.
I'll only ever love you I need you to know about that and every other thing I've not lied.
You are the best sweet sweet lady.

Michael P. McParland

Nap Time

Nap Time babe and I'm holding you,
that makes me warm and cozy
feeling secure and loved next to you.
With a kiss and a smile a look straight in the eyes,
I say I love you sweet lady
holding you makes me warm and fulfilled,
you're the greatest thing in my life
I'll see you when we wake up.

Michael P. McParland

Peace Be Upon You

Peace be upon you my only one.
Let your heart and mind rest
for soon we will come together
and be whole again as one.
I love you like no other,
you are the crown jewel of my heart.
You are the only one my eyes see,
from you they will never part.

Peace be upon you my sweet angel dove.
I pray for you everyday asking
for your health, happiness,
and peace of soul and mind.
Feel all my love and warmth
surround you as I'm sending it all.

Peace be upon you my angel of true love.
My heart, thoughts, soul,
and everything are with you today
as everyday behind and before you now.
I am dedicated to only you
for you are my only true love.

Peace be upon you KP my darling one.
I love and treasure you so much,
my heart is always yours.
You are the one I give my whole life for.

Michael P. McParland

My Soul

My soul to you I've fully bared.
Even now I know you truly care.
Yet you are gone and I'm so blue.
Do you now understand so much of what I've been through?

I wish you'd shared your soul with me.
I know the prospect though is truly frightening.
I only wish you knew how much I truly care.
The world you are and the world you'll be,
forever to my acheing soul and psyche.

I bared my soul for you to know,
the truth that all my joys and faults truly hold.
I hope now that some sense is gleaned,
in all my maddening ups and downs that you have seen.

Michael P. McParland

My Sweet Angel Dove

Oh my sweet Angel dove.
My heart is so barren and empty without you here,
holding me near in your soft gentle caress.
I miss you so much
and I pray to the high heavens
for God to return me to my sweet Angel dove.

Give us a chance at pure trust and open clarity.
The willingness to pour out our love,
knowing there's no lies giving each other
the respect and purity fulfilling our needs.

My heart is aching so bad with the empty space
that you filled and my need is so strong.
I have no will for this life
without your loving passion that gave me such life,
and the seed of love you planted in me.

Oh my sweet sweet Angel dove,
do you still think of me too?
Longing for resurrection of the bond we shared,
and still desperately need?
Do you need me as much as I do need you?
I want us to be happy,
and I'll only be so with my sweet Angel dove,
the purest heart you have and are my love.

Michael P. McParland

My Sweet Lady

My sweet lady is always there for me.
Be it in presence, heart, mind,
spirit, or all at once.
She means the world to me
and is my all and everything.
I love her more than anyone can ever know.

My sweet lady is my angel and my hero.
There isn't a thing I wouldn't do to
make her happy or save her.
She is a diamond and a priceless
rare treasure.
I am so lucky that I found her.

My sweet lady KP
Is so very very special to me.
She's saved my life in so many ways,
I'll always work my hardest to show
my thanks and repay her kind and loving ways.
She is so truly amazing it blows me away.

My sweet lady is proof that
true love does exist.
Without her now I'd be completely alone and lost.
I love you so KP you are truly everything to me.
You hold my heart, soul, and mind.
I give you my whole life,
forever it is yours and mine.

Michael P. McParland

My Sweet Love

My sweet love the days are long and hard.
Without you around everything is wrong.
Colors are less vibrant, faded and pale.
The music now strikes only the chords of pain,
without you in my life the sweet happiness lost forevermore.

My sweet love I truly treasure you.
I'm tired and aching from all the
lonely sorrow I'm going through,
an empty aching cavern within my soul.
Just want to say I'm so sorry for where I went wrong.

My sweet love, my only one.
Remember I'm forever dedicated to you.
My heart and soul are yours through the eternities.
I'm here for when you return,
I just want to hold you and say the most important thing,
I love you KP.
You are my everything and I'll never
abandon or leave the angel that's saved my life.

Michael P. McParland

My Queen 3

My precious queen has granted me
fresh hope and a new lease on life.
How I adore her and all the love she brings,
a true beaming shining light.
She helps guide me through the darkness
and defeats all the dark and killing loneliness.

My queen is all my hopes and dreams.
I love and cherish her for so many things.
Not just because she loves me too,
but because she has so many qualities I admire
through and through.

My queen is like no other in heaven
or on this earth.
She's her very own person and it can't
be counted how much that's truly worth.
She shines forth as her very own,
no other person is as wonderful as her.

My queen KP is my hero for so many things.
She is my angel for taking my hand
and giving such endless unconditional love.
She truly is a blessing from up above,
I will work endlessly to always show her
I know her worth.

I love you my only queen.
My heart is yours pure and clean.
Only you could claim this man.
For you are the most beautiful
and special woman on this planet.

Michael P. McParland

My Queen 2

Oh my dear sweet Queen,
ruler of my heart and soul.
I give to you not by force
but by clean pure choice.
I am in awe of your pure heart and love.
To call you a princes would
undercut your awesomeness.

Oh my sweet dear Queen ruler of my heart,
let us come back together and never again part.
Without you by my side I am missing
a piece of my heart and soul,
leaving a vast black hole.
You are my Queen and I love you
more than the whole world can know.

Only you can truly feel and comprehend
the depths of my emotion for you,
the depths of a bottomless ocean which never ends.
Oh my Queen I miss you so each day
passes so very slow.
Yet I know as each one comes and goes
we're one step closer to our reuniting
and our sacred bond we both treasure and truly know.

Oh my Queen I look forward to that day,
and to you I shall remain faithful,
never batting an eye or wavering in my devotion.
You are my Queen and my darling one,
my sweet sweet KP I hold so dear.

Michael P. McParland

My Queen

Oh my Queen I'm dedicated to you through all time,
my love and my awe for you is eternally undying and glowing.
I pledged my heart and my life to you so long ago
and my feelings and loyalties still remain the same
for you the most divinely beautiful woman
to have ever graced this land and earth.

You are supreme and my love is undying for you my exquisite Queen.
I'll forever give you my all
and drive myself to the very brink to see you smile.
Your happiness and peace mean everything to me.
I will give you my all to make
your worries and pains ever so small.

My Queen I'm yours through eternity forevermore
and I'll write you as much poetry as you desire
and give everything you ever need.
You are my Queen and my light
the holder and bearer of my soul and heart.
You are the Queen which is my standard
for which all other women measured.
and one can equal or touch your
greatness and unique personality so great and fun.
You are the tops and the best
you are my Queen and no other will ever do
because you are a pure treasured diamond in the rough
I truly cherish in every way to no end.

Michael P. McParland

My Promise

Please let's very soon talk,
work it all out so I can show
you my heart.
Not holding a thing back I promise,
sharing my secrets, my pains,
my fears and my hopes,
for you I'll reveal my entire soul.
This I give you my solemn promise.

In turn please tell me all
about the things that you hold,
the things which you need.
Tell me of all the happiness you've
had and still hold.
Pour out your sadness and bury
your face in my chest if you need,
and I'll hold you in comfort until
your tears have run dry and you
no longer feel the need to cry.
I promise to you I'll always be there.

Let's talk and figure it all out.
Our spirits are kindred,
bound together in the purest true love.
I long to take your hand and have
you as my Angelic bride,
have a family with you
through eternity side by side.

Michael P. McParland

My Prayer

My prayer for you is to always know
how truly deep I love you so.
I pray for you to always be safe to feel no more pain.
Have the perfect life you've always dreamed.
For you to know your great and abundant worth,
that life on earth without you here
would leave a hole and make my existence incomplete.

My prayer for you is to always know,
I'm here for you,
I care for you,
I'm dedicated and am always striving
and preparing to be a better man just for you.
For your heart to be as one
and feel contentment in complete.
I pray that you know my heart is yours.
Forever burning in eternal love.

Michael P. McParland

My Love For You

My love for you is pure and true.
No other could capture my heart
just like you.
The most beautiful smile and eyes,
the face of an Angel and divine grace.
I delicately cherish your memory
and cry for you're not here
and within me it leaves an empty space.

My love for you has no bounds,
I would give my whole life to hold
you just for a minute,
gaze into your eyes caressing your cheek
leaning in for one kiss
fulfilling my whole life.
No longer dull and oblique.

My love for you is my whole life
for you are my passion and guide.
You are the brightest star in the sky
which I follow and treasure.
To you I could never tell a lie.

Each night I send you a kiss,
say I love you KP you fill me with bliss.
I'm fighting for you and one day soon
we'll be back together.
No loneliness or sadness
for in our arms we'll know true love and safety,
a thing which no evil can harm.

My love for you is pure in it's truth.
Please feel my love wrapping it's
warmth around you.
I'll never leave or abandon
for you are my whole heart,
you are my soul,
without you in my life
I would have long ago lost control.

I love you now and forever
you are my sweet Angel dove.
I give you my eternal devotion,
for my love for you is as long
and as vast as the sweet blue ocean.

Michael P. McParland

My Expression

I cannot paint.
So I do not.
I cannot play the piano forte.
So I do not.
I cannot sing like the most beautiful bird on high.
So I do not.
I cannot draw, and I cannot compose.
So I do not.

However I can write and write well I do.
So therefore, I do it.

Michael P. McParland

My Call To You

My call to you is to let you know
my love will forever exist.
Nothing on this earth can shake
the foundations of my admiration
for my lady fair.

Do not worry about my angry poems.
Those words are not meant for you.
Even the ones I wrote in anger haste,
were in that time,
no longer applying in this day.
Remember the words of love are meant in truth.

My call to you is do not despair,
for I have no desire to hurt you in any way.
To see you sad destroys my world.
Feel no worry in your heart,
my intentions are loving care
far and wide.

I'm dedicated to you through my life.
Your happiness is all that matters
I'd give anything to see you smile.

So my call and words are completely true.
That I'll love you till the end of time
no angry words will I ever hurl at you.
I love and hold your memory oh so dear.

I embrace you from a far,
to keep you safe and comfort you
in all the roughest times and place.
So please know I would never
intentionally hurt you.
For you're my angel and perfect dove,
a divine lady transcending time and space.

Michael P. McParland

Much Love

Much love to you always my darling.
I'm about to lay down
and I'm sending my love.
My heart is aching right now
without you here in my arms
confessing my love.

Much love to you my darling one,
I'm holding you so tight in spirit.
Giving you a kiss on the head,
saying it's alright and I love you,
I've missed you so much,
I'm never letting you go ever again.

Michael P. McParland

More Than You Can Know

I love you more than you can ever know.
My heart swells so big with love every
time I think of you.
So overwhelming it feels like it may blow.
My love is so intensely deep
that when around you I lose all ability to speak.
All I can do is sit and mumble,
the most boring drivel I can think of.

I love you more than you can ever know.
To you I have in all senses given you
my mind, heart, and very soul.
I truly have opened up to you,
told and showed you things that no
other has ever known,
I've shared with you such secret things
that to tell another would kill me.

I love you more than you can ever know.
I would do anything to help and soothe you,
I would take on all your pain,
carry every burden so you'd never feel
weak or sick again.

I can't describe my immense love for you,
just know it goes so deep
the human mind could not know.
I want to show you for all our lives.
Let you feel and see it in
each passing day and night.

I love you more than you can know.
I can't wait to take your hand
and at the alter stand.
To have and hold for eternity more,
make and have a family that we adore.
You are the one that I desire,
I love you more than anyone can ever know.

Michael P. McParland

Mistakes

I come now before you all in penance sake.
So please hear me as I speak
my mind the feelings from the depths
of my heart that cry to you,
in need of righting all my wrongs the best I can.
So please hear me now as I commence.

I've made mistakes and
more than just a few.
Some quite small you may
have forgotten but I have not.
They eat at me for the hurt
I caused please forgive those smaller slights.

Some of the more moderate variety.
I know you'll remember most of those,
and some anger I cannot blame.
Though I may not recount every one
please tell me all my slights
and I'll do my best to right
the wrong and show you the love I have,
and sincerity I bring.

Oh and then there are those Mistakes
and hurts I've caused that are big and off the charts.
These most of all continue to break my heart.
For I know the pain and strife I've caused,
even causing some of you to turn to me in hate.
I cannot blame thee for
I hate myself for those wicked times.
I'd give my life, my everything,
to go back in time to erase them all,
so I would not hurt those I love most.
I would not lose those friends,
the one I love,
pieces of my very soul.
I kneel before you all
my most beloved family and friends,
forgive me please for all

those foolish times.
They eat my heart and soul,
killing me more each day soon in whole.

I ask not just for my very self
but to make full recompense.
I want to sincerely try
to show my sorrow for the pains I caused,
to try and help set that part of your heart,
mind, and soul to peaceful rest.
I do not ask for more than forgiveness.
If you will be my friend again
is up to you although
in my heart I'm bursting in hope.

I apologize to you in soul shed tears.
I cannot express the pain
and sorrow I feel,
knowing how I've harmed all of you.
So in closing I ask again
to please forgive me a weak and stupid mortal man.
I truly love you all,
and I just need you to know,
I'm so very sorry for losing control.

Confiteor Deo omnipotenti vobis
fratres quia peccavi nimis cogitatione, verbo, opere
et omissione. Mea culpa, mea culpa, mea maxima culpa.

Michael P. McParland

Meant To Be

We're meant to be.
You and me.
Look inside I know you'll agree.
Take hold now we'll be free.
We'll make each other strong
and live in glee.
For we know it's meant to be.

The greatest love song ever sung.
Doesn't even know
what providence has brung.
To each of our lives.

Fulfillments river
has finally sprung in our hearts.
The purest love forever here, cannot depart.
The greatest scribe could never write.
A story with more fateful light.
Full of truly faithful pride.
The greatest love story
since earth days rise.

It's what we have and it's no lie.
So look inside and deepness find.
What for years you've tried to hide.
You'll see it's meant to be.
I choose you, so please choose me.
It's really true you must agree.

Michael P. McParland

Many Mistakes

I do apologize far and wide.
I have tried to do so very many times.
Read through my works and you'll see,
that in many ways I've apologized.
Your forgiveness I truly seek.

I apologize for all my wrongs.
I feel ashamed and want
to make all right because you're
my best friend and I love you so.
Please don't be angry and hear my words.
I've apologized and will
so you know that I am sincere.

I apologize my dear love and friend.
If you talk to me then
I can list each one individually.
Here right now though please hear my plea.
I sincerely deeply apologize to thee.
From the bottom of my heart to thee.
I apologize for all the pain,
because I love thee.

Michael P. McParland

Loves Sweet Song

Loves sweet song sings to me
when you look in my direction.
Your beautiful eyes and shining smile
mean the universe to me.

They tell me of all the love you hold,
and my heart bursts with joy
for the love I feel inside.
Loves sweet song is you personified.
Come now and take me in your arms
so I can give you the sweetest kiss.

Michael P. McParland

Love That Lasts

I remember and feel
all the love of the past.
To this very day it fills my heart.
It's a love that lasts.

Thinking of you my heart
bursts with loving joy.
Yet also joined by a sharp
stabbing pain.
Because you are not here
and I miss you so much my dear.

Our love has lasted through
these many years.
Despite obstacles and fights
we've maintained our love,
holding fast to our bond,
for in each other we see the light.

We both remember and feel
this love that does last.
I believe in my soul we'll
find our way back together
because we hold tight to each other,
keeping us warm from the deathly cold
that kills hearts.

Love that lasts is such
a truly rare thing.
Something to fight for
and hear heavens bells ring.

Michael P. McParland

Love Comes

It strikes you hard and fast.
All your life this game will last.
When you're not looking
it hits you like a blast.
All of a sudden your heart is glass.
Inside you feel their killing glance.
You want them badly.
You're going mad.
Without them near you're feeling sad.

Love comes quickly like a ghost.
It grows quickly inside the host.
You feel a tremor.
Drenched in sweat.
In the ground your feet are set.
You'll get to know this sweetie yet.

It comes so quick.
How did it happen?
Inside your head the thunders clapping.
Ten beats a second your heart is pounding.
You try to speak.
Your brain has sprung a leak.

All the while you're unaware.
Of these feelings they also share.
So take a chance.
You'll find romance.
Love has got you in it's dance.

It comes so quick you'll never see.
The hit will bring you to your knees.
So just relax and let it come.
Be aware though,
and don't be blind.
Notice the fact that it is time.

Michael P. McParland

Loss Of Worth

Unless you've been there
getting torn and pounded,
crying while your head is bouncing
off the wall while the laughter goes on,
and the pain only deepens,
not just physically but debases
and makes you feel worthless,
and an object of scorn
to be used for an object of fun.

Michael P. McParland

Lonely Nights

Lonely nights spent thinking of you.
The joys you brought to me
through good times and hard times.
I think of your smile
and am filled with sad joy in it's beauty
not knowing if I'll ever see it again.
Deep brown eyes of impossible beauty,
God knew what he was doing in creating this Angel.

Lonely nights spent thinking of you.
I get lost in my thoughts in the wonders of you.
No matter how much we talked and we shared,
you remain a true mystery to me my lady fair.

So very beautiful I could never stop staring.
I knew it annoyed you
but from my heart true love was bursting.
Even more though is the beauty of your soul,
I don't think you truly see it
but it's evident to those with open eyes
that need the best of friends you are pure.

Lonely nights I miss you so much,
you changed my whole life and it's meaning,
my outlook with true care
you taught me true love now you're not here,
and I'm filled with bitter despair.

These lonely nights stretch so painfully long.
My whole body aches and for you I deeply long.
Please forgive me my trespasses for I am so deeply flawed.
I loathe myself deep for all of my wrongs.

You're my Angel it's true,
and every night I kneel down and pray for you.
For your health and your heart,
for all to be healed and give you true peace,
no more pain for you.
I will happily take on and carry it all.

Your true happiness is all I wish you,
for my Angel, my life I give to you.

So these lonely nights stretch forever.
The only thing that keeps me going
is the hope that we will meet yet again.
I'll show you my heart
in it's full pure intents.
To just hug you and tell you
how terribly I miss you,
to see your smile
and tell you I love you.

Michael P. McParland

Little Sexy Princess

I see my sexy little princess.
Across the room,
so full and robustly in deep bloom.
I want her near, I need her now.
The sexy way her curves are bound.

I wish to let her free from thee
unleashing all mad passion greedily,
to feel her there and know she's mine.
The touch of flesh is so divine.

Sexy little princess come with me
to entice and bring this fruitful seed
of love and passion that overwhelms.
Your beauty is volumes,
and to only dream is hell.

So my sweet sexy little princess
I wrap you in my arms.
No other man will ever
commit you further harm again.
My goddess full, my goddess true.
Sexy little princess I eternally bow to you.

Michael P. McParland

Lay Down With Me

Please come laydown with me.
We'll hold each other tight.
Reassuring each other of our dedication,
to the light we provide in the others life.

Look into my eyes
revealing my entire soul to you.
You'll see the pain from separation,
and bitter loneliness without you.
Yet even more beyond that score.
You'll see and feel
the love that they behold.

Seeing your accepting smile and shining eyes,
will lift the weight
and oppressive burdens from my heart.
Please come lay down with me
so we'll declare our love.
Fall asleep in peace
with contented hearts,
all the tears of sorrow now released.

Michael P. McParland

Later Tonight

Later tonight we'll come together,
even if for now it's only in dreams.
We'll just hold hands and talk,
enjoy each others company
with the occasional kiss,
making up for all the time
that we have missed.

Later tonight even if only in dreams,
we'll just stare at the stars.
Laying there silently just
communicating within our spirits and heads.
No words are needed
because we've always been connected.

Later tonight I'll see you in my dreams.
Anticipating the days to come
when it will all be peaches and cream.
Perfection between us soul mates
together forever connected and bonded.

Michael P. McParland

K.P You Are Divine To Me

I love you so much my heart physically hurts.
Every time we're apart it feels on the verge of breaking
and I am totally lost.

KP you're so divine a precious jewel.
If I ever lose you I'll die in misery not
sure where to go or what to do.
KP my biggest fear in life is losing you,
being alone because no other will ever do.
I could not face this life apart so mean and cruel.

KP you are divine and I pray you know,
just how deeply, profoundly,
magically I am in love with you.
My angel from above who's saved my life

Michael P. McParland

Showing you that you're a queen
and a descended divine angel.

Michael P. McParland

I love you so very much my dear.

I'm here for you
and I'm here to stay,
you're the reason I'm still
alive today.

I kiss you on the hand
I kiss you on the cheek,
then look deeply in your eyes
and kiss your tender lips.

Michael P. McParland

Kira My Best Friend

Kira you are my best friend for life.
No matter the distance or any fights,
you're still in my heart and I'll always
love you far beyond this life.

You're my best friend and the greatest
love anyone could ever have.
The biggest heart and divine spirit
no other person can ever hope to glean.

Kira you're my best friend
and the only true love I've ever really had.
What more in you could a man ever really have.
You're an angel so truly pure and clean.
Please come back today and grace my life forever.

Kira you're the only one I'll ever need
please hear my words and feel my heart,
and you'll know forever it's fully true.
Yes I've had other friends but not one
that's been so angelic
and touched my soul just like you.

Kira you're my best friend
and I only dream of you.
The memories we built together
will last my whole life through.
I hope and want us to build a million more.
Let us reconnect and solve our problems,
so we can never part again forever more.

So here I close Kira my true best friend.
I love you, I miss you, and I need you oh so bad.
Please come back so we can talk.
My life feels so empty without you in it.

The memories are something good
and oh so special,
but I need you here to

hold me close and whisper in my ear
that you are here and it's all okay.
Just nuzzle with me until the tears have gone away.

Kira you're the best friend I've ever had.
I love you, I want you,
I only dream of you.
I pray to God you'll feel my love
and very soon come back.

Michael P. McParland

Kira I Care

Kira I care so I gave you my heart.
I was 15 you 16 we're just eight months apart.
From the start I was smitten with you.
In math class I looked across
the room and noticed you.
Right then you stole my heart,
before I even knew I'd met my true love,
who I still adore right through this night.

Kira I care for you're my true love.
You've taken my soul,
I let you have it to love and to hold.
I care because you're an angel so true,
without you in my life,
I wouldn't know just what to do.

Kira I care so please forgive me
for areas I've been unfair.
Your happiness and heart
are the most important things in my life.
Kira I care for you so much,
and I love you profoundly.

Please take my hand and put on this ring,
we'll step to the alter,
sealing that end of the bonding
in our deep words of honor.
Then later that night
we will show true love to each other,
bonding and sealing our souls
in the deepest of connections forever,
becoming one in the heights of deep passion.

Kira I care and I miss you so much.
Please return to my arms and give me a kiss,
tell me you're here forever and now all is alright.
Kira I care and what more can I say?
I love you and miss you please come back on this day.

Michael P. McParland

King Of Kings

I give thee now this regal crown.
To see you here I'm truly proud.
You rule the world around.
With dignity and class that's so profound.
You show us all the righteous way.
The proper paths to take each day.
So we'll always be bright and gay.

The king of kings.
His greatness brings the joy
and answers we all need.
We celebrate his life.
For everything he strived.
Giving us that which was deprived.
Eternal life and such humble pride.
I give thee now my blinded soul.
Please share with me the things you hold.

Michael P. McParland

Keeping The Faith

I'm keeping the faith
forever holding on.
Have no fear my dear I'll
never ever leave you alone.
My hand and heart are always here.
I'm holding on and keeping the faith,
because I love you more than the sun,
the earth, the moon, and the stars.
You are my beacon my guiding light.
I promise I'm holding on and keeping the faith.
For you are my angel and saving grace,
I'll never abandon or leave you
breaking your heart and shattering it
in millions of places.

Michael P. McParland

Just Know

Just know Kira my love.
I'll be waiting
for the day that you return.
Until then my smiles will be few.
Yet my dreams will
be bright and pleasant,
filled with visions of you.

I love you and I need you,
and I await your glorious return.
Just know that
I'll be here to greet you
with wide open greeting arms.
Sealing with a kiss,
and saying it's alright.
I'm here for you forever,
I love you so very much,
you are my greatest vice.

Michael P. McParland

Just Being There

Just you being there has meant the world to me.
Even as I sit here now feeling your energy
and knowing how much you truly love me lifts
my heart and spirit way beyond the earth and to the stars.

Just you being there, be it in mind, body, or spirit
has helped me through so many times if you only knew it.
Your tender kindness and loving care have
healed my spirit in so many ways,
you've helped me know and feel that I'm important,
that I truly matter and have a purpose.
I love you dear so much it's even painful,
but in the best of ways I can't describe it.

Just you always being there with you sending
me so much love from a tender heart and soul so fair,
has saved me many times when I was on the edge and
ready to give up completely on my life.
Just you being there has given me drive.
To show you how truly rare a precious gem you are,
a kind caring loving woman that doesn't lie
or try to hurt others because she can.
I want to show you what a truly beautiful angel you are,
show and tell you you're my hero and I'm your biggest fan.

Just you being there so much throught my life
and all the meaning you give, the precious being you are,
thinking of your wonder gives me awe and makes me want to cry.
I love you more than any words there are,
these feelings defy all the languages of the world.

I love you so very much KP.
I would and I will give anything for thee.
For you've always been there for me
and I can never repay you for your wonderful service.
Just know that you're being there stretchs beyond the universes,
you're my best friend and queen, the only person
I will ever truly love.
You are the best you are the greatest,

I love you so very much and please know that
all the love within me towards and for you is the purest.

Michael P. McParland

Inspiration

Through you I find great inspiration.
All around such jubilation.
Far away from recriminations.
Inspiring lengths of grace.

Fear and doubt leave without a trace.
You always put me in a special place.
Inspiring me to do things right.
I want to be your courageous knight.

Committing acts of greatness for your plight.
I'd never show you the smallest slight.
Your inspiration breeds my righteous fight.
I'll always be there day and night.
You always bring inspiring light.

So let us share the greatest life.
Our inspiration frees us from the strife.
The greatest tale of inspired love.
Bestowed upon us from above.

Michael P. McParland

Intesely Tired

Intensely tired and missing you.
I wonder where you are
and who you're with.
Are they treating you
with all the best that you deserve?
I truly hope you're happy now
because you're so wonderfully bright,
beautiful, and bold.

I'm intensely tired and all used up right now.
I just lie in bed through most of the time
and listen to the music that's my only friend.
I let it all play the many types,
to take me away in it's many moods and feels.

I'm intensely tired and all I want to do is sleep.
As you can see my writing really stinks
I've lost all my drive.
I send you all my love and warmth
with great big hugs and kisses.
Do you ever feel them
and feel their warmth surround you?

I'm intensely tired and I'm gonna rest my head now.
I just want to say
I miss you babe you mean the world to me.
I love you more than any
one single soul can ever know,
I've never lied to you.
I hope one day I can show you
in absolute clarity my truth.
For now though I'm intensely tired.

Michael P. McParland

It's All For You

All of it's for you KP.
Every last bit of love I fight for,
every last bit of life I have is
for you to be in my life,
to always serve and show you how
wonderful you are and how deeply
for you I love and care.

I still go on no matter what the circumstances,
because I love you for the beautiful angel you truly are.
Even through the messages I've gotten here
telling me I'm nuts and crazy to actually
believe in true love.
They've said I'm clearly stupid and delusional,
in their eyes I am naïve and think life's a fairytale.
Let them be ignorant fools though and smear
me across the pages like they're the game.
Because only for you would I still go up
to the mountain tops and for you shout my love.
It's all for you.

You're the biggest reason I continue
to keep improving on my temper.
You don't know what an inspiration you are
to help keep me moving in better directions.
My best is all for you.
With your love and acceptance I can't
and won't give up.

These walls are ready to fall.
The need and acceptance are bursting
trust me that I'm more than ready
if you come to me with your heart and arms accepting.
For the things that have been locked within them
are just for you and only you.
The emptiness without you is killing me
so have no doubt they'll come right down.

All of it's for you.

So much more than what I can put here.
Please come talk and be with me,
hold each other and just
finally open up our hearts like never before.
Fulfill all the things we've needed for so long.

I love you KP and it's all for you,
only for you.
I'm tired and lonely.
Completely ready.
Come take my hand and we'll claim
our true love and happiness that will
last the eternities.

Michael P. McParland

Inferno

You light a fire in my soul,
a raging inferno that drives me on.
To prove to you my undying love
my dedication and need for you.
The only girl that can satisfy
my love and soul.

You ignite an undying inferno
and I need you by my side oh so dear.
You've showed me what true love is,
and I want to make you mine forever more.

With the inferno that you have lit
you've given me a
wonderful fulfilling reason to live.
I'll be here waiting for you till
my days have come to an end.
You are my essence,
my love, my life,
my entire universe.

Michael P. McParland

Incomplete

Without you I feel incomplete,
at the very least half empty.
When you're around all things are brighter.
Colors and texture more vibrant,
music more loud with emotion and power,
the air so much cleaner and crisp
I breathe it all in with the passion you bring.

I'm incomplete and in pain
with all the distance now in between.
I dream of you yes and it gives some relief,
but nothing can ever equal or fill up the space
with all the love and joy that you bring.

The time seems like forever and it
drives into my mind and heart like a dagger.
Because I'm tired of loneliness and I long
to have your arms around me and be
regenerated by your endless righteous power.
I'm incomplete without you right now.

I'm incomplete and in pain at this hour,
thinking of you and how I wish you were here.
I wonder how you are and if you're alright,
I hope that you're happy and have a reason to smile.
I hope you're in no pain and can move around freely
not a stitch in your step.
I hope your heart sings from glee for so many things.
For you are my queen and my angel,
your happiness to me means everything.

I know our time will come but
until then I'll feel incomplete.
Without you by my side I'm at least half empty.
I love you and need you my sweet fair lady,
you're my everything and I just want you to know
that I do truly care.
I love you KP and without you I'm incomplete.

Michael P. McParland

In The Stars And Sun

In the stars I see your eyes.
In the sun I see your heart.
Full of burning passion
and blinding light,
overtaking me you're imprinted
in my spirit and in my life.

I love you more than words can express.
From the start you were the one.
I knew for you're the best.
Your burning passion and your
pure caring heart,
took me to heaven then from there,
I would nor could I ever
through my life love another.

So my darling one
my sweet angel dove.
Your eyes the stars,
your heart the sun.
You fill me with a need and passion
that cannot be undone.

Had I never met you
and been apart of my life I'm incomplete.
No matter how long
or the fashion we're apart,
leaves the most empty feeling in my soul
a piece of me is missing I come apart.

I love you more than you can ever know,
I promise I'll be here forevermore,
with open eyes,
an open heart,
and open arms.
Beyond the end of time I'm always yours.

Michael P. McParland

In The Dark

In the dark I pierce you in the heart
of what is good and brings life.
It gives me such a thrill.
The ecstasy begins to spill.
You shout and moan as I groan.

The passion kills with such delight.
I never want to end this night.
We all feel better when we meet this fate.
For this pleasure it's never too late.
The rhythm pulses and pounds.
Our inhibitions lay on the ground.

In the dark our desires meet.
With you now I feel no defeat.
Let's make it last, we have no past,
we have no future so let's get it right.

Alone with you in the dark,
we've created quite a spark.
In our pleasure we shout and bark.
It's over now we've had our sin.
I'll call you soon
and it will begin again.

Michael P. McParland

In My Heart

In my heart it will only
ever truly hold you.
For you are my true love and my light,
every night I kiss your memory
to help me pass the time.
If only you could see,
the abundance of love I hold for thee.
I try to show it
and perhaps it's so foreign in it's expression
that you just don't know it.

In my heart of hearts
you are the only lady meant just for me.
Please come back look me in the eyes
and hear my plea.
You are the most beautiful angel
I have ever known and seen.
Every night I pray for my love
to be felt and truly known.

I send you all my love and warmth
through every waking moment.
In my heart crying out to you,
please come back and take my hand
and let me show it.
I love only you and would give my all
and everything just to show you how true
my depths of undying love are for you.

In my heart babe you're my angel,
my light, my entire universe.
If only you knew just how deeply loved
and needed you truly are.
In my heart I need you here.
Oh my love I'm literally withering
and dying without you.

Michael P. McParland

I'm Not Scared

Though I'm not prepared.
How do I dare?
I must wade through all this despair.
All the while in disrepair.
I'll have to face it someday.
I'm not scared.

How little well I've fared.
Has anyone ever really cared?
I'm not scared.
Into the battle I must charge.
Though the task seems very large.
Desperation hammers at me like a barge.

I'm not scared.
How could I be?
When the sense of hopelessness
tears so hard at me.
I know it's not to be.
With this fate I'm ill at ease.
Dear God help me please.

To this destruction I march on.
One day later the pain will be gone.
I'm not scared of all these things.
For my motivations are pure and clean.

Michael P. McParland

I'm Listening

I'm here to listen to all your tales.
Tell me about all that's happened within your life,
your dreams, your hopes, your needs,
your fears, your personal hells.
I'm here to help and comfort you
in everything my darling one
because you're the only woman
for whom I truly love and want
to be with hand in hand for all time.
You are my hopes and greatest dreams,
you are my northern star
that lights up my life and heart
to help guide me down the path.
Just trust me dear and know
I'm not here to laugh or judge,
to rebuke or make you feel less than me.
I'm here to give you my heart,
my life, all of my very self,
so please know I'm listening
and want you to share in faith and trust because
true love between two best friends
is to give support and help
each other through it all.
I'm right here and listening
because you're all I need and want
and I will always stand by your side hand in hand
giving all my love and full support.

I want to take you by the hand
and wrap my arm around your waist
to help each other navigate
these rocky paths which hurt and tear at
your precious soul and heart.
I'm here to listen, console, and give pure love
so you know you're not alone,
that you're loved and cared for
in the deepest ways that can ever be received.
I'm here to show you
not every man is here to hurt,

abuse, and use you how they may.
Please just trust in me and know
I want to give you the greatest life and love
any man can ever work and strive to give his Queen.
So please take my hand and
share with me all your loves, your pains,
your needs, your deepest hopes and dreams.
And as we go we'll help each other
to find the solutions to these crimes and scars
which have been inflicted on both our hearts.
We'll find the way to the path that heals us
from all the deep pain and distrust
that tears us from the one we truly love
because we build our walls to keep them out
in a mistaken fashion to protect ourselves.
Together we'll heal the scars and pain
caused by which others gave
and even to each other were caused
in anger and in the most hurtful vain.
So please talk sweet one
I'm right here in want to listen
to my gorgeous Angel and precious only one.
Together in true trust and love
we can and will find our way
to rise above and lift these
heavy burdens of deep pain and malaise.
Together we will beat this world.

I am listening and telling you you're not alone,
you don't have to face and beat this world
all by yourself.
I know you're hurting and want to trust
giving and receiving all the love you need and crave
so don't forget your Michael is right here
and loves you more than anything
and I want to give you everything I have and am
because you are my Queen and beautiful sweet Angel dove.

Michael P. McParland

I.L.Y.F Our Shared Symbol

ILYF our little saying,
our little symbol.
To show our care
to share our bond.
Always ours to share.
Always ours to know.
I share it with you now,
feel it deeply within your heart and soul
for I'm sending all my love to you.
Feel it now for it is true.
Feel it now because it's just for you.

Michael P. McParland

I'll Prove To You Everyday

Kira I'll prove to you everyday in
every single thing I do and say
how much I love and treasure you,
I'll go the distance to give you
all the tender loving respect
and care that you deserve.

I've fallen short to many times in my life
including things and points with you.
I will not let that happen again and now,
I want and need to prove my love
in it's pure truth to you.
So you'll know each day through all your life
I'm here and true,
finally in me you can have pride
and be filled with faith and endless trust.

I love you more than all the moon and stars
within our divine and heavenly sky.
I'll go to my lengths and best each day to
prove to you my love is pure, true and knows no bounds,
I want to show that I truly know and feel
your deep and endless worth.

I'll do whatever you may need
for me to prove my endless dedicated love each and every day.
For you are my Angel and my hero and I'm yours
through life and beyond into eternity
where I want to walk by your side hand in hand
knowing peace and contentment having found our path.

Michael P. McParland

I'll Never Leave You

I'll never leave you this I now swear in full,
I promise that wherever you are I'll be there.
I won't ever leave my lady in a lurch
feeling used, unwanted,
cold and alone, frightened that she's been hurt again.
Aching with an empty hellacious burning
pit of agony within her chest.
I will never leave you feeling all alone and lost
this I promise now and for all time.

I'll never leave you because I want
for you to feel safe and
always know you're deeply loved.
I'll never leave you because life
without you is empty useless
and has no true or deep meaning.
I'll never leave you because you give me reason
and I want to be there for you always
to support and help my lady,
to treat you always like my Queen Angel.

I'll never leave you I promise dear,
on all I hold sacred on this to you I swear.
For your happiness fills my heart
with endless warmth and pure endless light.
To be near you doing our favorite things
is what matters in this life
with the true joys of trust
and endless love it all brings.

I'll never leave you because you
are the holder and keeper of my heart and soul,
you are the only person I will ever truly
trust and impart such a fragile gift.
I love you more than all the energy in the universe.

I'll never leave you this I promise
for in you I see true love and great glory,
a spirit so pure and honest,

a woman I love so much she is a goddess.
I can't face life without you.

I'll never leave though for these
two most important things.
I can't stand to ever see or know you are in pain,
so it would eat me up to know you're
deeply suffering and heart broken all alone.
Then once again I love you so very much
I can't imagine a life without you
nor is that something I ever want.

So I promise and I swear to you my precious dear
that I'll never desert or abandon you
breaking both of our hearts while
destroying a rare sacred bond as well,
I love you so very much and I'm always here.
I give you my all and everything for you are
my only one and my sweet darling Angel Queen.

Michael P. McParland

I'll Never

I'll never do anything to harm
or dishonor you my only one.
To do so would be the greatest sin
that I could ever commit in heaven or on earth.
For you are my Angel, my best friend,
my everything dear.
I will never do anything that would hurt you.

I'll never abandon or walk out on you
leaving you in a rain of despair and pure misery
that would drown your aching heart in broken sorrow.
For you are an Angel who deserves all the best
in this life that God and any man has to give.

I'll never give up on you or us dear,
to do so would forsake a moral trust and love so sacred and dear.
It would be spitting on our blessed and solid bond,
I could never forsake or soil something
so very beautiful and true committing the deepest of wrongs.

I'll never stop treasuring you my darling one,
for without you I've lost all my meaning
and my very worth and life are done.
For to me you mean everything that on this
earth and in heaven is bold and filled with divine beauty.
You are an Angel and to forsake you
would be truly sickening.

I'll never love anyone but you my sweet Kira
for since we first met those many years ago
I gave you my heart and soul knowing that you were the one.
I felt within my soul an instant connection
that only true love will ever know.

So never fear my sweet and only precious dear
I love only you and I'll never stop,
give up, abandon, or let you feel worth less
than the Queen on high I so value and you are.
For you are my sweet Angel dove with whom

I share the most pure form of love
bestowed upon us from God high above,
he has blessed so many times and we have come
through it all no less in love.

I promise I'll never do anything to harm or
dishonor you my only one I so love.
For you are my everything and your
happiness I hold up so high to always achieve,
I strive not just to serve and honor my Queen
but to make sure without a doubt she always
knows how much I love, treasure,
and cherish her completely and to no end.

I'll Always Work Hard

I'll always work hard for you,
show you my worth and that I'm worthy of your love.
I'll clean up in every way that there is,
I'll do anything to make you happy
and to truly prove my love.

Please know I'm not a liar
and am a good man.
I'm dedicated to you for life
because in my eyes you're the most
beautiful and pure hearted woman there's ever been.

I'll always work hard for you
my sweet Angel dove.
I love you more than anyone can ever know,
I just love you so much
and I swear to you dear on all that I have and hold
I'll always work hard giving my
very best for you in full.

Michael P. McParland

If I Could

If I could give you the world
on a silver platter I would.
If I could reach into the sky
and gather every star just for you I would.
I would present you with dozens of
beautiful flowers every day
that we live If I could.

I would bare all of your pain in
every single way If I could.
I'd take all of your worries
and fears to make them no more
If I could.

If I could I would shower you
in all of your earthly desires
until they were fulfilled.
If I could I'd compose you
the greatest symphony that
has ever been written.
I would write a true novel
about the epic amount of
love that we share.
Yet I cannot do those things
because they are not in my talents.
What I can do though counts
for much more.

I will always give you all of my love.
Be faithful to you in every way.
Give you my best in heart,
body, mind, and all the rest in full.
I will help carry you through all the
difficult times.
Take care of you when you're
sick or in pain,
I will give you all of my time
because you are my Queen whom I long to serve.
I will give you my life forever as well as

everything that I have and I am.
If you'll just trust me take a leap of faith
and give me your hand
I'll prove to you that
I am worthy of your hand.

Michael P. McParland

I Will

I will always be here for you.
I will always want the best for you,
to be happy in everything that you pursue.
I will always hope and pray for us to have our day,
to hold you in my arms and say
it's alright sweet one and everything is now okay.

I will always cheer you on
in everything that you do.
I am your biggest fan and supporter,
you're my biggest hero.
You're so tough and strong,
taking the whole world on with true courage,
which is not lack of fear but determination
to face it no matter what.
I admire you sweet one
and respect you to no end.

I will always love you no matter what,
for you have a sweet soft spirit
and the biggest of hearts.
I will always be in awe of the
wisdom and pure love to others that you impart.

I will always smile when I think of you,
and quite often shed many tears too.
Not of pain but wholesome love,
remembering my sweet Angel dove.

Remember that I will always be here when you need a friend.
A man who will love you through eternity,
there will never be an end to the adoration I hold.
I will always be here for you,
and I want you to always remember that.
I will pray for you to have all the best because
you deserve the greatest in life
no other person is so wonderful
and a true blessing in full.

I will, I will, I will, I will,
love you through all eternity.
I'm always here for you
my sweet Angel dove no matter what
you may need or when.
I will be here for you to no end.

Michael P. McParland

I Truly Do

I truly do love and cherish you
in every single thing you do,
I am so totally in endless admiration
over everything about you.

You're the most gorgeous girl
with a kind, tender, and beautiful soul.
I just want you to know
I truly do love you and I'm
yours forever because you tenderly hold
my fragile heart and soul forevermore.

Michael P. McParland

I Pray For You

I always pray for you so you'll
know my never ending
love and devotion just for you.
So you'll always feel the calm
in your heart that
no negativity is ever felt for you in me,
just bursting love overwhelming every part.

I pray for you so

So you'll always be
able to enjoy your life

feel Gods love and strength.
So you will always feel your best and
show everyone your
overwhelming strength.
I pray that you'll meet
as few obstacles as possible
in this life,
to enjoy it in full and never be depressed.

I truly pray for you
in everything there is.
I want no harm or hate
to ever come down on you.
My heart breaks every time
I see that you're in pain.
I just want you to be happy
in everything that's done.

I pray for you to always know I'm here
for you no matter the situation.

To know I'll never abandon you,
and that I feel pure admiration
and pride every single day.
You're the greatest lady
I've ever known,
please hear my words and feel
the truth within your heart.

I'll always pray for your happiness
to never feel the blues.
No matter whatever
may happen between us
all my best hopes, wishes,
and true love always go to you.

So just know I pray for you
to find peace in all you do.
I truly love you in
my heart and soul,
you are the only one
that will ever be held my heart
for I gave it to you,
it's yours and yours alone.

Michael P. McParland

I Only Have Eyes

Kira I have eyes only for you.
I don't care about other women
in that way it's true.

Since the day we met
I knew I wanted to marry you.
Have you as my wife and make a family,
for you would be the perfect wife and mother.
Who could ever ask for more than this sweet pure soul?

Kira my eyes and heart belong to you,
no one else will ever have my love,
you are my essence and universe.
I dedicate myself solely to you.

Michael P. McParland

I Need Your Beauty

I need your beauty in my life.
Your soul and personality fill me with joy,
gives me hope, you leave me in deep awe.
Your beauty shines through both in and out,
you're the greatest lady in my mind there is no doubt.

I hope that I help fulfill you in some ways.
Making you happy, giving you smiles,
giving you a feeling of complete love I try so hard to give.
I hope I give just as much as I receive.

I need your beauty my precious friend.
Even now I think of you
and on my face a smile spreads.
You give me joy in times of struggle,
you help calm my nerves
when panic attacks and I am crippled,
you are an Angel shining bright and true.
I need your beauty in my life for I truly love you.

Michael P. McParland

I Need You (More Than You Know)

I love you so very much
and I need you in my life.
Right now more than ever,
I'll only be able to truly show
and share just how and why when you're here.

I'll always need you because you're my true love.
I need you more than you know
because I've been overprotective of my heart.
I need you very much right now,
the loneliness has reached a fever pitch
taking my heart, mind,
and soul to the verge of pure break.

I love you and I need you
please talk and let me fully open the vaults.
I don't think you truly know how much
I love and need you
and that's my fault.

I need you dear,
come hold me and in your tight embrace I'll
finally feel safe.
To say I love you and need you,
I can't take this life without you.

I love you KP please come to me.
I need you more than you know,
I'm hurting so very fierce,
the distance and loneliness are driving my
aching fears to the edge.
I love you my Angel true.
Please come so I can give and tell all to you.

Michael P. McParland

I Need

I need so much right now to hear your voice.
I'm feeling scared and I don't know why.
You always comforted my fears and eased my sadness,
It's just hit today and I feel lost and shaken.
My anxiety is at a peak today.
I don't know why and I need you here.
You protect me from the irrational fears.
Protect my soul calming me in your sweetness
that wraps me up like in a blanket warming me,
protecting me from all the cold.
I need you in every way my dear,
you give me strength and help me dry the tears.

Michael P. McParland

I Miss You Intensely

I miss you more than all the poets
in the world would ever miss their words
if all their pens and paper were destroyed.
I miss you so and I feel so very lost,
like there's no place for me to go.

I miss you intensely my only one
and my pure Angel true.
I am so barren and painfully lonely without you.
You are the light that gives me hope,
you truly are the only woman for which
I'll ever hold that special love.
You're one of a kind so no other like you
can or will ever be found.

I miss you so very much my sweet Angel dove,
I wish you were here to just lay down and hold.
You're so beautiful in every way,
the wonder of you never ceases to amaze.
I miss you more and more each day.

You have truly and thoroughly enriched my life,
you've touched my soul and branded me with
all the love and knowledge you hold inside.
You're so very special to me and I treasure
and cherish you in each and every way.

I miss you babe you are the greatest most
beautiful woman who's ever lived.
You are my hero, my Angel, my best friend
and guiding light.
I miss you so much and without you in my life
I'm cold and scared without my true love
and the one who I know unconditionally
loves me and really cares.

I miss you KP and you are so truly special to me,
I can't wait to have you here and hold you near.
I love you more than all the poets in the world

could ever individually or collectively express,
because they don't have you,
and you truly are without a doubt the very best.

I Miss You 4

Reach out here and feel my heart.
It still beats for you,
and with your absence aches so hard.
To have your love is the greatest gift,
I miss you so and I would give my life
for just one kiss.

I miss you so my only one.
Please reach out and touch my heart,
feel the love that fills it,
hold it close and take in it's unbridled passion,
It beats for you with unconditional giving light.

I miss and love you my darling one.
I'll forever remain committed,
for you fill me up and
complete my soul.

Michael P. McParland

I Miss You 3

I miss you more
with each day that passes.
Hours are years,
minutes are hours,
and seconds are minutes.
I miss the sound of your voice,
your soul filled with such sweetness.

Yet I feel a sense of
hope on the rising.
An instinct that says
don't give up our time
is not over.
I cling to this knowing
our love will never be dead.
I wait your return
with anticipation and excitement
to share with you all I have learned.
To tell you I love you and it's
now all alright.
To gaze in your eyes and passionately
kiss you fulfilling with delight.

Until then though
just know that I miss you.
I ache without you here
at my very side.
I miss and I love you,
feel assured in your heart
that I'll always be here,
never in a million years would I abandon you.

Michael P. McParland

I Miss You 2

I miss you,
I miss you,
I miss you,
I miss you.

I wish I could just
sit here and kiss you.
Cry out my love because
I miss you.

Michael P. McParland

I Miss You

I miss you so very much.
A deep aching bleeding cut.
I miss your smile shining oh so bright.
I miss your eyes that spoke
of universes filled with love.
Your beautiful hair and skin so pale and fair.
The perfect picture
of beauty in and out.

I miss you so dearly much.
My heart feels as if
it's going to burst.
I just sit and cry and wonder
why this distance is imposed on us.
If you could only see my face
and look deeply in my eyes,
you'd see there are no lies
as I profess my deepest love
and confess that you own my heart
for there is no other you're the best.

I miss you so I hate my life.
Without you in it
or chance to be my wife,
it's just a useless vassal
that is lost and broken.
I miss you, I love you,
I want you in my arms.
Please come be with
me right now and marry me.
I can love no other
I just want you here,
I need to hold you and gaze deeply
in your eyes before I kiss you.

Please forgive my sins
and be my wife right here right now.
I'm lonely without you my love,
I miss you so very much can you feel my tears?

Please know that's my love
and feel it through your body and spirit.
I've only ever truly wanted
to do right by you.
Oh I miss you so my only one,
I lay here broken,
crying, praying for you.

Michael P. McParland

I Miss (The Little Things)

I miss our little jokes and the laughter.
I miss our conversations that would last for hours.
I miss the ways we would tell each other all
of our dreams and planning our future.
I miss all of the little things that make you so special.
I miss hearing your voice so soothing and sweet,
I miss your eyes and how they sparkled to me.
I miss your smile which could light up the room.
I miss your whole being because you're an Angel to me.
You're my hero my joy,
an inspiration to drive me along reaching new heights and goals.
I miss you babe because I love you ever so deeply.
You hold my heart, mind, and soul.

I love you so much I'd die defending,
protecting, in any way fighting for you.
I just love you so much my heart is

I Love You

I love you and I miss you.
That's all I can say for now.
I have no other words
to project my feelings right now.

Just know that I love you and I miss you.
My heart is aching fiercely so.
It feels as if it's going to burst
from the lonely pain it holds.

Kira I love you and I miss you.
I often feel like crying,
and in these days I find myself
weeping thinking of only you.

So I close by just letting you know that
I love you and I miss you very painfully so.
The days pass by so slow
feeling like forever.
Until I can see you and be with you,
walking through eternities door.

I love you and I miss you.
Please take care and always be safe my love.
Life is pointless without you here to face it with.

Michael P. McParland

I Hope In Some Way

I hope that in some way I touched your heart,
filling it with love showing you that I have light.
Sharing a purity in my caring,
helping you to know you're so beautiful
and worth fighting for because I love you.

I hope that in some way I enriched your life.
Giving you hope and vision
where ever you needed it at times.
I hope that you realize
that the love I hold is undying,
I wish I could hold you and tell all of my desires.

I hope you know that I can never tell you
all the ways you've touched me.
Changed my life filled me with loving grace.
The tears are coming so I must go.

I just hope you know my heart is always yours.
I hold you in my soul.
I love you through eternity
in my heart, mind, body, and soul.
I hope you know without you here I'm incomplete.

Yet I hope you know I want you to do
what you feel is right,
to be happy with endless smiles,
sunshine beaming upon you with no end in sight.

I hope you know all these things are true.
My God, My God,
how I love you plain and true.

Michael P. McParland

I Hope

I hope so much that you'll come and talk to me.
I love you more than anything there is.
I need you in my life,
you are my only true love.

Let us take each other in our arms
saying it's all alright.
We're forever here planning on marrying each other,
sealing our bond for eternity.
Kira my sweet dear I love you so.

Michael P. McParland

I Honor You

I will honor you everyday and night my love
as long as we both shall live and well beyond.
Through the eternities I'll give you my
best in everyway I know how.
For I wish to honor the greatest woman
earth has ever truly known.

I will honor you to show you I love you truly
and know how lucky I am and all you're worth.
I love more and more with every second of everyday,
I will never abandon my only one or walk away.
My Angel and my guiding light I honor with
all my will and might.

I will forever honor you as my Queen.
The conqueror and holder of my heart and soul,
my mind, my hopes, my dreams, my entire being.
You are all the things I desire and need.

I swear to you I'll always honor you.
Through the eternities by your side I
so truly cherish you.
I confess my everlasting and undying love,
come take my hand and let me hold you forevermore.

Michael P. McParland

I Cry For You

I cry for you to return and be with me.
I miss my friend who owns my heart forever and a day.
I am lost inside and free falling in empty space
wondering where you are today and if you're okay.

My heart is breaking and bleeding as I cry for you.
All the pain I know you feel,
the hurt I caused you and finally had enough
of this baffled nut.
I'm crying now for how I ruined the most
important relationship ever known to me.

I cry for you and hope you'll find your way
to a brighter future with abundances of joy profound.
Please remember though my love is true,
I'm still crying needing you.
So maybe one day I hope you'll come and rescue me,
dry my tears and say you forgive me.

I'll bury my head into your shoulder and hold you so dear.
Thanking you for your pure love that only you could know.
With no more crying because the skies will clear
when I look into your eyes
and see the truth of love which we are bound.

Michael P. McParland

I Can Never.....

I can never forgive myself
or live with peace of mind.
I'm empty inside I've lost
my true love and best friend.
I can never find another that moves me so much,
holding my heart with gentle hands and care,
a gentle soul so fair.

I can never feel complete again as long as I live.
I'll never forgive myself.
How could I when I broke her heart?

Michael P. McParland

I Can Feel It

I can feel the love you're sending me.
It helps my heart,
it fills my soul,
I feel so blessed to have your love.
It calms my heart and brings relief.
What would I do without you in my life?
Your loving spirit sending love protecting me.

I can feel your love
I thank you with all my heart.
I send all mine back your way.
I love you more with each passing day.

Michael P. McParland

I Ask

I ask you truly to please not hate me,
though I know how hard it is to ever control emotions.
I'm already filled with pain and endless sorrow.
Please don't punish me for I beat myself up
everyday for all my weaknesses that I've betrayed.
I already feel a sense of hate for those parts of me
and am working so hard on them diligently day by day.

I hate the bipolar,
it is a wicked curse,
though no excuse for my indiscretions I did
act upon in angers haste.

It's probably unfair of me to ask.
Yet I ask thee to not hate me oh so much.
I honestly feel no hate for you,
just love to my core,
then sorrow for how it all went through.

I hope the day will come you can forgive me,
you'll sit and talk to me and once again accept
my friendship and boring company.

I'll be thinking of you the entire time,
hoping you don't hate me and will at
some point forgive my black loathefull crimes.

Michael P. McParland

Hug And Kiss Goodnight

Sending you this hug and kiss.
Goodnight my love we'll speak soon,
not long after in each others arms
hugging and kissing
then very soon our souls and bodies bonding
becoming one.

So feel this hug and kiss
as we rest our heads tonight.
I love you babe you're the only one,
my Angel that gives me hope and light
all through my darkest nights.

Michael P. McParland

How Do I? /Is There?

How do I truly show you
all the depths of the love I hold?
How do I express it better than
in the various ways I've told?
I want to be able to reveal to
you my entire being, heart,
and old but loving soul.

Is there any other ways with
all the distance in our way
that I can tell you in deeper and better manners?
Show you in ways I have not yet fathomed?
I want to share it all with you
so you can see that which I carry is true.

Ho do I continue to show you
in new and deeper ways
so I'll never leave you hanging
with a doubt in a wondering daze?
I feel I'm falling short of sharing
all of what I've got.
I want and need to show you
my fragile beating heart.

Is there any ways I do not know?
For I'm giving my all in every
single way my mind can grab a hold.
I'm aching here wanting to give you
the entire world.

Please tell me if I'm doing well.
If I've truly helped you know
just how deeply true I feel.
If I could know that I have
accomplished my message in any way
it would help aswage my
insecurities and fear.
Rest assured though I would
never stop expressing my

deep true love for you.

So is there any other ways?
And how do I show and tell it?
I need to figure it out and know.
So you will always feel assured
of all my love.

Michael P. McParland

Hope

I want for you to share my life.
Always be here to beat the strife.
It's all been meaningless without you.
I haven't known where to go or what to do
without you by my side
giving my life meaning and filling me with pride.

Empty inside although I've tried
to find another and live a lie.
My love for you I said had died.

Deep inside I'm not that blind.
It's never stopped.
The pain is dropped.

I want you here to plant the crops
of endless love that does not flop.
So be with me and we'll both see
a final end of insanity.

With hope and care,
all the time to spare.
To spend in love that is truly fair.

Michael P. McParland

Holding You Tight Tonight

Holding you tight,
holding you near.
You fill my heart and soul
erasing all my lonely fears.

I love you more than
all expression
so I'll just hold you tight,
feeling through my heart and body
the intense burning passion
in their vibrations.

Michael P. McParland

Hold On Dear One

Hold on and never let go.
Have faith in me and our future,
never give up we're eternal lovers.

Hold on my sweet Kira
I love you so much.
I'll be here forever dear love
our future together is bright
and full of sweet freedoms light.

Hold on my dear one
I love you so much
I'll never give up,
so my true love please hold on.

Michael P. McParland

Ho Hum

Ho Hum sitting around
with just my podcasts to fill my head.
Playing games on the kindle to pass the time
and keep all meaningful thoughts out of my head.

Ho Hum just passing the time.
Keeping down the emotions that overflow
in my heart and mind.
Stay distracted to forget the sadness I feel
without my fair lady to hold right here.

Ho Hum, Ho Hum, so little to do.
It's so very hard to keep distracted from
the beautiful thoughts of you.
They bring sorrow and pain,
for life without is quite plain.

Ho Hum what now can be done
to try and keep going for just a bit more time?

Michael P. McParland

Hit Music

I love music it's my release.
All the bands and artists that I love
fill my life with abundant emotion,
release of energy,
and intelligent thought.

Hit music takes me away
from all the problems in my life.
Releases and expresses all my strife.
The lyrics and beats carry me away,
give me will to fight another day.

When I'm happy it enhances
my mood bringing elation,
a euphoria a natural high.
Lifting my heart and spirit
it makes me want to dance,
what more could I ask from
my hit music but to give me an
escape from the earth?

My hit music and artists speak to me.
Pet Shop Boys, Huey Lewis and the News,
Falco, Blondie, Queen, Avril Lavigne,
and my Classical addiction
most of all Mozart and Chopin.

This is my hit music and many
various things so much more.
It takes me up and away no matter
how I feel each and every day.

My hit music is so much my soul,
my heart, also going along with my girl.

Michael P. McParland

Heart

Every time I see you
every time you are near
my heart skips a beat,
you take my breath away.
You're so stunning in all your ways
you put me in a love struck daze.

My heart skips a beat
and starts doing summersaults when
you look at me with those bright shiny eyes.
They tell and project such pure
unconditional love.

You always stun me with your
unstoppable strength and courage.
My heart almost leaps from my chest at even
the mere thought or mention of you heavenly name
for you captured its essence so many years gone by,
it's all passed in a love struck haze.

I love you my dear and this heart of mine is yours,
please treasure it for it's fragile
and holds such passions galore for you.
It's yours for eternity and I'm honored you have it.
You're the keeper of all the beautiful
love held within it.

My heart is for you and not another,
you are the truth that it seeks
in pure love, commitment, for eternities through.
I love you my dear my heart is truly only for you.

Michael P. McParland

He Lives

I know he lives.
The greatest man.
Endless love he gives.

Through his life he saved us all.
Showing and teaching us how not to fall.
So hear him now for you he calls.
To share his light so you'll stand tall.

He shares our pain.
He stops the rain.
The bitter envy of our souls
that cruelly and fatally drains.

You can go to him and explain
the pain you feel from this ordeal.
He listens closely then holds you dear
to show you that you need not fear.
Take his hand you'll persevere.

He bore his cross for all of us.
Without him you'll just turn to dust.
He truly lives I know it's so.
I feel his love.
It makes me glow.

Michael P. McParland

Hard Magic

You have some very hard magic KP
and I'm under your spell for eternity.
I love you more with each day that passes.
A magical soul that through the years
more and more enraptures and impresses.

From the start your eyes and smile
hypnotized and dazzled my heart and soul,
forevermore I have desired to have you by my side.
You are the most wonderful, amazing,
magical woman alive.

Your hard magic stunned and shocked me
from the start almost knocking me to the floor.
Under your amazing spell I'll gladly
offer and give you my heart, mind,
body, and soul forevermore.

You truly are so magical to me KP.
The greatest heart, soul, and mind
that on this earth I could ever hope to find.
You are an Angel that's graced me with her love,
please never give up on this flawed man
and leave me to go rejoin your fellow Angels,
without you I cannot reach up above to the greatest heights.

I love you truly in a way only
God can ever understand.
You are my universe, my everything.
Without your magical love
I'm lost and all alone not knowing
where to go or where I stand.

I love you KP and these walls when you're here
I promise you will come down.
Just please come take my hand and through
eternity we shall together always journey.
You are my soul mate and only one.
We share the strongest bond that will

never come undone.

Michael P. McParland

Guide Me

Help guide me, help me to know the path.
I only want to do good and right,
be a King for my Queen.

I just want to show what's in my heart.
Guide me into your shining light.
I'll always go the distance for you
because you're my Queen and I want to prove
all my worth to you.

Michael P. McParland

Great Big Kisses

I'm blowing great big kisses to you.
Make sure you catch every one.
I don't want anybody else to intercept
a true gift of pure love meant just for you.
I love you more than life itself,
you are my Angel and my better half.

I'm blowing great big kisses to my lady
showering you in love,
to show you how much
you mean to me my only one.
Forever yours with no doubts,
I'm blowing you great big kisses dear
you are the best.

Michael P. McParland

Goodnight Sweet Love

Goodnight sweet love
I'm smiling at you
wishing you a peaceful
rest on this night.
I'm thinking and dreaming
of your beautiful spirit,
your soft heart and heart melting eyes,
that smile that sends shivers
up and down my whole spine.

Goodnight my dear one
I'm sending you all of my love.
Please feel me near and hold me tight
it's such a hard lonely one to fight.
Goodnight and sweet dreams
I miss you so much,
I love you more than
the depths of the ocean,
my heart is yours forever my true love.

Michael P. McParland

Goodnight My Only One

I'm now going to try and sleep.
From the stars and the moon I say goodnight.
I love you so much I give you my life.
I pray for you each night.
I'm going to bed now and hoping for sleep,
goodnight my true love,
I'll see you in the land of dreams.
When I do I'm just going to hold you and cry forever.
I'm sending you all of my warmth and my love,
with the biggest of hugs and the most passionate kisses.
Goodnight my Angel I'm now going to bed.
I love you so much my sweet Angel dove.
I'll see you soon and I'll forever hold you close.

Michael P. McParland

Goodnight

Goodnight my love I'll now attempt to sleep,
I'm so deeply exhausted I think I'll fall
into the deepest of states.
First though let me know that it's alright
for if you need me I'll stay up and continue the fight.
For you I'll sacrifice anything
including my very life.

Goodnight my dear I'm so very tired
through and through.
I hope to see you in my dreams,
to hold and kiss you.
I'm sending all my warmth and love,
with massive hugs and kisses just for you.

So I wish you a wonderful goodnight.
I'll see you in my dreams and we'll live
in serenity amidst the perfect scene.

Michael P. McParland

You are missed and needed please know
that I truly love you.

Michael P. McParland

Wakeful Nights

Wakeful nights spent thinking of you.
All of the things that we've done,
and all of the beautiful things that we'll do.
I'm always fighting to get back to you.
So we can begin our life together
full of true love and happiness.

I stay up intentionally on many of these wakeful nights.
Just so I can sit and close my eyes
and dream of your heavenly face.
Eyes that enrapture and pull me right into
another universe full of light
made even brighter by that Angelic smile.

On these wakeful nights I dream of the
glee and the glory as we give our vows
sealing forever our sacred bond to each other.
I plan and I dream of all the passion and adventures
ahead that we'll share hand in hand together.

In these wakeful nights I picture our family.
I'll be the husband to the worlds perfect mother.
We'll have the perfect family we could imagine.
Raising our kids to be good with such
immaculate manners.

The most important thoughts and dreams on these wakeful nights
are my soul mate and Angel, you my guiding light,
KP you're my only one and fill me with endless delight.
I love you more than anyone will ever know,
I've left the world behind because I only need you.

Michael P. McParland

Warmth (In Your Arms)

In your arms I may now finally rest my head.
I can smile and sleep for I now feel at peace
from all the warmth you emit envelopes me,
gives me comfort and soothes my heart.
You've healed my soul and taken away all the scars.
In your arms though for now just in dreams,
I can finally rest my head from your Angelic peace,
and regain all my strength and solace from your
immense love providing the warmth I need.

Michael P. McParland

Warmth, Love, Hugs, And Kisses

I'm sending you all of my warmth
and pure love.
With the greatest of colossal huge hugs,
topped off with the deepest most
passionate sweet kisses
as I wish you goodnight
my sweet Angel dove.

Look to the stars and the moon,
see my reflection within.
I send my message up there
and from that vantage point
I smile upon you,
saying I love and I miss you.
Be blessed with the most divine
and sweetest of dreams.
In spirit I'll be tightly holding you.

Michael P. McParland

We All Feel Better In The Dark

We all feel better in the dark
where we unleash our passions,
our carnal desires with reckless abandon.
Freeing ourselves from all the social norms.
Only taking into account the
hard driving passions that we seek.

We all feel better in the dark
surrounded by ambient light,
just enough to explore and see
those who surround and hold the things we need.
Engaging in the energy that surrounds,
keying up to get down to the deed.

We all feel better in the dark
where all inhibitions are lost.
Unleashing the inner beast,
taking what we all need.
Fulfilling the base desires
expelling pent up frustrations
and stress that have built up.

We all feel better in the dark
so let's get down to it.
Intense energy electricity filled air
surrounds us all around.
Release our stresses and desires,
take out all of our passions.
For we all feel better in the dark.

Michael P. McParland

Wealth

You have an endless wealth of pure love inside your beautiful heart.
You've always loved me true and been there from the start.
You've helped me up from many falls.
Your wealth of love and patience gives me awe.

You have a wealth of knowledge that blows my mind.
Smart and loving a combination so sublime.
I love you so,
there's no better woman that I could spend my time.
You're my Queen and Angel true.
You fill my heart and soul sharing all this wealth that you behold.

I love you more than anyone can ever know.
Not just for this abundant wealth but the purest love
any one human being could ever hold.
I hope you'll come and forever share your wealth with me.
My undying love for you is yearning and in great need.
You're the best and the only one that can ever do.
For through your wealth you're the one that understands me too.

Michael P. McParland

Weary Smile

As I lay my weary head down on my pillow
closing my blurry exhausted eyes
I'm already dreaming of you,
one of the only things that still makes me smile.
I love you forever more my sweet Angel dove.

Michael P. McParland

What Better?

What on earth could be better than holding you?
Nothing I say,
for you give me true love
and fill me with brilliant light.
You are the one who makes sense and everything right.

What better on earth than loving you?
Not a thing because you are my Angel and I madly love you.
You are the greatest my dear
and I'll hold you forever without
a thought of leaving or abandoning my sweet dear.

What better on earth than you in whole?
Nothing in fact because I respect
and admire you completely in whole,
I love you so true
and I'll never give up on us it is true.

What better on earth than us eternally together?
Nothing my dear for our bond is so strong
not a thing we encounter can break it,
we're true dedicated soul mates.

I love you sweet lady,
and what could be better?
Not a thing on this earth because
what we have was ordained in heaven.
Eternity is ours,
you're the greatest lady it's true.
I'm forever at your side fighting for
and supporting you.

Michael P. McParland

What I Do

I do what I do because I like it.
Those who are offended can just shove it.
If you don't like the things I do.
Just live your life and leave me be.

I don't care what others think.
I don't even want to hear them speak.
About how much they hate my style,
music, writing, and confident guile.
I just ignore them all the while.

I'll keep on doing what I do.
Cause I love it that is true.
You shouldn't care what others think.
Their goal in life is to make you sink.
Just pay attention to who and what you love
and in the end you will have won.

Michael P. McParland

What's Right

I know what's right.
I will carry on and fight.
Through all this pain and blithe.
Though all seems lost like a holocaust.
I cannot give up lest all be lost.

Though it may be hell, I will not dwell
on all this misery that brings us down,
I must not frown.
What's right is to fight for what is true.
We must not give up or we'll be through.

So on we march with righteous pride.
Knowing we'll defeat the lie.
On and on some may die.
Through our blood we justify,
all we know to be true.

The bold will cry, the weak are snide.
We need not have fear or hide.
In the end they'll truly see,
that what is right we must defend.

Michael P. McParland

Who Am I?

Who am I to say it's wrong?
It's no one's business to say you don't belong.
Whatever your heart desires, for what you long.
Whatever you want to be, it's not wrong.
Whatever you want, it is true.
Don't let the sleazebags screw with you.

Who are they and who am I?
Stay true and do not deny.
Your passion is your fortune.
Now seek it with pride and teach a lesson
to all of those who think you're an abomination.

You know much more about the world.
These ignorant pukes have got to learn.
Follow your heart and don't be spurned.
Ever onward the world does turn.
You've found yourself, now fight on through.
Ignore the ones who call you a fool.

Who am I, no one it's true.
Nor are they, to subject you to this vast array.
Though unwilling are they to see,
you're human just like them and me.

Michael P. McParland

Will You 2?

Will you still love me when I'm old and grey?
Will you still treasure all I am when
my bipolar slips and I break from time to time?
Will you still love me when I'm old and infirm?
Help me move around when my psoriatic arthritis
flares up bad and I'm near immobile from all the pain?
Will you love me always even though I'm
quite boring and very plain?

I know you will because you're so
wonderful and loving having a big loving heart.
You're the greatest lady I've ever known
accepting me and all my many faults and quirks.
You've always been there and understood
that I'm ill tempered and imbalanced
but all in all I'm always striving to do good.

You'll never know how much you mean to me,
Someone who doesn't scold or demean me in any way.
You don't point out little things making me feel
stupid and little like a dope
you help my pride and build me up.

So just like you're always here for me
I'll always be here just for you.
Working hard to show you your endless worth,
showing you that my life's
dedicated to you and no other on this earth.
Your happiness and fulfillment throughout your life,
I'll strive to give you with unconditional pride and love.

Michael P. McParland

Will You?

Kira my love will you please come back?
Kira my dear will you please come talk to me?
Kira do you know that I love you with all my heart?
Kira do you know how much I hurt without you here?
Kira I've lived so long and fight for you,
please come take my hand and let me show you.

Kira will you please come take my hand and hold me near?
Kira will you please hear my words?
So I can show you that you are my gem
and I treasure you like no other.

Michael P. McParland

Windows

Through the windows you see so much.
Revealing love with the lightest touch.
Through them you see so much truth daren't be spoke.

I sit and look through the windows.
Seeing through all the innuendos.
Reveling in the sweet crescendo.

As I stare through the windows.
The boughs break, and in my heart I celebrate.
As I realize it will not break.

For hours through those windows I could stare.
Worlds a plenty are there to share.
In awe and splendor I now stare.

Through those windows a bright sun glares.
How much longer do I dare,
to stare through these windows that show me things so fair?

Michael P. McParland

Winds Of Love

The winds of love blow me to you.
Only you could catch such a lonely blowing leaf as I.
Help me up and show me such a beautiful life,
accompanied by a spirit so sprite and oh so bright.

The winds of love picked me up and brought me to you.
I am the luckiest guy on earth
with a fate so rare I just cry and thank God it is you.
The winds of love knew the most perfect match and picked
out the perfect course to lead me to my Angel of destiny.

The winds of love do not blow at a random.
There is design and pattern as we see behind it
as our love so pure and through the years unforgotten.
They have brought us together in a fate so heavenly gotten.

The winds of love have blown me to you,
and delicately you picked me up and handled me too.
What we have is a love to last through the ages.
So pure and so true held between each other as pure truth.
We have a love story for the world to admire,
for KP no one can possibly know our treasure of passion.

Michael P. McParland

Wish Oh Wish

I wish oh wish that you were here.
I'm shedding hoards of lonely tears.
I want you tightly wrapped within my arms.
No longer fearing wistful harms.
Deep inside your safeness warm.
Knowing your love and lucky charm.

I wish oh wish that you were here
wrapped in my arms.
Then deep inside at last feeling safe
and having no more fear
knowing my sweet precious Angel is here.

Michael P. McParland

Working Hard

I'm working hard to prove to you
that I'm working hard to improve my flaws
and be the best man to give you all the
wonderful things that you deserve.

Talk to me and let me show you.
I'm working hard to give you honor.
I want to show you how far I've come,
yet there is so far to go.

I'm working because I love you
more than anyone can know.
Given the chance I'll prove it
by showing at every turn my improvement.

Michael P. McParland

Worrying

Worrying afraid that I did something wrong.
Hurt a friend unintentionally by something I do not know.
I hope that I have not,
for hurting them would hurt me too
knowing that I hurt their heart it's unacceptable.
I cannot ask them right now so what am I to do?

I'm worrying because I do not want them to feel distressed,
it sets my nerves on edge knowing they may be at unrest.
I hope that I can find out soon,
for if I've wronged them I will right it
they just need to tell me what to do.

Michael P. McParland

Worthy

Don't feel that you're not worthy.
It really isn't so.
To believe you're not deserving
denies what we both know.
That what we need is here and shows.

I want no other.
Compared to you they're far below.
If I didn't feel you worthy
the thought of you would have grown weary.
For you I have the best respect.
With your mighty intellect.

You give me reason to reflect.
I know that you are awesome through.
If only you would see it too.
You're worthy now for what is true.
Come on now and see it through.
If you don't we'll just be blue.
We truly need this splendid jewel.

Michael P. McParland

Wow! ! ! ! !

WOW! ! ! ! !
Was all she could say.
Struck speechless in shock,
but pleasantly taken aback.
As the veil before her eyes dropped,
revealing to her the secret enormous prize
that she'd been promised and fully deserved and desired.

Wrap Me Up

Wrap me up in your love and your arms tonight.
I'm intensely tired and going to bed.
I'm hurting tonight and wish you were here.
I love you so much and am sending it to you,
can you feel the warming love and my arms around you?

Wrap me up in your arms and your love
I'm now going to bed.
Give me a kiss and join me

I love you so much babe.

Michael P. McParland

You Are Truly

You are truly all I care about this day.
I pray for a miracle to come my way.
To hold you in my arms so tight,
chasing away all this wretched fright
which fills me up and kills the light.

You are truly all the things I need.
The things I cherish pure indeed.
Without you near my soul does bleed.
Flowing out in desperate need.

You are truly my entire world.
The most splendid precious beautiful girl.
That sends me to such glorious heights,
my heart explodes with delight whenever you are in my sight.

You are truly my eternal flame.
My soul is yours please come and claim
that to which I give you true.
My heart is yours you are so smooth.

Michael P. McParland

You Cheer Me Up

This may be light and breezy,
it may sound corny and come off cheesy,
but I just gotta say my love you cheer me up.
No one else like you can make me smile,
I love you babe you drive me wild.

Michael P. McParland

You Hold It All

KP you hold it all,
my heart and my soul,

and with each other through eternity stroll.

KP you hold it all,
my hopes and my dreams,
you are my Angel, my Queen,
my hero and biggest fan.
You hold it all and
very soon you'll come take my hand.

I miss you so much if you only knew,
my heart hurts so bad without you being around.
This distance between us is pain
in it's representation,
yet I can still feel your spirit and
all the love you hold in it.
Can you feel all of the love I
send your way as well?

KP you hold it all,
my heart, my spirit,
my hopes, dreams, and entire being.
I love you so much,
in your pure heart please know it and feel it.
You're my whole world,

You Love Me

I know you love me like I love you.
Yet you keep us apart.
Now what am I to do?
I want no other,
they cannot suffice they'll never do.
You're my biggest vice.

You love me.
So why not roll the dice?
Do you fear I'll break your heart?
Why with you would I want to part?
In your hand you hold my heart.
Please be gentle and do not hamper.

I think you love me too, just as I do you.
Please put your fears aside and do not hide.
Be with me and together we will be strong.
Without you the days and nights stretch so long.

Please be mine and I'll be true.
Life has no meaning without you.

Michael P. McParland

You Make Me

You make me smile,

Michael P. McParland

You Will Forever

KP you will forever be my very essence.
You fill me up with true love and life
in the times I've been alone I may have been
alive but only physically for on the inside I had died.
In all the time we've spent separated each day
I died a thousand deaths.
Each more painful than the preceding one.

You forever represent a sense of profound hope.
For in you I know there is unconditional love.
Such a rare gift on this very earth.
Also please know that within my heart and soul
I also carry an unconditional love.
Our bond is so strong I know it is blessed right by God.

You are forever the only lady I'll ever treasure.
I swear to you that in this life on earth and through
the eternities on the other side I will never share myself
with another woman.
How could I ever share myself in any way with them?
I'd be betraying myself and even worse betraying you
from breaking my sacred oath.

You will forever be the apple of my eyes,
the greatest treasure anyone could ever find.
For you've always been true to who you are,
never lying to people or stringing anyone along.
I'm the luckiest man on earth to have your love.
How could I be so lucky that I have earned
your devotion you feel that I deserve?

You will forever be my only one.
I'll be right here.
I'm prepared to show you all the ways
I have worked to change.

Please come soon and take me in your arms.
My love for you is bursting and we've waited
so very long.

So let's join hands and embark upon our
eternal path.
I thank God to no end every day
for bringing you into my life.

ILYF and ever xoxoxoxo

Michael P. McParland

Young

Is this where my mind was thrown into the abyss?
Haunted so young touched by deaths kiss.
Made to feel so guilty and cheap.
Like nothing more than a toy to keep.

Shown the door of such horrors galore,
to ruin my life through extreme mental strife.
Defiled and admonished till I no longer felt conscious
of true human desire that gives us worth and lifes fire.

I once was so young but quickly turned old
as the cold devils hand reached forth and took ahold.
I cannot tell thee how much I do need
to express my love and desire like a true human being.

Michael P. McParland

Your Eyes

Your eyes so big beautiful and bright.
They fill my dreams and make my
spirit and heart feel so light.
Their memory takes away all my burdens giving me
endless hope and happiness until we reunite.

First thing when we come back together,
is for me to get lost in those eyes
tell you how much I love you and have missed you.
Your eyes are the most beautiful
things God's ever created,
my entire life's essence they have captured.

Michael P. McParland

Your Heart

Your heart is the crown jewel
of all that is good in my life.
True compassion and love,
patience and understanding of
this temperamental and complex man.

Your heart has always shined
through the toughest of fights.
Showing forgiveness and true love
through every trial and plight.
Seeing through my tough veneer
to my sensitive heart and soul.
Which you handle so well never
humiliating or bruising that
which is there.

Your heart is of gold
filled with unconditional love.
It lights up my life,
fills me with cheer,
my sweet Angel dove.

Your heart is the most treasured
thing in my life.
To ever see it hurt tears me apart
and causes great strife.

When it's happy it makes
me glow all over seeing you smile,
melting my heart with your beauty
and sincerity of your soul which cannot
be denied.

Your heart is the thing I
treasure most in this life.
I will do anything to protect it,
guard it, soothe it, and fill it with
passion and joy.
For you and your heart have

given me more than you'll ever know.

Michael P. McParland

Your Lips

How I long to plant a deep tender
passionate kiss upon your lips.
So full and inviting,
enticing me in to share a scorching
intense emotion filled moment of bliss.

I've ached so long to feel those lips upon my own,
tasting the sweet passion
passed between with delightful groans.
Better than any dream I could have ever had.
To finally have that first true delightful
full delicious kiss is what I need and want.
Just the thoughts of having you there
sends lightning bolts through my spine
to my soul a relaxing satisfaction so divine.

I can't wait till that day has finally come,
as I take you near and pull you close,
pressing my lips right to yours,
passing a true feeling and bond of endless love.

Until the day will finally come.
I'll just sit here dreaming,
fantasizing about all the deep passionate kisses
of true soul shaking love to come.

Michael P. McParland

Your Love Is

Your love is truly all that matters to me.
If you look and see all the things I write, say, and feel
you cannot miss the fact that without you my life
is plastic, useless, and unreal.
Your love has shaped my world,
you have given reason and meaning to quell the demons.

Your love KP in the end is the only
drug I'll ever truly want and need.
You are in my every thought, word, and deed,
in my pursuit to improve myself for you.
I love you just for you and I want to
always do what's right by you.

KP your love is what keeps my world afloat.
Without you it long ago became irrelevant.
With each second my love for you does grow.
You are my everything, my Angel,
I just want to be with you
through eternities timeless hold.

Your love KP is all I seek in this world.
It's a truly cherished treasure,
something so delicate and true it's rare.
So unconditional for me as mine is for you.
Your love is the complete and total truth.

I love you so much KP and
all I want is for you to be with me.
You are the kindest, gentlest,
sweetest lady on this harsh earth.
Your love has made my days and fight against
the pain more bearable giving me strength.

Your Loving Words

Your loving words have given me strength
to continue on and improve each day.
I still don't sleep much or very well,
but when I finally can your loving words
soothe my mind and soul helping me go out.

So as I finally lay to rest,
it's your loving words that I hold
and cherish to let my mind go,
so I can recover and for you be my best.

Your loving words have gotten me
through this rough time.
I thank and love you as I
lay my head to rest my body and mind.

I love you, I love you.
You are my foundation and rock.
Until we once again are in
each others arms.
Your loving words will keep me moving,
all the ways to honor you my Angel
the greatest lady of all time.

Michael P. McParland

Your Picture

Every night I look at your picture
and say goodnight, I love you,
see you soon my darling one.
Then I hold it as close as I can,
since right now your not here I
hug that instead.

I just stare at your picture
hypnotized by those beautiful eyes
and big bright smile.
They bring tears to my eyes in their
purity without a blemish around.

Your picture brings you closer to me,
it helps give me comfort and keeps me sane,
it helps get me through until you're here again.
You are so beautiful and I love you so much.

Every night I look at your picture
and say goodnight, I love you,
I wish you were here so I could just hold you.
You're my Angel, the one I treasure and cherish.

Feel all the love I am sending my dear.
You are the greatest, the boldest,
the most beautiful woman alive.
I love you and I miss you,
but I know I'll see you soon
sweet lady.

Michael P. McParland

Your Return

Since your return I can finally eat,
I can finally sleep.
You soothe my mind and spirit,
you put my soul at ease.
For the first time in months
I feel a natural drifting off to sleep.
Not drug induced leaving a sleepy haze.

You've helped soothe my nerves,
my stomach accepts the food.
I'm not feeling sick with madness,
body rejecting nourishment leaving me feeling sick.
Emotionally dying only wishing it
was true that you had come.

You've soothed my soul so now the tears are joy,
not bitter sorrow of lost need nowhere to go.
I don't feel like dying from endless days of grief.
My whole body aching from the
literal pits of hell and despair.

More though I hope I soothe you too.
Your happiness means the world to me,
so I hope you've found that need fulfilled,
the ability to eat and sleep.

Until we're back in each others arms,
we'll hold each other In spirit
feeling the magic of God's wondrous charms.

So feel my arms wrap you up in warmth and love,
kissing you on the forehead saying it's all okay.
Please hold me too and snuggle tight.
You soothe my soul and make me feel safe
forgetting all the cold and hate
that lays outside of our loving nest that protects.

Michael P. McParland

Your Touch

How I long to feel your touch.
It would mean so very much.
The thought of your body next to mine,
makes my heart ache so I begin to cry.

You mean so much you make me shake,
the feel of your skin makes the earth deeply quake.
I want you near so close to me.
If only things weren't so they are,
we could be in ecstasy.

I hope we'll be able to set ourselves free.
Your touch will make my world complete.
So finally I'll have you close to me,
for your touch is what I really need.

Michael P. McParland

Your Warmth

There's such wholesome
fulfilling warmth in your love.
It gives me hope and fills me with pride.
You warm me up from the inside
making me feel safe and deeply loved.
Your love is like the most comfortable blanket,
you wrap me inside it chasing away all of the cold,
making me safe from all the bullies of the world.
Your warmth is worth more than all the
riches of ten universes combined.
You give me your love covered in warmth,
how could I be so lucky to have you as my girl?

Your warmth and your kindness
are everything to me.
When you're not around I shiver
from frost bitten cold.
I shiver and cry because I feel
so empty and deathly alone.
But knowing you're here and around
has given me warmth and a new lease on life.
KP my sweet dear please will you be my wife
and honor me by sharing your warmth
for our eternal lives?

Michael P. McParland

You're Magic

You are magic to me,
a truly amazing gift.
You've brought with you
true and unconditional love,
you hold something truly
rare that most do not.

You are magic and have
charmed my heart and soul.
Each day I love you more and more.
You are magic and never fail
to impress me in every way.

You are magic dear
and you are my all.
To lose you would be
total death of my world.
So please look at me
as I confess I love only you.
Will you be my bride and
charm me forever through our lives?

Michael P. McParland

You're My Beauty

I can only say that you're my true beauty.
Not just outside but inside more so.
I've never known a woman as beautiful as you.
A simple message with not a lot to say.
You're my true beauty I'll love you all my days.

Michael P. McParland

You're Safe With Me

You're safe with me sweet lady.
I'm here to protect and show how truly,
deeply, and with pure sincerity I love you.
I'll never leave you hurting filled with doubt.

I have made many mistakes in the past,
yet I'm working hard and I will prove
to you in all I do that I'm changing to
always be the best man I can for you.

You're safe with me because I will
go beyond all my limits to keep you safe.
Make sure you always feel warmth and comfort
in my loving soul to you I dedicate.
I'll make sure you always have all the love
and care you so deeply need.
And if anyone ever hurts you
they'll pay the steepest fee.

KP you are truly safe with me.
I just want to pour out and show you
all the things I hold within my heart.
So please just come and let me wrap you up
within my loving, caring, and needing arms.

Feel my love and warmth,
and if you need to laugh or cry from the
emotions and thoughts you hold inside,
I'll stay right there holding you dear until
you feel it all has passed.
I'm not leaving you because you were
my first love and still are my only one.

KP you will always be safe with me,
I would rather be tortured and die than hurt you.
I will give all my life for you to be my wife,
and I will always strive to provide you with
the greatest gifts and riches
which this world provides.

Love and dedication, faithful to my partner,
being there to help and serve from my hearts
deep desire and devotion.
To always honor my Queen so she'll always know
and feel her worth as my Angel here on earth.

KP you're safe with me because you're
literally everything I see and so much more.

God Bless You

God bless you and keep you my sweet little Angel.
Your soul is so precious,
a gift to the world that forever will give.
You're a hero to me and a deep inspiration,
you've persevered through so much,
nothing will ever defeat you you're determined and tough.

God bless you for all the ways you've touched my life.
Showing my heart what true love is bursting with life.
I would give all of my love and then 100 times more,
because your spirit shines forth,
giving me light for the course.

God bless you and watch over you
my small precious love.
You've not let physical malady
knock you down with hard shoves.
I'll pray for you all night and all day long,
to lift all these burdens giving them to me
so you may enjoy bright pain free days.

God bless for I love you so much.
That I'd do anything to make you happy,
for you that should never be lost among the crowd,
you are an Angel standing, shining proud.
So I smile upon you sending all my warmth and love
with great big hugs and kisses
Gods helping to deliver from up above.

Michael P. McParland

Fulfillment

You fulfill my life and answer all my prayers and dreams.
You're the biggest and most needed part of my life.
You give life and sustenance to that which had
either died or was deeply withered on the vine.
You'll see and be astounded at how much when the
time has come that we're able to sit down.

You are the fulfillment that I need.
Giving a love I've never had.
I can't wait to show you just how much
you mean and how I care and love
the Angel I adore so supreme.

You are fulfillment for this man.

Michael P. McParland

Free

One day we'll be free.
We'll not be lost.
Worry free when we've paid the final cost.
To live in perfect harmony
with no need to feel sorry.

We'll have done the job
having not been robbed
of all the beautiful things given by God.

Freedom just from what he dealt.
Knowing of such love, my heart does melt.
Freedom from the days of guilt.
That makes your soul feel weak and wilt.

How I long for these days of glee
knowing that we're finally free.

So take my hand and come with me,
together we'll strive looking to find
this place that's so divine.
Finally free from all this grind.

Michael P. McParland

Forgotten

Being forgotten is my deepest fear.
I hope my memory doesn't fade inside your soul my dear.
To be forgotten by you would be a dagger
straight to my heart,
a killing blow of great disaster.

Please hold on tight and make it so.
That our memories never part and friendly grow.
You are my truth my strength and pride,
every day away a piece of me has died.

I'll never forget those loving eyes,
a smile that brightened the darkest skies.
I hope that I have done some good for you.
To remember how I always tried my best for you.

I'll never forget your loving soul,
it wrapped me up and felt so warm.
You always had the gentle touch
that made my soul flush in deepest content.

Please forget me not and I hope you'll see
my love for you is true indeed.
I won't forget the sweetest girl.
You touched my life and made things whole.
I hold on now forevermore.

Michael P. McParland

Forgive Me?

I ask for your forgiveness.
I'm truly so sorry for all the pain I caused.
I'd go back to change it all and show my love.

Please don't cry it hurts me so.
Please know I'm filled with remorse for
the fights we had and the painful words that were said.

Will you forgive me and love me like you always have?
Perhaps in future let me show you
once again that you're my hopes and dreams.

I ask so deeply for your forgiveness.
I don't want you to hurt inside
it kills my heart knowing that you're weeping.
Please feel my love and know my spirits there.

I'm hugging you for comfort asking for forgiveness,
only hoping to heal your deep despair warming your
soul wrapped in my arms so tight to chase away the cold.

Michael P. McParland

Forever Yours

I truly am forever yours my sweet sweet Kira.
From the very start I knew that forevermore
I'd only ever truly love you.
I fell so hard and fell so fast
I didn't even realize it until after your soul
had filled my glass.

I am forever yours I gave you my heart so long ago.
Our story is not at an end.
On you I'll never give up,
or let someone push me until I give up.

Forever truly I am yours,
can you feel it in your soul?
I see other women all around
but I only think that's not my lady,
I wish she was here.
When will she come around?

I am yours forever truly so.
I'll be alone on Christmas
would you come and spend it with only me?
I would love it in pure joy.
Hold each other to stay so warm.
Watch movies sing some songs
read to each other from our favorite books.

Please know in your mind and feel it in your soul.
That through eternity I am yours forevermore.
ILYF

Michael P. McParland

Forever Hope

I am forever hopeful KP.
I have not a single doubt about thee.
I know our time will come,
for our love is eternally strong,
not a thing in existence can make it come undone.

I shall forever have hope,
so please also grab on
and never let go.
Trust in the fact that I truly love you.
I treasure you so much
the thought of you brings me to bursting.

You are my hope and pride,
my Angel, my hero, all the joy I feel inside.
Do not worry my precious one,
I'll forever have faith and hope
in you my darling one.

Michael P. McParland

For You

It is for you that I keep on fighting to go on.
That I find reasons and hope to keep on living.
It is for you that I'll always be here,
for no other person do I fight so hard and find such light.
It is for you I dedicate my soul, my heart, and my life.
For you I will go the distance giving all I've got
till the day that I die and well beyond into eternities light.
For you I will always give all that I have,
for you are my Angel and my best holy friend.
I love you more than anything on earth and in heaven,
for you I would give my whole life and never think twice.
For you love I give all of my poetry which just like you
is the very essence of me.
For you love I give everything I will ever be,
because I love you so much and for you I toil and bleed.
ILYF my sweet Angel dove.

Michael P. McParland

Footsteps

Footsteps approach.
In my heart there is reproach.
Is it good or is it bad?
The uncertainty in this drives me mad.

Are they coming to kill me, or take me grand?
To higher planes I never planned.
I hope it's not the footsteps of the damned.
To crush my soul with eternal cold.

The footsteps now grow very bold.
Inside I'm feeling dreads not told.
What will these footsteps hold?
I'll soon find out.
They're quite close now.

Michael P. McParland

Flowing Red River

I dive head first into the flowing red river.
It's acrid taste fills my mouth.
I drown in it's putrid depths.
My heart pounds and excitement grips.

As the flowing red river drips.
I cannot contain my growing glee.
I cannot wait to feed on it's bounty.
From down below I stand up straight at attention,
rigid stiff I rise to greet this wonderful fate.

I feel it right now it's raging in pure excitement.
The pinnacle of joy hits like a bomb.
The flowing red river fills me up.
I bend right down from it to suck.
In and out I feel such love.
It cleans my soul flowing red river runs.

Yet I'm sad when the flowing red rivers gone.
Sadness for it's run is done.
Fear not though we'll always meet.
When the flowing red river comes to greet.
For seasonally it always returns for my enjoyment,
a fresh flow forms soaking all before me,
I'll take advantage with pure greed.

Michael P. McParland

Finally Rest

Finally now I may find rest.
I've been up all night
sleep has been lost.
Yet wonderfully dreaming of my lady,
but it's time to leave the world
of wakeful dreaming and see her
in dreamland of the sleeping kind.
I'll see you there while getting rest,
with you there an added happiness.

So finally now I'll try to find some rest.
Hope to clear my mind,
come a day closer to my dreams
I know we'll find.
I love you dear and seal this night
with a passionate kiss.
Wrap you in my arms and drift away
feeling warm within your cheer.

Michael P. McParland

Finally Found Our Home

We've finally found a home,
and it's in each other's arms.
It's the most enchanting warm safe place
I could ever hope to spend my life.

I love you so much my dear and
this is the greatest place to spend eternity.
In your arms is where I always wanted to be,
all the nights I spent alone were very cold,
dreams filled with you to get me through.

We've finally found our home.
In our hearts and in our arms
we will forever stay and be
because our love is true,
it is pure.
You are my lady, my Angel,
my only one and it's by your side
I'll be forevermore.

Michael P. McParland

Fighting Together (Perseverance)

We'll always fight together,
defending and standing up for each other.
Against all obstacles that confront us,
together we'll take them on
they cannot defeat us.

We'll fight together side by side for eternity
defending and supporting each other in everything we need.
We will equally bare the weight of all
the things that we will face,
picking up the slack when one of us
is unable to complete the task.
We'll do it for each other because
we will always fight together.

Side by side spirits bound together,
by choice we picked this
fate for we truly love each other.
Fighting together for the perfect cause,
true love which in this world is so rarely found.

We'll face all obstacles
supporting each other hand in hand.
This world of love is ours to take and have
as we continue fighting all the strife together
finding the promised land
as we march along and always take a stand.

Michael P. McParland

Fields Of Flowers

A mountain stream.
I visit this place in waking dreams.
With you right there by my side.
Despair and hate slide right off to die.

A peaceful place to share our lives.
Never ending bliss no hurtful lies.
A field of joy and contentment true.
Oh I wish I was there with you.

Beauty surrounds with natures songs.
Admitting our love was there all along.
No need to fear or run and hide.
I'll be your husband, you my bride

Forever there in true bliss.
I want to share that long needed kiss.
No outside hurt or prying eyes.
Just us two the odds defied.

Please join me there with the sky so blue.
I'll treasure you forever for no other matches you.
The endless field I'll pick you flowers.
Everyday where time doesn't matter.

Let's go there soon,
We need it my precious jewel.
To share the beauty and the land.
Holding on forever come and take my hand.

Michael P. McParland

Feeling Your Love

I'm feeling your love on this very night,
as I lay down my head and pull the covers up tight.
I see you smiling with your eyes so bright and glowing
it excites me yet also calms me down.
I love you so much my darling one
you lift me up when I'm feeling down.

I feel you next to me in spirit
your soul makes me whole.
You're soothing my heart in
what's been a frustrating night.
I know I can always turn to you
and on your shoulder rest my head
and close my weary eyes,
even cry a bit if I need.
For you are the sweetest
and greatest lady that's ever lived.

I'm feeling your love as I retire tonight.
It calms me and soothes me
helping me sleep better than I have
since years gone past.
I thank you so much for all of
the joy, and contentment to me you have passed.

So I'm now going to close my weary eyes,
wrap up in your warm comforting love.
Drift away feeling and dreaming
of my sweet Angel dove.
Oh my sweet lady I love you so very much.

Michael P. McParland

Feeling You

I can feel your spirit so close to me.
Your warmth and love from you pure spirit.
It gives me comfort and makes me smile,
the only sad part is your not here in person
to wrap my arms around and say I love you,
you're the one I truly treasure.

I'm feeling you so close to me,
the intensity makes my knees weak
and shake from all the energy you radiate.
My heart is filled with such emotion,
I want to shout from mountain tops
that I love KP she is my awesome woman.
Feeling you near helps all the pain disappear.

You're so close and I feel you here,
please feel the love I send your way
so you'll feel my warmth and love my dear.
You comfort my soul and heart,
all I can say is I love you so very much.
Let's wrap each other in the tightest embrace,
and never let go we've passed the test.

Michael P. McParland

Feel My Touch

Feel my touch as I reach across the space.
Grab you tight in my embrace,
to say I love and need you not just here today,
but every day that is to come.
For you are my heart and soul,
you are the sun, stars, wind, and moon.
You are my only one,
it is true.

Michael P. McParland

Faith In Him

I kneel and pray each day that all will be okay.
Turn out to be as it needs.
I ask for the things I would like and want.
but in the end it will be what I need.

It's an arduous journey with pain in transition,
losing many things and loved ones along the way.
Rather in death or circumstance pulling you apart,
filling you with sinking sadness.
Take solace though that in the next life you will again meet.

I struggle every day to have and keep faith.
I pray for my path to be revealed and clear,
and the strength to fight on and accomplish what I need
to return to him in the end in all his glory.

I rarely share my faith with others but when compelled
I bare my soul and show what I behold.

I will continue to struggle keeping faith the best I can,
even with the very heavy heart I currently hold.
God help me for I'm falling please take ahold.

Michael P. McParland

Faded Night

Lying here in deep pain tonight
escaping into my music in search of
forgetful hope and dreams.
More and more though I just think of you,
the songs only make me miss you more.
They're filled with memories and
images of your divinity and all the hopes inside.

Aching brutally in my heart to the core,
a faded night it's color drained for you're not here.
No relief for there's no way to shout out and reach
to my only one who I hold so truly dear.

So I lie here aching, longing, needing you.
I can't sleep I don't know what to do.
So on this faded night I'll survive on my music
and a prayer for you,
to feel me call out saying I love with all I am,
you are still the greatest girl on Gods earth.

Michael P. McParland

Extra

Every extra moment I have to spare
is dedicated to you I solemnly swear.
For I am yours in every way,
I give extra effort to show you
how I love you deeply and endlessly care.
Every extra moment is
dedicated to you I swear.

Michael P. McParland

Extended Hand

My hand is reaching out extended for you.
I long for you to come back and look into my eyes
and behold all their truth.

I miss you, I need you, I'm empty inside,
I extend my hand swallowing all of my pride.
I only want you here to share all of our lives.
To know you are here to hold and you're
never letting go through eternity.

You're such a mystery to me and I don't know how to begin.
Perhaps in the past,
that's why so much curious silence has been,
because there is so much to see and to know,
I couldn't find my way to start I hope you can understand that.

My hand is extended and a declaration of love on my lips.
Please help me to know just which way to go
and everything you need.
I will be your world
and your essence just as you
are mine giving all our best.

I've extended my hand so please take it in return.
Let's move slowly and assuredly to find
all our confidence and answers
supporting each other in all we endeavor.

Please hear how I love you and let it fill your soul.
I want and need only you you're
my sweet Angel dove.
Will you please take my hand?

Michael P. McParland

Exhausted 2

I'm so exhausted KP.
Please come put your
arms around me.
Hold me,
make all my tiredness,
lonliness, and fears
pass.

I'm so deeply exhausted KP.
Please come to bed,
put your arms around me
and sleep in soothing peace.

Michael P. McParland

Exhausted

I'm exhausted and it's time for
me to head to bed and rest my aching body.
Once again I want to wish my good friend
for the highest of honors with her
compliments in her work so truly unique and beautiful.

I'm exhausted and feel so spent,
I'm damn well near collapse.
Emotionally I'm also on that
fracture point which means I'm
deeply fatigued and separating from reality.

I'm so exhausted and my mood is leaning towards sad.
But two things are keeping my mood up and happy.
Electric Lady's exquisite poem,
I truly am so honored and still marvel
over it's heartfelt touch and passion.
I thank you my dear friend it's helped
keep a sinking mood afloat.

Of course the other thought that keeps me happy
is the image of my lady love sweet KP.
Tonight I'm so exhausted I can only honor her
by saying I love you tons and I miss you
so very bad my heart burns,
inside it's the tortures of the damned.
Your memory though holds me
strong and till we meet again
it will get me along.
I love you babe I'll see you in
the land of dreams.

Also an exhausted goodnight to
my wonderful poet friends,
you help give me light and lift my burdens.
To you I wish the sweetest of dreams,
with deep, quiet, truly restful, peaceful sleep.

Michael P. McParland

Everlasting

Everlasting love lies within my soul.
I've never stopped loving you and I never will.
I'll wait as long as it takes,
as long as you need.
I worship your beauty and strength of spirit.
Your acceptance and unconditional love for me.
A dedication which I return,
for you are my Angel, my saving grace,
the woman I admire more than anything.
Everlasting loyalty and love for you.

I now must lay down from a day and a
half of no sleep,
I'll be dreaming of you as I drift off
crossing over to the land of dreams.
I'll be praying for you to feel all of my love,
for you to feel warm and to be safe,
asking God to take away all of your pain.

Everlasting love and protection
I offer and swear to you.
I'll destroy anyone or thing
that would ever hurt you.

I lay down now my sweet darling.
I'm sending you all of my warmth and love,
with the biggest of hugs and the
most passionate of kisses your way just for my dear.
I love you,
I miss you.
Now feel my arms around you,
and hear me whisper in your ear
everything is alright for I'm right here.

Michael P. McParland

Eternity

Eternity is ours KP.
Noone can ever take
that away from you and me.
Our bond of true love was sealed
before our time on earth.

Eternity is here for you and me
it's our fulfillment and destiny.
It was blessed and ordained
in a way no other human will
ever truly know.
How could they?

I love you KP and want
you by my side for eternities and more.
I'll never want or need another
because KP you're my Angel and the only
one I'll ever know that's worth all the time to adore.

Michael P. McParland

I Don't Want

I don't want to ever hurt you,
yet somewhere along the way I failed you.
So many times in so many ways,
I just want to go back and fix it all,
so I could always be perfect
just for my sweet lady, my only one.

I don't ever want to hurt you,
I want to show you
how very much I've changed.
I've been working on my anger,
been working on my temper.
So I can always treat you better
and save our relationship forever.

I don't ever want to hurt you
and from all I've done and all that's happened
I have hurt you and now
I'm hurting so very bad deep down inside.
I hate myself for the ways I hurt you,
and to you I never tell a single lie.

I don't want to ever hurt you.
Will you please forgive me in time?
I truly love you for all you are,
your spirit, your essence, your entire being,
the person that you are.

Please believe me as I come here to the end.
I don't ever want to hurt you.
You mean the universe to me,
I'll love you through eternity there is no end.

Michael P. McParland

Holding On

I'm holding on and I know you are too.
We'll get past all of the trouble and pain,
we are going to make it through.
We've been through so much
but are still here for each other.
We've both supported the other no matter
what issues we've faced or uncovered.

We both are so strong and will
keep steadfastly holding on.
For our love is built on
a rock solid foundation.
The road at times may be bumpy,
but we're intent and dedicated.

I love you so much
as you deeply love me.
We'll keep holding on
solving our problems,
discovering eternity.

In each others arms,
we'll never let go,
because our love is
deeply true and pure,
together our spirits do soar.

Michael P. McParland

Holding You Tight

Holding you tight in spirit tonight.
I always am here for you, you are my very light.
I remember your smile and I get a big one too.
I close my eyes and think of yours.
I'm carried off to heaven too.

Holding you tight within my heart,
not just this very night but every night to come.
Wrapping my arms around you in spirit now,
until I can wrap you up in person.
Kissing you then saying I love you and have missed you,
you're my soul mate and Angel true.

Holding you tight most of all in
the feeling your spirit brings.
Glowing warmth of total love and acceptance
for who I am all in all.
Unconditional love for the other,
we're going to beat them all.

Holding you tight as I now go to sleep,
sweet memories of you within.
I'll see you in my dreams tonight where we'll
talk and tell each other all.
I love and miss you you're my everything and all.
I can't wait to see you,
feel you in my arms again.
Holding you tight giving you all I can.

Michael P. McParland

Hold On

Hold on my dear love for it's not over yet,
we've just hit another bump in the road
we'll figure it all out in the end.
How could we not when we've fought so hard and long
for each other, ourselves, and the true love we share.
A bond of pure steel that holds us so near and dear to our hearts.

Hold on my fair lady I'll never give up on you.
I'm fighting hard to find my way
to end all this strife that circumstance
and misfortune has thrown in our way.
It may not always be evident
but I'm always fighting and struggling to get back to you.
To show all the jerks that no matter
their tries we'll just break on through.

I know that you fight for me too.
I feel your love across the distance that's forced,
It warms my soul and my heart right down to my core.
I know that you'll always be there
for me because you have a heart of pure gold.

Hold on please my sweet fair lady I hold so dear.
We must fight on for survival
and not let the world forget the sacrifice
we made for true ultimate love.

Please believe that I'm fighting for you,
with pure dedication and love.
You're my universe, my existence, my essence,
my Angel from up above.
Please hold on dear we can defeat all the fear
with pure passionate love.
Defeating all the jerks who try
to destroy us with vile lies.

Michael P. McParland

Hold Me Now My Dear

Please hold me now and say it's alright.
Your arms are where I feel safe and warm,
a place where I know I'm truly loved.
Your heart and love are clean and pure,
our love we share is unconditional
nothing can defeat a bond so
tight and bold.

Please hold me now and we'll share a kiss,
comfort each other in our all encompassing
love we have that no other can ever comprehend,
or see the depth, not even guess.
Hold me now and let's share our love,
I long for you I'm incomplete
without you near I love you so deep
and hold you truly dear.

Michael P. McParland

Hold Me Now

Hold me now and never let me go.
For if you do I'm afraid I'll wake to find
it all was just a dream nothing true.
Here in your arms I feel so safe and truly loved.
Two things in my life that so sorely lack.
You help heal my wounds and calm me so that
I may finally get some deep badly needed sound sleep.
Please still be here when I awake.

Hold me now my love and let me whisper
in your ear how valuable you are to me
and how you complete my life and soul.
Kiss you on the cheek,
and stroke your long beautiful hair.
Shed a tear of joy
knowing that you're here forever,
now in your arms never letting go.

To you I can finally bare my entire soul,
my hopes and fears, the joys and glories held in my esteem.
Also to with you I can finally share
all those things I never have with others dared.
The pains and abuses from my past.
The humiliations and degradations I bore
and have carried on my own
for all these many years.

Please hold me now though well I share those things
for I must dig down so deep to dark and painful places,
spaces, that have been strictly forbidden
and will reopen so many terrible pains I've hidden.

Yet also hold me so I may in turn hold you.
For it is my lifes intent to support
and take full care of you too.
For both of us to share our life's
with no greed but equality and sharing.

I want and need you to tell me all about your wondrous life.

The amazing tales I know are there.
The joys and triumphs you hold in high esteem,
and when you're ready share with me
all those painful things you hide.
I will hold you through the tears you cry
and soothe you with gentle words
reassuring you of all my love
and that I'm always going to be right here.

So please hold me now my only one, my lovely dear.
Let us start from here and soon embark
on our future of pure love and fortune
of spirit fruitful in it's pure glory,
and miraculous bond forever lasting.

Michael P. McParland

For Kira

Kira I love you no matter the turn
or circumstances in our lives.
You mean the universe to me,
you fill up my heart with joy.

With true love the greatest woman I've ever truly known.
Even if you hate me my love I will never stop and run.
You're my Angel and true love,
not much more I can say except my heart is forever yours,
my gift to you my sweet Angel dove.

Michael P. McParland

Eternal Life

I can't wait to see the people I have missed.
Finally being with them will be such bliss.
With a hug and then a kiss
we'll share our love without fear or risk of any pain.

Forever in this glow we'll bask.
In life eternal forever lasts.
We'll show our best.
Our sickness rests.
We're finally saved.
We passed the test.

Michael P. McParland

Enriched

I'm about to go to bed and rest my head.
Rest my body and my mind.
Dream of you and your kindness,
your beauty that shines right through
making my knees weak,
almost all my body turning to jelly,
except that part that I will only ever share with you.

Before I go to sleep though I needed you to know.
You've enriched my life, my heart, and spirit too.
In countless ways there are so many, an endless list,
I will go on forever
trying to share the thanks I hold for you.

You've enriched my life I'll love you for eternity through.
I can't wait and deeply anticipate the day
when our distance closes and we can hold and kiss each other,
saying it's alright we're here forever.

So now I'll lay down to go see you in my dreams.
You've enriched my life you are my Angel,
my exquisitely wholesome beautiful Queen.

Michael P. McParland

Empty Nights

Empty nights so lonely and blue.
The feelings of missing you are tripled it's true.
I cry in my pillow great big sobs I must cover,
for I don't want anyone to hear me
in my broken state of dishonor.

Empty nights spent dreaming of you.
Do you dream of me?
Can you feel my spirit too?
In my thoughts I see your beautiful face,
your shining smile given to me,
your piercing gorgeous eyes
that look straight through to my soul.
How these empty nights hurt knowing
you'll not be here soon maybe never again.

These empty nights drain me so hard.
I call to you in my spirit and mind.
I hope they reach you and tell you my love,
how dear you are to me and fill me with pride.

For now though these empty nights
stretch long before me.
I'll just keep dreaming of you
while I'm sobbing pleading with God
so you'll feel my spirit right next to you
comforting in all I do.

Michael P. McParland

You Are……

You are all I could ask for.
You are all I could hope for.
You are the Angel I dream of.
You are the fire of passion I reach for.
You are the desire that drives me.
You mean the world to me.
Simply put you are my everything,
and I'll love you through eternity.

Michael P. McParland

Your Sweet Love

Your sweet love in its purity
is a thing of dear solace from the
cold outside that rigidly surrounds us.
Your sweet love helps balance my mind.
Calm my bipolar in your warmth,
giving me true love which is
not something I've known much of.

Your sweet love is a pure saving grace,
I will give you my life,
dedicate it to you,
forever show my gratitude,
undying love, and faith.

Your sweet love is the greatest thing on earth.
I love you so much for your heart
and passion are immense.
My Angel, my lady, my true love,
my best friend, my future wife,
your sweet love has saved my life.

Michael P. McParland

I Love You Kira

I love you Kira and I miss you so.
Please feel my love as I pray for you
and send all of it your way.
You are my Angel, my light, my whole life.
I love you deeply Kira please hear my plight.

Michael P. McParland

Early To Bed

Early to bed on this very night.
I'm dead tired from all the
emotional exhaustion I feel inside.
On top of that getting very little sleep.
So early to bed perhaps I will
go to sleep because I'm so beat.

Early to bed just to dream about you.
Hold hands and share kisses,
smile and laugh like we always did.
Just talking and talking basking
in each others glow.
So I can see you
it's early to bed I must go.

Early to bed to help
pass some time.
Eliminating a few more hours
without you by my side.
Making them pass much more fast,
bringing our reuniting closer at hand.

Early to bed in just a few hours.
For you and for us I'm always
thinking and deeply praying.
I always send you my goodnights
in one way or another.

Sending all my warmth and my love,
with great big hugs and kisses
your way and only for you.

So feel my energy as I'm
sending it all your way.
Enveloping you in my arms with a kiss,
letting you know that it's all alright.
Early to bed I'll see you there.
I love you my dear well beyond death.
An eternity is waiting for the two of us.

I love and miss you
so very very much
my Angel so true.

Michael P. McParland

Weeping Heart

My heart is weeping so off to bed I'm heading.
I love and miss you so very much
my sweet Angel dove.
Please feel all my warmth and energy
as I send it your way telling you that
my heart is always yours and I just want
you here to hold and talk keeping each other warm.

My heart is weeping and just please know KP
I truly love you with all my heart, mind,
body, and soul.

Each Day With You K.P

Every day spent with you is heaven on earth,
just like all the time apart has been burning hell.
You lift my spirit and my heart.
You take away and rescue me from the all
enveloping loneliness that has swallowed me.

Every day I've known you and through the rest
of this life I'm greatly enriched from your divine spirit.
You've given me all a man could ever ask for.
The most wonderful perfect woman that treasures
and adores her man in return.
A mutual respect and unconditional love
that will never be undone.

Every day spent knowing you and being in
your presence is a dream come true.
I could never ask for more than your love
and just the person that you are.

You're perfect in every way I could conceive,
please always just be yourself because
the person that you are is who I love
through eternity knowing no death.

Every day spent with you is celestial heaven.
A pure existence filled with love and strength,
where we can finally rest in each others arms
having fought through all the trials
and people that tried to tear us apart.

KP my sweet dear darling one,
each day spent with you is another day
I cherish more than anything.
I'd never trade them and forsake my only one.
I love you beyond what words can express,
you're my Angel and my hero.
You've given me such endless joy I will
spend my life in service to you
to show you my gratefulness and eternal

undying love.
Your are my Queen,
my everything.

Each Day 2

I get through each day with precious
memories and dreams of you.
I just want you to know that you are my smile,
each day you are my heart.
I love you more each day I cannot describe.
I get through each day with a skip in my step
and a big smile across my face.
It's because of you KP my dear
because I love you and you're my reason to live.

Michael P. McParland

Each Day

Each day I try with all my might to be a better man.
Some days are better than others,
the occasional setback befalls me and I fall.
I shame myself then continue
to press on because I want and need to be better.

I do this for myself first and foremost to not feed the rage.
To treat others in each and every way
how I want to be treated,
striving hard to not pass a cross word
even if it's in return.

To be less reactionary in my actions
lashing out no matter the circumstances.
Try no matter what to offer a cordial helpful peaceful hand.
Some say that's being fake or being weak
but I think they miss the bigger point
of rising above and striving to be a better person.
Not to stand above and belittle them
but to strive to be above the petty things
that bring life down and put you on your knees.

I admit I fail quite often but I shame myself
and look over all the faults,
better preparing myself for the next event and route.
Swallow my pride in all the situations
I must and always apologize where I'm at fault,
not just of pointless practice going through the motions,
but find it in my heart to mean the things I ask and say.

That's only the tip of the very large mountain before me indeed,
there's far to go and much work ahead
it will be slow and arduous I know.
Set backs a plenty but I mustn't give up moving
on and ever upward to attain the maturity
and sense of self and pure true pride I seek
and can truly be proud and humble
for all the skins I've shed and found new light and glory.

Michael P. McParland

Dreamt Of You 4

I fell asleep for my nap
when what should I behold in my dreams but you.
It made the night feel heavenly
and I felt so relaxed I slept the
whole night through.

You soothe and relax me so
I can finally eat and sleep.
You've brought back peace of mind
which for so very long I had lacked.
You make me feel whole and one again.

I dreamed of you and we just held
each other and endlessly talked.
Sharing everything we've needed for oh so long.
It brought me peace and comfort
through the long and lonely night.
I want to thank you for all your light.

My sweet Angel and my only one,
you came to me and all the loneliness came undone.
You brought me solace and true love,
you are the brightest hope by far
and most beautiful woman I have ever known.

Michael P. McParland

Dreamt Of You 3

Dreamt of you and it cured the night.
It was cold and lonesome.
I was in a ton of pain my arthritis frozen.
My heart was feeling lonely and aching
for the woman I love to come wrap me up
sharing each others loving toasty warmth.

When I finally feel asleep there was KP.
She's always been there to rescue me,
you chased away all of the darkness and all of the cold,
you just held me close put my head on your
shoulder and said I love you so much
it's all going to be alright.

You saved my life and my night.
You took away all of the fear and the pain
I hope I also brightened your night.
You're my Angel and true love
your memories always cure the blues.
I want to thank you for all you do.

I dreamt of you on the most frightful of nights,
and you got me through with your
love and your warmth I love you so much,
soon we'll be near to chase away and cure
all of the cold together.

Michael P. McParland

Dreamt Of You 2

Never got up from my nap yesterday
because I was dreaming of you.
The memories and dreams of
what's yet to come calmed my nerves and soul.
Finally giving me the chance to sleep
and catch up on all the time that I needed.

I dreamt of you and all the nightmares were through,
for you kept me warm and made me smile
felling fulfilled in your smile and warm eyes that beguile.
I dreamt of you and the world was perfect
for you kept me warm and so safe in your
never ending protective grace.

I dreamt of you and decided to just sleep
the entire night through.
So at no point would I be forced to leave you.
Though wakefulness eventually came
I'm still happy and serene,
for I dreamt of KP my only one
for in reality she's my dream.

Michael P. McParland

Dreamt Of You

I slept all day and night.
Feeling all the love you're sending,
It's comforting me so I can finally
eat a little bit,
so I can once again sleep feeling
all of your warmth in the love you send.

Within my dreams I saw you,
we just smiled at the other first,
then held each other,
feeling all the love burst.
Then we spoke,
just talking for the longest time,
about all the things that have gone on.
The time that's passed and our adventures,
how we've missed each other always.
Wishing we were together no distance in the way.
Dreaming and planning for our future
and how we'll win the day.

In my long slumber I saw you there,
oh you're such a wonder.
It's made my day and helps me get along,
fight along with reason
despite my manic depression and bad days
for when we are back together
praising God for our love.
Earths greatest treasure.

I love you
I love you
I love you.
I miss you so very much.
Right now though I'm happy
just to dream of you.
For our day is coming.
Eternity is ours.
No end to our pure love
for it is true.

Michael P. McParland

Dreamland

Off to dreamland I go.
Lying down for the night and closing my eyes.
You're the only thought in my mind,
it chases off all the fright.
Gives me warmth and contentment,
feeling peace in my heart my dear Angel of light.

Off to dreamland I go to see you there I truly hope.
I'll take your hand then into my arms,
look into your eyes and tell you
how I've missed you and love you.
Then continuing to gaze into those celestial bright eyes
I move in and kiss you forever sealing our bond.

Michael P. McParland

Dreaming Of You

Dreaming of you my sweet Angel dove.
Lying here with closed eyes
an open heart wide smile across my face.
Images of your beautiful face filling all the empty space.
Holding you covering you in kisses,
caressing your countenance feeling our spirits bond,
becoming one leaving every one behind in passion ablaze.

Dreaming of you here forever,
entangled in each others arms.
I love you so,
I can't wait to have you near.
I'm dreaming of you dear,
I can feel you here.
Can you feel the love I send and feel me near?

Michael P. McParland

Dreaded Sleep

I've been up for near two days now.
I fight my bodies need to sleep,
for I dread the lonely heart breaking weeping dreams it brings.
I dream very vividly of lucid realistic often scary scenes.
So I deeply feel each thing within
as if it were truly real.

So the pain and humiliation,
shame, anger, lack of self worth I feel in their full berth.
So I face them in that wondrous nonsensical lucid landscape,
and when I wake I remember it all
and I'm forced to face the day with a brand new wave
of renewed crippling emotionally wrenching
inner pain that scars my soul.

Dreaded sleep I'll continue to fight.
I just can't stand the thought.
It's no escape it taxes me a whole new cost.
I must fight it hard no matter what
even if it drives me finally over the edge to fully nuts.

I just fear that world of inbetween.
It's almost always unkind even in a fairly even steady stream.
So in a space so lonely broken,
feeling a useless joke that's spent,
lived well beyond the years of token.

I dread it more for every fear.
For every pain I carry will come on me
one hundred fold to crush me under.

So dreaded sleep must now be fought,
no matter how much to my health it costs.
Just escape with music, books, and movies,
fighting the evil dreaded sleep
creeping up upon me to drown me under.

Fight it, fight it, fight it hard.
I must not let my bodies will take over my plans

of dealing with the passionate burn
of pain like hells fire incarnate.

Michael P. McParland

Don't Say Goodbye

We don't have to say goodbye.
We'll just stay here where we lie.
There's no need for this to end.
Eternal bliss is round the bend.
If we face what we both feel.
Then we'll finally know it's real.

Don't say goodbye and please don't lie.
You know it's right and so do I.
Providence speaks without defeat.
Telling us do not retreat.
You both have what each does need.
Tell each other your secret plea.

We both are scared.
How will it fare?
If it's lost how could we bare?
We'll never know until we try.
So let us never say goodbye.

Michael P. McParland

Don't Like It?

Don't like it don't read it.
I don't need your approval.
I express what I need in the moment
despite your over inflated self proclaimed genius.
Don't thrust and cast your illusions on me.
My mind is far more complex than you can ever perceive.

I say what I need in the moment it needs saying.
I'm not pandering for your love I write for myself and my love.
Don't like it don't read it
because then it's clearly not meant for you.
Call me redundant but you have no idea
what's inside my mind and inside my soul.
I never said I was a genius just releasing my madness.

Don't like it don't shoot at it I'm not bothering you.
I've been away from the game
and am trying to get my grip back on the mastery of words.
As long as she likes it and reaches a few more
don't judge what's in my mind and my soul
because for what you imagine there's a million times more.

I have my right to express just as you do too.
I just don't see why all must be critics
and punish my spirit and those things which it holds.
Don't like it don't read it but why make people feel so low?
Not everyone's professional just looking from inside to expel
those things that burn and they can no longer hide and hold.

I've written about much but see what you want.
Don't like it pass by it because I already hurt
so why put me down?

Domestic Dreams

Domestic dreams to which I cling.
I can't wait to have these things.
A wife and kids.
A beautiful place to live.
No longer out here on the skids.

Free at last.
With someone to share and have a blast.
We'll be free from worries of the past.
Building a life in which we cast.
Our firm beliefs and love that lasts.

We'll be so strong and work so hard.
To make our lives so rich and long.
Always striving to do no wrong.

We'll show our kids how best to live.
So they'll always be proud of what they did.
Never losing pursuing in proper bids.
We'll be so happy with how we live.

These domestic dreams I'll never rid.
For one day soon we all will win.

Michael P. McParland

Delicately

I delicately caress your cheek,
as I gaze into your eyes
letting you see my entire soul.
Something I'd never share with
another being.

Delicately I take your hand.
Place it on my chest for you
to feel my beating heart.
So you'll feel each beat
and know it's yours.
To feel all the love which it pours.

Then I will lean in for a kiss.
Delicately pressing to your lips,
savoring the sweetness between our
bodies and souls which our true
love will never slip.

I dream of this time
for it will happen.
It keeps me going gives me will
to push on through the days
and keep on fighting.
I will always treat you delicately
in all the ways you need.
Your my sweet lady
and I wish to honor you in
every thought and every deed.

I love you so,
each day our love does grow.
I miss you in these days alone.

I will make it all up to you,
because I delicately hold your memory
and cherish it.
You are my sweet Angel dove it is true.

Till My End

Every morning when I arise
it is you who's on my mind.

And till my end it is you

and essence my dear old
sweet lover and friend.

KP it is you I will always
truly, deeply love
till my dying breath.
I will cherish only you,
till my very end.

Thinking Of You

I'm always thinking of you KP.
No matter what you think or how
in your view sometimes it may seem I am not.
I'm always here and thinking about my sweet dear.

You are my heart, soul, life,
pride, and utter joy.
You are the only Christmas and life
gift I will ever truly dream and hope for.
Don't you see and feel all the love and content?
The need to be held I send for both our benefit?

I'm always thinking of you my love,
KP you're my Angel of light and my only one.
I love you more than a million people ever could,
because we're soul mates and we both do each other
worlds of good.

I love you so much that being apart my heart hurts.
My body aches with the distance that separates.
Please KP feel all the love I send to you,
my heart is in full voice just for you.
KP I'm truly always thinking of you.

These Walls

These walls are ready to come down.
They're full to bursting and tired of the
endless all consuming loneliness.
These walls are ready to fall my love
and I will open up and show you all.

I know that in the past I've let
them keep you out and not shared enough.
I promise though I'm finally ready
and I will give you all I am,
I'm ready for your help to forever
put the tools to work and tear them down
and let you in to see everything.

I love you babe and I need you here
to be forever in my life,
and I know for that to happen these
walls cannot stand for they will tear apart
all the love and care we've so hard worked for.

These walls are ready to fall and
reveal to you all the emotions and secrets
they have so long held.
So come and hold me so I'll feel safe,
while I tear them down to share with you
all my hopes, dreams, experiences,
joys and pains.
This is where our road to eternal bliss
will truly begin.

The Sweetest Girl

The hurts of the past will not last.
Your love for me fills the glass.
With great hope for what's yet to be wrote.
Our final chapter is far away.

Eternal bliss is here to stay.
As we live our nights and days.
Through our love escape the rain.
Burning with a passionate flame.
No one else could be the same.

They don't have such a righteous dame.
To take them to the greatest heights.
So strong, beautiful and extremely bright.
They're far too blind to see the light.
They couldn't know what's truly right.

You show me all the things I've missed.
Such deepness felt within your kiss.
It blows my mind to have this gift.

Take me now for all our lives.
Without you near I want to cry.
I want you always by my side.
To have and hold with endless pride.
The sweetest girl of all time.

Michael P. McParland

Goodnight Kiss

A goodnight kiss to you my love.
I miss you so much I just feel glum.
You mean everything to me,
I just wish I could hold you close to me.
You're the sweetest woman in the world
I just want to cry from losing you.

A goodnight kiss and prayer your way.
I love you so much more and more each day.
You are an Angel pure and true to me
I hope when I finally sleep you'll visit
me within my dreams.

If you do please hold me close,
say it's okay that all's not lost.
That it's alright and you're still proud.
Please let me pour my whole heart out.

I'm sending you a goodnight kiss.
I miss you Kira you are all my dreams,
you truly are the best.

Michael P. McParland

Death And Destruction

I see it on the news.
Death and destruction forever cruise.
When big egos are slightly bruised
they strike out like youthful fools
breaking all the decent rules.
Killing people in such pointless duels
to show that they're the conquering force,
sweeping through those they find so coarse.
Showing all that they're the best.
Never giving us any rest.

They keep fighting amongst themselves.
Dragging us along for their defense.
We're puppets in their silly games.
They feel no pity and have no shame.
They rule supreme to win the game
of who's the biggest man it's lame.
Forever it will be the same.
Destruction rules and death is played
unless someone comes and saves the day.
Then we'll finally see the way
to enlightenment, hope, and peaceful days.

Michael P. McParland

Dancing The Night Away

Dancing the night away with you.
A dizzying array of dreams come true.
I wish this night to never end,
eternally with my true love
and eternal best friend.

Our love is immortal dancing tonight.
Gazing deep into each others eyes
forgetting all fear and strife.
I want it to last forever dancing
together this very night.

Yet in my heart I know something
so much sweeter and better.
We so deeply love each other
we'll spend eternity dancing together.
So come take my hand and we'll
step onto the floor,
a never ending dance of true love
the earths never seen before.

Michael P. McParland

Crying

I feel so much like crying
because I miss you so bad.
I'm holding you tight in spirit
but it just doesn't match
having you lying right next to me in bed.

I feel so much like
crying please cuddle my soul.
We'll give each other comfort
to continue our fight
back to each other
courageous and bold.

Michael P. McParland

Crawling Into Bed

Time to crawl into my lonely bed.
Feeling a momentary relief as the cool sheets fall on me.
Then I remember that you're not there,
a lonely frown and sad stressed out crease upon my head.

Since I can't have you here for real.
I'll just hold you in my mind
speaking in spirit sharing our tales.

I'll imagine you're here and tell my stories,
of my usual boring days and thoughts.
Then from within your heart and soul
you open up to tell me how all things have rolled.
How your hopes and dreams have come to life,
while looking in my eyes taking away all my pain and strife.

So I crawl now into bed.
I'll just turn on my music
and picture of you here within this space
dreaming you're lying next to me in bed,
talking and sharing, kissing too.
Then deeply sleeping
knowing that we're safe at home in each others arms.

Michael P. McParland

Contentment

Contentment in your love.
Contentment in your arms.
Contentment in your kiss.
Contentment in your heart, mind, and soul.
Contentment in you such wonderful bliss.

Coming Soon

It's coming.
I can feel it's soon.
In my heart a sonic boom.
All alone here in my room.
A wonderful feeling looms.
Knowing that it's coming very soon.

All the time that I've been waiting,
contemplating when it will come.
Now I don't feel quite so dumb.
In my heart the lightness comes.
Cause I know where it comes from.

Ever closer drawing near.
A little shred of loathing fear.
I can't believe it's almost here.
I take pride in what I know so dear.
That what I need is coming here.

It's very soon I have no doubt.
I'll quietly wait until it's out.
The end of all the driest droughts.
Soon my life will be about
the greatest things that hold real clout.

Michael P. McParland

I'm Scared Without You

I'm scared to death to be without you.
You are a pillar of strength
and a true soul mate, lover, and friend.
I'm literally next to all alone
without you in my life.

The world is cold and forbidding without my love.
I've never had a use for it I never even
slightly fit in.
You always treated me like a human being,
a real person with feelings, hopes, and dreams.
You treated me like a strong man,
even though we know the truth.
You made me feel special,
and that just gives me more reason to love you.

I'm scared to death without you here.
To hold and kiss you,
whisper in your ear how painfully I love and miss you.
I'm so scared to not have you here helping
me fight all the challenges that I right now face.

I know you'll be here soon,
and you always support me which
is the greatest gift you could ever give.
I thank you so for all your deep and endless love.
You are truly higher than human in my eyes,
you've stuck by me through the hardest days and nights.
I only love you my precious jewel.

Right now I'm just scared.
In ways that only you can understand.
Please hear my call and hear my cry.
Hold me close in spirit and pray for
me through the very night.
Just as I will always hold and pray for you.
I'm scared my love and you are
my warm blanket from the cold.
Please wrap me up and let me sleep upon

my Angels shoulders.

Forgive me please my love.
For all the wrongs that I have done.
They eat me up inside each day,
knowing that they have caused you pain.
I cannot rest until I've showed
you how deeply sorry I am.
Try to clean the mess and show my remorse.

Forgive me please my only one.
Your tender love and heart are
to me the most important things.
I just want to know you love me still.
For you are my entire heart and soul,

Come Join Me?

Will you come join me in a prayer of peace my dear?
For all the fears and any angers to forever be released.
I will never voice a word of hate for I would
never aim to hurt you with false words to wound in any way.
Will you join me here for all our wounds to heal?
As we move on to find our better future with each other
using better skills.

Will you come join me in a tight embrace?
Then just sit and hold each other to show our care in
divine grace.
Will you join me in talking through what is needed too?
All I really need to know in short is
will you come be with me and join me
and bless me with your company?

Michael P. McParland

Come Hold Me

Come hold me close,
while we just lay in bed
enjoying each others company and warmth.
Just feel our love and care,
tell each other it's alright

Come and just let me hold you tight,
It's something we both need
on these cold lonely nights.
I love you so much and just want you here

Come be with me and we'll just
hold each other tight.
Embrace and feel comfort in
our combined warmth.

Nothing more than across
your cheek a sweet caress,
with romantic kisses just
to feel closer as we gaze into
each others eyes revealing our souls.

Come be with me my only true love.
Let's just sit and hold hands
With our arms wrapped around each other.
Just basking in the glory we share,
rejoicing that nothing can
ever part our eternally bound and dedicated souls.

Christmas

On this little Christmas poem of mine I just hope to share some thoughts and in your mind plant a few ideas to shine.

Christmas isn't only about the gifts we give and get.
It's mostly about friends and family
all the loved ones we honor and won't forget.
A time of charity and kindness renewing the spirit,
to face another year to improve the soul
and strive to be a guiding angel.
To all those who need your help in any way
to lift a burden crushing them down under it's weight.

Christmas is unique to every family and following,
but one universal truth is that to our loved ones
we always strive to bring
immense warmth and a wealth of good tiding.

Think of those who can't be with you.
With all your heart
wish them warm flowing feelings of love and peace
knowing that you'll see each other again
and wrap each other in warm embrace.

The gifts and glitter,
glamour galore.
Are all so wonderful and exciting bringing joy in droves.

Christmas though is so much more.
It's of love and family and those we miss.
Embracing each other in all our love not feeling remiss.
It's all about the charity and passion
of love and giving in our hearts.
Remember folks celebrate your true eternal treasurers
on this day of prudent depth,
and introspection on what a truly meaningful life
entails with all your deeds and greetings.

Michael P. McParland

Change And Hope? What A Joke.

You came to give us change and hope.
As for hope ah what a clever joke,
that was lost the day you took the solemn oath.
So our hope has withered in six long years
of progressive socialist drab,
our nations face covered in thick yolk.

Well change you gave
and have been digging us a grave.
Robbing us of our rights with such sly wit,
doing it just enough bit by bit.
Taking the people of the republic for nitwits.
I recall another man across the pond
in the 20th century that was also
committing that crime all along.

Remember 44 we know the score.
A lie when told enough and long
becomes the truth,
soon not even you will
see the blind you've pulled and robbed the free.

Michael P. McParland

Candy

Smells like candy tastes so sweet.
I dive right in to this lovely piece.
So soft so good.
Exceptionally right.
It's so beautiful this great delight.

I never want to run out of this sweet savory treat,
without this delightful candy I'm down and out.
It's so tasty creamy slippery too.
This candy is true soul food.

I eat and eat this candy sweet.
Such a wholesome delicious fulfilling heat.

Michael P. McParland

Can I Belong?

Where can I belong?
In a world that's gone so wrong.
I'm lost and scared,
quite ill prepared.
The cold out there with a rigid stare.
How does one fare well?

The inner strength I hide
even from my very eyes.
Out there I feel so despised,
with every step I reprise
the delicate game of my guise.
Putting up a show of lies,
of a man whose brave and never cries,
who doesn't even recognize
the disgusted looks and hate implied.

God knows that I have tried
to get along and do no wrong,
I've sometimes stumbled along the way
selfishly thinking in a daze.
I hope to find a place to fit
where the colors are bright
and words don't cut with evil wit.
All I needs a little space
where friends are true
and think I'm really cool,
they'll not see me as just a tool.
Where can I go to find this group?
I don't know I've seen them all.
It is no use.
It's no longer worth the abuse.

How much longer can I search?
When inside it really hurts.
All I wants a place to belong.
Is needing that so very wrong?
I guess I'll go for a little more
hoping soon that I'll score.

Until then I'll keep the chore
knowing that there must be more.

Calling Voice

A familiar voice calls to you.
What will you do?
Holler back and take the slack?
Or run and hide turn your back?
It's up to you to see it through.

It's calling now to only you.
Will you look now to find the truth?
To find lifes answers and make it smooth?
I hope you will I need it too.
Together we'll finally beat the blues.

In our love we'll smoothly cruise.
I'm calling now to let you know
I'm always here and my love does show.
Will you stay or will you go?
Please humor me and let me know.

Calling Out

My heart is calling out to you,
I love you, I miss you,
life is so very dull and painful without you.
I need you here to complete me.

My heart is calling out to you
professing the depth of love it holds for you.
The truth of all I hold within,
telling you these walls are ready and need to
come down but only for my lady true,
only for you.

My entire mind, heart, body, and soul
are calling out for my sweet Angel dove.
I am incomplete and my heart is throbbing
and sorrowfully lonely bleeding.
My entire essence calls to you for you are
my life with your precious beautiful soul.

I'm calling out my one true love and asking just for you.
To be my wife and forever lover,
to never part and spend eternity together.
I love you more than anyone can ever know,
my body feels like bursting with this overflowing love.

Please my hero and diamond in the rough,
my heart, mind, body, and soul are calling to you
shouting out my endless love.
You are my Queen the one I choose and want.
I'll give you everything I am and have

So Tired (I Need You)

I'm just so tired and I need you here beside me.
You are my everything, my hopes, my pride, my joy.
You are my hero and my Angel,
can you feel all the admiration and love
I hold and send for you?

I'm just so tired and I wish that you were here.
To hold me through the cold and lonely night.
To let me show you that you're loved,
and that I truly treasure you.
I need you because you complete me,
you are the heart that pumps my life's blood.

I'm just so tired my only one and I need you

Every time I think about or see you
butterflies fill my stomach,
my heart skips a beat,
I go numb from head to feet.
For the sight of my Angel makes me feel like dancing
with songs of joy and hope in my heart and mind.

You give me butterflies in the strongest ways.
You fill me with love and desire so strong
I feel like I must be on fire.
My Queen and sexy lady give me joy
in every possible way.

I can't wait to hold you close
to give you that long desired passionate kiss.
Though I might just burst with all the butterflies
that will have built up in my tummy, heart, and entire chest.
Monarchs of the highest order
the most brilliant beauties brought about by you to me.

Even now just dreaming of you
I have a great big smile and feel millions
of butterflies in my stomach and chest.

Buckeye Fever Sweeping Terror Over Thier Opponents

Aerial assaults raining bombs of touchdowns.
Shooting through the secondary,
a beautiful display of air force attack
that is superior above all others,
deep down the field the most precise delivery
a spectacular catch a sly escape of the tackle
to run to get that touchdown and get one step closer
to grind them up keeping the chase of the very best
towards the national championship,
showing we're the greatest Power ball,
The Killer Nut we assert.
We're the polished scarlet and grey,
all you haters are just pathetic losers
who wish they were as great and perfect as we are.

A ground game that grinds to the gap,
shooting through with speed,
ultimate punishing beating strength and power.
A panzer assault running through all that's in front,
turning the defense to mulch.
Up front is where it all starts.
We're blowing them off the line,
we're men among boys,
overpowering and pushing, pounding, dominating,
overwhelming with an unbridled desire.
We have a vicious streak to show the buisness we mean,
just helps keep the spectacular crushing running game clean.

The defense is ruthless will tear your head off
with an instinct that leads them right to the ball,
where and who has it so we'll never miss our spots.
Quarterbacks have night terrors of our big guys,
and lose all composure and poise
as they see angry bulls in the shape of large men
charging with smoke blowing rabid fierceness out of their nose.
He's scared to death frozen and done,
he's been closed in on and crushed,
he was gone before the whistle signaled a live ball,
he's gonna have a long day of hurting hell ahead.

Special teams is about as perfect as could ever ask.
Our place kickers automatic always right on target
a miss so rare but never takes any spot too lightly.
The punter isn't often put to use but
a strong leg with coffin corner accuracy what more could I ask?
Return teams lightning fast,
finding the gaps running right through and past
the coverage lightning fast,
they look like they're walking in mud compared to our speed.
I've had to tell them to start fair catching
so the offense can get in and play awhile.

We're put together with crisp efficiency.
Execution, intelligence, focus,
perseverance, a drive for perfection,
where no one's fury and determination,
in single focus will be more insanely felt and centered
practiced and drilled in our hearts,
a deeply ingrained passion and tradition we defend and fight,
as we march into the battle of each game a 60 minute war of might.

Breaking Free

Breaking free from all this misery.
Your return has set me free.
Now I know to what degree
the kind of love you feel for me.

We're breaking free you must agree,
to a new found freedom that gives us glee.
They called me mad for thinking that you'd return.
In my heart I always knew it.
I've waited so long and now you prove it.

Now you help me in breaking free,
from all the loathing and self pity.
Now we'll find ourselves a life
away from all this hate and strife.

Breaking free it's now so clear.
Those other oafs don't know what's so dear.
We've broken free, so now you see.
We'll live forever happily.

Michael P. McParland

Brand New Start

An apology so sincere.
It now makes things so very clear.
To finally have it is quite queer.

I never expected to have these words so dear.
I take it gladly to the heart.
It gives us both a brand new start.

To be true friends that never part.
Fighting for each other with strength and smarts.
With genuine affection that builds our hearts.

I gladly accept.
The pain is spent.
Let's build the bond we've kept.

Make it strong with this redempt.
Never thinking of relent.
It feels so good to hear these words.
This gracious apology opens up so many worlds.

To explore and teach with such a splendid girl.
Thank you for all you've done.
It rests my soul that now we've won.
So take my hand and feel the sun.
This brand new life has just begun.

Bipolar Type 1

Bipolar type 1 such rapid ups and twice as fast comes the fall.
Mixed states of pure confusion where you don't even know
what you're really feeling.
Just escape is all you so badly want,
from twists and quick violent turns that drive you so mad
you'd do anything to stop such deep burns.

The mind moves so quick in it's intensity of raw emotions.
Quite often you slip losing your grip
before you even realize it's happening.
Lashing out or just being a silly fool
leading to such intense burning bitter tears,
after all of it's passed and you've lost someone dear.

Bipolar type 1 is something so few can understand
for my emotions range from the deepest depressions
to the mightiest manic states filling me with euphoric action.
All in one day so many times.
Just try to imagine that tearing through you.

So I've become a recluse so afraid I'll hurt others,
the ones that I deeply love and so cherish,
or making the deepest fool of myself in public,
losing control of myself in so many emotions.
I work so hard to control and can often contain,
but the times I have not eat away at me in deep shame.

Bipolar type 1 both a curse yet a blessing,
a double edged sword passing right through my brain,
but even worse through my heart.
It even helps create such great art,
yet the cost is so high I feel eternally exhausted.

For one day just please walk in my shoes,
so you may understand the deepest pits of depression,
then shooting so high your mind feels it is exploding.
Perhaps then more people would understand and show compassion.

I diminish no others burden by mine.

I just wish I could share so we'd all feel less despair in experiences of knowledge that is shared.

Bipolar type 1 what more can I say?
Just the one last thing,
oh the maddening confusion.

Bipolar

Bipolar it's my cross to bare.
I cannot tell you adequately it's sting of living hell.
I'm not here to tell you all my ins and outs,
there's no way for you to understand my daily ups and downs.
I can't tell you of the ways it's burned my life,
or even the highest points to create my art and even show my love.
I just wanted to lay it all right here for all to see.
Bipolar is my cross to bare.

Michael P. McParland

Better

I hope that soon you will be well.
You don't deserve this bitter spell.
In the end you'll be better when it's quelled.
Fighting through such rotten hells.

It makes you stronger God tells.
To help you find the depths of strength filled wells.
How far you'll go, on you depends.
Fighting through with few demands.

Always offer helping hands.
To those who share in this great plan.
They'll help you too for what you do.
Faithful friends are far and few.
They make you better it is true.

Just keep the faith and do not hate.
In Gods' time it's never too late.
He makes you better when you keep up pace.
So lift up your head and go to him.
He'll make you better when hope is slim.

Michael P. McParland

Believe It Or Not

Believe it or not
I love you so deeply.
That life without you is
beyond belief bleak and hollow.
I love you so much I
can't even describe it.
Believe it or not
you mean everything to me.
Forever you'll be my hero,
my Angel, my only true love.
Believe it or not you're
my sweet Angel dove.

Bed Time 2

Bed time babe a kiss from me to you.
Look to the stars and moon God is
helping send all my love and warmth
with the biggest of hugs and millions of more kisses to you.

I'm holding you in spirit as in every night,
to chase away all the cold and protect each other
from any nightmares and all night time frights.

I love you sweet sweet KP it's bed time for me.
I'm wrapping you up to keep you warm,
so we'll feel each others love to be soothed
feeling endlessly content.
These are the things on which to build our sleep.

It's bed time babe let's drift off now in
the world of dreams,
we'll see each other comforting our souls
with the love we so deeply need.

Michael P. McParland

Bed Time

Bed time babe with glimmering thoughts of you in my head.
An ache in my heart for another night in an empty bed.
I remember your sweet smile and heavenly voice,
eyes shining at me with pure love.
Now a broken heart I wish I were dead.

Bed time my sweets the hope of seeing you in my dreams
are my only treats.
For in my pit of despair I cannot eat,
my stomach is just a pit of sorrow
I lose the food I put down there.
Sleep is difficult too but I'm calmed by the thoughts of you.

Bed time now my sweet Angel dove,
I pray each night you'll feel God smiling upon you from up above.
I ask him to let you know and to feel the cherished feelings I feel.
To wrap you tight in the knowledge that he and I love you
in everything you do rather it's wrong or right,
my admiration is forever tight.

So bed time now my sweet fair lady.
I'm missing you and how the misery grows.
Losing you has taken me to new miserable lows.
Yet I respect and honor the path that you chose.

Goodnight my darling one,
I hope to see you again,
but right now it's bed time so my days done in.

Beautiful Days

Beautiful days in precious space.
It breaks the tiredness of my malaise.
Clears my head to navigate the maze
of my life and endless days.

The sun shines forth
and it brings me warmth.
In my soul I feel the hope
knowing that I'll beat the dopes
who dash my dreams
and try to hang me with shortened rope.
With them I won't bother life's too short.

A beautiful day in Julys' great play,
as the breeze is blowing my fears away.
I see the pond and hope is strong,
the beauty here is deep and long.
In my heart I sing a song,
it helps me know I'll defeat the wrong.

Dogs are barking and birds are singing.
The things I need Gods sweetly bringing.
To his love I'm strongly clinging.
Beautiful days are brightly ringing
as they give our souls a needed cleaning
to get things right with no impeding
From outside things that have no reasoning.
Beautiful days stop the bleeding.
So let's enjoy them now and take Gods greeting.

Michael P. McParland

Beautiful

You are the most beautiful
woman I have ever known.
You're the most beautiful woman
on earth through all time.
A beautiful soul,
a beautiful heart,
a beautiful body, face and mind.
Not a flaw on my Queen
the most beautiful lady
of all time.
I am the luckiest man,
because for me her presence and love
she has graced.

Michael P. McParland

Back To Bed

Back to bed now and all the rest can look at me and laugh.
As long as I know you would not only in that do I care.
Back to bed now to take solace in memory of you.
The only one who truly tried to know me,
and believe me or not I tried so very hard too.

Back to bed now and put on my classical music.
To try and soothe the ball of tension and sorrow
knotted up in my core.
Back to bed to dream and see you within,
to share those beautiful words and looks of only which we knew.
God I miss you so much and love you more
than even a true poet could express in their portrait of words.

Back to bed with a tear in my eye,
my soul weeping inside where there is no need to disguise.
In there I hope to find peace and solace within your bright eyes,
please hold me so close and so tight
and chase this sorrow let it not abide.
Please know and feel all the love I am sending,
it's only for you and pure 100% truth.

Awake

Sitting here awake.
I can't and do not want to sleep.
Not because I'm sad,
but because I'm glad.
Bursting with joy over thoughts,
dreams, and memories of you.

I know we'll find our way back together.
I have not a single doubt.
I can feel your love so very strong
across these many miles coming right along.
As always I'm sending all of mine
and I know you can feel it
emanating straight from my soul.

I'm awake because I'm too happy,
I'm too excited for what's anticipated.
To hold you tight and say it's alright,
look into those Angelic eyes
that stir my insides filling me
with millions of butterflies.
Then slowly plant that long awaited kiss,
holding it deep and passionate
making up for all the years we lost.

I'm sitting here awake thinking
of all the conversations we'll have,
all the things we're going to say.
The things I wish to tell,
all your experiences and adventures
I hope so much to hear.
How could I sleep glowing
so brightly over my dear?

So I'll happily sit here wide awake,
dreaming of you till my body and mind
finally grow tired enough and I drift off.
Even then though I'll be dreaming of you.
For either state I'm in inside of me you have given me hope,

true love, meaning, and brightness too.
Every part of me is awake because of you.

Michael P. McParland

As Long As You

As long as you love my art,
it doesn't matter what others think,
for you not only hold it but you are my heart.
As nice as it is for others to
see and enjoy the things I write,
as long as you love it that's truly
all that matters to me,
for you are my inspiration and hearts desire.

Michael P. McParland

Are You Okay?

Are you okay my fair lady?
I know you're strong and a tough fighter,
fiercely independent
and full of awe inspiring fire.
I still worry though because I love you so.

I worry that you're feeling well in mind and soul.
I hope you're not wracked with depression
your heart in pain from hateful indiscretions
caused by others ill intentions.
Your mind being taxed from the jerks and endless stress
with all the junk put upon your step.

I worry about your physical being.
I pray that all your pain won't be so bad,
and for you to be healed so it will go away.
I worry about your ailments
that you've fought so well.
I worry about how they harm you
often making life total hell.
I worry for your tummy and hope it will
remain steady and true.
That your headaches will be gone so you'll
feel complete the maladies fully gone.

I worry so about the pain I caused for you.
The way that both our hearts were hurt and wounded,
I fear inside you're crying
and I hurt you cruelly in a way I never intended.

Are you okay because I am here for you.
I would happily carry all your pains
so you could live care free and partake
in all life's joys
with no hindrance of the pain
that has taken hold of you.

You're the toughest woman I've ever known,
a true fighter that won't be pushed

or beaten as you've shown.
Still I worry because I love you
deeply to the core.
So please tell me are you okay?

Michael P. McParland

Anyone But You?

How could I ever love anyone but you?
You have healed my heart,
you are not just my other half
but the better side.
You make me whole,
with you I am complete.

How could I ever give my heart to another?
I've already met my guiding light,
my guardian Angel.
I only ever think of you,
your spirit fills me with joy,
no other can do.

How could any other take
my sweet darling KP's place?
She's my only one,
the holder of my heart,
she's my Queen and crown jewel of my
whole life and existence.

Michael P. McParland

Another Wish

Another wish before I lay my head down.
A great big kiss from my lady,
a deep passionate soul filled delight,
that history has never known
for our love transcends
all that has ever been recorded
up to this point in time
and will ever be seen again.

Michael P. McParland

Another Night (Off To Sleep)

Another night has now arrived.
I'm very weary and spent from a
busy day with next to no relent.
However I now retire with a great big smile.
For I'm thinking of you and the heated
stress begins to wane and melt away.

Another night now off to sleep.
I send you all my loving care,
please feel my heart as you slow it's beat
and help me relax in your soothing
spirit I so deeply need.

Off to sleep and I'll see you
once again within my dreams.
As we meet I'll kiss your hand,
embrace you kiss you on the cheek,
tell you how much I miss you
and eternally love you.

So another night has come
and it's now off to sleep I go.
Goodnight sweet sweet love
KP I miss you so very much,
but I have not a doubt our day will come.
So in spirit I now embrace you,
lean in and deeply kiss you,
say goodnight my darling only one.
Soon all our dreams will have come,
and in their brilliant joy we will glow
loneliness once again we'll never know.

Michael P. McParland

Another Day

Another day has passed.
Perhaps tomorrow I can relax.
Life's pressures build.
To the point I want to kill.
I cannot stand this daily bilge.
All I want is to get my fill of peace and quiet, and people nill.

Another day, another disappointment.
I'm sick of waiting like I need an appointment.
This existence is so dull.
On my pud all day I pull.
Dealing with the jerks who run the world.

Another day, another dime.
Christ when will I ever have the time?
To sit and think and have a drink.
To kiss my love on the cheek.

Another day I'm madder still.
I hate them for the ways they kill.
My self respect and dignity.
With no remorse they stay their course.

Another day I'm so damn tired.
Perhaps soon I'll be fired.
Then I'll spend my days and nights,
dreaming of such youthful nights.
At least then though I'll have some time,
to sit and read and think of you,
even enjoy the lovely view.

Michael P. McParland

Another Christmas

Another Christmas spent without you.
To hold in my arms as we wake up
to open gifts and see each others joy
at all the new toys we gave the other.
To keep warm as we reflect on the
year gone by and all the years of joy
and love that have come and gone and are yet to happen.
Dreaming and sharing all the things
we hope to come in the long future
that stretches far and wide before our eyes.

Another cold cold Christmas here
with a feeling of emptiness something missing.
I still feel joy on this sacred wonderful day,
but without you here to share
a deep cutting sadness also brings despair.

Another Christmas spent without your eyes to gaze into.
See eternity and boundless love
smiling radiant burning through, celestial in my soul.

I'll still be dreaming of you on this cold Christmas bereave.
Sending all my warmth and loving thoughts to you,
wondering and hoping you're dreaming of me too.
Maybe next year the only present I want will have come true.
A Christmas, a lifetime through eternity more
with the only woman I truly love and adore.

Michael P. McParland

An Unbreakable Bond

An unbreakable bond shared between us.
Strong as steel it can't be broken.
I still feel your presence
oh so strong so much of the time.
I can smell your beautiful hair and skin,
the comfort it brings gives me tears.

We did share and no matter the circumstance
still do have an unbreakable bond
that no one and nothing can slay,
our deep caring love and passion
here to stay for we are soul mates in every fashion.

I truly treasure this unbreakable bond
that despite all the bad still holds us together.
I drift off to sleep
thinking and speaking with sincerity to you.
I've loved you since the start
I hope you know it is true.
Even without you here I feel this unbreakable bond,
that if we fight through the fears
our dreams will come clear
sharing destiny without obstacles
to break us my sweet lovely dear.

No matter the heartache
and seemingly dark clouds of loneliness now,
we share an unbreakable bond of true caring and love.
Please know that my soul is always near
and forever my heart is yours.

Please believe that I love you
and just give me your trust,
to share my whole life
and stories of why I'm so dim and not bright.
This unbreakable bond
needs to be treasured and nourished,
for without each other
we're lost and feel empty and sour.

Michael P. McParland

Always Yours

I'll always be yours as long as you want me here.
If I can't have you I'll be alone forever
for my mind and heart will always
be dreaming of what you're doing.

I could never love another just like I do you.
They can never equal the greatest lady who I
dearly cherish and treasure.

I'm always yours so please hold not a doubt.
I want only you to hold against my body,
say I love you and need you oh so bad.
To kiss and tell my whole life's story,
to listen to all you say and all your glories.

I'm always yours this to you I swear.
I love and miss you,
and I can't wait to have right here.

Michael P. McParland

Always You

It's always been you and will only ever be.
You're my hopes, my dreams,
you're my Angel, your heart and soul are supreme.
I miss you so much each day passes oh so slow.
Each day hurts me more and more
with each second my heart is dying, a total bore.

How are you doing?
Where are you at?
Your precious love is all I need
wrapped in it's warm blanket of surrender.
It's always been you and only you.
I surrender to your love for you're my Queen.

Michael P. McParland

Always Thinking Of You

Everywhere I go no matter what I do,
I am always thinking about you.
Just this very morning when I was at the store,
I stopped and asked myself I wonder
what she's doing now,
I wish that she was here with me just to spend the time.
I think of you everywhere I go,
missing you so bad that I sometimes begin to cry.

I'm always wishing you were with me,
when I'm watching movies,
out for walks,
also reading just sitting next to me,
holding my hand with your head on my shoulder,
while I read interesting facts and passages
from my book.

Saturday morning I'll be at the
football game watching
Ohio State beat Minnesota.
I'll be wishing you were there,
to cheer and celebrate each great play
and every score on the way to victory.
Hold each other and share our warmth
to chase away the Minnesota cold.
I'll be thinking of you at the game
and say I love you so very much KP
I wish that you were here.

I think about you all the time
and send all my warmth and love,
with great big hugs and deep kisses
that only you can receive and feel,
the need for you and all the
passionate love I have and will show
to help every single wound heal.

I'm thinking of you now
and sending every bit of energy I have,

asking God to help you feel and know.
I love you more than a dozen universes
and miss you deeply babe.
I know though that you'll return
and never shut me out.
I'm thinking of you love,
you're always on my mind.
You truly are an Angel to me
graced from up above.

Michael P. McParland

Always

My heart is always yours and it always was.
I knew from the moment we both locked eyes.
I was your prisoner of love with no escape,
not that I would ever want to try.
A big beautiful heart I was trapped inside.
Big bright gorgeous eyes that hypnotized.

I'm always yours in mind, heart, body and soul.
A love so pure for a lady so divine and truly sublime.
I long to plant a passionate kiss upon those luscious lips.
To lightly place my hand upon your breasts.
Just wrap you in my arms to say
I love you babe so deep and true.
I'll never want another it's only you.

I'll always only ever dream of you.
Even if I'll never have you by my side.
I know within my very soul that we are destined to be
even if on this earth forces ripped and pulled.
It will never destroy my love and admiration I have for you.
Our souls are one in the love and passion we both share.

We'll always share this strong bond and connection.
Nothing on earth has been able to penetrate it's forces
blowing it up with coarse intensions.
Even in our toughest times of self destruction
we could not destroy it.
You're my love, my truth, the only woman that will ever do.

I'll always be your man to call upon
when wanted or needed in any way to help my lady fair.
I'm always yours of my own free will
for I love you so deeply and I always will.

So when you're ready I'll always be here
to take your hand and marry you.
Then wrap you in my arms for eternity protecting you.
Always to you my dedication,
for you're my sweet fair lady,

my Angel that lifts my soul, my only one.

Michael P. McParland

All The Love We Hide

With all the love that we have and all the love that we hide,
who will bury us when we die?
We hide so much in spite ourselves,
from fear of rejection and broken hearts,
but by not taking that very chance
we miss so much of what may be truly there.

Without the risk to find that special one and hide that love
you'll die alone broken hearted from what wasn't done.
Regret to fill your soul, then deep and painful empty passing.
And who will be there by your grave to see you off,
speak kind words of how they shared your life and how they look forward to seeing you again in heaven?

A lonely life then passing is no thing anyone should suffer.
So with all the love that we have and all the love that we hide,
who will bury us when we die?

Michael P. McParland

Let Us Lay Down

Let us lay down now
and hold each others hands.
Talk of how our days gone,
just enjoying the exquisite company
which in each other we have found.

Let us lay down now
holding hands and gazing eye to eye.
A million words and feelings communicated
without a single sound.
Pure comfort and solace as we bask
in the all consuming love we so badly need.

I love you dear and you're
the only one I want and need.
You fill me up and make my life complete.
So let us lay down now
and hold each other in our arms.
Whisper good night sweet lady it's alright
all the waiting's over now.
I love you more than the world can know,
you've made me the luckiest man
in heaven and on earth.

Michael P. McParland

Looking At The Stars

Looking at the stars I say goodnight.
Do you hear and feel it in your heart?
Goodnight my love my only one.
I love and miss you unlike anyone.
I'll see you in my dreams tonight.
My Angel from up above,
I sweetly say to you
I love you and goodnight.

Michael P. McParland

Your Place (My Heart)

Your place within my heart is immense,
you take up all the loving space.
You fill it full of joy with your Angelic grace.
I love and care for you in endless wonder,
I'll never leave or stop loving my sweet dear Angel.

Your place will always be in my heart,
soul, mind, and entire being.
Thinking of all our love and times
often makes me feel like crying.
As each second passes I love and
miss you more and more.
For it's only you I will truly ever adore.

Your place and meaning in my heart and life,
has given me countless blessings that
you cannot conceive just how much you truly mean to me.
You truly hold my heart in your soft and precious hands,
you're my everything,
I'm such a lucky man.

Your place within my heart is epically immense.
You are my sweet Angel dove,
my light, the dream and reality of hope
that keeps me warm and gets me
through the cold lonely nights.
How can I ever repay my soul mate,
my spiritual bride?

You'll always have that place within my heart.
Only you, for no other can equal or replace my true love.
I love you dear you are my hero and confidant.
I admire you and you've saved my life.

So in wrapping this long poem of confession.
I just once again say.
I love you more and more with every lesson
and everyday that passes.
You fill me with a true burning loving passion.

Michael P. McParland

You're So Beautiful

If you only knew how beautiful you are to me
you'd know I see an Angel every time I look at you.
I get short of breath my heart first skips a beat,
then speeds up fast,
feeling as if it will pound right out of my chest.

You're so beautiful I wish I had more than two pictures,
of which I could get comfort and admire.
That perfect smile which enraptures me through and through.
I look at them and say I love you, I miss you so very much.
They provide me comfort in those hardest times,
when I'm so very lonely and need you by my side.

You're so very beautiful to me,
if you only knew how much.
You're divine to me a perfect jewel.
I just want to hold and kiss you all night long.
You're just beautiful through and through.

Michael P. McParland

Youthful Fate

We met when we were quite young.
From the start I loved you all along.
Despite our youthful age of date.
I knew that we were each others fate.
We'd beat the odds at any rate.

What's meant to be for you and me.
Is to build a life and share our dreams.
A loving union is what we need.

We'll plant this seed and help it grow.
To further heights than we have known.
To the world it's finally showing.
That what we have is so rewarding.

True love speaks to us it's courting.
No need to fear what we are holding.
So let us take this step we'll not regret.
Everlasting life with no emotional debt.

Michael P. McParland

I Will Not Fight

I will not fight
it serves no good purpose.
To sling mud and hate
with intention to maim and hurt.
I know I'd only regret it
later in my heart,
to say and demean you with
nasty repulsive tearing barbs.
Even at this moment I feel no need
or want to hurt you now.
It only hurts us more
I never wanted that,
though you don't believe it now.

I will not fight because
there's been too much degrading already.
Say to me just what you need though.
Whatever it takes to make you feel somewhat better.
If it's what you need now just unleash,
tell me how much you hate me
loathe me and think I'm a creep,
from the gutters a piece of slime.

I will not fight because no matter
how much pain I feel.
I don't hate you or feel malice.
I still don't want to hurt you,
cut you down and make you feel
a worthless worm living in the ground.

Think what you must and what you will
of my spirit, heart, mind, and soul.
I know the truth and I cannot make you see
what you will not believe.
So I will not fight because I care too much
to smash and plunder,
a beautiful woman I've loved for 15 years
and stretching forward ever after.

So in all sincerity I tell you please
to unleash all your hate and loathing hurt and sneers.
If it makes you feel better in any way to say it,
I want you too and lift some of that burden.

I just will not fight so expect no cross words.
No barbs no blades no blunt force to smash my love.
Think of me just as you must.
Then if it helps you let my memory turn to dust.

Forever in my heart you'll be.
I do have a heart and for you
it's filled with love.
So I will not fight and cut you down.
In my eyes you're still my Angel
who showed me true love,
my Queen, my only one,
the crown jewel of my universe
without a single doubt.

Michael P. McParland

I Truly Love You

I truly love my sweet KP,
my Angel, my only one.
You are an answer to my prayers
for all the love you give and being there,
willing to receive all the love I have to give.

I truly love you have not a shred of doubt.
When I think of you my heart and stomach start to dance,
with love and admiration overflowing.
I'll never be able to describe or do enough
to tell and show you just how profoundly deep I love you.

I am trying so hard to let you know
in every word and deed that I know.
I truly love you unconditionally
even though I may not always be so great
at letting it show.

I truly love you and I want and
need the chance to show you.
I completely need you.
Your soul has so profoundly touched me.

I truly love you I pray to God
that you feel it intensely in your heart and soul.
So you no longer feel any worry and doubt,
being able to rest your weary body and mind,
feeling in pure peace the truth I hold inside.

I truly love you and I need
so bad for you to believe me.
Because if you don't we'll both lose
the most precious thing.
A bond that has been so intensely strong,
held by a true love that knows no wrong.

I truly love you and I hope you truly feel it.
I can't bare to lose you again
you don't know how deeply I hold your

loving heart and memories inside me.
How can I express that in words?

I can't say anymore right here except
I love you truly and
I truly love you because you
are just so very very special,
and that's the greatest,
I don't need anything more you're perfect as you are.

My Keyboard Gently Weeps

My keyboard is gently weeping calling me to come.
To come and make some wonderful art,
to be my tool to cause delight.
To frame a beautiful piece timelessly built on any theme,
to create because from creation all life springs.

My keyboard gently weeps as the hours pass away.
Longing to be a vassal that helps create
another passage each and every day.
To find new ways of expression through words and motions,
through tones and colors only poems can deeply fashion.

My keyboards gently weeping even as I speak.
Proud to be at the center of creating something
that stands on it's own and is distinctly unique.
To take part through my arthritic semi gifted hands
to reach out to the world and give a message saying yes I can.
It takes great pride in being the medium to which I feed.

Here my keyboards ever gently weeping.
Longing for more artistic expression.
To find new ways to wax poetic,
to reach new hearts and minds in effort to see a new perspective.
Most of all though it strives to reach to you,
for you're the one who gets it most so loud and true.

So my keyboard gently weeps.
For now this prose is over.
Now how long before the next rock is turned over
and we find a new path to discover?
Let it weep though for it's great pain
will give us greater art and from that
we all the more greatly gain.

My Gift

My gift to you for a life time and more
is my heart that beats and so much more.
It is filled with true love and devotion only for you.
I give this gift as all I have for the greatest lady.
Will you take it and treasure it all your life?
Knowing I forever want it to be only yours.
My gift to you is my heart and life
I wish to spend with you.
Will you come take it and make me the happiest man alive?

My Friend Mee Too

I miss you Mee Too.
I miss our conversations that would
go on and on lasting so very long,
never noticing all the time as it passed
because we were having fun just talking and learning,
telling silly stories,
to our dreams and plans.
I miss you Mee Too you were and are
the greatest friend,
and it's so much lonelier without you here.

You were always here to talk,
in you I could confide a lot.
You helped me through so many tough times,
just being here and cracking jokes you made me smile.
I could tell you many secrets
and know you'd safely keep them.
I miss you Mee Too you were and are
such a wonderful special friend.

Mee Too I hope you'll come back,
find out what's happened and where we're at.
I can tell and show you how I've progressed
and in so many areas grown.
I want to tell you all about what's going on
and how this summer stunk because you were gone.
I want and need to know you're safe,
if you're happy and in a good place.
Just tell each other everything
just like we used to every day.

I miss you Mee Too and I'm hoping
in time you'll come back around.
So we can have our chats and daily laughs.
Share the things that only we can understand.
Confide in each other that from the world which we hide.
I miss you Mee Too,
to you I can not and would not tell a lie.

Michael P. McParland

My Dear Sweet Kira

My dear sweet Kira do you know how much I miss you?
Do you know you carry
my heart and very soul?
Do you know I've dedicated
my entire life just to you?

I want so much to tell
you and prove through action
my true unbreakable love and passion.
To give you everything I have.
Your essence carries me
through these days hoping
for a day of better relaxation.

The days are so dark and overcast
with storms of deep malaise and depression.
Without you here I've lost all
meaning and I'm steadily sinking.

My dear sweet Kira you're
my Angel so true.
Do you know all the things
I'd do only for you?

I've made such decisions of what
with you I'll only share.
I'll save myself because I don't want
another to share.
My whole life I've dedicated to you.
Just let me prove my words and my
worth so you'll feel fulfilled too.

My dear sweet Kira up to
this point our loving bond has survived.
It will never break so let's fight for our
love to brighten our lives
and feel glory from God in our
eternal embrace.

My dear sweet Kira I love you today
and forever with no conditions,
you are the divine Angel I've
sought through all my long days.

Michael P. McParland

My Angel

So much love in a being so small.
Her body may be frail
but her will is so strong.
She fights and bleeds for others needs.
Never thinking of herself because she heeds
the needs of others,
the pain they shield,
the sorrow that cuts deep,
helps all the lost souls
robbed by greed.

An Angel down on earth,
a sacred soul.
She graces all she meets
with needed love.

We thank her for her love
and compassion to the end.
She's the perfect little dove
that fills me in everlasting joy.

Michael P. McParland

Mee Too You Are Missed

I'm missing you Mee Too.
I could always count on you to be here,
to talk and to laugh,
just pass the time talking about
our lives and all of our plans.
You're such a righteous lady,
you rock like no other.

Mee Too you are missed.
I hope you come back so we can talk,
figure out everything and clean up the mess.
We'll find our way around the fights.
They're just solvable roadblocks
that can be moved with patience of mind.

Mee Too I'm missing and waiting for you.
I know in my heart that you miss me
and all of our time too.

I want you though to just
take your time.
Come back when you're ready
I don't want you to feel pushed,
I'll still be here waiting
no matter the time.

Michael P. McParland

Mee Too (Words Of Love)

Mee Too you were a great true friend.
I miss you so and the talks we had,
please remember the love and come back.
I miss your words and spirit too,
I long each day to speak with you.

I've left you messages a many.
Spilling out my ideas and feelings,
hoping that you'd see my love and
ways to save us from the pains of fighting.

Mee Too I miss you tons.
I keep hoping each day I'll
log on and see you've come.
To talk and see how things have gone.
To patch things up and from love sing a song.

Mee Too I beg of you please
come and read your messages.
There is no yelling,
there is no spite.
Just words of love and ideas
to help our love take flight.

Oh Mee Too I miss you so.
I hope you still read my poems
because I know you love them to your core.
You understand all the meanings
and deep feelings that they store.

Mee Too please come back so we can
share our deep connection and love.
This place is so very dull without
your shining spirit around.

Michael P. McParland

All I Want

All I want right now is to
lay in bed just holding you.
Nothing more not trying to drive it further.
I just want contentment lying
here in bed feeling your warmth,
hear you breathing,
feel your precious heart beating.

All I want right now as I lay down,
is to have you here within my arms.
Cuddling and spooning the night away,
no need for more because that can wait.
I just want to hold you and say
I love you dear and it's all okay.

Michael P. McParland

All I Know, Dedicated Too.....

I've sought knowledge and facts all my life.
Filling my head with interesting stories of people of a wide range.
Strange, Evil, Insane, Heroic, so on, funny though all a bit profane.
I find these histories fun that I read, and do you know why?
They're adventures of a grandiosity that hold a romantic type vision.
Interesting minds and beautiful lands.
I'd say it's a longing to see all the worlds mysteries.

To read my favorite authors in prose my imagination comes alive.
Movies I love I'm infused with adventure, emotion, beauty,
in full a cornucopia provided by sight for the mind and soul.
Beautiful music. My soul is what it takes,
the senses of the entire being to higher realms
with which only truly special people should you take and sweep away,
and show them the beauty of the light and the soul you feel there. This is my greatest passion on earth, all but one.
So these are what give my life a sense of beauty,
the tiny bit of relief and escape from ugliness that drains out love.

In all I've read, seen, heard and know in my life,
be it people or things going on around me.
There's one I've found that I could go on forever learning,
the passion of all to know and to be
could never grow boring and dull.
I've worked to understand this great mystery, my love for this gal.
An enigma of fierce endless passion that has captured my heart.
No greater beauty has been found,
no more unique personality with a lovable bounty of charm,
or a gem cut so perfect and sharp to perfection as her wit.

I'm still working on what I can to earn your divine hand.
This dense man has so much to learn about you.
Cherishing all of your hopes, and dreams.
Supporting and loving through tears laughs and all means.
I've loved you always trying hard to show you my best.
You are a mystery but it's your heart and soul that are truly gold.
Of all the things that I've learned, experienced, and seen.
All I know really is that I love you truly, forever and all.

Michael P. McParland

Addiction

Do not judge the people
who suffer from this affliction.
You'll never understand
what resides within them.

You've not lived their life,
you've not felt their pain,
the things they hide under
the junk they use to escape.

Unless you've been there deep
you'll never know,
you'll not understand.
The pain and guilt that still is felt
from those hurts of the past,
but also from the ways of now.

You have no right to judge another.
So quit looking down upon these souls,
that are in desperate need of love from others.
Quit sneering, spitting,
acting like they're less human.

You'll never truly know
the individual hell of a burdened
soul that found escape in addictions hell.

Michael P. McParland

Aching For Us

Our love is so dear and so strong.
I've waited for us to be together
oh so long.
I'm aching in waiting
I want you right now.
To have and to hold,
you are the greatest lady I've ever known,
and the greatest lady on earth
that's ever lived.
ILYF babe.

Michael P. McParland

A Truth

A truth I hold deep inside.
A pure love for you
I will never fear to show,
It's something I cannot hide.
I would not try.

I love you more than
life itself.
Transcending the universe.
I show and speak it in full to you.
It's a truth that is so profound
that I will forever love only you.

Michael P. McParland

A Quick Message

A quick message to my true love,
I miss you so much I'm breaking inside.
I love you more than can
be contained in the universe.
I'd give my whole life too
for a minute to hold you close.

Tears running down my sickly face.
I feel so tired and lost,
I'm exhausted and lonely wanting you here.
I love you so much
my soul is bursting with it for real.

Goodnight my sweet darling
I must now turn in.
The tears, exhaustion,
and loneliness are
right now to much to bare.

Look to the moon and the stars
I'm sending my love to you
from God's helping hand up there.
Goodnight and the sweetest most divine
of all dreams.
I'm sending you all of my warmth
and my love forever
with the greatest of hugs and kisses
just for you.

I love you and I miss you
I know this is not the greatest of poems.
I just needed to call out to you
say I love you my dear
I have all along.

Michael P. McParland

A Precious Love

Every time I speak to you the darkness lifts,
the pain is through.
I no longer feel so dim and weak.
Knowing of your love so sweet.

You're here today, and now it's all okay.
I no longer feel the lonely cutting blade.
It feels so good here in your arms.
It warms me through and makes me feel oh so strong.

You turn me into a man I like.
You give me hope and clear all spite.
What would I do without you near?
Be consumed by total hate and fear.

Protect me now in tender love.
Keep the world out,
and always be my peaceful dove.
I love you I'm so glad you're mine.
You're the greatest lady of beginning time.

Michael P. McParland

A Plea

Take a look inside yourself,
and you'll see there's so much left.
No matter all the pain you feel.
Your aching heart is made of steel.
Your well of strength is deep and real.
Though you'll need some time to grieve.
The intensity of this pain will leave.

You still have so much left to do.
Don't let the suffering put an end to you.
Continue on with strength of mind.
With your worries left behind.
With a prayer and mighty soul.
You will never lose control.

Put these thoughts of death to rest.
You've still not seen the very best.
Think of all the friends you'll miss.
Plus all of those you've not yet kissed.
It's not the end my precious friend.
Your splendid life has just begun.

Michael P. McParland

A Million Kisses

I'm sending a million kisses to you.
Just to cheer you up and say
I hope you've had a wonderful day.
I love you so much and I wish
you were here for that personal touch.

A million kisses to you my only one.
I'm sending all of my love so
let it fill you with security and warmth.
I love you so much and I need you to know,
I try my best and work hard for you each day.
I truly have dedicated and given myself in whole
to my sweet Angel dove.

Michael P. McParland

Happy Birthday Sweet Lady

Happy Birthday my sweet lady.
Another year and with each year
you grow more lovely.
You're a splendid woman
and my best friend.
I love you forever
there never will be an end.

I hope you have a great one
and so many more to come.
I wish I could be with you
and celebrate my number one.
Toast the greatest lady
from heaven to earth has ever come.

Happy birthday Kira you are so fair.
I hope you do enjoy this day,
and have many years before you
that are filled with light,
for a lady that's so special and truly rare.

I wish you the happiest of birthdays.
Today I miss you even more.
I'm thinking of you more right now,
because I wish I could make your
day more special by giving you all you want
if I were there to serve.

Happy birthday my Angel true.
Please have a special day,
you deserve the happiness.
I wish that I was there with you.
I love you to my very core.
Maybe next year I'll be able
to plan the perfect day.
Show my lady all the love she craves
and truly deeply deserves.

Michael P. McParland

Happy Birthday Dear Love

Happy Birthday my dear love.
I hold the brightest candle
in my heart with a burning love
I feel so strong.

There is no doubt
I sing on high and
with you I celebrate.
Distance does not matter
our souls are one in how
we communicate.

I toast you and
thank God for your birth.
Without you here my
life would have much less worth.

I'm thinking of you,
sending all my love.
I Shed some tears for I can't
be there to give you all of my love.

Happy Birthday and as many more
as you can wish and hope for.
Just know that you're an Angel
and a precious gift.
I hope you feel my intense
passion and loving blanket
I wrap around you.

I love you dear,
I'm always here.
Enjoy your day,
Sending big hugs and kisses.
I'll make it all up
and shower my Queen
in endless love.

Michael P. McParland

A Memory

I close my eyes and see you there.
A beautiful memory that really is so rare.
I remember you so very well.
To this day you have me in your spell.
I hope you're doing very well.
No ills on you have befell.
I remember all the times we had.
All the good with little bad.
What we shared was really rad.
Now I feel so very sad.
You're not here.
Through my head a lonesome spear.
I truly long to have you near.

I close my eyes and see you clear.
Cherishing the memory I hold so dear.
A bond so strong with nothing wrong.
Since that time it's been very long.
Time has passed and still it lasts.
A picture of you that fills the past.
I want you still I know it's real.
No other person knows the deal.
Of what we had or how we feel.

I close my eyes and see you now.
Hear your voice it stops the frown.
It fills my heart the sweetest sound.
In my mind I picture you.
It moves me still.
I hope I move you too.

So close your eyes and think of me.
Feel the love you had for me.
Let it grow and help it show.
You'll find that you already know.
Let it free and we will be,
the greatest love story ever seen.

Michael P. McParland

A Lazy Sunday (Dreaming Of K.P)

A Lazy Sunday spent dreaming of you.
It makes the day brighter after a hard fought Saturday.
Thoughts of you are the perfect dreams
for drifting with a smile on a lazy Sunday afternoon.
Who cares about the NFL when I have memories and dreams of you?
It's bad football and nothing compares to you.

A lazy Sunday laying back on the couch listening to
music that brings about dreams of beauty and no doubt.
Thoughts and dreams of KP my fair lady
a dream come true.
I don't believe in fairy tales but my life
with you comes as close in the real world as anything could.

I love you and treasure you more than anything I have ever,
so I enjoy my lazy Sunday afternoon laying back on the couch,
with the biggest of smiles, memories, and dreams of KP
the greatest lady on earth who I love more than anything.

Michael P. McParland

A Goodnight Prayer

A whisper to the stars
In each day that passes
I love you more and more.
Feel my arms as I wrap them
around your shoulders and waist,
pulling you close for a kiss
saying it's alright.
Time spent with you is never a waste.

Feel the power and energy now.
I'm sending you all my warmth
and my love.
With the biggest and deepest kisses,
meant only for you my sweet lady,
you're the only one that can handle their power.
I love you and miss you,
and I'm right here waiting.
I know soon we'll be one,
to never be undone.
You're the greatest lady on earth
and truly my only one.

Goodnight my fair lady
I'll be dreaming of you.
I can't wait for you to be here,
I know in my heart all will come true.

Something Sweet

I long for something sweet
a bedtime treat.
A delight that I want to share,
fulfilling the needs at our cores.

A sweet sticky treat that
no matter how much you partake
for you and your mate it's never enough.
A treat you just want more and more.
A sweet treat that will always be there,
a sweet treat of delight that
is so much better to give than receive.

I long for this sweet treat,
but for now I shall wait.
For the day is soon coming
when me and my mate will
endlessly share this sweet sticky treat
which I'll share with her whenever she wants.

Michael P. McParland

A Bit Of Sleep

Time to finally get a bit of sleep,
I'll see you dear in the land of dreams.
I can't wait to look into your eyes and hold you,
Give you a kiss as I gaze into your eyes
And admire the beauty that is you before me.

Time for a bit of sleep and I just
wanted to say I love you before
I turn in to catch some Zzzzzz's.
To tell you once again how I adore you
and my heart beats solely for you.

So goodnight KP no matter what time it may be,
for until we meet again to see
each other and fall into the arms of the other,
I'll see you in the land of dreams where we'll
walk hand in hand through the fields
of green grass and flowers that are pure and true beauty.

Michael P. McParland

A Billion Years

Even after a billion years have gone
I'll still be by your side,
and it will be like no time has ever passed.
Time flies when I'm with you
and with each second I fall deeper and deeper
more intensely maddeningly in love with you.

A billion years with you is
but a pin needles head in time.
So immensely small and never enough to
get to know you and give each other our all.
Our spirits will never get enough of the other.
We're bound in spiritual bliss and true love
that no others can ever comprehend.

Even after a billion years KP I'll
still be by your side for a billion more,
than after that a billion more continuing
on beyond eternity for we are heavens brightest star.
I love you fair lady never ending.
We are soul mates and a love story with a happy ending.

Michael P. McParland

In A Land Where Every Dream Has Landed

In a land where every dream has landed I find you.
A magical place where there is no pain, no fears,
no loneliness, no hate, only you, only tears of joy.
We'll see each other and know this is the beginning
of what we've always dreamed and reached for.
A start to a rich happy life spent together
in unity as one.

In A Land Where Every Dream Has Landed,
the night is still young like you.
Stretching out before us with endless time to dance.
To share all time with each other,
in and on every level of romance.
Reminiscing of all our times together,
talking about the time that's passed and how we miss each other.
Sit and tightly hold each other close,
so we'll no longer be lonely feeling safe no longer lost.
Kissing to bring us warmth.

In a land where every dream has landed
it's just you and me forever.
Each day we'll find and seek new ways
to always show our love and make each other happy
giving eternal birth to a hope renewed.
Who better to share my life than my Angel true?
A true divine shining light that cut through
all the hurt and fear to save this man.

May God let this journey never end.
Our bond and souls be sealed for eternity.
For in a land where all dreams have landed
you're the most important and only thing that matters.

Michael P. McParland

Totally Exhausted

Totally exhausted babe and I just need to sleep.
I wish you were here to talk and read
while I lay down to soothe me.
I'm always dreaming of you though to
help relax my mind and keep my feet upon the ground.

I'm totally exhausted so this message will be short.
Just wanted to let you know I love you so much.
You are my hopes and dreams from an Angel supreme.
You are my true love and life,
my only one.

Michael P. McParland

Peace Be With Us

Peace be with us my love as
we find our paths of sense and serenity.
That when laid out and begun
traveling we'll come back together again.

I'll never give up and
I know you're not a quitter.
We'll find peace and love
repairing the bond that will last forever.
Peace be with us my true soul mate,
that we'll travel the
right way and come to each other.

Michael P. McParland

Phantom Tear

A single phantom tear runs from my eye,
running down my cheek drying as it runs.
A phantom tear brought by memories and yearning.
This phantom tear stings far worse than it appears.

Michael P. McParland

Please

Please tell me that you love me.
Please tell me that it's true.
Please do not forsake me,
for then I'll feel a fool.

For the years I felt for you,
something tested tried and true.
For you to break it would be mean and cruel.

So please now tell me that you'll stay,
if at least for one more day.
Tell me now if you please,
that you love me and it's not a tease.

True love is not a game.
To say so would be truly lame.
So I say now with all my heart.
Please tell me you'll never depart.

Please say now with all your heart,
that with me you've found a brand new start,
and from me you could never part.
The games are over now you see.
Now we'll live in ecstasy.

Michael P. McParland

Please 2

Please just love me and know I'm just a man,
one who desires to and will
always give his everything for you.

Please just hold me and make me feel safe.
Please don't over think everything and then
in fear believe I'm giving up and going to leave.

Please, please, please have that faith in my love,
feel it in your heart, mind, and soul
for within those walls you feel the truth in its all.

Please just help me know I'm loved.
Please hold me close to say it's alright,
here you can cry in private and fear no scorn.
Please know my love is true and I in full am always yours.
Please know I'm not a liar,
for you are an Angel to me.
I never want to hurt you.
I love you.

Please just talk to me,
let me show my love and reassure.
Please give me the chance to show you
all the great things I want to for my Queen
to give and show.

Michael P. McParland

sigh

Sigh where are you today?
I still can't sleep my heart still sunken in hurt.
I wish we could at least pass the time talking.
Sharing our great conversations.
Silly and fun,
informative and revealing,
learning so much about the other one.
Or just radical thoughts and dreams,
laughing and crying all the while time flying.

Sigh it would be even better though
if you were right here.
Read to each other,
watch some movies and TV.
I would cook for you
and together we would clean.
Smiling and laughing
kissing each other too.
This would be bliss
my happiest dreams spent with you.

Sigh to just lay in bed
and hold the other tight.
Perhaps even out on the lawn
staring at the stars.
Whispering our loves needs
and intentions of our future as companions.
Drifting off in comfort our souls fully soothed,
knowing each one is right there,
never leaving healing the wounds that are there.

Sigh yet for now I sit here all by myself,
waiting for sleep
only dreaming of those beautiful days.
Can you feel all those dreams and endless love too?

Michael P. McParland

Grand Hand

I wake up every morning and begin by
looking at my right hand.
God you're grand I say,
last night was magic,
simply fantastic.
Can't wait to have back at it.

Michael P. McParland

(dreams) Bonding As Lovers Do

Having you here wrapped up snugly in my arms,
chases away the cold on this frigid deathly winter day.
Our bodies clutched tight within each others arms,
cheek to cheek we sit gazing,
mesmerized into the fire.
Holding a conversation of love
and powerful contentment,
grateful fulfillment for our union
without one word spoken.

I'm totally fulfilled with you here.
You're all I want and need,
you've filled all the holes that lingered,
unhealing in my heart and soul.
You've saved my life with a freshness
of breath and zest you've renewed my life.

I'm now gazing into those bright eyes
of a magnificently beautiful soul
I know I've known since long before earth.
A radiant smile that shares the feeling,
and need to give and receive
the purest of love and bonding.
When she looks in my eyes I wonder what she sees.
It can't even be half as bright,
because every time I look at her
I know within my mind and heart
that I'm gazing upon an Angel
of true mercy and purity of light.
There is never any doubt
for the abundance of love she holds for me.

Without a single word ever passed
we've told each other all the things
a couple with a strong spiritual bond can attest.
We know the purity of our love and hearts,
we're now ascending the stairs to bond as one
like only two soul mates can find and share,
a special love and combining of our souls.

A true undeniable passion that pulls and tugs
you away from the physical bonds,
to meld you into stronger purer loving beings
becoming as one.

We've now climbed into bed,
the most overwhelming feeling of want and giving
fill me up to give my all
and share the most special things
my Angel can only ever evoke and understand from me.

I wrap my arms around my only one,
looking into those divine and precious eyes
full of pure acceptance,
and I know she looks at me with a sense of pride.
I now lean for a kiss softly whispering
I'll always love you,
I'm never leaving forever mine and forever thine.

Just inches now from touching lips,
and I wake up to the most horrid heartbreaking reality
that I was only dreaming.
Once again in some fashion,
torn apart and destroyed from losing her once more.

When will I ever see my Angel and true love?
Or am I just doomed to miss her
soul and love forevermore?

Warmth

Warmth in your arms is what I want and need.
You are all that truly matters to me.
I love you babe and you bring joy
to my life and light me up.
Your smile melts my heart in its
pure Angelic beauty and love.
Those eyes that lift my heart above all the hurt.
You KP are my only one.

Warmth in your arms is what I long for everyday.
You help make me feel important and safe.
You're a magnificent lady I wish to love and serve.
I want you to discover you are everything to me.

Warmth in your arms is what I need most.
So come and let's wrap each other up
and begin our journey of eternal bond.
