Michael P. McParland(July 19 1983)

I owe all my poetry and inspiration to my best friend Kira Petranovich. If not for that wonderful woman I would never have been inspired and moved to write poetry. She truly is the most wonderful and beautiful woman in the universe.

A True Love (My Kira)

Such a sweet sweet beautiful woman my Kira.
So truly wonderful and fully desirable.
She is the sweetest and ever so kind,
I would give my life for her a million times over.
God bless my Kira a true love eternal.

She is a kind divine beautiful woman
my dear beloved Kira,
and without her my heart is broken into
a trillion pieces.
I screwed it up and I can not for give myself.
I just want her to know that she is amazing
and spectacular in every way I see her.

Kira P. is my true love the woman
I want to be with forever and ever.
I'm so sorry that I pushed her away like
the mental illness that I am dear.
Please forgive me and come let me hold you,
you are my only one and everything
and I only want you sweetie.

Michael P. McParland

Without My Sweet One

I am nothing without my one and only.
Ever since I screwed up many
months ago I have been lost and searching,
searching for a way to get through to her
and let her know how sorry I am.
To let her know the reasons behind my screwing up,
I don't know if she'll hear me
and my life will be even more worthless if not.

I am nothing without my one and only,
my heart aches and screams in pain.
I hope she will hear me and know
that I was in a very bad place sincerely.
She is my everything and I don't want
to be alive without her in my life.

God bless Kira my one and only,
and may she have peace of heart and mind
hopefully knowing that I still love her
just as deep and as hard as ever.
I feel so lost and meaningless without her,
God willing things can be righted once and forever.

Michael P. McParland

She Is The Only One

She is the only one for me.
She is all that I want and need.
An Angel from heaven,
a true Goddess of all women.
She is the only one for me,
a true hero and divine blessing indeed.

Michael P. McParland

When I Lost You My Dear

When I lost you my dear
I lost all my reason and will to live.
I have no reason to go on my true love,
because you've always been my only one.

I pray you'll come back
and fill my life with light again.
Kira you are my everything
and greatest reason to live.

Michael P. McParland

Lonely Tonight (Kira My Love)

Lonely tonight without my sweetie.
I love and miss Kira so much
and my heart is broken.
I cannot sleep without pills to help me,
and even then I have nightmares
of losing that beautiful woman.

I'm lonely tonight and I am longing
to be with her and snuggled up safe and securely.
My heart is aching and I feel like giving up,
because life without her is truly junk.

I'm lonely and I'm broken without my Kira,
God bless her sweetness she is an Angel.
May she always know that she is loved so,
and that I would give anything to heal
her precious heart and soul so special.

Without my sweet lady I'll forever be lonely,
I hope she knows that for her
I will always be here.
God bless you sweetie where ever you are.
You are the greatest and most beautiful lady.

Michael P. McParland

Even After All These Years

Even after all these years
it is you that I hold dear.
I'm sorry I hurt you and have caused you pain,
I'd give anything to do it over again.

After all these years and the many tears
I still love and want you in my arms dear.
God bless you my sweet you are a beauty,
and my heart and soul are yours for eternity.

I love you sweet sweet Kira and admire you deeply,
you are the only one I have ever wanted and needed.
After all of these years it is still you.
Please return and let's our bond renew.

Michael P. McParland

My Best Friend Hates Me Now

My best friend hates me now
because I made a huge mistake.
Now I've lost the will to live
because without her love there is no point.

I made a mistake and now I am paying so harsh,
losing the divine love of a woman so dear.
She truly means everything to me,
I don't want to go on without her you see.

My best friend hates me now
and I am so very lost.
Please God take me
and spare this pain that this loss costs.

Michael P. McParland

God Come Take Me

God come take me please.
I am weary,
I am broken,
I am a worthless man
who screws up everything he has touched.

Please take me and bring me
and those around me sweet sweet relief.
Please punish me no more with this Earthly life.

God come take me please
and end the lonely pain.
Please help stop me being
a joke of a man.

Michael P. McParland

I Would Give Anything

I would give anything
to have you here within my
warm, kind, true loving arms.
To give you comfort as I told you I love you
and I'll always be yours.
I would give anything to be with my one,
both of us comforted and our broken hearts calmed
in all of our eternal true love.

I would give anything to turn back time
so I could correct all of my mistakes and harms.
I would give anything to heal her gorgeous
soul and heart and see her smile again.
I'd give anything for her to not be mad at me,
to not feel the sting of resentments fire
and to prove to her all my love
and that I am worth the risk of pure loves kiss.

I would give anything to have her near
and show that all my loving care is sincere.
I would give anything to make all alright
so we could talk and fix the fights.
I would give anything for her to know
that she truly is my only one,
and that I love her more and more with each day
because she truly is my beautiful soul mate.

I would give anything to be with her and talk with her,
for her to forgive me for my mistakes
that I beat myself up for each and every day.
I would give anything for her to know my love is true,
and that to me she is my everything and universe.

Michael P. McParland

You Are My.....

You're my best friend.
You're my true love.
God knows you are my everything
and only one.

Michael P. McParland

An Aching Heart That Burns

An aching heart burns within my chest,
for the love who is the best.
I miss her so in all her perfect glow,
she truly is the perfect girl.

My heart aches like the tortures of the damned.
It throbs and yearns for her perfect
company and touch to return.
An aching heart that cannot be calmed
until her glorious return,
throbs inside me and burns like fire.

Michael P. McParland

No More Madness 2

What a perfect day to end the madness.
Make my return home on Christmas.
To finally end the torment and madness
that fills my heart and soul
like shredding pieces of broken glass.

No more madness my dear God,
take me up to heal and soothe these aching cuts.
I've had enough of the torment,
the pain, the dread in facing every day.
Make this all relent and stop the madness
that is me and my life.

No more madness in my heart,
mind, and soul.
Relieve the torment within me,
and give everyone in my life peace.
No more madness please.

Life Is Worth Living

The road before you stretches long and wide.
So journey on with pride.
At times you'll hit a slide.

The crusade can be wild.
Give it all you've got,
and you won't have lost.
The risks are great.
The fruits of your labor
make the rewards even greater.
Life is worth living.

You've got to be strong.
Though it may seem a long way.
You'll find what you're looking for.
As you fight this war.

Remember who you are.
Treat all you meet
with love and kindness.
Don't be discreet.

At the journeys end.
Your wounds will mend.
You can say your life depends.
Caring for all the big and small.
You'll have shown that
adversity can't make you crawl.

So enjoy this life.
Get past all the strife.
It's worth all the
experiences that you'll have.

Michael P. McParland

Maybe One Day

Maybe one day God will have mercy enough
to clear our path and let us be together in peace.
Maybe he'll have mercy enough
to let the two loves he brought together
be together and enjoy their immense true love.

Maybe one day we will finally be happy and free
to do as we please and bask in the glow
of our never ending true love.
Perhaps one day God will be kind
and stop throwing obstacles that scar and blind.
Then we will have peace and know
what true contentment is as tension and fear
are finally released.

Maybe one day God will have mercy at last
and we will be the happiest couple
that's ever shared a true loving life.

Michael P. McParland

She Holds My Heart

A very very beautiful woman holds my heart.
She is amazing and brilliant to no end,
and she truly amazes me in all ways.

She holds my heart and fills it with light,
she gives this man hope and fills him with love,
she gives me reason to live and go on with my life.
She holds my heart and gives me reason to give.
She holds my heart and teaches me love.

A very very beautiful woman holds my sacred heart,
and it will forever be hers because she is my best friend.
She holds my heart and gives it reason to live,
it overflows with true love only for her
because she is magic and truly divine.

Michael P. McParland

Sweet Sweet Night

Sweet sweet night
by your side,
and in your arms.
Warmth and peace at last
as I look in your piercing eyes
and tell you you're the best
and I love you so very much.

Michael P. McParland

Losing Friends

Losing friends is a hard ordeal.
I lost a friend here on poemhunter that meant a lot to me.
She hates me now and thinks I'm trash,
how it breaks my heart that I'm no good
within her eyes or beautiful heart.

Losing friends is a hard ordeal.
Not knowing what to do because
you've lost a piece of you.
You'd do anything to correct the wrongs,
to figure out just why and how you turned to scum.
Losing friends hurts like raging fire from hell,
you'd give anything to stop the pain.

Losing friends truly twists the heart,
and when there's nothing you can do
you just want to cry.
Losing friends is losing part of life,
and in the end you are left
with utter heart break and a broken piece of life.

Michael P. McParland

My Heart And Soul Are Yours Forevermore

I surrender my heart and soul
to you my sweet true love.
For you are the one I've hoped for,
dreamed of, wished for exhaustively,
you are the one I've prayed for.
I give my heart and soul freely to you
because you are an Angel
and I love and adore you to no end
my divine darling and soul mate.

Michael P. McParland

Tramadol And Alcohol

Tramadol and alcohol help numb the pain I feel.
They are a wonderful protector
of my very heart and soul which ache
with loneliness, heartache, and fear.
They are just what I want and need
in these lonely days that are almost filled by tears.

Tramadol and alcohol can't make me forget a thing,
but they help dull the pains of
many things for which I feel.
Tramadol and alcohol help numb
that which will not heal.

Michael P. McParland

Narcissists

I see a couple poets that are so narcissistic,
touting how they are ever so brilliant.
Clapping each other on the back so consistent,
while cutting others down so ballistic.

They make me sick with their thick narcissism.
Saying nothing but negativity to those who feel different.
They need their egos put back in check,
and realize that they are no better than the rest.

Michael P. McParland

Elitism Is Disgusting

Elitism is a disgusting trait,
but one I'm seeing more of as of late.
From people I never ever expected
to hold themselves so high above others.
Tis' a bitter pill to swallow
watching so many wallow in belittling others,
spitting on their beliefs and dreams,
mocking all those have worked so hard to be.

Elitism truly is disgusting,
and it just shows the true colors of that person.
Arrogant, crude, snobbish, and classist.
Now we need no more of that.
Take your elitism and shove it up your back.

Michael P. McParland

I'm Sorry 4

I'm sorry my sweet love for all I've done wrong.
I don't ever want to hurt you or make you suffer,
you are the world's most beautiful woman
and I want to fill you with joy and make you smile.

I'm sorry sweet one for having hurt and upset you,
I only ever want to do my best for the sweetest Angel.
God bless you my sweet one I am so very sorry,
I'm sorry for having caused you such pain and grief.
I feel like a bum my precious sweet Queen.

Michael P. McParland

Snuggle Up So Safe

Lay right here with me baby.
Snuggle up and feel so safe and comfy,
and know that you'll never be lonely.
I want to comfort you in this time of need sweetie.
You truly are my only one and everything,
and I want to make you so very very happy,
help you to know you are the world's greatest beauty.

Come lay with me and snuggle ever so tightly,
you are the greatest thing that's ever happened to me.
Know that you are a special and magical woman,
whom I would give my life for in an instant.
Snuggle up and feel my heart as I bear witness
of your awesome excellence.
God bless you baby you are a blessing and a gift to me,
and I would move mountains for you if I could.
Snuggle up and feel at peace because you
truly are my everything.

Michael P. McParland

Needing Your Love

Needing your love so very much,
how I crave your soft loving touch.
To hold you so tight and say I love you
my sweet sweet Angel of light,
as I look into your piercing eyes
and my heart melts.

I'm needing your love my sweet Angel dove,
because you complete me
and make me feel safe and whole baby,
and I want to do all the same for you
my sweet precious rose of eternity.

Michael P. McParland

In My Loves Arms

I just need to be in the arms of my best friend,
warming each other with our true love.
My heart is broken and I am in great pain,
I need her loving arms around me
in the most serious way.
Where are you babe
I want and need you now more than ever.

Michael P. McParland

Just A Memory

I'm now just a memory.
Something insignificant that passes
through your beautiful mind from time to time.
I always hopped that I would be more,
but no, fate is cruel and fixed the score.
So I'm but a memory, something brushed away so easily.
I truly am heartbroken for eternity.

Michael P. McParland

I'm Sorry 3

I'm sorry my dear for all the pain.
It appears all I do is cause suffering in you,
I'm sorry for all that I do wrong
and for being such a stupid bum.

Michael P. McParland

Cutting

Such relief through a razor blade,
blood down my arms and down my chest,
now the emotional stress is not such a threat.
The cut of the blade and the red of the blood,
bring me back into sharp focus
and feels so very good.

Cutting is the best relief one can have,
as it opens you up in more ways than one.
See now that I can hurt myself worse than you jerk,
but I like the feel of this cut
as opposed to your scorn and words.

A nice methodical slice and I've got control,
at least I caused this pain you worthless trolls.

Michael P. McParland

Broken Man

Broken heart.
Broken soul.
Broken man,
I am nothing but a big black hole.

Michael P. McParland

So Tired 2

So tired I just want to eternally sleep.
This life has worn me down and out.
I'm so very tired and so alone,
I don't have my love she is so far away.
I just want to lay down and peacefully sleep,
leave this world and forget all it's creeps.
I'm so exceptionally tired and ready to fold.
Why won't God have mercy and let me come home.

Michael P. McParland

Dead End World

A world with beauty that surrounds,
flowers, birds, bees, horses, cats and dogs
such wonderful creatures are these.
Wonders that never cease.

All leading to the dead end street.
Nothing there,
nowhere to go.
A false illusion of beauty and hope,
all such a pitiful joke.

A dead end world that laughs at you.
No true beauty within a dead end world.

Although I'd like to believe.

Michael P. McParland

Quickly Sinking

Quickly sinking withered on the vine,
feeling more worthless all the time.

God have mercy take me now,
spare me wicked torment thou hast passed down.

No more, no more.
Please dear God no more on this tortured soul.

Michael P. McParland

So Tired Of It All

So tired of this life.
Endless sorrow, endless strife.
Constant weeping eyes always leaking,
just want it to end,
be deep in my grave freezing.

Michael P. McParland

Will The Day

Will the day ever come when all
the things I've believed in and fought for,
bear the fruits of which I've reached for?

The tears, the pain, the bitter scorn
from all the critics and bitter heretics have thrown.
Will the day ever come where pain's forbidden?

The aching pits of infernal hell within,
where and when does God relent the ceaseless pain,
and let the rewards of diligence and faith upon me rain?

Will the day never come when my soul is no
longer bound alone unwanted seen in only hideous form?
Or am I bound to forever suffer in mortal agony
forsaken on this earth alone?

Michael P. McParland

Pure Love Resides

Pure love resides within my soul and heart.
Pure love for the one I give my life.
Pure love in honesty, truth, servitude,
I honor her in the way that I give and I live.
Pure love for an Angel who holds my heart.
Pure love and deep caring for how she is feeling,
to show her that she matters and is appreciated so dearly.
Pure love in my heart and soul so she knows she's my everything.
God bless her she is the greatest my sweet Queen,
and I have nothing but pure divine love for the worlds
most beautiful woman.

Michael P. McParland

Country Gone Mad

It's a country gone mad.
I mourn all the madness,
all the sadness, all the deaths,
and all the losses we've suffered
as a nation and people.

Michael P. McParland

Sweet Sweet Kisses To My Sweet Queen

Sweet sweet kisses to my sweet Queen,
the most gorgeous and beautiful woman there's ever been.
Truly a Goddess my sacred Queen,
she is the reason my heart is still beating.
She gives me reason to live
and fills me with hope.
She is my bright shining star
so very very high in the sky.

Sweet sweet kisses to my sweet Queen.
The most perfect and beautiful woman there's ever been.
God bless her and keep her through all of time.

Michael P. McParland

Feeling Unstable

Feeling unstable and I want to escape,
leave all the loneliness and endless pain.
Feeling unstable I can't face the world,
my heart and soul are broken beyond all but ones repair.
I ache and I ache I just want to cry,
but no tears will escape from these eyes.
I'm feeling unstable I hope you understand,
I can't take this life alone without my ones hand.

Michael P. McParland

So Very Very Tired 2

So very very tired,
with a tortured mind
and heavy heart dragging me down even farther.

So very very tired
I need some relief.
Hopefully sleep comes fast
and brings me peace at last.

So very very tired
I'll just dream of my
true love and best friend.
Float away to her beautiful smile
and piercing eyes that see right into my soul dear.

I'm so very very tired
with my heart aching and throbbing.
I need some relief from this lonely torture.

Michael P. McParland

So Very Very Tired 3

So very very tired.
Come and snuggle my lady I love to no end.
Come join me and we'll warm each other up,
in body mind and spirit we'll feel whole.
Rest your head upon my chest
while I rub your poor aching back.
Just lay next to me and be at peace dear.
I'm so very very tired and you're the one
I need in my arms forever.
God bless you my true love sent from heaven,
you give me purpose and reason to live on.
So come snuggle up I'm so very very tired,
hold me close and hold me tight in return
and we will feel safe and be at peace in each others arms.

Wind Across The Barren Land

Fierce and howling winds sweep across this barren land.
All dead and stationary things
are quickly buried in the sand.
The land is now in constant gloom,
the sun does not shine yet
you'll never see the bright bold moon.
It's just overcast and near to black,
but bright enough to see the death.

He stands alone in this wasteland of olden days.
A gunslinger here to fight on through,
dealing justice as he travels
somewhere far and somewhere wide,
Nobody knows where or why
just stay straight or else you'll die.
His nerves are steel his heart is cold,
Only filled with the justice,
needs, and goals he holds.

Wandering through a land so dark.
Yet still so hot this empty barren land does mock.
Calling, shouting, slapping you,
with the fierce wind that swoops and whips
with killing screams of tortured dreams.

This man lost all his home and love so long ago
He's been traveling now for ages gone by.
Who can guess?
He's never here but for food
and drink and a small fit of rest.
He only stays if justice needs dealt.
Then he quickly and quietly goes about his work.
Hanging up the meat of rotten stock.

He moves on to pastures far,
looking for what it is he tracks in valiant deed.
Never thinking of ending his quest.
To save the world?
You have a guess.

He wanders lonely thinking
only of the loses from his past.
What he could have done to change that hand.
In his misery he rides and rides
just dealing justice for in a way
it fills the void and gives him a purpose,
which he lost so long ago,
when he was robbed of
loving family, safety, and cherished home.

Through these dark waste lands here before us.
A nameless gunslinger rides forever deeply focused.
On he goes finally cleaning out the evil deeds,
by dealing justice full
to the men who set out to hurt, rob, and kill
the good people who work and strive
to live full lives of virtue
in honest dealings, truth, and righteous pride.

When he comes on through a new town
full of country folk.
They stand in awe and pure silence,
not a single word dare be spoke.
They've heard of him and can't quite believe,
the truth of the tales surrounding he.
They hurry to take care of all his needs.
For the horse goes feeding,
drinking, and a good thorough scrubbing.
The gunslinger himself is in
desperate need of food, drink, and a cleaning.

So now it's time to sit and eat drink some beers,
then head to bed he's eternally used up and quite beat.
The morning comes sheriff just what needs to be done?
Three men need to pay the toll of justice.
We'd much obliged if you helped
deal out this right before us.
A grunt and nod he heads out to center yard.
Where justice is felt and
no man put up there will live to tell.
Out their brought ropes put round their necks,

without a word he yanks the lever the trap door slips.
Another job of hanging up the rotten meat,
they're bad stock so not a tear weep.

He saddles up, his job here is now clean and done.
Ever onward in the darkwasteland he does move.
A legend of such epic proportions,
could not be true as so many have spoken,
without a pennies worth of brains or knowing.
He was real I know it's so.
Wandering around that barren
dark wasteland of days grown old.
Wind swept courage that knew nor
cared for one ounce of glory.

He stands today as a virtuous statue
of truth and justice we lack in these days,
so remember the good he carried out
to help the people filled with good
and kindness sharing throughout.

The lonely gunslinger with no known name.
He travels on beaten by the wind
in this hot barren lifeless land.
Trapped inside his mind with so many losses,
riding forth hoping to find all the
hope and pieces from which were taken from him.

Michael P. McParland

So Very Very Tired

So very very tired.
Time to rest,
and dream of the lady I love best.

Michael P. McParland

Thoughts Of You

Thoughts of you shining in my head
make my heart glow and sing.
Thoughts of you lift my spirit
and make me want to live.
Thoughts of you are why my heart beats
and why I try so hard to carry on.
You are the greatest,
you are the best.
You are so beautiful my blessed girl.
I love you deeply and I love you the best,
knowing that you love me too
keeps me going through the toughest times.
Thoughts of you are burning in my heart and soul,
God bless you my sweet precious jewel.

Michael P. McParland

I Yearn For Her

Yearning for your company,
yearning for your touch.
I'm yearning for the perfect woman
who makes my heart go a million miles an hour.

She is so very beautiful,
she truly is divine.
She gives me reason to live
and continue on when all seems bleak and done.
I yearn for her in every way
because she is a miracle.

I yearn for your embrace,
I yearn for your sweet kisses.
I crave you and your love
and give you all of mine.
God bless you sweet lady
you are so very fine.

I yearn to spend my life with her
and honor her every day we live.
I yearn to make her the happiest woman
who has ever lived.
She is a blessing and a gift
and I yearn for her to know that she's the very best.
God bless my sweet sweet fair lady,
I just yearn to hold her close.

Michael P. McParland

I Want To Wake Up

I want to wake up from this horrifying dream.
All the wretchedness
I want to scream.
Of what lessons from this could I glean?
What have I done to deserve
this humiliating degrading action
being forced and inflicted on me?
Trapped inside this hideous scene.
I'm raped and pillaged,
just like a peasant village.
Used for his drunken pleasures.

I want to wake up from this crack up.
I'm being held down, restrained like a prison lock up.
I'll never trust in the least again.
Taken advantage of and violated at his will
I just lay there crying through it all.

And for the fine beating at these hands
that were a trusted friends I cry aloud.
For what he's taken he should not be proud.
Then afterward feeling empty and broken
he laughs and jokes like it was all in fun
a mutual thing where no and stop were never uttered.
He doesn't seem to realize just what he's done
opening up old wounds.

I want to wake up and find it gone
all these feelings of dirty shame.
To realize it was just a dream,
a nightmare where I wouldn't be
looked at now as a toy to try and be used
for future wanton desires.
That I'm still whole, pure and clean,
not filled with deep embarrassment
and shame supreme.

Michael P. McParland

Silence

Silence surrounds me,
it's all there is.
No one talking, joking,
interested in how I am doing.
I sit in lonely silence
with only my thoughts
to bend and ponder.

Silence, silence all around,
loneliness runs abound.
Sitting in silence wishing
for my love and for old friends,
but knowing all I've done is failed.
Silence surrounds me,
silence curses me.
Silence it seems is here
for all eternity.

Michael P. McParland

Hail To The Buckeyes

Hail to the Buckeyes! ! ! !
Hail to the best.
Hail to the real victors
as they stomp over the trash.

Hail to the Buckeyes! ! ! !
March across the field,
attack in waves so fierce.
Show honor in your confidence
and how you play the game.

Hail to the Buckeyes! ! ! !
We are the very best,
we can't be stopped or beaten
because we are the perfect beast.

Michael P. McParland

The Writing Game

It's time to quit the writing game.
Even those who were once my admirers
and friends now find me lame.
They think that I'm a joke,
and they're right.
I lost my grip quite long ago.

I have no spark or brain to write this stuff,
in fact I think poetry's laughing in my face.
I am horrid as they'll let you know,
I'm redundant and completely moronic in supper sonic.
I'm no good and so I quit,
you're welcome my critics you finally win.

Michael P. McParland

The End

I can't believe this is the end.
Through my mind it slowly bends.
My stomach cramps as my heart descends.
All I see is blackness to the end.
I welcome deaths creeping hand.
A welcome escape from this dead end.

Michael P. McParland

Can It Be?

Can it be this tree of life has ceased to be?
The leaves have fallen, the core is dead.
The rest of eternity I fear and dread.

Can it be that all is gone?
Once this tree of life bloomed bright and strong.
I guess it's dead, I guess it's gone.
I guess there's nothing left to be done.

Michael P. McParland

I Stink (At Writing)

I stink at writing and I know it's true,
so shut your mouth and say nothing fool.
I've tried so hard yet still I stink,
I suppose I should just quit
and forget writing verse and prose.

I stink at writing yes I do,
there's not a soul here who'll
say that that's not true.
I stink at writing and at life
it's a joke all the strife.

I stink at writing yes I'm the worst,
even this piece is bad and worthless trash.
I have no brain and I have no class,
I stink at writing and am dead last.

Michael P. McParland

By Your Side

By your side I'll always stand,
to support and love the only woman
who has my soul and heart.
I'll stand with you through thick and thin,
through it all I'll be with you
because I love you through and through.

I'll fight for you and die for you,
I'll be your hero and your everything.
I am your man who loves you more than anything.
I'll stand by your side forevermore
giving you all I have and all I am.

By your side I'll always stand,
making sure that you have all you need.
I'll be right there anything and everything,
you are the one whom I give myself in full.
I'll stand by you because you are my all.

Michael P. McParland

Side By Side

Side by side,
hand in hand
with sweet you through all time.

You are my woman
and I am your man,
you're all I want my precious Queen.

Side by side,
hand in hand
feeling total bliss in each others arms.

You are the one my heart beats for,
you are the one that I fight for.
You are the one I give myself too.

Side by side,
hand in hand
you are a blessing and gift from God.

A special lady
and my bright shining star.
You are so far above the other girls.

Side by side,
hand in hand
only you will ever be the one.

Michael P. McParland

No More Madness

The pills are calling,
saying come take me, take me.
Then slip away into the darkness.
No more sadness.
No more madness.
No more loneliness.
Just peace and nothingness.

Michael P. McParland

Only With You

Only with you
my beautiful girl.
You make my soul glow
and my heart sing in full.
You are God's most beautiful Angel,
you are so special and so amazing.
You are all I'll ever really need
my gorgeous lady.

Only with you
my sweet Angel dove.
I want to marry you
and be by your side through all of time.
You are so perfect,
my greatest dream in reality.
God bless you
you are the greatest woman in history.

Only with you
my soul mate and hero so pure.
You are everything I want and need
through all time my Queen.
You are magic and so very fantastic,
you are everything I'll ever need
my little love bird.

Michael P. McParland

Aching (For My Best Friend)

Aching so deep in my soul and heart
missing the one who means the most.
I'm lonely and broken without my best friend.
What am I to do from here?

Aching so deep I miss her so much.
How does one stop the pain?
My aching heart throbs and my soul does cry,
the pain is something so surreal.

Aching so deep I miss her so much,
I wish I was perfect just like she needs.
I sit here and ache thinking of the ways
I could have done things right.

I ache so profoundly deep
and I hope that one day I can show
how much love for her I truly hold.
Until then though I ache and ache in my heart and soul.

Michael P. McParland

Hurting

Hurting so intensely bad,
missing the one I love.
I just want to lay down and cry
until I fall asleep
or until God takes me away.

Hurting ever so bad missing her,
I fear I've lost my best friend for good.
I do not want to go on without my one,
she is the reason my heart beats still.
I love her more than anything,
she truly is my everything.

I'm hurting so intensely bad
and I wish her all the best.
Hopefully one day soon all will come together
and we'll finally be with one another.
I hurt now though and wish that she were here,
I love her more than anything and I always will.

Michael P. McParland

I Hurt For You

Hurting for you my dear true love.
My heart is calling,
telling you how you are amazing.
I need your hugs,
I need your kisses.
Most of all I just need your company.

I hurt for you and yearn intensely too.
You are the greatest thing to ever
come into my life.
You are the best you are so grand.
I will be yours forever my little love bird.
I hurt for you because you're amazing you.

Michael P. McParland

Songs Of Love

Songs of love take me away on thier soft wings.
Songs of love remind me of the one that holds
my heart and soul so soft alike.
Songs of love fill me up with such emotion abound
Songs of love are almost as pretty as my girl.

Songs of love make me dream of the one,
they help get me along when I can't see her.
Songs of love help fill the soul and heart.
How I wish I had the talent to write such songs
for her and to make this a better world.

Michael P. McParland

Hugs

My best friends hugs are pure divine warmth.
They are what I crave in my hard times.
Feeling her next to me saying it's okay,
gives me reason to hope that this world
can be a truly better place.

My best friends hugs are so needed now
because she makes me feel like I matter
and helps me know that I'm loved.
Her hugs are so tight, so strong, and so loving,
she is divine that beautiful woman.

Michael P. McParland

Please Return Mee Too

Please return my awesome friend Mee Too.
I miss your awesome company
and all the awesome things we shared
and had planned for our futures dear.
Please return so I can apologize and show my heart,
show it in full to let you know the love I have.

and I know that you hurt too in your lonely time.

Mee Too you truly are so very beautiful
and I can feel your awesome soul near every day.
God bless you for being the most wonderful woman you truly are,

Michael P. McParland

A Hard Lonely Time

A hard lonely night spent all alone,
about to start crying because I am missing
my special best friend who is mad at me now.
I try so very hard to make my Angel smile,
and to let her know that she is the greatest ever.

It's a hard lonely night surrounded in silence,
and knowing I'm all alone.
I would give my whole life for just a few hours,
to help her realize that she is so special
and to just take her within my arms to lovingly snuggle.
She truly is all I have ever wanted.

It's a hard lonely night in which tears will appear,
my dreams will be of finally getting it right for her.
God bless you my best friend and lady,
you are so very very beautiful and you make my heart sing.
You truly are my only one and everything.

Michael P. McParland

A Simple Message (My Best Friend)

A simple message given in love,
can give such pure joy.
It can help heal a heart and soul
that have been aching in need for so long.

A simple message given in love
between two best friends is
the purest thing that there is.
I send this message to my amazing best friend,
I love you and want you to no end.

Michael P. McParland

Weeping Heart For My Woman

My heart is broken and aching.
Weeping for the woman that owns it.
How I miss her, how I adore her,
I lay back here crying wishing
for her words, her hugs, her gorgeous smiles.
My heart is broken into pieces,
it cries out into the midst telling her
I love and need her more than she can truly guess.

She is a gift, a divine sweet Angel dove.
God bless my little sexy princess and little love bird.
My heart sings out in endless want
and endless need of the peace and comfort she does bring.
The times we had and times we spent,
how I miss all the little things and big as well.
All meant the world when with her,
she is my best friend and soul mate
I care for and love in every single way.
I'd give my life to just be with her
snuggled close and holding hands like best friends we were and are.
My heart breaks though because she's not here.

So I lay back with my broken heart and cry hard babe
because I miss you deeply and yearn for you and your company.
You are the one I've loved since I could love,
and it will only ever be you my treasured pearl
I stand by, support, and protect forevermore.
God bless you dear you're my Queen and only one.
My heart is broken into pieces without you
and will not be healed until the day we snuggle up
giving each other our special loving smiles.
Sweet sweet kisses dear and endless warmth,
your forever man is right here for you no matter what,
no matter when because you are the one I fight for to no end.

Michael P. McParland

Not Feeling Well. I Need You.

Sitting back here feeling not well.
Not well in so many ways my sweet Angel dove.
I got my flu shot and am feeling a bit queasy,
along with a small bit of Concerta
adding to my deep anxiety.
At least the Tramadol and Norco
heal that as much as possible.
I miss you so much and wish you were here
my dear darling sweetie.

About to lay back and I just want to snuggle,
to share sweet sweet kisses and let both our tears go.
To talk and feel comfort with our dear best friend,
to just feel at peace knowing all is okay.
To know that you truly love me as you
touch my face and look into my eyes
with your divine piercing eyes I so adore.
How my dear I truly love you so.

So as I lay back not feeling so well
I send you sweet kisses straight from my
deep loving heart, mind, and soul.
God bless you my precious pearl
and feel my arms so tightly around beautiful you.
You are adorable and the one I long for,
I'll be dreaming of you as I get feeling better my Queen.

Michael P. McParland

To Lay Down And.....

I just want to lay down and die,
cry out my eyes as my lonely heart gives out at last.
I want to lay down and die
and never be a bother again,
to feel and give the relief that we all need.

So as I close my eyes with immense aching inside,
I pray for relief that the darkness brings.
I just wish to lay down and die
for the lonely pain that I feel overwhelms me
and has broken me totally and in full.

Michael P. McParland

In My Dream

In my dream I just held you
as we both cried and cried,
our aching hearts broken
as we have been again taken apart.

In my dream I just held you from behind,
your arms and hands up upon mine.
I just whispered in your ear
to reassure you of all my endless loving care.
We just cried from our need,
in our unconditional love,
and from uncertainty ahead out there.

In my dream we cried and cried
in our true love.
I held you tight and we said I love you babe.
So here I sit tonight crying wishing you were here.
Rest assured dear that I am here
and deeply ache to hold you now so very very near.

Like in my dream I want us to be so close.
To cry and laugh as we need my love.
To reassure you that I'm always yours,
even though I must be silent as you said you want.
In my dream I held you and whispered in your ear
that I wanted to be with you forevermore.
I could see your love and feel it now.
Like my dream I know that right now we cry and cry.

Michael P. McParland

Forever Your Michael

So lost without you my sweet girl.
Hurting so bad and confused,
I wish I were yours and that you would have me,
for I deeply love you more than anything.

I have been at a loss and had no words.
What does one say when he has truly lost
the most beautiful precious Angel in the universe?
I write just for you to tell you my love,
and to let you know I am forever yours.

I know not what to say because
I don't want it to come out the wrong way.
Jut remember that I love you and treasure you
my precious Queen.
I will forever be your Michael,
your hopeful hero and King.

God bless you truly and always
my sweet Angel dove so supreme.

Michael P. McParland

Tears Over You

Home now at last for the day,
nowhere more to go
no duties save a minor few.
So alone in my room I sit
with an aching yearning heart for my one,
the tears that I have held back
so the world won't see them flowing
now prick my eyes and fill them wholly.

The hot lonely tears how they burn,
missing my true love, my dear best friend.
I miss her so, I can't live without her sweet soul
and her giving me all that precious love I know she holds.
So often though the world has other plans,
so I now sit alone with my tears.
Soon with my head down on my pillow,
my music playing with dreams of us snuggling,
kissing, blissfully dancing,
a future I still pray will come in glory.
Lying here sending hugs and kisses.

These tears come from true adoration and pure love,
they come from having known a divine soul.
These tears must carry me to my slumber
for I ache inside nothing can fully soothe
or calm the longing and yearning I feel inside.
Forevermore I will love that gorgeous adorable
wonderful heart and soul, my little love bird,
and send all I have and I am to her each day
with the words I truly love you more than anything
and am here for you should you need your forever man.

Michael P. McParland

Mothers Day (Celebration 3)

Happy Mothers Day again my sweet dear,
and as I've gone through this day
doing things and resting some too
all the while I dreamt of you too.
I worked to honor my mother
and my amazing Kira so beautiful too.
I want to always celebrate you my dear darling
because like my mother you are the greatest woman I know.
It is you I want to marry
and spend eternity serving like a precious jewel.
God bless you sweet Kira for always being you.

As ever we come together on this day
to celebrate the ladies who are so amazing,
but for the most amazing and wonderful
one day is never enough I assure you.
I work to honor you with everyday that we go through,
and look into your gorgeous, sparkling,
piercing eyes and say Kira you are the best,
you are so adorable and I love you beyond all measure.
Along with your wonderful kids we will find
new ways and the old great ways to show you you're special.
Happy Mothers day Kira and feel my hand in yours,
because I always will be with you
letting you know in all ways you're the greatest ever.

Michael P. McParland

I wish you a very good morning my sweet Angel dove
and wish I could be with you to honor in full.

I would hold you so very close.
Giving you sweet and warm kisses
with all of my strength and deep appreciation,
to just let you know you are cared for
and very amazing.
I love you my best friend and pray for you,
to know that you are so loved
and your caring love is so meaningful.

Good Mothers Day morning my Queen so amazing
and I will always stand by you through everything.
No matter what and no matter when,
I am right here to serve you whatever you need.
God bless you my Kira I always strive to honor you,
and I pray that on this Mothers Day
your kids show you that you are so special.

Michael P. McParland

Dreams So Needed

As I was resting earlier dear one
I had the most beautiful dreams
of spending time with you.
Talking and laughing,
watching movies while holding hands
just smiling and feeling complete darling.
I have been thinking of these dreams
since I have awoken,
and they are so needed because
you are my most dear beloved hero and true love.
As we spent time I knew the world was good,
and since awakening thae part of me missing
is hurting so bad.
So my dear best friend you're wanted and needed,
because you are my dream come true
and Angel with whom I share a special bond
and with each day that passes adore more and more.
So as the night goes I ponder and long
on these need dreams dear,
and send all of my love with sweet kisses
as my heart tenderly sings Kira I love you.

Michael P. McParland

Love Note 591

A very wonderful
and beautiful good afternoon
to you my sweet best friend.
Though you may worry
that I no longer love you
and that I have left you,
I will never leave you
and for eternity will love you
so deeply with all of my heart
and my soul, I will love you
to no end with my everything right to my core.
You are a treasure,
a diamond I adore and I cherish,
you are the one I forever
want to be with,
these days are so very lonely
without my Kira I so miss.

So feel my arms around you
and my sweet sweet loving kisses
I give to no end all over you,
and know that your Michael
is right here for you
should you want or need anything
at any time ever.
I love you my sweetie
and am singing out to you,
so you will know always
that you are my one
and that for all eternity.
I want to marry you.

Michael P. McParland

I Care More

I care for you more
than you can possibly know now.
I care for you more than
anything here on this earth
and more than all in heaven above
and I would give all to see you happy,
to be with you now to have a great
Saturday evening snuggling
and sharing the greatest kisses and conversation.
I care more than you can truly know
and more than you believe
and forever I'll never leave you
because it's only you for me.

I care so much for you
and want to spend eternity side by side
hand in hand being each others rocks
of true loving support as we
take care of each other in every way
through everyday knowing our best friend
is right there to turn to,
having no fears of loneliness ever again my dear.
I care for you each day more and more,
I care for you my sweet Angel dove
because you are my only one
and you truly are the only one I want
to spend my whole existence with in true pure love.

Michael P. McParland

Longing Evening Desire

On this evening my darling
I long for, desire,
and want nothing more than to feel
all of your warmth and our
strong loving arms around each other,
that is my greatest desire to just
spend time with you as I try to get
feeling better in full finally.
On this evening my darling
I am longing for you my best friend
I so adore, appreciate and desire,
and I will be dreaming of you
as I go through it each and every minute.

Michael P. McParland

Love Note 590

Good afternoon my dear
sweet beautiful Angel Kira.
No matter how it may seem to you
right now I truly love you
more than ever my dear precious best friend.
You are my diamond in the rough
and the most beautiful woman
with a divine magnificent soul that fills
me with hope and warmth.

As I head out now to my therapist
I just wanted to say I adore you
and wish you could be here
to join me for a wonderful day.
God bless you my dear sweet one
I will through all time be yours,
for you are my soul mate, my hero,
my appreciated and cared for sweet lady,
and you mean more to me sweetie
than you know my fair Angel.

Michael P. McParland

Your Lips 2

I just want to sweetly kiss your lips
as we sit here spending time staying warm.
It's pouring rain outside my dear
and to sit back with you holding
on so tight would make this day filled with light.
I still feel so spent by yesterdays
migraine with arthritis that was insane,
so I just want to sit back and build
back my strength while comforting you
and sweetly kissing the lips of my one and only
divinely beautiful girl.

So as I sit back here dear I send sweet kisses
to shower over you and give you warmth
in all of never ending strength of love.
I wish that as I kissed your cheeks, your neck,
and then your lips I could look into your
piercing eyes and say beautiful Kira you're the best
and I love you more than all else.
So through this rainy day I can feel
all the light you give and feel all mine too
through the endless love we share.
One day soon we will hold each other through
the best of days no matter what they bring
and come each one I will kiss you oh so deep
and say thank you dear for your love,
being my best friend and only one.

Michael P. McParland

My Heart To You My Best Friend 2

My heart to you my best friend
through all space and time
because you are my Angel.
On this stressful Monday
I thought of you and whispered
to the winds and the birds to deliver
my message I so deeply love you,
and felt much better as I felt your love
as I lay feeling quite sick
to running out to get what I need.
My heart to yours my best friend,
the only woman I want by my side forevermore.

You are my best friend and have been so long,
and all of that time my heart and soul
have been and truly will always be yours.
You are the gift I've asked God for,
and my heart sings to you because
in every way you're so amazingly beautiful.
my heart to yours my dear best friend
I appreciate, care for, and dearly love,
I'm so grateful for you and want to spend
eternity holding, serving, honoring,
and giving all of my endless unconditionl
true love to only you.
My heart to you my dear best friend so good,
hear it sing out now in all of it's
yearning, longing, and deep caring love.

Michael P. McParland

Easter Good Morning

Good Easter morning my sweetie
and as the bright shining sun
hangs in the sky I think
of your smile, sparkling eyes,
and how gorgeous in whole that you are.
As this day starts I send you
big kisses with tight hugs and all of my strength,
may God give you the warmest
and sunniest ever of days.

I wish I could spend this bright sunny
Easter morning with you and give you
chocolates and massages to your hearts content.
To just spend the day relaxing
and spending time with the kids,
and look forward to a great Easter ham.
I wish you a great Easter morning
so very grand,
and send kisses so sweet with
smiles in the billions to shower upon you
to give you great hope and pure joy
in every bit of the true endless love I hold for you.

Michael P. McParland

Night Note 260

A very good night
and early Happy Easter to you
my sweet and beloved beautiful Queen.
I pray your evening was good
and you felt me right there with you,
as I had to lay down in the
late afternoon as my stomach
started bothering me quite bad again.
Now as I get up I wish I could be
spending this entire night with
sweet precious beautiful you.
As in a few minutes I get started
on doing part of the dishes,
I would love to have you here
beside me as I listen to your
divine voice as I listen to you talk
about all you're thinking and feeling
my best friend who's so grand.

Then a nice refreshing shower
to wash away all the headaches
and sick feelings that have
been overwhelming me
and holding up everything.
To just hold you close under
the warm water and tell you
how much you have meant to me
and see you smile.
I love you my sweetie
and just want to kiss you
as we hold each other
feeling whole, joy, and reassurance
that all will be okay
as we snuggle under the warm waters spray.

I love you sweet dear
and want you to know just how
important and appreciated you are.
I adore you best friend

and celebrate the great
unbreakable bond that we share.
Have a great night
and feel me right there holding you tight,
and know that for you
your Michael would do anything
including give up my life
if it was to save yours.

Michael P. McParland

A Busy Saturday

It's been a busy Saturday
my sweet girl and finally back at home
now I can sit back to relax,
mop the sweat from my brow,
and eat a little something
and remember so fondly that beautiful night
that happened 18 years ago dear,
April 15th 1999 su ch a beautiful night
that's never been equaled or come close
except for good times I spent with you.

It's been a busy Saturday my sweet darling
and to relax now I wish you could be here
with me to celebrate the anniversary
of the night I knew it was you
in my heart and you the holder
of my very soul through all eternity baby.
The night I believe and know
in the ways that I know that you fell
deeply in love with me also.
So on this Saturday before Easter
which has been so very busy,
I just want us to be holding each other
as we relax the rest of the day through.

God bless you my dear darling
and I hope above hope your day
has been filled with warmth and been amazing.
As I go about the rest of mine sweetie
I will be reaching out to hold you
and send big loving smiles as I take a shower
and then read my books and watch my movies.
I pray that you're okay and that next year
on April 15th you will be with me
so I can look into your gorgeous eyes
and tell you I love you so deeply
and I've always remembered that night
with the greatest fondness possible.
Then in celebration toss back a drink

or smoke up then I'll kiss your soft
pink lucious passionate lips as much as you want.

Michael P. McParland

Soon To Sleep

Very soon it will be time for sleep,
to the sound of soothing rain
and sweet dreams of you I will drift off.
With the whispers to the night
of sweet sweet Kira I love you so very much,
I would give all I have to spend it with you
falling asleep in each others arms
feeling truly whole and so very good.

Soon to sleep my sweet Queen
and a goodnight to you that your night will be good.
God bless you in warmth to be so happy
and feel safe in both his and my love.
I will send you sweet kisses
and my softest caresses.
Soon to sleep my sweet Angel where I will
dream of all the great times we will
be one day sharing together.

Michael P. McParland

Now Let's Hold Each Other

It has been a very painful day
my sweet sweet dear in many ways.
Starting off from long after I got up,
I got sick again while doing
my dishes and it took me
all the longer as I had to sit down
so very much and for so very long my sweet Queen.

Then afterward while lying down
all the arthritis kicked in
and the pain most especially in my
very badly aching hands went through the roof.
I'm sorry if you thought I was
blowing you off or ignoring you my sweet Angel dove,
for I love you so very much
and dreamt of you, your smile,
your gorgeous piercing eyes,
and everything joyful about you.

Missing you as ever though added
to all my pains dear as I ached
and longed so badly for your soft touch
and your passionate kisses I wait for.
I dreamed of kissing you all over
and on your soft precious passionate
luscious pink lips over and over
and I said thank you and I love you.
These particular pains within me
will not be ended completely
until I am holding you.

So now my sweet dear as the night's here
let's hold each other only if
we can only do so in spirit.
Feel my hand in yours and see my big smile
filled with pure love for only you.
The arthritis still bites but as I lay back
just a bit to read and finish my movie
I'll be dreaming of you and sending

all of my warmth, love, and strength too.
God bless you my Kira you will always
be my true love and my everything,
now let's hold each other
and so very soon be snuggling in reality.

Michael P. McParland

Your Piercing Eyes

Your eyes are so very piercing
and so exquisitely amazing
in all their endless beauty.
As I was looking at your picture
I realized how they pierce
in true love right to my very soul.
They see through my exterior
in a way no others ever have.
It makes my heart skip a beat
in all the beauty and truth I see within
they make me want to bear my soul
all the more and reassure so solidly
that I give myself in whole to you
and want to spend all time side by side
and hand in hand with my only one.
Close those gorgeous piercing sparkling eyes
to see all my loving looks and loving smile
and know I'm with you giving all my love
and right here with open arms
for when you come or should you
want or need anything at any time.
I love you dear I hope you see
with those beautiful piercing eyes
and feel all my strength and warmth surround
you totally my precious Angel
I love and want because you are you
the greatest Queen I've ever known.

Michael P. McParland

A Long Day, Feeling Ill

It's been a long day
spent in bed feeling quite ill
my sweet precious dear.
It's been such a long day
in a good deal of physical pain,
and emotionally too as I so wished,
dreamed, and was in such want of you here.
I have only started to feel better
within the very last hour,
and before all I wanted to say
I love you,
I love you,
I love you my Angel so amazing.

So as I now get up I wish I could
hear your voice or at the very least
read your words here in messages.
I can feel all of your love
which has helped me feel better,
but to see and hear from you
would chase away thje last of the sadness
and tiny bit of sickness I feel.
God bless you my Angel it's been
such a very long day,
but knowing you're there makes it much better
because you are such a divine gift and blessing.

Oh my dear darling do feel my arms
tightly around you and my hand within yours
and know that you are the most
treasured person in my entire existence.
You're all I've ever wanted
and I just want to hold you,
as we tell each other everything is okay
and I so deeply love and adore you.

Michael P. McParland

Love Note 589

A very good afternoon
my most beautiful
and treasured diamond in the rough.
I haven't been up long
and very shortly must head out
to go see the therapist,
and before I go
I wanted to tell you that
you truly are so very special
and the apple of my eye,
a bright shining star
who gives me more hope than you know.
Last night I had the most
beautiful dream of you and me
holding hands,
it gave me such a calm
I rarely have even in my dreams,
I could feel it in all reality
so I know we must have connected in spirit
to share our deep caring love.
I can still feel your hand within mine
and I hope you can feel my hand
in yours as I send you all
of my strength, my warmth,
and the love that overflows
from my very heart and core.
God bless you my sweet girl
and remember I'll never leave you,
and that when we reunite I will
dry all of your tears
as I reassure you that all is okay
and cover you with the most amazing,
divine, and adoring kisses
any man has ever given to
the woman he treasures and truly loves.

A Great Big Morning Hug

Good morning my sweet Angel darling
and feel my arms around you so very tightly
as I send a great big hug,
the first of many today with kisses
and smiles to fill with cheer and my strength.
Yesterday was so stressful in so many ways,
I was so weighed down with many things
that when I lay down for a few I crashed out.
I would give all that I have to have fallen
asleep within each others arms,
to awaken right by your to give you
all of these smiles, kisses, caresses,
and candy with the biggest tightest of hugs.

So a very good morning my beautiful dear
and may God bless you to feel
all of my endless love and these massive hugs.
I pray that you will feel all of my prayers
that I say for you and that your
greatest wishes and joys will come true.
I can't wait my sweet dear to wake up
each day right here next to you
and give you a great big hug
and say I love you my beautiful babe to start
the day right in every way.

every bit of my strength love and warmth
to give you a smile and have a great day
reminding you babe that I am right here

Dreaming To Music

Sitting back on what is another
stressful and soon to be busy
Monday when I head out the door
to do all that I need as each week.
For now though I can sit and breathe,
listen to my music and dream
of all the beautiful things it helps me see,
bringing up all the feelings and passions within.
I'm dreaming of you my sweet dear
along with all other things and the dreams
of being with you through all of them
make me smile and long all the more
for your soft loving touch and company.

Sitting here dreaming to all my music
and I feel you, smell your soft pale skin,
your gorgeous hair, I can feel all of
your deep caring love surround me my sweet girl.
Dreaming as I listen to my exquisite music
and I send you all of my deep love
in return with the sweetest of kisses
and all of my strength to surround and fill you.
Dreaming of you and so many wonderful beautiful things
knowing I will share all greatness with you.
I dream of our deep bond and true love,
all the while I thank God for you my only one.
So as I sit here dreaming to my music my dear
feel my hand within yours and feel my love fill you,
never forget that you are my dear precious Queen,
my sweet Angel dove and that I'll stand
by your side through all of time

A very wonderful and beautiful
good night to you
my gorgeous sweet Angel.
I sit back here right now
not feeling well at all,
and I wish you could sit with me
and hold hands as I lay back
and pray this sick feeling
and shakiness will pass.
Feel my hand within yours
as I reach out to give
all of my love and feel yours,
feel all of my prayers over you
for all of you joy, safety,
health, your life in whole,
and for you to truly know
how much you are appreciated,
cared for and unconditionally
deeply loved to no end.
This would truly be a good night
if you were here,
so that when I feel better
I could kiss your soft pink
passionate lucious lips,
and just enjoy this night
being close to my sweet sweet Angel
I have loved since before we met.

So feel me right there with you
for as I lay back to relax
while this sick shakiness lasts

I hope your Saturday's been good
and you felt all my love surround you,

Michael P. McParland

Quietly Reading And Dreaming

Sitting down in this quiet,
a few candles lit for moods sake.
Just reading through my many books
getting lost in the stories
through which I try to calm my spirit and heart.
I either dream of us as the heros
and true loving partners of the story,
or just holding each other while we read together.
I sit here so quiet getting lost
in my books and the candles flames so brightly burning,
and they carry me away as they make me dream
of your gorgeous eyes so divine in their sparkling.
My heart needs the soothing as in my loneliness
I am so badly hurting and I read my books
before resting for a bit dreaming of you
my best friend and true love as I do both.
So I close my eyes now to see your sweet smile
before I continue quietly reading for awhile,
and then I will dream of you in all of your
supreme heavenly glory when I rest in a bit
and dream of you resting your head on my chest
as you held me so tight helping me to feel
accepted and safe.

Michael P. McParland

A Beautiful Afternoon With Sweet You

to and around the beautiful duck pond.
A beautiful afternoon with sweet you
is what my aching heart needs so very much
and feeling your love makes me smile
inspite of feeling so lonely my baby.

Relaxing To Your Sweet Smile

I am not feeling well at all
tonight my sweet babe,

and dreaming of your heavenly voice
just wishing we were talking and that

The Duck Pond

Such a gorgeous place to walk around,
the pond sparkling while the ducks quack
and geese honk wanting bread and all you've got.
They are beautiful as is this space.
A beautiful place to sit and think,
working out in your head all life's things
so very clear in the fresh air.
The duck pond is a heavenly place
to go sit under a tree while you read,
and to take a walk to feel so good.
I love the duck pond and all the life it holds,
it is so calm and soothing that my soul smiles.
It is a place you can take the one you love
and just sit and talk without one word.

As spring now is almost truly here in it's
best times weather wise I can't wait
to go out and sit with my book
while my head and heart are filled with dreams so bright.
The duck pond is solid gold
and in it I see and feel all Gods love.
I will be sending all my love
to those ones I care for most of all
hoping through my prayers while there
they will feel the beauty and the gentle breeze,
smile as they hear the quacks and honks
of the gorgeous geese and ducks.
The duck pond truly is such a precious space
and I hope it's something all have too
to help beautify their lives and world.

Sunday Afternoon With My Sweetie

It is now Sunday afternoon here
my beautiful sweetie so wonderful and rare,
it is not so very cold but it is
overcast and a bit chilly for sure.
So what better thing could there be
in the entire amazing expansive universe?
Snuggling up with my Angel as I turn
the fan on and then hold you tightly
under my big fuzzy orange blanket.
A sweet April Sunday afternoon
with my diamond in the rough Kira
is what my heart aches for and calls now.

To just spend a wonderful loving
Sunday afternoon with divine you
would be heaven on earth and the most
special thing that there ever is.
From cooking you lunch to giving
you the most relaxing massage,

because you truly are the entire worlds beauty.
God bless you my precious Angel
and feel me right there beside you
as you are my sweetie and I truly will

Rubbing Your Back 2

It doesn't get easier as time goes on,
in fact the loneliness gets heavier
without my only one right by my side
so I can reach right out and take your hand.
The tears prick at my eyes as the butterflies
and tinglings of love call so strong
for you deep inside my heart, my mind,
my soul, and my loins, all of them
in pure true love ache for you.

I wish I could just sit with you
on this night hand in hand
while I look in your eyes to tell you
that you truly are so beautiful,
to let you know you are divine
and that I am yours alone forevermore.
Then just to have you lay down
on your tummy my sweet girl
and rub your badly aching back
up to your neck and right down to your legs and feet,
I want to spend the night with you held so tight
rubbing your back, talking, and sharing kisses oh so sweet,
I truly need you girl because you are my everything.

So through this night feel my hands upon
your back just massaging it as well
as my arms wrapped oh so tight to give you
great warmth and love to help you feel safe in all my strength.
Have a great night my Queen and know you're loved,
you will always be my one and I can't wait
to spend these nights holding hands
with my best friend I so adore and truly love.

Michael P. McParland

and my hero whom I want to be with forever.
She is Gods most special Angel
and no one and nothing can take away
my unconditional and undying love for her
because she is the one I have always loved,
dreamed of, and prayed for in every way
since we met on that fateful day.
She is Gods most gorgeous Angel
and since before we came to earth
I know we were best friends who truly
shared a bond and loved each other.
So God bless you my dear best friend
you are the best, my everything,

and I choose you my blessed beautiful girl.

Hitting The Moon And Stars (Magic Beans)

Reaching for the moon and stars
just losing myself in the music
as the magic beans hit me hard.
I feel alive, I feel the comforting heat
that they give to me.
I feel so safe while lost within their charm.
I can feel so deep the great musics beat
and I know of all that my hero Falco sings
from drugs and alcohol to the deepest love.
Along with Drahdiwaberl and some of my
favorite music stars I hit the moon
and rock along just dreaming in the warmth
of all my most beloved and favorite things.

I now feel the rush in whole
as it fills my mind and body
taking me to the moon and stars.
So by starlight I will sit and dream
as I listen to music, read, and watch a little TV.
I feel so much more control in the
intense boost of sensation now
and as the magic beans course through me,
I just want to escape into the beauties
that have always made my heart and soul sing away.
I am now among the stars as I sit
here feeling loving warmth on the moon
and smile down sending love to all those
people and those things I so adore.

Flying High For You My Love

Flying high in the sky
I long for you as I dream
of all the times I pray will come.
I pray that you will always know
of my unconditional love that fills my soul,
flying high on the wings you give me
for you are my light and hope
and the dream of a joyful future
that I want as I serve my Queen
and knowing my best friend is right there with me.

Though I feel so very sad and lonely now
I am flying high on your exquisite
beauty that you are.
Having looked at your picture dear
and seeing you smile made my knees so weak,
my heart ache in longing need,
and yearning to just see you
and show my whole heart to only you.
Flying high with the last bit of life
these wings hold,
and they have life just because of you,
my Angel sweet, my Angel true.

So I dream of you the one I need,
the one I hold in my heart
and soul forevermore.
Through all my confused aching
that encompasses me now
I think of your loving smile
and holding you today all the while
as we dry each others tears
and say babe I've missed you
and so very deeply love you,
I will be yours forever and ever.
I fly so high to give you all
the sweet sweet kisses we both are needing.

So I spread my wings now to fly so high

and give you all the loving warmth
and strength for you I hold inside,
and ask God to bless you with joy now
and to know you are so cherished
and forever truly loved.
I am flying high my dear in spirit now
so you will know I'm there
watching over you giving all that
I have and all I can to make my Queen
feel so safe, cared for, and very warm in full.

restful sleep disturbed mostly
by bad and strange dreams
I want to spend this late Sunday evening
with you knowing the happiness and joy
of having my Kira here beside me.
There is always a loneliness when waking babe
and feeling your soft loving touch

Night Note 255

Sitting back on this night
my darling so sweet,
so very beautiful,
and so very bright.
I have been mostly reading
to see us in the wonderful adventure,
as well as listening to my
audiobook which I see us in
as well dear.
Sitting back dear feeling
great many tugs of desire
as I dream of you wearing
that big beautiful smile
as I hold you and kiss you.
These tugs of desire are from
yearning and longing to just
be with my best friend
whom I love so purely.
The need to have you with me
and to just know your
soft loving touch will be so
very amazing and fulfilling
giving deep joy unequaled

A Night In Need

My sweet love awaking now from my catnap
and all I need and want is you on this night.
A night in need of your heavenly
voice and presence as we talk.
A night of need to see your smile
so bright as the shining moon and stars
whom one day we'll walk hand in hand among
sharing the greatest closest times.
A night in need of such closeness
with my dear Queen to thank you completely
and show you your great meaning and worth
to me by giving you all of myself in every way
which for no one else I ever will.

It truly is a night in need of sharing
and to find pure understanding.
A night in need of tight snuggles
as we share our many many thoughts,
our feelings, and our many life stories,
it is a night in need of finding ways
to forever be right there as we need
so we can support and help each other.
It is a night in need to just
be with my beloved and precious Kira
giving kisses and soft caresses
letting her know she's not alone
and need never worry of being so again.
It just is a night in need of you and me
helping each other and enjoying ourselves
just feeling joy, and contentment knowing
we have our best friend to share our hearts loves and cares.

So again my love for me it is a night
in need of you and all the joyful light
and endless loving hope.
A night in need for me to do for you
everything I can in all you want
and all you need because you are my Queen.
I want to give my Angel all I can

going above and beyond to give you pleasure
and to give you joy in every way I can.
It is a night for closeness with skin to skin
two great souls in true love knowing
each other in the most pure and sacred way there is.
It is a night in need to just hold you tight
before and after we have shared that light,
and just thank my best friend as we talk
about all our hopes and dreams to share
both in this life and through the next.
It just is a night to gaze into your gorgeous
sparkling eyes where to only you I will
let you see my open soul so you can truly see
what a wonderfully beautiful woman
you are and that I love you more than anything
in heaven or on this earth forevermore.
It is a night in need of spending time with only you.

Dreams Leave Me Longing

From mid evening yesterday
to the late morning here
I was in bed asleep
pretty much the whole time
my heart and mind weighed down
by the many stresses and worries
in many places of life I have going on,
including the heaviness in my
heart, soul, mind, and core
of missing you and worrying about how you are,
as well as being sure you're still angry at me
and I don't know what to do to take care of you
right from here like I want to when you
aren't talking so I can calm and soothe you
in the most special way when I know
exactly what is wrong with my Queen.
Those are the waking dreams that leave me longing,
of us first talking and then you being here
so we can hold each other feeling so good.

Then last evening when I finally fell asleep
it was most restless and filled with bad dreams.
Then after a number of hours the dreamscape changed
and you were there though first unreachable,
and then when you were you were upset with me
and mostly ignored me except to let me know
that you were so upset and hurting,
then not knowing what to do I began to
go on my way and turning back you were looking at me
as I said I love you so much,
and then you said I love you to and we
embraced and kissed over and over before
spending much time together.
Now being awake I am filled with such longing
and very bad aching that won't go away,
because you are still not here
and as of yet I don't know when you will be.
God bless you my sweetie you are my everything
and dear beloved Angel.

I miss you my Queen and I need you
because I so truly love you.

So my sweey dear never forget that you are
my dear beloved perfect dream girl
and I am in need to have you here
by my side where I can so tightly hold you.
You are a dream come true my pure
sweet Angel dove my heart holds dear,
and you are my Queen I so long for
and want to share everything.
You and your love truly are a blessing
and gift I am so thankful for,
and I just want to celebrate our great bond
for eternity as one of the few people ever
who get to know their true best friend
with a deep love that has no end.
I love you my Kira for you are my diamond
and I cherish you because you are a beautiful
and amazing woman.

Michael P. McParland

My Beautiful Woman 6

Oh my dear beautiful woman
what a long day and it has been
of longing, yearning, and aching.
Today early this morning after
paying the bills I lay back down
aching so much and feeling stressed
from so many things I just wanted to rest
and listen to my audiobook
in which I dream of me and you in that journey through.
My beautiful woman I fell asleep dreaming of us
and slept for so very long before I got
startled awake from all of my dreams.
I just wanted to sleep to see my beautiful one
and get a grip on my stresses and fears.

After I abruptly woke up my sweet girl
I was out the door to get the very little
shopping I was able to do done.
I thought of you while I was out
and sent all of my strength and love to you
while my aching heart sung out.
Feel my spirits touch and don't be sad
or upset because I am trying my best,
oh my beautiful woman you truly are
my sweet Angel dove and the very best.

So as the late afternoon has arived
along with me getting home
I send you sweet loving kisses galore
that are so very tender, passionate, and warm,
feel my arms around you and remember
I'm always yours and will never leave you.
God bless you my Kira you are so very beautiful
and truly amazing,
I just want to spend eternity sharing
all that the universe has to offer
with the most divine Queen God's ever created.

Michael P. McParland

Good Morning Beautiful Kira Of My Dreams

A very beautiful good morning
to you my sweet sweet beautiful Kira,
feel my hand within yours as I
reach out in spirit to take it
so tight and lovingly to fill you
with all of my endless love, warmth,
and strength for my beloved Angel
I'll forever want and need.
I'm aching very bad physically as I wake,
from my arthritis and joints
creaking and rubbing so bad,
to the area of my minor surgery from Monday
burning and irritating a bit
with my sinus infection still flared up.
I know you hurt too so badly sweet darling,
both of us inside as well I know truly,
so I wish we could just hold each other
me taking away your pain as best I am able
and feel mine just fade with your love

Running Chores With You

As I run out here shortly
to finally put a wrap on all
of the things so stressing from yesterday
I wish you could be with me
so for each other we could be close,
show our support, and holding hands
kill all the loneliness that has been there.
Without you the world has felt
so very much more cold and cruel.
so I just want to give you kisses and smiles,
and for you to be with me as I'm
running around out there getting chores done today.

Just a few mostly simple things to do
so we could just take a ride afterward
through the country side enjoying the beauty
that surrounds and fills us my sweet love.
I just want to be out and about with my only love
enjoying the life of which we both dream.
God bless you my Queen for you are supreme,
a truly divine woman whom I want to be with
and give all of the best
with all of my love forever and ever.
I love you my dear more than ever
and just want to spend each day with you
no matter what is going on or what I am doing.
I wish you could be there just running chores together
with so little to no stresses filling us in the least.

Michael P. McParland

Michael P. McParland

A Stressful Day

Oh my dear what a stressful day it's been.
Having to call around for the pharmacy
to get my prescription straight
and they still are messing it up.
I'm sorry sweet girl that I've not
been on more to say I love you so,
but in my stressed out manic mind
with racing thoughts it has been so hard
to focus in and keep things straight.
I love you so and wish I had you here
to help make each other smile
as we spent good times with little need
for stress or worry when we are with
our golden Angel.

Oh my dear such an anxiety ridden
and very stressful day
and I wish I could just kiss you
after all the dust has cleared and say thank you
babe for being here and understanding
just how difficult all these things can be.
It's been a stressful day and among all things
I've worried over you praying that you know
you're not alone and so truly loved
as I stand beside you always and now
hand in hand forevermore.
I love you dear and wish you could be here
to help take care of each other on an
exasperating and stressful day.
I adore you dear and am right here for you,
and again I thank you for being you
and all you do for me the man who truly does
love and care for you more than anything.

Michael P. McParland

Morning Note 219

A beautiful good morning
to you my beautiful beloved dear,
and I send many a sweet sweet
loving smiles and kisses your way.
As I lay down to lightly
catnap for awhile I dreamed of you
in all of your fine loving beauty.
Now as I prepare to do
the dishes and play some
video games I have not played
in a very long while
I wish you were here to talk to
and spend time with
truly making this a morning worthwhile.
I smile in longing
with a heart so filled with yearning
to just hold my dear Angel
and spend a great day doing
so many wonderful things together.

Again I wish you a good morning
my sweetie and pray that your heart
is okay and feels all my warmth
and deep love I have for you
my dear sweet one.
I think of you and pray that
you know you are appreciated and cared for,
and that your Michael wants
and needs you more than you know.
I love you sweet Kira and it is
because of you that I hold on
in my desire to share a great life
and give all the best
to the most wonderful woman
I've ever met and has ever
existed in heaven or on earth.
God bless you my Angel
you are the best.

Michael P. McParland

Soft Mid Night Touches

I have been up for a short bit
and my mind has been blank
except for being in a manic state
thoughts racing around so very fast.
My mind quickly filled with many memories,
and then my stresses and worries inexpliably,
with ideas that often come and go
so very quickly the one that remains solid
and is always there to make me smile
is soft mid night touches with my beloved Kira.
I so want you and need you beside me
to spend a good night talking about everything
we think and we love about life together
and all things we have experienced,
along with soft kisses and caresses
making this night so calm, amazing, and wonderful.

So since awaking my darling the one thing
that has been consistent in my heart and mind
is just wanting the soft loving touches
of care and affection to share with my Angel so fair.
All I have wanted was to feel your soft
and beautiful pale skin upon mine
before I get up to do my chores and before
we must face a long Monday ahead.
Soft mid night touches with Kira are what
touch my heart as I know it will happen,
I just wish it could be right now
as I told you I love you my sweet girl.
So have a good night my darling Angel of light
and feel my arms around you in spirit,
your soft mid night touches are what will
make life worth it all my dear darling,
because you are such a beautiful and amazing woman
whom is my dream in reality
and the entire worlds beauty.

Michael P. McParland

A Sunday In

A very good late Sunday morning babe
and I just want to spend this day in with you.
I just want to relax and rest
with the one I love the best,
and just share kisses as we
hold each other oh so close.
I want a Sunday in with you,
a whole day date for me and you.

I want a Sunday in to spend a good part
of the day in bed sitting up to read
and lying back while we talk
listening to music and audiobooks as well.
I longer for a Sunday in with the one
I so desire and adore helping you to know
just how much you mean and how great you are.
I want a Sunday in, a day long date with my only one,
and just share pure joy in all
the endless caring love we truly share.
A Sunday in with my sweet girl
is all I need and want more than anything there is.

Michael P. McParland

A Little Rest Now

I am feeling quite tired now
my sweet dear and I am ready
for a good rest to help cam my heart now.
Through all of the night it has
been hurting and aching so bad,
as I miss my sweet love who is my whole world.
I was hurting and aching as well
as feeling frustrated by many other things
weighing on my mind my sweet lady,
and it has all made me so tired
I am in need of a rest my dear one.
So I send you sweet kisses
and great big hugs filled with
peaceful strength for you,
and to tell you I love you
and just wish I could be snuggling
with my blessed Angel.

Michael P. McParland

Looking At Your Picture Tonight

After dinner sweet love I just
lay down and put on my audiobook
while gazing upon your beautiful picture,
and as I have awoken and am about to rise darling
I will be carrying the picture of
sweet beautiful you within my heart and mind.
From the moment I go in to shave my head finally
and jump in that shower where I will be longing,
yearning, and dreaming of holding you,
just wishing we could be sharing sweet kisses and smiling.
In my heart and mind through those things tonight
I will be looking at your picture in my heart and mind.

Later as I sit down to read more of the book
where I dream of you and me in the story
I will be keeping your picture at hand
to be able to look right over and see that
great big smile that makes my knees weak
and gives me strength and great tinglings.
It will give my a deep joy and reason to smile
as I look upon my dear best friend and amazing hero.
I will also take your picture and hold it
next to my heart as Isay I love you my darling,
you are my Queen and sweet Angel dove I treasure truly.

So throughout this night from shower, to reading,
and then watching Simon's Cat, YouTube videos,
or a really good movie I will be carrying
your perfect picture to look at and smile,
to say thank my sweet love as I feel
you so near and your loving arms around me.
I have been looking at your picture tonight my dear sweetie
and it just reaffirms as always you are
my bright shining northern star and only one
I truly want, need, love, and adore.
I want to spend eternity looking upon your pictures
aplenty we'll take together as I also look
upon beautiful amazing gorgeous you.

Michael P. McParland

Reading, Dreaming Of Us

I have been reading much today
my sweet beautiful darling,
and much like in the audiobook
I was listening to I see us both
in these stories I so enjoy and love.
I just see us lost in the adventure
being each others rock as we go along,
just feeling so close knowing we are
with the one we can and do truly trust.
It has set my heart aflutter and filled me
with butterflies as I dream of you
and me in the adventure while I read.

Always helping each other through
all of the dangers, unknown, and perils.
Sharing all of the joys and closeness
that true best friends feel for each other
as we stand side by side hand in hand
in full support and endless care.
As I am reading and simultaneously dreaming
my heart calls to you saying
I love you through and through
my sweet precious Angel so very good.
I am always dreaming of you in some way my dear
as I long for my dove Kira so beautiful and pure.

So as I continue through this evening
first attending to the cats,
then a nice shower before I'm back to my book
I will be dreaming of us in that story
and all the wonderful things we have shared
so far in life and of those things
that will come fulfilling all that we yearn.
I love you sweet Kira and you are my heart beat,
my smile, and my reason to go on.
So one day we can read and listen to these
stories together enjoying them all
in our minds as well as some in reality.

Michael P. McParland

A Quiet Saturday Morn

A beautiful late good morning
to you my sweet babe,
and a quiet one spent with you
is what I desire and need.
To lay back with you now
and kiss you with soft caresses galore
and just talk as we relax
spending a quiet Saturday morning
in each others arms feeling so close
and joy as we snuggle up with our best friend.

It is a quiet Saturday morning
and as I lay back to do a bit of catnapping
I just want my sweet Angel and your soft loving touch
to make this morning truly heavenly and amazing.
I just need a quiet Saturday morning with you
my sweet gorgeous lady to clear away
all of each others stresses, worries,
and loneliness by just holding
each other and saying it is all alright now baby.
Have a good late Saturday morning my beautiful Kira
and know that your Michael is right here for you.

Michael P. McParland

I Sleep So Much

I sleep so very much
and I sleep so very long
so much of the time
in great part to close my eyes
and see the most perfect picture
of my divine and beautiful only one.
I sleep so much and oh so long
to try and help ease the ache
of deep loneliness and missing you I feel.
I rest my head to feel your spirit
oh so strong right next to me
and send my love in full to my only one
who is my beloved gift and best friend.
She is a diamond in the rough,
a blessing I cherish and adore.

I sleep so much and so long at times
because I am very stressed and tired out
from so very many things.
I am worried right now about so very much,
which includes you and my prayers
that you are well and know you're not alone.
I get oh so tired from my meds
and need to sleep the exhaustion
of them, the stress, and the worries away.
I wish so much that I could lay with you
my pride and joy, my pure true love.
I many times sleep so much and sleep so long
to see you and our good times while I drift off,
to feel your hand in mine as I take it
and you in spirit within my loving arms.

I sleep so long and I sleep so much
and then many days I'm filled with guilt,
I get upset and feel even more deeply stressed.
Quite often I just meant a catnap
which turned into many an endless hour,
I'm so sorry dear please understand what has
been happening through most of these days,

I wish I could be enjoying all these hours awake
with my precious rose Kira, my delicate flower I admire.
I so often sleep so much from all these things
and I ask thee dear to understand and forgive me
if it has hurt or upset you in any way.
I love you more than anything
and want you to be proud and filled with joy.

Michael P. McParland

Night Note 253

A very good night to you
my sweet sweet beautiful girl,
after a long day of the most
lonely and longing sleep
I rise to the yearning desire
and want to be with
my beautiful one kissing you deep
and snuggling tight to start this night.
To sit back and talk with
as I cook a little snack
for both of us to enjoy,
it is such a pleasure to cook
and share with the ones I so love.
God bless you my sweet Queen
that after so many nightmare filled dreams
I want to be with you
helping to chase both all of our
fears away in pure loving warmth
and full care.

I wish a very good night to you
and pray you felt all of
my warming love and care throughout the day,
I pray you were not upset
and your tears wre none
and if there were they were to so few.
I miss you sweet lady and feel
so depressed sad and spent without
you here right now,
and my heart waits and calls
knowing that one day joy,
excitement, and the love of my life
will return with all of your light.
So as I get up to just go about
whatever I might I send you sweet kisses
and big hugs so filled with
all of my strength and love.
God bless you my Queen you will
forever be my sweet Angel dove

and I can't wait to give you
all of those things you've always
wanted and need to help you see
you are amazing and a gift
to this world straight from God up above.

Michael P. McParland

before I lay my head down,
I will be sending you sweet sweet kisses galore
and asking God to keep you safe
and to help you be okay
and know that you're truly loved.
I will be dreaming of you
and reaching out to take my hand in yours
so feel me right there by your side

and drift away to heaven on your divine voice.
Dreams of telling you that you are beautiful
and to see the knowledge that you know it is true
and that you feel all of my strength and love

will be okay because I am with you always.
I have dreams of you knowing you no longer need
to ever worry because you have faith in me
and know for sure of the truth that I'll never leave you.

For you to sit beside me holding hands
while I eat and listen to you

and to help you through anything
that may be on your mind bothering you.
I want to make sure you are okay
first and fpremost above anything,
and then spend this whole night holding you.

I am so filled with waking desiers
and smiles for you wishing you could
be here as I eat first then relax for a short bit.
Then to jump into a nice warm and relaxing
shower I need for so many reasons my dear,

Michael P. McParland

Night Note 251

Sittin back right now
reading my sweet Angel dove,
and I am filled with such
a deep lonely sadness
I can't fully desribe.
A few other things still bother me,
and I am aching from missing
my sweet beautiful lady.
I just wanted to be curled
up and so cozy with my dear sweetie,
as I read a bit more and then
make nice snack for us to have
while finishing my film.
I need to hear your sweet divine voice
while I feel you soft delicate
loving touch as I tell you I love,
I will never leave you,
that you are safe with me baby,
and I wilstand beside you
holding your hand forever and ever.
God bless you sweet girl
you truly are a rare precious jewel
and I would do anything
to have you here by my side
to have and to hold right now.

So I will continue to dream of you
as I go through this night.
I will be sending you all of my warmth
love and strength to comfort you deep,
along with that will be the
sweetest ever of kisses to shower upon you
as well as huge hugs to help you
feel safe and so deeply cared for.
I miss you sweet Kira and deeply long,
ache, and yearn to have you beside me
to spend the whole night feeling so close
having a good time with my divine best friend.

Michael P. McParland

Tender Thoughts

Tender thoughts of you have filled
my dreams and my heart while
for a short while I catnapped.
Listening to one of the podcasts I love
I just dreamed of holding you
as I lay on my back,
I dreamt of rubbing your back
and stroking your hair while you cozyed up
in my arms and rested your head on my chest
both of us wearing the biggest smiles.
Tender thoughts for sweet you
fill me up to bursting,
and all I want to do is tell you
I love you while holding you near.

Tender thoughts of you my sweet
beautiful Kira fill my heart and mind
and give me tinglings and butterflies.
Tender thoughts of sweet kisses
and sharing touches so soft,
jusy giving you all of the love that I have
as we spend time catching up
from all that we were forced to miss,
tender thoughts of us just talking
and having fun set my heart aflutter
and reaffirm deeply that you are my only one.
As I go through the rest of this night my darling
I will be tenderly longing for you
and thinking of all the things we will do.
So hear my heart calling and feel my arms
around you to snuggle in spirit
and never forget that I will be yours
to end because you are my Angel and Queen,
the most amazing and beautiful woman
that there's ever been.

Michael P. McParland

Hold Each Other Tight

I so want us to be side by side
and holding each other so very tight right now.
I have something on my mind
about something else and even though
it isn't something very big
it is something I wish you could
help talk it through to just help
my mind be at ease with things
and then spend a fun night
holding each other tight watching some movies
as I cook us for a snack some delicious bacon,
and I can just cover you in sweet kisses
while listening to audiobooks and watching videos.
I just need and want my precious Angel so bright,
because I love you so purely and want to
give you all the appreciating love that you want.

I so want and need you to be here and talk,
not just about what is weighing on my mind
but everything that is on yours dear.
I want to hear your needs, and your worries,
your thoughts on things aplenty,
and help you through whatever you need my dear sweetie.
I want to spend the whole night
holding each other so very tight
telling each other I love you and showing
our best friend just how special they are
by doing and sharing so many things together.
Please come my sweet one and let me take you

After getting some very good sleep
after I arrived home from getting
my medications right after I wrote you

getting myself awake and going.
I am so sorry I dropped off like that
and did not write you first,
but I did not know for sure that I would
drop off so long and so hard.

Beautiful Morning With Kira

Good morning my sweet beautiful cutie,
as I awake after a few hours rest
I send you sweet sweet kisses and hugs
to help start your day in the brightest way.
This day will be good but not nearly as such
as if you were here with me to spend time
doing all the wonderful things we want and we must.
It would be a truly good morning
if I could sit with you as you drank your coffee
before we ran out in this cold winter
to go and pick up my prescriptions.

A beautiful morning with beautiful Kira
is all that I truly want and desire.
How else can I put it that I want and need you?
Because you are my sweetie and I love you.
I know not what else to do on this day
but if you were here we could play
some fun and wonderful games.
Trivial Pursuit with you would be a treat,
Yahtzee, Parchessi, Battle Ship,
whatever you fancy would be great.
To sit and write something new
collaborating with each other
which is something I've never done
and would only do with sweet you.
A beautiful morning with you my sweet Kira
is something I would so dearly treasure
and hope to soon do that forever and ever.

So a very wonderful good morning to you
my beloved and beautiful best friend
Kira I love and adore to no end.
I so deeply miss you but still will smile
because I can feel you with me so closely
and you give me hope eternally.
I thank you my sweetie and may God bless you
to feel all of my deep care and appreciation,
as well as all of my sweet kisses and strength

as in spirit I hold you so close.
Have good morning and a great day my sweet sweet
beautiful Kira I love you so much
and am always right here for ya.

Michael P. McParland

Night Note 249

A very good night to you
my sweet beautiful soul mate,
hero, and best friend
I truly love.
As I sit here doing random stuff
I am aching inside wishing
that you could be here
sharing your company
and your warm snuggles
as you sat by my side
helping me do these
odds and ends I've so wanted
and needed to take care of
for quite a long time.
I desire to hear you voice my sweet Angel
and feel your soft touch
as we held hands.
I so want and need your wonderful presence
so we can help dry each others tears
and feel our hearts beat together.
I love you baby because you truly
are my divine sweetie
and you are the holder of
my heart and soul forever and ever.
Feel my arms around you
as this night goes my true love
and feel the strength of my love
through the eternal bond
that we have always been sharing.

Michael P. McParland

My Dear Little Angel

I love you my dear little Angel,
you come in a beautiful package
so very small but you have the biggest heart
and the brightest pure soul.
I truly love and adore you
my dear little Angel for just who you are
and I love you from outside and in.
You are so sexy in the body you have
and it drives me wild because of the
wonderful woman who cares it around.
My dear little Angel I also deeply love
your heart and mind for they are so filled
with intelligence and loved so rare
and truly hard to find.

My dear little Angel I wish
you were here to let you know
you are special while I held you so near.
To just spend a wonderful
and amazingly fruitful night talking
andletting each other know we're so very special.
My dear little Angel you are a treasure trove
as you hold so many wonders and joy.
Kira I love you and truly know
you are my one and special Angel
and I want to be with you forever and ever.
My dear little Angel feel my hand within yours

Michael P. McParland

Happy Birthday Hans

Happy Birthday Hans 'Falco' Holzel,
you would have been 60 today
but depated so tragically 19 years ago
a week before your 41st birthday.
This world's not the same
as it lacks your very great art,
thankfully though we still have
all the wonderous things that you did
while still on this earth.
I miss you my man as do so many others
who adore you and your music to no end,
I look forward to seeing you in heaven
and hearing all the wonderful new things
that you have written.

You were a wonder from the beggining,
a prodigy a wuderkind.
Then as you grew older your talent
and genius only grew stronger
as you played bass with Drahdiwaberl
and were discovered when you wrote Ganz Wien
and were seen singing as Stephan Weber
was off stage changing costume.
From there you still worked with them on occasion
but quickly conqured Europe and then the world,
you have the only German language number one
in Americas history how great that is,
especially when it's nowhere near your best song.
Happy Birthday Hans you are now an Angel in heaven
going on ever so strong and I smile
whenever I hear your music because it is soul food.

So a very Happy Birthday dear Hansy
and I send my loving cheers to you up in heaven.
I will be listening to Eizelhaft your first album
which begins with my favorite song Zuviel Hitze,
with my second favorite song Pusher on your great
album Data De Groove which so sadly is out of print currently.
It is so sad that many of your albums

never got the appreciation of which they were deserving,
but people hear them now and they get it.
Even though you and your wife were estranged
I know you loved here till your dying days
and treasured your daughter above everything.
God bless you dear Falco and Happy Birthday,
you are so loved and missesd and me and my love
can't wait to sit down and hear all of your tales
and new music you've made.

Michael P. McParland

Evening Note 125

A very good eveningto you
my sweet sweet beautiful Kira
as I rise on this Sunday eve.
After getting some pretty good sleep
I just want to see your smile
while I snuggle so closely with thee,
and then to have a nice dinner with you
before taking a nice refreshing,
cleansing, and soothing shower so good.
All I need in this eve as I rise
is you my sweet dear right by my side.
You are my Queen and the Angel
I so adore,
God bless you my dove forevermore
because you are a gift straight from
the bright shining stars.

To start this eve I would
just like to listen to Falco
with you as we snuggled up
to help each other feel all of our love.
Today is his birthday
and he would have turned 60,
it's hard to believe he has
been gone now for 19.
I am so happy I have you to
appreciate his artistry
and the man with me,
music I adore and love so much
I will only share with those
I love and adore just as much
because as you know it is
a very personal thing for me my sweet girl.
That's what I'd love to do with you
as we snuggle so good,
and then later in the shower
just hold each other talking
and smiling as we listend to
his album Junge Romer.

So I sit up now here on this eve
thinking of you as I get myself going.
I truly miss you so much
and am in need of your kisses and hugs.
I love you sweet drear more
than you can ever know
and will stand by and fight for you
through all of time as your
faithful and loving Michael
who will give you my whole life
and everything in it.
You are my Queen and you are my Angel,
you are my best friend and soul mate
whom I truly love and want to be with forever.

Michael P. McParland

Holding My Angel

All that I want right now
is to be holding my Angel
of light so very tight
while telling her I love her so very much.
What more can I say than
I need her so badly right here in my arms.
I don't have the words to express
my passion for this amazing woman.
I am so tired and just want her here
to enjoy these night time hours with relaxing
as I hold her so closely letting her know
she is appreciated, adored,
and will never have to face this world alone
ever again because I am her man
who will stand by her side through all eternity
giving her true love and support to no end.
I just want so bad to be holding my gorgeous Angel
giving her all of the peaceful loving comfort
she wants, needs, and desires.

Michael P. McParland

Night Note 248

Finally near to feeling completely
better my sweet beautiful Kira
I am about to get up so I can
enjoy the quiet of night
in all of the best manners.
From a lot of reading to watching
more of the movie I started
before I getting quite shakey
I will be doing that and quite a few
other things to make this night
as good as possible.
Having you here though is what
would make it grand in total
as we shared all of these things
and more together.

So ai I soon get up
and not long after take
a wonderful shower
I will be dreaming of you
my sweet and beautiful
Angelic Kira.
I want us to spend time
and both of us be able to show
in full how important and special
to the other we adore and admire.
In just want this night with you
and every one after because you are
my Angel and best friend with whom
I share the most blessed and celestial bond with.
I know you're the one
and you truly are the only one

my Angel Queen forever and ever.
God bless you my sweetie
for me there is no other

and I am so thankful to God
for helping to bring us together.

Michael P. McParland

A Great Saturday Night

Sweet sweet Kira you are my most
beloved and beautiful darling Angel.
I am starting to feel a bit shakey
and I do not know why,
I wish I could just snuggle up with you
while this shakiness passed,
to be with my precious Angel would
in all ways make this Saturday night great.
To just wrap up with you while I get feeling better
and then afterward when we can fully enjoy each other
is what makes this life worth living
and would make this Saturday night so very amazing.

A great Saturday night would be one
spent with my beautiful Kira sharing
many things in this we world we love
and enjoy taking part in.
It is only with you that I want to
and will share many of my loves,
my desires, and thoughts a plenty with only you.
So I just want a great Saturday night spent
with the most amazing woman that's in my heart
both as I get feeling better and then after
because I love you so deeply
and want to spend forever with you
my true Queen and Angel I so cherish,
adore, and admire because you are my best friend.

Michael P. McParland

Your Words Are Wanted

Your loving words are wanted
and needed so much my sweet love.
Your words and your thoughts
of great meaning and depth are wanted so much,
I just want the words of my best friend
on this afternoon as we spend time.
Your presence is wanted so we can talk,
because you are a treasure
and the woman I truly love.
Your words are wanted to help make
this day truly worthwhile
as well as bring light and joy
to both of our souls which long for our best friend

Michael P. McParland

Wanting To Wake To Your Smile

Finally waking fully from a good rest
from finally lying down in the early morning,
and I wish I were waking to see before me
the very thing I dreamed of and felt
comfort in as I drifted off for a light sleep.
I am wanting nothing more than to
wake with your bright shing smile,
with sweet kisses as well as we say our

I ache deep inside to see that beautiful
heavenly smile of yours that fills me
with endless desire in my undying love.

and give you mine in return as I gaze into
your amazing sparkling gorgeous eyes
that take my breath away my sweet Angel so fine.
I need your smile my sweetie because
you are a beautiful woman and I truly love you
and want to spend eternity smiling at you.

Michael P. McParland

Early Morning With Sweetie

I am not yet totally done
with my major chore my sweet Angel dove.
I took a break half way through
to sit back and read watch a bit of T.V too.
If I had my choice and God would grant us
one very special wish I would wish
to have you here with me to snuggle and kiss.
I am starting to feel quite a bit tired
but I feel like I could stay up forever
as long as my dear sweetie wanted.
Then when you would be ready to get some
good restful sleep with your Michael
you could just rest your head on my chest
as in each others arms we fell asleep feeling so charmed.

I so want and need this early morning
with you my most beloved and beautiful sweetie.
For both of us to feel comforted and safe
just letting our best friend know
how very much we care for and appreciate them.
I need this early morning to talk with my sweetie
and be soothed by your divine voice I have so missed.
I am aching sweet lady and desire nothing more
than the woman I love to be yourself
and give me all that you want to and need.
I just want to spend this early morning
holding you my dear sweet one
forgetting all the pain of loneliness
that's haunted us both.

Michael P. McParland

Night Note 247

It's a very quiet night
here my sweet sweet beautiful dear,
and I wish you were here
to talk to right now
as I'm feeling a bit bothered
by something else that I saw,
and talking things through with you
has always helped me sort through
those things with much greater ease,
I love you dear sweetie
and want to be holding you
to make our aching hearts and souls
feel tons better as we spend time talking,
kissing, and doing many other
wonderful things with our best friend

great night my love
and wearing a big shining smile
feeling all of my warmth
strength and deep endless love,

I love you sweet Kira
and ache for you dearly,
I pray so very deeply in yearning
that you will return soon
so I can hold you and we'll

Michael P. McParland

Tonight With You

I have caught a couple of
nice hours of rest my sweet one,
and now arising I want to spend
the whole night with my only one
just showing you how special you are.
To serve you in all of little important ways,
and never to forget the big ones as well,
I just want to be with you tonight
both of us filled with total joy.

Tonight with you would be so truly good,
to have you snuggle up tight
to stay so very warm while I read to you
and we both reminisce about our lives times.
Then to have you lay down while we
put on a film and I'll give you a massage
from your neck and shoulders down to your back,
and then your beautiful legs to your feet,
a wonderful and deep massage all over
to help release the aching, the stress,
and the many types of pain stored up in the body.
I just want to spend tonight with you,
a diamond in the rough and the most
beautiful woman in the entire world.

Then after that massage I'll make us a snack
to enjoy while the movie plays on.
Then to just sweetly kiss and snuggle
before bedtime comes to get us.

with the Angel I so dearly miss
because life truly is so empty and colorless
without you my sexy little princess.
So feel my arms around you and know
that your Michael cares for and loves you profoundly

Love Note 581

Waking up now on this
afternoon my sweet sweet girl
and I wish a beautiful one to you
my most beloved and gorgeous
sweet Angel dove.
Last night and through most
of this day I clearly was so exhausted
and far far more than I knew.
I am sorry sweet love as I
never intended to go out like a light
but I closed my tired eyes
and my exhausted body, mind,
heart, and spirit went right along.
I was dreaming of you as I had
closed my eyes and the thoughts
and feelings of your sweet sweet love
calmed my anxious and sad heart
to be calmed and forget all
the anxiousness within.
I thank you my dear and can feel
your arms around me with your hand in mine,
and it fills me with the most
wonderful and loving butterflies
that there have ever been.

So my sweet sweet love know
that I am so very thankful
for you and all of the amazing
love among much that you do and give.
God bless you my sweetie I am
sending you all of my deep love
with warm strength to comfort you,
and feel all of my sweet sweet kisses
shower upon you to know
that your Michael will always
love and adore you.
I so wish you were here to snuggle up with
and I pray that so soon you will be
here to give all my thanks to.

Have a good day my sweet Queen
and feel my hand in yours
as I reach out to take it
and smile at you while saying
I love you my Angel.

Michael P. McParland

Longing Somber Night

Sitting back here on this night
so somberly longing for my dear Angel
who fills me with light and completes me,
I miss you so much my sweet Angel dove
and fear of you pushing me away
once again when I just want
to be sitting and talking with you
and then snuggling with each other so very soon.
It is a longing and somber night missing my one
with whom I want to walk among the rivers
that flow by the path of the moon and the stars.
I am longig so much for my divine Queen
who I give all of myself to forever.

It is a somber night here and will be very quiet
as I just sit, read, do my chores,
and think about just how much I miss you.
In my heart and my mind I will see
your bright smile and you in all of your beauty
which gives me butterflies and reason to live,
I will continue longing for my best friend
I cherish, treasure, and admire to no end
for you are a diamond in the rough
I appreciate and care for fully.
You are my Kira and you are amazing.

So look at the stars tonight darling
and see my big loving smile to fill you with warmth.
Remember that your Michael loves you
and you are my heart and souls crown jewels,
the most amazing and rare shining gems
anyone has every known my dear.
It is a somber night because we can't
snuggle up tight to feel comfort and warmth,
it is a quiet and somber night my sweet love
and I am longing to be with you
no longer feeling the worries in the world for awhile.

Michael P. McParland

Catnap, Rest Your Head

I want you to join me my sweet love
for a nice catnap here after dinner.
For you to just rest your head on my chest
after sharing the sweetest kisses
we could ever dream of and hope for.
I want you here beside me to snuggle so tightly
as we catnap and hold hands while
I rub your back and stroke your long beautiful hair.
I adore you sweet girl and need to
wrap up with you so tightly right now
because I am aching so bad from missing you
the beautiful woman I love, adore,
and cherish more than anything,
I need the woman who understands me
to talk to each other and listen
to heal each others hearts as we are drifting.

Michael P. McParland

Love Note 580

A very good late Afternoon
to you my sweet and beloved
beautiful girl,
I have just arrived home
from the therapist
and before I jump in my
long delayed shower I just
wanted to say I love you
so much my sweet one
and more than you can possibly know.
I am so very sorry I drifted off
on you last night like I did
but was so exhausted I closed my eyes
for just a few and ended up
drifting off until I had to
hurridley get up and get dressed
to head out the door for my apointment,
I wish you were here to make it up to
while giving you sweet sweet kisses
and hugs and have you join me
for a relaxing and refreshing shower
before I cooked us a dinner
so scrumptious, tasty, and good.
I just want to feel your soft
and pale skin against mine
while both of us kiss and smile
under the flow of water so fine.

I will be thinking of you
my sweet sweet beautiful dear
as I go about doing
all of these things I need to
and want to do baby,
I will be sending you the sweetest of kisses
with warm and tight loving snuggles
to give you comfort anf peace,
as well as millions upon millions
of smiles with all of my strength.
God bless you my dear Queen

you truly are so wonderful and great
and I would give anything
to be with you while both of
hearts sang and our souls felt deep joy
as they both touched and we felt
fulfilled and complete
just holding each other and sharing
the true love we feel and so need.

I Want Your Nighttime Kisses

Waking up now from a nice
couple hours of rest filled with dreams
of my sweet whom is the very best,
and know all I want is your sweet
nighttime kisses while we're safe
and secure within each others loving arms.
I just want your nighttime kisses
with your glowing smile while I give
you mine both of us saying I love you.

As we lay here for a few minutes more
I want your sweet nighttime kisses
and I'll give you the candy we both
so want and need each minute more and more.
Then as we arise a nice warm shower
of comfort holding each other
under the flow of soothing water
while smiling at each other sharing those kisses
knowing all is okay and truly good
because we are with our best friend and true love.
You will see me wearing the biggest smile
that you ever have because I would be
with my sweet Angel dove who truly is
the entire worlds beauty.

I truly love you and want you more
than anyone in heaven or on this earth can know
and I want your sweet nighttime kisses
right now above all else while being able
to hold you so very close letting you know
you are cared for, appreciated, and the most
wonderful thing that's ever happened to this man.
So please come so soon and share each others
nighttime kisses that are out of this world
that only God, the stars, and the moon
can understand the power of the bond that we hold.

Valentines Evening

It's Valentines evening now
my sweet beautiful dear,
dinner is done, I have taken care
of the cats in all that they need,
and if you were here we could
have the kids go do their own thing.
Then we could just sit back
feeling contented and good
living our dream and domestic desires
we've longed and waited for so very long.
It's Valentines evening and I want to
sing to you while feeling your soft loving touch
opening myself up in a way I would
do for no other ever in any way on any day.
You are my Queen and I will literally
give you my everything in more ways
than you may know and can imagine
my sweet beautiful girl I love more than anything.

Michael P. McParland

Valentine Love Note 2

I just want to serve my Queen
and my Angel letting you know

and my entire universe.

In my tiredness in this very moment
my mind is not fully working
to create great words for you,

and tell you I love you sweet lady
and am sending sweet and soft tender
kisses with snuggles to you.
I wish you a happy and wonderful
Valentines day my gorgeous lady
and pray that you will be here
on the next one to celebrate.

Saturday Afternoon Desires

Lying back now dear just starting
to recover from a low blood sugar
attack that struck me while
at the library and got very bad.
So now as I lay back to let the last
of the shaking subsist
and all of the ickyness to go away
I want to be snuggling with you
while you held me so tight just saying
everything will be good and okay
my sweet man I love,
and then with a kiss I will say
I love you too.

I desire to soon after recovering
be able to cook you the nice simple dinner
I earlier found a recipie for.
I just desire to serve you my dear
and let my Queen know just how important
and appreciated she is,
and shower you all over in sweet kisses
before and then after our wonderful dinner.
I desire you on this Saturday afternoon baby
to just have so close and have both of us know
deep down that everything is okay
because we have our best friend right there.

Michael P. McParland

Longing For Candy

I so want some beautiful candy right now,
to taste it's soft sweetness
that makes me so happy,
and I want to see you smile
and hear your moans and sounds of pleasure
as we share this most wonderful treat together.

I'm longing for candy so smooth,
soft, sticky wet sweet, and sometimes creamy so good.
The most wonderful candy there can ever be,
a candy I love to share with my lady
because it is a candy so beautiful,
wonderful, exquisite, amazing and dandy.
It is the most delightful candy and treasure
that I love to give and to share
with my most beloved Angel, hero,
best friend and lady.

I will forever share this candy
with my only lady and as I see her smile
and enjoy it I will always tell her
she is so wonderful, beautiful, gorgeous,
a marvel, truly to me the worlds beauty,

A Peaceful Afternoon 3

Morning catnaps are peaceful and fine
especially when dreams of you
are what's running through my mind,
I just wish you were here to have shared
a few nice restful hours with me
before spending a peaceful afternoon
with each other in joy feeling so good.

A peaceful afternoon with a bright sunny sky
the sun shing upon me and my lady divine.
A shower first to get nice and fresh
rather we go out or not just staying in
to talk and to kiss.
I dream of a peaceful afternoon with my Kira
so beautiful and amazing too,
just feeling hope in my heart as I know
one day these things will come true.

I so look forward to our peaceful afternoons
when all wounds and scars will be healing
and one day soon from our true love gone.
Days to just look into each others eyes
and drift away on a cosmic feeling of blissful love,
I adore you sweet girl and can't wait for this time
when I can tell you and show you in full
just how much I truly love you.

Michael P. McParland

Early Morning Snuggles So Calm

Early morning snuggles with you
on this morn would mean the world
to this adoring man.
Snuggles so peaceful and calm
as we watched some TV and had a snack
before a nice relaxing and refreshing
shower in a couple of hours.
I am longing and aching deep inside
for loving snuggles so calm
on this early morning with my beloved
Angel and only one.
I love you sweet Kira and can't wait
to have you here within my arms.

with a reason to smile and be proud everyday
that we are alive in this one and the beyond.

Oh my dear love as I arise now
I want nothing more that to sit with you
getting so cozy while I enjoy my meal.
I love you so much and you are as beautiful
as the divine moon and stars in the sky,
which one day when we can we will

My Hearts Song To You

Hear my hearts song as it
sings out to you now my sweet Angel dove.
Hear my hearts song in all of its
appreciation, deep care, and true love
for you my only one.
Hear its love songs and know that
to my very core the love that it sings of
is totally tender and true.
Hear my hearts song as it sings out to say
I am here for you babe forever and always.

Hear my hearts song as I pray for you
that you will know you are cared for, loved,
and truly never alone because I will
always be with you right by your side,
I'll support you and take care of you
always giving my everything
because you are a beautiful and amazing woman.
This is what my heart sings and asks
in pure hope that you'll soon return
so we can reunite fully and be filled
with pure pride and deep joy in each others

Audiobook Dreams

I was just lying back my sweet dear
to get some good rest for a bit
and as I did I was listening to
the most wonderful audiobook
in which I saw both me and you.
It was and is so very exciting
and it sends my heart aflutter
as I so widely smile.
As I now I arise I wish I could
hold you so tight and tell you of these dreams
for any dreams of you are supreme
but this one was truly above them by far.

A wonderful dream full of anction and romance,
a bong between the charachters like I share
with my lady I care for and love
more than anything in the universe.
A wonderful dream of my lady supreme
that fills me with deep longing
and yearning to be telling you now
as we kiss, talk, and snuggle
through the nights many hours.
As I go through this night I will listen
more to my audiobook and dream of us darling
and whispering outloud Kira I love you.

Michael P. McParland

Late Afternoon Snuggles With Nuzzles

I have just arrived home my dear darling
from the therapist on this late afternoon
and soon to be a cold winter evening,
and at this time I just want to sit back
with my sweetie I so truly treasure
to snuggle with and give nuzzles
so kind, soft, and truly loving.
These late afternoons are made for
best friends and true loves to spend time together
just spending time while snuggling,
smiling, and nuzzling feeling so peaceful
and deeply joyful.

On this late afternoon my sweet darling
I just want to hold you and read from my new book,
then give you sweet and random kisses
with soft nuzzles throughout just
being swept away by your big smile
and gorgeous sparkling eyes which hypnotize me.
God bless you my sweetie I hope that so soon
I will be blessed to have your tight hugs
and blessed presence spending late afternoons
snuggling, kissing, and softly nuzzling
while doing so many things we have dreamed of
sharing with one another.

So my sweet love I send all of my prayers,
strength, warmth, pure and true
never ending unconditional love to you
to let you know as ever that I want only you
and that you're not alone because
I am only yours through all of time.
I adore you my Queen and always will forevermore
and want to be spending time with you
snuggling and nuzzling feeling complete,
proud, and filled with endless contented joy.
You sweet Kira are my only one
and life without you is totally wrong.

Michael P. McParland

Love Note 579

A very good afternoon
my beautiful sweet Angel dove,
I have just arisen
from my so called night time rest
and now immediately must get ready
to jump in the shower, brush my teeth,
and get ready to go see the therapist,
and right before I do all of that
I wanted to drop in and say
Kira you are the perfect woman
in my eyes and I love you more
than you can ever truly know,
I will be by your side hand in hand
through all time being your rock
and your man giving you all
of my loving support to no end,
you are my Angel and you are my Queen
and I want to spend all of eternity
with beautiful amazing you.

Michael P. McParland

Mid Night Smiles

Mid night smiles of true love
and deep longing to you
my beautiful sweet Angel dove.
Do you hear my heart calling
as I reach out in spirit to hold you?
It is telling you just much I need you
and truly love you,
along with those callings come
the most loving of smiles
to fill you with warmth
and give you all of my strength.

I send mid night smiles of pure
and true love asking you to
return so very soon
so I can hold and kiss you,
so I can catch and then dry all of yours tears,
and I want you to be the one to catch and dry mine.
I send you these smiles to fill you with joy
and to once again tell you you're my only one
and believe it or not you're all that I want.

So sweet sweet mid night smiles
to sweet sweet you my beautiful girl
and hear my hearts song
about just how special you are.

Needing This Night (With You)

I've been catnapping this evening
since dinner my dear
and as I have arisen I can think
of so many things I want to do with sweet you.
I still have the dishes among
a few other chores my sweet lady
and I just want your conversation as I go about them.
On this night as each one my Kira
I am in in much want and true need
of my beautiful Angel.

On this night as all others I want to hold you
and cover you all over in the most loving kisses.
Today I just got a new book my friend
needs reviews for and it would be awesome
if we could sit back to relax while reading it together.
I just need your company with your touch
so very loving and truly soft,
and to see you smile filling my night
with all of your true endless beauty.

I just want to be with you
spending a wonderful night with my Queen
because Kira you truly are my wonderful everything.
As I sit and read then go about my chores
I will be dreaming of you and wearing
the smile you give me my true love supreme.
I want you forever because you are
my wonderful best friend the amazing Kira
and I don't have a love like this in me for any other,
I only want you my dear darling.

Holding Your Hand 2

Sitting here on this late afternoon
and I want to be holding your hand
while we wait for dinner to finish up now.
I just want to have you sitting right here
and for me to reach over and take
your hand within mine as I tell you I love you.
As I sir here now trying to get over
other things that are aggrivating
I want to be holding the hand
of my Angel of peace so divine, amazing,
and eternally beautiful.

So as I cannot sit here with you right now
I am reaching out in spirit to hold your hand,
to give you big smiles in all of my endless love
which is pure, true, and unconditional,
I am reaching out because I want you
and need you by my side forever and ever.
So feel my hand within yours as I hold it
tightly in pure tender love within mine
and be filled with the calming peace
of knowing I will forever be your my righteos Queen

Waking Afternoon Joys

Waking now dear in this afternoon
feeling very much refreshed and rested
after a good and long sleep I so needed.
With all truth my darling it is
always in many different ways so very painful
to not have my sweetie either right beside me
or in the next room to give a waking smile
starting each day with our I love yous.
I do feel a joy though within my heart dear
feeling all of your love around me
and knowing that one day I can take you in my ars
and we'll have those days of pure joy
knowing everything is okay.

So I wish you a very good morning
on this afternoon my sweet beautiful darling
and send all of my strength and loving warmth
to fill and surround you in comforting peace,
I wish you were here to help start this day
as I shower you in sweet kisses galore
with tight and cozy snuggles of joyful loving.
I miss you my Kira and you are the reason I'm smiling
because I can feel you so near me
and I am dreaming of all those wakeful
kisses and snuggling I love you
I know we will enjoy forever and ever
my best friend and true love.

Michael P. McParland

Your Soft Loving Touch

Your soft loving touch my dear
I so deeply long for and crave,
we are both feeling quite sad, down,
lonely, and frustrated on this afternoon
from a couple of things around here
as well as myself,
and I so deeply need your soft loving touch
to heal this bad aching within my heart,
and to just be surrounded in your love
as you hold me tightly within your arms.

I want to feel your soft loving touch
as I give you mine in return
with tender kisses and the softest caresses,
kissing your soft lucious pink passionate lips
to your absolute fulfillment as long as you want it.
It has been such a tough and lonely time
without my dear Angel for whom I yearn,
and want to give everything to
to let her know she's a Queen in all of
her great worth.
To feel your soft loving touch now
and forever would mean the universe.

So my sweet dear as I sit here I know
that both of us hurt so deep in our souls,
and I know as well that we can heal
each others hearts from the scars and the cuts
sharing our soft loving touches
as we so tightly snuggle.
The thought of holding right now my dear sweetie
makes me want to shed tears for your hugs
and sweet kisses are what I'm so badly needing,
and to give my sweet kisses and hugs to you
too my beautiful Angel so good and so true.
I love you my sweetie and pray that so soon
we will be comforting each other
just feeling the hope and the joy
we've always felt with one another.

Morning Wants And Needs

A very good early morning to you

and snuggles to help calm those nerves
and help both of us get so cozy and comfortable.
I just want you so badly on this early morning
to make it so warm and happy by being

Quiet Night Of Longing

It's a quiet night as I it here,
it's been a quiet and lonely night
since I woke up from catnapping my love.
It is so quiet and with movies
I try to fill the silence,
but it is the quiet of pain and yearning,
I so deeply miss you my precious Angel.
It will also be quiet when I start reading
and escape into the stories of printed word,
and I will be dreaming of you all snuggled up
as we read to each other just feeling
so very happy and so very good.

It is a quiet night in countless ways
my true love and I am hurting
in just as many ways too my sweet baby cool.
I feel so very empty and very confused
without my sweet gorgeous Angel
and all the things I don't know
and want to help you through everyday.
You are my other half and bright shining
northern star and I just want you to know
how beautiful and amazing you are.
What better way to help you to know fully
just how I feel than a quiet and joyful night
spent together feeling so cozy?

It is such a quiet night my Angel of light
and I am just longing to hold you so very tight.
To help reassure you and let you know
that I will always be with you,
that I will always give my best giving my all
to make you happy and proud everyday.
I love you my sweetie and my heart longs,
yearns, and aches for you on this quiet night
just wanting to be with you giving all of the love
I've always had for you and will forever and ever.

on this Sunday night my sweet dear.

Evening Note 123

A very good soon to be
evening to you my beloved
and beautiful sweet Angel dove.
I have been resting quite restlessly
through the whole day
so I could be wide awake for you
tonight and to enjoy the Super Bowl.
It would be so very wonderful
if I could be watching it with you,
and then afterward just have a night
filled with snuggles, kisses,
and fun with my only one.

Night Note 244

A very good night to you
my beautiful and most beloved
blessing, gift,
and sweet Angel dove.
As I have sat here through the night,

very deep longings and aching
to just be with you
and holding you close

to share with you and tell you
and try to get my thoughts straight
before I so very soon write you.
There'sso much though
that I want to share and am
unable to right now until
we are talking again,
that way there is no misunderstanding
just what was meant which
can lead to anger and very hurt feelings.

All the medications, sadness, stress,
and worries for many things
including being worried about you
finally caught up with and exhausted me.
God bless you my dear sweetie
and thank you for being patient
and loving with your adoring Michael.

Now that I'm up I just want to snuggle up,

We would find things and most important
is being together gazing at one another
sharing sweet sweet kisses and amazing snuggles.
Only with you do I want to be with forevermore
darling Kira my sweet Angel dove,
and I just want to spend a wonderful
Saturday evening side by side feeling
joyful and complete.

Michael P. McParland

In Need Of Your Snuggles

As this night winds down
and will soon come to a close
I am in need of your snuggles
so loving and sweet,
I desire them deeply because
they are from you my Queen so amazing
and deeply beautiful too.
I am in need of your snuggles
my sweet precious girl
to make this night grand and so very warm.

I am starting to feel quite tired my darling
but bought a nice treat at the store
which in a few hours I'm going to cook and enjoy.
I miss you so deeply and want you here
to share this snack and a nice night with each other

Love Note 578

Good late afternoon to you
my beloved and beautiful
sweet Angel dove.
Rather you know it or not
I truly do want and need
to be with you through all time
never letting each other go
and always being there for the one
that we care for above all
and love more than anything.
I adore you my sweet Queen
and as this afternoon winds down
I just want to be sitting back
with you so tightly snuggled up
as dinner cooks knowing
life is good and that
all of our nights will be warm
and wonderful spending them together.

There's not much to do
on this evening that's soon at hand
and I wish I could just spend it
with you reading our book
and renting a film,
maybe first go out and buy some treats.
It's Friday and a date night in
is what I so long for
and would be so wondeful with my dear Kira.
I will be dreaming of you
and sending you millions upon millions

my sweet beautiful girl.

Michael P. McParland

Aching Love

Love so very pure and absolutely true
fills my heart, mind, and total soul
for sweet beautiful you.
I love you so much that it pysically aches,
but only ever in the best of ways
as butterflies and tinglings
take over me in every single way that ther is.
I feel great aching love for only you
and need you more than you know my sweet Angel dove.

I have the bad aches though right now as well
as I miss you so much because you are not here,
nor are we speaking so I can read your sweet words
and hear your Angelicg voice like I so badly want
and so badly need throughout my days.
So as much I love the achings so good,
I have the bad achings in full missing my Queen
and also knowing you hurt as well.
I love you so much and of those achings like you
I am so very proud,
but the bad ones are pure hell because
being with out my Queen tortures my heart
and saddens my soul to where it weeps in full.

So I am filled with aching love for you
my dear beloved Angel and only one
and hope that you know how much that I care
and appreciate my my sweetie and Queen
I truly love and adore.
So as I now sit here I am filled completely
to the brim with both types of achings.
I think of you and am filled with proud light
smiling ever so bright seeing your beauty
within my mind, soul, and heart.
At the same time though I am filled with
the sad achings as well because
because I miss you so much and all of those things.
I still smile though because you are my Queen,
and you are a blessing and gift so supreme.

Michael P. McParland

I hope you were able to get

last night while I lay my head down
saying I miss you sweet Kira
and love you so much because you are
my everything and only one.

my dear Angel sweet so very beautiful.
After a long night of very restless sleep
that was filled with bad dreams my sweet girl

and hold hands and each other
before in a few I start to pay the bills
and then get on the few chores that there are.

Morning Note 216

A very good mid morning
to you my sweet gorgeous Angel.
I have just arrived home
from the dentist and finally
all of my work is done,
still though I can't yet wear my top
partial denture because
they had to burn out a huge canker sore.
It feels good my sweet dear
to finally be through all of that
trial and pain,
now I just have the pains
of paying the bill.
It would be perfect if you were here
so tomorrow on payday I could
take you out on the town
and get a nice dinner
being able to have all of my teeth in
and chewing normally.

I hope my sweet one
that you have had a good morning
and felt me there with you
giving all of my kindness,
caring, and deep endless love.
Remember my dear that I'll never leave you
and am right here waiting
and in very deep want and need
of us to be talking, kissing,
and tightly snuggling,
I want us to be spending time
healing each others hearts,
souls, and minds as in true love
with our best friend help lift
all of lifes stresses and burdens.
I just want to be
with my sweet beautiful Kira.

So again I wish you a good

and beautiful mid morning,
and may God bless you my Queen so amazing.
Your Michael misses you
and so truly adores you
and I feel very empty in so many ways
without my sweet and divine
beloved Angel.

Michael P. McParland

I Want You This Evening

I have just arrived home
from the therapist my sweet precious love
and before I start cooking dinner
I want to sit back to snuggle with you.
To just hold you so close while we talk
and I read my book,
to just have my sweetie near looking
into your gorgeous eyes and see you smiling my dear.
I long for you sweetie and want you
right here beside me both of us feeling
reassured and safe being with our best friend and soul mate.

I want to cook a nice dinner for you
and enjoy it together as the evening comes in.
Iwant to spend this evening with you
havong a good time as we chill
and just finally be at peace feeling secure
telling each other that everything is finally okay.
I want you here beside me not just on this evening
but every evening through all of eternity.

and will always be with you supporting you completely.

Michael P. McParland

Night Note 243

A very good night
to you my dear beautiful sweetie
I so truly love and adore.
What a night it has been
as mostly I have been
backing up files that I need to save,
and then thought I had lost two
that we important and very big,
in a panic though I finally found them
hidden in a wrong folder somehow,
so now as I try to transfer
them to the right one
I wanted to stop in
and tell you I love you so
before I sit back to read.
I hope that your night has been well
and that you have felt me
right beside you in spirit
giving all of my warmth.
I adore you sweet girl
and wish you were here
to give sweet kisses to
and let you know you are the best
and my everything my sweet Queen.

Michael P. McParland

Sleep So Much

I sleep so very much
and for so very long my sweet love,
I sleep all this time to escape
the lonely pain that's inside
from missing my beautiful only one.
I just awoke a short bit ago
from a very long rest starting in the afternoon,
and from all the depression and stress
I had so many bad dreams,
the one that sticks out the most
is from being in the hospital while we were in school.
I felt double the pain as I remember how bad
I missed you then mixed with the pain
of not having you right here and now.
It truly is dreadful missing my Kira
and all the more so when in my dreams too.

I sleep so very much to pass the time
where I am without my sweet Angel bride,
it gives me the chance to just close my eyes
and see my beautiful Angel I so want
and need through all space and time.
I lay down to focus on and feel
all of the endless care and deep love
that you send that wraps me up
and gives me endless light and deep hope.
I love you sweet girl and sleep so very much
so I can see you while sending
all of my strength, warmth, deep caring love,
with endless snuggles and the sweetest of kisses
for my most beloved Kira who is my true love
and Queen, my best friend, my hero, and everything.

Michael P. McParland

Morning Note 215

A very good late morning
to you my gorgeous sweet Angel dove,
I hope you are well
and have gotten some good rest
as I have tried to the last
few nights my dear.
I have been thinking of you
while sending all of my love and prayers
and just wishing you would talk
and then come so I could hold you so close.
I am feeling very upset from so many things
and I wish you were here to sit with
and talk them all through,
from all things about us
and all of the other stresses there are
and that we are facing my dear,
I know we will always fight for each other
and support one another
being side by side and hand in hand
forever and ever through all lands.
I love you sweet Kira
and am tired of being without you
because you are a diamond in the rough
and rare precious jewel I cherish completely.

Remember my dear that I have
no desire ever for yelling,
I don't like yelling at you
and seeing you crying,
I just want to talk
and I feel upset because
you just remain angry at me
and won't give me that chance
when I know from all that you've shown
and said that you want to
and love me just as deeply.
I am upset because I want to be
with you soon fixing everything,
healing each others hearts and souls

with the true infinite love that we feel.
Kira you are my Angel and the most
amazing woman and person I've ever known
along with my mother.

So a very good late morning
to you my sweet beautiful Queen,
and have a good day
just knowing that your Michael
is always with you.
God bless you my sweetie you truly are
so very amazing
and I want to spend eternity
with my gorgeous baby.

Michael P. McParland

A Sunday Afternoon Rest

I've been up for over 24 hours
now my sweet girl and I am finally ready
to laydown my head and try to rest.
As I close my eyes I will be seeing you
and I pray that this deep ache in my heart
will ease up a bit so I can sleep.
I wish you were here to climb
under the covers with me
because I want to kiss your soft tender
lucious pink lips to give us both smiles
and feelings of great cofort and joy.
I then just want to lay back with you
wrapped up in my arms to stroke your hair
and rub your back while you rest your head on my chest.

I have been up now for so long
and Sundays are the best for getting good rest.
So now my sweet one as I lay down
my heart sings to you as in spirit
I reach out to pull you in.
I love you my Queen you truly are
the greatest and supreme,
I just want to get under the covers with you
on this Sunday afternoon and feel peace at last
in so many ways because my sweet Kira
is right here in my arms.

Michael P. McParland

Morning Note 214

A very beautiful good morning
to you my sweet Angel dove.
I've been thinking of you
many times as I went about my chores
among other things in the early hours,
hoping you are okay
and truly know how much I love you.
I have been saying my prayers
and wishing you were here with me,
to spend a wonderful Sunday in bed
relaxing and resting with my best friend,
I've still not been to bed
and am feeling quite tired
so will soon head there
where I wish we both could
slide in under the covers to talk,
snuggle, laugh, and share the most
wonderful and tender sweet kisses
before in each others arms we fall asleep.
A wonderful Sunday with my precious lady
is what my dreams are made of.

God bless you my dear sweetie
and I hope you have a good day
filled with light and immense beauty.
I will be with you the whole time
holding your hand and giving all of my love,
feel my sweet kisses shower
all over you to keep you warm.
As I now try to finally finish my book
my heart will be calling out to you.
I miss you so deeply and just want
to be with my sweetie,
the woman I've always loved
and is my everything.

Michael P. McParland

Early Morning Achings

A very quiet early morning
and I am beggining to feel quite tired,
but I am not able to sleep
because I have a few things I need to do,
and even if I lay downI will not
be able to really rest as I found out last night
when I tried to catnap.
I ache deep insideand in my whole body too
to be with my Queen just spending time
in each others kind loving arms.

Just sitting back for a few minutes more
before I go take care of the chores I need to.
I think of my sweet darling Queen
and all that she means to me.
A glorious and beautiful woman I deeply cherish,
a wonderful diamond in the rough
who with her pure soul
and in all of her amazing love
shines so very bright and fills me with everlasting hope.
I ache this early morning to just tell her all,
about how much I love and adore her
because she is my hero and best friend,
someone so very special and incredible
beyond all words meaning and comprehension.

I wish I could be with her on this early morning,
both of us freed from all achings, tensions,
and lonely sadness.
I wish I were with her to hold her and give comfort
just reassuring her that I will be hers
and stand by her forever and ever.
I wish we could just lay in bed sharing sweet kisses.
I must go about my morning alone however
aching for the day we will reunite and be joyful,
I will hold onto the knowledhe that our time is coming.
I love you my sweet one and will be saying prayers
for you to be safe, okay, and happy,
I'll be saying prayers for you to feel all of my love

and my warm strength knowing you're not alone
and that you truly are cared for and appreciated.
I miss you my darling and am aching for you,
and I would do anything to be with you
spending this early morning both of us
so very happy as we snuggled up tightly.

Michael P. McParland

Night Note 242

A very good night to you
my most beautiful, wonderful,
special, amazing,
and deeply beloved best friend.
How hard the nights truly are
when you're not around
in at least some fasion my dear.
Rather passing the hours here
messaging each other
about all of our love
and how we miss each other,
to you being here in my arms
with us sharing sweet kisses,
tight snuggles, and the closeness
of best friends that are true loves.
It truly is so lonely and quiet
and as I sit here reading my book
among other odds and ends
I long for you to be here
just spending time
and to be gazing into your gorgeous
sparkling eyes with your bright shining smile.
The days and nights are so truly lonely
and no matter what you may think
or how things ever may seem
all I want is my sweet sweet Kira
right here with me through all things.
Through the good, the bad,
and whatever else there may be my sweet girl,
I just want you here by my side
hand in hand to have the grandest of times.

I love you sweet one
and though things right now are tough
I keep fighting along because
you are my shining star,
my northern light,
and my Angel of hope.
I continue to fight along

for Kira my Angel and Queen of true love
to prove to you that you are
appreciated, cared for,
and deeply loved beyond all measure.
I will keep fighting for you to prove
you are worth all the riches
and love in the universe,
and to show you you're not alone
because your Michael adores you
and will always be with you
and the Angel you want.
I love you sweet lady
and cherish you completely
for you are my hero and soul mate
I want to be with through all eternity.

God bless you my sweetie
and feel all of my love
as I reach out to hold you
while sending the sweetest of kisses
and deep warmth with strength
to fill and surround you.
Have a good night dear
and now I am with you
as well as right here waiting
to serve you and give you
all of the undying love
you have so deserved, needed,
wanted, and I have been dying to give you.

Saturday Night In Each Others Arms

I miss you my sweet one
and need you so very much,
we need each other truly
and I want to be spending this
Saturday night wrapped up safe,
secure, and so very tight
within each others loving arms
which are our homes.
I love you sweet one and feel so alone,
I know you are too and I want to be
with my only one just hearing your sweet voice
while feeling your soft loving touch.
All I need now is my Angel of whom I'm proud
just spending the night having fun
within each others kind loving arms.

I just want you to be here to sit back with,
to share sweet tender and passionate kisses
for a good while with nothing else.
Then for you to sit back and listen while I read,
finishing the last of one book I'm about done with.
I just miss you so much and want you to return
so soon my bright shing star and love of my life,
to just spend endless time in each others arms.
I am dreaming of you in all of your gorgeous charms
just aching inside wanting to be with my beautiful
sweet Angel bride I love and adore above all.

I love you sweet one and miss you so much,
and it is you that I need by my side
hand in hand through all time,
we need each other it's true
and I just want to spend this Saturday night
in each others arms drying each others tears
and being filled with the light that our love gives.
I love you my sweetie more than anyone
can ever truly imagine and I want to spend
this Saturday night holding each other
and knowing that we'll never face anything

alone ever again.

Dreams Of My Shining Star

Sitting back here my sweet one
on this quiet and relaxing Saturday afternoon
and in my heart mind and soul
I am longing and yearning for my shining star.
I dream of you and wander when you
will come and wrap me up in your arms
and give me your sweet kisses I want.
I am filled with dreams of my shining star
who gives me hope and reason to live.
I am dreaming of you and wishing I could hold you now
just reading, watch a good movie,
and later cook for.
I love you my sweet Queen you're my true love
and shinging star whom I want to be with
giving my all forevermore.

Restful Late Afternoon

Before I cook a nice dinner for you
and we spend a nice relaxing evening
spending time in each others arms
I want to spend a restful late afternoon
taking a short catnap with you.
I so badly need you here in my arms
and to share sweet passionate kisses galore,
and to give you some candy before we lay down
just wearing big smiles and feeling deep comfort within.
I want to be with you and share a restful
late afternoon finally feeling true peace and comfort
within each others arms.

Michael P. McParland

Dreaming While Reading

While I have sat and done
a lot of reading through the morning
and into the early afternoon
in which we are currently residing
I have dreamed of you much
and felt longing deep within
my soul and heart just imagining
how it would feel to have you in my arms
and be spending a wonderful time.

I love you my sweet Queen and wish you were here
to sit wrapped up so cozy and read to you
before cooking us a somewhat late lunch
after getting lost in our tales.
I want to give you sweet kisses while
experiencing our good times
and hear your sweet voice while you read me
some of your gorgeous works.
I will not read mine but just the books that I love
and we can just share a wonderful time
like I am dreaming of while I read my books
and short stories.

I am dreaming of you always my sweet precious Angel
because you are so beautiful and a precious woman.
I dream of your smile and your soft and tender kisses
with your loving touch that I so want
to feel and share forever and ever.
I am dreaming of you while I am reading
because it makes me feel better and helps me
escape from the aching pain of not
having my Kira right beside me to spend
a good time reading, talking, laughing,
and just sharing an amazing day together.

Michael P. McParland

Morning Note 213

A very good morning to you
my beautiful sweet beloved girl.
I am sitting here at the dentist now
ready to get the last of all
that I need done,
and I wish that I were sitting here
with you so we could spend the day
in each others arms just having a ball.
After a night of bad dreams
which made for restless and fitful sleep
I just want to be with my Queen
both of us feeling deep comfort
as we snuggle up with our
best friend who means everything.
I love you sweet Kira
and want to wish you the most
beautiful good morning
and wonderful days and know that
I am there right by your side
holding your hand and am right here for you.
God bless you sweet girl
you are a rare and precious jewel I adore
and only want you to be with you
through all space and time as
the most loving husband and wife
there's ever been through eternity.

Michael P. McParland

A Lazy Evening With Kira

A very good late afternoon to you
my beautiful woman I love and adore.
I have just arrived home from my therapist
and want to sit talking and holding you for a bit.
I just want to sit and spend time
before I get up to cook dinner for my only one
just seeing you smile and feeling your body next to mine,
to share sweet kisses galore so passionate
and tender filled with true and pure love.

So at last when the late afternoon is gone
and evening has come we could enjoy
a beautiful dinner just so very happy
knowing everything is alright because we have each other.
I love you my sweet girl and dream
of these great times we will one day share together,
a wonderful lazy evening wrapped up so tightly
just talking and reading to each other
feeling like we are in heaven.

I love you sweet Kira and wish you were here
so we could spend time and I could serve you
in all ways and all manners,
I want to spend a lazy and relaxing evening
with my only one beautiful Kira.
My heart aches for you and I am so deeply longing
and I will be dreaming of you sending sweet kisses
and huge hugs as I do the entire time through.
A lazy and loving evening with my beloved sweetie
would be the cure to our loneliness and hurting
we both are so wanting and needing.

Michael P. McParland

Just Being With You

Good late morning to you
my beautiful sweet Angel dove,
and now having returned from
picking up my prescription
I just want to be with you,
to sit back and relax while my stomach
gets steady in whole after feeling
just a bit off for the lat little bit.
I crave just being with you
and to look in your eyes and say
I love you sweet Kira you are so cool.

Just being with you now on this
late morning and then through the afternoon
makes my heart go aflutter when I know
that it will all come true one day my dear.
To just sit back and hold you now,
and then do the last of some light chores
while I cook us a delightful lunch,
and then not long after a nice
and beautiful shower together
to just sit and be warm sharing sweet kisses and smiles,
also to be nice and fresh for when I go to the therapist.
I am just wanting you my most beloved girl
to know all is well and let you know everything is okay
and as always serve my sweet Queen in the greatest ways
with everything I have and can to make you
so very happy and so very proud.

Michael P. McParland

A Tired Early Morning

After having been up the whole night
getting stuff done my sweet love
I am feeling a bit tired
but still have a couple of things to get done.
So after they are soon handled
and I can relax at last my dear sweetie
I wish I could lay back on the couch with you
to snuggle so tightly
and get some good rest for a short while.
Together regain our energy while sharing sweet kisses
and close our eyes before having to get up
and go out this afternoon for my therapist appointment
and a few other things my adorable Kira.

I am feeling quite tired on this early morning
my sweet and bloved Angel I'm in eternal love with,
and I will be thinking of you to give me
the strength finishing all that I must do.
God bless you my sweetie I will be sending
you all of the warmth strength and love that I feel
and just dreaming of the snuggles
I would love to be sharing while we're elaxing.
I love you sweet Kira and just want your company
as I finish doing everything,
and so then I could just hold you
keeping us both warm while feeling so cozy and safe.

Michael P. McParland

A Busy Night

It is a busy night my sweet love
with so much to do,
and when I do smile most often
it is because I think of you
and can feel all of your love as well.
As I get ready in a few
to get started on the large stacks
of dishes I have I wish I could
have you sit by and give me your company
just talking away all of the loneliness
we've both felt and had for so very long.
It is such a busy night my sweet dear
and I just want you here to hear your sweet voice
and hold you tight in my arms
when each little break comes
so I can hold you tightly within my arms.

It is a busy night my sweet love
and still with so much to do
I will be smiling as I think of you.
I will be thinking of your gorgeous smile,
and you in all of your beauty
with your kind heart and pure soul
which makes me feel special
when I think of and feel all of your love.
I will be thinking of our soon to be sweet kisses
and that is to come when we've reunited my love.
It is a busy night and I want to thank you so much
for being so wonderful and my only one.
I love you sweet Kira and know that is truth
because you are my Queen and the greatest there is.

Michael P. McParland

A very wonderful and beautiful
good night to you my amazing sweet girl.
I have been up now after a long day
of sleep for a little while
but had to get something to eat
for my cramping stomach immediately,
all the while I was thinking of you
and my heart was calling out
singing to you of all my caring love,
and even though I was out of it
the whole day I was sending

to fill you with comforting peace
and to let you know I was with you
and will always be by yours side
because you are my only one
and I'll never leave you.

I have so very much to do on this night
just catching up on what wasn't done
from last night and on this day my sweet love,
as well as try to clean up a bit
from some very old messes that built up
from when I had such a colassal breakdown
and never got going again.
I wish you were here to snuggle up with me
before I get started just watching
a bit more of my movie and having some wings,
and then to just have your company
as I get to work and hear your sweet voice

and step by step.

just spending a bit of time softly talking

Your soft nighttime touches, kisses,
and amazing caresses are what I want now

as I drift off to heaven listening
to your divine voice so beautiful and amazing.

Sunday Evening With Sweet Girl

Good evening my sweet beautiful girl
and now that dinner is done
after a nice long rest on this day
I sit back and take time as always
to reflect on my sweet one I love and respect,
and yearn to have you here close to me
to share a sweet evening together
away fromm all the worries of the world.
I love you sweet girl and want to spend
a wonderful and sweet Sunday evening
reassuring, serving, and comforting you.

On this evening and the night
I plan on mostly reading
as on goodreads I have set a goal
for how many books I want to get done this year
as a motivation to get back fully
on something I truly love doing,
and I wish you were here to read with me
just sitting back holding each other
while getting lost in the beauty of
our true loves voice as they are reading.
This would be so very wonderful
to just be with you while sharing our company,
I miss you my Angel and just want to be with you.

So a very good evening to you my sweet girl
and know that your Michael loves you
and is with you always.
I will be dreaming of you as my heart
achingly sings out to you
telling all of my love and asking you
to please return home so soon into my arms.
I pray that you're okay and that you feel
all of my loving strength for you everyday,
and I pray for sweet Sunday evenings with you
to come for us soon and last for eternity
hand in hand in each others arms
feeling pure peace and deep joy.

Michael P. McParland

A Tired Sunday Morn

A very good morning to you my sweet love,
I am quite tired having been up
through the whole night watching some TV
but by far mostly reading,
I am not yet ready for bed though
as I still have a few chores to do
and things that I want to.
So as I go about doing all that I'm doing
you will be in my thoughts
and endless hugs and kisses I will be sending,
be filled with peace and deep contentment
knowing that your Michael loves you
and is right here for you.

I wish you were here on this tired Sunday morn
to give me your divine company
as I do my chores and then just shuffle around
doing the few things that I plan,
and I wish that you could be here
to lay down with me when in awhile
I catnap on the couch so I could hold you so tight
giving sweet sweet kisses of loving passion and light.
I wish you were here on this Sunday morn
making this tiredness in many ways diappear.

A very very good Sunday morn to you
my sweet beautiful dear
and I wish you the greatest of days.
You deserve all of the best
from the start of each day
to when you lay down to rest
and you are always in my prayers
sweet lady I so deeply miss.
I will be sending all of my love
and as ever dreaming of you
as my heart sings so loud
telling you that I am so happy and proud
of the Angel I so truly love
and will adore you through all of time.

Michael P. McParland

Angel My Angel

Angel my Angel how I so adore you,
miss you, and love you wholly.
You are amazing and so very beautiful
and all ways my darling,
and I just want to hold you through all eternity
giving all of my self and giving all that I have.
Oh Angel my Angel please hear
my hearts call and it's pleas to be with you,
hear all of the prayers to God it offers
for you to be okay always
and feel all of our loving strength,
oh Angel my Angel I will always be yours
forever and ever.

Michael P. McParland

A Beautiful Night With My Angel

Sitting back now ready to watch
the new cartoon of Simon's Cat I bought
and I'm wishing I were with you
to share the fun and the laughs.
To hold you so close and see you smile,
just stroking your hair while both of us
are filled with the comfort and peace
knowing our best friend is there.
A beautiful night with you
my Angel of light so beautiful and good
is all that I want and need as I sit here,
a wonderful night of sharing with you
is what my heart yearns for
because you are my true love
and your company is what I want more than anything.
I love you sweet girl and want to spend
a beautiful night holding and kissing you
my most beloved sweet Angel dove.

Michael P. McParland

Saturday Night With You

How I wish I could be spending
this Saturday night with you.
Preferably to have you here in my arms
watching movies, reading,
and snuggling while we lovingly talk.
I want to spend this Saturday night with you
my Angel of sweet love and great light
giving kisses galore and making you smile.

If at least though I could spend this night
talking by messaging each other here
I would feel happy just knowing you are okay
and to see your beautiful words.
I just want to in some way
spend this Saturday night with my best friend
both of us feeling so good as we shared
all of the love and time that we have.

So in spirit I am reaching out to you
and will spend this Saturday night
holding you in that way so very tight.
I love you so much and just want to give you
all of the loving care you deserve,
I just want to snuggle up with my only one
knowing that everything is alright.
So feel my sweet kisses and my arms around you
as in spirit I reach out and while I dream of you
send all of my strength warmth and love
to fill you up with deep and peaceful comfort.

Michael P. McParland

Love Note 576

Good evening my sweet Angel dove
I am now up after a long day
of sleeping off the tiredness
my medications give me
and feeling so tired from sadness I feel,
I am now up and I wish you were here
to give sweet kisses to
while I held you so close against me,
I want to look in your gorgeous eyes
and tell you you are amazing
and I truly love you my beautiful girl,
I want to just gaze in your eyes
while holding you close
so I can just be hypnotized
and drown in all of the beauty
I see within.

I hope that you had a good day
and felt all of my strength,
love, and deep never ending warmth
as I am always sending it to you
no matter what.
I dreamt of you and it was bitter sweet
because we were talking
but you were still so far away
and not right here.
So I'm left longing and yearning
as ever for my sweet Queen to be here,
I pray you'll come soon
so I can show you and help you feel
just how amazing and special you are.
I need you my Queen because I love you
and you are my everything,
and I have so much love to share
and tons I want to give
to my Kira so good and cool.

So my sweet one have a good evening
and don't forget ever that I'll never leave you,

I love you so much and only want you
within my loving arms,
because you are the one I so truly adore
and want to spend my life with
through all of time.

Michael P. McParland

Your Kisses

Sitting here listening to music
thinking of you and fun things
I love that I want to share
with my best friend and only true love,
thinking of all these things
and how I wish I were holding you tightly
while you gave me your sweet amazing kisses
and I gave you mine in return.
Just one amazing thing among many
I wish to share with my Queen
I so truly, deeply, love and adore.

I crave your sweet kisses,
to look in your gorgeous sparkling eyes
and tell you you're so very beautiful,
and to just look upon you
and be filled with the true love, butterflies,
and amazing tinglings you have always given me,
and so you can look upon me
with my loving looks and big smile
seeing all of the truth that I hold inside.
I just long for your kisses
and soft loving touch so amazing
because you are my Kira
and I so deeply love you more than you can know darling.

So as the night goes I will be
dreaming of your sweet kisses
and craving you my dear and beloved sweet lady.
You fill me with cheer
and make me want to go on to be able
to share our sweet kisses, snuggles,
and lives through eternities existence.
So feel all of my love with sweet golden kisses
knowing you truly are loved and deeply cherished.

Michael P. McParland

Simon's Cat

Simon's Cat is so cute and wonderful
it's where joy and laughs are at.
The best little cartoon that
will always lift my moods
no matter if I'm feeling up or down.
It is pure joy in all its truths,
both exaggerated or exact,
I love Simon's Cat where I just laugh and laugh.
Simon's Cat so lovable and a total brat,
his antics put pure joy within my heart.
Even though they are just animation
Cat and Kitten are truly beautiful and amazing.
Even as I think of it I smile big and wide
laughing to myself because it reminds me
of all my cats but most of all
my Pouncer who I miss so very much.
Thank you Simon's Cat you help so much
by giving me laughs when things are rough.

Love Note 575

A very good afternoon
to you my beautiful sweet Angel dove
and God bless your gorgeous
heart of pure gold
and your wonderful loving soul,
you truly are a diamond in the rough
and apple of my eye.
You are my greatest reason to live
and for you I'd surely die.
I will always fight for
and defend you because
you are my Queen
and the one I truly love and adore
to no end,
I am yours through eternity
and will be your forever man.

I have finally just returned
from the store and picked up
a few very fun and nice things
along with gifts for my youngest
nephews special day just over a week away,
how I wish you could be here
to enjoy them with me
and read the book I've really
gotten into along with me
just taking turns to read aloud
while the other closes their eyes
getting lost in the story
drifting away on the voice
that gives us tinglings and shivers
and we feel is the best.
I love you sweet girl
and miss you so very very much
and pray that our day
will soon be upon us.

So have a good day my gorgeous lady
and know that my prayers

are with you as always.
Side by side hand in hand
I will always be with my Kira
the greatest and most beautiful woman
that there's ever been.
God bless you my sweetie
and know that your Michael loves you
and just wants to show you
the love and appreciation
you've always wanted
and are so deserving.

Your Company This Morning

As I have been up on this morning
first getting my strength while recovering
from the headache I had going
I would have loved to have your divine company.
Then as I got up to take care of some chores
I just smiled as I thought of you
and wondered just how you are.
I wished and still do that you could be here
honoring me by giving me your snuggles,
sweet sweet kisses, and your divine company I so treasure.
I just want to be with you shutting out
the entire world looking into your eyes
and saying Kira I treasure, cherish, and love you.

I would love your wonderful company
on this morning as shortly I must head out
to get my youngest nephew some birthday gifts.
A nice chance to be with you
and keep each other so warm from all of the cold,
I want you and your company my only one
because you are my Angel and everything.
I sit beac here relaxing right now
and ache deep inside yearning
to be with you hand in hand enjoying
the quiet that is only filled with our voices.
God bless you my sweetie I pray that soon
you will be here sharing your amazing
and divine company with your adoring best friend.

Michael P. McParland

Early Good Morning Kisses

A very good early morning to you
my most beloved sweet Angel dove
and beautiful sweetie.
As I have been up for a little while
letting some medication beat off
the headache I was dealing with
I was dreaming of you and your gorgeous smiles
while sending you the sweetest of kisses
anyone could ever want to give
to their true love and best friend.
Now as I lay back to just let the last bit
of this dull throbbing subside
I wanted to tell you I love you
and want to be lying here holding you
while giving you these sweet sweet
early morning kisses saying thank you my Angel
you truly are thlight of my world
and fill my universe to the brim bursting with love.
God bless you my Kira you and your love
are the most amazing miracle I could ever
dream of and hope to have through all time.

Michael P. McParland

Early Morning Bedtime

A very good morning to you
my adorable and beautiful sweetie.
I have been up the whole night
distracting myself with various things
and catching up on some good reading
as for a good while I've wanted to.
The entire time you were within my heart
and in my mind a very good part of the time,
I'm always thinking of you rather
in my concious mind or just having that feeling
that something is missing without my beautiful Kira,
always thinking in all ways I wish you were with me.

I am now very tired my Angel of true light
and love I deeply and completely desire,
so it is now bedtime to get at least
a few hours rest for your adoring Michael.
I wish so damn much that you could be here
right by my side to snuggle up tight,
and then give the sweetest of kisses
with big loving smiles before you rested
your sweet beautiful head upon my chest.
It is bedtime for me now here on this morning
and I just want to snuggle up lovingly
with my best friend and true love.

So I bid you goodnight on this early morning
and I send you all of my warmth and deep love
with the sweetest of kisses to fill you with strength.
As my head hits the pillow and I close
my tired eyes I will be wearing a happy
and weary smile as I see you.
God bless you sweet Kira my divine and eternal Angel
and know that I will always be yours
wanting to give you all of the deep
tender care and true love I have in store just for you.

Night Note 240

Sweet sweet kisses to you
on this winter night
my sweet beautiful girl.
I'm sitting here not doing much
at all right now and in a few
I will open up one of my books
and start reading as I love to do.
You have crossed my weary and taxed mind
many times on this night,
and you are forever in my heart
wherever I go and no matter the time.
I adore you sweet girl
and am so very lost and lonely without you,
I don't want you to solve all
of my problems but just be here
by my side as my rock like you've always been,
I just want you to be here with me
hand in hand and your arms wrapped
around me as we read whatever book
that we chose.
I love you my sweet one
and my heart calls to you
asking you to forever be my sweet girl
and to return home so soon in my arms.

A very good night to you my Angel so good,
and I can feel your golden heart
filled with true love and light from here.
Feel all of my love as I send it to you
and never forget that I am right here
yearning for my precious Queen,
her name is Kira and you are
the most beautiful and amazing woman
in heaven or on earth.
I love you to no end
my sweet Angel dove
and I will be waiting for you always
because I am yours alone through all of time.

Nighttime Desires

Nighttime dreams and desires
fill my heart, mind, and soul
of being on a beautiful beach
with a big fire to keep us warm by the sea.
I am holding you so very close to me
telling you that you are more beautiful
than all the stars, moon, and sea before us
that we marvel at and see.
Dreams of sweet kisses as we sit there
on a blanket keeping so warm
feeling completely comforted, safe,
and content knowing that we will never again be alone.
Nighttime desires of you my sweet Queen
fill me up to overflowing and one day
we will be on that beach kissing and snuggling
sharing the most beautiful and loving night
anyone has ever known or imagined.

So even as we could not have that exact dream
on this night my dear sweetie so bold and bright
I am still filled with desire and cravings
to spend this night with you having a good time
just having you near.
To put on so very warm clothes and for a bit
stand outside looking up at our friends
the stars and the moon and feel all the kisses
they blow us as they always have,
and I'll tell them to shine extra bright
just for you and give you the biggest of smiles,
then just keep each other warm in the tightest embrace
of pure joy and true love.

I am filled with nighttime desires and dreams
of you my sweet beautiful Kira
because being with you is so truly magical.
To just sit and talk like with you I've always loved
is the most divine and amazing thing there's ever been,
to just hold you so close to me
and look look in your gorgeous sparkling eyes

sends my heart aflutter because after that
the most passionate and loving kiss ever.
I crave you my sweet and desire to have you
right here with me for an amazing night
of being together just spending time.

Michael P. McParland

Look Into My Eyes

Lay back with me my sweet dear
then just look deep into my eyes
and see all of the truth
of pure and true love that I hold for you.
See all its tenderness and all my deep care,
feel surrounded in all of my warmth
as with my smile I say I love you my dear.
God bless you my Queen your so special to me
and before I give you sweet loving kisses galore
look deep into my eyes and you will see
the great adoration, care, and loving appreciation
that I have for you my Kira so beautiful
and amazingly good.

Michael P. McParland

Keep Warm Together This Evening

A very good early evening to you
my dear beloved sweet I so adore.
I have just arrived home from my therapist
and picking up some items for a simple dinner tonight,
and first of all before other things
I wanted to send you sweet sweet kisses
and in spirit hold you closely
while telling you so tenderly and soft
that I love you so so very much.
I wish you could be here right by my side
to cook dinner for and give all of my love.

It's not a really cold evening here so far
and nor will it be the coldest of them all,
but none the less I want to wrap up with you
in my big fuzzy orange blanket and hold you so close,
I just want to get so comfy and cozy with you
the beautiful woman I love more than anything.
I miss you sweet Kira and need your sweet kisses
and then give you mine on your sweet and soft pink lips,
I want to give you deep comfort
and make you feel like the most important
and amazing woman that you are my sweet Queen and Angel
I love, long, and yearn for more than anything.

So please my sweet one and return to me so soon
so we can keep warm together no matter the season.
I want to see you so happy and always smiling
as I serve you in all ways and give you
all of my kisses with the tightest of snuggles.
I love you sweet Kira and it isonly you
that I want and desire because you are
my best friend, soul mate, and true love

and I know have wanted to be with as husband and wife.

Michael P. McParland

Love Note 574

A very good afternoon to you
my Angel so very beautiful and so very good.
I hope you are well and that my
not feeling good and not being on
has not been putting you through hell,
I am so sorry sweet one as earlier
still feeling so very tired from my migraine
I lay down after eating a small something
and only just got up in time
to shave my head and take a nice shower
before having to run out to the therapist.
So before I have to go in a few minutes
my beautiful darling dear
I wanted to stop in and tell you
I love you more than anything.
I cherish and treasure you
and will be yours forever and ever.
God bless you my sweet Queen
and will write you as soon as I arrive home.
Feel my hand within yours and all
of my sweet kisses so good
to fill you with all of
my deep loving strength and warmth I have for you.

Michael P. McParland

Morning Note 211

A very good morning to you
my sweet beautiful Angel
and I hope you were okay yesterday
and it was a good one for you.
I hope you felt all of my warmth,
strengthand love fill
and surround you wrapping
you up so very tight,
I got very sick yesterday
and was not able to write,
I hope that you felt my hand within yours
as I reached out to take it
and hold onto you so very tight
and give you deep comfort
in all of my love and deep care.

Now awake after a very hard day
and night of a sickening migraine
I am feeling most weak and a bit shakey to boot,
I wish that I could sit back with you
to get so comfy and snuggle
as I eat something to help rebuild my strength
and then in a bit join me for a refreshing shower
all before I go to the therapist
on this late afternoon my dear lady,
I wish I could sit back
and take it easy with you just getting
better in full through this day.
I love you my sweetie and it's
your company I want adn you here beside me
just resting up some more and fully relaxing.

Have a great morning my beautiful Kira
and know that your Michael loves you
and is right here dreaming of you.
I am praying your okay and that you feel
me right there beside you giving
all of my love and deep caring comfort
and that I would give anything

to be with you spending time
and making you feel so very good
in all of my endless love.
Have a good day and remember
I am right here waiting with wide open arms
and a wide open heart full of acceptance
and kindness for my only one.

Michael P. McParland

Dreaming Of Your Kisses

Lying back down very early this morning
because I was still feeling so tired
from my medications and I wanted
to close my eyes and just feel all of
the great warmth and love you were
and still are sending,
I just wanted to dream of your Angelic voice,
your soft loving touch, your tender kisses
I so deeply crave and want,
I wanted to close my eyes and see
my very beautiful, cute, and sexy Queen Kira
within my dreams seeing all of the things
I want to share with you so very very soon.

I just dreamed of your soft tender kisses
with the most loving caresses as I drifted
from light sleep to deeper states baby,
either way sweetie I dreamed of my dear cutie
and just want you to lay with me now
as I close my eyes a little bit longer,
I am going to drift off a bit more
so I can see my best friend and true love.
So as I dream of your sweet beautiful tender kisses
feel all of mine shower upon you as I send then endlessly,
feel my arms around you and remember your Michael
loves you and will never leave you.
I pray you will come soon so we can share these
sweet kisses each day just smiling at each other
as we snuggle the hours and minutes away.

Michael P. McParland

I Am Yours

Sweet sweet Kira I want you to know
that I am yours and yours alone
and I will be forever because you are my only one.
There is no reason to worry or ever feel jealous
because you're the only one I want to be with
through all of eternity,

and I just want to be holding you here
right now and far beyond forever and ever.

Longing Smiles

Lying back catnapping off and on
and sending you loving smiles
as my heart sings out to you

because you truly are my sweet Angel dove.

Michael P. McParland

Catnap Desires 2

I was feeling so very tired
before dinner my sweetie
feeling exhausted again from my medications
as well as all the stress and aching sadness,
so I decided to just lay back and close my eyes
for a long catnap and dream of my true love
and desired woman among other things,
you above all though and the conversations
I want to share with the tight squeezes
and sweetest ever of kisses.
I was fill with catnap desire which upon waking
are even stronger to be with you spending time talking,
kissing your soft lucious pink lips,
then snuggling with some good reading,
music, and a film both of our hearts and souls
healing together and on their way to being fixed
as they beat together giving us cheer that has never been equaled.

I so often catnap from feeling worn down
from the many things we've talked about,
but above all so very much to dream of you.
To see your bright shining smile
and feel your soft loving touch
with your tender kisses I want and need to have,
and to give you mine in return
with the softest caresses and loving whispers
of love you've ever imagined and known.
I feel those desires while catnapping dear
and as I said they are ever much stronger right now.
I just want your acceptance and to feel your true
unconditional love as you wrap your arms around me,
and to experience the love that soul mates feel.
These are my catnap desires because you are amazing,
but above all else these are my true desires
because you are sweet sweet Kira my dear Queen and Angel.

Michael P. McParland

Love Note 573

Good afternoon my sweet Angel dove,
I have just returned home
from picking up a prescription
and Target as usual was grossly
under staffed and the lines were horrible.
I thought of you as I waited
for my pills to be filled,
and while I was in the very long line
wishing you were there
to keep each other company
and to try and make you smile so big
while I made stuoid and cheesy jokes
just like I always did because
I love your laugh and making you happy
giving you light in your heart
and seeing your bright shining smile
and gorgeous eyes sparkle.
For you I am so deeply yearning, longing,
and horribly aching to be with you
letting you know you are cared for,
appreciated, loved in full,
and truly amazing,
Kira my sweetie my heart melts for you.

I love you my Kira and want to
be with you showing the fire
of passionate love that burns
for you eternally,
you are my bright shining star,
my northern light who helps guide me
giving me reason and hope to live.
I adore you my Angel
and hope that you realize
just how much you mean to me
because I love you more than anyone knows
and that includes you because
there are no words to describe
the immense joy and pride I feel
for my only one.

God bless you my dear I will always
be yours and yours alone
because you are my soul mate
and best friend I have loved
since the beggining of time
and wanted to spend existence with
feeling complete, safe, and whole
holding you so tightly within my arms.

Michael P. McParland

Next Season Is Ours (Buckeye Pride)

A crushing end to the year,
heart breaking and humiliating in full.
The offene died while the defense thrived,
but with no help got very tired
giving up 31 by the time the clock expired.
The fake fans continually blame
our QB JT my favorite Buckeye and my man,
but all season the line was young and somewhat weak,
and the WR's never had that true down field guy
or the one to rely on in the hard times.
Barrett, Samuel, and Weber were the only guys
we could truly count on and had their struggles.
Despite any bad we were still one of the greatest
in the entire land going 11-2 only looking terrible
in that heart breaking and humiliating playoff loss
to the eventual champion Clemson.

So as next season we return amazing talent
and this time with tons of experience
as well as great recruits who will contribute
I can't wait until next season when we will
get revenge and dominate all that stands before us.
Our team will work harder than ever,
the offense back on track in full
after that loser Tim Beck is no longer our coordinator,
we will be the machine we were in 2014.
I can't wait for next season when scars are healed
and the haters mouths will be sealed.
Hang on Sloopy because the Buckeyes are back
and will make us so proud forcing the will
of the scarlet and gray all the way
back to the promised land to lift the trophy high in hand.

Michael P. McParland

Winter Morning In Want Of You

A very good morning to you
my sweet beautiful girl I adore.
It has been such a hard time
for a good while now
and it never ever gets easier when I'm missing you.
It is another very cold Minnesota morning
and I am in want to be lying back with you
holding you ever so tightly saying
Kira I love you no matter what and I will always.
I am in want of beautiful you my gorgeous Angel
I adore and love so true,
I am in want of you on this winter morning
to be spending time both of us feeling so very good.

I am so tired as of late from so much stress,
depression, and sadness over a number of things,
I quite often have been feeling sick
and lay down to rest and defeat those spells.
As I lay down I just dream of you
and desire for you to be here holding your hand
and holding you so close to me.
I do not feel sick at all right here and now
but I ache so deeply inside missing my Queen
and feeling worried about a number of things,
I am worried about you and if you are okay,
and I worry about if I'll ever see you again,
and among those things problems that are
worrying me deeply in so many ways.
I am in want of you my gorgeous girl
to hold so very close and give you sweet kisses
both of us feeling so secure and safe.

Good morning my Angel and may God bless you
in all ways to feel all of my love
making you so warm and in all of his love
and mine make you so proud and happy.
I will be dreaming of you and sending
all of my strength, warmth and love
with huge huge and massive sweet kisses galore

to shower all over you covering you everywhere.
I adore you my Angel and my heart
melts for you endlessly daily
and I hope you know you are not alone
because I am right here waiting
and wanting to give my whole world in full
to my only one I ant to be with
side by side hand in hand forevermore.

Winter Night Dreaming

Lying back on this winter night
dreaming of the woman I love,
desire, adore, and truly admire.
I am dreaming of you
and filled with such longing
to be wrapped up with you
under the covers keeping each other
as warm as if sitting next to the
most comfortable fire feeling
as comfy and cozy as could ever be possible.
Lying back here dreaming of you to keep
this winter night feeling less lonely
and to quell the aching so bad inside me.
I'm dreaming of you and sending you
sweet sweet kisses with big hugs of warmth
to give you deep comfort and peace
with all of my endless love.

It's a cold winter night and I miss you so much,
I am just lying back dreaming of your big smile
and feeling your soft loving touch.
I'm lying back here and speaking outloud
as I look at your picture sweet one
and saying I love you my Kira
and hope that you know that I care for
and appreciate you more than anyone
in this world can comprehend.
I'm dreaming of you with a silent prayer
that you are okay and that so very soon
our path will be brightened and cleared
to reunite and have all the joy we deserve.
I'm just dreaming of you as I lay back here
hoping you are alright and know truly
in your beautiful heart and soul
just how wonderful you are and are cared for.

I am just lying back now with deep aching,
and longing within me in full,
and as I am dreaming I yearn only for you.

To shower in kisses and just hold closely
feeling your body pressed up so tightly,
to be sharing our warmth in joy brightly smiling.
I want your love because you are amazing
and I just dream of all the things we will be doing.
For you I am filled with such endless desire and passion,
I am dreaming of you because you give me reason.
It's a cold winter night and I just want
my dear best friend right here by my side,
to share closeness and the most loving kisses
just keeping each other warm in body,
heart, mind, and soul as we give of ourselves
being there for each other and spending time.
You are the worlds beauty and my dream in reality,
so I lay here this winter night my heart singing out
saying Kira I love you for you are my Angel, hero,
and best friend so truly amazing.

Michael P. McParland

I Just Want To Be With You 3

I just want to be with you now
my sweet Angel dove,
to look into your gorgeous sparkling eyes
and be hypnotized just feeling my heart melt
as I drown on true bliss from all the beauty inside.
I just want to be with you now
seeing your bright shining smile
and being filled with the light and hope you give me,
I want to be with you now giving you
all of the endless tender and caring love to you
that overflows from my heart and soul
and I feel non stop down to my very core.
I just want to be with you now both of us
free and clear from all the loneliness
and the pain that it gives.
I just want to be with you now having dried
all of your tears and reassuring you
that everything is okay and I'm so proud of you.

I just want to be with you it is true,
I am yearning and longing so deeply
to have my beautiful best friend Kira
right here beside me snuggling, kissing,
and lovingly talking.
I just want you dear sweetie because you are my everything
and I simply adore you because I know
what a wonderful blessing and gift that you are.
You are amazing and wonderful and you fill me
to bursting with joy, hope, shining light,
and all of your kind loving strength
which makes my heart beat and gives me strength.
I thank you my Queen for being so great,
thank you for just being you
and I just want to be with you right now
and forever side by and hand in hand
to never part ever again.

I just want to be with you the one
I have loved since the start of time.

The one I knew completely through my soul and being
that I loved since I met you
and looked into your eyes feeling the connection
and bond that we share forming already
and was so strong before we realized.
I just want to be with you giving myself
and all that I have showing you
that you truly are beautiful and deserve
the best and endless love no matter what.
You are my Queen and sweet Angel dove,
and I love and adore you to no end.
I just want to be with you
and what reason do I really need
other than that I love and cherish you
and want to give you all the very best
always striving to make you so happy and proud
as I honor you my Kira so supreme and rad.

Michael P. McParland

Evening Note 122

Good evening my sweet
beautiful best friend
I love and adore unconditionally
to no end and is my hero,
I just arrived home from the store
to buy some birthday gifts
for my oldest nephew
all of them like you
I so dearly miss.
It was extremely crowded
and the lines at the register
were extremely long,
so now after taking some time
to let my anxiety calm down
I wanted to stop in and tell you
I love you so much
and more than anything.
I just want you here to enjoy
this very simple dinner I'm cooking
and then to spend time
snuggling up so good and tight
sharing sweet kisses so diving
and with deep tinglings
feel all the love in the air
that we so deeply feel
and share with each other
our soul mate and beloved best friend
that will always be there
providing true love and care.

I wish you were here
to make this Saturday evening
so warm and amazing,
you truly are a miracle
and so very stunning.
I miss you my sweetie
and will be thinking of you
in my heart, mind, and soul
as I go about this evening

getting done with everything I want to do.
I love you my Queen
and only want you
to spend the most pleasant
and wonderful evening
just holding each other close
knowing everything is alright
because I have my sweet woman
and Angel of true loving light
right by my side not just through
this night but as all time
together celebrating the most
pure and true love that has ever been known.

Michael P. McParland

I'm Sorry, Thank You My Darling

I was in such great pain
very early this morning sweet love,
my body still hurts quite a bit
but I will make it through
with all the kind and amazing
loving strength that you send.
I'm sorry sweet one I dropped off
for so very long and I thank you
for all of your understanding
for how I am feeling and I want
to thank you for all of your kindness,
your caring, and all of the deep and true love
you have for me and are sharing.
Thank you my sweetie I so deeply love
and adore you, I will always be thankful
for my amazing Angel Kira
who makes my heart sing
and in my northern star so brightly shining.

I am so sorry sweet love if
I have let you down today or failed you,
I am so sorry if you have been worried
and have been down wondering what is happening.
I am so sorry I am feeling very awful
and I want to thank you for being so awesome.
As I lay here in much pain this early morning
I truly could feel all of your warmth
and deep love fill and surround me.
Your shining light and deep endless love
filled me with such peace and joy to
be able to rest for awhile,
I'm just so sorry I drifted off for so long my dear Angel.
I wish you were here to hold and make it up to,
and with still so much pain throbbing
in my body I wish I could snuggle with you
to cure all of our achings as best as possible.

I am so sorry my best friend
so wonderful, amazing, and charming.

Thank you as well for being my rock
and my hero I adore and respect.
May God bless you for being such
an amazing person and for all of the
kind caring love you give to so many.
I love you my sweetie and am so thankful
for you in endless ways my dear Kira
and it will only ever be you
I want by my side to hold forever
sharing our lives and all that we have.

Michael P. McParland

Night Note 239

Lying back right now
my best friend and sweet love
as the arthritis has flared up
very bad tonight in my neck,
knees, hip, and somewhat in my back,
it's all giving me a bit
of a tummy ache
and lying here mostly awake
I dream of you and hope
you are okay and not feeling
any pain running through you.
I pray you are well
and feeling all of my warmth
and strong loving care,
and I just wish you could be here
by my side for sweet kisses
and snuggles galore.
I'm dreaming of you
and hope that soon you'll be here
so I can be kissing you all over
and holding you so very near,
I want to be kissing your lips
and then look into your gorgeous
sparkling eyes to say Kira you're beautiful
and I truly do love you so much.
On a night like this when the pain
in so many ways is so bad
I want you in my arms
to give each other the comfort
and love we both desire and need,
a peaceful comfort and loving care
we desire from each other.

Lying back now praying that soon
my stomach will be better
so I can get up to enjoy
the rest of this night as possible,
and as I do everything
I will be wishing I were with you

seeing you smile and know I could
reach out to take your hand
at any point either of us
so wanted or needed.
God bless you sweet Kira
and be filled with deep peace
knowing I'm always here for you
and can't wait to be with you
holding you so very closely
giving you the sweetest kisses ever
and thanking you over and over
for being such a beautiful
and amazing woman.

A Wonderful Night Together

Up now my love froma good rest
and what I long for is a wonderful night
with the beautiful woman I love most of all.
To first just lay here for a bit under the covers
to snuggle up tight and share sweet sweet kisses
and soft caresses of pure care and delight.
I want to start this night off in each others
warm loving arms feeling all of the care
that we hold fill the air brightening
our hearts and our souls just making us smile so big.
I adore and love you sweet Kira so beautiful and good
and want to spend a wonderful night together
having such fun hearing your sweet divine voice
and spending the best quality time.

After lying here under the covers with you for awhile
I just want to sit up with you to read a book,
talk for a bit, and watch a fun film you have picked.
Just being with you and sharing such times and things
is what makes life so wonderful overall
and especially to share them with your Angel,
your soul mate, your Queen, your best friend and amazing hero.
I love sharing all the big and little things with you
because you truly are so amazing and special.
God bless you my Kira you truly are a rare
a precious treasure, a diamond in the rough I adore completely.
I want to spend this night with you making you smile
and to make you laugh because it is heaven
to be able to make you so proud and happy.
Again God bless you my sweetie I love you
immensely and completely,
I just want to spend a wonderful night
holding my guardian Angel of sweet shining light
and true love both of us feeling so safe,
peaceful, and completely warm.

Wanting My Queen

Back now from the store my sweet girl
and I'm still feeling a bit stressed
from the big crowd that there was.
It is frigidly cold and later tonight
it will drop way below zero,
and I am just here wanting my beloved Queen
by my side and tightly in each others arms
keeping each other so happy and warm
in all of our true and pure love.
I'm just wanting my Queen as I am about
to sit back and have a nice pizza to fill me up.
I'm just wanting my Queen because she
truly is my only one and everything,
she is my greatest dream in reality
and I want to marvel at her beauty
while looking in her gorgeous eyes
telling her Kira I love you
and want to be with you as husband and wife
through all eternity.
She is my Angel and my hero best friend,
I just want my dear Queen to spend time with
and give the sweetest ever of kisses.

A Peaceful Afternoon 2

Getting up now dear after resting
for a short bit to get rid of a
bothersome stomachache
I want now a peaceful afternoon snuggled up
with sweet beautiful you to stay warm
and share all of our wonderful caring love.
I will be headed out to the store
in a couple of hours my one and true love
and I just want to sit back with you
to give sweet kisses to and hold close
just feeling you soft and smooth loving skin next to mine.
I just want a peaceful and loving afternoon
spent wrapped up with you to chase away
all of the sad loneliness we both feel
on this very frigid winter noon.
I want both of us to be happy and so filled
with overflowing peaceful joy
as our hearts heal just holding each other
and knowing everything is okay because our best friend is near.
Kira I love you and just want to be with you
spending a dreamy and peaceful afternoon
with my hero and Queen I so truly cherish
and adore in full to no end forevermore.

Michael P. McParland

Morning Note 210

A very good morning to you
my sweet beautiful Angel.
I'm sorry I slipped off through
the whole night when I
had wanted and planned to

my one medicine like that.

and most sincere apology,

I will be getting up to go out
shopping very soon,
the shopping I could not
get done on Tuesday because of
the awful weather and roads.
I wish you were here to spend time
side by side hand in hand,
then I could pick up something
special for you and make
a wonderful treat and meal
for my beautiful Queen I so adore.
My heart truly does melt for you
every single day for you

time and time again.
My heart beats for you
and along with my soul

that you are one of Gods my beautiful
and special Angels he gifted to earth
and I am so thankful he brought you

Keep Warm Together

Come my sweet one to be with me
and sit back in bed to get cozy
all snuggled up under the covers
while we spend some time talking,
reading, and watching a movie.
It's an extremely cold night here
in central Minnesota and I want to
keep warm with my beautiful and beloved
sweet divine Kira.

Come my dear sweet one and let's
get so close sharing sweet snuggles and kisses
and perhaps sing to each other
while so brightly smiling
and basking in the glow of our Angel
who we find so truly charming.
Come my dear Kira and let's stay
so very cozy and warm with one another
feeling so full of light and hope
in all of the joy we give to each other
and all the love that we've always shared
and unconditionally felt.
Come sit back in bed with me my sweet dear
for you truly do make my heart melt.

Come my dear sweet one for I only want you
to be here with me looking deep in my eyes
to see the truth of the love in my soul
as I share my whole world with you,
I want to gaze into yours and be hypnotized
as I share my whole world with you
and pray that you have the faith in me
to share all of yours as well.
I love you so much and want to hold you so very tight
just feeling so complete and cozy
with my dear soul mate, hero, Queen,
and best friend saying I love you my Angel
as we sit back and hold each other
feeling so safe and warm with the one

we have dreamed of forever.
Come my sweet dear for we truly do
love and need one another.

Good Morning My Gorgeous Angel

A very good morning to you
my gorgeous wonderful Queen and Angel.
Finally arose around forty five minutes ago
and had to immediately get to taking care
of a problem that has persisted since yesterday morn.
I thought of you the entire time
just sending all of my strength warmth
and love to my beautiful only one.
My nerves are up as this problem
is still being taken care of
and I just want to be snuggling up
with my gorgeous Angel I love so very much.
I wish you a good morning sweet one
and hope all is well where you are
and I am sending you sweet sweet
good morning kisses to say I love you my dear
and hope your day is joy filled and supreme.

I wish you were here to make this morning so special
and just spend the day with each other from
snuggling right now so warm on the couch,
to taking a nice and warm refreshing shower
as soon as I get the info I need from the doctors office.
Then a nice day just spending time doing
all of the things that we enjoy and love
till I have to go to the therapist in the afternoon.
These dreams that I have of being with you
side by side hand in hand is what's helping
to make my morning good and get on top
of all my anxious nerves.
I wish I could be with you both of us smiling
while so lovingly talking making this morning good
with my divine Kira I adore completely.
Just feel my loving arms wrapped so tightly around you.

Night Note 238

A very wonderful
and warm loving good night
to you my amazingly beautiful girl.
I have been thinking of you
and wish you were here
to have been able to talk to
about all that's on our minds
and in our hearts,
and to have your help with
the small thing that's
really bothering me now.
I wish you were here to lay down
by my side as I held you
so tight in my arms
feeling so comfy and cozy
while kissing and listening
to one of my favorite podcasts
or new audiobooks I just purchased.
I want you and need you
more than ever my Kira
to just look upon to tell you
I love you my sweetie and thank you for everything.
As I lay here my darling
I will be dreaming of you
to help ease the aching I'm feeling
and will be sending kisses

Michael P. McParland

Catnap Achings

I lay down earlier to take a rest
and have some sweet dreams of sweet beautiful you.
I always ache deep inside from missing
your presence, your conversation,
and the joyous company of my dear best friend,
I just long for my Kira a truly amazing,
magical, and beautiful woman whom I share
a wonderful unbreakable bond with
and I just want to be with you here
enjoying each other and the love we have for each other.
So I wanted a catnap to dream of my Angel
and from there send you my warmth strength and love
with sweet sweet kisses and huge hugs galore
as I dreamed them.

I dreamed of you as I lay here in bed
and felt burst of extreme pleasure and joy
as I held you in my arms and gave you
the deepest kisses and big smiles as I ever have.
I dreamed of our talks and of
so many great things I know are to come
until I fell asleep into those dreams I can't control,
unfortunatley I did not have many good dreams at all.
I had some very odd to quite bad dreams
that left me quite shaken upon awakening
though I thought of you through them
and knew all would be well if I were with you.
So now after getting my nerves calmed
and steady so I could write you
to tell you I love you so much
and want to be holding you both of us
feeling so warm and comfoted from each others
great big loving smile.
I am filled with such achings and still slightly shaking
and all that I want is my sweet lady Angel Kira.

I took a catnap to dream of sweet you
my sweet lady most rad so please
my dear Queen don't be mad.

I just want to revel in your divine
and amazing Angelic beauty
and share all my love with the most
sweet and adorable woman ever.
I love you my sweetie and can't wait to be with you
so I will see you in any way I am able
until we reunite no longer seperated
by such enormous distance.
I love you my Angel and truly ache for you
because you are my best friend and hero
whom means everything to me and is truly special.

Michael P. McParland

keeping each other so warm

with tons of snow and very strong winds
blowing everything mightly around
so it's one to stay in and spend with your love.
Come wrap up with me and share a great day
in each others company away from the world
just enjoying ourselves and sharing all that there is.

because I love you so much and want to be with you
passing the day feeling each others love
knowing that everythin will be just fine.

In Bed The Whole Day

I spent the whole day in bed
yesterday my sweet love.
I was so tired, so spent, hurting,
and very upset.
I just wanted to turn on my fans
and bundle up nicely in my bed
to get as cozy as I possibly could
to sleep off the tiredness from my meds
as well as just escape from everything while I could.
I was in bed the whole day sleeping
a great majority of the time
and even when I wasn't I was still out of it babe.
Even as my stomach started to so badly ache
from hunger and other things
I just stayed in bed to be away from it all and to sleep.

I'm sorry sweet love if you were upset or sad
but I had to do what I had to do
to help myself and feel better in any way.
You know I'm struggling, upset and sad
and I wish you had been here to talk
and lay with me for a little while.
I might have still been in bed the whole day
but then mostly just to sleep off all
the tiredness from my meds and having been
so upset at myself from my mistake on Saturday.
It would have been so much better spending
the whole day in bed if you had been here
with me to kiss so sweet and pull in tight
as we snuggled so joyfully
keeping each other so very warm
feeling the satisfaction of being with our soul mate and amazing Angel who's our best friend.
I spent the whole day in bed and as I rise I just want to be with you
my sweet Angel bride.

I was in bed the entire day and now as I finally rise I think of the things
I later have to do and I think of sweet gorgeous you.
I still feel a sadness so deep in me,

and I'm still feeling quite upset in many ways
but have not a desire to yell in any way.
I'm not tired right now in any way
but the meds may make me in a bit,
and no matter what through it all
I just want to have you right here by my side.
To sit and snuggle while we talk,
to just spend time this morning
sharing some good food as I finally eat something since 26 hours ago.
I just want to spend time with my only love
sharing all the things that we enjoy and love,
I just want to be with you taking on the world.
I love you Kira and I miss you so bad
and to escape the pains of missing you
I just stayed in bed sending you all my endless loving care,
I just lay there wishing you were in my arms
and that I was giving you kisses sweet kisses everywhere,
I dreamed of you so much and want to hold you now.

I spent the whole day in bed and I just wanted
to have you to love so tenderly as we lay there.
I have not left you and I swear I never will
because you are the world to me and my universe,
I overflow with true and gentle pure love for only you
and I want to give you all my world
for which you have the keys to enter when you please.
I want to give you all the love I have through all eternity
and receive the awesome love of my sweet Queen.
I dreamed of what I know can and will come true
so rest assured I'll always be by your side
in full support and the most loving pride.
God bless you Kira my sweet girl
and know that you are not alone.

I stayed in bed all day but still I prayed for you
and I hope that you felt all my warmth and love
knowing you're appreciated and cared for.
I love you Kira my only one
and if I had had one wish it would have been
to spend that whole day with you
just snuggling along and talking just like we always did.
I hope and pray that you are okay

and that you will return to me so very soon.

Somber Night

A very good night to you my sweet dear
and as I have arisen from a good rest
I sit back feeling so tired so very deep,
as well as quite shaky and somewhat weak.
I am filled with frustrations
and overflow with many emotions,
it is a somber night and I just want
all things to be right in life,
especially those things with the woman I love.
It is a somber night and I pray that you are alright
and know that I love you so much and would give anything
to have you right here by my side the whole time
making it bright for each other and so very warm.
Don't worry sweet girl I'll always be right here for you
and the nights will be somber in so many ways
until you are here in my arms to enjoy this life
in every way sharing all that we have and all of ourselves.
It is a somber night and I just want my girl
to be here with me in our own world we've created so fine.

Missing You Tons

Back from the theatre
and the store to do a bit of shopping
and the whole time I've been out
I have been missing you so badly.
I am about to run back out
to pick up some dinner sweet one
and I just wish you were here to go with me
and then return home to enjoy our good food
and a good evening in each others arms.
I am missing you tons and long for you
to be right here by my side hand in hand.

I am missing you tons and am beggining
to feel quite tired from running around,
and I threw away something I need
in the trash at the theatre on accident my dear.
So I just want to sit with sweet you
and spend a beautiful evening in after
coming back with dinner my dear
to enjoy each others company as we always did.
I love you sweet girl and wish you were here
because you are sp special and I want to hold you so near.

God bless you my Queen you truly are
my only one and everything,
I want to sit and talk with you
letting you know how much I care
and giving us both peace all the way through.
I love you sweet one and just want
a beautiful date night in
with the most beautiful and magical girl that there is.
You are miraculous and I love you so much
because you are so beautiful and marvelous,
and I just want to share all of this life
and existence with my Angel so gorgeous
and truly precious.

Michael P. McParland

Morning Note 209

Good morning to you
my sweet beautiful Angel dove.
I hope you slept well my dear one
and felt my arms around you
the entire night through
keeping you warm
helping you to feel so safe,
comforted, peaceful and not alone.
I pray you felt all of my love
with all of my sweet kisses galore

I'll always be yours and right by your side
because you are my best friend and all that I want.

So as I finally rise I wish you
were here to spend time with
as I first do the dishes,
to just have you be there and to talk to.
Then in a few hours when I go out
and see the new Star Wars movie sweet lady,
I would love more than anything
than to sit in the high row of the theatre
and just snuggle up with you to enjoy the movie,
I would love nothing more
than to spend a very cold Saturday
in each others arms at every place that we are
from bed here this morning, through the movie,
and then pick up some dinner after
to bring home and enjoy with each other.
Just the dreams of you spending
that awesome time with me
makes this morning feel better
in so many ways than it did before my sweet lady.

So a very sweet and beautiful
good morning to you my wonderful
and adoreable sweet Angel dove.
Have a great day and know your Michael's
with you as ever hand in hand

to support and give you all of my endless love.
Remember I am here waiting
and will be always because you are my one
and you truly are so amazing,
share these dreams with me baby
of being together and enjoying
a magical day together.
I love you sweet Kira
and may God bless you for you are
one of his most precious, divine,
and special Angels I know is a gift
from on high to help bless so many people.
Have a great day my dear sweetie
and I will be with you
and write when I am able,
I pray that so soon we will be reunited
sharing these Saturdays together
so filled with the joy
of being with the best friend and true love
who means the universe and holds your heart,
once again my sweet sweet Kira
I love you so much.

Lying Down, Dreams

I'm lying down now my sweet girl
to rest for a couple of hours,
and since you are not here right now
to kiss so sweet and to tightly hold
I'll just have sweet dreams of beautiful you.
Of seeing you smile and feeling your
soft and smooth skin as we touch each other,
then you resting your head on my chest
after very sweet kisses on your soft lips.
I'm lying down now my sweet love

so feel all of my warmth love and strength

my sweet Angel dove who's so very great.

I so often lay back to rest
to dream of you my sweet love,
to see your beautiful Angelic face,

running to the store in a few hours,
and watching one of the new movies

Waking Kisses With Snuggles

Finally fully awake now
and ready to rise in a few my sweet love
I want to be able to roll over and pull you in
so tight to me giving you kisses
so pure, loving, and truly sweet.
I want to share sweet sweet waking
kisses and snuggles with my only one
as I now fully awake and before I soon rise.
I want to give you sweet smiles
and see yours as well as I give you
deep passionate kisses and hold you as well.

Finally fully awake now and I am still
overflowing with so very many emotions
I just want us to softly talk
while we lay down snuggling in the dark.
Just keep each other warm on this
frigid morning where the weather is below zero
just feeling complete and safe with
our best friend sharing all
of ourselves as we talk, kiss,
and snuggle feeling ever so grateful to have
the true love so few find in this world.

So my dear sweet love as I have awakend
I want to and wish I could give you
sweet kisses with snuggles here in bed for awhile
and then as we sat back on the couch
on the rest of this quiet night feeling so happy.
God bless you my dear sweetie
I pray you are okay and will come back
to me so soon my sweet lady so we can spend
time kissing and snuggling while staying warm
and talking just sharing our lives through eternity my Angel.

Michael P. McParland

A Tired Late Morning

I am feeling quite tired my love
on this late freezing Minnesota morning.
I am quite tired from my medications
and mostly just broken stretchs of sleep
which are mostly fitfull and restless indeed,
now as I lay down for a bit more
I want you to climb under the covers with me
to snuggle and escape the rest of the world.
On this tired late morning I want to
stay warm with my best friend I truly adore
and just have you rest your sweet head
upon my chest as we are under the covers
feeling so peaceful, cozy, and truly good.
I love you sweet Kira and want to be holding you
giving both of us comfort being at home
in each others arms sharing our endless warmth and love.

Michael P. McParland

Good Morning, Longing Desire

Good morning my sweet beautiful love
and waking from a rest filled with
mostly dreams of sweet you
I just ache with longing desire
to be here in bed with you know.
To hold you so very closely
and give you the softest caresses
as I tell you you're amazing and I love you,
for us both to just be wearing big smiles
knowing this day will be truly magical
as it will be spent together hand in hand
sharing everything that there is like we've dreamed of.

Oh what a morning filled with such
loving desire and deep longing for my Queen

and the most beautiful girl
that there is in every way there can be.
You are the most kind hearted woman
so very patient and understanding
when you want to be.
You truly are so very caring
and truly love me deeply
even when you are upset and see red.
You are so gorgeous outside
from top to bottom
and you drive me crazy with the
most intense tinglings that can be felt.
I truly love you for just who you are
because you are my Kira the greatest
best friend, true love, and hero

to honor you and make you
endlessly smile so happy and proud.

Michael P. McParland

Nighttime Catnap Desires

Waking my sweet love from a good rest
and as I dosed for the last couple of hours
I was filled with desire to only be with you
side by side here in my bed just snuggling away,
sharing sweet kisses with soft loving conversation,
to just be with you so very close wrapped up
in each others arms sharing all of the love
we have, we hold, and have so very much wanted
to share in every way with all that we have.
Nighttime desires of deep joy and happiness
are what filled me dear as I catnaped
to just relax, escape the aches that I feel,
and to dream of you my beautiful Angel dear.

Now as I awake from my catnap first thing
I wanted was to stop in and say I love you so much,
to tell you you're wonderful and it is you
that fills me with such endless desires
all in pure and true love that one
can only have for their best friend whom they
love and adore to no end heart melting over and over
in pure caring appreciation and adoration,
the kind of true loving desire that lasts
the ages through everything because you are
so very beautiful and so very amazing.

So my dear sweet one as I arise from my catnap
I am still filled with desire and dreams of my sweet one.
I feel the stirrings within me as I overflow
with deep and true tender love for only you,
I am filled with desire to be telling you
just what I think and how I feel,
to tell you I miss you and am sorry for all
that has ever gone wrong from the things that I did
straight through to those things of which
I had no part or control,
I am sorry that you were hurt because I love you above all.
I am just filled with desire to be with my one
haring all of our love and curing all of the pain

we have both been in while reassuring each other
it will all be okay and that we are here forever to stay.

Michael P. McParland

Love Note 568

A very good late afternoon
to you my best friend
and beautiful girl.
I am home now from the therapist
who is a great guy
and I know you would like him,
he is a Patriots fan
just like you my sweet lady
and making me one too,
just as I have made him a Buckeye
to cheer with us every Saturday.
I love you my dear
and wish you were here to enjoy
the rest of this late afternoon
and soon evening talking,
kissing, and snuggling away,
it would be perfection to bask
in the warmth of our best friend
and wonderful true love.

God bless you my sweet girl
and as I am about to cook a good dinner
I would love to be able to
serve you this wonderful meal
and see your enjoyment of it my fair dear.
To let you know you are appreciated
and so treasured in full,
when you look in my eyes
you will see just how much my heart melts for you,
you are amazing and so beautiful
that I would give my whole life
and all that I have for one
special day and great night
spent with you my sweet precious diamond I adore,
I would do anything for you
because you are all I want and need forevermore,
you are my hero and shining star,
a true gift and blessing sent
from God up above.

So my sweet love feel my arms
around you and my smiling
sweet kisses warm your entire
body and soul,
my hand is in yours
while my heart sings to you all of my love.
I will be thinking of you
as I go about cooking dinner
and doing whatever I do
saying Kira I love you
and I always will because you are
the most amazing, beautiful,
and magical woman there is.

Michael P. McParland

To Hold You Tight Right Now 2

A very good morning to you
my beautiful and most beloved sweet Angel dove.
It is an extremely cold winter morning
here in central Minnesota
and I am aching in my bones from the arthritis
and inside from missing you so very badly,
as well as feeling your lonely pain
from so far away send aching sadness through me so deep.
So as I sit here in deep quiet longing for you
I truly yearn above all to hold you so tight
right here and now to keep you warm
and let you know you're so deeply cared for and loved.

To hold you tightly right now would be the cure
to so many pressures that have built up within me.
To just hold you so tight would release
the weight of the world,
you are my sweetie and I want to hold you
talking and kissing so very sweetly,
wrapped up in each others arms chasing away
the frigid and freezing cold weather
of this January morning.
I just want to hold you so tightly feeling
your soft and pale skin against mine
with loving touches so fine.

Good morning my dear and to start this day
I send you the sweetest of kisses
with millions upon millions of big loving smiles.
I adore you completely and my heart
melts for you to no end my true love and best friend
and through all eternity I want to hold you so tightly
sharing all of myself, all that I have
through all of this life side by side hand in hand
giving you the sweetest of kisses all over
in the deepest most tender true love that has ever been known.

Michael P. McParland

Your Love

I just want and need your acceptance and your love,
both of which I know I have
and I need your understanding as well.
To see and know that I always do my best for you
and that I'll never give myself to another soul.
It's just you and your love I need and want forevermore
because you are my best friend, my Queen,
and only one through all eternities time.

I just want you to know how much
your loving acceptance and care means to me.
That I need to hear your Angelic voice
as we hold each other so very close.
I love you my sweet Queen and want to be able
to give every last bit every day right to you.
Your love and acceptance help brighten my entire world
and I just want and need all your understanding as well.
You are an Angel and my northern star,
you are my best friend and the most wonderfully
beautiful woman by far.

I just want to be here feeling all of your love
as we spend this very early morning in each others arms.
A loving and peaceful morning of sweet kisses
and passionate snuggles,
I just want us to be basking in the warmth of our caring.
God bless you my sweetie you are all of
my most beautiful dreams and great wishes
and I will be right here for you in true love
and full support forever and ever my sweet Angel dove.

Michael P. McParland

So Much To Say

Waking from a very long sleep
so wanted and need in many ways
I am ready to rise and I wish it was
with you my sweet Angel dove.
To hold so very close
and give the most deep and passionate
kisses we both so want and need,
and then smiling so big say
I love you sweet Queen please make love to me.
I wish that as I arise now I could
give you all of myself and all of my time
being so close in all ways that there are.

Oh my sweet love how I wish I could
talk to you now for there truly is
so very much to say.
Rather it would be waking up and holding you close
or being able to at least talking
through messaging each other right now
I want to just get lost in conversation with you
because there is so much to say
and more than a little to share.
I am overflowing with thoughts and emotions galore
as I know you are too and I want us to share.

I am frustrated my one with the deafining
silence that surrounds us right now
when I know we're both lonely and hurting
and want to heal each others hearts while
drying each others tears.
I love you so much and just want to share
because you are the blessing and gift I have prayed for.
I love you so much and want to tell you all
because you are my Queen and sweet Angel dove
with whom I want to share all.

Michael P. McParland

Somber Afternoon

Such a somber afternoon sitting
here in the quiet all alone.
Rising from a rest then going out
to get some Panda Express I wish
you were here to spend a great noon
first sitting here with me watching a film
and sharing some very good food.
Such a lonely time with such
deep longing, wanting, and need
for my best friend, only one and true love.

Sitting back on this somber afternoon
and dreaming of the most beautiful
woman in the universe.
Wondering how you are and what you are doing,
praying you are okay and feeling
my hand in yours with all of
the warmth and love that I send you,
to see my loving looks and big smile
that I only ever gave to you.
I love you sweet lady and want to be
holding you on this afternoon
making it no longer lonely and somber
as we spend the most wonderful
and loving time together.

Michael P. McParland

A Little Busy Morning

It's been a little busy morning
my sweet beautiful lady,
I just got back from doing some grocery shopping
and it was a frustrating one surely.
It is extremely cold and icy
almost falling down as soon as I went outside,
the car was a pain to scare free from
the hard ice that was on it
and then the store barely had a thing
that I had gone for.
Now that I am home my sweetie
and have put away all the groceries
I just want to sit back with you relaxing
and sharing the sweetest kisses,
just sit back with my sexy little princess
and enjoy a warm morning with each other.

It's been a busy little morning
and I'm feeling a bit worn out my lady.
I have so much on my mind
and have an aching heart and soul
for my best friend and only one.
So now I want to sit back and hold you very closely
just watching a good movie feeling
so joyful and so peaceful.
After a little busy morning there is nothing
more I want than to be with you my sweetie
just spending time and feeling whole
with my one and only true love I adore.

Michael P. McParland

Mid Night Longings

My headache now gone and out of
a nice calming and soothing shower
my stomach still feels slightly shakey
but will steady in a short time.
The only ache and pain I know
will remain is missing you
and longing to have you here in my arms.
To sit with to give kisses to
and snuggle so tight both of us feeling
so much better as our hearts heal.
I am so filled with mid night longings for you
and many other emotions as well
that they over flow and I just long
to be with my sweet Angel dove.

Sitting here now feeling so very refreshed
after a wonderful shower and I wish
you had been here to join me to hold you
while kissing and smiling under the flow
of the relaxing water,
and now to sit back and spend time talking
as well as doing this and that.
I love you so much even though sometimes
I know you doubt that but I promise you
my dear sweetie I'll never leave you
and wish I could dry your tears while holding you now.
I am so filled with mid night longings for you
because you are my Queen and Angel I so adore.

Oh my sweet precious diamond in the rough
you are my bright shining star
who fills me with hope,
my heart beats for you and I long for your touch,
and to see you brightly smiling while
your eyes sparkle at me looking deep in my soul.
I love you sweet Kira and pray you will
return so very soon so we can share our lives in full
and the happiest of days there's ever been.
God bless you my sweet darling Queen

know that your Michael is here and truly longs and aches for your joyus return.

Michael P. McParland

Night Note 237

A very beautiful good night
to you my sweet love.
I am sorry I was out of it the entire day
through the whole night my sweet Angel dove.
I was just so worn out from
so very much weighing upon me my only one.
So lying down a little while after
last writing you I collapsed
into what was first a very restless sleep,
then eventually a deeper one
and I dreamed of being with you
in the most wonderful and intimate of ways,
just holding you so close to me
and us talking sharing with you
all of my thoughts, feelings, and needs.
From my frustrations, my joys,
and so very much more, and then us sharing
very sweet kisses the entire time
us holding each other so very close
and smiling while I gave you caressses
so very loving, tender, kind, and soft,
I could feel all of your kind strength,
caring, and endless unconditional love,
I hope you felt all of mine while I was
sleeping my dear and feel all of it now.
I am sending you millions of smiles
with sweet kisses to shower on you,
along with all of my loving strength,
warmth and massive hugs,
I wish you were here to snuggle with now.

So as I have awakened and truied
to fully arise I have a headache
that is making my stomach turn.
So as I let the Excedrin work
I so wish I could lay next to you
having you very close while I wait
for it to majority pass,
then to sit with you after and eat some food,

then shave my head before the shower
I so very want and need.
I want and need you through this whole night
to feel your soft loving touch
and your sweet spirit with me.
I miss you my Kira and just want
to be here beside you and feeling so calm,
comforted, while we're relaxing,
and to just look in your gorgeous
sparkling eyes to tell you I love you.
So have a good night a feel me
right there hand in hand by your side
remembering always that I am your Michael
and will never leave you
because you are my true love
and amazing woman I want to be with
forever and ever.

Michael P. McParland

A Quiet Night 3

It's a quiet and lonely night here,
struggling because I just want you
to be here both of us so very happy.
Talking and laughing while making jokes,
sharing stories, and remembering old times
we shared together or just remember.
It is a quiet night and I hurt
wishing you were here with me and not mad anymore,
you know I am sorry and hurting too
and I just want us to fix everything
as I know we can and one day will.
Until then though the nights are so quiet,
lonely and long wishing my Kira was here in my arms.

It's a quiet night and not only my heart aches
but the physical pains are flaring up very bad.
I know you're in pain too both ways as well
and I just saw a video that brings up
the very problem you have with your back,
my heart twisted around and my stomach clenched
as I immediately thought of all the pain you are in.
I wish I could be with you spending
a quiet and happy night together
as I gave you a massage and all of my love
to make you comfortable and as pain free as possible.
I love you sweet Kira and cry and hurt for you
in more ways and more times than you think possible.

Such a quiet night my sweet precious Angel
and spending time with you letting you know
how special you are is just what I wish for.
To look in your eyes and confess my soul to you
in every single way possible,
then give you sweet kisses all over
in true tender loving passion.
It is a quiet night and it is my Kira I want
to forget the world together feeling as one
just sharing ourselves in the most wonderful time.

Michael P. McParland

Beautiful Dreams 2

Going through this night my sweet love
my head and heart are filled
with the most beautiful dreams of you and us.
I see your sparkling eyes and bright shining smile
and my whole body fills with butterflies.
I have beautiful dreams of all the beautiful
times that we'll share and spend
and I know all the more that it is only you that I want.
Beautiful dreams pf my beautiful Angel and Queen
are what keep me going and smiling so big.

Beautiful dreams of talking with you
and just sharing everything I think, feel,
and what I have within my world.
Beautiful dreams of completely getting to know
the most wonderful woman in the entire world,
along with beautiful dreams of all the closeness I want to share,
before during and after where we just snuggle
and feel so complete and peaceful.
I am just filled with beautiful dreams of beautiful you.

Beautiful dreams fill my heart soul and head
of all the good times we could have tonight
and all of the ones I know are to come.
Sweet sweet beautiful dreams of Kira
my most incredible Queen fill me with longing
because she is the one I want and need.
So as this night goes I will be having
beautiful dreams of you even as I email you
and feel all the light and hope that you give
and dream of all the things I want us to share.
All the while I will be sending the sweetest of kisses
while saying outloud Kira I love you and miss you.
God bless you my sweetie I pray you'll return soon
because I just want to let you know you are appreciated
and dry your tears while we bask in the glow
of our bond and true love.

New Years Night Holding You

After a rough and sad new years eve
I want nothing more than to spend
this new years night just holding you.
Healing our hearts while our souls touch and glow,
a new years night with you is what is called for.
To spend time with my sweetie who is my eternal Angel
and together release all of the pain we've felt
as we snuggle and smile saying I love you my darling.
New years night with my Kira is what I want badly
and my heart calls to you saying I love and adore you
and want to be holding you forever and ever.

I can't help but smile my heart glowing aflutter
as I think of being with you all of our
scars and wounds getting better as I thank you
for being my best friend and always giving
me your strength and great love with caring.
You are such a wonderful and beautiful woman
that no one ever could take my love,
it is only you I want to be with.

So on this new years night as I go about
doing whatever I might I will be sending you
sweet kisses and huge hugs with all
of my loving strength and might,
I will send you such warmth
and revel in yours with all the love that you send
and smile both for you and myself
knowing that we love each other so much
and one day soon will be so close
able to share our whole lives.
Oh my sweet love how I wish we could spend
this new years night in each others arms
feeling so safe, content, and totally warm.
I will be dreaming of you in all your beautiful charm
saying Kira I love you my sweet Angel dove.

Michael P. McParland

New Year Love Note

A very happy new years
to you my sweet Angel dove
and may both of our years be better
and filled with so much more joy
than 2016 held for us in all ways.
May we reunite so very soon
and just hold each other
crying the happiest of tears
and drying each others sad lonely ones
away for all time my sweet Queen,
you are the brightest spot
of my entire life
and after a very hard night
you are my happy thoughts,
not just today but every single
day that there is through eternity.

A very happy 2017 to you my sweet Queen
and feel deep warmth in your
heart and soul as I send all of mine
with my strength and love to you,
feel all my sweet sweet kisses and smiles
shower over you to give you joy
and revel in them as they will
only ever be given to you,
and feel my arms around you
as I reach out in spirit
to take you in and say I love you my dear
in 2017 and every single year
behind and after it forevermore,
you are my only one
and will be my sweet Angel dove
I hope to have as my wife
side by side hand in hand
through all space and time.
I only want you my sweet Angel bride.

So may God bless you on this new year
and know that I am right here

and right there beside you forever and ever.
You are the one I am dreaming of
to make my hurt feel much better,
the only true medicine there could be though
is if we were kissing and snuggling
just spending time with each other.
I love you my Kira and want you to know
I think you are amazing and magical
and it is only you I want to
share myself with through all eternity
as your best friend, King, and husband.

Another Year

Another year is now close
to a close my sweet dear
and how I miss you so much
and wish you were here to bring

It has been a tough year in so many ways
and missing you has been the toughest of things.
Lying in my empty bed with only my pc beside me
I long for you to be by my side talking,
kissing, snuggling and feeling so very good
as I keep company with my beautiful girl.

In the new year that will so soon be here
I pray to see you again and hold you in my arms.
To look in your eyes and say your beautiful
my sweet Angel dove and I love you so much

I pray that through this year and all other years
you have felt all of my warmth and love
knowing you are my Queen and only one.

Lazy Saturday Morning Dreams

Just lying back in bed my sweet one
having a lazy Saturday morn for a bit
before I jump in the shower and take care of things,
and I am just dreaming of you
being right here with me in each others arms
listening to my audiobook and sharing sweet kisses to.
You make me smile and these dreams of you
are so bright and wholsomely happy,
I can't wait for these lazy Saturday morning dreams
to become our exciting reality.
I can't wait to lay here snuggling with you
holding you as close to me as I can
saying Kira I love you more than anything
and I know that nothing else could ever
make me as happy or fulfill me the way that you do sweetie.

Michael P. McParland

Morning Note 208

Good morning my sweet
most beautiful Queen I adore and love.
I hope you had a good restful
night my beloved sleeping beauty.
How I wish I could wake you
with a big passionate
loving kiss and smile,
how I wish upon wish
I could snuggle with you
upon this Saturday morning
and then have a good day together
hand in hand playing games,
sweetly talking and finding so many things.
Then tonight with me you could
watch Ohio States playoff game.
I love you so much my sweet Gorgeous Queen
and want you to know you are my everything
and want to spend a bright beautiful
winter Saturday with you from a refreshing
early morning shower, through a fun loving day
through the end of the night
with a prayed for celebration.
God bless you my Angel so bright and amazing
I want to be holding you through all eternity.

I know you are mad at me
my sweet one as we start this day
and I wish you wouldn't be.
I was so sick, stressed, and worn down
through so much of yesterday
that after eating some dinner
I wrote you an email goodnight
and then truly collapsed in my bed
no longer having a bit of strength,
then when I awoke shortly ago
was struck with a stressful
and annoying problem I have yet
to be able to take care of.
So please my sweet one be understanding

of all of my needs
and know that normally I would never
be so out of it in so many ways.
So feel my arms around you
and all the sweet kisses I send
as I wish you were here to watch
some Simpsons with me before we took
a warm shower so soothing and comforting.
Remember my Queen I'll always be yours
and just want to let you know
I would give anything to be with you now
give you sweet kisses smiles and snuggles galore.

I love you sweet Kira and wish you
a very wonderful good morning
and send to you all of my warmth and love
to comfort and reassure you.
I will always be your faithful Michael
for I love you to no end
completely and unconditionaly.
My heart and soul are yoursthrough all time
and I will ache deeply until
the day that you reyurn to my arms.

Michael P. McParland

Love Note 567

A very good late afternoon
my sweet beloved beautiful darling,
back now finally from
getting my prescription
and checking out a new store
to do a small bit of shopping,
and after some medicine
I am feeling quite a bit better
but still far from totally recovered.
I am quite worn out and tired
from being sick and going out
for awhile but I will stay up
and stay strong for you my sweet one
as long as I can,
I will be thinking of you
as I feel your arms around me
and all the sweet kisses and nuzzles you give,
be filled with all of my strength
warmth and endless love as well
as I send you sweet caring and tender kisses
as I reach out to hold you so very close.
I wish you were here my sweet one
to snuggle so tight keeping each other
happy and warm as our hearts,
souls, and bodies healed in all
the energy we give and share.

If I had my way my sweet love
I would be holding you now
looking deep in your eyes
as we were about to share
the most wonderful evening and night,
to just be in the company of my Queen
who's always held my soul and heart,
to just spend the most meaningful
and wonderful quality time.
I so long for that because
you are the real medicine I need
not just now but forever my love

because you are my soul mate
and greatest best friend
who makes me want to live,
and for you I would die.
You are the woman I've loved
since the beggining of time.

So close your sweet gorgeous eyes
and see my loving looks
with my big loving smile
filled with true love for you my sweet hero.
Know that I dream of holding you
and spending the most wonderful
evening and night with you
just getting better while playing games,
talking, and so many other great things.
God bless you my dear sweetie
for you will always be the most beautiful
and amazing woman ever
and I love you so much I will
only be yours through all eternity.

Michael P. McParland

Your Morning Smile

Good morning sweet love
and I am in need of your bright shining smile.
My stomach had started to feel better
but has once again started down turning.
I so want to see your bright shining smile
then look in your gorgeous eyes to say
Kira you are so beautiful and I deeply love you,
you are the most amazing woman
and make everyday so amzing and joyful.
It is you I want to be with while
feeling fairly queezy snuggling up so very tightly
while I now wait to hear back from my doctor.

Good morning my sweetie and just give me
your bright shining smile to help make my morning
much better and a happy one.
Don't worry my darling for I know later
I will get feeling better so I just want you
to start this day smiling feeling all of
the sweet kisses and huge hugs I'm sending.
I love you my dear one and am dreaming
of snuggling with you while I rest here
sending you millions upon millions of smiles
to give you cheer in your gold heart
and reassure you that I am there with you
and will always be for you are my best friend,
my hero hero, my Angel, and eternal shining star.

Michael P. McParland

Late Night Stomach Ache

Sitting back my dear on this late night
with my stomach still aching a little bit.
I still have a few dishes to do
because I stopped halfway through
to sit down and hope some medicine would help.
The best medicine though that there
could ever be to help the rest of this stomach ache
and all the nervous stress I feel to go away
would be to have you here in my arms
to spend time with relaxing in pure joy.
To rest a bit with The Simpsons,
YouTube videos, and audiobooks
until I had to make my morning calls,
and then do the last of my work
before running out to pick up my meds
and get us a both a nice meal.

Oh my dear how this late night stomach ache
though quite better is still the worst.
It just sits below my longing aching heart
all of which would be cured by the company
of my beloved and beautiful girl.
I love you so much and want to always
be the reason behind your smile
as I give you all I have and every bit
of everything I can within this world
and then the next life as we walk hand in hand.
I love you sweet girl how could I not
love a divine Angel such as you in every way?
You are my hero and my best friend
and I wish I could lay back here
on the couch with you relaxing
as my stomach and nerves are on the mend.
I truly love and adore you dear more than anything.

Michael P. McParland

Sweet Mid Night Kisses

Sweet sweet mid night kisses
to you my sweet beautiful true love.
My heart has been singing out too
as I have been sending sweet mid night kisses
to warm and comfort you in all of my
loving strength and deep care.
Feel my arms around you as in spirit
I reach out to spend a warm loving night
showering you in sweet kisses of pure loving light.

I wish you were here to snuggle up with
and give these sweet mid night kisses to.
My stomach has been cramping and aching
and the best thing there could be
is if I could curl up with my sweetie
you rubbing my tummy while I rub your back
and stroke your hair giving sweet kisses
all the while my darling.
True comfort right now and is always
you to me my sweet Kira
and I want to be sharing sweet mid night kisses
and comfort with each other each night.

Sweet sweet mid night kisses of comfort
and light to you my sweet one on this night.
Sweet kisses to tell you I love you
and want to be with you right now
and every night in the future.
I am filled with such stress dear and am
worried about some stuff in the morning
and I just want us to be snuggling
giving great peace and comfort to each other.
So be filled with deep peace and reassurance my Kira
and never forget that your Michael loves you.
I will be thinking of you as I get up
to take care of some chores now
and your beauty will be what keeps me smiling.

Michael P. McParland

A Warm Night

I was just looking at your
beautiful picture and my heart went aflutter,
and I knew even stronger than before
I want to spend a warm night with you
both of us hand in hand holding each other.
To sweetly talk and so softly kiss,
to just pull you in and as we dry
each others tears tell you you've
been so badly missed.
What I so want more than anything
in the entire universe is to spend
a warm night of quality time
with my Queen Kira the most beautiful
and wonderful woman that there's ever been.

I long to spend a war night with you,
to wrap up in a blaket just holding each other.
I want you to rest your head on my chest
or my shoulder as we lay back on the couch
watching a movie and later relaxing
to a good audio book sharing sweet kisses
as we get lost in the story,
both of us feel comfort and joy being together.
I love you my sweetie and will be
dreaming of you and spending a warm night together
knowing that all is good and will be well
when you're in my arms and I am taking care
of my Queen who is my only one and everything.

Michael P. McParland

Love Note 566

A very good evening to you
my beautiful sweet Angel dove.
I know you are mad at me
for dropping off like that the whole day
and I am so sorry I did
my beautiful best friend I love and adore.
Some of the meds sometimes
just knock me out so very hard,
I am so sorry sweet one I was not
right here for you more through this day
and I promise I will be up
most of the night writing for you when I can
and will email you in a short bit.
I love you my dear sweetie
and now that I'm up I only want
to spend a splendid loving evening
with my Kira so darling.
To go out and buy us some burgers
for dinner and then return home
to eat, play some games,
watch some TV and a movie,
and do some relaxing reading
all throughout sharing sweet kisses
and so tightly snuggling
keeping each other so warm
and feeling joy with our beloved one.

in my Kira I love.

Michael P. McParland

to you on this late night my dear.
Mid night kisses of passion
and deep loving care.
I send this kiss to you to say
thank you my sweet Queen
for all the peace, happiness, and comfort
you give to me by just being you.
Do you understand how hard it is
for you to not be here in my arms?
And do you understand why it is
so hard my sweet Angel dove?
I love you sweet one and send these many
caring kisses your way to warm
and lift your sweet hear
as your Michael tells you he loves you
and will never depart leaving the woman
he loves stuck all alone hurting so much.
I send this loving kiss with smiles

Looking At Your Picture 10

I am feeling quite tired
and worn out my sweet precious Kira
from all the depression and stress,
and right now though as I turned on my computer
and looked at your picture I was filled
with butterflies over my beautiful lady.
Butterflies of true love with tinglings all over
of the most wholesome and pure loves desire.
I look at your picture to renew my hope
and give me a smile as I feel your love.
I can feel you so near me and it makes me
so anxious for the day that you'll touch me
and we can say to each other baby I love you.

Looking at your picture because I so deeply miss you
and because you are so amazingly beautiful.
No one has ever filled me with such desire,
longing, tingling, and passion,
I look upon you and my heart skips a beat
and then doubles its pace in pure nervous pleasure.
I'm looking at your picture to help calm
and relax me because I know that my Queen
cares for me and loves me so deeply
like I love her in every way as my best friend and Angel,
I'm looking at your picture because
you are my northern star so brightly shining
and I adore you so much my heart melts for you darling.

Just lying back darling looking at your picture
and though I'm fighting the tiredness
you give me peace with that smile
and I am so calmed that like Monday night
I might just close my eyes and drift off.
I look at your picture and tell you
that you are an amazing diamond in the rough,
and then I just dream of you resting your head
upon my chest me rubbing your back
and stroking your hair as we snuggle up so warm and close.
I love you sweet one and will be looking at your picture

dreaming of when we wi come together again
when I will hold you so closely and break down my walls
to let you in and share my whole world.

Michael P. McParland

Love Note 565

Good late afternoon my sweet love
and I hope your day has gone well
and you have heard my heart
sing out to you in full voice
telling you that you are so beautiful
and truly deeply loved,
my heart has sung to you the whole day
and my soul has reached out
to touch yours as I was both sleeping
and then at the therapists.
I thought of you many times
and prayed you were okay
feeling all of my warmth
and deep caring love as I sent it your way,
I am always with you hand in hand
sending sweet kisses and smiles galore
no matter what I am doing or where.
I love you so much my sweet Angel dove
and I wish you could sit back with me now
to watch some Simpsons and share
my Subway sandwhich I bought on my way home.
I am longing for you and will be
dreaming of you as I sit down to eat,
so remember sweet one that you're not alone
and you never will be because I will
always be yours standing in full support
and true love right by your side.

So my sweet love enjoy the rest
ofr this late afternoon
and know that my heart beats for you,
I will always fight on because

and I just want you to see how beautiful,
wonderful, and Angelic you are to me
my sweet divine best friend I endlessly treasure.

and I am feeling quite tired,
so what better way to spend
a tired night than in the arms

Nighttime Achings

I am filled with deep nighttime
achings to be with you my dear sweetie.
To sit next to and be so cozy
in each others arms wrapped up
in my big fuzzy orange blanket
keeping each other so comfy and warm.
I am filled with such bad nighttime
achings and longings to be with you
talking and spending good time.
I so want to talk to you to hear your
thoughts and advice on what's stressing me
and the deep depression I am in.
I long to talk to you so you can tell me
all that you hold inside and have been dying to say.

Such deep achings and longings fill me so deep,
the need to look in your eyes and tell you
you are so beautiful, wonderful and great,
I have such need to look in your eyes
and tell you I love you my sweet Angel dove,
I just ache to hold you so very close
and spend the whold night in each others arms.
I love you so much and ache for my Queen
who is my everything because you are the one
who I love above all and I just want to feel
the stress of the world melt away
as I pull you in and see nothing but you
right before me and smile so big.

Michael P. McParland

My Beautiful One And True Love

Good evening to you my sweet
beautiful one and treasured true love,
what a long night of no sleep
and deep aching just wanting you
it was the other night,
all through yesterday except for a few hours
my sweet Angel of true loving light.
I had so very much weighing on my mind
and my heart was feeling heavy as well.
So I was wore out from not having slept
and just suddenly crashed out my love.
I am so sorry I didn't let you know
because I hate to worry and upset you
my beautiful one and only true love.
I wish Icould just sit back and hold you now
reassuring you all is okay and that
I will always be your man and right by your side.

Oh my beautiful sweet one there were
so many strange dreams and many bad ones as well.
One in particular that tears at my heart and soul,
somehow I had lost you forever my dear
though I don't remember how,
you were not injured or dead thank God for that
but just gone and disappeared from my life to never come back,
and that you had very likely forgotten about me as well
would be my very wordt two fears come my sweet dear.
I needed the rest but I'm glad to be away from
those dreams from hell because even the though
of losing my beautiful one is the death of a broken heart
every being fears.

Oh my beautiful one and only true love
now that I'm up and I know you're not lost
I just want to sit back with you to relax,
eat some good food, and let you know
you mean so much to me for you are my universe.
You are my beloved beautiful one
and all that I need and want by my side through all time.

I love you sweet Kira you are the apple of my eye
and a darling peach and I will always give you
all of the best in the world that I can
and always serveyou in true love and honor
my sweet gorgeous Queen.

Tired Evening, Get Cozy

I'm still so very tired on this eve
my sweet darling dear
and I want to curl up with you
in my big fuzzy orange blanket
getting so cozy with my dear best friend.
All that I want on this tired eve here
is for you to rest your head on my shoulder
as we get so comfy and cozy
feel content, safe, and peaceful
being with our beloved Angel.
I'm nowhere near ready to go to bed
so I just want to sit back with you
and get so very cozy keeping you warm
while sharing all of our caring love.
You truly are a diamond in the rough
and I thank you for always doing your best
to understand me and giving me
such amazing unconditional love.
Now in spirit curl up in my arms
to get cozy and warm and feel peace
in your heart knowing that soon you will be
in my arms for real snuggling the evening away.

Michael P. McParland

I Love You Kira 16

As I lay here the last number
of hours resting sweet lady
I dreamed of you as I ached, longed,
and yearned through my entire heart and soul.
I dreamed of doing so much of what
I talked to you about in my email
before I lay down to close my eyes
and rest after a full night of being up.
I dreamed of holding you so very tight
and saying I love you my Queen and promise
to always stand with you and treat you right,
I dreamed of telling you I am so sorry
for all I did wrong and all that went wrong
even for those things I couldn't control.
I dreamed of thanking you for being an
amazing woman I adore and treasure.
I dreamed of thanking you for being you
and all of your kind love and caring,
I just wanted to thank you so much
for so many things I can't begin counting.

I love you sweet Kira my dream in reality
and all that I dreamed of I know will happen.
I dreamed of us just sharing all that had
happened to fix everything through understanding,
and then sharing sweet kisses as we tore
down our walls for each other to share
our whole worlds with our inner most thoughrs
and feelings you want to share with your best friend,
things you would only ever share with
your Angel, hero, and true love who you have trust
and believe in.
I love you my Kira you are all those wonderful things
and so very much more,
you are the worlds beauty and the woman
I've loved and adored through all time.

As I was lying down and dreaming of wonderful you
I hoped and prayed that you are alright

and not sick or in very bad pain,
any sort of pain it may be because it kills me
to know you are suffering in any way.
I love you sweet girl and dreamed of those things
and such other wonderful things to share.
I dreamed of you and I could feel you so near
and it helped me rest better than I otherwise would've.
I love you my dear and I give you the keys
to my heart, soul, and entire world
because I only feel safe letting you in
and only want to share in full with you
sharing myself in full my sweet Queen
my heart melts for each day over and over for eternity.

A Tired Morning 2

I am feeling quite tired my sweetie
after a long night of no sleep,
I am feeling quite tired but still
I cannot sleep and will be up for a good while
and I will be thinking of you at many points dear,
and at all points longing and aching
wishing you were here to relax and rest
in each others arms healing each others
hearts and souls from many wounds and scars.
I want to be with you wrapped in each others arms
on this tired morn reassuring you of
how wonderful and beautiful that you are
and that I am not leaving because I am yours
and yours alone forevermore,
I want to do all of this while I'm drying your tears.

I crave you sweet Angel and desire to feel
your soft loving touch which will complete me,
I just want to hear your sweet voice
as you tell me all that is on your mind
and within your golden heart,
there would be no better way to spend
this tired morning than feeling safe and secure
with my soul mate and only one.
I want to pull you in close while you cozy up
and have you rest your head on my chest
feeling all of our stresses lift for right now.

So on this tired morning my dear I will
sit back and relax the best that I can
sending you all of my love and warmth the whole time,
and when I do close my eyes either for
just a few minutes or to finally get sleep
I will see you my bright shining northern star
in all of your beauty my Kira so fine.
I will dream of us among the moon and the stars,
taking a walk in a rolling green field,
I will dream of us lying down on a blanket
under our tree by the rushing river.

I will see all of that and all the times
and wonderful things we will be sharing
when we have reunited sweet lady.
God bless you my Queen I love you so very much
and hold you so dear,
I would truly do anything for you
and to have you right here spending this tired morning
tightly holding each other being with our best friend
we so truly love, cherish, and deeply treasure.

Good Morning Kira My Angel

Good morning sweet Kira my beautiful Angel,
it has been such a long night sitting up
and missing you so very much.
The nights with no sleep feel like an eternity
with deep aching, longing, and yearning
for my beloved and beautiful best friend.
What makes it tolerable though is the love
that you send me and all of your strength
and bright shining light fill me with hope,
all of that with your sweet kisses and hugs
help get me through because your love for me
lifts me up to the moon and the stars
making me smile and you keep my heart beating
my sweet precious diamond.
So in great thanks I wish you a very big
good morning filled with deep love and appreciation,
along with this passionate kiss to wake
my sleeping beauty the most beautiful Queen
to fill you with warmth and make you smile so big.

Good morning sweet sweet Kira my Angel
and after a long lonely night longing and aching
I want to snuggle with you and hide
my face in your shoulder just escaping
from the whole world except you for a little while,
a time in these early morning hours to be in our own world
just talking of our dreams, our thoughts and feelings
while sharing sweet kisses so deep feeling complete.
I wish you such a wonderful morning
my beautiful Angel and divine Queen Kira
and I hope you have a great day in every way possible.

Good morning sweet Kira and feel this passionate
tender loving kiss I send to you to start your day
filled with all of my strength love and warmth,
please give me that bright shing smile
that gives me butterflies and makes my knees weak.
I will be holding you tightly in spirt my sweetie
and will be sending all of myself as always

to you my precious darling.
Still even after a long night of no sleep
I will be up a good while more as I feel wide awake,
how slowly and achingly time goes when missing your true love
and it never gets easier without your best friend.
God bless you dear darling and have a good morning
and feel me beside you the whole day
holding your hand smiling and supporting you
in all that you do my dear Angel who is my everything.

Late Night Rest

Late on Christmas night after
I wrote you my emails I just lay back
to close my eyes and dream of being with you.
I closed my eyes to see your bright shining smile,
and to wrap up so tight in all of the strength
and deep caring love you have been sending.
I just lay down for a late night rest
and dreamed of you throughout.
My heart longs so deeo and I ache all over
for my precious Queen,
I still smile though because you are so beautiful,
and I look at your picture saying Kira I love you.

I wish you were here with me now
to wind down this night and spend a great time
doing all the wonderful things
within my dreams and that we both love.
A late night of relaxing reflecting on what
a wonderful Christmas it's been my beautiful darling,
and reflect on the love we have for each other
and how amazing it is to share such a love
with your wonderful best friend.
I love you my Kira you are the greatest
and when I close my eyes to rest it is you that I see
because you are my true love and mean everything to me.

So as I get up to read and do various other things
I will be dreaming of you and sending all of my love,
feel the endless sweet kisses I send shower upon you
all over to give you deep warmth and make you smile,
feel my arms around you and my strength fill you.
I dream of you sweetie because you are my
bright shining star and Queen so very beautiful
and I want to be with the woman I cherish
and my heart melts for forever and ever.

Michael P. McParland

This Christmas Night

This Christmas night will be
so very lonely without my sweet Angel of light.
Without you to hold and spend time
my heart aches and swells in the pain
of missing you so very bad.
I can feel all of your strength and love
and I thank you so much for that,
but it isn't as good and cannot match
actually being with you and feeling
your soft loving touch.
I love you dear one and there is a part of me
missing on this Christmas night and all around
because you are not here right now
and it is hell not hearing your voice,
having your loving words,
and holding you close to give a sweet kiss.

On this Christmas night when I am later
ready for bed I will just lay back
and close my eyes and see your big,
bright, shining warming smile
which is just one of the many things that melts my heart.
I will see you and my heart will call out
to tell you I love you so much
and that I want us both to return home
in each others arms feeling complete and safe
always fighting for each other through all.
This Christmas night will be lonely without you
but I have reason to smile because I feel you near
and your arms around me,
and I know that one day so soon we will be
in each others arms so filled with joy
spending a lifetime hand in hand with our darling best friend.

Christmas Afternoon

It's Christmas afternoon
my sweet one and the ham
is almost done.
I have been playing yahtzee with my mom
just enjoying the new gift that I got.
I thought of you multiple times
and smiled with longing and yearning
deep within my soul and heart
knowing how much fun it would be
if you were right here playing with us,
in my minds eyes I can see your
big and bright smile and see you laughing.
I can hear your sweet voice as
you are laughing and having fun playing,
I can feel you throughout
all of my heart and soul from the great
caring love with deep strength
that you send to me with pure
and true love you have unconditionally
in your gorgeous soul and heart of gold.
You are amazing my Queen and Angel
and I'm longing for you on this
Christmas late afternoon.

God bless you my sweet Kira
and feel my arms around you.
I will be thinking of you during dinner
and sending you all of my warmth
and unconditional love with
millions upon millions of smiles
and sweet kisses galore,
I will be thinking of you
and wishing you were here to enjoy
a wonderful meal and later
some wonderful games, reading,
and snuggling up with films.
Being with you and your kids
is the greatest Christmas gift
I could ever hope for

just being with you my best friend
and true love.
You fill me with light,
and you fill me with hope,
you are the worlds beauty
giving it color and spreading loving joy.
So again my sweet one I wish you
a Merry Christmas my dear
and am sending you all of my love
and praying that next year you will be
here to celebrate with feeling
pure joy and cheer beyond the moon
and the stars in the bond
and amazing true love that we have always
and will always share through all time.

I am filled with Christmas longings and yearnings
for my precious beloved Angel.

I got a couple of new board games which

and feel our hearts beat together while we bond.

Merry Christmas My Love 3

Merry Christmas my love and only one
and I hope you've had the greatest of mornings.
Now that the presents have all been unwrapped
and everything has been cleaned up
I am going to sit back and relax while watching
some episodes of The Simpsons from the seasons I got,
How I would love to be lying back on the couch
with you holding each other so very tight
while we did that and later read.
Then perhaps later a small nap
while listening to the new Mozart CD I recieved.
Merry Christmas my love and sweet Queen,
my heart is so deeply longing, aching,
and yearning for you.

What a true joyful Merry Christmas it would be
to have showered you with kisses and gifts
and be able to enjoy both throughout the day.
I love you so much my amazing Queen
and you with all of your true love
are the gift I'm most thankful for.
I adore you sweet one and my heart melts for you
so I just want you in my arms on this Christmas day here,
To show and tell you you are appreciated
and just serve you my Queen like I so want to.
Christmas with you would be so magical.

So a very wonderful and amazing Merry Christmas
to you my sweet love and fair lady.
Feel me right there beside you and hear my heart
as it calls out saying Kira I love you.
Have a great day my sweetie for all time
and know I am holding you so very tight.
One day so soon we will be sharing
the most wonderful Christmas
and we will be bursting with joy
being with our best friend
and the person we love most.

Good Early Christmas Morning

A very good early Christmas morning
to you my treasured and beautiful sweet Angel dove.
What better way to start this Christmas day
than to wake my sleeping beauty
with the sweetest and most passionate kiss,
then as you open your sleepy eyes
I'll tell you Merry Christmas fair lady
I so deeply love you and am excited
to spend such a bright and holy day
celebrating true love with you and your kids.

Then as a family we'll go out to open up presents
and just have the most wonderful and loving

because I love you sweet Kira more than anything

Lying Here Resting With You

As the clock turned over to Christmas
just a while ago I spoke outloud
Merry Christmas dear Kira my best friend
and beautiful true love.
Now it is time to go to bed to rest for awhile
and I want to be lying here with you
sharing sweet kisses and snuggles.
To look in your eyes as I so lovingly soft
say Merry Christmas my Queen I so deeply love you.
Then just pull you in so very close
to give you a passionate kiss
as you then rest your head on my chest.
God bless you my sweetie you'll always be safe
with me because I am yours through all time.

Merry Christmas my Kira let's lay down
under the covers to snuggle and sleep now,
to softly chat for a few minutes
and have a few laughs too,
to feel comfort and peace as we fall asleep
in each others arms as I rub your back
and stroke your long beautiful hair so very fair.
On this extremely early Christmas night/morning
I want to be lying with you and resting
before we get up and get the joyus day going.
I love you my Angel and will be praying for you
and sending my loving strength as always,
so be filled and wrapped up in all of my warmth
feeling my kisses and smiles as well as my massive hugs.
I love you my sweet Angel dove and you are
the greatest blessing and gift I could ever have.

Christmas Eve Day

Good afternoon to you on this
sweet Christmas eve day my only one.
I pray you have had a warm wanderful day
feeling all the love and care in the air,
that you have wrapped up and been filled
with all the loving warmth, care, strength,
sweet kisses, huge hugs, and loving smiles I send.
I am always sending all of myself to you
and today is a day with some to do
but at a relaxed fun loving pace
just focusing on those for whom you love and care
and that's what I want to be doing with you on this day.

This is a day with all shopping done
and no reason or desire to go out at all
for us all to just sit in doing the last
of what we need like wrapping the last presents,
and cleaning up a little bit more.
All the while feeling all the loving warmth
surrounding us while sharing smiles
and all the love in our hearts.
It would be the perfect Christmas eve day
with you and your kids here to share this
loving beautiful season with hugs all around,
and sweet sweet kisses for sweet Angel you.

A very good and wonderful Christmas eve day to you.
It would be so wonderful if you all were here
so in a little bit when I make some cookies
we could all enjoy the fun of making them
and then eating in a bit as it is a new recipie
I have never tried, made or had.
What a way to make this day so very great
than to have all of those I so love around us
on this most loving season of them all.
I love you so much and hope your Christmas eve day
is filled with all the love and warmth that I send
and that this time next year I can hold you so close
while I look in your eyes and say Merry Christmas

my dear beautiful Kira, thank you for all of
your kind caring love and for being my Angel,
I want you to know everyday spent with you
is like Christmas because being with you is a gift
that I have always prayed for and wanted.
I love you my sweetie and want to be with you through eternity,
so now my dear have a good Christmas eve day
and know that I am always with you
and will be forever my sweet precious lady
because you are my soul mate and Queen,
the greatest gift and blessing there could ever be.

Love Note 564

A very good late afternoon
to you my sweet wonderful hero.
I am lying down here right now
as a headache hit me from nowhere
and I want to try and get rid
of it before it gets bigger.
I have been listening to my audiobook
and dreaming of you being right here
smiling, kissing, and getting so cozy
and we curled up in each others arms
to rest and enjoy ourselves in the dark
while this headache will hopefully soon pass.
I dream of you and can get just
a small taste of how joyful
our future will be and in my deep longing
I speak aloud Kira I love you so much
and hope you are here so very soon,
I just want your company and all the
amazing love that you in free will,
friendship, and true in your heart and soul
feel as I do and give to me.
I am dreaming of you to feel better
and sending sweet kisses of true love and caring
to say thank you my sweetie for always
being there and for being my lady.
Feel all my warmth and strength
as I reach out to hold you so tight
giving you those loving and passionate
kisses all over so you will give me
that bright big beautiful smile.
Kira I truly love you
and my heart will eternally melt for you.

Tender Morning Time Thoughts

Good morning to you my beautiful
true love and best friend I hold so dear.
After a mostly very restless night
I lay here in bed now awake,
and as I lay here I am filled with
the most tender loving dreams and thoughts
of beautiful you my sweet Angel dove.

Sweet tender thoughts and dreams
of you lying right here with me
to snuggle a little while more relaxing.
For you to rest your head upon my chest
giving you all of my warmth
to give you deep comfort and peace
both of us feeling so very safe.

Tender morning time thoughts and pure love
fill my head, heart, and soul
of being with you my sweet dear holding you
so very close for awhile before starting
this day in full which spent with you
would make it so beautiful.

Good morning to you my most beautiful dear
and the most wonderful tender thoughts of you
fill me because you are my eternal dream in reality.
I dream of the beautiful morning
I long to spend with my beautiful Kira
snuggling so tightly,
you resting your head on my chest while we talk softly,
to share very sweet kisses and soft caresses,
to just give the best gift there is
on this Christmas season which is being
with each other sharing our love and our company.

These sweet tender morning thoughts and dreams fill me
because you are my hero, my Queen, my true love,
and my best friend that means everything.
God bless you my sweetie and as I lay here

for just a short bit more feel my arms around you
as I reach out to give you all of my warmth
love and strength as in spirit I hold you.

Michael P. McParland

Night Note 234

A very beautiful good night
to you my adored sweet Angel dove
and as I go about my night
catnapping just now and a bit more
before wrapping more gifts
reading my books and watching my films
I have been dreaming of you
and wanted so bad to drop in
and tell you I love you my darling Queen.
I wish it could be your gifts
I was so joyfully wrapping
and then you could join me
to wrap some of the kids my dear sweetie.
Then to relax and kiss you so much
then you could rest your
head on my chest while we lay
on the couch watching a movie
and while I read you our book.
These are just some of the dreams
of this night because
I crave them so much,
but I dream of our future
as well as wondering if you are okay,
sending prayers the whole time
that you will feel all my love
and that you are doing alright.
I love you so much my sweet Queen
you will forever be my everything
and I want to be with you side by side
hand in hand through eternity
as the happiest couple there's ever been.

So have a very wonderful night
and know that your Michael
is right there holding you tight.
I long for you dear
and yearn for your touch and company
because you are amazing my best friend,
I so cherish the bond that we share

which I know is a blessed gift from God
just as you are.
I want you to always know you are beautiful
and to give you all of this love
I have within me.
God bless you my dear Angel
and send me your warmth and big smile,
I can feel you so near
giving all of your love and your arms around me.
I thank thee sweet lady
and am sending you my smiles
with the sweetest of kisses,
so be warmed as you feel them shower upon you
all over the whole night through
and know that so soon I will
be holding you closely letting you know
everything is okay and reminding you
that I'm never leaving
and never again will you be alone.

ILYF and ever KP.

Bad Dream, Shaking

I have just woken so suddenly
my dear from a very bad dream
and has left me badly shaking,
the kind of dream where tears are threatening.
Please my sweet dear reach out to me
and hold me so tight in spirit as well.
This bad dream is just all apart
of how much I miss you and need to see your bright smile,
hear your Angelic voice, heavenly laugh,
all while spending time in each others arms
giving sweet kisses of all the pure love we have.
God bless you my Kira I need you forever not just now
because you are amazing my dear guardian Angel
and I want us to both be right there to turn to
for each other in moments like now and all others as well.
I am so very shaken my dear and I just want
so bad to hold you so near and hear you tell me
everything is okay.

Such a horrible dream my sweet love
where I saw you close by yet still far
and just couldn't reach you at all.
I saw you laughing, smiling, joking with friends,
and I felt the loneliness in me just widen so bad.
It was a dream that felt o real that as I
finally jerked awake after a torturous long time
I didn't even know for a moment just where I was.
I could see you, even hear you,
but could not shout out to you so you would see me.
The shakes are subsiding gradually my darling
but a dream like that sticks with you badly.
I makes my achings, my longings, and all my yearning
much deeper and stronger and I fight the tears
so you won't from far away feel their hot stinging.
I just want you here with me to share a great evening,
one where both of us can forever forget the
horrible bad dreams and killing loneliness.
A wonderful evening for two best friends,
and two lost souls who have found heaven

and true love within each other.

Oh my sweet Kira I hope and pray
that bad dream will never be real,
I pray that so soon I will hold you
and be able to make you so happy as I prove
myself worthy of my Angels true love.
That bad dream is still hurting
as I continue to fight of the shaking
and the tears that have threatened.
I love you sweet darling and ask for your prayers
and for you to reach out and hold me as well,
for you are my sweet diamond so beautiful and precious
and the most amazing woman I can't stand to lose
because to lose you in any way dear
would be the true depths of sadness,
misery, and madness.

Michael P. McParland

Beautiful Girl

Beautiful girl my heart melts for you,
my heart aches and yearns to be
feeling yours beat with it
as I hold you close to reassure
and comfort you that you're the best,
all I want, and that you are worth it
because you are my Queen I so adore.
Beautiful girl I just want to
lay back here now with you
and give you all my love while spending time
now that we can enjoy the whole day
with my dental work done and no more running around.

Oh my beautiful girl how I need you more
and more as each day goes because
my love has never stopped and never will,
it continues to grow even deeper and more tender
with all the time that passes,
I want to be your eternal husband
sharing life and all our passions.
Kira girl you are amazing and my beautiful
best friend who I've been in love with
since times begginings.
I need you dear because I love you so
and I know there is no better than you
because you hold my heart and soul,
something I would only gift and give
to the one who truly rocks my world.

Oh my darling beautiful girl I am truly
aching, longing, and yearning so much for you.
I want you to not be mad at me
and feel resentment in any way,
I want you to know you deserve tons
and tons of endless undying love
and for you to not push me away,
I want to give all the unconditional love
I have to you everyday.
I want you to see just how beautiful you are

and how much you mean to me.
I love you sweetie and you are my everything
my sweet precious Angel Queen.
God bless you my hero and best friend
I will always adore you and be your biggest fan.

Warming Winter Morning Kisses

A very good morning to you my beautiful one.
As I wake and arise I am filled with such
stress and frustration from things
as well as just waking up grumpy
not wanting to go out and do what I need.
I wish that before I had to go to
the dentist so soon that I could get
mostly dressed and then just snuggle with you,
to give you sweet kisses so you won't be mad
at because I know you are and that
hurts and frustrates me this morning as well.
So to just start this day right and give us both
smiles so big and bright with warming kisses
so passionate and hot to melt all
of the winter ice and make the day great
as we would spend time hand in hand
in each others arms.

Love Note 563

A very good late afternoon
to you my sweet beautiful Angel dove,
I am now back home from
seeing the therapist
and first thing wanted to tell you
I love you so very much and you're great.

of you first thing as I arose
and immediately had to go,
I sent you sweet kisses with all of my prayers

and for you to feel my hand in yours
to reassure you I'm with you
and that you're not alone.

and a wonderful warming shower with you,
doing so many things we enjoy
with thebest friend we so love and adore.
I miss you my one and I will

Michael P. McParland

Tired Kisses And Longing

Feeling quite tired now dear
on this very late night
and before I go to bed in awhile
I want to be giving you kisses
so deep and passionate in every way.
Tired kisses on your forehead and cheeks,
sweet little pecks on your soft neck,
and the most passionate kisses on your lips
as I look into your eyes,
then pulling back to say Kira I love you
so so very much because you are the best,
then give you delightful kisses you'll love
on your soft passionate lucious pink lips,
it is only you and your lips that I ever want to kiss.

I am so deeply yearning and longing
to hold you so very close,
to snuggle so lovingly on a tired night such as this.
To see your bright smile and share kind words,
to tell you that you truly are beautiful
and so magical my dear Angel,
to let you know that you are appreciated
and to show you I'm giving my best for you always.
I am sending you these tired and very loving kisses
from my longing heart filled with infinite love
for you my sweet Angel dove.
I crave you my dear and all of the love that you hold
because you are my blessed best friend and everything.

So as I finish up wrapping presents
and reading a small bit before bed
I will be dreaming of you
and all the wonderful things I adore
along with the kisses I so want to share.
God bless you my Angel and one day I am going
to build for you my dear Queen a castle,
so you can always look down on the earths beauty
and enjoy all there is my dear one,
I will build you that castle because you deserve it my darling.

Then there in great comfort knowing my Queen
feel safe and so peaceful we will share
the sweetest of kisses rather tired or not dear.
That is what I so long for is just to be with you.

Michael P. McParland

Dear One 2

Dear one I was just looking
at your picture with you wearing
your big bright shining smile,
eyes so gorgeous and intoxicating
with the way they sparkle my Angel.
Dear one I wish I could just sit back
with you as we looked into each others eyes
while we talked, spent time,
and spent a cozy night holding each other
so very close sharing our worlds
and feeling so very good.

Dear one I thought of you many times
while I was out a bit ago Christmas shopping.
Things that I saw that I wanted to get you,
and to just smile while holding hands too.

Up now my sweet dear for a short bit
and as I shook off all of the
long deep sleep I had been in
I wish I could have snuggled up with you
to hear about your day, your feelings,
your thoughts, just everything
as I held you so near to me thanking you
as I kept you so warm and letting you know
that you are eternally loved.

I wish I could snuggle up so tight with you babe
right now as I listen to Falco's song Read A Book
which always makes me smile and think of beautiful you.
I would love to be snuggling up so tight
with you for a few minutes more before I must

before going out in this cold
to get some shopping done
I am dreaming of you
and wearing the biggest most loving smile.
Closing my eyes I see the Angel

and send all of my love

Michael P. McParland

Frigid Night

It is trully such a frightfully
frigid cold night my sweet Angel of light,
and after a very hot shower
followed by very good food to fill the belly
I want to just curl up with you
before I must clean up things my dear
and snuggle away all the shivers
on this frigid night here.
Kira you are my one and all my hopes and dreams,
and right now the part of my dreams
I want the most is to hold you my dream in reality
so very near, so very close,
keeping each other warm with kisses, with smiles,
by just spending time feeling so cozy
in our loving souls which are touching and holding each other.

Michael P. McParland

Night Note 232

A very good night to you
my most beautiful and beloved
sweet precious girl.
I am so so sorry I dropped off
and slept for so very long,
I was far more drained
and weak from being sick than I knew,
along with the medicine
I couldn't help falling away
from all of the waking world.
So as I arise I wanted to
aplolgize to you my most beautiful Queen,
and say Merry Christmas my one
I love you so much and wish you
were here to spend this time with me
so I could have the greatest gift ever
of seeing you to tell you I love you
and that I care for you in full,
to have you here is the gift
that I want so I can give you sweet kisses
and give you all of myself and my endless love.

Oh my sweet one it is freezing so bad
and as I arise I want to snuggle
with you as I wake up a bit more,
and then to be able to just give
sweet kisses to you and hold you so near
while taking the most cleansing,
refreshing, and warming shower
when seeing your bright shining smile
and giving you mine my woman so beautiful.
I just want to feel you right next to me
feeling so good and whole in a very close way
and then fall into each others arms afterward.

So my sweet love how I wish we could
spend a warm night together
chasing awaythe colds shivers and frights,
and just ignore the cold as long

as we can before having to go out
this afternoon to pick up my prescription
and get some Christmas shopping done.
I want to be with you so much
my one and true love and I will
be dreaming of you the entire night through.
I love you my Queen and I always will
so feel all of my deep warmth
and loving strength as I send it to you
with millions upon millions of sweet kisses
and smiles to shower all over you.
I love you sweet Kira and never forget
that I will always be with you
because you are my best friend,
my hero, and my true whom I want
to be with through all time.

Michael P. McParland

Rest Your Head Next To Mine

Rest your head next to mine my sweet Queen
and snuggle so tight as we catch
a nice nap on this cold winter day.
I still feel drained and quite weak from being sick
and I just want to lay with you feeling
whole, complete, and trully good.
Rest your head next to main and get so very cozy
as I hold you close while looking into your gorgeous eyes
telling you how much I love you and care
and want to spend all of eternities time
as your Angel, hero, and faifully loving man.

Michael P. McParland

Keeping Each Other Warm

A very good Sunday morn to you
my beloved and beautiful sweet Angel dove.
It is a fiercely cold morning
at twenty below zero and I awoke
shaking and freezing my dear.
Now in my robe and feeling quite a bit better
my only one I wanted to wish you a
good morning and tell you I love you so.
This is a day I want to spend with you
wrapped up together under a couple of blankets
keeping each other so warm and deeply happy
in our immense and shared love.

What a wonderful thing it would be to snuggle up
so tight and loving keeping each other so warm
while we are lovingly and joyfully smiling.
What would make this frigid arctic day
worth being up and feel so rad is us wrapped up
so tight keeping each other warm through this winter day.
I love you my darling and wish you a winterland good morning
telling you that I love you and want so much
to be snuggling up tightly sharing sweet kisses
and smiles while keeping each other warm
and being so comfy and cozy on an impossibly cold
witer day that has greeted us here.

Michael P. McParland

To Rest With Ease

I'm feeling quite sad
my sweet Angel of light.
As I now lay down to rest for awhile
I so want to be with my beautiful girl.
To look in your eyes as I hold you so close
and assure you that of all people ever
I love you the very most.
So as I close my eyes I wish I could
fully rest at ease having you here right beside me.
I so long to hold you and kiss you too,
to let you know in full that you are so loved
and cared for my dear.
We both truly need and deserve to feel at ease
getting some good rest tonight and all nights
holding each other so very tight.

Michael P. McParland

To begin an evening of peace I want to cook
you and the kids the nicest of dinners,
then us spending time talking and laughing.
I just want and need an evening of peace swith dear you
to forget the whole world and all of its ills
with the woman I so truly love and your sweet kids
whom I'll always treat as good as my own.
I so want and long for an eveing of loving peace

as I've gona along getting
some stuff done that I've needed to.
I wish you could be here to spend
the rest of this day spending time
in each others company as I finished
up a few things that I need,
and then we could sit down my love
and get to wrapping some
Christmas presents to get under the tree,
then snuggle up tight
to share some sweet kisses and relax
while watching a film and snuggling tight.
I will be dreaming of all this with you
as I get back to my chores in a few.
I hope that next Christmas time
I will be doing holiday things
and so very much more with you

Keeping You Warm

As we fast approach evening here
I would love to be spending time
and holding you so close my dear.
Just keeping you warm on this
intensely freezing Minnesota evening,
protecting you from the shivers
that can even inside at times still get you.
I'd love to wrap you up in my robe
and then wrap us up on my big fuzzy orange blanket
so together we could be so very cozy
feeling so warm as we were snuggling.

I want to be holding you so close to me,
to keep you warm in mind, in body, in heart,
and in every way that you want and need.
I want to help keep you warm as it will
gett colder and colder through the weekend.
twenty two below zero on Sunday babe
and those are days unless you have to
you don't go out for anything.
So I just want us to wrap up
and since right now I am still a bit sick
give you kisses on your forehead, soft neck,
and rosy red cheeks both of us smiling so big.
I love you my darling and just want to spend time
and keep you warm in all ways because
you are my Queen and everything.

I just want to be close with you know
and through all of life keeping you warm,
to make sure you know that I am always
right by your side hand in hand
and that you can turn to me any time for whatever you need.
In the immediate though I want to be
holding you so very close and both of us
wrapped up so tight staying warm on this
very very frigidly cold Minnesota night
and weekend ahead.

Michael P. McParland

Afternoon Smiles Of Thanks And Love

Sweet sweet smiles of pure thanks
and true love to you my sweet Angel dove.
Rising now from my rest I am feeling
quite a bit better sweet love
and want to send you these smiles to thank you so much
for all of the love and the strength that you sent.
For putting your arms around me in spirit
and for giving me kisses so sweet
along with your gorgeous smile.

Close your gorgeous eyes and see the big smile

to get feeling better than I have in days.
And though I am not yet better in whole

my heart singing out saying Kira I love you forever and ever.

Michael P. McParland

A Morning Snuggle To Feel Better

Good morning my sweet Beautiful Angel
and after beeing up for a short while
I need to lay back down for a short while.
I so wish you were here to kiss me on the cheeks
and tell me soon everything will be better,
for you to rub my face and my head
as we so tightly snuggle,
to just so softlytalk and laugh while resting
to try and get feeling better all the sooner sweet lady.
Iwish we could share a morning snuggle
so loving and warm as I lay back down for a few
so my mind and body can repair and as ever we can have fun.

As I lay down I wish we could snuggle and be
so very comfortable as for a few you read to me,
and as I drifted off you could watch some TV
or do something you have wanted or need
while snuggling up so tight with me.
First to just look at each other and say
it will be okay baby because
we will always be here for each other.
I love you my Kira and so crave your arms around me
as you give me your heavenly company
and to to just spend a restful morning snuggling
while we both in so many ways get feeling better.

Michael P. McParland

Night Note 231

A very good night
and soon early morn to you
my beautiful sweet Angel dove.
I am truly so sorry I dropped off
on you yesterday but after
a little bit of being up I felt
so worn out from being sick
and I started to feel awful again.
Only within the last half hour
have I woken and gotten up
to drink a little something
and sit back feeling a bit better my Queen.
I wanted to write you as soon
as I could and apologize to you
and tell you I so wish you were here
to sit back and snuggle so tightly
and be cozy with,
to hear your soothing voice
and feel your soft touch as you rubbed
my face and head while I rubbed your back
and stroked your long beautiful hair
telling you you mean everything to me
and will forever be my Queen supreme.
I wish I could sit back with you
talking, relaxing, watching a movie
before I may need to lay back down
soon for a good while.
Maybe then you could read to me
as I found among all my kindle books
the perfect series for us to read.
I love you my sweet Angel Queen
and since I wouldn't want to give you
sweet kisses on you soft lips
lest I perhaps be contagious
I want to look in your eyes
and say I love you sweet girl,
Kira you are my everything
and then softly caress your cheek
while kissing your forehead,

your other cheek, then soft pecks
on your soft beautiful neck.
A very good night and soon early morn
to you my beautiful and beloved
sweet Angel dove whom my heart melts for.
Remember that your Michael is with you
and holding your hand while I
hold you so very closely.
I love you my sweet Angel and I will forever
because you are my best friend,
my hero, my soul mate, my only one
whom I've loved since the creation
of the stars when I met.

Michael P. McParland

A Restful Afternoon Sweet Love

Feeling a little bit better my Angel
and I thank you for all of the care,
loving, and strength that you send me.
Now that I finally feel able to sit up
I just want to listen to you read to me
if you would and then watch a DVD or Blu Ray
while snuggling so very closely sipping at
some sprite and ginger ale to help my stomach
feel steady and calm.
I want a restful afternoon with you my sweet love
because you are so precious and my best friend
who makes me feel better no matter how bad
I am doing in any way my true lover.

I want a restful afternoon hearing your laugh,
your divine voice, and seeing your Angelic smile
which shines so very bright and lifts me up.
I love you my dear Kira and want to spend
this sick afternooon with you just getting better
while feeling so peaceful and restful.
I love you my precious Queen and Angel
and am sending you all of my deep love and care
with huge hugs and all of my strength
to reassure you of all of my caring love
and to remember I'm always yours through all of time.

Michael P. McParland

A Sick Morning

Good morning my beautiful Angel,
I am still feeling so very sick
my intensely beloved Kira.
I am only now feeling well enough
to write my dear sweetie
and I wish you were here to lay down beside me.
I don't have the flu so it is not catchy,
I just want you here in this bed
beside me to spend the rest of the morning
and at least part of the afternoon.
I love you sweet sweet Kira and even though
I am feeling sick it would be a good morning
in total if I had you here to so tightly
and lovingly snuggle and see your bright smile.

Michael P. McParland

Please Be Calm 2

Please be calm and feel at peace
my beautiful and beloved precious rose.
Please be calm and remember I am with you
right by your side hand in hand,
I have not forgotten about you
nor will I ever my sweet precious dear.
I have just arrived home from the therapist
and before that I was lying down
trying to get feeling better,
so trust me sweet lady I was not ignoring you,
brushing you off, nit forget about you
because you were in my thoughts and dreams
the whole time my beautiful Angel.

Please be calm my sweet love and know
within your heart and soul that I would
give anything to be holding you now,
to softly caress your cheek as I gazed
into your gorgeous eyes and then say
Kira I love you more than anyone or anything
and will stand by your side supporting you
in true faithful love through all time,
and then pull you in for the sweetest
most passionate tender kisses
with all of my heart and soul to fill you
the woman I adore with all of my warmth and love.

Please be calm my sweet Angel dove
and please let's sit down and in each others arms
talk so very soon,
I want to be able to soothe you and reassure you,
I want to give you sweet kisses and let you know
I will always have my arms open for you
and that I will be your loving hero.
Please be calm my dear one and remember
I am always yours and yours alone
because you are my best friend
and I have loved you since day one.

Michael P. McParland

A Relaxing Morning With Sweetie

Still not feeling completely well
my sweet beautiful girl
and the best medicine there could be
would be to spend a relaxing morning
being cozy tightly snuggling with you.
Keeping each other so warm and curing
each others lonely aches and pains,
I want a relaxing morning with you
as I try to get feeling better this day.
I want a relaxing morning with you
my sweetie so good before I have to go to
the therapist this afternoon.

I want to spend a relaxing morning kissing and talking,
to watch some YouTube videos lauging and learning,
I want a relaxing morning seeing my sweetie smile
and know that everything will be okay
because she is right here by my side to take
into my arms and thank her for everything in every way.
A relaxing morning with sweetie is what we both need
because we need each other as best friends and soul mates.

I so want and need a relaxing morning
with my sweetie I so dearly love,
my stomach still aches a bit as does my head
and I just want to share smiles and kisses
to brighten this day.
A relaxing morning to conserve our energy
so we can go out and do all that we need later.
I just want a relaxing morning with you
my most beautiful Kira because I so truly love you
and want to spend time with my precious Angel.

Michael P. McParland

Morning Note 207

A very good morning to you
my gorgeous sweet Angel dove.
I truly am so sorry I dropped off
yesterday until just now
but after I lay down yesterday
for a few hours I woke up
with a pounding headache
and feeling so very very sick.
I have a sinus infection
that really blew up
and now waking up I'm feeling
much better but far from great.
So as I get up I wanted first thing
to tell you good morning
and that I love you my Queen,
so have not a fear because
I truly am here for you
and as ever sending sweet kisses galore
with huge hugs of strength and warmth
from my very heart and soul.
I am sending all of my tenderness to you
my hero and true love.

Most of my night was filled
with the most bothersome nightmares
and fever dreams,
until you came and lovingly rescued me,
and now as I get up to shave
and jump in the shower
I wish you were here to join me
smiling holding each other
under the flow of warm and relaxing water,
then I would just so lovingly
gaze into your eyes and tell you
allabout this great dream of which
I remember great parts of.
I would give anything to have you join me
to hold you so tightly as all
of the nights sickness washed away nicely,

and as I shaved my fuzzy face
to give you soft and smooth sweet kisses
of tender true love.

I love you so deeply my Angel
and wish you a good morning
of warmth as my warmth,
strength and love surround and fill you
to reassure you always I'm with you
and that you truly are
appreciated and loved.
you are amazing and a beautiful gift
I am so blessed to have in my life
and to soon spend my future with.
God bless you my sweetie
and remember that you truly are
ever so beautiful and one of his
most special and greatest gifts
he has sent here.

Michael P. McParland

Afternoon Smiles And Desires

Back now my love from Christmas shopping
and thinking of you fills me with smiles
and the deepest of great desires.
Desire to sit and have a chicken lunch with you
sharing the rotisserie one I bought at the store,
and then some tight snuggling with sweet kisses darling,
then slide under the covers for candy and closeness.
I wear a big smile for you and am filled
with deep desire to spend time with you
my beautiful sweet Angel dove who means everything.

After sharing sweet closeness I desire
to just snuggle up tightly both of us smiling,
just lay there for a good while holding each other
and lovingly talking,
then I desire to just spend the rest of our day
serving my Queen reading to you and giving you
massages to help ease all of your pain.
I love you my dear and desire this time with you,
close your sweet eyes to see my big smile
and listen so closely as my heart calls to you
saying sweet sweet Kira you are my best friend,
my hero, my only one, and I love you so much
my Queen and dear Angel supreme.

Michael P. McParland

A Busy Day Beautiful

It's a busy day my beautiful girl
as I run around with my mom
to help get my families Christmas shopping done
as well as to just get out of the house.
While I have been out and as I do
head back out in a few you are in my thoughts
and I am sending the sweetest of kisses
with all of my strength and my warmth.
It is somewhat of a busy day my fair one
and I wish you were here to join me
going along hand in hand.

As this busy day goes my sweet Kira
my heart will be singing to you
in full voice all of my favorite love songs
to lift you up and to make you smile,
just close your gorgeous eyes
and see my big loving smile to feel cheer
run through your entire mind, soul, and body,
feel my hand in yours and remember I'm yours forever.
I love you my darling and through all days
I long for your soft touch and hugs,
both of us enjoying the fruits of love
as the best friends we are.

Michael P. McParland

Morning Catnapping

Just catnapping here this mornin
sweet lady and dreaming of all
the good times we have shared
since we were in school as teenagers.
I dreamed of your laughter,
your smile, conversations we had
and things we did together.
I dreamed of the old times
when we met and feel in love
as shy kids who didn't know
how to tell each others of our deep feelings
to know as adults and best friends
who are still just as deeply in love
and even more so.

Catnapping this morning sweet lady
and I have been dreaming of you in all of your beauty.
I long ever so deeply to see you
right now and share this cold winter day
keeping each other warm and so happy
from all of life's lonely storms.
I love you my dear sweetie
and wish I could hold you as I lay here
relaxing and catnapping as I still don't
feel very well my dear Angel.
So as I am catnapping this morning
feel my arms around you as I reach out to hold you
and remember that my heart sings for you
because your Michael so truly loves you.

Michael P. McParland

is smile at you and say I love you my beautiful dear,
and then pull you in for sweet kisses and tight snuggles
as we lay here lightly talking as this
headache and small stomachache pass.
To sit so closely togrther and spend time
drinking some gingerale and nibbling on crackers
as the medicine helps this headache go sonn.
Mid night kisses, smiles, and tight snuggles

Looking At Your Picture 9

Just looking at your picture now
as I was finally able to sit down
and as ever seeing beautiful you
wearing your bright shining smile
made me smile in return
and butterflies of longing
like my deep tender love for you
fill me to the brim.
Looking at your picture now

with deep desire for the one
who I have loved since the start of time.

Michael P. McParland

A Cold Tired Morning

It's a very frigidly cold morning
here in Minnesota sweet darling
and after being up through the night
I am beggining to feel a bit tired.
Before I lay down for awhile
I would just like to sit with you and snuggle,
just talking as well as giving you
a massage to help relax you my darling.
It is truly such a very cold morning
and want to get warm and cozy
with my beautiful lady.

With it being such a very cold morning
and both of us aching and so very lonely
I just want to pull you in closely
and with the sweetest kiss tell you I love you
and I will always be your man forever and ever.
I am quite tired my dear and want you here
because you are my Angel and the best friend
that I need to share my world in whole
and share yours as well always doing my best
to truly make you happy and proud.
It is a cold morning and I am quite tired,
I wish I were just holding you
and spending a good time before we were to lay down.

Michael P. McParland

A Peaceful Night

With all my chores done
and feeling soothed and relaxed
from a refreshing shower earlier
if you were here I would just fall
into your arms and wrap you up within mine.
You are an Angel and I just want
to look upon you getting lost in your beauty,
to tell you I love you and you are my hero.
A peaceful night with my Queen truly would be
the most amazing thing as we snuggled away the hours
feeling such joy and truly complete.

A peaceful night of fun in each others arms,
to just sit back and relax doing whatever
we feel like to our hearts content.
It is you that I ache for and want by my side
because life is for sharing
with your best friend and true love.
I miss you my Queen I want to let you know that I care
and that I love you so much and want to spend
a peaceful night just with you kissing and snuggling
feeling so warm and good.

Michael P. McParland

Deeply Depressed

I've been so deeply depressed
without you around my sweet love
and I always pray we will reunite so very soon.
When going through so very much
it really hurts so much more when
I can't tell my best friend just what's going on
and get your reassuring encouragement
and deep loving words.
I have been so deeply depressed
because my better half is not here
to hold kiss and thank,
you truly are my dear Queen and the very best.

I always worry about how you are
and want to be drying your tears
and giving you so many reasons to smile.
So I get so anxious and very depressed
when I know you are deeply hurting and I can't help.
I worry so deeply and want you completely
to share this whole life with
and to take care of my Angel standing
right by your side giving all of my best
and always fighting along for you.

Oh my sweet love how I have been depressed
without you right by my side to talk to,
to spend quality time, and to hold tightly
giving the sweetest of kisses and softest caresses,
it is so hard without my soul mate and Angel
who is the best friend I could ever want and imagine.
I love you my darling and I am depressed without you
because you are the most wonderful blessing
and gift who always gives me pure light
and lifts me to the heavens with your divine love and caring.

Michael P. McParland

A very good evening to you

prayed for and will treasure forever dear love.

Michael P. McParland

Put My Head On Your Shoulder 2

Rising now dear from a nice rest
and my teeth that were worked on
are hurting a bit.
I am also still aching as well
and as the pain medication takes effect
I want to sit down resting my head on your shoulder
as I hold your hand and give you a smile.
I want to look in your eyes and say
thank you my sweetie forall of your love
and everything wonderful you've ever done for me.

As I start to get feeling a little better my darling
I just want to stop all of the aches we both are feeling.
I just want to hold you and your hand comforting you fully
abd rest my head on your shoulder saying I love you.
I want you my sweetie because you are truly
the most wonderful woman and beautiful miracle,
and I need you so much because you are my best friend and true love.
I just want to put my head on your shoulder
my dear darling and Angel because to just be
spending time with you is a blessing I pray for each day.

Michael P. McParland

Late Morning Longings

Back from a long appointment at the dentist
and after a night filled with very bad sleep
I am so tired and want to sit back with you
and just talk the best that I can through this novacaine
about anything and everything with you babe.
After a night of very bad sleep with tears
scattered throuout the night
I am so very very tired still and long to be
with my Angel so pure and good.

I long for you my beautiful lady and as I
sit back to relax I ache for you to be with me.
To hear your Angelic voice and see your divine smile
which gives me butterflies and makes my knees weak.
I long for you darling on this late morning upon us
because I just want to rest my head next to yours
as I hold you so close saying I love you sweet Kira
and it is all okay because you are safe and I'll
always stand by you fighting for you in every way truly.

You Are My Rock 3

You truly are my rock my sweet one,
you continue as ever to fill me
with such amazing light and deep hope.
You give me such joy and many reasons to live,
because of you I know true love exists.
You are my rock and my beloved hero
whom I know I can talk to and trust
because you will always be there
to listen and help like the best of all
best friends do for those that they love.
You are my rock and I love you so much,
and I will always be yours to give you
all the loving strength and care that I have.
You can lean on me and always call upon me
because I'll always be here for you
as your rock my dear sweetie.

You are my rock and bright shining northern star
that helps give me light to have courage
and want to continue along all of lives paths.
You are my rock and my Angel who rocks,
I adore you my Queen and am truly so grateful for you.
I just want to take your sweet and soft hand
pulling you in so close to me,
to then look in your eyes and let you see
all of the tenderness, caring, and deep love
overflowing that I hold inside,
then tell you're beautiful and just how much
you are appreciated and how much you mean to me sweetie.
You are my rock and I want you to know that
and to never doubt that I will always be
yours as well because you're my only one
and I'll always be right by your side

Gorgeous Eyes

You have the most gorgeous
sparkling eyes my sweet love.
They are windows of true honesty
a pure soul and a revelation
of a beautiful woman all the way.
You have the most gorgeous eyes
my gorgeous girl and I could just
gaze into them all day as I am
hypnotized in your beautiful love
and see your bright shining smile.
I want to hold you my sweet dear
and tell you're loved with
not just my words but with my big smile
and the deepest of loving looks.

You have the most gorgeous eyes
which I want you to close
for a few moments after my smile
and kisses on your forehead and lips,
I want you to close your sparkling eyes
so I can put some sweet little kisses on them
and take away all the scratchiness, dryness,
and pain you may feel as with my kisses
I take away all of your sad, lonely,
and aching tears.
So afterwards just look me right back in my eyes
so you can see all the loving truth that I hold,
so strong, so tender, and so very pure,
and I will look back into your eyes
to tell you I love you and you are so beautiful,
then with a soft caress on the cheek
I'll pull you in closely to me.

You have the most gorgeous eyes
and are the most wonderful and beautiful woman
I want to be with through all of time.
To be always able to catch all of your tears
and to make you smile so brightly
chasing away any clouds that may be hanging over you.

I want an eternity to hold your hand
and to tightly hold you and gaze into
your gorgeous eyes as I tell you
you are so beautiful and I deeply love you.
You my dear best friend truly are so magical
and I can't imagine anyones eyes being
so beautiful and sparkling so brightly,
there is no one my dear sweetie whose
hypnotizing eyes show such a beautiful
wonder and universe of a loving soul just like yours.

is all I desire and seek with you.
For both of us to deeply feel
and to share all the loving care that we hold,

A lifetime of love is what I'll always feel
and it is what I so very deeply want to share with you,

you have for me as well,
the love of an Angel whom I so love and adore.

We've loved each other an eternal lifetime
and I know we always will because
we share a bong straight from heaven
and are the most loving and caring best friends.
I want to spend a lifetime together
on this earth my Angel
and then join each other on the next side
whenever we may arrive there.
A lifetime of safety, a lifetime of comfort,
a lifetime with my Kira the most wonderful
and beautiful woman ever.

A lifetime of eternal true love is what
my heart feels and it sings out to you
all the tender caring passion it holds.

Dreams Of You 3

Beautiful dreams of sweet you
fill my waking heart amd mind right now,
beautiful dreams with such deep
yearning and longing to have you
here with me as I rise just spending time.
To spend a small bit just holding each other
and sharing the sweetest kisses
as we continue to wake up fully.
I dream of your smile with your sparkling eyes,
I dream of you in all of your divinity
and pure wonderful beauty that so deeply moves me.

I dream of being with you and spending time
as I get up and get moving by first
shaving my head and then taking a wonderful,
refreshing, and cleansing shower.
A wonderful way to start the day and help
wake me in full getting ready to face
all that I must do on this day,
I so wish you were here to be with
and just talk to and hold while feeling
the warmth over the water and each other all around,
that would help start this day in the most
supreme waythere could ever be.

Good morning my darling and sweet dreams
of you fill my heart and head as I have awoken.
They give me smiles because of the beautiful
woman that you my dear Kira is,
and it fills me with such deep longing
and yearning that is intensely burning.
To just hold you and kiss you while sharing
all of our worlds and lives together,
to just share in the bliss we know is right there.

Love Note 559

Good afternoon my beautiful
sweet Angel dove I so deeply love.
I have just arrived home
from getting my prescription filled
and picking up a few things as well.
As I waited to get my stuff filled
I thought of you and wondered
just how you are and hoping
that you are okay and feeling my love.
I wish you had been with me to help
cool my temper down as the employee
putting my prescription in
took forever my love and people
kept almost running into me as well,
I promise though love I kept my cool,
I just wish I had been with you
to remain centered in full.

God bless you my love
and as ever I am right there
by your side holding your hand,
and I pray that so soo it will
be in person as we have dreamed,

relieve much of the physical pain we are feeling.

for your soft loving touch and most tender looks,
yet I also smiled for I could feel all

filled my head right away
because I had the most beautiful dream
of being with you.
The details are fuzzy and I only remember
that we were together spending time
having such fun and laughing.

have filled my head as always my precious lady
and it gives me reason and happiness
to face this day because you are my Kira
who so deeply loves me and that I love completely.

because you are my Angel I adore, love, admire,
cherish and so deeply respect,
loving thoughts are not just what I wake with
but carry through the whole day and carry with me
through the whole night as I lay asleep.

Waking Wanting You

Have just woken about ten minutes ago
and about to rise my beautiful dear
I am not feeling well but have things to do.
I wish you were here to spend a good day
and to just spend time keeping each other
so happy and smiling not feeling alone
or like every task before us is a mountain
so hard to climb without our best friend
right there if things get too hard.
I love you my darling and want you right now
to spend such a good day hand in hand.

As I have woken my dear I long as ever for you.
I want you here to spend time and talk
while I do the few things that I need around the house.
Then you could go out with me to do
some Christmas shopping and have a good lunch out
at a place you wanted to go to,
it would be my treat for my Angel,
my hero, my beautiful Queen who means everything
and I want to shower with all of my love forevermore.

Then after my dear when we arrive home
get in our most comfy closthes and snuggle
wrapped up together in my big fuzzy
orange blanket from all the cold.
I so yearn for you as I wake, as I go through the day,
and as I go through the evening and day
wanting you here by my side arm in arm forever.

A Date Night In

As I just returned home from the store
it immediately struck me how wonderful
a date night spent in with you would be.
A chance for me to broil the big steaks I just bought
and sit there with you enjoying them
while admiring each other like we always have.
First though before all a nice shower
to get fresh for my lady so amazing
and be the best looking I can
for my beautiful Kira I adore deeply.

A date night in with my baby who means everything
so excites me my dear and really gets my heart beating,
it sings in cheer knowing that it will one day be real,
endless date nights both out and in
with my Angel best friend I want to be with through eternity.
Tonight though a date night in with my girl
cooking for her and then endless kissing,
snuggling, reading, and watching films among so many things.
A date night in with my Queenis what I
so yearn for and truly need.

Oh my dear sweetie how a date night with you
sends me soaring to the skies with all
of my hopes and dreams with me,
a date night in with my Kira my beautiful
dream in reality whom is my everything.
So as I now go into shower I will be
dreaming of you and all our date nights to come dear.
I love you my sweetie and will always
give you the best date nights when we are together
because you are an Angel, a Queen,
and truly divine and rare treasure I truly love
more than anything, anywhere ever.

Michael P. McParland

Good afternoon to you
my precious and very beautiful
sweet Angel dove.
I know you are probably very
upset and worried since I haven't
written you since yesterday morning
but I assure you I was not

I ended up lying down and fading off
deep into sllep the whole day
and have only just risen a short time ago.

as I now pay the bills and as it is payday
I could take you out later and have
the most wonderful night out at dinner,
then perhaps a movie or whatever else
you could think ofto your liking,

to make you smile and reassure you as ever
that I am always with you
and will never leave you my beautiful
Queen I so deeply adore, love, and treasure.

So know my sweet love that you are not alone
and that I will always be with you
and only want you because you are
my only one and my best friend

and all I want now, tonight, and forever
is to hold you so close to me
holding you tightly telling you
that you are my everything,
I just want to give you the sweetest
of kisses and dry your tears before
giving you the most loving
and softest caresses.
I love you my Kira and just want

you to know that you're so amazing
and that I'll always love you forever
because you are my soul mate
whom I adore and apreciate to no end.
I will stand by you forever my Kira
because my heart longs for you
and sings out to you dearly
telling you that you are so wonderful
and the one that fulfills me,
you are my Kira and my darling everything.

Good Morning My Darling Sweetie

Good morning my beautiful darling sweetie,
now that the dentist is done and one of
my teeth that he worked on hurts just a bit
I have popped a Vicodin to get ahead of the pain
and now just want to lay down in bed next to you
for a short time talking and resting
for a very short while.
I could give you light kisses right now
and I surely would because your kisses,
snuggles and love are the medicine that I need.
Being with you is what would make this
morning good indeed.

I didn't get very good sleep at all
my darling through the night
and now after the dentist I just want
to lay down with you filling each others morning with light,
for you to give me that bright shining smile
that always gave me butterflies and tinglings
of pure love and desire for a great Angel.
I love you my sweetie and want to have a good morning
spending time in bed holding each other
because you my sweet Kira are the medicine
that I want and need that will cure all my pains
and take away the loneliness that I feel
and I want to take all of yours away as well
helping you heal in a way you never thought
was possible again.
Good morning my beautiful darling sweetie so good,
never forget you truly are my everything.

Under The Covers, Goodnight

Goodnight my sweet love
and let's slip under the covers
to now go to sleep within our own world.
To just kiss for awhile as we tightly snuggle,
then say I love you babe and I will forever and ever.
Then I just want to look in your sweet eyes
and let you know you are appreciated and treasured,
so then feeling so peaceful you can rest
your head on my chest and we'll fall asleep holding each other.
Goodnight my sweet lady and let's slip
into bed under the covers to peacefully sleep
with our most beloved and treasured best friend.

A Night Spent With You (All I Want)

A night spent with you
in each others arms is all that I want.
A night of good conversation
while I look into your gorgeous eyes
and see your bright shining smile,
just kissing and snuggling with my beautiful Angel.
A night spent with you would be
heaven on earth it is true
and it is all that I want
a night for just me and beautiful you.

Sweet Snuggles 2

The perfect night now after
a small catnap would be to sit
up in bed with you my dream girl.
To pull you in so close to me
and snuggle tightly while listening
to a little more of this audio book
I am enjoying now.
Sweet sweet snuggles with you my only one
are what we both need right now
to heal our hearts and take away
every bit of our aching loneliness.

Sweet snuggles with you in our bed
would make this night oh so grand,
for after more of my audio book
I would get us some ice cream to enjoy
as we watched a wonderful film.
A time for us to laugh and hold hands
the fall into each others arms
feeling safe and secure with our best friend
we so truly love and adore.
I want sweet snuggles with you my dream girl
because you're all I want within my arms.

Swet sweet snuggles with my sweet sweet Kira
who is so pure hearted and adoreable
is what I want more than ever.
To read to each other as the night progresses
and just talk like true best friends
and pure loves like we always did
is everything that makes life good.
What more can a man ask than to have
the one he loves more than anything by his side
snuggling and kissing as lovers should?
I want sweet snuggles with you sweet girl
because you are my one and you truly are
a blessed gift from God.

Sweet Smiling Kisses

Sweet sweet smiling kisses to you
my most treasured and beloved Angel.
Now after dinner is over I just want
to sit back with you to relax
and share sweet smiling kisses so magnificent.
I want to kiss you all over giving
both of us darling the biggest of smiles
feeling such deep joy and comfort
with our best friend and soul mate.

Sweet smiling kisses are what I want
to be sitting here sharing with you
as we talk and spend the greatest of times.
I want to be with you doing these things
instead of just putting my head back
and having to dream of these good times ahead.
I want so soon to be giving you
these sweet smiling kisses that we so need
and just enjoy our evenings feeling complete.

So I send you sweet smiling kisses
my beautiful Angel sent from God,
I miss you so much and want you to know

Tender Evening Thoughts

Sitting back and relaxing this evening
my dear while watching YouTube videos
and many of my thoughts drift tou.
I get lost in these dreams of you being here
holding each other and spending time
watching these videos together.
Then later to read and snuggle up tight
as we watch some more videos or TV.
My tender evening thoughts drift to you
and all that I want to be doing with you.

I sit here thinking of all our wonderful times,
I think of your laugh and your smile
which gives me mine.
Despite the fact that I am tired I stay up
to think of you and all of your beauty
as well as all of our time my sweet Angel dove.
I get lost in my tender evening thoughts
of you my sweet girl your sweet and loving
gestures and words that to me mean the universe.
I get lost in you because you are my one,
my most beautiful and beloved best friend
I want to be with forevermore.

As I sit back my dear relaxing on this evening here
my thoughts drift to you as I can feel you so near.
Remember my dear my hand is within yours as well
and I will always be right here for you,
my heart is filled with such tender love
and I want nothing more than to be with
my gorgeous sweet Angel dove.
I love you sweet lady and my heart and thoughts
are with you as always because you are

Catnapping

Lying here my sweet dear
catnapping on this afternoon
and when I close my tired eyes
I see sweet beautiful you
wearing that big gorgeous bright shining smile,
I see you my dear sweetie and smile as well
because you are my dear Queen and Angel
whom my heart melts for and I admire.
I wish you'd been here to hold so tight
and closely talking and laughing as we catnapped together.

While I was catnapping my dear it was you
I saw in my hearts and my minds eye
which gave me the most true loving
tinglings and butterflies that one
could ever have for such a wonderful soul.
I just lay there smiling and spoke aloud
Kira I love you so much and so soon
want you right here by my side
to always fight for each other
and side by side hand in hand
spend the best of lives times together.

So my sweet beautiful love so amazing
you truly are my most wonderful dream in reality.
I always want to give you all of myself
and truly my very best to make you so proud
and the happiest I can my most beloved best friend.

be a mistake and ruin what's good.
I love you my gorgeous girl you are so great,

and I want so bad just to hold you right now.
To tell you you're so beautiful

Michael P. McParland

Good Morning, I'm With You

A very beautiful good morning to you
my most treasured and cherished sweet Angel dove.
I know I was out of it for so long
but after I last wrote I struggled with
sleep for a few hours just aching so badly
to have you in my arms both of us feeling so peaceful.
Then finally falling asleep exhauted
physically, mentally, and emotionally
I went out for so long and only got up
to half awake eat something then back to sleep.
Remember my sweet one that you're not alone
and that I am with you as ever my arms around you
giving sweet kisses so loving and good.
Remember my Queen I'll never leave you
because you are my one and I only want you.

I wish I were with you right here and now,
holding you so very closely seeing you smile,
to look in your eyes and feel cheer in my soul,
to have a reason to rise immediately after a snuggle
and take a nice shower before facing this day together,
to have you to watch Ohio State beat down Michigan with.
Insted though right now I just want to lay down for a few more
listening to my audiobook and dream of you
for a short bit.
I wish I were with you to snuggle and kiss while
doing that too before all those other things I listed above.

So I wish you the most beatiful morning
my gorgeous sweet Angel dove and reach out in spirit
to put my arms around you reassuring that I am with you
and I always will be right by your side supporting you
in all of my love so pure and true,
oh my sweet one I so love and adore you so have faith in me
that I'll never leave or abandon you.
You are my Angel who means everything.
God bless you my Queen and please come so soon
so I can show you how much you are appreciated
and how much I care giving my best and my all,

please come so soon so we can both heal in full
in each others arms talking about everything in our souls.
I love you sweet one and wish you the best morning
to have with the sun to shine directly on you.
You are not alone because I will be with you always
admiring you, cherishing you, and loving you fully
because you are beautiful and truly amazing.

Michael P. McParland

Weary Smile 3

As I lay down here in a few
I will be wearing a weary
and oh so fondly loving smile.
A smile that I wear for you
and a smile that you give me.
It is a smile of true love
and thanfulness for my Angel.
And though I may feel oh so weary dear
I smile because I think of you,
I smile because I feel you near
and am surrounded in true warmth
from all your true pure love.
Close your sweet eyes to see
my loving looks and smile,
then feel my sweet kisses as they
shower over you to tell you
that I care.
You are treasured my sweet darling one
and I am forever yours,
knowing that I have your love
and that you are my best friend
makes me smile oh so big.
You are a diamond in the rough
the sweetest and rarest of souls,
and I cherish you as the blessing
and gift from God that you truly are.

So as I lay down in a few to rest
my tired body, mind, and soul,
I will be wearing a weary smile
as I lay my head on my pillow.
I'll say outloud I love you Kira
you truly are so grand,
listen closely and hear my words
as I take your hand in mine.
I wear this weary smile for
and because of you,
you are the reason that my heart still beats
and you are my northern star.

I love you more than anything
and I pray I make you smile now.
I always wish to honor you
and make you so very proud.
So as I lay down in a few
I'll wear my weary smile
as I dream of you.

Aching For My Best Friend

I so ache to be with my best friend
on this Thanksgiving day,
to tell her how thankful I am for her
and share with her everything
I am so thankful for in heaven and earth,
then listen so closely as she tells me
all that is important, matters,
and is so meaningful to her.
I long for, ache, and yearn to share
this day with her feasting and being thankful
together in all of the love that we feel
and are deeply sharing.

to turn to for anything at all because I am
your best friend andI will alway be here to answer your call.

I so ache for my best friend on this Thanksgiving
to just be talking, snuggling, reading,
and cooking the meal together that we would
enjoy with the kids later.
I love you my best friend and want you to be here
so very soon so we can heal all our wounds
just holding each other, drying each others tears,
and reassuring each other saying it is okay
because I am never leaving and will stand
by your side supporting you fully forever and ever.

Evening Note 117

A very good evening
my sweet beautiful Angel so good,
now after dinner as I sit back
to relax and read I wish
I were with you sitting by me
holding hands as we read outloud,
to just be with you spending time
is what my heart and soul
so deeply yearn for and long,
to be with my true love
and best friend is all that I want.

I just want to be with you
talking, snuggling,
sharing sweet kisses,
watching movies taking turns
on who picks, and reading from
one of my thousands of books,
I just want to be with you
sharing all that there is
and being right by your side
always supporting each other
through the best and the worst.
An evening of love
with my gorgeous Angel of light
is what would heal all the
loneliness and pains that reside.

So have a good evening my precious lady
and with me pray that those evenings
will so soon be upon us.
I am sending you huge hugs
and the sweetest of kisses my true love
because I want you to know
that I love you and ache for you deeply.
I want you to know that you
are truly cared for, cherished,
and appreciated my dear one.

Michael P. McParland

Yearning My Dear

Good afternoon my sweet dear
and as I rise my headache is now gone.
As ever I am yearning for you
and deep in my longing heart
I want to sit right by you
and snuggle to no end my dear love.
My stomach aches just a bit
but I am sure it will pass
and as it does I just want to be
with my sweetie I adore so very much.
I yearn for your soft loving touch
and to just look in your eyes
being hypnotized by all the deep loving beauty
you hold inside.

I yearn for you dear just to be here
by my side spending quality time,
stopping the loneliness that we both
feel inside without our true love.
I miss you so much and long to be kissing
you while we tenderly touch,
I just yearn for my Queen the best of the best
and so very amazing my sweet Angel dove.
I love you my sweetie and yearn
to be holding you so very closely
so both of can feel so joyful and peaceful.
Feel my arms around you as I reach out
to so very tightly hold you
and give you all of my love the best way
I am right now able.

Michael P. McParland

Lying Beside You 2

A bad headache has hit me my dear
and I wish I could be lying down
beside you here in my bed right now.
To hear your soft voice as you rubbed
my head and face to help me relax,
I wish I were lying beside you right now
helping this headache to pass so very fast.
I want my true love and Angel here with me
arm in arm because your love is true healing
and you're all I want.
I want to be lying beside you telling you
that I so deeply love you while we both are healing
and this bad headache is passing.
I want to be with my beautiful hero
because you are my light and eternal Angel.

Night Note 226

A very good middle of
the night to you my beautiful girl.
I am so so very sorry I was
quiet and gone for so very long.
Yesterday in the early noon
I was so very tired after finally
being able to pick up my medicine
I closed my eyes meaning to just lay down
for a few minutes to little while
and drifted off through the whole day
and night until just a little while
ago my Angel I so adore.
I am so sorry and feel just like crying
because I know you are upset, worried,
and possibly crying yourself
not sure why I have been off.
I have just been so exhausted my love
and I often sleep so very much
because I am so depressed and emotionally
worn out because I am missing you
so very very much and I always
hope to have a dream of my Queen
until I am able to see you again.
So please know my sweet one
I am so sorry I drifted off.
Will you please forgive me
my only one?

So I wish you a good night
and send you the sweetest of kisses
with all of my strength,
feel my arms around you giving you
all of my love and my warmth
as I tell you I adore you my diamond in the rough.
You are so precious and I just
want to hold you so close
while you nuzzle and rest your sweet head
on my chest hearing how my heart
beats for my Kira so great.

I love you my sweetie and will always
stick by you hand in hand
supporting you fully
because are my everything and only true love
who I want to spend eternity with
sharing all that I have
and giving you all of my true love
to show you you're cared for, appreciated,
and adored making you so happy
and proud forevermore.

Michael P. McParland

and very passionate telling you you're oh so great.

I love you the way you are and would never
want you to change for some others prime ideals.
You are perfect as you are and all I hope for you
is as I would hope for all to strengthen
our flaws and weaknesses the best we can while remaining true.
I always though want you to be you because

Michael P. McParland

Night Note 225

A very good night to beautiful you
my sweet Angel of love and light.
I'm sorry I would have already emailed you
a good while earlier but I ended up
going down the rabbit hole of
YouTube videos losing track of time completely,
I hope you are alright and not upset
or angry at me for my losing the time,
so I wanted to write you and let you know
you are loved and never forgot
and after a snack of buffalo wings to
calm my grumbling stomach babe
I will email you about all of the things
I want to share with my precious girl.
I love you my dear you are my essence,
my heart, and light of my soul,

Nighttime Smiles With Kisses

As I sit here alone through
this quiet night I will be thinking of you
wishing you were here to spend time with,
feel complete again, share big sweet smiles,
for both of us to be filled with joy supreme,
my heart continually aches for thee.
So as I sit here and go about other things
I will be sending you big warming smiles
with the sweetest of kisses to fill you
with all of my happiness and strength.

I miss you sweet one so very much
and send you these sweet nighttime
smiles with kisses to tell you I love you
and can't wait for you to be here within my arms
sharing the best of times forevermore,
for me to be able to serve you my sweet Queen
in all the most honorable ways as I always strive,
I miss you so much and send these nighttime
smiles with kisses because I love and adore you
more than anything on earth or in heaven.
No matter where it is anywhere it is true hell
if you are not there to share smiles, hugs,
conversations and kisses of all kinds.
It is truly empty and pointless without the one
who you care for and love and feels the same about you.

So my sweet one as I go about my lonesome night now
I send you sweet smiles with kisses so big and warm,
great big hugs and held hands to let you know
that you are not now and never will be alone.
I love you sweet girl my heart and soul are forever yours
because you are their holder and my beautiful one
whom I'll always stand by giving my best
and my everything because you are my Queen and the woman
I've always loved no matter what because you are
a rare precious jewel who shines above the rest
and I truly want you to be the happiest woman
who's ever lived because you are so wonderful

and amazing through and through.

Michael P. McParland

Love Note 554

A very good evenig to you
my beautiful sweet Angel dove.
I arose a little while ago
and would have written first
but had to eat something right away
as my stomach was upset from the emptiness
and then had to lay back again
for about 45 minutes to let my stomach
settle down in full,
so now that I am feeling better
I put on one of my favorite Falco songs
Helden Von Heute extended version
and write to you my true love and Queen,
my Angel who means everything to me.

I hope you got my email last night
that I wrote you before I crashed out
in my deep exhausted sleep.
I pray you had a good day feeling me there
by your side hand in hand giving you
sweet sweet kisses with all of my warmth and love.
I hope that when you needed a smile
you thought of me and mine
and looked at all the new pictures I sent to you
in my email yesterday,
I had you on my mind Friday night
when I took them and that is exactly why
I smiled so bright within them
my sweet Angel of light.

I so wish you were here to join me
through the night my sweet adored Queen,
to now go out and enjoy some ice cream
as I begin on the Simposon's 5th season,
I wish you were here to hold so close
to me and both of us know everything is okay
and give the reassurance that we'll
never be alone again feeling hurt
from the world around us because we are with

our best friend and most beloved soul mate,
I wish you were here to hold looking into
your gorgeous sparkling eyes and tell you
that it truly is okay because I'll never
leave or abandon you my sweet precious girl.
God bless you my sweet love and feel the sweet kisses
and huge smiles I send shower all over you
with massive hugs delivering all of my strength,
love, and deep warmth to tell you I love you
and care for you more than anyone can know.
Have a great night my dear Kira and know
that your Michael is right here for you
and the by your side in spirit.
Remember that you are always in my heart
and that it is only you that I want
hand in hand by my side forevermore,
only you because you are my Angel,
my Queen, a blessing and gift,
you truly are my everything.

Michael P. McParland

Tired Saturday Afternoon

The game is at half time my dear
and I am quite tired today.

before I got up for the game
and I wish you were here to watch it with me
and spend time relaxing together
through the rest of the day.
I am so tired on this Saturday afternoon darling
and I just want to have you in my arms
as I look upon your gorgeous smiling face.

When feeling so tired all that I want
most of all is to be with the woman I love.

regaing all of our energy as well as
helping each other heal from all the pain we've been enduring.

from my very core for you and is tender.
So I wish I could slide in bed next to you
and give you these waking kisses saying
you are so wonderful my sleeping beauty
and I love you immensely, more than anything.
If I could reach in the sky to give you
the moon and the stars I would my beautiful hero,
I can't do that though my fair lady but I promise
I will always give you my best in everything
to make you proud and so very happy.
Good morning my gorgeous and beloved sleeping beauty
and I send you these deep passionate loving kisses
to give you a smile and start your day
knowing I am there with you and am always yours
through all eternity.

to give each other sweet kisses all over
and show each other those smiles we adore
and that say I love you so much.
I want to spend this Friday evening with you
making you feel important and beautiful like you are.

First the most wonderfully refreshing shower
to wash away the stress and sweat of this day,
to just hold you so close to me under the water
so warm, soothing, and deeply relaxing,
to just smile at you, give kisses so pure,
and tell you I love you my little love bird.
Then after to just fall into each others arms
talking and laughing the evening away.
To just watch a movie and together read,
I need this Friday evening with my sweetie so bad.
I just want your company and to be with my amazing woman
because I love you so much and am nowhere
complete without my only one so beautiful and sweet.

Michael P. McParland

Love Note 553

A very good afternoon to you
my beautiful sweet Angel dove
and I hope that your day has gone well.
I had to get here to the doctors

Catnap (Aching Heart)

After a big hearty dinner my sweetie
it is time for a catnap to recharge my batteries.
So I lay down now to close my eyes
and it is with a longing, yearning,
and aching heart that I drift off with my dear.
I just hurt so very much inside wanting my girl
and I am physically aching as well.
I am filled with quite a few worries
and concerns like wondering just how you are
and praying that you are okay,
that is at the forefront of my mind
among other worries and stresses I have.
So I worry for you in my aching heart and soul
and want you here to hold so very close
while you tell me all that you hold inside and want to share.
I ache to have you here and rest your sweet head
upon my chest while we softly talk
and sweetly kiss as we catnap for a bit.

I am quite tired sweet love
and with this aching heart
I am in need of a wonderfully refreshing catnap.
I will be dreaming of you as I close my eyes
as I yearn for your smile and soft loving touch,
it is your lips I need upon mine as we share
the sweetest of kisses looking into each others eyes.
I love you my darling and wish we could ease
each others pains, worries, stresses and tears
as we held each other catnapping together
snuggling so tightly with our dear best friend
who love each other so truly and so passionately
through all eternity.

Michael P. McParland

Love Note 552

Back now from the dentist
and picking up a prescription
my sweet darling so precious
and I am feeling quite tired
with my rest this morning
being uncomfortable and very fitfull.
For you though I'll stay up dear
and write you the best I am able
to send you all of my love
so full of deep warmth and strength,
I wish I were with you
to rest my head on your shoulder
and say thank you my sweet Kira
for in every way being a beautiful person.
I wish I were with you to lift
all of our stresses and all of our worries,
to help each other feel safe
and so very peaceful.

So my sweet dear I now need
to find a way to relax my neck
for I was in massive pain as
I sat in the dentist chair my head tilted back.
I wish you were here to give it
a massage and then I would massage
you all over to relive all of
the pain you're so constantly in.
I love you my dear and give you my world
because you are my Queen so superb.
I adore you so deeply
and my love for you is great and tender
and I just want to hold you
and be by your side forever and ever.

I love you sweet girl more
than anyone can possibly know
so listen closely as my heart calls out
to you and sings in full voice
all of the love songs that I adore most.

Feel my hand in yours as I smile at you
and never forget I'm always yours
and will never leave you.
I love you my dear for you are the best
and my soul sees and feels yours
for the blessed gift that it is.
I want to spend eternity giving you
all that I have and all of my best
with every last bit of my love,
you are so beautiful and a rare treasure
I so cherish and I can't imagine
nor do I want a life with another.

Michael P. McParland

My Best Friend 3

My best friend is my other half
and my entire world,
my love for her fills the universe
till at the seams it is ready to burst.
My best friend is so truly beautiful
and the one I truly trust,
she is so wonderful and the love I feel for her
is truly so great and tender it overflows
from my very heart and my very soul.
I adore my best friend and I want the world to know
that Kira Petranovich is truly the greatest
and I'd do anything to fulfill her life
and make her the happiest person in heaven or on earth.

I love my best friend with her golden heart
and she is the only reason I continue to write.
If she did not love it and I didn't have her
I would have very long ago quit.
But as I said she loves it so
and even though we both know
I am not very good she encourages me so.
She is my best friend and I adore her in full,
she is my Queen and an Angel so pure,
she is a blessing and a gift from above,
she is one of Gods most beautiful Angels
he sent to earth to spread peace and love.
She is my best friend and I don't ever want to see her hurt
because she is a precious rose whom I so dearly love.
She makes my heart sing and has touched my soul,
Kira is a wonderful woman and my treasured best friend.

I so dearly love her my best friend and sweetie
for she has enriched my life and is a shining star
who lights me up and fulfills me.
She is my other half and better one at that
and I will have no other within my life.
I can't wait to hold her telling her she's now safe
and I completely love her,
showing her everyday she's appreciated and cared for.

Kira is my dear the best friend and my soul mate
with whom I share a bond with
and I want to spend eternity in each others arms
fighting along for each other and taking care
of one another expressing and giving the true love
we hold and feel to the maximum.

Catnap Dreaming 2

Catnapping for a short bit
after dinner sweet dear
and I had beautiful little dreams
of sweet beautiful you.
Dreams of you smiling and laughing too,
dreams of sweet kisses and snuggles so good,
catnap dreams of my Angel Kira so pure
which makes my heart hunger and long
to have you right here in my arms.
I wish you had been here to catnap with me
looking into each others eyes while I softly
and sweetly caressed your cheek.

While catnapping sweet dear I also thought
of so much of what I want to tell you
later when I write and later when we reunite,
I dreamed of you smiling among other things
and us just enjoying each others company.
Those catnap dreams of you helped fill me with cheer
despite the aching that remains there
and I will be spending my night dreaming of you
at most points reaching out in spirit to hold you close.
I love you sweet one and I truly look forward
to when those catnap dreams are real in full at last
because I won't feel complete until I'm in your
sweet arms sharing all that there is in this world sweet one.

Tired Morning Desires

Done now with the few chores
that I had my sweet one
and as I sit back to read
and watch some good videos
I am so filled with desire to bewith you
on this early morning holding you tightly.
I am feeling a bit tired but not ready
to lay down and fall fast asleep into dreamland.
If you are so tired though I would give you
sweet kisses and tell you I love you my dear Angel,
and then you could rest your head on my lap
while I stroked your long hair, softly caresses your cheek,
and rubbed your back while you got some sleep.
I am so filed with desires a plenty
for my sweet Queen and dear Angel feeling such
deep wonderful warmth and comfort as we sit together
sharing great time together.

Sitting here my sweet love on this early morning

Lying Down Aching

As I lay down now on this Sunday morning
it is with a deeply aching heart
that so longs for its Angel,
I yearn for my other half to be
right here beside me to rest your sweet head
right next to mine smiling as we
look into each others eyes.
I so long and ache for my only one
and as I lay down I pray I will have
the most beautiful dream of you in my arms,

Michael P. McParland

Long Lonely Night

It's a long lonely and aching night
here without my sweet Angel of light,
to not hear your sweet voice
and look into your deep beautiful eyes
which are windows to a pure gorgeous soul.
It's a long lonely night just sitting here
reading and cruising around the internet,
I just think of you and crave your company
and your soft touch as we snuggle tightly
within each others arms sharing sweet kisses
so passionate, caring, and tender
that express the profound loving care that we feel
and that we so freely share.
It's a long lonely aching night
with a heart and soul that so yearns to be with you
giving you all of the immense love that I hold
and you have so always deserved.
It is a long lonely night where I want nothing more
than to be spending time with you doing whatever it is
that we so choose to do.

It is a long lonely night where I sit in silence now
not really feeling like listening to anything,
it is all so colorless and dull without my sweet love
and the minutes and hours stretch out so very long,
I dream of your smile which helps lift my heart
significantly and more than you can imagine,
inside my head and heart I hear your laugh
and sweet Angelic voice and that helps give me a smile
as only you ever could my sweet Queen and Angel.
I think of your beauty in whole completely
and within me a stirring of deep desire,
a desire born of true love and tender caring,
a desire for the most wonderful woman ever.
It's a long lonely night full of longing,
yearning and aches, but feeling the love that you send
helps me get through because you are my rock,
hero, and most beloved best friend.

It is a long lonely night in which I reach out
to take your hand within mine and give you all
of my strength, warmth, and endless, undying,
unconditional love that fills me to overflow.
As I reach out my heart in its longing
and yearning is to you in full voice
singing all of my favorite love songs to reassure you.
It is a long lonely night and I have been praying
that you are okay and know you are cared for,
appreciated, and loved beyond all earthly measure.
I love you my sweetie and pray that these
long lonely aching nights will soon be over.
That they will be filled with our love and laughter
as we tell each other it's okay
and just spend the most amazing quality time
together knowing we will be there for one another
forever and ever supporting each other completely.

Michael P. McParland

Sitting here my sweet love
and shortly ago had to lay back down
for a bit because I wasn't feeling well.
As I lay down I dreamed of you
and knowing that I would be feeling better
I dreamed of how today I'd like to go out
and about with you to spend time and have fun.
Go out for a drive and enjoy all the beauty
that surrounds while enjoying the beauty of my special one.
All the beauty you hold inside and just what
a beautiful woman you are and how you drive me wild,
I want to go out with you and show the world
that I truly am the luckiest man allive.

and just share the most wonderful time,
whatever you would like is what I want as well.
Then perhaps some ice cream a little later my dear
just enjoying a great time out with my precious Queen.
Then after the most beautiful evening and day
spent out on the towns just sit back with each other
to share sweet kisses and snuggles on the couch.

Now that I have awoken I just want you here
to spend time with and hold sharing
sweet kisses and good times throught the day darling.
I just want you here to give deep comfort to sweetie
and reassure you as ever that you're not alone
and I am right beside you as yours forever and ever.
I am wanting you here to make this day
amazing beyond all measure sweet Queen.

I am wanting you here to sit next to me
as I get up my dear sweetie a hear your sweet
Angelic voice as you talk to me as I eat something
first after our snuggles and kisses so great.
I just want to hear all of your thoughts and your feelings
and how your day has gone baby to give me big smiles
and just let me know how you are.
So as I now rise my dear sweet one I long for
your arms to be around me so tightly
and share what's left of the morning together relaxing.
I am only wanting you my beautiful Angel.

Later this afternoon I just want to sit with you
and share the coffee and cream chocaltes that I have
while reading each others love poetry to each other my dear.
To smile and to laugh not in a bad way
but the laughing that true loves share in their care,
to maybe even shed a few tears from happiness
or even in the sadness when one or two were written
and we know how much the other was hurting.
The best of times though dear as we read our love poems
and share rich delicious coffee and cream chocolates
with our best friend and lover.

So my sweet love I am simply and truly wanting you,
to spend time with talking and snuggling,

sharing sweet kisses and nuzzling.
To just be with my best friend whom I so treasure
letting you know how much I appreciate
and care for you my God blessed Angel.
I am wanting you to sit with reading,
watching movies and TV, listening to Falco
and other great music with me,
to go on great walks and do things out together.
You are the one I am wanting and needing
because you are my true love sweet Kira
whom I will never leave and stand by forever.
I love you sweet Kira for you are so beautiful
and I will be your faithful and adoring Michael
forever and ever.

Michael P. McParland

Night Note 221

Such beautiful thoughts
of you run through
my longing heart and mind
on this night as I sit here now.
Soon I must lay down to rest for awhile
and then I will dream of you
and send you weary smiles
as I close my eyes.
I'll be wishing you
were here in my arms
as I listen to one of
my favorite podcasts and wishing
you could be enjoying it too.

I hope your night has been good
and you have felt all of my love
as in spirit I reach out
to take your hand and I hope you
have heard my hearts song
and felt its beat which is for you.

anything to have your sweet kisses
as we held each other right now.

I Just Want You Here (Spending Time)

Sitting here on this night my sweet love
and I just finished watching a short
documentary on Falco I found.
It would have been so great had you been right here
to watch it with me and enjoy everything.
I just want you here spending time
and within each others loving arms
hearing your thoughts and feelings
through that Angelic voice,
I just want you here right by my side
winding this night down giving you kisses,
feeling your loving touch,
and spending quality time.
I jut want you here my sweet Kira to give
and to feel loving warmth all around.

I just want you here to read to
as I will in a few minutes pick back up my book,
to share in the adventure one of my
author friends just wrote.
A fun series of a science fiction story
involving so many things that make it fun and interesting,
I know you would like it because it has both
emotion and intelligence which is like you
my sweet beautiful Angel.
I just want you here because I want to share
and be with the woman I love and care for
and I want to give you deep peace and reassurance
that I'll be with you forever my sweet precious Angel.

I just want you here because you are my best friend,
you are my true love and hero whom I appreciate to no end.
You are so magic and an enchanting woman
and I could just sit there gazing into those
sparkling eyes for hours sweet lady.
You have saved my life and given me reason
and I just want you here to show and tell you thank you.
I want to give you my love and all of that
which you've always needed and deserved,

I just want you here because you are sweet you
a truly wonderful woman I love and hold dear.

The Most Wonderful Thought

The most wonderful thought of you
just crossed my mind,
and what made it so wonderful was
that it was of you my sweet Angel bride.
Those thoughts and dreams are always so wonderful
because you are so special and beautiful.
For you my heart overflows with love so tender
and my entire being is so full of that love
it is close to bursting.
The universe can hardly contain all I feel
because you are my best friend and hero
I so truly treasure.
So now I sit here my heart aflutter
because of the most wonderful thought of you
my dear amazing woman.
Close you sweet eyes my fair lady
and see the big smile I'm wearing
that tells you I love you.

Michael P. McParland

Waking To Your Smile

As I rise now in this late morning dear
I have been awake now for 10 minutes
or a little bit more,
I can still feel the tiredness of sleep
creak within me and an ache shoots through
my heart and soul as I wish you were here
to smile at and take by the hand.
I want to be waking to your smile babe
making the sun shine so much brighter
than it already is.
I want to be waking to your gorgeous smile
so I can say hey there my beautiful one
I look forward to another day with my shining star.

To wake to you by my side and seeing your smile
is what I am dreaming of and can't wait
for it to happen when you've come.
To pull you in tightly and tell you
I love you so much my sweet precious lady,
I want to spend eternity waking to your sweet kisses
and divine shining smile.
You make my life worth it and give me reason
to keep fighting on dear
and I just can't wait to see you again before me
as we both smile so brightly and just like
in the old days with only those smiles say
I love and adore you my soul mate and best friend,
you are so beautiful and my true love.
Our smiles to each other dear always said all
and I want to wake up each day giving them
so big and bright to one another my Angel of light.

So as I arise now to start this day
I dream of your smile so gorgeous and big.
I want to be sitting with you and talking along,
just you and me spending good time.
I adore you my Angel and to you
my heart will be so loudly singing.
I pray that each morning I will soon be waking

to your incredible smile and being able to tell you
you're beautiful, amazing, and I so truly love you.
I can't wait to be waking with you facing eacd day in hand
knowing that our best friend will stand by us through all time.

which I rushed out and did
as soon as I arose.
I so pray that you understand
why I needed such a long rest,
and I thank for last night
with all the loving strength,

very stressing problem
and have to wait two weeks
to totally get to the bottom

Relax This Morning

Now out of a nice and refreshing
morning shower and I want nothing more
at this moment than to fall in your arms baby.
Very soon I have to make a few very annoying
phone calls and I just want to rest
my head on your shoulder until then.
Forget the anxiety and forget the annoyance,
just sit with my Angel talking
and feeling your deep love in the surrounding silence.
I just want us to be snuggling and deeply relaxing
feeling so peaceful and happy with our dear
best friend who means everything.

Still feeling just a bit rundown and tired
I want to hold you so tightly and relax with you,
then make these phone calls as needed
and be able to sit back down by my Kira
forgetting about those problems for the time being.
I just want to relax with you on this morning
seeing the worlds beauty as I look upon you.
I love you my darling and just want to
fall in your arms feeling your love
while giving you sweet kisses and all of mine.
I just want to relax with my beautiful one
feeling all worries and stress leave me now.

So as these morning passes through
I will be wishing and dreaming of relaxing with you.
My heart so longs for your loving touch
and to just sit here while talking to
my beautiful sweet Angel dove.
I will be sending you kisses with great
big hugs for you my dear Angel
as I just sit back and relax wishing
I were with you the woman I adore,
love and treasure more than anything anywhere.

A very beautiful and sweet
good Sunday morning to you

A very wonderful and beautiful Sunday morning
to you my sweet best friend,
I so wish you were here to snuggle so tightly with.

Such a very good Sunday morning to you
my sweet tender hearted love and soul mate.
As I rise and try to shake off the fog of sleeping
and all the tiredness from the medications
healing this infection I feel so awful
for drifting off last night quite sooner
than I had intended and could not write.
So I apologize to you and just wish

I will be dreaming of you and wishing you were here with me.
As I am thinking of you I will be smiling
and feeling so happy too,
but I will feel a little bit sad in that
I know I let you down by not writing through the night

and because you are not here to join me just yet.
I will have a good morning though dear
because I know you love me so much and you care
and that soon enough our time will be here
and I will have the sweet Angel I love
here forevermore within my arms.

Back from the store now my sweet love
and I will shave my fuzzy face first

I also picked us up some nice stuff for lunch
but before that time comes a lovely
Saturday morning with you in each others arms
is what is called for because I just want
to be cozied up with my beautiful girl.

I want to spend this Saturday morning with you
talking and reading before any college football
begins at all and may become distracting,
Ohio State doesn't play until this evening
but still once it starts I would be looking.
So my sweet love this Saturday morning
would be just for us so as no distraction
can take away from our wonderfulness.

in need to shave my fuzzy face.
In all ways with you it would be
a beautiful morning just because
I would be with gorgeous you.

A very warm and beautiful
good night to you my sweet Angel
I so truly love and adore,
I send huge hugs and very sweet kisses
to you my only one I want forevermore.
I am sorry sweet one I dropped off
last evening but I was so worn out
from this bad ear infection
and the headache that raged so bad
for a good part of the day,
even right now my ear aches quite bad
and my head is doing a bit of that dance,
but I've taken some pills for the ills
and I wanted to write you
and reassure you that I here
and I always will be for my Angel so fair,
always remember that I so deeply care
because you are my everything,
my best friend, and Queen.

Oh my sweet dear how I wish
that you could join me now as I get up
to sit back and read for a little while.
That if you are so very tired
you could rest your head on my lap
to sleep in the quiet,
I would just read by the light of my kindle,
or we could watch a movie
and share the sweetest of kisses
while I held you so close in true love and comfort,
just any way I could spend time
with my Angel would be magnificent.

I love you sweet Kira and once again
want you to know I am so very sorry,
I so wish you had been here with me
to snuggle, smile with, and share kisses
as the whole evening and night went.
I love you so truly much

and I will be thinking of you as I read
and sending kisses and hugs so sweet,
feel all of my warmth and love
as I send them to you with my strength.
You are a gem and the crown jewel
of my heart my precious one
and eagerly await the day
when we finally see each other again.

Michael P. McParland

Evening Note 115

A very good evening to you
my beautiful dear sweetie
and as I cook dinner
I just wanted to drop in
and give you a smile
telling you I love you
my only Angel.
I wish you and your kids
could join me for a wonderful evening
of spending time with great fun,
then later just me and you
in each others arms feeling so good.
I just wanted to say
thank again my sweet dear
for just being you and understanding
the best that you can all
that I have been facing and going through,
I thank you so much
for all of your kind caring love
and want you to know it means
so very much.
So my sweet dear have a
good evening and know that if
you want me or need me I am right here.
I love you so deeply
and want to be with you
spending time this evening and forever
because you are my Queen and Angel,
you are my everything my beautiful darling.

Afternoon In Each Others Arms

Back now my love from the doctors
and having done a bit of shopping.
I know my sweet love it has been
a long day for the both of us
and now that all is done
I only want to sit back with you
and hold you so near while we have
a cold soda to cool down after running around.
An afternoon in each others arms
is just what's called for after a long
couple of days where talking has not been
as much as we'd like it to.

While I was out my sweet love after the docs
picking up food and some treats
I bought an old season on the Simpsons
on DVD that I would love for you to sit
here in each others arms and watch with me.
Now with my head feeling so very much better
I want to laugh with my beautiful woman,
to just look in your eyes while we both smile
is what makes life worth living because it is heaven.
Now back from the doctors and my bit of shopping
and all I want to do is be in each others arms
enjoying this afternoon.

So my sweet love will you please forgive
my mostly silence these past few days
as I did not feel weel and recovered
as well from being so very very tired.
Please forgive me because I so truly
love you and would not normally
ever in that way leave you hanging.
So now as all major duty other than cooking
is through my sweet lady I wish I could
sit back with you holding each other
enjoying this afternoon as true caring lovers.

Michael P. McParland

Warm Healing Snuggles

With a change of plans my sweet love
and my doctors appointment moved until later
I am now going to lay back down
to rest my head from this headache.
As ever I wish you were here for
sweet warm healing snuggles for a few hours
before for sure this time darling
I must get up and get ready to go to the doctors.
Now no worries of a taxi so I can relax
in full my darling sweetie.
I just so want your snuggles of warmth and healing,
the warm snuggles of an Angel I coukd cry for.

Oh my sweet love as I sit here with my eyes
slightly drooping and also shielding them
from the light to keep down the pounding
I send you sweet kisses and huge hugs
to tell you I love and adore you,
I am reaching out so in spirit we can share
warm healing snuggles and bring us together.
As I soon close my eyes I will give you
the biggest of smiles as my heart sings out
saying thank you my Kira and God bless you for being amazing.
I love you my Kira and just want to share
some warm healing snuggles.

Michael P. McParland

Morning Note 206

A very good morning to you
my most sweet and beautiful girl.
I'm sorry I had dropped off for
so very very long
but I badly needed that sleep
and now I wish you were here
to snuggle with me for the next hour
before I'll have to get up
and start getting ready
to go to the doctor,
I have a migraine so bad
from a bad ear infection,
I also must take a cab
and it is the first time
alone having to do that.
So I wish you were right here
my Angel to rest my head next to
and tell you I love you,
to thank you for all of you
kind loving strength and deep patience,
and to just pull in so tight
as we snuggled away the next hour
before I got myself up and moving in whole.

I'm so sorry sweet one if through
yesterday until now you were left
feeling upset, worried, or down.
After I last wrote you I closed my eyes
and drifted off so very deep into sleep,
as ever though dear I'm sending
sweet kisses and huge hugs to you
and feel my arms around you
as I hold you so tightly right now,
I am sending you millions of smiles
to fill you with warmth my beautiful girl.

So a very good morning to you my sweet one
and know always that your Michael
treasures you completely and in full,

as I lay here for just a short bit more
I will be dreaming of you
and wishing so much that you were here.
Feel all of my love my sweet girl
and I will write you for sure
before I go to the doctors sweet one.
I love you so much and thank you
for all the loving strength
that I know you'll send my way.
Have a good day and know always
that you are truly cared for and loved
and that your Michael only wants and needs you
because you are truly my only one.

A Morning Under The Covers

I am so very tired sweet one
and feeling very quiet for the most part,
so I want a morning with you
spent under the covers escaping into
our own world and shutting out the rest
of it for a little while.
I just want to lay with you under the covers
resting our heads next to each other
while we talk a bit and tightly snuggle,
I so want and need a morning under the covers
with my precious Angel sharing some quiet
and some good conversation.
A morning under the covers escaping the world
for a little while together.

I love you sweet Angel and am feeling so very tired,
I only want to slip into bed and under the covers
with beautiful you to relax for a while,
I'm just feeling quiet today
and I want my lady here by my side to chase
the loneliness away for each other
as we hold each other while kissing and talking,
maybe read a book as well my sweet lady,
that would be great as long as I am with you
under the covers just spending time
with my precious Angel.

I am so tired my lady and not yet
ready to sleep though my dear darling,
I just want to snuggle up with you
under the covers on this very morning.
To talk and snuggle kissing when we feel like it,
reading, listening to audiobooks and music.
It would all be magnificent and relaxing
as long as I was with you my best friend and hero.
I love you my Angel and I wish you could be here
with me to climb under the covers
and as I sit back and dream of that
I will be sending you the sweetest of kisses

with millions of smiles to fill you with warmth
from all of my loving strength.

Michael P. McParland

Beautiful Dreams

I had such a hard time getting to sleep
for hours on end Saturday night
into Sunday morn my sweet dear,
but when I finally did there were
quite a few bothersome dreams
that usually haunt me making sleep
hard, unwanted, and truly unpleasent.
You know how much the nightmares haunt me
and you know how bad they can be,
and you my sweet hero must have sensed it
from where you are my sweet darling
because you stepped in and saved me
and for that I so thank thee,
I can't remember clearly all of my dreams with you
but the few parts that are clear as a bell
are truly so beautiful and I want to share them with you,
I wish you were here to hold nd kiss while I tell
as I have finally risen from the peacefulness that you gave.

I remember so clearly being with you
and though in life these events would mostly be trivial
in dreams and in life I'd be with you
making them the most important and wonderful things in the world,
we went out to somebody elses to see a film
although I don't know just what it was my dear,
you looked at me too and said I love you
and then with such joy and light in my heart and soul
I said I love you too.
From there I just blurrily remember us spending time
wherever laughing and talking until later
lying in bed together where as we spooned
I so closely and comfortingly held you.
Even as I tell it to you now I am filled with such emotion
longingand excitement knowing this will happen.
Thank you again my dear Angel and best friend
for all of the beautiful dreams that you brought me
and I thank you so much for saving me from the nightmares.

Such beautiful dreams my sweet dear of beautiful you

and how I wish you were here my sweet Angel dove,
to have and to hold while spending great time,
to just give you sweet kisses with smiles
thanking you the entire time.
I so love you my sweetie and want to be with you
so very soon so I can dearly hold you,
and so I can serve you my sweet Queen
and show you how you are treasured and appreciated.
I love you my Angel and once again thank you
for all of your loving strength and deep kindness.
You are my soul mate and you are my hero,
I wouldn't have anyone else because you are the greatest.

Michael P. McParland

A Sleepless Night Longing

It's been a long sleepless night
my sweet beautiful darling.
A night where my mind won't rest at all
and inside I am aching and longing.
I long to be able to reach over to
the other side of the bed and pull you in
to hold you so tightly and cozy,
I just long to be able to fall asleep
as we are holding each other feeling
so safe, peaceful, and calm together.
It's been a long sleepless night
my Angel of true loving light
and as I lay here right now
I so yearn to hear your sweet voice while we talk
and share the sweetest of kisses we could ever want.

I am so very tired my sweet Queen I desire
and I want to be lying here with you
holding you so close to me telling you
that you are so treasured and deeply appreciated
as you rest your head on my chest
and I give you soft caresses as well
while I rub your back and stroke your long hair,
I want to be lying here with the Angel I adore,
the Angel who cares and loves me in return
just as much as I love precious her.
It's been a long night and all over I ache
in body heart and spirit,
I just so long to have you here with me
that even if I couldn't sleep still
I would have you my dear Queen right beside me
making everything better by the loving warmth,
strength, and caring that you give.

It's been a long sleepless night
my sweet Queen of delight
and I just long for my best friend
and diamond in the rough so very much.
I yearn to feel your soft, calming, loving touch

as you put your arms around me as well
when you rest your head on my chest.
To feel the electricity, passion,
and tender calming of your divine kisses
are that for which I am so longing.
To look in the eyes of such a divine blessing
and gift sent into my life is what I so want
because that will truly be heaven upon this earth.
To be with your best friend who is also your true love
is something unequaled and I could not ask for more.
So it has been a long sleepless night longing
for the woman who completes my soul, my heart,
and my life, and I want nothing more than to get
so cozy in each others arms next to you
feeling so good with the only woman I truly adore.

Michael P. McParland

Night Note 217

A very good night to you
my sweet beautiful Angel
of true love and light,
I'm sorry I didn't write
so very much sooner but I was
spending time watching a movie
with my parents.
I thought of you though and sent
sweet kisses, big hugs,
and loving smiles as well
to warm your sweet heart
and let you know I was there
by your side holding your hand,
I wish you were right here now
to hold so very close
and fulfill a night of our dreams,
the first of so very many
for you and me.

As I go through this night
it will be with a smile,
yes I am so very tired
but I will be thinking of you
my sweet Angel as my heart
reaches out and sings too.
You are such an amazing woman
and I pray that so soon
I can look into your sparkling eyes
and tell you you're so very beautiful.
I want to pull you in close
and share each others loving strength
and deep warmth knowing
all is right and so good
feeling calm, soothed, and peaceful
in the arms of our very best friend.
My heart is aching to hear
your sweet voice,
I am longing and yearning
completely in mind, spirit, and body

to feel you against me
as we share each night and day together,
I only want you through all eternity.

So have a good night my dear sweetheart
and know that your Michael
is with you and always will be,
I will never leave or abandon you
and am right here whenever you
want or need me for anything
whenever my darling.

sweet kisses, huge hugs, and millions
upon millions of big loving smiles to you,
feel them shower all over you
as I send them non stop
to you my dear Queen for whom my heart melts.

continues to call and sing out
saying I love you sweet Kira

and I will always be your man
so proud of you and supporting you
in everything that you want
and need to do.

on track against Northwestern,
A wonderful way to spend
our afternoon before a nice evening

you to be mine through all space and time.
So my sweet one as I get up
to watch the game now feel all of my

Early Saturday Morning Resting

After being up all night my sweet darling
I am ready to lay down and get some rest
for a good little while,
so I can be awake and alert this afternoon
for the game and spend an enjoyable rest of the day.
I wish you could join me as I lay down my head
and wrap up in each others arms as we close our eyes.
I will be dreaming of you and holding you near
as I listen to my podcasts and drift away.
I will be sending you sweet kisses with all of my strength
so feel all of my endless love and deep warmth.
I wish I were holding to tell you you're beautiful
as I pulled you in to kiss you and tell you I love you.
Here my sweet dear on this early Saturday mornng
I am so very tired from being up through the night
doing chores among other things,
so now I lay down and reach out to hold you
and tell you that you are amazing and so very wonderful.
I love you my lady and will through eternity
because you are my best friend and sweet Angel dove
I adore and admire to no end.

Michael P. McParland

My Beautiful Soul Mate 3

You are my most beloved
and beautiful soul mate,
that as I sit here on thhe fast
approaching morn I want to lay
next to you if you are sleeping
and kiss you on the cheek
as I so tightly pull you in.
And if you are not sleeping
but sitting next to me
I want to look into your eyes
and say thank you dear for all your love,
all your strength, all of your warmth,
and all the love you give to me,
then pull you in so very tight
to kiss you on the forehead first
and then your soft and tender lips,
you truly are my wonderful and beautiful
soul mate I adore complete and full.

I love you my dear soul mate
for in every way inside out
you are so beautiful,
we share a bond so blessed and strong
and it is a blessing that I met you,
you have been a gift within my life
and I want to be with you forevermore.
I don't particularly believe in fate
but I believe we were meant to be,
I know we knew each other long before
we came to earth and chose each other then,
I so want to be with you and give you
all my best and all I have,
I want to serve my beautiful Queen
who is a diamond in the rough.

You are my soul mate so beautiful and so great
and I just want to be holding you right now
rather it be in bed where you are asleep
or on the couch right here next to me.

I want to hold you so very close as you
have your head against my chest
to hear my heart sing and how it beats for you.
Each day my dear I love you more and more
and want to look in your eyes as I tell you so.

Late Night Peace

What I want and need more than anything
is a late night of warmth, peace,
and being close spending time
with my Angel and best friend so fine.
To sit back and hold you
while you hold me too
would be truly divine and the time
that we so want and need.
A peaceful late night with my only Queen
is what I so long for and hunger,
it is what is needed in all times
including the best as well as ones of struggles.

A late night so peaceful is what I am dreaming,
to hold you so tight next to me as we
relax sitting back on the couch
reading to each other and watching a movie,
I yearn so very deeply for a peaceful
and quiet night with my beautiful Kira
who give me butterflies and tinglings
unequaled through my life because she is special.
I need a peaceful late night with that beautiful woman
because she is my shining star as well
as the worlds beauty and that is right in it,
I want you so much by my side my darling
to snuggle and kiss as share the greatest
of things with each other.

A late night of peace with my dear sweetie
is what I will be dreaming of
as I now sit back to do some reading.
I wish I were reading to her first
and then I could hear her voice so sweet
as she read after me,
then a nice snuggle as we turned on a movie.
I love you so much dear sweetie Kira
and I hope that soon we can spend
these quiet evenings getting lost
in the greatness of each other.

I so love and adore you and am dreaming
of you my true love for who I am longing
so listen so closely as my heart is singing
and always remember that I am here for you
and I will be yours alone forever and ever.

A Tired Smile

I wear a tired smile so filled
with deep and true love for my Angel
as I sit here.
I am quite tired and wish that
right now I were with her
giving her my smile while seeing hers
feeling warmed and peaceful to my core.
I love her so much she makes my heart melt,
she is so beautiful in the best ways it makes me hurt.
I wear a tired smile wishing I could hold her
because she is the greatest and there is
nobody else I want to sit back with and hold.
I love her so much and as I sit back so tired
I am wearing the smile that she always gives me
because she honors me and makes me so proud.

Put My Head On Your Shoulder

Making all these calls I've needed
to today my sweet darling
and have had to play phone tag withone thing,
it should be done now I pray
but might still have to deal with it one more time.
My nerves are on edge and completely frayed
and all I want to do is sit back with you
and put my head on your shoulder
while I hold your hand.
My anxiety right now is so very bad
and I want to relax with you hand in hand
in each others arms while I rest my head
on your shoulder my sweet Angel so grand.
I just want to push away the weight of the world away
by being with my Queen the beauty of the world.

Sweet dear I just now want to
put my head on your shoulder while we finish
the movie I started awhile ago darling,
I want to sit with you and see your beautiful smile
just feeling all the anxiety and stress
lift from my spirit and body.
Please come my sweet one and sit next to your Michael
and let me hold your hand while I rest
my head upon your strong and loving shoulder.
God bless you my beautiful Kira for you

sitting back with you now and relaxing
because you are my only one and for you

resting my head on your shoulder
and forgetting the outside world.

that my silence through most
all yesterday has hurt you so,
so I dry your tears first my sweet one
and then pull you in for
atight hug as I give you sweet
little kisses upon your aching eyes
and then your forehead and cheeks
before a passionate kiss of true love
upon your lips,
then to just look in your eyes
and pull back saying sweet Kira
I love and adore you more than anything
and can explain why I was silent
though I'm not sure totally what happened,
have faith though my sweet darling
and know that I would never ever
intentionally hurt you so
because I love you more than
ayone or anything my sweet Angel dove.

Yesterday in the early afternoon darling
I was still feeling so very tired,
so as ever being hopeful and foolish
I lay down hoping it would be
for only a few little hours,
and I ended up sleeping through
the rest of the day and the whole night,
I guess my mind and my body were
still recovering from such a long week,
plus the pain meds making me tired
as you know and can imagine.
I am sorry sweet darling for I did not
mean to drop offfor so long and so deep.

I wish you had been here then
to wake me or snuggle sweet lady
and I wish you were here to hold tightly
and tell you thank you for all of
your loving understanding
and I am truly so sorry to hurt you
and worry you.
Please know I would never do that intentionally
because you are amazing my sweet hero,
best friend, true love and darling.

So a very good morning to you my only one
and I wish I could hold you
as I now got up to finally eat something
and make the calls that I need to.
I wish I could spend this day with you
giving big hugs and sweet kisses
as we were spending time enjoying each other.
I love you my Kira and never forget
I am always right there beside you
holding you and your hand ever so tightly.
Have a good dayand be showered
in the millions of smiles and kisses I send
for I truly love you my Angel
and I always will through all eternity.

Sunday Morning (Wanting You)

A very good Sunday morning
my sweet beautiful Angel
and I wish I was seeing you
as I had opened my eyes this morning
and could have rolled over to kiss you
while I held you so very tightly,
I so want you here beside me
to spend this bright and sunshiny
Sunday fall morning.
I want and need my dear Angel who means everything.

I'm still feeling a bit down from last night
and being with my best friend and true love
talking, laughing, and just spending time
is the medicine I need.
I want you here to help brighten my day
as you always do and have,
and I want to brighten your day as well
my sweet Angel dove.
I want us to be here enjoying the day
cheering up each other and also having
a good time with your kids as well babe.
First though my dear it is you on this
Sunday morning I'm wanting and needing
because you truly are my everything
and so very very amazing.

So a very beautiful good Sunday morning
to you my gorgeous Kira,
I want you here because as my true love,
best friend, Angel, Queen and hero
you make my life so very much better.
Being with you and giving all of my love
with all that I have making you feel
safe, happy, and proud is part of what
helps make life so very grand.
I love you sweet lady and can't wait for
beautiful Sunday mornings with you sipping coffee
because a life spent with your best friend

and Angel is truly what makes it all worthwhile.

Michael P. McParland

Nighttime Beside You

Nighttime beside you is what
I am dreaming of, live for,
longing for, and so very anxious for,
I am excited for nighttimes beside you
as we sit back on the couch holding each other
spending time talking, reading,
watching a movie, listening to audiobooks
and the most fulfilling wonderful music.
Through the best times, the worst times,
the easy times and the hard times life has to offer
I can't wait and so want to spend nighttimes
beside you the woman I love,
my best friend and Angel knowing everything
will be alright because I'm with you,
I can't wait for those nighttimes
to always be there to help you
reassuring you that you're not alone
and never again will be because you are my Queen
and the most beautiful woman I so truly love,
adore and deeply treasure.

I want to spend this nighttime beside you
just wrapped up in each others arms
sharing our loving warmth.
Forgetting this tough week and just helping
to heal each others hurt hearts and deep scars,
I so deeply desire to have you in my arms
on this nighttime as I watch my movie
and at some point read to each other.
I am so in want of this nighttime beside you
because you truly are my most beloved Angel
and the crown jewel of my heart whom I fully treasure.
A nighttime beside you is what I so want dear
because you are peace and solace
and I want so much to give you the happiness
I feel over you my sweet precious Angel,
I want to know everything is okay
by being with you the worlds beauty supreme.

Late Night Relaxing

Well my sweet love the game
has been over for awhile and we lost it,
I've just been collecting myself
for this little while in the pure quiet
going through the files on the external hard drive
to transfer what I amm keeping,
I have been thinking of you
and wanted to calm my nerves before I started writing
and now I just want to look at you
and share our big smiles as we got ready
to share a late night relaxing together.
A late night with my Angel is what I
so need after a fairly long and difficult week.

First just the most relaxing refreshing
and cleansing shower to forget the stresses
and other frustrations that have been surrounding,
just holding sweet lady and share some sweet kisses
and smiles under the relaxing water.
That is the start that is needed for a perfect
late night of relaxing with my gorgeous Kira,
that is what my heart and soul are deeply
longing, aching, and yearning for
to help end this week with the pure hope and light
with deep joy you give to me.

Then to just fall into each others arms
while we watch a movie and read to each other.
I always love talking to my beautiful Angel
and to gaze in those sparkling eyes
that hold eternal beauty,
oh my dear sweetie my heart melts for you truly.
A late night relaxing doing the things
we so love to do and share with each other
as we snuggle up on the couch feeling so peaceful.
Then to just close our eyes much later
and listen to an audiobook as we are drifting,
all of these things sweetie with you
are what would make this late night of relaxing

so very happy and so very good.
I love you my Angel and am dreaming of you
because you are the greatest and all of you love
is what's helping to get me through.

Michael P. McParland

Evening Dreams Of You And Me

Back my sweet dear from the somber
affair I just attended in support
of a good friend and now all I want
to be able to do is fall into the arms
of sweet precious beautiful you.
To give you sweet little pecks of love
on the neck while I tell you
just how much I love, cherish,
and adore you my dear Queen because you are the best.
You are my gorgeous girl and I only
want to be holding you through all time,
nobody else.

So my sweet love as I right now
do not have you to snuggle up with
giving kisses to while we talk away
I will send you sweet sweet kisses galore
with huge hugs of warmth while
I dream of you as I sit back and relax
to some very good music or a movie
I haven't watched yet.
I will be dreaming of the Angel I miss
and just want so bad to look in your eyes
and give you kisses so sweet,
I will be dreaming sweet on this eve
of spending time doing wonderful things
just you and me.
I love you sweet lady and I always will
because you truly are my only one
and until you are here in my arms
I will be dreaming of holding you
telling you how much you mean to me
and just how wonderful you truly are.

Michael P. McParland

Love Note 540

Good afternoon to you
my sweet beautiful girl,
I am sorry I didn't write sooner
sweet love but I had to run
right out to the doctors after my rest
and pick up a prescription for pain
as my arms arms and neck
are really hurting again,
so first thing I wanted to do
was let you know I am here
always for you and I truly do
love you more my sweet one than anything.

I was thinking of you as I
was out my sweet dear
and was sending you the biggest of hugs
with the sweetest kisses to fill
you with all of my tender warmth.
God bless you my Angel you fill me
with such deep light, happiness,
and hope.
Oh my sweet sweet Kira you
are the one I'll always dream of
even when you are in my arms
and we're sharing the best of times galore.
Sweet Kira of mine
I will only ever be dreaming of you.

So my sweet feel all of these
sweet sweet kisses
and millions of smiles I send
shower all over you.

and in my mind and I hope to
hold you close to me so very soon

because you're all I want
and all I need forevermore.

To Serve You

Now that I have arrived home
my sweet one from therapy
and picking up my old computer
with the external hard drive
that holds all of its memory from Best Buy
I want you to get changed into your
most comfortable relaxing clothes
and sit back so I can serve you
like you so need and I so want to do.
Relax my sweet one so your Michael can take care
of all your wants and comfort needs
so you can smile so big knowing you are
a Queen so truly care for and loved,
appreciated in full by your loving man
who loves and adores you above all.

First before I cook you a nice spaghetti dinner
I want you to put up your feet so I can
so lovingly and relaxingly rub them.
Then I will rub your neck and your shoulders
while you tell me how your day has been
while I was sleeping and recovering my strength dear,
I just want to tell me all about what you are
thinking and how you feel.
I want you to know you are so loved by your Michael
and that I want to serve and take care of my precious Kira.
I adore and cherish you my beautiful Angel.
Then my sweet one rest your head on my shoulder
as you put your arms around me and I will read to you,
I don't know so much if you like to be read to
but I do and here I want to read to you my only girl.
Just rest your head comfortably and drift off
to my voice into the story and enjoy being served
by your loving Michael who wants to give you
all the best in the world that I am able.
I truly want to give you the universe my precious Kira.

So then my sweet love to make you that
wonderful dinner and serve you while you are still relaxing.

be right here for when you are ready
and truly know that I will in true love always serve you
and give you all of my love with my best and everything.

Michael P. McParland

Aching Sleep

I have only now just risen sweet one
since I last wrote to you my sweet Angel dove.
I was aching so very bad when I wrote you then,
I even ached much in my sleep
and I ache right here and now.
I ache for my Angel Queen who I so love and adore
I ache to be holding you so tightly
right here and now giving you kisses
and telling you Kira I love you
and want us to be in each others arms forevermore.

I ached in my sleep my sweet one
because I would be so happy as I would see you
and then you would leave for something
and the lonely aching would return badly
my sweet precious darling.
Then later I went looking for you
and was not able to find you my dear,
all of this only in dreams I know
but the hellacious loneliness
was still there never the less.
I ache for you dear in all of your goodness
and want us to be holding each other
to make this day so good.

I want us sweet dear to be holding each other
so very close to chase away all of our
painful loneliness.
I want to look in your eyes and say
I love you sweet dear and want
to be with you side by side forevermore.
You are my one and with you I truly ache
so very bad and I send you sweet kisses
and huge hugs to fill you with
all of my warmth and to let you know
I am always there holding you close
to let you know I eternally love you and truly care.

Michael P. McParland

Closing My Eyes (Dreaming)

Now my sweet dear as I am about
to lay down and at last close my eyes
I will be dreaming of you here
in bed right next to me as we
softly talk while sweetly kissing and snuggling,
despite all the aching I feel
I will be wearing a weary smile.
I am tired my dear and ready at last
to lay down and try to rest,
I'd give anything to have you here
right by my side and in my arms
as you rested your sweet head upon my chest.
I love you sweet lady
and if I had the power I would come
and rescue you right now sweeping you up
in my arms to bring you back to my bed
where we could hold each other
kissing and resting for as long as we needed.
I'll be dreaming of you fair lady
in all of your endless wonderful beauty.

As I am now about to lay down my sweet one
and close my eyes to rest and recharge
I will be dreaming of us and all that
we have talked about that we want to do.
Our hopes, our dreams, the biggest
and smallest of things,
even those things we have not yet spoken about
yet somehow we know what the other wants.
I will be dreaming of us with the kids
and all the fun times out and in that we'll share,
I will always do my very best for you and them
because you all deserve the best especially you,
I will be dreaming of us and all the wonderful things
we will be sharing and be able to do.

So now my sweet love as I am about to lay down
and close my eyes for some rest and relaxation
I send you all of my warmth and love

with huge hugs and the sweetest of kisses
along with all of my strength
all of these my sweet lady just for you,
the holder of my heart and soul forevermore.
I will be dreaming of you and your beautiful smile,
I will be dreaming of you and your beauty
all around top to bottom.
I love you my Angel you are amazing
and may God bless you because you
are a truly great woman who deserves
the greatest heaven and earth have to offer.
I adore you my best friend for you are
the crown jewel of my heart and shining star
that gives me reason and helps guide me
and I will spend all eternity thanking you
over and over for being my beloved Angel Queen and hero.

Michael P. McParland

take walks among them getting lost
in their beauty and the great love
we have always and will always
hold for each other.
I truly want to be with only you
as my companion, true love,

of another because you are
my only one and my everything.

Michael P. McParland

Hurting For You 2

As I was lying down here on the couch
my sweet dear I was and am
hurting for you so very bad.
I hurt for your company and your loving words,
to hear your Angelic voice
and read your messages that to me
mean the world and so very much more.
I am hurting for you my sweet beautiful Kira
whom I love and adore more than anything.

I hurt so bad as I long to hold you
and share all the secrets I hold
in my world with you,
I am hurting to share all life has to offer
knowing everything is alright
because I have my best friend to reach out
and take her hand in mine.
I want to be able to wrap my arms around you
and so tightly hold you as I give you
all of the love you've so long deserved and wanted.
I'm hurting for you my sweet dear because
you are my diamond and bright shining
northern star I so truly treasure and cherish.

I hurt for you dear because we have always
shared so much that is beautiful,
warming, and truly joyus,
I want to have all of that back and experience
so much more of it all with my gorgeous lady.
I am hurting for you so I can apologize
for all that I did wrong and we can make amends
and help each other heal as we want to
while I hold you so close and dry your tears.
I am hurting for you because you are my Queen
and I want you to see just how beautiful you are,
I want you to know you are appreciated
and the very best by far.

I am hurting for you my sweet Angel dove

because I know that you hurt so very much too.
I want to give you deep comfort
as I give you sweet kisses and gaze in your eyes
saying it is okay because I am right here
for you my darling dear to no end.
I hurt for you because our deep love
and great friendship are true,
and life without you is living hell.
I am hurting for you and will probably
lay back down for awhile to dream of you
and try to ease all this aching.
I love you my sweetie for you are
the crown jewel of my heart and so amazing.
You are one of God's most special Angels
for whom I am so very thankful
and want to be with forever and ever.

Sunday Evening Spending Time

Good evening my sweet love so beautiful
and now as I am about to eat dinner
and start the game I wish I were
sitting down with you by my side
to have a great evening spending time.
For you to be with me as we cheer on the team
and to have you wrapped up in my
loving arms after we are done with food.
After a day and a half spent in bed
feeling like complete hell I just want
to spend Sunday evening with you
spending time and having a good one.

I want noting more than to be
spending this Sunday evening in your
arms as well while I look in your eyes
and we both give each other big smiles
that say I love you dear one,
then just share the sweetest of kisses
and soft carresses knowing everything
is alright and that our future is the happiest.
Spending great time with you on this
Sunday evening is what I so want
because I long for and crave you,
I love you my Angel and just want to spend
this evening holding my baby.

So my sweet love as I now sit down
to eat and watch the game I will be

Love Note 539

A very good afternoon to you
my sweet Angel dove
and after a day and a half in bed
with a vicious migraine
and being sick from that,
and now finally up and feeling better
from all of that I wanted
right away to tell you
that it is all okay
and I am right here for you as always
my precious beloved dear,
so please do not feel
upset and down, please dry those
burning tears and know I would
do that for you if I were there,
I wish I could be there
to wrap you up in my arms
to tell you that all is well
and reassure you that I am there
while I rub your back and stroke your hair.

stand by your side in true love
and in full support always
so very very proud of my darling best friend.

So my sweet love as I now rise
I want to send you the sweetest of kisses
with the biggest of warm hugs.
I haven't eaten anything
in over a day and a half now
and need to before that makes me sick babe.
Then a nice shower to wash away
the sick and headache in full.
Then finally watch a replay of

Ohio States game which
I missed last night from beggining
through to the very end.
I wish you were here to join me
for all of these things my sweet dear,
your company is what I wish for,
if I had just one wish it would be
to have you here with me
in each others arms through
the rest of this day
into the night my sweet girl.

So my sweet one feel me there with you
holding you so very close to me

and precious gem,
a diamond in the rough I adore.

and when we have reunited
I will forever give you all
of my best and everything
while I serve and take care of you
like the wonderful Queen that you are.

Night Note 215

A very beautiful and loving
good night to you my sweet Angel dove,
and thank you for all of the kind
loving strength, warmth, deep kisses,
and huge hugs you sent to me
while we both catnapped.
It so very much helped me relax
and before we get up to do
whatever we may I want to lay
here longer with you holding you close

with you but I promise I will wait
until you are ready my sweet precious dear.

Catnap Together

The night is now getting quite late
and though I have only been up
since the late afternoon
I am tired enough that I need a rest.
So my sweet one please come
and lay down with me to get
under the covers a feel so cozy.
I will hold you so tight in my arms
as we spoon and I'll give you kisses
on your neck and cheeks with some
on your forehead and ears and always

Come and join me my dear one
and catnap for a bit together
while we are cozy and spoon.

a few hours of a good rest
and I want to smile at you
while I look directly upon you
and marvel at your immense beauty,
then say Kira my Angel I so dearly love you
please come join me under the covers
so we can catnap while before
we drift off I'll give sweet kisses
and we'll softly talk.
I want you with me as we catnap
and I will hold your soft loving hand
as we spoon and I will tell you
so softly in your ear how much
I care for, love you, and that you
are truly and deeply appreciated.
I want to help you feel so warm and safe
so please my sweet one come catnap with me.

to get installed and loaded.
So now my sweet love I want to
sit back with you and wrap you up
ever so tightly in my arms
and give you the biggest smile
while gazing into your gorgeous eyes
and tell you I love you.

all over filled with true love
while we also talk, watch a movie,
and read as well.
Just being with you is what would make

and all of eternity with magical you.

Now my sweet darling with all of
the hard parts done we can sit back

I want to get cozy with my only one
and continually reassure that
I'll never leave you sweet dear.

You are my hopes and all of my greatest dreams
and you my sweet darling mean everything to me.

Nighttime Kisses

Now as it soon nears bedtime my love
I would love to sit here quietly with you,
talking along as we read to each other too,
but most of all I want to give you
nighttime kisses so good while I
hold you so close so you will feel
so safe and deeply loved.
Let's wind down the night as I shower
you in kisses my sweet Angel of light.
Big smiles with kisses while we hold each other
would make this the perfect night with my only one.

With light pecks on your neck
to start off then deeper kisses of
tender passion still on your neck
before I move up to your cheeks.
Then to just hold you while kissing
your lips would be so fulfilling and warming
giving us both such big loving smiles.
I love you my darling and want to
wind down with you by my side
spending time and sharing wonderful
and loving nighttime kisses throughout.
I want my Angel who fills me with
light and joy to sit and talk to
as well as just give you the most
tender and passionate kisses straight
from my very heart and soul.

Michael P. McParland

Tender Smile And Loving Looks

true love and deep tenderness for you
and I send to you this loving smile

Michael P. McParland

Catnap, Your Eyes

Right now my sweet one
before I catnap for a short while
I first want to look in your eyes
and be hypnotized by the wonder
and beautiful loving soul I see inside.
Your eyes are so gorgeous and as deep
as the ocean and I want to drown
in your beauty my precious Angel.
Before I lay down I just want to pull you in
and tell you I love you as I look
into your eyes revealing all of myself
for you to see as I get lost in your
divine beauty my best friend and true love.

As I am now about to close my eyes
in a few to catnap for a bit
I will be dreaming of you and sending
the sweetest of kisses with giant hugs too.
I will be thinking of all the things
I can't wait to tell you as well
as all the wonderful things I want to
spend time doing with you.
I just wish before I lay down I could look
into your gorgeous sparkling eyes
and tell you I love you as I get lost in them,
I would just love to gaze in your eyes
and give you the biggest smile before
I gave you the biggest kiss so very
tender and deeply passionate.

Michael P. McParland

Aching Quiet

It is another quite late morning here
and in the midst of being busy
the silence and loneliness are getting to me,
I miss you so much and my heart so
badly aches and I truly just long
for your company and your soft touch.
I long for your Angelic voice with
your loving wisdom filled words
and I long so much for our conversations as well.
I miss you my dear and I fiercely ache
to share a fine day with my true love
and tell you how much I truly love you and care.
You are a diamond in the rough
and my beautiful best friend I adore,
believe in, and trust.

I miss you so much and that makes
the quiet far worse,
one of the very few things that helps
is to just look at your picture and know
in the faith that I have I will see
your beautiful smiling face once again.
It helps ease things a bit because with it
as ever I feel all of your love, your care,
and deep warming strength fill and surround me
as well as your sweet kisses and hugs.
Still though the quiet is overwhelming
and I truly ache to be with my gorgeous lady.

I miss you sweet Kira and long to see
your bright shining smile as we talk
and snuggle together.
I love you so deeply my Angel everything
and I just want to share all that life
has to offer with you as we celebrate the best times,
supporting and helping each other
through the tough and challenging times.
You are so special and so truly wonderful
because you are you and that is

an amazing woman.

You fill me with joy and you fill me with hope,
you give me want and a reason to live.
I love you my best friend and yearn to be
holding you closely and serving you
in true love totally.
I miss you babe and I so deeply ache
because you are the greatest
and my love for you exceeds all words.
Just know that a huge part of me
is missing without you sweet dear
and I promise truly that I'll always stick be you
never leaving my beautiful darling.
We share such a strong and beautiful blessed bond
and I don't ever want to lose you
because to me you truly are the worlds beauty.
I love you my sweetie and will forever
because you are my soul mate
and the only woman I truly love, adore,
and want by my side forevermore.

Michael P. McParland

Good Morning (Your Touch)

A very good morning to you my sweet dear
and before I go get in the shower
I wanted to kiss you and give you a big hug,
ask if you would like to join me now
just holding each other kissing and smiling
as we held each other feeling relaxed
and comforted standing under the water.
I would love for you to join me first helping
to get my head shaved just giving this day
the perfect start together being so close.
I love you my sweetie and wake you this morning
with this sweet kiss and big hug
asking and hoping that you'll come and join me.

Dear I want and need your soft touch
to feel whole and complete.
It is truly only your touch that I seek
and want to start this morning off
feeling your beautiful soft and pale skin
right next to mine as we gaze into each others eyes
with big smiles that say I love you babe
without a spoken word needed.
I so very much want to start this morning
with my gorgeous Queen Kira
holding you so tightly to me letting you know
how much I care for and adore you
and that you are appreciated so deeply.
I am thankful for you my sweet beautiful Angel
and I give you this great big passionate kiss
with a huge hug to help start our day
so very bright and on the right foot.

So again I wish you a sweet beautiful
good morning babe with this big hug
of deep warmth and a huge kiss of pure love,
I want you to join me this morning
here in my arms and spending time.
I will be thinking of you as my heart
calls out and sings to you all of

my very favorite love songs.
I will be by your side the whole day hand in hand
because you are my best friend, true love.
and amazing hero whom I'll love in full
and want to be with forevermore.

Michael P. McParland

Night Note 214

Hello my sweet dear
and very good night to you
my gorgeous Angel so wonderful and rare.
I have finally risen from
my somewhat long rest
and before I must get going
on the last of things that I have left
I truly want nothing more than to
spend a short while in bed next to you
waking up totally and in full,
a nice snuggle with the sweetest of kisses
then a bit of food on my very empty stomach,
then my sweet love a refreshing shower
to wash away the last of the tired.
How I wish you could join me here
through all of it because I so long for,
want, and yearn for you my dear best friend.
I ache so much and my heart calls out
to yours to reassure you always
that you're truly loved.
I wish you were here so we could just
have a good time
talking, hugging, kissing, and smiling
while getting all that needs done
and then some relaxing.
Being with you is what would truly
make this a good night for sure.

So my sweet love feel my arms
so loving and tight around you
as I reach out in spirit to hold you
and give you soft caresses with the sweetest of kisses.
I would give anything to lay here
with you for awhile before I got up
and got moving on what I need to.
I love you my sweetie and never forget
that you are not alone and you never will be
for I will never leave and abandon you.
God bless you my Angel for you truly are

the most beautiful and sweetest of treasures
and I simply cherish and adore you to no end.
Have a good night and know that I am
smiling upon you so big and bright
because you are my Angel
and the most wonderful woman.

Michael P. McParland

Catnaping Off And On

I have been catnaping off
and on my sweet love as waves
of tired wash over me
and when I close my eyes I see you
which gives me a big smile
even though I am aching very bad.
When I close my eyes and see you
smiling back with that big beautiful smile
you always gave to me,
the smiles that to each other said
I love you my best friend and I always will,
then I wrap you up in my arms
To give you gentle and tender kisses so filled with care.
Catnaping off and on my sweet dear
and it is you that I see in my dreams,
it is you that will help give me the
motivation and strength tonight to finish
the rest of what I must do with all
the sweet love that you send.
So as I close my eyes again to catnap
a bit more I send to you millions of smiles
and sweet sweet kisses that hold
all of warmth, love, and strength.
I love you my sweet one and yearn
to have you right here by my side spending the night.
So as I catnap now I will be wearing a smile
and it is a special smile
because it's one that you gave me
my sweet beautiful and adorable lady.

Michael P. McParland

My Beautiful Shining Star

Oh my beautiful dear shining star
where are you and how are you
doing right now?
I truly do worry about you ever so much
and so very much need to know
how you are and if you're okay.
I want to be able to wipe away
all of your burning pain filled tears
while I just hold you so close
rubbing your back and stroking your hair
while I reassure you I love you
and that I am right there whenever you want and need.
You are my shining star so filled
with light and love and I worry about you
because I love you so much and you
truly are a special soul.

You are my shining star and you
make me feel handsome and so very special
and I want to make sure you always
know that you are so wonderful and beautiful.
I fear that you don't truly see just
how amazing you are my sweet lady
because of how others have so badly
mistreated and not appreciated you.
So I want to know just what a bright shining
star that you are and that you have
saved my life with your love
my best friend by giving me reason to fight on,
I will always fight on because
I want those special days with you
and to just make you happy and smile
everyday through eternity.

Kira my love you truly are my beautiful
bright shining star and I am so very concerned
always about how you are doing
and just how you are.
I know that your heart hurts just like mine

and I want to help heal all of your
cuts and scars that others have given you
along with the ones that I gave and am
so very remorseful for.
I love you my Angel for the amazing
person you are and how you have touched
my life, my heart, and my soul,
to me you truly are the universe.
I will always stand by you my shining star
because I adore you my lady
and want you to always know you're not alone
and that I would do anything you need
and want to be happy.
I will always be yours and yours alone
my sweet lady because you are my
beautiful shining star whom I give
myself to completely and totally.

Michael P. McParland

To Have And To Hold (Good Morning)

Once again my sweet love it is
such a cold morning outside,
to have and to hold you in my arms
as we start the day would
be truly perfect and amazing,
to start this day with you so cozyed up
is what would truly make this morning so good.

First to just talk and snuggle for a little while,
then to shave my head and jump into
a wonderful warm and cleansing shower,
to have and to hold you smiling at
each other standing under the relaxing
and refreshing flow of the water.
I just want you to be here to have
and to hold as we spend time together
and help each other with all that we need
as the day goes.
Seeing you as I awaken is what
would truly make this day and every
other one so very special.

So I wish you a very good morning
my sweet precious Angel
and take comfort with me in knowing
that our dream will truly happen.
To have and to hold you is what I am wanting
to always keep you safe, warm, proud,
and truly happy.
I love you fair lady and long to be
with my best friend through all eternity
to have and to hold always giving my best
and my everything will all of my
caring love letting you rest assured always
that you are cared for and appreciated
to no end in full.

Michael P. McParland

A Quiet Night Dreaming

It is a very quiet night here
my sweet precious Angel of light.
As I have gone about doing the things
that I need to and have relaxed as well
I have been thinking of your beautiful smile,
your sparkling eyes, and your Angelic voice.
I have been thinking of conversations
and good times we shared to help
make this night so less lonely
and to make me smile.
I have also felt you so near
being filled and comforted in all
of the loving strength and care that you send.
It is such a quiet night dear and I wish
you could be here with me
spending good time and enjoying ourselves
with the best friend we so adore and love.

It is so quiet my dear and I still have
quite a bit left to do,
but as I sit back right now to relax
for a few I just want to look in your eyes
and tell you I love you and you're the best
before I kiss you so passionately
and deeply upon your sweet lips,
I just want you dear and all the loving care
and great company you give
as I give you all of my loving care
and deep warmth as well,
it's a quiet night love and you are
in my many thoughts as I wish
you were here as I reach out in spirit
to say I love you sweet dear
and am right here waiting for you.
God bless you my Angel these quiet nights
will be perfect to spend with you
because being with your best friend
who you share such a strong bond with
truly is the best thing that one could have.

is pure truth.

I still have a bit more to accomplish
my darling and I wish you were here
to just talk with me while I am
running around doing the last
of these things,
but first to just sit back and join me for dinner.
I love you my lady and want
your sweet company and you to hold
in all of your pure beauty so true,

A Lonely Longing Night

It such a very lonely night here
my sweet sweet beautiful dear.
After dinner I took the shortest one hour nap
and now I just lay here on the couch
lost deep in thought and a tad bit of anxiety as well.
I am feeling so lonely sweet one
and just want you sitting here with me
holding hands before I finally push myself
to get up and start doing the few things I need to do.
I want your company and beautiful smile
to light up my night while I tell you
I love you dear.
It's a lonely night and I need my one
to wipe away the tears that have been poking
at the very corners of my eyes.

Oh my sweet dear it's not only
a lonely night but a lonely stretch of time as well,
time I want to fill sharing with you
sharing all the things we love,
healing each others hearts as we talk
and just reassure the other that we'll always be there
for one another through all time.

Good Sunday Morning Sweet One

A very good Sunday morning to you
my sweet beautiful true love
and after only being able to achieve
but a very few hours of restless
and difficult sleep the first thing
I wanted to do after deciding to just rise
is send you the biggest of smiles,
sweet kisses, and warming comforting
Sunday morning snuggles that lift the heart.
Good morning to you my sweet Angel dove
and God bless your sweet heart of gold.

I would love right now to just spend
this time in bed with you wrapped up
in each others arms before I get up
and try to take care of a few things.
I am still so very tired and will soon enough
lay back down to try and get some sleep
that does the mind and body well.
For now though to just lay next to you
is what this man needs in every way
to make me feel whole again
and just filled with pure joy as I say
thank you Kira for everything you do
and give to me.
I truly am the luckiest man there is.

So my sweet sweet Kira so beautiful and good
I wish the most beautiful Sunday morning to you.
I am still so very tired and before I get up
I want to hold and kiss you talking for awhile,
then as I try to get a few things done
just share each others company,
then sit back enjoying a quiet Sunday
before I lay back down to get good sleep
with I pray you so tightly in my arms.
Have a great day sweet Queen
and know your Michael is with you
giving the most loving looks and smiling.

You truly are my everything and I love you
more than anything my sweet girl.
God bless you for being so good
and the amazing woman you are.
Good sweet Sunday morning to you my beautiful one
and my hand will be in yours the whole way.

Michael P. McParland

while we lay there smiling feeling peaceful and content.
Come my sweet one and best friend

I am so tired but fighting sleep
because I just want you here next to me
and without you relaxing in full
can truly be so very very hard to do.
So please my sweet one come lay
next to me and we will wrap each other up
in each others arms feeling so loved,
safe, and in full warm as we snuggle and kiss
the rest of our waking hours away
being so happy with our Angel soul mate.

Michael P. McParland

Night Note 212

A very good night to you
my sweet precious Angel of light.
I closed my eyes not long after
I very last wrote all wrapped up
tight in my robe and dreaming of you
and I fell fast asleep for the last
number of hours my dear.
I am so very sorry I was so quiet
and I pray you felt all of my loving
warmth and deep comfort surround
and fill you for in my dreams
and no matter what I am always with you.
So now as I sit here and finally fill
with food and a few beers my fat belly
I wish you could be right here by my side
and in my arms to join me
as together on Netflix we watched
this comedian I love to laugh together,
as well as so sweetly snuggle
and share loving kisses.
I just want you here my sweet beautiful Kira
to spend time with and feel
so joyful and peaceful.
I just want to be arm in arm
with my divine Angel.

So my sweet Angel I wish a good night to you
and want you to know just how bad
I want you here in my arms
sharing sweet kisses, snuggles,
laughs, and a few beers as we enjoy
the night like we so want.
I love you so much and as I go about
doing the things I want and need
to do tonight I will be thinking of you
and brightly smiling,
feel all the loving light that I send
within your gold heart and know that
your Michael cares for you above all.

I love you my Angel and Queen of all
wonderful things and I can't wait
to hold you so close to me.

Michael P. McParland

Wrapped Up Tight Saturday Night

Wrapped up together so tight here
on a very cold Saturday night.
A night to spend in each others arms
not going out for sure and not getting up
out from each others arms and under
the blankets my dear unless we need to.
It is so cold and I want to wrap up
with you on this Saturday night
feeling so cozy and warm as I shake off
and get past the last of this sick.
To just lay back and talk as we relax
would help me continue to get feeling better my love.
A Saturday night wrapped up so tight from
the cold is just what I so want and need
with beautiful you the woman and best friend
I so truly love and adore.

Michael P. McParland

A Saturday Evening In

A very good evening to you my sweet dear
and now with the game done
what a wonderful thing it would be
to spend a Saturday evening in with you.
For me to cook dinner here for us shortly,
since as I got up part way through the game
I didn't have the chance to take out anything.
Then for us to sit back with a few beers
and watch some of the evening games
before cleaning up and then snuggling so tight
while we read and watch a film.
I want nothing more than to be with my Queen
spending a beautiful evening in.

After a night spent being quite sick
all I need is my Angel here with to spend
a good evening relaxing and smiling
as we feel so content and filled with peace.
The thought alone fills me with such
deep endless hope and pure light,
I feel elated for that day that will come
when me and my Angel will be in each others arms
spending great loving Saturday evenings in
spending time with the kids and just us.
In my heart I so deeply long and yearn,
my heart calls out to you sweet one
asking you to come so soon to spend
these evenings in each others arms forevermore.

So my sweet one as I soon get up here
to cook dinner and do all I need
I send sweet sweet kisses and huge hugs to you.
Have a good evening and dream with me
of the beautiful ones that will soon be.
The dreams of you and holding you close
are what are keeping me smiling this evening,
after being sick last night you're all I want
to make all things better my dear.
A Saturday evening in with you is the thing

of true beautiful dreams and heaven
and I want to spend them with you
the woman and diamond Angel I love
and adore more than anything.

Michael P. McParland

A Tired Friday Night

A tired Friday night my stomach is hurting
and I wish I could just curl up next to you
before we go to bed in a little bit.
I am still eating to keep up my strength
but still do not feel well and want nothing more
than to cozy up with you while we listen to music
and perhaps watch a movie while you
rub my face and head telling me everything is okay.
I just want to curl up next to you
on a tired Friday night to relax and feel much
better than I do right now and rest my head
in lap saying Kira you are my Angel and I so love you,
you are my everything and I want to spend eternity
with only you as your husband always so faithful
serving you.

Michael P. McParland

Love Note 536

A very good late afternoon
and soon evening to you my beautiful dove.
I hope your day has not been
to hard and above all I truly pray
it was a good one,
I fear though it was a bit of
a struggle as mine was yesterday
and I spent the whole day in bed recovering
from the bad anxiety and deeply
emotional state that bipolar
puts you in from time to time,
I wrote you as soon as I could
as first I had to get the cats their dinner
and get mine cooking since I
barely ate yesterday and my stomach
is very badly grumbling.
I pray that you remembered I am
always there with you holding your hand
giving you sweet kisses and all
of my deep endless warmth,
I hope you felt my arms around you
and heard my voice as I whispered
in your ear babe you truly are
my everything and I love you more than anything.
You truly are my hero, my best friend,
and only one who I cherish
and adore to no end.

I hope you have the most wonderful
evening my love and do look out
for the email I will shortly send,
I truly love you so much my darling one
and have struggled so hard
without you to talk to
and to have right here by my side
and here in my arms.
I wish you were here to join me
for the dinner that is now done
and a beautiful evening in each others arms.

I miss you so bad Angel I so love
and can't wait to have you here in my arms.
You are everything I want and everything I need
and I will always be yours waiting for you
no matter what no matter where.
I love you my Queen
and I always will.

Michael P. McParland

My Beautiful Sweet Angel

Sitting here my beautiful sweet Angel
unable to sleep despite the fact
that I feel so very worn out
and I am listening to Falco to
relax my heart and spirit with thoughts of you
as I also feel all of your loving warmth,
care, and deep strength surround me.
Still from all the exhaustion and anxiety
I feel like crying and want to be in your arms
as we pass this night.
How I want you my beautiful Angel I adore
and lovingly admire right here by my side
to see the light you provide on this night
and feel the endless joy and hope
you fill me with in all your unconditional love
that you hold within your golden heart.

My beautiful Angel you transcend
all words of which I can truly describe
my deep admiration, respect,
and true love.
As I sit here unable to yet sleep
there is no one else I'd rather have here
to talk to and reveal all my true feelings to.
My beautiful Angel you are a gift
and blessing so truly divine and good
and as I sit here right now trying so hard to relax
I think of you to feel calm and smile,
as I also reach out to you to say I love you
my sweet precious dear
and you are my beautiful sweet Angel dove
whom I will stand by forevermore
and be yours and yous alone for all eternity.

Michael P. McParland

Love Note 535

A very good evening to you
my gorgeous sweet Angel dove.
I am feeling run down right now
after the anxiety and before I lay down
in a while my dear I would just like
to sit back with to relax
and know everything is okay as we
are wrapped up in each others arms
and spending quality time,
I just want my Angel here to give
comfort to each other as we
hold each other so very near
and smiling at each other in pure
care, light, and deep tender love.
I am worn down and still trying to
shake off the last of my anxiety
and my sweet precious Kira
is the only one I want right here with me.

I long for you my sweet dear
and send you sweet kisses and hugs
so very big and deeply warm
for I want to provide you with as much
comfort as I possibly can.
I want you here with me
to spend a wonderful evening
chasing away all stresses, sadness,
and anxieties away for each other.
I want to always be your
hero and Angel as you have been mine
forever my darling and just dry
your tears while I hold you so closely
letting you know that I'll never leave you.
I am so worn down tonight my sweet darling
and I know that you are also hurting
and I just want us to be spending time
forgetting the outside world
as we enjoy ourselves while healing.

I wish you the most beautiful of evenings
my sweet beautiful and adorable Angel
and I wish we could be here together
tonight to provide deep peace
and full reassuring comfort for each other.
I so treasure you my beloved sweetie
because you are a diamond in the rough,
a truly rare and special treasure.
I've always loved you since the
very beginning and I know without a doubt
I will for all eternity.

Michael P. McParland

A Great Big Hug Of Comfort

I send to you my dear sweet one
a great big hug of pure love and warmth,
a great big hug of comfort for us both.
My anxiety is up and I don't know why
my sweet love so having you in my arms
and yours around mine will give me peace.
And I want to give you deep calm
and reassurance my dear that I am right here
and right there beside you.
I send a huge hug of strength and encouragement
to fill you with light and deep joy,
remember sweet one I'm always with you.

I send to you my dear sweet one
sweet kisses as well.
Sweet kisses of unconditional true love
I feel for you and I am comforted
knowing you feel the same thing for me.
I send these kisses and big hugs
full of deep warmth and comfort
because sometimes it is just needed.
I just want to tell you I love you so deeply
and send a great big hug of warmth
because I just want to hold you.
You are my Angel and I always want you
to feel safe, cared for, and looked out for
because I'll always be right there when you need me
to call on or reach out to.

So I send to you my dear sweet one
a big warm hug of deep love, warmth,
strength, and comfort.
I love you so deeply and want you
to know just how much you mean to me.
Tonight I am also in deep need of your comfort
and holding you while giving sweet kisses will help me.
You are my Angel and bright shining star
that fills me with hope and joyous reason
and I just want to share this big hug

of pure warmth with my true love and best friend.

Michael P. McParland

Longing Afternoon Dreams

As I have been lying down
and resting for a good while
I have been filled with longing
and loving dreams of you my sweet girl.
Dreams of sharing all that I want
to tell you and listening to you
as you share all you've held
and all you want to as well.
Longing dreams of all the fun things we'll do
as we just spend time like we both want to do.
As I dream of you I smile so big
and am also longing for the Angel,
true love, best friend, hero,
and soul mate I so adore and share a bond with.
I miss you sweet dear and long to
hold you so close to me reassuring you
of all my dedication, care,
and deep tender love as I give you sweet kisses
and the most sincere of loving looks.

I am filled with such longing dreams
even as I sit here awake for now
and I yearn so very much to read your words
and to hear your sweet voice.
I can feel all your love and it truly does
warm and comfort me so very much,
but it would be so much to have you
right here by my side holding each other
and spending time.
I long for you because I love you more
than anything and I just want to
give you all of my love
and serve my Queen just as you deserve.
I long for you darling because you are so special,
a true gift and blessing for whom I'm so thankful.

Michael P. McParland

Good Morning Beautiful One

Good morning my beautiful one
I've not yet been to bed
and wanted to wake you with
this sweet kiss and big smile,
I wake you with these to start your day
off so very bright with sunshine
and to say I love you dear one
more than anything.
Good morning beautiful I want to
start the day by spending the morning with you
by serving you your hot coffee
and then sitting up in bed while
I hold you so close and we softly talk
as you wake up.

Good morning my beautiful Queen
and seeing you is how I want to start every morning,
rather I have been awake through the night
or getting some good sleep hopefully
dreaming of us.
I want to see you first thing to say
good morning Kira my best friend
I love you so much.
I am filled with true joy to have you in my life
and I want to start everyday
and end every night seeing you smiling
right by my side so I can pull you in
for the biggest of hugs and the most tender
and sweet true loving kisses.

Good morning beautiful I hope that
your day goes great,
feel me there by your side hand in hand the whole way.
I wake you with these kisses
and big loving smile to fill you
with warmth and start your day with a smile.
I love you my darling and am sending you
all of my strength with all of my care
and deep loving warmth.

I would love to start this day
sitting up in bed snuggling with you.
I am dreaming of that as I sit here my love.
Again my sweet love I wish you good morning
and I am right here for you always
my beloved and divine beautiful Angel,
I will always be yours and yous alone
my fair precious lady.

Michael P. McParland

Mid Night Snuggles And Kisses

As I sit here sweet love on this night
I think of you while I'm reading
and long for my Angel of love and light,
I wish I were holding you as
we kissed and smiled,
just sharing time and nightmare conversations.
I am thinking of you and how great you are
and I am sending you mid night
snuggles and kisses of pure loving warmth.
I send them to you so you will
feel reassured and safe as I say
I love you babe and will never leave you I swear.
I will forever be yours because you are
my sweet Queen and the one I adore,
you're a diamond in the rough
so beautiful, precious, and rare.

and kisses so very big and filled with my strength dear
so you will know I am with you holding
you and your hand so tightly and closely.
I love you my best friend for you are amazing
and through all eternity you will

with your heart and soul of pure loving gold.

Longing For My Best Friend

Sitting here alone on this night
and I can feel all your love
surround and fill me my sweet love,
I long for my best friend to be here
by my side spending time,
to share our company as I do my chores
and then afterward just sit back
and snuggle while we share some
great nighttime conversation
as well as some reading and a movie,
and perhaps my sweet love partake in some candy.
I just want to be with my Angel and hero
being filled with the endless joy.
light, and pure hope that you always give me,
I want to see your sweet smile
as we spend a great night together.

I so long for your beauty and yearn
to share with you all the loving care I am holding.
I want to kiss and feel your soft touch
as you share all that you think and feel
because I want to know all my sweet love
and hear your Angelic voice while I
hold you so very closely giving my warmth.
As I sit here alone about to take care
of my chores I just want so very much
to be with my beautiful best friend
the greatest woman there's ever been.
I love her so deeply and just want
and desire to be sharing each others company
and a close night together.
I just want us to share and enjoy
the light, happiness, and love we give,
feel, and share with one another.
I just long to be with my soul mate
whom I love and adore completely to no end.

Michael P. McParland

Love Note 534

A very good early evening to you
my sweet precious beautiful dear.
Once again I am sorry I dropped off
for so very long and I am not sure
completely why I am so very tired,
but I know that it to a large degree
has made me quite happy as once again
I dreamed of you being with me.
I don't remember as much about
today's dreams but that your sweet smile
is making my heart sing,
and as ever how I so long to have you
in person right here by my side
to hold and to spend the evening
and night with having such
a good time sharing sweet kisses
and all that is wonderful.
I can feel though in spirit so close
my sweet one and it fills me with such
deep tender warmth
and I thank you my one for always
being right there and treating me
so very good.

I wish you could be with me sweet one
as I am about to head out the door
to go pick up something for dinner
at the store,
I would love to make something so
special for you because I love
doing special things for my Queen.
I love you my Angel and my heart truly does
long and hunger to just have you
by me and feel your loving touch
as you embrace me.

So have a good evening my gorgeous Angel
and know I am with you
feeling my arms wrapped so tight and lovingly

around you.
You truly are my shining star
and my wonderful hero and best friend.

and if I knew how to be with you
right here and now I would make it happen.

I am filled with such deep yearning
and longing as I dreamed of you
and I just wanted you to know
first of all before I do anything else
that I truly love you so very much

Night Note 211

A very good night to you
my sweet wonderful love
and as I am finally about to eat
I wish you were here to enjoy
with me the meal I am cooking now.
To just serve my sweet Queen
with true tender love straight
from my soul and heart would
truly make this night so great,
and to see you enjoying it
would fill me with joy
you must see to truly know.
How I would love to start a beautiful
night this way with you.

A night of just coming together
and having such fun.
Watching a movie you have chosen
while we snuggle and kiss from time to time,
then read a bit more
and talk away like we always have.
Just part of the night
I would like to have with my
wonderful and adored best friend,
the best friend whom I've
always loved and will to no end.

So my sweet one as my food
is just about done
I will be thinking of you
sending sweet kisses and huge
smiles to you the entire night through,
be filled with deep warmth
as in spirit I wrap my arms around you.
You truly are so loved and cherished,
you truly are appreciated my
beautiful lady.
Remember I'm with you
and right here waiting for my only lady

because you are my everything
and the only one I'll ever
be wanting and needing.

Michael P. McParland

Missing You So Much

I'm truly missing you so very much
and as I sit here this evening
watching some TV as well as reading
I wish I were with you in each others arms
just spending time doing these.
I'd love to be sitting here and listening
as you read all your poetry,
stories and all works of art to me.
I'm missing you so much my dear
and my heart longs and aches to have you near.

I only want my Angel within my arms
giving you all of my warmth and love.
Sharing all there is to share
feeling peaceful and contented
as well as finally whole as I smile at
and give kisses to my beautiful best friend.
I miss you dear so very much
and each day my love for you grows
stronger in all ways there are.
I miss you babe and want to just
want to hold you close telling you
that it is all okay and you are the best.
I miss you dear and truly love you so very much
because you are the Angel I adore
and I will always keep on fighting for you.

Michael P. McParland

Many Beautiful Dreams

So many beautiful dreams of you and me
during my very long sleep.
I am sorry sweet one as when I lay down
I expected nothing more than a catnap,
I guess I'm still recovering from being sick.
I truly did have so many dreams though
once again of being with you.
We were having good times talking
and hanging out and that is making me smile,
you even got mad at me for a minute
in one dream for a dumb little thing that I did
but then we both laughed an went along.
So right now as I still rub the sleep
out of my eyes and shake it all off
I smile, laugh in happiness,
and cry just a bit in not having you here just yet.

I send you sweet kisses to share
the loving beautiful and joy of these many dreams,
I send you my kisses, smiles, and hugs
to make you smile as well over the
great warmth that they held
and to let you know how much I love you
and how thankful I am for you my sweet Queen.
They were such great dreams
and I know the beauty they held
will one day so soon be here.
I love you sweet lady and will be smiling
because of and for you as I get up now.
God bless you my Angel for you
are a dream come true and I just wish
I could be holding you comforting you r
fully right now.

Michael P. McParland

A Tender Night Kiss

A tender nights kiss I send to you,
a tender nights kiss to make you
feel so safe, loved, warm, and secure.
I send to you a tender nights kiss
because all of my kisses
are filled with true caring love
and they're only for you.
I love you sweet one and want you
to feel it with pure peace in your heart
so I send big hugs with these kisses
that are so passionate
and tender for my Angel so good.
A tender nights kiss the first of a ton
I am sending to you right now my dear one.
Wrap up in its comfort and feel me there with you
as all through the night I send you
tender smiles and kisses.

Michael P. McParland

Spending This Evening

It's been somewhat of a busy day my dear
and after a long weekend of some
frustration and being sick a relaxing
evening with you is just what I need.
To sit back with you in my arms
reading our book and watching a film,
a relaxing evening spent talking
and doing things with you is what
I so want and dream of my dear.

You are my Angel and very best friend
and after frustration and sickness
it is you that helps lift my spirit,
it is you that gives me hope and light endless
and I just want to spend this evening
with you my dear Queen relaxing.
I just love you so much and want to
feel your soft touch as we embrace
just spending a relaxing evening
in pure and total contented bliss.

Michael P. McParland

Smiling Because Of You

They warm me to my core
with all the tender loving care they hold.

and I thank you dear for all you do
and all you give to me,
I thank you for being you
the wonderful Angel and Queen I so adore.

and frustrating weekend because of you
and all the love you send to me.

to be smiling from the divine love
one of God's my special Angels gives.
I love you babe and I always will
and I send you millions of smiles
with sweet kisses oh so tender
and massive hugs of warmth
to fill you with all my strength as well as
great comfort and loving peace.

Michael P. McParland

Love Note 533

Good afternoon my
sweet beautiful Angel dove.
I am truly so very sorry
I dropped off yesterday on you
and I know you are feeling very worried
and even perhaps upset at me
and I couldn't blame you but please don't be.
I finally ate yesterday right after
I had written you and within
an hour and a half I began
to feel so sick and was laid out
the rest of the day through the night
and after finally getting some good sleep
I am up now and checking in
with you the gorgeous woman I love.
So please feel so safe and secure
as I reach out to pull you in tight
and feel safe and secure always knowing
I am right there with you.

So as I get up to move around
somewhat slowly I have a few things
I must get to and I so wish
you were here to share your company.
To just be here snuggling and spending
such quality time doing things.
I so truly love you my darling
and I promise I will be writing
because you are my Angel
and I want you to always know
you are amazing and my everything.
God bless you my hero
reach right back out to me
and hold me as well through this day
as I try to accomplish all that I need.

Michael P. McParland

Love Note 532

Good afternoon my sweet
beautiful darling true love
and I hope you know I have been
with you the whole day
and felt me right there beside you
the entire way hand in hand.
I love you so very much my blessed Queen.

I have only just arisen from
a very long and very badly needed sleep.
I had many many wonderful dreams
of you that as I get up I feel happy
but want to cry as well because I can't
just reach over and pull you in tightly
right next to and give you all of these
sweet kisses I so want and need to give,
I want to cry in a way because I can't
pick up the phone and hear your sweet voice.
Those dreams though will help me
today though my dear to smile big
and accomplish what I need to.
For as I sit here right now my body
is in so very much pain I can barely
get up and move around,
but all of the loving strength that you send
will help me get through it all
just knowing you faith in me
the man that you love.

Well my sweet love I should attempt
to get up and move a bit right now
to get the cats their treats
and me something to eat as I
never ate at all yesterday.
Just know my sweet love that
I am right here for you
and right there holding your hand
as I smile at you the woman I love.
God bless you my Angel

and never forget you're so deeply
loved and cared for,
because you are my Angel
and the one who has saved my life
giving me hope and a reason to live.
I love you my sweet Kira
and I always will.

Michael P. McParland

Wanting And Needing You More Than You Know

Good afternoon my sweet beautiful
best friend and sweet Angel dove,
and as I sit here you can't possibly know
just how much I want and need you,
I am aching inside and feeling the stress
of some things and it is you
I want to sit with holding you so very tight
within my loving arms giving each other
endless deep comfort and peace.
I am in great need of you and your
sweet kisses and warm hugs that
give me true hope and fill me
with true joy because they're from you.

As I now sit in complete silence
here alone on this afternoon I just
want and long to hear your Angelic voice
and feel your soft caring touch
so full of true and pure love.
I need you more than you can truly know
and words alone cannot express
the tender true depth that I feel for you.
Just know that you're needed in so many ways
for so many reasons my dear
because you are truly appreciated in every way.
I so truly want and need you right now
to feel all of your warmth while
I give you mine and let you know
just how much you are treasured my love.

So my sweet dear as I continue
to sit here just feeling lost
and quite tired on this day
I will be dreaming of you
and finding comfort in all of the
deep loving care and strength you always send,
I can often feel you so very near
and it gives me butterflies
making me want nothing more than to hold you

so close showering you in kisses all over
saying how much I love you
and have missed you so bad.
I will find solace in the true trust I have in you
and knowing you love me so deeply too.
I love you my Kira and want as well
as need you more than you can truly know.
You are my Queen and most beloved
blessed Angel and I mean it when I say
you're all I want and will always be yours forevermore,
you truly are appreciated and I'm thankful for you
and I would give anything to be
with you right now so cozy in each others arms.

Saturday Afternoon Longing

Sitting here on this afternoon
and enjoying the game my sweet love.
Ohio State is winning and the
one thing that would make this early
afternoon perfect would be having
my Angel, the worlds true beauty
right beside me enjoying each other
and all the things we'd be sharing,
I so long for you on this Saturday afternoon
to just be with you and hold you
making all in this world so much better
and far less stressful. Hear my hearts
call as it sings out to you.
Be filled with all of the strength that I send
as my soul reaches out to tell you
I love you and everything will be okay.

So as I sit here enjoying the game
I will be sending you kisses
so deep, tender, and passionate,
feel my hand within yours as I send
you deep peace and comfort.
I am just so sincerely longing for you
my only to just be side by side
hand in hand having the most
wonderful and loving of days.
I'm just longing for you and the
special lady you are my sweet Queen.

Michael P. McParland

Morning Note 203

Good morning my beautiful
darling sweet Angel dove,
I pray you were able to get
some good rest and felt deep comfort
in all the kisses I sent.
I've been reaching out to you
the whole time to shower you
in sweet kisses and all of my love,
my hand has been in yours
the whole way.

Oh my sweet dear my morning
two hours ago hit a big snag,
my computer just died out of nowhere
and I can't get it to reboot
so I am having to handle
all things on my kindle
and if it can't be repaired
I will lose so many important
and meaningful things.
Right now my sweet love I just
feel like crying and wish you
were here because you are my rock
and you always are there
to catch me at hard times.
I miss you sweet lady for
so much in so many ways
and I just want you here
to spend the day and these two weeks
just spending time hand in hand.

So despite the frustration
and sad worry I am feeling
I send you millions upon millions of smiles
with sweet kisses of light
and warm hugs of hope.
I love you my sweet Kira
and am here for you.
I will always be yours and am

always ready to serve and help
my gorgeous sweet Queen.

Michael P. McParland

Mid Night Kisses Of Love And Apology

Feel my arms around you in deep
peace and comfort right now my sweet one,
be filled with peace as I'm reaching out
to give you sweet kisses along with these snuggles
as I apologize to you for drifting off
last night so early and prematurely.
I guess I was so tuckered out from
this weeks frustrations, stresses, and adventures
that I was even more tired than I figured.
Still though my sweet one that is no excuse
for suddenly drifting off on you
and I send you these sweet middle night kisses
of deep strength, warmth, pure love and carry
to say I am so sorry my dear and apologize to you.
Will you forgive me my only one
and we can just continue to relax in each others arms.

Just rest your head on my chest my sweet one
and feel so comfy and cozy as I wrap
you up so tight and lovingly within my arms
that long to have you there,
just know that I care for and love you
as I rub your back and stroke your hair
while we softly talk as we relax.
Sweet love I truly am so very sorry and apologize.
So will you please forgive me my dear Queen?
I am sending these mid night sweet kisses
and warm hugs with all of my strength
and millions of smiles to reassure you
I'm always with you and will never leave you.

Michael P. McParland

Relax With Me Babe

Just sit back and relax with me babe,
I just need a night to wind down with my Queen.
To hold you so tight and look at your smile,
to just tell you you're beautiful
and an amazing best friend and Angel.
Come relax with me babe and do something
very low energy because my mind
is still so very weary.
Please just wrap up in my arms and get
so very cozy and we'll talk for awhile
before watching a movie and sharing sweet kisses
so deep, loving, and tender in their limitless passion.
Come relax with me babe and smile for me
as you rest your head against me
and I'll make you feel so safe and secure
as I reassure you of all my undying,
unconditional love, and that I will stand
by your side in true loving support forevermore.

Michael P. McParland

Love Note 531

Good afternoon to you
my sweet beautiful girl,
I hope you are having the greatest of days
feeling all of my love
and knowing I truly have trust
and faith in you.
Have not a worry or fear
because I will always be right here
for you and right by your side
fighting for you to help you
achieve all that you want
ans always assure that you know
you are cared for and loved.
Continue to smile for me my beautiful Queen
as I am still smiling for you.

I am sitting back now and sort
of relaxing as I also focus
on some tedious tasks,
now that I am done for now with
all that I had to do
I just want to decompress
and feel all the stress go away.
I have been thinking of you
and all the times I'd love to share
as well as the things I'd love to say
as we just spent time
together through the rest of this day.
I have no idea of anything
really specific I just know I want
to be with my Kira so magnificent.

So my sweet one hear my hearts call
and feel my souls touch
as I reach out,
I am so longing and in need
of my only one.
Life without my best friend
even in the best times is still a struggle

and though I am smiling for you
and because of your love
inside there still is a tugging.
I love you my Angel
and so long to hold you
to always peacefully end each night
and the weeks feeling safe,
whole, and complete.
I just want to give you all of my love
and truly make you the happiest woman
in the entire universe.

Michael P. McParland

Your Shining Smile Lights Me Up

Good early afternoon my sweet Angel dove
and I want you to know I am still wearing
the great big smile you gave me.
I am warmed and delighted as I can feel
your bright shining smile all the way here
and it lights up my world making me feel so very good.
I thank you my dear best friend for helping
to make this day go so well,
I thank you endlessly for all of your love
and for just being you.
I will spend all of eternity giving back
to you the best I can in full
striving to be as much of a hero and blessing to you.

Your bright shining smile and love that you send
light up my world and the strength that you give
gives me hope to keep fighting on.
You have the true and total beauty of a great Angel
and you are an amazing woman both inside and outside.
Just know that your smile is brightening my spirit
right now and lifting my heart to the heavens.
I thank you so much and send you sweet and big smiles
in the millions my darling.
Feel my hand within yours and feel peace
because I believe in you and have total faith,
I will always stand by you because I don't share
such a wonderful connection and blessed bond
like this with any other.
I treasure what we have and adore you to no end
and I just want to see your bright shining smile
everyday through all time,
that shining smile which gives me butterflies and keeps me warm.

Michael P. McParland

Bedtime My Dear

Goodnight my sweet one I am so tired.
It is bedtime my dear will you come and join me?
I am so deeply yearning and longing
for my lady and Angel to just
spend time snuggling with and sweetly kissing
so loving and passionately before we go to sleep.
I want to cover you in kisses before I pull back
to look in your eyes so brightly smiling
to say Kira I love you and am yours forever.
I will always stand with you supporting you fully,
I trust you my best friend in a deep way
I share with no other soul anywhere.
Come my sweet lady and lay down beside me
so I can hold you so tightly as we talk
before we drift off.

It is bedtime my darling and I want to
wrap you up in my arms so you can get cozy,
then rest your head on my chest
to be soothed by my heart beat as it beats for you,
just be filled with deep peace as I rub your back
and stroke your long gorgeous hair
as I also give you all of my warmth and love.
As it is now bedtime the only things I am needing
are my music, audiobooks, and most important of all
my sweet Angel Kira so beautiful and wonderful.
I want your divine presence as I hold you
so lovingly within my arms.

Goodnight my sweet Angel I so long, yearn,
and ache to be with my star so brightly shining.
Will you please come and join me
my rare and cheished precious diamond?
Will you please come and snuggle with your Michael
making me the happiest and luckiest man in the universe?
It is bedtime sweet one and I love you so much,
I just want to hold you to give you peace
and healing through all the love you deserve
and all the love that I have.

Please come snuggle up my sweet one
and we'll hold each other giving all of
our comfort and peace to our best friend

of our hearts and souls to no end.

Winding Down The Night Together

It's been a very long day
my sweet darling lady
and even with a long catnap
I still feel very worn out.
So I just want to begin the end of this night
with you curled up in my arms ever so tight
just winding down as we talk and laugh,
I want and need to be winding down
this night with my Angel and Queen
who brings me endless hope and light,
I just want to be with you so we both
can feel and know everything is alright.

As I sit back here my dear reading
to begin just winding down and start calming
I wish you could be right here beside me
so we could read together,
I just want us to get so very cozy
sharing sweet kisses while we sit and snuggle.
I am dreaming of you and reaching out as well
so feel my hand within yours and my arms wrap around,
feel my lips on your cheek and on your lips as well
as I also whisper to you I love you my hero and Queen.
I just wish you were winding down this night with me
before we go to bed and in each others arms fall asleep.

Michael P. McParland

Catnap Desires And Dreams

Just waking now my sweet dear
from fairly long catnap
and my heart immediately longs and aches
as to you it sings out.
My head and my heart are full of dreams babe
so beautiful and amazing they fill me with light.
I desire your touch and to kiss you soft lips
as I tell you I love you and share all my dreams.
I love you my baby you're so amazing to me in every way
and I so desire and want to be holding you tightly
within my arms sweet lady.

It was such a long day my sweet dove and Angel
with so many frustrations along the way,
so I needed a good rest to recharge my emotions,
my body, and my mental state, I dreamed of you
and all the good times we had and those that we will,
I desire you my sweet girl and to you my heart calls
singing all my favorite love songs
as it also reaches out to touch yours.
I love you my sweetie and you are the only one
that I so desire so it is only you that fills
my dreams catnap wise and all others.

Michael P. McParland

A Tired Afternoon

After a day spent running around
I am feeling so tired on this afternoon
my sweet precious love and I still
have two places to go.
Oh my sweet one what a tiring day
and when I get back and can finally relax
I just want to sit back with you
and cover you all over in kisses so good,
tell you how much you are loved
and just how much you have been missed
as I shower you all over in kisses
with the softest caresses while we are relaxing.

It truly has been such a busy and tiring day
filled with more frustrations in so many ways,
I am just so truly tired and I want only
after all is done to sit back with my Kira.
Just feel your sweet touch and soft skin,
gaze into your sparkling eyes as I
am hypnotized and get lost in your bright shining smile.
I love you my lady so great and I am
so very tired and aching as well,
I just want to hold you so near
and kiss you all over while we talk the hours away.

I am so tired my love and even though
I just arrived home I am just about
headed right back out of the door,
I just wanted to tell you I love you my dear
and am reaching out to hold you so near,
I want nothing more than to sit with you
spending time upon my return and share
the comforting peace we feel through our bond,
I just want to be with my soul mate
and Queen who truly means everything to me.
I truly am so tired babe and you're all that I need
to make me feel good and restore all the worlds beauty.
You are an Angel and a blessed gift
from God sent to earth and I treasure you

and will always be yours through all space and time.

Restful Desires And Dreams

Good evening my dear and beautiful sweetie
and I pray your evening is going well
as you feel all of my warmth and love my best friend.
Feel my hand as it is in yours
and continue to feel safe and secure knowing
that I'll always be yours and never leave you.
As I was resting my thoughts, desires,
and sweet dreams were of you
gorgeous sweet Kira my one and true love.

As I arrived home in the afternoon after my meeting
I was feeling quite frustrated and somewhat defeated,
I just needed a nap because I was so very tired
and feeling cranky as well from everything,
so I lay down my head dreaming of you
and listening to soothing things,
and while I was still very restless at points
your loving care and deep strength helped me feel calm.
I thank you sweet Kira for everything
and you truly are all of my desires and dreams,
you are my divine sweet Angel dove and beautiful Queen.

I love you my dear soul mate who means everything,
I so long for you babe because you are beautiful,
so very cool, and you give me reason to go on.
I want to serve you in true and pure love,
I want you feel like the blessed Angel you are.
So as I was resting I dreamed of so many things
I want to tell you, share with you, and do as well,
you are a diamond in the rough and I adore you.
I was just filled as I am ever with desires, hopes,
dreams, and love for thee as I rested today
and forever I always am and always will be.

Another Long Day

It's another long day ahead of me
my sweet dear as I have a meeting
in a couple of hours and I am stressed out
because my former job is now
causing me problems so I can't show
my insurance proof and I might lose it completely,
I hope that this meeting will be able
to help me fix it.
It's another long day my beloved lady
and I am in need of your loving strength,
please say a prayer for me that all
will work out and be set straight.

It's just another long day and I just wish

I could be with you as you brightened the sky,
my heart, and my spirit with your gorgeous smile.

Lying back here in the early morning
my sweet Queen and Angel dove
and I am shaking a bit feeling way down

the Angel I so truly lovingly trust
to give me sweet kisses and hold me close.

Loving Thoughts, Miss You A Lot

Good late afternoon my sweet love
and as I arrive home after a long
and fun day at the game first thing
before all I wanted to say I so deeply love you.
I miss you a lot my sweet one
and I am filled with loving thoughts of you in every way.
I was sending you smiles and kisses
while I was at the game cheering,
all the while my heart and soul were so deeply longing.

and you smile at me as we feel all
the pain and the misery chased away.
I love you my dear and miss you so bad,
I'm reaching out to give you kisses all over
as I hold you so tight and comforting.
I love you my Kira you're my everything.

I want to hold you my dear one
and just comfort you now.
I'm sorry I dropped off yesterday and was quiet
but in the noon the whole day went off.
I dreamed of you as I lay down
and was instantly surrounded in all you
deep strength and caring love.
I thank you my dear and want to hold you
so tight to me letting you know all of my love
and just how much I truly care,
I want to provide middle night comfort
and peace to you my only one.

Middle night comforts with my true love
are what I so long, yearn, and ache for,
these times are what are needed for both of us
my sweet precious darling and I can't wait
to just hold you for eternity.
Knowing you're hurting and at times
so badly crying twists my heart so very badly
and brings tears to my eyes.
I love you my sweetie and want to be
giving you peace and light as I hold
and comfort you on this middle night,
I just want to be your great hero
and knight in shining armor.

My dear beautiful sweetie I so truly love you

and many middle night comforts I so desire,
sweet kisses with snuggles as we are talking,
making the most beautiful and wholesome love
to Gods greatest work of art and Angel
all the while saying I love you my Kira
and thank you for your love and being so wonderful.
Middle night pleasures like sitting up
and reading to each other or watching
wonderful movies we enjoy with each other.
I so love you my Kira and need with only you
these middle night comforts knowing
life will be great with my Queen through eternity.

Middle night comforts and pleasures with
my only Kira are what I live for,
to finally have the greatest times my heart
and my soul have ever known with the
universes greatest woman, most beautiful,
and the only one I've ever loved truly
and do so unconditionally,
middle night comforts with the woman who
also loves and adores me.
So as I go about my night baby it is of you
I will be dreaming and so deeply longing as I
send all my strength, my love, and my deep warmth
to wrap you up tight to feel safe as it fills you up.
God bless you my Angel you are so darling
and I will love and adore you forever and ever.

Night Note 209

A very wonderful and beautiful
good night to you my sweet Angel dove.
I am truly so sorry I slept
so long but I felt so wore out
and feel a deep heaviness in my heart,
regrets of the job and missing my nephews,
I won't be going with my parents
next weekend to Arizona and see them all
and as much as I will in many ways
enjoy two weeks here all alone
I wish I could see them
but most of all I wish I could have
my dream and be with you enjoying
those weeks babde,
so part of that heaviness is missing you,
you don't know just how bad it hurts
and how much I long wanting
and needing my only one.

A sad aching fill my
soul and heart as I want you
here with me to spend tonight
and those two weeks.
I want you here tonight to enjoy
the simplest little of meals
and for me to just hold you
as we watch a film and perhaps
play a game of NCAA Football.
In the next matter of hours
I will want to lay back with you
and hold you so closely.
I am beggining to feel some relief
in a small way in my neck, shoulders,
and arms my sweet darling
plus the meds I'm still on
that make me quite tired.
I will just want to snuggle with you
the Angel Queen I so desire,
just talking along as I also

share the news that my dad
got tickets so Saturday morning
I'll be going to see the
Minnesota Golden Gophers play
Colorado State Rams in football,
how exciting it will be
and I wish you could be there,
I'll be sending you all of my sweet smiles
and kisses while I'm there
and through this whole night my sweet love,
and through those two weeks
as well as all of my most loving
and sexy thoughts which I am
always sending in true and pure love.

So my sweet one always remember
I am so filled with tender
loving care for you and in
that way you alone my sweet Angel dove,
you are my everything and I'd
give anything to have you here
with me listening to Falco
as we begin to enjoy this time tonight.
My dear you truly are such
a great work of heart, a blessing
and gift I love and adore to no end.
Have a great night and feel me there
by your side holding you so tight
my hand in yours as I shower you in kisses,
you truly are the love of my existence.
God bless you Kira for being
so loving, so great, and a hero best friend
I will always strive to honor and thank.
I love you my sweet Queen and will
to no end my Angel so supreme and great.

Love Note 527

Good late morning
my beautiful and beloved
sweet Angel dove.
I have arrived home at last
from getting the injections I need
and picking up a few things
for a nice lunch to enjoy the day,
alas though that is only
being done now with one part
of all I must do as I must make
the calls that I need to get
things in my livelihood straight.
Before I do those though
I wanted to stop in and say
I love you so much my beloved Queen.
I just wish I could relax
and hold you after I'm done with
the next few things that need doing
and serve you a good lunch from
the things I bought sweetie.
I will be thinking of you
and sending sweet kisses
with huge hugs as I do what I do
to warm you with all the
pure and true love I feel to my core.

Michael P. McParland

An Early Morning Snuggling

Good morning my beautiful
sweet Angel dove and I want to spend
this early one just seeing you smile
as we snuggle along sharing sweet kisses
from our loving hearts and souls.
I love you my sweet one and just want
to hold you before I must get up
to shave my fuzzy face, make my
important phone calls, shower,
and shortly go get the shots I need
in my neck and spine.
What a busy day it will be early
with stuff at a late point my dear,
I just want to spend a bit more time
in this early morning holding you my sweet Queen
and bright shining northern star.

Such a very sweet and beautiful good morning
to you my sweet beautiful girl and God bless
your sweet heart and soul to no end.
I'm not looking forward to a busy day
and would much rather be here reading,
watching a film and writing a nice email to you,
so at the very least if I could be lying here
in this early morning it would make
everything worth it sweet girl.
Lying here holding you would be the greatest thing
in the entire universe.

So my sweet one I so adore and love
have the best of mornings and feel
my safe loving arms around you
holding you so very close to me,

and I deeply crave your smiles, your hugs,
your kisses and very soft touch.

I love you sweet Kira I so adore
and want nothing more than to be
snuggling with you right now.

Sitting here tonight my sweet dear
and right now I am playing
NCAA Football 2014 wishing you were here
to sit next to me and cheer me on,
to just sit with and enjoy your company.
As I play babe I am filled with many
thoughts and dreams of many many things,
some very big and some trivialities
and I think of and dream of you right by my side
chasing away all the loneliness that's
hung around for so very long without
my Angel and beloved best friend.

is that we won 45-24.
Now my sweet one I am so exhausted indeed

Come Sit With Me 7

Good morning my sweet beautiful Angel
and come sit with me and cozy up
in my arms on this Saturday morning.
I will have already had your coffee ready
so you can sit and sip at it as we talk and snuggle.
I just want to sit with you as we get this day going
and softly talk with maybe a spot of reading.
I want to spend this day with you enjoying
as much as we can before I must rest for work
a good part of tomorrow so please my sweet Kira
come sit with me on this Saturday morning
and cozy up next to your best friend Michael.

I want to go for a walk in the park with
my best friend and dear Angel Kira today
if the weather is so permitting.
I want to watch some college football with you
during the day and then Ohio State beat
Oklahoma later tonight cheering them on together.
I just want to spend this day sharing
so much with you taking it all as it comes dear.
So first let's just start this morning
softly talking, tenderly kissing, and tightly snuggling,
come my sweet love and let's spend a loving Saturday morning
together smiling and feeling so joyful.

So a good Saturday morning to you my sweet
beautiful divine Queen I so adore,
come sit by me and snuggle up into
my wide open loving arms.
Show me that bright shining gorgeous smile of yours
that lights up my world and warms me up
to my very core with the worlds beauty
that you are.
Come cozy up my sweet one and know that you are
so truly cared for and deeply loved
and that I will always love and adore you to no end
always standing side by side hand in hand
through eternities time because you're all I want

my only one.

Night Note 207

A very beautiful and wonderful
good night to you my sweet
beautiful and beloved Angel darling.
I am so sorry I drifted off first
after writing while catnapping,
than I woke with the most awful,
and stomach churning sickening
migraine headache where I was forced
to just close my eyes and let it pass by.
It made me so sick and I felt even worse
as I wanted to be able to write you,
I worried so much and still do
that you think perhaps I do not care
or am blowing you off which I will not do,
and then when the headache had mostly passed
I came to write and then the site was down.
I am so sorry my sweet Angel dove
and once again I thank you for
all of your kind patience, deep love,
and understanding of all that I'm going through.
I am so blessed to have such a wonderful
best friend, Angel, Queen, and hero
such as you who stands by my side
and listens to understand how I am feeling
and all of the struggles I'm facing now.
I swear my sweet one I will always do
the same for you and stand right by your side
supporting you in all ways that there are.
I love you so much and treasure you
for the wonderful Angel you are,
you are so truly amazing and a diamond in the rough
who shines so much brighter than all.

Dear I now have not eaten in two days
and I wish you were here to sit beside me
as I cooked us a nice little meal
to enjoy with one another.
Even though hungry I have just not felt
like eating or doing more than lying here resting.

You know I am just so very depressed
from so much stress and other things babe,
and I just want to be holding you close
hearing your voice as we talked and you
read to me all of your poetry
and the stories you write.
I want to escape into the beautiful world
of my gorgeous lady and share mine as well
as we make them into one together,
a beautiful world with my best girl
to forget the outside world while we snuggle
and kiss while we spend time.
Dear I just want and so need to sit back
with you feeling so cozy and enjoy
all the love that we share and we feel
for each other basking in the glow
of true joy with our dear best friend
we so adore and treasure to no end.

So my sweet love I wish you a good night
and I hope you feel all of my love, strength,
and warmth fill and surround you
as I send it in full.
Feel all my sweet kisses and huge hugs
give you peace and soothe you
knowing I so truly love you.
Kira you are so beautiful and life
without you is so incomplete and deeply troubled,
I feel so empty and lost without
my best friend and Angel who gives me hope
and keeps me going lighting my path,
I love you so much and just want
to hold you so close and kiss you so soft
saying thank you my love you are the best
anyone could ever have,
I will spend forever thanking you
and giving you all of my love
and the best that I have.
God bless you sweet Kira and know that
you are a true gift and blessing,
one of Gods greatest works of art
he sent to earth as a true sign

of goodness and beauty,
my heart truly melts for you
my divine best friend and dear Queen.
I'll love you forever and be yours
because you're all I want and so very special.
So remember I'm here if you want or need me
because I am right here for you waiting
so anxiously with wide open arms
and a wide open heart that will give you
everything you need and want.

Michael P. McParland

Night Note 206

Lying back my sweet dear
just reading and catnapping
while listening to my podcasts
and audiobooks and it is
you my thoughts and dreams ever drift too.
The most beautiful tender feelings
fill me for you as in every beautiful
adventure I hear or read
I see you as my wonderful partner,
and in every love song I smile
as I see you and in all feel you
so very much closer.
I am dreaming of you and long
to have you right here in my arms
spending the night arm in arm
hand in hand sharing sweet kisses and more,
I just want to be sharing this night with you.

So I hope you are having
a good night my love
as I send you huge hugs and sweet kisses
filled with all of my warmth and love.
I wonder how you are
and truly hope you are alright
and pray that so soon we will reunite.
God bless you my gorgeous Angel
of hope and light and always remember
that my heart and I are yours
and yours alone through eternities time.

Love Note 525

Good afternoon my beautiful
and most beloved sweet Angel dove.
I pray you have had a great day
and felt be with you there,
I pray you have always felt my hand in yours
with all of my love and warmth
as I'm always by your side no matter what,
I love you sweet Kira and you make my heart melt
as I am filled with butterflies
of true love, care, and desire for you.
You are my everything and I wish
right now I could be holding you
and giving you sweet kisses and smiles
as I start my day.
I miss you my sweet love
and can't wait to hold you so very near.

I have only just arisen shortly ago
and I am so sorry my one I have been
this extremely tired so much,
and as I wake I am filled immediately
with all of my deep aches and pains,
inside as well as I long for you.
I truly wish I could lay here snuggling
with you as the meds set in and your loving
strength helped all of it ease off.
My back is in great pain a thing
you know all too well and the pain
you must endure breaks my heart my sweet one.
So I wish we could just be here
lying down and talking while it eased a bit.
I love you my sweet lady and you
are the best medicine for all things,
you are a miracle and the Angel Queen
I am eternally thankful for.

So my sweet one as I lay here for
just about another 10 minutes more
waiting for the meds to make things

more tolerable I reach out to you
and hold you close in spirit
with sweet sweet kisses galore
for my Queen so glorious and beautiful,
you are such a rare gem I'm so proud of you.
You are the greatest woman I've ever know,
so loving, kind, giving, and supremely beautiful.
Kira I love you and truly am so sorry
I was out of it for so long once again,
I have just been so tired and run down from things
and I would give anything to hold you now
and dry your tears telling you everything
is okay and reassure you that I'm
never going to leave you or abandon you
in the least because you are my everything
and I care for you above all.
Have a great rest of the afternoon
and feel my arms around you in comfort,
you are my Angel, my best friend, my Queen,
and I am yours and yours alone forever to no end.

Michael P. McParland

My Heart Is Aflutter

As I lay back now my heart
is all aflutter as I think of you
my dear sweet beautiful lady.
I think of you and longingly smile
as my heart yearns in true loves tenderness
to hold you so close and give a sweet kiss
as I confess all the love that's within myself
for you my sweet Angel dove.
In my heart and soul I so deeply long
and yearn for you as I'm filled with butterflies
in all ways as I lay back and dream of you
in all your beauty that is so very great.
My heart is forever yours and it calls out
to you right now saying I love you babe you are the best.

As I lay back now and think of you
my heart sings out all of the love songs
I love most to you so you will know
you're so cared for and deeply loved,
my heart is aflutter for only you
and I want you in my arms snuggling away
this late afternoon and the early evening that's here soon.
In my heart there is an eternal burning flame
that is for you in pure love and want to give you all.
In my heart and in my soul I just long and yearn
for you to be right here in my arms smiling,
talking, and just spending time enjoying all we share.
I love you sweet one and feel my heart touch yours
as it reaches out to give all my warmth and loving care.
I miss you Angel and as I lay back now
I am filled with butterflies because you are
so very beautiful and I love you more than anything
in the entire universe.

right here to join me in all things
as I gave you sweet smiles, kisses,
warm hugs, and held you tightly,
I so want and need my beautiful
best friend right here beside me.
To hold as we were refreshed
and cleansed under the water
getting lost into our own world together

and will be with you and yours only
forever and ever because
you are my true love and hero,
my Queen so adorable and amazing.

goes beyond all description
so I will spend all time doing my best
to show you its immensity.
As I have said I am yours and yours alone
through all eternity and I will
stand by your side fully in love
and truly supporting you.
You truly are the greatest thing
that has ever happened to me
and I don't ever want to lose you
my sweet Angel Queen.
You give me light and you give me hope,
Kira I love you so much
and will strive to always give you
the best in the universe.

Michael P. McParland

A Long Difficult Night

It was such a long and difficult
night of work my sweet Angel of light.
I worked so very hard doing so very much
very well and still they say I am
to slow and make me feel like a fat bum.
And my neck now is in so very much pain
I can barely move it at all
without lightning bolts shooting in fierce shock.
It was such a long and difficult night
I just want to lay down and rest right now
with you by my side and wrapped up in my arms.
I just am in need and want of my sweet Angel
of great beauty and brilliant light
to snuggle with so very tight
making everything so peaceful and right.

Dear after such a long difficult night
I am in very much pain and immensely tired,
and right now as I lay down to relax
and catch a bit of rest I wish I were
with you to rest my head next to yours
sharing sweet kisses as we snuggle.
I miss you my dear and want you so very much
so rest assured I'll never leave you
because I want to spend all of the best of times
and the hardest enjoying them
and helping each other get through.
I love you my sweet Angel dove and as I lay down
feel my hand in yours and my arms wrapped around.
It was such a long and difficult night
my sweet Kira so beautiful and my
Queen Angel of light and I just want to be
lying here with you saying I love you my dear
and thank you for all of your love
and all that you do.

Michael P. McParland

Holding You Before Work

A very wonderful and beautiful
good night to you my sweet beautiful girl.
I have just woken from a nice rest
and before I must get ready and go to work
I wish I could just lay here holding you
talking and giving kisses so sweet.
As ever my nerves are shaking
and I just want you to be with me
helping everything to be easier to deal with
and then maybe meet me to have lunch.
I just know that I want my Angel
and to be holding you so very closely
before I must get ready and going
because you are amazing and the worlds beauty
which comforts and soothes me.

I will be with you my sweet love
through my whole shift holding you tightly
to give you all of my loving strength.
I would give anything to do that
in person before work but right now
I must do it in spirit.
I love you my Angel and just want to be
passing this last little over an hour
with my favorite person in the universe.
I love you my Queen so truly amazing
and I want you in my arms
to give and feel such deep and amazing comfort.

and to see your smile would help make
this night filled with great hope.

and I just want to be holding you so tightly

A relaxing morning to spend with you
not doing so very much but experiencing
the universe because I would be with an Angel

First I need a shower to clean off the sweat
and all that general sick feeling,
then after just put on my robe and fall

Goodnight my sweet best friend
and dear Angel of light,
I am so very exhausted and lonely
I just want and need your company tonight,
and not just tonight but every night
to snuggle and kiss feeling so warm
and safe in my hero's arms.
I love you sweet lady and just want
to hold you so very tight saying
I love you my darling and thank you
for being my only one.
Goodnight my sweet lady now let's climb into bed.

Just cozy up my sweet one so very close
and rest your sweet head upon my chest
to feel at ease and relax
as I stroke your hair and rub your back,
us just listening to an audiobook
or some soothing music.
Feel my arms around you so tight my love
as I reach out in spirit to give you deep comfort.
Listen closely for my voice
as I tell you Kira I love you.
Good night my best friend and sweet Angel
I so badly need and want you here by my side
falling asleep in each others arms together.

Tonight I will see you in the land of dreams,
please come rescue me from the nightmares
that plague me so bad,
let's go sit under our tree in a grassy field
on my big fuzzy orange blanket
by the rushing river so magnetically calming,
and just talk, snuggle, rest,
and share the sweetest of kisses.
Let's go there and spend time my dear best friend
and pass the time there till we reunite in person.
I'll see you tonight I pray in dreamland
my dear sweet one because you help

make me smile and give me hope to go on,
I love you my darling and want to just hold you.

Goodnight my dear best friend and true love,
I am ever so exhausted and want to snuggle with you
sharing conversation and sweet kisses before bed,
and then to just fall asleep in your arms
all the loneliness healed and gone.
Goodnight my best friend you truly are my
Angel and Queen a diamond so grand.
I will always be yours and stand right by your side,

Saturday Night Pleasures

This Saturday night my sweet love
is now winding down and the many
pleasures of it I wish we were sharing.
The most simple of pleasures
are immensely better when shared
and enjoyed with your best friend,
true love, and hero.
I want to be spending time with you
feeling better than we have in what
feels like forever.
Just snuggling and healing in our arms.

I am beginning to feel so very tired
and I want to sit back and read
with my beautiful and beyond intelligent lady,
your intelligence is just one of the
things that makes you so very sexy.
I want to watch a film with you
and you can choose which one it is
because you deserve to see what will soothe you
and make you feel so good.
And just kiss your soft pink lips
and sharing closeness giving all of
ourselves on this night before bed.
Saturday night pleasures a many
that fulfill us in many ways than can be stated,
I just want to be with you knowing all is good.

So my sweet love on this late Saturday night
I want to have the pleasure of your company
and your snuggles so tight,
I want to hear your sweet voice and feel safe
having you beside me and talking
as we enjoy a great time just giving of ourselves
in all ways sharing our time and lives,
Saturday night pleasures are just being
with each other and giving our love
in all the simplest of ways so happy and free.
I am thinking of you and how wonderful you are,

and I am dreaming of all the wonderful
Saturday nights I know we will share.
I love you sweet Kira and can't wait till then
because I will finally have my Angel
right back by my side where we will be sharing
and giving everything we have so wanted to do.
I love you sweet Kira and I always will.

Love Note 521

Good late afternoon
my sweet beautiful love.
I hope your day has been going
so very good feeling all of
the warmth and love with sweet kisses
and huge hugs I send to you.
You have been on my mind
and I have been smiling as I feel
all of the love and warmth that you send,
your hugs and big smiles
light up my world.

The game has been delayed
by weather now for over an hour
and I wanted to stop in
and tell you I wish you were here
to spend time with and that
I so deeply love you.
I wish I could watch the rest
of this game with you
and then go out after
and have fun with each other.

So my sweet lady have
a great rest of this late afternoon
and soon coming evening
and know that I'm thinking of you
and reaching out to hold you so tightly,
I am right here if you want or need me.
God bless you sweet lady

I want a relaxing late Saturday morning
just sitting back holding hands and each other
maybe watching one of the new movies I bought
while I was out at Best Buy.
Or something else that you'd like I'd get
so we could watch on digital.
It doesn't matter to me as long as I am
with my beautiful lady.
It would just be so relaxing and cheering
to be with my best friend whom I've loved forever.

sweet Angel dove Kira
I so love and adore,
I send you sweet kisses of comfort
with huge hugs of warmth,
I am reaching out to hold you,
I truly do give you all of myself.
I am so sorry again I was
so very out of it
but I know with your immense love
you understand since I explained to you
yesterday what my problem is
in my email and I will explain further
when I write the second part dear.
I love you so much and I am so sorry
if you were worried or upset,
I wish I were with you to pull
you in and dry your tears
saying I love you and I'm sorry directly,
and then give you the deepest kiss
of passion and love anyone
could ever give their best friend,
hero, and soul mate,
you are a diamond in the rough
and I want you to always know
I treasure you so very much.

I wish I could spend this
whole morning with you
starting off with a shower so
very refreshing and so very good.
I need to shave my head
and I would love to have your help
making sure I got everything in the back.
Then to just hold you and kiss you
under the flow of the water
would give this day the happy start
that is needed.

Then to just sit back for a bit
reading, talking, and watching a film
before we ran down to my job
to get my pay stub and maybe
pick up some things.
Just part of a good morning
and day with my only one.
I need you so much my dear Queen,
more than you can truly know.

I love you sweet Kira
and as ever you will be in
my prayers and I'll be thinking of you.
I so want to be spending
this time with you having fun,
feeling complete with my
beautiful Angel I adore,
and holding you so very close
letting you know that I care
and will always be there beside you
my sweet love so fine,
I will always be yours and yours alone.
I so long to spend today with you
watching Ohio State later this
afternoon and then take you out
on the town afterwards.
I only want you right here by my side
sharing all in this life,
enjoying the good,
and helping each other get through the bad,

and all that I need.

remember your Michael will always
stand up, beside, and behind you
in full support and true love.

or need me and I promise my dear
I am right here waiting patiently.

Morning Headache

Good morning my sweet beautiful love
and I hope you had a good night
filled with rest and sweet dreams of us.
I have been so bowled over by a few
of these meds and the exhaustion
of pain and running around,
I am so sorry I keep falling asleep
like you on this.
It is not intended and I don't mean
to hurt or upset you in the least.
I wish I were with you snuggling up

I wish I could lay right here with you
snuggling up so very tightly
because I truly love you and miss you,

and softest kisses full of love any man could give you.

Good morning sweet Kira and you truly are
so very beautiful and so amazing,

being yourself and all that you do throughout.
I love you sweet lady and just want to rest away
this headache this morning and after spend

finally arrived home from all
of the things I had to do,
and after a busy day missing my girl
and just feeling flustered from all

with you and enjoy this lunch that I bought.
It is much bigger than I thought it would be
and I want to share it with you
while we just sat back and enjoyed a film,
then a warm snuggle so very good
with Kira my Angel I so deeply and truly
love and adore.

After a very busy day my sweet dear
I am just winded and want to sit down
enjoying this afternoon with you.
I want to just lean up against you
as we sit back relaxing and give you
the sweetest of kisses and loving smiles.

go through everything I will be
thinking of you to help me smile
and not feel claustrophobic in the machine.

holding you and you holding me while
we both rested kissing and smiling the whole time.

holding your hand as we face together everything
because you truly are my Angel and hero,
the only one I want and need to be with

A Relaxing Afternoon With My Sweetie

Now after having heard from the doctor
and back from the post office,
as well as getting my prescription
I just want to spend the rest of this day
into the evening and night my sweet darling
relaxing and having a good time.
An afternoon just for us to get lost in
as we snuggle and talk away with the sweetest of kisses.
I need time to relax with you
my most beloved Angel and sweetie I love above all.

Now after a long stressful two days of work,
topped off with all these aches
and these pains that we both have and share
I just want to cozy up next to you
with you in my arms and spend a most
relaxing afternoon forgetting any and all
of the bad that has ever come.
I want and need a relaxing afternoon
with my beautiful sweetie so very good.

Sweet sweet lady I am sending sweet kisses
as I reach out to hold you so in spirit
we may share a relaxing and good afternoon,
feel my arms around you giving all of my warmth and love,
dream with me of all our days to come
when we will be the happiest best friends
sharing all of the wonderful things we did
and so much more beyond our dreams.
I just want and need a relaxing afternoon
with my sweetie oh so fine
and I can't wait to have you in my arms,
I feel you so near in all your love.
God bless you my dear one and have a great day
knowing your Michael is there with you
and right here with wide open arms
and a wide open heart for when you come.

Michael P. McParland

A Small Rest My Sweetie

Please come and join me my dear sweetie
for a small rest while I wait now
for the doctor to call me.
It will be within the next couple of hours
and I want my dear sweetie here in my arms.
To share some sweet kisses while we snuggle
and then you can rest your head on my chest
as we drift to some lovely classical
music for that little bit.
Please my sweet one come cozy up by me
and within my arms to kiss, snuggle,
and rest for a short little while
well you rest your sweet beautiful head
upon my chest both of us smiling saying

A Long Night At Work

Good morning sweet love
and what a very long night it was at work.
My feet ache from these few nights
and later today I must call the doctor
because my back is in such pain from the
problems in my neck and spine,
a problem I know you are sadly to familiar with.
Above all though my darling it was
a long one because we are so behind
and it was just so slow in total,
as I went on my break my first thought was
that I wish I were with you to have lunch
and make the night so bright and good,
I just thought of your smile and how much
I wanted to sit on break holding your hand
so very tightly.

It was such a long and slow night
my sweet darling I thought would not end,
I even got off a bit later than usual.
Now after all of the frustration
and to help ease all of the aches we are feeling
I bought some muffins as I left work
that we could have as a nice breakfast together
after our refreshing and invigorating shower,
a breakfast in each others arms
smiling and knowing our day will be good
as we face it together doing what we need
and best of all having fun with each other,
after such a long night I just want to be
with Kira my Angel of light.
I truly love you so much my sweet precious darling
and I am reaching out to hold you so tightly.
Soon my sweet lady I hope each morning
after work I will be returning to you
because you are my best friend and hero
whom I want to hold so tightly.
I love you my Kira and I am right here for you
because you are my soul mate and Queen,

you truly are my only one and everything.

Michael P. McParland

I Need Your Smile

I need your smile tonight
so very much before I go into work.
I still ache somewhat bad both outside and in,
all I want is my one with your
sweet kisses and smile feeling
all of your deep comforting love
and giving you all of mine as well.
I need your smile and I need your hugs
both before work, during when we could share my lunch,
and then after when I fall into your arms
so happy to see you and know my few days are done.
I love you my dear sweet one and I need
your smile which brightens my night and brightens my soul.

I love you sweet dear and I need your smile,
I am struggling a bit and I am in need
of your deep loving strength.
I just want to hold you before I must go
and know that all is good in the world
because of my Angel whom gives me reason to go on.
I love you my darling and will be reaching
out to you holding you and your hand
as the night goes along,
I will be sending sweet kisses and smiles
to you my sweet precious lady,
I will be sending all of my love and warmth
to you my sweet Queen so amazing.
So my sweet love please make this night good
and send me that smile so big,
I am having a hard time and I just need my lady so good.
God bless you sweet Kira and through the night
smile for me as you feel my loving arms
so tightly in true love around you.
You are my rock and your are my shining star oh so bright
and it is you that helps keep me fighting along.

Michael P. McParland

Love Note 518

Good afternoon my precious sweet love
and in the very short bit I'm up
I wanted to tell you
I love and adore you so very much
and am in want of you to be
right here cozied up next to me
snuggling away these hours
ahead of us my sweet dear.
Tonight I must work
and don't know when I will be
getting up and I'd like it if you
spent time in bed next to me
as I drifted off.
I want my Angel, my best friend,
my Queen, I want the woman who means
everything in every great way to me.

So I send you sweet kisses
and huge hugs filled with my
never ending warmth and loving.
God bless you my Kira
and know that your Michael
is with you giving my loving smile
while holding you and your hand
saying I love you babe more
that anything because
you are an Angel straight from the heavens.

Michael P. McParland

Rest Your Head (On My Chest 4)

Rest your head upon my chest
and cozy up my sweet Angel dove.
I ache so very bad and am exhausted
from work my only one.
I just want to curl up with you now
and snuggle feeling so very good
and so very warm,
I want to snuggle with my beautiful Kira
and kiss you over and over before
we go to sleep feeling whole, soothed, and complete.
Cozy up my sweet dear and rest your sweet head
upon my chest and we'll take away each others
aches and pains as I stroke your hair
and rub your back.
I love you sweet one and long to have you
right here in my arms while you cozy up
and rest your head on my chest for the most
restful and peaceful sleep that there is.

Michael P. McParland

Aching, So Exhausted

Home from work now my sweet Angel dove
and I send sweet kisses and warmth
before all else my love.
Sweet kisses and huge hugs of true love
and care saying I love you sweet dear
and I wish more than anything
that you were to wrap up in my arms
and look in your eyes saying those
special true words of love
from my heart and soul before I pull you in
for the sweetest most passionate kiss
two best friends and soul mates can ever share.
A sweet kiss for my Kira on this
very aching and exhausted morning.

Dear my body is truly so badly aching
so as I now need and want a soothing
and relaxing shower I wish you could join me
to just both smile and hold each other.
Talk sharing the softest and most loving
kind words about how we are so happy to be together,
and just kiss so very sweetly
giving this morning the brightest
and happiest meaning and feeling that there is darling.
I love you my Kira and so long to hold you
this morning as we move through it
curing all of our achings physical, spiritual,
and emotional because we would be with our Angels
who truly are our everything.

Then after that shower sweet love we would snuggle
for a short bit just talking, kissing, reading,
and knowing all was so good.
You truly are the worlds beauty, my Queen and Angel,
and the only one I am needing and wanting,
so then after a short bit I would cook us
the steaks that I bought us before I left work,
a wonderful treat for me and my Angel
to take away the ache and a nice treat to fill us up

before we lay down for a while my darling.
I am aching and exhausted and it is you I want
to spend time with because you are amazing
and a truly great treasure I want to be with forever and ever.

Michael P. McParland

Love Note 517

Good Sunday night
my very beautiful best friend
I love and adore so very much.
I have finally gotten up and moving
and in a minute must start
getting ready for work.
I just wish I were with you
to spend this about 40 minutes
before I must head out the door
to complete this night.
I just miss you so badly
and at this moment am feeling very emotional.
I love you my darling
and I am so very sorry
that I wasn't able to write you more
through this day,
and I am even more sorry
I can't be with you in person
holding you so close in my arms.
I miss you my lady
and wish we could be snuggling,
kissing, and talking away.

Sweet dear please hold my hand
through this night as I hold yours
giving each other such deep
warmth and strength.
I am not ready in many ways
to go face this at all.
I will be thinking of you
and as ever you will be in my prayers
sending all of my love
and myself to you my beautiful girl,
I just want to be holding you
comforting us both to feel so good
and face this night ahead,
I just want to feel sweet relief and heaven
within you kind loving arms.

So now my sweet one I best
get up and get ready to face
this night of work for which
I am so not ready for.
Feel my arms around you through
this whole night my precious darling
and know that as ever your Michael
is right there beside you.
I so truly adore you
and my heart melts because of
how wonderful you are
and in true love.
Kira you are my Angel and it would
make the night tolerable if you
were here to hold before I go
and then if you came in to say hi during.
I love you sweet lady
and I will make it through
because of all the loving strength
that you send so please
give me that smile and know
that I am also there with you
keeping you warm and safe
soothing you in my arms
and giving thanks for all that you do.
Have a good night
and know that all will be alright
because I am your Michael
and I am always with you
holding you tightly.

Michael P. McParland

Return To Me 3

Return to me so soon
my sweet Angel dove.
Return so I can pull you
lovingly into my arms
and wipe away your tears.
Return to me to hold each other
while we help each other heal
always being there for one another
as our hero's and true best friends.
Return to me and we will
be back home,
because home is in each others arms
where true love lives and grows.
Return to me so soon
my beautiful only one,
because I love you more than anything
and I'm so lonely without you.
You are my other half
and my shining star
and I adore you more than all things
on this earth and in heaven combined.

and a treasure oh so very rare
and I would give up my whole life
if that was what you need.
I love you dear and will always
give you my all and best of everything,
return to me my beloved Queen
and let me give you all the love
you'll ever want and need.

I just want to spend this Saturday afternoon
with you my most beloved beautiful lady.

I'd love to go with you on a nice walk
in the park where we could lay a blanket down
under a tree to sit and talk as well as read
from a book we have chosen,
I prefer though to read your poetry
and the stories you have written
because I know all of your works
will be so brilliant and lovely.
To spend an afternoon in the park with you
my dear darling would enhance all the beauty
and make everything perfect.
I want this Saturday afternoon with you
my fair lady knowing true peace and calm
as our hearts and souls are healing.

After the park I would love to take you out
and buy you some wonderful gifts,
take you out to a wonderful dinner
and just spend time in any way that we want.
It is only you and your company that I so desire
and to be next to you holding you
and your hand ever so tightly is what I so hunger.
You make my knees buckle with deep excitement

and my heart melts for you because
you are so gorgeous and truly magic.
I love you sweet lady and want to be with you
giving you kisses all over over and over.

So now the game's over and I wish
I could celebrate that with you this moment,
then just tell you I love you
and thank you for being you and all of
the great love that you give me.
I want to just hold you as we spent the day
and then night cherishing the Angel
that I am so blessed to know and have love me,
I want to be able to serve you
making you so very proud and very happy.

A very beautiful good night
to you my sweet Angel dove

for me to go back to bed
and then thankfully it went away
while I happened to sleep
the entire day.
I will email you dear
and explain in full after

you so close and am surrounded
in all of your beautiful love.
It makes me feel so safe and loved
and keeps me warm,
you give me hope where on a night after
waking up I felt so very anxious
and more than a bit sad,
I felt your great light
and it picked me up giving me strength

and desire to carry on
completing what I need to.
You are a blessing I'm so proud of
and I thank you my dear
for always being there for me
that man who would do anything for
his beloved Queen that means everything.

and give me peace in whole.

and feel peace within
your entire heart and spirit,
remember I love you more than anything
on earth or in heaven.

as on my chores I get started
and I will be holding you throughout
saying sweet one I so love you
and will be with you forever and ever
giving you all of the best
of everything always that I am able.

Kissing Your Lips (Goodnight)

Goodnight my sweet love I am so tired
and about headed for bed.
I just want to hold you so close to me

knowing I'll forever be your protective man,
come cozy up my sweet one inside my strong arms
and look in my eyes seeing all the truth I hold inside.

Love Note 514

Good afternoon to you
my beautiful and loving
sweet Angel dove.
I truly am now just arising
from that very long sleep
and I want to thank you
so much for all of your loving,
care, and truly deep patience
and understanding with me.
I could feel all of your great warmth
and love surround me dear
and I was able to find the peace
that I needed to get all this rest
that my body and mind
have so badly needed,
thank you my darling so deeply for everything
I love you sweet lady
far beyond anything and everything.

I pray you have felt all of
my never ending warmth and love
with my hand in yours as I
am always with you.
Please my sweet one don't be upset
or or worry and if you have been
crying I would give anything
to pull you in closely drying
those tears away as I reassured you.
You are my Angel and I can't
possibly state here all the wonderful
comfort and joy that you bring me,
you are a miracle I always thank God for.
I love you sweet lady and am truly
always here for you because there
isn't anything I wouldn't do
for my gorgeous lady.
I will always stand by you
sweet one and fully support you
because I adore you and am so

truly proud of you.

So again my sweet one
I thank you in full heart and soul
and so very soon
I have to head out the door
for my therapist
and I will write you as soon
as I return.
I love you my darling one
and wish that as I had lay down
for all this time you could
have been next to me to kiss and hold.
I am sending you huge warming hugs
with the sweetest of kisses
my darling dear and remember
that your Michael is right there with you.
I love you my darling
and I always will because you are
the greatest and I want only you.

Michael P. McParland

I Want To Hold You 6

I just want to hold you right now
my beautiful dear as I lay down
for a little while.
I am so tired and still quite a bit aching
and all I want now is to listen
to my audiobook while I hold my lady,
I want to kiss you so sweetly
and snuggle so tightly as you rest
you sweet head upon my loving chest.
I want to hold you and give you all of
my warmth and love as I feel so safe
and accepted within yours.
I love you my dear and as I now rest
I truly just want to be holding you.

I wish I could be holding you now
instead of having to dream instead
but I know that it will happen my sweet Angel dove,
I can't wait for those days when
all of the stresses will melt away
as I take you into my arms and every single time
my heart will melt for you again and again.
I love you my darling and am reaching out
as my eyes are heavily drooping
to hold you in spirit and give you deep comfort.
I just want to hold you because you are
so sweet and because you are my beautiful Kira
and I need no other reason than I truly love you.

Michael P. McParland

Work, Another Night Done

Good early morning my sweet precious darling,
I have arrived home from work for
just about ten minutes and now with another
night in the books and down once again
I just want to take you in my arms
and kiss you so sweetly time and time again
saying I love you my Angel so let's
go get in a soothing and cleansing shower
so I can get cleaned up and refreshed
with my beautiful lady,
then after to just fall in each others arms
talking, and listening to a podcast or music.
Another night of work is done
and I just want to snuggle with my only one.

I am quite tired my dear precious darling
and I just want to spend this morning
feeling your spirit as we are snuggling,
I love you so deeply and want to give
you all of my deep loving comfort
reassuring you that your Michael
is always with you.
So my sweet one it is with you I want to spend time
because I truly love you more than anything
and it is only you my shining Angel above
I want and desire to be with forevermore.

Michael P. McParland

A Quiet Restful Afternoon

After a long and hard aching night
which continued on through a fair part
of the early morning light
I am so very tired my dear darling
and need to lay back for a good rest and recharging.
Please come join me and free all of our
longings, upset feeling, and all our tears,
come be with me my sweet one
and spend a quiet and restful afternoon
just feeling better as we heal together.
Please my sweet one come cozy up by my side
as I give you sweet kisses and smiles
before we rest and I tell you I so truly love you.

I need you my sweet Queen to spend
a quiet, beautiful, and peaceful afternoon
to feel complete and whole as I get
some much needed rest before work.
I want to hold you and show you
just how very much I truly care
because you are everything to me my Angel so fair.
I love you my sweet precious Kira
and all that I want is to be with you.
So a quiet afternoon with you in my arms
is what I'll be dreaming of and longing for
as I now lay down.

Michael P. McParland

Morning Note 196

Good morning my sweet
beautiful love and as I rise now
for a good while I thank you so much
for all of your love and deep
caring strength you have been sending.
My body is still very much aching
but I feel good enough now
I can get up to eat and take a shower.
I love you so much and thank you
so deep and intently for always
being so truly amazing.
I could just use this morning
to sit talking with you
as I relaxed to still get feeling
better before I must go back into
work tonight my sweet lady.
I so very need a beautiful
and very good morning with
my sweet precious Kira because
I need my dear one to make
all of my aches and pains feel better
as I just so tightly hold her
and sweetly kiss her
letting her know I'll love her forever.

So a very sweet sweet good morning
to you my most precious lady
and I am reaching out to so
very tightly hold you.
I wish you were here so in the shower
we could hold each other and I'd
have your help in case all of my
arthritis and cramping returned bad.
I would just love to be kissing you
and seeing you smile as we felt so
refreshed and better.
I love you sweet Kira and as I go
about these things I will dream of you.
You are my hero and there will

never be enough words or completely
the right ones to fully describe you
because how can I ever share with the world
what an amazing Angel and Queen you are
my beautiful lady.
My hand is in yours as it will
be forever so close your precious eyes
seeing my loving smile as you feel
every one of my sweet loving kisses.

Michael P. McParland

Aching Morning, So Very Longing

Having arrived home from work
my sweet one just a short bit ago
I can now write to you as my aching
body is coming under control.
Halfway through the night my arthritis
and cramps from dehydration kicked in so bad,
I fought threw the last two and a half hours
because I needed too and I thought of you
many times wishing you were right there
to turn to and help ease the pain
in every way that you do,
I am now reclining in bed and I am
so very longing for you to be right here
by my side as my body starts to relax
and I just fully rest.
I love you my sweet darling and I wish
more than anything that you were here by my side
helping each other to heal from all
of our various achings and longings.
I love you my dear and will forever just want you near
as I give you sweet kisses and hold you so near.

So I wish you a very early good morning
my sweet beautiful lady
and feel my arms around you in comfort
as I lay back to try and let all of my
various achings relieve just a bit,
I so long to see you and in my dreams
is all I can do currently
so I will close my eyes to see my Kira so good,
so beautiful, and my everything.
I just so ache on this morn and long to have you
right here by my side because you are the greatest
and I love you more than anyone or anything.

Michael P. McParland

Michael P. McParland

A Simple Sunday Relaxing

Good morning in the afternoon my sweet love
and as I now finally rise from sleep
I want to send you this sweet kiss
and say I am so so very sorry I have felt
so worn out and been sleeping quite a lot.
There are other reasons as well beyond
my medications and a part truly is
from missing you so much and feeling lonely,
and for today as I awake my dear lady
I just want with you a simple Sunday relaxing
before tonight I have to go in to work
where the feeling of being alone at least doubles,
and the I just wish that I had you to come home to.
Most of all baby though I just want to be able
spending this day relaxing beside you
talking, giving sweet kisses, and seeing you smile.

Just a simple Sunday of hearing your voice,
sharing the left over burgers from last night out.
To read and watch a movie with music too,
and then after dinner an hour nap to rest
before I must sadly get up and go.
I love you sweet girl more than you know
and I just want to have you wrapped up
in my arms as we share the simplest
and most wonderful day that there is.
I love you my Kira and need you so bad
to make these days good and because you're my everything.
I am dreaming and longing for a simple Sunday
filled with nothing but time and pure love
with Kira my truly beautiful Angel.

Michael P. McParland

Evening Note 107

A very beautiful good evening
to beautiful you my sweet one.
I have just arrived home from
a wonderful and delicious dinner
I would give anything to have been
with you enjoying a good time
with the best of food,
just being with my beautiful
best friend would have made it
the most wonderful night to have enjoyed.
I ate way to much and now
your fat man is overfilled,
a time to recline with you and read
from our book out loud as we relax
before a good movie we'd both so enjoy.
That would now be the perfect evening
with my perfect Angel I want now more than ever
hand in hand side by side
sharing sweet kisses so full of light
and endless loving pride.

So a most wonderful and beautiful
good evening to you my gorgeous
sweet Angel dove and Queen I so adore.
I am so full and truly wish
I could cozy up with you to
also cure the sad loneliness I feel,
I want your arms around me as we relax
and let our body's and spirits rest
with each other feeling peace and calm
fill us full while we smile
in pure love at one another.
I love you my sweet Kira and just want
to spend these evenings and all nights,
days, inbetween with you because
you are my most beloved Queen
and you mean everything to me.
God bless you my sweet one
and feel all my prayers with

my arms around you in spirit
giving all of my strength,
warmth, deep love, sweet kisses
and huge hugs to reassure you always of my deep care.
My hand is in yours as I am
beside you and just wish you were here
to share a beautiful evening
with each other in our own big world
that is for us, some for the kids
and only a few when we want my dear.
That's what I want tonight
with only beautiful you.

Michael P. McParland

Sweet Saturday Afternoon

As I sit here my dear love
this afternoon playing my game
NCAA Football 14 and listening
to my scary story podcast I think of you
and all of the times that we spent.
I ache and long in my heart
to be spending time as I do this right now
you right here by my side cheering along,
smiling as I win the game just for you.
I want a sweet Saturday afternoon
with my only girl knowing that you are alright
feeling safe and happy as we sit with each other
having a good time with the kids
and the one that we love.

This evening after our sweet and wonderful
Saturday afternoon I want to go to dinner
with only you.
To make your night special and make you smile,
to have the time alone that we have so wanted and need.
I love you darling and want you to be with me,
I long and ache deep in my heart to be
spending each day and night of my life with only you.
Then after dinner I want to come home with you
my sweet beautiful lady and as some of the
lower divisions of College Football have started their seasons
I would like to watch a little bit of that
with you as well as a movie.
I want to read with you and just pass the night through
before I have to work through the next two.
So a sweet Saturday afternoon, evening, and then night with you
is all I desire with my Angel so good.

Darling as I sit here right now with my game
and podcast going on I think of you
and long so very much to just have my arm
around you as you cheer me on,
to give you sweet kisses and my big smile
so filled with love after each Touchdown.

I so love you and truly always do my best for you
and I want to give you the best and most beautiful
Saturday afternoon of fun and quality time.
You are the greatest and you are my Queen
and I want nothing more than for you
to be right here hand in hand beside me.

Michael P. McParland

Morning Note 195

Good morning again
my beautiful blessed
sweet Angel dove.
As I am getting up now
to get moving in full the first
thing I wanted to do was wish you
a beautiful good morning
and say darling I love you,
it is a rainy and cool one here
and I wish as I now went about it
you could join me in everything.
Good Saturday morning my sweet
precious Angel and know that
your Michael is with you,
proud of you, and so deeply loves you.

First thing to do is shave my head
and with these cheap clippers
that aren't good at all I would love
your help to get the spots it screws up
and that I cannot possibly see,
and then a nice refreshing shower
to start off the day feeling so good
as we washed away all the stresses
that build and weigh down,
a nice shower just holding each other
kissing and smiling under the water
that feels so very good.
Then we would just see as the rest of
the day comes taking it step by step
enjoying our time.
I only want to be with my gorgeous Angel
spending good time and sharing everything
that we find so wonderful and amazing,
I want a great day with my hero and best friend.

So God bless you my Angel
and know I an thinking of you
as I reach out to give you big hugs,

I am sending the sweetest kisses
to give you deep warmth.
Kira I am always here for you
and just want you to understand
all the business and hard moments I'm facing,
I am giving my best and not trying
to ignore you nor will
I ever forget you.
Have a great one and know that soon
we will share all of these great times
because I am so waiting and will only
ever give myself totally to my great one.

Michael P. McParland

Saturday Morning In Bed

Good morning my gorgeous sweet Angel dove
and as I lay here fighting to come fully awake
I wish you could just spend this
Saturday morning in bed with me.
I need and want so badly to just talk,
kiss, and hold my most beautiful girl,
I just want to look upon you and revel
in the worlds beauty which you truly are.
I still just feel tired and depressed,
oh my sweet darling I love, miss,
and just want to have you by my side so very much.

Good Saturday morning my beautiful and truly
most beloved Queen I adore to no end.
I have so very much I want to share
and as I roll over right now I wish I could
just be wrapping my arms so very tightly around you.
To share my heart with you and all
of myself completely as a few tears may come
from all of the frustration that's been around.
I love you sweet lady and truly need little more
than a Saturday morning in bed with you snuggling
because you are my hero, my best friend,
my beautiful true love and Angel and I only want now
to feel your great warmth as we lay here talking
and just holding each other knowing that there
is hope and light in the world around us.
Good Saturday morning my beautiful blessing
and know I am right here waiting and praying.

Michael P. McParland

My Sweet One (Peace In Your Arms)

I have just arrived home my sweet one
from a frustrating trip out to the store.
Too many people getting in the way
and then almost hit by a horrible driver
as my mom and me were just about home.
A few other things and I'm feeling
a bit aggravated but mostly upset with me
and I just want us to fall into
each others arms to relax and feel peaceful
as we get away from the world and wait
for the dinner I bought to cook.
I want you my sweet one and the peace in your arms
because I need the safe solace to
release in your arms.

I love you my sweet one and it's been
not just a long day but in many ways
a very long and frustrating week.
I just want to spend this Friday evening
within your arms decompressing
from all the stress in the world,
I just want my sweet Kira by me now
holding me tighter than ever before
reassuring me all will be good and alright
as we just lay back here waiting for
a dinner so pleasing and very good.
I miss you sweet lady and just want you near
to be in each others arms and take peace
from the deep caring true love we've always shared.

Michael P. McParland

Love Note 513

Good afternoon my sweet Angel dove
and I truly hope and pray
you know that I am doing my very best
and it's because I love you more
than anything.
I feel and know you deserve the best
and immense amounts of true, kind,
caring, and fully giving love
because you have never been truly treated
and given all like the gorgeous Queen you are.
I wish you would not be angry at me
and know I will always be here for you
and right by your side to give you
all of my support and endless love,
I am having a bit of a hard day
and feeling frustrated, depressed,
and quite lonely,
I just want and need my beautiful lady's
understanding, sweet words, and support.
I just wish we could talk
and I could hold you so very close,
God knows I need your arms around me
as I hear your Angelic voice
and that gorgeous laugh as I tell you
little jokes and stories from my life
and that I've heard to cheer you up.
I want my sweet lady and need to
make you so happy as I feel joy
being with you knowing heaven on earth
is a truth and can happen.
I love you my sweet darling
and want to share the whole day
with sweet kisses all the way through.

So my sweet one I say it again
to reassure you.
I'll never leave you or break your
precious heart and leave you
abandoned in the freezing cold

that is the hell of your best friend
and true love just walking away on you,
I don't ever want to lose you
or hurt you in even the slightest way,
to torture you in such a way
I could never forgive or live with myself,
I just want you in my arms, by my side,
hand in hand through all eternity,
you are my hero and soul mate
and you being upset, angry,
or crying for any reason twists
my heart around in deep pain.
I'll always strive to do all the greatest
and my best for you my sweet Queen,
I so want to be the hero you'll
know you can always count on and turn to
because I truly will always be here
no matter what and no matter when
for my diamond so rare.
I'll always give my all
for the woman I love more than anything
or anyone on this earth or the heavens above.

So have a good afternoon my sweet girl
and feel my arms around you
as I reach out to pull you in
and give you sweet kisses supreme.
I know I'm not always the best at what I do
but for my sweet beautiful Kira
I will always give the very best
that I have because you are a blessing,
a gift, and divine Queen.
You are all I want and need.
God bless you my sweet one for to me
you truly are the worlds beauty
and I just want to share all in this world
and the life and kingdom after this
with you my dear love I so adore.
I will always be yours and yours alone
because you are my joy and the only one
I want to hold and would be happy with forevermore.

Michael P. McParland

Sweet Good Morning Kisses And Caresses

Good morning sweet lovely girl
and I send you sweet kisses of true and pure love.
As I now rise from another rest
I wish I could pull you in and reassure you
as I softly caress you and tell you you're best.
These meds plus my regular are making me
so very tired and I'm sorry sweet one
I keep drifting off in all of this exhaustion.
I just want to spend time and let you know
just how very much that you matter
and right now give you the sweetest good morning
caresses and passionate kisses.

Good morning sweet darling and my first thoughts
and desires are of you my sweet precious Kira.
I just want to see your smile as I say I love you
and that it is payday so soon out to lunch
or dinner I am going to take you.
Whatever you may desire and want is what I will
do for you my sweet Angel so amazing
because I just want to make you so very happy,
I want in all ways that there are to make you happy,
and to start that off I would make you your coffee
here in the morning as we sat back kissing,
snuggling, and sharing the softest caresses of
two great and caring lovers.

Good morning my sweet beautiful Kira
and I am sending you the most sweet deep and tender
passionate kisses with the most loving caresses.
I love you so deeply and just want to share
and give you all of that which you've
so needed and been truly deserving.
I long for your presence and to just put
my arms around you as I give you myself in full.
Kira you are an Angel who gives me hope
and lights me up,
you're a shining star and my sun in the sky,
you are a blessing I'll never deny.

I love you my dear sweet Queen and Angel
and I'm sending you the sweetest of good morning kisses
with sweet loving caresses as I reach out in spirit
to so tightly hold you and let you know
I'm yours forever.

Michael P. McParland

A Tired Night Yearning

I'm feeling a little bit more
than a little tired my dear
and I just yearn in my heart,
soul, and whole being to have you here.
To just gaze in your eyes
as I give you a kiss and say Kira
I love you you're truly the best.
I long for your voice and your soft
and tender loving touch.

I am just tired and I miss you
I yearn to have you right here in my arms.
You are my Angel and I'll continue to say it
because you are my beautiful best friend

because you deserve to be treated like a Queen
and so much better than you've ever gotten.

just always making you so proud and happy.

It is a night of which I am more
than just a little tired
and I am hungry as well are you my sweet darling?
I want to cook for you and see your
enjoyment over something I like doing
for my dear loved ones.
I yearn to see that bright smile
and your gorgeous eyes so brightly sparkling
as we just spend time doing whatever.
Listening to music and reading
while also watching more of one of the movies
I've started and haven't yet finished my lady.
I just long and yearn for your Angelic and loving company
because I love you more than anything
and you are my soul mate, my hero, and true everything.
I just want my Kira who loves me and accepts me
for the man that I am which is something
that means more than she can know ever.

I am tired my darling and quite a bit lonely
and you are the cure because you are my true love,
you are my prayers and a gift my sweet Angel dove.
I just yearn to hold you as I look upon you
and feel the greatest, most tender, and fulfilling
kiss and touch one could ever hope for.
I love you my darling and yearn for our time

Michael P. McParland

Relaxing With My Girl

Oh my sweet girl I am so sorry
I keep drifting off and falling asleep
right now so very much on you.
These medications for my neck and right arm
are making me so tired that on my own
I feel so lonely and don't have you to
relax with, talk to, and spend
such wonderful quality time
that I'll close my eyes and fall asleep
for hours and hours.
I so wish you were here to sit by my side
and to have a good night doing fun things.
I am reaching out to you my sweet one
to wrap up in my arms and give all my love.

Right now I plan to sit back and play a game
of NCAA Football on my PS3.
I'll win it for you and would give anything
to have you here watching and cheering me on,
just one of the things I would love
to be doing with my sweet Angel dove
as we shared some sweet kisses after every Touchdown.
So many things I would just love to do
while hearing your Angelic voice as we talked along.
I love you dear and miss you more
than anyone can possibly know and I just want
to spend the whole night relaxing with my gorgeous girl.
I just want to have my beautiful and amazing
Kira right here to be in each others loving arms.

Spending the night relaxing with you
is what I so long for as we would just open
our hearts and souls sharing all.
A night of true passion as we just sat
so very close and shared all things
that we care for, enjoy, and love above all.
I want to know and to share all of my girl
that she wants to and is willing to show
the honor it gives to show the trust in me.

I just want to know that I make you feel safe
and give you the greatest feelings of peace,
I want to share a relaxing night showing
and helping you know I believe in
and have the greatest of trust and faith in you.
I love you sweet girl and wish I were relaxing with you
because are everything I want forevermore.

in your pure greatness above everybody.
I know you and see you for the wonderful
person and Angel you have been forever and ever,
and I know the love and great friendship and bond
we have shared through all eternity.
I could never give up and leave you nor do I want to
as you are the woman I am such in great love with.
Please come and join me for a romantic night
of dinner, reading, and a movie by candle
while we also talk and share the sweetest of kisses.
You are amazing and I just want you to know
as I lovingly show it.
Kira you are so beautiful and my heart and souls
most beloved holder so I truly want to spend all time
with you the greatest gift of a true love
anyone could ever hope, dream of, and ask for.

Catnap Snuggle

After spending a good while reading
and watching a bit of a movie
the thing I want on a tired
and quite lonely afternoon sweetie
is to lay down with you on the couch
and hold you so very tightly as we catnap.
I just want to kiss you on your neck and cheek
while whispering in your ear
I love you so much.
I just want to lay down on the couch
and spoon with you feeling whole
and complete while we smile and catnap
with our best friend for a little while
soothed and complete because we so truly love one another.

Michael P. McParland

Love Note 512

Good morning my gorgeous
and beloved sweet Angel dove.
I'm so very sorry I have not
written so much sooner but I have
been asleep the entire time
since I last wrote you my beautiful girl.
I was more exhausted yesterday than I knew,
and I thank you for all of your
loving strength and deep care
that helped me in all ways I needed my dear.
You are such a true blessing
and a diamond in the rough
so as I now rise I have a reason
to smile because I can feel you here
and know you are sending sweet kisses
just as I send them to you,
I adore you sweet girl for the gem
that you are and want to share with you
all that I have in my entire world
and I want you to share with me
what is in yours as we celebrate everyday
in complete and true love.

Tomorrow is payday my sweet love
and I wish as we sat back enjoying
each others company and the day
we could plan what you'd like to do
after a few smaller bills were paid.
All I want is to take out my sweet Queen
and give you the most beautiful
afternoon or night as you would prefer.
Today I would just like to sit with you
and enjoy music, movie, talk, and my book.
I just wish I were getting up to sit
and snuggle with you.

So as I now get up my sweet love
to get going about the few things I need
I just want you to know you are

my bright shining northern star
who gives me hope in all times
happy, sad, dull, excited, you are
my hope and true one in all.
So have the best of day and feel
my arms around you so tight,
side by side hand in hand
through all time my beautiful treasured one.
I will forever stand with you
as I love you more than anything
and I'm yours alone through all time.
God bless you my sweet Angel dove
and please smile for me as I smile for you,
you are such a beautiful gift and I love
to see you happy and bright.
Remember your Michael is always
here for you and wants nothing more
than to give you the world
so when you're ready feel not a fear
as I am waiting with wide open arms
and a wide open heart so full of
pure and true tender love
that is undying and completely accepting.
I will never leave you my dear one
because you truly are the only one
I want and need through all time.

Michael P. McParland

I Just Need You Now

I just need you now my sweet one
here with me to talk to and be with.
I'm so extremely tired and very depressed,
all stuff I could truly talk about
if you were right here wrapped up in my arms.
I just want you here in my arms
right now for you to rest your head on my chest
as we lay down and peacefully talk and then rest.
I just need you now because I truly love you
so very much and I just want my Angel
to share my time with to help each other
feel better and from all our hurts and scars
from everywhere heal.
I just need you now my sweet Angel dove
because you are the greatest and my only one.

Michael P. McParland

Love Note 511

Good late afternoon
my sweet woman I so love
and adore with every single bit
of my heart, mind, body, and soul.
After such a long sleep from
a physically taxing and exhausting night
I just want to sit back with you
before dinner to both talk
and read for a little bit.
I am so enjoying the book
that I am currently reading
and would love to share it with you
as we took turns reading it
out loud to each other.
I just so want to start
this late afternoon and soon evening
with the universes most beautiful woman
just seeing you smile
as I give you kisses so deep
and filled with the joy of our love.

As I have been up for only
the shortest of whiles
I still feel a bit tired and am dragging.
So I just need that beautiful
little while spent before
I get up and cook dinner for
my beautiful lady.
I so truly love you and want nothing more
than to just spend time
being in your arms feeling true
pure acceptance and love.
I just want my baby to enjoy
this tired night just doing fun things
and growing closer in our bond
as a loving couple.
I love you sweet Kira
and just want to spend eternity
holding and serving you

as the amazing Queen you are.
Just feel me beside you my hand within yours
and never forget that I am yours alone
because I am in no want of another.

Michael P. McParland

Resting My Head Next To Yours

I am exhausted my dear
and can barely keep going at all.
My eyes are drooping and I am
so missing you my sweet precious lady
and I just want to lay next to you
rest my head right by yours
sharing some kisses so good as I pull you in
so we can fall asleep in each others arms.
I miss you my sweetie and want a sweet kiss
from you right on my cheek as we both express
our love drifting off our heads next
to each other and us smiling so wide.
I love you my dear Kira and just want to be with you
as we are filled with peace our hearts
beating and healing together.
Goodnight in the morning my Queen so very beautiful
and remember always that I am yours through all eternity.

Michael P. McParland

Exhausted Morning, So Weary My Darling

I have just arrived home from
a long night of work my sweet love.
I am exhausted and I ache so very bad,
the first thing I want to do
is pull you in so very close
and say I love you so much my sweet darling
and then give you the biggest kiss.
Then after that the most soothing,
relaxing, and cleansing shower,
then to just fall in your arms as we relax
for a good while.
I'm so exhausted and weary my precious lady
and I just want and need you on such a morning as this
and all mornings no matter the mood or how
I am feeling because you are my Angel
and truly the greatest.

I just want to share with you everything
that went on and happened.
The frustrations I feel but far more important
share with you the things that I did
I feel so proud of so you can share in the cheer.
I just want to feel peace as you nuzzle with me
and share this exhausted and weary morning
sharing sweet kisses with your faithful and loving man,
and I just want to share this weary and aching morning
with the woman and Queen I love, cherish, adore,
and care for more than anything because you are
my hero and best friend who my heart overflows with
true tender love that is unending and undying
because your are my soul mate I've loved
since time began.
I just so want and need you here beside me sweet one
because you complete me and fill me with joy.

So having arrived home from work
so weary, exhausted, and aching to my very core
my greatest desire is you in total and whole.
I just want you to talk to and kiss,

to spend time sharing each part of life.
My heart so longs and hungers for your tender touch,
I yearn to see your smile and hear your
sweet Angelic voice.
I just need you so bad because you are the best
and as I will sit down after my shower
I just want to lean against you
and hold you so tight as we share all that
we think and feel laughing, smiling, and feeling so close.
I just want to spend time with the woman
and Angel I love the most.

Michael P. McParland

Holding Your Hand Tonight

As I get up now to get ready
for I must soon go to work
I want you to know how much I love you
and that I will be holding your hand
in spirit as I send sweet kisses
through the whole night.
I am so nervous and feeling stressed darling
and I know you are feeling so lonely
and just want to be held and comforted.
I am reaching out to hold you
and your hand through the entire night
to soothe you and give you deep comfort
knowing that I am right there always beside you.

and need for you to know how amazing you,

I will hold you so dearly with my hand in your hand
and listen through the night as I say
I love you my most beloved sweetie.
You are my dream and my only true love
and I just want eternity with you in my arms.

Michael P. McParland

Rest Before Work

I am tired my dear and need
to get some rest before I work tonight.
I will be dreaming of you
and holding you so very tight,
feel my arms around you
and my lips upon yours as in spirit
I so lovingly and tender reach out.
I would give anything to be snuggling with you
and sharing our warmth together
knowing everything will be fine and good.
I must now get a few hours rest before
I must get going and ready for work
and the most perfect thing on this earth
would be my Angel in my arms
jut resting your head upon my chest.
Know I am with you and that you're on my mind
because you are my everything my hero best friend.

Michael P. McParland

Michael P. McParland

Home Early, Cozy Up Darling

I'm home very early from work
my sweet darling dear.
I got very sick half an hour
after arriving there.
I was shaking, and freezing while
throwing up all the fluids I was drinking
to compensate for all of the loss
and stayed for two more hours
before I finally gave out.
I arrived home a short while ago
but felt so very sick I just had to lay down,
and now that I am feeling a little better
I just wanted to tell you right away
that I so truly love you.
I wish you could be here to cozy up
right beside me just snuggling and talking
while we were relaxing and my stomach got feeling much better.

First I just want to jump in the most
cleansing, refreshing, and soothing shower.
One to wash away the headaches and sickness
I've had to deal with the entire weekend,
wash away all the sweat with the dirt and stress
feeling better knowing after I can
just relax with my beautiful lady.
Afterwards I just want to relax with you
sharing sweet words and kisses in bed
as I get so cozy with you.
I just want you to curl up in my loving arms
and rub my big tummy to keep it feeling better
and for the day make it steady and true.
Oh my sweet Kira I so love you
and you are the medicine I forever need right by side,
you are a blessing and my beautiful Angel
and after a frustrating weekend I want to cry on your shoulder.

So as I am home early from work my sweet darling
having been so very sick and tried to fight through
I now just want the perfect shower

and then afterwards to cozy up with my hero and soul mate
who's a true gift and blessing.
I so need your sweet kisses as I pull you in
so very close to me and look in your sparkling eyes
saying Kira I adore you and so deeply love you.
You are the greatest and a very rare treasure,
you are the crown jewel of my heart and you keep it beating.
I love you so much and I need you because of that
and I want you to just be here and cozy up.
I will be dreaming of you as I lay here my dear
and sending you all of my warmth love and strength
so you will know I'm with you holding you tight.
God bless you my Kira you are a miracle
and there is no doubt I'll never be in want of another.

Michael P. McParland

Love Note 508

Before I head off to work
I just wanted to say
my sweet Kira I love you so much.
I fell asleep after I last wrote
and drifted off from
all of the drained weakness I felt.
I love and miss you so much
and will be thinking of you
while I am gone.
Feel my arms around you
and all my sweet kisses
and just know I wish I were
in bed with you holding you closely
just spending time and gently talking.

Michael P. McParland

Love Note 507

Good late morning to you
my sweet Angel dove
and I wish I could just hold you
as I lay here still.
Just give you sweet kisses
while listening to my classical
and look in your eyes
smiling as I say I love you my dear.
I miss you so much
and have been dreaming of you,
I truly wish I could spend
this whole day snuggling with you.
Have no worries of work
until I had to go
and just have the company
of my Angel so beautiful.
I'll continue to dream of you
as I lay here a little while more
and I'll be sending you
all of my love and warmth.
I adore you sweet lady
and just want you to be right here
arm in arm forever with me
because you are my best friend,
my hero, and beautiful everything.

Michael P. McParland

Sunday Morning Holding Each Other

Good Sunday morning my sweet precious Angel
and after a long day and part of the night
struggling with a migraine from hell
I just want to lay here with you
holding each other as I feel so physically drained.
I am wiped out after feeling so very sick
and I want to lay here with you for a bit
before I must soon get up.
I have to work tonight and my nerves are already
starting to get to me so please come spend
Sunday morning in bed with me holding each other
so tight and warm feelinmg comfy and good.

I wish you were here so I could thank you
as I build my strength back up on this day.
Just want to hold you as I lay here
right now for a bit more.
I just want to hold you so close as I put
some soothing classical music on
and give you the sweetest kiss and pull you tightly in.
I need this Sunday morning of us
just tightly holding each other because you
are the one that makes me feel whole
and after being sick with a morning of nerves
it is you that I want to be with as you
always make me feel so very good.
Good Sunday morning sweet Kira I love
and I just want to spend it in each others arms.

Michael P. McParland

Love Note 506

Good late afternoon
my precious sweet Angel dove.
I'm sorry I've been quiet
but a fierce migraine has been haunting me,
I have felt so very sick
and couldn't even manage to sit up
and I wish you were here
to hold me so close.
I feel a bit better
but it is still hanging
and as it's eased up
the first thing I wanted
was to tell you I love you.
Feel all my warmth as I
reach out to hold you
and give you the sweetest of kisses
any man could give to his Angel.
I adore you sweet lady
and am dreaming of you
as I lay here trying to feel better.
I love you my darling
and will write you
as soon as I am feeling much better
and know that I am with you
the entire while.
I'll never leave you
and am always here for you
because you truly are my best friend,
my true love, and amazing hero.

Michael P. McParland

Lying Down For Awhile

I am tired sweet love
and am going to lay down for a short while.
I miss you so much and wish you were here
to rest your head on my chest
while I rubbed your back and stroked your hair.
I just want to feel your soft loving touch
as we're lying down for a good rest.
You bring me calm and fill me with peace,
right now I'm aching so bad and need you
right here with me.
I'm lying down and will be dreaming of you
while sending all of my warmth and love
with sweet kisses too.

Sweet love I am lying down for awhile
before I need to get up and complete
a few chores and things that need doing.
I am reaching in spirit to hold you so tightly
so listen for my voice as I say Kira I love you.
You are the greatest and truly a rare treasure,
you're a diamond in the rough
and I want to be with you forever.
I'm now lying down and I wish I could hold you
because you are my hero and best friend,
an Angel I so love and adore to no end.
God bless you sweet lady you are a gift
and true blessing.

Michael P. McParland

Wrapping You Up In My Arms

I'm wrapping you up in my arms
to fill you with all of my love
and comforting warmth as I now lay down.
Come and snuggle with me
sharing kisses so deep and sweet
before you softly lay your sweet head
upon my chest feeling so calm and safe
as I rub your back and stroke your hair.
Let's just close our eyes and softly talk
for a short bit before we put on an audiobook
and then drift off to sleep.
I am so very tired sweet one and about to fall asleep
so I'm reaching out to my true love
wrapping you up in my arms to give us both smiles
as we comfortably drift off feeling peace
and joy in our souls being with the best friend we so adore.

Michael P. McParland

A Sweet Tired Afternoon With My Beautiful Lady

I am so so very tired on this afternoon
and there could be no better way
to spend it than with my sweet beautiful
best friend and lady I so adore,
to just sit up with her holding each other
so very tight for this little while well I am up.
A sweet tired afternoon with my beautiful one
so filled with deep kisses and talk among
other things is all that I want,
a sweet tired afternoon with my sweet Angel dove.

First my sweet dear a late lunch for just us two,
as tired as I am I still want to cook for you,
to see the joy on your face as you eat the good food
and to see you smile as I make you proud.
Then afterwards just sit back so I can hold you tight
as I lean against my lady and rock,
to give you deep comfort as I'm filled with yours
is the contentment and solace I need right now.
I am so very tired and finally need some
really good rest my Queen darling
and I want to spend this afternoon relaxing
with sweet beautiful you.

I need a sweet tired afternoon spent with
my sweet beautiful lady I so cherish and adore,
to bring me such calm and make me smile
as I see hers and look into those sparkling eyes,
I want to just share sweet passionate kisses
while we pass a few waking hours
and then I will hold you so tight when we
lovingly slide under the covers.
I love you my Kira and am so very tired,
I just want to spend a beautiful afternoon
hand in hands arm in arm with you my sweet Angel
right here at my side.

Michael P. McParland

Love Note 504

As I about to head out
the door in a few minutes my dear
I wanted to let you know
I love you so very much
and have been dreaming of you.
I am just so very tired in so many ways
and have been in bed all of this time.
I'll explain all to you later
when I can email you dear
but right now I must get up and go.
I love you my sweet one
and I always will
because you are amazing
and my beautiful Queen I so adore.

Michael P. McParland

during a night of mostly restless sleep
and I know you are lonely and struggling too
so I am reaching out to give you sweet kisses

so we can feel the deep peace we're so deserving.

just wonderfully relaxing.
I need this evening to be with my Angel
just winding down from all of the stresses
spending time and relaxing as you talk to me
and I float away on your divinity.
I so want and need to be with you babe
spending a lazy evening just relaxing
and resting away all the tiredness I feel.
I love you my dear and just want to shut
my tired eyes and rest next to you
while I kiss you so soft and tender
telling you thank you my darling hero,
I just want to lay here pulling you in
to spend a lazy evening doing whatever
it is we so please while relaxing
and winding down releasing all the stress that we've felt.

Michael P. McParland

Curl Up Under The Covers

Come my sweet one and curl up
under the covers with me
to catch some good and much needed sleep.
I am purely tired and deeply exhausted
and I just want to slip into
the world of our own that we have created
to snuggle and kiss ever so sweetly.

I just want to hold you as you
rest your head on my chest while we
drift of in joyous peace together
me stroking your hair and rubbing your back
as we fall asleep so contentedly
to recover our energy and heal our hearts
together with our best friend.

Please come my sweet one because I love you so much
and I want my beautiful woman to kiss
and snuggle with as we fall asleep
under the covers warmed to our very cores
by the true love we feel and share with each other
giving ourselves and our hearts fully in pure loving care.
God bless you sweet lady you are a miracle
and I will always be yours standing right by your side
giving all my love and support forever and ever.

Morning Note 194

Home from work at last

and now all I want is
to wrap you up in my arms
as you hold me so tight as well.
I feel so very sore but my spirits
are up because I felt
and still do of all your
deep strength and love,
I know and could feel
your hand in mine as I pushed
on through the night
with a sense of calm,
a calm you sent me with your sweet

in great abundance and true love
to no end.
I adore you fair lady
and truly am the luckiest man

is my lady's sweet kiss,
then a nice cleansing
and soothing shower

smiling and kissing under
the relaxing flow of the water,
that's what I want and will
dream of as I am in there,
that is the way I want to start
winding down my night my sweet darling.

good food and curl up with you
feeling so very cozy

and blessing I want to be with
through all eternity.

It is now early morning
and I'm filled with desire
to just be with my Kira
reveling in the warmth and fire

your lips pressed to mine
as we so deeply kissed.

deep loving warmth
and just close your eyes
remembering my smile and deep loving looks.

because she's divine and a gorgeous Queen.
I just want to be holding you
so close to me right now
as I kiss you deep and slow
stopping only to say I love you more
and more with each day that comes and goes.

Holding you right now
would be so very very good
and the cure for what's giving me the blues.
To be with the one I love
and tear down all my walls as I poured my heart out.

right now and know that there truly is
good within this world,
I just want to be holding you
and be filled with cheer

head out the door to go get my prescription,
what a trial getting it filled has been,
and before I go I just wanted to say
a simple little message my dear

Waking now from my rest my sweet lady
and I give you sweet kisses in true love

Exhausted Morning Lying With You

I arrived home a bit ago from
my first night on my new job.
Now out of a nice refreshing,
cleansing, and comforting shower
I just want some food and my sweet precious Angel.
I want to lay with you my darling
and just share everything that happened.
I am so sore and aching from the
activity pushing on my arthritis and pains
so I just want to eat and snuggle with
my lady so great.
It is an exhausted morning my babe
and one I want to spend lying down with you.

I am exhausted and aching both inside and physically,
both which are cured by my Kira's sweet kisses.
I want to lay with you and just talk so softly
as I kiss you so tender and say I so love you.
Lying with you and feeling your comfort would
make my exhausted body and mind feel so good.
You are amazing and a total miracle
and I thank you so much for helping me get through.
I am so exhausted my sweet dear so would you now
please reach out and hold me?
I'm reaching out too to hold you so near
because it is only you I am wanting and need
on this exhausted morning to take comfort
and solace as I will rest soon.
You take the pain and chase it away,
I love you sweet Kira and will be dreaming of you
when I lay down and in spirit hold you.

Michael P. McParland

How I'd like to be relaxing here
with the Angel I so love
in these last couple of hours here
before I must go to work.

I want to be with my Angel now.
To feel her light and all her hope,
I love you Kira and want you here to closely hold.
I just want to spend this time with you.

How I wish I were just relaxing with you,
I miss you my Angel and all the time we would spend.

and you would soothe my shaking nerves
with all of you pride in me and confidence.

feeling your glow as we snuggled
and both of us smiling as we were sweetly kissing.

The Kisses Of An Angel

The sweet kisses of a sweet Angel
are the most wonderful divine things
and all I desire.
To hold you so closely while we both
smile so widely as we both lean in
to share that sweet kiss which makes
our spirit soar and on the milky way swim.
An Angels kisses make everything worthwhile
as we fight on together making
this life better and better with each little peck
and deep one of passion going along side by side
hand in hand the whole way in true love.
The sweet kisses of a sweet Angel
are my hopes and dreams because you are so beautiful
and my everything.

The kisses of an Angel come from a pure soul
filled with true love that just wants to give
the best to the one they so care for,
to let them know that they are so special
and that kiss from an Angel makes my heart melt.
I love you my Kira for you are my Angel
and I can't wait to hold you and let you know
how great you are to me in all ways.
I can't wait for my Angel to give her
in return all she deserves because her kisses
will be the greatest just as she is.
The kisses of an Angel transcend all the greatest
things on this earth and I just can't wait
to share them with the one I so love.
The kisses of an Angel are just why I live
because to share them with my best friend
will be the greatest thing that there has ever been
given to or experienced by any man.

Michael P. McParland

Love Note 499

A very good late afternoon
to you my most beautiful, prized,
beloved, and treasured sweet Angel dove,
I hope your day has been well
and you've felt all of my warmth
surround you as no matter
what I'm always by you holding you close
giving sweet smiling kisses
to you the great woman I so dearly love,
I am always there with you
and won't abandon my baby leaving you
so hurt in the cold because you're
all I want and to me your happiness
truly is everything.

I'm sorry sweet one you didn't
hear from me all through the night
and the whole day until now.
Last night not long after
I wrote you my poem I leaned back
and fell asleep as I dreamed
of holding you,
I was more tired than I thought
and by the dreams of you being so cozy with me
made me feel so cozy too

Such a very sweet and beautiful
good night to you my Angel
of pure love and light,
now that I rise from my rest
I give this kiss and smile at you,
hear my voice so full
of sweet loving care
as I say I love you Kira
and wish you were here,
I wish you could just keep me
company as I go to get started
on these dishes stacked up before me.
Then afterwards sit and quietly
find something to do while spending time
so we can enjoy things with
each other before we went back to sleep
feeling ever so cozy and peaceful together.

As I wake here my darling
and get ready to get moving
I can feel you so near me
and smell you long gorgeous hair
and soft skin,
I can feel all your love and it
helps me in more ways than
right now you can know babe.
My heart overflows in true love
so tender and gentle and I pray
that you feel that as I fully send it,
I so adore you my precious Queen

some sweet kisses and snuggle away
a short bit of time together so cozy.

Relaxing With My Lady

I am so weary my lady
from these last number of days
from stress, nerves, and training
and now with a free night from worries
and beyond dishes no real duties
I just want to be relaxing with you
feeling peaceful and calm as I am with you.
Snuggling, kissing, and staying cool
on this hot summer evening are all
that is needed being with Kira.
Relaxing with my lady is all that
would be needed for heaven on earth
because I so love her and find infinite
divine care, joy, and pleasure within her.
Relaxing with my lady is perfection in full
because she provides everything by her just
being the amazing person she is.

Michael P. McParland

Love Note 498

A very good and late
afternoon to you my sweet
beautiful Angel so divine.
I have just arrived home
and before all else wanted to check in
and say I so love you.
I am about to cook dinner,
something quite simple,
and I wish you were here to
eat with and enjoy it.
I just wish you were here to
look at and smile as I gazed
into your gorgeous eyes
letting you know you are
so wonderful and to me truly perfect.
I just wish I could sit here
and hold you as we crossed
over into the evening forgetting the heat
as we turned on the cooler
to then warm each other with
the sweetest most passionate kisses
shared between two true lovers.
I miss you my sweet Kira
and can't wait to be right there
in person beside you.

So my sweet love know always
that you are my true and greatest desire,

Dreaming Of My Sweetie

Just getting up my dear beautiful one
as I soon have to go to my therapist babe
and the first thing on my mind
was my dear beloved Kira I so adore.
Sleep was quite restless but still very pleasant
because I dreamed of you throughout it.
I could feel your great presence with all of your loving
and it kept me so warm and feeling happy.
I'll be dreaming of you while I'm
at my appointment feeling so good as I know
that my lady loves me and that you know
I also love you so deeply.
I have been dreaming of you my darling sweetie
and can't wait to hold you here in reality,
it will be heaven and the greatest dream come true
because you are the Angel I've always waited for.

Sweetie I'm just wearing the smile that you
so wonderfully give me and I'm so very thankful
to have known you baby.
You are my true love and rare precious diamond
whom I give myself to forever so freely.
You fill me with butterflies so warm and fuzzy
giving me light, hope, and cheer in every way
that you can possibly imagine.
I love you my sweetie and truly always try my best
for you in everything because you are my dream girl,
my desire, and my greatest passion,
you are my best friend, my hero and true love.
I'll be holding you sweetie while I'm at my appointment
and giving sweet kisses so deep warm and passionate.

I'm dreaming of you my dear precious sweetie
and have been almost the whole day
wishing you were right here beside me.
I love you my Angel and will always stand by you
because there isn't a moment I don't adore you.
I have always known from the time that I met you
that you are my sweetie and all I am wanting.

I am meant for you baby and can't wait
to have each night and day right beside you
as I know that true joy is spent with my best friend
sweet darling gorgeous Kira.

Sweet Kisses Of Sleep 2

I am so very exhausted
and now ready for bed my sweet dear,
I am ready to turn in after
a bowl of ice cream which I would love
to share with you.
So before I do that and then head to bed
I send you sweet kisses of sleep
and true love as in spirit I want you
to rest your head on my chest
while I rub your back and stroke your hair.
I send to you and give in full
sweet kisses of sleep to you my beautiful girl.

As I go to sleep I'll be dreaming of you
smiling because I know your love for me
is just as strong, immense, deep,
and as real as mine for you.
I will be dreaming of all the days that we'll share
so filled with joy and fulfillment
between the best friends there are.
I love you my darling more than the world
and would give you all the moon and the stars
if I could reach up and grab them in all.
I send you sweet kisses of sleep my only one
because you are the greatest and you are true love.

So feel me there with you holding you near me
and giving you sweet kisses of sleep
before bed as I eat my ice cream.
Then feel the deep warmth as I lay down my weary body
and give you my smiles so filled with caring.
I love you sweet Kira and want to be with you
sleeping here so shortly and then celebrating
the day when we wake which would be
just one of the very many happy days that are coming.
Sweet kisses of sleep to you my dear darling
and please smile for me on this early morning.

Michael P. McParland

Snuggle My Sweetie

Snuggle with me this early morning my sweetie,
I am not yet going to bed but I just want to hold you.
To talk and to kiss as we are so cozy,
to just let my sweet lady know I so love her.
Snuggle my sweetie with your dear Michael
so we can just feel so good and enjoy
this very early August morning together.

I love you my sweetie and so long for your company
because you are my Angel and soul mate who
I so adore and want to be with as my wife forever and ever.
Snuggle my sweetie on this early morning
because from true love I so need and want you
feeling true joy as we share everything we have for all eternity.
You are my Angel and Queen who I will
stand by forever.
You are my Kira who I so truly love, adore,
and completely treasure.

Michael P. McParland

Needful Kisses

Sitting here dear and needful
of your deep love and kisses so good.
I am aching and hurting
so badly my darling and it is you
as ever that I am needing and wanting,
it is your snuggles and kisses
that this man is needing
because you are my true love
for which I am yearning.
I need you my lady and I'll never leave you
because you fulfill me and I so adore you.
I am needful of divine kisses so healing,
I am hurting and lonely and I want the kisses
of my divine blessing Kira.

I have held back my tears now
for the better part of an hour
and been on auto pilot through most
everything that I've been doing.
I just dream of you and want you beside me
because you are my other half
and reason for being happy,
you are the reason I want to keep living.
I miss my lady and so need your sweet kisses
because you will be with me to give my time
and all of my everything.
I am so needful as I know you are dear
so I just ache so deeply wanting you to
realize, know, and believe that you are the one
and my everything whom I freely give myself to.

I am so needful of the most beautiful
kisses of my beautiful Angel
who does not always know or believe
just how much I truly love her,
she does not know how excruciating it is to miss her.
I know she hurts to which
makes me hurt more because to see
and to know my beloved hurts twists my heart so.

I am needful to give her my loving kisses
to comfort and reassure her that she is magnificent.
I love her so deeply and am hurting without her
and I just need her company as I hold her so tightly.
I pray to God to give us this mercy.
We both are so needful and madly in love with each other
and I would give anything to be right beside her.

So now sitting here so very needful
I do the best I can now and reach out in spirit,
I send you my kisses with all the strength
I have deep within me as well as my deep love
that is tireless, endless, and undying,
I send my warmth to fill you and wrap you
up tight in peace, reassurance, and comfort.
I love you sweet Kira and very soon will write you
so please have faith in me always because
I so totally love you.
I am needful of you and your sweet endless kisses
because you are my true love
and I want to marry you then spending eternity in pure joy
and deep endless light and pure ecstasy
never again knowing fear or pain because we'll
be with each other as we've always dreamed.

Michael P. McParland

Night Note 201

Such a very beautiful
and good night to you
my sweet gorgeous girl
and as I feel a little bit sleepy
but still plan to be up
for awhile I think of you
and send the sweetest of kisses
as I wish you were with me.
I give you massages
as we sat watching a movie,
read to each other
and did some talking,
I'd give you sweet pecks of love
on your soft neck while
telling you how much I adore you
my dear one
and then just hold you
as we sat back and drifted
for a short bit.
I just want my Kira
the greatest of all time.

I hope my sweet love
you feel all my deep warmth
and pure love as I send
it to you to no end.
I want to give you deep comfort
and help you to know
that I'll never leave you
and that if I could
I would right now at this moment
make all things so perfect
so we could be together
to fix all that we need to
and move forward into or dream.
I love you my Angel
and need you so deeply
because you are so beautiful
and a treasure I cherish.

So feel my arms around you
as I reach out to hold you
and give you my strength
to fill you with comfort.
I love you my Kira
and will always adore you
because you are the blessing I need
and have always prayed for.
You my dear darling
are who I live for.

Michael P. McParland

A Hot Humid Night

It's a hot and humid night here
my sweet precious dear and after
the last of my training's now done
it would be perfect to turn the cooler
full blast and wrap up in each others arms.
To eat the Arby's I bought for dinner
as we talked, laughed, and watched a movie
while we sweetly kissed.
It's a hot humid night to just stay in
and relax snuggling front of the cooler
as it goes on at full blast.
A hot humid night to fill so filled with light
as I gaze into the eyes of an Angel
ever so truly pure and divine.
A wonderful night to sit with my Kira
the most wonderful woman through all space and time.

It's a very humid night more than hot my sweet one
and now after finishing the last of my training
I want to wind down in the night with you in my arms.
To feel all your love while I give you mine
and to just let you know how much I care
and adore you my beautiful girl.
I want to beat all the stress of the world
and tonight's humidity by being right by my Queen
who truly is the entire worlds beauty.
I love you sweet girl more than anything
so what could possibly be better than
having my diamond spend each day and night
enjoying each hour being there for each other.

So my sweet one know I am thinking of you
and right there in spirit holding you close
giving sweet kisses so deep with care,
so full of passion and desire,
feel all of my strength with my arms around you.
I can feel all your love and I so truly thank you
for being with me now and through all my training,
and now that that's over and it's time to

sit back and relax on this hot humid evening
I wish I were with you to sit in front
of the blasting cooler sweetly kissing
and so tightly snuggling.
I love you my Kira you so truly are a gift
and my Angel sent straight from God in heaven.
I so adore you and can't wait to be with you
enjoying each day as we share.
So as I sit back now to enjoy my night here
I will be dreaming of you and what is soon coming
as I send you my love in all of its immense power.

Michael P. McParland

Love Note 497

Such a very good late
afternoon to you my super sweet
special girl and before
I must head out so soon
for my training that will last
through the evening
I wanted to stop in
and say I love you my one.
My heart and mind will be with you
the entire time as I send you
my loving warmth with all
of my strength.
I will take comfort and courage
in knowing you're with me and love me
which will give me a smile
to make it through every moment.
Remember my Angel that you are my reason
for always going on and fighting to make it,
you are so beautiful and the
greatest of treasures
and there isn't a thing anywhere
that could take away from you.

Michael P. McParland

Waking Wants

After such a long day yesterday
so filled with nerves, stress, worry,
and an evening of training my dear
I'm just having woken and getting moving a bit
and you're all I want as I get ready for stuff.
Before I must leave for another evening
of training in just over three hours
I want my Kira to sit with and give kisses so sweet
while we talk and snuggle enjoying each other.
My waking wants are my darling Angel
to bask in her glow making her smile
just like in the way she gives me the biggest smiles.

As I am about to fully get up right now
I so desire to have you right by my side.
To take a nice shower with lunch
either right before or right after
and then a quick call about a stupid bill
that the company messed up I didn't get to yesterday.
Then to just enjoy the afternoon with you
feeling calm with few nerves before
my last five hours this evening of training.
My waking wants are my precious girl Kira,
my diamond, my best friend, my Angel Queen,
and my great beautiful hero.
It is my Kira I so very want and need beside me
because she fills me with joy and hope abounding.

So I wish you sweet one a good afternoon
and know in your heart it is you that I want.
To just kiss and hold as I face this day
helping us both to know everything
hand in hand will be okay.
You are my wants, my hopes, and my desires,
you are my Kira I love and as I wake now
I reach out to you with a smile
to say thank you sweet lady I'm so happy I have you.

Michael P. McParland

A Cozy Goodnight

Oh my sweet dear what a very
stressful day of nerves and worry
it has been here and for you too I am sure.
I tried all day before I had to
go out and run my chores before
orientation for my new job to post
my poem for you from the morning
over and over but could not because of this site.
I was so worried you would think
I did not care and was ignoring
not thinking of you in the least way
when all the while you were on my mind
as I wished I could hold you and give you comfort.
So now so exhausted from a long day
and wishing I could dry your hurt and lonely
tears from your eyes I'm ready for a cozy goodnight
with my Kira snuggling and kissing so sweet
as we drifted talking and smiling.

I was so nervous as the day went
that I wasn't able to write much
but I did email my baby.
As I sat through the first part of my training
my heart was there with you as in spirit I was too.
I was reaching out to hold you giving strength in full
so you would know to your core just how much I love you.
What a long day my beautiful woman
and as I can now wish you goodnight and start to feel calm
I just wish I could lay with you and pull you in
as you rested your head on my chest and we both said
I love you so much my dear best friend.
I love you my darling and am dying in need of a cozy
goodnight with my only Angel sweet gorgeous Kira.

So feel comfort my sweet girl and never forget
that I'll never leave you,
you are my true love and soul mate whom
I adore to no end.
I want to be cozy reassuring you that

you are my beloved darling and I would
do anything to make you proud, happy,
and smile so widely.
So please cozy up so your Michael can soothe you
by telling and showing you how much
I love you and how much you matter.

Michael P. McParland

Come Sit With Me This Morning

Finally have been up and moving
for a short bit my sweet beautiful darling.
Up to take a wonderful refreshing shower
and make the first of a few calls
I've needed to my sweet darling
and still have to wait to hear back from that
doctor for a good while over an hour.
My stomach is still aching a fair bit
my sweet lady so please come and sit with me
to snuggle and kiss.
Come my sweet darling on this still fairly cool
morning to just spend some time talking and laughing
as we also read a bit and get lost in the love
we have for each other.
Come sit my sweet Kira with your loving Michael
and let me just hold you as we get this day going.

I love you so much my sweet diamond in the rough
and I just want to sit here with you
shoving aside all my worries and nerves.
I want us to both be there helping through
and give lift from all of our problems
as well as be there to help see all the beauty there is.
Please come my sweet Kira and sit with me
on this fairly cool August morning
so we can just snuggle and forget all the pressures
that await us out there in the world,
please just sit with your best friend who so adores you
and just share a smile with kisses
know all will be good because we are right there
for each other to no end.

Michael P. McParland

Love Note 496

Back from my job
orientation early my dear sweetie
and the first thing I wanted
to do was say I so truly love you.
I'm so sorry my dear lady
that there's been no word from me
on here since early this morning
but I had something written
and the page as I'm sure you know
was down in that area
and wouldn't let me,
I pray you got my email
apologizing and explaining
because I was so worried you
may have been thinking I didn't care
and was not paying attention.
Have not a fear ever sweet dear
because your loving Michael
will never leave or try to
harm you.
You are my Angel and most
beloved hero too.

So my sweet dear you were
on my mind as I learned
everything at orientation
wondering just how you are.
I wish I were there to dry your tears
and give you sweet kisses
so very dear.
As I wind down now from a nerve
wracking day love I wish you
were with me to cool off
from this warm day and watch
one of the new movies I had ordered
and arrived just today.
I wish I could look in your
gorgeous eyes and tell you
directly that you're the best thing

that has ever happened to me
and I truly love you more
than anything,
I would give anything to spend
this evening with you.

I love you so very much
my sweet darling and miss you
so very badly so feel my arms
so tightly around you
as I reach out to hold you.
I am sending you the sweetest of kisses
my dear precious sweetie
and never forget that
to your Michael you are
the brightest beauty of everything.
I love you my beloved best friend
so beautiful and I will always
be here and right beside you,
I so long for your kisses
and tight warm snuggles
that feel good
because you are my Angel
who makes life worth living.

Michael P. McParland

Early Morning Snuggle My Sweetie

Sitting up right here my sweet dear
after spending the last two days in bed
feeling nervous, sick, sad, and very lonely
missing my beautiful girl,
I spent almost all of it sleeping and dreaming
of being with you and I wish that right now
I could be sharing and early morning
snuggle with you still resting a bit
as my stomach still hurts, I am tired so deep,
I ache in so many ways and just want to be
holding you relaxing all nerves.
I love you sweet Kira and miss you so badly
and just long so deeply for an early
morning snuggle filled with comfort and true love.

Oh my dear sweetie I am so busy this evening
with orientation for my new job
and during the day some nerve wracking phone calls,
I could just use like you could a morning
in our true love and best friends arms
forgetting the worlds troubles with
sweet kisses so warm and so good.
I just want and early morning snuggle me sweetie
to see you smile and give me one through it,
I want to see your eyes sparkle as I
so tightly hold you and say Kira I love you
and will be yours forever,
you need not have a worry because I'll always be with you.
So as I reach out to hold you
hold me back ever so close and tightly
as we tell each other it will all be okay
my most beloved and beautiful sweetie I love.
Just be filled with deep warmth as I give you my love
and together we'll share and early morning snuggle
of comfort and peace forgetting for a bit
all the worlds stresses.
You are my sweet lady and Angel I'll love forever and ever.

Michael P. McParland

Resting With My Dear Sweetie

A day of nice peaceful rest
is what is so wanted and needed
just me and you my sweetie so good.
I need a good day of resting
from a very long week of being
so stressed and busy plus a whole day
being very sick which is all very draining.
I need a day of good peaceful resting
with my gorgeous sweetie because you make me smile
and feel comfort through your loving sweet soul.
I just want to lay here with you kissing
and snuggling because I so truly love you.

Michael P. McParland

Friday Evening Holding You

A sweet Friday evening holding you

Hello my sweet love
and a very beautiful
good night to you as well.

and finally had to go to bed
for a bit in the late afternoon.
So I am sorry if you are
worried or very upset at me
but as ever have faith knowing
I'm doing my best my sweet lady.
I love you so much
and don't like coming up short
because you are my best friend

As I get up and will
shortly email you as I've wanted to
I just wish so much that I could hold you
while we dried each others tears.
I miss you so much and there
is a lot I'm stressing about,
and I want you to talk because
I know there is so very much
you are also dealing with.

never forget that your Michael
so truly loves you,
for you are a treasure so rare
and more than magnificently beautiful.

and as I move around waking my brain
before I write you

and see my big smile knowing it's
for you and no other my Angel.

Good Morning, Holding You

Good morning my beautiful sweet Angel dove,
I am so sorry I was so silent yesterday
as the many stressful and busy ones before
finally all caught up to me.
I dreamed of you though and as always
was sending you every bit of my love and warmth,
I pray that you felt all of my sweet hugs and kisses
as I am always with you my sweet Queen so wonderful.
If I could have just one wish now it would be
lying with you and holding you near,
I just want to give you sweet kisses
and a snuggle so good on a rainy morning like this
just comforting and reassuring you I'm yours
and that you need never fear because I'm never leaving you.

It is pouring outside my sweet love
and before we did all the things we wanted to
yesterday I just want to stay in bed with you
through the storm snuggling and talking,
I just want to see you smiling and those
beautiful eyes of yours sparkling.
I want a good morning with my special Angel
lying beside you and holding you ever so tightly,
I love you so much and I just want to be with you
spending time with the most wonderful woman
in heaven or on earth.

So a very wonderful good morning to you my beautiful girl
and feel all of these sweet sweet kisses I send to you.
I wish I could be there holding you now
and I know that it will happen so soon my dear.
I love you so much for you are a diamond in the rough
and you are my best friend whom I adore and cherish to no end.

to be near you giving my everything.
So have a good morning and feel my arms around you
because if I could have just one wish this morning

I would be lying next to you holding you tightly.

Michael P. McParland

Love Note 494

Oh my sweet dear as I
continue to just lay back
here on this tired and very hot
summer afternoon I so longingly
ache for you as I drift in and out.
I miss your pure beauty
and seeing you smile,
I just want to be sitting with you
wrapped up so tight in front of the cooler.
I love you sweet lady
and wish you could join me
in just sitting back
on a restful afternoon in the summer.

So as ever I send you my sweet
loving kisses filled with
strength and deep comfort,
I'm reaching out to pull you in closely.
I love you my lady
for you truly are the most divine Angel
and I only want you to
give all the best that I have
while we will forever
snuggle and kiss with each other.

Michael P. McParland

Morning Time Wants And Dreams

Having arisen from a good morning rest
I want and need to say I love you first.
I lay back down earlier because I miss you so much
and just wanted to feel you so very close.
I dreamed of you my beautiful girl
and it is helping to get me through more than you know.
You are my want and my dreams because
you truly do mean everything to me.

Here in this morning time dear
I never did the things I meant to earlier
except pay a few of the bills
so I wish I could still do those
wonderful things with beautiful you,
to finish paying the bills and then a wonderful
and refreshing shower so good.
I just want you my sweet love to share all my dreams
and forever be right here with me.

So I send you all these morning time kisses
to fill you with all of my warmth,
peace, strength, and very deep loving,
I want you to know how much I so love you
and that you're not alone because you're my Angel.
God bless you sweet Kira I am right there with you
so just close your eyes and see my big smile.
I love you my darling and I dream of our time
because it will be the most joyous and wonderful
thing ever known to anyone.

Michael P. McParland

Late Night Comfort

A very beautiful and loving
good night to you my sweet Angel dove.
Awakening now from a stretch
of fairly restless but exhausted sleep
I just wanted first to reach out
and give you these kisses we both so want.
Late night comfort with you is just what I want
as we would just spend time as I got up.
Late night comfort for us two
as we snuggled and did fun little things
that warm the heart and soul.
I just want to have a late night of comfort with you.

First my sweet love after some hot
sunny days of the summer a loving
and shared refreshing shower.
To just hold you closely as I looked in your eyes
saying I love you, I love you, I love you
and then so sweetly kiss you,
late night comfort with my sweet Kira
is exactly what I so long for
and am yearning deeply in my heart and soul for.

So my sweet love know that I am there with you
and feel each one of my sweet tender kisses,
I want you to know fully the power within them
so you will be comforted by all the love that I'm feeling.
I love you sweet lady and want nothing more
than to be here sitting beside you,
to have a great night of snuggles and laughs
after a great refreshing shower that makes us feel good,
I just want late night comfort with you.
God bless you my Kira you are a miracle
and never forget that I am your Michael
and yours alone forever and ever,
you are the greatest my divine Angel.

Michael P. McParland

Rest Your Sweet Head

Come my sweet one and rest
your sweet head as we sit back
right next to mine.
Rest your sweet head so we can
just forget the world as we talk and laugh.
It is time right now just for us
to do whatever fun things we want.
My eyes are so tired I can't really
do any reading but we can listen
to a great audiobook together
and watch a movie.
Please my sweet one come rest
in all of your beauty right next to me
the man who so truly loves you.

Please my sweet one do come
and rest your sweet head upon my chest
as I'll hold you up so you are
comfortable right next to me.
Just rest your sweet head knowing
I'll always love you and everything is okay,
just give me sweet kisses to fill
us both with deep warmth because
I so love you, miss you, and need you,
I wish I could just be holding you.
Rest your sweet head upon my chest
and feel comforted as I stroke your hair
and rub your aching back to help you relax.

So please do come my sweet one
and rest your sweet head upon my chest
and also right next to mine.
I want to shower you in kisses
so very passionate all over to
give you all the worlds pleasures and biggest smile,
I just want to be with you
spending time for just us with no other.
So come my sweet one and rest
your sweet head next to me so I can take

all of your beauty in
because you are amazing my sweet Angel dove.

Michael P. McParland

No Need To Feel Fear

Good mid afternoon my sweet love
and once again a hectic day here
so I so truly apologize you did not
hear from me sooner sweet one.
With yesterday being a stressful one
I was so tired and slept very long
waking only in time to get to my therapy dear.
And then as I returned I got the greatest of news,
I have been offered the job on which
yesterday I was interviewed.
So my sweet love there is no need to fear
because I am always with you my heart singing in full.
I love you so much and adore you my love
because you are everything I so truly want.

There is no need to fear my sweet dear
so please don't let any bite into
and feed upon you my sweet dear.
I hate to see you in pain and know you are crying,
please always remember I'm doing my best
and that I truly am your faithful Michael.
I love you so much and will never leave you
so remember on these busy and hectic days
I am still with you as ever and thinking about you,
I truly love you and want to spend
all days right beside you.

So again my sweet dear I so want to thank you
and I apologize as well for not being able
to reassure you by writing sooner.
I so hope that so these hectic days will end
by me just sitting back and holding you,
to just say Kira I love you while sweetly
kissing you over and over with tender passion.
Please my sweet dear feel not a bit of fear
because I will always love you my sweet Angel darling
and I will be here for you forever and ever.

Michael P. McParland

Sweet, Tired, Restless

On such a very extremely
tired night where I am so restless
still having trouble typing from pain,
I just want so very bad to relax
in your arms sharing sweet words
and each others sweet loving warmth.
I want to just hold you and give you
sweet kisses telling you I love you
over and over.

I am just so very tired and restless
as I know you are too my sweet and sexy little princess.
I just crave to be with you holding
you ever so tightly.
I just want to wrap my arms around you
and lightly kiss your cheeks and ears
before the lightest of pecks on your soft
gorgeous neck.
Then to just look in your eyes and say I need you so much
because you are my Angel and peace
my gorgeous Queen since the beginning.

I am just so very tired my dear and as I
restlessly turn back and forth here
I love for you in all of your sweetness dear.
To just hear your voice and look upon
the most beautiful woman in heaven or on earth,
I just want to give you all of the
sweet caring love you've always deserved.
So as I lay back my sweet one feel
my arms around you as I reach out in full,
never forget that you are most important to me.
So as I lay here on a deeply tired and very
restless night I wish I could hold you
with us reveling in all of our sweets.

Michael P. McParland

To Lay Down With You Now

I want so much to lay down
with you right here and now.
This busy day is fully catching
up with me after dinner and I just want
to pull my lady in and tightly snuggle.
I want to lay down with you
my dear beautiful lady of wonder
just giving each other the most wonderful
and deep peace and comfort.
I just want to lay down with you
giving you all of my loving care
with my smile and sweet kisses too.
I just want right now to lay down with you
my most beloved and beautiful Angel
best friend.

Michael P. McParland

A Very Busy Day My Sweet Love

It's been such a very busy day
my sweet love and beautiful lady,
and nor is it quite over either
as there seem to always be little
hiccups along the way.
Above all though my dear again
I say thank you for all of your
loving patience, care, and deep strength.
I thought of you and great calming Falco song
to help keep me from being nervous
during my interview for this job opportunity.
Hearing the music while seeing you
made everything perfect and I can't thank you enough
for being such a spectacular lady.

It has been such a very busy day
my sweet one and I wish I could have
written for you so very much more.
Now I am just waiting out one last
stress to be taken care of,
then to sit back with a cold washcloth
draped over my head in front of the fan
while reaching out to hold and kiss you.
I need to relax after a busy day
so very hot and I would give anything
for it to be with the Angel I love so much,
to be with my Queen whom means the whole universe to me.

So what a very busy day it has been
my beautiful sweet love
and I wish I could be sitting back
to relax and cool down with you.
I love you sweet one and want nothing more
than to share all of life's great adventures with you.
Both busy and lazy are what sweet dreams
are made of fighting alongside the one I'm so fond of.
I love you my baby and for you will always
be so busy fighting along for because
you truly are so amazing and I adore you my Angel.

Michael P. McParland

Night Note 199

A very good night to you
my most beloved and cherished sweet dear.
I am in so very much pain
on this tired night here
and I just wish I could be
holding you as tight as I could.
Though I may seem so silent
trust me I'm dreaming of you
and sending all my warmth,
love, sweet kisses,
and huge hugs as well.
I am right there with you
as I always will be my dear.

Tonight my arm is hurting so bad
with an aching neck that
makes relaxing and typing
so very hard for me my sweet darling,
and I hurt from not having
my darling right here to curl up with
when so shortly I must lay down
so I can get up in enough time
to get ready for my job interview
being awake and refreshed in full,
I just want to snuggle up
with beautiful you.

So know that my sweet love
you are never ever forgotten
and as I lay down so shortly
I will be reaching out to pull you in.
I adore you my Kira and just want
to be with you sharing all
the worlds beauty with my only Angel
because you truly are
my only one and best friend
who is my everything.

Michael P. McParland

Sweet Tired Kisses Of Passion

I am still feeling quite tired my dear
but will be fighting so hard to stay up
to do some things I want to like reading,
playing NCAA Football 14, watching a film,
and writing for you my sweet one.
The one thing I wish I could have though
that would make things so truly rad
would be having you here to spend time,
to be giving you kisses of passion
with soft caresses while I held you tightly
is the greatest thing that could happen,
I love you sweet Kira and as I sit here
tiredly doing those thing I feel like doing
I just with I could be giving you
sweet tender kisses so filled with passion,
I just wish I could be smiling at you
as I told you I loved you and can't wait
to just be spending all of existence
with my divine Angel who helps life
worthwhile and make sense.
I just want to be with you giving sweet tired kisses
to the woman I'll never abandon
and I swear above all I'll always be your Michael
feeling so proud giving all my support to no end.
I send you sweet tired kisses my true love
and best friend.

Michael P. McParland

A Beautiful Sunday Evening 2

A wonderful good Sunday evening
to you my darling sweet beautiful lady.
It's been such a tired day for your Michael
and have only been up and shaking off
the fog of long sleep for a short while.
First thing as ever I want to send you
my sweet kisses, huge hugs, and loving smiles,
I want to say thank you sweet Kira
your loving strength means everything
and it so truly inspires.
I love you my baby more than anything
and want with you a truly beautiful Sunday evening.

I want to sit back with you getting moving
just a bit more enjoying your company
and you the sweet Angel I so adore.
Then to cook you a nice and delicious
Sunday dinner and I apologize it would be
on the middle half of the evening.
Either way I'd work so very hard
so you would so love it and afterwards
just to snuggle back giving you
the sweetest softest caresses and kisses.
I just want a beautiful Sunday evening
with my sweet and most beloved Kira.

All I know now my sweet one is just that
I want to be with you and the the kids
having the most wonderful and fun times
that we can ever hope for and imagine.
First now as your loving fuzzy face fat man
goes to shave before we relax and I cook for us all,
for us to watch a movie while we snuggle up close,
just a beautiful Sunday evening
surrounded by the people and things we so love.
I adore you sweet Kira and want an eternity
right by your side hand in hand
just kissing and holding you as we smile.
I miss you so much but keep on fighting

because I know that our time will come
and there's nothing more I'll ever
want and need more than my sweet sweet Kira
the most wonderful and beautiful woman in the universe.

Michael P. McParland

Night Note 198

A beautiful good night
to you my beautiful darling
and as I arise from a well
needed rest that has been so
very helpful and deeply refreshing
again I say thank you
and more than anything anywhere
I so truly love you.
Feel all these sweet kisses
I send you and be filled with
all of my warmth and deep strength
that I have for you.
I would love to spend this whole night
right beside you enjoying
all of the great things
that we would so love to.

As I am about to get up here
and do some good reading
and eat a good snack during my film
I just wish I could be
with my Kira snuggling so very cozy
seeing you smile and giving you mine
as without words we looked
at each other and said
you are so beautiful baby and I love you,
and then I could just pull you in
and kiss you so deep being filled
with all the hope and light
that you always give.
God bless you sweet lady
you are the greatest reason I want to live.

I love you more and more
with each days passing
my most sacred and precious lady.
I am so anxious and excited
in my longing and yearnings
to be with my Angel again

talking and spending time
feeling joy and true pleasure.
I so truly adore you and feel nothing but
gentle and tender love
for you my sweet sweet Kira so dear.
You are my hopes and my greatest dreams
and I will be thinking of you
as I go about my night enjoying
those things that I do.

Michael P. McParland

So Tired My Dear

I am so tired my dear
and want you to come lay down
so cozied up right beside me.
From the meds I am on I'm so very tired
and I want you so much on this very night,
to just hold so very close as we sweetly kiss
and then tell you I love you
as you rest your sweet head upon my chest.
I am so tired my dear and want to sleep with you
all curled up in peace,
please come join me my sweet love
to smile and snuggle while we listen
to a podcast or sweet and soft music.
I am so tired my dear and just want to hold you
feeling your soft touch so needed with the
softest and most ever loving kisses.

Michael P. McParland

A Lazy Saturday Night

A lazy, loving, and relaxing
Saturday night with my Queen
would be just right.
I was at the store earlier dear
and got some snacks that would be so good.
I am tired out from the meds
I was given for my arm and neck
so I just want to sit back with you
arm in arm laughing and having fun.
A lazy Saturday night just resting
our bodies and our minds is just
what we need as we kiss so sweet
and find fun things while pigging out on good food.

Sitting back here right now
I just want you tight within my arms.
I still smile big and bright though
even as I miss you so hard babe
because I feel your love in full
surround and fill me to its overflowing.
I can feel your want and need
for a lazy Saturday evening as well
spent with me just holding you.
How could we truly want anything more
that a relaxing night with our best friend?
I love you babe and you'll always be
the Angel I want, need, and adore forevermore.
So as I just recline back now I dream of you
and a lazy Saturday night in earthly heaven.

Michael P. McParland

Thank You So Much My Sweet Love

A very good late afternoon my sweet love
and once again I thank you for all
that you do and all the love that you give.
Early this morning when I came to bed
I could feel you right by my giving
sweet and sot kisses as you held me tightly,
having your gentle and strong tender love
helped relax me both inside and outside
so I could get past my pains and get
such needed sleep that they had prevented.
Thank you so much my sweet love
and those things are just a small start
of all that I am thankful for
from and about my sweet Angel dove.

Thank you my sweet love and as I wake now
I wanted to start my day by saying
you truly are so very special
and I truly love you,
there's still so many ways and so many things
that how could I ever name them all
in just one place and space in one day?
I will always thank you for all that you do
because you are so wonderful and beautiful,
I will thank you so much as I can remember
in each and every way as I go along,
just remember always I'm thankful to you
and forever right by your side.
God bless you sweet lady I'll forever be
your man and best friend because
you are my Angel and divine Queen.

So my sweet love as I have woken
on this late afternoon I wanted to
wish you a good one and tell you I love you.
I wanted to thank you again
for all of your love and the wonderful things that you do.
You are an amazing woman I would
do anything for including give up my life

if it was what was needed in some way.
You are my best friend, my everything
and I just want to be holding the woman I treasure.
God bless you sweet Kira and feel me beside you
giving sweet passionate kisses in thank you.
I love you, I love you, I love you, I love you
and can't wait to look in your eyes
and just say thank you so much my sweet Angel
so divine and beautiful.

Michael P. McParland

Nighttime Cravings For You

Sitting here my sweet love so very tired
in the middle of this night
aching both inside and out,
I crave to be with you snuggling tight
for a little while before I close my eyes.
To feel your sweet warmth as you're by my side
just talking and sweetly kissing
my sweet Angel bride.
I adore you fair lady and am craving
your divine company sharing soft touches
and just seeing you smile as we read our book
and watch a bit of a film while we snuggle
before going to bed where we snuggle
some more drifting off feeling whole.

I am filled with nighttime cravings for you
as my body aches ebbing to various degrees.
I just want to be holding you as we lay
back on the couch and with my good arm
that is not hurting I would rub your back
and stroke your hair while I gazed upon you,
looking deep into your eyes while
I tell you I love you and thank you so truly.
I just crave to be with the woman I love
and who loves me just as deeply.
I am just filled with these cravings
because I so miss you and you complete me
my best friend, true love, and divine hero.

So as I sit here just a bit longer before
I close my eyes in hopes of some good rest
I'll just soak in all of the love you send
and that I feel surround me,
I so crave to just share with you
such special night getting each other through
all the best times with the hard ones as well,
I trust you my sweet lady because you are my rock
and I know you'll always be there.
I love you sweet lady and you can

always count on me to be right beside you forever.
I crave you so much because you are my Angel
and rare precious diamond in the rough.
So as I sit here tonight I send you all my endless love
because you are the best and I'll never
be in want or need of anyone else.

My Hearts Song

My hearts song to you
rings out so very very loud,
it's sings out about you
and how you are so loved.
I'm filled with hope and butterflies,
my hearts song is about the wonder of true love.
My hearts song is about my dear best friend
who truly is my only one and everything.
So as I sit here feeling so tired
from the pain I've been in I still smile
as my heart sings its song of only her.

My hearts sweet song my sweet one
is at full voice because I want
my Angel to know just how beautiful she is
and that I care more than anything,
my hearts song tells of all the tinglings
from the purest loving ways that you give me.
My hearts song rings out to tell the world
that Kira P. is the greatest girl
and the only one I'll ever want.
Only your hugs and kisses could ever mean so much
and superficiality with others isn't what I want.
I love you so my heart sings it out
forever celebrating the love and bond we share,
my heart sings to you because I treasure you and truly care.

Michael P. McParland

So my sweet love as I continue
to sit back and relax on this
evening here I just wish you were
here with me to read and watch
some film that I have not
decided on just yet,
I just want to hear your sweet
divine voice on which I float away
to the stars in heaven and the moon,
the voice of my Angel I need
to hear so soon as I hold you.
I am sending you the sweetest of kisses

Good Morning My Angel

Good morning sweet love
and I hope you slept well
feeling me with you as ever my dear.
Since I have woken I've thought
so much of you and wished you could
be with me as I go to the doctors
this afternoon so after my appointment
we could go for a drive
just enjoying a relaxing time
as we take in all of the beauty that surrounds.
Until then my dear I just want
to spend this morning with you doing our thing.

So good morning my Angel and know
that to me you are the most beautiful.
As this day goes along I'll be
thinking of you praying you feel
every last bit of my undying
warmth, strength, and comforting love.

and smiling for you as well my Queen love.

Your Comfort And Healing

How I would love to be with you
feeling all of your comfort, love,
and healing dear.
My arm is in such pain and I just
want to sit with you because
your company makes me feel oh so good.
My heart hurts from much ache as swell
because I miss you so much
and wand to give you comforting, love
and healing as well.
As I sit here trying so hard to relax
on this very night I bask in all
the love you send to feel so good
and feel as good as I can from all pain.

I have to go back to bed so soon
so I can get up to call the doctor early
so shortly when I do I wish I could
lay down with you feeling all
your divine comfort with great healing.
I want to be with you giving and getting
the greatest kisses of true love,
to just snuggle smiling and know all

I just want to heal with and comfort you
because I love you my dear Angel
so very beautiful and so good.

Michael P. McParland

Night Note 197

A very beautiful good night
to you my most beautiful girl,
I love you so much and am sorry
you have not heard from me
through this whole day,
I was so exhausted I spent
all but an hour or two
at the meeting I had in bed
with my hurt arm in a ton of pain
and sleeping from being tired
and stressed over so many things.
I love you so much
and as I get up still dragging
on this night I want you here by my side
to eat a very late and small dinner with
and just spend time doing things
and forgetting the physical pain
we both have and are in as we
enjoy all the best things
that to each other we give.
I long for you my sweet one
to be wrapped in my arms
snuggling so close while hissing so good.

So my sweet one as I finally
get up on this sluggish night
I send you sweet kisses of pure delight,
feel me beside you as I always am
and know always that you're never alone.
I love you so much and will write
you for sure my Angel of light,
always remember I am your Michael
who holds you so deep and high
within my heart.
Feel great warmth and comfort
as I send you my smile
and know that I would give
anything to be holding you.

Michael P. McParland

Hold Me Tight 6

Please hold me so tight
my sweet Angel right now on this night.
I closed my eyes a bit earlier
for a little rest and awoke
a little bit ago with anxiety and unrest.
Bad dreams were apart but else why I know not,
I just want my Angel right here by my side
to wrap me up in your arms and for us
to just bring in the calm by talking
and reading while I look in your eyes.
Please my sweet one come hold me so tight
and let your Michael take in your beauty
which always gives me such peace
and a big loving smile.

Come my sweet love and please hold me tight
and as I begin to calm we'll just have a good time.
I want to laugh with my lady like we always used to,
just share our thoughts and stories as we want to.
Come hold me dear lady so I can hold you
just as tight and closely as we kiss each other
and take in the all encompassing comfort.
Come my sweet lady and let's hold each other
sharing the love we both so want to share and feel
as we heal one another.
I love you my darling and just want to be near you
because you truly are my best friend and true love.

Michael P. McParland

Love Note 493

Good evening sweet love
how I want and need you here
right by my side.
My arthritis is throbbing
from all the rains humidity
and moisture so I would just
like to be holding you
forgetting the pain
as much as possible
and I am feeling quite tired
and talking with you
would help me stay up
with the greatest of reasons
because I would be with my true love,
it would as ever give me
a reason to shine and smile
having you here to feel
your soft kiss and touch.
I just want to be spending
this evening in our own world
we've created just for us.

So as I sit back to get
comfortable from the aching
in my joints and muscles
I'll be dreaming of you
to help make the evening
feel light and brighten a bit
and just think of all the things
we will talk of and share.
Please my sweet lady know
that you are my beloved Queen
whom I'm so in love with
and dedicated to,
you'll never be alone
because I'll never leave
my only true love.
God bless you sweet one
and please come back to me so soon

because life is very lonely
and empty without you
the Angel and Queen
I so truly love and adore
with all of my heart, mind,
body and soul through all eternity.

Michael P. McParland

Rainy Day Kisses

Yet another rainy afternoon
here my sweet precious dear
and the best way to spend those
is sitting back curled up with you.
Though my eyes feel just a bit tired
I would love for you to wrap
your arms around me getting so cozy
and warm as I put my arm over your shoulder
to pull you in as we read a book
and also watched a film.
I want to sit back my sweet darling
and share the most passionate
and deep sweet rainy day kisses with you.

On these rainy days my sweet love
you bring the light and make me smile
so very big and bright.
When I see your sweet smile and gorgeous eyes
sparkling ever so bright I see all
in the world that is beautiful and right,
I know that life is worth living
and there is reason to go on and fight,
because I will be able to snuggle with my Kira
sharing sweet kisses on rainy afternoons.
I know that I have the love of my best friend
and will share a lifetime of joy with her.

So on this rainy afternoon here
how I would love to look in your eyes
just getting lost in the beauty I see,
I want to be holding my Kira
while you snuggle with me.
Rainy day kisses are what I live for
because they will be with you
and all sorts of days that we'll be in.
I love you sweet lady and on this rainy day
I send you the sweetest ever of kisses
to tell you I care and will be your man forever.
I so long for your kisses and your company

because you are the Angel I am so very much
in love with and wanting.

Michael P. McParland

Do You? My Sweet Angel

When you wake my sweet Angel
do you hunger for me to hold
and kiss you so badly?
Do you hunger like me to be
with your best friend smiling
knowing the day will be grand?
I think you do because I can feel you
in all of your beauty and love,
it makes me feel so good
and I just want to hear you say the sweet words.
I just want to wake next to you
knowing my Angel will be there to spend the whole day.

Do you know my sweet one just how
very much I want to hold you in my arms?
Do you know that I just want to spend time
getting to know my sweet Angel
and all the things that you hold inside?
Do you know that I want to give you always
myself completely spending all of our day
so joyfully feel complete in pure loving safety?
Do you truly know my sweet Kira that
I only want you and forsake all other women?
You are my Angel, my desire, my passion,
you are everything I have ever wanted and needed.

Do you like I right now just want
to spend the afternoon talking and laughing?
Do you desire to spend it like I
kissing your best friend while
being wrapped in each others arms tightly snuggling?
Do you like I just want to be with
the one whom you share a bond with
and feel is your sweet loving Angel?
Because I can feel all of your love
and know you want me like I so want you.
I love you my diamond and I pray you know
you are my everything and only one
because you are sweet Kira and to me

that is amazing because you are
so very beautiful and truly magical.

Michael P. McParland

Fall Asleep In My Arms

Goodnight my sweet love

now please come be with your Michael
and make everything so special and right.
Come fall asleep in my arms as
I stroke your hair and rub your back,
let me give you sweet kisses before we drift off.

whom I give myself to
and I just want you to be curled up
as we are both being comforted in our true love.
So please my dear sweet one come be
with your man who's so exhausted
and give me your smile as we snuggle.
You are amazing my sweet darling Angel
and I want you to fall asleep in my arms
as I tell you just how very much
I truly care for and love you.

Michael P. McParland

Lay With Me 3

Come my sweet one and lay back with me,
wrap up in my arms to feel so warm
loved and deeply cozy.
I can so strongly feel your sweet love
fill and surround me as in spirit
I can feel you hold and kiss me,
I just wish you were here in person
to be snuggling as we lay back
to relax and enjoy this night so peacefully.
Come my dear sweetie and lay beside me
so as we talk I can see you smiling.
Lay with me baby and let's just
relax here knowing everything is wonderful
because we are with our true love and best friend.
Come my sweet lady and lay right beside me
curling up so tightly as I hold you closely
to tell you I love you and show you how much so.

Michael P. McParland

Only With You Forevermore

Only with you will I ever
want to be or give myself to forevermore,
only with you do I want to be.
Side by side hand in hand as the
true loves and best friends we are
living the greatest love story there is.
Only with you forevermore my sweet Angel dove
I so truly cherish and adore,
my heart truly melts over you
because you are the picture of perfection
I've sought out and waited for.
Only with you forevermore because
my heart, soul, and I are truly yours through all time.

Only with you forevermore my sweet Angel dove
because you are the most wonderful
and beautiful woman I've ever known
and that there is in the entire universe,
you are the one I'm drawn too
and I'm so happy God brought us together
and that you're the one I feel so connected to
with a blessed and sacred bond,
only with you forevermore my bright shining star.
It is only you because what I feel transcends
all earthly words and can only be shown through
kindness, loving deeds, and serving my Queen,
only with you because you are my everything.
Only with you because you're the one
I love with all of my heart, mind, body, and soul,
only with you forevermore because you are sweet Kira
and that's all I need to know because you are you
the only one I'll ever want and need through eternity.

Tired Afternoon Desires

Having arrived home from my meeting

but my eyes are to strained
to not begin hurting and would then
miss many things on the page,
I would be so grateful if you
would read to me because your voice
is so much of the heaven I need,
it makes me smile and fills me with light
as it lifts me away from all of my stress.
I love you sweet one and desire
for you to be right here at my side
just enjoying and relaxing on a tired
and late afternoon.

So as I relax here on this late afternoon
I desire your company and you
to be with me in all of your wonderful beauty.
To just look upon you and tell you you're wonderful
while I look in your sparkling eyes and smile.
Sweet girl you truly are all of my sweet dreams
and greatest desires because I love,
treasure, and cherish you my sweet gorgeous Angel.

Michael P. McParland

This Quiet Sunday Night

Babe as this quiet Sunday night
starts to grow quite late
I wanted to blow you these sweet kisses
as I say I love you dear.
I wish that you were with me
to cozy up so tight,
then turning off all the lights
we could put on a film you picked
to feel so light as we laughed
and felt total fun and love from each other
as we spent the greatest joy filled time.
I miss you my sweet dear
and want this quiet Sunday night with you
my gorgeous Queen and only one.

As this quiet Sunday night grows
quite light my sweet dear
I reach out to pull you in so tight
and smile at you big.

while I shower you in true love,

because you are my best friend.
I want to spend so many quiet Sunday nights

and lots more because you are my one
and I truly love you so very much.

Michael P. McParland

Sunday Evening

Awake now my sweet love
from a very long Sunday afternoon nap
to rest and escape this world,
a rest in hopes of a dream
where I'd see you to kiss and hold,
but alas I did not and it is
all the harder waking without you.
I just so long for and want
a great Sunday evening in your arms
sharing the most peaceful and loving times.
A night to just sit in the dark
with candle light talking
and snuggling reveling in the love we share
with our very wonderful best friends.

I love you sweet one and it
is still a quiet one to be in
a dim lit room or in the dark
and on this Sunday evening that's what I need
and I wish you were here to share with me.
To hold you tight and kiss you sweet,
but mostly just to have you there
in all your loving comfort feeling peace with my lady.
I love you darling and I want to be with you
on this here Sunday evening because
I need you my true love and Angel
and I need your shoulder to rest my head on.

How I miss you dear and want my Queen
to spend with me this quiet Sunday eve.
A very simple dinner tonight
so our cleaning would be small,
then dim the lights to just sit and spend time
enjoying all the little things
as we always did.
Kira you are my true love
and I love you more than anything,
so on this Sunday evening here it is
you I so want and need.

You are my one and my everything,
and I just want to be with you my hero,
soul mate, Angel, and best friend
spending this evening enjoying each other
and the bond we share just the way we always have.

Michael P. McParland

Love Note 491

Good Sunday afternoon
my sweet beautiful dear.
It's a very quiet day for me
and I just wish you could sit by me
as we just relaxed
and sat today mostly
in the peaceful dark listening
to music, audiobooks, and some comedy
to help brighten things up.
What would help lift this day
most of all would be having
my Angel right here in my arms,
to have you holding me
letting me know all is alright
and you'll always be here.

It's a quiet day dear
to just sit in the dark so quietly,
to sit with my thoughts
and also send you all of my love
with the sweetest of kisses
and massive hugs.
I'll be dreaming of spending this
quiet day with you.
Dear know that I love you
and am always with you,
close your sweet eyes to see
my loving looks and caring smile,
I just want you to spend
my time with enjoying life's goodness
for you are all of the worlds
most delightful and exquisite
divine beauty,
I want you here to spend
the quiet days and all sorts
my beautiful lady.
I love you my Angel
and as I relax in the dark here
I'll be reveling and feeling comfort

in your great amazing love
that you always send me.

Michael P. McParland

My Sweet Queen 2

My sweet sweet beautiful Queen
how I long on this night for you
to be here winding it down with me.
As time marches on I am growing tired
and I want to be with you as I now
finish my movie with a special
snack just for us two,
My sweet Queen is who I need here with me
to relax arm in arm enjoying ourselves
as we kiss and just spend time.
I long for my sweet Queen to be right here
beside me now ending this night
in the most comforting, fulfilling,
and peaceful way with our best friend and soul mate.

Then my sweet Queen after a wonderful
time of talking, reading,
and watching our film we'll climb
under the covers and snuggle away.
I want to just sweetly kiss as we
get ready to rest your head upon my chest
and I lay back to stroke your hair
and rub your back.
I want to listen to a comedy album
as we drift off with some laughs
to enjoy with each other as I like.
I want my sweet Queen to feel safe and warm
knowing that you are loved and my only one.
Sweet girl I long for you and your company,
to feel your soft touch as we spend time and relax.
To just be at peace and feel content.
I love you my sweet Queen and pray so soon
that you will be close to me each night
relaxing deep as it winds down.
It is only you I'll ever need and want
because you are my Angel and best friend.
I adore you my sweet Queen and I will be thinking
of you as I relax here,
I can truly feel you and your love surround me now

as always my faithful love.

Michael P. McParland

Beautiful Woman 6

Beautiful woman you are so good.
My heart jumps with joy over you
and sings out in love too.
To tell you you're wonderful
and my Angel true love,

I love you so much and are helping me
through a very tough day and night,
I love you my sweet one
and you'll be my beautiful woman
through eternities time.

Michael P. McParland

Saturday Longings

As I wake my sweet love
from this Saturday late afternoon
rest I needed so much
I long for you and an evening so good
filled with the things that couples do.
I have no money to take you out
to a fancy dinner but I would cook you
a great one with the things from the cupboard,
oh how I can imagine your beautiful smile
and hear your sweet laughter as we talk
and do such wonderful things together.
As I slowly awaken my sweet lady
I just want to be with you on this Saturday.

I so long for the approaching evening
that we would be spending as we
watched a movie and then read together,
it's been raining today so perhaps
not a walk in the sogginess surrounding
but a drive into the country
and talking while we enjoy the scenery,
that would be amazing and these
are my very deep Saturday longings.
I love you my darling and hate
these lonely times that are without you
and I so long to be with my Queen and Angel.
As I awake dear from my rest now
it is you my sweet best friend I so long for.
Feel my sweet kisses and share these dreams with me
knowing that they will soon become real.

Michael P. McParland

Waking Desire

As I awaken here my sweet dear
I am very shaken in many ways.
Many bad dreams filled my sleep
and the one beautiful one ended sad
I think I even cried in my sleep.
For so many reasons as I arise now
I need and desire my only one to be with me,
to hold so close and bring comfort
to these waking hours.
I desire you my beautiful one
to be here in my arms right here,
right now, and through all this day
just spending the best of times.

I adore and admire you my precious girl
and there is no one I'd rather have
at my side holding me as I start this day.
My beautiful dream is that you came
out here to visit me and you having
to leave for just that short while
was so very heart breaking in a way,
I cried in my dream and as I said
I may have in my sleep for real.
So as each day I wake I desire you
to be here to kiss and be with
but on days like this I need it more
my Angel Queen.
You are my desire and my wish
and there isn't anything I wouldn't do
to be with you here on this rainy day.

Sweet dear no matter how I would
feel this morning here you would be
my waking desire.
To be with my Queen sharing an afternoon
sort of breakfast and lunch,
to just sit back and snuggle on the couch.
To sweetly kiss and say I love you babe
and thank for just truly everything,

I want all this life and the next
to be by your side because you are
my gorgeous diamond in the rough.
I love you sweet Kira and you are my
pure and true love desire
and I want to start each day with my Angel
holding hands looking at you both of us
smiling brightly knowing that life
is fine with our best friend right beside us.

Michael P. McParland

Night Note 195

A very early good night to you
my beautiful Angel so very good.
I hope your evening was well
and you smiled for me
as I sent sweet kisses and huge
hugs to you my sweet Angel dove,
I'm now dreaming of spending this
night with you arm in arm
having the most beautiful time.
First thing for me after
an extremely hot day in the
very high 90's here a cool
and refreshing shower
to be in top shape
for my beautiful lady,
and then afterwards the best
of times as we sat and read,
talked, and watched a fun film.
A great night with my best friend
is what I desire as we just
make up for time healing
with each other.
I only want you my beautiful lady
because you are my true love,
my best friend, and blessed Angel.
I love you sweet Kira because
you are an amazing and special lady
whom I will adore and stick by
forever and ever as your eternally
loving and never ending adoring Michael.

Michael P. McParland

That Special Feeling

I love that special feeling
that you give me when I think of you,
when we talk or write,
and most especially when I see you
and we look at each other to say
I love you with the biggest smiles.
You give me that special feeling
that fills me with tinglings
and butterflies from head to toes.
I love you more than anything
and that's the greatest feeling that there is.
You excite me and give me endless hope,
you are my northern star and my heart
sings in full loving voice to only you.

I'm so filled with that special feeling
of pure and true love by beautiful you.
You are such loving joy and my heart
skips a beat over you every time.
I love you so much I'm filled with light
and for you I will always fight.
That special feeling that I feel
is indescribable in so many ways
and it is one I feel for only you.
I adore you my sacred love for just
who you are and I would give my life
if it was needed for you in any way.
You fill me with a feeling of such
immense and endless loyalty,
because you are the one I truly love
and I will always be by your side my Queen.

I will forever feel that special feeling
of tinglings, joy, butterflies,
and endless hope you make me feel.
I believe in you and I know so strong
you love and believe in me.
You are a treasure my only one
and I want to be with you forevermore.

You are a diamond in the rough who makes me
feel that special feeling I so love.
I cherish you my only one
and love you more than the entire universe.
You are my Angel and my gorgeous Queen
and I will forever be your faithful man
because I truly am only yours.

Michael P. McParland

You're Always On My Mind 2

You're always on my mind
as I go through every night and everyday.
I wonder how you are and pray you're good
as I send you all my warmth and love.
My hands in yours as I stand by your side,
you are my only one my sweet Angel dove
and you're always in my heart and on my mind,
you are the only one I'll ever want
because you are my best friend.

and want to be your only man.

because I love you for who you are
and I am so thankful you are in my life
I could cry from sheer pure joy.

You're always on my mind sweet love
because you are my only one.
I know I've known you since the start of time
and I've always loved you my best friend.
I felt our souls touch right when we met
and my heart sang in joy,
you're always on my mind sweet love
because so few ever get to know such
a sweet and wonderful soul.
I love you to no end my dear
and want to hold you near.
You have been on my mind all day
praying you are well and knowing I care for you.
I love you babe and always will
and always think of and worry over you.

You're always on my mind because I want
and need my dear and beloved best friend.
I want to hear your sweet voice
and see your bright big smile
as we spend time and talk.
I always think of all the times we shared
and pray for forgiveness and another chance

for all those things that were done wrong.
I miss you babe and think of you
as I feel all the love that you hold too.
Babe I am your man and yours alone
and I always think of you,
because I truly am so thankful to have met
my Angel and diamond in the rough
and I thank you again for being you.
You are such a treasure and a gem
and I so dearly and deeply adore you my dear.

Michael P. McParland

Morning Note 193

Good morning my beautiful
and truly beloved sweet Angel dove.
I'm sorry I dropped off last night
without much of a word and I did not write you.
I had not been feeling well all
of yesterday in a couple of major ways
and it all finally caught up to me,
I closed my eyes at one point
for a few minutes and dropped off
the whole night until just a little
bit past my sweet darling.
I am so sorry if you are feeling
upset, down, and very worried
fear not my darling because I'll never leave you.
I wish more than anything that on
this aching morning I could
be holding you and telling you
it is alright my sweetie
for your Michael will be with you
forever and always.

Oh my sweet dear I know it is
going to be another tough day here
without my sweet love
and some of the other struggles
I'm at the moment going through.
I love you so much
and I can't live without you
that is the Gods honest truth.
I wish I were with you to feel the calm
peace and deep strength that you give me
and to give you the same things
because you are amazing
and through all of time I want us
to be eternally happy.

So my sweet love feel my arms
around you and my sweet sweet kisses
showering all over you as I get up.

Know I'll be thinking of you
as I go about doing all that
I am doing today and hear
me and my heart singing to you.
I miss you so deeply because
I so truly love you
and you fill me with joy
my beautiful Angel.
Kira you are amazing
and a true gift and blessing.
It truly is only you
that I'll ever be wanting.

A Lonely Day

It's a lonely day here without
the Angel and best friend whom I adore.
It is so lonely and I feel so stressed
it all makes me feel tired I just
want to lay down and cry myself to sleep.
I miss you babe so very bad
and all I want is you right here by my side
to spend and time and lovingly talk.
I just want to be with you my only one
and feel all the comfort you provide
fill my heart and soul as you lovingly
hold me so very close.

It's a lonely day here my love
and my heart hurts as it misses you.
Listen as it sings out calling
on my only love to come so soon
so I can hold you close and kiss you sweet.
I want to heal all our wounds
as we sit hand in hand enjoying all there is.
However it is a lonely day and I hurt inside
as I deal with so much all by myself.
I love you dear and call out to you
let's end the loneliness and come back
together and spend this life as true lovers.
I miss you babe and love you more than anything
and the lonely days just seem to stretch forever
and I pray that each day is the day
I'll hear from you and soon see your smile.
You are beautiful and the one that I desire
because you are my Angel and best friend I so admire.

Michael P. McParland

Love Note 490

A very beautiful and loving
good beginning of noon to you
my sweet Angel dove and feel me
wrap my arms around you and pull
you in for a snuggle at the start
of my day here,
in exhaustion and sadness
I spent all of the last one
in bed and only now rise
though the tears still feel
like the want to come
breaking through and just flood my eyes
for time on end and I know
that you have been crying
feeling worried as well,
so come my sweet dear
and we will help cheer each other up
as we dry our tears just smiling
in the comfort we both want to give,
please come my sweet darling
and we'll no longer feel sad
because we'll have each other
right there to help brighten the day
as we sit and talk and spend time
as true loves do fighting along
side by side for each other through
all of life.
I'm reaching out to take your hand
and sending you sweet kisses and huge hugs
so very grand.

I miss you sweet lady
and as I am about to get up
for a cool, cleansing,
and refreshing shower
I wish you were here to join me.
To just stand there and hold you
as I sweetly kissed you
and to see you smile

at me as I smiled at you too.
Then after to make us a nice lunch
as we sat in front of the cooler
feeling so comfortable and at peace,
that's what I so truly want
and badly need with my lady,
my Angel, my Queen, I just want
my best friend and hero right here
with me feeling your loving arms
wrapped so tightly around me.
I love you my Kira and you are
my everything my lady supreme.

I love you sweet lady
and just feel so sad
as I get this day started.
Sad for a lot of reasons
and that I can't just talk to you
and enjoy this day in all of its beauties.
First to just hold you as we
sat under the water and then
that nice lunch and who knows from there.
I love you my darling
and am reaching out to so tightly hold you,
feel all of my kisses as I send them
to you in the endless millions.
God bless you sweet lady
and never forget I am right
there beside you because
you are my true love and everything.

Evening Note 105

A very good evening
to you my sweet Angel dove
and first thing I wanted to do
as I have arrived home from the store
is to say I love you so much
my dear beautiful Queen
and I hope your evening has been supreme.
As I sit here now I achingly long
so deep in my soul and heart
want to be with you right now,
I don't know just what we'd
be doing but I also don't care
because anything would be good
as long as I were with you.
I am aching so bad to be with my Queen
and my best friend my beautiful Kira
I love and adore to no end.

Oh my sweet Kira how I want
to be with you on this evening here
just holding you closely
as we watched a film,
I want to hear your sweet voice
as we later read and as ever
had a great conversation
that is always so fun.
I long for you and yearn
for your kisses and hugs,
I just want to be with
my one and true love.
You are the greatest thing
to ever happen to me
and I want to honor you
in every way that I can
as we celebrate the bond that we share.

I love you sweet dear
and want to always let you know
because as humans we never

nearly say it enough
and I always want to
reassure you that you are my one.
Have a good evening
and feel all of my warmth
as I send you sweet kisses
and the biggest of hugs.
My heart is calling
as it sings to you
all of my favorite love songs
so be filled with cheer
knowing always that it is you
for whom it is longing.
God bless you my sweet love
and feel my arms around you
because I love you so much
and I just want to
hold you so tightly while
I passionately kiss you.

A Beautiful Walk With You

It's such a beautiful day here
my sweet beautiful dear
and now that my stomach is feeling
so much stronger and better
I would love to take your hand
and go for a wonderful walk
enjoying your company and the fine weather,
not just a walk up and down the block
but to the duck pond going around
before we lay down my big fuzzy orange blanket
to sit on and enjoy the beauty that surrounds.
A beautiful walk on this Saturday afternoon
would be true heaven because I would be
hand in hand with my gorgeous sweet Angel dove.

I would like to sit with you
holding you closely talking
and throughout sharing the sweetest kisses,
to sit and read and share memories,
all of that while we sat under the tree.
I want to take this beautiful walk
and just drink in all the happiness that we share,
to know that the rough times have passed
and just enjoy the beauty of my Queen
as we walk hand in hand.
It's a beautiful day my sweet one
and I truly love you so much.
So in spirit my love will you join me
on this beautiful and exquisite fun walk?

Michael P. McParland

My Sweet Beautiful Girl

It's a beautiful day here
my sweet beautiful girl
and as I sit back and relax
I think of you.
My stomach has been going back
and forth just a bit.
Feeling just fine and then turns,
I wish I could just snuggle up with you
as my stomach firmed up and got good
then later we could go out for a walk
and find the perfect tree to sit under
as we read and talked.
You are my sweet beautiful girl
and I would love to sit and kiss
as we spent the perfect day in each others arms.

Oh my sweet beautiful one you are
a work of pure art, a true treasure
and I want to be holding you
as I sit back and continue to get feeling better,
I just want to be giving you kisses
while looking into your eyes saying
I love you dear Kira you are the sweetest
and the most beautiful woman in the universe,
I want to be with you giving my everything
for all eternity.
You are my sweet beautiful girl
and I wish I were with you to spend
a beautiful day just for us two.

I love you my sweet beautiful girl
and I wish I could be with you
and you could rub my tummy until it feels
one hundred percent and totally good,
I wish I could spend the most beautiful
afternoon here with beautiful you
and then in the evening grill dinner
for both us and the kids.
A beautiful day with my sweet beautiful girl

is just what we need to heal all our wounds.
I love you my darling am reaching out
to pull you in tightly,
be filled with my strength and all of
my warm care and loving.
You are amazing and the only one
I'll ever need or be wanting
because you are my sweet girl and I adore you

A Cozy Saturday Morning

A very good morning again
to you my sweet love,
and now having been out of
a nice refreshing shower
I would love nothing more
than to wrap you up in my arms
as we sat back on the couch
feeling so cozy as we ate a bit
and I played NCAA Football 14 on my PS3.
I long and yearn for a super cozy
Saturday morning with you
sharing sweet kisses and smiling too.
I want to spend the most loving and cozy
Saturday morning here with you.

A cozy morning of pure and total loving comfort,
to just sit back and enjoy the moment
and place where we are holding each other,
not worrying about the rest of the day
until it comes right before us.
I just want to sit looking into your eyes
of pure loving peace and get lost
in the universe of intelligence and deep caring
I see within them,
I want to be hypnotized by your smile
so very bright and exceptionally shining.
I want to be with you all snuggled up
on a wonderful cozy Saturday morning.

So my sweet one feel my arms around you
as I reach out in spirit to pull you in,
I want to spend this Saturday morn
cozied up so very close with my only one.
To give you sweet kisses as on my game
you cheer me on all along.
I want to share this cozy morning with you
because you are my one and I adore you.
I want to share good times with my best friend
and know that everything is going to be okay.

I love you so much and send all of
my love and my warmth along with the sweetest
of kisses and big hugs.
Have a great day my hero and know that I'm with you
and can't wait to share the coziest
of Saturday morning always with you.

Michael P. McParland

Morning Note 192

Good morning my beautiful
and treasured sweet Angel dove
and I hope that you are doing well
not upset, crying, or worrying
that I've brushed you off in some way
for I would never abandon you
or intentionally do something
to make you feel low
and less than the amazing Angel you are,
I don't want you to ever
feel so sad and down
worried that you have been left alone again,
I'll never leave you sweet one
for you are an amazing woman
whom to me means everything.

I was just going to lay down
for awhile yesterday after i wrote you
to continue to recover,
I would never have guessed
that I'd end up sleeping
until this morning about
till 20 minutes past us.
I'm so sorry you were left wondering
and I wouldn't have done that
had I been awake baby,
I hope you still felt all
of my comforting loving warmth
as I am always sending it sweet one.
You are my beautiful lady
who I cherish in full
and I just want to be
holding you right here and now.

I had very many strange dreams
through my sleep dear
but I wanted you to know I had
a few beautiful ones too
and they all had one thing in them

that made them so good
and that is you my beautiful girl,
it was you that made me smile in them,
I just wish I could remember to tell you
how gorgeous they were.
What matters most though
is that you were there to kiss and hold
and spend time with like you soon
will be for real my dear love.

So have a good day my sweet Angel dove
and know that as always I'm right by your side,
hand in hand always as I smile
at you my sweet precious darling
and feel all of my sweet kisses
as I send them with big hugs straight to you.
I love you sweet lady and will
be writing for you so don't have a worry,
you are my best friend, my true love,
and my beloved Angel and I'll always
be right here for you whenever you need me.
You are my hero and a truly great woman
who I will stick by forever
because I so completely and truly love you.

Michael P. McParland

Morning Note 191

A very good morning
my sweet beautiful lady
and I pray you've gotten some good rest
with sweet dreams of you and me,
spending time while we're kissing
and so tightly snuggling,
beautiful dreams of our future life together.
As I have been lying here
continuing to recover I have
been dreaming of you in all of your wonder.
I wish you were here to spend
this morning resting with me
as from yesterday I'm still
so very tired.
It would be perfect to put on
an audiobook or some music
as you got so cozy
and I tightly held you.
It would be heaven because
I would be with you.

So as I lay back for awhile longer
to continue healing and getting
my strength back completely
feel me beside you hand in hand
as I am always in spirit my dear love.
You are a blessing I will always
be so thankful for and I can feel
your sweet love all around me my dear.
I'll be dreaming of you while
I send huge hugs and the sweetest
of kisses my Queen so be filled
with deep peace and strength
knowing that you're not alone
because your Michael is here
for you forevermore.

Michael P. McParland

Night Note 194

A very good night to you
my sweet precious Angel dove.
As I get my thoughts together
so I can try to remember
all I wanted to say when I
email you babe I first just
wanted to drop in
and say God bless you
and I love you more than anything,
I truly care for you
in every single way
and I want you to always
know that's truth and have total faith,

because for me it will only ever be you.

Michael P. McParland

Tender Late Night Kisses

Sweet dear on this late I wish
you were here to look in your eyes
and hold you so tight in my arms,
my mouth now feels a bit better
and I would love to share kisses
with you so sweet, gentle, and tender.
Deep kisses of passion on this late night
so soft and tender would be the perfect way
to wind down a long day filled with stress
and a surgery.
Tender late night kisses with my Kira
are just what I'm craving because
you are my Angel and so very beautiful.

Dear I just want to sit back with you
spending time talking, reading,
and watching a movie as throughout
we would share tender kisses so very sweet.
It is your hugs and kisses I so truly need
because you bring me peace and heal my heart
and everything else.
I want to give you deep peaceful comfort
along with my strength through
deep tender kisses with huge hugs as well,
You are my everything and I just want
to hold you so close as I give you
all of my love.
So I pray that soon you will be here in my arms
so I can give you sweet tender kisses
to reassure you I'll always be with you.
So feel all of my loving warmth
as I reach out to hold you and dream with me
of sharing sweet tender and gentle kisses
on this late night.

Michael P. McParland

and you've renewed all great
light and hope within my heart and soul.

pick me up from the hopeless place I was.

so many many hard years alone
and not being accepted for who I am
and I'm so in love with you because
your heart and soul are pure,

to hold you close to me as we spend this night,
I want to spend everyday with you sharing
all our lives.
You have not been treated right by most
of all those that you have known
and I want to help make all of that right
by giving my infinite love to you.
You deserve the very best and true happiness
and I'm so in love with you I will always
give my all and very best to make you smile,
I want you to be fulfilled and proud
as well as safe knowing that I won't leave
and that you're not alone.

A Relaxed And Lazy Day

Sitting here my love
and still quite tired to the bone
after a night of very light
and restless sleep I would love
to spend with you a relaxed
and lazy day sitting in
or sitting outside on a blanket
under a tree enjoying the sunny day
in the coolness of the shade.
A relaxed and lazy day
just taking things as they come
one step at a time would be
a perfect dream come true.
A relaxed and lazy day
is exactly what I want with you.

As this morning grows late my love
I send all my love to you
as I reach out in spirit to hold your hand
and hold you close so you'll feel
and know I'm there with you,
darling you are the best
and a gorgeous diamond in the rough
and I want to spend a loving, relaxing,
and lazy day within your arms
as I serve you hand and foot my dear Queen.
I want to read to you and give you
a massage too as we sit and talk
laughing all the while as we share our jokes.
A relaxing lazy day with you is all I want
because you are my best friend and true love.

Oh my sweet dear as I sit here
still feeling tired from the bad sleep
I had through the night
I dream of you and the great times
I know we would have if you were here
and I dream of all the great times
and fun we will have when we have

reunited and are in each others arms.
I so look forward to those days
and long deeply for the joy they'll bring
because you are my Angel and my fair Queen
and you bring light that fills me up.

Good evening my beautiful
and truly gorgeous sweet Angel dove
and as I've spent such a tired day
mostly resting I dreamed of you.

and just want us both to feel at peace
and so contented as we lay holding each other
as on this summer afternoon we drift awhile.

My Sweet Girl 2

My sweet beautiful girl
as I've sat here through
this evening and into the early night
reading a bit and then spending time
with my family playing a game
I thought of you at many points
and all the fun it would be
if you were here to join.
My sweet girl I want you here
because you fulfill me babe
and fill me with endless joy.
I wish you were here to spend time
and hold close to me as we enjoyed ourselves.

My sweet girl even the nights
where there wouldn't be much to do
would still be filled with light
and joy because I would be with you.
To just look at you and say you're beautiful
as I look into your eyes
and am filled with tinglings by your
big bright shining smile and the warmth
of all your endless love and strength.
I love you babe I so truly do
and you are the one I will continue on and fight for.
My heart and soul are always yours
and I'll stand by you forevermore.

My sweet girl as I go through everyday
I think of you and say please
come home so soon into my arms,
I love you more than anything
and not having you hurts like hell.
My sweet girl I so cherish you
and even on my most withdrawn days
I want to spend time just holding you.
I love you dear more than anyone can truly know
and I just want to share our lives
and everything important that we hold.

I love you dear and want to sweetly kiss
my sweet girl as we spend a fun night
hand in hand and arm in arm
talking away the many hours.

I'm in great pain here
so missing you.
I'm in great pain not knowing what to do.
I am withdrawn deep in my own world
at a loss of words near complete and whole.
I am in pain in so very many ways
and you don't know most right now
or see just how they are effecting me.
I love you babe though at times
you don't believe I do
when all I want is to be with you,
to tell you how I feel about everything
within the heavens and the earth,
to rest my head next to yours
and tell you of all the love I feel for you.
I am in pain and inside my chest
it all burns with need for you my only one.

I am in pain because I miss you dear
and I truly love you more than anything.
Outside my family you are my only friend
and you are the best one that I can dream,
I adore you so my Angel Queen
and I am filled with pain as I don't
have you close to me to feel your touch
while I hold you tight and kiss you sweet,
the pain is great when you are without
your everything and you can't share with them
everything you both have faced through life
and face each day hand in hand.
I miss you babe and need you here
because you're the one I love with
every single bit of my heart and soul forevermore.

I miss you babe and knowing
I'll get your good morning messages
that brought the sun right to my door
and sending them with smiles right back to you.
I miss your goodnights that helped me

not fear closing my eyes because
the nightmares came so little with your loving words,
and I miss sending you the sweetest ones
that I knew would help you smile
and know for sure you're not alone.
I'm in pain over not seeing those
and waiting oh so long to pull you in
and caress your cheek as I say I love you
more than anyone or anything,
I want to be right by you
giving you all the love I have with all my best
to always make you happy and so very proud.

I'm in pain right now dear from many things
but above all it's missing my most beloved
person on this earth.
You are my rock and you are my heart,
hear as it sings all my favorite love songs
to you in full voice to let you know
I'm always yours and right by your side.
I love you dear and life without
my Queen and hero is horrible,
you are the one I've prayed for everyday
since before you knew and I'll always
stay faithful to you my dear.
God bless you for the gift you are
and never forget I am right here for you.
I love you dear and I'm in pain without you near
because my heart is all yours and it will be through all time,
I just want my sweet Angel dove right here with me.

Michael P. McParland

Night Note 192

A very beautiful good night
to you my most beloved,
beautiful and treasured Angel.
Yesterday was a sad one
as I missed you so much
and all of the fun that we shared
so I felt so very tired
and spent most of it
dreaming in bed
and now that I'm up
I wish I could hold you
so very close as we got ready
to spend a fun night
with each other
reading, talking, listening
to music, audiobooks,
and watching a movie.
I miss you sweet lady
and want you here to be with always.

I'm sorry sweet darling
as in my loneliness tonight
I am short of words.
I just feel quiet and withdrawn
without my sweet darling
so know that it is in no way
from anger or something personal babe,
feel all my love as I send
it your way and reach out
in spirit to hold you so near.
Kira you are my Queen
and my beloved everything
and I would do anything
to have you right here with me.

Michael P. McParland

Come Sit With Me Dear

Come sit with me my sweet dear
and just relax here on a quiet
early evening in each others arms tightly.
Come sit with me dear and just sit back
to stay cool as we talk and chase away
all of the tired loneliness.
Come sit with me dear for I need your kiss
and to feel your soft caress,
come sit with me dear because
I love you so much and you're truly the best.
I need your presence and your warm embrace
because you are my sweet Angel dove
and everything I'll ever want.

Michael P. McParland

Craving You

As I awake and get moving now
I crave your company and kisses too.
I want to be in your arms now
shaking off this sleep
and waking sad and loneliness I have.
I'm craving you and all your love
as we spend this time just snuggling.
I love you dear and want you now
because you fill me with light and hope.
I'm craving you so I can give
all my love as I hold you close
and say I love you babe.
I'm craving you in all ways because
you are my best friend, my hero,
my soul mate, and my sweet Angel dove
so very beautiful and oh so great.
I love you dear you are my everything
and I'm craving you because you are my dear Queen.

Michael P. McParland

Come Join Me Babe

in my arms to get so warm and cozy
before we go to sleep.
Come snuggle dear and let's read
for just a short bit.

and get under the covers I can
just look in your eyes and tell you
that I'll always be your loving man,

the happiest man that's ever lived,
come join me my Queen so I can honor you
and make you the happiest and most
proud woman there's been since time began,
come snuggle up my sweet Angel dove.

Come now sweet babe and let me
pull you so tightly in.
I want to kiss you and read before we sleep.

can possibly know and I want to be
holding you through the rest of time.
Come now my sweet babe to snuggle
and sweetly kiss your loving Michael,
I miss you so deeply and love you so dearly
and just want to fall asleep in
each others arms feeling so cozy under the covers.

I Miss You (Tonight)

It's been a long day my sweet love

Add in the heat with a stomachache
and it's been a hard one in many ways,
I wish I could hold you as I feel
a good bit better my dear

Michael P. McParland

Love Note 484

A very early good evening
to you my sweet beautiful girl.
Not much goes on here
but I wanted to drop in
and say I so dearly love you.
I'm not feeling well
and wish I could sit
or lay back with you
while we talked or perhaps
you would read to me
as I rested a bit waiting
for these churning and aches
to stop at last
and we could then carefree
enjoy the rest of the evening and night.
I wish I could sit or lay back
with you while you rubbed my big tummy
both feeling safe and secure
with our best friend we so adore.

I love you my sweet one
and need you so near.
You are a goddess and Queen
to me and I truly want to
give you my best always
and strive so hard to make you
the happiest and proud
woman there is because
you are an Angel
and diamond in the rough to me,
God bless you sweet girl
for being so pure in heart and soul
and for being my everything.
I so truly love you more
than anything anywhere
my precious jewel,
I will always be yours
and yours alone no matter what
my sweet true love.

So my sweet love feel surrounded
in all my loving care
and know that as I lay back
waiting for my stomach to settle
I wish you were here to rub it
as we talked, passed the time,
and perhaps you would read to me
as I rested next to you so peacefully,
I love you sweet girl more than
anyone can truly know.
God bless you sweet girl
and feel all these sweet kisses
and huge hugs I send to you
for you are my best friend
and only one forevermore.
There will never be another for me
because you are my soul mate and magic,
you are a gift and blessing
I will not forsake because
you are all I ever wanted
my sweet Angel,
you are my Kira and that's the greatest thing
that I can ever dream of babe.

A Stormy Evening Snuggling

It has been a very stormy evening
here my sweet precious dear.
Heavy rain with severe lighting
and thunderstorms having passed mostly now,
it knocked out the power
for a short while and I would have
loved to be snuggled up with you
through it all and during this whole evening.
I would have loved to be with you
as it was all passing just snuggling tightly
and kissing so sweetly.

How I would have loved to be able
to hold you so tightly while
stroking your hair and rubbing
your back gently as we had just talked
and read from my kindle
as the storm passed by and on,
I would have loved to spend
this stormy evening with my dear beloved sweetie
in each others arms always feeling
so safe from all things in the world.
A stormy evening snuggling with you
would have provided a beautiful thrill.

It's been a hell of an evening dear
with the storms that have passed through here.
I thought of you through it all
and while power was out I sat back
and could feel you all around.
I wish you had been here to hold
in my arms and just be able to spend
a truly comforting time.
I love you sweet lady and wish we could
be here snuggling so tightly
because I miss you my Angel
and I just want to hold you
and kiss you for eternity sweet lady.

Michael P. McParland

The Sweetest Of Kisses

Michael P. McParland

You're My Everything

As I awake not feeling very good
and filled with such anxiety
in large part because I awoke
from a nervous dream where I was without you.
I was without Kira the one I love
more than anything in heaven
or on this very earth.
You are my everything my only girl
and the thought of not having you
within my arms is the worst
nightmare that there is.
You're my everything my Angel Queen
and I want to be with you right here and now,

to go through each day that is
without my sweet one so great,

You truly are my everything
and I need your arms around me dear.
We share a bond I truly am so happy of
and I adore you my beloved one.
You are the only one I'll ever need
or ever truly want because from
when we met I fell in love
and knew right then you would always be
my only one and everything.

Michael P. McParland

Dear Love 2

Hello my sweet beautiful dear
and a very blessed good night to you.
It is hot in the apartment my dear
but it has cooled down very well outside,
I would so love to just sit on a porch swing
with you so close in my arms
or to lay out on the grass snuggling so tight.
I love you my dear one and want you here
to be with me side by side just taking in
the beauty of our love and the world that surrounds.

Oh my dear love listen closely as
my heart sings out to you,
feel my arms wrap so tightly around you
in spirit with my many sweet kisses
as I reach out in spirit.
I love you dear one and feel such deep
and moving stirrings of passionate
desire for you.
You are the Angel I want to have near me
and just spend time with doing everything.
Dear love I so miss you and long for you deeply
because to me you truly are the entire worlds beauty.

Sweet dear love you truly are
all that I'll ever want.

of my whole universe.
Kira you are my best friend I've always held dear
and there isn't anything that I won't do
to always give you all of myself
and my best to make you happy and proud.

Michael P. McParland

Evening Note 103

Good evening my sweet one
and it is still a fairly
hot one yet,
the humidity is murder
and sitting with you in front
of the cooler is still my sweet
beautiful dream of you
my gorgeous lady.
I just want to star this
evening time
by cooking for my dear lady
and doing some fun reading,
that is what I am planning
on doing and will be thinking of you
while sending sweet kisses
and huge hugs to fill you
with all of my warmth and
endless deep love.
Sitting with you on this still
very warm early evening
is everything my heart and soul
are wanting and needing.

So my sweet darling
have a good evening and know
that I am right there with you
in spirit.
Listen for my voice
as I whisper across the distance
I love you sweet Kira,
I will always be yours
forever and ever.
I will be sitting in front of the cooler
just dreaming of my sweet Queen Angel
and knowing those are the most
beautiful times for which I am ever waiting.

Deep Love That Fills

For you deep love fills
my entire heart and soul.
There isn't a part of me
in any way that isn't filled
with deep endless love just for you.
You are my Angel and you are my rock,
no way would I ever leave you
because I don't want to lose my only true love.
You fill the void that only
a best friend and angel can
and I am filled with deep love for you
among so many other great things.

I am filled with deep care and admiration
because in so many countless ways
you are an inspiration to me.
I am filled with deep awe
and so very much deep and endless thanks
for all the loving care you give to me.
For you I am filled with deep love
that can only ever be known
for so very few.
You are my favorite person
I hope you know.

Deep love and care fills me up for you,
if only there was a way I could help you
know by feeling just exactly that which I do.
It fills every part of my mind,
heart, and very soul, it is in fact
overflowing sweet dear.
I love you so much because of
just who you are and I want
to be with you for the rest of time.

A Hot Afternoon

It's turning into a hot afternoon
here my sweet dear and one to which
I would love to just spend in the house,
a hot afternoon in which to just
turn the cooler full blast and spend
it with you while we relax.
It's turning in to a hot afternoon
and the best way to beat that
would be spending time with in front
of the cooler with a cold soda or two
to share with beautiful you.

Darling it's a hot afternoon
and I would love to grill for me and you,
so together we could cook
and then inside enjoy such a good time.
I want to spend this hot summer
afternoon with you enjoying
those fun and good summer time foods
as we stay cool and do all
the things we love to do.
Darling it's a hot summer afternoon
and I wish I were with my Angel best friend,
I wish I could cozy up with you
as in front of the cooler we were so comfy dear.

Darling you are the holder of
my heart and soul and on all types
of exhausting days or ones that
leave one uncomfortable in any way
I want to spend with you,
you give comfort and help make all
things feel tolerable so on a hot afternoon
it is with you I want to stay cool
and enjoy the day in full.
We would enjoy our grilled lunch
and then snuggle up in front
of the cool blast keep each other feeling
that perfect warmth.

I love you my sweet and just want
you to be here with me sharing the
most loving day as like always

A Comfortable Summers Eve

As I sit here my sweet dear
in this summer evening
I can see in my head so very clear
a perfect and comfortable
setting for you and me,
us lying down on a blanket
under the stars and the moon
while we just held each other
getting lost in the cosmic sensations.
A comfortable summers eve with
each other is what my heart
is achingly longs for
as we just get lost in the beauty
around us and the bold beauty we both
hold deep inside us.

A comfortable summers eve for just us,
a picnic under the moon and stars
on my big fuzzy orange blanket that's cozy.
A picnic with our favorite foods
and we'll be swimming in true love,
enjoying the depths of the unconditional
and never ending river that flows from our hearts,
after eating and enjoying that part
comes the best bit of closeness,
kisses, and great big smiles with snuggles.
This would be the perfect comforting
summers eve with my beloved Kira,
the perfect evening with the woman
I'll truly love forever and ever.

Kira my darling I so love you
and as it finally cools down a bit dear
I wish I could go out and lay down with you.
We would go to the park and just
spread out the blanket for us to lay
and then I would just pull you so tightly in.
That would be perfect and I dream of when
those days will be coming.

I love you my lady and can't wait
to have these comfortable summer evenings
because you are my Angel and you make
life worth living by sharing yourself
and time through such beautiful moments in life.

Michael P. McParland

My Dear Angel 2

Kira you always have been
my dear Angel I so adore,
and as I was filled with anxiety
as I woke from my rest shaking
I took comfort in all of your love
and steadiness has continued to fill me up.
Being surrounded in all of my dear Angel love
has as ever helped keep me afloat
and given me reason to hope.
You are my dear Angel so great
and my very beautiful soul mate.

You are my dear and beloved Angel,
you are my never ending hero
and beautiful best friend
and I thank you for sticking by me to no end,
I love you so much and wish I could
pull you in to sweetly kiss
and just hold you there till all
the anxious nerves have passed
and further on still just
letting you know how special you are
and that I'll be your man
through all space and time.
You are my dear Angel
and my heart is yours for eternities time.

You are my dear darling Angel sweet dove
and I am sending you all of my thanks

You are my dear darling Angel
and my sweet everything and I want to be
holding you forever and ever.
God bless you my Kira and remember

just how much I truly love you
and know that I will give you all that
you need and all that I have
when we have reunited in pure joy and fulfillment.

Michael P. McParland

Love Note 483

Good afternoon my sweet love
and as I sit here aching all around
a restful Sunday with you
is truly all that I want and need.
My body is hurting and I to move
is a pain and my heart is aching
for it to be just you and me.
So as I recline back now
to rest me eyes and body
I wish I were snuggling with you
while we listened to my brand new audiobook.
A restful Sunday with you
the woman I so love is just what
is needed in all sorts of times.
I love you my Kira and want
to be in your arms
sharing an afternoon so quiet
for just me and you before
a lovely evening for us and the kids.
I am hurting sweet darling
and need you here.

I love you sweet darling and need you
in this peaceful time
and place for a restful Sunday
because you are my Angel
and it is you that I will always

Michael P. McParland

A Restful Sunday

Finally up and moving on this
Sunday my sweet beautiful darling
and it needs be a slow moving
and restful one.
My arthritis is screaming
from all the humidity and I am in
pain my darling Angel.
It isn't just that that gives me want
for a restful Sunday my love,
I just want to spend the day at you side
feeling your love and giving you mine.
I just want a restful Sunday sharing things
and spending time away from
all the madness of the world in this time that is ours.

My body is aching sweet love
as I know yours is as well
and no doubt at all that our hearts
ache, yearn, and so deeply hunger
to be together.
So what could be better than
a restful Sunday together that's so filled
with sunshine and beautiful birds singing?
What could ever be better than sharing
a beautiful Sunday relaxing
with your most beloved and adored Angel?
I just want to be with you my amazing Kira.

A restful Sunday with you my dear Kira
would help make all the pain in life
and my body diminish greatly,
to just sweetly kiss and snuggle
while talking and doing so many other things,
those truly are the sweetest of dreams.
God bless you my Kira and I send you
millions upon millions of sweet kisses and smiles
and will be dreaming of a restful
Sunday with you in my arms.

Evening Note 102

A very good evening to you
my sweet Queen I feel so very
winded and tired after
just getting home from
a bit of shopping.
Now the perfect fit for this night
would be to turn on
the cooler and curl up with you.
I would love nothing more
than to be with the woman
I so truly adore spending time
with each other nuzzling
and snuggling as we
wound down the day and night
together feeling better and better
as our hearts are healed
by the unconditional love
we share and hold for one another.

Sweet love I know I may say it
many times but it's because
I want to make sure you always know
I am yours and want you around,
I want you to know that you're not alone.
Sweet sweet Angel love of mine
I need you so much and just
want you here now within my arms,
this late evening and night with you
are just what is needed for you and me

that I know would be better
to spend time with.

my Angel while giving you
the sweetest hugs and kisses.

Michael P. McParland

Take My Hand My Best Friend

Take my hand my best friend
as I reach out tonight and feel
all of my love as I hold you so tight.
I wish we could share this summer
evening my love just sitting on a swing
on our porch my sweet dear.
A few cold beers in hand while we
talked and read would be the most
magical thing there could ever be.
Take my hand my best friend
as I reach out to you and let's
share some sweet kisses
that feel even in spirit so very good.

Take my hand my best friend
and know you are loved by that I would ask,
it is your hand I want to hold
on this summer night as we would snuggle,
talk, and make out,
I just want my best friend here by my side
to share everything because you are my diamond.
I love you my best friend and want
to hold you and your hand while
we sit back snuggling in the sunset,
I can't imagine a nicer evening.
So take my hand my best friend
because to me you are the perfect woman
and Kira there is nothing else I want
but you and your amazing company.

and I wish you had been here
to join me for that
and now this short afternoon rest.
My batteries seem to drop
so fast and easy so I am
in need my dear love of a recharge.
I wish you could just
wrap up in my arms for awhile
so we could peacefully rest

to enjoy every one.
Now I wish you were here
to enjoy a sweet summer
evening as well.

So now as I sit here
on this Friday eve I long
in my heart so deeply for thee.
To sit and snuggle while
talking and kissing,
watching a movie, reading,

My Amazing Best Friend

You are my amazing best friend
my dear sweet one,
as I rise from my rest I wish
that I were with you to spend time,
I wish I could sit with you
and take in your warmth as the last bit
of my tummy ache goes away.
You truly are my amazing best friend
and I hold such gentle tenderness just for you.
I love you so much and want you here
by my side so I can always show you
in person just how great you are.

You are so amazing to me
in more ways than I can count at one time,
you are so amazing and I am in awe.
I am so sorry for the others
who have mistreated you darling
because you are an Angel and my best friend forever.
You are everything in bright shining glory
I can ever want to share my whole life with.
Sweet lady you are amazing
as well as a best friend and true love
for whom I am so thankful.
You are a blessing that my heart always sings for.

You are my amazing best friend
for and to whom I'll forever give anything.
I adore you more than you know
and every second away is pure aching hell,
I have loved you since the moment we met
and I can't imagine being with anyone else.
You are so lovely and have a spirit so touching
you took me away on your wings
straight to the heavens,
no other woman could be half as better.
I love you and thank you for always
being so good and loving me just as deeply
as I love you my dear.

Michael P. McParland

Away From The World

Sitting here my sweet one
and it's close to noon.
I am feeling quite tired and want
to be spending it with just you.
To snuggle so tightly as we talk
and listen to some good music,
I would like to spend time with you
away from this world just in our own
before we catch an afternoon rest
so fulfilled and relaxed.
I want to escape this reality with you
away from the world into our beautiful own.

I want to get away from this world
even though just emotionally
for a little while with my only love.
To soothe and heal each others souls,
and to spend time with your sweet kids as well.
A beautiful afternoon in our world
is what our hearts and souls need
to just be filled with the love that we give.
I love you so much and I truly want
to be with you feeling so good
in the world that your love provides
my heart and soul.
We share a great bond that exceeds this
whole world.

I want you my sweet one to be with right now
just escaping this world that surrounds us now.
I am tired and in want of your treasured company
and I just want to have you so near to me.
When we were talking or together the outside
world always disappeared and didn't really matter
and that's what I want so bad with my dear Angel,
escaping the world in which there is lonely danger.
I love you my darling and want you here
to get away from this world and into
our own wonderful world we've created so I can

just hold you and kiss you while we feel
so joyous and peaceful.

Michael P. McParland

A Day Out With You

It is payday my dear and now
knowing essentially how much money there is
I wish I could take you out
on the town this day to have fun
in so many different ways.
A day out with you the woman I love
would be supreme on this Friday at hand.
A day out with you here in the sun.

First a morning so quiet with peace
as I held you so lovingly close to me.
To just sit back and share our warmth
as we softly talked and sweetly kissed.
A morning of planning and just
spending a quiet time together
would be the perfect start to a
beautiful day together.

Then in he later morning just go out
for a nice walk,
then after a nice lunch at a place
you have picked would be wonderful.
My treat as ever my sweet precious darling.
A day out with you could be
so many things and all of them comforting
because I would be with my Angel,
my sweet beautiful Kira.

I wish I could have a day out with you,
I would give anything to have that gift dear.
To see you smile as we shared time together
and just felt complete, fulfilled,
and joyful together.
A day out with you would be so magical.
So feel all my sweet kisses and know
this is my dream for our future
as I will be yours by your side forever and ever.
I love you sweet Kira and am reaching out to hold you
so you will know you're not alone

and to fill you with comfort.

Michael P. McParland

in each others arms to contentedly fall asleep.

rubbing your back and stroking your hair
while you rest your head on my chest
and we fall asleep in each others arms.

Michael P. McParland

and you are the Angel for whom
I'm always longing.
You are a diamond so rare and so precious,

You are contentment and I am thinking
of you as I am about to sit down for dinner.
I'm thinking of the love we have

I love my dear sweet and want to forever
give her all the love that she needs
because I have an endless amount just for her.
I adore my dear sweetie and would die for her,
I would and will give everything
and do anything just for her.
My sweetie is an Angel I give myself to.

I just want my sweetie because she is my hero,
she is my soul mate that I am in awe of.
If I could master all arts I would do so
because I want to honor a beauty
with works of epic marvel.
She is my sweetie my soul and heart,
I love her so much and want her
as mine through all time.
I want my sweetie right here now in my arms
because I just want to have true love,
my best friend Kira, wrapped up in my arms.

A Boring Day

It's a boring day here
my sweet darling dear
and I wish I were at least
able to be sitting here talking to you.
I miss those summer afternoon
conversations we shared not so long ago.
I would rather have you right here in my arms
but I would even truly love to be sharing
with you reading your words and making this
the brightest, happiest, and most fun days
as you my sweet dear would chase all the boredom away.

It's just a boring day here
and though I love reading
and watching movies what I
truly crave is your interaction.
For us to spend time talking,
reading, watching films, whatever it may be together
it would make the day special to be
with beautiful you my darling Kira.
You are my happiness and my deep joy,
you always brought excitement into my days.
So here without you it is quite boring
and I can't wait to have the pleasure
that your presence gives me.

Sweet girl it is a boring one here
and it feels so heavy without you
to talk to and be near,
you are so wonderful and beautiful too,
this boredom will be cured
when we are talking then soon reunited.
I love you my lady and miss spending time
in all the ways that we used to and want to,
I look so forward to great days beside you.
I adore you my Angel and reach out to hold you,
I wish we could at least talk and then
boredom would not be possible at all.

Michael P. McParland

the last of the nightmares
that plagued my dreams.

and reach out to take
your soft loving hand.

Needing My Best Friend

Up now for just a short bit
my beautiful, wonderful best friend,
and I am needing you so very much
right here in my arms as I am about
to just close my eyes again.
I am lonely, I am sad, I am so tired
and missing you with all that I am.
I'm needing you my best friend
the greatest Angel there's ever been.

Darling I had the worst nightmares
waking on the verge of tears
and drenched in sweat,
almost none of that hangover of emotion
has passed my dear one.
I am still so very tired
and as I lay back down here.
I want and need my shining star
to lay down beside me as we hold
each other ever so tightly.

So as I lay down all I want
is my darling best friend,
the woman who means to me everything.
To just hold and kiss her
while taking comfort in the
loving strength that she gives me.
I need my best friend because
I so truly love her and she is amazing.

relaxing and feeling soothed
deeply and completely.

I am just needing you in your infinite beauty
and loving care right here at my side
within each others loving arms.

Waking up now I just want and need
to roll over and see you lying next to me,
or sitting up while you read or are
watching some TV and a movie,
or just know that you're in the house
and I can get up and find you to say

and want to give you all you deserve
and just have the honor of being with you.

so tight within each others loving arms.

After I have read my book
we can just so sweetly kiss
as we snuggle tight and then you

Feeling so very safe and soothed in peace,
I just want to snuggle with my Angel oh so great.

So my sweet one come cozy up
and let's hold each other so very tight
within our loving arms in need of this.

so cozy with you wrapped up with me
because you bring me hope, light,
and total peace because I truly do
love you more than anything.

A Tired And Quiet Night Together

I am so very tired my sweet Angel of light
and I just want with you a quiet
and soothing peaceful night.
A night to relax and just bond as we spend
the most fun and quality time.
A quiet night to just sit and read,
then later do some nice talking
and watch a film that we enjoy and relaxes in full,
a tired and quiet night with you
is the food that our hearts and souls so very need.

As I sit here so tired on this quiet night
I feel tears wanting to come and pricking at my eyes
because I just want to spend it with
my sweet Angel bride so very beautiful and so very bright.
I love you so much and just want to have you
right here in my arms as I kiss you so sweet
and we both share all of the things we so very love.
A quiet night with my only one is everything
I truly so need and want.

I love you so much my sweet Angel dove
and as I sit here I'll dream of you the whole while.
Thinking of all the things we soon will be doing
and just wondering how you are and praying
that you are okay my sweet lady.
I miss you so much and am just so deeply tired
I wish you could hold me on this quiet night
spending a great time so joyful and peaceful
as we both sweetly kissed and smiled.

My sweet love I want and I need you
today, tonight, and without a doubt forever.
You are the holder of my very soul and heart
and the only one I so desire.
I want my Angel by my side today,
tonight, forever because you are my gorgeous hero.
I love you dear and you are worth more
than all the riches in the universe,
you are so divine and the Queen I serve.
Kira I need and want you by my side forevermore
because you are the one my heart sings for.

I am feeling so very very lonely and tired darling,
tired in the deepest ways that need your loving healing,
I am holding back the burning and stressed out
needful tears that I wish you could dry for me.
I need and want you so we can do that for each other.
I want and need you always baby because you are
my sweet Angel dove amazing.
Today, tomorrow, and forever I will be your man
and hold your hand as I stand by your side
supporting you completely.

Kira you are my true love and my heart is badly aching,
it aches to see you once again and feel your touch
as I hold you so close and next to me.
I need you in my arms and in my life through all time
because you are the one I so truly adore and love.
I want and need you today, tomorrow, and forever
because what could I ever do without my gorgeous Angel?
I am so lost right now without my one
and my heart is most often crying out inside,
I miss you babe so very bad and I need you
more than ever right now.
Kira I will always love you no matter the circumstances
and I will always want and need you
today, tomorrow, and without a doubt forever.

Long Day

Oh my sweet dear it's already been
a long and fairly stressful day for me.
I am quite tired and in need of my lady,
sweet Kira it's been a long day
and I would give anything
for a snuggle and nap with my beautiful Angel.
I so adore you and you make everything
within and around me so very peaceful.
So please my sweet dear as I reach out to you
reach back out and hold me too.
It's been a long tiring day my dear Queen
and you are the one I truly want and need.

Oh my sweet Kira I so deeply miss you
and on days like this it's all the more
that I so need you and your loving arms
wrapped tightly around me,
to hear your sweet voice as you tell me you love me
and in return tell you that you are a treasure.
Kira I so deeply love you
and I want nothing more right now
than to just lay down here in bed
to drift off for a nice nap while I hold you.

Michael P. McParland

Love Note 479

Good afternoon my sweet Angel dove
and I have just arrived home
from my meeting for 15 minutes or so
before to the dentist I must go.
I wanted to drop in and tell you
I so truly love and wish I could
right now be with you
just spending time talking,
laughing, and doing all sorts
of fun things together,
you truly are my everything.

So my sweet one have
a great afternoon and feel me
right there beside you
holding your hand and holding you
so tightly to me.
I love you so very much
my sweet Angel so great
and Kira never forget you
are truly beautiful in every way.

Michael P. McParland

Curl Up In My Arms (Goodnight)

Come my sweet Angel dove
and curl up in my arms as we go to bed.
I'm tired to my very bones sweet one
and have to get up all too soon
for my meeting and the dentist too.
Come sweet one and curl up in my arms,
help me decide what we'll listen to
as we kiss and snuggle before we drift off
falling asleep in each others
warm and loving arms.

Goodnight to you sweet love
I adore you so very much,
I just want you to cozy up
so very very tight
and then look in my eyes as we
profess our love and kiss so deep and sweet.
God bless you through and through my sweet girl
and always feel me beside you dear.
Come curl up within my arms
and rest your head upon my chest
while I rub your back and stroke
your long and beautiful luscious hair.

Come my dear and lay down with me
as I am so tired babe and I'm sure
you are as well.
Let's end this night wrapped up so tight
listening to something soothing
and so very entertaining.
Just cozy up so very tight so I can kiss you
and say Kira you are the best,
I truly love you more than anything
and am reaching out to pull you in.

Michael P. McParland

Night Note 188

A very wonderful and beautiful
good night to you my dear Angel
so very pure and good,
as I just now am in the middle
of finally finishing my pile of dishes
I wanted to stop in
and tell you I so madly love you.
You are my greatest reason
to keep on going and hoping
because you are the greatest
and my shining star
burning so brightly.

I emailed you just shortly ago
and I wish you were here
to have told all the fun things
I wanted to share directly too.
So I could see you smile
so big and bright
and also hear about all that
you have going on.
So as I sit in front of the sink
I think of you reading my email
and wearing that big gorgeous smile,
I also wonder just how you are
and what you are doing.
I miss you sweet lady
and just want to be near you
holding you tightly.

So continue my sweet love
to have the most wonderful of nights
and feel all of my loving warmth
in the sweet kisses and big hugs
I'm always sending.
I so truly adore you
and am reaching out to hold you.
I love you my Kira
and can't wait for our bright days

so filled with joy as we share
everything.

It's Hard Without You

As I awaken from a nap filled
with weird and nightmarish dreams
it's hard to know that you're not here
to wrap up with me.
It's just plain hard as it is
even with the best of dreams
to not have you right there
to get up and go out to sit
next to on the couch and then
look you in the eyes and say I love you babe.
Then just smile and kiss you very sweet
as I say you mean the world to me,
you are my best friend and total universe,
Kira you truly are the very best.

Kira it's so hard as you know so well
when you don't have your best friend
right there to reach out and take hold.
It's so hard not to hear your voice
and read your words you write to me
throughout the day from pre sunrise
to very late in the night,
I love you so and miss you for
the gracious gorgeous Angel that you are
and I would give my life
to spend this night with you
sharing conversation and sharing laughs,
just spending time with big smiles
as we sweet kiss and snuggle.

Kira it is hard without the one
you love more than anything in the universe.
I adore you so much and no one anywhere
can ever dream to measure up.
I've told you before you are the measure
by which all others must stand
and I want nothing in that way to do with them.
I miss our talks and the anticipation
in between just waiting to hear from and see you again.

God bless you babe you are my everything
and it's so hard with you in my arms.
I love you so very much and I will
be sending you as ever all my immense love and warmth.

A very good Saturday afternoon to you
my sweet beautiful one and as I arise
I send you sweet kisses and huge hugs
to say I love you and hope you are well,
I wish I could spend this sunny
afternoon with you as we spent time
doing fun things,
like perhaps a very late lunch/early dinner
as a picnic in the park with the kids
grilling some food and playing games.
That would be the most heavenly thing
there could be as we would also snuggle
on my big fuzzy orange blanket
on the grass in the shade of a tree.
I love you sweet lady and a beautiful
Saturday afternoon with you would be so very good.

So as I now get up my sweet one
feel my hand within yours as I reach out
to take it in mine and shower you in kisses
as I so tightly pull you in.
I give you sweet kisses on your forehead,
hands, cheeks, little light tender pecks on your neck,
and the deepest and most passionate kiss
right on your lips,
and the I just want to hold you and look
into your eyes for the longest time
telling you and showing just how much you mean
to your loving man,

You Are Beautiful 3

Oh my sweet dear you are so beautiful,

smitten with you for being
such a gift and blessing sent from God
in all your divine strength and love
with a heart and soul made from pure gold,
you are beautiful in every way there is
and I just want to reach out and touch you
before I pull you in to hold you,
I just want to look in your eyes as
I kiss you sweetly over and over
telling you how much I truly love you.
Kira you are beautiful and you don't
even realize just how much you are
and I want to help you know just how much you are.

Intelligence is one of the most beautiful
and sexy things anyone can have and carry,
you my dear are as intelligent as anyone
I've ever known and that turns me on in many ways
because we can have such amazing conversations,
you can teach me things and give me new ideas,
you are artistic and that is something I so dig.
Kira you are a genius in my book
and that is something so very beautiful and perfect
in all I want and look for in anything.
Kira you are beautiful and I just want
to share such time with you getting lost

in the great person and spirit that you are.

Physically you are a goddess with the cutest
face, sparkling eyes, huge bright shining smile.
Long dark hair I just want to run my hands through
as I hold you so close to me kissing your
sweet soft lips that I know will feel so good,
and a body sculpted to perfection that drives
me oh so wild as you in whole give me
the tinglings of true love.
Kira you are beautiful in every way
and I want to marry you spending
all our lives and all time side by side hand in hand.

Kira you are so very beautiful
and since the day we met your heart and soul
reached out and touched mine right on the spot,
you made mine sing out in full voice
all my favorite love songs for you and no one else
and since that time it's remained the same
never changing for a single day.
Kira you are beautiful and I'm dying here
just to hold you near and treat you like
the precious Queen you are,
I long to give you all the love you've
so long deserved and need to fill you up.
I just want to give you all my best
and make you the happiest as I serve you
each and every day giving you everything
you'll ever want and need.
I'll never leave you babe that's for sure
because you are my only one
and you are so very beautiful.

Struggling Without You

Sweet dear I am struggling
and hurting deep inside without you
here or to talk to,
I'm struggling so bad and it is so hard
to face each moment of the day all alone.
I miss you so much and long for
your sweet kisses and big hugs
while hearing your sweet voice
as we tell each other I love you so much.

Having just arrived home from the store
I feel exhausted and drained in so many ways,
I was hurting the whole time I walked around
just feeling the empty part of me
that you so brightly fulfill,
I felt so sad and just cried inside
as my heart called to you saying
I love you and please come so soon.
I ached deep inside wondering just how you are
and hoping that you are okay my sweet Angel dove.

So now I just plan to lay back down for awhile
as I just feel so very tired and I want to
get away from this deep pain that I'm feeling.
I want to see you in my dreams
and just hold you so close to me being closer
to the time it will be for real.
I love you sweet darling and feel my hand within yours
as I take it and kiss it so lightly my Queen Angel,
then just feel my arms around you
with all of my strength and loving warmth as
I give it to you fully.
I miss you my fair lady and will be right here waiting
because you are my everything and all
I'll ever be wanting and needing.

Michael P. McParland

Love Note 474

Good afternoon my sweet beautiful woman

to do my Fathers Day shopping now,
and before I went I wanted to stop in
and say Kira I love you so much

to be with you now spending
the rest of this day and through the night,
I'd give my whole life just for

I'd give anything to be holding you
and healing your heart that is pure
while letting you know everything is alright.

and ache for your touch,
I ache to be with you my Angel
because you are the best.
You are so beautiful both outside and in

Good Morning Sweet Love (I Miss You)

Good morning my sweet love and as
I get up right now for a minute or two
I wanted to say I so deeply and truly
love you and miss you more than anything.
Right now I am so tired and having
an exceptionally hard time
and wish you were here to lay back down with me
as I just listen to Mozart and drift along.
I love you and miss you so very much
my heart and soul just cry out to you
letting you know how much you're wanted,
you're needed, and how you're so badly missed.
God bless you my sweet darling you are
my sweet Angel dove and the very best.

After last night my sweet love when
that person criticized my writing
my mind has just gone blank on me,
it has just hurt my heart so much
and it shattered my confidence.
I know that you care about my writing
and love it so much and I'm sorry
that I am letting you down on many levels.
I know you would never hurt me like that
I thank you again and eternally for
all of your infinite and unconditionally kind love.
I love you more than anything
and truly always do my very best for you.

So I send the sweetest good morning kisses
to you with huge hugs of strength and pure warmth,
feel me beside you hand in hand
holding you ever so close with my lips upon yours.
I will be right here lying down on the couch
listening to Mozart and dreaming of you my only one.
I apologize again my sweet one for
all my weak points and where I let you down,
right now I feel so shaken and hurt inside
from a number of things.

I just miss you so very much and want to hold you
so very close and look into your eyes
saying Kira you are my hero, my best friend,
my soul mate and everything,
I love you so very much and want you to spend
eternity with me.
You are a blessing and gift from God whom
I adore and will always give myself to in full,
you are my Angel Queen and all I'll ever want
and need through all time.

Michael P. McParland

Night Note 187

Hello my sweet dear
and I want to say a beautiful
goodnight to you.
I haven't written as I've been lying
here in deep deep pain
and much tears.
Pain from the rudeness and sharp
comments of people on here
that make me feel so low,
I miss you my dear
and just need to be in your
loving arms right here and now.
I am so tired and want your
deep comfort as I cry a bit more
and close my eyes resting my head
upon your shoulder.
I need you my sweet one
because you are so caring, loving,
and accepting of me my dear sweet one.
You are my best friend and true love
who dearly means everything.

So as I wish you a gorgeous
goodnight feel my lips
upon yours and my arms around you
ever so tight,
listen close for my voice
as I say I love you sweet one,
you are my shining star and only one.
God bless you my dear
and please be my sweetie forevermore
because you truly are
my heart and joy,
you are my diamond in the rough
whom I truly love more than anything.

Michael P. McParland

Waking Evening Snuggles

I'm just waking now from a long nap
this evening my love and having had
sweet dreams of you I wish you could join me now
to kiss and snuggle while spending time,
so I could just gaze into your eyes
and reveal my whole soul straight to you.
Waking evening snuggles so warm and tight
would be the heaven on earth we so badly need.
I love you sweet lady and need your
tender and gentle caress to make me smile
and feel oh so complete.

As I have awoken I just want to tell you
of the beautiful dreams of us my sweet Angel.
As we just walked along holding hands
with each other smiling and talking
as we so long to.
Stopping along the path to just gaze at each other
and then sit under a tree to hold on so tightly.
I love you sweet lady and hope these will
so very soon come true because as I have
awakened I just want to hold you
and kiss you as we make plans of what we want
to do together on this night my sweet darling.

So as I am about to rise and get something to eat
I wish you could be here with me,
to share evening snuggles and great conversation,
to just spend time with each other,
I want to sit with you and read all
of your divine and gorgeous writing
just getting lost in its immense beauty.
I love you my darling and truly need
your deep loving snuggles because you are
an adorable diamond I will forever treasure and cherish.
Have not a fear my sweet dear because
you are my Angel and I will forever be your
sweet loving Michael.

Michael P. McParland

Reaching Out 4

I'm reaching out to you
on this afternoon for a snuggle
so warming and heavenly,
a beautiful snuggle with passionate kisses

and fill us with butterflies darling.
I'm reaching out just to hold you
the Angel with whom I share a bond
that is sacred and blessed by God.
I'm reaching out to the woman I treasure
to just pull you in and let you know
just how much I truly love you.

Come my sweet one and rest your head on my chest
as together we just lay back to talk and rest.
I want to spend time with the one I love best
and just hear your soothing voice
and feel your soft delicate pale skin.
I'm reaching out because I love you so very much
and I just want and need you here by my side.
I'm reaching out because I'm aching so bad
to just be with my true love and share
sweet kisses and a warm snuggle so relaxing and rad.

and feel all of my love and warmth as I pull you in.

I love you sweet one and just want to snuggle,
I have a meeting this morning that
I don't want to go to,

Michael P. McParland

Lying Here Aching

I'm just lying here in bed
and aching so bad wishing for you.
To feel your soft heavenly skin
against mine as I hold you so tight in my arms.
To kiss your lips that are as soft
as the clouds in the sky so tenderly
and full of pasionate pure love.
I'm lying here aching to just see you smile
while I give you soft caresses
and we share the night just spending time
hiding in our own world under the covers.
I just ache for you my sweet Kira
my one and only best friend and true love Angel.

I'm lying here aching for all our good times,
I'm aching to just heal your heart
as we snuggle and nuzzle while I tell you it's alright,
to reassure you that I'm always yours
and always have been because you're the best.
I ache so bad to just have you rest
your sweet head on my chest and help you
feel safe and at peace so we can rest.
I just long for my Queen a truly gorgeous
diamond in the rough.

So I'm just lying here only half hearing
my podcasts as I dream of you
and ache so very fierce to be under the covers
kissing you, holding you close,
and telling you I want to get married
and have eternity to share all we've got.
I'm lying here aching for my sweet Angel dove
the most beautiful woman there's ever been
the holder of my heart and soul,
my best friend and hero who's a gift
and a blessing from God up above.
I love you sweet Kira and I'm aching so bad

Love Note 472

Good afternoon my beautiful
and most beloved sweet Angel dove,
please don't feel upset or cry
my sweet one for I have not
forgotten you or disappeared in any way.
I was just in the midst of
a long slumber and much needed resting
and I had the most wonderful dreams
of you while I was sleeping.
Oh the longing and need I feel
so deep within me is so overwhelming
I feel like exploding,
I so badly just want to hold you
and tell you how much I love you.
Never forget you are truly treasured
and completely appreciated.

Kira I don't care how many times
it's been said because I'm going to say it
over and over because I want to
and I feel it needs to.
I love you so much my sweet Angel
and I'll always be with you,
side by side hand in hand
because you are a treasure I can't stand to lose,
I'll never leave you because
I don't ever want to hurt you
and you are my dream girl with whom
I want to spend all eternity,
you are my everything and I just wish
I could be holding you so tight
while talking and kissing you so sweet.
I love you my dear one,
you're love is a true gift and sweet treat
that cannot be equaled by anything.

So my sweet love as I get up now
to go about this afternoon
eating and completing my chores

remember I love you more than anything.
Feel all of my warmth and love
in the sweet kisses and huge hugs
that I send,
remember I'll forever be
your loving Michael to no end

sweetly holding your hand
giving you all of my love.
God bless you sweet girl
and feel this extra special
sweet kiss full of adoration and care
and know that my heart will forever be yours

dream of you my sweet Angel dove.

Michael P. McParland

An Afternoon Beside You

As I lay here on this afternoon
my sweet lady I am so very tired
and I just wish I were beside you
holding you closely as we both talked and rested.
An afternoon beside you would be
so truly perfect as we tightly snuggled.
I would love nothing more than
an afternoon right beside my gorgeous Angel
kissing so sweetly making this day
so truly fulfilling and delightful.
I want an afternoon with my sweet beautiful Kira
the most magnificent woman that's ever existed.

I am just so very tired my sweet one
and I want to lay down beside you
and look into your eyes as I brush back your hair
and softly caress your cheek as
I lean into kiss you so very sweet,
I want an afternoon right beside you
sharing snuggles, sweet kisses,
and the most tender and passionately tender caresses,
then just have you rest your head on my chest
as we drifted off for a bit of sleep.
You give me such joy and butterflies galore
and I wish I were with you on this afternoon.

So even as I now close my eyes for a bit longer
I dream of you my sweet beautiful Angel
and I'm filled with tingling light
as I feel your spirit and think of you
in all of your divine beauty so great,
all around you a truly shimmering light
that fills me with endless hope,
I only wish you were here to share
my undying and unconditional love with you as well
because you are the greatest and my everything.
I love you my sweet one and just want
an afternoon right beside you
as I hold you so tightly

and tell you in full just how much
you truly always have meant to me,
I want an afternoon right beside you my gorgeous Angel
a Queen that makes me feel like a handsome King.

Michael P. McParland

Cat Nap Dreaming

Lying down here with a bit
of a headache my sweet dear.
Cat napping just lightly drifting
with the heavenly and divine
chords of Mozart and Chopin playing
to soothe the light pounding
in hopes that it will help in its passing,
along with that I dream of
my lady in all of your beauty
as I can also feel you so very near to me
and it helps make me smile
as it is so soothing.
Cat nap dreaming of you my sweet Kira
is making my headache feel so much better.

I see your sweet smile which I know
God spent extra time on to make
extra special as it doesn't just
light up a room but beams as bright as the sun.
I see those gorgeous eyes sparkling
and remember the depths that they hold
so I dream of just gazing into them
getting lost in the universes
of love and intelligence,
I dream of your beauty in its totality
your cute face, your sexy body,
to your intelligent mind to your sweet heart and spirit.
I just lay here cat nap dreaming of you
and it makes me feel better.

You are a treasure,
an absolute Queen and divine goddess.
You are the crown jewel of my heart
and I just want to get lost in your company.
These cat nap dreams are so pleasant
but can never come near the real thing
because no person or fantasy
can equal my Kira the entire worlds beauty.
So for now my dear sweet love

I'll revel in my cat nap dreaming so pleasant
while I send you sweet kisses
saying I love you sweet lady
and thank you so deeply for being truly amazing.

Michael P. McParland

Good Morning Sweet One 2

Good morning my sweet treasured love
and as I achingly wake if you were here
I'd so tightly pull you in
for a deep passionate kiss that would
help light up the morning sky,
a passionate kiss that would make us both smile
and give us the strength to face
the whole day together beating the odds.
I love you sweet lady to the point of bursting
and I send you the sweetest of kisses
to help warm and lift your sweet heart and spirit
knowing your Michael is eternally with you.
Good morning sweet lady you truly are the worlds beauty.

To face this day now as I wake I remember
the hugs and smiles of love that we shared.
They made my heart beat at an enormous rate
and made my knees and whole body quake
as I took in the beauty of an Angel on earth,
your beauty, smiles, and hugs transcended
all of my greatest dreams and still do,
that is so much of what helps get me through.
To know that heaven is coming when
I kiss and embrace you hearing Angels sing
in the sky as I so sweetly kiss you
and say Kira I love you.
These are the dreams of reality that for me
make it a good morning
and I share them with you so you will feel joy too.
You are true love and an amazing woman,
you are pure joy and my heart calls to you
to tell you how much I adore you.

Good morning my sweet one and feel
my hand in yours as I reach out to hold you,
just close your gorgeous eyes and see me smile.
When I think of you I do truly see
an Angel of light beaming so bright,
you fill me with hope and endless love

and I just long to give you the same
my sweet Angel dove.
You are my other half and my hero as well,
you are my best friend whom I adore to no end.
So have a good day and know I am with you
the entire way and I'll never leave you
not today or any other sweet Queen so dear.
I will forever be yours because I've loved you forever
and I always will.

Michael P. McParland

Lay Here With Me

and biggest of smiles.

Michael P. McParland

can measure up and I just want to give you all myself.
So I have for you history's sweetest kiss
to show you how much you mean
and make both our hearts sing out all our favorite things.

Michael P. McParland

A Quiet Lonely Day

It's a quiet and lonely day
my heart feels so forlorn.
I've been sitting back these last few hours
holding back my tears,
feeling their aching burn in my heart
and at my eyes as I miss you so.
I could not write as much I wanted
and so often tried,
it's a quiet lonely day and I don't feel well
I just want you here beside me dear.
It's a quiet lonely day feeling barren
as the dessert with its rolling hills of sand.
I miss you babe you are my everything
and fill my world with light in every way,
the ghosts of quiet sad haunt me today
and I just want you here to hold so bad.

It's a quiet, sad, and lonely day
where I need all the sun you always bring.
You cheer me up with your lovely voice
and your stunning beauty,
with all your loving looks that make
my knees weak and make me feel handsome and worthy.
How could any man resist an Angel
such as this and not feel sad when away
from the Queen he adores above all else?
It's a quiet sad and lonely day indeed
needing my sweet sweet Kira here with me.

It's a quiet lonely day here indeed
just longing for Gods greatest created beauty and sweet gift.
You're more gorgeous than all the flowers,
more gorgeous than the moon and stars
which have always delighted us my darling.
You are more beautiful than any woman through the ages
and I love you more than anything ever.
So I sit here in the quiet holding back the tears
that have been so harshly burning.
I've wanted to write but I couldn't as my heart

was so over burdned with the lonely quiet
and my mind felt so taxed it wasn't moving.
I love you dear and I reach my hand out to take
yours in mine and gently kiss it,
to give both of us such deep warmth and comfort,
come with me and let's together end the lonely quiet
holding each other very tightly
being overcome with all the love that we've been holding.
You are my gorgeous girl transcending
all the Angels and celestial symbols in the heavens.

Without you here it is so very lonely and very quiet
and I need my true love to cure the hurting,
Kira I need you because I love you.
You are my Angel and my hero,
you are the one who's always made it all worth it.
You are my reason to keep on going and for always living
and even through the sad and quiet lonely days
I know you're still there fighting
for me with all your strength and spirit.
I love you babe and I miss you more than a fat kid misses
his cakes and his candies,
you are so great and I want to be with you
feeling joy and true elation.
You complete and fulfill me on every single level
and on such a quiet lonely day
I dream of you to make it through
sending you the biggest hugs and sweetest kisses
filled with loving cheer my sweet Angel dove.

A Rainy Morning

Waking up to a rainy morning dear
and my heart is aching so badly for you.
I just stared over at the empty
pillow at my side my love
and spoke aloud saying Kira my dear
I wish you were here to curl up
with me here in this bed
and just enjoy the soothing sounds
of the rain as we sweetly kissed
and snuggled away.
It is a cloudy and rainy morning here
my sweet precious dear
and I wish I could lay next to you holding you into me.

I just long so much for your company
as we do the things we love best.
To just talk and laugh as we face the day ahead
knowing all will be good because
we have each other there.
I love you sweet one and want you to
be here just holding hands
as we lay back and relax on this rainy morning
that is here presently.
I wish we were snuggling with each other
smiling to each other with the brightest eyes.

It's a rainy morning as I awaken here
and I just want to have you right next to me.
I long and I hurt to be with my lady
the only woman I love and have ever sweet one,
I just want to hold you and tell you
everything I feel for you baby
and for us to just talk about anything and everything.
I miss you my darling and on this
rainy morning I just want to hold you
while giving you the sweetest of kisses
and letting you know you're so very special.

Holding You Close 3

As I lay here my sweet dear
not feeling well I look at your picture
to help give me cheer,
I wish I were with you now
holding you close and kissing you sweet.
I would give anything to be with the one I adore
feeling your comfort and giving you mine.
I wish I were with you holding each other
so very near as we lay here and talked
passing the day while feeling better all along.

So as I lay here now my sweet one
I just wish I could be holding you close.
To give you sweet kisses and nuzzles
while we snuggled away the pain and queasiness,
I just wish I could look in your eyes
and say thank you for always being my Angel.
I love you sweet Kira and thank you so much
for I can feel you here beside me in spirit.
I miss you fair lady and I wish I were
holding you in my arms on this late day.
God bless you sweet lady I'll always be with you
and right now I look at you picture
to take strength while I continue to get better.

Michael P. McParland

Beside You

I just want to be beside you right now,
holding you close while talking so soft,
closing our eyes to get some needed rest.
To just be with my loved one while
I don't feel well is all that I want
on this day right here.
I want to be with you snuggled so very close
feeling your warmth and kisses
so securing and safe.

I want to be with you as I rest for a bit
as the pain still persists and my stomach
feels uneasy and aches,
I want to beside my Angel who makes
everything better with your spirit so great.
I want to be beside you and just
rest my head upon your sweet shoulder.
Please my sweet love reach out
and hold your needing Michael.
I love you sweet lady and adore you
for being the wonderful beautiful lady
who's always so amazed me.
I love you, I love you and just want
to be right there beside you as I
kissed you and told you how much you matter.
I miss you sweet Kira and will be dreaming of you
and reaching out to hold you and kiss you.

Michael P. McParland

Warmth In Your Arms Today

Good afternoon my sweet love
and as this Sunday goes on
you are the one I so need,
I need to be in your arms more
than anything just talking and resting
while sharing laughs my sweet lady.
Warmth in your arms today my sweet lady
is what my heart and soul are so badly aching for.
To look in your eyes seeing infinite beauty
is just what I'm wanting and needing.

I've been holding back tears in many ways dear
and I just wish I could kiss you
and tell you what I am in full thinking and feeling.
I miss you sweet lady and want warmth in your arms
as you rub my face, head, and tummy.
I just want to snuggle holding you back
ever so tightly because you are my Angel
and I desire your comfort my Queen of deep comfort.

Warmth in your arms and giving you
all of my warmth as well is what is
so needed today.
I love you my sweet girl and just want
to hold the woman I love more
than anything in the universe.
I just want your warmth after all this pain
and sickness I've felt.
I want us both to have that after all
the sadness in life with which we've dealt.
I love you my sweet girl and want you
to know that you truly are the most beautiful.
I want no other ever just you forever
and today warmth in your arms
is the greatest gift I could ever get.
I love you sweet lady and may God always bless you,
I will stick by your side never to leave
my Angel Queen.

Morning Note 188

Good morning sweet Kira
my beautiful dove and divine Angel,
God bless you for always being
so true and having faithful in me.
Thank you endlessly my sweet one
for being so patient and understanding
as I have recovered from this
surgery and other things I must go through.
I love you so much and you are my hero
I know there is no other even
a quarter as wonderful out there.

I'm sorry sweet girl I fell
silent as I did yesterday.
The pain came back up
and I also got so sick
that when it all passed I just slept
and slept only finally rising
just a short bit
and it has taken me a little while
to get myself together.
I am so sorry sweet lady.
Will you please forgive me?
I felt so sick to my stomach
when I realized how long it had been
and knew you would be worried
for so many reasons.
Please don't cry my sweet love
feel me reach out and take you
in my arms to give you sweet
morning kisses and soft words
reassuring you I'm always with you
and so deeply love you.
I'm sorry sweet Kira and wish
that for both of our sakes
in so many ways I could hold you and kiss you.
I love you sweet lady
and need this Sunday morning with you
locked up in our loving grip.

So now here my dear on this
Sunday morning at hand
I wish we could just spend it
together hand in hand
arm in arm snuggling away
all worries and pain.
I love you babe and just want to spend
this whole day with you
doing whatever it is we may do,
I just want to be able to look in your eyes
and say I love you my sweet Angel bride
and will always be with you
hand in hand side by side
because you truly are my everything.
I love you sweet Kira
and wish you now to have the most
beautiful of Sunday good mornings
knowing I'm with you and holding
you ever so tightly giving kisses so sweetly.
I love you sweet lady and just crave
your company and presence because
you are an Angel and my blessed
best friend and soul mate.

Love Note 471

A very good later morning
to you my sweet love
and as I have rested throughout
the morning I have dreamed of you
while sending all of my warmth and love,
I hope you have felt every bit
as well as the sweet kisses
and huge hugs I always send.
I love you so very much
and just want you to always
give you all of myself
and my endless love.
I wish right now I were with you
enjoying this day snuggled up close
and feeling so good.

I am still not feeling very good
but am getting up to try a bit of food,
I just wish I could sit right beside you
and lean next to you babe
just feeling all of your warmth
as we sat and also played my video game.
I just wish I was with you
the Angel who helps make me feel better,
I just want to snuggle up
tightly while all of my shakiness
and sick feelings pass by us,
then just snuggle in comfort
feeling pure peace and completeness.

So my dear darling remember
I so truly love you and am right there beside you.
Know that as I go about my day
resting trying to get better
it is you I do dream of and you are
the one I want to sit with,
lay with, and just all around
ride out all storms of life with.
It is only you I want to snuggle up to

and feel your arms around me
as I hear you say you love me too.
It is only you and it only ever will.
I love you sweet darling
and am right here for you
whenever you want or need me,
I will always stand by you as your
faithful, supporting,
and truly dedicated Michael.
I love you sweet Kira and I see you
as the most beautiful miracle
and I wish I were with you right now
and want to be with you through all time.

Michael P. McParland

You Make Everything

Good morning sweet love
and as I arise I send you sweet kisses
big hugs full of deep warmth
and all of my true love.
I wish you were here to wrap up with
and snuggle as I feel so very anxious,
Kira you make everything alright
with all of your endless beauty and pure heart,
you make everything bearable because
you are my rock and my hero.
I love you my sweet one and wish we could snuggle
to start this Saturday morning with my dear best friend.

Kira you are a miracle and the Angel
I've always dreamed of and prayed for.
You light up the skies and make my heart sing,
you enhance and bring out all the beauty in everything,
you music more vibrant and meaningful.
Kira you are my best friend and more,
you make everything worth fighting for.
Kira I love you so much and thank you in full
for being the most wonderful you that there is.
You make everything more beautiful
and worth fighting for because you are my Queen
the greatest of all.

Kira you make everything better
that even feeling you in spirit is helping
me get through the pain and right now
not feeling so well.
I can feel your arms around me
and your adoring looks which always
made my heart flutter and my knees weak.
I can feel your sweet kisses and it is
helping a great deal with this anxiety.
You make everything feel better
and I just wish you were here so I could
hold you and thank you in person as I want to.

I love you sweet Kira and I am so grateful
for you in all ways my lady,
you make my life better with the knowledge
of true love and deep care not only existing
but that you have it for me as I do for you
my sweet Angel and Queen, my hero and best friend.
You are the worlds beauty and so bright and good
I just wish I were with you holding you close
and kissing you so I could look in your eyes
and tell you all of this as I want to do.
You make everything good and I just want to be
right now snuggling with you.

Love Note 470

A very good late afternoon
to you my sweet one
and I wanted to say

the love and deep care that you give.
It means more than you know
to receive the divine love
from an Angel as beautiful as you.
I love you my dear sweet one
and I always will.

My stomach is not feeling
well and I wish I were with you
lying down and I could just tell you
how much I love you so
and deeply care while you rubbed
my tummy and we sipped at some ginger ale,
I just wish I were with you
my most wonderful and special girl.

So my sweet dear I ask you
to please reach out to me
and hold my hand as I reach out
to you and take yours to pull you in.
You truly are such a blessing
and gift to me I want you to know
that I am so thankful for you.

feel better so soon

of which you're so deserving
and I want to do.
I will be sending you
the sweetest of kisses

as all the tired loneliness for both of us
passes, heals, and within each others arms
finally disappears as contented joy fills it in.

I want to be lying right
here with you as I recover
from my oral surgery.

I am still in a fair bit of pain
and it is hurting my stomach
and head a bit as well.
I wanted to check in though my dear
and let you know how I am
and that all will be well.

and I'll keep you warm while giving you sweet
kisses so reassuring.
Curl up in my arms my sweet darling
for a short while feeling so safe and secure
from the storm and just knowing that forever

Sweet dear I need a small rest before
I go to the oral surgeon,

Michael P. McParland

Rubbing Your Back

I wish I could just lay here with you
on the couch as I kissed you so sweet
and rubbed your aching back.
To just have your company as we watched
this cheesy sci-fi movie I've loved
for a long time baby would make
the perfect time here in my heart and eyes dear.
I just want to lay back with you
and help you relax giving all of my love
while rubbing your hurting back.

It's storming outside and I love storms my dear
but I know you do not and want nothing more
than to comfort you in all things that there are.
To help ease your fears and to help ease your pain
is the greatest thing I can give with all
of my love I hold inside just for you,
I love you babe and wish you were here
to lay back on the couch with me as I rubbed your back
and gave you the comfort and love we so both want.

I love you my sweet one and reach out to you
to hold you so tight in spirit,

you are the greatest and the softly kiss you.
I'll always love you sweet Kira and of that
you should never worry.

as I rubbed your hurt back so very gently
letting you know I'll be your Michael always and forever.

Michael P. McParland

Night Note 183

Hello my sweet love
and I pray that your night
is going so good and you feel
all of my love.
I wish you were here to spend it
and eat some pizza with me,
I ordered some since tomorrow
after surgery it will only be
very soft foods for me.
I wish you were here to snuggle
while eating and kissing
as we talk and read.
I wish you were her because
you truly are my everything.

I love you sweet girl and though
I'm not very nervous right now
the anxiety of the surgery grows
as each hour passes by,
also I just want you near
because you are always my hero
no matter the reason,
you are my best friend and true love
sharing a bond so very sacred
and I just want to be with you
no matter the day or hour,
you are so special
and I just want to hold you and kiss you
saying Kira I love you forever and ever.
Kira you are the Angel I've waited for forever.

So as I sit here tonight
about to start a movie I wish
I could share with you
I send all my love and deep care.
Kira you are amazing and everything
I long for, wanting, and needing
and I promise always that I will stick by you
because life without you

is colorless and depressing.
I love you my Angel because in
every single way that there is
you truly are the most beautiful
Queen through the ages.

Michael P. McParland

Holding My Sweet Love

Hello my sweet love and a gorgeous
good night to you filled with sweet kisses
and big hugs filled with all of my warmth and love,
as I now rise from a long tired sleep
I wish I were right next to you
to pull in so close and caress your cheek
while looking into your eyes and then give a kiss so big,
I just want to be holding you true love
and sweet Angel dove.

I had a dream of us my sweet love.
Those have been growing more frequent
though as dreams do they don't always make sense
or even turn out in the happiest ways,
but in this one I do remember that we
saw each other and hugged for so long
and just sat and talked away my sweet one,
then you gave me a letter so filled with love
and it was a joyful thing for sure.
Now I wish I were with you to kiss and to hold
saying thank you for my sweet dream
and all the truth that it holds,
then pull you in tightly to show you my love.
I care for you deeply because you are my lady
and there isn't anyone anywhere ever
that I would consider choosing over my Kira.

So my sweet one as I have awoken
and before I very soon rise I wish
I could hold you so very tight,
to so sweetly kiss and tell you that
it is you in my soul and heart through all time
and that I want nothing more than to spend
eternity with you the perfect woman
in the entire universe.
You are so beautiful and my gracious hero,
I just want to be with you
holding you closely and sharing our worlds
while I so lovingly kiss you.

Michael P. McParland

Curl Up In My Arms 6

Come my sweet one and curl up in my arms,
after being up through the whole night
I am so very tired.
I want to lay down with you and snuggle
so tight and kiss you so sweet.
I am so tired and want you to curl
up in my arms resting your head on my chest
as I rub your back while stroking your hair
as we drift off to sleep.
Please come curl up in my arms
because you mean so very much to me my sweet love.

Please my sweet one come curl up in my arms
because I want to hold and kiss you as I
so quickly fade off from the waking world.
I want to tell you I love you and hold you so tightly
while I reassure you I'll always be with you
supporting you fully.
I love you sweet Kira so please come and snuggle up with me
because you are so truly loved and deeply needed.
You are my Angel and I just want to be with you
in total shared comfort giving to each other
all the true love we hold and feel in unconditional purity.

Late Night Fun

As I sit here now and go about
this night at hand I think of you
and smile so very big my dear.
I think of all the late night fun
we'd have spending time talking, laughing,
doing many things that we both love,
holding on so very tight as we hugged and kissed
sharing everything about ourselves.
Late night fun in all ways with you
is everything I dream of and am looking forward to.

Late night fun looking into your eyes
and getting lost in the infinite beauty
you hold inside.
Late night fun as I just sit with you
even if just in silence as we both read
from our own books or play games on the kindle
and you on your phone.
Late night fun is just being with my darling one
and knowing that everything is alright because
I am with you.

Oh my sweet love I can feel you so near
and that helps me feel so very good,
I just wish though that I could look
upon you and caress your cheek
while I kiss you so passionate
and lovingly deep.
I just wish we could enjoy each others company
having in every way some late night fun.
I'll always love you my dear
and be waiting right here for you
because you are my Angel and the most
amazing beautiful woman ever.

Michael P. McParland

Come Sit With Me Please

Please my sweet one and sit with me,
as I finally begin to come out of
the anxious state I woke in a bit ago
it is you I've wanted here,
it is you my best friend and true love
who I want to have hold me near
with my arms wrapped around you as well.
Please come sit with me to softly talk
and sweetly kiss the last of all this
anxiety away and just spend time you and me.

Come sit with me please babe
and just let me snuggle so tightly up to you,
I dreamed of us as well sitting and talking
and other weird dream things
and it's so hard to wake and not see you
and be able to look right at you and say
I love you dear and you are so very beautiful,
then just kiss you over and over as we
smile at each other.
God bless you my sweet one please come sit with me
and share your divine spirit that shines forth,
please come sit with me because you are
the one I adore and would give anything to be with now.

So please my sweet one come sit with me
to just spend time in each others arms.
We'll chase away the anxiety, the pain
and lonely sadness that we feel,
just snuggle as our hearts calm
and sing to each other all our favorite songs.
I love you babe you truly are
so very great and all I want to do
is sit with you and snuggle throughout this whole night.

Michael P. McParland

Love Note 468

A very good afternoon
to you my gorgeous sweet Angel dove
and as I have just arrived home
from my meeting I wanted to
tell you hello and that
I love you so much first of all,
I would have written you
before I left but woke up
just in time to get straight out the door.
I'm sorry sweet one
I hope you know
and I send you sweet kisses
filled with all of my
true loving warmth for you.
God bless you my sweet love
for what a treasure you are
and I want you to know
you're my entire world and universe.
My heart overflows to bursting
with true caring love
so very tender just for you.

I am still tired my dear
but will be up as long as I am able
and I wish I could be with you
to just spend the day.
You could pick all that we do
because it doesn't matter so much to me
as long as I'm with you hand in hand,
I just to be able to look in your eyes
and say thank you for being you
and for all the loving care that you give,
and then give you a tender kiss
so passionate and deep.
An afternoon here with you
is just what my heart and soul needs.

So my sweet love feel my arms around you
as I reach out to pull you in,

listen close for my voice
as I lightly kiss your sweet ear
and say I love you my Kira
you are so beautiful and the very best,
I just want to be with you
through the rest of time
because only you touch my heart
and only you make sense.
I love you my lady and I adore you so deeply,
I truly hope and pray that you know
just how very much I care for you,
I need you because you are my hero,
my soul mate, my best friend,
and my true love, you are the one
I give myself to completely,
only you to I give myself freely.
Kira you are my Queen and so very amazing
and I want you to remember I'm
always yours forever and ever.

Michael P. McParland

You're The Most Beautiful

You're the most beautiful
woman there is in my eyes,
both spiritually and physically
there is no other that I'd rather have.
You are an Angel so gorgeous and fine
and I want to have you forever
as mine and all mine.
You're the most beautiful woman
there is in heart and soul
and I would give my whole life just for you.

You're the most beautiful woman I've ever known
and I would do anything for you my sweet gorgeous woman.
I just want you to know you're so cared for and loved,
I want to give you all the love you've always deserved.
I want to be the reason you smile
as each day I make you the happiest and proud
person that's ever lived.
I pray to God that you know I will forever be yours.
I love you Kira for you're such a gift
and I knew it from the first time we met.
You are my soul mate and my sweet precious gem,
you are my everything my hero so great.

You are the most beautiful woman in every way,
you make me tingle in spirit and body in whole.
You are the greatest and a blessing my love,
I am so happy for the bond that we share.
Please know that I love you and will
never leave you because my heart continues
because you are my reason.
I love you sweet Kira because you are so beautiful
and I will always be with you holding you closely.

Michael P. McParland

Night Note 182

A very good night to you my sweet love
and after a good shower and a small nap
I wanted to first before all tell you
I love you my Angel and wish you could
join me through the rest of this night.
I have no specific plans but would
love to be with you no matter what.
Just a good night with my Queen
who I truly love so very much.

I'm sorry sweet love that I
faded out there but I just lay
my head down after my shower
and drifted off,
I was dreaming of you and all
the good things I know will come
and it relaxed me in full.
I wish I were with to hold
and tell them in full,
I just wish I were with you
to do whatever we wanted
through the night here.
I miss you so much
and adore you in full,
I love you sweet one
and can't wait to hold you so near.

So as I sit here not sure yet
just what to do the night through
I first off wanted to say
I love you my dear,
you are everything I want
and I would give anything to hold you near.
To get lost in your eyes
and be illuminated by the brightness
of your gorgeous smile,
and to just caress your cheek and say
I love you my darling
as I then kissed you.

God bless you my Kira you are
the miracle that I've always prayed for
and I want nothing more
than to give you all of the love
I hold inside for you dear.

Michael P. McParland

Night Times With You

I dream of quiet nights just like this
to be spent with you my true love.
Quiet nights to just spend time and kiss,
quiet night times to sit back and relax
feeling joy and content to be
with the one I love more than anything.
I can't wait to reunite spending night times,
day times, evening times to no end my love.
I can't wait to be with you
my one and only true love.

I just want to spend night times with you
doing whatever we may want to do
or the few things that we need.
I wish you could join me in a short bit
my lady so sweet as I get into
a comforting and cozy shower,
again to just hold you and have you with me
as I look in your eyes and see you smile so big.
To share laughs and kisses while talking
is just part of what would make this night time awesome.
Night times with you are what I am so
badly wanting as we just talked, smiled,
kissed, and snuggled the entire time.

I just so long for night times with you
and all the joy that comes along
by being with my sweet Angel bride.
To have you right by me and hearing your voice
as we talk just like we used to,
to just pull you in closely and say you're the greatest.
I love you sweet lady and just want
these nights to give you my everything
because you are my Angel and I want
to be with you through all eternity.

Michael P. McParland

doing the small tasks that I am,

to have and hold
and I would give anything
to have you here in my arms.
I adore you so much
and just want you close
so I can look in your eyes
and say you are the best.
I love you sweet Kira
and I feel so blessed
to have your love
and know you are my very loving
best friend.

Oh my sweet sweet darling Kira
how I wish I were with you,
to hold and to talk to,
to spend time just being close to
as we read books, watched movies,
and shared all of our hobbies together,
how I just long to be with
my dear Angel I've always adored
completely and fully.
Kira you are a blessing
and truly the greatest
thing to me that has ever happened
and I'll always stand by you
forever and ever.

without the only woman I've ever treasured.

tender and gentle loving care
within me.

Evening Note 100

Good evening on this quiet
and relaxed Sunday my sweet Angel dove
and as I just lay out on the couch
still feeling wiped out
from yesterdays headache and the stresses of life
I long to be with my Angel so bright
sharing snuggles and kisses
while we so softly talk,
and for you to shut your eyes with me
shortly as I still just get myself whole
from that headache and heal from
the coldness of the outside world.
I wish I were with you
the one I adore most in the entire
universe and world.

On this evening and every other
sweet Kira it is you I am in need of
and it is because I so truly love you
and want to be holding you tightly
while I tell you I love you.
I just want to be with you
my loving golden treasure,
the most wonderful woman
anywhere ever.

I have no real plans tonight
except to in a bit continue
to rest my eyes as the thumping
in my head continues to feel
like it might again rise
and the stresses that have wiped me out,
I wish you were here though
to lay with and tell jokes.
I have so much to share
and funny little things I want to tell you,
I just want my sweet one
in my arms now to give kisses to
and hold so close

giving endless peace and comfort,
I just want my sweet Kira
who heals my heart and I want
to heal yours my sweet Angel of light.
I love you my darling and hope that you have
the greatest of evenings
while I send you the sweetest
of kisses so loving.
I'll be dreaming of you
and will write you after
I open my eyes and know
that I will always be yours
standing right by your side.

Michael P. McParland

Needing Your Kisses

Waking now my sweet one
from a long fitful sleep full of bad dreams
I wish that I could immediately
pull you in tightly and feel all
of your love surrounding as we share
sweet kisses both of us are so needing.
I love you sweet lady and I am missing you
in all of your beauty and wish
that right now I could just lay here and hold you.

As I just lay here now my dear one
I need your sweet words and kisses so bad,
just to help get this day going
and to have the comfort of my sweet darling Kira,
that's what I'm needing and wanting
is the kisses and company of my sweet Angel.
I just want to hold you so close
and give you deep tender kisses over and over.

So my sweet darling as I am now rising
I send you sweet kisses and big hugs
so very caring and warming,
you are the greatest and the only one
I want to forever be with and so closely holding.
I adore you sweet lady and just need
your snuggles and kisses because
it's only for you that my heart
continues beating and singing
in all of my endless true love and deep care.

Michael P. McParland

Gentle Tender Kisses

As I reach out in the middle of this night
to hold you so tight I give you sweet
gentle and tender kisses of true love
because you are my precious Angel

because you are beautiful and I so
adore you my best friend and hero.

can ever possibly know so I reach out
on this night to hold you so close

Michael P. McParland

All I Want 4

All I want is to wrap you up

do anything to have you here to hold and kiss,
I want you to know your great worth
as I give you all I can ever give.
All I want is for you to be here with me
holding each other oh so close
because to spend time with the one I so love
is all I want and ask.

Michael P. McParland

Endless Love And Kisses

I send to you endless kisses
so sweet and true love so pure,
I care for you so very much
and for you there is nothing but
tenderness in my singing heart.
I send you such endless love
with all of my strength
because you are an Angel sweet dear
and all that I'll ever want and need.

I'm truly so sorry my love
as after I ate my headache returned in full,
it got bad enough that I had to lay down
and thankfully I fell off into
a light sleep where it went away.
So I'm so very sorry if you were
worried, upset, or thinking I might
have blown you off because I would never do that.
I love you so much and would have loved
to had you here right by my side
because you know how bad my headaches can be
and your deep and sweet comfort is just what
I will always need.

So endless love, thanks, and sweet sweet kisses
to you Kira my sweet Angel dove.
Sweet sweet kisses to you my one
and only sweet Angel dove.
If you could only be me for a moment or two
you would know the immense love I hold for you.
It is undying and endless and I want to
say it with the sweetest kiss,
while I hold you so closely so you can
see in my eyes and feel both of our heart
melt into one.
I love you sweet Kira and adore you
as you are because you are my Angel
the greatest of all time.

Michael P. McParland

Evening Note 99

Good evening my sweet love
and how are you?
I wish I could there
to hold you so near,
to give you sweet kisses
and hold you so near,
to tell you I love you my sweet darling dear.
My headache keeps ebbing
and flowing not deciding
if it's staying or going
and I would love nothing more
than to lay back on the couch
with my head on your lap
while you lovingly rubbed my face and head,
I would just smile at you
and say thank you my love
you are the greatest
there's no doubt about that.
You're everything I'll ever need
and I'll ever want.

I wish I were with you
to share a beautiful evening
in each others arms feeling so good.
I've not yet eaten dinner
and to share a meal with you
would be total heaven,
I'd eat what I could and then just
enjoy knowing that you were pleased love,
a beautiful evening with
my Kira so good is everything
I want and need forever my Queen.

I hope you have a good evening sweet love
and now I must go eat and hopefully
that will cure my headache,
just feel my arms around you
and my sweet kisses too,
I am in such need of our future

evenings my dear.
I love you sweet lady and pray
for you always
and I hope you know
that I am your Michael
and yours alone forever and ever
through all eternity.

Michael P. McParland

Sweet Waking Hugs And Kisses

As I now rise and slowly get
myself going with a bit of a headache
I send you sweet kisses and hugs
to get this late day
and say Kira my dear I love you so very much.
I love you in full and wish you were here
to hug and kiss while I see you smile,
I wish you were here to sit down by
and softly talk while I fully wake up.
I love you so my sweet Angel dove
and send you sweet sweet waking
hugs and kisses galore.

I love you sweet one and just desire
and long to be in your arms
giving you sweet waking kisses and hugs
on your cheeks lips and neck,
sweet waking kisses that make
the whole day here so very very good.
So as I know rise and pray this headache
will go away I send you sweet kisses
and my strength to warm you in whole,
I'm dreaming of you and all the good times
we'll have when you're ready dear.
I love you so much and just want
your sweet kisses right now
because you are a treasure
and the crown jewel of my heart.

Michael P. McParland

Lay With Me Sweet One

Come lay with me sweet one,
the night is just about through
and I stayed up longer than I meant to.
I am tired to the bone my dear one
and just want to lay down with you
in each others arms to snuggle away
the rest of these waking moments here.
Please come lay with me and kiss so sweet
as we drift away with big smiles on our face.

I am so tired my dear and I just want
to put on one of my podcasts or audio books
as I lay down with my precious girl
arm in arm lips pressed to lips
giving each other the sweetest kisses
any lover could hope to have from their one
and I want you kisses while in your arms,
the arms of a divine Angel and the greatest
woman that there is anywhere in the universe.
So please come lay with me sweet one
the man who adores you to no end.

So even though it now enters very early morn
I am so tired and say goodnight to you.
I ask you to come lay down with me
so I can hold you as I say I so love you,
then seal it with a tender kiss so very loving.
I just want you to be with me as we
give each other such deep comforting peace
and happiness that can't be found
anywhere else but with your best friend.
I love you babe and ask you to come lay with me
because you're everything I'll ever want and need.

Michael P. McParland

Night Note 180

A very beautiful and sweet
good night to you my sweet one
and I hope that you are well
and doing good feeling all of
my strength, warmth, and endless
undying true love which I send to you.
I pray that you know just how much
I care and wish you were here
to spend a beautiful night
in each others arms
feeling whole and good as we
snuggled so tight.
I love you my dear sweet one
and miss you so very much.

So as I sit here now having
been done with all my chores
and having enjoyed that nice shower too
I just want to sit back with my girl
and snuggle away until bed.
Just watching some TV while
we eat some good snacks
and just feel the deep comfort
we both so need and want.
It is you to be here for
which I am longing
so we can just spend time
together having fun and laughing.

So now as I sit here and wish
for your company I send you
the biggest of hugs and sweetest of kisses,
I love you my darling
and will always be with you
because I would never leave
my best friend who I'm so in love with.
You are the greatest and my divine Angel
who I just want to be with forever and ever.

Michael P. McParland

Relaxing Before Bed

I don't know just yet my sweet love
when I'll be headed to bed
but I know that it's with you through
the night that I want to relax
as we sit and lay back sharing kisses
so passionate, loving, and full of sweet need.
I just want to be relaxing with you
my Angel so beautiful and good.

So first my sweet dear I'll shave my head
and take a very cleansing, refreshing,
and relaxing shower that washes away all
the sourness of deep stresses
and the tears of deep sadness.
I wish you were here just to be with
while we smiled at each other
in the comfort we've always provided
and just enjoy relaxing in each others arms
under the flowing water.
That would be the perfect start
with you my sweet darling for a relaxing night
arm in arm hand in hand together
feeling so wonderful.

So my sweet dear though it may be awhile
before I go to bed I would love nothing more
than to spend a relaxing time with you
feeling so very good just holding you near.
I want you in my arms and to be surrounded
in all of your charms knowing that
life is so good and all will be fine.
I long my sweet one for a relaxing time
with you before bed and will be dreaming of
all the beautiful times to come with you.

Michael P. McParland

An Evening So Tired, In Need

A very good evening to you my sweet love
and I am truly so sorry it took me
so long after my return to right you my dear.
When I arrived home from shopping
I felt so very sick from hunger
and low blood sugar I had to lay down
until I could eat some dinner and recover,
I only now am feeling better
and how I so wish you could have lay down
with me and snuggled the entire while,
and now on an evening so very tired
I am in want and need of your smiling company,
to just snuggle and kiss while we spend out time
feeling close and having so very much fun.

I still just feel so very tired my dear
from stress and emotional stuff
and I just need you arms around me
and your head on my chest as we relax
for the evening and watch some TV,
read, and talk away,
I just want you my Angel so good
because you always brighten my
night and days giving me endless peace.
I just want you here on this evening right now
to hold each other forgetting the world.

So again I apologize my sweet lady
and just wish to be with you
on this tired evening enjoying each others company.
I love you so deeply and only
long to gaze upon you in your infinite beauty
telling you that you are my only,
to tell you I love you over and over
while I show and tell you how much you matter.
Again I love you sweet lady
and wish that on this tired evening
I could be with the Angel I'm so needing.

Michael P. McParland

Love Note 466

Good late afternoon
my sweet beautiful Angel
I so truly love, care for,
and deeply adore to no end.
As I now finally rise
from a long exhausted sleep
I send you sweet sweet kisses
to say I love you babe
and thank you as ever for your
kind loving strength, kindness,
and caring patience you give.
I love you my sweet one
and I always will.

As I now rise I am going
to the store to pick up some things,
I am still feeling tired from waking
and I wish you could join me
as we start the evening
and I get myself moving,
then upon our return I would
cook you dinner my darling,
I want nothing more than
a beautiful evening
with my sweet precious lady
who truly is my dear everything.

So my sweet dear I best
get going now
and I will write you something
beautiful upon my return.
I love you my lady
and believe me when I tell you
that you are amazing,
you're all I want
and missing you is one
of the biggest challenges
and struggles I am facing
because you are my gorgeous

and darling Queen Angel.
Feel me there with you
and my arms wrapped so tightly around you
knowing that I will always be
your supporting, dedicated,
and ever loving Michael.

Michael P. McParland

Middle Night Kisses While Holding You

As I am so very tired and will soon
lay down my head to go to sleep
I reach out to hold you so tight to me
while giving you middle night kisses so sweet.
I just want to hold you and comfort you
giving all of my warmth and love,
I want to help reassure you I'm always there.
I'll never leave you because you are so good,
with a heart and soul made of pure gold
I love and adore you.

I give you sweet middle night kisses my Kira
as I hold you so very tightly saying
I love you and thank you for everything.
I just want to hold you so closely
while I kiss your cheeks and lips
as well as light pecks on your neck,
I love you so deeply and desire only you
completely in all of your glory
I am reaching out to hold you
and give you deep comfort while I kiss you.

I send you the sweetest middle night kisses
and my prayers for you and us both
right along with them.
Feel my arms around you and my strength
filling and surrounding to feel peaceful
and know that by me you're always protected.
I love you sweet lady and so look forward
to our sweet and delightful middle night kisses,
you are my Angel and you fill me with
brightness so bright and hopeful.
I'll always be by your side hand in hand dear
because you are my best friend and true love
whom I adore and admire.
I will be your man forever and ever because in
my eyes, heart, mind, and soul there is no other
it's only you.

Michael P. McParland

Night Note 179

Sweet sweet kisses to you
my dear sweet Angel of light
and I so pray you are
having a good night.
I pray you have felt and been filled
with all of my care and loving warmth
as I have gone about my few chores
and sat here reading and watching a film.
All the while I've dreamed of you
and wished you could be spending
this night along side of me
just enjoying each others
fun, loving, and late night tired company
with you held so very close
as I kissed you so sweet
and told you that you are the best,
I just wish you were here
because I love you so much.

I just think of you and my heart
flutters in full remembering
your beauty and just how great it is,
it flutters in need of your big hugs
as we just stand together forever in love.
I miss you my Angel and long for you deeply
because you are my everything
and I long for your hand and to
be your man through all eternity my only love.
You are the one and I give myself in full
because you are my everything and I love you so much.

Michael P. McParland

Sitting Here Wishing For You 2

I love you my dear best friend
and as I sit here I'm wishing you were
right here beside me snuggling and kissing,
just spending time as this night
fully winds down talking and laughing
as we just revel in the loving bond that we share.
God bless you my darling I so wish you
were here sitting with me having such fun
and feeling so cozy with my dear special one.

I must soon get up and do the dishes
and I just sit here wishing that
you were with me to talk and share company,
not to help me with my duty
but to just be near and smile so big.
To be near and help soothe my soul and heart
as I would soothe yours my sweet Angel dove,
I just wish that I could hold you
and wrap you up so you would feel safe
in all of my endless care and deep love
and so I could feel safe just having you there.

So as I'm sitting here now
I wish that you were here to just
sit back with me and talk away,
to have and to hold my only one.
I truly love you sweet one so very much
and just pray that so soon I will be holding you close.
Kira you are my one forever and ever
and I swear as always I'll never leave you.
I want to be always with my adored Angel
because you are the reason I still believe
in true love and the beauty in this world,
you are my heart my dear sweet one
and help me to keep going.

Michael P. McParland

Late Evening Snuggles 2

Late evening snuggles with you
my sweet one are what's so needed tonight.
It's been a frustrating couple of days
for the most part my dear and you're all I want.
To gaze in your eyes and kiss you so sweet,
all the while saying I love you babe.
I miss you so deeply my sweet gorgeous Angel
and just want to have your sweet arms around me.
I just want to hold you so closely
and say thank you for being my everything.

Late night snuggles with you are what
I dream of to get through it all,
late evening snuggles and kisses
with my Kira I so adore,
sweet late evening snuggles to forget
the cold outside world.
I dream of these late evening snuggles
and can't wait for them to come true
making life so wonderful and full of deep joy.

I love you my sweet one and am right here for you
as I know you long for these late evening snuggles as well.
I love you my darling and it is only
your presence I am so needing and wanting,
you truly are my sweet and rare precious diamond.
You are worth more than all the worlds riches.

So my sweet love feel my arms wrap around you
as I reach out in spirit to hold you,
for now in this way we'll share
and enjoy our sweet beautiful snuggles
and on this almost late evening I need yours bad.
I love you sweet Angel I'm so glad
you're my best friend and I will be here
waiting for you to no end.

Michael P. McParland

Feeling You Here With Me (Sleeping)

As I lay here sleeping for the good
last little while after a nervous morning
in the dentist chair I could feel
you here with me in all of your loving care,
I could and can feel you near
and you are the brightest of spots
in what's otherwise a not very good day.
I was feeling you with me while I slept
and I can feel you now my sweet Angel of beautiful light,
I just wish so much I could talk to you
to share everything that there is.

As I earlier lay down to rest
I could feel you in spirit wrap
your arms around me so very tight and lovingly,
I could feel your lips pressed to mine
and my cheeks as you sweetly kissed me
and I could feel your soft caress
down my face and arm as you
rested your sweet head upon my chest.
I could feel you here with me and your big smile
and it felt so good my precious diamond I treasure.

I could feel you here with me
as I was drifting off and sleeping as well
and I want you to know it was the most
heavenly moment of my week in whole,
anytime I feel you I feel well.
It makes me long so very much
to be with you now snuggling and kissing
while I tell and show you how much I care.
I can feel you and hope you and feel mee too
as I so adore and love you in full.
Feel my sweet kisses and my hearts beating love
as it sings out all of my love songs to you.
I love you so much and feel you close
and I just want to be holding you right here and now.

Michael P. McParland

A Tired Afternoon With My Beautiful Girl

I have just arrived home from the dentist
sweet love and the tooth was worked on
hurts a fair deal and I'm tired as well,
I wish that you could be here with me
to sit back and relax watching a film
as I try to eat something when
the Excedrin has fully kicked in.
I wish you were here to share a tired afternoon
just spending time and later for
a small rest as well.
I only want to be with you my Angel so good.

So as I sit here and relax hoping the pain
won't somehow get any worse
I'll be dreaming of you my sweet dear
being with me spending a beautiful
and tired afternoon holding each other,
I'll be reaching out in spirit
to say thank you sweet Kira for everything
and I so deeply love you.
I miss you sweet lady and want you here completely
to just hold and spend a tired afternoon
so lovingly with each other.

Michael P. McParland

Night Note 178

Sweet kisses and a very
beautiful good night to you
my sweet darling dear.
It won't be very long before I go to bed
and first as I enjoy a snack and film
I wish you were here to join me
and spend some time,
time in each others arms
and so I could cook for you my Angel so good,
feel all the hugs and kisses
I send to you filled with all
of my love warmth and strength in full.
Know that in spirit I'm
right there with you.

I love you my dear and just
want you to know I can't wait
to be spending all of these times with you.
Kissing and snuggling feeling so very good
and just being with the ones
we love most of all.
God bless you my lady you are the one
and I just want to be with you right now.

Michael P. McParland

Late Night Snuggle And Kisses

I have just finished a wonderful
and very fun movie,
multiple times I thought of you
and wondered if you've seen it too,
it's been out for awhile
but I've just seen it now
and wish you had been with me to watch as well.
Sharing a good time while snuggling tight,
I just wish I had been spending time
with my sweet Angel bride.

So now I wish we could just sit back
still snuggling and kissing
while we just talked and then read.
Perhaps watch another film in a bit
and it would be one that you choose.
I just wish I could share with you here
a late night and kiss so filled with bliss.
A late night snuggle and kiss
is what is needed this night
as it would be just the two of us.

So my sweet dear let's so very soon
come back together to have wonderful
late night kisses and snuggles sweeter than anything,
I would give anything to be with you
winding this night down holding each other so tight,
to just spend time with our best friend
and enjoying our special bond.
I love you sweet lady and want to
be with you forever just knowing good,
never having to ever feel empty again,
I send you sweet kisses and big hugs galore
and just know I am there with you always my dear.
So as I now sit back I'll dream of you
and snuggling so tight because you are my Angel
so very wonderful and shining light.

Michael P. McParland

An Evening In Need

I am in need this evening
of your embrace and sweet kiss.
I just want to sit back with you my dear
and spend time quietly talking
as well as enjoying other things.
I am in need of my sweet Kira on this eve
seeing your sparkling eyes and your sweet smile.
I want to be with you feeling your brightness
lifting my heart and spirit to also feel Gods love.
I need you my sweet lady because you
are a true gift so amazing.

I am in such need of you my sweet love
because it is you that makes my world good,
you are the Angel for whom I so long awaited
and I want to just be with you holding you close
and sweetly kissing very loving and deep,
I miss you sweet Kira and just want you here
to share this evening cool and fare
knowing for once what it feels like
to truly be held by the woman I love
more than anything in the entire universe.

I love you my darling and on this evening
I'm so in need of holding each other
and just watching a movie,
to just sit and kiss you while gazing
upon your endless beauty,
to just be in your presence felling like
a King and Queen high above the world
marveling down upon it and upon each other.
I love you my sweet Kira and just want
to be with you holding you closely
both of us sharing our everything.

Michael P. McParland

Love Note 465

Good afternoon my dear love
and I still just lay here in bed
wanting my sweet one.
I feel so very tired
and am very stressed for so many reasons,
I just want to lay with you here
forgetting the world for awhile
while talking and resting,
I just want to be with my Kira
so beautiful and amazingly wonderful,
I just want you in my arms
to help make these days
bright and hopeful.

So feel all my sweet kisses babe
as I send millions upon millions

and I want nothing more than
to be with you because I so deeply love you.

Michael P. McParland

Waking Afternoon Kisses

As I wake from a long needed
and at points restless sleep,
on this afternoon I give to you
kisses so very deep and so very sweet
to say I love you and need you here with me.
To give those big kisses in person
and just snuggle with me as I
stay here in bed for a time more.
I want you here because I miss you so
and send you these sweet waking afternoon kisses
letting you know you'll always be
my sweet Angel dove.

I love you my darling and just want
to have your arms around me
as we share sweet waking kisses
that would help lift my heart
which feels so very heavy.
It's sad waking without you
and knowing that through the whole day
I will not see or talk straight to you,
my heart is heavy with tears
and I just so want to be with
the one I love to hold and kiss.
I send you these sweet waking kisses
to let you know I'm always with you.

I love you sweet lady and as
I lay here for a good bit
I'll be dreaming of you as I send
these kisses so sweet and so big,

Lying Beside You

I lay down earlier sweet one
ready to write you but feeling so tired
I closed my eyes for what I hoped
would be just a few minutes or short bit
and I am so very sorry my dear
for as we now see I went out like a light
for the last 5 hours or less.
I'm truly so sorry my dear
and now through the rest of this night
I just want to be lying beside you
snuggling ever so tight and kissing you sweet.

Lying beside you right now
and through the night as a whole
would be the perfect treat
for this man who loves you so.
I miss you so much and adore you sweet love
that I just want to hold you
and soothe you while you fall asleep babe.
To just have you rest your head on my chest
and I would stroke your hair and rub your back.
I'm sorry sweet love I fell asleep so very long
and just want to be lying with you
side by side kissing and snuggling ever so tight.

I wish my sweet love I could just be
lying beside you tonight.
You don't know just how much I am missing you
and pray to be sharing everyday
and every part of my life with you so very soon.
You are my Angel and desired bride,
I give my self and whole life to only you.
I wish we were snuggling because you
are my blessing and gift straight from God.
I love you my Kira and am longing to be with you,
tonight just lying beside you admiring your sweet beauty.

Love Note 464

Good late afternoon my sweet love
on this bright and sunny one,
the only thing that could make all
even more beautiful is you
my sweet Angel dove.
You truly are the worlds beauty to me
and so very much more.
God bless you Kira so beautiful
pure and good,
I'll only ever want you.

I just returned a short bit ago
from a little walk around the duck pond
in the park dreaming of you
and the beautiful time we would have,
all the time I was sending you my warmth and love
I so hope you felt it surround you
with all of my strength and sweet kisses as well,
you made me smile as you always do.

I just wanted you to know as I go about
cooking dinner now I adore you so
and hope you know that I pray
for your happiness and return so very soon.
I love you my dear and wish you were here,
because you are my Angel
and all I hold dear.

Resting, Dreaming Of You 2

I've been lying here for
the last little while
and I've been dreaming of you
my sweet precious Angel.
I've been dreaming of you hugs and kisses,
I've been dreaming of you sparkling eyes
and gorgeous smile.
I've been dreaming of you the one I so adore
because you are the woman I admire and love
in every way that there is.

While I rested here I dreamed of you
to give myself a smile,
thinking of my sweet lady Kira P.
gives me the greatest joys
even as my heart still aches to be with you.
You are my hopes and my joys both
on this earth and for heaven above,
you are everything I want because you are perfection
in my heart with all the love and kind caring
you hold within your golden precious heart and soul.
As I lay here resting I dreamed of you because
you are an Angel who loves me in return
and that is the greatest gift that there is sweet dear.

I love you my sweet one truly
with all I have and am through all time.
As I rest I always dream of our times
both past and in the future dear,
our talks and kisses, our snuggles
we are both in such need.
I just dream of you because I care
and want us to share all there is,
I can feel all your love and it is only
to you I'll tear down my walls and cry in front of,
all others will get only my shell or just below,
nothing like I'll ever give to the Queen
I hold so dear and rules the world
I cherish within both you and me.

I dream of you because you are such a special
gift and blessing from our perfect and loved God.

So know my sweet dear within your
sacred golden heart and soul
that as I rested I dreamed of you and me,
I dreamed of all there will be
because you are my everything.
I love you more than the world and universe
and fight for you in all ways I can,
I just want to be in each others arms for all time.
God bless you my dear and feel all
of my loving warmth as I send it to you
with all my loving strength,
know I'm holding your hand in spirit all the way
and won't forsake you ever babe.
I love you Kira so please soon return to me
because you are the only one for whom I long and dream.
You are the most beautiful and greatest woman there's ever been.

Michael P. McParland

A Sunny Afternoon With You

It's a beautiful and sunny afternoon here
and how I would love to spend it with you.
To go to a lovely park to share a picnic
as under the shade of a tree we held each other
so very closely and tightly my dear,
just lying down and sitting on the most
comfortable blanket we own.
It's a beautiful sunny afternoon here
and I wish you would come so we could enjoy
every single one smiling within each others arms.

A sunny afternoon I just want to spend
with the love of my life in the beauty of the world.
To grill some burgers just for you,
they wouldn't be really fancy but I want
to share such a lovely time with you.
So feel me there with you saying I love you dear
as in spirit I pull you so closely in
so in some way we are able to share this gorgeous day,
a day I wish I were spending with gorgeous you.

So here on such a beautiful sunny afternoon
I'll be thinking of you and holding you in my arms,
please think of me too sending all of
your loving warmth as I send you mine.
God bless you my sweet love as well as us
to find our way back so very soon,
you are the only one I'll give myself to
and I just want to spend all of these days
with you having such fun in our shared love.
So feel all of my sweet kisses
and the sun that I send you to feel all of my love
because you are my sweet Angel dove
and the only one I stand by forevermore.

Michael P. McParland

Longing For Your Morning Kisses

As I awake my sweet dear
I long for you and all the kisses
I can't wait for us to share.
I had some bad dreams and I want to hold you
forgetting them all and the lies that they are.
I had a dream of losing you to another man
and I know that won't happen
but I long for your comforting morning kisses so bad.
The comforting morning kisses
of my beautiful Kira an Angel so rad.
I long for you my only one.

So as I now lay here preparing myself
for this day mentally I reach out to you
for such comforting snuggles
and ask for your warm loving kisses.
To help both of our hearts settle
and just be peaceful knowing
that we'll always be here for each other
as best friends who have true love
and are faithful people.
That even with distance we still feel
such a bond and it's wonderful.
I can't wait to be with you
as I so want and need your comforting
morning kisses so sacred.

So my sweet darling feel my sweet kisses
as I send them with big hugs
and know that your Michael is as faithful as always.
I just want to be lying with you while
we are talking, reading our books,
listening to music, a movie or two.
I long to just be in bed here with you
sharing sweet sweet morning kisses galore.
I long to be with only you forevermore.
If only you knew how horrible that dream
of another taking you and your love from me.
I love you sweet lady and miss you badly,

so I lay here right now in need
of your sweet, loving, caring,
comforting morning kisses so divine and supreme.

Michael P. McParland

Please Lay Down With Me

Please lay down with me
right now my sweet dear.
I just feel so alone
and truly miss you so.
I just want to lay here side by side
kissing you so tenderly with all
the passionate love I hold for you.
God bless your sweet and tender soul
to know that your man truly loves you so.
Please never forget that I am here for you
just wanting to give you all the best
there is and all the best I have.
Please just come lay down with me
to share our warmth snuggling so very close.

Please lay down with me
and rest your head upon my loving chest,
we'll just softly talk while I stroke your
long flowing hair and rub your back,
please come lay down beside your Michael
who wants you for you and just that.
I love you babe you truly are my everything
and all I can say right now is you are the best
while I ask you dear to come lay down
with me because you truly are the only one
I want here with me through all time.

Michael P. McParland

Heaven 2

Heaven is being with the one you so love.
Heaven is spending time holding each other
and holding hands.
Heaven is knowing you're loved
by your only one
and I love mine and feel all hers as well.
Heaven is knowing you're cared for to no end
and that is a gift I share with my Angel
so good and true.

Heaven is snuggles with kisses of love.
Heaven is just spending time
with the one you so adore.
So for me my heaven is my only best friend
and her name is Kira the most wonderful
woman there is,
holder of my heart and soul
which only to her would I gift.
She is my joy and all that is good,
a gift and blessing from God so right here
on earth those that she touches
could feel that delight of heaven
and she has touched me so deeply
she is the most blessed of Angels.

Heaven is knowing you're heart
will forever be carried and cherished,
that you're most beloved will do anything to protect it.
I love my sweet Angel and would do anything
for her because she has given me
the gift of heaven through true love unhidden.
I love her so much and am thankful beyond measure,
I know true heaven because I know and love her.
She is the greatest and such a treasure
I thank God for giving me such a glorious gift
being able to know divine love from such a treasure.
She is my heaven and all I am wanting
as my wife and partner forever and ever.

Michael P. McParland

Quiet Sunday Afternoon

As I now rise from my needed
Sunday rest on this day dear
I wish you were here to be with sweet lady,
it's such a beautiful and warm
to hot day in Minnesota making it perfect
for us to turn on the cooler and snuggle.
I wish you were here to kiss and talk to
together spending a quiet and beautiful
Sunday afternoon so very peaceful and loving.

As I sit back to read I send you
these millions of kisses with all my strength,
huge tender hugs to wrap you up
saying I love you and giving you all of my warmth.
God bless you my darling and know
that I'll forever want you beside me.
Side by side hand in hand as we spend
so many peaceful, loving, beautiful days
together supporting each other as King and Queen,
I wish you were here my sweet darling dear
to spend such a wonderful time sharing
all the things that we love as well
as ourselves and time with our best friend
whom we truly love so very very much.

So as I now rise from my rest needed so bad
I send you this kiss and all of myself.
I wish so bad that you were here
so we could just spend the most beautiful
and loving Sunday afternoon.
I know it will happen and I'm eagerly awaiting
but in the mean time it is so hard without you.
I love you sweet lady and will never leave you
because you are so special and my heart
only wants the most beautiful woman,
I only want you my sweet darling Angel.

Michael P. McParland

Under The Covers 12

Come my sweet one and join me
this afternoon under the covers for a good rest
and the sweetest of snuggles.
Last night I didn't sleep great
and I just want you in my arms as I rest,
to share kisses and soft words before
we begin sleeping,
please my sweet one come escape this world
for just a little while with me.

Come my sweet one and together escape
into our own world away from it all
as we talk, kiss and laugh
snuggling under the covers feeling fulfilled.
Come join my dear as I'm in need of you
my darling Angel whom I love so true,
come my sweet dear and rest with me
as we find peace together like we always do.

So please come my sweet one
as I'm feeling quite tired and just want
you here in my arms to feel
peaceful and safe with my only one.
I just want to kiss you and hold you
while saying Kira I so deeply love you.
Come my sweet one and under the covers
we'll find the soothing solace we've needed.
God bless you my darling you are my dreams
and I hope you know just how much you mean.

Michael P. McParland

Waking Needs

Good Sunday morning my sweet one,
I pray you had sweet dreams and slept well.
I love you sweet one and on so many levels
life without you is pure hell.
Waking and not being able to see you
is always hard darling but eons worse
after nightmares as you know I am cursed with.
Especially bad are those ones
where I lose you again and again,
so my waking needs are just to be held
by my sweet precious lady
and to hold you so tightly giving you
supreme love and comfort you need as well.
I love you sweet Kira and just want to be with you
here on this Sunday at hand.

As I woke shortly ago I just lay here
in bed with my eyes closed for a little while,
to dream of my lady and all the good times we had
and to dream of the good our future does hold.
I love you my darling and just want you here
for a quiet, peaceful, and loving
Sunday morning, afternoon, evening,
and night of kisses snuggles and conversation.
I miss you sweet lady and need you
because it is you I am so deeply love stricken.

So as I have woken and will soon have risen
I wish you a beautiful good Sunday morning
and send you sweet kisses as I reach out to hold you,
to tell you I love and treasure you fully,
to just give us both comfort in the way that is possible.
I love you my Kira and so truly adore you
because you are my Angel whom I will always
give my all and everything.
I need you because I love you and just want to serve you
so please on this morning feel me there with you
as I give you kisses and snuggles so tightly.

Michael P. McParland

Love Note 463

Good late afternoon my sweet love
and I apologize I was truly not able
to write sooner to you.
After I last wrote I was doing the dishes
and had a glass cup break
cutting part of my typing hand open.
So first I had to nurse that
my sweet dear and now typing
is slow going as well.
I truly am sorry and wish I
could have let you known
so you would not have to worry
or feel like perhaps you had been forgotten.
I was thinking of you as I
took care of myself
and as ever hoped you are well,
I love you so deeply
and you mean more than all the earth
that no matter my issues
I worry for you.
So I apologize now dear as
my typing is short
but I have a big bandage
around part of my hand.
It makes typing hard
but I want you know that overall I am fine.
God bless you my dear
and remember I'm always with you
because you are my everything
and my sweet Angel dove
whom I adore to no end.

Michael P. McParland

My Most Beloved Angel

You are my most beloved
and treasured Angel on this earth,
the universe, or anywhere my sweet dear.
You are my most beloved blessing
and gift from God in the pre existence,
this life here, or the next my sweet precious gem.
You are my most beloved Angel
because for each other we care
and are so filled with love as the greatest best friends.

You are my most beloved Angel and hero
though you may not always see it my love,
I truly do the best that I can each day as I go
and though some days may seem less
I promise you I'm always doing the best that I can
because it is you I want for all time.
You are the greatest and my most beloved
and I will always be right by you side hand in hand
giving my best to the woman I love.

Remember always my dear only with you,
I just want to have your hand in mine
as husband and wife so in love
feeling total joy as time goes along,
you are my most beloved person anytime anywhere.
I love you Kira with all of my heart and soul
and just want to be holding you forevermore.
I love you sweet one and pray for you
because I want you to have the greatest of joys
and to know how much I care.
I pray that so soon we will have what we need
because we are true soul mates in so much need
of what we give each other in each deed.

Michael P. McParland

Missing You So Bad Today

I missing you so bad right now,
as I go about little chores and tasks
I listen to so much music
from all the artists I most love
and it all tugs at my heart and soul
as in the best of ways it makes me
think of you and I miss you so much more.
I'm missing you so bad today
just like everyday I do.

I miss you in all your endless beauty,
I miss you as we talked and in the day
we sat so close next to each other,
I just miss as I could look upon you
in all my loving wonder and all the
wonderful tinglings that you give me.
I miss you my lady and can't
wait to be reunited kissing, smiling,
laughing, and relief filled happy crying.
I miss you and want to have you here with me
to spend the day feeling whole and oh so great.

I truly love you dear and am missing you so bad,
I just want to sit back and hold you near
as we share everything we have.
I love you and as we spend time just forget the world,
you are an Angel and a gift,
a true miracle from God in my life
I can't thank him for near enough.
I thank you as well for all your care and love,
I adore you and just want you in my arms.
I love you Kira and miss you more than you can know
because I love you more than anything
on this earth or in the entire universe.

Michael P. McParland

A Quiet Loving Afternoon

It's soon noon here my sweet dear
and I wish I could be spending it
arm in arm with you my dear love.
First I'd cook us a nice little lunch
because food is a gift to share
with the one you love
and it is a comfort as well.
So to see you enjoying my labor of love
and enjoying my company would be
the most wonderful thing I can imagine.
My cooking for you and all that
I work to are to thank you my dear
and tell you I love you.

Then to just sit back and relax
while watching a film
and some good TV shows we both love
while we hold each other so very close,
to talk and to laugh like we always have
and then read a bit before maybe
drift off for an hour or so.
I just desire and want a quiet loving afternoon
with the woman I love more than anything
there's ever been or will ever be.

So as noon fast approaches my dear
I reach out to you and pull you in
while sending you kisses and hugs
ever so loving and sweet.
A quiet loving afternoon with the one
I so adore and cherish in full,
the Angel I love and give myself to in whole.
I love you my dear one and am dreaming of you
because you're my diamond in the rough
and the most beautiful woman there is in the universe.

Michael P. McParland

Lay With Me This Morning

Lay with me in bed this morning dear,
I just want to be here holding each other
so very very near as we kiss
and talk so lovingly.
I'm just feeling down and don't want
yet to get up and move around.
I just want to be with you
to make this whole day good.

Lay with me this morning my most
beloved and wonderful dear,
just lay with me and look into each others eyes
getting lost in all the wonderful
love we feel, we share, and that we give
to one another endlessly
making us feel so whole and good.
Please just lay here with me
and put your hand on my chest to touch my heart
and make it heal this day.
Please my love just come lay with me
and lift my spirits like you always do
my sweet beautiful Angel true.

So please come lay with me
my most cherished and treasured Queen.
I adore you so very much
and without you my heart hurts
and the worlds burdens are so much worse.
I love you dear and just want your here

and feel your warm loving arms around me too
as you kiss me sweetly on my cheek
and say it's alright now because you're here.
I love you so much my only one
and just want you here to kiss and hold.

So as I just lay here for awhile more
I'll be dreaming of you here by my side,
I can feel you near in spirit babe

but I am in so much need to see you now,
to kiss you on your soft lips
then pulling back to say I love you so very much.
I'll be lying here reaching out to you
sending kisses so sweet and dear
and saying my prayers for our day
and soon that we will have our reunited day.
I love you dear you truly are my everything
and I want nothing more than to lay with you
holding you so close to me.

Sharing A Beautiful Evening

Here as the evening grows late
I wish you were sharing it with me.
It's been a long day with frustrations
and some anxiety along the way
and I want nothing more than to
be sharing a wonderful beautiful evening with you.
I just want to be with my best friend
and true love I so adore sharing
a relaxing evening in each others arms.

A beautiful evening where I just want
to mostly watch a film some light reading
though as well.
I just want to be sharing this evening with you
the most beautiful woman in the universe.

relaxing with you on this evening so fine.
I love you dear you're my Angel so true
and after a long one I just want to be
arm in arm with gorgeous you.

So as this evening grows late
and my tired mind has and is still
in need of stress free relaxing time
I wish I could be with you my Angel so fine.
Sharing this evening with you
would be perfect my love
and that is what I pray to have forevermore,
to just be with the Angel I love
who also gives me all of herself and love,
as well as giving me endless light and reason to live.
You are so wonderful and so full of care
I can't wait for the evenings we'll share.

Just Want You Here

I just want you here
to wrap up in each others arms

Morning Time Thoughts

Good morning my sweet love
and as I now rise this morning
and prepare for all the things
I must do today I think of you
and all of the beauty you bring and provide,
I think of you and wish you were here
to spend time with and enjoy
each others wonderful company.
I think of you and it makes me smile.

I think of you and know that
true loving care and Angels on earth do exist.
I wish you could be with me this afternoon
as I go to the dentist,
I'm not scared of the dentist at all
but might need further oral surgery again.
So I wish you were here with me
as I get up to take a nice shower
and just spend a wonderful loving morning
smiling and so tightly holding each other.
My morning thoughts are filled with all
I must do and filled with loving thoughts
of my Queen I so adore.

So good morning again my sweet Angel dove
and I wish you were here to kiss and snuggle with.
My one tooth is hurting a bit and I would love
to sit with you for a few minutes
before getting up to take my shower so calming and good,
I wish you could join me just to kiss and hold.
I love you sweet one and adore you in full,
how I wish we could be together spending time
through the whole day.

So as I now rise to get organized
I think of you and it gives me a smile.
There is always longing for you in my heart
and wishing I were with you to give
wholly and fully of myself.

I love you sweet dear because of
your golden heart and your spirit so bright.
I love you for you because you're a lady so great
and I want to be with you all of my days.

Michael P. McParland

Holding You Tight (Goodnight)

Goodnight my sweet one
I am exhausted and spent,
come curl up in my arms my sweet one
and I will hold you so tight
and kiss you sweet before
in each others loving arms we fall asleep.
I love you sweet one and as I now
lay down in spirit I'll be
holding you tight and sending kisses so sweet.
I love you babe you are so great
and may God bless you to feel
all of my love and warmth surround you in full
through the whole night.

Michael P. McParland

Wind Down Before Bed (Snuggle)

Before we go to bed let's fully relax
to wind down this night snuggling so tight.
Just lightly talk and so sweetly kiss
while listening to light music
and start up our audio book.
Let's just relax and snuggle
winding down the last of this night
smiling and feeling deep comfort
from each others loving warmth.

Now let's just snuggle my sweet one
so deeply relaxing as we revel
in the joy of being together,
Kira I just want to hold you
and deeply kiss you helping to show you
that you are my true love
and my sparkling diamond.
Let's just wind down my sweetie
and snuggle so tightly just spending time
in the waking before going to sleep with each other.
I love you sweet lady and adore you to no end.

Michael P. McParland

Holding You Tight This Evening

Now that dinner and dishes are done
what could be better than relaxing with you?
To just sit back with you on the couch
and hold you so tight while
watching some TV and kissing so sweet.
Holding you tightly my dear sweetie
is what I so long for on this warm May evening.
I want nothing more than evening with you
and some NetFlix while sharing sweet kisses.

So I reach out to hold you wearing a smile
as I tell you I love you sweet Kira.
I just want to snuggle while we watch TV
and feel each others souls touch my beautiful sweetie.
So come my sweet lady and hold me so tightly
and together feel blissful in the heaven
that's our love and deep spiritual connection.
Come my sweet lady so I can hold you so tightly
and we can both be wrapped in the peace of our
endless, undying, and unconditional true love
that will last forever.

So now after a long day and cleaned up
from a delicious dinner I just want
to sit back tightly holding my true love.
You are my true love and everything
I'll ever be wanting and needing.
So come my dear sweetie and snuggle
with your beloved and most loving Michael
to relax and first watch some Star Trek.
Then after my lady you can pick everything
because I want nothing more than to spend
this evening holding you my gorgeous best friend.

Waking Aches

As I awoke a short time ago
I ached so bad inside wishing
I were waking right next to
seeing your beauty as either
you still were asleep
and I could wake you with a sweet kiss,
or awake already smiling at me
and to each other say I love you babe
you are my best friend and everything.
I ached so bad right away missing you
my sweet Angel dove and only one.
You are my everything and it was so hard
to climb out of bed and in my aching anxiety
face this rainy day without my Kira so rad.

So as I now sit on the couch
writing you my sweet love
and going over the things that need done
I ache inside missing you
and wishing that you were here
to spend the day and spend time
right now just snuggling
and enjoying the rain storm outside.
I miss you dear and these waking aches are the worst,
I love you so much and just want to
sit here giving you kisses so deep and sweet,
I miss you sweet Kira and ache for you deep
because you and your love are such a treat.

So as I sit back wanting your snuggles
I ache so much that it's hard to get up
and get started on the things that I need to.
I will though shortly my darling because
I know you would want me to accomplish
what I need to and it will so honor you.
I will be dreaming of you as I shortly get started
and I will be sending sweet kisses
and huge hugs with millions of smiles.
I love you sweet Kira and miss your sweet smiles,

your hugs, and just spending time.
Feel me there with you in spirit holding you
so close to me sweetie
and feel all of the prayers I am saying
for you to have all you are needing
and for us to soon be reuniting.
You are an Angel and a gift straight from heaven
and these aches won't truly heal until you are with me.

Michael P. McParland

Come Lay Beside Me 3

Come lay beside me sweet one
and curl up so tight within my arms.
Dinner's now done and a rest with a snuggle
is what would be perfect right now.
A light rest before cleaning
with my precious lady
is what I yearn for and huger
right now my sweet darling.
Come lay beside me for kisses while drifting
and I'll pull you in so tightly
for the most wonderful and warming snuggle on earth.
I love you sweet lady so please come
lay right here beside me so I can
look in your eyes and just smile
saying everything with just looks,
letting you know I'll be yours through the ages.

Michael P. McParland

Love Note 459

Just arrived home on this
very hot late May afternoon
from a trip out and about
to just tag along with my mom
and as I sit down for a breather
and to cool down in front of my fans
I just wanted to say
I love you babe you are an Angel.
I thought of you while in moments
of thought a many of how I wished
you were with me to share
your precious company
and hold hands so lovingly.
I miss you my dear sweetie
and pray we'll reunite soon.

So as I sit back and read
while I cool off my dear
I'll be sending you kisses in the millions,
with huge hugs and kisses
as my heart for you is singing,
feel me there beside you holding
you ever so tightly
because I love and adore you
and will never be in want of another.

Michael P. McParland

You Are My Rock 2

You are my rock my sweet love.
You give me reason to fight
and keep going on.
Knowing that one day you'll
be in my arms helps give my aching heart
the hope and the reason to beat along.
You are my rock and even though
tears have pricked at my eyes all day
I have fought them back because
I know it hurts you so when I do.
I love you sweet sweet lady
you help keep me as drift,
you are my rock and I love you
because you are the best.

Sweet lady you are my rock
and I can't wait to be with you,
sharing our smiles with sweet kisses
that make us both happy and contented.

and I will always give you the best
and everything that I have.

nothing more than to celebrate existence with you
because you are so beautiful
and I truly adore you.

Michael P. McParland

A Hard Afternoon Missing You

I miss you my sweet dear so very much
and as I sit here on this early afternoon
I am struggling quite bad.
I read my books and watch my movies and TV shows,
soon I'll go shave and find random things to do.
One thing none of those things can do
is for one split second make me stop missing you.
Even though right now I'm having
a hard time eating I want to cook lunch
and enjoy it with my beautiful lady.
I want to see you smile and do things all over,
just little projects that need doing and some that
we so want to.
I'm having a hard afternoon missing my Kira
the most special and beautiful woman in history.

Even as I am immersed in my reading
my heart still cries out for you and your divine company.
To see your smile enhancing all the worlds beauty
and to just feel your deep warmth as we hold each other.
I think of being your fuzzy face as I am in need of shaving,
I think of your laugh and once again all of your beauty.
I miss you sweet lady you are a gift from heaven
and I just want you with me to enjoy everything
that there is we can think of.
I miss you my Angel and pray for you deeply
that you will feel me there with you and holding you closely.
I need you sweet lady for you are a comfort,
from the whole world which so often is an unwelcoming
force that is cold and hurtful.
We all need our one who makes feel so safe and happy
and you are my one my sweet gorgeous lady.

So as I reach out for you reach back my darling
and at least in spirit spend this day snuggling.
You are my everything and my whole reason
for having hope and feeling of cheer sweetie.
I want to marry you and spend all eternity
as your faithful husband King and hero

just as you are my Queen and hero and Wife I pray always.
I love you sweet lady and the days
are truly so hard without you
and I want you to know I hold nothing but tenderness
for my sweet precious darling.
God bless you my Kira and know that I am your Michael
who will stick by you always giving all that I am
and have in loving support forever and always.
You are my sweet Angel and I can't imagine a life
with any other.

A very beautiful and wonderful
good morning to you gorgeous Kira
my Queen and sweet Angel dove.

under the calming soothing water.
Being with you would be the
most soothing and joyful of all things.

Then afterwards to get out
and wrap up in our robes
sitting back on the couch or even
lying back in bed for a short bit
snuggling and planning our day dear.
This is the way I want our morning to happen
just lying or sitting back together,
you are my Angel and most beloved woman,
a true blessing and gift straight from heaven.

with you dear.
You are my reason for still living
and my hearts continual hoping,
you are my everything my dear darling.
Never forget I am with you
and sending you tons upon tons
of sweet kisses huge hugs and smiles
to brighten your day and spirits.

that I'm wanting here in my arms forever and ever.

Michael P. McParland

Love Note 458

Good afternoon my most beautiful
and beloved sweet Angel dove,
I truly love you so very very much
and am missing you so achingly bad.
I have not been up long
but what I have I lay there feeling so
anxious and crying a little bit.
God bless you my one for
being so loving and patient
with me at these very low and hard times for me,
thank you sweet one you truly do
mean everything that there is to me.

I am so sorry sweet one you never heard
from me since Saturday evening
when I lay down for a rest
and fell asleep for the most part
until just a little while ago.
I was that tired my dear
and at one point I did get up
I tripped and hit my head on my bookcase
as more fell off and hit me in the
back of my head,
from there the tiredness and all
I just never got back up
for more than a few moments or two.
So please my sweet dear don't worry,
be upset, or cry out your beautiful eyes.
I am always with you holding you close
and giving you kisses galore,
I love you sweet lady and wish you were here
to just snuggle with me
as I continue to lay down and rest
my aching head and this anxiety.
I love you sweet lady you're my everything
and I'm sending the sweetest of kisses
and the biggest of hugs to wrap you up
in all of my care and deep loving warmth.
God bless you my Kira you're all I want

and I would give anything
to be here with you right now.

Michael P. McParland

Evening Time Rest With You

Now after dinner here the tiredness
from so little rest is catching up with me,
so I'd like it if you came and gave me
your wonderful company by curling up
in my arms even if it's just in spirit right now.
I want and need an evening time rest
and I just want it to be with you
the woman and Angel I so truly love.
God bless you my sweet dear and feel
my arms around you as I lovingly pull you in
for a warm and tight snuggle with sweet kisses
before sleeping.
Come my sweet Queen I so deeply want you
because you are beloved Angel Kira
and I am your ever loving Michael.

with the softest and most tender caresses,
I need your loving touch my sweet lady
in hugs, kisses, and sacred needed closeness.

over and over saying thank you my darling
for being my Angel and so very understanding
and accepting of this man so misunderstood,
thank you for taking the time to get to know me my dear

and feel deep spiritual and total warmth
in each others loving embrace.

I just want to be with you giving
all the love I hold,
I hold it just for you because
you are my only one.
There is no other that will ever do
because of our special bond,
and I just want to hold you near
and say I truly love you dear.
I just want to be with you and share
all the love there is between us in every way,
I just want to be with you because you're beautiful
and a gorgeous diamond in the rough.

I just want to be with you and snuggle oh so tight,
right now I want to bury my face within
your shoulder to hide and escape the world.
I just want to be with you talking and laughing too,
I just want to be with you sharing what we love.
You truly are my only one and I want to kiss you deep,
you truly are my everything and I want to hold you near,
I just want to be with you because you are my Angel
and greatest woman that there is through and through.

Come My Best Friend

Come my best friend and curl up
within my loving arms and wrap yours
around me so tight as well.
After a night of no sleep
and a very light morning rest
I just want to cat nap a little bit
and I want to have my best friend
beside me as I drift along.
Come cozy up my best friend
to snuggle kiss and nuzzle for a little while,
then just rest your head upon my chest
while we cat nap for a little bit.
I just want to be with you the woman that I love
pulling you in so very tight and close
feeling safe and at peace as we are wrapped up
in each others arms and drifting contentedly.

A Beautiful Saturday Morning In Bed

Good Saturday morning my sweet precious love
you are so very beautiful I want you to know,
to greet the day I give you sweet kisses a plenty
and a huge hug telling you I love you so much.
We don't need to or have to get up
and get going immediately so let's spend
a beautiful Saturday morning in bed with each other.
Just spending time while doing whatever
would be just fine because I would be with you.

A beautiful Saturday morning to just sit up in bed
and we could snuggle away after I got your coffee,
then to just sit and do some reading,
then perhaps start a movie and afterward talk
and plan out some fun things to be doing today.
I want a beautiful Saturday morning with you
my precious lady just feeling total peace
and deep comfort as we spend a great morning
then day together sweet lady.

As we watched the movie and talked I'd have you
lay down on your tummy so I could massage
your aching neck and back to help as much as possible.
I'd give you a full body massage from head to toe
to relax you and serve you in full,
I want to treat my Queen like the amazing
woman you are by giving you all the love that I have
and doing everything I can think of
to make you feel appreciated and in comfort.
Then after to just sit back sharing snuggles
and kisses so passionate and sweet.

So I wish you a beautiful good Saturday morning
my beautiful lady and I'm reaching out in spirit
to hold you so closely and kiss you.
I know that we will soon have such Saturday mornings
and feeling you near keeps me going
and fighting along through all the lonely sadness that's there.
I love you my lady because you are a treasure

who truly is so very beautiful
and I promise I will stand by you forever
so we can share endless beautiful Saturday morning.
You are my Queen and you are my Angel
and there is nobody else I want to be with
just you my dear darling.

Michael P. McParland

Holding My Best Friend

I'm lying here now in bed
and about to close my eyes for a bit of rest,
I send you all my warmth and love
with all my strength and sweet kisses too.
I so wish you were here or I was there
so as we rested I could be holding
my true love, I could be holding my best friend
a blessed Angel from above.

Holding my best friend now is what I really want,
to give her sweet kisses and soft caresses
before she rests her head down on my chest,
then I'd stroke her hair and rub her back
as we lightly talked for a little bit.
Then play some Mozart to relax in full and drift.
Holding my best friend is the greatest gift
I could ever receive.
What more could a man want than to have
the love of the woman he adores and is his best friend?
What more could a man ever ask for than
to just have her in his arms feeling all the love
that you share and give?
I would give anything to be holding you my dear.

So as I am about to rest my head down on the pillow
and close my eyes for a little while
I'll dream of holding you my darling Angel.
Feel me so very close as I reach out
in spirit to pull you in for a snuggle oh so good.
I love you babe I truly do through all eternity
and I would give anything to be holding you now
my sweet Angel dove and best friend.

Michael P. McParland

so you'll know without a doubt
you'll never ever be alone again.

I will forever take your hand in mine
because I want to be your Angel hero
just as you are mine.
I want you to know I'll always be
right by your side to turn to whenever
you may be in need of anything at any time.
I'm taking your hand in mine to give you warmth
and let you know I'm right here for you
through all time and never wavering in any way.

I love you Kira I so pray you feel and see,
I would give my life for you if that
was what you needed of me.
I would take on all of your pains
and carry them myself so you could be free of them.
I'd give everything I have including
my whole life to be with you just one day and night.
I love you babe and reach out to take your hand
because you are appreciated and I want
to be the King to my sweet Queen as well as
your forever man.
I take your hand in mine to pull you into me.

So feel my hand within yours as I reach out
to hold and kiss it now.
feel my arms around you as I pull you in
for the biggest loving hug.
I love you so very much and send you endless smiles,
just close your sparkling eyes and see it

along with all my loving looks for you.
I love you Kira you truly are a blessed Angel
so feel my hand in yours as I reach out
to give you comfort,
I promise I'll forever be with you
because my love for you is infinite and unconditional.
I love you babe and will forever be your Michael
so please have faith in that and give me sweet smiles
and deep kisses in return as I take your hand.

Night Note 176

A very good night to you
my beautiful sweet dear
and how deeply my heart and soul
longingly ache to be with you,
to be kissing and snuggling
while just spending time with each other.
To lay back in bed and rest
with your sweet head on my chest.
I wish you were here to enjoy
and share this night
because I love you so much
and you are my Angel
of pure love and light.

I am quite tired
but can't sleep my darling,
thinking of you though
always gives me a smile.
I achingly long though to
see you and look upon you
remembering and refreshing my view
of the worlds beauty.
I want to lay with you
and pull you in tightly
feeling you so cozy and snug
right beside and against me,
I just want to be with my beloved
hero, best friend, and sweet lady.
I miss you my dear Angel
and am thinking of you as I go
through this night doing little things
here and there.
I would give anything to be with you.

So I wish you the most
beautiful and loving good night,
feel me there beside you
holding your soft loving hand
and my arms around you

in pure unconditional love.
I adore you sweet lady
and can't wait for us to be reunited
because you are the amazing woman
and miracle I've always
waited for and wanted.
I love you sweet lady
and may God always bless you
so you'll know you are cared for,
appreciated, and reassurance
that I'll never abandon or leave you
because I am your Michael
and I am meant for no other.

You are my hero and we share a bond,
a sacred bond blessed by God
that makes us true loves and best friends.

and I want to be with you forever,
to talk and laugh while just spending time

To be with you my Queen of joy
who is my everything.
You truly are joy my dear
and the Angel I will stand by through all time.

You are joy my dear one
because you make me smile.
You accept me for just who I am
and love me for that
just as I love you just for who you are.
You are joy and happiness and I so
crave your loving touch.
To talk to you, to be near you,
to have you in my arms
is pure joy that can't truly be expressed.
Kira love you are my joy
and I want to thank you dear in every way I can.
You are my greatest dream and I would
give anything to be with you right now.

You are such true joy to me my dear
and I love you with all my heart and soul,
both of which are gifts to you

I gave so very long ago.
I love you babe and will stand by you
hand in hand through all time I swear to you,

Cozy Up Within My Arms

let's share some kisses so very sweet
before we rest for a little bit.
I'm in need of a small nap to make it
through the night to snuggle up with you.
Come cozy up my sweet true love
and hold me tight as well.
I just want us to softly talk
as we drift off to sleep for a little while.

Sweet love please come cozy up
and let me hold you tight.
I am feeling a bit tired and just want
you here so close to kiss and snuggle.
I want to rest a bit so I can be up
through the night and enjoy all the peaceful quiet,
to write to you with nothing to bother me
and to sit and read, watch a movie,
and play my video game.
Sweet love please come cozy up
and rest your head upon my chest
as you lay right next to me.

Longing For My Queen Right Now

Sitting back for a bit longer
before I get up and go cook dinner.
I sit back right here wearing a smile
as I think of my dear Queen and Angel.
I think of all our jokes and good conversations,
I think of her in all of her beauty,
I think of all the things we'll
one day be sharing and how I wish
we could be doing those things right now.
In my heart I am so deeply yearning and longing
to be right beside her holding her tightly
and kissing her so very sweetly.

I feel so happy though because I know
that she loves me just as pure and true
as I love her in full and I am so blessed
because I can feel her near her arms
wrapped around me with her smile so big.
I am just longing to my core for my lady
because I love her completely and unconditionally.
She is my Angel and shining star so amazing
I just want to look in her eyes and say thank you
my sweet precious lady,
then kiss her so very sweetly.

I am so longing for my
darling Queen and sweet Angel
because she is my everything and I want
to be with her side by side hand in hand
through all eternity as her faithful loving Michael.
She is a blessing and gift God created
especially wonderful with beauty as well
as a heart and soul of pure loving gold.
I adore her so much and just want
to hold her so close in all of my love
because she is the woman I've always waited for
and will always give all the best
and everything that I have.
Above all I freely give her myself and my life

because she is my best friend, my Queen,
my soul mate and hero, she is the Angel
I want to take care of and be with side by side
hand in hand in full loving support through all time.

I Want To Hold You This Afternoon

It will be noon here in about an hour or so
and how I wish I could be spending it with you.
I would love to take you out to a nice lunch
but I'm out of money so I would cook you
the most wonderful meal that I could.
I would wait on you hand and foot doing
whatever it is that you would need and want,
then as soon as I was done with all of that
I would just sit down by you to wrap you up in my arms.
To just hold you and spend time through the afternoon
with my only one whom I always strive to make happy and proud.
I want to be with my one who always makes me
feel so happy and proud deep inside.

I just want to sit with you holding you close
as I express and show all of the tender love
I hold inside just for you.
I want to hold you and talk while we sweetly kiss
just smiling at each other feeling so warm and soothed.
I love you sweet darling and just want to be by you
as we spend such wonderful time doing things together.
I just want to be holding you while spending
this afternoon having fun and sharing all of the stuff

in so many ways on this fast approaching afternoon.
I just want to be with my Kira and make you feel good,
I want to make you feel loved and show you that
you are appreciated above all.

Morning Kisses For My Sweetie

A very good morning to you
my dear sweetie so gorgeous and beautiful
and I send you sweet kisses of thanks
that say I so love you.
Thank you again for all of you deep
patience and understanding that I was in need
of so much sleeping from my headaches
and medications.
I thank you my sweetie for you truly are
the greatest of blessings.

I wish you were here to spend a wonderful morning
and day with me my precious lady.
Here in the morning a quiet time spent together
as I served you your coffee and a nice breakfast,
then a nice little while to sit and snuggle
while I sat and read to you and a little while
spent talking and laughing escaping into our world away
from the outside and all of its problems.
So to start a quiet morning just for us
and so quality time together.

Then later today I would love your help
to get all of my movies organized again,
they've become a bit of a mess and I keep
them in alphabetical order my dear.
Also I just opened an online account
where the movies with codes you can store
digitally in a cloud and I have many codes to go through
and I would love to spend time and have your help
doing all of that my sweet dear
I love you my sweetie and would love to just do
all of that with you while sharing sweet kisses too.
You are such a gift my sweet dear
and I want nothing more than to be with you forever and ever.

So again I wish you the best of mornings
my beautiful Angelic sweetie
and thank you so truly for all you have done for me.

You're such a true gift and amazing blessing
that in the next life I will bow before God directly
and thank him so much for bringing you into my life,
until I can do that though I will continue praying
because I want him and you to know I am so humbled
to have the true love of my best friend.
I send you these sweet good morning kisses
my beautiful and wonderful sweetie to fill you
with all of my love and warmth to no end.
Remember I'm with you and will be forever
because I am your Michael and I truly adore you.

Missing My Angel 2

I am missing you so much my sweet Angel dove,
lying here listening to my audio book
with my eyes closed I dream of you,
I dream of looking in your eyes and seeing you smile,
I dream of telling you that you
truly are so very beautiful,
I dream of kissing you my only Angel
because you are amazing and I love you more than anything.
I'm missing you and all the little things
we ever did and shared.
I'm missing you my Angel true
because you are a blessing through and through.

I am missing you because you have always
touched my soul and heart from the very start.
I always knew you were the one and I wanted
to hold you so close to feel each others heartbeats,
so many days it was hard to resist just pulling you in
for the longest hugs on earth and to tell
you everything I held inside,
you've always been my sweet Angel bride
within my soul and heart which you hold as well,
you are my essence and gorgeous girl,
you're the only one I want to be with forevermore.

I'm missing my Angel here so very bad
and I just want to be lying down
right here with you now.
To share our warmth and deep loving looks,
to tell each other how we feel,
to just be spending time feeling at ease in pure peace.
I love you babe so very much to
my very heart and core that it overflows,
I'll never leave you because with you
I share such a wonderful sacred bond
and I adore you to no end.
I will always stand beside you my precious darling
because you truly are my everything.

Looking At Your Picture 8

Lying back to relax on this morning dear
and not put any pressure on my aching back
and to let my aching head drift a bit
I'm looking at you picture to help lift my heart
and fill me up with hopeful light.
I'm looking at you picture babe to
help forget as much pain as possible.
I can already feel you so very close to me
and looking upon your gorgeous smile
helps make things even better.
I truly love you so much my dear
and miss you so very bad
and I just look upon your picture
to say hello at times and tell you
I hope that you're okay.

I just lay here looking at your picture
and it truly makes me smile,
I can feel you even so far away
and it makes all my pain feel much better.
So as I continue to lay here until
my appointment later my dear I will
look at your picture to lift my soul
and make me smile that much more,
feel all of my loving warmth as I send it to you,
feel me beside you holding you so close
and your soft loving hand within mine.
I love you babe and you truly help me
get through it all in so very many ways
and I just want to thank you through all time
over and over again as your faithful man.

Come Sit And Curl Up 2

Come sit and curl up so close in my arms,
I have now just gotten out of the shower
and I want to snuggle with my Angel.
My back is still hurting very bad
and I just want to sit back with you
right now to snuggle talk and read.
I just want you to curl up next to me
within my arms and spend such sweet time.
I miss you my precious one and just want
to be with you no matter what no matter where.

I want you to come spend time and come
curl up next to me to help each other
feel better forgetting all our pains
both inside and physical.
Right now my back and head hurt so bad
and I deeply long as well as ache inside
to be with you to close my eyes while you read
and let your divine voice carry me away
with such gorgeous imagery.
I want to be with you curled up so tight
and snuggling with my best friend I adore.

I want to be comforting you in full
as I rub your back and whatever else
may be aching and need a rub down.
I want to hold you close and stroke your hair
just soothing you while you talk
and do whatever you want while spending time
resting your sweet head upon my loving chest.
Please come curl up within my arms
my dear hero and wrap up in our pure and tender love.

So my sweet love hear my hearts songs as it
calls out to you in infinite care,
feel it's beat as it is so strong because of you.
I love you babe and just want to be curled up with you
because you are a blessed gift from God I so love
and you are my best friend a rare gorgeous diamond in the rough.

Michael P. McParland

Night Note 175

I want to again wish you
a very good night my sweet Angel dove
and send you sweet kisses
full of deep care and all of my strength,
I wish I were with you first
to shower you in kisses and say
Kira I love you so very much
after each one,
I want to be looking into your eyes
and show you all that I hold inside
while getting lost in all the beautiful
universes of mystery and love
you hold within my sweet Angel dove.

Now as I finally get up
I will move so very slow at first
as the arthritis has eased off a bit
and my other meds will take
care of the last of it,
but I head still dully aches
and perhaps food is the key,
then after a refreshing and soothing
sower to wash away all stresses
and pains that linger babe
and how I do wish you were here
to join me holding each other
under a warm steady flow kissing and smiling
as we just hugged and talked about everything.
I wish you could join me right now.
I love you sweet Kira and just want
to give you sweet kisses so very good
while feeling you near.

So as I now rise I will be thinking of you
and sending all of my warmth and love,
I will be reaching out to hold your
soft loving hand as well as you my sweet dear.
I will write you shortly after
my cleansing and refreshing shower

with my head again freshly shaved.
So close your sweet eyes and see my before you
smiling with looks of love
and never forget I'm always with you
my sweet Angel dove
I admire and love to no end,
I will forever stand by you
my divine and gorgeous best friend.

Michael P. McParland

Sweet Love You're A Gem

Oh my sweet love you are such a gem
and I wish you the best of nights
straight from my heart and soul
which overflow with tender gentle love for you,
I send you the sweetest kisses
to thank you dear with huge hugs
to give you all my love and warmth.
You truly are the very best and I'm reaching out
to wrap you up within my arms
to snuggle tight while I lay here
waking up and waiting for this damn headache to fully go.

Sweet love I so truly thank you very much
for being so understanding of my needs
and how much I needed all that sleep
and how I know you understand how bad
my headaches can truly get,
I thank you babe you truly are so great
and I wish you were here to lay with me
as I wake in full and try to slowly
stretch out my arthritic pains
along with this headache that remains.
I wish I could just snuggle with you
and feel your deep warmth as you smiled at me
and lit up my entire world.
I miss you sweet love and just want you
right here by my side to feel your body next to mine
and you soft lips on mine as well.
I thank you my sweet love you truly are
the most rare and precious of all gems.

Oh my sweet sweet love you truly are a precious gem
whom I adore in every single way,
I can't wait to be with you holding you so close to me
and I would rub your face and head just
as I like to give you the calm and peace it makes me feel.
I truly thank you for all of your deep caring
and endless loving understanding,
I thank you for the unconditional love we have always been sharing.

So feel my hand in yours as I reach out to you
and feel me wrap my arms around you dear.
You truly are my only one and all I want is
to be with you side by side hand in hand through all time,
so let's right now in spirit snuggle oh so tight
while the last of these pains fade away my dear,
I so deeply love you babe I hope you truly know.

Michael P. McParland

Love Note 455

A very good sleepy afternoon
to you my sweet beautiful love
and I hope that you have been feeling
all of my warmth and deep caring love
as I've been sending it all to you
while I have been resting here,
feel my arms around you as I hold you so near.
I still feel so tired and sleep
has been most restless,
this headache has reemerged again
as well my sweet darling
and if you were here to lay by my
I would ask if you would so sweetly
rub my face and head for me
then I'd pull you in close
to tell you I love you
before giving you so many kisses
over and over before you rested
once again your head on my chest
and rested some more as I rubbed your back
and stroked your hair
as we talked ever so softly my only one.
My heart is yearning for you
and calling out that I'm only yours
and want you forevermore.

So feel my hand within yours
and close your sweet eyes to see
my huge smile and loving looks
I always have for you
and feel my arms around you in pure love.
I am so anxious to be with you
serving you always to the best
of all my abilities because you
are my Angel I love so very deeply
and I am so proud of the bond shared between us.
Kira you truly are a magical
and magnificent woman.

Michael P. McParland

Snuggle Up So Tight With Me

As I lay here dear so very tired
resting I dream of you and hope that
you are okay and not feeling sad,
I know how you feel because it is very hard
to be away from you as I exhaustedly
lay here and long to be with you
kissing and snuggling the hours through.
So in spirit snuggle up so tight with me
and share our warmth so wonderfully,
snuggle up so tight with me my dear
so I can give you all my strength
and let you know in full I'll never leave.

My sweet love as I now eat a little snack
before I close my eyes again
I just wanted to let you know I truly care.
Come rest your head upon my chest in spirit babe
and we'll drift away wearing big smiles
that are so filled with joy from being together,
please come and just rest your head upon my chest
so I can stroke your hair and rub your back
and throughout give you soft and tender
sweet kisses so amazing.

So please come my dear and share my little
snack with me and the curl up in my arms
to snuggle oh so tight as we listen to my audio book
and fall asleep in each others arms.
I love you my dear and want nothing more
than to be with you the woman I adore
more than anything in the universe.
So please come snuggle up with me so I can
keep you warm and soothe your heart through and through
because you are my Angel and I want to do everything
for you I ever can and that is possible.

Michael P. McParland

A Relaxing Morning

I so long for a relaxing morning
with you my sweet Queen I adore.
Between my headaches so bad as of late
and my sleeping schedule being way off
I just want to lay on this couch
and wrap you up in my arms
to spend a peaceful, loving,
and relaxing morning with each other
our darling best friend.

I so adore you and give you
all of my strength and endless loving warmth,
I want to feel your love wrap me up
and fill me to overflow as we sweetly kiss
and say to each other I love you babe and I always will.
Kira you are such a true and rare treasure
I cherish you deeply and wish we were
spending a relaxing morning together
lying here on the couch holding each other.

So as I now close my eyes for awhile
I will be reaching out in spirit
to so lovingly and tightly hold you,
I am sending sweet kisses galore
to let you know how much I do care.
I love you my dear and would give anything
to be with you snuggling and kissing
on a peaceful and quiet relaxing morning.

Michael P. McParland

I Want You In My Arms 2

First thing I want to do here
on this morning sweet one
is wish you to have the greatest of days,
then say thank you my love
for always sticking with me
and being right by my side giving
me all of you warmth, love, and deep
caring strength as we waited my headache off.
I love you so much and am grateful
for your wonderful magical touch
and I wish I was holding you right here and now.

I want you so tight in my arms so I can say
straight to you I love you my dear
as I kissed your cheeks, neck and ears
as I whispered all of my loving words into them,
then just gaze into your eyes as I brush your hair back
and caress your cheek as I kiss your soft precious lips.
I just want you in my arms to have and to hold,
to thank in full for being my very best friend
and my precious adored love in full.
I love you sweet lady and I always will
and I just want you in my arms spending time.

Kira my love as I get up and moving now
first I say thank you for all of your loving care once again
and sending me all of the warmth and strength that you do.
I am so grateful and it fills me with joy
that it brings tears to my eyes just how much you care.
You are a blessing I'll spend eternity thanking
you and God for over and over.
So feel all my sweet kisses and I send them in millions
along with these huge hugs filled with my warmth and loving.
I just want to be holding you snuggling and nuzzling
because you are amazing and I completely love you.

Good morning to you
my beautiful and precious
sweet Angel dove,
my head still aches
in great pain and my stomach
churns around but I wanted
to tell you I love you my only one.
I am there with you
giving sweet tender kisses
and I just want you to know
you are the greatest.
So please hold me tight
as I still lay here
hoping that soon I'll feel aright.

and stay right by your side
giving all of my full
loving support as your Michael

Feeling Sick Sweet One

I am feeling quite sick my sweet one

please come and sit with me
and we'll enjoy each others company the best we can.
My head is pounding and my stomach
is badly twisting and turning
and as I lay here for awhile
I just want to have you right here by my side.

to lay by me and rub my face and head.
You are an Angel so very pure
and I love you so much I just want

and I just want to be at my best and perfect for you.

Michael P. McParland

Night Time Snuggles Spending Time

Having now woken from a nice rest
I first wanted to say I love you babe
and send you kisses so sweet,
my rest was mostly light and I dreamed of you
most of the time.
I dreamed of us just snuggling and talking,
of soft caresses and smiles while kissing.
I dreamed of you and just felt you so near
wrapped in spirit in each others arms.
I love you my sweet darling ans want to be
sharing sweet night time snuggles with you feeling fine.

Through my thoughts and dreams I asked you
how you are and that I want to know if you are okay.
I want you to know I'm right here for you
no matter what you may need and no matter the time,
I dreamed of night time snuggles spending time
where I would read to you and afterwards
we would put on a film and I would give you a massage.
I can't wait for our snuggles while spending time
just feeling so warm in the loving strength that we share.
I love you my sweet darling and just want you near.

I just want to spend time to make you feel
so deeply loved and so very special,
I want you to know you are appreciated and cared for
because you truly are a gift and blessing.
I want to be sharing tight night time snuggles
spending time telling you how I know
we knew each other and were best friends in love
before we came to earth my sweet lady
and just tear down my walls for you
and show you my all and everything.
A night time of snuggles while spending time
with each other is the greatest thing I can dream of.

I want to be holding you while you open up
and tell me everything you want and need to,
I want to know all that there is about

my darling lady,
I just want to hold you to dry your tears
when you are crying and laugh along when you
are so very happy and laughing.
I want a life time of snuggles and nuzzles
as we're spending time as true best friends
so totally in love with each other.

So as I wake from my small slumber
and get up to read, watch a movie
and do whatever I will be thinking of you
and just spending sweet time as we snuggle.
Kira you are a dream that has come true
and I so fully adore you and just want
to be holding you ever so closely.
You are more than I could have ever dreamed of
and hoped for and I am so thankful to have you
and all of the loving joy that you give me,
I love you sweet lady and am sending you
the sweetest of kisses while reaching out in spirit
for a night time snuggle so warm, loving, and truly amazing.

Michael P. McParland

Come Snuggle Sweet Love

Come snuggle up beside me
my darling one and rest for a little while.
Just curl up within my loving arms
and wrap yours around me as well
to share sweet kisses so full of tender love,
expressing our passion as we stop briefly
to gaze into each others eyes seeing our smiles,
then sweetly kiss some more
before you cozy in so tight with me
then rest your head upon my chest
and we'll softly talk as I stroke your hair
while rubbing your back just drifting off for awhile.
Come snuggle up with me my sweet love
because you're all I need and all I want right here
beside me now.

I ask you to come snuggle up because you're wanted
for your company and big hugs which I crave,
to just have you near and kiss you dear

A Calm Peaceful Morning

Good morning to you my sweet beautiful one
and as I now rise from my little slumber
I send you huge hugs and sweet kisses
to show and tell you I so deeply love you,
I am truly missing you and wish you were here
to spend a calm and peaceful one
feeling so joyful, fulfilled, and happy together.
I wish you were here for a calm
peaceful morning filled with so many
warm and loving snuggles and kisses.

I wish you were here so as you still slept
I could get up so quietly and make your coffee,
then when it was ready and prepared I'd bring
it in to bed but first set it down
to waken my sleeping beauty with soft caresses
and a deep tender and passionate kiss,
then smile at you and say I love you my Angel so great
and sit in bed next to you wrapping you up
within my arms while you sipped at your drink.
A calm peaceful morning sitting with you
my sweet Queen is just what I want to be doing right now.

I want a calm peaceful morning for us to just talk
and share all of our time as it does pass,
reading and listening to good music
and watching some TV and a movie,
and as the day got moving I want to share
your favorite things to do and fun hobbies.
I just want to spend time with you
beginning with a calm peaceful morning
spent so lovingly holding each other.

Darling hear my hearts call and all of its songs,
right now it is aching so bad to have you so near.
As I will close my eyes again for awhile
I will dream of you and our future
calm peaceful mornings snuggling and sweetly kissing together.
I am right here waiting for the lady

I've always cared for and been loving
so feel all of my hugs and sweet kisses
as I dream of and smile about these
calm peaceful mornings we both are excited for.

Michael P. McParland

Morning Note 183

Good morning sweet love
and as I open my eyes
from my short rest for a minute or two
I want to reach out to you
and pull you in so tight
to say I love you babe
as I kiss you so passionately
and very sweet,
I just want to lay with you
for right now before
we get up for this day.
I just want you in my arms
to drift and rest
a little more before
I get up to make your coffee dear
and share a wonderful,
loving and quiet morning with my love.
So feel my arms around you babe
and my loving kisses oh so sweet
as we lay down a little more
and listen closely for my voice
as I say Kira you're the best
and I'll love you with all I am
to no end forevermore.

Michael P. McParland

To Hold You Tight Right Now

I just want to hold you tight
right here right now on this night,
to just feel you curl up in my arms
as we lay down on the couch to catch
the shortest little rest.
I just want to hold you tight
and before we close our eyes
I'd kiss your hands, your fore head,
then your cheeks and lips
then as you went to rest your head upon my chest
the sweetest pecks and kisses
on your soft neck while I caress your cheek.
I just want to hold you here and now
on this night my Angel so bright, beautiful,
and purely sweet.

I just want to hold you tight
reassuring that all is and will be alright.
To feel contented comfort and pure peace,
knowing that we're true best friends
that we'll stick together to no end.
We share a bond I so adore
and I want to be with you forevermore,
right now though I just want to hold you tight
and know that all is right within the world
being with the one I love arm in arm,
side by side, hand in hand through eternities
precious sacred door.

Michael P. McParland

so feel me there with you so strong
just like I'm feeling you my gorgeous Queen
and stunningly beautiful sweet Angel dove.

Michael P. McParland

Yearning For My Queen

As I sit here on this night my dear
I yearn for you my sweet Queen
I just want to be with now
and be holding very near,
I love you so very very much
and want to be with you through
all time and space.
I yearn so much for you my Queen
to be right here and just spending time.

I'm now just sitting here playing
NCAA 14 on my PS3 and would love
to have you playing with me or cheering me on,
either way would be such fun
because I would be with you my precious Queen.
I just long and yearn to be curled up
with you smiling and enjoying
all the time in the world there is.
Being with my Queen is truly heaven on earth.

I just yearn to be with you
as I do whatever it is I will feel like
as I go along my whole night through.
I just long to hold your hand
and talk along as I kiss you all over
time and time again saying all along
I love you babe and thank you true
for all you've done and all you do.
You're everything I want and need
and I pray to always make you happy
and immensely proud as I serve you.

I'm yearning for you my Angel Queen
because you're great and you make me proud,
to have your love is such a blessed gift
and to have you as my best friend
is the greatest thing that there is.
I yearn for you because I love you dear
and you are the Queen I will forever

give myself and all I have to forevermore
my diamond and beautiful only one.

Michael P. McParland

Night Note 174

First I want to wish
a very good night to you
my gorgeous sweet Angel dove
and let you know I truly
care for and love you so very much.
As I am about to sit back
and read for a short bit
I wish you were here to
curl up in my arms and we could
read to each other out loud
as we were holding hands,
I wish my sweet lady was here
to give you sweet kisses
while gazing into each others
loving and accepting eyes.
I love you my sweet Kira
you are the greatest woman there is

I Can't Live Without

As I awoke my dear after I shook
a very thick sleep fog from me
I thought of thee and the smile that you wear,
a smile I don't want to live without
on my sweet woman I can't live without,
a beautiful Angel I adore in full
and wish to be with forevermore.

I don't want to live without all the
wonderful precious loving strength you bring,
I don't want to live without all
of your beauty constantly surrounding me,
I don't want to live without the woman
I love more than anything and adore
as my Queen for whom I will give myself
in full and everything I have
including my very life as well.
I can't live without my best friend
who is so precious to no end.

I can't live without the holder of
my very heart and soul which I gave
to her so very very long ago.
My heart calls out and sings to her
because she is so beautiful
with her heart and soul of pure gold
and in all ways it gives me butterflies babe.
I can't live without you because
you are the one and I sweet I'll
never leave you because you are my sweet Angel dove.

Sitting here my sweet love

Sunday Evening With My Best Friend

Good evening sweet love and as I rise
I feel a bit chilly and reach out to you
so we can snuggle so tight and get warm,
and so we can kiss so very sweet
as we get this evening going in full
to just spend time together both alone
and as well with the kids.
A sweet Sunday evening with my true love
who is my best friend is what I long for
as I rise this evening my only one.

Right now I just want to hold you and make us warm,
then to eat something because I'm hungry my dear.
Then to just sit back as you curl up in my arms
talking and reading as well as sharing other things.
Like our loves and hobbies and randomness,
and anything else that we want my sweet darling goddess.
A sweet Sunday evening with you is the best thing
I could ever have because it would be
with my beautiful best friend.

So as I put on my robe to get warm
and get some dinner for my rumbling stomach
feel my arms around you as I reach out in spirit,
feel my sweet kisses and smile remembering
I'm always with you my precious rose and dear Angel
and that I'll always stand by you never letting go
of my special lady and the blessed bond that we hold.
I love you my lady and would give anything
to be with you my best friend on this Sunday evening
because you truly are my Queen Angel and everything.

Michael P. McParland

Sleepy Kisses

I am now so deeply tired
and want you to come and snuggle

as I give you these sweet sleepy kisses
that say in so many endless ways

Michael P. McParland

Holding You In The Very Early Morning

I am so very tired my sweet precious darling
but I just don't want to go to sleep yet
because I at the moment don't feel like it.
What I want to do though is reach out
to hold you in these early morning hours right now
to give you deep comfort and all of my love,
to give you sweet tender kisses of strength and warmth.
I want to be holding you in this very early morn
so we can be very near to each other feeling
so peaceful, safe and good.

I'm feeling so very tired but just don't feel like sleeping
but I'd give anything to be holding you tightly,
to just hear you breathe and feel our hearts beat together,
to just be beside you and smiling because my best friend
is with me fulfilling my heavenly wants and dreams,
I want to be holding you on this very early Sunday morning.
I love you sweet lady and as I sit up for a bit longer
I'm with you in spirit holding you tightly,
giving you smiles with endless sweet kisses,
feel all of my warmth as I give it to you.

I'm growing quite tired my dear
on this late night and I want to
just spend it so peacefully with you.
Just spending time while I hold you so tight

as well as reading a book and watching a film.
A quiet late night with my Angel of light
is everything in this world beautiful and right.
A quiet late night with you in my arms
is what I am dreaming right now.
A quiet late night spent with the only woman
I'll ever love.

A Chilly Saturday, Let's Wrap Up

A very good morning to you
in the late afternoon my sweet love
and what a chilly Saturday it is indeed.
As I wake up in full and get rid of
this little headache that I have
let's sit back on the couch
wrapping up in my big fuzzy orange blanket
as we hold each other and kiss,
let's wrap up and smile at each other
as we say we love one another
while getting warm and cozy on this chilly Saturday.

I love you so much my dear and as I wake
a shivering from my slumber
on this late chilly Saturday afternoon dear
my heart calls to you singing Queen my darling.
My favorite band just behind my Falco in solo,
all my favorite love songs to tell you
that to me you're so very perfect,
it calls and sings to tell you that
I'd love to wrap up and snuggle with you
on this chilly day and just spend time with you
my gorgeous Angel true.

So as we just sat in my big orange fuzzy blanket
spending time reading, talking, and kissing
we could decide what I'll cook you for dinner
and how we want to spend our evening,
just being wrapped up with you would be a blessing.
I don't need any real reason to be curled
up with you besides I want to hold my girl
but on such chilly days it is double wonderful
to give each other all that loving warmth
that makes us cozy and comfortable.
Let's wrap up my dear and chase this cold away.

Good morning again my dear on this late
chilly Saturday afternoon here,
now as I wake in full and chase away

the last of this little headache let's sit back
on the couch and wrap up with each other to relax,
under the blanket I'll hold you and your hand
as I say I love you babe then kiss you
with all the tender passion that I hold,
to reassure you that for all time I'll be
right by your side in full support and true love.
So my dear let's wrap up and share our loving warmth
like the great best friends that we are
because I love you so very much and want
to be with you the entire day, night, and all time.

Michael P. McParland

Goodnight My Sweet Precious Angel

Goodnight my sweet precious Angel
I'm so very tired and long for you to be with me.
So please come and snuggle
and I will give you kisses so sweetly
while telling you I love you
my dear beautiful lady.
You are the greatest and my diamond so beautiful
I just want to lay here with you
in my arms talking before we close our eyes
and fall asleep feeling warm comfort in each others arms.

Goodnight my sweet precious Angel
and curl up so closely right by my side,
I'll pull you in tightly and kiss you so deeply
before you rest your head on my chest
for us to rest so very peacefully.
I'll lay there beside you just rubbing your back
and stroking your hair while I softly talk
to calm and soothe you,
with reassurance I'll confirm my love and care
and promise to you again that I'll never leave.
You are my Angel and adored Queen,
how could I ever dream of another one
when you are my greatest blessing and wish,
the only I'll ever want.
You truly are my beautiful sweet Angel dove.

I'll greet you and see you in dreamland my darling
as we walk tonight hand in hand through
the most gorgeous and majestic garden.
Flowers and trees common and rare aplenty
to compliment your divine beauty
is what we'll do tonight my sweet lady.
Then in the grass we will sit by fountain
and hold each other so very closely.
Talking and laughing as well as some reading,
just spending time as two best friends
in love enjoying each other.
Tonight my sweet love in dreamland

I will see you and hold you so tightly.

Goodnight my sweet darling precious Queen
and feel me beside you as I pull you in tightly,
to give you sweet kisses while we are snuggling.
So I can tell you I love you more than anything,

I've ever known and I know is out there,
I want to spend my existence with my hero
and Angel best friend.
God bless you sweet lady your Michael loves you
and wishes you a goodnight as in spirit
we fall asleep holding each other
as the greatest of caring friends
so in love with each other.

Michael P. McParland

You're So Beautiful 13

Sweet one you truly are so beautiful,
I remember right away how I looked
across the room at you and was blown down
by the divine Angel that I saw,
I was so in awe of you as I felt
an instant draw to this wonderful girl
just one row over from me there in school.
You're so beautiful if you only knew,
I see it through and through in every way there is
and I want you to know just how beautiful you are.

Then as we first looked eye to eye
and began to talk my heart began to
beat so fast as it sang in joy.
Joy that such a beautiful girl would ever
want to talk to me and that I felt a connection
clearly click so very comfortable and quick,
and when I found out just how smart you are
your beauty just grew and grew within my eyes.
You're an Angel dear that I love so much
and adore you deep and full.
You are so very beautiful and for me it's only you.

That we can just sit and talk as with you
I feel free to open up and show my soul
is the most wonderful thing that there is
and I have it with only beautiful you,
you are my pride and joy and I want to spend
all time with you as we walk alone side by side
hand in hand forevermore fighting for each other
through everything all the way
to give each other all the best there is.

Kira you're so beautiful and I just want
to be there for you all the time no matter what it s
that you may need or want because I strive
always to make you so very happy and very proud,
you are a diamond in the rough and rare gem
I so cherish and adore for being you,

I just want to hold you close and heal our hearts in full
because you are a blessing straight from God
I know is perfect to her very core.
I love you babe and want you to know that you're beautiful
because you have a heart and soul of gold
and I could stare at you all day long in rapture
of the gorgeous girl that I behold.
You are beautiful my only one and you're
everything I need and want through all time.

Michael P. McParland

Night Note 172

Hello my sweet love
and I wish you the best
and warmest of good nights.
I wanted to drop in and tell you
I love you so very much,
I wish you were here to wrap up
in my arms as we spent the night together
just talking away, reading,
watching a movie after I cooked us
a wonderful night time meal,
I haven't eaten all day
and am so hungry and wish you were here to share.
Some fried chicken which I love
to share with the woman I love and adore.
I wish that I could be with you
giving kisses and hugs galore.

I don't know if you know
how much I worry about you
and pray that you are doing okay.
That you're not in pain
and you know you are loved,
and that you'll always know I have
nothing for you but deep tender warmth.
I worry about you because I love you dear
and just want to see you joyful and proud
and have the chance to share with you
the endless and unconditional love I have for you,
and I pray to experience the endless
unconditional love you have for me as well.
So feel me beside you as I hold you close,

Michael P. McParland

Spending The Night With You

Sweet love spending the night with you
would be the most blessed and divine thing
there's ever been.
To hold you so close as we sat up in bed
just talking to each other and spending time.
To have this night with my true love
is that which I'm longing.
To forever be with my soul mate who is
so very adorable and deeply charming.
Spending this night with you
is what I'm longing for and dreaming.

I want to be sitting here with you
curled up in my arms looking into
those gorgeous sparkling eyes,
then brush your hair back and caress your cheek
as I kiss you so deep on your soft lips,
let us both sink into the deep
electricity of full and true love that flows
between us my Queen and best friend,
with that touch and kiss we'll light up
the world proving to it that true love exists.
We'll prove to them all that we can't be destroyed
because our souls are so deeply in love
as our hearts sing to each other in full.

I want to be spending the night with
my only true love,
the woman who means more than life itself
and the entire universe.
To be here to take care of and give her full honor,
to treat her as the Queen and dear Angel
she is as I serve her like I should.
I love you my darling and want to be holding you
as we sit here talking and enjoying each other,
just having fun sharing all that we love.
I want to spend the night with you
and give you the joy that you give
because you are amazing and I so adore you.

Michael P. McParland

Holding Each Other

Please my sweet one let's spend
this whole night holding each other so tight.
I miss you so much and the pain inside
from missing my Queen is excruciating at its worst.
I love you so very much and know
you are hurting just as bad my sweet girl.
Please let's come together so soon
and spend eternity holding each other together.

Over my last few hours resting
I just had terrible dreams of many sad things
of which I can't describe my beautiful lady,
I sat and cried in my dreams even over
missing you afraid you could ever be gone
and other stuff the mind does,
in my dreams I just cried and cried missing
my gorgeous sweet Angel bride.
I love you my sweet Kira more than anything
and I just want you here me holding you
while you're holding me.
God bless you dear one you're my everything.

So now I wake my sweet one with a headache
and just wanting to pull in my beautiful one
to hold you so close as we released all our tears
while we were holding each other in our loving arms.
I miss you so badly and just want to kiss you so sweetly
as I look in your eyes and tell you Kira
I'm so sorry for all of the pain and time we have lost darling,
I love you so deeply and am just filled with
such tender love for my only Kira
and pray that soon we will be holding each other.

I love you my sweet sweet Kira so darling and beautiful
I want us to be so very happy holding each other.
You are amazing and a total miracle
whom I give my heart and soul too forever and ever.
I'm sending you infinite kisses and hugs
so huge and loving to give you my warmth and strength completely.

I love you sweet Kira and please remember
that I'm always here and always there with you,
I swear on all good things that I'll never leave you

You are the greatest and all that I want,
I miss you babe and yearn to be with you
with everything that I am.

I miss you my dear and am so tired too,
I just want you here with you curled up in my arms
and your head on my chest holding hands,
to so sweetly smile and kiss for awhile
before we close our eyes warm and contented
feeling so safe to our souls cores.
I love you sweet lady my diamond so rare,
I just want to be with you holding each other near.

I miss you and your sparkling eyes,
that big bright smile that lights up the sky.

and give always to each other.

Looking At Your Picture 7

Just as I was about to start a movie
I first wanted to look upon your picture.
To see your sparkling eyes and smile
filling me with deep desire,
to hold you close and kiss you deep,
to gaze into your eyes and say I love you dear
as I get lost inside the gorgeous soul
you have and hold within.
To just get drunk off the one I love,
looking at your picture fills me with pride and hope
because you're beautiful and all I want.

Looking at you picture always brings me
a feeling of heaven,
because I know with all my heart and soul
that I'm seeing an Angel I so adore.
An Angel I would give anything
to have near spending time with in all ways.
I see a divine Angel I'd do anything for
including giving up my life if that were the need,
I will give everything for the only one I so adore.
Looking at your picture girl
I say out loud I love you so and want to
be with you forevermore.

So as I sit down to watch my film
I wanted to look at you before I do
and wish you were here to join me dear.
It's a scary one so I would hold you extra close,
I have to watch one of my Friday the 13th's
since tomorrow is that day.
I'd just hold you close covering your eyes
if it got too much for you and then give you
comforting kisses afterward.
I love you dear and just want to look at
your picture a little more to calm my
aching heart and soul which want you near.

Michael P. McParland

Eternally

You are eternally within my heart and soul,
you will eternally hold both of them as well.
You are eternally my only love

and a diamond in the rough I cherish complete and full.
Eternally dear I am yours and will stand by you forever more.

Spending The Night With My Angel

Sitting here darling after a nice
and refreshing night time shower
and now all I want is to be with you
as we spend time and snuggle
having a good time together.
I want to be spending the night with my Angel
the greatest woman ever, my best friend,
hero and true love.
The Angel I'll stick by forever and ever.

Sweet Angel as I now sit here about to read first
I wish I could put my arms around you
and read from whichever book we had chose together,
I wish I could just kiss you so sweetly
as you closed your eyes to escape into
the books world while I read to you darling.
Then a film of your choosing which I know
would be so relaxing and soothing
as we just held each other so very tightly.
I love you sweet lady and just want my Angel
to be with me always smiling and joyful.

I love you my Kira and want to be with you now
and forever as we just do everything hand in hand
side by side always supporting each other.
I want to be spending this night with you
my divine blessed Angel.

Night Note 169

A very good night my sweet love
and how I have been hoping
your night was good and you
felt me so near my arms wrapped
around you so tight while
giving kisses so sweet.
I've been thinking about you
while I sat and read
my new horror book
and was learning some new things
as well that I was curious about
and had wanted to know how to do.
Throughout it all I was thinking of you
while sending all of my love
wishing I was with you
spending time.
Now alas I see you are
mad at me and I just feel gassed.
It makes my tiredness crash
and the tears I have fought
come so very close.
I love you my dear truly
I want you to know
and am always giving the best that I have.
You are the greatest my love
and try so very hard to let you know
and make you so proud in all that there is.
I send you sweet kisses and huge hugs
with all of my loving strength and deep warmth.

So again I wish you a good night
my sweet love and will be dreaming of you
and having you in my arms
as I go back to one of the
books that I'm currently in.
I miss you my dear
and hope that you'll talk so very soon.
God bless you sweet lady
and know that I'm with you

because I'll never leave you
because it would kill me
to ever lose or hurt you.

Michael P. McParland

along with that dear comes my warmth and love,
listen closely dear as I tell you I love you as well.
How I wish could be snuggling with you now
and the entire night through
as we just spent such wonderful time
doing whatever we felt like my Angel so true.

I want to spend the whole night
before bed sitting back with you in my arms
as we sat and talked, deeply kissed,
read and watch movies my dear,
and I would love some candy as well with my only girl.
I love you sweet lady and on this night
like everyone after I just want to
be with you holding you so very closely.

Love Note 453

Good almost evening
my dear one and I just wanted
to let you know I love you so much.
I wish you were right here in my arms,
to sit right beside me
as we ate dinner watching a movie
and afterwards did some cozy reading.
I miss you so much and love you so strong
I will always give you my best and everything,
side by side hand in hand forevermore.

I feel so tired my dear for many reasons
and I wish you were here to talk to.
To wrap you up in my arms
and just feel relaxed and peaceful,
being able to give you comfort sweet lady.
I love you my darling and am dreaming
of you being right here with me,
so feel me beside you tightly embracing
and kissing you sweetly
because you are my Angel I'll
adore and care for through all eternity.

Michael P. McParland

I Dream Of You

As I go about my few chores
here on this mid afternoon
I dream of you and just how beautiful
you are my sweet dear.
I dream of our talks and the kisses we want,
the snuggles we need and companionship.
I dream of you my Angel true
because you are a miracle to me.
You are everything I want and need
and I'll forever be yours my precious girl.
You are the light of my life my northern star
and there will be nothing better in life
than when I'm kissing you and holding you close.
I love you my dear and dream of you
in all of your beauty being here in my arms spending time.

Michael P. McParland

Waking Yearning And Longing

As I woke a short bit ago
instantly deep yearning and longing
for you my dear one filled me in whole.
I miss you so much and just want
to hold you so close telling you I love you sweet one
and hearing you say it as well,
then just gaze in your eyes and tell you
that you are the best before I kiss your soft lips.

I'm just filled with such yearning
for my beautiful one that I don't want to leave my bed.
I want to be with you spending time
in deep joy and laughter,
I'm longing to see you and be with you
my beautiful darling Angel
you are my everything and just who I'm
wanting and needing beside me forever.

As I lay here now I just yearn
to be with you or at least talking.
To hear your sweet voice or read your dear words
as we talked about everything
including our future plans and the joys that we'll have,
I miss you sweet lady and am yearning so deeply
because you are my hero, my best friend,
my Queen and great Angel.
I just long and yearn to be with you
forever and ever.

As I lay here preparing myself for the
late day I'm now facing
I dream of you in all of your beauty.
A gorgeous heart and gorgeous soul
both made from the purest of Gods gold,
and physical beauty that makes me tingle,
I miss you and am filled with longing
and yearning to be spending time while I hold you.
Remember sweet dear that I'm yours forever
and will never leave you my precious darling,

for you alone I yearn and long for eternities time.
You are amazing and my only love baby
so please my dear soon return to your Michael.

Michael P. McParland

To Just Spend Time 2

All I want tonight sweet dear
is to just spend time with you.
I'm tired and worn down,
I just want to have my Angel in my arms.
To hold and kiss telling you
that I love you and you've been so badly missed.
I just want to be with you and spending time
kissing, talking, reading, watching films,
and relaxing as we gaze into each others eyes.
I just want to spend time with you my only one
and just forget the outside world for awhile.

Michael P. McParland

Evening Note 96

Good evening my sweet love
and I hope you have been doing well,
I closed my eyes after dinner
for a bit and have wakened
feeling quite anxious my dear.
I wish I could hold you
as stability restored
and I'm hoping a shower is the cure.
So before I jumped in
I wanted to tell you
that I am here so you don't worry
that I may have disappeared
and to tell you I wish you were here
to hold as we kissed and smiled
under the water
and then after we emerged.
I love you sweet Kira
you're an Angel so good.

I send you sweet kisses
and huge hugs so very warm
and deeply loving.
I'll write you shortly after
I have gotten out of my shower
and start to feel better.
I love you so deeply
and want to just
be holding you here as we spend time together.
I would give anything for my darling.
I love you sweet lady
and hope you know
that I find you amazing
because you are so beautiful
and my hearts true desire.

Michael P. McParland

Beautiful One 11

Beautiful one I just want
to have you here with me.
To have and hold whole I give you
every bit of love I have.
Beautiful one I just want to lay here with you
as the evening goes and we spent time.
To kiss you deep while I held you tight
and just gaze into your precious eyes.
Beautiful one I miss you so
and would give all I have to be with you
the one I love locked up in each others arms
while kissing you with all the passionate
love I hold inside for my only one.

Michael P. McParland

Feeling Your Love All Around

I am always feeling your sweet love
all around me and its deep blessings.
Just like as of today I woke and my legs
were in so very much pain
I could hardly walk and not at all
without holding onto things for support.
Now though my dear I can feel through your loving prayers
the healing they bring as the pain
is nearly completely gone.
Thank you sweet one you're such a blessing
and I thank God for the gift that you are
with your golden heart containing endless love.

I'm always feeling your love all around me
rather I'm lying in bed, sitting and reading
or watching TV, out in public it doesn't matter
I can feel you, sense you, smell your
soft skin and sweet hair.
It doesn't matter what I am doing or where I am
I can feel all of your love with big hugs
and sweet kisses and it is the greatest.
Your fuzzy faced man thanks you so deeply
and I want you to know that I'll love you forever
because you are my Queen and most incredible, gorgeous Angel.

So even as I now sit here my dear
I'm feeling your love all around me in full.
I still wish and will dream of an afternoon
here in bed just holding you tightly
because you are my beautiful true love
I just want to be with right here and now.
God bless you sweet Kira I so deeply love you
and again I thank you for all of your prayers
and being the most loving best friend
anyone could ever want and have.

Michael P. McParland

An Afternoon Holding You

As I lay in bed here my legs
hurting quite bad and my heart longing in full
I would love to lay here spending
the afternoon holding and kissing you,
an afternoon spent in bed
us just spending time forgetting all
of our physical pains in the fun
and erasing emotional pains of the past
as we heal each others hearts and souls
in the unconditional true love and care that we hold.

I would so love and do crave
a beautiful afternoon just holding you
here in bed as we talked and read,
watched one of my films here that you picked
or I would rent one you are interested in.
Perhaps even just close our eyes
for a tiny bit while listening to music
or one of my audio books.
An afternoon holding you so very close
is what we both want and will have soon.
I just so wish it was today
that I could feel you curled up so tight
right next to me.

So as I sit back here in bed
my legs hurting quite bad and heart longing in full
I still smile because of you.
I can feel you in spirit and know that
those afternoon will be splendid,
just having your love gives me great reason.
So feel my arms around you
and all of my sweet loving kisses.
I love you sweet lady and will be yours forever
where there will be so many afternoons
where I can just hold you saying I love you sweet Kira
as I just kiss you over and over.

Michael P. McParland

Morning Note 181

Good morning my beautiful
and most beloved sweet Angel dove.
I pray that you have not been worried,
crying, or upset my sweet one.
I was more worn out than even I guessed
from a Mothers Day yesterday
filled with many many emotions
of happiness for my mom and for you
ladies so very grand.
Then a sadness as well from
not being able to be with you
serving you in full and holding you near.
I miss you sweet lady but don't ever fear
because I'll never leave you
my precious dear,
you are everything I want and need.
You are my best friend and true love
I give myself to in full.

I was also with you in my dreams
and once again I only remember
that I was with you as we just walked
and talked with love in our looks.
I can't wait for those days
my sweet Kira so good.
Then when I woke my legs are
in very bad pain from the arthritis
and chronic pain,
I almost fell down as soon as
I stood up just before I wrote
and they are really screaming at me
so I'll just be lying here in bed
for a good while hoping the pain
will soon go away.
I miss you sweet love and wish
you were here to lay beside me
and talk away.

I love you sweet one and wish

you were here with me
all of the time.
I just want to hold you
and feel you so tight against me,
to hear your sweet voice
as we told each other I love you.
I just want to kiss you
over and over again
seeing you smile as I smiled at you.
God bless you sweet lady
and a very good morning,
just feel me beside you
and know that I'll always be yours dear.
You are an Angel I'm so happy
to have been blessed to be in love with
and you are the Queen I want to serve babe.
I love you sweet lady
and cherish you greatly because you
are so beautiful and truly magical.

Michael P. McParland

Sweet Night Time Snuggles 2

I am so tired my dear and worn out in full,
I have been spending time these last few hours
with my mom on this Mothers day evening
and now I want to lay down by you
sharing sweet kisses and snuggles.

Talking To Others When.....

I'm stuck talking to others
and in conversations that don't mean much
when all I can think of is you
and how I'd rather be sharing all of our
thoughts, jokes, laughs, feelings,
tears of sincerity like we always did.
I'm stuck talking to other when you're
all I want sweet one.

and all I want to do is talk to you
even if right now from far away.

On YouTube right now I listen
to Falcos unreleased song Angst
and feel the pain of missing you my dear.
I've been stuck in a conversation
on FaceBook for an hour I don't want
to be in and think of how I want to be
talking to you no matter where you are.
My heart and soul cry out for your voice
and your words in every way.
My God sweet girl you are so great and what
I need always no matter what.

So sweet dear I send all my loving
thoughts and feelings to you in every way.

A Quiet Afternoon With Sweet You

Now having just risen from my small
and mostly light rest I send you sweet kisses
my Angel so great and want you
to know I love you so very much.
A quiet afternoon together is what I want
so very much as we held each other
so very tight and so very close.
I miss you my dear and this afternoon
with sweet you would be heaven on earth.

A quiet afternoon to just spend time with you
just spending time doing the fun things
that we love to do.
Sharing our jokes and laughing,
I'd cook you lunch and then you could just
keep me company while I'm cleaning up,
all part of a quiet afternoon with sweet you
my gorgeous sweet Angel dove.
A quiet afternoon with the woman I love.

Then to just sit and read as well
as watch a film.
Share sweet kisses and soft caresses
all before the kids got home from school.
A quiet afternoon so loving and bright
is the heaven on earth we both need.
I know it will come and so to help
the days bearable of them I dream.
I love you sweet lady you're my everything
and those quiet afternoons with sweet you
I am so excited for.

Michael P. McParland

Love Note 451

Hello my sweet love
and I hope your morning's been good,
I haven't gotten my chores done
as I just feel so tired
and I'm missing you bad.
So I've just sat and read
wishing I could snuggle with you
as we climbed back into bed.
My meds are making me tired
and I need a short rest,
I just want my lady
right here by my side and wrapped
up in my arms.
Kira I love you so deeply
and just want to hold you ever so closely
while we talk and drift
for a short while.

Please don't feel upset
or feel down my sweet lady
if you could see me you would
understand fully just how
tired I am because you
are understanding and kind hearted,
I will be up soon my dear darling
and I just wish you could
curl up beside me my beautiful Angel.

I'll be thinking of you
as I close my eyes
and will dream of you the entire time,
I just miss you so badly
my only one.
I love you my darling
and just feel my arms around you
because I am always with you
feeling so proud you're my
true love and best friend.

Goodnight My Angel So Beautiful

Goodnight my Angel so beautiful and sweet
I'm so very tired and want you to
come lay down with me to snuggle peacefully
and kiss so sweet as we share our loving warmth.
I'm tired dear and want you near
so come let's snuggle underneath the soft covers
smiling and kissing with some light
laughing and talking.
Goodnight my Angel so very beautiful
come curl up with me as we drift to sleep.

Come curl up so tight within my loving arms
and wrap yours around me my only love.
After kisses then just rest your head upon my chest
and I'll stroke your hair, rub your back,
and lightly massage your aching neck,
I know it often hurts you so and I want
to help relieve your pain the best I can.
So just feel my loving warmth through the night
as I hold you close my only one,
listen closely for my voice as I say
I love you Kira you're the best.
You are my only one and everything
and you mean so very much to me.
Never fear because I'll always be with you
because you are my shining star
whom I wish to be with forevermore.

I'll see you tonight in the land of dreams
where I just want to walk with you
hand in hand through a field
of lush green rolling hills where after awhile
we can stop to put down a blanket
and sit down.
Then just holding each other enjoy
the beauty around while kissing
and holding each other so loving and proud.
I'll see you tonight my sweet one
in our sweet dreams where it will be

just you and me snuggling and spending time
which so soon will come in the waking world.

So goodnight my sweet beautiful Angel
of true love and pure light.
I love you so much and want to
wrap you up tightly in my loving arms.
Not for just tonight but every night
because you are the greatest gift in my life.
Feel me beside you and my kisses upon you
as you rest beside me and give me a smile.
I love you sweet lady you are my Angel
so let's turn out the light to snuggle
and fall asleep holding each other.
Goodnight my dear Angel you are amazing
and I can't wait to be holding you through all eternity.

Michael P. McParland

A Relaxing Snuggle

The movie is now over sweet one
and before bed to wind this night down
a relaxing snuggle with you
would be the most wonderful thing.
To just have my Angel in my arms
so close to me while we softly talked
and together read,
that is truly heaven to me.
So my sweet love before bed join me
for a truly divine and relaxing snuggle
because I truly love you and want to hold you,
and I want you the most wonderful woman
to hold me because I know you love me just the same.
You are the greatest my Angel Queen,
so come share a snuggle with me.

Michael P. McParland

Tender Evening Dreams

Sitting here watch my new film
in these lazing evening hours,
and through it all I dream of you
being here within my arms.
Enjoying each others company
as we spend time hand in hand
as we snuggle cozily.
I'm filled with such tenderness and longing deep
as I dream of you in all your beauty dear.
Tender evening dreams of being with you
fill my heart, mind, and soul.
I send these sweet sweet kisses to lovely you.

Tender evening dreams of me and you,
I can think of nothing more I want
than what's within them all.
Far too much to cover here
but best of all of them is that I'm holding you,
sharing kisses oh so sweet and just knowing
that my Angel's there with me
fills me with the greatest hope and joy there is.
Tender evening dreams of what I know
will be real.

Tender evening dreams are what I have
of us sweet dear as I sit and watch my new film.
I dream of all the things we'll share
and how good holding you will feel,
I just dream of tender kisses and your touch
which I need so very much.
I love you dear you truly mean so much to me
and I can't wait to share these
tender evening dreams for real.
God bless your heart and feel my arms around you now
because you are my everything and all I want

and want to grab a quick rest.
I wish you were here to wrap up with
and snuggle during this little nap,
so I could just kiss you
as I tell you I love you sweet dear,
please be mine forever
my Angel so pure.

So my sweet love as I lay down
for a short while feel deep warmth
and my arms around you,
always remember I'm right beside you.
I love you sweet lady and want to snuggle
and my alarms set so I will write soon.

Michael P. McParland

I Just Want (To Hold And Comfort You)

I just want to hold and kiss you
while I give you comfort,
give you reassurance that I will always
be your Michael standing right beside you
filled with eternal love for
my one and only Kira.
I just want to hold you and give
all my loving strength straight to you.
I just want to hold you and give you comfort
knowing I'll be yours forever and will never waiver.

I love you my sweet one
and just want to be there with you,
giving kisses oh so sweetly as I give you comfort.
Listening as you say all you want and need to tell,
and then sharing with you all you want to share.
I'll tear down my walls for you and tell you everything,
I just want to be right there to talk or listen
whatever you may need.
I just want to hold you close and comfort your dear heart,
I just want to kiss you so long and deep while you touch my heart,
I want you to feel how much it cares and loves you through and through.
I want you to know that it still beats for you.

Kira I just want to hold and comfort you
showing all my love,
you really are so very dear to me and the one I need.
I truly love you so very much
and I know you hurt,
I just want to hold you close and kiss you sweet
to help heal all its wounds and scars.
Kira you're my only one and that is pure truth,
because you are the Angel I adore
and I want to give you happiness.

Michael P. McParland

I Care For You So Deeply 2

Babe I care for you so deeply
because you're beautiful in every way.
You mean so much to me because
of all you've ever done for me
and you truly mean and are my everything.
I care for you because you're my Angel true
and there is no one else I'd give myself to.
I love you deeply my best friend
and care so much for you.
Life feels so very dull and colorless
without you to talk to.

In everything I see and do I wish
that I could share it all with you.
To talk about and share our thoughts,
to have our laughs and share our jokes.
I care for you and miss you very much
and just want to hold you very close.
I care for you my blessed Queen
and want to be with you so very soon.

I care so deeply dear and just want
to spend time to be with you,
to share all there is and learn all I can
about the woman who to me means everything.
I want to calm, soothe, and heal your heart
which the most pure and golden thing there is sweetheart.
I care so much because I love you deep
and want you to have the best
getting all the love that you deserve
and beating treated to your true great worth.

I care so deeply dear and would give anything
to have you near to show you all I hold.
I'll always work so hard for you to give my best
and give my very all.
You truly are my sacred Queen and the greatest
blessed gift I could ever have.
I truly thank God for you each day

and I pray that he'll help you know just how much
I truly love you and deeply care.
I always ask him to help you feel my great big hugs
with sweet kisses and loving warmth,
I care so deep that's just the tip.
I love you babe and always will,
I care so deeply about you in every way.

Michael P. McParland

Hold Me Tight 5

I wish you were here sweet one
to talk to and hold me very tight,
I have so very very much to say
and I feel like bursting
in all my love and need to share
while we wait for the time to be here.
I want you to know I've never lied to you
nor do I sweet talk or speak in false ways.
I know you know within your beautiful
heart and soul that I speak in the ways I do are just me
I truly do love you dear and want to hold you near.

Please come hold me tight my only love
as I don't feel well and I'm tired too.
Please come hold me tight because
it is you I truly want
and to just spend time even if it is just in quiet.
I love you dear more than anything
and just want to get it all right
so I can be your perfect man.
My heart is hurting without you
and these last weeks few have been a struggle bad.
It is always hard to get through
without your best friend and true love,
but as I know you know because you face it too
sometimes the weight is heavier than at other points,
you are the one I love and my heart sings to you.
Please come hold me tight and let's talk
for the longest time revealing our loving hearts.

I love you dear and just want
to be held so tight by only you.
I adore you in full and would never
lie about or make up such a heartfelt thing.
I could never play with your precious heart
because it is gorgeous in all its Angelic worth and truth.
I love you babe so very much and just want
you to come lay with me and hold each other close.
I am feeling very sad and right now

hurting deep inside.
I love you so and want to just be held by you,
God bless you babe you are the best
and hold my heart and soul.

Michael P. McParland

Morning Note 180

Good morning my sweet Angel dove
and may God bless your sweet
golden heart and soul
to feel of his loving warmth
and all of mine as well.
Feel my arms around you
and these sweet kisses too
as I pull you in for a tight snuggle
here on this early morn.
I love you my sweet one
and feel so very lost without you.
You are my everything
my precious Queen.

I've been lying here dreaming of you
and I can feel you so near,
I can feel your smile,
smell your soft delicate skin
and long beautiful hair
and it is helping defeat
the anxiety I had woken with.
You are my shining star
so high above them all
and I thank you so much my only love,
you are my everything
and helping me to get up and moving along.
I wish you were here to
come sit with me and snuggle
so tightly as we sit and read.

I just wish you were here
for a quiet morning
of reading and hot coffee
while tightly snuggling
and as I get up right now
and go sit down to read
while I eat some food
I'll be dreaming of sweet beautiful you.
I'm sending you all

of my love and warmth with
sweet kisses of care
and close your sweet eyes
to see my warm loving looks and smile.
I love you my dear
and in spirit I am holding you close,
I can't wait to hold you right here.
Feel cheer my sweet lady
and safe within your heart
because I'll never leave you
so feel my sweet kisses
and have a good morning.

Michael P. McParland

A Beautiful Evening With You 3

Out of a nice refreshing shower
and now dinner is cooking.
What a beautiful evening
this would be for you and me
my beautiful precious lady.
A fried chicken dinner for my gorgeous Kira
just as a beginning to this beautiful evening.
An evening together just spending time
and feeling wonderful wearing smiles.

Such a beautiful evening with you my sweet darling
where we'll watch a movie while eating.
Then after cleaning my biggest desire
is to just hold you so closely
while we do lots of reading because
I want us both to read to each other
getting the chance to get lost in the visions
of that world in each others voices.
Lot's of reading and talking is what
I am dreaming of our wonderful beautiful evening.

Oh my sweet dear dream with me
of our beautiful evening,
just feel hope and joy in your heart knowing they're coming.
I love you my Kira and can't wait to be with you
sharing the most joyous of times together.
As I go about my time here I'll be dreaming of you
and thinking of the many beautiful evenings
I'm going to be sharing with you.

Michael P. McParland

Love Note 449

A very good beginning
of this evening to you
my best friend and sweet Angel dove
I send you the sweetest of kisses
and the biggest of hugs.
I have just returned from
a tiring shopping trip
and I wanted to send you
millions of smiles before
I sit back to catch my breath.
Then in short order
a refreshing shower where first
I can shave my head with
my new clippers,
no more getting my hair ripped
out of my head in the process.
How wonderful it would if
I could have you with me to hold
while we just kissed and smiled
enjoying each others company.
Than not long after
I'd cook you dinner.

We'll talk about that later
though my precious Angel
as right now I want to sit
for a few minutes and then get that shower.
Just feel me beside you
holding you so very tightly
as well as my kisses as I
tell you Kira I love you.
I'll be thinking of you the whole while
smiling because I know that
you love me just as much
my dear darling.

Michael P. McParland

My Dear Best Friend 2

My dear best friend within your hands
you hold my very soul and heart.
They are filled with endless tenderness for you
overflowing with true love that
threatens to make me burst in all they hold
and just how much I want to share
myself and life with only you through all time.
My dear best friend you are all I want
because your beautiful in all your light.
My dear best friend I love you so very much
and will always fight for you right by your side.

My dear best friend I truly adore you so,
your heart and soul speak and sing to me
as they reach out to give me warmth.
I feel comfort from all you are
my dear and precious Queen.
I truly love you so very much
and would do anything for you.
My dear best friend you are my everything
and I just want to be with you.

I love you my dear best friend
you are a precious jewel.
You really are the most beautiful
woman that there is in heaven or here on earth.
I love you more than anything and will always
stand by you.
I'll never leave you my dear best friend
and will forever and ever be yours alone.
Hear as my heart calls and sings such lovely songs,
my dear best friend you are the best
and perfect in my eyes.

Michael P. McParland

Thank You My True Love

Thank you so very much my one and true love
for all that you do for me and all that you give.
Earlier I felt quite overwhelmed with all
that I wanted and needed to do today,
but I felt you so near with all of your care
and deep loving strength it helped keep
me cool and focused to make it through all.

I thank you sweet love for being within my life
and giving me the greatest love any man could ever
hope to have from an Angel so great.
I love you so deeply and say thank you sweet lady
I will forever be yours and yours alone
side by side and hand in hand forevermore.

Thank you my true one I love you so,
and I want you to know you are my Angel
and along side my mother the greatest person
I've ever known.

Michael P. McParland

Love Note 448

Good afternoon my sweet girl
and you truly are my most beautiful one.
Before I go on I just want
to say I love you dear with the
sweetest of kisses to tell you I care.
I truly so wish you were here
to spend the day with
and perhaps you would help me
get a few things done that I need to do.
Having your help in even the
smallest of ways would help lift
enormous stress,
and I know your kind heart
you would do more than a little bit
and I'd have to stop you
from doing too much.
I'll get to that in a moment though
my only one.

I was woken earlier than I wanted
and even perhaps needed from my little rest,
I'm not sure what jerked me
out of it but hopefully it won't catch up
to me soon here in this day,
I will fight to make through
to the evening as far as I can.
These medications and sadness though
just keep knocking me down,
but for the both of us and my family
I will always do the best that I can.
I love you so much my Angel so fine.

First I wish you were here to sit with me
and help as I clean up part of my room,
it's such a mess and there's so far to go.
I begin to just let it all slip
in my major sadness awhile back
having lost you and being filled
with massive remorse, sadness, and regret.

I've never fully pulled my meticulously
and perfect orderly way back again
but I am trying for us my sweet Angel dove.
Just so much junk piled up
and order to be restored it feels overwhelming
when I look at it all,
and in many ways to others beyond
the dust and cat hair it wouldn't even seem
super bad but I always had stuff
so orderly the messiness drives me mad.
I just wish you were here to sit by and help
as you wanted and could to help keep my mind
relieved and know it would come.
I know you could help make a plan to help
do it all in an easily and orderly way
to keep me from stressing like you always have.
You are a blessing and Angel so good,
and I will always love you for just being you.

So my sweet love that is what
I shall be now going and doing
and then a call to insurance about
my dental work that needs doing.
I love you sweet lady and am with you always
holding you tightly and kissing you sweetly.
Remember sweet love that I am your Michael
and will alway be yours for all eternity.

Michael P. McParland

My Divine One

You are my divine one sweet love
and an Angel diamond in the rough.
Before I lay down for a few hours to
just lightly doze I wish that you
were here with me to eat a little food
and read with me from my new book
as well as our sweet one.
You truly are divine my dear
and I love you so very much.

You are my divine one who fills my heart
with true love and hopeful light,
you are divine as my Queen and Angel
that gives me reason to continue on.
You are divinely beautiful
and I would give my whole life for you
if needed without a moments thought or doubt
because you are my true love and faithful girl.
I love you babe for all of this
and so much more.
You are divine as the beauty of this world.

Darling you are divine being all I'll
ever need and want,
I just want to hold you close and let you know
everything will be alright as it's you and I
against the obstacles of the world.
You are beautiful and an Angel so divine,
I love you girl you are my only one
so please come curl up next to me
and enjoy each others loving company.

Michael P. McParland

Morning In Bed With You

Good morning to you my sweet love
and how I wish and need to spend it
with you snuggling in bed.
I woke up with anxiety and am felling
a bit washed out and sad.
I want a morning just spent in bed
with the woman I love.
This morning spent in bed with you
is the very heaven on earth that I need.

I just need and want a morning
within your arms as I hear
your Angelic voice in its heavenly tones.
I just want my Kira so beautiful and fine,
I just want the comfort you give
and to wrap you up as well in my arms.
I send you sweet kisses of love
and my loving looks so soft and sincere.
Kira my darling you're the only woman
I'll ever want and need.

I just want this dull morning
spent in each others arms,
feeling the love that we share
and giving each other warmth.
I love you sweet lady and as I get up for a few
I'll be dreaming of you and sending
my heart out as well.
I love you sweet Kira my only lady
and I promise I'll never forsake you
because you are my glorious Angel.

Michael P. McParland

Snuggle Up Sweet One 2

Come snuggle up sweet one,
it's been a long day
and now after dinner I am stuffed
so very tired and just want
to curl up with you side by side
in each others warm and loving arms.
Come snuggle up with me my only love
and let's sweetly kiss before we close our eyes.
I love you dear and miss you so very much
and want nothing more than to snuggle with you
as I drift off to sleep right now.

Michael P. McParland

A Peaceful Evening With You

Now as evening is soon approaching
and how I want nothing more than
to spend time with my lady and her kids
to defeat this boring day that has just passed
a peaceful evening spent with you
is all I want my precious girl.
A peaceful evening for us to relax
within each others arms feeling warmth
and love enjoying our splendid company
as the time does pass.

I would first buy us some pizzas for a nice
little dinner and good family time
while we watch some movies
and perhaps play some good games.
A good early evening for all
but later just you and me.
A peaceful evening for me
to just hold you close and stroke your hair,
massage your back and neck and your feet as well.
A peaceful evening to just spend time
with the woman I truly love more than anything.

So my dear after such a boring and frustrating
day these are the things of which I dream.
To just talk and read to each other from our book,
tightly snuggle and sweetly kiss as we watch
a film or listen to our music singing along.
These are the things I dream of to have with you
and can't wait until we do.
I love you dear for you are my Angel true
and I ask that you dream these things tonight as well.
See our future and feel so good,
feel my arms around you and my kisses too,
close your sparkling eyes and see my loving looks and smile.
You really are the greatest babe I hope you know
and have no doubt I will always
be your Michael and yours alone because you are
my only one and all I need and want forevermore.

Michael P. McParland

Boring Day, Wishing For You

What a boring day my sweet love
as I have sat here alone in the quiet
left to my own devices.
As you know so often that's how I like it
but not always babe and today
has been a boring and sad one as well.
I like these quiet days too far less
when I think of you and holding you close.

I'm wishing you were here to snuggle and kiss
while we talked, read to each other,
and watched some wonderful films.
These boring days of eternal quiet
are too much my dear when all I want
is to be with my lady as I sit here
dreaming of heaven,
that being you right beside me.
I love you my Queen and am wishing
you were right here with me.

Such a boring day my sweet darling
so terribly quiet and I am so tired out by it,
I wish you were here to laugh with while joking
and just spend time being close
as we hold each other.
I miss you my darling and your absence has made
so much around very boring indeed.
You are colorful and lively, a true joy
to know and be with always sweet lady.
I truly love you so deeply and miss you completely,
it's such a boring day and I'm wishing
I could be holding you so very close to me.

Michael P. McParland

Love Note 447

Good afternoon my sweet love
and I am sending sweet kisses
and huge hugs to you
filled with all of my loving warmth,
I wish you were here to spend
the day and snuggle up with
the whole time.

I have just been awakened
from a short nap and wanted
to send you kisses and say
I love you babe first.
I still haven't gotten one thing done
because my ride unannounced
has been off doing other things,
so I'm feeling unhappy
for a number of reasons right there.
I wish you were here to talk to
and go with me out on the town
to do those things needed
and this evening have fun.
I love you sweet Kira and miss you so much,
I'm thinking of you and sending
all of my love to let you know
you're never alone
and I am with you.

So my sweet love just remember
I'm right there with you
and holding you close to give you my care.
I'll always be with you
because you are my one
and you're all I want
my sweet Angel dove.

Michael P. McParland

Sweet Kisses To My Sweetie 2

I send sweet kisses to you
my dear beautiful sweetie so good.
I send you sweet kisses so full of love
and to tell you you're the greatest my only one.
I send you sweet kisses because you

the light of my life and northern star.
You are the worlds beauty my sweetie so bright

more to me than the entire world.

and I would give you it all my dear sweetie
if it were mine to give.
I love you so much you're a diamond in the rough
and I want to thank you for who you are
and all the good that you've done.
I send you sweet kisses my sweetie
and all of my love,
I'll stand by you as your faithful
and pure loving man through all of time.

Michael P. McParland

A Quiet Morning With You

A very good and beautiful morning
to beautiful you my dear Queen Angel,
I send you sweet loving kisses
and huge hugs to wrap you up
in the warmth of my heart and soul
which I hold for you to no end
in great abundance because to me you are magic.
I love you sweet lady and wish we could share
a quiet morning together snuggling
and sharing sweet kisses while sipping at hot coffee and talking.

A quiet morning together where we can relax
before on this payday we would have to get up
and start running all over town.
To do some shopping and random chores,
but in the middle of it all I'd buy you lunch
anywhere that you wanted my precious love.
With a somewhat busy day before us
what could be better than a quiet morning
spent arm in arm with each other.

So my sweet love dream with me of these mornings
that will come and stretch out before us.
That is what I do now to help me get through
this morning without sleeping or releasing tears.
Knowing I'll be with you feeling whole, safe,
cozy and immensely happy keeps me moving along.
I love you sweet Kira to me you are a miracle
and I just want you to know that you are
the most Amazing Angel anyone could hope for.

Michael P. McParland

Early Morning In Each Others Arms

A very good early morning to you
my sweet precious girl
and how wonderful it would be spending it
in each others arms snuggling tight
and enjoying the warmth we both
have for each other inside our souls,
how I long for this morning to be
spent with you in each others arms
sharing the sweetest of kisses too.

For some reason I'm feeling a bit sad this morning
and I just want to curl up with my lady
feeling so safe and relaxed holding
and being held by the worlds most beautiful Angel.
How I want this early morning just the two
of us baby to snuggle, talk, share sweet kisses,
and just close our eyes while we listen to music.
A morning in each others arms would be simple heaven.

Oh my sweet sweet darling how I love you,
so close your sweet sparling eyes
and see my loving looks and big loving smile.
I am sitting back to dream of you dear
and spending this morning holding you.
I know it will come but I wish it could
be on this morn as there is sad longing
to be with my Angel so pure.
Just feel me wrap my arms around you
and give the sweetest of kisses too
as at least in spirit we can enjoy
this little while holding each other.

Michael P. McParland

Night Note 168

Hello my sweet Angel dove
and I hope the rest of your day
yesterday and your night have gone well.
I'm sorry sweet love
but I had a feeling I would sleep so long babe,
I send you sweet kisses and huge hugs
to fill you with warmth
and reassure you that I'm always with you
giving you all of my caring love and warmth.
I love you sweet Kira and miss you
so very much.

It is payday my dear
and in a bit I'll pay the bills
and I wish that later you were here
with me to join as I go out
to get my shopping done
and maybe stop another place or two,
I would take you out to
breakfast or lunch whichever
you'd want wherever my precious love.
I wish you were here to
spend time and to be with as
I go about doing things
and so I could spoil my girl
with her favorite things
just like I've always wanted to do.

I love you sweet lady and wish
that you were here to snuggle
for a little bit longer before
I have to get up and do the bills
and get out of this nice bed
for a long while.
I just wish I were with you
to kiss and hold telling you
I love you more than anything darling
so as I lay here for a few more
that's what I'll be dreaming.

I love you sweet Kira and don't forget
that I'm right there beside you
hand in hand holding you tightly
and I'll stand beside you forever and ever.
You are my Queen and you are my Angel
and there is a thing I wouldn't do
to make you feel fulfilled, proud, and happy.

Michael P. McParland

Curl Up With Me

Come curl up with me sweet love,
the afternoon tireds have caught up.
Will you come lay beside me now
for an afternoon snooze so good?
Will you come cozy up beside me dear
and curl up in my arms?
I want to close my eyes lying down
with my beautiful only one.

Come curl up with me my sweet Angel dove
as I long so very much to be with you.
To feel your arms around me
and your soft sweet kisses so amazing,
come be with me and curl up tightly.
I love you Kira and just want to be with you
in all things that we do.
I truly love you babe you are my everything
and I just want you to come curl up right next to me.

Michael P. McParland

A Relaxing Afternoon With You

Now my sweet darling after a refreshing shower
How I'd love to sit back on the couch with you
and wrap you up for a relaxing afternoon spending time.
To read from our book and laugh at our old silly jokes,
and put on a nice soothing film we both love
to sit back and relax and let the time pass,
I vote for West Side Story sweet girl
but if you don't want that I have hundreds of more to choose.
Before that though I would cook you a nice lunch
and for me something to work around my canker sores.
I want a relaxing afternoon with my lady Kira
to pass the day by feeling so cozy and comfy,
a full day of smiles and sweet kisses while we
snuggle the entire while.

So as I sit back to read the book I bought
for us a few months ago darling as well as my new one
I'll be sending you my warmth and love
with sweet kisses, big hugs, and millions of smiles,
I'll be thinking of you and all the times that are coming.
I love you sweet lady so feel my arms around you
and feel my sweet kisses as I tell you I love you.
Kira you are my Angel and how my heart sings to you
because you are my best friend and amazing hero.

Michael P. McParland

Love Note 446

Good afternoon my beautiful girl
and I just wanted to drop in
and tell you I love you so.
You've helped keep my tears at bay
as they have still threatened
to come here and there.
I am soon going to jump in the shower
to try and drive away so much
of the sad emotion.
I wish you were here to join me
and just hold in each others arms,
to just kiss and smile at each other
as the two best friends and loves
that we are.
I wish you were here to just hold
nest to me under the wonderful water
our sign which is so beautiful
in the depth and emotion we share.
I'll be dreaming of you
and sending all of my love while
I am in there.

Afterwards I would make you
such a nice lunch to enjoy,
I'd find something to whip up
for my most gorgeous girl.
I'm still struggling to eat with
a few bad canker sores
but I would fight through as much
of the pain as I could to enjoy it with you.
I wish I could spend the afternoon
with my most favorite person
and Angel in the universe.

So I best now get moving
and will write you in a bit afterwards
to tell you how things are
and other beautiful things baby.
I love you sweet lady

and adore you completely.
God bless you my Queen Angel
you are amazing.

Michael P. McParland

An Aching Hearts Call 2

My heart calls to you sweet dear
in aching loneliness that surrounds.
I have finished my movie and my book
and I enjoyed both but the book so much more,
I can't wait until later this month when
the last part is released at last.
Having sat here though for just a bit
walking down old memory lane the quiet
is now too much and I miss my lady oh so much.
I've been thinking about all sorts of things
and I'd love you here with me to hear my ramblings.
My heart is aching and right now I want to cry,
my heart calls all its love to you my only one
and just wants you to know you're missed
and I want to hold you so very much.

I'm sorry dear I don't want to bring you down
I just want to say I miss you babe and wish you were here.
to kiss and snuggle while we talked and talked,
then shared our hobbies as we spent such fun time
with each other doing so much stuff.
I don't know what I'd cook for lunch or just what
I'd have us do on my turn to pick our thing for fun
but maybe just sit and read together instead
of me doing it all alone with no one to share my thoughts.
My heart aches to be with you snuggling up
and feeling you right there as we spent time
releasing all the years that we've been alone
into the air to disappear forever more.

Oh my sweet Angel dove how I want to have you near.
I'm fighting the lonely tiredness that makes
me just want to lay down and escape this
waking aching heart in the mists of dreams.
I'm fighting the tears that now prick
at my eyes as I know my tears also hurt your heart
and you don't like to see me cry.
I'm just bothered by the silence now
and memory lane gets hard to travel down no matter what,

I'm not even sure if I want to start my next book.
I love you sweet girl and as I go about my day
I'll be dreaming of you and writing too.
You're all I want because you are magnificent,
you are a diamond in the rough and you need
never fear because I will always stick by your side
as your faithful loving man.

Warmth, Love, Hugs, And Kisses In The Morning

Warmth, love, hugs, and deep kisses
here in the morning sweet dear before
we would get this day for us going.
The kids packed up and ready for school
and now quiet time for just me and you,
we'll sit back and snuggle in quiet peace
as we kiss and feel complete.
Warmth, love, hugs, and big kisses
in the morning here with my sweet Kira I hold so very dear.

Warmth as you curl up in my arms after
I get you your coffee just how you like.
I love I give my smile with hugs so very giant
with kisses so sweet to tell you I love you.
A morning so pleasant and so very sweet
while just hold each other and talk soft and lovingly.
Warmth, love, hugs, and kisses with my only one
on a morning so filled comforting care.
A morning of sharing our hopes and dreams
and all we want to do throughout the day.

My sweet sweet Kira I send you warmth, love,
hugs, and deep kisses on this spring morn
to fill you with all of my loving warmth.
I love you, I love you, I love you, I love you,
and I can't wait to have beautiful mornings beside you.
I want your companionship for all eternity
and I just want to be with you because I love you so deeply.
I send you these big hugs and kisses to remind you
that I'm always with you and will never leave you
and that I'm right beside you my precious lady.
Warmth, love, hugs, and kisses on this lovely morning
and I send you this dream too so we can share it
and feel happy as in our minds we see it
and in our hearts feel the truth of its future nature.

Michael P. McParland

Very Early Morning With You

A very early and beautiful good morning to you
my most treasured and beautiful dear.
I have now finally risen and wish you were
sitting here with me in the quiet serenity
as I eat some of last nights dinner.
My stomach is grumbling and the canker sores
are screaming as I eat my sweet darling,
but I just want you here as my heart is aching
to have your sweet arms around me on this
very early morning which will only feel complete
when it has both me and you hand in hand arm in arm.
I love you sweet Kira and will through all time.

I'm reaching out to you in spirit to
wrap my arms so tight and lovingly around you,
to kiss you on you forehead, cheeks, and lips
and say Kira I adore you.
You're my diamond in the rough and my only love,
I want you by my side through all time.
So as I sit here still waking on this early morning
I'll be holding you in spirit and wishing you
were here while I finish my movie and read my book.
I love you my darling and to you my heart is singing
saying I am your man through all time and will
be here for you for all time my dear
and until you come I am right there as well.
I'll always be with you because you are the woman
I treasure more than anyone or anything.

Michael P. McParland

Night Note 167

Good night my sweet precious dear.
I'm sorry if you have been worried
or upset with me,
I can't believe I slept this long
my sweet Angel dove.
Early on I and throughout I felt you so near
and it calmed me so much.
I'm not yet ready to get up and move
but I wanted to tell you
I love you so so deeply my dear.
Come curl up with me
and let's relax together sweet one.
I love you so much
and want to be with you through all time.

Michael P. McParland

Come Curl Up 5

It is now after a most filling
Sunday afternoon lunch and my meds
are making me a bit sleepy dear,
come lay beside me babe and curl up in my arms
for a nice couple hours nap
holding each other so near
feeling cozy and safe with each other arm in arm.
Come lay beside me babe and curl up
in my arms for some sweet kisses first.
Just smile and feel so very close
as we close our eyes to drift for awhile.

I love you my sweet Kira and even as
my eye lids are drooping I wanted you to know
and to tell you I can't wait to
spend time like this in person.
I will be holding you tightly though
in spirit saying I love you while I kiss you.
Remember I'm with you and will always
be your Michael so faithful.
So curl up in my arms and feel all
of my loving warmth drifting away
on a loving cloud in each others arms.

Michael P. McParland

A Fun Little Afternoon

I love you my sweet one and miss you so much
and I wanted to tell you I wish you were here
for a fun little afternoon in each others arms.
To snuggle and kiss and just enjoy the company
in true caring love we provide.
I wish you were here to enjoy the little lunch
I just prepared as we watched a film
and then read from our book.
I love you my sweet one and miss you so dear,
I'll be sending you all of my love and warmth
with this dream of a fun little afternoon
with you and me and the kids too through
part before we enjoy time just for us.

Michael P. McParland

A Quiet And Peaceful Sunday

Yet another good morning to you
my sweet dear and I wish you were here
to spend a quiet and peaceful Sunday
side by side, hand in hand,
in each others arms kissing and snuggling
while enjoying the day and spending time.
I long to be with you feeling so relaxed
happy and good as we spent the day
peacefully doing whatever it is we want to do.

I have been sitting here this morning
just reading my book and struggling to eat,
I have a few canker sores that are quite bad
so eating is a bit hard at this moment babe.
I wish you were with me now to snuggle up
as we lay back on the couch and watched a film
that you picked and would love to watch with me.
I am still feeling tired as one of my meds
makes me feel so in a short bit after
a short wonderful nap with you.
I have forgotten my meds in the past two or three days
so it will affect me a bit more.

I just wish you were with me for a nice peaceful day
because this is one where I need you badly my dear.
Just to hold and to talk to while spending time,
and right now I think I'd more just like
to listen to you as you told me all of your thoughts.
I just want to be with you on a quiet peaceful day
feeling so good and whole with beautiful you.
I love you my Kira and will be thinking of you
as I go through this morning here
sending you the sweetest of kisses and biggest hugs
to fill you with all of my strength and warming love.

Michael P. McParland

Morning Note 179

Good morning my sweet Angel dove
I hope you slept well and felt
all of my loving warmth and arms around you
the whole time as well as my sweet kisses
and me saying I love you sweet Kira
you are everything I'll ever want,
you are so beautiful and truly divine.
I am so very sorry sweet one
please don't be upset with me
and I pray you are not crying
feeling worried that I am upset
or something has happened at all.
I am right here for you
and I always will be my precious dear,
I'm sorry I did not write later
yesterday like I promised
but I would have had I been awake
before just shortly ago.
I apologize dear and I send
sweet kisses to you my Angel dear.

When I last wrote you yesterday
I was resting and knew I would spend
the day in bed as it was the perfect day
to just rest and listen to my audio book
as well that I was supremely tired.
About an hour after though
I fell fast asleep and was out of it
completely until just a little bit
ago my lady so sweet,
then I started to panic and for a few reasons
felt like crying my darling
but then I felt you near and was able
over a lying back to calm down
so I could wake up and be clear headed to write.
So I apologize my sweet darling
or I would never have broken my promise,
please don't be upset at me
my most gorgeous darling.

Another reason I felt so emotional
upon waking was that I dreamed of us
being together spending time
just hanging out and walking along
talking like we used to
and will again but this time
hand in hand sharing sweet kisses
so loving and kind straight
from the tenderness we hold inside.
So it can be so hard to have to
be pulled away from you my sweet dear
even when it is in dreams.
I love you and want so badly
to be right beside you sweet lady.

So I now haven't eaten in over
24 hours and I need some food
my sweet precious darling.
I wish you were here to snuggle up
for a beautiful and quiet morning
but that's what I will be dreaming of
as I sit eating.
I love you sweet Kira and again
I apologize,
I wish you were here my precious lady
to spend the day enjoying
each other and all that we love together.
With the kids watch some movies
and take a walk to the duck pond
and so much time for us to get lost
in as we want.
I love you sweet Kira and can't
wait to be with you for all time.

Michael P. McParland

Love Note 445

Good afternoon my sweet Angel dove
and I hope your day has gone well
and as ever have felt me right there
holding you near in all of my love.
God bless you my beautiful one
you are such a treasure
I so completely adore.

I've just spent the day in bed
mostly asleep fading in and out
listening to my audio book.
I'm still half asleep
but wanted to tell you I love you babe
and wish you were here
to lay beside me and snuggle,
this is one of those perfect days
to just spend in bed resting
and listening to my stories
and having you here would be perfect
sweet lady.

So feel me right there beside you
with my hand in yours and my arms
wrapped so lovingly around you.
I will be dreaming of you
as I am resting sweet lady
and promise to write you later
my beautiful Angel so amazing.
I truly do love you more than anything.

Michael P. McParland

A Great Big Early Morning Hug

A very good Saturday morning to you
my beautiful and most beloved sweet Angel dove
I pray you slept well and felt my arms
around you giving you all of my warmth and love.
I hope you were comforted my precious one
because I love you so much my Angel Queen.
I send you sweet kisses and big hugs
to help start your day with a smile.

My sleep was a bit restless and my head
hurts a bit but I wanted to get up
to send you this great big early morning hug.
A huge hug of deep comforting peace
to give you all of my strength
and let you know I am with you no matter
where you are because you are my one.
I'm sending you this huge hug to
soothe your aching heart and reassure you
that I am here always and will never
judge, reject, or push you away my sweet darling.
I am here to give you my love and share my life
to the woman I love above all.
I want to help heal your broken heart
so I send you this huge hug
and as I lay back down for awhile
let's snuggle so tightly and kiss so very sweetly.

I send you this great big early morning hug
my sweet darling to just fill you with cheer
and to reassure you that I am right here
with open arms and an open heart.
It is only you that I will trust my
heart and soul to and can help me heal as well.
So let's hold each other as we rest for awhile
longer and just talk a little bit
as we drift off enjoying each others
company to no end.

Michael P. McParland

Rest Your Head (On My Chest 3)

It is late my sweet one I am exhausted
and spent my Angel so great.
Will you come join me in bed to snuggle
for awhile and share the sweetest kisses
while we gaze into each others eyes?
Will you please come and join me
my diamond in the rough and wrap each other up
in our shared warmth giving comfort
and peace to each other which we so badly need.
Please my sweet one come snuggle with me
and let me shower you in sweet tender kisses
all over while just telling you I love you,
I want to be with you through eternity,
and thank you for being my beautiful Angel,
and as important as everything else
tell you all is alright because I will
always stick by you giving my best and everything.

Then after giving you all of those sweet tender kisses
snuggle up so tight against me as I wrap you
up in my arms to make you feel all comfy and cozy,
then rest your sweet head upon my chest
to relax in full as I stroke your hair and rub your back,
softly caressing your cheek from time to time
all the while throughout when I'm so moved
to say Kira I love you and you are so great,
I hope and pray I have pleased you in many ways.
You are my guardian Angel and shining star.
Can I ever repay you and thank you enough?
God knows I'll always give you all that I have
to show you how much I love you and grateful I am.
Feel my arms around you tonight as you lay in bed
and my lips upon yours tenderly to tell
and show you the extent of my love.

I'll see you tonight in the land of dreams
where among the moon and stars we'll take a cosmic
journey and walk along the path,
just holding hands as we get lost in the

wonders of space and each other,
I want to be with you no matter where forever and ever.
After a bit we'll find a place to sit
and hold each other while the moon and stars
put on a wondrous show and blow us kisses all the while.
I'll see you tonight in that majestic scene
that is just for you and me.
I just want to hold you as we are softly talking
and I pray that so soon in real life
that will be happening.

So my sweet lady it is late and I am so very tired babe.
Will you come join me and snuggle so tight
sharing sweet kisses and some soft words?
Then just cozy up and curl up in my arms to rest
your sweet head upon my chest while I rub your back
and stroke your hair as we fall asleep in each others arms.
God bless you my darling and know the truths
and pure desires for you that my heart is singing.
I truly love you and want to give you all
that you have always deserved because you are my Queen
and you are my Angel and not one thing or person
can ever replace my beautiful Kira.

Michael P. McParland

I Love You (Don't Leave Please)

Sitting here feeling so very lost,
I miss my Angel so very bad
and am terrified I'm losing her.
I don't know what to do for she is my essence,
my heart and soul.
The beautiful woman I love more
than anything in heaven or on this earth.

I want to be with her and give her all my love
because she's so special and my diamond Queen,
I've loved her since I was 15 and I gave her
myself in full back then.
She is the only love I've ever had,
it is pure truth and tenderness in every way.

I love you babe you are my everything
and I adore you and cherish you my Angel Queen.
I'm terrified of losing you because
I've always wanted to spend this life with you.
I've always sworn that I'll never leave you
and will always stand right beside you
because I will always be your Michael
who truly cares about and loves you.
And I know you love me my precious darling
and that's just a small part of why
I can't bare to lose you babe.
You are such a gift and blessing I thank
God for everyday and I'm terrified
of losing my Angel and true love here on earth.

Michael P. McParland

Please Come

Please come my sweet one and lay
beside me now curling up within my arms.
Please come and be with me for I
love you more than anyone or anything
and I just want to hold you here
while I let you know just how much
I treasure you and truly care.
Please come my darling dear and honor me
with your divinity which I adore.
I miss you my sweet Kira and love you more
than anyone can truly know.

Please come lay with me and don't pull away
which is something I so deeply fear.
I love you so very much and do the best I can
everyday for me and you so we can have our dream.
I want to be with you through all of time
side by side hand in hand as the happiest
couple and best friends there's ever been.
Please come my sweet one and curl up
within my arms to share our night and our lives forevermore.

Kira dear my heart and soul will always
be yours and yours alone as they were a
true gift from me because you are my Angel,
my hero, and my Queen, the greatest best friend
anyone could ever hope to have.
I love you dear and just want to hold you near
so please come and we'll keep each other warm,
we'll share sweet kisses oh so passionate and very tender.

So please come join me my only one
I don't want to lose you ever my darling dear.
Come lay by me and curl up within my arms
so I can give you all of myself in full
just like I've always wanted to.
I love you Kira so very very much
and I will forever be your Michael no matter what.

Michael P. McParland

Evening Note 95

Good evening to you
my beautiful sweet Angel dove
and how I wish you were here
to just spend time and hold
each other so near wrapped up
in the glowing warmth and strength
of our true love as we gazed
into each others eyes just smiling
and getting lost in all the deep
loving care we both hold inside,
we won't need any words to say I love you babe
because we could always just look
at each other and smile saying
it all through the looks of love that we shared.
I wish you were here to spend
this evening with me so I could hold you close
and tell you everything is going to be okay
because I am here for you always
at any time you may need and for anything.
I'm always right here and right there for you
my sweet Angel dove.

I just wanted to tell you
I love you my dear and to have
a wonderful evening,
I'll be dreaming of you
and writing when I can.
I'm sending you the sweetest of kisses
and the biggest of hugs
so feel safety and comfort knowing
I'm with you babe.
God bless you my darling that you
will feel peace in your heart that is golden
and always remember that I will
be here when you're ready with wide open arms
and a wide open heart to give you
all of the love and kindness you've always deserved.

Michael P. McParland

I'll Wait Forever

Kira I will wait for you forever
because you are the woman I so dearly treasure,
I'll wait for you through all time
if that's what is needed dear.
Without a doubt and without waiver
I will remain true to you in full my only one.
You are the only one I hold in my heart and soul
which you carry in your precious hands,
you are my hero and best friend
and I'll wait forever through all time
to be with you and have you curled up within my arms.
Ill wait forever for my Queen and never
wander to another for any reason or anything.

I'll wait for you forever because I've always
known within my heart and soul that you
are the one for me and have been since the start of time.
I love you so very much and when
I think of you, when we talk, or just
communicate in any way I feel an electric shock
as our souls reach out and touch
in the familiarity of true love that's lasted oh so long.
I'll wait for you my dear through eternity
because my heart has chosen who and what it wants
and when I love sweet one I love for life.

So even though you are angry with me
I know you love me still and I pray will talk one day,
I'll wait through all time if I need
because you mean the universe to me.
I love you dear and I'll always stick with you
side by side hand in hand through eternity
giving all of my love and support to you.
You truly are my diamond in the rough
and beautiful sweet Angel dove
and I'll always be here for you
and have no fear because I want no other only you.

Michael P. McParland

You Are My Only Love

Sweet sweet Kira you are my only love
and it is true coursing through
my mind, heart, soul,
and entire being as I am filled with
deep tender passion for you.
You are my true love and only one
and I would do anything for my sweet Angel dove.

You are my only love and I just want
to hold you here in my arms stroking your hair
and rubbing your back as we snuggle
and so softly talk about whatever there is.
It doesn't have to be important or specific
because I just want to spend time with my gorgeous lady.
To share all our hobbies and do various things
is the bliss with you that I so want and need.
You truly are my only love and it is
as pure as anything that there is.

So feel all of my deep loving warmth
as I send it to you with the biggest of hugs
and sweetest kisses as well.
You are my Angel I so adore and I would
give anything to be with you now.
Hear my hearts call as it tells you its truth
and that I know you love me so very much too.
I can feel you my darling as you hold my hand
and wrap your arms around me and I thank you big.
I just wish you were here to kiss and look upon
so I could say directly to you
I'll always be with you my Angel dear
because I truly love you more than anything.
God bless your sweet heart and soul made of pure gold
and never forget I am your Michael and yours alone forevermore.

Michael P. McParland

My Beautiful Angel 2

A very good late morning to you
my beautiful Angel so pure,
I love you my gorgeous dove
and wish you were here to hold so very close,
to read to out loud from my book
and just talk away like we used to my dear.
I miss you babe and await your return
because you are my everything and Angel Queen.

You are my beautiful Angel and there is no one
in heaven or on earth that I'd rather be with,
today I'm feeling quite tired and I would
just like to sit back in bed with you
to relax feeling safe, happy, joyous,
fulfilled, and so very good.
I wish you were here my beautiful Angel I love
to just sit with and hold as we spent quality time.

Kira you truly are a magnificent woman
and there isn't anything I wouldn't do for you
because you are my beautiful Angel
for whom I hold such tender love in my heart and soul,
and I know that you hold such a deep love
just like that for me as well,
you are a shining light in my life in every way
and I thank God that he sent you my way.

I love you so much my beautiful Angel
I adore and cherish to no end,
I miss my best friend to whom my heart sings
in full voice all of my favorite love songs non stop.
You are a treasure, a blessing, and a gift
so very wonderful and you are my
beautiful Angel whom I'll stand by
hand in hand forever and ever.

Michael P. McParland

Love Note 444

Good morning sweet love
and I hope that you slept well
and felt all of the hugs and kisses I sent
to wrap you up and fill you
with all of my unconditional
and undying true love.
I miss you so very much
and love you more than you truly know,
I just want you here to have
and to hold spending time everyday
through the rest of time.
I love you so much and there is
lots of stuff both of us need
to help each other learn and understand.

I am not feeling well my sweet one
as I know without a doubt now
I hit my head and that is the cause of that pain
and I just feel so down and sad
missing you tons and I know you're
mad at me still and it is hurting
my heart and soul so that I want to cry,
I am trying my best and to stay angry
just hurts us both babe when
we're two best friends so in love.
I'm hurting because I'm not with you
talking while snuggling and sharing sweet kisses.
I just want us to talk and begin
our happy journey together my precious lady.
You are my diamond in the rough
and the only one ever I am wanting,
I always pray for you and all of your
wants and needs to be fulfilled.

So my sweet darling as I now go to
jump in a much needed shower
I will be thinking of you and wishing
you could join me.
To just hold and smile at each other

as we stood under the soothing water,
to just feel happy be close together.
Then afterwards I just want to read
my book for a little while.
I will write you not long after
and I pray by then you won't
be upset with me and angry,
I love you so much and need you here
beside me each day to just
bask in the loving glow that we share,
an unbreakable bond given to us
by God and I truly treasure.
I'll always stick by you
and never even consider leaving you
because you are my heart and my happiness
my precious lady.
Feel my arms around you as I stand there
beside you holding you tightly
and always remember that I am your Michael.

Michael P. McParland

A Long Sleepless Night

A long sleepless night just lying in bed,
a very light drift is the best I've
achieved as I close my eyes
and listen to my audio book,
I dream of my lady in all of her beauty
and how much I ache to be with her
curled up in my arms right next to me.
I miss her so badly and love her madly
I would give all that I have to right now
be with her sweetly kissing and snuggling
surrounded in our pure loving warmth.
A long sleepless night where I just want
my darling within my arms.

I can smell your soft and smooth skin
as well as your long precious hair,
I can feel you near but tonight
I just plain miss you so much
I need you here in my arms to kiss and to talk,
to share everything with you about myself.
I need my sweet lady so powerful
in heart and spirit she's great.
It's a long sleepless night
not having you here to give comfort to
and tell you everything is going to be alright.

I love you sweet lady and as I once again
close my eyes I send you sweet kisses
so full of love with big hugs of warmth,
I send you my heart and soul as they sing to you.
God bless you my darling and know
I'm there with you now and I will
be dreaming of you on this long sleepless night.

Michael P. McParland

Please Come Snuggle With Me 2

It is so very late my darling dear
and though I don't think I'll sleep well
I want to be with you while you're wrapped up in my arms.
Please come snuggle and share sweet kisses
saying to each other I so deeply love,
I want to look in your eyes and say thank you
just for everything and being my precious Angel.
Please come snuggle dear to share sweet kisses
oh so good and gentle words to reassure I'll always
be right here for you and by your side through all time.

Please come snuggle my true love and after
our sweet kisses rest your head upon my chest
so I can soothe you while I stroke your hair and rub your back,
I love you babe greater and more than anything
and I just want you here within my arms
to hold and kiss every day and night for the rest of time.
Please come snuggle my darling only one
so I can gaze into your eyes and see you smile
as I tell you I'm yours and yours alone
for all time my Angel Queen.

Kira it is so very late and I'm truly tired
though I don't think I'll get much sleep,
please though come and curl up in my arms
to kiss so sweet before we fall asleep,
God bless you babe you are so great and all I need.
I love you dear and just want you here
to spend time and feel so good with you in my arms
because you're my Kira and that's the greatest thing there is.

Michael P. McParland

To My Sweet Darling

I send all of my love with
the sweetest of kisses and big hugs
to you my sweet love,
I send my heart and soul to you
for eternity to have and to hold.
You are my essence and my Angel so pure,
I send all that I am my sweet love
straight to you.

To my sweet darling I give my whole life
as everyday my heart calls to her and sings in full voice,
for no other anywhere would it ever do that
because she is my Queen,
a gorgeous woman with a golden soul and heart.
To my sweet darling I'll always give
my very best and my everything.
She has been robbed for so long of the love she deserves
and I will give her all that I have and she wants,
I am her man and hers alone through eternities door.

To my sweet darling I just want you to remember
that I'll always love you and stick right beside you,
I want no other just my beautiful Kira
because you are amazing, my best friend, and Angel hero.
I give myself to you my sweet darling
I cherish and treasure you my rare precious diamond,
your heart and soul have touched mine
and nothing can ever compare to one so divine.
I love you my sweetie and am right here
waiting to hold you so tightly and give my all to my darling.
You are so special and I just want to share
this life and the next with you sweet lady
because you are my everything whose spirit shines brightly
and fills this world with endless beauty.

Michael P. McParland

Evening Time Dreams Of My Lady

Sitting here sweet lady on this evening
and dreaming of you in all of your beauty.
I'm watching the NFL draft just to see
how many Buckeyes are picked
and I wish you were here to sit and hold while we watched,
it would make things so much more
interesting and fun snuggling up with my only one
and as I am feeling tired you would help
keep me from possibly falling asleep.
Evening time dreams of you and me help keep me sane
knowing that one day they will come
and we will feel joy in each others arms.

I'm sitting here my sweet one and dreaming of you
and my God how beautiful you truly are,
I'm sending sweet kisses and the biggest of hugs,
make sure you catch them all and wrap up
in all of the strength, love, and deep warmth that they hold.
I love you fair lady you are so dreamy
and I pray that soon you will return to me.

Michael P. McParland

Deep Heartache (Wanting You)

Sitting here with my music babe
and my heart aches so bad as I want you here
by my side while I dream of you in
all of your beauty and that beaming smile,
I think of those sparkling eyes and cute face,
your perfect body that gives me tingling shivers
in the need to just hold you close to me.
Above all else though I miss your golden heart
and pure spirit that glow so bright and full,
I just plain miss you and my heart aches
to be with you just spending time
and holding you within my arms.

I just feel deep heartache being so far away.
Remember dear that you make me so very happy
and that's why I feel so sad being separated
by the distance between me and my gorgeous lady.
You make me smile and you make me laugh,
you help me feel safe from the jerks within the world
and other things that bother me so,
I love you so very much and miss you very bad
because you are my hero and my best friend
and it is so hard not having you around.

Kira please just know that I love you so very much
and would never lie to my precious rose,
remember that I'll never leave you babe because
I want to give you all the best
and endless love that you deserve just like
the Queen you are and my blessed Angel I adore.
I truly just miss you so much because you are you
and that is truly great,
you are the one I love and want to be with me forever babe.
Hand in hand side by side forever dear
because you are the greatest and my beautiful sweet.
I love you Kira and I am your Michael don't forget
because I am yours and yours alone through all time forevermore.

Michael P. McParland

Love Note 443

Hello there my sweet Angel dove
and first let me say I have
felt you near me all day.
I can still smell your soft and sweet skin
along with your long and gorgeous sweet hair
and it is one of the few things
that has gotten me back up today.
Thank you always for all of your prayers
as my stomach feels better my love
but a while ago that stabbing pain
in my left temple returned very bad,
I think I must have gotten up
in my sleep yesterday and somehow
hit myself in the head very bad
because it persists even now,
and then as I lay down a deep sadness
came over me from missing you
so very bad and just wanting you here
in my arms to sweetly kiss
as I held you so close
and told you I loved you so much,
a sadness that is stuck with me
even as I have gotten up
because I just want my sweet lady
here to spend time with me on this day here.
I just want to be spending time
with Kira my Angel so dear.

Truly though feeling you
here in spirit with me is helping me dearly.
It's just that having such distance
between me and you is one of
the most painful things that there is.
You are so beautiful and a gift I adore
so I would give my whole life for you,
I pray that so soon we will
be back together so I can take care of my Queen
for all eternity.
I truly adore you and I'll never leave you

because you are a diamond in the rough,
a true treasure I fully cherish,
I'll never never leave you
because you are the greatest
and I just want to hold you
and show you all of your worth my Angel.

So remember sweet lady that I am your Michael
and I am right here for when you need me
as well as beside you,
I pray everyday for your safety, your happiness,
and that you will return to me soon my fair lady.
I will never reject you, or judge you,
or push you away in the slightest
because you're all I want my precious diamond.
God bless you my darling and feel me
right there beside you giving my loving smile
as I say Kira I love you and will always be
right here beside you
to always give my best and everything.

Sweet Early Morning Snuggles With My Best Friend

Sitting here my sweet love on this early morning
and my stomach is still rolling back and forth
between feeling alright to good and then feeling
a bit wonky and bumpy leaving me feeling unsure
about what it's going to do and if I'll be alright,
say a prayer for me love that it will settle down
and I will be able to enjoy my day as there
are a few things I want to do along with writing for you.
I love you darling you are the greatest friend
and I wish you were here to snuggle with while
my stomach straightens itself out in full.
I love you baby you're all that I want and need
and sweet early morning snuggles with you
would bed heaven on earth.

God bless you my darling feel all of my love
as I send it your way with the biggest of hugs,
feel all of the sweet kisses and be filled with warmth
as you are the most beautiful girl and my true love.
I wish you were here to share such early morning snuggles
because I love you my best friend and miss you so badly.
Feel me right there with you in spirit
as I hold you so closely and give you kisses so sweetly,
I will always be with you giving my big loving smile
and letting you know I'm so very proud of you babe.
You are an Angel and blessing so very special
and I wish you were here my best friend
so I could gaze in your eyes and say I love you sweet Kira
and I am glad you're here beside me on this early morning.

Michael P. McParland

Thank You My Sweet True Love

Good morning my sweet Angel dove
and before all else I want to say thank you
my one and only beautiful true love.
Thank you for all of your kindness and true understanding
thank you for all of your peaceful strength and total loving,
thank you for your warmth and all the peace you
have sent me for it helped give me the calm that I needed
so I was able to get to sleep and catch up on
near all of it that I needed.
Thank you my sweet true love you are an Angel
and I thank you to no end for being a true loving wonder.

I'm sorry my Queen or I would have written
a tad over an hour sooner when I had awaken
but immediately my head was throbbing and pounding
with a terrible headache and my stomach wasn't
feeling so very great either.
So I went to get a cold Sprite for my aching tummy
and the machine in the laundry wouldn't give me a thing.
So I took some Excedrin while sipping on water
sending you every last bit of my love to give you comfort.
It's mostly all better except for this somewhat
stabbing feeling in my left temple and that
feels like I fell down at some point and hit it.
I suppose that is possible as I have done it previous.
Thank you again my sweet lady for all of the kind loving peace
that you sent me and God bless you my lady I so deeply love you.

So again my sweet lady I thank you so deeply
and I am sending you the sweetest kisses and big hugs
filled with all of my warmth and deep love,
I wish you were here to sit back and snuggle
as in this early morning I plan to listen to Falco,
I'm reworking my play list on Spotify of his music.
I wish you were here to share sweet kisses
and kiss my left temple all better to get rid
of this stabbing dull pain that persists in it,
I wish you were here so I could look in your eyes
and say Kira for you I am so very grateful

and I love you more than anyone or anything ever.
Feel me beside you and my hand in yours as
I take it up now pulling you in for a big hug.
I love you sweet lady and I am always beside you
hand in hand always so very proud of my dear Kira,
I will always support you my dear Queen so amazing.
I love you my darling and again want to thank you
my only true love so very beautiful,
you are my shining star and diamond in the rough,
I treasure and cherish you my darling so great.

Michael P. McParland

Lay Down With Me My Beautiful One

Good evening my sweet precious lady
and before anything else let me thank you
by giving you my big loving smile
with the sweetest of kisses and huge hugs,
thanks to all of the loving warmth that you sent
and holding me so very tight in spirit
I was able to finally get a bit of sleep.
I wish you were here to look in your eyes
and say thank you babe while I caressed your cheek
and kissed you so very deep.

I am still so very tired my dear and up
just long enough to eat some food
so afterwards I am hoping my beautiful one
that you'll come lay down with me
to curl up in my arms and snuggle so tight
for the longest while,
even if right now all we can do it is in spirit
I just want to hold my sweet lady and give you
all of the same love you've given to me.
Will you please come lay down with me my beautiful one?

Kira you truly are so very beautiful
and want to be with you now and forever,
I want you to curl up in my arms
where awake I can see you and when I've
fallen asleep I can see you there to have and to hold
just like in the waking world.
So often is it normal for people to fantasize
or dream about other people than their partner
but even in my fantasies and flights of fancy
it is still my Kira my true love I am with in them,
so please my sweet one come lay beside me
so I can tell you you're truly gorgeous
and to me the perfect woman I want to be with forever.

So my sweet beautiful darling I thank you so much
for all of your loving strength which was so very calming
and after I am done eating will you come lay beside me

to wrap up in my arms giving you all of my comforting love
while we sweetly kiss before drifting off to the land of dreams
to be with each other the entire time.
I just love you so deeply and I will stand by you
hand in hand forever and ever because you my Angel
and best friend whom I've loved and adored
since the beginning of time when God created us.

Michael P. McParland

Love Note 442

A very good late afternoon to you
my sweet Angel dove so beautiful
to me in every way,
you truly are gorgeous in my eyes
and I could just gaze into yours
and get lost for hours
while also being captivated by your smile.
I love you my darling
and just wanted to check in
and tell you that you are
a true magnificent wonder.

So far here in my very exhausted
and weary state I've just been
drifting in and out,
I will be fine though as I am now
because I feel you so near my sweet dear
and dream of you as well.
I can just feel your loving spirit
as well as smell your long delicate hair
and soft skin,
then I can feel your arms around me
as in my dreams I pull you in so close to me
to say I love you babe and I always will,
I will be with you forever
and want you to be my wife through eternity.
I know that I will find a long sleep
because I feel your soothing love and prayers.
Thank you my dear it truly does
mean everything to me.

I love you sweet Kira and you are my Angel
so feel me there with you as I lay
back down to continue resting
in great hopes of sleeping.
I love you so very much my sweet darling
and I crave you and your company
completely because I truly
adore and cherish everything about you.

I'll be sending you the sweetest of kisses
and great big hugs filled with strength and warmth
to wrap you up in my tender care.
Know that I will be dreaming of you
and such fun times together
because you are my Angel and you make
everything so very much better.

Michael P. McParland

Come Lay Down With Me

Will you come lay down with me dear.
These last few days of next to no sleep
are finally catching up with me
and I'm so exhausted I'm about to fall asleep.
I just want to snuggle with you
while we fall asleep in each others arms.
Please come lay down with me so we can
both feel the peace we so deeply
want and need in each other.
Please come lay down with me because you are my everything
and each passing day I love you more and more.
I adore you my Angel and I am right here
if you should ever need me or just want anything,
no matter what no matter when just remember I'm here for you.
So please my sweet one come lay down with me
and bask in the glowing warmth of our love
while we sweetly kiss and snuggle as in each others
arms we drift off to sleep in contented peace.

Michael P. McParland

To Just Spend Time

To just spend time with you is all that I want,
to look into those magic and sparkling eyes
to say thank you for everything,
both those things that can be put in action and words
and thank you so much for the things that have
no description or direct outward explanation
but I can so deeply feel your loving care
and admiration and I thank you my darling
from the very depths of my heart and soul
which overflow with tender love and care for you.

I just want to spend time holding you in my arms
as we make up for all the lost snuggling time.
I need to hold you and just feel your body
right next to me as we talk and sweetly kiss.
I just want to spend time with you my darling Angel
to give you all of the care and loving attention
you've always deserved and I want to thank you
over and over for your kindness and tenderness
with a man who is often so difficult to understand.
I just want to spend time with you saying
I love you, I love you, I love you
in all of the ways I can show you my gratitude
with cooking, cleaning, serving you in true love
and giving my best and all that I can.
Then thanking you in the most special way
two best friends can ever say and show it in purity.

I just want to spend time with you my sweet love
reading to each other, writing together,
watching TV and movies, cooking all sorts
of different things to enjoy with the kids and ourselves.
I just want to spend time with you my sweet lady
because you are amazing and a blessed gift
whom my heart sings to in full voice.
God bless you my lady and feel me right there beside you
and remember I love you more than everything
in the world and heaven combined because you are my Queen
and the most important person within my life.

Michael P. McParland

Longing To Lay Here With You

Sweet dear I am here right now relaxing in bed
and in my thoughts and dreams I am holding you near,
I want to spoon so I can smell your long beautiful hair,
so I can give light little pecks kissing your neck
and your cheek as well as having your ear right there
so I can softly and lovingly tell you I love you
and give reassurances that I'll always be there
to hold you and to support you because I am so proud of you.
I'm longing right now to lay here with you
and just have you near so I can comfort you
in every way that you need my Angel so good.
I'm longing to be lying here with you
because I want my Queen right here in my arms
to spend some time together doing fun stuff and relaxing.

Sweet sweet darling just feel me beside you
with my arms around you and take faith
in knowing that our day is coming.
I know that waiting is hard but we have both prayed to God
and our love has remained solid and true with no waiver.
When that day comes I'm just going to hold you
and thank you over and over for all of you kindness,
your loving, and your endless strength, you truly are
my Angel, my hero, and beautiful best friend
and I'll always love you to no end.
I'm so deeply longing to be lying here beside you
because there's nobody else I'd rather be with.

Michael P. McParland

Forever Yours My Love 2

I will forever be yours my sweet one
because within my heart an eternal flame
of true loving care burns for you.
Nothing that exists anywhere can blow
or smother it out because it is an undying
flame of unconditional and eternal love.
I will forever be yours because that's
just how I want it,
to be with my Kira I adore and I know
loves me just as much in return.

I will forever be yours as almost always
I can feel your loving spirit near me
and feel you smiling so warmly
letting me know that you so deeply love me.
I pray that you feel me too so you can
receive the same comfort you give to me.
God bless you my darling I'll always be yours
because you are my Queen and Angel alone
and I want no other by my side only you.

I will forever be yours my sweet Angel dove
and I swear in full I'll never leave you.
In my heart and mind I can't even fathom
losing you and I could never live with myself
knowing I had broken your pure golden heart,
I will forever be yours because you're
all that I need and want and I love you so very much
I just want to spend eternity side by side
hand in hand always standing up
and fighting for each other through everything.

Oh my sweet love I will forever be yours
and feel all of my loving warmth as I pull you in.
I will always work so very hard to give you my all
and the very best that I have because
you are a Queen and you deserve the greatest in life
that there truly is.

Michael P. McParland

Love Note 441

Good morning my sweet precious darling
and to start off this day
I hope you don't mind this love note
at the moments as from a restless night
I just need a bit of time to shake off
the tired and take a very cleansing
and most refreshing shower.
Then afterwards I will write you
the most beautiful poem
because my head will be clear from
the soothing water and the great thinking
that often happens within that period.

Before any of that though I wanted
to send you the sweetest of kisses
and pull you in for a big hug
while saying Kira I love you
you are an amazing and wonderful woman
I'm so honored to know and have love me
unconditionally and fully in return.
I just wanted to say thank you
before I get going on this day.

I hope that you slept well and felt
surrounded and filled with all of
my warmth and love with all of my strength.
I hope that you dreamed of you and me
so very sweet as I held you so close
and kissed you so deep,
even though I was awake I dreamed of us
and all the times that we'll share.
I wish that you were here to join me
right now to just hold each other smiling
in the shower under the relaxing water
and then sit back and snuggle right after.
God bless you my lady and know I am with you always,
I promise to write not long after
I have gotten out and had a short bit to sit.
I love you sweet lady and can't wait

to be with you spending each day
hand in hand in each others arms.
I will always be with you and right here
waiting with open arms and an open heart
for my precious lady because no other will do,
you're all I want my sweet Angel dove because to me
you truly are perfect as you are.

Michael P. McParland

Night Note 166

Lying here my sweet lady
on this restless night
and as I think of you I wonder and worry
over just how you are and pray
that you are okay and getting
the rest that you need,
I am praying that you are feeling
all of the warmth and deep love I send to you
with the sweetest kisses and biggest of hugs.
Be filled with calm peace as I send you
millions of smiles and all of my strength
as I hold your hand to let you know
I am right there by your side
and right here as well praying for
and supporting you in unconditional love
undying and in full.
You are a diamond in the rough I cherish
and treasure and will give my best to
everyday through all eternity.

I've been lying here trying
to relax dreaming of you and the talks
that we've had and the ones that we will,
I've just dreamed of holding you
and giving sweet kisses in pure caring love
as well as going about other things
that have relaxed me before like my audio books
or my music that fits the mood,
but nothing as of yet my sweet Angel dove.
So in this time of waking before
I lay back down to again try and sleep
I just wanted to tell you I love you
my sweet Angel Queen,
you are my northern star and my
beacon of deep hope that there truly is
still beauty and good in this world
and I just want to share with you
all the kind, caring love you've always deserved.
Remember my lady that I'll always stand by you

because I want to be the Angel and hero
you can look to and know you can count on,
I will always fight for and protect you through all time.
I love you Kira and now get some good sleep
my sweet one and have not a worry because
I will be right here for you whenever
you are ready and call out to tell me.

Michael P. McParland

Let's Read Before Bed

Dear I truly am so very tired
but just like last night I don't know
just how much sleep I may or may not get.
So I am about to lay down to try
and get at least a bit of rest
but first come snuggle up
and share some sweet kisses before
you rest your head on my chest
and we'll read a bit from our book
before we close our eyes and try for some sleep.

Come my sweet darling and curl up
so very tightly and lovingly in my arms
so I can look in your eyes and say I love you,
please come and we'll share the sweetest of kisses
with smiles so big and caresses so very soft.
Come curl up beside me and we'll read from our book
right before I wrap my arms fully around you
and we fall asleep in each others arms
while we softly talk and I'll rub your back
while stroking your long hair so very gorgeous and fair.
I just want to feel your soft skin, feel your heart beat,
and listen to you breathe while we drift away
to meet in the land of sweet dreams.

So my sweet darling let's snuggle and kiss
right before we read and then go to bed,
I just want to spend time with my Angel so rad.
Kira you truly are so very beautiful
and I am filled with pure admiration,
I adore you fair lady and will always stand by you
giving my very best and everything.
So let's now have you curl up in my arms so very tight
then sweetly and passionately kiss,
then read from our book before you rest your head
upon my chest and we go to sleep in contented peace
feeling so happy and safe as we hold each other as we drift away.

Michael P. McParland

I Miss You Kira 3

I miss you sweet Kira my gorgeous Angel,
you are so beautiful and holder of my
heart and soul dear,
you are my essence and Angel so graceful,
you are the Queen I want to be with forever and ever.
I miss you my Kira because you are you
and that's so amazing because you always
remain true to what you believe in.
I miss you sweet Kira you're so filled with beauty
and I'll always love and adore you through all eternity.

Michael P. McParland

A Peaceful Evening With You My Sweet Lady

My sweet sweet Kira as I sit here having
finally gotten up to eat a little food
all I can think of, long for and dream
is you being here as we shared a peaceful
evening together with me holding you.
An evening for me to just hold you so very tightly
to give you peace and reassurance while
I listened to you let all that you need out.
Rather to laugh or to cry I will always
stick with you holding you tight in my arms
giving you the support that you need the whole time.
I want a peaceful evening with you
my sweet Angel bride.

A peaceful evening where I can give you a massage
having you lay down on your tummy and start off
with your neck which I bet is so sore and hurts bad,
gently yet firmly I'd work on it moving down
to your aching back going as you guided me
so I wouldn't hurt you by doing something wrong.
Then down to your legs to loosen up all
the tension that builds in the hamstring and upper thigh,
then down to the calves giving you a deep and soothing massage.
Then the point that for only you I would ever do
and that is massage your feet my sweet Angel so great.
A peaceful evening with you serving my Queen
would mean the whole universe to me.

Then for you to just curl up in my arms
as I read aloud to you or whatever it is
that you would want,
I just want to be with you wrapped up in my arms
snuggling and kissing with time to talk.
I dream of this now as I sit here alone
and I have been praying it will happen so soon.
I hope you have felt the comfort of my
prayers for you feel all of my love and warmth
wrapped up in my arms with sweet kisses too,
you are my everything and I want you to know

how much you mean to this man who cares about you to no end.
I am so honored that you love me too
and I want to say thank you my sweet Angel dove.
Sit back and see my smile while we both
share this dream of a peaceful evening in each others arms.

Kira I so want and long for these peaceful evenings
and I want them only with you because you're so special,
my heart is singing and still continuously beating
because of the unconditional and undying love
we have and give to each other.
I love you for you and want you to always
be my Kira the woman I fell in love with
because you are amazing and beautiful,
you are the Angel I have always adored,
loved, and been in awe of.
I will always be your loving and faithful Michael
standing beside you forever and ever.

Michael P. McParland

Love Note 440

Kira I just plain and simply
love you with all of my heart and soul
and I know you love me just as much
my sweet precious dear.
Please my sweet one I just want
to be lying here next to you
holding you close and opening my heart,
I love you so much and want us to share our lives.
You are my Angel and everything
and being away from you
is complete and utter pain.
I miss you so much and long for your touch,
I need your arms around me
and I want to share closeness
with you my best friend.

Kira I love you and want you
here by my side so very bad
because I want to share my whole life with you.
Please don't leave me or push me away
because you are my diamond in the rough
and even the thought of losing you
devastates me in full.
You are the reason I want to live
because you are true love
my only one.
I love and adore you
my precious girl
so please come back and let me know how you are.

Kira you are so magical
and I don't want to lose you
so hear my hearts call
saying you are an Angel and blessing
I so completely and tenderly
love you my dear.

Michael P. McParland

As I Rise (Longing Aches)

As I wake up from the rest I so needed
I feel so very sad inside my dear sweetie.
I'm so exceptionally sad because I so miss you
and you didn't read much while I had my eyes closed
like you usually do.
I know maybe you just had your eyes closed as well
but I pray you are okay and not upset
or crying and feeling like your falling apart just like me.
I am so worried for both of us my sweet darling lady
and I just want to be right there for you
holding you tightly and saying it's going to be alright baby,
I love you, I love you, I love you, I love you,
and I'll never let anyone or anything ever harm you.

Oh my sweet lady as I awake I'm not sure
I now want to rise from my bed and eat anything,
I just want to say my prayer for you and then close my eyes.
I pray everyday that you will be alright
and feel all of my loving warmth fill you up
so very strong feeling my arms around you and sweet kisses galore,
I always pray for you my sweet Angel dove.
Still though I worry because I know you're hurting
and I wish you would talk to me and tell me all that's happening
giving me the opportunity to be right there for you.
Do you have any idea how inside it is tearing me up
and killing me with the stress not knowing how my Angel is?
It is so hard when all I want is to be there to support
the woman I love more than anything
right by your side in person my love.
And as I awake now I don't want to rise because
remember my love it is not you that makes me sad
but missing you and being away from you is pure heartache my dear.

So my sweet one as I have awoken I will rise for sure
to say my prayer for my most beloved, my best friend,
my hero, my Queen and Angel whom I adore and share a bond with.
As I sit here I feel so very sad without you beside me
and I just look at your beauty as I take in your picture
and ask where are you sweet Kira? Will it be soon,

and are you okay my precious lady?
I feel sometimes as if I am breaking worrying
about how you are and wanting to comfort you,
I know that your pain is great and you need deep love
for your golden heart which others have deprived you of.
I promise I am right here and beside you as well
with wide open arms and an open heart just for you.
I'll never reject you, judge you, or push you away
because you are a diamond in the rough and perfect to me.
I love you sweet lady you're my northern star
and I will always be your loving Michael
through all eternity standing right by your side
hand in hand giving all of my support and so proud of you.

Michael P. McParland

Sweet Caring Kisses 2

Will you come and join me sweet lady
and curl up beside me as I wrap you up
in my arms so loving and tightly?
I want to give you sweet caring kisses
so tender, passionate, and gentle
before you rest your head upon my chest
and we will take a nap for a bit.
I'm so exhausted and need a bit of a rest
and I want to give you sweet caring kisses
straight from my heart and soul
while I hold you before we drift off.
Will you come and curl up by my side
so we can share a warm snuggle
and sweet caring kisses so touching and good.

Feel me right there beside you
because I'll never leave you
and I am so craving to give and share
these sweet caring kisses I hold in store just for you.
I long to be with you as we just spend
each day together doing whatever we want to.
Will you come right now though in spirit
and curl up beside me so we can share
sweet caring kisses before you rest your head on my chest
and I rub your back while stroking your hair.
I love sweet Kira and send these deep kisses to you
to fill and wrap you up in all of my loving warmth.
I pray that you'll be with me so very soon
so I can give you all of the love you've so long deserved
while I hold you and give you sweet caring kisses
all the while giving you my big loving smile.

Morning Time Snuggles 2

I've been lying here my sweet dear
and I can't sleep one little bit,
I am so very tired but that missing part of me
is so deeply aching wishing you were here
to share sweet morning time kisses and snuggles,
so you could look into my eyes and see
just how much I'm genuinely in love with you.
Right now I feel as if you are upset at me
and I don't know why so I want to make that all better.
I wish I were with you to share the sweetest
and warmest morning time snuggles
with the woman and Angel who means more to me
than everything else in heaven and earth put together.

I worry about you and want you to let me know
just how you are and if you are in need
of anything and if you will let me help,
I love you and am right here to support you
and I just wish I could hold you and comfort you.
I just want to give you all of the love
that you are so deserving of and you can
still message me here as I hope in the very least
as a first step you will.
I love you so much and care for you so very deep
I just want to lay down beside you every morning
to share the sweetest of kisses and the warmest of snuggles.

Kira I love you and will always be with you,
I hurt when you hurt and want to be there
to support you always and forever
so please don't push me away my sweet lady so fair.
I would give anything to be with you now
pulling you in to say it's all okay my beautiful one,
I'm so very proud of you and will be by your side forever and ever.
I love you my darling and am reaching out in spirit
for those sweet kisses and morning time snuggles
so feel all of my loving warmth as I lay there beside you
giving you all of my strength and tender loving.

Michael P. McParland

Lying Down To Have Sweet Dreams Of You

Oh my sweet Kira as I lay my head down
and close my eyes to get some much needed rest

and sending you my giant loving smile
to fill you with warmth as well as all of my love
with deep passionate kisses of tenderness
straight from my heart and soul.
As I'm lying down I will be having the sweetest of dreams
of you and me my sweet Angel dove.

I am aching so much in how much I miss you
and long for your presence right here by my side,
to spend time and fight through life for each other
as we walk side by side hand in hand forever and ever.
I'll be dreaming of you and the days not far ahead
and I will be able to relax as I feel all of your love.
You are a blessing and gift I so cherish
and I wish you were here to so tightly snuggle,
you are my Queen who is truly amazing
and I treasure you and your love completely and totally.

So as I will be lying down I'll be sweetly dreaming of you
and in spirit reaching out to hold you so lovingly tight.
I miss you sweet Kira and want you to know I trust you
and I will always be right here for you if you
are in need or want anything,
and I am with you in spirit to give you everything
I am and you need to the best of my ability.
So I shall go see you know in my dreams
to hold you so tight while we talk and kiss,
feel all of my love and know you're so deeply missed.
I thank you now for all of your loving strength
and deep kindness as I can already feel you so close
in all of your warmth right here with me.

without my Queen to at least say goodnight to and hear from
and I know it is so very hard for you too.

A Beautiful Sunday Afternoon

First as I now rise just before noon here
I want to say thank you and I love you dear.
Thank you for all of your patience,
your love, your understanding,
and your endless strength,
all of these things which help keep me going
knowing that one day again I will see you
and be able to hold you as I look into
your gorgeous face and sparkling eyes as you brightly smile
and say Kira I love you babe and I'll
be with you forever because you are my best friend,
my soul mate, my hero and everything.
I'll forever be you Michael giving you all
of myself to you in full and all that I have
as your King to you my sweet precious Queen.

So as I get up here on this Sunday afternoon
I would first cook us the lunch I'm planning right now,
spaghetti a favorite of mine and something
I hope you'd enjoy very much as well.
I'd just want you to sit while I cooked
so we could just sit and so lovingly talk
and I would step over to give you sweet kisses at points
as well as we could talk about what we'd like
to do together today.
First though this wonderful lunch for you and me,
the perfect start to our beautiful day.

I would get so much pleasure from your enjoyment
and I would feel good doing something
so good for my lady and making you happy
then afterward do all the cleaning while you were relaxing.
Then after to just have you curl up in my arms
and share our loving warmth on this beautiful day,
I'd lean to shower you in tons of kisses
before we did whatever you wanted my sweet darling lady.
Whatever my Queen wants is what I desire
because I want to make your day special my beautiful Kira.

So feel my arms around you my treasured diamond
and know my sweet Angel dove that these days are coming,
I'll always be with you and never give up
on my most beloved shining light who gives me reason and hope,
I'll always stand with you side by side hand in hand
giving every last bit of my endless love and support.
So as this day goes share this dream with me
and feel happy of a beautiful afternoon on this Sunday.
I love you my Kira you are my sweet darling
and I'll always be here if you need me and when you are ready.

Michael P. McParland

Weary Sunday Morning Smiles

Still quite tired sweet one
lying here on this Sunday morning,
but I'm lying here dreaming of you
and wearily smiling sending you sweet loving kisses
with millions upon million of big hugs
and huge warming smiles.
I love you sweet lady and wearily smile
as I lay here dreaming of you
and I just wanted you to know you are my shining star
and a beautiful woman so truly wonderful.

Michael P. McParland

Night Time Snuggles 2

Here in these night time pre dawn hours.
I'm reaching out to you for a warm snuggle.
I love you so much and I feel your spirit
and the only thing that could make it all better
would be you right beside me in person.
Right now in spirit though I'll so tightly hold you
because I want to be with you in any way that I can
and tell you I love you.

I'm reaching out to pull you in tightly
and give you the sweetest kisses while I hold you.
Be wrapped up and filled with all of my warmth
and never forget I'm always with you
because you are my Angel and the very best.

Michael P. McParland

I Truly Love You So

Sweet lady I truly love you so
and want to hold you near.
I want to tell you how I feel
while I look at you,
I want to give you every bit of what I have
and in full of who I am
because I truly love you more than anything.

I want to soothe and heal your aching heart
while I dry the tears from your gorgeous eyes,
I want to be right by your side not just
in spirit but in person to be your rock to turn to
when you need immediate support.
I truly love you more than anything
and I just want to have you here with me.

Kira I truly love you so
and my heart is filled with deep tenderness for you,
I see your golden soul and heart and the
precious Angel that you truly are.
You are a blessing and a gift,
a diamond in the rough I adore and want in my life.
You truly are my soul mate and best friend
whom I'll stick by forever and love more and more
with each and every passing day.

Michael P. McParland

Longing Aching Night

Hello my sweet love my headache
was flaring back up so once again
I had needed to lay down for awhile
and the whole time I dreamed of you
and prayed you would feel all of my warmth and love,
I prayed that you'd know why I was silent
and that I would write you as soon as I could
because I love you deeply and don't want you to be sad,
I could feel all of your love and it helped so very much,
I could feel your tight hugs and your kisses so sweet
as I was soothed by the smell of your soft skin and long hair.
I pray love that you know I'm doing my best
because I strive to make you so happy and proud
in each thing that I do everyday.
I love you sweet Kira so very deeply
and I'm reaching out to so tightly hold you.

I am longing and aching to be holding you
as we spent the night doing whatever it is
that you would like to do,
if you wanted to snuggle while we watch a movie
or I read to you from our book or even my poetry,
or if you just wanted me to lay back in bed
holding you tight as we sweetly kiss
before you rest your head on my chest
while I rub your back and stroke your hair.
I'd just softly talk and reassure you
that I'll always be there right by your side
and right here for you to give my best and all that I have.
Smile for me dear knowing I hold deep tender
loving care because you truly are my everything.

Kira I truly am longing and aching for your very touch
and I want you to understand you mean so much,
you are so special and a diamond in the rough
and it is for you my heart sings and still beats for life,
I miss you sweet Kira and wish that you were here
to spend the night so we could do whatever you want,
I just want to be with you spending time

and my heart is aching through these hard times.
Feeling you in spirit does bring such comfort
but nothing can match looking into your eyes
and saying baby I love you.
You are a gift so amazing and special
and I am more thankful than at this moment than you can fathom.
I'll always stick with you because you are my Angel
and I hope that so soon you'll no longer be angry.
I love you my darling and I know you love me the same
and I can't wait till you have your arms around me.

So tonight as every other just feel me beside you
holding your hand and holding you tightly,
feel all of my kisses as I give them to you all over
and always remember that I am your Michael
and I'll always be yours I'm not for another.
I truly love you so deeply that my heart's overflowing
and I will be right here waiting my Queen
for when you are ready.

Michael P. McParland

Evening Note 93

Good evening my sweet Angel dove
and I would have written sooner
but after lunch my headache returned
and I was forced to lay down,
now it still lingers a bit and I feel
worn out from its pounding all day,
I wanted to write though and say
I love you babe and wish you were here
to lay beside me and I ask so nicely
if you would gently rub my face and head,
then look into your sparkling eyes
and kiss you to see you smile so big.
I miss you sweet lady because you are so rad.

I will try to get up for a bit this evening
and do a little bit of something
and if my head isn't killing me
I promise for sure that I will write you,
I may not write as much as of late
but I like to write for you
because you are my Angel, my Kira,
my best friend and everything,
I wish I could be holding you
right now rather it be here or right there with you,
either place would be fine as long
as I'm with my Queen Angel so divine.
I love you my lady and want forever
to be right by your side holding your hand.

So my sweet love I'm sending you
endless huge hugs and the sweetest of kisses
filled with all of my warmth and love,
remember that I'll never leave you
and am right here if you need me
no matter what and no matter when,
you are my lady and I love and care about you to no end.
You are a diamond I do deeply
treasure and cherish and I can't get enough
of everything that makes you so special,

I'll forever be with you supporting you fully
so feel as I take your sweet hand and pull you in tightly.
I am your Michael and love only you
my most cherished Angel and I want to spend
eternity with you making you so proud and happy,
I want to bask in the glow of your beauty
and smile forever and ever.

Michael P. McParland

A Beautiful Afternoon With Beautiful You

Good afternoon my sweet Angel dove
and what a long morning it's been
with a headache and bad stomach cramps too.
I was able to rest through it all
because I could feel you so near with all of your love.
It helped relax me so I could rest through the worst
and now I can rise and I wish you were here
to look in the eyes and say I love you babe you are the best
and I thank you for giving me all of your strength.
Then I'd get up to cook you a beautiful lunch
as we would spend a beautiful afternoon my beautiful one.

A beautiful afternoon with my beautiful Angel
just talking, laughing, and spending
quality time together holding each other.
I want a beautiful afternoon just being with you
sharing our jokes and all of things we've always wanted,
an afternoon with my beautiful Kira
is the perfect thing that could happen.
To first make you lunch and then read from our book,
talking throughout the day while we sweetly kiss.

How I long for the days to be here when we'll
have those beautiful days together snuggling
through straight into the evening so romantic and good.
To share our lives and true love through
everyday that's before us is the greatest
gift and blessing that I can imagine.
I love you sweet Kira and you are so gorgeous
I will stick by you forever as your man
and want you to be my wife because you are amazing.

Michael P. McParland

Michael P. McParland

Come Snuggle Up With Me Sweet One

Come snuggle up with me my sweet eternal love,
curl up as close to me as you can within my arms.
Please just lay with me as I still rest
and try to get some sleep.
Please come snuggle up with me so we can talk

with the best friend we've so deeply missed.
Come now my only precious love and snuggle up
with me so I can give you all my love and warmth
to help soothe your heart and help you feel so safe,
come be with me my only one because I need
to feel your tight and loving embrace.

Dear I am so very tired but can't relax completely,
I just want you here beside me to caress your cheek
while I look in your eyes and sweetly kiss you,
on your forehead, then your cheeks
to sweet light pecks around your neck,
then I'll kiss your soft hands before

so you can see how my heart melts for you,
I'll keep them open so you can see what my soul
holds just for you.

and let's just be at peace,
you truly are my only love and the only one I want
and I'll forever be your man.
So my dear come snuggle up

wrap you up within my arms stroking your hair
and rub your back while I say I love you Kira

because you are my sweet Angel dove.

Michael P. McParland

Missing You So Very Much

Right now my dear I'm aching so deep
as I am missing you so very much,
I'm tired and yearning for your tender touch
and to just hold you hearing your Angelic voice.
I love you so deeply and miss you so much
I'm now going to lay down to dream of you
in all of your beautiful grace.
Feel me beside you as I wrap up in my warmth
and feel all of my love as in spirit I hold you so close.

Michael P. McParland

Dreams Of You

As I now rise from another stretch
of restless sleep I still feel so very tired
but I am still wearing a smile
because of you my sweet precious darling.
As I lay here through these last hours
mostly half awake to fairly deep drifting
I dreamed of you in all of your beauty.
Do you have any idea how my heart melts
for you my sweet treasured Angel?
I hope that I am doing a good job of letting you know
and I want to be with you to show it in full.

My heart though is still aching in its
longing and yearning to hold you tightly
as I gaze into your eyes so bright and sparkling
as well as be filled with warmth
by the most beautiful smile God ever created.
I miss you badly and just want to kiss you
as I dry your tears and reassure you
that I'll always stand by you and hold your
soft loving hand fully supporting you.
Dreams of you fill my heart head and soul
because you're all I want through all of time.

I love you sweet lady and am longing for your company
to share all of our loves and hobbies
as well as our lives and love for each other,
my heart is your because you're amazing
and it overflows with true caring love and tenderness.
I love you, I love you, I love you, I love you,
I am dreaming and yearning to be holding you.
You are my soul mate, my hero, my best friend so adorable
and my heart sings to you all of my favorite love songs.
Please come so soon so you can feel it
as it continues to beat for you my sweet Angel.
Please return soon so I can give you
all my love as we both so desire.

So as I now rise from my restless bout of sleeping

I still feel so warm because I feel you darling,
I dreamed of you and all of your beauty
and I can attest and swear in full truth
that I know completely that I'll always love you,
and I promise in full that I'll never leave you.
To me you truly are a dream in real life
sent straight from heaven,
a blessing and gift I thank both you and God for.
I truly cherish and adore you my sweet Queen so amazing
and you are my shining star whom I love more than anything.

Michael P. McParland

Morning Time Snuggles With Kisses

Good morning to you my sweet Angel dove
how I wish you were here to kiss and hold,
I didn't sleep well I was very restless
and I wish you were with me to rest and snuggle,
to just lay back with me here in
what would be our bed talking and drifting
in and out of good sleep.
Morning time snuggles with my lady so sweet
would be the greatest thing ever to me.

First though I'd get up and make you your coffee
so you could sip on it while we just sat back for awhile.
You curled up in my arms while we were talking
and sharing our time which would be so very special,
I would just gaze into your eyes and say Kira I love you.
You are so darling and truly amazing
and I would give anything to be holding and kissing
my sweet divine Angel.
Oh my dear lady you are my everything,
my best friend, my Queen, my hero and soul mate,

to be with my Angel who is everything.
I just want to give you all of who I am
and give you the very best of everything I have.

You truly are so beautiful
and I want you to know it's true,

because of your golden soul and heart,
to me your beauty always shined through
because you reached out right away
and touched my soul and heart.
You truly are so beautiful and my Angel true,
I will give you myself in free will and full
through the rest of time.

My Most Beloved One

Sweet darling you are my most beloved
and special one,
while I was out on a few errands
I thought of you and wished you were there
to hold hands and spend time with my
Angel best friend.
You truly are my most beloved one.

Now as I am about to cook dinner
I dream of you and wear a smile,
I still as ever feel deep longing within me
to be able to share a good meal with my lady.
Then later spending the evening
having a fun time together.
You are my sweet one and all I desire,
Kira I love you with eternal passion and caring.

I don't really remember specifics
but just that we were together
and it was so very wonderful.
You are an Angel from heaven
and the Queen I adore,
in the rough a true diamond.
I love you sweet lady
and dream of you always
just awaiting the day
I can hold you forever,
Kira sweet darling you are adorable.

Goodnight My Sweet Darling Everything

Goodnight my sweet darling everything
and as I lay down with an aching heart
please come join me now.
To snuggle and give each other warmth
as we smile and sweetly kiss,
please come curl up in my arms to talk
for a short bit before we go to sleep.
You are my sweet one and everything,
please my sweet Angel come be with me.

Please come my sweet Kira and curl up with me
so I can deeply kiss you before I
wrap you up so tight and loving within my arms,
then just rest your head on my chest
so I can tell you how much I love you
while gently rubbing your back and stroking your hair,
then I'll read to you darling
just reassuring you I'm with you as forever
I promise will always be,
you truly are my beautiful lady and everything.
So my sweet one come curl up with me
giving your best friend and man the greatest gift
that I could want which is you with me here.

I'll see you tonight my sweet love
in the land of precious dream
and being with you is what is precious my dear.
Tonight a walk through many landscapes
as each moment we go where our hearts want.
The moon and stars, the rolling green fields,
to our tree by the river to snuggle underneath.
I will hold you so tightly and tell you I love you,
that I so miss my most beloved and treasured
diamond Angel from heaven.
I'll see you tonight my sweet Queen so amazing.

Goodnight my sweet darling everything

and snuggle so tightly to soothingly heal

our hearts which are aching so badly.

A Sweet Evening With My Sweet

After a long day of sleeping
and just sadly dragging
I want nothing more than with you
the sweetest, funnest, and softest of evenings,
To be with you only spending time
snuggling, kissing, talking, reading,
and watching movies as we spent time together.
A sweet evening with my only sweet lady
is what I am longing for and so deeply yearning.

A sweet beautiful evening where I could just hold you
after we've both enjoyed a dinner I cook you,
a savory treat for my favorite girl,
an Angel from heaven I'm so blessed to know,
having her love is the greatest there is.
Just holding you tightly as you hold me back dear
is everything that this man is wanting and needing.
A beautiful evening with my beautiful lady
whom I'll never leave or abandon.

A sweet evening my sweet one to just be with each other
cherishing the love that we so deeply feel and give to another.
I love you my dear one and ache for your presence
to share so many beautiful hours together.
I dream of this sweet evening because I feel you so near me
and it helps get me through till our dream has come true.
I send you sweet kisses to tell you I love you
and so you can share this sweet dream too.
Feel me beside you as I pull you in dear
and close your sweet eyes to see my big smile.

I love you my sweet one and can't wait
for our evenings so filled with love
as we spend time holding and kissing each other.
I can't wait to be with you as look
into your eyes and say Kira I love you.
So I dream of a sweet evening with you my sweet Angel
because you help lift me up and get through it all.

Michael P. McParland

Late Night Longings

Lying here darling filled with such
deep and desiring longing,
the same as the longing in days
where I just want you so near to me.
To just hold you so close while I let you know
that you are the best and all I want,
to have you so near and say I love you dear
as I look at you and kiss you deeply from
heart and spirit in full.
I lay here my dear and am truly filled
with deep late night longings and want
to have you here wrapped up with me.

So feel me so near as I reach out to you
to hold you so close and snuggle so dear.
Just rest your head on my chest
and please rub my aching tummy as I
rub your back and stroke your hair.
I love you so much and want only you
for the beautiful diamond you are
for your heart soul and love are so very pure,
I just want to give you all that I am.
I feel such late night longings for you love
because you are my one,
my Angel, my light, my Queen, my best friend
and all that I'll ever want in my life for all time.

Michael P. McParland

You Are Everything 2

Sweet one you truly are my everything
and as I sit here into the late hours
of this night listening to music I love
I dream of you my sweet Kira whom I love
more than anything and would give it all
to have you here right by my side spending time.
You are my only one and everything,
you're all I need and all I want
as I fight through each day praying for you in every way.

Sweet one you are my everything because
your spirit speaks and sings to me.
I can feel you near and back when I could
feel your heavenly glow as you were next to me.
I knew as I looked at you I was gazing upon
the most beautiful and sexy girl
that I would ever see so I had to stare,
my heart ached so bad to take you in my arms
as I saw the love you craved and how I craved
to just feel you next to me.
You have always been my everything
and I just want to be with you holding you so very near
letting you know your Michael's there and that I care.

You are my everything and you mean so much to me,
I love you more and more with all the time
that has come and has gone and I will
continue you to love you through the all of time.
You are my one and an Angel who I've been blessed
to have known and received your love.
You are my shining star whom I'm in awe
and I love you so much I want to be with you
through every place and all time as your only one my love.

Michael P. McParland

More Than You Can Know 3

Oh my sweet one how I truly love you so,
and even if you may not believe It
I am worried about you and all you're going through.
I truly love you more than anything
and that's a large part of why in many ways
I have come so apart and feel sad so very much.
You are my Angel and my one,
you're the only one I want by my side forevermore.

I love you more than now through this way
you can possibly know my sweet Angel dove.
I'm done and tired of sharing all in my heart
with this site and the world to know.
These words of heart and soul felt love
are meant for you and I want the world to know
that you're my love but so much is only yours.
I love you dear you are my one
and my heart aches so bad without Kira my best friend.

Kira I love you more than right now you can know
just as you love me more than we can see
through the Internets many confusing things.
I love you so much that I would give my life
for just one special night of holding you and spending time.
I don't say romantic things just to be a fool
or be sweet like some harlequin book,
what I say to you I mean in true and feel it
through my being in every way
and I know you feel and know everything I say is true.
I love you babe you're all I need
and I just want to share with you everything I have and hold.

Michael P. McParland

from my detective book which is getting very exciting,

and evening in each others arms feeling content at last.

and I'd give it all to be with you.

Michael P. McParland

Wanting You Here

I'm just wanting you here to be with me
so I can hold you as we spend time having fun.
Ohio State has their spring game in just
less than an hour and though it's nothing more
than a glorified scrimmage I'd love to be with you
as we watched it together.
I miss you my darling and long for your snuggles
as I enjoy your company and always work hard
to give you the very best of me
even when I'm feeling sad and just need your caring.
I'm just wanting you here to spend a beautiful Saturday.

I'm just sitting here silent after a calm
refreshing shower and I just want you here
to drift off with as you sit beside me.
I'm tired and lonely and just want to see you
being with you and smiling as we do what we do.
To read and watch movies and just get some good rest in
and then later share some of your hobbies
because I so long and need to share them with you.
I'm just wanting my lady who I love so deeply
because you are my everything and it is so sad without you.

Michael P. McParland

My Dear Best Friend

Oh my most beloved and dear best friend
may God bless you to feel me there
by your side as in spirit I hold you close
giving the sweetest kisses with all my love and warmth.
You are my only one and everything,

here with my side by side and hand in hand
through all eternities time as two people
deeply and unconditionally in love like we are.
I love you my dear best friend and always will
because you're the only Angel I'll ever want and need.

Oh my dear best friend do you remember
like I 17 years ago tonight as kids
that fun and wonderful night we spent together?
We never declared it a date because we
were to shy and it was just a school thing,
but a date I guess it was,
and on that night I knew with no doubt
what I had already suspected,
that you were cemented in steel in my heart
and that I'd love you forever no matter what.
I knew at 15 for sure you were the one for me
and I've been yours since that date.
God bless you my best friend because you're
the greatest Angel Queen any man could ever
pray to know and have.

So my dear and most beloved best friend
you will always be treasured, adored,
cherished, and my gorgeous hero to no end,
you truly are my everything whom I'll never leave
because I just want to hold and kiss you
through all time to no end forever being
your Angel, King, and hero as well.
We're two best friends so in love
and it hurts like hell to be away from you.
I love you babe you're my best friend
and in my eyes the most perfectly beautiful woman

that there is anywhere.
I just want to give you all I have
and forever be your perfect man.

My sweet dear and best friend I so adore
I do have my flaws just like all
but you know I'll always give my best to those I love,
and I love you more than anyone in this world can know,
you are the most precious jewel that
I have ever seen or felt inside and you know
the sense of feel I hold in me.
You're all I want and all I want to forever hold
within my arms to sweetly kiss and give my love.
You're my best friend and only love
and I pray and ask that you'll return oh so soon
so we can dry each others tears and heal our hearts
which are so filled with care for the one we
both consider our best friend and true love
through a bond so blessed and strong that
it can't be broken but by us two
and I know we both feel so strong we deep down
don't ever want to see it go.

Hurting Bad For You

Sitting here dreaming of you my sweet girl
and hurting so bad to hold you near.
I know you love me just as I so love you
and that's why I want all to be perfect
for best friends like me and you.
I love you so much with all of my heart and soul,
I just want to be perfect for you my only one.
I so adore you and you're so beautiful
I'm just hurting so bad for you my sweet one
to be here in my arms and giving you my best and all.

I'm hurting for you my sweet Kira
because I know you are hurting and lonely,
I would give anything to help stop your heart from aching
while I held you so close saying I love you baby.
I hope you know why I hurt for you darling,
it is because I'm so filled with tenderness,
caring, and true love for my Angel,
I just want to be with you giving caresses
and sweet kisses while we tightly snuggle.
Kira you are my Queen and only desired lady.
I love you sweet woman and hurt for you badly,
in so many ways that right here I can't even describe them.
Just know in your heart that I love you
unconditionally and madly.

So my Kira know that I'm with you
and always remember that I'll never leave you.
Hear my hearts call as it sings out to you
all of my favorite love songs in joy and sweet beauty.
Kira I hurt for you because you are my lady,
and I treasure you as a rare precious diamond
whose beauty is great and fine and makes my
heart ache with great admiration and loving.
Kira you are the greatest and I want
to be holding you tighter than anything.
I love you sweet lady and don't ever forget that
because I want to marry you to give you
the greatest love and attention that you

have always been so deserving.

To Have And To Hold 3

Good afternoon to you my sweet love
and I wish so bed that I could be with you
holding you near to help you stop being mad
and to prove to you as I'm always trying
to show you just how much I love you
and how much I care.
To have and to hold you so near to me
is what my heart longs for and I so badly need.
Kira my darling why won't you stop being angry at me
when I give everything that I have within me?
I love you so deeply and love you like mad.
You're all that I want in heaven or on earth.

You're the one that I dream of and want by my side
and I just want you in my life each day through all time,
to hold and to kiss as I gaze upon you while I say
Kira I love you and adore you in full.
You are my everything and my precious girl
and I just want you to have and to hold
to show you how great that you are and your worth in full,
I just want to share all my love completely and in full.
God bless you my girl and know that I'm so in love,
now feel all of my warmth as I reach out to you.
I'm forever by your side and holding your hand
so please don't ever forget that I'm here for you
and only your man.

Michael P. McParland

Love Note 437

Good afternoon my sweet Angel dove
and I've been dreaming of you
as I've gone about doing things
for my moms birthday this this day
wishing you and your kids were right here
to enjoy and celebrate,
to enjoy the meal that I make
and perhaps later snuggle
as we watched one of the movies
that my mom will be getting on her special day.
How I wish you were here my special girl
to be with as I kiss and hold
just spending time feeling so good.

I'm sorry sweet one as I still
have much to do so cannot write long,
I wanted to stop in though and say
babe I so deeply love you
and would give anything to right now be with you.
God bless your heart and sweet precious soul
so you'll feel me there right beside you.
I love you so much and will always be yours,
Kira my love you are so perfect
and gorgeously good.

Michael P. McParland

Sitting Here Wishing For You

Sitting here darling eating a sandwich
while I drink my beer but you know
it comes from a sober heart and soul
when I say I love you so much
and miss you so bad,
I would give anything to be with you now.
To hug and to kiss while we spent such beautiful time,
Kira I'm sitting here sending you kisses
and wishing you were here right by my side
to see smile while I held you and cuddles so hard.

Today is so special in that it is my mothers birthday
and to have you here so I could be with my two
favorite and important women would be so very special.
Kira you are so loved and so very welcome
I so wish you were here with your kids to make this day
as all others so super special.
I love you sweet lady and long to be with you,
I crave your touch and sweet looks my gorgeous Angel.
So I sit here just dreaming of my Kira
so truly beautiful and Amazing wishing I could
be holding you ever so tightly while we talk
and I so sweetly kiss you on your lips looking into your eyes.

So my sweet Kira please don't feel hurt, worried,
angry or for any reason abandoned because
I dream of you always and will never leave you,
I sit here now with my beer and my sandwich
and wish that we could be sharing all of
this time together,
you know it is a sober heart and soul
that say you are my diamond and I love you Queen Angel,
I long for you deeply and I miss you so badly.
Feel my arms around you as I reach out to hold you
and never forget your Michael is right there beside you
more in love with you than ever my sweet precious Kira.

Michael P. McParland

Hard Days Without You

These are such hard days without my sweet love.
The hardest ever oh my one as I spend now
endless time in bed missing you so bad
and wish you were here within my arms,
longing to snuggle and so tightly cuddle
as I say sweet sweet Kira I so deeply love you
and want to be with you forever and ever.
I miss you babe and lay here somber
just trying not to go mad from sadness
in the hardest days without my Angel.

I know our day will come but this time alone
is so very painful and very hard when all I want
is to be with you and talk along,
it is so hard when all I want is my only one
to hold so close and kiss so sweet.
I miss you babe and love you deep
and want you to know you truly are my everything.
I love you dear and always will,
I'm struggling so very hard without you here
to give my smile and all my time as we share
everything we love and need within this world.

Kira these truly are the hardest days
without you here to hold right next to me.
Yes I feel you in spirit babe but I want you
here in person to look at me as we touch
and both say I truly love you more than anything,
these are such hard days being without you babe.
So as I just lay down again remember that
I'm never leaving you and will forever
be right here for you no matter what no matter when.
I love you so very much and eagerly wait your return.
I know you love me just as much and I know
you are hurting on the same scale.
Never forget that I'm yours alone and my arms
are around you wherever you may go.

Michael P. McParland

Please my sweet Kira come snuggle with me
and let's spend some god time resting
and enjoying such fun things that we love.
Please come Kira my sweet one and snuggle
with your proudly loving Michael.

Please my sweet one come and snuggle up
as I want to just hold you so tight
and share my audio books while we rest,
I can't really talk because the sores are so bad
but I'd love to just sit and hear you my dear
because you are my most beautiful Queen.
Please come and snuggle because you are a treasure
and I adore you my hero you're so truly wonderful.

So my sweet Kira please come and snuggle
and show your Michael that shining smile,
just lay with me darling and I will hold you so tightly
and show you my truths while I gaze at you deeply,
we won't need words to say I love you baby
because we never did as we said it with looks only.
Please come and snuggle my Angel so wonderful
because I love you and miss you and I just want
to lay here kissing you sweetly while I tightly hold you.

ILYF and ever KP

Love Note 436

A very good late morning to you
my sweet Angel so very beautiful
and truly good I love you so much
and miss you so bad and I wish you
were here with me to snuggle this day away.
I wish you were here to sweetly kiss
while I held you so close the entire day.

Right now my sweet love I still plan
to just lay here still resting from being weary
and dreaming of you my sweet Kira.
I'm still exhausted and my head is feeling
quite fuzzy from being so tired.
I wrote though because I wanted
to tell you I love you and wish I could hold you,
I want to be with just feeling your soft touch
and kisses so tender and caring.
I can feel you in spirit though dear
and I thank you for that is helping.

So as I'm sure you can see
my thoughts are not the clearest my dear
and I just need to continue to sleep.
remember though my sweet lady that
I so deeply love you and want you
to be here in my arms snuggling tightly,
feel me beside you holding you
and kissing sweetly.
Have a great day my dear darling
and I will try hard to write later my lady.
I just hope that you know how truly deeply
I love you and want you to be here with me
snuggling and spending each day
side by side hand in hand.
I am serious sweet Kira
you are my everything and I am so
completely in love with you my sweet lady.

Michael P. McParland

Oh My Most Beloved Kira

A very beautiful and warm loving
good Sunday morning to you sweet Kira
my most treasured and beloved sweet Angel dove.
I apologize my sweet one for this
will be a shorter message but I truly am
so weary and exhausted as I truly have slept
only a few hours in many days now
and did spend many hours this morning crying.
I miss you so much and I'm here to tell you
I love you and want you here to snuggle with me
as I close my eyes and listen to a very special
audio book to help receive peace from another source
to help me relax and be at peace and I hope
you wouldn't mind listening to it with me.
The Book of Mormon on tape as you know that's what I am
and I need the peace of Gods word
with my lady held tight in my arms as we sweetly kiss
and smile at each other and say I love you babe
I always will, Kira you are my Angel please
snuggle up with me and feel the joy that we both
give to each other in every way.

I love you sweet Kira and want you to come
snuggle with me because you are the greatest
and my most beloved and I just want to be with you
giving all of my love to you my sweet Queen
and receiving yours.
I love you my sweet one and as I am
quickly fading I want you to know you are amazing.

Michael P. McParland

Please Just Love And Hold Me (I Try My Best)

Please just love me purely and sweetly
just like I know that you do true
and unconditionally just as I do you,
you are such a true gift and your love
is what is still giving me hope and keeping me going.
We are true loves and best friends
and for you I truly always try my best
because you are my only one and all that I want.
Please just hold me so close as I hold you back
because we need each other in countless ways.
How can one ever truly feel complete without
their Angel that gives light and makes everything beautiful.
I just want to spend eternity with you
my sweet Queen giving you all of my love
with everything that you want and need.
Kira without you there is so little color, hope,
true happiness, or reason at all.
Please just love me like I know you do
and come hold me close.

Please just love me and tell me everything
within you as you hold me close and I plan to do the same.
Please stop being angry over things
you know I'm so sorry and devastated for,
it's hurting both of us babe and when we finally talk
I know we will work it through because
we so love each other and do have understanding,
please just love me with that golden heart of yours
like I know you do and just hold me so close,
I promise I am trying my best for my sweet girl,
I would give anything to be with you
snuggling so tight on what's been a difficult night
having a hard time fighting back tears of stress
and deep loneliness missing my Kira so bad
I just want us side by side hand in hand everyday
fighting along knowing we need not have fear
because we're right there for each other at hand.
I just want to be holding you as I tell you
how wonderful you are and how much you mean to me.

You've always been my beautiful sweet Angel dove
and you will be forever my treasured dear.

So my sweet love just remember how much I care for
and love you and that I'll always be yours
truly giving my everything and all because
you are my Queen and I just want to serve you in true love,
you're all that I need and want.
So please my sweet one just love me so
deeply and true as I know that you do
and I'll always be holding you with endless
and undying love giving my best and everything
to always make you so very happy and proud.

Needing Your Arms Around Me

It's a hard one tonight my sweet love
and I just wish you were here to be with
holding me tight within your loving arms,
so I could feel your warmth and your
loving strength right beside me.
It's a tough one sweet love and I'm
needing your sweet loving arms around me
because you are just what I need
and even more so want right here and now.
I need you my dear because I love you so much
and you are my rock in countless ways,
you are my diamond in the rough and sweet Angel,
I adore and treasure you because there truly is
no other I crave for to have at my side
and be with forever and ever.
I so wish you were here to curl up beside me
as we snuggled and shared sweet and warm
reassuring kisses and conversation.
It is you and your arms around me
I am in need of because you are true peace to me
and so very beautiful in every way.
You are my Kira and everything
so truly know and feel through all of your heart and soul
all of the true tender love I hold for you
as my heart calls to you telling you
as ever that I am your Michael and yours alone
forevermore and I can't wait to be holding you closely
and kissing you so sweetly as our eyes
and smiles say everything of our love
without one word needed be spoken.

A Comforting Saturday In Bed With You

I love you sweet one and how I miss you
so very much as I long to see you,
hold you, and hear you sweet Angelic voice
and as I sit here feeling so worn out
I couldn't help but think with a smile
how perfect this Saturday would be
spent with you and just you as we stayed in bed
just relaxing and resting while spending time,
not all sleeping by any means but enjoying
sweet time together while being able to forget
the worlds troubles for a short while.
I'm so very weary and would love to spend
a beautiful Saturday in bed with you while
we so sweetly kiss and tightly snuggle.

I just dream of wonderful comforting hours
of being with you while talking, reading,
quietly resting while smiling
and watching some good movies while
I give you sweet kisses and warm snuggles
with a massage to help ease the pain in your body.
A beautiful comforting Saturday in bed with you
for me would truly be heaven.
I love you my sweet precious Angel
and send you sweet kisses to give you sweet comfort
and to share this dream as well to cheer you up.
Please dream and smile of this with me my sweet love
for one day so soon it will be actual truth.
A comforting Saturday spent in bed
just me and you.

I truly love you sweet one so very much
it overflows from my soul and heart
and how I miss you with with every part
of my body and soul,
you are my dove and sweet diamond I love,
adore, treasure and cherish above all else,
you are my Kira plain and simple my beautiful woman
who's a true gift and blessing.

So I dream of this Saturday in bed beside you
as we just escape into our own world
which is only ours and no other will ever understand,
our bond of true love and being best friends is so very strong.
God bless you my darling always I love you so deeply
feel my arms around you as I reach out to hold you
and feel comforting peace fill you up
as I am with you now and will be holding you even tighter today
so in spirit we can share a beautiful and comforting Saturday
feeling surrounded in our shared true loving warmth.

Hello my sweet dear
and a very warm and loving
good night to you as I send you
sweet kisses and big hugs overflowing
with all of my loving care and deep warmth,
I am with you my dear holding you
ever so close,

right here and now and through the following days,
but on a night so truly weary
and exhausted I just want you here to
talk to and spend time with.
Just being with you is all the comfort
I want and need my sweet Angel dove.

So my sweet dear I just wanted to drop in
and tell you I'm right by your side
holding you and your hand ever so tight.
I'm sorry my sweet Angel of light
as my mind is just too spent and tired
to think of things to say in a coherent way,
so remember I love you sweet Kira
and will always stand by you.
You are my best friend, my soul mate,
my hero and everything that makes
life and the world beautiful.

Michael P. McParland

A Tired Day Wanting My Babe

Good afternoon my sweet one
and I hope you have felt all of
my warmth and love I've sent to you,
I'm with you always because you are my one
and all I'll ever need and want.
You are my gorgeous diamond in the rough
and my better half,
you complete me sweet one and without you
I feel so very lost.

It's been a tired day and I can't quite
shake this malaise that hangs over me today.
I at least received a reprieve in one way though
as the vinyl copy of Falcos album Eizelhaft
I ordered a little under a week ago was delivered today.
So here I now play it and wish you were here
to listen with me and spend the day.
It's been a tired one love and I just want
you here in my arms to talk and spend time.

So my sweet love I sit here feeling tired,
dull, lost, and I just want you here by my side,
not to fix all my problems because I'd never expect
or want that but to just have you here
to talk to and be with being able to forget
the rest of the world for a bit of time
as I snuggle up with my Angel Queen.
I so truly love and miss you and will
always be here and right there beside you.
You are amazing and everything I find
perfect and beautiful to make life fulfilling.

Michael P. McParland

A Snuggle Of Sleep

as we kiss so very sweetly.
Come my sweet one and share a deep warming snuggle
of comforting loving sleep.
Sweet one come be with me because I love you so much.

Come my sweet Kira I am so in need of you
and from the love that I feel as with you gone
a piece of me is missing as well.
So come rest you sweet precious head upon
my proud loving chest and curl up in my arms
for a snuggle of sleep.
Let me just hold you so tight as I stroke your hair
and rub your back while I softly speak
telling you of all of my love and reassuring you
that I will be by your side for all time as your only one,
I'll forever be an Angel and hero to my only one
because to me you are the universe and my world
and there isn't anything I wouldn't do
to make you happy and feel fulfilled.

So my sweet one come snuggle up
and let's catch some peaceful and loving sleep

we have true love which we both give and receive
and we have such a gift the bond that we share.
Goodnight my sweet Kira I love you so deeply
so please come and join me for sweet kisses,
snuggling, and being surrounded in each others
loving warmth while we are sleeping.

Michael P. McParland

Night Note 164

A very good night to you
my sweet Angel dove
and I wanted to tell you
I love you and I wish you were here.
To spend time and snuggle
and so I could see you smile,
I miss you my darling
and I want to hold you.

I just wish you were here
to spend time with me
as I first jump in the shower
to be fresh for my girl,
you joining me would be even better
as we just sweetly kissed and smiled
as we so tightly held each other.
Then afterwards we would be able
to just lay back and so
lovingly snuggle as we went about
doing such wonderful things together
which we would decide as we went along
my sweet precious lady.

So before I go about
a cleansing and refreshing shower
I just wanted to tell you
I so truly love you and miss you.
I will be dreaming of holding you
and seeing your smile as I sweetly kiss you
as well as all the wonderful things
we would do together spending time after.
Remember sweet lady that I am your Michael

I'm sending you sweet kisses
and hugs so big filled with my
love and warmth to wrap you up and fill you.
I love you sweet lady and am right there beside you
now feel as I tightly wrap
my loving and caring arms around you.

Michael P. McParland

Late Evening Snuggles

Here I sit now my gorgeous Angel so true
after a needed but restless nap full of bad dreams.
Now as I sit here it is of you that I dream
snuggling so tightly as we kiss oh so sweet,
Kira I wish I were with you to spend time and talk
while we snuggle on this late evening
surrounded and basking in the warmth
from our true and shared unconditional love.
I wish I were sharing sweet evening snuggles with you.

I send you sweet kisses to let you know that I'm here
and that I love you more than ever my only one.
I send you sweet kisses with the biggest of hugs
to reassure you I care and am always worried
and concerned over my gorgeous girl.
I wish I were with you to know you're okay
and so I could hold you to me and tell you it is.
Late evening snuggles with my lady so rare
are everything like her that is beautiful in the world.

I want late evening snuggles with you so soon dear
so we can sit and read, listen to music,
talk away like we used to, watch some TV and great movies,
and I'll cook you good food because you deserve
the ultimate Queens treatment being shown your worth
and giving you the ultimate comfort.
Knowing that soon I'll have
late evening snuggles with my only Kira
is so very much of what keeps me going.
She is my heart and why it's still beating,
a rare diamond in the rough so beautiful and loving.

I wish you were here for some late evening snuggles
to read with me my book, one that I have been waiting for a bit.
It's been one of my very favorite crime series novels
by a favorite author I discovered
in the last 3 or 4 years my sweet precious darling.
I've already started but would start again
because I want you to get all the joy from it I do.

That would be just part of our late evening snuggles
which I will be dreaming of as I go about reading.

Oh my sweet love as I sit here now
I truly long to hold you and just touch
your soft skin as I caress your cheek
and say I love you babe as into your gorgeous
sparkling eyes I gaze,
God bless you I'd say and have not a worry
or fear because I'll always be with you my dear.
The I would pull you in so we could begin
sharing our delightful late evening snuggle,
a time where I could and would just sit and hold you
as long as we both so very needed and wanted.
Remember sweet Kira that I so truly love you
and I will forever be only your Michael
and I am here waiting for when you are ready.

Michael P. McParland

Love Note 435

A good late afternoon
to you my sweet Angel dove
and I send you the sweetest of kisses
straight from my unconditionally
caring, loving heart and soul.
God bless you my Kira I love you so much
and am dreaming of holding you
so very close.

It was a day once again
of very restless sleep
and at a point very awful nightmares,
but as ever I felt you near
helping to make it all better again,
as also at those points
of very light wake I thought of you
and reached out for both of our hearts.
Kira you are my Angel
and so very special and I can't wait
to be with you forever and ever.

So arriving home after picking up
a prescription I need
I want to say I love you babe
and wish you were here to snuggle with me.
I feel so very weary in many ways
with all the meh sleeping
and I feel so weary from missing my baby,
I just want to be holding you as we
are talking and so sweetly kissing
as we also just spend time together
sharing everything we love and that matters.
So as I sit back now to read my book
for awhile and relax I'll be dreaming of you
my most wonderful girl.
I love you and am with you there
holding you close and kissing you deep,
remember sweet love that I am your man
and I am here waiting and holding your hand.

Michael P. McParland

Come Snuggle Up 2

Come snuggle up with me sweet love
and spend the night in each others arms.
First just talk and kiss before
we sit and snuggle tight while we watch a film.
Then as the night goes we will together
sweetly kiss as we drift off and fall asleep
in each others unconditionally loving arms.
Oh my sweet come snuggle up so your Michael
can let you know just how much you are
truly cared for and deeply loved.

Oh my sweet and beautiful Kira
come snuggle up so very tightly
and I'll just rub your back and stroke your hair
as we sit and talk so very softly.
I feel so very weary and soon may need
a wink or two to clear me of this sleepy feeling
and I want nothing more than to have you near me.
To feel your soft skin as you're gently breathing
and be in heaven as I listen to the Angelic voice
of my one and only gorgeous lady.
Kira please come snuggle with me because I need you
my true love and beloved Angel.

So sweet one come snuggle up and let me
just sweetly kiss you as I hold you close,
I want to have you near to me as I go through
each and every night and day,
I want you now to just gaze at so deep
as I say Kira I love you so much
and you're everything I'll ever need and want.
So my dear come snuggle up and let your
Michael show you in all ways I can
all the love I hold for you.

Michael P. McParland

Night Note 163

Hello my sweet love
and a very good night to you
my most beautiful and precious one,
I'm sorry you didn't hear from me
for so very long but I spent
the whole day in bed sleeping
somewhat well through apart
so I wanted to catch up on
somewhat peaceful sleep and the rest
so in half waking I could see
your beautiful face and spend time
with you as I kissed you so sweet
and saw you smiling,
and the other part just to forget
for a good while the stresses of the world.
And my sweet darling can you blame me
or get upset for the parts where I just
want to lay there and dream of my Angel
so great and fair?
God bless you my dear you are
the greatest and ever so rare.

I hope that your day went quite fine
and that you remembered that
I'm always with you my Queen so divine,
I'm always sending you kisses so sweet
as I hold you so tight to keep you
warm and knowing your loved,
I pray that you always remember
that I'll never leave you
because you truly are my only one and my everything.
I want to be with you by your side
through all eternity.

So my sweet dear I have spent a little while
getting myself going and moving
and as I am about to jump into a refreshing
and cleansing shower I wish you were here
to join me as we held each other

under the soothing water kissing and smiling,
I would just love to hold you
as we talked and I told you I loved you
and how thankful I am for your great
and true loving,
I would like so much to kiss you and make you smile.

So please excuse me my dear as I so soon
go do that and I will write you
a while after I have gotten out and relaxed.
Remember that your Michael loves you
and would give anything to
right now be with you
and feel all of my love and warmth
with these sweet kisses and huge hugs
I have just and only for you.

Michael P. McParland

and I send you sweet bedtime kisses
to say Kira I love you my Angel and you truly are

Cat Nap Dreams Of You 2

Still feeling so very tired dear
and plagued by much anxieties, stresses, and fears
I laid down to sleep a bit and lighten
up all the burden that they put,
I laid down to take a nap and dreamed
of you my only one.
I dreamed of you my beautiful one
and all the light you bring.
I dreamed of beautiful you my sweet girl
to help beautify and lighten my heart,
soul, and entire world.

and happily smiling as we snuggled so very close
and we sweetly kissed.
I dreamt of spending time as we just talked along,
all that really matters is that I dreamt of you

are still there to be resolved
they are lighter and I feel better because of you.

with your hugs and kisses here,
I just want to say thank you babe and I love you so very dear.

and only you through all eternity,
I make no secret of that to anybody
because you are my soul mate and Angel,
my best friend and hero
to whom I give myself in full.
Please sweet one return so soon
so your loving adoring Michael
can hold you and heal our hurt hearts
as we need to with only each other,
the ones who hold the key to get through
such thick walls to the tenderness
inside we want so bad to share
with each other forevermore.

Kira my sweet one I sit here
just feeling so lonely without you
and want you to hold me too.
Do you know how bad I need your touch
as you hold me close?
You are the greatest and my everything
and I thank God everyday for you
my sweet blessed Queen
and I want to be with you through
all eternity.
I want to be with you spending time
because you are the worlds beauty
and pure joy.
Oh my sweet sweet Kira
hear your Michaels call and know

that I want only you through all time.

So remember my precious girl
I'm with you now as I always am
and am holding your sweet loving
soft hand in mine as I pull you in,
I'll never leave you my only one
because you're all I need and want forevermore.
So remember love that as I sit here tonight
I dream of holding you and kissing you sweet,
feel all of my warmth and love
as I send it your way,
close your sweet eyes to see my big
loving smile just for you
and know I am waiting no matter what my dear.
I love you so much and can't wait
to have your hand and you here
within my loving arms as we spend each
night and day in true loving bliss
giving each other every last bit
of ourselves and what we have.

A Sad Sunday Night

It's such a sad Sunday night my sweet one
as I sit here longing for your touch.
I am feeling tired as I suffer through bad sleep
and I wish you were here your arms wrapped around me
as you rubbed my face and head telling me
everything will be okay.
It's a sad Sunday night my sweet Kira
for so very many things weigh on me right now,
but most of all the fact is that I am missing you.

It's such a sad Sunday night as I just want
you in my arms telling you I love you
and that you make the whole world right,
to kiss you so sweetly and ever so deeply
as I look into your gorgeous eyes
and let you know you are the worlds beauty.
I love you my sweet Kira and I wish
that I were with you as we held each other
making this night truly beautiful.

I miss you my sweet darling and at a time
when over so much I am stressing
I need your embrace and sweet smile more than ever,
you are such an Angel and my pure hearts desire
and I truly want nothing more than
to be with you forever and ever my sweet soul mate and hero.
So feel me there beside you as I reach out
to give you such sweet kisses and hugs so warming
and never forget your Michael loves you.
God bless you my sweet darling and I will be dreaming
of you to help me through these struggles.
I love you Kira and will always be right here waiting
because you are my only one and beloved gorgeous darling.

while lightly caressing and touching.

as we spend time with our true love and best friend

you are my Angel and blessed everything.

Oh my sweet Kira after a day of bad sleep
filled with bothersome night mares

of holding each other spending time
while we are talking and so sweetly kissing.
I love you sweet Kira and always remember

you are my Kira the greatest of all
and I send you sweet kisses
to let you know I wish you were here

I have been up for a short while now
but before I wrote I wanted to eat
a bit of food while I read my book,
I almost started crying as I sat
in the dark and read through my book,
I barely held back the tears
as they started to hit
because my eyes are already weary and scratchy.
I miss you my Kira and want to
spend this night in the dark snuggling tightly
as we watch some TV and read
out loud to each other,
I miss you my Kira because I so love you,
I want you here for endless
snuggles and nuzzles.

I love you sweet Kira and feel
my arms around you as I hold you
and kiss you,
know that your Michael is always with you.

A very early good morning to you

I so adore you and want to be snuggling
as we talked and rested
during this early morning.

It is so hard to get up
right now and face the day
when I don't have my baby to talk to at least,
your words and sweet spirit were
always encouraging and refreshing
and I would give anything
for us to at least be typing as we caught up
as well as we talked about our bright future.
So as I lay here I will be sending
I will be sending huge hugs
and sweet kisses in droves while I sit
and dream of my Angel beautiful you.
I love you sweet Kira my Queen so amazing

I Need You (More Than You Know 3)

Babe I just miss you so very very much
and I need you so bad because you are the best,
you are a blessing and a gift,
you're my beautiful and precious best friend.
I love you sweet girl and I need you
more than you can possibly know.
I need you because you are you
my diamond in the rough so precious and rare
I just want to hold you and give you sweet kisses
while I feel your soft loving touch.

Kira I need you to come and talk to me so soon,
even if at first it's just through writing
that would be so great because I would
get your loving messages throughout each night and day
and I would be able to give mine right to you
as I want to do instead of you where the world can see.
Please sweet one come talk to me
so I can stop posting and write for you
in depth just like I want my dear,
I need you so very bad because I want to
hold you close and see you smiling.
Please understand why I just can't write here
very much anymore and know I need you
so we can share everything within our hearts and souls.

Kira I need you more than you can know
because I'm in such pain without you babe,
I have so much I want and need to share with you
and it would help you fully understand so much more
if I could explain right to you everything,
I need you dear so very bad and you can't know
right now just how much I want you near within my arms,
I need you because you are my everything
and I crave your presence here.

I need you more than you can truly know
because I have so much I want to give and share with you,
I want you to know just how much I care

and that I will give you my best and all
everyday we are here on this earth and then
in heaven walking side by side and hand in hand,
I need you more than anything because
I love you more and more as time goes on.
I need you bad because you are my one
and my shining northern star above,
I need you so much because you are
my beautiful sweet Angel dove.

Michael P. McParland

Miserable Night (Missing You)

It's such a miserable night my sweet Angel
of pure true love and everlasting light,
it's such a miserable night as most
all have been and will be until your return,
I'm missing you so very bad and just want
to have you here within my arms
as we snuggle, talk, and kiss so sweet
feeling great as one with our best friends.
I love you so my only one and it is miserable
without you here to hold
and not hearing your Angelic voice.
I want so bad to talk to you
and look in your eyes as I say
Kira I love you more and more each day
and I love you more than anything.

I've mostly just spent these days in bed
trying to escape the deep aching lonely pain
from missing you so very bad,
it is miserable without the one I love
and I long to see your smile while
I feel your sweet and soft loving touch,
I want to look in your eyes as I tell you
that you're the best and all I want
because we share such a sacred bond I'm thankful for
and I would give anything to be with you.
It is so miserable without you here
and I just want to be holding you
and kissing too.

I send you huge hugs and the sweetest kisses
with all my loving warmth to fill you up
and wrap you in the peace within it,
I want you to remember that I'll never leave you
because you are my Queen and precious diamond.
So as I again close my eyes for awhile
I reach out in spirit just to hold you
saying Kira you are the greatest and I truly love you.
Please return to me soon sweet lady

because my heart sings so loud in its cravings
to just be next to you snuggling each day while smiling.
I love you babe and the night's so miserable
without you here to rest with me
so please just know you are appreciated and truly wanted,
I'll stick with you forever my sweet gorgeous lady
because I am your Michael and you are my Angel
so truly gorgeous and very righteous.

Michael P. McParland

Love Note 434

A very good late afternoon
to you my sweet love
and don't have a fear for
I have never left you
but for good reason have stopped
writing for now,
I've had enough of those
that are rude and demeaning on here
and I feel beaten down and angered by them
as well as it is so
stressful to always write so very much.
I am not leaving though dear
please count on that because
I check in everyday to see if you wrote
and what poems you are reading my sweet,
you mean so much because you are my one
and I will never leave my Angel so good.
I will even be writing from time to time
but know I'm with you and right here
always for you my true love.

I just wanted to tell you
I love you so very much
and to not fear because my hand is in yours.
God bless you sweet Kira
my Queen supreme never forget
that your Michael's with you
and right here waiting for his special girl.

Michael P. McParland

Sweet Warm Early Morning Snuggles

Up for a short bit on this early morning
my beautiful sweet dear and I have a bit of a headache
and am still quite tired my sweet one
and how I would love to reach over and pull you in
for sweet warming snuggles so fulfilling and wholesome,
to just tenderly touch you and softly kiss you
as I then whispered Kira I love you
and close our eyes again as I gave you soft caresses
while I continued to kiss you.
How I would love to share sweet warm early morning snuggles
with my beloved and precious Angel as we drifted
for a few more hours in comfort.
Sweet Kira feel me right there beside you
as in spirit I hold you so tightly and kiss you
so loving, tender and softly whispering Kira I love you.
Feel me beside you where I am always holding you tightly
sharing sweet warm early morning snuggles and kisses
with my gorgeous best friend and Angel.

Michael P. McParland

Sleeping Next To You

As I am now about to lay down my weary head
I'll be dreaming of lying next to you
and us being in each others arms
snuggling and kissing as we smile so sweetly
and full of love at one another saying
I love you babe and want no other.
I dream of falling asleep within
each others arms wrapped up so snug
and filled with peaceful comfort by each others love.
Sleeping next to you would be a dream come true
and I send sweet kisses and big snuggles straight to you.

Kira dear I'm just so filled with love for you
and I can feel all that same love you have for me.
Feel my hand slip into yours as I pull you in
for the most wonderful snuggles while we turn in,
I know that soon as God wills we will be
sleeping side by side in each others arms
feeling oh so safe and knowing all is good.
God bless your heart of gold and your soul so pure,
remember that I'm your Michael and yours alone forevermore,
I just want to be lying here by your side
and falling asleep in the arms of the Queen I so adore.
I love you Kira so very much through and through for sure
and I will forever be here for you and by your side
because you are my only one and I want no other
because you are my gorgeous girl and everything.

Goodnight my sweet one I so cherish for just who you are
and please dream with me of falling asleep
in each others arms and feeling the safe content
we have always made each other feel.
I love you dear and just can't wait to have you here
to spend each night and day with each other
sharing everything and supporting one another through it all.
As I lay down now I dream of falling asleep
right by your side and within each others arms.
Feel all my warmth and love sweet one
as I send it to you with these sweet kisses

and warm snuggles in never ending tides of care,
I love you babe and just wrap up in its warm embrace.
I'm here for you my dear and just waiting so much
to hold you so very close.
So I wish you this sweet goodnight and know
you're in my arms and dreams as I hold you tight
and in each others arms we fall asleep.

Michael P. McParland

Pre Bedtime Kisses

Come my sweet love and curl up in my arms
to share some sweet kisses for awhile
before we head off to bed.
Let's just snuggle away while we share
some great pre bedtime kisses right now
with soft caresses so good.
Come my sweet one and sit next to me
so I can wrap you up in my arms
and kiss you as I say I love you babe,
Kira you're great, please spend all time with me
your Michael who truly wants only you
because nothing and no one else could ever do
when compared next to you and nothing can equal
all the love that you give and I feel.
Come my sweet one and share some sweet
pre bedtime kisses with me.

So please come my sweet Angel dove
and let me gaze into those eyes to relax
as I get lost the universes of loving care,
intelligence and all of the mystery you have inside you,
let me gaze into those gorgeous eyes
and confess all the tenderness in my soul
as I give you pre bedtime kisses throughout,
just curl up with your man who wants to
give you every last bit of love that I have.
Come my sweet Kira and curl up in my arms
because I love you so much and just want
to feel all of your loving warmth.

as we just spend time together before bed.
Pre bedtime kisses are such a dream
so please my sweet lady come share some with me.

Sweet Kisses To My Sweetie

On this early even I send sweet kisses
to you my dear sweetie,
sweet kisses of love and pure adoration,
sweet kisses to say I love you sweet lady.

and I send you sweetie to ask if you'll
be my sweetie forever and ever.
I send you sweet kisses because I want you and need you

Michael P. McParland

Spending Time Holding Each Other

A very good late afternoon to you my sweet girl
and though my upper jaw still hurts a bit
that will ease off in good time I am sure
so right now I wish you were here to sit with
spending time doing fun things in each others arms,
I wish you were here and your sweet kids as well
to have an early dinner my dear and then
play a fun game of Trivial Pursuit,
I just wish you were here so we could be spending time
so lovingly in each others arms.

Oh my sweet one I don't have a ton of thoughts
on just what we would do but I know we would talk
and beyond that find such wonderful things,
just as long as I'm with you and we are
in each others arms I will be happy
because I will be with my Kira so great and amazing.
Spending time in each others arms
is heaven on earth with your best friend right there,
Kira I just want to be with you through eternity
holding your hands letting you know that I care.

I just want you here by my side my sweet one
to spend time having fun and enjoyment
so tightly in each others arms,
to just kiss you and say Kira I love you
is what I am craving in every way with my lady.
Soon though my dear I know we will be there
and we will never want to stop snuggling
or stop kissing except when we're talking,
I feel you now and know of all your deep loving
and I just wish you were here in person.
God bless you my Kira and feel all of my
warmth and love as I'm right beside you.
Have faith always my lady and feel my hand
in yours as I lovingly take it
and know that your Michael loves you and treasures you deeply,
I'll always stand with you because you are my everything
and I want no other only my Kira.

Michael P. McParland

My Darling Angel

I have just returned my Angel darling
from the oral surgeon and getting my prescription.
There were a few little things that
had to be gone back over to clean up a little
and a lot of the pain is just as much
from all of the work and as I begin healing.
I thank you my sweet one for all of your strength
and your endless undying love,
as always it has helped me immensely my love,
you truly are my everything and above all
my hero best friend.
Kira you are the greatest and you need to know that,
your Michael loves you so very much
and I'll always stick with you because I am all yours.

I just want to say thank you my darling Angel
again for everything and as I know sit back
to let the pain meds go to work
I'll be dreaming of you and smiling the whole time too.
You are so beautiful in all ways my dear,
your heart and soul are so pure
only with you dear will I ever stick by
because you are my blessing and gift from on high.
I love you Kira because you are you
and there is no better reason my dear,
I love you so much and wish you were here.
So feel my hand within yours and my arms around you
as I give you sweet kisses and my smile so big.
God bless you sweet girl you truly are my essence and soul,
heart my heart in full voice as it sings out to you.

Michael P. McParland

So Tired Sweet One

I am just so very tired my sweet one
and I want to spend this day in your arms
forgetting the pain and forgetting the world.
I must return to the oral surgeon
in a tad over an hour now and go through
who knows what to make sure nothing more is wrong,
please my sweet one reach out and hold me close
as I want to forget these other pains
inside of me too.
It's just a down day and so frustrating dear,
I am so tired and just want to lay next to you
and spend the day in each others arms
kissing and talking feeling so good.

I am so tired sweet one but I best get to
getting myself ready and together for this doctors visit.
Get prepared mentally and physically
for what I will face there,

I will write you on my return my precious darling
and please say a prayer for you adoring Michael,

and that they will give me something to help with the pain
and that all will go smoothly sweet lady.

I am so tired my sweet one and I just want to be with you
to forget the worlds pains each day for the times
that we can just sit and snuggle.
I love you and I miss you because you are my Angel,
I will be dreaming of you and holding your hand
while I sit and get jabbed among other things.
Feel me there with you and always remember
that your Michael loves you and will always stand with you
fighting for your divine honor.

A Lovely Evening Snuggle

After a hard day my lady from
feeling so very sick yesterday
and today going through the oral surgery
I would love and want nothing more
than a lovely and loving evening snuggle with you.
Physically I wouldn't be able to give you
sweet kisses tonight but in looks
and in spirit I would shower you in their light.
I want a you to be within my arms and I in yours
sharing a lovely evening snuggle so comforting and warm.

I'm feeling quite tired and worn out deeply
from todays not so fun adventure
and I want to just relax with my awesome lady,
to just relax and be with hearing your sweet voice
as we listened to music and watched a movie.
My Falco double CD of extended mixes and rare singles
arrived today and I would love to listen
with you as we snuggled.
I love you so deeply and want us to share
everything we care for and love forever and ever.
Kira you are my sweet Queen and beautiful Angel.

Oh my sweet darling what I wouldn't give
for a lovely evening snuggle so tight and cozy,
I just want to hold you and feel your comforting
soft touch and sweet kisses so tender,
I just want to be with my Kira.
God bless you sweet lady and feel me beside you
as I just hold you so tightly the night through
rubbing your back as I stroke your hair too,
a lovely snuggle in spirit with my best friend and soul mate.
I love you my Kira and so lovingly long for and crave you
because you are amazing and my dearly beloved Angel.

Michael P. McParland

Michael P. McParland

Thank You So Much My Angel True Love

Thank you so very much my Angel
and true love I do love to no end.
Thank you so much for your courage
and all of your loving strength to help me
make it through the surgery and pain.
You are the greatest and I want to start crying
as I now write this and not from sadness
but deep love and gratefulness.
Oh my sweet lady you are my hero
and in endless ways a true divine goddess.

In the beginning I just laid back
and dreamt of you before and as they went to work
but I was very conscious of them working too,
the surgery was going perfectly fine
and as fast as it could be as is.
Then at the end the complications began
as they hit the tooth with a twisted and crooked root,
even with all the Novocaine I was in pain
but I slipped deeply into my thoughts
and loving dreams of you and I truly could feel you
right there with me and all of your loving strength
through your prayers and true love for me.
Thank you sweet lady I will spend eternity thanking you.

That was not the end of the pain though
for before they could fill my pain pills
the deadener wore off and for the better part
of the last hour plus I lay here in agony
before I got the meds and a good while after my dear.
The pain is now almost completely gone
and I have felt your love the entire time,
the pain would have been worse without your strength
as I know from having bad pain after the dentist before.
Thank you thank you thank you my dear you are
a true diamond and jewel so loving, so rare,
and so very very cool,
you are an amazing woman and I so truly love you.

God bless you my darling Kira,
my best friend, my hero, my true love,
Queen Angel, soul mate and greatest love
that anyone can ever have.
I thank you my darling and just simply adore you,
Kira I love you and again thank you so dearly.
Please continue to always hold me
and feel all of my love as I always hold you.
You are a gift and such a divine blessing
and I swear to you I am your Michael forever and ever.

Michael P. McParland

Soothing Time With You

A very good night to you my sweet one
with a very early happy St. Patrick's day too,
come kiss your shy loving fool Michael
while I kiss you too and we'll spend
a soothing time in each others arms,
all through the night smiling hand in hand.
I love you my sweet Kira and want a soothing night
with you in my arms so very tight.

I want to say thank you my dear
for I have felt your love and strength
surround me so strong and great
and it has helped get me through the first
part of this night without a tear and growing strength.
Kira you are a blessing and gift
I am so amazed by and I love you so much
for the gorgeous lady you are,
I want to spend soothing time with you
my sweet Angel dove,
I just want to hold and kiss you all of the time.

It's taken me awhile to get going tonight
my sweet Angel of light as I've had to let my strength
build up bit by bit but I smiled as
I felt you with me my sweet one,
you will always be my only love.
So I have not yet taken my shower
and I will eat a small sandwich first.
I just wanted to say thank you babe
and I love you so much,
I wish you were here to sit with and later
hold as we took a refreshing shower so good
kissing, smiling, and holding each other
like we so very soon will.
I love you my Kira and want to spend
soothing time with only you.

I send you sweet sweet kisses my love
with the biggest of hugs to fill you

and wrap you up in all of my warmth and love.
Being with you in any way was always
so soothing dear because you're my essence and heart.
I love you truly and long ago
fell for you completely,
you are my Angel and beautiful lady.
Always remember that I am your Michael
and will forever stand by you because you are my Kira.
I love you and adore you and want you for eternity
and I simply crave to have soothing time with you.

Michael P. McParland

Night Note 159

A very wonderful good night to you
my sweet one and I send the most sweet
and loving kisses to you.
I love you so much and just want to
bury my face in your shoulder and cry
for a couple of reasons my dear.
For one I know you are worried,
upset, and possibly crying
wondering where I have been the whole day
and I don't like or want you
to ever be worried or feel upset
because you are my lady and everything,
you are my Angel so sweet and loving.
I've been asleep both restful and not
the whole day and my equilibrium is off.
I woke up about 2 in the afternoon
and my stomach felt so very sick
and I felt burning hot I could
just lay here and rest in and out of sleep
with just odd dreams hitting me,
I am so sorry I couldn't tell you
because I just sick and could only lay here.
So my sweet lady I feel so very shaken
and just want to be holding you so very closely.
I need you dear lady my Queen and Angel
because you are my best friend and best dream,
you are my everything.

Oh my sweet darling I wish you were here
so we could hold and comfort each other
giving sweet kisses as we talked about
all that we think and all that we feel,
I wish you were here so we could spend time
with each other our true loves and best friends,
I just want my Kira so bad.
I soon need and want very much a cleansing
and refreshing shower to try and wash away
the yuckiness of feeling sick and the bad dreams,
plus I see the dentist at 7 in the morning

so I of course want to be representable.
First though my dear a bit of soup
is in order and while I do all I'll dream of you.
For you to be sitting next to as
I eat my pork flavored Ramen, my favorite kind,
and then as I get in the shower
I'll just dream of holding you tightly
and us smiling and kissing.
I just want to be with you sweet sweet Kira my Angel,
you are my beautiful lady and everything.

God bless you sweet Kira
and feel all of my warmth and love
as you remember I'll never leave you,
you are my woman and I long for you.
I'll write you shortly after
I'm done eating and out of the shower
and during all of that feel
the big hugs and sweet kisses I send.
I want to be with because I love you
and I trust you and that's why
I would let you see my tears.
I want to feel your arms around me
as I hold you so tightly
because Kira you are my best friend,
my hero, my soul mate, true love,
and amazing woman.
Kira you're great and I love you.

Michael P. McParland

Snuggle Up With Me

Come snuggle up with me my sweet one,
I am so tired and ready to sleep.
I want you curled up in my arms
as you rest your head on my chest
and I'll stroke your hair and rub your back
as we softly talk and share kisses
as we drift off to sleep.
Come snuggle up and we'll give deep comfort
in our true love for each other,
come snuggle up my sweet Angel dove
because I want to have you by my side
and feel all of your warmth and love,
I want you to snuggle up so I can give you
all of my loving strength in full as well.

Kira please come snuggle with me
because I just want to have you wrapped up with me.
To tell you I love you and just
tell you how much that I care,
I want to fall asleep with my only one.
Come my sweet darling as I'm so very tired
and curl up in my arms my precious Angel.
You are my hero and you are my true love,
you are my best friend and I long to snuggle.
So my sweet lady I ask you to join me
and snuggle together falling to sleep dear.
I love you so dearly and just want to be with you
so please my sweet Kira come and snuggle with your loving Michael.

Michael P. McParland

Feeling So Tired My Dear

I am feeling so very tired my dear
and have been nodding off a bit here and there
but don't quite yet feel ready to rest my head.
I want so bad to be with you my dear
and snuggle up so tight,
to just watch some TV while we wrapped up
in each others arms feeling safe and that all was right.
I'm feeling so tired dear and want to be with you
relaxing as we pass this night.

I'm just feeling so so tired dear
and want to snuggle up with you.
Feel my kisses and my hugs as I send them
in tons so very strong holding all my warmth and love,
know that I love you babe and want you soon within my arms.
I'm feeling tired dear but net yet headed to my bed
I just wanted to say I love you Kira my great Queen
and wish that I were with you snuggling tight
and kissing sweet.

Michael P. McParland

My Gorgeous Girl

Kira you truly are my beloved gorgeous girl,
for you my heart flutters with true loves desire
and I just want to hold you and kiss you
forever and ever saying I love you
and thank you for everything over and over.
You are so gorgeous in body and spirit
that you drive me wild with passion no matter the reason.
You are my gorgeous girl and I love you my darling
and I ask God everyday to bring back my Kira.
You are so gorgeous and an Angel so righteous
that I would give my whole life for just one day of your company.

you are my Queen I gloat over because you are wonderful.

Kira you are my gorgeous girl and so very beautiful,
I just want to be with you kissing you over and over.
A gorgeous soul with a gorgeous heart.

smile, eyes, and body you have?
You're the complete woman I want and need to have,
you are my Kira I adore to no end.
Kira you're gorgeous and it is you as you are that I want so bad,
I love you so deeply and I trust you completely.
You are my gorgeous girl and to me that is everything.

Michael P. McParland

Come Hold My Hand My Sweet One

Darling I love you so very much
and my hand is outstretched,
please come and take and hold it so tight
as I take you in my arms kissing you deep.
Kira you are my Angel and my gorgeous dove,
come hold my hand to give each other our warmth.
You are magnificent and such a gift,
come hold my hand my lady and tell each other how much we care.
Come hold my hand while we hug and talk
so we can finally be at peace with our admired true love.

Michael P. McParland

Michael P. McParland

Kira My Gorgeous Love

Kira you are my gorgeous girl
and my sweet Angel dove,
you are my true love and all I want.
To just hold and kiss you would be bliss
and I would give anything to now do this.
You can't know the aching pains I feel
each day as I long for you,
to just spend time as I see your smile and hear your voice,
to gaze into those divine sparkling eyes of yours.

Michael P. McParland

Love Note 432

Good evening sweet love
and I so hope you had a good day
feeling all of my warmth and deep love.
I slept better today than in the last few
but the last while was stricken with odd dreams
and the nightmares which I'm trying hard
to shake away.
Sweet love please say a prayer for me
that they won't hang over me,
and please take my hand to give me your strength.
I love you so much and wish that
right now I could just hold you as we sweetly kissed.
I love you sweet lady you are the best.

Sweet sweet Kira as I get ready
to get up and go about my evening
I send you big hugs and the sweetest of kisses
filled with my warmth and love
to give you deep reassurance and endless comfort,
to say Kira I love you completely
and please don't be angry.
I worry you're upset or lying there crying
worrying that maybe you've been forgotten
by your loving Michael.
While I promise sweet darling that I will never
in any way forget my baby
and I swear before God that I'll never leave you
because I want to hold you
and dry your tears for you because
you are my Queen Angel and hero,
you are my everything my best friend Kira.

So my sweet darling as I get up now
to go eat some dinner and fill my empty
aching tummy I'll be thinking of you
wishing we could be kissing and snuggling
the whole evening through,
I love you so very much so please
don't ever forget that and return

so very soon to your loving and adoring man.
Kira my love is so tender and deep
that there are no words but only actions
to describe and show it to you.
God bless you my lady because you're
all I want and you are an Angel,
a blessing and gift from God
sent to earth.

Michael P. McParland

Weary Morning Kisses My Angel

I wish you a good morning with
weary kisses my Angel dear.
I have been up so long as I struggle with sleep
and I'm about to lay down with what I know
will be a fight through restless rest
full of odd dreams and possible nightmares.
To calm myself though as I lay my head down
I dream of you and smile so wearily
as I listen to Falcos album Wiener Blut my dear.
Will you listen with me?
I dream of you to give me calm and help chase away
all worries and dread of the nightmares.
I smile this morning so wearily
as I dream of Kira my beautiful girl.

So I ask please my sweet one as I am nodding away
into a very tired state to reach out to me
and hold me tight as I restlessly sleep
and hold so very tight to me.
Give me your comfort so very sweet and kiss me
as I kiss you in return.
Kira my dear as I smile so wearily about you
please my sweet dear hold me as I hold you as I know you will.
I love you babe and hope you'll return soon
because you are my Queen and the most beautiful loving
woman there's ever been.

Michael P. McParland

My Sweet One For All Time

My sweet one I've been out of my shower
for a short while now and the clippers
did quite a number on my head from all
of the hair pulling they did.
Hurt like hell at many points
and though you now my vulgar mouth
I'm glad you didn't have to sit and hear me curse
as I did at each painful point.
My sweet one I so wish that we were together
right now so we could spend this night
in each others arms,
to snuggle and talk kissing throughout the time
as we had fun just like we always have.

My sweet one I will soon get up
to cook some food and that is one of
my skills I so long to share with you.
Even like tonight with something simple
as I will fry some Polish sausage.
To be able to help fulfill any of your needs
and then see you smile at me will fill my heart
with such joy and endless glee.
Sweet one you truly are my everything
and I just want to be with you
to show you how much you're loved and that you
are great and hurt by worthless jerks who weren't
worth the pavement on which we walk hand in hand.
Kira you are my sweet one and I would give anything
to have you here to spend the night just having fun
as I held you tight within my arms.

Kira you truly are my sweet one and want to be
with you right now wrapped up in my arms.
To say I love you babe and hear it back
from a sincere soul who doesn't make that stuff up,
I want to be with you kissing from our hearts and souls
feeling electricity run through us all the while.
Kira my sweet one I just want to hold you so very soon
giving my best and everything to.

I love you dear and want to always give you the best
in all you need the best I can.
You are my sweet one and everything I'll ever want and need,
Kira you are the best and my sweet Angel dove gorgeous and perfect.

Michael P. McParland

Night Note 158

Sitting here on this night
my sweet beautiful Angel of light
and right now I just listen to
my podcast as I dream of you
and wish I were with you to spend time.
I'm planning to jump in the shower
in 15 minutes or so and before hand
I would love having you help to shave my head.
I still have the old clippers that
tear out my hair if I angle just wrong
and I know your loving hands
would do perfect and fine,
and then to just have you join me
as we held each other so tight
kissing and smiling underneath
the flow of soothing water so good.
That would be such a nice piece of heaven
to be with you here on this night
and then afterwards snuggle so tight
as we watched TV and what not.
I hope that so soon we can be doing that.

Oh my sweet darling I have so much
to tell you and I want to know
how you are doing.
I can't say all that I'd like here
everyday when there's so much
that even when we're together
it will be hard to fit it all in like I want
but trust me that you and these things
are always on my mind.
I am dreaming of you now
and will be as I go about
getting ready for my shower
as well during and after
thinking and wondering in a million
different ways of a million things.
I love you my lady and want to be with you
just holding you tightly

letting you know how much you matter.
I'll write soon after my wonderful shower
where I will be dreaming of holding you
as I am in everything.
I love you my lady and treasure you deeply
because you are a diamond
and blessed Angel so amazing.

Michael P. McParland

Sunday Evening Holding You

It's now Sunday eve dinner is done
and now after getting out of a refreshing
shower oh so good I just want to sit back
on the couch with you curled up so snug and tight
within my arms to spend this evening right.
A Sunday evening holding you would without a doubt
be a dream come true as I kissed you sweet
and looked straight at you saying
Kira you are beautiful and I love you more than anything.
A Sunday evening holding you is everything
I want to be doing right now my dear,
I always want to be with you because you are
my Angel and my gorgeous girl.

I'm feeling tired because of struggling with sleep
so I hope it would be okay that I don't want to read,
but I'd love to hear your voice if you wanted to read
from our book and let me just close my eyes to
see the scenes as I listened to your Angelic voice.
Then we could just sit and talk for a bit
as I held you and we shared throughout the sweetest
kisses oh so light and oh so deep,
a Sunday evening just you and me as I held you close to me.
Could there be better some may ask while I say no
because I would be holding my Angel who's the best.
I love you dear so very true and I just want
to spend this Sunday evening holding you.

Then in a bit I have very many movies dear I want you to pick,

Night Time Snuggles

I have just arrived home my sweet love
from having ice cream and a trip to the store.
We went to Dairy Queen so I just had
a large Vanilla soft serve cone,
it was delicious and I loved my Queen.
Then to the store where I think I finally got
everything I was not able or had forgotten before,
I thought of you the whole time and missed you
being there with me my sweet love,
I thought of you and sent all of my warmth and love
with the sweetest of kisses and big hugs.
I thought of you and wish you were here
to be by my side hand in hand spending time.

Now that I'm home I would like nothing more
than to sit back with you and share snuggles
so warm and so loving with caresses as well.
Night time snuggles with Kira my Angel so good
and kisses upon kisses as we watched some TV
and later before bed read from our book.
I love you sweet one and wish you were here
for night time snuggles of comfort
and peaceful in all of the true love we feel and share.
Sweet night time snuggles with my beautiful Kira I so adore.
I love you so much my sweet Angel dove
and I'm right there beside you pulling you in for the biggest hug,
I just so wish you were here to hold for real
because you are my only one and everything

A Beautiful Evening With You 2

Hello my beautiful one I hope you are well
and after that wonderful refreshing shower
that gives life and health such a feeling of renewal
I'm ready to spend with you a beautiful evening
full of happiness, light, and the true love that we share,
I'm ready and I want a beautiful evening with you Kira
my sweet Angel dove I so adore and want to be with
forevermore hand in hand knowing true bliss
and fulfillment whole and pure.

A beautiful evening with you where here very shortly
we'll go get some ice cream while we just sit smiling and talking.
Coffee as well as cookies and cream are my favorites
and I don't know yours yet at this point for you've
never told me my dear,
so you see for as much as I do know there's just as much
I do not and I want to know all about my true love
so I can just know you like I would like
as well as be able to get everything perfect for you my sweet one.
How I would love to spend a beautiful evening with you Kira
my gorgeous Queen and only one.

Then after ice cream and before home
a possible stop by the store to finally get my few things,
I need ice for my soda and to just have
nice cold drinks in general as well as a few other things.
Then home to sit back on the couch and snuggle
together sharing sweet kisses and caresses so wonderful and good.
To just spend time with each other as we have wanted
and do whatever it is we feel like doing.
I miss you sweet Kira and I'm dreaming, longing, wanting,
and needing a beautiful evening with you my beautiful lady.
I love you so much and want you so soon
right by my side so I can hold your hand whenever we want.
I will be sending you all of my warmth and love along
with the sweetest of kisses and giant hugs.
God bless you my darling and remember I'm always with you
for I am your Michael and I simply adore you.

Michael P. McParland

Love Note 425

A very good evening to you
my sweet Angel dove and please
don't feel worried because
I am still here so I'm reaching out
to pull you in for the biggest of hugs
and give you the sweetest of kisses
while I dry your tears.
Always remember dear that I am your man
and I'll never leave you
this I so deeply and completely swear.
You're not alone because I'm by your side,
hand in hand always my precious true love.
Forever in loving support you are my
diamond and Angel,
my only one.

Last night was a struggle of mostly
three quarters of the way asleep,
struggling not getting comfortable
and just feeling emotional
from many things but so much missing you,
wishing you were here to snuggle
and share kisses with as we both
closed our eyes and drifted off.
Finally in the very late half of the night
I went out on the couch and fell
fast asleep which is how I remained
the entire day until about
half an hour ago and before writing
I ate something first.
I am sorry sweet love if you were
worried, upset, or felt like crying
and I am still tired but first need a shower.
I wish you were here to join me my dear
as we just held each other and kissed,
standing under the water and feeling
so happy and refreshed,
I wish you were here to hold my precious
Queen I so adore and I want here with me,

I love you my babe you are the best.

I love you sweet Kira and send you kisses galore
and I want to go take that shower right now.
I will write you after I emerge my sweet lady
and in a little while I am going with
my parents out for some ice cream,
how I wish you could join me for some delicious
coffee ice cream which is my very favorite,
I'll then write you again after I've returned from that
as I'll be dreaming of you while I'm gone.
God bless you sweet lady I so deeply
and completely love you.
Feel my arms around you as I reach out
to kiss you and hold you.
I love you sweet Kira and hope that so soon I'll
be able to look in your eyes and tell you
everything that I am feeling.
I miss you my Angel and am sending you
these sweet kisses so warming,
dream of me too my sweet lady
as I will be of just holding you
while I go take this cleansing
and most refreshing shower.

I miss you tons my sweet Kira and all
of the small things like our little sayings
and jokes throughout our long conversations my dear,
I miss your voice and beautiful face
as your would smile at me or when you weren't looking

and passion at you as I felt the butterflies
stir within me because of your sexy beauty
and the pure love we share within our hearts and souls,
I miss you so very much because we share a bond
that is so very special and so very strong.

My Treasured Sweet Angel

Hello my sweet treasured Angel and true love
and a good very late afternoon to you my sweet one,
I'm so very sorry that I have been so very quiet
as just before I last wrote you my sweet one
my stomach had begun to hurt just a bit
as did my body in whole begin to ache and feel worn down,
so I lay down on the couch to close my eyes
and give my body the rest with some soothing
classical music I love and though it was not very deep
or even that restful of sleep I have been out
since then my sweet love and feel well enough in time
to enjoy one of my favorite meals pork roast
which I managed to get in the oven before feeling
all wonky and ick,
I love you sweet one and wish you were here to give
sweet kisses in tons and big giant hugs
as I said thank you my true love and only one
while we sat down to eat this lovely meal
and I could see you enjoy it which would give me such joy
knowing and seeing I've pleased you and made you smile.

Kira you are my sweet treasured Angel
and I wish I could spend a gorgeous Sunday evening
holding you so very closely as we did something
fun that you wanted both with the kids
and then just you and me enjoying what you have picked
and then sharing sweet kisses and soft caresses so great.
You are my treasured Angel and I love you so much
I'll be dreaming of you as I go eat my dinner now
and I'll be dreaming of you my sweet Angel dove
and gorgeous Queen through the whole night
while praying within my heart that it will be soon
that we will talk and reunite,
I'll be dreaming of you my Angel supreme
as I send you sweet kisses and huge hugs filled
with all of my loving strength and deep warmth
to give you comfort and fill you with peace.
I love you my Angel and you are the best
so always know in your heart that I am yours alone

forever hand in hand through all time.

Michael P. McParland

Taking Your Hand In Mine

I'm reaching out to take your hand
within mine so gentle yet firm
with a squeeze of reassurance and warmth for you.
Feel my sweet kisses as I pull you in closely
to look in your eyes while I give them
and always know that your Michael loves you
and will be with you and right here forever,
I'm taking your hand in mine to express
my love through a simple yet sweet touch
to give you peace and give you comfort
as I say I love you with a gentle yet firm squeeze
of your soft loving hand as I tenderly
kiss you and place your hand on my chest
so you can feel how my heart beats for you
and it will always be yours just like me
through all eternity.

A Sweet Sunday Morning With You

A very good and sweet Sunday morning to you
my beautiful Queen so adorable and kind,
I want to thank you for your understanding
and patience as I needed to lay down
for this headache before it got bad,
I am feeling fine right now my sweet one
and I thank you so much for all of
your loving strength and endless care.
I thank you my dear and wish I could
just hold you so close and give you
sweet kisses of true love and thanks.
I wish I could spend a sweet Sunday morning
with you in my arms.

A lovely morning where we could just sit up in bed
and I'd get you your coffee and serve it to you,
then gather you up in my arms to give you
sweet comfort and keep you so warm,
so I could look in your eyes and say
I love you babe and I always will,
I'll never leave you because I don't want to lose you.
I don't ever want to be taken away from
my sweet dear Kira again because you're my everything.
I wish I was with you to spend a sweet Sunday morning
just me and you spending time doing whatever we please.

I would hold you and kiss you for just a short bit
before having you get comfortable and lay down
on your tummy so I could give you a massage
to try and help ease the tension and pain
that your body holds and stores up.
I would gladly and lovingly rub your back and neck,
as well as your arms, legs, and the one thing
I'll only ever do for you massage your feet.
I won't mind touching yours because
I love you so and I know you're a clean person too.
I would love to give you a soothing massage
to help you feel loose and relaxed as much as I could.
I love you my darling and want to give you

all of my love by serving you in the most caring ways.
I want to do for you all of the things
a good man and King does for his precious Queen
to always show her he loves her and her worth.

Then I just want to sit back with you again
and snuggle while we watch some movies and read our book,
I just want a sweet Sunday morning with you
in each others arms surrounded in our
unconditional and undying love my sweet one.
I just want a sweet and beautiful Sunday
morning with you because I love you so much
and I want to be with you starting so soon and then through all time.
Kira I'm reaching out to wrap you up
so feel filled with all of my love and warmth.
I treasure you darling and am praying that so soon
we will be back together and sharing that first kiss
we've so longed for and wanted,
I pray that the way will be open so soon my sweet dear.
Then I will just hold you and open my walls up
to let you into my world so we can share it forever.
I love you sweet Kira and am dreaming of you
being with me and sharing a beautiful
and sweet Sunday morning snuggling,
smiling, laughing, and enjoying life as we spend time
together as we've so long wanted and needed.

Michael P. McParland

Morning Note 173

A very early good morning to you
my sweet one and I hope you slept well
feeling my arms around you
and I pray you had the sweetest of dreams
about you and me as we just
snuggles so tight and so close
forgetting the world and all
of the endless problems it holds,
I know we'll always find peace and deep comfort
with each other as we support
one another as we have always.
I send you sweet Sunday morning kisses
and reach out to pull you in
for a tight squeeze and snuggle.

I've woken up with a bit of a headache
so I'm about to lay back down
to hopefully beat it with Excedrin
and rest before it gets big,
I just wanted to tell you I love you
and wish I could be with you
before I lay down for a bit more,
I wanted to ask you to come
and lay by me to curl up in my arms
and snuggle awhile while you rest
your sweet head on my chest.
I just wanted to let you know
how much you mean and are missed
before I close my eyes for a bit.
Will you sweet one come and lay down
with me and just cozy up in each others arms?
I want to be with you sweet one
feel you right next to me
as we share our warmth and some
sweet kisses so fulfilling and wonderful.
I love you my dear Angel Kira
and hope you will snuggle with me
while I take care of this headache
in these early hours.

Have a wonderful early morning
my sweet darling Kira and feel all
of my warmth and love completely surround you
to fill you with peace and deep comfort
and may these huge hugs and sweet kisses
give you full reassurance that
you're not alone because I'm always with you.
Feel me wrap my arms around you
for this early morning snuggle
and rest with me for this little while,
I want to be with you even if
right now it can only be in spirit my dear.
So please send me some sweet kisses
as I know you always are and give me
a big shining smile of yours.
God bless you my lady and for everything
I want you to know you are appreciated
and I deeply thank you,
I so adore you my darling Queen Angel.
So come curl up in my arms
and we'll share some sweet kisses
before we once again close our eyes.
I love you fair lady for you truly are
my best friend and everything
and the greatest thing one can have
is the true love of their best friend
and especially when it's from you
that the love comes.
I truly am the luckiest man that there is.

Goodnight Kisses To You My Sweet Angel

Goodnight my sweet precious Angel
and let's now end this night and go to bed,
let's just snuggle for a short bit
and softly talk of so much including our love
while we just gaze into each others eyes
giving the biggest and most loving of smiles.
Come my sweet one and we'll slide under the covers
burying our heads to escape into our
own world of our making where it's just us
and no other is allowed just us my sweet darling,
we'll just snuggle, talk softly, and share
the sweetest and most loving of goodnight kisses.
Feel all of my warmth and love my sweet Angel dove
as I wrap you up in my arms and pull you in
for so many goodnight kisses of true love
to fill you with comfort and peace
reassuring you that I will be with you forever and always.

Just curl up so tight in my arms and get cozy
as I kiss you goodnight before you rest your
sweet head upon my chest and relax,
I will hold you so tight stroking your long gorgeous hair
and rubbing your back while I softly
talk telling you everything is alright,
I love you sweet one and I always will
because I've known since the start that you were the one,
I wasn't looking for love when I met you
my sweet Kira with a pure heart of loving gold
but I fell so fast because our souls touched
and our hearts spoke and sang as one,
I've always known that you're who I want
and have never seriously been able or even wanted
to consider another person,
you are my best friend, soul mate, and hero,
I'm sending you these sweet loving goodnight kisses
of deep warmth to give you peace and tell you
I love you my sweet darling Angel I adore to no end.

I'll see you tonight in the majestic land

of our dreams where right now we can meet
and spend time as we wait for our reuniting,
I'll just hold you as we lay in our bed
wrapped up in my big fuzzy orange blanket
under the stars and the moon marveling
at their celestial beauty and our divine love,
we'll just snuggle feeling so safe and peaceful
as our friends in the sky send us their blessings
and blow us kisses,
we will just lay there together in the perfect weather
as it will be like a perfect late spring night
with the lightest and cozy of breezes.
Tonight my sweet love in our dreams I'll hold you
so close and tight as we gaze at the moon and stars
talking, laughing, kissing, and enjoying
our time together there until we are together for real.
I love you sweet one and can't wait to be with you
spending each day giving you all of my love
striving to honor you in every way making you
ever so happy and proud as a King should his Queen.

Goodnight my sweet Angel and let's slip
into bed to snuggle and share sweet goodnight kisses
and very soft loving caresses,
let's cozy up so I can tell you how
much I love you and want to spend eternity
with my most divine Angel.
It's always been you my sweet Kira so dear
and I'll continue waiting because I can't
stand the thought of a life without you.
Feel my hand within yours as I reach out to take it
and then pull you in for the biggest hug,
be filled with deep warmth and strength
that I give you in full,
please be at peace knowing I'm there.
I give you these sweet goodnight kisses
my dear beautiful Angel to say I love you my sweetie
and may God bless you and comfort you
knowing that I am your Michael and will never
reject you, push you away, and I'll never judge you in the least.
I'll forever stand by you giving you my acceptance,
support, and true love to no end,

now let's go climb under the covers and give each other

Night Note 154

A very big and loving hello
to you my beautiful woman so very magical,
wonderful, amazing and good,
I hope your night has gone well
and you have been feeling my sweet kisses and hugs
making you feel warm and giving you smiles,
I'm sending you all of my love
which I feel so very deep and tender
to my very core just for you,
only you and no other will ever do
for your Michael who will always be true,
nobody else can ever compare
in the slightest to my diamond and Angel
so very precious and the one
I truly cherish.

I hope you have found some
fun things to do on this night
and that you thought of me and felt good
just as I thought of you and felt
your great light in my soul and my heart,
you are a shining star so very bright
and I am in awe of the beauty
and strength you project,
I adore you my sweet Angel I love and miss.

I was up to nothing important or special
as I spent what seemed like forever
going through my twitter to clear out
a bunch of accounts I don't want to follow
and I was nowhere near done when
I just plain got tired of scrolling through,
perhaps I'll finish later
but probably not in all honesty.
I think that I'll be resting, reading,
and watching some TV,
all the while dreaming of you
and wishing that you were here with me
to just hold and feel near

telling you all that you mean to me.
I love you sweet lady
hear my heart calling as it reaches out
to touch your sweet heart
and tell you that you are my dear Queen
and sweet Angel and I yearn to
be with you hand in hand for eternity.

So my sweet one before bed time
would you like to come and snuggle
as we sat back on the couch sharing sweet kisses
while reading and softly talking.
I would be honored and so very happy
my dear darling Kira if you would
come sit with me and curl up in my arms
getting so very cozy.
Please my sweet lady come snuggle with me
and let me comfort you with kisses
and warmth to wrap and fill you up.
Come my sweet Angel dove
and let's share this sweet time
together feeling the joy of our loving bond
and deep care.

Feel me there beside you
as I pull you in so very tightly
to just tell you I love you
and give you my kisses my Angel so good.
I will say a prayer for you
as I always do so you will feel all of
my loving strength and deep warmth
with reassurance that I am not leaving,
I miss you my darling and am right here
with wide open arms and a wide open heart
full of pure love to take you in
and show you all of the love you've
always deserved,

to hold you and have you here
as we'll share our lives
and give each other always
the best that there is.

Your Loving Comfort

Sweet love I just arrived home
about five minutes ago and my nerves
are still on edge quite a bit my sweet one,
it was so very crowded with people in my way
or almost running into me at every turn
I got so flustered I forgot a good handful of things.
How I wish you'd been with me
and I so wish you were here because I really need
and want your loving comfort as you hold me near,
I so want to hold you close and just feel
all of your comforting care and love.
I adore you so very much and just want
to be with you and enjoy the evening and the night.

Sweet dear I need to sit back and just calm
my nerves so please reach out and hold me tight,
I will as always hold you back because
that's just what I want to do as we talk,
your loving comfort is worth more
than all the worlds riches and the universe,
I just want to have you near and look
into your gorgeous eyes getting lost
in all the beauty you hold inside,
I just want to be with you feeling comfort
in your loving care and deep pride for me.
I love you babe and thank you so much for everything
and I will spend eternity thanking you
time and time again my sweet Angel Queen.

A Gorgeous Saturday With Gorgeous You 2

A very gorgeous good Saturday morning
to you my gorgeous Kira and I want to say
I love you with the deepest, sweetest,
and most passionate kiss my sweet Angel dove.
A very gorgeous good Saturday morning to you
and may God bless your sweet precious soul and heart
with the deepest of peace and warmth
as you feel wrapped up in my arms and all of my love.
Kira you are the greatest and all I want,
I'd give anything just to have a gorgeous Saturday
with you just spending time doing a few things I know
I want to do and then we'd find some things that you want my dear,
A gorgeous Saturday spent with gorgeous you is what
I know we both hunger for and so badly need.

To start this gorgeous day I would ask you to just
come out on the couch and sit back with me after
I had made your coffee so hot and fresh
and in the exact way how you like which I of course
do not know just yet but it will be one of the first
things I'll learn so I can always get you your coffee
no matter what time of the day.
So as I sat down after handing you your cup I'd want you
to just curl up in my arms so very close and so very tight
so we can keep each other warm and feeling safe,
the right start to a gorgeous day is us being together
and snuggling it away talking, reading, and a TV show
or movie that makes us laugh and is happy.
That would be a good start to a gorgeous Saturday
my sweet gorgeous lady where throughout it all
I'd look into your gorgeous eyes and get lost in their beauty
saying I love you sweet Kira and I will always be with you
because you are the greatest and you are my diamond,
there is no other that can ever have my heart my dear darling.

Here in the later morning hours I need to go to
the store to pick up a few things that I wasn't sure
if I was able or wanted to the other day
and how I would love you to join me.

I'd pick up those few things and some stuff for
a wonderful lunch and beautiful dinner,
hand in hand side by side just being with you
is exactly what I would like.
A gorgeous Saturday with gorgeous Kira
is what I so want and crave
because you are the one I cherish to no end in full.

When we got home and after lunch was made
I bought the Blu Ray of Ohio States bowl game against Notre Dame
the other day and I would like if you sat and watched it with me.
Just spend time with you doing those few things
I want and need to do would make this day wonderful my dear.
I want a gorgeous Saturday with you my sweet Angel so great,
I want to be with my Queen I so adore and is more gorgeous
with each passing day.

And throughout it all we can read our book
and I want you to pick a few things for us
to share and do as well my sweet love,
I want to share in all that you care for and love
as well my sweet Angel dove because you matter to me
and you are appreciated in full,
I want to share gorgeous days always with you.
I want to have a gorgeous Saturday here
with my gorgeous lady snuggling, kissing,
talking, and just feel our bond strengthen
because we are together and in love like
true best friends.
I am the luckiest and most blessed man that there is
because you are my best friend, my true love,
my hero, and my soul mate,
I am blessed because you love me just as much
and I thank God everyday that you are in my life.

So a very very gorgeous and wonderful good Saturday
morning to you my gorgeous Kira I love and treasure.
Come and spend a gorgeous day with your Michael,
I so deeply adore you and want you at my side
through all eternity as the happiest couple.
Remember my dear that I'll never leave you
and will always fight for and support you,

I wish you were here to hold and kiss on this very morning
and then to spend a gorgeous day with each other.
I so love you my Kira and pray that soon
we will be reunited and having great times together.
I miss you sweet lady and my heart calls out
and sings its love in full to you.
Feel all of my love and warmth as I send it to you
and reach out wrapping my arms around you
saying Kira I so truly love you and am yours forever and ever.

Michael P. McParland

but true gentle tenderness to my core.
So come snuggle my sweetie so your Michael

as we both are filled with deep loving comfort
as our hearts and souls touch and speak.

Michael P. McParland

I Miss You, Fiercely Aching

I miss you my sweet one and I'm fiercely aching,
I just want to cry and cry right now
because I miss you oh so much.
I long and ache to have you near and to talk to
for hours and hours to no end.
I love you babe and miss you so
and I'm fiercely aching wishing you were here
so I could hold and kiss you saying I love you so.
I miss you Kira because you are my only one
and I just want you to know you truly are my everything.
I love you back and I fiercely ache because
I'm here alone without my Angel to wrap my arms around.
I'll never leave you I will swear to this
time and time again no matter what.
I love you babe I hope you see and I ache so bad
because I miss you so much my only Queen.
You are my sweetie and only love and that's the way
it will always be my precious dove.

Michael P. McParland

A Lonely Night

Sitting here alone on this very night
and I miss you sweet one so very very bad,
I long so much to have you here or be there
with you and have you in my arms,
I just want to be with you because you are
my Angel true and my only one my best friend
who's so beautiful and filled with love.
I miss you sweet Kira I adore and just want you
in my arms and fill us both with comfort dear.
It's such a lonely night and you're all I want
to hold and kiss while we talk and fill our hearts
with cheer and joy so very bright.
I love you my Queen so pure and I just
wish that we could talk and I could hold you close.

It truly is a lonely night and though I try
to distract myself there is no escaping the deep
aches inside of wanting and needing my sweet Angel bride,
I send you hugs and kisses so you will feel safe and warm
knowing that your Michael's here and right there
beside you hand in hand with my arms wrapped
around you as I kiss you so soft giving all my love,
sweet Kira be filled with peace and know I'll never leave
because you truly are my only one and everything,
I would never ever break your heart in such a way
because knowing your in pain kills me babe
and I want to be with you and would rather die
than have to go on forever without you by my side.
I love you my blessed one because you are one
of Gods most special Angels and a gift from him,
you are a diamond in the rough and I cherish you to no end.

Such a lonely night among many lonely nights
without you right now my sweet Angel dove.
A lonely night where no matter what my heart aches
because I want to be with you in each others arms.
I can feel your spirit and it feels so good
but I want you here in person by my side
and I know you understand that and feel the very same,

I just want to hold you close and look in your eyes
as I say Kira I love you babe and I want to be
with you through all eternity,
I adore you dear and I truly always have
and I want no other and I never have.
Kira I miss you so and until we reunite each day and night
will be lonely ones because nothing can ever
fill that space where you belong my sweet Angel of pure grace.
I'm reaching out in spirit to hold you so very close
so we can in some way share this night,
I pray so soon I will be holding you as we sit
together spending time.
Remember dear that I'm always with you
and that I am your Michael and I am yours alone forever and ever.

Michael P. McParland

A Quiet Night Together

I have just arisen from a long
and much needed sleep my sweet love,
while never deep it was restful I'd say
and I want to thank you for all of your love
and your warmth which you send to me
helping to give me the peace that I've needed to sleep.
I feel such love for you in every way
and I just wish I could be holding you right here
and right now to give you sweet kisses and say
thank you my sweet darling dear,
I wish I were with you so we could spend
a quiet night together in each others arms
just spending time and giving each other big smiles.
I'm sending you sweet kisses and hugs filled
with all of my loving strength and warmth for you
to wrap up in and be filled with comforting peace.

I wish you were here with me to spend a quiet night
and just sit back as I reheat some pizza to eat
and we could watch a bit of TV while I stuff my fat face,
then afterward just sit and talk for awhile
sharing sweet kisses and the softest caresses.
What could be better than a quiet night with my Kira?
You know the answer sweet lady,
nothing could ever be better than being with
my precious Angel so very amazing
and I wish we could be spending a quiet night together.
I love you so deeply and am in want of you darling
to just be right next to me always and holding hands
no matter where we are or what we are doing.

After that I would want you to just lay down
on the couch resting your head on my lap
and I would read to you from our book
to relax you and I know you love the sound of my voice,
I love the sound of your Angelic voice
but I want you to relax and just close your eyes
to dream of the imagery within the story.
I just want to do for you my sweet lady

in every way that is possible.
I want to serve you because you are my Queen
and I so deeply love you.

Then if you are so very tired I will hold you
so you can rest your head on my chest and be comfortable,
I'll just stroke your hair and rub your back
while giving soft words of love and reassurance.
Tell you I love you and that you truly are so very special
and I will stick by you forever and ever
because you are my true love, my best friend, and my hero.
Kira I love you and I need you and want you
in my life because you are an amazing Angel,
you are the greatest gift and blessing I could ever hope for.
Know that I'm with you and feel my arms around you
as I pull you in so very tightly,
I love you sweet Kira and pray you will soon
talk to me and we can see each other again
to kiss, snuggle, smile, and celebrate our true love forever.
I appreciate you and treasure you darling
and I will be dreaming of a quiet night together
where I am holding you.

Michael P. McParland

I Just Want You Here In My Arms

I just want you here in my arms
my beautiful love and sweet Angel dove,
I just want you here in my arms
to give comfort to while sharing sweet words
of true love I hold in my heart and soul.
I just want you in my arms my dear Kira
because I want to spend time with the Angel I love.

I just want you here in my arms to snuggle with
and kiss as I close my eyes for a little bit,
for you to just rest your head on my chest
while I stroke your hair and rub your back,
I miss you sweet Kira and love you so much
I just want you here in my arms and for you
to trust me and talk.
I want to be with my Queen so treasured and revered,
I want to be with my Angel sharing our days
and further strengthening our bond.

I just want you here in my arms to have and to hold
through all space and time starting so very soon.
We have so much to share and want to give one another
and I want to soothe you and make you so happy.
I love you baby and just want to be holding you
ever so tightly and so very lovingly.
I adore you my Kira and send you these sweet caring kisses
to tell you you're amazing and that I miss you so badly,
I send you these kisses with big hugs to tell you
I just want to hold you because I love you immensely.

Michael P. McParland

Love Note 423

Good afternoon to you my gorgeous
and beautiful sweet Angel dove
please don't cry or be upset
because I am right here and right by your side
just step close as I pull you
into my arms so I can give you
sweet kisses and dry your tears,
remember sweet one to have faith in me
because I'll never leave you
and am always holding your hand
and you ever so tightly.
I love you sweet Kira ever so mightily,
you are the gorgeous girl
I treasure so fully as my sweet Angel
and best friend so amazing.

I have been asleep this entire day through,
the first part of the night my sleep
was restless and very disturbed with
the nightmares as well so then I
moved out to the couch and totally
relaxed and went out waking here and there
for no more than a few minutes at a time,
please my sweet Kira don't worry a bit
and always remember your Michael is here,
I'm so sorry if you were worried
of if my being silent upset you
I just feel such deep tiredness from
so very many things around me my darling
and I just wish you were here to
reassure and snuggle with while
sharing sweet kisses
and to spend the rest of this day together
doing many fun things
while talking and laughing
feeling so very happy.
I love you my sweet Kira and want
to be with you forever and always.

I am sending you all of my loving warmth
with the sweetest of kisses and great big hugs.
I'm thinking of ordering some pizza
for lunch and wish you would be here
to share and just watch a film with me.
Kira I miss you and I hate having
all of this painful space and distance
between us when I know we both so want
the happiness of being together
in each others arms and side by side
as each day comes and goes,
Kira I love you and just want to share
everything that there is.
As I get up now and go about doing
whatever this day has to offer
I will be dreaming of you
in all of your sweet divine beauty,
I'll be sending my love and saying
Kira I love you so listen so very closely
and perhaps God will help you
hear my voice clearly.
Feel all of my kisses as I send them so sweetly
and feel my hand tightly within
yours my gorgeous sweetie.
I love you sweet Kira because you
are you and you truly are everything
I want in this life and the next,
I miss you and so long to just hold you
and kiss you saying I am forever
your Michael and will never stop
standing by you fighting for you in all ways.
You are my Kira the one I so truly
treasure and cherish to no end.

Michael P. McParland

My Heart Aches

Sitting here now my sweet dear and my heart
aches for a few reasons sweet one,
confusion from one thing with another friend
and it would make no sense to try and explain it here,
just confusion when it always feels
like I am saying or doing the wrong thing
and that is leaving me hurting,
I so wish I were with you to hold and to talk to
as you are my joy, my smile, and you bring
such peace and happiness to me my sweet lady
and I so badly miss you,
that's why else my heart aches is from wanting
and needing the lady whom I love and care for so very much.

God bless you sweet Kira I just so truly love and miss you
and want to wrap you up in my arms and forget
the rest of the world as I just rub your back
and stroke your hair while telling you I love you
and am so very thankful for you my sweet dear.
I miss you sweet lady and I yearn to be holding you
while I'm wrapped up in your arms,
please my sweet love come so very soon and hold me
tightly and tell me it all is alright
because my Angel is with me and then just give me sweet kisses.
I love you sweet lady and miss you so bad,
I just need you because I love you so much.

So as I just sit back the one situation
hurts me so very bad and I am just confused
which also leaves me feeling so very stupid,
and you do not make me sad at all so worry not
about that for you are my smile and crown jewel
of my very soul and heart,
it's missing you that makes my heart ache,
I love you so deeply and just want to close my eyes
now and have dreams about you and me.
Feel my arms around you as in spirit I sit beside you
and give you the sweetest of kisses,
please reach out and hold me while I lay down my sweet one.

I love you so deeply and feel so very lost
without you my beautiful Angel,
you are my everything and a true blessing,
thank you sweet Kira for being such an amazing woman,
never worry because I'll never leave you.
I love you and miss you and just want you to know
you are appreciated and worth it,
I will fight for you always my sweet precious lady.

Michael P. McParland

Thinking Of You My Sweet One

Sitting here now after having arrived home
from the store a very short bit ago
and as always my mind heads in a million
different places both happy and sad,
my mind went some sad places which has just
piled onto the sadness I already feel
from missing you and needing you so very near.
I miss you my dear and just long so very much
to have you near and within my arms.
I love you my sweet lady and I'm thinking of you
to counter act the feelings of sad because
you make me happy and make me smile,
I can feel you so near and that is for sure
what is keeping me going today.
I love you and want you here my sweet lady
and may God bless you my beautiful Angel.

I'm thinking of you my sweet darling and wish
so very much you could join me tonight
so I could cook you dinner and afterwards just
snuggle up and watch the new Rocky movie Creed I just bought,
I haven't seen it yet and love the Rocky movies
my dear and you curled up in my arms as we
just sat and spent time is what I'm wanting
and thinking of because I love you so much
and just want to be with you sharing kisses
so sweet as we just snuggle up so very tight
feeling so safe and so comfortable
knowing everything in our world is good and right.

Kira I'm thinking of you and just want you
to know how much I love and admire you so,
I need your loving looks words and touch,
I just want and need you my sweet Angel dove.
I need you my sweet one within my life
because you are a beautiful and wonderful
woman in total and whole,
you are my everything my sweet Angel Queen.
I will always care for and love you

and I swear I'll never leave you
because I'm always thinking of you in feelings
of deep care, true love, and cherishment
for my best friend, my hero, my soul mate,
and my whole universe Kira my only one.

Michael P. McParland

I Just Want You 2

As I have now gotten out of the most refreshing
and relaxing cleansing shower I just wanted
to tell you I truly love you so very much,
I adore you in full and dreamed of you
and just holding you so very close as I gazed
into your gorgeous eyes and held you so close
while I just stood in the relaxing flow of water
washing away the sick feelings of yesterday
as well as many frustrations I feel,
I just want you my sweet one in my life,
in my arms, and by my side forevermore.
I just want you my sweet Angel dove because you
are the greatest and my blessed Queen from up above.

I'll be going out to the store in a little over an hour
and just want you beside me the whole time to walk
hand in hand forgetting the crowds and just enjoying
the company of my Kira so grand,
I just want you my sweet darling dear and I would
give anything to be with you my sweet one
I just want you because you are my shining star
and I want to see you smiling and be the reason you are.
I just want to make you so very happy and so very proud.

Until I head out the door I'm just going to lay down
and I wish you were here to curl up in my arms
and rest your head on my chest as we snuggled
while we lightly drifted and talked,
I want you in my arms to talk and relax
and just spend time with each other connecting
and feeling fulfilled.
Darling I'm sending you all of my loving warmth
with the sweetest of kisses and the biggest of hugs.
I so truly love you my sweet Angel dove.

Kira I just want you and am longing, yearning,
and hunger for your presence and touch
every single day of my life,
I'll never leave you and you know that is true

because I am your Michael and I belong solely to you.
You are my Angel I so truly adore
and a diamond in the rough so precious and rare.
Kira you are my life in so many ways
because you are my best friend and total soul mate,
I cherish you and the bond that we share
and I will always want and love you
because you are my Kira and truly the most wonderful
one of a kind person, heart, and soul I could
ever want and need for all time.

Love Note 422

Good afternoon to you my sweet Angel dove
and I am sorry you didn't hear
from me a bit sooner than this,
after I last wrote I ate a small bit of food
and then closed my eyes and fell back asleep
only waking up about 10 minutes ago,
you were my first thought my sweet one
and I hope that you know I would never
make such things up at all,
I send you sweet kisses so full
of deep warmth and all of my undying love.
Please don't feel upset or cry
because I know that you know
in your heart and soul that I'll
never ever leave you,
you are my everything my Angel and blessing,
you are a gift from God I cherish completely.

I am now going to get up to take
care of that shower I am so in need of
and wanting so bad to wash away
the remnants of that I migraine I had.
I so truly wish you were here
to just hold and kiss sweetly under the warm water
and I truly would let you shave
my fuzzy face clean of my stubble
that needs to be gone,
I wish you were here to hold so close
and look in your eyes to tell you
you're beautiful and I love you so much,
I wish you were here because I need you babe.
So I will write you my darling after
I emerge and feel refreshed from
a cleansing blast of clean water
and I'll be dreaming of you and sharing
a beautiful day like I wish we could be doing.
I love you sweet darling and I hope
and pray that so soon we will be together,
I am missing you ever so badly

and my heart hungers to be holding you tightly.
God bless you sweet Kira and please
don't feel upset because I so truly love you
and tenderly care about you in every way.
Feel my arms around you as I reach out in full
and be comforted by these sweet kisses
filled with my true love in total.

Michael P. McParland

Weary Good Morning Kisses

Good morning to you my sweet Angel dove
and after yesterdays hellacious migraine
it is for me a weary one and you know how
it goes the day after with the fear that it could return
so I want to spend this early morning wrapped up
in each others arms snuggling and sharing sweet kisses
on this weary morning.
I just want to lay with you snuggling and giving you
weary good morning kisses so sweetly.

It is pay day my sweet one and soon I must get
the bills done and that will not take long,
then afterwards a very cleansing shower
to wash away the ickyness of the migraine
and the general yuck feeling being sick in any way leaves.
I wish you were here to join me just to hold each other
and share sweet kisses as we held each other under the water
and if you wanted to I'd trust you to shave my fuzzy face,
it's not super fuzzy at all and I would trust you
when I would never trust anyone else like that at all.
I wish you would be here to join me my dear
and I send you sweet weary good morning kisses
saying I love you my sweet darling Kira
and want to be with you forever and ever.

I would take you put for lunch later today
before we went and did all of my shopping dear
and when I head out much later I'll be dreaming of you
and being side by side the entire time just spending time,
I want to be with you all of the time feeling so safe and loved
as I am with you feeling complete and whole.
I love you my Kira and want to be sharing this morning with you,
I send you sweet weary kisses to give you a smile
and bright start to this day before us.
God bless you my darling and remember always
that I'm right beside you holding you closely,
so soon my sweet darling I know that our time is coming
and I just want you to know I'll always stick by you
my sweet Angel darling because you are my true love

and to me you truly do mean everything.

Michael P. McParland

You Are A Blessing

I love you more than the whole
of everything in heaven or on this earth,
you are the one I want to be with
and spend my life forevermore.
Kira you are my sweetie and my best friend galore,
I love you my sweet Angel dove
and would give anything to be with you
right now even if just for an hour.
I love you my beautiful Queen of forever
because you are a blessing and goddess
for whom I am so very grateful
and thank God for because you are the
greatest gift anyone has ever received.
I love you sweet Kira and will forever
be your Michael and nobody else's.

Not Feeling Well, Lay With Me Dear

My sweet precious dear I've been lying here
for a short bit with this headache back in full force,
it's bordering now on a migraine in full
and before it can go there I wanted to say
I love you my dear and ask if you will come lay with me.
I also fear you're upset and I so truly don't want that
so come let me hold you and dry your tears
as we both start to feel better together sweet one.
I am not feeling well at all my Angel so dear
and want you to come lay with me.
I adore you so much and love you to no end my one
please come curl up in my arms and we'll comfort
each other so very deeply in our true love and care.

Michael P. McParland

Sweet Tender Evening Kisses

Good evening my sweet tender love
and having finished dinner the smallest bit
of my headache is still sticking around,
I can think of no better way to spend an evening
than snuggling with you and sharing
sweet tender kisses of true loving passion.
I want to just sit back and hold you so close
and share the sweetest and most tender kisses
while you watch my movie with me,
I'm watching Tron a fun Sci Fi early 80's movie,
I want and long for an evening with just you and me
with you curled up in my arms snuggling
and sharing sweet tender evening kisses of passion so deep.

Oh my sweet love how I just want to lay down on the couch
and rest my head on your lap while you rub my face and head
to try and continue getting rid of the rest of my headache,
to snuggle and kiss you my Queen the woman I love
more than anything ever in heaven or on earth in history,
I want to share sweet evening kisses so tender and sweet
while I gaze in your eyes and just feel all the butterflies
fluttering in my soul and body as I so tightly hold you.
I love you my Kira and so long to be with you
sharing sweet kisses and snuggling so lovingly.

Sweet sweet Kira feel me so close right there beside you
wrapping my arms so tightly around you
giving you all of my deep warmth and infinite loving comfort.
I miss you and want so badly to be spending this evening
with you snuggling so tightly and kissing so very tenderly
as we watch the movie and later do some reading
and as ever one of my very favorite things with you
spend some time talking about whatever we feel like,
I'm right there beside you in spirit to share
those kisses and snuggle so sweetly
and I'm here as well dreaming of the lady I want
to be with through all eternity.
I'll never leave you my sweet darling Kira and am
so anxiously waiting for the time I can hold you

and give you these tender kisses.
I am sending you such infinite love which
I hold within me and want you to know you truly are
my best friend, my hero, my Angel and everything.

Michael P. McParland

Great Thanks For Your Patience And Strength

I want to thank you sweet dear for all of your
loving strength with deep warmth you send to me
and thank you for your patience as I've spent
almost this entire day resting in bed with a
horrible headache that goes back and forth,
up and down, almost gone and then back in full force.
I think it is close now to fully gone
and I have eaten some food and my stomach feels fine,
I want to thank you so much for all that you give
and all that you do Kira my Angel I'm so deeply,
completely, and madly in love with sweet you.

To show you my great thanks I wish that I could
sit back with you as you curled up in my arms
and relax together as share some sweet kisses
and quiet conversation as the last of this headache
slipped into oblivion and could be forgotten,
and then here in a while take you out for
a very nice dinner to a place of your choosing,
whatever and wherever you like
because you are my Queen and I just want to
see you so very happy and smiling.
Thank you sweet dear for all of your loving peace
and deep caring warm patience and strength,
you truly are my everything and I will always be yours
ready to serve as I stand by your side hand in hand
giving all of my kind and caring love, warmth, and endless support.

I so truly thank you my Kira and want to just
be holding you and gazing into your eyes as
I kiss you over and over with thank yous
and I love yous between each tender kiss that I give you.
I so adore you and hope that you will soon
come and talk to me and our hearts can touch
each other as we are embracing,
so we can smile at each other just like we used to
and say I love you baby without a single word spoken.
I thank you my Kira and need to pour my heart out
directly to you to show you how much you mean

and are worth to your adoring Michael.
I need you sweet Kira because you are my best friend
and my heart just hungers for you and I need
you to know that you are appreciated my sweet one.
God bless you truly and feel my arms so tightly around you
as I send you sweet kisses and smiles so full of
true love and deep admiration.

Michael P. McParland

Love Note 421

Good afternoon my sweet love
and I am just rising from another stretch
of needed resting as literally after
I very last wrote you my headache
we nuclear and turned into
a full migraine quite quickly.
Knowing though that you were right there
with all of your deep care and endless
love so pure it helped me relax
and get some more rest and chase off
the great majority of this pain,
it still feels like a little bit more
but I wanted to check in to say
I love you so,
I adore you my Angel more than anything
that there is and will ever be,
you are the only one for me,
I love you so much and send you sweet kisses
and huge hugs of endless deep strength
and care from my very heart and soul.
God bless you my Kira and as I continue
to try and rest away this headache so bad
I will be dreaming of you
my best friend whom I so truly love
and adore to no end because you are the greatest
my beautiful girl.

Michael P. McParland

Beautiful Mornings With My Darling Queen

A very beautiful good morning to you
my gorgeous sweet Angel dove and I so
hope and pray that you slept well feeling so snug
wrapped and filled with all the loving warmth that I send
and I hope you were feeling deep comfort
with us snuggling in the land of dreams.
I love you sweet lad and wish you were here
for me to hold on this very morn so I could
gaze in your eyes and say I love you Kira my darling Queen
and I'm so glad you are right here with me,
I love you and wish I could be with you
to spend just one of the very beautiful mornings
a plenty that we will soon have.
Feel my arms around you as well as these sweet kisses
so caring and passionate that I send you.

My headache still lingers at points feeling
like it's ready to ease off almost completely
and then will feel as if it is climbing again,
so a prayer for me my sweet one that it will soon
go away as later this afternoon I have to go out
in this very cold winter day to do my shopping
in the already crowded stores,
I'm reaching out to take your sweet hand
so please grab mine back and we'll share our deep
loving strength that helps calm and heal so very much,
I wish you were here for a beautiful morning
to just spend time together reveling in the joy
of the bond that we share as true loves and best friends.
I can't wait for those beautiful mornings
when I can just hold you and give you massages
to help you not be in so much pain as the day comes and passes,
I am aching and longing for those beautiful mornings.

I need you for so many reasons first being
that I so truly and deeply love you completely,
and yes while I have needs for you that
I want help and support with I assure and promise
there is at the very least just as much

I want to give you and do everything that is possible,
I need you to give and share all of my love
and show you you're not alone and that
all the jerks who hurt you and rejected your love
are the biggest fools that there are
because they lost out on the most precious,
beautiful, and rare diamond in the rough
and sharing beautiful mornings are a large part
of sharing so much in the quiet waking hours
or with my strange schedule maybe quiet and sleepy hours,
beautiful mornings with my beautiful Angel
I so deeply yearn for and pray to God asking
that it will come so soon for two very faithful people.

So I sit back this morning and dram of a beautiful one
and the many to come spent with you in my arms
as I kiss you in true love all over saying
thank you for everything and I love you baby,
as I sit back here hoping this headache will soon be passing
I dream of you my beautiful Kira and send you
sweet kisses and huge hugs filled with true love and deep warmth,
know that I'm with you forever and always.
I love you, I love you, I love you, I love you,
don't ever forget my sweet Angel I adore you
and I love you.

Michael P. McParland

A Quiet Loving Early Morning Snuggle

It's been somewhat of a restless night
my sweet one as my headache never got better
and for a while got steadily worse,
it is still hanging around a bit
but I want to thank you for all of you
deep kindness and loving comfort because
you helped me rest and relax more than
I otherwise would have so I'm reaching out
to share with you a quiet early morning snuggle
as I close my eyes for a bit longer to try
and be totally rid of this headache,
I'm reaching out to hold my sweet lady
and give you sweet kisses also saying thank you,
I love you sweet Kira you're truly amazing.

So my sweet lady just rest your sweet head
on my chest as you curl up so tight in my arms.
I so truly love you and want to give you
deep peace and reassurance that I'm
with you in spirit holding you tight.
I'm giving you sweet kisses as I reach out
to so tightly hold you for a quiet early morning snuggle.
Never forget that I'll always be with you
and will never leave you because I so truly love you
and won't leave you hurting and broken hearted
to face this life and world all alone.
Just feel deep comfort and peace as I pull you so
close next to me knowing your Michael will always
stand by you giving all of my deep loving support
and being true to my only one and true love
Kira my best friend and soul mate with whom
I share the most blessed and sacred bond.

Michael P. McParland

Come Snuggle Sweet One 2

Will you come snuggle with me my sweet one?
I need to rest my head within your sweet arms
and ask you to rub gently and lightly my face and head,
another headache is setting in and I want
to lay down for at least a bit before it can set in.
I want to also just feel my sweet lady's comfort
as I close my eyes to relax and ease this throbbing
that is persisting within my head,
you bring me such peace my sweet lady so grand
so I ask you to please come snuggle with me
and softly talk as you gently rub my face and head.
God bless you my Kira I so truly love you
my darling Angel and I know you are right here
beside me holding me ever so tightly as I close my eyes
to dream of you my sweet lady as I rest to get rid
of this bothersome headache.

Michael P. McParland

Evening Note 91

Good evening to you
my beautiful sweet Angel dove
I so hope that yours is going well.
I am just sitting back and playing
my video game NCAA Football 14.
One thing that even when missing you
so very bad can help give me a smile
as I dedicate every win to you,
I know that it may sound cheesy
but I dedicate almost all the most beautiful
things to you my sweet one,
just you and my family my sweet Queen I adore,
I wish that you were here to play too
or just sit beside me watching
or reading if you wanted to.
A beautiful evening with my beautiful girl
is what we both so badly need
and deserve to have,
a time with our true love
and very best friend.

I also sit to look at your picture
for a short bit,
how your sweet smile always
melts my heart because it is
so beautiful like the woman who wears it
and the sight of those sparkling eyes
make me ache to just gaze into them
and get lost in the infinite beauty
and mysteries held inside,
you are my beauty and my heart shouts out
Kira I love you for you truly are
the very best and all that I want,
please come curl up in my arms
and let's just hold each other
so very long and so very tight,
I need you sweet lady and I know
that you need me as well,
we both need to hear the words

of true love softly spoken
as written words can never do
what we hold and feel true justice.
You are my Queen and I'll never leave you
because you are my everything
and entire universe.

Please just remember that I'm
with you always and have understanding
for me of why I am doing less writing.
I wish we could talk and I know then
that for you it would make full sense.
I love you just as much and as I've
always said each day my love for you grows,
I send you millions upon millions of
sweet tender kisses in droves.
I love you my Kira and will always
stand by you in true loving support
and deep caring as your loving Michael,
Kira I can't stand this life without you
and as you go about your evening
just feel me there beside you
holding you ever so tightly.
I adore you my dear and so anxiously
await to hear from you
and for the day I can hold you
so near and comfort you totally in full.
You are my Angel and my only true love,
please my sweet Kira have faith in me
and know that my love for you is undying
and there is no way it will ever run out.

Michael P. McParland

I Adore You My Beautiful Woman

I adore your sweet soul and your pure heart of gold,
I adore you my beautiful woman I so cherish,
treasure, and want to be holding giving all of my love.

I adore you my beautiful woman more than you
can possibly know and I hurt so bad to be with you
right now, later tonight, tomorrow and well beyond,
I adore you and want to be by your side
right now to take your hand and smile at you
while saying I love you truly my beautiful dear,
God bless you always to know and feel the truth
of my love and sincerity towards you
and then just give you a kiss straight from
my heart and soul on your inviting and loving lips.
I adore you my sweetie and need you so much.

I adore you my Kira and you truly are
the most beautiful woman in every way that I've ever told you
and I long for your soft loving touch
and to know my beautiful Angel in the most
wonderful and blessed way through true loving closeness.
I love and adore you my sweet precious Kira
and I want to snuggle with you right now
and later tonight as we just spent time together
reading our book, watching some TV,
sharing our music, and one of my most favorite things
just talking with you my sweet Queen of forever,
I just want to be wrapped up in your arms
because I so adore you my beautiful and gorgeous Kira.

I so truly adore you and just want to be with you
now with both of our hearts calm and filled
with deep joy as we just smiled at each other.

I love you so much and can't stand this life
without you my best friend and sweet Angel dove,
please come so soon so I can share with you
all of the love in full that I hold in store.
I only want you and just want to be in your arms
as I hear your sweet voice say that everything is okay.
I feel so painfully lonely in this world right now
and I just need my Kira to make me feel
loved and accepted because outside of my family
you're the only one in that way that truly matters,
I adore you my sweet one and am sending
the most passionate and loving kisses to give
you such peace and warmth through all of my strength.
Always remember that you truly are so very treasured
and that your Michael will give anything
to always make you so proud and so truly happy.

Michael P. McParland

Michael P. McParland

Waking With A Longing Heart

I have finally risen from my long needed rest
and once again dear I wish you a good morning
with these sweet kisses and huge hugs
of true and pure loving warmth that I send,
I love you so much and my heart so longs and yearns
in the worst of ways to be holding my Angel so close to me,
as I have awoken and am about to get up
I am filled with such longing for you
in my hungry and deeply loving heart to be seeing you
right next to me my loving and beautiful diamond and Queen.

As I now wake my sweet dear I want to thank you so much
for all of your loving strength and tender deep warmth,
it truly helped me relax and find deep peace to sleep
and I wish I could squeeze you right next to me
and then kiss you after a great big thank you.
I want to put kisses on your forehead, your cheeks,
your hands, the lightest little sweet pecks on your neck,
and then the most deep and passionate kiss on your lips.
I am so filled with longing for you my sweet darling
and wish I could spend this whole day with you
just spending time together and snuggling
knowing everything is now perfect because
I'd be with my sweet lady whom I'm never ever leaving.

So I wish you the most beautiful and gorgeous morning
my beautiful and gorgeous true love sweet Kira,
feel my hand within yours as I take it so loving and firmly,
close your sweet eyes to see my huge loving smile
with those tender looks of love I have only for you,
always remember that I'm right there beside you
and I am right here so eager and longing wanting
to serve you and be with you always,
I love you so much my most beautiful woman
and so hope you will come soon and marry your Michael.

Michael P. McParland

Morning Note 172

A very beautiful and very early
good morning to you my sweet Queen
and beautiful sweet Angel dove,
I pray you slept well wrapped up
in all of my loving warmth and deep tender care
also having sweet dreams of you and me
snuggling in those green rolling hills
and pastures under our tree,
I was dreaming of you I assure,
I love you my sweet Kira so good
and wish I was with you snuggling
for a good while more on this early morn,
I miss you my sweet one
and am sending you kisses so sweet
with great big hugs so very warm.
Oh my sweet Kira I just want to
be holding you here in my arms.

It was a restless night of light
and fitful sleep as I truly lay here
just missing you so very much,
I was dreaming of you in my half
sleep half wakeful state
and listened to Falcos album Wiener Blut
to finally help me fully relax.
Quite a few songs on there to
in the greatest of ways make me think of you
so that helped immensely as well,
I just so miss you my dear
and being with you rather it here or there
would be heaven and bliss because
I'd be with you my hero, my Angel,
my Queen, my true love and best friend.
So I am still very tired on this early morning
and am reaching out in spirit
to so closely and tightly hold you
for a very warming and loving snuggle,
feel my sweet kisses with all of my warmth
because I'm right beside you as ever

giving you all of my true love
which overflows from my soul and heart.

So I wish you the most beautiful
and wonderful of good mornings
my gorgeous Angel I so adore
as I reach out to snuggle and share sweet
kisses with you as I rest for a bit more.
I so truly love you and hope
that so soon I can gaze in your eyes
and tell you I love you sweet Kira
as I get lost in the beauty
that you hold inside behind those eyes
and feel those tingling butterflies
from the true and complete beauty you are.
God bless you sweet lady
and remember that your Michael
so deeply loves you,
feel my arms around you as I pull you in
for this warm loving snuggle
and just feel peace fill you up
as I tell you everything is going to be alright.

Michael P. McParland

where I just want to sit in our field of rolling
green fields and the most majestic pastures,
to lay on a blanket under a tree as I just held you
as we talked and snuggled for hours on end,

presence and loving touch.
Please my sweet dear hear the call of my heart
as it sings to you all of my tender love
through my favorite songs and all that
I love so I can share with you in pure
openness and trust my whole world
with you sweet Kira my best friend and eternal true love.

Please my sweet dear stop being mad at me,
if you only knew how badly it tears
at my soul and heart to know you are upset.
I love you so much and for all I did wrong
ever I am so filled with remorse and regret
and I know that being angry hurts us both in so many ways,
please know my sweet dear that I just want
to hold you so near and heal both of our
aching and very hurt hearts,
we are true loves and best friends who have always
stood up for and right by each other
so let's please so very soon come together
and begin our journey of happiness for eternity,
please my dear darling sweet Kira come
and let me show you and give you all of my
tender love forever and ever.

Please my sweet dear continue to always
believe in and have faith in your loving Michael,
always remember I am beside you and will never leave you.
I so adore you and my greatest fear is to lose you
and I will always give you my best and my everything,
I give you myself and my life in full freely,
God bless you sweet Kira I need you so badly
because I love you so deeply and more than anything.

Please my sweet dear know that you are my Angel
and you are the shining star that fills me
with light and gives me reason to live
keeping my very heart beating and you keep me going.

Please my sweet dear feel all of my true sincerity
as I send you sweet kisses and huge hugs
full of every last bit of my true love, warmth, caring,
and deep peaceful strength to wrap you up
and give you the reassurance you're needing.
Please my sweet dear know that I am also in deep
need of your comfort and warm snuggles so peaceful
so I truly ask you to come so soon and hold me.
I love you sweet lady and am right there beside you
so feel my arms around you as I pull you in tightly,
Kira please know always that you are a wonderful woman
and my very sweet Queen Angel whom I'll always
adore and treasure and want to be with for all eternity
as your most faithful, dedicated husband.

Afternoon Longings For Gorgeous You

Sitting here on this afternoon I have
a bit of a headache and just wish you were here.
I wish you were here to sit by and hold
and just rub my face and head as I wait
for the Excedrin to take a hold.
I wish you were here just to spend time
while we talked, laughed, watched TV, and read.
I long for you and your endless love
and to give you all of mine in return,
I love you my sweet Queen so good and I long
to be holding you so very soon.

Sitting here on this afternoon and even with
this headache I cannot yet lay down
and rest my head to relieve this pounding stress,
I have to wait for the pharmacy to open from lunch
and see if my prescription will be filled today or not.
I've been so filled with anxiety as of late
and I wish you were here to sit with for the next
short bit as I wait to call which I hate,
and if they do fill it today I so wish you
could be there beside me to calm my nerves.
To be there to talk to and be able to focus
on Kira my true love I so deeply cherish.
I wish you were here to just be with no matter
where I may be because being with you
is just what I want and so long for.
