So I sit here and dream of you my sweet
gorgeous Angel I so deeply long for,
I want to be holding you and spending time
snuggling and kissing as I wait for the stressful
things to pass by me and then just spend
the rest of this day with my lady for whom I'm so longing.
I miss you sweet Kira and love you so deeply
so feel all of my warmth and deep loving
as I send you these sweet kisses and huge hugs
of deep tender caring.

Michael P. McParland

Night Note 152

Hello my sweet beautiful darling
I truly so cherish and love.
As I've sat here watching my shows
and playing my new video game
which they've made too difficult
unlike past versions for a dummy like me
I've thought of you and just wish
you were here to be with me
spending time and snuggling,
and you could help me through this game
which I'm disappointed that it is so hard
and makes me feel stupid in so many ways,
I just want you here by my side
in all ways because I love you sweet one
and as I get ready to watch
either a movie or more of my show
I want you here to curl up in my arms.
I know you're upset and think right now
that I don't care and you're worried
that I'm pulling back and leaving
I assure you that I'm not
pulling away or leaving today
or any other day my sweet girl
and I care for you more than anything,
I love you sweet Kira and need you
to understand that I just can't write
like that anymore for many reasons sweet one
and you'll have to talk to me to know why in full,
I won't live our situation
or my life on this stage for reasons
I know you would care for and understand.
I love you sweet Kira you truly are
my everything.

So as I go about the next number
of hours I will try eating a little something,
I'll be dreaming of you as I send
sweet kisses with huge hugs
and my loving warmth too.

Feel me beside you holding you tightly
as I tell you that you are
the best and so very good,
that you are my Angel I so fully adore.
God bless you and keep you warm
and with his love and mine feeling so peaceful.
I love you sweet Kira and please
stop being mad at your loving Michael
because I would give anything
for just one single snuggle.

Michael P. McParland

Snuggling With You Tonight

Waking up a while ago my dear
all I've felt is sadness through and through
with deep amounts of frustration too.
I just stayed lying here missing you
for the longest while,
feeling sad as I so long for you
and frustrated that I can't reach out and talk.
And now as I plan to get up I just want
to sit back with you and snuggle so close and tight.
I love and miss you Kira dear and want
to be snuggling with you tonight.
I love you so very much and will always be by your side.

As I get up to go out and sit and watch some NetFlix babe
I don't know what to eat or if I even will
because I don't feel like cooking right now at all,
plus all I crave is frozen solid just making sad frustration worse.
I love you dear and just want to hold you near
so we both can be happy and okay.
I am worried about you dear and I'm in despair,
I want us both to just feel happy and at peace
as we are snuggling through these nights.
I love and miss you dear my Angel true
and just want to hold you my sweet best friend
I hold so very dear.

As I get up to just go lay down on the couch
and try to enjoy my shows I'll dream of holding you
and us snuggling through this night,
I'll be praying in my heart for you to feel me there
with all my warmth and love,
as in spirit I hold you close giving kisses so sweet
and full of tenderness straight from my soul and heart.
I'll be praying that we'll be in each others arms so soon
because I have faith and trust in God,
and may he bless you so deep that you will know
that your Michael is pure and true in all my
dedicated faith, love, trust, and care for you.
I love you babe and miss you so because you are my Queen so good,

feel my heart Kira as it calls to you and know I'm always yours.

Michael P. McParland

A Beautiful Morning With My Beautiful Kira

A beautiful good morning to you
my beautiful girl and I hope that your night
was peaceful and that you slept well
with the sweetest of dreams on me and you,
with you wrapped up in my arms as we both smiled
and I gave you the sweetest kisses straight from my soul.
I love you sweet Kira and am always sending
all of my warmth and love straight to you
God bless you my sweet one and a beautiful good morning to you.

I wish you were with me to spend a beautiful
and quiet one in each others arms just sipping at our coffee
as we sat here snuggling and quietly talking to start the day off.
Then do some reading and just escape together
into other worlds of fun, laughter, and deep adventure,
and afterwards curl up so cozy and watch some amusing videos.
A beautiful and quiet morning with you my beautiful Kira
is what I'm dreaming of and so deeply long for,
to just be with you and knowing all within
the world and life is truly so good.

A beautiful morning with you my beautiful Kira
is what I so want as I begin to feel tired
and soon want to nap for hopefully just a short while,
to just hold you and kiss my darling Angel
and feel peace deep in my soul as I so closely hold you.
I love you sweet Kira and hope that so soon
I will be with you just looking upon you
as I say you are my best friend and soul mate
and I so dearly love you.
You are my diamond in the rough and my Queen
and I adore you to no end.
A beautiful good morning to you my beautiful Kira
and remember always that I am your Michael
and I am right here for you and right beside you
holding you ever so closely in true love and admiration.

Michael P. McParland

I Miss You 19

Now rising my sweet one from another
fitful stretch of sleep
I wake feeling so very sad
because I'm not right here next to you.
I love you babe and miss you so
what am I to do?
What are we to do sweet one two people so in love?
What are two best friends so faithful
and so very true to do without each other
holding hands right there at our sides?
I truly love you so my precious girl
and want to cuddle you.
I love you my fair one and want to
spend this night with you.

As I get up now to eat a bit since I haven't
eaten in a day or more I want to cook you
some of these egg rolls and snuggle up with you.
Share with you this interesting show on NetFlix
that I have been enjoying dear.
A Sci Fi show from the mid 90's called Earth 2,
I think you might like it babe but I'm not fully sure,
I just want to sit with you and spend time so close and good,
I miss you babe so very good and don't want to write
but literally be side by side laughing, talking,
having fun and just spending time.
I miss you my Angel Kira dear and want you here
and to be hold you and your sweet soft hand.
I love you Kira dear you are my heart and soul,
you don't call me crazy or laugh at me like so many here,
you love and accept me for who I am just as I do with you.
We share true loving care and I adore you dear.

So as I rise in full to go do those things I want
it is with a sadness that won't be gone
until I truly hold you near,
dear I am there beside you now and in spirit
hold you so very close to me,
I will never ever leave my Queen because

you truly are my only one and everything.
I love you babe and want you here because
my heart aches and even screams to have you by my side.
I miss you dear my beautiful girl because
we share the most wonderful sacred bond.
I long for you and miss you dear because
I love you more than anything.
So feel my sweet kisses and my big hugs as I
send them all to you and remember that your Michael
loves and cares for you because you're all I want and need.

Michael P. McParland

Love Note 419

Hello Kira my gorgeous one
and sweet Angel dove
and I so truly love you and hope you are well.
I know you're upset at me
and I wish that you weren't,
please don't be because I love you so much,
I need your understanding sweet one
because I feel so deeply stressed
and am uber depressed,
I miss you so much and need to talk,
there's so much to say
and it's all stuff I don't want to write.
Kira I'm tired from the writing and can't do so much,
it's stressing and it's tiring
and I don't want to do things this way,
I want you here by my side to hold
and to spend time because you are
my best friend and my true love,
I want you with me my sweet darling one
and I need you to understand
why the many reasons the writing
has just become to much for your man,
it doesn't mean I'm not going to write for you
it just means it's been too much
for far too long.
It weighs on me for many reasons
when all I want is my Kira to
talk to and give my private words.
I love you my sweet darling
and just want my Angel within my arms.

I've spent the past two days in bed
sleeping almost the whole time
and the other just listening
to the icebox radio playhouse audio books that I have.
A nice fun show from northern Minnesota
that is a podcast I love,
it's what I've needed as I lay there
trying to keep myself at one,

and you know I have been dreaming of you.
I love you my dear and miss you
so bad I just cried at times
and often do.
I know you're upset and all that I want
is my baby darling right here in my arms,
I love you sweet Kira please come so soon.

I've told you I won't leave you
and that is the truth,
I will always be beside you no matter what,
I will always be here for you
with open arms and a wide open heart,
I just can't keep going on the writing
on that kind of clip and way too much
personal stuff has been given
in a public way.
I want you here with me my darling dear,
like after this I wish you were here
to curl up in my arms after I cook up
some egg rolls I have in the freezer,
to fry them up and share with my Kira
nothing could be better as we sat
and watched a good movie.
I love you my Queen and want to be with you forever,
you're all I want and I need you beside me.

So my sweet Kira please understand me
and feel me beside you holding you tightly.
I'm sending sweet kisses and hugs of pure warmth a plenty,
I'll never leave you because I love you completely.
Kira I need you and I love you
more than anyone can ever know
or even come close to comprehending.
Know that I'm with you and await
anxiously for you to come and start talking
and know that I will be writing.
Feel all of these sweet kisses
and hugs I am giving
and remember I am your Michael
to no end for eternity.
I love you sweet Kira you are my everything

and may God bless you in every way
and to feel all of my love that I am fully sending.

Michael P. McParland

Love Note 418

Hello sweet Kira my true love
I miss you so much and wish
you were here to sit with me right now.
I just awoke about 15 minutes ago
and had to eat something right away.
Please don't fear that I've gone anywhere
or have just disappeared my sweet dear,
I love you deeply and will never leave you
I have been sleeping and out of it the whole time.
I love you sweet Kira and I need you so bad
as I just feel so broken right now
and I want to hold my Angel so bad,
I want to hold my Queen so close,
I'm feeling so sad and am going to
just lay back down on the couch
and want you to snuggle with,
I send you sweet kisses of pure loving warmth.

Kira I am not leaving
and I never will because I love you
deeply and want only you.
We need to talk and come back together,
we need each other to be with
and we both know that completely.
Please just reach out and hold me
and I will also be holding you tightly,
I need your love my sweet precious lady.
God bless you my Kira I so truly love you
and adore you.
I just want to talk and bein your arms,
come lay with me and be near me my sweet
precious Angel of forever.

Michael P. McParland

Sweet Kisses And Snuggles Of True Love

Good evening to you my sweet love
and I hope you are well and feel all of
my sweet kisses and huge hugs of true love and pure warmth,
I hope you are doing okay and wish I
could be with you spending the night
in each others arms snuggling and giving comfort
to each other directly as we just talked and smiled.
I love you sweet Kira and wish I were with you
to share sweet kisses and snuggles of true love
that would make all of our aches better.

I'm not feeling well at all my sweet dear
and wish I had my lady beside me to help calm
these aches and help relax me.
My head is aching a bit, I'm exhausted babe,
my stomach is bothering me and just a general blah.
I'm about to close my eyes again but I don't know
if I'll even be able to find real and good relaxation.
I just want to be with lying down talking
and feeling you here next to while I try
to beat down these icky feelings.
I want to be with you sharing sweet kisses
and snuggles of true love so goo.
Kira I want to be right here with you.

So my sweet Kira as I lay down I send you
sweet kisses and snuggles with all of my deep love,
please say a prayer for me that I will
get some good rest and sleep to feel better my dear,
please hold me so tightly as I hold you tight in return
and just share with me sweet kisses as well.
I love you my darling and will be dreaming of us
together spending great times.
I miss you my Angel and have nothing but deep
tender care and true love for you,
feel me there with you as I am ever
and feel my arms around you as I hold you so tightly.

Michael P. McParland

I Lay Here Crying For You

I lay here my dear having woken shortly ago,
feeling so anxious and so very sad
and very quickly started to cry.
Crying for you to be here by my side
because I love you so much and miss you so bad.
Crying because I need you to be with me
so I can see you're okay my sweet one
and so I can help you understand
so much of everything my darling one.
I lay here crying my dear because I so badly need
to be in your arms.
I love you sweet Kira and am crying out
to be with my lady and feel your comfort,
you are my Angel and I want you right now.

I lay here crying for you because
I'm scared my sweet one of so much,
I'm afraid of losing you for one
and I get so very scared that on days
like today and yesterday where I don't write much
that you are hurting and worried that I don't care
when the truth is I love you more than anything,
I want to talk to you though and have you here
to look at and hold,
I haven't known how to tell you that sometimes
all of the writing becomes to much to handle,
it is so stressing in so many ways
on so many levels to do day after day after day
and I'm terrified that I can't explain that properly
and you will feel hurt when I want to talk to
and write for you but I feel so overwhelmed my dear one.
I lay here crying for you because I love you
and miss you and am in need of you.
I love you my lady and please don't be angry
because you truly are my everything.

Oh my sweet lady I am just lying here
after all of that crying and I still feel such anxiety,
I love you so deeply and I just want to hold you.

There's so much I want to say but right now
I can't even pick apart things as it's in a jumble.
I lay here sweet one and just want to be with you.
You are my true love and I will swear to you always
that I'll never leave you and will always
be here for you and right beside you,
you are my Angel and best friend who I want to be with
and get married for all eternity.
I love you sweet Kira and I just want to be
with you giving all of my love so deep and tender,
my love for you is endless and unconditional.
Fear not my Kira I will still be writing for you
and I will write here a bit later,
I'm sending you sweet kisses of true love
and huge hugs of pure warmth.
I love you my lady and feel me wrap my arms around you
as I am always beside you.
I love you my Kira and truly adore you,

Nighttime Longings

Sitting back here my sweet love
on this quiet night the tiredness ebbs and flows.
First it was moderate then I felt good
with little more than a slight lag in my feel,
right now I feel a bit tired but one thing
that's not changed has been my dreams, thoughts,
hopes, wants and longings for you.
I may not have written dear but I have been with you
as I've sent all my caring warmth and deep love,
just as you've been with me as I've felt you close.
I love you so much and just want you here with me
to snuggle and spend time together.

Sitting here my sweet dear and I've just been
feeling so quiet and still am my fair lady
so please don't ever worry that you've been forgotten
as I can assure you and promise you'll not be,
I wish so very much that you were here with me to hold
here at my side as I watched interesting YouTube videos.
Rather you were awake watching with me
or you had your head on my chest as you got some good sleep
I would just be thrilled to have you here,
just for you to be in bed next to me within my arms
would be the greatest thing that there is
and a blessing as it would be heaven on earth.
Nighttime longings fill me up as I love you and miss you so much,
Kira my darling you are the best and I want you to know
that you are my best friend and true love to no end.
I want you here in my arms so very soon.

So as I sit here on this night where I am feeling quiet
I'm just thinking of you as I do what I do,
I long for your company and to see your sweet smile,
to hear your sweet voice of an Angel.
I long to share kisses and as I look into your eyes
say Kira I love you and am yours forever,
I long to give you comfort as I hold you
and we just sat back in bed here together spending time
and just being together.

I'm filled with wanting and longings for life as it happens
my sweet darling Kira and right now it is nighttime
and though we will sleep through most of those
there will be plenty like this and I wish you were here
to be sharing it with,
my heart is yours and I hope that so soon we will
be together rather it here or I am there with you.
Either place is fine as long as I'm holding my Kira.

Now feeling not quiet as tired still I am filled
with nighttime longs and reaching out to hold
and snuggle with my sweet gorgeous Kira,
feel all of my warmth and love as I just hold you
and give you the sweetest of kisses,
be filled with the deepest peace and pure comfort.
I am here my sweet Kira and I never stop
thinking of or wanting you with me,
I'll never leave you because I feel empty without you.
God bless you sweet lady and just relax as I hold you
and give you the sweetest most passionate loving kiss that there is.
I am right here my sweet darling and right there beside you
because you are my diamond in the rough
and I so truly love you sweet one.
I adore you my darling and sweet Angel dove
and will through eternities time.

Michael P. McParland

Night Note 151

A very good night to you my dear
and I so hope your night went well,
I have been thinking of you
and sending all of my love and care,
I love you dear and I hope you know
just how very much I do in full.
You are my Queen and my Angel
and I adore you my sweet darling of forever.
I'm sorry if I am so quiet
but that is just how I am
feeling tonight my sweet lady.
I wish you were here to sit by
and listen too while saying what
I'd like when I want to,
it's just not a mood or time
for writing so please my sweet love
don't fear that I'm angry or something
I'm just feeling quiet and a bit tired
but I think of you and long no less than ever.
I love you sweet lady
and want you to always know that
as well as I'm with you always.
You are my hero and soul mate
and I want to always be with my best friend.
Please just understand that
I'm feeling quiet,
I love you sweet lady and I am
still right here and right there.

So my sweet love know that I'm with you
holding you closely and will be
through the whole night stroking
your hair and rubbing your back.
I give you the sweetest and most loving kisses
as I say goodnight my precious Angel,
God bless you and know that I'll never leave you,
you are my true hearts desire
and I want to be with you always,
I will always stand by you my Kira.

So know that my heart, thoughts, prayers,
and spirit are with you even though
I am just feeling quiet
and I will be holding you tightly.
goodnight my darling and I will write
before morning to remind you I'm there
and to give you a squeeze.
I love you Kira and of that you can
always be certain because you've always
been and always will be the one
I feel so tender and true for.
Sleep well my sweet darling
and please know you're not alone
and never ever forgotten.
I love you Kira and am reaching out
to hold you so tightly,
remember I am your Michael
and I always have been,
have not a fear because I am all yours
and that will be the truth for eternity.

A Quiet Saturday Night With You

On a Saturday where I slept through
most all of it and the few hours I've been up
have flown by so fast I can't believe it
I'm sorry sweet one if you've been feeling
so very lonely today and truly since I last
wrote you I was just watching videos
and time speed by as if it had been sped up.
I am sorry and the whole time I did think
about you and wondered how you would have liked some things
and wish you were here to join me.
I love you sweet lady and can't wait to share
a quiet Saturday night like tonight with you
my sweet precious Angel of light.
A quiet Saturday night with you the woman I love
and want to be with for all time.

A quiet Saturday night with my Kira so beautiful
and my best friend, the love of my life.
A quiet night to just snuggle and enjoy
the early evening to middle with the kids,
then later just us sitting and talking,
sweet kissing, reading, watching videos and movies,
just us spending time feeling happy
in the joyous love that we share.
A quiet Saturday night with my only one
would be the greatest dream come true right now.
I love you sweet one and I wish you were here
to spend time snuggling with me.

Feel my arms around you my sweet darling Kira
as I reach out and wrap my arms around you,
feel all of my love and warmth in these
sweet kisses of deep care and strength that I send.
I wish you could be with me enjoying
this night as right now I'm just watching
whatever video may catch my eye and my fancy,
I wish you were here to be next to and holding
sharing a beautiful quirt Saturday night.
I love you sweet lady and you truly are

never forgotten and in my thoughts always,
you are my heart and it is so filled with
love for you sweet Queen of my court.
I love you sweet lady and am with you as always
so feel me holding you tightly and see me
smiling so loving and brightly,
I know we will have our quiet and loving Saturday nights
and I truly can't wait to be with my Angel of light
whom I'll always stick by and love through all time.

Michael P. McParland

Love Note 416

A very good evening to you
my beautiful girl and
sweet Angel dove.
I'm sorry my love if you are
worried or upset because I've been quiet,
I've literally slept the whole day
as it took me a good while last night
to fall off to sleep
and I was already extremely tired and spent,
even as I woke up about 10 to 15
minutes ago I can still feel
a tiredness in me my love.
I thank you for your patience and kind love
and just ask you to please continue
being understanding.
There's so much that in this way
can make little to no sense
but when we talk it all will.
Please just remember that I will
always be faithful and never leave you.
You are my best friend, my true love,
and my gorgeous Angel.
You are my everything and I want
to be holding you at my side forever,
I want to be your sweet husband
with you as my sweet wife through eternity
always sharing sweet kisses
and being there for each other.
You are my sweet Queen and I could
never bare losing you
so trust me my dear that I'll always
be with you giving my best
and my everything.
Kira you are the greatest
and I adore you fair lady.

I miss you so very much
and wish you were here to be with me
and share the dinner I'm about to eat,

then just snuggle away the rest of the night
as we watched some movies and videos on YouTube,
read, as well as just talking
and sharing sweet kisses while
we enjoyed the peace that being together brings.
I miss you sweet Kira and wish you were here
because I love you more than anyone
can ever know.
Just ask God when you need to and he will
help you feel all that I have
as I have always asked him to do.
I love you sweet Kira and I will always
be with you because I want to give you
all of my caring love
and have both of us enjoy a life of fulfillment and joy
by being with our true love who truly care
and will always be faithful in every way.
I love you sweet lady and send you sweet kisses
and big hugs of deep love and pure warmth.
Feel me there with you because
I am always holding your hand and smiling at you
in pure love felt through and through.

So as I now get up to eat
and just do a few random things
remember I love you so much and feel it so strong,
feel all of my love and warmth as
I send it your way to wrap you up,
I send you sweet kisses and hugs full of deep strength,
you're not alone my sweet one
because you have me.
I love you my Kira and remember as well
that I will forever be your Michael.
I love you sweet one and so wish you were here,
God bless you my Queen
and just feel my arms wrapped so tightly
around you as I send my love.

Michael P. McParland

Sweet Goodnight My Angel Of Light

A very sweet goodnight to you
my Angel of light and let's now together
end this night in bed snuggling so tight,
let's climb underneath the warm covers
and snuggle with each other sharing sweet kisses
and words telling each other how much
we love one another.
Let's go to bed and just spend a bit
of time snuggling, kissing, and gently talking
my beautiful Angel of light.

A very sweet goodnight to you my Angel so bright
and just curl up in my arms and I'll pull you in tight,
rest your head on my chest and I'll
stroke your long hair and rub your back,
just cozy up my sweet one and feel all
of my loving care and deep warmth surround you
and fill you as I give it in full
to you my dear Angel so you will feel peace
and get some good restful sleep.
I'll be holding you sweet lady through the whole night
so feel my heart beating its love for you Kira.
Feel my sweet kisses and all their true love.

I'll see you tonight in our sweet dreams
my sweet Angel of love and light.
A time for us to just spend time with each other
and forget the outside world for awhile.
A time for us to just hold each other and kiss,
a time for us to just sit and talk
as well as getting lost in each other
and whatever fun we are having, be it on a walk,
playing a game, reading, or just watching TV.
Just as it will be in real life when our time has come,
we will just get lost in each other
and the joy of our true love as we just enjoy
each others company like we always did.
I'll see you tonight in the land of dreams
my sweet Queen and Angel of light.

I'll be dreaming of you as soon as I close my eyes.

A very very sweet goodnight to you Kira
my Angel of light and forever,
I wish you a sweet goodnight with sweet kisses
as I reach out to hold you and snuggle
so we can talk away feeling whole and peaceful
as we drift away to fall asleep in each others arms.
I love you sweet lady you're my everything.
So snuggle in tight and feel the deep comfort
of knowing I'm with you and will be always,
you're not alone and you'll never be my sweet dear,
let's go to sleep now my beautiful darling.
Again I wish you a goodnight so sweet
and with a passionate kiss say Kira I love you
and can't wait to be with you each day and night
holding you tightly.

Michael P. McParland

warm and loving snuggles before bed.
Come curl up in my arms so I can pull you in

A soft kiss to express my deep feelings of tenderness.

I Need You 5

You are my best friend, my true love,
my Angel and my darling hero.
I love you sweet one and long to be with you
forever through all time holding hands while we smile,
talk, laugh, and just bask in the joyous days
of eternal love and youth,
I need you my dear and the reasons are more than a few
but a few are all I will now be able to do
but I hope they will show so very much
to fill you with warmth
and help you see how deeply I love and care for you
always standing by you giving my everything.
I need you sweet lady because you are the greatest
thing that's ever happened to me.
I love you sweet lady and need you to see how wonderful
and gorgeous you are deserving endless true love
in it's pure form of unconditional care
as much and more than anyone else my sweet Angel dove.

I need to just see you each day in all of your beauty,
to see that big smile that lights up my whole
soul, body, mind, heart, my entire life in full,
along with those sparkling eyes that hypnotize
and mesmerize as I get lost in their beauty
then through to the endless beauty inside.
I need to just see my gorgeous lady
and feel my heart melt in your presence
and show you how much you affect me my sweet one.
I just need to be able to see you
and take you within my arms and hold you so long.

I need you to see that you are so beautiful
and just help you to heal from all of the past harms,
not just from those mistakes I committed
but to help heal your heart of what other jerks did.
To show you how you should have been treated always
as a true Queen who a man with true love will serve her,
protect her, and always be there to provide comfort,
company and known stability that her King will

always be right there beside her and to turn to.
I need and want you to be treated as you deserve to,
like the rare and treasured diamond in the rough
that I so truly care for, cherish, and treasure
in true love to no end.

I need you because you're who I love
and we share such a special best friendship and bond.
I need to show you all of the endless
and stored up love that I have and feel,
love I saved and have to share with only you.
I need you because I want to give you in full
that love as I said before you've so truly
and so long deserved and I need you to see
that you are deserving of such abundance of love
and to quit downgrading yourself as not.
You are a beautiful woman and I want
and need you to know that.
I need you because you are you and I love my Kira
to no end with no conditions.
I need you because you are truly charming,
warm, and contentment to me.
I love you sweet lady and need you to know
just how much you mean to me.

I need you just to talk to and share
all that both of us have been longing to,
and to just share memories and thoughts
across topics of the world and universe,
I just need you to be here to talk to and listen
as well as in turn talk to me because I'm listening.
I need you to be here and share my world
because even though it may be hard at times
I want to share it with you and no other dear,
and I want and ask you to share yours with me as well.

As I come to my close I need you here in my arms,
just to feel your warmth and sweet comfort
as I feel your arms around me and your body against mine,
I need to share hugs and sweet kisses throughout each day
feeling a close bond in relationship I've never had.

and celebrate the true love that is held between us sweetie.

Michael P. McParland

Love Note 415

Good afternoon to you
my sweet Angel dove and true love.
How has your day been my sweet one?
I pray you are well
and feeling peaceful with
contentment at heart
as I send you all of my warmth and my love
along with sweet kisses
and huge hugs filled with deep tenderness.
I am sending my everything
and am beside you as always,
hand in hand forever my sweet precious dove
and right here if you want or need,
I'll always be here for
the beauty I so adore and revere.

I've just been lying here
for the last little while
cat napping, dreaming,
and letting my mind wander to various things
and as ever you are a major
part of all those many places
my mind and heart go,
all good and so loving my dear
so have not a worry,
they're always bright thoughts
aside from the worrying of how you are doing.
Beyond that just that beauty
that is Kira my love.

I wish you were here to be with
spending time and sharing our company dear.
I wouldn't be the greatest
company today I fear my sweet dear.
Back and forth between talkative
and then very quiet and withdrawn
so I'd be a bit boring.
I know though you would just
be thrilled to be with me

and talk to me though as you always were.
That means more to me
than you'll ever know to like
listening to my ramblings on
and not finding me boring really at all.
Just one more thing to love about you,
you truly are my perfect Angel my dear,
you're without a doubt the only one
that I'll ever need or truly want,
it is you that I trust my sweet Queen of true light,
it is you I'll let in behind my walls
and nobody else.

So I just wanted to say
I love you babe more and more
each and single day,
I've never wavered on my feelings
and knowledge that you are the one
I want to be with through eternity
just as there is no doubt
that I will always stand up for
and beside you to fight with and for
through all things in life,
literally no matter what it might be my love
because I will be your rock
just as you are mine dear.
Never worry that I won't be there
when you need me dear
because I give you myself
in full without any conditions at all.
I love and adore you in full
just as you are.

So please continue to have a good day
and close your sparkling precious eyes
to see my looks and big smile of love,
feel all of my warmth with that deep love
in all the sweet kisses, strength,
and huge hugs of pure care that I send,
I'm right beside you taking your hand.
You are so treasured and I'm praying that
so soon you'll be here right beside me

sharing our time each day in full
because we share a bond of true love.
God bless you my darling
and feel so happy and peaceful.
Know that I love you and that as I go about
doing this or that to stay busy
I'm dreaming of you and my heart beats for you too,
and remember if you just want me babe
or are in need at all I'm right here
and will do anything and everything that I can
because you are my Angel and true love
whom I give my heart, soul, and very self to for all time.

Michael P. McParland

I Only Have Eyes 2

I only have eyes for you my sweet one,
my heart only calls to and longs for you,
your soul is the only one that
from top to bottom in every way glows.
I only have eyes for you my sweet Queen,
I'll always remain true to my Angel so good.
You are my everything and my best friend for all time,
you are my soul mate and eternal true love
and I only have eyes for you my hero so solid.

I only have eyes and a heart for you
and I dream of you always my sweet precious darling.
I'm wondering how you are and dreaming
of all the beautiful things in our bright future.
I only have eyes for my Kira because she
is the greatest and so very wonderful.
I have seen her sweet heart and soul
and they truly are a marvel of divine beauty.
I only have eyes for my northern star
whom I will be with through all eternity.

I'll only ever have eyes for my beloved
because she fulfills me in a way no other has.
She is my best friend and fills the void
of what is so badly missing in life.
She's my other half and a gorgeous Queen
who truly means everything to me.
I only have eyes my precious sweet Angel dove and rare diamond
I'll never have a bond nor do I want one
with any other like I share with her.
A bond of true love and pure care that has
been blessed and given from heaven
and I'll only ever have eyes or desire to be with her
forever through all space and time.
I only have eyes for my sweet darling Kira I love.

Babe I'll only ever love you and you are
all that I need to fulfill me and make me happy
in matters of love.

I'll never need or be in want of another
because I am yours my sweet precious darling,
I truly love you more than anything
and I'll only ever have eyes for my gorgeous Kira
my sweet Angel bride.

Michael P. McParland

as well as your fire.

you are a truly wonderful pearl
and I want to share all of my love with you.
Love you deserve because in and out you're so beautiful,
nothing but sweet tender love fills me my dear
because you are my soul mate and your heart
is so truly loving and soft giving so much
and I want to give you that love in return.

I am filled with sweet tender love
for my sweet tender dear and Queen I adore,
you are amazing and the one that I want.
I'll stick by you forever because
life without you is so truly empty.
Even if I were to ever be with another
my heart, thoughts, desires and all that
I am would still be with you.
Sweet tender lover for you is my soul and heart
and I send you sweet kisses of contentment and hope.
I send you my true love and deep care
as everyday to no end for you my heart melts.

Sweet tender love and deep caring warmth fill all
of these sweet sweet kisses and big hugs that I send,
feel peace and my strength fill you up as well as these.
Know that you're loved to no end.
Sweet tender love and pure desire to give you
all the best that you need is what I so want.
To share all of my love and show you the true care
you deserve as the Queen that you are is just one
of the many endless loving things I wish to share.
Sweet tender love my sweet Angel dove is all
you will see when you look into my eyes,

I want to spend eternity at your side.
I love you sweet lady and long for your company
so I can hear your sweet voice and see your bright smile,
then just look in those gorgeous eyes and let you
see my whole soul as I lean in to kiss you.

Michael P. McParland

Afternoon Longings

Such a very very restless afternoon
my sweet dear and I'm having trouble focusing
so I truly apologize for my sparse writing
as I just feel so very restless and my mind
won't stand still for a good amount of time for me to focus
as well as I am feeling so emotional.
Emotional from missing you my darling dear,
and frustrated by things and people in the world.
I'm just longing for you and all of your peace,
I love you sweet Kira and I am truly sorry
if I'm right not not quite up to par
and you would understand much better if I could
talk to you and describe it in full.
I'm longing for you my Angel of light
and all the solemn care and contentment you have.

So my sweet dear I am truly so sorry
and I hope you aren't upset at me.
I can understand why when you have not been
knowing how overwhelmed I have been feeling my dear
and I am so longing to be able to just
share all the thoughts and feelings that fill me up,
so very many are happy as well but I have no one
around that I trust to share them with in
the odd quirky ways that I do
and I'm sitting here long for my trusted best friend,
I'm longing for Kira my trusted Queen, Angel,
soul mate, hero, and best friend,
the woman I will be by hand in hand through all time.

So I send you sweet kisses to tell you
I love you sweet Kira and I'm very sorry,
I long so very much for your great company.
You are amazing and I will never be leaving
or give up on you my darling forever diamond,
I will always be your Michael for all time.
God bless you and help you to know
always my deep commitment and true love
because you're all I want and I am longing

so hard to just be holding you right now
saying you are the great and my true one.

Spending The Afternoon In Your Arms

A very good afternoon to you my sweet love
and sitting here alone ever so tiredly my dear
I think of you and wish we could be spending
the entire noon in each others arms
relaxing and talking among other things too.
Spending the afternoon in your arms
with you in mine too is what I am dreaming of
and my heart achingly calls for.
A beautiful afternoon with you by my side
would be the most wonderful thing that there is.

Oh my sweet lady how I miss you so much
and I want to be in your arms while we sit back and relax.
To watch a bit of a movie and some TV
and to read more from our book would be amazing,
but more amazing of all would just be holding you
and being in your arms as well as we spent some good time.
Both of us sharing good thoughts and memories
as we just snuggled up and held each other,
I just want to be in your arms and forget all
of the entire world and its stupid problems.
I want to be with my Kira who means everything to her Michael.

Oh my dear precious Angel how I just sit here
wishing to see you, talk to you, and be holding you
telling you that you are so amazing and special.
I just want you to be holding me telling me
that everything is okay and you are right here.
I want to hold you in person as I now do in spirit,
I pray that so very very soon we will be spending each day together,
I miss you my lady and need you beside me.
So for right now I will be here dreaming
of us holding each other so loving and tightly.
I will be dreaming of my Kira whom I'll love for ever,

Early Evening Snuggles

Here in this early evening dear
and it's a tired one still that has just
been so very sluggish and I miss you so very bad,
I just want to lay down in bed to put
on my music or podcasts and dream of you my gorgeous Kira.
I'm growing more tired and so the sadness
of missing you is heavier too,
it always hurts dear but as you so know
tiredness seems to make if feel so very much worse.
So as I sit here in my bed I just wish so much
were here right by me snuggling away.
Early evening snuggles with my only babe
is what I ever so badly want and need.

I love you sweet Kira and miss you so badly,
I just want to lay down and rest my head by yours,
I would ask if you would rub my face and head
ever so gently my dear,
I need your comfort my precious dear
and early evening snuggles with the sweetest kisses
are just what is needed my sweet Angel of beauty,
I just want to lay beside you and say
Kira you are amazing and I so very love you.

Kira my darling how I desire to hold you
and just be that way for the longest time
just talking, kissing and resting,
I'm just sitting here so tired and hurting
without my precious best friend and Angel
and just want to lay here and dream about you,
I miss you and long to just be beside you.
So feel my arms around you as I reach out in spirit
and pull you in closely to give you my warmth,
just hold me back as I lay here and dream of you.
I love you sweet Kira and truly can't wait to hold you
because you are the Angel I want to be with forever and always.

Dreaming Of You 9

Sitting back on the couch this early afternoon
having eaten but wanting something more
but still too tired and sluggish to really
wanna do something halfway complicated at all.
And as I sit and watch my movie in bits
I also stop it to think of various things
which through all I dream of you.
In wishing you were here to share my ramblings
of thoughts mixed with memories and random things,
and just to be snuggling together spending sweet time.
I miss you my Angel and love you tons,
want to just be with you holding and kissing
each other in true warmth and love.
Please return soon my sweet Angel dove.

Sitting back on this early afternoon
and as my mind wanders it as well is always
centered with you as I dream of your beauty
and that I wish I was sharing this day with you.
I'm hoping your not mad at me knowing that
my mind today is just sluggish and slow as my body is,
and I so pray as well realizing how much
I love you so and would change the hurts
and mistakes of the past in a second flat,
as well as fixing every other thing that has
gotten in our way and hurt us and kept us apart.
There is so very much that is neither of our faults,
I am dreaming of you and when we will be together
and I can fix everything I've done wrong
and give all of my love to you completely and in full
just as I want and you deserve.

So feel all of my warmth and love as I
send it your way with huge hugs
and sweet kisses so caring with strength.
Know that I'll never leave you and am truly
doing my very very best for you my sweet darling Angel
and I love you more than anything.
I am dreaming of you wishing you were here

so I could share everything that there is
because I love you so much and you are
all I'll ever need and want because you
are my everything and the very best that there is.

Michael P. McParland

Morning Note 169

A very good morning to you
my most beautiful and beloved
sweet Angel dove and how I pray
you were smiling yesterday
and have been up through the whole morning
my Queen basking in the glow
and eternal warmth and love that I hold
and send to you always
no matter what I am doing
nd no matter where I am my sweet one.
I love you more than anything
and thank you so much for your
caring, strength, love, compassion,
passion, and understanding.
It means everything to me
my diamond and precious darling
I love you so much and wish you were
here to just hold and kiss
as I told you everything
in my mind and heart,
I'm feeling kind of hazy and foggy
right now in this morning
and would love to sit back with you
and snuggle away the time for awhile.
Oh my sweet woman say a prayer
this morning for me as a favor
to have God tell you how much
and how deeply I truly care for
and love you my sweet Angel dear.
You are my everything and I so
adore you my dear Kira Queen.

Please just bare with me this
morning dear as I may have a bit of
a slow start trying to shift gears
and I just ask you to please always
remember that some days are much harder
for writing than others for various reasons,
I don't use that as an excuse because

I want to always give my beloved and beautiful
Kira my everything and very best.
I just want to say that for understanding
and to assure you I would never
slack off on my gorgeous lady,
I do so very love you
and without a doubt I am not perfect
but I adore you completely
and will always stick with
and by you for all eternity,
I'll never leave you because
you are so wonderful and I love you
more than anything anywhere.
Please just let's take each others
loving hand and come back together so very soon.

So as I now get up to get
myself moving feel and be comforted
by all of these sweet kisses
and huge hugs that I am in full sending.
Remember always that your Michael
loves you and would never do
anything on purpose to hurt you,
I adore you and my heart is aching
so badly to talk to and hold you.
I adore you sweet lady
and promise I will always be with you
as you faithful King and hero,
you are my best friend hero
and you've been my Queen forever and ever.
So feel my arms around you
and know as I find something to eat
and watch for awhile I will be thinking
of you and wishing you were
curled up in my arms snuggling along,
remember that your Michael is here
if needed or wanted always.
I love you my lady and so
hunger, long for and yearn
in excitement for our reuniting
when I can just hold you
and tell you that I'll never leave you

and love you to no end my sweet Queen and Angel.
I will always be with you
holding your hand forever and ever.

Michael P. McParland

Sweet Tired Kisses Of Sleep

I am so exhausted and tired my dear
that I need to lay down now and sleep.
Come snuggle and nuzzle while
we share the sweetest kisses so tired.
I love you my Kira and so truly
miss you complete.
You are my Angel an best friend
and I send you sweet tired kisses of sleep
to give you warmth and say I wish you were here.

Michael P. McParland

Morning Note 168

A very loving and quick
good morning right here from me
my sweet darling dear.
I slept but it was quite light and restless,
the type of sleep where I
could still register my podcast
and most of the content in the background.
So the remedy for me is a
wonderful shower so calming and soothing
and then more of my dinner
I was never able to finish.
Then perhaps my sweet darling real
sleep at last.

I so wish you were here
to hold while sharing
a very warm shower on this
very tired and cold winter morning
and then after sit and spend time
snuggling as I watched something.
I'm afraid I couldn't talk much this morning,
then afterwards lay down
with each other feeling so safe and sound.
I want to be with and sleep
soundly with my lady here in my arms
because I so adore you my precious one.

I love you sweet Kira
and I hope you know I hate all
of this tiredness and sleeping
as much as you do.
I just wish I were with you
to bask in your comfort.
I am sending you sweet love and kisses
with huge hugs of warmth and caring,
feel me beside you holding you tightly.
I will write you my darling
before I lay down to sleep,
I so miss you my Angel you're everything.

God bless you so deeply
and know that I'm always with you
and love you more than
anyone can possibly know my sweet one.

Michael P. McParland

Goodnight My Angel Valentine

Goodnight my beautiful Angel Valentine.
I am so truly exhausted and after sitting
with you just a short bit longer
let's slide into bed under the covers
and just so lovingly hold each other
and share some sweet kisses before we fall
asleep in each others arms feeling safe
and content like the best friends in love that we are
and will be there for each other through all time.
Goodnight my dear Angel and truly beautiful
Valentine of forever and let's go to bed
and just hold each other and feeling whole.

Slide in right next to me closely
and curl up in my arms so I can so tightly
and lovingly hold you rubbing your back
and stroking your hair while you rest
your head on my chest as we softly talk
for a little bit longer as we drift off together.
I so truly want to wrap up in my blankets
beside you and just tell you I love you
and cherish you as we snuggle and kiss so gently,
just give you reassurance with all of my love.
I'm sending you all of my never ending
love and support with hugs of strength and deep warmth.
I love you sweet Kira my true darling Angel
I am there with you as are my prayers
my beautiful lady I truly cherish.

I'll see you tonight within the land of dreams
where I just want to lay on our great big
soft bed under the moon and stars as we hold each other
snuggling away and sweetly kissing.
I want to be with my gorgeous Angel
just spending the night resting together
with nothing to bug or distract us.
Tonight my sweet love we'll lay on our bed
under my big fuzzy orange blanket
and snuggle away the hours spending time with each other.

I love you my Angel I truly adore
and can't to spend those times with together forever.

So goodnight my gorgeous and beloved Angel
and Valentine through eternity and the ages.
Let's sit up together for just a bit more
and then we will climb into bed to snuggle
and kiss so sweetly, passionately,
and full of true love we share so deep and profoundly.
Just curl up in my arms cozying in ever so close
and fall asleep in each others arms.
I just want to be holding you and feel totally safe
having my darling here with me.
Good night my sweet Angel and I promise
so truly that I will be with you
always never abandoning the woman I so truly treasure.
Goodnight again my Valentine of forever
and never forget that your Michael is with you
and would do anything for you that was wanted or needed.

Michael P. McParland

A Valentines Night Snuggle

It's been quite the day my Valentine of forever
and I am deeply tired and very exhausted
but I don't yet want to sleep because I just want
to sit with my Queen as you curl up in my arms
and get so very cozy and warm.
I want a Valentines night snuggle with
my beautiful and adored Angel just spending time
talking as we reflect on the best memories
of which there are very many,
look to the future and all the things we
hope to be doing from small to big it doesn't matter,
as well as reading our new book and watching some
things that we so love.
I want a Valentines night snuggle with my gorgeous,
loved and so badly missed Kira.
Feel my hand in yours as I reach out to hold you.

you feeling safe and reassure you from fears
and worries that you'll ever be lonely.

so strongly feel you and I deeply thank you
and want you to know always you are appreciated,

I just wish I could hold you and feel
your body right next to me as we enjoyed an evening together.
So feel my arms around you and get so
very warm and comfortable as possible
and in spirit we'll share a wonderful and loving
Valentines night snuggle.

Michael P. McParland

Valentine Love Note

Sitting here now on this Valentine
eve and just wishing you were here with me.
To sit with as we read our book
and also the thing I so long for
to just look at each other and talk
for so long until our voices are gone,
to sit and listen to your
beautiful voice which is coming
from an Angel straight from heaven.
I could just listen to you
for hours and hours relaxing while
still fully engaged and involved
in the conversation,
I long to be holding and talking
to my sweet precious Kira.
My true beautiful darling and Angel
whom I'm so in love with
and I would give anything even for
just one night spent with you
being able to hold you and talk
and just have that bit that would
cure all of life's hurts.
I send you sweet kisses of true
loving care and deep warmth.

So on this Valentines I sit here
and read as well as organize
my play lists on YouTube.
A little mundane thing that actually
amuses and focuses me
and I am organizing things that have been bugging me,
but none the less why would I ever
want or choose to do that
when instead I just want to be
with my sweet darling Kira.
God bless you my lady and know I am with you
as in spirit I wrap my arms
so lovingly and tender around you,
be filled with peace and see my big smile of love

and remember your Michael so loves you
and will always be by you and yours.

Michael P. McParland

Valentines Afternoon Dreams Of You

Lying here on my bed I just lightly drift
with no intention of sleep but just to dream
of my everyday Valentine through all of this life
and straight through into the next for eternity
my sweet Angel dove I so treasure and adore.
I lay here and dream both in cat napping
and waking of all the happiness we will feel
when we're reunited and have cleared through
all of the things that stood in our way.
I lay here and dream of holding you
on this Valentines day spending time
just doing anything that we please
and we would be happy because it would be you and me
with each other just snuggling and sweetly kissing
as we just slipped by through the hours
getting lost into and with each other.

Sitting back as well as lying here and having
Valentines afternoon dreams of you my sweet Angel dove.
I can feel you so close and that is why
I am able to sit back here and relax,
I just wish you were right here beside me
with the world right now but a mere outside annoyance and trifle
that is to be bothered with later.
Right now just us side by side cat napping together
and knowing that when we are done drifting
our dreams will be right there in our arms as we open our eyes.
Valentines afternoon dreams of my lady
and our awaited future and I give a weary smile
through all the tiredness I am feeling.
I promise sweet love that I won't soon be sleeping
I am just sitting back to have sweet dreams of you
my beautiful Angel Kira.

So here I am my sweet Queen and darling
and feel all of my warmth and deep love as I send
it your way to fill you with comfort and strength,
I also send you the sweetest of kisses
with the biggest of hugs to tell you I'm with you,

feel my arms wrap around you as I reach out to hold you
and take your hand to let you know you're not alone
and to tell you I love you my beloved beautiful girl.
You truly are so very treasured and cherished
as the only person I need in the capacity
of my best friend and true love for eternities progression,
you truly are a rare gem and diamond
and that's why as I lay here on this Valentines
I dream of my wonderful woman.

Michael P. McParland

Goodnight My Everyday Valentine

Well it's now past midnight my dear
and Valentines day is officially here.
Why don't we start these hours by climbing
into bed together so we can snuggle
and share the sweetest of kisses.
Then for me to pull back and brush your hair
out of your eyes so we can see into
each others eyes ever so clearly
as I say Kira I love you so very deeply
and I want to be with you forever and ever
and you aren't just my Valentine on this
one day of the year but you are my Valentine
every single day within my heart, soul, mind,
and every last bit of my being for all time.
You will be my Valentine today and tomorrow
and all of the days that come after
so let's wrap up and snuggle sharing sweet kisses
as bedtime is here and sleep fast approaches.

Come slide under the covers and curl up in my arms,
then just rest your sweet beautiful head upon my chest
and I'll pull you in so very tight to keep you
toasty, cozy, feeling so safe, loved, and warm,
I will hold you so lovingly through the night
Rubbing your back and stroking your hair
as I tell you I love you and how much I care.
Reassure you I'll be with you forever
because you are my Valentine forever
so I could never leave you.
I will be your hero and your Angel
just as you are mine my sweet love.
Come curl up in my arms for just one of many
Valentines snuggles to sleep there will be.

I'll see you tonight within the land of dreams
where I will have set a gorgeous scene for us to
revel in as true loves and the greatest best friends,
a seaside escape so nice and so modest like us,
we'll have time to sit and talk snuggling as well.

Time for our hobbies and kisses and just walking
hand in hand as we so very want to
and I will cook you a nice meal serving my Queen
as a King should and I want to.
A beautiful time just for us in our dreamland
which will so soon be here for us I know it my

Snuggle Up Before Bed

It's been a long day my sweet one
and I'm not just yet ready to turn in.
I want to snuggle with the one who holds
my heart and soul and I give myself to in full,
come curl up in my arms my sweet Angel dove
and snuggle up for a little while before bed.
To talk and to read and share sweet kisses
which make the heart and soul sing
and fill one with butterflies supreme.
Come snuggle up for a bit before bed
and let's just spend time feeling good and fulfilled
sitting next to each other quietly smiling
and knowing everything in the world
and in heaven is good.

I just want to gaze into your gorgeous sparkling eyes
and tell you Kira I've always loved you
and of that I swear before God up in heaven
because I felt comfortable and right
knowing that I could be honest and be myself,
and I could tell that you were comfortable as well
and I wanted to know you for you
and that's who I fell in love with my Angel sweet Kira,
right from the start you were so deeply cherished.
So come curl up in my arms and snuggle for awhile
as we share the end of this night together.
I want to be with the lady I cherish
and let you know before sleep time that you are the greatest.

So feel these sweet kisses of true love and comfort
with these big hugs of pure strength and warmth
to fully surround and fill you.
Let's snuggle up my sweet precious darling
because you are my Angel and diamond I will
forever stick by because I so truly love you
and just want to hold you.

and felt surrounded in all of
my endless undying warmth
and loving strength.
I so love you, miss you,
worry about you and just wish
I could be holding and comforting you.
Both of us feeling so
secure and safe as we just snuggled
the hours away talking
and spending time like the two
best friends in true love
that we are sharing a blessed bond
I am so thankful for
and would share with no other
anywhere ever because you are
my dear gorgeous Queen and Angel,
a diamond in the rough like no other.
I cherish you to no end
because you are a shining star
who's a blessing and gift from God.
I'll stand by you forever
because you are everything
and all I'll ever need and want
through eternities time.

So I sit here on this eve
just doing little things here and there
and thinking of you wishing you were here
to talk to and spend time with.
My heart calls and sings to you
giving you reassurances of my
endless deep tender care
and promises that you're not alone
nor will you ever be again
because I am right here and with you there
and I'll never leave you all alone

feeling broken and cold,
I am your Michael and I will
forever stand up for and by you
giving my everything
because you are my gorgeous and
beloved Kira I'd give my very life for.
My heart calls out these things to give you
deep peace and comfort and to fill you
with all of my warmth and true love
that has no bounds or ending.
Kira you are a treasure
and I so respect, admire,
love and adore you.
You are my everything
and for your happiness, fulfillment,
safety, and to see you so
proud of me I would do anything.

So have a good rest of the evening
and feel me right there beside you,
holding you closely and your hand
so loving and firmly.
Feel all of my warmth and deep loving
as I tell you I love you while
rubbing your back and stroking your hair.
Never forget I am right here if you
need me to talk, listen, or help you
in some way,
no matter what and no matter when
I will be here for my Kira I truly love.
God bless you sweet lady
and give me a smile to light up
my evening my sweet Angel dove.

and those gorgeous eyes sparkling
and I can't wait to be holding you closely

A Quiet Morning 2

How I wish you could be here with me
my sweet one to snuggle up tightly lying
down on the couch together while in the background
the TV played one of our favorite shows
as right now I just have some tears I need to shed
partly because I miss you so bad but partly too
just from feeling depressed overall.
I'm sorry I'm bipolar dear and I just need
and want my lady right now to catch my tears
and to talk to as well.
I want a quiet morning with you to be so tightly
snuggled up with on the couch as you rubbed my head
and told me it is alright and will all be okay.
I miss you sweet one you are my beautiful everything.

I love you my sweet Kira and want you
to be here with me for a quiet and loving morning
where I'm with the person I trust to see my tears
and then share some kisses and you say it is okay.
I miss my Angel and am just feeling down
and you are the one whom makes everything seem light.
So as I reach out to tightly hold you
please hold me back my righteous and gorgeous Angel.
I just want a quiet and tired morning spent
wrapped so tightly with you snuggling on the couch
with my beautiful lady I so adore.
I love you sweet Kira as I know you love me too
and let's snuggle together on a quiet morning feeling the love.

Michael P. McParland

abandon you or leave nor will I ever

my sweet Kira within this world,
you are my only reason for staying in it
as it is my sweet one.

So why would ever hurt you so bad
in such a horrid way?
Why and how could I ever break my Kira's heart
in the most criminal and vile way?
It would kill me too my sweet one
so remember I'm always beside you
and always right here waiting and here
to serve if at any moment you need
or want me no matter when and no matter what.

I love you sweet Kira
and right now my stomach is yelling
at me and twisting around in want of food
so I need to go out and fill it up now,
Kira I wish you were here to sit next to me
as I could make your coffee as well
and then you could sit next to me
and we'd snuggle as I ate and watched
a movie or something on one of my
many Bely Ray's and DVD's,
I wish you were here just to be with always
and spend time because I miss my sweet queen
and all of our fun talks and times,
I love you sweet Kira hear as my heart calls
because you are my everything
and my Angel so pure.
I hope that our time will be ever so soon
because it is sadness without you.

So my sweet Kira remember I'm with you
hand in hand always and feel me right now
as I pull you so closely in giving
sweet sweet kisses of true love
and huge hugs filled with pure warmth.
Know that I'm always here too and will
never ever abandon you.
So as I go to eat and watch a little something
feel all of my love, warmth, strength,
and deep peace fill and surround you,
know that your Michael so truly loves you.
God bless you my Kira because I simply adore you
and my heart melts for you everyday

over and over for eternity.

Michael P. McParland

So take deep comfort and feel
surrounded and filled with my warmth
and deep love as I wrap

as we go to sleep at this very late hour.

Snuggling Among The Moon And Stars 2

Lying here tired on this night but missing you
so very much and I can feel your sad aching as well
so I don't really want to sleep.
I want to be holding you so very close
and rubbing your back gently tell you everything
is alright and that your Michael loves you so very much.
I want to be comforting you and feeling deep comfort too
as I hold you so tightly reassuring you love,
please remember sweet one that I'm always with you
and you're never alone nor will you be again
because I love and care for you to no end.
I know you're aching just as am I
and I would give anything to be snuggling with you
and drying your tears then giving you kisses
telling you that all is well and all is good
because I so truly love and am yours for good.

So feel all of my warmth and love as I send it to you
and look to the sky and see us both in your minds eye
as among the moon and the stars we just sit and talk
about anything and everything no matter what.
We will be snuggling and kissing so tender and loving
as we share laughs of joy and happiness
while sitting and gazing into each others eyes
my sweet Queen I so truly care for and cherish,
we'll comfort each other so very deeply
and warmly with the peaceful love we hold, feel,
and will be sharing completely.
Look to the sky my sweet lady and feel my loving smile
as I reach out to take you soft and sweet hands
and pull you in for a snuggle so grand.

See us among the moon and stars as they smile upon us
and give us their divine and celestial blessings,
just feel the warmth that we provide each other
and the extra spark they are giving to make
our stay with them so very comfortable.
Snuggling among the moon and the stars is a gift
we will have for eternity in the next life

so together let's dream of being there on this night here,
snuggling among the moon and the stars
feeling so safe and at peace with each other my dear
and just expressing our love through looks,
words, kisses, and our hearts and souls speaking
as we hold each other so close.
So look to the sky and be filled with peaceful strength
as you see us snuggling among the moon and the stars
and one for sure we know we will.

Kira I can feel your deep aching and I am
so very sorry that you must be feeling it
as I am aching as well as I lay here in bed,
I miss you so badly and would give anything
to be with you holding you closely giving you comfort
to help your sweet heart feel so very much better,
to be stroking your hair and rubbing your back
as I tell you I love you and I'm never leaving,
everything is okay because you are my lady
and my precious Angel so truly amazing.
So feel my arms around you as I am always right beside you
and feel my sweet kisses as you look to the sky
and see us snuggling together smiling
and laughing in joy up on high with kisses as well.
Feel all of my warmth and strength as I send them to
because my sweet Queen I want you to know
that you're not alone because your Michael
stands with you and you are so truly loved
and cared for in every way my sweet Angel dove.

Michael P. McParland

Sweet Goodnight Kisses Sweet Lady

I am most tired my dear and ready for bed
so let's go climb under the covers
to snuggle and share some sweet and beautiful
goodnight kisses so very deep and passionate my dear.
Let's go climb into bad and talk softly
while we snuggle and kiss for a short bit.
I miss my lady and need you here bad
because I love you so much and want you here.
Sweet sweet goodnight kisses to you my sweet dear
while we snuggle in spirit and talk.

Come and curl up in my arms to gaze into
each others eyes as we say goodnight my sweet lover
to me you are the most wonderful and special person
and I simply adore you my precious Angel,
then share some more sweet kisses
before you rest your head on my chest
and I pull you in for a cozy night of first soft talk
and then light music or an audio book
while I stroke your hair and rub your back,
sweet sweet goodnight kisses to you my Angel bright,
I love you so very much and want to be with you
through this entire life and walk hand in hand
through eternities time.
My heart is overflowing to bursting
with love for you and I will always love
and adore you unconditionally to no end.
You are my Angel and my sweet Queen
and you truly are my universe and mean everything to me.

I'll see you tonight within the land of dreams
where I'll greet you with the biggest smile and hug
to tell you I've missed you and loved you so very much.
A night to spend on a beach in twilight
hours of last dusk by a nice fire
in a perfect and comfortable summer breeze
we'll hold each other laying on a blanket
talking, laughing, kissing, and in our dreams
there's always enough light for us to read

and we are provided any luxury we desire.
Tonight my sweet love on a beach by a big fire
snuggling and writing poetry for each other.
I love you my darling and send you these
sweet goodnight kisses of tender care and deep passion
to help soothe us and help us make it
until we are reunited.
I'll see you tonight my sweet Angel of true love
and pure divine light.

So my sweet one let's climb into bed
and end this day snuggling in each others arms
feeling so safe and secure as we share
sweet goodnight kisses of true love galore
along with tender looks and words from
the very core of our hearts and souls.
There's so much to tell you and share
and I want to look into those sweet eyes of yours
and tell you I love you my sweet Angel dove.
God bless you always and remember
you are deserving of all the love that I give
as you have been shorted to long by others
who are so selfish they don't know what love is.
You are a wonderful woman so filled with love
and you deserve to receive so much as well,
I want to be holding you and letting you know
how deeply I care for and love you dear.
I miss you so much my sweet Angel from up above.

So come and let's snuggle as we climb under the covers
and share some sweet and beautiful goodnight kisses,
I love you sweet lady and will always be here
and there right beside you holding you tightly.

leave or abandon the woman I treasure so highly.
Feel all of my love and warmth as I send it to you
and deliver it with this big snuggle, smile,
and sweet goodnight kisses just for the Angel I cherish.

Michael P. McParland

Michael P. McParland

Cat Nap Dreams Of You

Just getting up from a little cat nap
and in a way I don't want to
because as I listen to my classical music
and drift from a light state to medium one
I think of and dream of you and us being together
hand in hand and in each others arms.
I think of us talking and think of
the conversations and how they will go.
Cat nap dreams of you are so great
and help pass the time until you are here.
Cat nap dreams are so beautiful just like you
my sweet Angel I love.

I wish you were here to snuggle with now
and give kisses to after all of my
cat nap dreams where we do so many things.
I'm thinking about going out to Burger King
to pick up some lunch and it would be
a great car ride together just sharing it all.
I love you so much and want so bad to share all,
I miss you sweet one and until we reunite
I will see you in my afternoon cat nap dreams.

Oh my sweet Kira how beautiful you truly are
and you are helping to keep a smile on my face always.
You are amazing and a wonderful woman
and these cat nap dreams of man have me
yearning more deeply than ever as I long
to see you and hold you my beautiful lady.
My cat nap dreams were amazing and I hope you
felt my arms around you with my warmth surrounding,
I'll always be with you giving sweet kisses.
So I will be thinking of you as I either run out for lunch
or as I stay here my sweet one.
Either way I wish you were here Kira my one
and only Angel, Queen, best friend, and true love
because I so love and adore you my only one.

Michael P. McParland

A Beautiful Morning With My Sweetie

Good morning my beautiful sweet Angel dove
and I send many many sweet kisses to you of pure love
and great big hugs filled with pure warmth
to you my sweetie so good and true,
I send sweet sweet kisses to Kira my sweetie
from heaven up above,
a true gift and blessing I'm so thankful for.

How I wish you could be here to spend
a beautiful morning and entire day with,
to snuggle and kiss while we sipped at coffee
and just talked like we used to
and I know we will again.
A beautiful morning for me to hold you is what
I want and need with Kira so beautiful and my sweetie for good.

As we would be up I'd already have your coffee made
so when I brought it to you on the couch
you could just curl up in my arms and share
a few kisses while it cools a bit
and just think of some fun things we could do for the day.
Share our favorite hobbies, movies, music, and books,
I want to share everything in life with you,
you are the greatest gift in my life
and I will always rejoice thanking both God and you
for all of your love and being right there.
A beautiful morning with you my dear sweetie
is the dream that I share with you.

So my dear sweet one close your gorgeous eyes
and see my big smile as I reach out to hold you so tight,
feel my sweet kisses on your cheeks and lips
and know that I'll always be with you

you truly are the very best.
I am so excited and just waiting for all of out
wonderful beautiful mornings just as I know you are my sweet lady.
So know and remember that I'll never leave you
because there is nothing that could ever make me

lose out on or miss beautiful mornings
and a beautiful life with my gorgeous sweetie I so dearly love.

Michael P. McParland

Sweet Early Morning Kisses And Snuggle

Here in these very early morning hours
before you get up my sweet one
I want to slide into bed next to you
and not for me to sleep at all
but to wrap my arms around you
and give you sweet kisses galore
with a good long snuggle too.
I'll just hold you and softly talk
telling you that you are so beautiful
and that I truly love you
and tons of other stuff while you drift and sleep
both of us feeling deep and wonderful comfort.

So my sweet dear feel me slide in beside you now
and be filled with peaceful loving warmth
as I wrap my arms around you ever so tight
and give you sweet kisses to tell you
how much I truly care and to be with you forevermore.
I want to share sweet early morning kisses
and snuggles with my special one
who I miss so bad and my heart truly aches for.
I love you sweet Kira and I always will
so I'm sliding into bed next to you not to sleep
but to just hold you and kiss saying
I so deeply love you my gorgeous Angel.

Michael P. McParland

Looking At Your Picture 5

Starting to feel tired as I just sit
and watch my movie so I've decided
to play a video game I bought in November
but have just never gotten started
and first wanted to write and once again say
I love you sweet Kira and I will be ready
when you are ready and please don't feel
as if I am pushing and rushing
because that is not my intention
and I'm sorry if has come off that way at all.
I just miss you so much and want to express
how much I long for my precious girl.

First thing I saw though as ever when
I turned on my computer was your beautiful
smiling face which I just stopped and looked at
for more than just a few moments.
You are so very beautiful and I can't wait
to hold you and tell you that you are so gorgeous.
And then just give you so many kisses.
I love you my lady and looking at your picture
has as ever filled me with butterflies aflutter.
You are so beautiful and I simply adore you
my sweet Angel so wonderful.

So as I go to start my game be filled with
all of my warmth and strength by these
sweet kisses and big hugs I send.
You are the only woman I'll ever want and need
because you are magnificent my dear sweetie.
I'll always be with you and stand right beside you
because I am your Michael so full of love
and deep caring for his beautiful Kira.

Michael P. McParland

Night Note 145

Oh my sweet love it is a
good night mostly if not only
because I can feel you so near
and so very very close to me.
As I sit and go back and forth
between reading and watching a movie
I just dream of us together
and snuggling while you are
curled up in my arms
feeling so very warm and so very cozy.
How I would give anything
to have you here beside me in reality
I know though that it will happen
because in my daily prayers
when I ask God about it I am
filled with such calming reassurance
and I just want it to be sooner
and not later because
I miss that gorgeous smile
and crave that electric first kiss
of pure passions fire
and I truly do just want to hold you
and know that everything in the world
is good because I am with my perfect woman,
and this is what I dream of tonight
and it keeps me smiling
so filled with light as well as that
I can feel you right now
and the happiness and goodness overwhelms
but in the best of ways
and I want to say I love you sweet Kira
and can't wait to be spending
both this life and the next
through all eternity.

So feel me so close as I
send you all of my warmth and love
knowing I'm right beside you
holding you tightly and kissing you sweetly.

Just feel the deep comfort in
all that I am providing as I want it to
my sweet precious diamond.
Remember always right here
my one and only true sweetie
and I'll never spurn or reject you
because you are my Angel
and I truly adore you.
So as I back to my movie
and doing some reading
remember always that your
Michael so loves you
and will stand by
your side forever and ever.
I love you immensely and I
always will my sweet Queen and Angel
because you are my everything
and my heart truly melts for you.

Michael P. McParland

A Night Of Snuggling

Hello my sweet love and with you
I hope all is well and you are feeling
all of my love and warmth as I send it to you.
I hope that you felt my arms around you
as I read our book and then watched
some videos on YouTube while I lightly snaked.
I lost track of time in all that
and wished the whole time you had been with me
enjoying it all too and so I could see your
bright and gorgeous smile that makes my heart melt.

So now how I would just like to sit back
and spend the whole night snuggled up with you on the couch.
I want to read a bit more and watch a movie as well
and if you are so very tired my dear
just rest your head on my lap or snuggle in tightly
and put your head on my chest and I will
support you so you remain comfortable.
I want to snuggle with you through the whole night
and then spend a beautiful morning as well.
God bless you my Kira I love you so much.

So my sweet lady curl up in my arms
and snuggle so tight because your Michael
loves and misses you so very much
and wants to be with you through all time.
Even if you are tired tonight and need sleep
I will be happy to hold you rubbing your back
and stroking your hair to give you deep comfort my dear.
A night of snuggling with you is all that I want and need,
feel my arms around you Kira my dear
and remember I'm always with you right there.
God bless you so deeply and never fear because I am yours
and I'm never leaving so come curl up closely
and let's spend the whole night tightly snuggling sweet one.

Michael P. McParland

Let's Snuggle And Read

So now my sweet one on this late night at hand
after a small bit of food and a very
refreshing shower indeed while all the while
dreaming of you with us talking and kissing too
I wish you were here to spend a beautiful night
in each others arms just relaxing and having such fun.
I miss you my darling that you could be here with me
to snuggle up and do so many things.

First thing my darling I would so like
and am craving to do is wrap you up in my robe
so you will be so toasty and warm
and then have you curl up in my arms to snuggle
while we sat back on the couch and read our new book.
I'm not a fast reader so it may take some time
to work through this whole book but thankfully
it is a short one as well.
So come snuggle up my sweet one and we'll sit back
feeling so good in each others arms and read our book
for a good little while.
I love you sweet lady and can't wait for these days
when we are able to do this at last.
I miss you my beautiful lady and I long for your touch,
your kisses, and your presence right here.

So come and get cozy in my nice fuzzy thick robe
and then curl up in my arms to snuggle and read,
then perhaps afterwards discuss what we think and feel
of everything we just went over which is something I like to do
and from there we can decide later as I just want
to talk to my most beloved and beautiful Kira.
I love you sweet lady and just want to sit here
and read with you while we so comfortably snuggle.
I know that you are the only person I can touch
for long periods of time without trouble
and I want to snuggle with my gorgeous Angel Kira
the most wonderful person on earth or in heaven.
So my sweet darling let's now sit back and wrap up
while we read our new book and never forget

that your Michael is with you and loves you more than anything
my sweet beautiful Queen of forever.

Michael P. McParland

Sweet Kisses To Sweet You 2

Sweet kisses my darling to sweet beautiful you
as I rise from my very very long rest
and I apologize my sweet one I had no idea
I was still that so very worn out and would sleep like that.
If I would have known I most certainly
would have given you warning so once again
I want to say that I'm sorry and thank you so much
as always for your strength and understanding.
You are amazing and I send you sweet kisses
to let you know how thankful I am and just
how very much I love you sweet one.

As I rise I again send you all these
sweet kisses of true love with the
biggest of hugs filled with pure warmth,
may they fill you with peace and deep comfort
knowing that I so deeply love you
and that your Michael is always with you.
Remember sweet love I'm always beside you
holding your hand and I'll never ever leave you my darling one.
Sweet kisses to you my beautiful girl
and God bless you in full my precious one.

As I first rise I need some food and you wouldn't
want to snuggle with me until our shower time,
the medications make all the sweating and odors much worse.
So some food for your Michael and then a shower
of pure refreshment and renewal my dear.
I wish you were here to join me just to
hold each other and kiss under the warm water dear,
my face is all fuzzy and might scratch just a bit
but I'll shave for you later my precious dear.
I miss you babe so very much and my heart is longing
to have you right here in my arms.

So my sweet lady as I rise at such a late hour
I want to say I am sorry I was out so long,
thank you for all of your loving warmth, strength,
kindness, and understanding which have helped calm me,

and I love you, I love you, I love you my beautiful diamond
and you are making me smile as I get up to do things.
I will write you right after that wonderful shower
where I will just be thinking of holding and kissing you.
Have a good night my darling and feel me right there
holding you ever so tightly.
I adore you sweet lady and admire and love you,
sweet kisses to you my sweet darling
and feel all of my smiles to warm and comfort you
my sweet Angel dove and Queen darling.

Michael P. McParland

Night Note 144

Hello Kira my sweet Angel dove
and first and foremost let me thank you
for all of the loving care and peace
with your strength as Saturday night
I had barely slept in days and I was even
more physically worn down and exhausted
than I realized myself.
So first I sat back and started
our brand new book for a short bit
and then wrote you my goodnight
reading a bit more before I lay down.
When I got done reading a bit more
I knew beyond all terms it was time to lay down
and get some much needed sleep
though I had no idea for exactly how long.
I knew somewhere from a source both within
myself and something without
that classical music
is what I needed to relax
so I sat and looked through my
endless options and landed on perfection
in Mozart's Requiem which
gave all of the tenseness and stresses
stored in the mind and body
a relaxation that melted all of that away,
and after that a very very long collection
of the most romantic pieces
in classical of all time.
And so then I slept and slept
waking at moments long enough only
to focus on that one tiny thing
or just realize I was still
deeply exhausted and go back to sleep,
and so here I am up for a tiny bit
to get some food in my stomach
and now write you to say.
Thank you my darling for how much
you truly love me and care,
thank you for your understanding and kindness

I so deeply appreciate and need
and thank you for you being you
the greatest thing that there's ever been.
Thank you so much my dear Kira
and always know that your Michael loves you.

I was planning to get up
and go take a much much needed shower
and be refreshed to start
but I'm realizing my body needs
at least a few more hours
before I can really get moving
as I am running out of breath
and my body is giving just walking
across the apartment
and we don't need my legs
and body in there to suddenly go out.
So would you snuggle with me
as I rest a bit more my darling?
No way will it be like yesterday
our for the entire day.
I would just like to either
put my classical back on
or an audio book (Star Trek) :)
and snuggle with my lady in comfort.
I send you sweet kisses with big hugs
and I promise to write you
when I get up my sweet precious Angel.
God bless you my darling you are amazing.
Remember I'm with you and holding you
ever so closely giving you smiles
because I so love you and treasure you fully.

Michael P. McParland

Goodnight My Most Treasured Angel

Goodnight now my dear and most treasured
and beloved Angel I so adore and let's
finally slip under the covers and pull
each other in for a snuggle of comfort and warmth.
Let's share some sweet kisses as we
just look into each others eyes
and without any spoken words tell each other
just how deeply our love goes and what we feel,
just as back in high school we told each other
every single day with big smile and our eye
open so wide revealing more than we knew.
Let's go to bed now my dear Angel I treasure
and snuggle while kissing and softly talking.

Just snuggle up so very tight as within my arms
you curl up and we smile at each other so bright,
I'll stroke your hair and rub your back
as you rest your head on my chest and settle in.
I want to make you feel so very safe
and know that with me you are and completely loved,
if you would like I'll read a little bit more
of our brand new kindle book.
Whatever you need to relax in full
and settle down for some good sleep my gorgeous one
and as you lay or sit down where you are
feel all of my loving warmth as I send it your way
with the sweetest kisses and giant hugs
saying I truly love you babe you are my everything.

I'll see you tonight in the land of dreams
and for tonight a time to dance under the moon
to both of our favorite music and songs
from medium to fast and down to slow,
just wherever the mood takes us it's up to us,
I will sing for you and hold you out
in the center stage of where it is just you and me
as we sway to the music we love as we please
and then when we tire we will sit down
on a soft blanket in the perfect weather

to just lay back and snuggle while we talk
and kiss and just enjoy the bliss of each others company.
Tonight we will dance under the moon
feeling free from all the worlds pressure
and enjoying what we've so wanted
spending time together and we will pray that
it will happen so very soon because we
are true best friends who have been so very faithful
and through all still love each other without waiver.

So again I wish you goodnight my beloved
and treasured Angel I so adore and care for in full,
feel me reaching out to hold you so very tightly
and give you sweet kisses telling you
that you are so very precious and truly gorgeous.
There is nobody else I'd rather be with
because we have known each other since the beginning.
So let's slide into bed and curl up
for a snuggle together my dear before we fall asleep,
let's just enjoy some time in our shared warmth
feeling deep comfort within our souls.
Goodnight my most beloved and treasured Kira
and never forget that I am right beside you
giving you a tight squeeze and sweet kisses
to help give you comfort filling you with strength and peace
as you rest your head to now sleep.

Michael P. McParland

Let's Snuggle

It's getting late my sweet love and in good time
once again I will try to get some good sleep in.
You know I'm not an NFL fan
but I still wanna watch the Super Bowl
so a few hours at least would be a big help.
However I only shortly ago finished up a good
part of cleaning out my computer files and am
not yet ready to close my eyes babe.
I am so missing you but I had the perfect idea to help,
come my sweet dear and curl up in my arms
while I sit up in bad and we snuggle so tight,
I just bought a new kindle book and together
we can sit back and cuddle while I read it out loud
for us to relax while stopping at points
to sweetly nuzzle and kiss.
I'm missing you dear but a snuggle while reading
seems tonight like the perfect thing for the heart
and a happy idea.

So my sweet Kira before it is bedtime
come curl up in my arms while I sit up in bed
and you rest your head on my chest while
I read out new book to feel content,
feel all of my warmth and love as I send it to you
with sweet kisses, gentle nuzzles,
and tight hugs while saying thank you my darling
I so totally and purely love you and want
to be with you forever and ever,
come my sweet one and curl up in my arms
here in bed and let's read for awhile
before we go to sleep.
I treasure you deeply and I can feel you
so near me my precious Angel so please
know I am thankful and in love with you.
Feel me beside you and holding you
as in spirit we share such a beautiful thing together.

Michael P. McParland

You Are Not Alone

Kira I swear to you that you are not alone
because I so truly love you with all
my heart and soul and I will always
be here for you and right by your side no matter what.
I gave you my word that I would never
abandon you and suddenly leave breaking your heart
and hurting you in the most unforgivable way.
I will stand by your side giving full loving support
so you know you're not alone and have a friend
and true love you can turn to when you want and need.
I will always stand up and fight for you
and help out with whatever because you are my Angel
and I want you to know you are not alone and truly cared for and loved.

Kira you are not alone because my heart, thoughts,
prayers as well as warm kisses and hugs are
with you everyday as I ask God to bless and watch over you.
I thank him every day for bringing you into my life
and giving me a chance and opportunity to know true love,
I will always thank him for you my sweet Angel dove.
So know that your loving thankful man is right here for you
when you need no matter what, no matter when because
you are my true love and Angel Queen.
Hear as my heart sings for you my darling dear.

Kira you are not alone and I just want to always
be that person you know you can turn to at any time
because I know you've so rarely had that person in your life
and you should not have to carry all the weight
of the world and within your life all by yourself,
We all need someone and it's usually a very special friend
and as best friends and true loves
I need you to know you're mot alone,
I'm right here for you because I so truly care
and love you with all of my heart, my soul, my body,
my mind, and truly everything I am and have.
Remember babe you truly are not alone because
your Michael loves you and will be there no matter what
because I love you through and through with tenderness

and I will always stand by and support my loving Queen and goddess.

Michael P. McParland

Evening Note 88

Good evening Kira my beautiful one
and true love only holder of my soul and heart.
I pray your day went well
and you felt me beside you there.
I've been sending you all of my
love and warmth with my endless
thoughts and prayers,
I love you my sweet Angel dove
and miss you more than anything.
I would just love to be holding you
telling you that every thing's okay,
that I am with you and will never leave
because you are my sacred Queen.
I just wish I could be with you
rubbing your back and stroking your hair
as I softly spoke and reassured you
to give you peace within your heart and soul.

Do you have any plans of fun
things this evening darling
which to me means even staying in
to have fun with your interests and the like.
So do you have anything
you're set to do my precious dear?
I'm just trying to go through some
files on my computer to delete
what is no longer wanted or needed.
Not hard work and not all that boring either,
it helps me avoid social media
which I'm in no mood for currently,
so tedious tasks are perfect for this night
as I also dream of all we'll have
and all we'll share as we go
through the years fighting for
and standing up for one another
not letting anything defeat us
because we never have been run down by anything.
I will always fight for you and I know
you'll always fight for me

my true love and best friend I so adore.
I'm reaching out to take your hand
when you're ready and I'll be here
with an open heart and open arms,
you need have no worries that
I'll disappear and leave you in the cold
because I give you my word
I'll stick by you.

So have a good evening and feel
and my love warmth and strength
in these infinite hugs and kisses that I send,
feel the tender love that they contain
and they will tell of how committed
I am in true love to you.
You are my Angel and my true love
and best friend and I will adore you
through all time because you
are my gracious gorgeous Queen.

ILYF and ever KP

Michael P. McParland

Come Curl Up This Evening

Come sit with me this evening sweet darling
and curl up in my loving arms as I pull you in
so you get be so very cozy and warm.
Come curl up beside me my sweet Angel dove
and let's share some good conversation
and each others company for which we so long.
I can feel you here darling and I know
that you are aching and longing as well,
feeling you though does help comfort me though
in many ways and I truly pray that you feel me too
and you are comforted by my spirit as well.
I just want to make you as happy and filled
with loves light as you do for me
and I want you to always remember you don't make me sad
it's the distance and missing you that creates the ache.
Whenever I'm near you or we're even talking
the pain is not there because my sweet Angel dove is right near.
Come my sweet dear and curl up in my arms
and we'll spend an evening snuggling and feeling so happy and good.

Come my sweet Kira and curl up beside me
because I just want to sit here and hold you
feeling so very content and very cozy.
I just want to curl up with my sweet one at my side
talking and reading without much TV,
I'm not sure about you but tonight I'm not in the mood
for the noise it creates,
I just want the soothing Angelic sound my Kira's voice
with some music as well.
Us just curled up together talking and reading
while listening to whatever you'd like
but I want some classical as well.
Please just come curl up in my arms and see
the tenderness within my soul and heart.
I know that you know it is there
but I've never truly gotten to show you it's depth in full.
Please come curl up in my arms and sit with me
getting lost with each other not noticing time.

Come my sweet darling and curl up beside me
spending a cozy evening feeling complete
and in joy together finally.
We'll just share some kisses with innocence
of talking, reading, snuggling,
and then in bed falling asleep holding each other.
I just want you to curl up in my arms
while I hold you during a wonderful evening.
I love you sweet lady you truly are so very magical
and I want you to know that there is no other like you
or could surpass you and I am yours and yours alone
forever and ever because you are amazing.

Michael P. McParland

My Best Friend Is 2

My best friend truly is the most wonderful
and beautiful woman with a heart of gold there is,
she truly is perfect within my eyes
as her soul shines so brightly forth
and I can feel it reach out and take my spirits hand.
My best friend truly is the most wonderful
woman that's ever lived in my eyes
and I adore her to no end.
I want to be her man through all time
walking side by side hand in hand in true joy and pride,
I'll never leave her and that is true
I want her to know she is truly loved and not alone.

When I am feeling down I think of her and
her sparkling eyes with the most adorable and shining smile,
my heart melts for her because she is my Angel
and I would do anything to make her proud and happy.
I'm so in love with her she is a diamond in the rough
and I'll always treasure her through all time
because my heart and soul are hers forevermore.
They are a gift from me to the greatest friend to me
and the best sweetie any man can ever truly have.

My heart keeps beating and I continue fighting
because I know our time will come
and I don't want to miss those walks and kisses
with all the snuggles and the joys being with
my adored sweet Angel dove.
And I also don't want to leave her behind
and hurting down here feeling like I lied to her.
I don't want to leave her in pain in any way
because seeing her sad or crying tears my heart out
and the thought of my Queen being here on earth
feeling all alone makes me so very sad.
I won't do that to my best friend whom I've sworn
I will stand by giving all my love and full support,
I am her Michael and my word to her means everything.

My best friend is the one I cherish the very most

and I long to hold her close sharing kisses
while we snuggle and I can look in her eyes at last
and say I love you babe you are the very best,
you are my Queen, my hero, my Angel,
and my best friend I've been so blessed with,
my best friend is Kira a gift from God so truly great and good.
She is my soul mate and the only woman I'll ever want
because she is my best friend and that's the greatest
thing I could ever dream, hope for, and ask of God to have.

Michael P. McParland

Love Note 407

Good afternoon my
sweet beautiful darling
and I have been sending out
all of my prayers with my
loving warmth to comfort you
the entire day.
Hear my hearts call and feel
its big beat as it continues
to beat just for you.
I love you so much my sweet darling
and wish you werehere
to spend a beautiful afternoon.
I am here all alone and I
would love your sweet company
more than anything.

I have no plans for this day
except to probably just sit back and read,
watch some TV and just think
and reminisce about so very much,
and most of it will be the good times
between us which I will
continue to pray will be here so soon.
I can't wait to have you in my arms
and just sharing my messages
with my lady alone and being able to
add in all the things I just want
between you and me.
God willing and bless that it will
be soon because the waiting is hard
and heartbreaking in so many ways by itself.

So feel my hand in yours
as I'm right beside you
and never forget that
I'll never leave you and hurt you,
I so dearly treasure you
my cherished and most beloved Angel
and I will stand by your side forever and ever.

So I'm reaching out to take
your hand in mine and feel the soft
yet firm reassuring squeeze that I give,
I am right there beside you and right
if you want or need me.
My wells of tender love are bottomless
and boundless and will
never run dry that I promise.
I adore you my sweet one
and want to hold you forever and ever.

Michael P. McParland

A Beautiful Saturday Afternoon With You

As I am going about this early afternoon
there isn't much that I have to do today
except vacuum the floor and that is really all
and I'm thinking of how if you were here
I would rush yet do a good job so we could
sit back together and share with each other
a beautiful Saturday afternoon holding each other,
kissing, talking, reading, listening to music,
watching YouTube video and some movies
as well as sharing each other loves and hobbies.
A so long for a wonderful Saturday afternoon
along side you be it here or there with you
because I want to be with my Angel having a good time.

I don't know just what we would beyond snuggling
and talking along with sharing sweet kisses my darling.
I just know for absolute sure I want to talk with my lady
I so deeply love and adore nor does the talk
have to be about serious stuff and big issues,
we can set time aside for those talks which
we do need to have but a beautiful afternoon
truly is just for thoughts about anything and for fun.
I long to talk to my lady who has the most
intelligent brain that there is.
I miss you sweet one and want to spend time
holding hands and snuggling the hours away.

A beautiful afternoon where I want you to
lay down on your tummy and I will massage all
of your aches and pains to try and relieve them
as best that I'm able so you can relax
while we are reading a bit after.
I'll rub your neck and back which you will
have to guide me through so I don't put on
too much pressure making things worse.
Then massage your legs to release all that tension
that builds up in those muscles and last
but not least I would massage your feet
which I would never do for anyone else.

Just you my sweet lady because I'm so in love,
I will do anything to make my Queen happy.

Than I want you to just lay down and rest your
head on my lap and I will read to you from our book,
such a beautiful Saturday afternoon for me and you,
a beautiful day with my true love, my Angel
and my sweet Queen just surrounded in our
shared loving strength feeling fulfilled and safe.
A beautiful afternoon with my gorgeous woman
who holds my soul and my heart which are hers
as am I forever through time.

Oh my sweet darling Kira how I wish you were here
for a treasured beautiful Saturday afternoon together.
I so deeply cherish you and will always stand with you,
side by side hand in hand forever and ever.
God bless you my darling and feel me right there
beside you holding you ever so tightly
and in spirit will share this afternoon together in spirit,
listen so closely for my voice as I tell you
Kira you truly are all that I want
and will forever be right here with open arms
and a wide open heart because I so truly love you
and want to give you all of y love forever and ever.

Michael P. McParland

because you deserve the most perfect love I have to give.
I wanna be perfect just for you because you are the best.

Kira I want to be perfect for you and never hurt
you in the slightest way there is and I apologize
in the ways I have in our fights and I know
there must be ways and things I don't know about
because as humans we can cross a line and not know we did
so I apologize for those as well and hope you
can tell me what they were one day.
I need to make up for them because you are my Queen
and I will strive to be as perfect as I can,
I want to be perfect just for you
because you are the Angel I adore and you deserve
so much more than you have received.
Kira babe please help guide me there so I can give you
constantly everything you truly need.

I wanna be perfect for you because you are
perfect to me as a blessing and a gift from
God in heaven up above,
you are perfect through the bond we share
and I adore you to no end.
I know I will still make my mistakes but I want
them to be so few and very very small.
In the beginning please remember that

I will be brand new to a relationship
and I ask your patience as I learn and there are
things you will need to teach me.
I love you dear and just want to be perfect
in every way because you are my Kira
and you are the greatest gem and gift there is
anywhere within the universe.

Kira I wanna be perfect for you and please
know that is the complete and honest truth.
I adore you dear to no end and I always have,
you truly are so very beautiful
and your spirit speaks to mine.
You glow so bright and oh so strong
that I can't help but be pulled toward my one.

and I'll stick next to you through all time.

Morning Note 166

Good morning my beautiful
and precious sweet Angel dove,
I love you so very very very much
and first thing I want to tell you
today is that I never want to hurt you in any way,
you are my Queen and most
treasured true love and spirit
there's ever been,
please hear my hearts call
and know its truth because
I want you to be happy
and give you everything I have within me.
I'm never trying to hurt you
or make you angry in any way
because I only want to share
my life and heart with you
my precious Angel I so admire.
Please feel these hugs and kisses
that I send you and please snuggle
with me my darling so kind and tender.

I have been very lightly dozing
in these last few hours
listening to a Star Trek audio book,
I know I am a nerd so let's both smile.
My neck is hurting a lot and
I think that's why the headaches
are here sweet one.
I am just struggling without you dear
and I don't mean for that
to bring you down and I'm sorry
if it makes you sad or brings you down.
I just want to show you my trust
and my heart like I've said I would
and always wanted to.
I send you the sweetest hugs
and send you sweet kisses
as I forever stand by your side
giving all I have to my sweet Angel bride.

Just close your eyes and see my smile
and feel it's love surround you.
God bless you Kira you truly are
such a blessed treasure
and rest assured I never ever want to hurt you.

So my love will you come and snuggle
with me for a bit longer sharing kisses
so very sweet after I take some
Excedrin for my neck to feel better?
Will you come and let your Michael
hold you to tell you how very much I love you?
Please feel all of my warmth and love
as I send all of its tenderness to you
and feel me there holding you my gorgeous
and treasured girl.
Let's snuggle for a bit and feel
each others warmth on this
early Saturday morn
and truly know your Michael
cares for and loves you dear
and will never do anything to hurt you
because you mean everything to me sweet one.

Michael P. McParland

Holding Hands And Snuggling

Getting so very close to the earliest
parts of the morning dear I'm reaching out
to take your sweet soft hands in mine
and smile at you saying I truly love you dear.
I adore you so very much and want
to be your forever man as I will
stick by your side through all time.
Then I'll pull you in for a tender loving kiss
and we can snuggle through these last
late night hours and into the early morning ones.
I want to be here with you holding hands
and sharing kisses while snuggling with
the Angel I so love and adore to no end.

Michael P. McParland

I'm Missing My Angel

I'm missing my Angel and best friend so very bad
to the point that even though I'm extremely
exhausted and fatigued restless sleep is the best
that I get for very long stretches of time.
I miss my Angel worse than I've ever missed anyone
and I just want to wrap her up in my arms
and tell her everything is going to be alright
because she needs and deserves so very much love
and I have tons upon tons to give
and I want to give every last bit just to her.
I'm missing my Angel so very bad because
I love her more and more everyday,
she's my diamond in the rough a true precious jewel.

I'm missing my Angel and lately I've been doing
so very much crying and asking God to help
her know just how much I care for and love her,
to help her feel my arms around her with sweet kisses
and my loving strength and warmth fill her more than usual,
I have been crying while trying to sleep
asking him to bring back my most beautiful woman
and blessed best friend and Angel.
I'm missing her so badly that I'm not even going
to try and sleep anymore now because it's impossible.
I'll just get up and read imagining she is right beside me
while I send her all of my deep love and tender caring.
God bless that woman my precious Queen I share
a deep spiritual bond with.

I miss her so much and what's not to miss
when you know she is the most beautiful and very best.
It's so hard and painful having to wait for
those sweet kisses and hugs God has promised,
I hope she knows that I will stick to my promise
and stick by her forever and ever,
I'll never leave her because she is my everything,
I'm missing my Angel so very badly
that sometimes all I can do is lay down
and turn on my audio books and music doing nothing.

I miss that gorgeous woman more than anything
and love her above all else in heaven or the universe.

I'm so so very tired but no sleep will come
because my heart seriously hurts
with how bad I miss my Queen a truly magical
woman of immense mystery whom she reveals little
to many but has let me in in the same fashion
I am and have done for her and it means everything to me
that she has as it makes my heart sing in true joy,
she is my precious Angel who I'm missing so badly
and feel the most tender and caring love so very deeply.
I want her to know just how much she means and important she is
so baby I send you these kisses of true love
with great big hugs of pure warmth to wrap you up
in my peace and strength to help reassure you
I'm with you and will be forever as well as help
you get some good rest with us together in your sweet dreams.
God bless you my Angel I so deeply love you
and completely miss you and am here waiting with an open
heart and open arms for my sweet beautiful lady.

Michael P. McParland

Evening Note 87

Good evening to you my sweet dear
and how I wish I could talk to you
and we would snuggle if you liked my dear.
I know I want to kiss and snuggle
and I hope you do as well
because I so want and need to have you near.
I'm exceptionally tired and in pain right now.
I'm missing you already and my heart
is intensely throbbing in deep longing
to see and be with my gorgeous Angel,
I want to gaze into your eyes
and both of us can release it all.
I want to share my entire world with you.
And then the pain of being called crazy,
I don't mean you of course but you know
how deeply that one cuts me babe
and I feel deflated after that.
I'm so very tired, I miss you bad,
and being called crazy is easy
for some to shake off but it's hard
for me my sweet Angel dove.
It puts my heart in pain so very bad
and I wish you were here to hold me close.

So my sweet dear as I reach out
to you please reach back to hold me too.
I miss you bad and want to be with you.
I'm so very sorry but I can hardly
keep my eyes open now and want you to know
that I will always be with you hand in hand,
feel me beside you holding you close.
Let's give each other much needed comfort
and share some kisses as we rest our heads
right next to each other in total comfort.

Michael P. McParland

I'll Never Leave You 2

I'll never leave you babe
because to me you are a treasure,
a diamond in the rough I want to hold
forever and ever.
You are all I'll ever need and want because
you are so very beautiful.
You are my Angel and my Queen
and I'll never leave you because I truly love you.

I'll never leave you Kira dear because
that would break both our hearts
and just the thought of it makes me know
how deadly that would feel,
I can't take the thought of you all alone
crying and feeling betrayed because when you cry
I die inside as I hate to see
my sweet Angel dove in any pain at all.
And then the thought of totally losing you
is a fate so unbearable I can't even
envision it truly my sweet dear,
I think I would break completely
because a life without you is something I could not
comprehend and tolerate within.
I've already fallen apart in so many ways
that if I lost you in full I'd surely lose my mind in full.
I'll never leave you Kira my sweet one
because I want us both to be happy and totally fulfilled.

Kira I swear I'll never leave you, push you away,
or let go because you are my only one,
I adore you so very much and have nothing for you
within me but true, caring, and immense tender love.
I only want you my sweet Angel bride
because you are my Queen and I will stand by you
through all time giving all I have because you're the best.
You are the one who holds my soul and heart
and I'll never leave you because you are my soul, my heart,
my very essence through and through
my sweet Angel so very good and right.

I'll never leave you Kira this I swear because
I am your Michael and yours alone through all time
dedicated to you and no one will ever be able to take my love away.

Michael P. McParland

Longing So Much 3

A very good late afternoon to you
my sweet Angel dove and I truly wish
with all of my heart and soul that you were here
to spend time I each others arms before
I get up in a few minutes to cook dinner.
I'm longing so very much as I think of you
and just looked at your picture to have you right here
giving kisses and hugs in the deepest and most profound ways.
I am longing so very much to just sit by you
kiss your lips, cheeks, and soft neck
telling you I love you so very much.

I'll be cooking spaghetti for dinner
so I hope that is something you like my sweet lady
and it is an easy clean up so afterwards
we could just snuggle and watch a movie together.
I'm craving some time with my Kira
and I am longing so hard to finally see you
and be with you just holding you closely.
I am yearning with a deep throbbing
to just snuggle with you kissing, talking,
reading and just spending time doing whatever.
I'm longing so much to be with you
on this late afternoon and through the whole evening
eventually sliding in bed together
to fall asleep with your head on my chest
as we hold each other so very close.

Sweet sweet Kira how I am longing in my souls tiredness
to be with you my soul mate and best friend so treasured,
my Queen and Angel whom I give my everything
and will stand by forever and ever never leaving
you all alone feeling broken and abandoned
because I love you so much and it tears
me apart knowing that you are hurting.
I love you sweet Kira and am longing to be with you so very badly
so just feel me in spirit right beside you
giving sweet kisses and holding you and your hand
ever so tightly.

Michael P. McParland

Love Note 406

A truly beautiful and good afternoon'
to you my beautiful Angel I deeply adore
and how I so very wish you were here
to sit with me in each others arms right now.
You wouldn't want to watch the YouTube
video I and because it's a very long one
on true life horror stories so we would find something
more to your liking so we could both enjoy.
I miss you sweet baby and wish you were here
to snuggle up and hold hands while we
watched the videos and sat and talked.
Darling I want to make clear
and reassure you that I am not saying
that you are making me feel like I'm failing you,
I'm not saying that at all and remember
if something doesn't make sense please
ask me to explain instead of worrying
or over thinking the situation,
it is me through my own worries and fears
that is afraid that I may be letting you down,
I'm saying you are so good to me
and it just hurts when I know you are upset
just as I know you hurt whenever I have yelled
and been upset,
please don't feel down because I was just saying
I hope I give you deep comfort as well
as I send all of my loving warmth with
deep strength and immense care.
I hope I am doing for you in your heart
and soul as much as you do for me.

I love you my lady and you truly mean
more than anything else to me,
I want you right here to hold so very bad
that my heart is aching fiercely
my sweet Angel and diamond.
I so long to be with you giving my everything
and quite often like now
I feel the tears at the surface

because both of us are so hurting,
Kira I want you more than anything
and to just write my messages
and poem in the dozens each day to give
to you directly because I want
only you to see so much
of the deepest things
I am thinking and feeling,
I just want to share with you my dear darling Angel.
So hear my hearts call as
it sings out in full voice
and know that I'm so truly proud of you
and would give anything to be with you forever and ever.
Kira you are my soul mate, my hero,
and my God blessed Angel and my heart melts for you
every day over and over,
I will always stand by you and be
your dedicated and loving Michael
because I so truly adore and love you
my rare gem and diamond.

Michael P. McParland

Waking Within Your Arms

Oh my sweet love after a very restless night
of very bad sleep I tried to lay out here on the couch
in hopes that it would be more comfortable
here in the day to get some better sleep
and to some degree that was true my sweet precious you
except it was very restless at points too
because the cats were bothering me big at points my dear,
especially Caesar the little 5 year old kitten in spirit
who's 17 pounds of pure muscle and mischief
and he kept waking me over and over until
I've now gotten up because he will keep doing it
and I want to talk to my darling
and I wish I could be doing it while waking fully
in your arms so truly strong and loving in every way,
I'd love to be waking in my best friends arms
sharing kisses oh so sweet and good.

Sitting back here on the couch as I have risen
and I feel not so much tired but groggy
from the sleep I have just come from
and would love to shake off in full within your arms
while looking in your eyes and saying
I love you babe you truly are so good to me
and if you feel the same about me
I'd really like to hear it because I worry so much
that I am failing and disappointing you.
It's not anything you say or do except when I know
you are mad at me it is almost 99% my worries
that I am not doing good enough and failing my sweet Angel dove,
So I would like to spend this afternoon waking
within your arms as we comforted each other
and our hearts and souls.
I wish I were waking in your arms because you are
my Queen and true hero best friend.
Kira you are my universe and everything.

Kira I hope you'll come soon so I can sit here
and wake within your arms as we kiss so sweet
and hold each other close,

I miss the woman I love more than anything
and for whom I'd give my very life
I want to be waking in your arms because
you are my gorgeous girl and diamond in the rough
and I hurt so bad to have you by my side,
I don't want you here just in spirit but to hold and have
as the wonderful woman and soul mate I've always wanted.
So feel me there beside you as I am waking
bit by bit within your beautiful arms of your spirit
and giving kisses we both so need and are craving.
I love you darling and you are the only one that
I am craving and hope so soon that we will
be granted the wish that we've so been needing
and very badly wanting.

Michael P. McParland

Morning Note 165

A very early good morning
to you my sweet precious dear
and I hope you got some good sleep
also seeing me in your dreams.
Snuggling and kissing while talking
knowing all is okay because
we are with each other.
I adore you sweet lady
and in spirit I am holding you
and wish I could be in person.

It was an extremely restless night
for me and I've not gotten one bit
of really good sleep and am going
to lay on the couch and watch NetFlix,
listen to music, or one of my audio books
and dream of you being with me
holding each other so tightly.
An early morning snuggle with
my beautiful best friend Kira,
my Angel so very special.

I don't know how long I'll
be sleeping and maybe just napping
but remember I'm with you
my Queen of light of whom I'm so adoring,
feel my arms around you and
my sweet kisses covering you all over
in passion and true love of pure delight,
please my dear darling please, please,
please come so soon because I love you,
I love you, I love you and want
to be holding each other so very badly.
God bless you my darling
and feel me right there with you
the entire morning because you are my everything
and eternal Angel I so adore and am fond of.

Michael P. McParland

Middle Night Snuggles With Kira

Waking here my sweet one in the middle
of a very restless and deeply tired night
I just want to be able to reach over and pull you in
for a very tight and warm snuggle while
sharing kisses so very kind and sweet,
I want so bad to feel you next to me
and just snuggle here in the middle of the night
with my gorgeous Kira my Angel of true love
and light I so adore and want to be with forevermore.

It's such a very restless and tired night
my sweet and precious diamond in the rough
and feel my arms around you as I reach out
to pull you in and give you kisses of deep comfort
and reassurance to remind you that I'm never leaving,
feel my hand in yours and see my loving smile
and gaze into each others eyes knowing that
when we are together everything will be okay and better.
I love you babe and want to share a middle night snuggle
because my heart aches so very bad to be with precious Kira,
my true love and only Angel who I would give my life for
no matter what the reason because she is so very wonderful
and my amazing woman.

So my sweet sweet Kira how my heart reaches
out to you for so very many reasons
and most of all to comfort you because
I want to know just how you are,
you don't know the depth of my longing sadness
and worry I feel for you and I just want
to hold you close so bad and let you know you're safe,
I want to give you all of myself in complete
and total free choice,
I want a middle night snuggle here with my goddess
and my beloved precious Angel.
I send you many many sweet kisses and a snuggle
full of pure and loving warmth
and never forget your Michael will stand by you
through all time never to depart.

Michael P. McParland

I Love You Kira 15

I love you sweet Kira,
you are my sweetie and precious jewel
my heart calls out to you.
You are my everything
and my only one,
Kira I love you because
you are the greatest,
my Angel, and my very best friend
whom I adore to no end.

Michael P. McParland

Goodnight Kiss 21

I send to you this goodnight kiss my sweet one
with great big hugs full of all my warmth and love.
A sweet goodnight kiss to say I love you
and care so incredibly much.
I can feel and know you're mad at me dear
and I do not know why when I'm just being
open with you about all that I think and feel.
I love you so much and just want to hold you so close
spending every day of our lives side by side
hand in hand as the best friends that we truly are.

So I send you this goodnight kiss feeling
a bit sadder knowing you are upset
when I love you so very much and would
give anything to have you here for kisses and snuggles.
Feel me beside you giving all of my caring and loving
and feel me holding you and your soft tender hand so caring
and be filled with my strength, peace, and loving warmth.
I love you Kira and you truly are my sweet Angel
and I send you this goodnight kiss
so full of deep caring, want, and longing.

Michael P. McParland

Lying Here Longing For You

Lying here sweet babe and my neck is hurting,
the arthritis is slightly popping,
and the headache is just right there
under the surface and I'm praying it won't be returning.
All the while I am longing to have you here
to kiss and hold giving my best and all.
To just gaze into your eyes and say I love you babe,
Kira you are my Angel, Queen, and most beloved
and dearly treasured best friend.
I'm just lying here so very tired dear
trying to find the perfect thing to listen to
in hopes of soothing me a bit all the while knowing
I'll keep longing for my only dear.

Just lying here my sweet one and longing
to have you within my arms snuggling
and kissing like two best friends in love.
I'm missing you and as I lay here in pain
I'll be dreaming of you to help it
seem lighter and not as bad.
I love you my Angel and will stick by you forever
so have no worries because your Michael
truly loves you and is holding you forever and ever.

Michael P. McParland

A Prayer For My Love 4

Dear God almighty above all
I come bow down before you now
to ask these things for and to help my Angel Queen,
to reassure her of so very much
and help her know truths within
her golden precious heart.
I ask thee dear God for these things
and thank you now for I know
you will do them and help
your very special and beautiful Angel Kira out.
I know you created her so very special
and before all else help her to know
just what a beloved Angel she truly is.

Dear God I do not list in order
of any importance over the other
but just as they come to me and ask you to help her.
Please help that special woman to know
that she truly is so very beautiful.
Both within and out and please help
her to see that to help lift her confidence.
She has such a gorgeous heart and giving soul
that I truly treasure so very much.
She has such gorgeous eyes and a beautiful smile
and is just wonderfully pretty in all ways.
Help her to know that her Michael adores her so
and finds her so attractive and wants to hold her near me
giving kisses and endless hugs everyday through all time.

Dear God please help her
to truly know she's not alone
because you are always with her as am I.
Help her to know and accept all the love that
she is given knowing she deserves it as much
and more than any person.
Dear God help her to know that I've also
through the many years been so alone
and I have so very much love to give
and I want to give it all to her with pure intent,

help her to know I will always do my best
because I want to make her proud as my Queen
and as the very best.
Help her to know she's not alone and that
I'll never leave because she is my diamond
in the rough and I adore her in full so very much.

Dear God please help to relieve her pains
in every way there is both what I know
and what I don't, physically, emotionally,
and mentally, all the stress that she carries,
please help her to know I am right here to talk
and want to hold each other healing both our hearts.
Please dear God heal her body so she will feel
free and good to run and be able to walk
and move freely just as she feels and wants.
Please just help lift her burdens
in all things and if needs be I will carry them
because out of love I hate to see her suffering
and I want to see her free and happy of all pains
because she's my Angel and my everything.

Dear God please help her to know just how much
I truly love her so and that I hurt so bad
because I'm filled with tender caring love
and miss her more than anything.
Help her to know she is my hero, my Queen,
my best friend, my Angel, and the greatest woman
I share such a blessed bond with.
Please help her know that I adore her in full,
miss her, and want to spend eternity by her side
because she is my universe and great sweet Angel bride.

So dear sweet God almighty as I wrap this up
please just bless that woman to know
in every way that she is so special and truly loved.
Help her to know she is treasured and cherished
by not just me but her kids and others whom I don't know,
she is a gorgeous woman with a gorgeous heart and soul
and please always watch over her,
help her to know I'm always by her side
holding her and her hand giving kisses and endless

support which I always will.
Dear God please help soon to present our path
to eternal happiness because I miss her so very much
and without her I feel I am breaking apart.
Please bless my Kira dear to help her know
that her Michael will always be with her forevermore.

Amen.
ILYF and ever Kira my sweet Angel dove.

Michael P. McParland

An Aching Hearts Call

I have an aching heart that's so in love with you,
an aching heart that calls out and sings
all my favorite love songs in full.
I reach out to hold you close and hold your hand
and to also put your hand upon my chest
to feel my hearts living beat for you.
You are the one I love so much and want
to look in your eyes as I hold you so very close
and say I love you babe you truly are the best.
Oh my Kira love I truly miss you bad
and in my hearts very painful ache
it calls to you and say I love you
please come back and hold each other while we talk,
kiss and spend our lives forevermore
in complete and total bliss.

Michael P. McParland

An Evening Holding You 2

It's now dinner time here my sweet dear
and I wish you were here to join me my babe.
My mother cooked dinner tonight
and she is a wonderful cook my sweet Angel dove,
I would love to sit with you and enjoy our meal
and afterwards I would just hold you near.
We could read to each other and share
the sweetest ever of kisses
and find a good movie to rent or buy
that we can enjoy together.
An evening spent holding you is the magic I want
and feel so very calm and safe with my Kira
whom I share a treasured and sacred bond with.

Literally an evening spent holding you as long as you want,
just curl up in my arms and get cozy my dear.
I so adore you and treasure you I need you with me
and I want to give you all of the love
you've always wanted and need.
Don't you dare think that you're not deserving
because you deserve all that love as much
if not more than anybody and everybody I know,
You are so wonderful and amazing and I want
to give you all of myself freely in full
because you are my Angel and treasured blessing from God.

Kira I want to spend an evening with you in my arms
and many many more holding each other and taking
much needed separate turns.
I am a man that has no problem admitting that
he needs to be held by his darling woman,
the macho posturing of other men is stupid,
pathetic, and totally not me as you know.
I want to spend an evening holding you
and you holding me because you are my hero and Angel Queen.
God bless you my darling and in spirit feel me
put my arms so tightly around you as we
share kisses so sweetly and I give to you
my heart and soul ever so freely.

Michael P. McParland

Just Missing You So Very Very Much

Kira dear I'm just missing you
so very very much because I hold you
so very dear and near within my heart.
Even though it's been so long since we actually
saw each other face to face in so many ways
with how comfortable I am with you
it feels like no time had really passed at all.
I miss our conversations on the phone
and through email and typing anywhere we pleased,
I just miss you so very very much and my heart
and soul hurt so bad to see, talk,
and be with you my beautiful Angel Queen.

Kira I did lay in bed last night extremely tired
and in deep aching pain from missing you
my sweet Angel dove,
I lay here crying until I finally fell asleep
and it was restless as in my dreams again
I didn't lose you in any way but I felt
your absence and it is a feeling so very bare,
remember dear you don't make me sad
not having my Angel who is my best friend
is what is so painful babe.
I miss you so very very much that quite often
sometimes in my sleep I either lose you
again in my life in some way or I just
feel empty without you there.
I miss you babe and will be sad in a profound way
even on the happy days until you are
here with me in each others arms sharing sweet kisses
while smiling and gazing into the others eyes.

Kira I'm just missing you so very very much
and I don't know when I will cry again
but I know it will happen because I am not with my Queen,
rather they are the dry type where you
have all the feelings that you are
but no major wetness comes to your eyes,
or be it just light tears running down,

and sometimes outright weeping and sobs
I will cry because I miss my babe and to you
I'm not ashamed to admit I do or even show
that side of me because I trust you and you've
always understood knowing I don't reveal that
unless I feel a deep friendship
or like with you a deep and profound love
I can't bare to ever lose.

I'm just missing you so very very much because
you are my only one and diamond in the rough.
I adore and treasure you and give to you
my entire heart, soul, and very life,
I want to give you the love that you may not realize
you deserve but you truly do and I want
to give all the love I hold to you,
I will always stand by my Queen who means everything to me
and I will hold close and keep safe
through all time forevermore because you are
all I want and all I need to fulfill my life.
Kira you are a blessing and a gift
and I will never stop loving you because you are
my Queen and the very best there is.

Michael P. McParland

A Beautiful Mid Afternoon With My Beautiful Angel

Good mid afternoon my beautiful Angel
and most beautiful and adored best friend
and I pray your day has been going well
and have felt me right there by your side,
I love you so very much and am always with you
everywhere giving you all of my loving support
no matter where and no matter what.
You are my guardian Angel and I am yours too
and I will be there for my best friend and true love
all the time no matter what through and through.

I want to thank you as ever for your care
and loving understanding to be patient
and help me through a very painful migraine.
Thank you for realizing how much I needed the rest
from the headache and the heartache from missing you as well,
but we can talk about that later when I return from the store,
never to yell or make you feel down but just to share
how I feel and right now the deep sadness
and tears from the deep sadness to despair of missing you,
just as I will always share my abundant happiness too
though that will come when you are here
and I wish you were here to spend a beautiful afternoon
first going to the store and then sitting with me
for some snacks when we arrived back.

I will write you very shortly probably even
right after I arrive home to brighten both of our days
with the love that I feel through kisses, hugs,
and loving words to soothe the heart and soul.
Remember I'll never leave you or hurt your heart
because you truly are everything I need and want,
I am your Michael and you are my Kira an Angel so good,
I ask and hope that will not leave me
and please don't keep pushing me away,
I want you in my life for eternity every single day.
You are my Queen and that's the greatest thing there is to me,
I will keep standing by you because you are great.
I love you Kira so please hear my heart,

it will only ever be to you that it calls.

Michael P. McParland

Love Note 405

Kira babe as I lay here
with yet another pounding headache
I want to say I love you babe
even though you may not
believe it right here in this moment.
I truly don't know why
they've been hitting me
so very bad and I wish
you were here to lay
down by my side as I beat them out.
I truly love you dear
and am right beside you
holding you so very close
hand in hand giving you
the sweetest kisses that there are.
Feel all my warmth and love
as I send it all to you.

I love you Kira oh so
very much though you may
be upset and hurting now,
I hurt just as bad as I did last night
and wish you were here to lay
with me and then afterwards
go go get some shopping done
I so truly adore you you
my gorgeous precious one.
So feel my hand in yours
and all the sweet kisses
and big hugs that I send
and remember you're not
alone because I will always
be right beside you
my gorgeous sweet Angel bride.

Michael P. McParland

Tired Snuggles And Tears

As I lay here so very tired and worn out
my pillow is wet from a long session of crying here,
I miss you so much and my heart badly hurts
I wish you were here to snuggle with
and gaze upon as I told you I love you,
want you, and need you forever and ever.
In these tired and lonely tears
I just want to be with you holding you near.

I am so tired and remember sweet darling
it isn't you that's making me sad
it is missing you that's so horribly bad.
You make me happy and feel so very good
and I pray that I make you feel that way too,
I love you my darling I truly do
and I want to just lay next to
and release these tears in front of the woman
I know understands and would never make fun of me
or say cross words when I'm showing my softer side in front of you.
I just want to be here holding you darling
because these lonely tears are so suffocating.

Tired and lonely tears which can only be stopped
and healed by snuggling with my lady
and sharing sweet kisses that soothe the heart
as both of ours as well as our souls reach out and touch.
I can tell my tears are not done tonight
until probably when I fall to sleep.
So I need a good story on audio book
and I wish it was your voice I would be hearing
reading your gorgeous works.
You're all I want and to look at and smile
knowing all is alright in the world.
So my sweet darling feel all of these sweet
precious kisses I'm sending and in spirit
hold each other so very tightly.
You are my Angel and goddess supreme
and I just want to have you here to help stop
these tired tears that come from missing you

my most beloved Angel and Queen.

Michael P. McParland

Love Note 404

Sitting here with sweet
thoughts of you
and sending sweet kisses too,
feel all of my love
and all of my warmth
as I reach out to wrap you up.
Know that I'm with you
and am not letting go
because I am your Michael
and you are my sweet Angel
forevermore.

Michael P. McParland

Tired And Aching

Sitting here dear and feeling so very tired
aching so so very badly to be with you,
I don't even know how to describe or explain
just how badly for you I ache and yearn,
to just hold you so tight
and not just for me but to comfort us both,
to look in your eyes and tell you
everything is going to be okay from now on
and everything is alright.
I love you sweet Kira and am so very tired
as I am aching, longing, and yearning
for my only one.

Sitting here thinking of your beautiful face
as you smile at me and your eyes so brightly beam.
I'm sitting here and I can feel you so close
and that is the only thing keeping
me together right now and not falling apart,
in the tiredness I feel it would not be hard
to just start crying non stop.
I thank you sweet one for all of your
loving care and deep strength that I feel.
I hope all of mine provides you as much peace
my sweet darling dear,
I hope knowing I'm with you hand in hand
giving kisses so sweet and holding you tight
to give all of my loving warmth helps you
at least just as much.
I love you my Angel and strive so very hard
to make you happy and proud giving my best
and my everything in full.

I miss you my darling and just want to hold you
to help heal your broken, scared, and aching heart.
Together we can and we will help heal
with true acceptance and unconditional love
each others aching and longing hearts.
We are best friends and in need of each other,
I am so tired and miss my baby.

I am so tired and want my dear Angel Kira
the woman I've known and wanted forever and ever.
I love you my darling and want you to
lay with me kissing and snuggling.
I need your touch from innocent hugs and kisses
to that of true best friends and lovers
with a strong bond that will never be shattered.

I am so truly tired and aching my sweet Queen and Angel
and I would give anything to be right beside you,
I can feel you and smell you and it is so lovely
and it is what's keeping me calm my precious lady,
I hope you can feel me just as strongly.
I miss you my Angel and am so filled with
need and true want to be with you
and I don't know how to describe or explain it.
Just know that I love you and surely will never
leave you because you are my divine Angel and hero
whom I want to be with through all eternity.

These Sweet Kisses

Sweet sweet love I send you these
sweet kisses of deep loving longing and yearning
to be with you and be wrapped in each others arms.
To spend a quiet evening talking, reading,
watching movies and all the while kissing
and letting each other know how in love we are,
I send to you these sweet kisses my sweet and darling Kira
because I so long to have you in my arms
to help you know you're truly not alone.

I send these sweet kisses to you because
I want to spend every day and night holding you
so very close to me as we spend time
and just get to know each other better and better
as we share our entire lives.
I's for only you that I want to tear down my walls
and share my world with you complete,
total and in full.
It is only you that my heart aches and hungers for,
I send these sweet kisses to my Angel dear
because you are my only one.

I send to you these sweet kisses
of deep and caring love,
feel me there beside you as I so tightly pull you in.
I adore you so very much
and I hurt so bad to have you close,
Kira I send to you the sweetest kisses
because you truly are the best.
I want to spend my life with you
and will never break your heart,
I will never leave you all alone
because I adore, respect,
and love my Queen and best friend so very very much.
I send to you these sweet kisses
so full of caring love
because you are my everything
and my sweet Angel dove.

Beautiful Afternoon Dreams

Sitting here eating my lunch as I write
you my dear as my stomach was screaming
at me about how it needed food
and after paying almost all of my bills
except the few I'm waiting for
I'm pretty much cleaned out for the month
except for maybe a few little things
I can get here or there and if you were here
with me babe I would still buy you your robe
because another very cold stretch is coming through
and I want you to be so cozy dear
and right now my afternoon dreams are of you
curled up in my arms as we spend a beautiful and quiet
mid afternoon in each others arms kissing
and spending time doing so many things
reveling in the warmth and bond that we share.

Afternoon dreams of just holding you
and looking in your beautiful eyes
getting lost in the depth and universes
of pure, true, and endless kind love that you hold.
Caress your cheek as you brightly smile
and I tell you I love you and never again
will you be alone because I will forever
stand right by your side hand in hand
giving all of my love in the very best ways
that I always can because I just want to make
you my sweet Angel so very happy and so very proud.
I want to give you all the happiness and love
that you have always deserved.

So my sweet love feel all of my warmth and love
as I send it your way with millions
of kisses and big hugs of pure loving warmth.
As I sit here continuing to eat my lunch
I will be dreaming of me and you spending time
side by side and hand in hand,
then after I am done being a pig just
snuggling with you on the couch holding you ever so tight.

Dreaming of all the beautiful afternoons
I'll be sharing with beautiful you,
feel me beside you as I pull you in so very tightly
and feel my hand in yours as I give you these kisses so very sweetly.
I love you dear Kira you are my everything
and never forget I am your Michael through all eternity.

Michael P. McParland

Love Note 403

Good afternoon my sweet Angel dove
and thank you for all of your patience
today my sweet one.
After a night of completely restless sleep
and the wrote you about morning snuggles with me
I lay down my head and felt your loving strength
and warm caring so extra strong that
I fell asleep until about 10 minutes ago.
I had to shake off the groggy sleep
and wake up a bit more here so I could
clearly write you.
I love you so much and hope you
can feel it as I send it all
with my warmth straight to you,
feel all of these sweet kisses
and big hugs of pure loving warmth too.
I love you my sweet Angel so good
and I wish you were here to sit with me
and join me as I sit and figured the bills
and had a late lunch while I snuggled with you.

I hope your afternoon has gone so very
well and you have truly felt me there beside you
holding you so very close my hand within yours
as I gave you my smiles of true love
that are just for you,
God bless you sweet darling and I apologize
if you are feeling down and sad
and again I truly thank you for
understanding my need to sleep.
I now just wish you were here to snuggle with
and forget the world for a little while.
I just want to spend time with my Queen
who truly matters,
I want to be holding my Angel
and sharing the sweetest
and most meaningful kisses.

So my sweet one I shall now do my bills

and before my lunch I will write
you again to let you know how
all goes and fares for me,
know I am with you always and right beside you
giving you kisses while holding
your hand and holding you so very tight
and close to me.
Feel the thankfulness within my spirit
as you close your gorgeous eyes
and see my loving looks and big smile.
Remember you're not alone
and that I'll never leave you
because I am your Michael
and I so deeply love and adore you
my precious sweet blessed Angel.

Michael P. McParland

Morning Note 164

A very early good morning
to you my beautiful one and I hope
and pray that you felt all of
my warmth and love getting some good sleep
as I was with you in spirit
holding you close and giving you
the sweetest of kisses with my
deepest and most tender caring thoughts
to go with it.
I pray you hears me saying many times
Kira I love you and you are truly
amazing and so very deeply special.
I love you sweet lady and miss you
so deeply.
I wish that I could reach over
and pull you in closely
to look you in the eyes deeply
and say thank you for being here
and being my precious lady,
thank you for being my best friend,
my Queen, my hero, and my blessed Angel.
I will always strive hard
and give my best to be and do
just as much for you.

It was an extremely restless night
of not very good sleep so very light
tossing and turning with still
so much on my mind my sweet one
so I'm going to lay down again for
just a bit more before getting up
to eat a bit and do the bills,
then be up a bit longer writing to you
and perhaps I can afford a new movie too
then cat nap in the afternoon.
Those are thoughts and worries
for later though as right now
all I want is to snuggle and nuzzle with you
sharing kisses as we comfort each other,

an early morning just lying in bed
holding my lady.

So my dear darling I wish you
an early good morning
and feel me wrap my arms around you
giving the sweetest kisses
and big snuggle as I lay beside you
to give you all of my strength
and tender love,
just feel me beside you my Angel
holding you so very close
in my longing need to just
have you beside me knowing
that all in the world is right and good.
I love you so very much
and just want to spend a bit longer
right here in bed as I cuddle my Queen
and let you know just how very much
you mean to me.

Michael P. McParland

Goodnight Sweet One Come Curl Up

Goodnight sweet one and come curl up
within my arms and share a few sweet kisses
before we fall asleep.
I am so very tired and it might be a busy day
because I get paid and have to do the bills
and if weather permits run around a bit
so I want to snuggle in with you
sharing some kisses so very good and then
have you rest your head upon my chest
while I pull you in and stroke your hair
and rub your back while we listen to
an audio book or some classical music
it would be your pick.
Goodnight sweet one I am so very tired
so come curl up within my arms
and we will both feel comfort in the love and warmth
that we will give each other.

I will hold you tight through all the night
so feel me there right by your side,
I'm sorry for this shorter message
but my eyes are drooping and I need
to and want to be as fresh as I can
so I don't mess up on my bills and can be focused,
I wish you could go shopping with me
and I would buy you your own robe
matching but of a different color
so we could wrap up together.
I miss you babe and I also want to sleep
because my heart is badly aching
and I want to see you sweet one in a dream.
I'm so in need to have my Angel near to me.
So I wish you a beautiful goodnight
and I will write you as soon as I have risen,
God bless you my gorgeous woman
and feel me beside you because you'll
never ever again be alone.
I adore you dear and my heart will
through the night sing to you

so take comfort in all its songs because you
are all I want and my darling Angel only one.

Michael P. McParland

Lying Down Together Before Bed

Come my sweet dear and let's lay down
together and snuggle before bed,
I want to share sweet and soft tender kisses with you
and just feel the warmth of our shared
caring love as we gaze into each others eyes
wearing smiles so truly comforting
expressing joy and pride.
Come my sweet one and let's lay down together
snuggling before bed time and sharing sweet kisses
so passionate and tender.

Come my sweet darling and curl up within my arms
and lest we should fall asleep rest your head
upon my loving chest so I can hold you so close
and rub your back while stroking your hair,
I'm going to try not to fall asleep just
here and yet at this moment we're in
but if I should I want you to be so closely
tucked in next to me feeling all of
my warmth and love as we just snuggle away
all loneliness and any lingering fears.
Come my sweet one and let's snuggle and kiss right now
because I want and need to feel my Angel beside me
and all of your loving warmth and deep strength.

Oh my sweet sweet Kira how I long to have you
right here in my arms seeing you smile
and feeling your lips upon mine,
I just want to be holding you as this night winds down
letting you know through my words, my looks,
and my snuggling kisses how much I love you and care.
You truly are my sweet precious darling
and it is for your presence and love
I am so strongly starving.
I love you my darling and please come
so tightly and closely snuggle with your loving Michael
because I want for both of us to feel comfort
knowing that we are right there with each other
wrapped up so very tightly and lovingly.

Michael P. McParland

Looking At Your Picture 4

As I just had to restart my computer
when the desktop came up there you were
with that gorgeous smile and sparkling eyes
that always bring me to a stop.
A stop of longing and a stop of love,
a stop of want and need for my only one.
Believe it or not you truly are so beautiful
and I wish I could so gently take your face
around your soft cheeks within my hands
to say I love you babe and kiss you to show you
and help you feel all the love and tenderness I hold for you
my sweet Angel dove I so adore.

Oh my sweet dear there are times in those
very tough and lonely nights where
I'll just look upon your picture and talk awhile.
I don't care if to anyone it sounds nuts,
most think I'm crazy anyway and I know
that you can sense and feel my loving warmth
and it helps me in some manner in some way
to look upon you and say you are beautiful my Angel dear
and I love you more than anyone can ever know.
Kira you truly are my sweet Angel Queen
and I'll be beside you everyday through all time
hand in hand holding you within my arms.

Kira you are beautiful and I don't know
how you don't see that you are with
the entire person that you are,
you know most of if not all the ways you drive me wild
and to look upon your picture helps
give me some peace to know that one day
I will closely hold you and deeply kiss you,
I'll get lost in your eyes as I tell you
that I love you and show you my soul
as all my walls tumble down just for you my dear.
So as I look upon your picture my heart feels a joy
but also a deep aching longing to be
with you right here and now.

You are the only one I'll ever want and need
and I just want to hold you near right here with me.

Michael P. McParland

My Beautiful Angel

You my sweet lady are my beloved beautiful Angel,
the crown jewel of my heart and an absolute treasure.
I adore you my darling and long to be with you
holding you so very tightly to thank you
for your prayers and loving strength as I beat off
the last of this headache that without your
prayers and loving warmth could have been
much more painful and excruciating my darling.
You are my beautiful Angel for whom I am so grateful
and the bond that we share is truly the most
wonderful thing along with you that I've ever known.

You are my beautiful Angel I continue
in so very many ways to live for.
Knowing that one day soon I'll be able to hold you
and go for walks, sit with you,
just doing whatever as I hold your hand
and give you sweet kisses straight from my soul.
You are my beautiful Angel I can't get enough of
and I treasure you deeply as the blessing
and gift from God that you are.
I am so in awe of my sweetie so gorgeous
and I want to spend eternity both of us
side by side never parting ever except to
go out with friends and family for a little while.
I'll never leave you because you are my sweet,
gorgeous, precious Angel and I just want to
hold you forever and ever.

You are my Angel so very pure and so very beautiful
and I'm reaching out to take your hand
so very kindly, so softly yet firmly, so caring,
and so reassuring in its pure intent and deep loving.
When we've reunited just look in my eyes and see
all of the love that I am holding
and then feel it fill you with peace and complete safety.
I will forever be with because you are my lady
and you truly are my deeply cherished and beloved
beautiful Angel.

Michael P. McParland

Sweet Snuggles

Lying here on this afternoon listening to Mozart
trying to beat out this headache that's hanging
around the border of a migraine
and along with my classical it is you I dream of dear.
To be holding so very close to me
as you rubbed my head and face to help relax me
and make the pounding go away.
To just lay beside me and hold me very close
as I held you as tight as I could in return,
so you could give me some sweet and light kisses on the head
and lips and just tell me it will all be okay.

As I lay here on this afternoon listening
to my beautiful Mozart albums trying to beat
all the pounding in my head I dream of you
and sharing snuggles oh so sweet.
Kira feel all these hugs and kisses that
I send your way and feel me there with you.
I so adore my sweet Angel dove the beautiful woman that you are
and I want nothing more than to be snuggling
with you right now because I love you babe
and your comfort my Queen is the best there truly is.

back down and thinking of snuggling with you
along with feeling all of your loving warmth
and deep strength I fell back
asleep until just now.
Please forgive me sweet one

Good morning my gorgeous girl with
great big hugs of warmth and sweet kisses of true love,
a truly beautiful good morning to you
the most beautiful and kind hearted woman that there is.
God bless you babe you're such a jewel
and even on the hardest days there are to rise
it is worth it knowing you are there

This is not a hard one though because I can
feel you so very strong and smell your long dark hair
and your soft pale skin.
A truly good morning to you my gorgeous girl
and let's snuggle in bed for just a bit before we get up.

I have dishes to do right off the bat
and a few other little chores I want out of my way

and hold you in spirit my best friend,

and feel my sweet kisses my gorgeous girl as
I tell you are great and that I so truly love you.

Michael P. McParland

Goodnight My Precious Angel

Goodnight my sweet precious Angel
of truly profound love and light,
now let's go to bed together slipping
under the covers and just snuggle away
together sharing the sweetest of kisses,
gazing into each others eyes and smiling
and telling each other how much we love the other
and have so badly missed all the beauty
that as best friends and soul mates we always treasured.
Come my sweet Kira a truly beautiful
and precious Angel let's go to bed and snuggle
sharing sweet kisses and being filled with deep comfort.

Just curl up in my arms as tight as you want to

pull you in to hold you the entire night through,
I'll just rub your sore back and stroke you hair
as I give you all of my endless warmth and love.
Come snuggle up and just let me comfort you
and give us both such deep peace
as we lay back and talk for a bit
as we slowly drift off wearing smiles
knowing all is alright as we are with each other
holding on so very tight.
Feel my arms around you sweet one
and listen closely as I tell you I love you
my Queen and sweet Angel dove.

I'll see you tonight in the land of
majestic land of dreams where we can sit
by a big camp fire on the beach
or in a truly serene scene out in the woods.
I want you to be sitting in my lap
as you have your arms around my neck
smiling as we talk and just holding each other
as we both so very need and so very want.
I just want to talk and kiss you
and together we will just make our own poetry,
just a time of true happiness together

where with you I can be myself
and with me you need never worry because
I want you my sweet Kira to be yourself.
So tonight my sweet love in the land of dreams
a beautiful time with my beautiful lady
watching your eyes and smile shine
as we sit by a fire so cozy and warm.

hurt or abandon you in any way.
I'll forever stand by you because you are my girl.

Michael P. McParland

Sit With Me 3

Come sit with me sweet one
before we go to bed.
Come sit beside me and curl up in my arms,
let me look into those
precious gorgeous eyes that melt my heart in love,
let me look into your loving eyes
to know that everything will be alright,
sit with my Angel Queen and get so cozy
so we can forget the world for now
and it will just be you and me
with nothing and no one to bother us for a while dear.

Come sit with me and let's read a bit for now,
come sit so I can give you kisses
on your lips, your cheeks,
and the softest most gentle kisses on your neck.
Sit with me because it is what we need,
I need to say I love you deeply babe
and I need so very bad to hear you say it too.
Please come sit with me before we go to bed
and snuggle perhaps you will share some closeness
with the man that cares for, adores you,
loves you more than anything and I want to
show and share it with you in any and every way I can.
With sweet soft kisses on your lips
while I caress you showing you all of my heart,
come sit with me and curl up within my arms
so I can tell you just how special you truly are.

Come sit with me for awhile before we go to bed
and listen to some light music while we snuggle and talk,
curl up in my arms and get so cozy as I pull you in
so we can read and give each other kisses
while we listen to the other when it's their turn,
please come sit with me my gorgeous girl
for I am in such need for my Kira a gorgeous Queen,
my diamond in the rough a blessing and gift supreme,
an Angel sent from God to share myself and life with forevermore
if you'll have me my darling one,

come and sit with me while I take your hand
and place it on my chest so you can feel how
my heart beats on and on just for you.
Come sit my darling one and sit with me before
bed time has finally come.
Come and sit with me and let me tell you
just how very much you mean because I love you dear
and see your smile as I give you all these kisses
I've wanted to for so long on your forehead,
on your cheeks, lightly on your closed eyes
to heal the scratchiness from those heart breaking tears
that tear me apart inside when you have cried,
kiss you on your cheeks with light pecks upon your neck
then finally saying Kira I love you babe and always will
and to lose you would kill me I know for sure.
Then with a caress upon your cheek give you a deep kiss
of true passionate love upon your lips.
Kira please come here and sit with me because
you are my life and hope and my heart cries out for my only one.

Michael P. McParland

all the while thinking of you
and wishing you were here
curled up in my arms feeling cozy and safe.

and truly are the entire worlds beauty.

Michael P. McParland

I Miss You Babe 2

As I now sit back on the couch my dear
having rest my eyes for just a bit
to help this medicine knock my headache out
I still as ever just feel the ache within my heart
and think about how much I miss you babe.
I miss your eyes that are so gorgeous
and sparkle oh so very bright,
I miss your smile that can light up
not just a room or house but the sky
and heavens up above.
I miss looking upon your entire gorgeousness,
your cuteness and your sexiness that even
in memory and thought make me tingle and smile wide.
I miss feeling our hearts and spirits as we stood side by side
reaching out to one another to speak and touch.
I miss you babe you are the best and I so truly
long and yearn to take you in my arms
and tell you how much I love you and you truly mean.
I miss my Angel and my great best friend,
I miss you babe my only one.

I can feel you all around me here in spirit
and I can smell your pale skin and long dark hair
and it is very soothing to my heart and soul
but can never match having you right by me
and feeling your warmth and love as it reached out
or the electricity flow through me
as we would brush against each other
or when we hugged those times we did.
I miss looking in your eyes and feeling the pull
from within both of us to embrace and break past
our shyness and our fears and finally share a kiss
telling each other how we feel and need each other every day.
I just miss you babe because you are my Queen
and so truly great.
I miss you because you hold my soul and heart
and it is your love and my love for you
that past overflowing fills them up.

Kira I just miss you babe and want to share
with you our whole lives while I give you
all of myself in every way to no end through eternity.
I want to make you proud and make you
happy and always smile.
I want to make sure you know you're not alone
and never ever will be again my sweet Angel dove.

Sweet Afternoon Snuggles

Out of a cozy and soothing shower
my head is not hurt and I am feeling mostly better.
Having had to call the doctors again
to call into the pharmacy that was a bit stressing
and now I wish you could curl up in my arms
and get so very cozy and together
we would in each others arms get so very comfy.
We could spend this mid afternoon
just talking and snuggling as the stress melted away
for a bit before we had to go out to pick that up
and figure out something new for dinner
because what I had planned has not thawed at all.
I wish you were here for afternoon snuggles
with sweet kisses and nuzzles and tons of smiles.

Sweet afternoon snuggles are what I will
be dreaming of as I sit here watching a movie
and possibly going about a few small chores.
I'll be sending you all of my hugs and kisses
filled with love and warmth straight from
the tender depths of my heart and soul dear.
Sit back and dream also of your Michael
so tightly and lovingly holding you close
giving you my loving smile and loving looks
with big kisses so sweet and passionate filled with true love.
Thinking of this afternoon filled with sweet snuggles
so good are what's keeping me afloat in this winter day
that I must be spending without you.

Oh my sweet Kira feel me so strongly
right there beside you giving you my big hugs
of deep warmth so very tightly and my
sweet kisses of pure love so very deeply.
Know that I'm with you forever and always,
God bless you my darling and remember I'll never leave you
because I want with you and eternity
of the sweetest and most loving snuggles.
See and feel my sweet looks and let them
truly touch your sweet precious heart

and never ever forget that your Michael
is beside you to never part.

Michael P. McParland

Love Note 401

Good afternoon my beautiful
sweet Angel dove and may God bless you
that you'll have a great rest
of the afternoon and have been having
a great one so far feeling all
of my warmth and love with the
millions upon millions of sweet kisses
and hugs I've been sending your way.
I hope you've been seeing
my smiles I send to you.
You are my true Angel
and admired gorgeous girl,
I wish I were holding you
right here and now.

I've been on the phone with the doctor
about getting a fill on a prescription
because of my ankle and these
headaches I have been getting
and am now waiting for the pharmacy
to get their butts moving.
So I am going to jump in a soothing
shower after I shave my head
to wash away the ugh feeling
that headache has left and to hopefully
wake myself up and make myself
feel better a bit,
I wish you were here to snuggle with
both during under the water
and then afterwards as I tried
to be patient with the pharmacy to get done with it.
You would help give me the patience
I am so very much needing
in this situation and give me
your soothing touch that
gives such peaceful living.
I love you sweet lady
and wish you were here to be
holding and giving sweet kisses.

So my dear darling I best
get up and get my butt moving
so I can get feeling better from
a very calming shower.
Feel all of these kisses I'm sending
and feel me beside you
hand in hand holding you tightly.
Remember sweet love that I'll
never leave you and I am your Michael
who will always give all of himself
to make his Queen and Angel
the most happy and proud woman
that's ever lived anywhere ever.

Michael P. McParland

A Beautiful Morning In Each Others Arms

As I rise from that headache sweet one
I want once again to say good morning to you
sending millions upon millions of sweet kisses
of true love with great big hugs of pure warmth
my gorgeous sweet Angel dove.
I love you tons and before I make any food
I want to sit down with you and be so close
as we hold each other and nuzzle while we also kiss.
A beautiful morning in each others arms
is what my heart longs for and is calling out to you
asking you to come join me soon.

My darling dear I just want to sit here
getting lost in the beauty of your sparkling eyes,
caressing your cheek and neck also
running my hand in comfort over your back
also up and down you soft and strong yet always
feminine arms I want to tell you I love you
my Angel of good heart, spirit and mind.
Then just pull you in tight for a snuggle
so close in each others kind loving arms.
A beautiful morning with my beautiful girl
is what I sit here and dream of the morning through.

My beautiful Kira how I miss you so
and wish you were here to spend this bright morning
in each others arms.
To talk as you drank your coffee and just share
our hearts souls and thoughts,
to just be with one another as we both want.
Feel me beside you as I hold you so tight
and give you sweet kisses of pure caring,
love, and utter delight.
I miss you badly and can't wait to have you right here beside me
giving you kisses and caresses so very sweetly
as we share endless beautiful days and mornings together
holding each other so very tightly.

Michael P. McParland

Morning Note 163

A beautiful good morning to you
my very beloved Kira sweet Angel dove
and as I lay here finally awake
I wish you were lying here facing me
so I could pull you in close
and say good morning sweet lady
you're my everything
and then still looking in your gorgeous eyes
give you the biggest and deepest
kiss straight from my heart and soul,
then just pull you in so close to me
to snuggle for a bit before
we got up so I could fix you
your coffee and cook us some light breakfast
for energy on this early day.
I love you my darling
and wish so very bad that you were
here to hold so very closely
to give kisses while we snuggled the morning away.

I'm sorry sweet love that
I fell asleep so early yesterday
and drifted away into dreamland
for so very long but this never ending tiredness
that I know in so many ways is deep sadness
is just getting to me and part
of this sadness is missing you
my best friend and Angel so very badly.
I just want to feel you in person
right beside me seeing you smile
while feeling your embraces and kisses,
I just want my Kira to be able to take care of
and help heal my headaches like
I am feeling this morning.
Nowhere near a migraine thank God
in the heavens but any headache
is a bother and annoyance
as you are aware of as having had
problems with them too my sweet Angel.

I wish you were here just to hold
and to softly talk to
as in your beautiful graces
it would fade off soon and we would
be able to sit back to a beautiful
and quiet Monday morning in each others arms.

So my sweet Kira I wish you a beautiful
good morning full of the sweet kisses
and big hugs full of my loving warmth
which I am so lovingly sending.
Remember and keep having faith
that I'm never leaving because
I want out dreamed of future
just as much as you do
and I want to be there for you
forever and ever giving my loving support
as I am now to no end.
I miss you sweet lady and hunger
to be with you here in bed
snuggling right now with both of us
giving deep comfort to one another.
I want to spend this morning
just holding you and feeling the last
of this headache slip away
with the love you've provided.
I wish you a very good morning
my sweet precious Kira and will
write you when this headache's departed
and I am up eating a little some.
I love you my Angel and may God
so truly bless you,
feel deep warmth, peace,
and loving comfort knowing your
Michael's with you and will never stop
being your loving best friend and Angel.

Sweet Sweet Sunday Afternoon Kisses

Sweet sweet Sunday afternoon kisses
to you Kira my sweet Angel dove
and with the softest tissues there are
or even my softest favorite shirt
I dry your sad tears because I know you hurt
just as bad as I do and want to be snuggling
while we spend time doing so many things
while smiling and feeling happy in so many ways.
Sweet sweet Sunday afternoon kisses to you
my Angel so gorgeous, pure, and totally good.

Sweet sweet Sunday afternoon kisses to you
and if you are worried I'm mad I promise I'm not.
It's so much around and the distance and silence
frustrates and makes me so sad,
for you I'm just filled with such tender love
and I care for you deeply my gorgeous girl.
So feel my arms around you with these sweet kisses so big.
Kira I cherish you and I so profoundly love you
that I just want to be holding you

Love Note 400

Good afternoon my beloved Angel
and treasured beautiful girl,
I hope you are feeling all of
my deep and immense care
with all of my loving warmth
with the endless sweet kisses and hugs
I am always sending your way
to give you deep comfort and peace
knowing I love you so very much
and am right there beside you
holding you so very close.
I do love you sweet Kira
and am always doing my best
though it may not always be evident
when distance can make
so very much so hard to know.
Feel my tight squeeze in hug
and as I reach out to take you and your hand
and know that your Michael
is yearning and aching for you
so very bad.

I know you're upset with me
and that just makes me feel deathly tired
and sad to the saddest lows that there are,
I wish you were here to cook lunch for
it's nothing big or fancy
just something I've always liked
and was craving.
I wish you were here to curl up
in my arms as we watched my movie
and I could talk to you personally
while we looked into each others eyes
seeing and feeling the softness inside.
I love you sweet darling
and would give anything to have you
right here beside me
so I could look in your dear eyes
seeing your bright smile

and tell you I love you
while hearing your Angelic voice
as you told me you loved me so deeply.
That's what I need is to be holding
my dear Queen while we just shared everything
that there is to be sharing.

So my sweet Kira I send you these
sweet sweet kisses of infinite
and unconditional love
that is forever undying.
I want you to know I'm right beside you
hand in hand giving you
my all and everything.
I love you so deeply and so very immensely
and I want you to remember I'm never leaving you.
God bless you my diamond
and one whom my heart truly melts for
and never forget you are
the only one I'll ever love and truly fall for.

A Sweet Kiss And Warm Hug 2

A very sweet kiss and warm hug
of profoundly deep tender and caring love
on this Sunday morning we find ourselves in.
I miss you my best friend and want to
give you these sweet kisses and warm hugs
of deep caring and immense love
because I care for you so very much
and just want to have you here right by my side
and here in my arms to snuggle with
and watch a movie while finishing the last of my tacos
which I would love to share with you
and then afterwards talk so softly and tenderly
to the one who will just listen while I talk
about how much I love you, the deep stresses I feel,
and other things that interest me or are making
my heart sad as I tell the stories of whatever it may be
and then you would give me your thoughts on what I want and need,
I just need your tender ear to listen like I will
listen for you and then afterwards read from our books
while relaxing and smiling feeling deep peace and calm.
I love you my beautiful precious lady
and send you sweet kisses and warm hugs of pure and true love.

Kira I send you this sweet kiss and very warm hug
to help you know just how deeply I care
and that I love you my Angel so very much.
I may not be the most handsome, the most smart,
the one who makes the most sense in so many ways,
but I love my great woman and Queen with all
of my heart and soul and I know you can feel it
and never doubt it in the deepest parts of your soul.
I understand in that human part we all have our fears
but your heart is pure and knows more truths
than even you realize or anyone knows,
you are the Angel I truly adore and I send you
these sweet kisses and warm hugs that go on and on
and I want you to sit here with me my blessed Angel from on high.

pulling you in to spend awhile holding you in bed.

full of not the toughest chores
but full none the less and another
hard day of deep aching as I miss my lady so great,
now that dinner is over and the cleaning
is not my issue on this very evening
I want to just sit back with you
and so tightly and lovingly snuggle in warmth.
I want to for a short bit so softly talk
and as I lightly drift hope you would read to me aloud.
I want to hear your heavenly voice and just
conjure the images of the story in my mind that you paint,
I want to snuggle with my Queen on this eve
knowing everything around me is peaceful and good.

Kira then we can just lay down with each other
and rest your head on my chest as you curl up in my arms,

Love Note 399

A very good afternoon to you
my beautiful and beloved sweet Angel dove
and I pray yours has gone well
and you've been feeling all of
the sweet kisses and big hugs I send
being filled with all of the
loving warmth that they hold within.
I got caught up in my movie
while I ate my lunch and it was
one of the rare times in such a long while
that I was totally absorbed,
the end annoyed me greatly
but that would take much explaining
otherwise though I really enjoyed it
and made the afternoon feel quite light.
I thought of you many times throughout
and wished you were in my arms
enjoying our time.
A good lunch of tacos with a fun movie my dear,
a quiet Saturday afternoon with Kira
the Angel I cherish and treasure in full.
I send you sweet kisses to make you feel good
and to give you that smile
that melts my heart and I so adore.

So one more little chore
to vacuum the floor and then shave
my itchy and scratchy fuzzy face
for both me and you and then
how I wish I could just nuzzle with you
as we snuggled away the late afternoon.
I miss you my Angel and am
fighting through some sadness
and through a bit of tiredness
and I wish so very much that
you were here to hold hands with
and talk winding away the long hours.
I love you my lady as you truly are
such a wonderful gift and profound blessing,

my heart is calling in it's want
to be with you.
God bless you so much my sweet darling
and know I am holding your hand right beside you.
Hold tight to me darling and in spirit
with me enjoy the rest of this afternoon were in,
I'll write you before I start our great dinner.
I love you so much and am thinking of you
as I finish up my things and relax.
I miss you my Kira and can't wait
to be with you holding you closely.
You are my everything and my beloved
Queen and Angel for all eternity.

Michael P. McParland

A Quiet Saturday Afternoon With My Queen

Well my sweet love it is Saturday afternoon
and a good majority of the chores are done
and now here it is lunch time and all I
would like to do is spend a quiet Saturday afternoon
with you my sweet Queen making you lunch
and then afterward snuggling for awhile
watching a movie and then afterward read
for a little bit with my sweet Angel Queen.
A quiet Saturday with you my sweet Kira
is everything I so truly want and need.

A quiet Saturday afternoon for me to cook us
tacos for lunch here which I've been craving
for a few days and I'd like to make my tacos for you.
I want an afternoon to sit and hold you
and start a movie and read a little bit before doing
those last few little touch ups to end the chores
and then shave my fuzzy face for you
before we fully relaxed and snuggled away the
late afternoon and going into dinner time
when I would cook us some delicious pork chops
I have marinating right now.
That is for later though my sweet one
and right now I want a quiet afternoon with my sweet one
whom I will never leave and will stick by through all time
holding and kissing as I tell you I love you
and thank you over and over through all space and time
eternally telling you that you are my gorgeous sweet Angel dove.

Kira I send to you all of my warmth and love to fill
you with peace and share this dream of what I wish were
right now and what I know will be soon,
A beautiful quiet and happy Saturday afternoon
in each others arms smiling and kissing
as we talk and spend time so needed and in want.
I love you Kira and am smiling at you
and want you to know how much tender care I have within me.
God bless you sweet darling and feel me beside you
and know I am holding you and your tender hand of true love,

I will always be with you and right here waiting
in deep and great anticipation because you are my Angel
and the Queen I so deeply want to be spending time with and serving.

Michael P. McParland

Looking Into Your Eyes

As I sit back and relax for a short bit
between the chores that I have
I'd like to just hold you while looking
into your gorgeous eyes.
Taking all the gorgeous Angelic
beauty within to make my heart feel light
and make my soul soar in true delight.
I want to spend this time looking into
your gorgeous sparkling eyes and feel heaven
overtake me in this space and know what
heaven is in its divine grace.

Kira babe how I just want to sit here
in these few minutes holding you
and recharging my heart and spirit
to continue on through my chores until noon
when I could sit down with you to snuggle
during a good lunch and share some kisses so very sweet.
How I just want to stand and relax for
a few minutes babe looking in those gorgeous eyes of yours
and get lost in all the beauty you hold within.
I want to be with my Angel now as from more
than a few things my heart is aching and I want to hold you near,
to look in those eyes and see heaven and true love inside
feeling calm and your loving strength fill me up.
I love you babe and just want to be looking in your eyes
and know that everything is going to be alright.

Michael P. McParland

A Quiet Saturday Morning Snuggling

A very good Saturday morning to you my sweet one
and before we must get up to do the chores that there are
I want to be able to just spend a quiet morning
with you snuggling on the couch in each others arms.
I can't seem to beat this tiredness that is just
staying within me and right on the surface
and I would love to just close my eyes here this morning
and quietly talk with you while you were curled up
in my arms and drinking your coffee.
A quiet morning to just snuggle and kiss before
I have to get up and go do the dishes which I'm
going to do in halves because I have to take things
one bit and one step at a time.
I want a quiet Saturday morning to just sit and snuggle
before this day must start in full and then we'd
have to wait until the afternoon ton relax with each other.

Oh my sweet Kira I want and so badly need a quiet
Saturday morning with my gorgeous sweet Queen.
A quiet morning to look in your eyes and let you see
all the deep truths within mine,
to say without words how we love each other
and our hearts melt each time we see each other,
a quiet morning before the kids rise to just
enjoy the fact that we our together because
God has helped open the way and we have eternity
to bask in the glow of what we have and feel.
A quiet Saturday morning with my blessed
goddess and Angel is what we are both needing
to feel so happy, content, and completed.

A quiet Saturday morning with my gorgeous Kira
is what I will hold onto as I go through this morning,
as I get up to do part of the dishes and take care
of a few other things before in a little bit
I will sit down to write you and let you
know how I am doing and then sit back to watch
more of my movie so longingly wishing
I could be holding and kissing you.

A quiet Saturday morning with my beautiful woman
is the greatest thing I could be sharing right now
with my most beloved Angel,
a quiet Saturday morning just knowing you're beside me
sharing our warmth to give peace and happiness.
I love you sweet Kira and feel my arms
around you and all these sweet kisses as we share
the most beautiful and gorgeous quiet Saturday morning
in spirit right now my sweet lady.

Michael P. McParland

I send you these sweet kisses of true love
and these great big hugs of warmth.

I never even ate my dinner last night dear,
I was home all alone and in tired sadness

I felt as if I might cry after sending you my kisses,
I want to give those right to you
as we both are so very deserving to be sharing.
I just wanted to snuggle with you my dear
and feel our arms around each other
and before I even realized it I had fallen
off to dream land and sadly all there

were was nightmares waiting for me,
thankfully none of those that devastating
where I lose you over and over,
just the usual ones that really stink
but I can shake off somewhat quickly.
I am so sorry babe if you were hurt or worried at all,
the sadness of missing you with those few other
factors are making me so tired.
I love you Kira I hope you know how much
and am reaching out to pull you in,
I adore you so very much and hope to hold you soon.
Remember that I'll never leave you

because you are my everything.
You are my diamond in the rough
a rare and precious jewel
and I just want to snuggle through this morn
reassuring and comforting darling you.

So have a very good early morning dear
knowing I am here and right beside you,
you are my only one and everything
and if you are crying I will dry them in spirit
the only way I can right now.
God bless you my darling little Angel
and know your Michael loves you,
feel my hand in yours in true love
and my arms around you tight
as I pull you in to say you're
the greatest babe and I just want to be with you forever.

These Sweet Kisses To You

A very wonderful late afternoon to you
my sweet beautiful Angel I love
and before I start on dinner in a few
I wanted to send these sweet loving kisses to you.
Sweet kisses of care and sweet giving kisses
of all the loving warmth that I hold.
Sweet Kira my heart is so filled with
tender love and true adoration for only you
that I want to send these sweet kisses
to let you know that I truly want only
you my sweet Angel dove and that my heart melts for you
every single day and will well beyond
our days on this earth.

Michael P. McParland

I Long For Your

Oh my sweet dear as I have now returned
from the store which in many ways gets
more frustrating every time I wanted to write
and let you know I love you dear before
I go to put everything away where and how it goes
so it is done and I can relax thinking of
and feeling the love of my precious only one.
Kira you are my Angel and my Queen
and you are peaceful contentment in whole to me.

Oh so frustrating dear in that everything
I like and want now always seems to be disappearing and gone
and then at every turn someone in my way
or almost running into me.
So after all is put away I just wish for and long
for your embrace sitting back and snuggling
and feeling all the aches and stress within my body
start to fade and melt away as my lady says it's all okay.
I just long to feel your arms around me here
and snuggle away some good amount of time
as together we talked about what you would like
for me to cook for dinner and enjoy.
I long to just hold you so near and feel the stress
go away so I could be focused on cooking our great meal.

I long to feel your deep and loving sweet kiss
while we sit and snuggle and relaxing in great peace,
I long to see your gorgeous smile and feel its beam
as I gaze into those deep and sparkling eyes
getting lost in the universes of depth and love
you hold inside and just say I love you babe
and can't stand this life without you by my side.
I long to feel your touch, your embrace, and your sweet kiss
to feel the worlds stress and loneliness slip away
and just know that with my gorgeous Angel all is okay.

Kira I just long to feel you right here in
your gorgeous heart and body right next to me
in your embrace and with your kiss so good and right.

I long to feel my best friends tender loving arms
around me and mine around you as well.
I can feel your loving strength and spirit
and it is so good as well as I know you feel
and appreciate mine too.
It's not the same though as that tender caring touch
and I long to look at you as we both feel that.
Kira dear I just long to have you close to me
because you are my Queen and very great.
I want my diamond in the rough to touch her lips to mine
and share a deep kiss with the tightest snuggle that there is.
So feel my arms as I reach out and pull you in
and know that soon you will be with your Michael
as we both long for and need.
I love you dear and will be here waiting with
an open heart and open arms for my only lady I adore.
Kira I will never leave you and I'll always
hold you as that is what I want and long for,
you are my best friend and Angel and I'll always
be with you hand in hand giving you my loving smile.

Michael P. McParland

Love Note 398

Sweet dear as I am about to
get dressed to head out the door
and go to the store to pick up
a few things with my mom
I wanted to say thank you again
and I love you so much
and more than anything.
I don't think right now with
this distance it is possible to know
just how deeply and how much I truly care
so as I reach out feel my hand within yours
and my arms wrap so tightly around you
pulling you in for a massive hug.
I love you sweet Kira and treasure you
more than anything that there is,
feel all of these sweet kisses so good
and know that your Michael
is there right next to you.

I wish you were here to join me
as we sang Falco together on the way
to the store,
Data De Groove and Junge Romer
if you want to jam with me where you are.
I can feel your big smile right now
and it gives my heart reason too
because you are in every way so very beautiful,
I wish you were here to join hands
as we went along and picked up
some small odds and ends.
I miss you sweet Kira
and hope that so soon you will be here with me.

So my sweet darling Kira as I
am about to head out I send you
these sweet kisses and hugs of warmth,
I will write you as I return home
and right after I get things settled.
I love you sweet darling and remember

I'll never leave you or abandon you
leaving you hurting all on your own,
I will stand with you through all space and time
because you are my Kira
the most beautiful woman there's ever been
and I want to be with you
hand in hand in each others arms
never parting again because we are true love.
Feel all my warmth and all of my love
and hear my heart as it sings to you,
I will return soon and write to you
my cherished and beloved best friend
and may God bless you to know I am there
because are my everything and only one.

Michael P. McParland

Waking From A Cat Nap

Waking from a light cat nap just now
my special beautiful dear I could feel
and smell you all around me right here
and it makes me feel so very good.
I want to thank you so much my dear
because my nap was beginning to be filled with nightmares,
but I could smell you first and then felt
your presence and your loving arms around me dear
and I want to thank you so very much
for giving me such deep comfort.
You are the best my Angel grand and I give you
all the sweet tender kisses from my heart and soul
to say thank you Kira and you are the greatest woman.
I love you so very much and am stricken by the
greatness of your wonder.
I love you babe and thank you in full and give you endless kisses.

I was lying here my dear right on the couch
taking a cat nap with my cat Max lying right on top me,
and then my dreams for the last half an hour I guess
were just getting very bothersome when I could
start to feel you my Angel Queen right beside me here
as first I could smell your hair and pale skin
as I told you the other day with a sort of lotion,
soap, or shampoo you use but through a million other senses
tells me it is you, I think it is in the comfort
I can feel along with it as you pulled me in your arms,
and then you helped me lightly drift awake to full
so it wouldn't scare me in sudden.
Thank you babe you truly are my gorgeous everything
and I want to thank you by holding you so tight,
so Kira dear feel my hand in yours as I take it tight
and feel me take you in my arms and whisper in your ear
Kira you truly are so great,
you are a diamond in the rough and your Michael loves you
more than anyone can know.
Kira you are my goddess, my best friend, my Angel, and my Queen,
and I will spend eternity thanking you because
you are my adored hero and everything.

Michael P. McParland

Morning Note 161

A very beautiful good morning
to you again my sweet love
and I am just sitting here in the quiet
after watching a bit of an
old TV show I quite like even possibly love
and just think of you and your beautiful
eyes and smile and even just how beautiful
you are in total and full.
I so wish you were here to sit with
and talk snuggling the whole morning away
and then as I may possibly go shopping
this afternoon with my mom
you could be with me to walk hand in hand
and spend some time out with each other
walking around.
Right now though I feel so frustrated
and stressed from so much
including this distance and silence
that there is with us and I just want
to be holding you and listening
to your Angelic voice as you talk,
I send you sweet kisses my love
to warm you up and let you know
that I'm with you holding you tight.
Kira please know that I love you
and so truly long to be holding you,
to give you my all and my very best
because you are my Angel so very great,
I ache so much and miss you babe.
I love you sweet Kira and am sending you hugs
with all of my warmth and deep caring,
know that I'm with you the whole time.
Have a great day my dear Kira
and know that I'm with you hand in hand
my beautiful woman because
I want you to know you are truly cared for
and loved and I'm never leaving
because you are the greatest
my gorgeous Queen so perfect and marvelous.

Michael P. McParland

Spending A Beautiful Morning Holding You

Good morning my sweet love and how I hope
that it has been a good one for you so far
and that as I send you these sweet kisses and hugs
you will be filled and surrounded by all of
my loving care and endless deep warmth.
And as I sit here now having just finished eating some food
and was just watching some videos online
I can feel you're upset from being lonely
just the same as me and I am so sorry both of us
are where we are so far apart feeling so alone.
and I wish you were here spending a beautiful morning
with me holding you curled up in my arms
and feeling so very close as we stared into each others eyes
smiling and sharing kisses so sweet as we said
I love you sweet babe to each other and feeling so very
joyful and calm being together and in each others arms.

Oh my sweet Kira how I wish you were here so I could
make our fresh and hot morning coffee to sip at
and prepare my sweet Queens to serve you as you
were wrapped up in my robe so very tight and warm
and on payday next week I would buy you your very own,
the same exact type but a different color so we wouldn't
get confused on whose was whose but for this beautiful morning
you would be wrapped in mine feeling so very warm and so very good
as I brought you your coffee just how you like it
my sweet beautiful Angel I can't wait to be holding
every morning that we will forever have and give you sweet kisses
straight from my heart with deep tenderness to give you my all.
And then after getting situated and comfortable
you could just curl up in my arms and spend the morning
holding you ever so lovingly and closely within my arms.
I want my beautiful Kira right here for a beautiful morning
spending sweet time in my arms.

A beautiful morning sweet Kira with you in my arms
to sit in the quiet for a while talking and kissing
like the two best friends in true love that we are.
Just close your sweet eyes and see the sweet loving

looks and big smile I'm giving to you my sweet Angel dove,
see yourself with me and feel my arms around you so very tightly.
A beautiful morning with my gorgeous woman so good
is what both of our hearts ache for and so badly need.
I love you sweet Kira and know that these dreams will become true
as long as we keep having faith in God to work
in the things and ways that he needs to.
I'm still holding on as I know that you are because
I'll never give up on seeing and being with my darling Kira.
So feel peace in your heart as you imagine this beautiful morning
with you curled up in my arms holding you
and know that your Michael loves you and will forever stick by you
giving my all, my best, and my everything for the most
wonderful woman I want to be with forever hand in hand to no end.

Michael P. McParland

Night Note 143

Hello there my sweet love
on getting close to the tail end
of the very late night
and I send you these sweet kisses
of true love and these great big hugs
of pure warmth to say thank you
for all of your patience and understanding my one
and to fill you with all of my tender care
and to give a great big smile
to share along with mine as I think
of you and feel your arms around me
and all of your love as I get up
and get moving around for the day,
I will fight through as much of it
as I can for both you and me.
I love you sweet one you are my everything
and I wish you were here because I miss you
so very bad and just want to start the day
with you in my arms sharing sweet kisses
as we just snuggle so tightly on the couch
while we both sipped at some coffee
and I ate some light food,
what I'm craving will have to thaw out for a bit.
So while I sit here my dear fell my
arms around you as I reach out in pure love
taking your hand in mine and I put
my arms around you to pull you in for
the biggest morning snuggle and hug
you could ever want and imagine.

Thank you so much again my sweet one
for your patience and understanding
of why I needed and wanted the sleep
and for your patience and understanding
even if it doesn't totally make sense.
Sometimes the medications make me more tired than others
and I have been so very deep in the pits
of sadness and to despair missing you
my sweet precious dear and even this morning

I am feeling a bit sad as the last few hours
of my sleep were very restless indeed
filled with strange nightmares that
throw you off when you finally get up
because even through the restlessness
you can't quite wake up and get up
as much as you so very want to and would like.
I had a dream of us though and it was us
like the one sitting in a big grassy field
but you weren't playing with a butterfly this time,
I just remember you being curled up in my arms
with your head resting on my shoulder
with both of us smiling and our hearts
filled with joy being with our Angels, best friend,
and true love knowing all was good and fine.
I love you babe and wish you were here
to today make that dream real.

So my sweet dear I am now going to get
something to eat and fill my stomach
grumbling and empty here as we speak
and get that hamburger for tacos
out of the freezer to thaw for awhile.
Feel all of my love and my warmth
as I'm right next to you giving
sweet kisses and hugs while
whispering in your ear Kira I love you sweet dear
and can't wait to be with you
right here arm in arms gazing into
each others eyes and feeling your lips upon mine.
My heart aches in longing, craving, happiness,
and a million other things when I think
of that picture of us in deep joy together.
I love you sweet Kira and I will write you
very shortly with much joy and trying
to still get my brain going
at full to my liking.
God bless you sweet Kira and remember
I'm always with you and never leaving.
Sweet kisses to you with big smiles
of tender love too from me your Michael
so deeply in love with you.

You are my Queen and my Angel
who I am so in love with and deeply adoring
and I want you to be here so soon
so I can give you my everything
if full everyday to make you proud
and I can see you always smiling
as I give you all of the love that I
have inside just for you my darling so very beautiful and cool.

Michael P. McParland

Come Rest 13

Come rest with me my sweet one
as I am ever so tired and need it now.
Will you come snuggle with me
and share some sweet kisses before we do?
Then just rest your head upon my chest
and curl up in my arms for me to
pull you in close rubbing your back
and stroking your hair as we drift off
listening to the podcast which never fails
to make me smile and laugh.
Come rest with me my sweet one
and also feel me with you where you are
with my arms around you and my lips on yours
and me saying Kira I love you sweet one.
Come rest with me my sweet one and know
that I love you with all of my heart,
mind, body, and soul.
Will you come snuggle my sweet Angel dove
because your Michael wants wrapped up
with me ever so lovingly right beside me.

Michael P. McParland

I Miss My Best Friend 2

I miss my best friend who truly is
the most gorgeous and wonderful woman there is.
She gives my heart, stomach, soul, just all of me in full
fits of awe and wonderful need to be
holding her so close to me giving sweet kisses
and telling her how much I care.
I miss my best friend and just want her
to be right here in return holding me
and feel joy and deep peace gazing into each others eyes
and smiling so wide and bright.
I love my sweet Kira my dear Angel bride
and I will miss her every second of every day
until she has returned because she is my best friend and true love.

Kira I miss you my best friend because to me
you are the worlds beauty and my everything
and as I sit here right now I just
want you beside me wrapped in each others arms.
I am truly so sorry that my mind isn't
working as sharply as I'd like it
to give so very many more reasons
just know that I wish we could talk before
I lay down to rest in a little while
and that when I did that we could so warmly snuggle.
I love you sweet Kira and miss you so deeply,
just feel me there with you and know I am holding you
and truly hear and feel my hearts beat for you
my one and only diamond and sweet darling Angel,
I send you sweet kisses my dear Queen.
Kira you are my best friend and I so dearly miss you,
remember I will always be here with open arms and heart
ready to take you right in and listen never letting go
or leaving at all.

Michael P. McParland

Love Note 397

Good afternoon my sweet Angel dove
and may God bless my gorgeous girl.
As I sit here on this noon
and watch The Walking Dead
I just wanted to drop in and say
I love you babe and I wish you were here
just to spend time with and hold.
I'm typing on my kindle here
and you know that's a pain
so just a short message right here.
I love you so very much
and my heart sings out to you
so just feel my hand in within yours
and my arms wrapped around you.
Kira I send you sweet kisses with hugs
and mega tons of all my love too.

Michael P. McParland

A Beautiful Afternoon With Gorgeous You

Come sit with me my gorgeous one
and share a beautiful afternoon with me
snuggling, talking, sharing sweet kisses,
and just spending time together feeling so good
and feeling so contented and safe
as we have a beautiful afternoon in each others arms.
Come and sit with me and let's just hold
each other so close and feel joy within every bit of ourselves.

Soon I am going to cook up some bacon of mine
and we could have BLTs or bacon and eggs if you wanted,
I want to cook lunch for and serve my Queen soon
and see the happiness on your face as I do.
Then after have you curl up in my arms
for us to read and watch a movie after that
while we just cozy up so very tight.
Come sit with me my sweet one and curl up in my arms
to share a beautiful afternoon together dear,
I want to be with my gorgeous girl feeling so good
and feeling so very happy and whole as I feel
the warmth of my Angel right next to me.

So please come sit next to me beautiful Kira
my beloved blessing and gift from God,
come let me cook you lunch and then curl up in my arms.
I know it's technically still late morning
but time to me is all off and with you
I want a beautiful afternoon together,
I want to give you sweet kisses while reading
to each other and watching a movie which
you will pick because I want you too
and I'm in that sort of foggy and sad mood where
everything just sounds okay at my glance and I can't pick
but I know when I start watching what Kira chose
I'll feel so very happy and love it
just like I'd be so very happy to be with you
snuggling and kissing making a beautiful afternoon
so wonderful with my gorgeous Queen.
Kira I love you and want to have you right here beside me

so please come curl up in my arms and we will
share the most wonderful and beautiful afternoon
we could ever hope for and imagine.

Michael P. McParland

Beautiful Dreams Of Us

During my very long sleep from very late
yesterday morning to todays early hours
I slept so very long from deep tiredness,
sadness, missing you, and wanting relief from it all.
I wanted to escape in hopes of having dreams
of you and us sharing great times
like I pray we soon will
and I was blessed to have a few
and though I remember but a few details really clear
let me tell them to you to help you see
why for one I would not want to leave sleep if I could
and to also give you a smile and fill you with cheer.
I love you sweet Kira and my heart hurts so bad for you
and I give you these sweet kisses of true tender love
while I do my best to recount our times so good and fun.

In the first one I just remember you being
here at my house and us lying in my bed
and just innocently smiling at each other
snuggling and caressing each others cheeks
and heads sharing kisses while we talked away
like we always did and it felt so very good,
I wish beyond telling each other how much
we loved the other what we had said
but I can't remember sweet one but
I remember looking into your sparkling eyes
and that is a dream I need here right now
because I am crying inside from so many things.
Can you see how such a dream when you are already
exhausted and need sleep would keep you there
for much longer in hopes to see your Angel so great?
I just wanted to be with you as long as I could.

The other dream I'm afraid is very much hazy
and all I remember is us in a sort of crowded room
but we were holding hands and smiling
as we looked into each others eyes and talked
telling each other I love you and have missed you my dear.
I'm surprised I remember that last bit my love

but that is all I can pick out for you
but I'm glad I had some time with my beautiful girl.
Right now Kira if that's the only way I can
be right beside you touching and holding you
I'll sleep three quarters of every day if I must
until I can at least talk to my goddess so great.
I miss my best friend and endlessly ache
because I need my soul mate my Kira so gorgeous and great.

So please my sweet Kira I know you can understand
and see that part of my very long sleep,
I also was just so tired beyond what I even knew
and when nightmares are a constant to have fun dreams
is the most wonderful thing in your sleep,
the only thing better that can never be equaled
was seeing my Kira I adore and admire,
my gorgeous Kira I would give my very life for.
So my sweet Kira feel all of my warmth and love for you
as I send you these hugs and sweet kisses
and never forget I am with you side by side
and hand in hand as I smile so lovingly at you.
You are my Angel and hearts true desire,
I am your Michael and want to marry you.
God bless you sweet Kira and know I will
be giving you my best as this day goes.
I love you my darling and am dreaming of you as I sit here,
feel me reach out taking your hand and you
within my loving arms to just hold you so close
and let you know you're not alone and you're loved.
I miss you Kira and can't wait to hold you,
you are my everything and my heart is singing
all of my favorite love songs to you to let you know
you'll forever be my only sacred and gorgeous Queen.

Michael P. McParland

Morning Note 160

A very good morning to you
my beautiful sweet Angel dove
and I know you are mad at me already
and I am so very sorry and sad that you are,
a somber start to a morning
after such very very very needed sleep.
I'm sorry truly I ended up sleeping
so very much longer that I had ever
intended or thought that I would
but it's been such a deep tiredness within me
and I had some beautiful dreams
of you and me spending time together hand in hand,
arm in arm and just talking while doing fun things.
I know you would never want me to miss those
or lose out on seeing you to share
kisses so sweet and snuggles so warm
so it really hurts inside waking up
and knowing you're so mad at me
that I just want to bury my head and cry.
Please my sweet lady don't be upset
and please don't leave me
just reach out and hold me my sweet Angel so good.
I love you sweet Kira
and hurt the very worst inside that there is,
I just want to be holding you now
to tell you about my beautiful dreams
and I send you these kisses so sweet
and these big hugs so tight
to surround and fill you with all
of my deep care and infinite loving warmth.
Kira I love you and will never leave you,
just have faith and remember you can't
understand everything when you aren't seeing
what is happening with everything over here
and remember some of my medicines
make me so very tired,
and I miss you so much please just
reach out and hold me back my sweet dear one.
I need you so very badly because you are

my beautiful golden hearted Queen and Angel.

I will write you of my dreams later
after I have gotten some food
on my badly grumbling stomach
which cannot wait very much longer
and would be distracting and hurt
the telling of somethings so very beautiful.
I do not remember them in the most
perfect detail but beautiful moments
that I hope can illustrate their depth
and touch you as they touch me dear.
I will write these shortly
after my system has calmed with food
and I hope and pray you won't be mad at me.
Kira I love you so deeply
and my heart hurts and hungers to have you here with me.
You are my everything and I truly do try
and work so very hard for my beautiful lady
and I just want to cry though
right now they are just the dry tears,
I love you Kira and you are my dream
above all other people and things.
Please give me sweet kisses and a tight squeeze
because I need your love and for you to not be mad at me.
I start to shut down when my best friend
is upset with me and I just want us to snuggle and feel good
doing our best to understand for each other
what is not always to when we don't
know everything about those things.
I love you sweet Kira and give you these kisses
of a man who loves his dear Angel
with everything and all that he is.

Kira remember that I love you
completely and ever so deeply
and that I will never abandon or leave you.
I am here for and beside you
hand in hand forever and ever.
I was literally in bed from when
I last wrote you in extreme tiredness
and also having beautiful dreams

of us with each other and also
just some other fun dreams that for once
weren't horrible nightmares
frightening me and depressing me.
I don't remember what they were
but I remember they were fun for once,
please don't be mad my sweet one
because you are my everything and only one,
feel me beside you now as I
pull you in for a tight squeeze
and feel the tears of my love to
as they are coming too.
Sweet sweet kisses to you my Angel so true
please just reach back and hold onto me too.
Have a beautiful and good morning
my love and I will write you a poem
about those beautiful dreams here in a bit.
Remember I am your Michael and yours alone
and I will always stick by you my Queen,
you are my soul mate and only best friend,
please just take my hand back as I take
it right now within mine.
I love you Kira and send all of it to you
with all of my warmth.
God bless you sweet lady and please
don't be upset or angry
and know that you're Michael is with you
and loves you with my all and my everything.

Michael P. McParland

Love Note 396

A very good late morning
to you my sweet Angel and Queen,
I love you so much and inside
my heart is aching and crying
to be right here with you
holding each other so very close,
I miss you sweet lady
you're my beautiful girl
and I long to be looking in your sweet eyes
as I tell you just how beautiful
you truly are and that I love you
more than anything in heaven or on earth.
I love you sweet Kira and as
I am for a few hours about to rest
my head wish you were here to be snuggling with
and sharing sweet kisses so warming and good.

Kira my love my head still feels
a bit fuzzy with tiredness for one
and also stress and deep sadness
and I apologize that it is making
it so very hard on my writing,
I promise you babe I am giving my best
and I want you to know that
because I want you to know always
how much I care and miss you my dear,
I want you to know always that you are
my whole universe and world.
Please forgive me sweet Kira
and understand if for right now
I'm not going very fast.
I love you so much and always
try to deliver the best that I can.
My heart and soul are in your hands
and I want you to know and feel
just how important and special
you are to me.
You're my diamond in the rough
and my Angel so wonderful

I can't get enough of.

I am feeling quite tired
after some food and some TV
and I just want to nap for awhile
my sweet precious darling.
I'm hoping if I lay down here
early enough that I will
get up by the mid afternoon
and enjoy the evening.
I also want to lay down
and escape the pain of missing
my beloved and gorgeous Queen
and perhaps see you in a glorious dream.
Will you come snuggle with me
and share kisses so fulfilling and calming,
will you come join me
sweet Kira my gorgeous lady?
I am feeling quite tired
and just want to nap
and within a dream see my most
beloved Kira to whom my heart calls and sings
and I want to be with through eternity.

So my sweet Kira feel all of my
warmth and love as I send it to you
and never forget I'm right there with you,
I am beside you pulling you in
ever so tightly for kisses so sweet and deep,
know that I'm here and will always
do anything you may want or need,
I love you sweet Kira come snuggle with me.
My best friend and darling
I truly miss you so very deeply
and want nothing more than to be with you
holding you tightly.
Come lay next to me and we'll rest for awhile
just feeling content as our hearts
and souls meld and talk.
I love you sweet Kira you are the best
again please come and snuggle
to with me feel so warm and safe.

Just curl in so tight and rest your head on my chest
and I'll pull you in to stroke your hair
and rub your back as we drift off.

Sweet Good Morning Kisses Of True Love

Having climbed out of a very refreshing shower
a little while ago and about to eat
the food I cooked right afterwards I wanted to send
a bright wonderful good morning to you
with the sweetest kisses of deep tender and true love.
I wish you were here to sit with me all the while
just snuggled up as we were spending time with each other
talking, snuggling, sharing kisses and more.
Sweet good morning kisses of true love to you
my precious sweet lady and only one.

Very sweet good morning kisses to sweet beautiful you
of deep true and caring love my dear one.
I feel a bit better after my shower
but still ache for you so very deeply and want
to hold you so near me telling you that
you are important, special, and truly beautiful.
I send you sweet kisses to brighten your morning
and let you know that I am there with you
and holding you to give you such peace and make you happy.
I send you the good morning kisses just to tell
you I love you and miss you and wish you were here
to sit right beside me and share kisses and our time
on this winter morning on which I don't feel cold
but you might because I know you get chilly dear
so I would wrap you up so very tight and lovingly
with tender care in my robe and then have you curl up in my arms
to snuggle away while we did our thing.

I send these very deep passionate and tender
good morning kisses of true love to you
and want you to know how truly wonderful and special you are.
You are my lady and most gorgeous Angel
and I just want to be with you forever and ever.
Feel all my love as I send it your way
and be filled with warmth from those sweet kisses
and the big hugs I send along.
I love you sweet lady and wish you were here
to snuggle with me as we both very need.

I love you sweet Angel and send you these kisses
so full of true love and deep care for you.

Morning Note 159

A very early good morning to you
my sweet Angel dove and I hope
your night has been good
and you have felt all of my warmth and love.
I am fighting my tiredness
and the sadness I feel
and am about to jump into
a cleansing and refreshing shower
to maybe help me feel better
in body as well,
I'm not feeling sick at all
but just sort of blah,
and as ever I wish you could join me
so we could just hold each other
sharing sweet kisses and smiles
with each others company,
I miss you sweet lady and wish
you could be there holding me
as I so tightly held you.
Feel all of my loving strength
fill and surround you.

I wanted to wish you
a very beautiful early good morning
and tell you I love you.
I wish you could be here to share
a beautiful and loving morning
spent snuggling, talking, and kissing
all the way through the shower and after.
I just wish I could spend time
with my beautiful one
and feel so comfy, safe, soothed and calm
being right here next to you.
I pray that soon we will be able too.
So I send you sweet kisses
and big hugs or warm love and caring
and never forget I am right there beside you
so feel my hand in yours
and my arms wrapped around you.

God bless you sweet Kira my delicate Angel
never forget I'll never leave you
and that your Michael is here
longing so very hard to hold you
and be with you forever.

Wishing You Were Here 2

Sitting here in the middle of the night
and as I sit watching a fun little documentary
I think of you and miss you so much.
I'm not feeling completely good
and my heart is heavy wishing I were with you.

as we just sat together snuggling
and feeling so very cozy.
I wish you were here so I could look right at you
and say I love you sweet lady and you are amazing,

Sitting here fighting fatigue and sadness I wish
you were here to sit and give kisses,

A Night Spent Holding You 2

As I know get up for a little bit my dear
I'm still feeling tiredness cling to me
and the sadness of you not being here.
I wish you were here with me as I sat
back on the couch and you could curl up in my arms
and spend the night with me holding you ever so tight.
I just want to spend the night holding you
my sweet Angel of loving light.
I want to spend the night with you in my arms
just having you close talking, sharing kisses,
and feeling secure and safe with each other so very close.

At first I need something so very badly to eat
so you could just curl up so cozy right by in my side
and we would smile at each other and feel
everything around us lighten and brighten,
then afterwards I would just wrap you up
and give you the biggest kiss saying
I love you Kira you are the sweetest and greatest there is,
you are my Angel and gorgeous Queen,
you truly mean everything to me.
I miss you sweet Kira and am aching for you,
I love you my darling and want to spend the night
holding you next to me and knowing everything is okay and will be.

A night spent holding you while first
I sit up for awhile to eat, read, and watch some TV,
and while you were awake just softly and lovingly talking.
Then when you were so very tired just lay
your head on my lap and sleep ever so peacefully.
Then after I'm tired and ready to get some more sleep
again my sweet love I'd scoop you up in my arms
and carry you to bed so I could wrap you up in my arms
and continue holding you my sweet Angel dove.
I love you so much and want to spend time with my lady so fine
that I want you to sit with me so I can be with you and hold you
and then lay down together feeling so fulfilled and cozy.
Come sit with me Kira so I can hold you right near me
and let's spend the night with you wrapped in my arms

as we share our love and our time,
I love you Kira and I want you here so badly by my side
and within my arms and I'm reaching out to pull you in for a snuggle
with kisses ever so sweet.
Feel me beside you and please come sit as I will be holding you
in my arms so lovingly with care through the whole night.

Michael P. McParland

and big hugs I send along.
I have been thinking of you and am longing
to have you here in my arms to spend
the rest of this late morning
and then afternoon in each others arms spending time.

I'm about to head out to Burger King
to buy some lunch with a gift card
I got for Christmas and haven't used yet.
I wish you were here to run out with
and get us both a good meal
then come back to wrap up closely
by each other on the couch and enjoy
it while being together feeling peaceful and whole.
Tiredness is again catching up with me a bit
so I'm feeling more quiet but would just love
to sit next to you and hear you talk
or watch a movie sweet love.
Late morning dreams and longings for you my sweet dear
are what I am having and feeling here.

A Quiet Morning Holding Each Other

A quiet morning here my sweet dear
and the tiredness still hangs over me.
I have no plan to lay back down
I just wish so much that you were here,
to be within each others arms
as my head and all still try to clear.
I am so very much missing you and want to hold you near,
I love deeply my sweet darling one
and just want to spend this quiet morn
chatting with my divine Queen
while we snuggle away the early hours
in each others arms.

A quiet morning here right now with just you and me
is exactly what I would like right now
as we gazed into each others eyes.
I just want to snuggle with my only one
and see your beauty as I relax and feel your soothing touch,
a quiet morning feeling all your love
as we held each other very close is everything I want.
Kira my sweet only one feel these kisses I send right now
and feel my arms tighten right around as
I pull you so close in.
I just want a Quiet morning with my only one
and that's where my minds at now.
I love you so much my only one and join me
in spirit my darling one,
and oh so soon please come to me for many
quiet mornings spent within each others arms.

Michael P. McParland

Early Morning Sitting With You

Very early morning and after a long
needed sleep and just trying to get going
and regain my strength I have gotten out of
a very cleansing and refreshing shower
which I wish I had shared with you
just kissing and holding each other.
Since you were not here to join me
I put on a podcast that always makes me laugh
and sang as well though couldn't very loud.
It helped give me some pep and now out
of there and I would love to have my food
and just sit up in bed next to you
taking and snuggling with my Kira
I love and am so missing very bad.
I love you my dear Angel so beautiful and very good,
I hope that you will be here soon.

Not left with much energy just a grab
of food that is quick to build my energy.
Some aged Irish cheddar cheeses with roasted garlic hummus,
some garlic stuffed green olives, get your kisses
in before I eat I think my sweet dear
and some pizza rolls a fast microwave cook.
Enough to able to sit up in bed with you
and just pick at small portions so I don't
push my stomach to fast,
all that to east with my favorite Kool Aid as well.
How I wish I could then just be sitting by you
as I try to put myself back together a bit.
I'm missing you so very bad it's pulling me
apart more and more the longer I'm from you.
I miss my gorgeous Queen Kira the greatest woman
and sweetest Angel that's ever been.

So now I sit here with my food feeling
better in a few ways for sure after that shower.
Amazing how sweaty you get from just sleeping right?
And how I wish you were here to sit with and talk
giving kisses so sweet and snuggling right through.

I want an early morning here to sit with you
and just feel you so near while talking,
reading, listening to audio books and music,
with my movies and some TV, with so much more
that we both love but most of all
on an early morning trying to get feeling better
and being in deep pain missing my Kira
I just want to be sitting here talking.
I just want to be with you feeling good
as we hold each other.

I love you so very much my beautiful Kira
and if you only knew how badly I hurt for you.
Feel all these sweet kisses of passion and love
with these great big hugs of pure warmth
as they are for you forever and only you,
Those are the kisses and hugs of that special love
that only you shall ever receive
just as I have those hugs of love that only
my nephews and parents and your kids if they like
will ever receive because that's all that I need.
I just want to be sitting here with my Kira so dear
and never forget I am with you sweet one,
I'll never leave you my sweet Angel dove
and will always stand by your side hand in hand
giving you all of my support because you are my true love
and I want to be with my diamond in the rough
and best friend for eternity my beautiful woman.
So feel me there with you as I hold you closely
and let's both feel this dream now of us sitting
together kissing and snuggling on this early morning
surrounded in our true love and God bless you
my sweet Queen and beautiful Angel Kira.

Michael P. McParland

Night Note 141

Hello to you my darling Kira
I hold so very deep, tender,
caring, and unconditionally loving
deep within my soul and heart
for which you hold and carry
forever being yours and that's just what I want.
Please forgive me dear
as I struggle so hard right now
to get myself up in whole
and moving right now.
My head still feels extremely foggy
on anything near the finer points
of execution in detail
or memory in whole.
I just know without any haziness
or confusion at all
that I miss the woman I so
truly love in the most intense pain
that in many ways I know there is.
My heart just burns in need
to hold you near and give you kisses
that will put out all of our
worries, our fears, and our longing needs,
Kira it isn't just for me
that I am so in need to be with you
but because I want to comfort you
and reassure you how deeply loved you are.
I just want to give you happiness
and so much deep and caring love.
I hurt so much just to talk to you
and give you all my care and love
while holding you so tight within my arms
and holding your hand in love.
Let's get to that stuff later though
more when my head has somewhat cleared.
Just remember dear that I love you
more than anything and more than
anyone can ever know.

Please my Kira I hope I am
not asking too much as I rise now
I need your loving strength.
First thing that I must do
is a shower that cleanses and rejuvenates.
I have eaten since Sunday when I
laid down but I don't remember
exactly when or just what it was my dear,
I was in a deep sleepy fog
so I need some help in strength,
I also wish you were here to hold
while we were in there too.
I might have some tears to shed
or I might not I don't know for sure,
I do know that I want to
smile at you and give some kisses too,
I need my Kira bad because
she's my hero and my best friend too.
I often fear you may be embarrassed
or disappointed in me my dear
but I do give my very best,
and I understand and am ashamed
because I know I can be embarrassing.
I wish though that you were here
to join me and enjoy the cleansing
and waking flow,
and I know that you accept me for who I am
and I get the feeling you wish
that you could join me too
to share those kisses while we smile
and be holding me to catch those
maybe tears.
I am sending you my dear all
my strength warmth and love
and feel all these hugs and kisses
saying I love and thank you babe.
You truly are my everything
and all I want and need.

After a cleansing shower of waking
and renewal food is so badly in need
while you share a good morning with me.

Let's focus on that babe as just
getting that first part right now
needs focus and energy itself.
So please just wrap your arms
around me and we'll together
just hug each other strong.
Find our way together as we always have,
I need my Kira always no matter what
because you are my Angel and true love,
you are the one to whom
I give myself in full and non stop babe,
you truly are my everything.
So as I get up and probably
slowly move about I send you all of
my caring love and want you to know
just how much you mean to me.
Kira I am always by your side
and I'll never leave you dear.
I can't take or stand our time here
apart and just want you in my arms,
so know that no matter what
I am forever yours and I'll love you strong
because you are my only one.
Kira I will write you in short
after my shower and let you know what's going on.
Until then know I'll be with you
and thinking of you here,
and feel all of these endless kisses
of deep and caring love
that I'll be sending non stop.
Feel my arms around you
in deep comfort and endless love.
Kira I miss you my darling Angel
and pray for our time soon,
I love you so very much and want to be holding you.

Michael P. McParland

Love Note 395

Kira my one I love you so much
and send you these sweet kisses
of deep need and deep care.
I have been sleeping this whole time my dear
except for a few where in a fog
I ate some food.
I just want to know now though
if you will come lay with me
and just snuggle for right now.
I love you so very much
and still need your comfort here.
I'm not yet ready to rise
and it may not be long from now
but I am not sure.

because I need my true love
and heros comforting arms around me now
and I want to be holding my best friend
the most beautiful woman in the world.
I love you Kira you are the best
and my everything

your side holding you close.

Michael P. McParland

feeling peaceful content because I am with you,
just be able to enjoy the feeling
of being safe by having the one you love
right there beside you in you arms,
I want to lay back with you and relax
in the feeling of being accepted and loved in return
as I look into your sweet sparkling eyes
before giving you the biggest and sweetest kiss
of true that you can dream of or imagine.
I love you sweet Kira you are amazing
and I need you here with me so very much.

I miss you terribly my sweet precious lady
and I just want to lay back and relax
getting used to and enjoying the feel
of having my Angel in my arms beside me,
I just want to relax with you and feel
all stress melt away and be gone.
I just want to lay back and relax
enjoying time and all that I have with my sweet Angel dove.

holding you close and just revel in the
contented joy and fulfillment of having you
right there in my arms.
I love you sweet one and just want
to hold you forever in true love and warmth
my sweet Angel dove.

A Day Spent Holding You 2

It is a quiet day here my sweet dear
and has the general feel of quiet
all around as I sense it from where I am.
And on such a day I would love
to spend it holding you so close to me
and giving you sweet comfort
while we talked and I rubbed your back.
A day to just hold you and let you know
that you are so truly cared for and loved,
a day to hold you and neither of us
would be alone and filled with an aching longing.
A day spent holding you and feeling
all was right in the world because my lady
would be in my arms for me to give
loving comfort and care too
feeling safe and whole as I hold her so close.

A day spent holding you would be a dream
as we could just sit and talk
while sharing sweet kisses so good
and we'd just be spending time
healing our wounds and getting to know each other better.
A day spent with you in my arms
is what we so need to
make up for lost time sharing our loving warmth
in snuggles so soothing and healing.
Snuggles of joy while we just
smile at each other and take in the
reality of you being in my arms
kissing and just spending time
with each other feeling deep peace
in our hearts and souls from finally
being able to be with the one we love
and have been waiting for.

A day spent holding you and being
able to give comfort and reassurance
is something that will happen
and I can't wait to be able to

wrap you up as tight as you need
and just help you to know I am always with you
and I'll always be holding you
so very close am never leaving you.
A day spent holding you to help
so many of both of the scars of time heal.
A beautiful day to just spend
in joy and contentment being with
the one we so truly love.
Kira you are my Angel and my gorgeous lady
and I will spend a day just holding you I promise
and I will as always hold you today in spirit,
so feel deep peace and love fill you
as I wrap my arms around you.
You are the woman I want to hold forever
through time because you are so adorable and I love you.
Feel all of my loving strength as I send
it to you and be filled with great warmth.
I love you so much my sweet lady and
am right there beside you holding you tightly.

that you use and I just know in the way it triggers
a million senses and I can feel all of your love

I send to you my sweet dear these early morning
kisses of deep comfort and warmth,
early morning kisses to go along
with a tight and cozy warm snuggle.
I send you these early morning kisses
because I so truly love you
and I deeply miss you.
I send you these sweet early morning kisses
just because I want to and can.

I so love you sweet Kira and just want
to be with you giving all that I have,
I love you so very much and just want
to feel your warmth around me.
So I'm reaching out to pull you in close to me
and give these many kisses before
you rest your head on my chest for
a good snuggle so warm and fulfilling.
I love you sweet Kira and send you these tender
early morning kisses of true love and warmth
so you will know and feel that I'm there with you
and to give your day a beautiful start.
I love you sweet lady completely and truly.

all of the loving care that she does
and make fountains of endless tender and caring love flow
within me like that gorgeous girl has,
she is an amazing and special blessing
I am so thankful for and I just want to hold
and cherish my Angel who truly is

to you theses sweet tender kisses
of true love and warmth.
I wrap you up in my arms to
give you sweet little kisses on your
cheek ear and sexy soft neck.

caress your check and brush your hair
completely clear of your eyes
so you can see the deep caring gentle
passion in my eyes as I tell you
sweet Kira that I do truly love you,

you are all that I want and there
is no need in any way for you to
have a fear or doubt about that.

Tender Goodnight Kisses

Goodnight my sweet lady and though I'm
not ready just yet for bed I want to lay
down with you in my arm to snuggle for awhile
and give you kisses so very tender
to express my love and hunger for you
in its infinite adoring care.
Come snuggle sweet one and share tender kisses with me
that heal and soothe the heart
in the true loving care expressed through
the gentleness in them.
Come my sweet darling and let's
share some tender goodnight kisses as we snuggle.

Please come curl up in my arms
and don't be upset or angry over anything,
I love you so very much and am going
to hold you so very close the whole night
stroking your hair and rubbing your back
giving you the sweetest kisses
with tender looks into each others eyes
so you can see all of the truths I hold inside
and the deep loving care and desire I have for you.
I am just going to hold you so close
and give you all of my love and warmth
to comfort your soul and heart
softly talking telling you I love you
and treasure you so very much
and that I don't want to ever lose you
the woman and Angel I love more than anything.
Feel my soft loving touch, tender kisses,
and arms around you in pure love as you rest
your sweet head upon my chest and feel
peace knowing I'll never leave you
and be right by your side hand in hand through all time.

I will see you tonight as together
we'll meet in the land of dreams
and be able to spend time and we need
just light unique fun sometimes too

in a place so majestic and no boundaries
and just a simple thing as sitting with you
while building a puzzle would be heart warming
because we will still find time to
hold each other and share sweet passionate caring kisses.
Just to be with you is a wonderful
thing in itself and a time of simple fum
with each other puts a smile on my face and heart.
I'll see you tonight my sweet precious
Angel of love and light.

Goodnight my sweet Kira I truly
find and see as so very adorable
and without a doubt you are so beautiful,
please come join me in bed for a tight
snuggle of caring warmth so I can
give you these tender kisses so filled
with true love and care in their gentleness,
share with me these tender kisses in return
and just feel the love that I have
and let the strength and deepness of it
reassure and strength that which you know,
I love you Kira so very much and do try
so very hard always because I adore you
and love making you smile because you are proud and happy.
Just feel the depth of care and truth
in these tender kisses and feel peace in your heart.
I will never abandon you or do anything
to hurt you sweet lady.
You are my Queen and Angel and to me
the most important and wonderful person there is.
Now come and let's lay down in bed
and share some tender goodnight kisses
so full of deep, gentle, true love
that only two soul mates and best friends
can ever truly hope to have.

Michael P. McParland

A Few Simple Needs My Dear One

As I sit here sweet one I am thinking
of you and sending sweet kisses
and huge hugs with all of my loving warmth.
I am missing you so very bad
and right now outside of you I'm very much feeling
very alone with no one that's
a truly solid friend or confidant
anywhere else that I go or talk to at all.
And I just ask for a few simple needs
on this night my dear one to help
me feel your love ever so strong
and know that things are okay.

A few simple needs my sweet dear
like please just help me to feel
your acceptance and now it
as the feeling runs through me.
Help me to feel your care
which I know is there but
I just need reassurance on this night.
Please don't be angry at me.
Just the simple reassurance to know
that you like me as well as love me too.
Help me just to know so very strong you are there
and holding me near.
Just these few needs my sweet dear
would mean everything to me.
Coming from the woman and Angel I love
it means more than it possibly could
from any other source that there is.
Essentially I am just in need of
extra loving reassurance
from my precious lady,
the one whom has the greatest and most
wonderful love within her
and I know will always be there.

I love you my sweet one
and just want to be in your arms

while I hold you too.
You are the amazing woman I love
and I will stand by you for all time.
I adore you my dear
and treasure you my Queen
and I know that you love me as well
because I can feel it my dear.
It's just a night of needed extra comfort
and I truly thank you for everything.
I love you so very much and will
forever give you every last bit of myself
as I strive to always make my Queen happy and proud.
Thank you again my sweet Angel dove
and feel all of these kisses I'm sending
in true loving gratefulness.

Michael P. McParland

Snuggling Kisses, Peaceful Comfort

After drifting off again on you
for about an hour my dear
I first want to say I am sorry again
and then just reach out and wrap you up in my arms
just get close and snuggle,
also just talk and share the sweetest
and deepest kisses to give each other
a deeply wanted and needed peaceful comfort
that goes straight to the soul
soothing and relaxing us both in full.
A peaceful comfort that leaves us both feeling
truly safe knowing without doubt
that we love each other totally and so much
and will always be there for each other without doubt.

Let's spend this evening just snuggling
and sharing our loving warmth in full.
It is a night that I so very much
want you in my arms to give comfort too
and feel peace by just being right there
with my sweet Angel lovingly wrapped up in my arms
and I also in yours.
Let's share snuggling kisses of peaceful comfort
to be close to each other and take in
the feeling and knowledge of truly being safe
while just holding, kissing, talking,
and spending time with the person you truly love
and that you know in your very heart and soul
truly loves you too to no end.

So my sweet darling Kira feel filled and surrounded
by my entire pure loving warmth as I reach out
to pull you in close to me and say Kira
I truly love you more than anything
and I'm falling apart without you sweet one,
Just snuggle with me and we'll share sweet kisses
while we talk and just take in the feeling
of peaceful comfort that we so need and want
for ourselves and each other.

Just bask in the glow of knowing we're
in the arms of unconditional love and acceptance,
take total peace in the comfort of peace.
Kira my love please snuggle with me
and enjoy a deep peaceful comfort
of true and pure reassurance.

Kira I'm reaching out because I
just want to hold you so close
and know that as I am holding my beautiful lady
it is helping give you pure total
peace and reassurance in your heart and soul,
I want to know above all that you are okay
and know for sure that I'll never leave you
or abandon you in any way.
I want to make sure you feel just how truly
loved that you are by me.
So my sweet darling just curl up so tight
as I hold you with pure love and give you kisses
while we sit and talk.
I love you my Kira and just want to share
sweet snuggling kisses with my gorgeous Angel
surrounded in peaceful comfort
that I am so truly loved in return
and we can both smile so happily
as we enjoy the evening in each others company.

Michael P. McParland

An Evening For Us

What we so very need and much more deserve
is an evening just for ourselves
to be with each other being able
to shut out the outside world for
a number of hours at least
and even better the whole night
so we'll have no distractions or worries
as we just spend time together snuggling
and having fun doing whatever we desire
or catches our fancy.
An evening where we can just lose track
of the hours and all other things
as we enjoy our company and do as we please.

An evening where we'll have time to
sit and talk just asking questions,
giving thoughts, and from me of course
long running ramblings.
An evening doing something I've so missed
with the gorgeous woman I love and have missed
so very badly.
We need and deserve an evening just for us
and not just one evening but an eternity of them
in each others arms feeling true joy
and contentment in our hearts and souls
by being with our true loves.

Evenings to share all that we like,
enjoy, care about and truly love.
So many evenings to learn something new
while having fun with each other the whole time.
Warm sand loving evenings spent with you
Kira my sweet Angel dove and true love,
we deserve and need time to just
spend with each other for so many reasons
and because we want that.
Evenings through life spent
with my Angel I so deeply adore and want
right now to be sitting with snuggling

and giving the sweetest kisses.

Kira I wish this was an evening just for us,
I really do just want to hold you
and I need to give you those sweet kisses
of true passionate love so very bad.
I ache fiercely to just give you my kisses
and feel yours in return.
I want right now an evening of
sitting back with my lady
and just spending time with each other
and feeling true happiness
as we snuggle and give each other our
loving warmth.
I love you sweet Kira and wish
I could spend this evening with you
in my arms and letting you know
I'm not going anywhere ever because
I truly do care for and love you
and want to be with you through eternity.

Michael P. McParland

Love Note 393

Good afternoon my sweet beautiful love
and saying that I give you
these many sweet kisses of pure love
and hope that you are not angry or upset
or over thinking little worries.
I also wrap you up in this
enormous hug to fill us both with
deep need warmth as well as comfort too,
and an extra squeeze to let you know
I so need you and your immense love
from your soft heart,
a squeeze that is also a needed sign
that I ask from and because
of my love for you which is so deep and true.
I have no doubt in your faith
and belief in my love and pure intent
for you and all you hold dear
but it is a pride I put on myself
to prove and show to my lady
my true and loving intent.
So I give that little extra squeeze
in my hug and a small peck
of a kiss on the forehead
to let you know that I love you truly
and need you because you are my Angel
and a blessing and I believe and trust in you.
I know you will always help
catch me when I fall and the likes
of which happens to us on earth
just as I will always be there to catch you
and give you endless help and support
with true loves strength mighty and great.

It was maybe just an hour after
my good morning message this morning
that I was hit by a massive wave
of deep tiredness and fatigue
and fell asleep very quickly
as soon as my head hit the pillow

and my eyes closed.
That is the largest part of why
you have not heard from me sooner.
Then when I awoke a little while ago
it was in the very deepest pits
of sadness and despair.
A lot of things in a way really,
missing you and needing your company,
touch, words, just you in whole
has been the hardest
but there are other struggles
and frustrations that add on as well
like my constant companion
bipolar as you know and a few other
small things I'm sure we've talked about,
there are those you don't know though
simply because the chance or
right circumstance has not presented itself.
So I had to shake that off
before I could operate at all
and then just before beginning this
and up through trying to eat
with a mouth full of canker sores.
So I apologize for my long silence
and not being here my dear,
also I am writing very slow.
My usual speed is not clicking right now
but I will as I always do write for
and to you because you are my soul mate
and hero I so adore and I will never give up
on you or what matters anywhere
because with you my true love,
diamond in the rough, and sweet Angel dove
I have a reason which then gives more.
I love you sweet Kira and will always
stand by your side in true love eternally
with my divine one.
I will always fight for and defend
the woman I placed on high as my Queen,
a place that only Kira could have ever claimed
because you truly are my everything.

So I now close this note of deep love
and much emotion please have
a good evening and remember
I am right here and not leaving,
I will be there with you in spirit
holding tightly and giving you kisses
of deep warmth love and caring.
I will write as best as I can
and the pace right now will be slow
I'm afraid my sweet dear and apologize for.
Feel reassured and have peace in your heart
because your Michael will always
strive hard to make you so proud
because I adore your beautiful smiles
and love seeing you happy
so I always give my best for my sweet fair lady.
Remember sweet lady that all
I feel for you is deep tenderness
within the true love I hold for, carry, and give you.
I just wish to and want
to honor you always for and as the
wonderful woman I know that you are
and I so adore in every way to no end.

Michael P. McParland

Good Morning My Dear One

Good morning my dear one and I send
you these sweet kisses to give light,
happiness, and all of my love
to start your day here
and carry on through the day as I will
keep sending more hugs, kisses,
light, with all of my loving warmth.
Good morning Kira my dear one
please give me that smile that makes my heart melt
and brightens up my entire heart, soul,
universe, existence and life.
Smile for me babe and then I think
I'll be able to too.

I wish you this good morning with
the wishes in me that you were here
to be with through the rest of this morning
and then through the day just spending time
like the best friends in true love that we are.
Just holding each other and hands
as we went about any chores there may be
helping each other to make the job easier
on one another.

Then later go to the routes of reading
and movies with fun and loving talking,
but only here in the last few lines has
it occurred in my thick head that you may
have many interesting hobbies as well
as skills at arts and crafts or millions
of things which I recall you having mentioned
but am unsure where you are on those things
and the ones of which I'm fully unaware.
I am excited to see and hear about all
and will be thrilled to join me if you'd like.
I am so sorry my dear and feel like a selfish pig
for not having thought of that clearly sooner.
I truly do not intend to make it seem or be about just me,
I care for and love you so much in every way

and I want to listen, learn, help,
respect, and give the love that I have and wish to share.
I send you sweet kisses and hugs of deep apology,
please forgive me sweet one and know
that I care about you in full and truly want
to listen and learn about all that you love
and all of the deeper stuff too when those
conversations arise.
You are my lady and my Angel so bright,
I want to learn and know everything about my divine one.

So again I wish you a good morning my dear
and send you sweet kisses holding my love
and my great big hugs to wrap you up
in my warmth and give you reassurance
I am standing right beside you always
hand in hand supporting you in full
with endless true love and care.
I love you sweet lady and will
never leave you I eternally swear.
I couldn't take losing my Kira again
so truly rest assured that your Michael
is dedicated to you in true loves bond
that you are my Angel and Queen
and I'll always give you my very best and everything.
Have a great day my sweet love
and feel my arms around you as I pull you in
for a tight loving squeeze saying I love you babe.

Michael P. McParland

Sweet Kisses Of True Loving Peace

Well my sweet love it took me a long while
to be able to and finally do the few things
I needed and wanted and now out of
a most cleansing, refreshing, and relaxing shower
I wanted to tell you I love you
and send these sweet kisses of true loving peace.
Peace from my heart and soul to help
give you peace to be at ease.
I send to you sweet kisses of true loving peace
with deep tenderness flowing for you
through my body in full.
Sweet sweet kisses to sweet beautiful you.

Darling come lay down beside me and let's snuggle
as I am fading from wakefulness very fast.
My body is growing heavy and the slow down
in full is coming on.
Please come snuggle with me my darling
so we can fall asleep in each others arms
feeling so very happy, safe, and content.
Come snuggle with me my precious lady
and rest for awhile and I may finally crash
and be out of it for a very long while.
So my sweet Kira please come and snuggle
so I can give you many sweet kisses
of true loving peace before I drift off.
I love you Kira with all that I am
and I truly do always try my best for you.
Now come and let's snuggle and I'll hold you
so very tightly in loving comfort
as we fall asleep dreaming of each other.

Michael P. McParland

My Heart To You My Best Friend

A very beautiful hello to you with sweet kisses
in the middle of this night my best friend.
I've just about gotten all of the energy
and lift in the many ways I needed
to get up and finally go take a cleansing,
soothing, and very refreshing shower.
So many benefits from really a simple thing
as it helps with more than just physical health
but helps with ideas and thought
and everybody becomes a star singer while in there.
I know you just smiled and laughed my sweet one
and I wish you were here to soon join me
and I would just hold you and give you sweet kisses
filled with all of my warmth and love never ending.
My heart to you in true love my best friend,
my heart to you for all time my sweet Angel dove.

It's been slow going to build my energy as
the canker sores are in full force
on the right side of my tongue and the strategic
few placed just right to make
painless maneuvering impossible.
And I truly would have written sooner
but time is slipping by me as if I were
almost at a stand still it seems
and I was writing a review for a book I
very much enjoyed and my mind just
could not find the words I wanted and needed
in a good click of time or at all
then just being slow constructing it dear.
I am so sorry sweet love and wish
I knew how to make that up in some way.
I so truly love and adore you
and my heart to you my beautiful best friend.
My heart to you my Queen and dear Angel Kira
I so deeply care for and love.
Feel my arms around you as I pull you in
for a great big hug of deep warmth and passionate kiss.

So I continue on trying to do what
I need and want my sweet dear,
your loving company would be the most
wonderful thing I could have to
get all wrapped up and done
and I will be thinking of you as
I go about it all here.
I love you sweet Kira and my heart to you
for all time and eternity I want us
to spend together hand in hand my beautiful best friend.
My heart to you in true giving love
with a trust I would give no other ever.
My heart to you my best friend because
I want you to feel within you that
true love, admiration, caring,
and endless depth of tenderness I hold for you.

Michael P. McParland

Night Note 139

Hello the my sweet love
and hope you are okay and doing well,
I hope you know just how much
I love you and truly care,
I want you to know and feel in your heart
that your are important
and special and you have a man
who will always love you and care
sticking right by you the whole way.
I want you to know you are important to me
and I want to be with you forever my dear.
I want to be with my beautiful Kira
enjoying the days and seeing the beauty.
I want us both to be able to breathe
easy each day knowing that there
is someone right there giving true love
and support and will be present
and able to help or give help to
if and when needed.
I hate not being right there
to help you in those bad moments we all suffer.
I miss and ache badly when I'm
having a tough day or just
a few hours and I can't put my arms
around you or hold your hand.
I love you and want to be with you
through all the good things
and stand by you through the
tough and bad times.
I want to be with my lady
and just closely hold you
to give us both deep needed peace and comfort.
I need to tell you I love you
with you hearing my voice.
I need to hold you with you
being in person in my arms.
I love you and miss you my only one.

So my sweet love I know it

is most likely my worries and paranoia
but I want to make sure you
don't forget, worry, or feel any doubt
that I will never leave you
be right by your side forever my love.
I am your Michael
and always have been even before
you knew it and you realized
my deep love very quickly
so I'm sure your soul felt right away
that I was yours from that moment on.
I could never leave you behind
feel abandoned and broken
and I can't imagine a life
without my most precious Angel and darling Kira,
the woman I love more than anything.

I am not yet going to sleep
and once again I swear I will not
miss our goodnight.
I'm not sure just yet how long I'll be up
as even though I am completely tired
and exhausted I could not sleep
and I am in needs of a shower
for the soothing sake
and just that of being a human
but I must try and gather the energy
and I'm not sure at the moment
how long that could take.
Worry not though my dear one
because all will be handled
and I will continue writing you and keeping you posted,
I so adore you my beautiful lady
and now please just sit back
and relax reading, resting,
watching TV or whatever it is you may need
knowing I am right here and there for you.
Feel peace in your soul knowing
my heart is calling to and singing for you
because you are an Angel of light
whom I adore and I want to be with you forevermore.
You are my soul mate and only best friend

and my love for you has no end.
I will forever stick by you
and give you my best in all that
you will ever need and want.
You are my Queen and sweet precious diamond
and there isn't anything
that will take me from you
or be able to change how I feel.

Michael P. McParland

A Night Of Great Aching

I am aching so very badly my dear,
I feel so very lonely without you
and though I do feel your warmth and your sweet spirit
I am lonely to finally see you in person
hearing your voice and feeling your touch
as we kiss and hold hands.
The weight in the press of your body against mine
as we just hold each other gazing and getting lost
in each others eyes feeling joy and excitement
that finally it has all happened.

I am sitting here trying so hard to read but cannot
because my heart is aching so very bad just for you.
It pulls all my thoughts in my need for you,
to be spending time with my sweet Angel dove.
I sit and wonder just how you are.
I wonder if you are okay and if everything is alright,
I ache because I don't know and worry.
I ache because I'm not right there to hold you
and give direct comfort when I know you've been crying.
I am aching so bad because it is true hell
being so far away from my Angel so good
and the woman I love more than anything anywhere.
It is a night of great aching for my one
and I would give anything to be in each others arms
feeling content and peaceful in each others loving warmth.
I would give anything to be spending time
with each other and enjoying each others company.

Kira I miss you and my heart that overflows
with true love for you is in pain,
it is calling out just to tell you you're loved,
wanted, and needed by your man.
I am aching tonight for my sweet Angel
I long to hold and open my entire heart.
I am aching and longing because you are a jewel
and I treasure you so much I just want to be with you
knowing your happy and alright and that both
of our hearts are in peace as we wrap up so tight.

Kira I love you and am aching for you
just as I know you ache so badly too,
I want us both to have this dream and happiness we so want,
I want to be holding you and letting you know
that everything is alright and will be for good.
Feel my sweet kisses and my arms wrapped around you
so tightly to let you know I love you and am with you.
So as I continue to sit here trying to be busy
feel my warmth and love because I'm sending it
all to you and I will be thinking and longing to
have my sweet Queen right here with me.

Michael P. McParland

My Angel, My Queen

Thank you so much my sweet Kira for all
of your kind love, patience, giving,
and understanding in so much my dear.
Your loving strength helped me get through
that patch of anxiety before it got bad
so I was able eat and soothe with my music
to balance out the best that I can.
You are my Angel and you are my Queen
and I adore you sweet lady to no end.
You give such love that fills me with light
and I want to thank you and with
so much more than the words I put here,
I want to and will always treat you like
the amazing and beautiful Queen that you are.
I wish you were here to give kisses
and pour my heart and soul out.
Please come so soon my sweet Angel and Queen.
There's so much to tell and so much to share
and I ache during this waiting in time.
I want to be holding my precious beautiful Kira right now.

You are my Angel whom I fell in love with
eons ago as just spirits before coming to earth
and God blessed us by bringing us together down here.
My hand, my heart, my life and my soul are eternally yours
as my soul mate, best friend, true love and best friend
who is above all my beautiful and blessed Angel.

You are my Queen because you are the
holder of my very heart and its crown jewel as well,
you are the only one whom I will submit
in any number of ways and things
and you are my Queen because I adore you
and wish for all eternity to serve you.
I want to always make you so proud and happy
giving my best and everything. I want to give you
all of the love and the best that there is
as you so deserve as a wonderful woman
who's given so much and had little returned.

You are my Angel and Queen simply because
I truly love you.

Kira you are so beautiful in every way possible
and you love and accept me as me
just as I do with you my sweet dear.
You are my Queen because I want you to be,
I would not accept or allow anyone I felt
was laughing or mocking me or had
designs to recreate me as their wanted toy.
You are my Angel and Queen because we share a bond
and love each other as the people we are
completely and unconditionally.
Kira you are my Angel and incredibly gorgeous Angel
and I want nothing more than to be with you
sharing all the best and happiness in life
because you are the greatest and I so cherish and love you.

Michael P. McParland

You Are Loving Contented Peace

You truly are loving peace my sweet one
and you help give me calming contentment
when that is needed within or by me in any way.
Your loving strength help me stand up
and give me that support to continue
fighting through be it a big deal or small.
You are loving contented peace and I am so thankful
for you and the loving woman you are
and I love you completely with all of my
heart, soul, body and mind.
You are a blessing I am endlessly thankful for
and may God bless you sweet one for the jewel that you are.

You help give me the strength that
is needed in any random situation.
Even like now which is a small one
and soon being taken care of will stay small and be gone soon.
It's just low blood sugar mixing in
with the small bit of anxiety I've had
and together they can make life complete hell.
From the loving warmth that you send
and I can so strongly feel it is giving me the
calm and peace that I need to make it that small bit more
without shaking and having things seem much worse.
You my sweet darling are true contented peace
and I thank you for the strength that you send
and I thank you for being an amazing Angel I love
and adore completely to no end.

You truly are loving contented peace
and I wanted to let you know I love you
and am so thankful for a woman so deeply beautiful
in every way that is imaginable.
I wanted to let you know how you have
effected me and touch my whole life.
I wanted to thank you and tell you
in the moment the peace that you give
so you could see what a blessing you are.
I adore you my Kira and can't wait to

be able to list the ways I am grateful
and love you looking you face to face.
You are amazing and truly a gorgeous divine Angel,
I love you my darling and will write you
as soon as my body and mind have balanced back down.

Love Note 392

Hello there sweet dear
and I hope your afternoon
has been going well and had faith
feeling me there with you
giving all of my loving warmth.
I wasn't busy here at all,
I've had my twitter account
for ages now but other than posting
my poems as well as random and odd things
I rarely more than scan
through some of the timeliness of people I follow
so today I just sat and scrolled
through Ohio State news
and a ton of the players
to just take a look at what
may have been interesting.
And how could I not suck up
to my favorite Buckeye JT Barrett
while I was on there so long?
I feel stupid and embarrassed
but all will be perfectly fine I am sure.

I thought of you at many
points throughout hoping you are alright
and know that I miss you
and long for you so very much.
I thought of you as I looked
through love quotes I retweeted
at times or the accounts that I follow.
So many of them are perfect
in how the state the feelings
and emotions of true, total,
and pure love I hold for you.
You're always on my mind
because to me you truly are
the worlds beauty making everything
so much brighter, happier,
more colorful and vibrant,
just happier in whole

and I thank you sweet Kira for
your sweet heart and soul and all that you do.
You are an amazing woman and blessing
and I thank God for you in every way.

So now as the evening
does quickly approach I sit here
clueless of what I will be doing,
I know though for sure
I will be thinking of you
and wishing you were here in my arms.
I will be sending you sweet kisses
of deep and true love with great big hugs
of pure warmth to fill you with peace
and deep joy in your heart knowing
I'm right beside you and will be forever.
I will be sending my prayers
as well.
God bless you my sweet darling Angel
and know that your Michael so truly loves you.
I am aching so badly to have you in my arms
and telling you how much I care
as I look in your eyes.
Feel all of my love and know that
you have nothing to fear.
Our time is coming and I will always
treat my Kira as the Queen that she is
always giving you my best in all
and everything.

A Quiet Afternoon With Beautiful You

Hello my sweet love and I hope
you're having a great day.
After finally finishing the dishes
I rested for 45 minutes or just over
and feel a bit more rested and better,
now as I sit here eating lunch what I truly
want is a quirt afternoon with you my beautiful woman
and just spend time with each other.
Just sit and snuggle so we can continue
forever as I know we will talking sweet lady.
I truly believe by now we'll never run out
of things to say to each other and talk about.
I often fear that I'll run out of stuff to say
or carry on even a slightly interesting conversation.
With us time has proven we'll always have stuff
to talk about and laugh, ponder in wonder,
or learn something new from each other.
Talking to you is one of the most wonderful
and fulfilling things I've ever had in my life
and that is one on the many ways I would love to
spend this afternoon with you.

Today would not be one for reading I think,
my mind feels like it would not fully absorb
and retain the information or take it all in
so we would both be on track the next time.
Of course there are always very short stories on kindle
and that I think I could handle.
Maybe a light movie or one I've seen
a million times where I don't have to give all my focus.
I just really want to take in that I'd be with you
sharing caresses and kisses so soft and sweet.
I'd be more focused on the joy and fulfillment
I'd be feeling sitting right beside you.
I guarantee though that there would be
no lapse in focus or have distraction
while we were talking.
You would be my main focus because I would
be doing everything that I could to make you comfy and happy.

A quiet afternoon with my Kira is what
I so crave and desire.

Dear I am still feeling quite tired but just like
as if you were here to be in my arms spending
a quiet, joyful, and romantic afternoon
I will stay up so I can write and give you my all.
I love you so much and my heart aches
in its longing desire and need to be with you
and spending time having fun.
I ache so very hard and I yearn to share
with you a beautiful and quiet afternoon
with you my gorgeous Angel I truly adore.
I will be dreaming of this as I reach out to hold you
and feel one of my hands in yours as the other
holds you so very close lovingly rubbing your back.
feel my warmth and love as I send it all to you
my dear darling so good.
I will always be with you sweet darling
and I hope that our time is soon arriving.
I love you my Kira and am sending you the sweetest kisses.

Michael P. McParland

My Shining Star 3

Kira my bright shining star
I can feel you so strongly all around me right now,
I can smell your hair and skin
and it is such a wonderful feeling
knowing my Angel is with me and giving
all of your warmth and deep loving strength.
You are my shining star and for all that
you give and do I thank you so much.

Kira you truly are my shining star
and a supreme Angel who gives me such hope and light.
I just want to be with you thanking you right now
as I look in your eyes and tell you
and show you what a miracle you are.
I adore you sweet one because you are my one,
you are so beautiful and I send you sweet kisses
and big hugs of pure loving warmth.

Kira you are the woman I love
and just want to spend time with each day.
You are so wonderful and I deeply cherish you
and want to just be right beside my shining star
feeling good and that all is alright.
I need my shining star because
you make the days good and give reason too.
You make the days special because
they are with you.

Kira I love you and please send me
the most brilliant light with your gorgeous smile.
Thinking of that and knowing you are
is the very thing to make this day good.
My Kiras smile is so beautiful
and fills me with tingling butterflies too.
Smile for me my shining star.

Kira you are the one I am reaching for
to wrap my arms around and give kisses to.
To share my whole world with in full

because I love and trust you so very much,
you truly are the hope that is my northern light.
I truly love you my darling sweet lady
and feel my hand within yours as I take it
within mine to give you all of my
loving care and warmth right now.

Michael P. McParland

Precious Lady 3

Precious lady please come back so soon to me
so I can hold you and know true peace
in my heart and soul and know it truly
exists on this earth even if just
between two people so truly in love.
Please my sweet lady so deeply precious
come and we will take each others hands
smiling at each other as we embrace
and begin to erase all of the pain.
I love you so deeply because you are
my best friend hero and beautiful Angel.
You are a wonderful lady so precious
as a rare diamond in the rough.

My precious lady I hope that you realize
that you truly are the only love in this way
I hold within my soul and heart.
You are the holder of both and so it
will be through this life and eternity.
In my heart and soul it's always been you
that I held so very precious
and remained faithful in my heart
because I knew we would come back together
as you were the one I felt a divine
bond and connection.
Precious lady I so deeply treasure
I just want to be with you sharing
everything that there is and we want
our entire lives through both on earth
and beyond in our celestial home.

My precious one I just so long for you
because I'm tired of being alone with the
distance between me and you.
Even when with others I'm still alone
because it is not you with whom I'm sharing
beautiful and precious time.
I just want to be with you because you're divine
and it is with you I know I can be myself

by sharing my world and my thoughts,
the things that I love and admire in life.
It is you I know I can trust and you
can trust me too my Angel of light.
I love you so much my precious lady
and if I had to walk through this life without you
I'd see no point to it because I
would be without my other half and the one
I truly believe in to stick by me,
support me and the one who truly is my everything.

Michael P. McParland

Longing Good Morning Kisses

A very sweet and loving good morning
to you my dear and I send you these kisses
so full of love with longing as well,
I also send you great big hugs
of pure loving warmth to fill your
heart and soul with light and joy
knowing how proud I am of you.
I wish you a very good morning
filled with such longing.

I am still shaking off the fogginess of sleep
and would love nothing more than to have
you right here sitting up in bed next to me
talking and holding each other and our hands.
I would give anything to be with you dear
and feel your loving boost as right before
I lay down last night I remembered
I had the dishes and now have to get right on them.
I would love the joy and lift
from your sweet cheerful kisses
which would make the chore pass by much faster.
I will be thinking of you though and be feeling
your deep love and care.
Feel all of mine as in spirit I wrap
my arms around you to give you all
of my strength and the love I hold within.

So my sweet dear as I now must push myself
up and out of bed to assure I get going
I send you these sweet good morning kisses
of pure love and deep longing,
I hope your day is so truly beautiful
and wonderful with you feeling me beside you.
I love you sweet darling and care for you
more than anyone can truly know my sweet Angel.
You will be in my thoughts and prayers
as my heart sings its love out to you.
I send you these sweet good morning kisses
with a longing need and desire to have you right here.

Michael P. McParland

Goodnight My Beautiful Angel Of My Hopes And Dreams

Goodnight my sweet beautiful Angel Kira
holder of my heart and soul as well as
all of my greatest hopes and dreams.
I am extremely tired and ready to slip into bed,
Come and join me sweet lady under the covers
and share a warming and loving snuggle
with the sweetest and most reassuring kisses.
I just want to hold you
and feel your arms around me as well.
I am in need of my sweet lady's comfort
from the sad weight I feel from so badly missing you.
So in your warm loving arms with your
sweet words of comfort and sweet kisses
will help lift that weight and with you begin relaxing.
So come now and let's snuggle sharing some sweet kisses
before we close our tired eyes to drift away
with peace and contentment in our souls and hearts
from having each other no matter what.

Come and curl up so close and tight within my arms
and I will keep you so warm and cozy
the entire night through helping you feel safe
and at peace knowing I'm with you
giving you all of my warmth and love
as you rest your sweet head upon my chest
and I'll give you deep comfort
by rubbing your back and stroking your hair
and softly speaking giving reassurance
that everything is okay and I will
be with you forever as I am right now.
Yesterday was just odd from when I awoke
probably because of the very restless sleep.
There is nothing to worry about or be upset over
because it was just one of those days that turns out to be strange.
I love you sweet lady and my hand is in yours,
please have faith and be filled with peace and calm
because I will always be standing beside you.

I will see you tonight within the land of dreams
where on the waking side here I'm so very tired
and my only desire is to sit down and hold you
so I say let's make that the plan for
time tonight by finding a beautiful place
to lay down a blanket and lay down with each other
then spend our time snuggling, kissing,
talking and just spending time together.
The simple things are what I long for my dear
so tonight just a relaxing time with each other
snuggling and enjoying each others company.

Goodnight my sweet beautiful Angel and Queen
of my greatest and brightest hopes and dreams,
you are my universe and my everything
and I can't wait to be here lying right next to you.
Feel all of my love as I send it
with the sweetest kisses of comfort
and the biggest hugs of strength and warmth.
God bless you my lady that
your night and sleep will be ever so peaceful.
As I am now quickly fading
again I want to say that I love you
and will be here when you wake up in the morning
and every single one after that
because I love you my Angel and best friend.
So come curl up in my arms and let's end
this day that has passed and now this night.
I love you sweet lady and adore you endlessly
so always remember I will give you my best
and would never do anything to hurt or betray you.
You are my soul mate and we share a bond of true love
which I cherish just like I do you
and I would never do anything that would destroy it
and all the wonderful blessings we hold if that were to happen.
I will always fight for you and stand up
to defend and support you.
Goodnight my dear Angel and feel deep peace in your heart
and remember I'm with you holding you tight.

A Sweet Snuggle Of Loving Comfort Before Bedtime

Come my sweet love angel beautiful Angel Kira
and let's snuggle for awhile before
going to bed and ending this day in each others arms.
Come join me right now for a snuggle of peace and comfort
that we will as always provide for each other.
I am growing most tired but my mind is far
from the calm state for relaxing.
It's nothing bad or wrong I assure you
it's just the manic speed is slightly
up and running right now making relaxing hard
when your mind and thoughts are flying so fast.
So please come and snuggle and share some sweet
caresses and kisses as we talk and even
just at points lay in silence enjoying the warmth
that surrounds us from our shared love.

Please come my sweet Kira and I hope you
are not upset at me for anything.
I want to snuggle for awhile before we
maybe do something for a short bit then go to bed.
I love you sweet one and miss you so bad
so come and let's curl up in each others arms
and enjoy the company and great joy
that we bring each other.
Let's just snuggle and be filled with peace
as our spirits and hearts touch and talk to each other
bring us total calm.
Oh my sweet Kira I just want you to hold me so
very tightly as I will hold you as well my sweet lady.
Let's lay down for a snuggle of loving comfort before bed
and share the sweetest kisses and let our hearts feel content.
I truly love you my sweet darling Kira
and I really am lost without you.

Michael P. McParland

Just A Slow Day

It's just been a slow day here for me dear,
one of much longing and a weighing heaviness
from missing you badly and all of this waiting.
And then other concerns from other corners
people and things going on in my life.
Just a slow day where I want to be comforted
in your warm loving arms.
I need your sweet comfort and calm to give
this night the full peace that I want.
You are the cure and I miss being able
to at least speak to you.

I so just want to sit with you
and pour out these many things I have been thinking
and so many feelings from life as it's happened.
It is you I want to share with and no other
and I think the slowness today is that
my mind was spinning with thought
and without my sweet Angel dove to say
those things having an understanding ear and mind
I feel lost in a way
and I so long to be with you feeling your warmth
as you tell me that everything is going to be alright.

I'm sorry sweet love for my wired mental ways
it's just been a slow day not even really sad,
just one of needed comfort and someone
who understands and when they don't tries
with all their might to and that was what
I so needed this afternoon.
My Angels arms around me as I just rambled on,
just to be with my Queen and only one.
Worry not though my dear for I am fine
and there are no tears.
It's just an odd and slow night where I would
give anything to curl up in your arms and get cozy
giving you the sweetest kisses all over.
So feel peace in your heart and know I'm alright
and that I am still right beside you holding you

closely and ever so tight.

Michael P. McParland

Tender Evening Desires

I just spent a bit of time drifting my dear
and I didn't realize till now just how long it had been.
I am sorry sweet one for not writing sooner
but I was also dreaming of you as I
had my eyes closed and I shut myself off
to the world just a bit to in peace dream of you
and be able to feel all of your warmth and love
and presence without even the noise of the cats
or my parents moving about.
I dreamed of you and sent all of my love and warmth
with great big kisses and hugs as well.

As I sit here now shaking off the haziness of rest
that always sticks with you I am as always
filled with feelings for you of deep love and tenderness.
A joy and pride in my heart that can only
be felt for those few in this life we so truly love
and usually those people are family
and other souls we have known since the beginning of time.
I love you sweet Kira and just want to hold you
and share sweet tender kisses of deep and complete passion.

So as I have woken an am getting ready to grab my dinner
I'm just filled with the tender desire to
be with you and holding each other as we spend
such wonderful and happy time as this night goes by.
I long to be with you giving you kisses
and deep reassurances that I will always be with you.
You are my Angel and to ever lose you would
be hell and heart break in the most devastating way
because my heart and soul are eternally yours.
I cherish you deeply and want to give you my whole life
by choice freely spending it all together my sweet one.
I love you my darling and am filled with such tender longing
and want you to know I am with you holding you closely.

Michael P. McParland

Love Note 391

A very good afternoon to you
my sweet Angel dove and gorgeous Queen
and I hope you are having a wonderful day
and feeling all of the loving warmth
with sweet kisses and huge hugs
I send your way to give you deep
reassurance and peace that I am still here
and will not go away.
I love you sweet lady and want
to be with you now just talking
and snuggling as we somehow pass the day.
We would find fun and interesting
things to keep us busy and challenge our minds.
I just wish it were now
on a tired and somewhat somber day.
I am feeling so lost and partly
empty without you my other half.

For the last hour I've just
been getting lost in my music
and that always lifts my mood at least a bit
and the Pet Shop Boys released
their first song from their
new album called Super to be released
in the beginning of April.
So a few positives here and there.
The thing though that makes me
the happiest is that I was able to
write you that piece I wanted to
so I could express so very much
that I think and I feel.
All the wonderful things I see,
know, feel, and have experienced with you
and I hope so very much that
it has touched you and helped.
I love you so deeply my sweet lady and Angel
and I will stand with you forever.

As the rest of this day goes

it is aimless at large
just trying to stay occupied and busy.
I will be writing for you though
my darling one and you know it.
I truly am always trying to find
the best ideas in the best ways that I can
because you truly deserve the
very best my sweet Queen.
You are a true treasure and
everything to me.
So feel all of my love and all
of my prayers as I hold you near.
I am right here my sweet lady
if you are in need or want anything.
I will always drop everyone and everything
to be right there at hand for you.
I just want to make you so proud and happy.
God bless you my darling
and feel peace in the strength I am sending
and never forget that I am only your Michael.

Michael P. McParland

A Quiet Afternoon 2

It's a very quiet afternoon here my sweet dear
as I am sitting in silence with memory and thought.
I am so missing you and long for your touch,
just to feel your embrace and your lips against mine.
To just spend time with each other
reading or watching a film,
and even though I am feeling kind of quiet
I always loved talking to you my sweet lady
and I'd be just as happy sitting and listening
to everything you had to say because
I love your voice and want to hear everything you have to say.

It is a quiet afternoon so I apologize dear
if my writing is a bit slower today.
It's not like anything has happened it's just
a day of memories and reflection
as well as deep longing for my precious Angel.
A day full of memories of all the good things
we shared and we said,
there is far more of that and it outweighs
all the bad things in fights and hard times.
Plus as we both know and have told each other
the words of anger were that and had no meaning.
The words of compassion, passion, true love
and caring warmth are the ones that are real
and the ones worth remembering.
The good is what is truly inside us.

It's a quiet afternoon my sweet love
and feel all of my love strength and warmth
as I send it your way to surround and fill you up.
Know I'm beside you holding you closely,
I love you Kira you truly are wonderful and amazing.
Know that you are my thoughts as I sit here
and do this and that on a quiet day
remembering the beauty you are and looking
forward to our bright future together.
Kira I miss you and want you to know
that you have always been my true love

that I waited for because I knew I would find you.

Michael P. McParland

In The Flesh

I can't wait to see you
and finally give you sweet kisses
and hold you so close in the flesh.
Finally together with all sad
and painful longing finally over
and our hearts can begin on the road
to truly healing with each other
as through our pure love we work together
providing all of the true acceptance,
support and unconditional love we've so wanted and needed.

I can't finally wait to be with you in the flesh
where true happiness begins when we smile
looking into each others eyes
and say I love you my sweet one and have so deeply missed you
and now I am here and will be forevermore.
You are the one that I choose and want because
you are my Angel and best friend
and I can't imagine and I know in my heart and soul
that there is no better person to love and be loved by
spending eternity side by side anywhere. that there is now
or will ever be as the universe expands.

I love you so very very much my only one,
you are my soul mate whom I adore and will
walk with hand in hand through all time.
You are my diamond and my Queen
who's beauty shines so brilliantly above all
and I can't wait to see that smile
of pure loving light again
with you beautiful face and shining eyes,
to see you again in the flesh
as the work of art that you are.
I can't wait to hold you so close
and tell you that I so adore you
and will never leave you because you
are my Queen and my beautiful precious Angel
because I could never live with myself
having hurt you and there is no such thing

as life without you.

Michael P. McParland

Sweet Good Morning Kisses To My True Love

Sweet sweet good morning kisses to you
my one and only true love as I rise
from a rather restless night of sleep.
Just one of those nights where the body
refuses to fully settle down.
I wake up with brightness though
in my heart mind and soul
as I am thinking of you and have Falco playing in my head
and all things with you are so truly beautiful
as is his music and together they make a good morning for me.
I send you sweet kisses and great big hugs of loving warmth,
I wish you were here to give them directly my dear.

I can't wait and long for the days when
I will wake next to you smiling and say I love you dear.
You are the greatest blessing I've
ever received from God in the heavens.
You have completed me because were the piece that was missing.
I smile and feel warmth as I think of it
but there is also heaviness because of the waiting,
but I feel your love strongly and know
that our time is soon coming and because of
and for you my heart will keep beating
and through it all I will keep on fighting
because I just so want to be with my darling Angel.

So as this day now begins to go I want
to tell you I love you with all of my
heart, mind, body, and soul and will be
standing beside you for all time.
Feel me beside you as you go through this day
as I will be with you step by step hand in hand,
i will never leave or abandon you I so swear.
Have a good day and may God richly bless you
and remember that your Michael is here always
and so deeply cares for, adores and loves you
to no end in every way that there is.

Goodnight My One And Only True Love

Goodnight sweet Kira my one and only true love,
it's not just been a long day past but
the last few have been long in their own ways
and I know we're both very tired and longing
to slip under the covers together and spend the night snuggling.
Let's just wrap up together so close
and so tight saying I love you my darling
and then share the sweetest kisses of loving light.
We'll just snuggle for a short while
sharing loving words so soft and quiet
as we kiss as well before closing our eyes
to sleep in deep peaceful comfort.

Curl up in my arms and please cozy up ever so comfy
and I'll hold you as tight as you need and want
to help you feel so secure and just know that I'm there.
I'll always give you reassurance sweet dear,
I'll be holding you through the night
rubbing your back and stroking your hair.
I will be giving you all of my love
and warmth in full to you right from here.
I love you sweet lady you are my true Queen,
you are the one that I want forevermore.

I'll see you tonight in the land of dreams
where I'll meet you at the entrance to hug you
and tell you I love you and miss you
and then give you my arm to escort you
as we walk for awhile among natures beauty
and then after awhile come to a little place
that is ours and no one else is allowed,
a place for us to sit and snuggle and just
spend time doing stuff together,
the moon and stars are our protectors
and will make sure nothing disturbs us.
A wonderful place my sweet lady
a modern day Eden with nothing
to harm us and there is no forbidden fruit to outcast us.
It's a divine place for two people who have

fought through so much in so many ways
always remaining faithful in our true love.
Tonight my sweet one and soon our day will come.

Goodnight sweet beautiful Kira my one
and only true love through all time
and now let's go to bed and snuggle
sharing our warmth and feeling pure peace.
Come curl up in my arms and let me
give you the sweetest kiss you've ever had
because I love you more than anything
and it grows everyday.
You truly are such a wonderful lady
and I will always work hard to be
worthy of my sweet Queen and Angel.
Kira I truly am yours forever and ever
and nothing can change that I promise.
So again a goodnight to you beautiful one
my heart will be singing love songs to you the entire night long.

Michael P. McParland

Night Note 138

Hello there sweet dear and
I am so very sorry if I worried you.
I didn't forget our goodnight
nor is there anything wrong
you need worry about.
The last piece I wrote was just
draining by releasing all my
thoughts and emotions of how much you mean
that I was doing something else
to build my energy back up
and lost all track of time.
i truly am so very sorry sweet one
and send you these kisses and hugs
of love warmth and apologies to you.
I love you so much my beautiful one.

I am quite tired my dear but still
not quite ready to lay down my head.
I am in much need of food and am
going to watch a small bit of TV while I eat.
I promise my dear I will not
go to sleep without letting you know
I am drifting off to dreamland.
Feel comfort and peace in your soul and heart
knowing that I will be here for you forever
no matter what.
You are the Angel I adore above all.

So please now my dear sit back
and relax knowing all is alright.
I am still right here for you
and right there by your side.
I love you so deeply my sweet Angel dove.
Now I best go get the food I am needing
because I can fast feel sleep approaching.
God bless you sweet lady
and feel me right there holding you tightly.
Kira you are amazing and truly
the most wonderful and beautiful woman.

Michael P. McParland

Remember

Remember sweet Kira that you are so deeply loved,
you are so cared for and treasured
and you are not alone now nor will you ever be again.
Remember that you are a gift and a blessing
and one of Gods most beautiful and special Angels.
You hold such love and hopeful light
that I know through your many selfless actions in life
you've saved not just me but more than a few others as well
and I guarantee that even though they maybe poor
at showing their loving gratitude
they are so thankful I feel it inside.
You are so very beautiful and these are some things
God wants you to know and so do I.

Remember I'm here and you I will never abandon,
I will stand by your side hand in hand
giving all of my endless support and love.
Never forget that if you want or need me
at any time I am right here to help you,
talk to, or do whatever it is you want and need me too
and it doesn't matter what time that you call.
Always remember your Michael is here.

Remember you are my hero and I want to
be yours as well my best friend,
you don't have super powers and that's what makes
you so very stupendous and wonderful.
It's the way that you've fought through so much
with your iron will mixed with steel and determination.
You've told me you're not tough but I've seen
the great power you're made of and that's just one part
of why my heart, soul, and me as a whole are in awe of you.
This isn't worship but my releasing my depths
of care and feeling with my thoughts added in
as I tell you to remember that you are so special.

Others have mistreated you and taken your love
while giving so little and as you described it once
mostly those bits of love you get in the night

which with so very many is a selfish act.
Remember I love you and hold so very much love
I want to share with and give you.
I have never been loved myself in such a way
as I've spent my life alone so I know your pain.
I also know that you love me just as I love you dear
and I would never have it from any other woman, man,
or something if I had a choice.
I only want you remember that dear
because you are my Angel and beautiful sacred Queen.

Kira I know you've seen and been through some
harrowing struggles both internally and externally as well,
and while I know next to no details
I have my intuition so strong and I know
how you feel and some of what you've faced more than you know.
Remember my dear I'm here to help and listen,
I will never judge you or cast you down
in anyway as a beautiful woman and person.
You will always be my pure Queen so completely
wonderful and gorgeous.
I'm here to help you and listen.
Remember your Michael just wants to be with you
giving you the best of my everything.
I want to help you heal all of the wounds and scars
that you have taken.

Remember sweet Kira that I am so deeply and truly sorry
for any and all harms I have ever caused you.
From harsh words and actions to you in fights we have had
to lashing out at others that you care for and love.
To know I have so badly hurt you and made you cry
has made me wish I could just die as it makes me feel
so very sick, sorrowful, and to the depths of despair inside.
Remember and know my sweet one I beat myself up
and hate myself in those deeds because you truly are
my only love and everything.

So as I close this dear remember these things
that you are a diamond, a jewel, a rare and precious gem
among the often ugly and cruel rough of this world.
My words are heart and soul felt

and things I want to tell you as you need to hear.
I adore you my darling and I always will
and please remember I want to be your faithful,
dedicated and ever loving husband for eternity.

Michael P. McParland

Longing So Much 2

As I sit here in the quiet tonight
I feel your love and all of your warmth,
I feel your arms around me and the sweet kisses you give,
I feel the comfort and peace you are
sending me with all the love in your soul and being,
but still I long so very hard to have you
right here beside me in my arms.
To see your sweet smile and hear your heavenly voice,
I just long to spend time doing even nothing at all.
I just long for my lady the one I so love
because I am incomplete without her.

Kira I love you so much and am longing for you,
I need your touch and embrace to feel
true peace in my mind body and soul.
I know you are hurting and I want to help you
find an end to every pain that you've ever had.
I long to be with and know life is so good,
I want to be with my Angel that is so very good.
I miss you my darling and my heart is yearning
for the days of our time to be so soon in coming.
I dream of you always and of all the happiness
that we will forever be sharing.
Kira my darling you are amazing.

I'm longing to be able to show you my heart,
to be able to truly show you my trust.
I want to be sharing everything that we have
and I want to just be holding you and your hand.
Feel me there with you as I send you my kisses
and feel all of my warmth as I lovingly hold you.
I miss you sweet lady and am so longing
because I truly love you.
God bless you my darling you are a blessing.

Michael P. McParland

Evening Note 85

Hello my sweet darling
and a most wonderful good evening to you,
I hope your day went quite well
and I pray your evening is now.
I'm feeling frustrated as I sit here
right now because I have an idea
for a beautiful write
but just can't get the right start
with the words so I can't get my flow.
I know that you know how frustrating that is.
I know what I want within its inner works,
the message and essentially most of the words.
I just can't get that right start
that feels right and good.
I know though my dear that
it will all piece out in my mind
and eventually come so I can't
let frustration sit or inspiration
stays clear.

So now as I sit here eating dinner
and writing you my sweet dear
still through this day into evening
I think of and long for beautiful you.
I just wanted to say you are my Angel,
my hero, my best friend and true love
and I will be ever writing for you.
I am still working so hard and giving my best
and for you my sweet dear I always will
and for us both.
Right now I wish I could be
holding you ever so close
to let you know all is alright.
Your Michael is with you
and here for you all of the time.
You are my best friend I so adore.
Kira you are my everything
and I will forever walk by you hand in hand.

So I should now finish my dinner
before it goes ice cold my lady
and know in your heart and soul
that I will write soon
and I pray it's the piece I so want to give you,
I know though that my mind
will work that through before bed time.
I am sending you endless kisses
to give you a smile and help you
feel peace in your heart
knowing you're in the arms of your Michael.
God bless you my Angel I so deeply
love you and can't wait to be with you.
Feel all of my love and warmth with my strength
as I now and always send it to you.

Michael P. McParland

Early Evening (You In My Arms)

As I now wake up from my much needed
late afternoon rest I send to you my sweet one
these most loving and caring kisses,
and right along with them great big hugs of pure warmth,
I love you sweet lady you're my only one.
You're my sweet Angel dove and I wish
I could be holding you now so close in my arms
in this early evening that greets us now.

I just want to sit up and hold before dinner
comes round and distraction is here.
I just want to share our deep warmth
so filled with love that others can see
there's something so special about us.
I miss you my lady and as I awake am dragging,
I just want to be with you as we start the evening.
Just gazing in your gorgeous eyes as I say I love you
and then pull you in for a kiss so sweetly pleasing.
An early evening holding my lady is the
right way to get a great evening and night going.

So as I have awaken and before I get up
and totally going feel my arms around you
with sweet kisses to warm you,
feel all of my love and caring fill
and surround you knowing I'm always with you.
As I am going about doing the little things that I must
feel and hear my hearts call saying you are the best.
My thoughts all the while will be with you
and though physically I will be working
in my mind, spirit, and dreams I'll be in bed
holding you on this early evening.

Michael P. McParland

Come Snuggle My Sweet Darling Kira

Come snuggle with me my sweet darling Kira
so very beautiful whom I love and miss.
I need a small rest and want to hold you close,
I want to give you sweet kisses and tell you
that you are so very special.
I want to rest in the arms of my beloved woman.

Come snuggle my sweet darling Kira I am feeling so tired,
I just want you to curl up in my arms
and rest your head on my chest as I pull you in
and just lay together listening to my audio book
while I rub your back and stroke your hair.
I love you sweet one and want you to come rest with me
and snuggle away as we drift to sleep.

Michael P. McParland

A Day To Snuggle 2

This is the perfect day for us to sit and snuggle.
I can feel that you're sad as am I
because we so badly and deeply are missing each other.
We need a day and many more to just sit
and snuggle while talking, kissing,
crying the tears to wash away our sad loneliness,
a day just to snuggle and enjoy the presence
and touch of each other to heal our hurt hearts
completely together.

This is a day to just snuggle my Angel
so feel my arms wrap around you as I reach out to hold.
Feel my sweet kisses and my warmth
as it fully surrounds and fills you.
I will also be holding your hand while I say
I so completely and fully love you my precious diamond.
You are the most wonderful amazing and beautiful woman
and I just want to hold you forever and ever.

Kira you are so loved and I want to
give you such reassurance in every way possible
and today is a day to just sit and snuggle
while I stroke your hair and just listen,
talk, or sit in pure silence to give you that
which you so need and want.
We need a day to just hold each other
and forget the whole world as we make up for lost time.
I love you sweet lady you're my hero and best friend.

Kira I am always there with you so let's snuggle in spirit,
give each other the comfort that's so very needed.
I miss you, want you, and need you because I so love you.
I want to give you everything that is possible,
my heart is yours as is my soul and if you
didn't know my whole life is as well.
So Kira my darling let's spend this day in spirit
so tightly and lovingly snuggling with each other
and just know in our hearts that soon
we will be snuggling in person.

Michael P. McParland

Sitting Here Thinking Of You

Just sitting here today dear
and feeling quite bored and sad.
I'm bored as there's not much that sounds good to do,
and I'm feeling quite sad missing you
and all the good times we had and things we shared.
I'm sitting here though and I still
smile at random times because of cute,
beautiful, funny, intelligent things that you said.
I still smile because I feel you here.

I've been reading a short story off and on
that I'm not really liking but because it is
quite short and I'm over half done
I'll push right on through it.
I won't even write a review for it because it's just lame
and it makes me think of how I would like
to be reading your writings instead.
I'm just sitting here missing my Kira
so very beautiful and very good and I wish
you were here snuggling and spending time.
I miss you sweet one you are the best
and no matter what we were doing we were having fun.

I'm sitting here missing you so very bad
but feeling you near still makes my heart glad.
I am sending you kisses so sweet and so loving
with great big hugs so big and warming
to give you all the loving care I am holding.
I love you sweet Kira you are amazing
and I can't wait to be spending afternoons
doing things that we've so wanted to.
I miss you sweet Kira and so deeply love you.

I'm just sitting here darling
and thinking of you and your smile,
I'm thinking of all the things that make you special.
I love you Kira and am holding you ever so tightly,
God bless you my lady and feel me there with you,
be filled with my love which is unconditional and undying,

be filled with deep peace and warmth knowing
that my heart is yours forever and ever.
I love you sweet Kira and I am thinking of you
and excited for when I will see you
because you are my best friend and my sweet Angel
who gives me great joy to no end.

Michael P. McParland

You're All I've Ever Wanted

From the moment I met you and we very first talked
my heart and soul knew you were the one,
I felt between us a click and a spark.
I knew there was something so special inside me
about this girl I'd just met.
I felt comfortable around you right from the start
unlike others which I never do.
There was a connection as I felt your sweet soul
and it filled me with light.

Very quickly I fell in love
so very deeply and since then it's been you that I've wanted.
It's you that I've longed to be with talking
and laughing as I held you so closely.
Sharing with you my whole life as I gave you my heart
and wanting to learn and know everything
about the woman I knew I'd always love.
I've always wanted to be with you holding hands
side by side everyday.
Kira it's you I've always wanted to give myself too
because you are the most beautiful woman I've ever known.

You're all I've ever wanted because I can feel your true love,
you are a wonderful woman with a heart of gold.
When I see you smile my heart melts with true love,
Kira you are my blessed Angel from above.
You're all that I've ever wanted and will ever need,
I'll always stick by you because you are my best friend.

Everyday constantly I can feel you so near me
and I know that you love me just as deep and just as strongly,
no matter the obstacles, the distance, or the long time
that we were out of contact our love remained true
and I only ever wanted you.
I knew in my heart and I knew in my soul
that our time would come because I could feel it so.
I gave you my heart and soul to have for all time long ago
and I know even now you take the best care of them.
I know that you treasure them and me

just as I treasure your heart and soul and you in full.
You're all I've ever wanted my sweet Angel dove.

You're a diamond in the rough and a gorgeous gem
so very rare and so pure and I'll stand by you forever
I swear my sweet dear I'll never leave you.
Our love is sacred and our bond is so pure,
Kira I love you and want to hold you.
You are my Angel and the one I adore and I know it is you
I want and am meant for because you're my soul mate and hero.
Kira you are a blessing and the greatest gift that there is
and I would never want the love and companionship of anyone else.
You are amazing and one of Gods true works of art.
You're all I've ever wanted because we love each other
and you are the best.

Michael P. McParland

Early Morning Snuggles And Kisses

Good morning my sweet Angel dove
and as I have now woken and right now
just lay here in bed I wish you were beside me
to snuggle with and share sweet kisses for a bit.
Not go back to sleep but lay here and talk,
I want to share early morning snuggles with my only one.

Early morning snuggles holding each other
so very tightly as we gaze into
each others eyes so brightly shining,
wearing big smiles and filled
with the warmth of true love around us.
Sweet early morning kisses with snuggles
with my sweet Angel Kira.

As I lay here this morning feel me
wrap my arms so tight and lovingly around you
as I pull you in saying Kira I love you,
I can't wait to be with you forever and ever,
I'll never leave you and will snuggle with
and give you sweet kisses always.
How I long for and desire to be right here beside you
sharing early morning kisses and snuggles
of true love between two dedicated people so caring.

Kira as I lay here in bed on this very morning
I'm not going back to sleep at all but just
dreaming and longing for sweet snuggles and kisses
with my Queen and dear Angel Kira on this very morning.
To just sit and talk about anything and everything
and so I can tell you you're beautiful.
Just hold you so close while our hearts and souls
continually speak and sing to each other.
A gorgeous morning with my gorgeous lady
spending time with each other.

Feel my sweet love filled with all of my love and warmth
as I send it to you and give it in full.
Feel my arms around you and my hand within yours

and dream of the future mornings with me
of such sweet kisses and snuggles of the purest love.
Days that will come and will be heaven on earth
like you so truly divine.
I can feel all of your love and your sweet kisses and hugs,
I love you Kira with all that I am.

Michael P. McParland

Come Snuggle So Tight Love Of My Life

I am so very tired my Angel so bright
and it is time for bed my beautiful one.
Come and let's slide under the covers
and for a short while snuggle and share the sweetest kisses.
Then curl up so close in my loving arms
and rest your sweet head on my chest
as I pull you in ever so tight saying
Kira I love you so much and I'm thankful you're mine.
I'm ever so thankful for all your sweet love
and all that give me and all that you do.
You are my everything I hope you know.

Come my sweet Kira and curl up in my arms
and let's drift off to sleep holding onto each other
never again to let go in any way that there is.
I love you so deeply and ever so truly
that I want to be with you for all eternity.
I love you sweet Kira and say goodnight my sweet darling,
now let's snuggle away to sleep my true love of all time.

Michael P. McParland

I Want To Be Holding You

I want to be holding you my sweet one,
I want to be holding you tightly
and so close to me right now.
Rather right here where I live as I sit on the couch
or it be where you live us sitting back on your couch
I just want to be holding you and telling you
I love you right now.

I want to be holding you and stroking your hair,
I want to be holding you while I kiss you so deep.
I want to be holding because I love you my dear,
and I want to be holding you because you're my everything.

As I begin to feel tired and will soon go to bed
I want to be holding you while talking and rubbing your back.
I want to hold you because you're my Angel.
I want to hold you because you're so beautiful,
Kira my darling you are a treasure.

Kira you are a diamond and one I so cherish,
one so very rare out in the rough that is the world around us.
I want to hold you so you know you are special
and I want to hold just because I so love you.
Kira you are a trued blessing and I thank God
so very much for you,
you are a gift that is so wonderful.
I so deeply adore you because you are a truly
amazing and beautiful loving woman
and I want to hold you because I do truly love you.

whom I want to be with and serve everyday.
Serve you in love as I give my best,
I want to make you the happiest person
in heaven, on earth, or in the entire universe.
You are so wonder and so very magical
you are my beautiful girl and may God always bless you.

You are my beautiful girl and will be through all time,
you are everything that this man ever needs and wants.
I long and yearn for your company and to have you
touch hug and kiss me,
that would be the greatest honor I can imagine my sweetie.
You are my beautiful girl and I'll stand with you forever
because you are the greatest Queen and Angel
and I will eternally love you.

Michael P. McParland

Night Note 137

Hello my sweet love and I can
feel you so near as I sit here.
It helps keep me calm and soothes
my sad heart as you give me the biggest,
warmest and contented smile.
I so wish you were here as in
just a few minutes now I am going to get up
and go shave my head before getting
in a calming and refreshing shower so good.
These clippers are getting old
and I need new ones bad.
I wish you were here to help me
with them so it wouldn't rip out parts
of the hair that is there.
I do great on my own with a great
set of clippers my love but these
ones I could use help with because
they are leaving spots behind as well.
And then I wish you could just join me
under the wonderful water so very warm
as we just held each other kissing,
talking, and smiling so big.
Kira I just want to hold you so close to me.

Feel me so close to you
as I send my loving warmth total and in full,
feel these sweet kisses of true love
with great big hugs of warmth I send in full.
I love you so much my only one
and I wish you were here to join me for
a gorgeous night after the shower.
Cozying up as you curled up in my arms
and we shared sweet kisses so full of love.
Kira you are the greatest there is.
So before I went about my little duties
I wanted to say I so deeply love you
and will write you so shortly
after I have sat back and gotten comfy.

Michael P. McParland

A Beautiful Night With My Beautiful Babe

Having risen now dear after a small rest
I so wish you were here to sit back with me
and enjoy a few good hours of this night.
My heart is heavy and feeling sad without
you here to hold and to touch.
I wish you were here babe for a beautiful night.

Time to sit back and put something in my grumbling stomach
and watch some TV before in a little
over an hour jumping in a soothing, wanted, and relaxing shower.
A chance to just sit back right now
giving sweet kisses while I so tightly hold you.
A beautiful night with my beautiful Kira.
I so long for you sweet lady and am sending all of
my endless, undying, and unconditional love to you.
I love you sweet lady and wish you could join me.

So feel me beside you as I take you hand lightly
and pull you so very close into me,
remember always that I am there with you
watching over and smiling at my only lady.
I love you so deeply and when you are here
I'm going to hold you forever.
I wish you were here for a beautiful night dear
because you are my Angel.

Michael P. McParland

Night Time Snuggle With My Angel

Come my sweet Angel and share a warm
night time snuggle and rest for an hour or two.
A snuggle of the sweetest kisses and passion,
a snuggle of warmth to recharge for awhile.
I so want a night time snuggle with my sweet Kira,
she's the most beautiful woman that's ever existed.

Come my sweet Angel and curl up with my arms beside me
and I'll pull you in for the most loving cuddle.
I just want you here to kiss and talk to,
to rest here for a few hours.
Come snuggle and together keep so warm and comfy.
I love you my Angel please come and snuggle.

Michael P. McParland

An Wonderful Evening With My Sweet Lady 2

Now that dinner is done my sweet one
and the food has been able to settle
together we could clean up making it
both quick and fun so we could curl up
together on the couch in a blanket
and I know how cold you can get
so you in my robe as well
and we could go about our evening snuggling away
I so want a wonderful evening with you
my sweet beautiful lady so good.

I sent you all of my love and warmth as I ate
but started to feel this heaviness in my heart,
one of such longing to have you here in my arms.
A yearning to look in your eyes between
the sweetest most passionate kisses and say I love you dear.
I so badly want to hold you and my moods sometimes
shoot around even more than usual.
Fear not because it's not in anger hardly ever
and when it is it's not at you but the people
and things that have gotten in the way and hurt us.
Mostly though it is the joy of knowing you love me
but also knowing that our time is coming.
The sadness is missing you so very badly
and that like right now on this evening I wish
I could have served you that dinner and now
be snuggling warming up each other.

As we sat there snuggling at first I'd just want to talk,
gazing into those sparkling eyes and getting lost.
I just want to hear your voice and your interesting thoughts,
talking to my lady is one of my favorite things.
Then after a while do some light reading
passing the book back and forth taking turns reading,
I want to share books of knowledge, adventure,
and all sorts of stories with my gorgeous lady.
Then to begin winding down the whole night
a sweet movie you've picked watching it
while holding each other so tight.

A wonderful evening with my lady so sweet,
nothing could be better I know it.

So my sweet Kira grab onto this dream and let's share it,
smiling along as we feel each other in spirit.
I'll always be with you both right now and when you get here
because you are the Angel I hold so dear.
I love you sweet Kira you are my dreams
and my hopes so filled with great light,
I'll never give up on or leave you.
Kira I will be with you on this very evening while
dreaming of the most beautiful one spent together.
I know it will happen because we so love each other,
Kira I can't wait for us to have heaven together.

Michael P. McParland

An Wonderful Evening With My Sweet Lady

A very good late afternoon/early evening my dear.
I returned home from the store a small bit ago
but needed to get going on the last few things
for the wonderful dinner here I wish I could share with you.
I miss you so much and wish you were here to
share this wonderful pork roast as I served you
and afterwards we snuggled so warm and close.

As I'm getting close to finishing it now I would
just have you sit down so I could bring
it all to you at the table where we would sit
side by side and at time hold hands.
I miss you so much and when we reunite
we will have such a feast to celebrate our true love
and tonight as I eat this good meal
I will be thinking of you and sending my love and warmth.
I'm sending sweet kisses as well with great big hugs too.

I would love to gaze in your eyes as we partook
in this delicious bounty.
I would tell you I love you sweet Kira,
I'm so happy to be serving my Queen so very beautiful
and I can't wait to snuggle you my gorgeous Angel.
I would be so happy and can't wait for that time together,
I so deeply miss you and love you my gorgeous Kira.
Our time is coming I so truly know it.

As for the rest of the evening while we'll
worry about that after dinner
but for now just let us dine on this dream
that we both wish was now but we know is coming.
I know it sweet Kira as we both have faith and believe it.
Feel me there with you giving sweet kisses so deep
and big hugs so very warmful,
I will never ever leave you I promise.
I love you sweet lady and am holding your hand
and you ever so closely.
Kira you are so beautiful and truly my everything
and only Angel.

Kira you are the Angel I hold so dear in my life,

Sweet kisses to my sweet Kira the best that there is,

How I wish you were here to sit back with
on this extremely frigid Minnesota winter morn
and just bundle up on the couch in my big fuzzy orange blanket
and snuggle the cold away my sweet one.
Together warm up my ankle which the arthritis
has in tons of bad pain.
We'd heal it all with sweet morning kisses
that drive away all aches and frowns.
Sweet good morning kisses to my Kira of whom I'm so proud.

Sweet sweet good morning kisses to you my sweet one
and feel all of my warmth and love as I both send it

Michael P. McParland

Holding You Here

As I stay up just a bit longer my Angel
I so wish you were right here next to me
and I was so closely holding you.
Snuggling away while you sat here and rested
and I just read and watched some of a movie.
I love you sweet Kira and will soon be holding you.
I just wish I were holding you here
right now as I start to tire a bit.
I wish I could be holding you here
because I love and adore my Angel Kira to no end.

Michael P. McParland

Kira You Are My Everything

You are all of my greatest,
sweetest hopes and dreams.
You are all the sweetest kisses

You are all the biggest warmest hugs of strength.
Kira you are my everything because you're great.

in my adoring and loving eyes.

Michael P. McParland

Night Note 136

Sweet sweet kisses to you
Kira my sweet Angel dove
and as I rise from my rest I wanted
to tell you I love you
and miss you so very much.
That as I get up and get going
on this very night for a bit
I wish you were here with me
to snuggle and nuzzle
while snacking and finishing
the film that we started before.
I love you sweet Kira
my dear darling Angel.

Kira I miss you so very much
and just want to wrap you up
in my robe and on payday we would
get you one of your own at Target
just like mine so we could have
matching comfy robes of different colors.
I want to just wrap you up though
and sit back for awhile to watch our film
before I get up and prepare our food.
I just want to snuggle with you
my wonderful woman so very good.
Kira you are my Queen
and I would do anything to have you here
holding you right next to me.

So my sweet darling in spirit come
join me as i read for a very short bit
then resume the movie we started last night.
Feel all of my love and warmth
with great big kisses and hugs to fill
you up with my caring strength.
Feel me beside you holding you close
and always remember I'll never leave you,
Your Michael loves you more than
anything in the universe anywhere.

You are my true love and Angel
so divinely beautiful.
I wish you were right here with me
holding each other as we snacked,
enjoyed the film, and enjoyed the night
with each other arm in arm.
I love you sweet Kira and wish you were here
but as I sit back I'll be
smiling while thinking of you
and sending all those smiles to you.
God bless you my darling I know our time is coming,
and I can't wait to have Kira
with me as we both go about doing
everything that we want and we need to.

Michael P. McParland

Come Snuggle Sweet Kira 2

Come snuggle with me my sweet Kira
and come climb underneath the warm covers.
I need a nap and pray that like last night
will only be a couple of hours maybe a bit more.
Come snuggle sweet one and curl up in my arms
sharing sweet kisses so deep, so loving, and so very good.
Come snuggle sweet Kira my sweet Angel dove.

I'm sorry I've been so very tired and I wish
I knew why I were so I could help both of us understand it.
I just know that my body and mind feel so very worn
and missing my sweet Queen and Angel stresses me deeper.
I love you my lady my sweet precious everything,
come snuggle sweet Kira and snuggle so warmly with your loving Michael.

Michael P. McParland

Michael P. McParland

Love Note 389

Good afternoon my sweet Angel dove
and I am so very sorry I slept
so very very long.
Nobody ever woke me because the cat
doesn't go to the vets until
5: 20 this afternoon and I didn't
think by any means I would sleep this long.
Smile for me though my sweet Angel Queen
because I send you great big sweet kisses of love
and great big hugs of complete and pure warmth.
And I had the most beautiful dream of us my sweet one.
The part I remember most clear of all
was us sitting side by side while
you played with a bright and beautiful butterfly,
and then as you released we both
looked at each other and smiled
snuggling and nuzzling the entire while.
I know there was more and it was so wonderful
but as dreams tend to do
they get fuzzy and are not describable.
I know you are smiling and I can feel it
with all of you caring love and deep warming,
you are the greatest my sweet precious Angel.

So again I'm sorry my dear I slept
so very long and I know you remembered
I am with you always holding you and your hand.
I am always sending you all of my
endless, infinite warmth and love.
Kira you are my Angel and northern star
and I can't wait until I am holding you here
so close to me forever sweet dear.
So as I get up now to eat a little bit
of food and check on the cat a bit more
I want to tell you I love you sweet one
and will definitely write you
before I must go off to the vet.
I love you sweet Kira so very much
and never forget you are all of

my greatest dreams and hopes.
You are my everything and my only one,
grab on to the faith with me dear
I know our time will come.

Michael P. McParland

Sweet Snuggles With Kira

Come slide into bed next to me dear,
after a night with a refreshing shower
and some filling Chinese food after
I am most tired.
Come snuggle with me my beautiful Kira
and share the sweetest kisses as we go to sleep now.

I just bought a new audio book
and am excited to hear the stories on it.
Come curl up in my arms and rest your head on my chest
as I pull you in close to stroke your hair and rub your back.
Snuggle with me my darling dear and share some sweet kisses
as we start to drift off to sleep.
I love you Kira you are my everything,
come my sweet Angel and snuggle staying so warm with me.

Michael P. McParland

A Very Late Night Snuggle

Now out of a very warm and refreshing shower
wrap up in my cozy robe my sweet love
and go sit on the couch and get comfy
while I go put our Chinese food in the oven for us.
Sure just a simple little prepare
of 20 minutes my dear but it good sweet and sour chicken
to snuggle and dine over sweet one.
Let's sit back on the couch and start a wonderful movie now.

I have NetFlix and Amazon Prime so there is much
for you to choose from my darling so divine.
I will be thrilled with your choices
because I'm thrilled with you my sweet Queen
so truly beautiful and gorgeous.
Just curl up in my arms and watch until
our food is ready and done then I'll get up
and take it out of the oven for us to enjoy.

So after the food is ready I can't wait to cozy up with you
enjoying our chicken and the movie you've picked out too.
A good time with Kira is everything I've ever wanted.
Feel all of these kisses with hugs of love and warmth I am sending,
feel all of my loving care fill you up and surround you too.
Feel me beside you holding your hand.
I know it will happen let's just keep praying to God,
ask for his help that it will come soon.
I love you sweet Kira and so deeply love you,
in spirit share with me this late night cozy snuggle.

Michael P. McParland

Night Note 135

Hello my sweet love and as I rise
from a good bit of sleep more
I wanted to say I love you dear.
I love you so very very much
and as I still feel so very sad missing you
I wish you were here to snuggle with
and to hold as I am up for a bit.
My first order of business is a cleansing shower
and I wish you were here to just
kiss and hold as we stood under the water.
Because of course in the winter
even in a shower so warm
it gets cold outside of where the water hits
and we would keep each other warm.
Just share some kisses as we stood there
and smiled at each other.
I wish you were here to snuggle with
my sweet precious lady.

Then after our refreshing shower
I would let you use my robe
to stay so warm and toasty.
I would cook us some good food
while we watched a movie,
even if we didn't finish it
it would be fun to snuggle under
my big fuzzy orange blanket and get it started.
But let's think of all that
when I have stepped out of the shower.

I love you sweet Kira and so
just want to hold you and talk to you.
We can both let the tears go
that we have needed to.
I love you sweet darling
you are my everything
and I will write you my Angel
after I have taken this shower
I so wish we could be

sharing and holding each other together.

Michael P. McParland

Love Note 388

I love you sweet one
so very much and send
sweet kisses and hugs your way.
Come curl up in my arms
and be filled and surrounded
in all of my love.
You are my Angel and you are my Queen.
Kira you are my best friend
and mean the universe to me.

Michael P. McParland

Please Come Snuggle With Me

Please come snuggle with me my sweet Angel dove.
Don't be mad at me like I'm afraid you are.
I'm so very sad without you love and want to lay
with you here holding you so close to me.
I love you so very much and to think you're upset
makes me want to bury my face and cry.
I love you dear and want to snuggle here.
Please come slide under the covers with me
and listen to an audio book you choose.
I love you so much and am in pain,
please come snuggle close with me.

Kira you are my only one and everything
and I ask you to please understand
how much I'm hurting and want to lay down.
I love you babe I truly do
and hope you will come here to snuggle close to me.

Michael P. McParland

Spending Time With You Snuggling

Oh my dear how I just want
to spend time with you laying here tonight.
I want to spend time snuggling
while we listen to an audio book.
I want to spend time with you
as you curl up in my arms to keep warm
on an extremely frigid winter night
as I closely pull you in to rub your back
and stroke your hair as we're bundled up
underneath the covers to totally escape the cold together.

Kira I just want to spend time with you
laying here talking, kissing, snuggling,
escaping the entire world which I want to do right now.
I just want to be in your arms snuggling
and looking in your gorgeous eyes as we
listen to an interesting audio book that you have chose.
I need you dear and miss you very bad
because you're all I need and all I want
my sweet Angel dove.

Come spend time with me and snuggle my only one,
I am so very tired and I am extremely sad
without my beautiful precious Queen.
I love you Kira you are my sweetest girl
and I just want to hold you near.
Please come snuggle with me and curl up in my arms
to share kisses from our soul.
I love you babe and I always will and I want to
spend time with the holder of my heart and soul forevermore.

Michael P. McParland

Love Note 387

A very good late afternoon
to you my beautiful sweet Angel dove.
I ask you to please not be
upset with me on this day.
I only just rose 45 minutes ago
and I am so deeply sad missing you.
I was even far more tired
than I realized my love as I
quickly fell asleep last night
and just slept and slept
feeling so extremely tired and also
so very sad missing you my sweet Kira
and only true love.
I'm missing you so bad
that my heart throbs so bad.
That's why even waking up 45 minutes ago
I needed to take time to clear
my sad head and heart as much as I could.
I felt despair as I awoke
knowing you're not here to hug
and I don't know when I will be able
to pull you in for a snuggle with kisses so sweet.
I ask God why this keeps happening to us
and please make it soon,
be merciful to two people so faithful and in love.
Kira I miss and so sometimes I sleep
to cope with the pain that's inside me.
Yesterday and today exhaustion
finally got me and I slept long.
Kira I miss you, I love you,
I want you, and I need you.
You are my universe and everything.

Kira I love you so deeply
and now that I'm moving
I need to get up and take care of a few things.
My one cats hurt his foot
and soon I must shave
my fuzzy face.

I will write you I promise
because I so love you.
My heart longs and aches
for my sweet gorgeous Kira.
I love you so much and again
please don't be angry,
I always strive to give you my best
because you are my Kira
my great beloved Angel.

Michael P. McParland

Come Snuggle Tight Sweet Angel Of Mine

Come wrap up with me under the covers
my sweet beautiful woman and I will pull you in
so close next to me and we will spoon
and softly talk while we drift for awhile.
Come snuggle so tight my sweet lady
and stay warm with each other on this winter night.
I love you sweet lady and want to spend it
holding you so very closely.

Michael P. McParland

A Quiet Evening

Kira I so want and need a quiet evening
sitting back in bed with thee.
To find a movie we could see while
you curl up in my arms so close to me
and I just hold you so tightly
to keep you so very warm and so very comfy.
I want so very bad a quiet evening with Kira
my sweet Queen and gorgeous Angel who means
everything to me here dedicated and loving Michael.

Then after the movie share some sweet kisses
for about 5 to 10 minutes and then
I want to snuggle up so tight and spoon
with my sweet lady of light.
I want to hold you while we sit
smiling, spooning, and talking.
A quiet and beautiful evening of delight
with my Angel Kira holder of my soul and heart.

I just want to spend a quiet evening
letting you know I care and that I'm here.
I truly always try my best to give you
all that you need and I am so very sorry
if I am falling short at times dear.
I wish you were here for a quiet night
where you could curl up in my arms
while watch a film and then share kisses
before talking and spooning feeling close and content
as we just spend time with each other.
I love you sweet Kira and am dying for
a quiet evening because I just want to hold you
and give you reassurance while we are both soothed.

Michael P. McParland

and through eternity.

and I miss you my Kira so very very much.
You truly are the only one I want
and I will stand by your side forevermore.
Hand in hand and step by step the whole
way through my sweet Angel dove and northern light.

An Evening Of Snuggles With My Angel

As I sit here and watch a film
and am finally getting my movie shelves organized
I'm thinking about you the entire time
and how I wish you were here to help
me organize my movie shelves because
it really is quite tiring when there's
over 500 there to push around while sorting through the new.
I wish you were here not so I could make you work
or something like that but t6o sit and talk
while you handed me the movies alphabetically.
I miss you dear I hurt so bad to be spending time
next to you as we do the things we like to do.

I wish you were here to sit back with me here in bed
and snuggle as we watched this film.
It's a scary one so you might not want to watch it,
it's The Visit and we could definitely find something different.
Just as long as I'm with you my sweet Angel dove
to share evening snuggles and evening kisses.
I want to just have my Kira with me.

An evening of snuggling while sorting
and watching movies with our hearts
feeling fine and so content,
right now my heart cries out for you
because you are my only one and I want you in my arms.
I want to snuggle and hide my face
within your shoulder dear as I hide
for a bit from the cold world.
I know my Kira will always care and be right there
to talk to and let it all go.
I miss you babe and long for snuggles on this evening here.

Kira you truly are so very beautiful
and I just want to be with you snuggling
and smiling as we shared kisses through the film.
A time where we can forget the rest of the world
and just enjoy each others company as we really want.
An evening with my darling dear who I

give my everything and would even give my life.
I wish that you were here spending a beautiful
evening snuggling and kissing as we did many things.
I hope that soon we will be able to have
our evenings, our days, and our nights
snuggling away the hours feeling happy and complete.

Michael P. McParland

Love Of My Life

Kira you are the absolute and true
love of my life through and through.
There were time throughout the years
when we had no contact that I felt some love again
but as soon as we started talking I knew
that for those others there was no love there.
You are the love of my life
and my Angel through and through.
I don't want anyone else ever only you my dear.

Kira you are so very beautiful and I loved you from the start,
even in high school I would lay in bed at night
longing and aching for my one.
I've always wanted you right by my side my love,
you are my only one and everything my sweet Angel dove.
You are the love of my life and I truly treasure you,
you are everything I need and want through eternities precious time.

Kira dear my only one it's only ever been you
because even when I was trying to ask out other girls
it was you that was on my mind.
I felt like it would have been a betrayal to both of us
and just like I was cheating,
you are my true love and only one Queen of all that's good.
Kira you are my sweet Angel dove and the greatest woman
that there's ever been,
feel me beside you as I put my arms around you and pull you in.

Kira you truly are the love of my life
and the one I so adore,
I promise I will stand by you through
all time and forevermore.
I love you so very deep and it has no bounds,
you are the one I truly love because you're truly great.

Late Morning Kisses

A very good late morning to you my sweet one
and I'm sorry that while we were snuggling
I fell back asleep.
It's just that when I feel your warm loving strength all around
and your arms around me with kisses and nuzzles so sweet
it gives me such deep calm and peace
and I thank you for that my only one.
Please don't be upset because you should
even take it as a compliment of just how much peace that you bring.
I love you darling you're my everything
and I thank you so much for all that you do.

A very good late morning to you and truly sweet one

Michael P. McParland

My Sleeping Beauty

Now as the day begins I approach my sleeping beauty.
Before I do anything though I stop and admire
what a truly charming beauty she really is.
Then before I lean in completely to
kiss my gorgeous girl I say I love you babe
you truly are my soul mate and only one.
You are my sleeping beauty, gorgeous Angel, and best friend.
Then with the lightest kisses I kiss her cheeks,
her forehead and her hands,
then to wake my sleeping beauty from above
I kiss her on the lips so passionately
until she opens her eyes and smiles.

Then I pull her in so close to snuggle for a little bit
and say I love you babe,
you are my sleeping beauty and I'm glad I'm waking next to you.
You are my gorgeous girl, my adored Angel and precious Queen,
you are my sweet darling Kira and that means everything to me.
You are my sleeping beauty and now let's snuggle for awhile,
we'll share some sweet kisses
and some smiles to start this day off right.
I love you babe you are the best, you are my everything,
I love you Kira my sleeping beauty
and I want to have you right next to me always and forever.

Michael P. McParland

Come Lay With Me Babe

Come lay beside me babe and share
some sweet kisses as I try to get rid
of this little headache before it turns bad.
It's annoying that it has returned
but all will be well with my beautiful
Kira lying right by my side.
I love you dear you truly are my best friend
and Angel everything.
Babe come lay with me to snuggle and kiss
as this headache passes and help make this
so relaxing and me the luckiest man
in heaven or on this planet.

Michael P. McParland

Feeling You Here With Me

Just sitting back here and listening
to a podcast right now
and I can feel your warmth all around
and filling me up in full.
I can feel your arms around my neck
and you resting your head right up there as well.
I can feel you and all your loving warmth
and it makes me smile as I feel so safe
and it's helping me relax as this headache is coming back.
I love you babe you truly are the best
and I'm sending you all these sweet kisses
as I send you all my loving warmth in return.

Michael P. McParland

Night Note 133

Hello my sweet love and I
hope you are feeling all of my warmth
and love as I send it to you in full
with the sweetest of kisses and hugs.
I still have not started a film
because I'm not sure what to watch.
I have a few of my horror films I just bought
but I have been struggling with
the horror films for awhile.
You know how they would only scare me
a tiny bit from time to time
but I'd get over it quick.
I've not told you yet because I'd not
wanted to do it in a public way
and wanted to tell you personally
but I'll tell you now.
I ran across something horror wise
at the end of last March
that terrified me so bad
I'm still getting over it in some ways.
It may sound funny to some but
it wasn't because I even had to
sleep with the light on for two weeks
so at some points I still get really scared.
Nothing that actually happened to me
personally and I could only really
explain it in personal conversation.
So I'm trying to decide out of
my many other options what
I would like and please
don't worry so much about
how any of that stuff bothers me at all,
April and into May are where it
really affected me.
I just have moments of getting scared now.

I wish you were here to hold
and not because of that but because
I want to curl up with my lady

and gaze into your eyes.
Share some sweet kisses while we softly talk
and watch a good calming movie
preferably one that would make us laugh.
I just want you to curl up in my arms
as we spend the night snuggling
through the hours and when you
got tired could rest your head
on my lap and go to sleep feeling
safe and comfortable.
I just want to be with my lady
and I am worried about you
and want to know how you are doing.
I love you my lady and just want
to spend time snuggling,
reading, watching movies, and listening
to audio books or music.
I just want to be with my beautiful Kira,
my sweet gorgeous Queen and dear Angel.
You are my best friend
and I truly would give anything
to be spending time with you darling
and please feel me beside you holding your hand
and know I will never do anything
that would harm or upset you.
You are my everything
and I strive to make you so proud and honor
you completely and in full.

Michael P. McParland

A Night Spent Holding You

Kira how I wish I could spend this night
sitting back and holding you so very close.
Find a movie on Amazon or NetFlix to watch
while you curled up in my arms
getting cozy and we just sat and kissed before it starts.
I so hunger and long for you kisses
my only one that I often dream of us just
sitting back and sharing them.
I know they'll be so passionate and very nice
I wish we could share some before the film starts.

I wish I could just sit back with you tonight
and pull you in so very close telling you
that you're the best and I'm never leaving you.
I just want to hold you near and rub your back,
I long to feel your touch and give you mine.
I crave your love as I know you have so much to give
just like I do and I want to give it all to you.
I love you so much Kira and I always will
and I want to spend this night holding you.

I so want to spend this night holding you
while we watch a film we have chosen together.
I wouldn't pick something scary or that you didn't like
because I want to see you enjoy it and happily smile.
I love you Kira and want to hold you on this night
just sharing kisses at random points,
you are my Angel and you are my hero and nothing
in heaven or on this earth can equal you my darling.
I want to sit back and hold you on this night
because I miss you Kira and that makes my heart so badly hurt.

Michael P. McParland

Sweet Kisses Of Comfort For Kira

Sweet kisses of deep comfort to you
my sweet beautiful Kira.
Sweet kisses to let you know I am here
and to fill you with peace.
I love you so much and want you to
always remember and know that I'll never leave you
and am holding you close.
You are my Angel and my only one
and I want you to feel my hand in yours
as I pull you in for a kiss and a snuggle
so full of care and loving warmth.

I needed an hour and a half of more rest
to chase of that headache splitting my head
and making my stomach so sick
and I've just arrived home from getting my food.
I wish you were here to join me in my
fattening Wendy's so good
but then again I don't know if you like them or not.
Feel all of my strength warmth and love
as I send it all to you and these many kisses of comfort
as I now plan to watch this movie with my parents.
I will write you so soon I promise dear
and remember your Michael always strives
at his best just for you.
I love you Kira and send you these sweet kisses of comfort
and feel my arms around you as I pull you in for a loving snuggle.

Michael P. McParland

Love Note 384

Good evening my sweet Angel dove
and please don't feel upset and worried
that I've been so very quiet today.
The fatigue caught up with me
completely and I have been sleeping
and now I have woken to a bad headache
splitting my head open.
I'm sorry sweet love if you have been worried
and I need a bit longer for
this Excedrin to get working.
I love you my darling and send you sweet kisses,
I could never be angry at you
my sweet Queen and Angel.
I hope you are not upset and crying
my darling and I send you these sweet kisses,
hugs, and smiles in the millions.
I will write you after my headache
is gone and I have run to Wendy's to get some food.
I will write you as soon as I get
home from bringing the food home
and remember your Michael so loves you
Kira my sweet Angel dove.

Michael P. McParland

Just Lay Here With Me

Kira will you just keep lying here with me
snuggling the hours away?
I can feel all of your warmth and love
with your arms around me as well as your
soft kisses on my cheeks, neck, and lips
with the sweetest nuzzles so purely wholesome and good.
Kira please just lay here with me some more
so I can give you my sweetie even nicer kisses than before
so very sweet, tender, passionate and gentle.
I love you so very much and just want
to wrap you up so tight within my arms
to tell you that you are so very beautiful
and that I truly love you.
Kira will you just keep lying here with me
and we'll help each other soothe our aching hearts?
I just want to be with you forevermore
and relax with you tonight as I try to
work past all this exhausted fatigue that has a hold of me.
I love you babe you are my gorgeous Angel true
and I want nothing more tonight than to be lying here with you.

Michael P. McParland

Come Snuggle And Nuzzle 2

As I just had to restart my computer
I saw your picture as it is my desktop back ground
and as always I am struck by your beauty sweet one.
I want so bad to pull you in and hold you near,
to give you sweet kisses while I say I love you dear
and you are so beautiful don't you see.
Your eyes and smile shining oh so bright,
a body that I can't even talk about my excitement right here
and a heart and soul of an Angel so very bright and pure.
Please come snuggle and nuzzle with me so I can
give you kisses straight from my heart and soul,
please come snuggle and nuzzle with your Michael
who hurts so much and is over whelmed
just wanting to hold my best friend near
and bury my face into your shoulder for just a little bit
to hide from the world around.
I love you Kira please come lay with me for awhile
snuggling, kissing, and nuzzling while we relax and talk
just like the best friends so in love just like we are.

Kira you are my gorgeous lady and I want
to lay here in bed holding you and telling you
just how great you are and how much you mean to me.
I want to gaze into those eyes and just get lost
in the universes of loving thought within your soul.
I want to just kiss you and nuzzle and in my exhaustion
I apologize because I may even shed some tears.
You are everything I want and need within this world,
I adore you to no end my precious girl.
Please come lay down my beautiful one and snuggle,
nuzzle while sharing kisses with your Michael.
I truly want and need you by my side
as I crave you and am aching so very bad.
I love you babe and just want you to lay here with me
where I can tell you that you truly are so beautiful
and that you mean the universe to me as you are my Angel and everything.

Michael P. McParland

A Quiet Evening With My Lady

As I am about to finish my dinner up sweet one
I am going to sit back and start a movie afterward
and I wish you could be here to wrap you up in my robe
and have you curl up in my arms to spend
a quiet evening holding each other feeling comforted
as we watch the film in peaceful quiet around us.
A quiet evening with Kira my lady is what I so want
to help soothe both of our aching hearts.
I am hurting quite bad and feeling so very sad
as I long for my lady Kira my Angel.
I so wish you were here to hold close to me
as we watched a movie on this quiet evening just you and me.

I want to have you close as we spend this evening
in each others arms and share some sweet kisses
throughout the movie.
A movie where we can laugh together and one
with good thought that we could discuss afterwards,
it doesn't matter what type of film you have picked
because I would be spending time with you
and we always found something to talk over.
I miss you sweet Kira and wish you were here
to spend a great evening snuggling so tightly together.

I will be sending you all of my warmth and love
along with sweet kisses and hugs straight from my soul and heart,
I am so longing for you and just want to be with you
holding you my sweet Queen and Angel ever so close.
I really am aching and crave your sweet and soft touch
and want to share with you my entire world and life,
as well as getting to know my hero and true love
Kira in every way that there is listening
intently to you Angelic voice and holding you so very close.
I love you my baby and am dying to be with you
on a serene and loving quiet evening.
I love you sweet Kira and am right there beside you
holding you ever so tightly in spirit
letting you know you're not alone and I will
stand by you through all eternity as your ever loving Michael.

Michael P. McParland

A Lazy Morning With My Sweet One

Good morning my beautiful hero and best friend,
as I get up and slowly move about this morning
I give you sweet and passionate kisses
with a great big hug of warmth to fill you with comfort.
Come join me on the couch my sweet dear
and sit back on this lazy morning at hand.
Would you mind if I lay back and rested my head on your lap
as I get myself going this morning for a bit.
I want to lay back and just look up at my lady
as you rubbed my face and head while we were talking.
A lazy morning with my precious lady is the
ideal way to star such a day talking, smiling,
and as ever laughing together.

A very beautiful good morning to you my sweet love
and thank you for all of your kind understanding
of how tired I was and haven't slept well the last couple of days.
Thank you as ever for being such a kind loving soul
and I wish you were here to spend a lazy morning
just snuggling with each other and if it
was okay with you just laying back and resting
my head so cozily on your lap and looking up in your
eyes smiling as we softly talked.
I could use your sweet comfort as I am still
hurting inside from those few things I wish
I could talk to you about privately
and I just miss you so badly and want to give you
deep reassurance and comfort as well,
a lazy morning spent with each other would be the
perfect way to start the day helping each other smile
and feel okay inside being filled with uplifting light.

Kira I so totally love you and wish you
a beautiful, warm, and wholesome good morning.
I want to spend many many lazy ones with you
starting so soon in the future.
Mornings where we sit up holding each other
with morning where you lay back resting your head in my lap
or me resting my head in yours if either

one of us is in need of extra loving comfort.
I want to be kissing you right now my sweet Queen
and beautiful woman I so truly treasure.
Feel me there holding you and showering you in kisses
as I send you all of my loving warmth and strength
to give you peace and deep endless comfort.
Lay back my sweet one and just see me there with you
as I lay back and we sit together on this lazy morning
talking and laughing as we share deep loving looks and kisses
straight from our souls that are deeply connected.

An Early Morning Snuggle With My Best Friend

Good morning Kira my beautiful best Angel and best friend
and I hope you got some good sleep and had beautiful dreams.
I hope you saw me and we held each other so tight
and snuggled away the hours talking and kissing
like we so need and want.
I love you baby my Angel and best friend and will
you snuggle for a while longer on this morning?
I haven't slept well in these past few days
and want to spend another hour or two resting
and just holding my beautiful lady
with my audio book on in the back ground.
I love my stories but those are
what have been putting me to sleep lately.
Come share an early morning snuggle with me and rub my
face and head for comfort while I hold you close
rubbing your back and stroking your hair.

Good morning Kira my beautiful beast friend
and will you please join me for a few more hours
of an early morning snuggle with sweet kisses and nuzzles.
No way will I fall asleep for the whole
I just need a few more hours of rest so I can
enjoy the rest of this day writing for you
and I have a DVD I want to watch with my family.
I love you sweet lady and promise as always
that I'll never leave you and I am right here for you.
Come and we'll hold each other so tightly,
I want to be with my hero, Angel and best friend
forever and ever to no end.
I want to hold you and kiss you on this
early morning as I recharge my batteries with
a few more hours resting and snuggling
with my beautiful lady who means everything to me in the universe.

Sweet Middle Night Kisses For Kira

Hello my sweet lady and how has your night been?
Mine has been restless never falling more the
three quarters of the way to sleep,
and even wandering around the house literally
in a half sleep daze just sitting down
here and there drifting off for a short bit.
I pray you are resting better than me
my sweet Angel dove so go food and pure
and I'm reaching out to pull you in
and give you these sweet kisses just
to say I love you babe and hold you close
to comfort both of us. I am still hurting deep inside
from a handful of stuff and I know you're hurting too.
Please reach back and wrap your arms around me as well
and we'll share sweet kisses of so good and calming
for me and you.
I love you Kira so very much I truly do
and send these sweet middle night kisses with a snuggle
to my gorgeous best friend Kira the greatest woman there's ever been.

Michael P. McParland

Goodnight Kira My Greatest Love

Goodnight sweet Kira my greatest and only love
I am so truly exhausted I am ready to just
collapse and crash into sleep.
Please come snuggle with me and gaze into my eyes
so I can look right at you and say
I love you sweet Kira my only dear,
I care for you so very much and just want you here
to hold and to give every last bit of my love,
to share every bit of my life with you
making it so happy and grand.
Goodnight Kira my greatest love and come lay
beside my so we can snuggle and kiss
as we fall asleep in each others arms.
I so adore you my darling one and just want
to be with you forevermore.

Come curl up so tight next to me in my arms
so I can hold you close while I rub your back
and stroke your long beautiful hair.
Just give me some kisses and then rest
your sweet head upon my chest and we'll
keep on listening to an awesome audio book
as we drift off to sleep contentedly in each others arms.
Kira I am sending you all of my love and warmth
with supreme love and care from my very core.
I adore you so much and listen for my voice
as I reassure you that I'll forever stand with you
never leaving or abandoning my only Angel.
You are my true love and everything
and I want to be with my best friend for eternity.

Goodnight Kira the greatest woman there's ever been
and I will see you in the land of dreams.
To take a walk in a green pasture of rolling hills
where you don't have to worry of allergies
and holding hands we'll enjoy all the beauty
and each others voices and company
as we spend time with one another.
Then after a while we'll lay down a blanket

and lay down to snuggle sharing kisses so sweet
spending time with each other talking and laughing
among other things tonight in the land of dreams.
I love you sweet Kira and can't wait to be holding you
and sharing our entire lives with each other.

Goodnight my sweet precious beautiful Kira
and I hope that so soon you will talk to me.
I'm not trying to push but just voicing
what I hope for and wish and you are
my greatest wish as my Angel and Queen
to share my world and myself in full.
To lay with you and snuggle on tired nights such as this
to give each other good mornings and goodnights
giving great starts and ends to the day
with so many loving messages in between.
And eventually in good time reuniting
when I just hold you so closely saying I love you
sweet Kira over and over because I
have such tenderness within me for you.
You don't know how much I'm aching for everything
that is shared between two soul mates in true love,
only purity is what I hold within me when I see you.
Goodnight Kira my greatest and only love so amazing
and feel my arms around you giving all of my strength and comfort.
I love you my darling and so very soon we will come together
because you are the Angel I'm so longing and aching for
each day as my love grows greater and greater.

Come Curl Up 4

Come my sweet one and curl up beside me
here in bed as I just lay back and listen
to my audio book and check out some random
things on the Internet like stuff on Amazon.
Will you give me the honor of snuggling with
you my sweet dear feeling so cozy and warm?
Come curl up in my arms and we'll just
gaze into each others eyes and share
some deep and sweet passionate kisses
as we get lost in the story.
Come curl up beside me and let's just
cuddle and snuggle for a little while.
I want to be with my lady feeling
the warmth of your spirit and body
as we share some sweet kisses and snuggle
while listening to a great book on audio.

and make me the happiest man on the planet
as you slide into bed next to me and curl up
in my arms getting so very cozy

this evening just getting lost
in the love that we share with each other.
You truly are such a gift and blessing my dear
and I want to hold you and tell you

Evening Note 83

Good evening my sweet Angel dove
and feel my caress on your cheek
as I push back your hair to deliver
this loving and passionate kiss to you.
I love you so much and have risen
from my very light rest and I thank you
for all of you kind, caring, loving
strength and warmth that you sent.
I was very restless at first
but I felt your arms wrap around me
with your soft kisses and nuzzles
and my body, spirit, and heart
relaxed enough for me to get
a light rest for awhile.
Thank you again my sweet love
and how I wish you were here
to join me for dinner here in a few minutes.
I want to just lean in close to
my Angel and eat then afterwards
snuggle on the couch as
we watched a movie you have picked out.
I so long to spend time
with you my sweet Queen so hear
my heart tonight as it sings out to you
saying Kira you are the greatest
and truly so cool.
I adore you my darling and I'll
forever stick by you my sweet dear.

I love you sweet lady and so wish
that we could just sit and talk,
read from our books, watch some movies,
and share sweet kisses while
listening to some audio books.
Kira you truly are such
a very special person and a supreme Angel
and I would give anything
to hold you and just rub your back
and stroke your hair as I

softly spoke giving you reassurance
that I'll stick by you forever and ever.
Be right there so you can look in my eyes
and see the deep wells of loves truth
and deep care I have for you.
I'll never leave you sweet Kira
and will stand by your side
forever and ever giving my love
and support endlessly while holding you close,
feel me beside you right now
as I take your hand.
I love you sweet lady
and promise I am right here for you
and will write through this evening
and let you know with a goodnight
when I go off to dreamland.
Kira you truly are so very amazing
and I want you to know
I love you and my heart
continually melts for you my gorgeous Angel.

Your Picture 9

My sweet darling Kira as I lay here
I can feel all of your warm loving strength
and everlasting and unconditional loving
and I brought up your picture to see you smile.
It lifted my heart with all of your love surrounding me dear
and looking upon you with that gorgeous smile
and your sparkling eyes helped give me a ray
of light in my day and I want to say thank you sweet one.
You are such a treasure and gem and I hope
you aren't upset and feeling down in any way.
Earlier I was feeling so down from a couple of things.
I miss you so bad and I ran across something
that hurt my heart so very bad,
not caused by you but it made me need your comfort
so much more my sweet dear,
and I truly am so very worried about you.
I love you my darling and want to know how you are
and I do long and ache to talk to you.
You are my Angel and darling soul mate
and I want to tell you directly I love you
and thank you for just who you are and all that you do.

As my heart was aching sweet one I could feel
all of your warmth surrounding me
and I looked at your picture and said
hello Kira my sweet precious dear.
You are so beautiful and I truly miss you,
I ache because there's so much I want to share with you.
Please don't feel down or think I am mad at you
because I am not it was something that hurt from outside
as well as the pain and worry from missing you.
And I said you are my hero and best friend
and I adore you to no end and I wish I could talk to you
my wonderful Queen whom I want to have walk
beside me hand in hand through eternity.
I love you sweet Kira and you truly are the most
beautiful woman both inside and outside.
You are lifting my heart with your love
and gorgeous smile,

thank you sweet darling for you truly are so very amazing.

It may sound crazy, funny, or strange to some
that I would talk to your picture but it helps me
sweet darling in many ways to feel better,
I hope you know just how much I adore you
and want to give you so much and make you proud and happy.
Kira I want to be the best that I can for you
and give you all of the love you've been deserving,
I want you to know that I'll never leave you
and want to spend my whole life with you and make a family.
You are my greatest dream and your love means the
entire universe to me.
I wouldn't have anyone else's love because you are supreme.
I thank you Kira and so deeply thank you
and send you these sweet kisses to tell you I love you
with great big hugs of warmth to reassure you
that I am your Michael and will always stand by you.

A Sweet Morning With You 2

A good morning to you again my sweet dear
and now having climbed out of a cleansing
and refreshing shower of which I wish you had
been with me just to smile at each other and hold
I now send you sweet kisses and the biggest hugs
of pure and complete loving warmth,
and now how I wish you could sit back with me
on the couch you wrapped up in my robe
and both of us in my big fuzzy orange blanket
with you curled up in my arms snuggling away
this cold winter morning right here.
They did finally get the heater fixed though
so it's not freezing in here like it was yesterday.
I love you sweet one and wish we could be
spending this morning together in each others arms
because my heart melts for you to no end.

As ever sweet one I would fix your coffee just
as you like it and I will learn how that is
as soon as we have reunited,
you may remember that I usually prefer mine black
and sometimes with sugar and cream to change it up.
Then we could sit back and snuggle while you
sipped at your coffee and I drank my Pepsi
as we just watched some TV or talked
softly and lovingly for a bit.
I long to hear your sweet voice again
as it is so heavenly and it always gave me butterflies
my beautiful Queen.
How I want to hear it again and just listen
intently to you as you talked about all that
you wanted and needed to.
I love you my darling and I want to hear all of
your tales of your life as I hold you so very close
to give you comfort and reassurance through everything no matter what.

Then to help you start the day with as little pain
as I can help you with I'll give you a kiss
and put on an audio book as you lay on your tummy

and I massage your back and neck with you
directing me just how much pressure you want and can take.
Then I'll massage your arms and then legs
ending with your feet and I pray that
would help you be loose and free from a good deal of your aches.
I want to do everything for my Queen that there is
and afterwards snuggle again sharing sweet kisses
Then rest your head on my lap as you lay down
and I'll read aloud to you from our book.
A sweet morning with sweet Kira is a treat that I long for
and can't wait to have my sweet precious darling.
I love and adore you and just want to hold you
letting you know that your Michael so loves you
and that never again will you be alone my beautiful diamond.

So feel all of my love as I reach out to you
and pull you in and ask if you are okay..
Feel all of my loving warmth as I send it to you
with sweet kisses and hugs a plenty to fill you
with all of my strength and comfort to soothe
your sweet precious heart.
I love you sweet Kira and just want to be with you
giving the endless and unconditional
love that I hold only for you my Queen and Angel.
I know that one day soon we will have these mornings
and they will be the happiest we've ever experienced.
Please my sweet Kira let me know how you are doing
because I care so very much for you.
I'll be by your side the whole day hand in hand
as we fight along together defeating the obstacles.
I will forever stand by you as your Michael
and you need never fear of losing me to another
or anything because you are my best friend and beautiful Angel.

Michael P. McParland

A Sweet Morning With You

A very sweet good morning to you
my beautiful sweet Angel dove
and as I now rise I send you sweet kisses
of pure and true love with endless warmth.
I love you so much my sweet Kira
my hero, my soul mate, and my best friend so great,
a beautiful good morning to you
sweet lady for whom my heart melts.

As I now rise my first order of business
is a wonderful cleansing and refreshing shower.
I wish you were here just to stand with me
under the water holding each other and kissing
just feeling comfort as we held each other.
That's all I want and need is personal time
with my sweet gorgeous lady smiling and kissing
as we stood under the flow of warm water
holding each other and taking comfort in snuggling.

Then from there my sweet love I would
give you my robe to wrap up in
and I would grab my fuzzy orange blanket for
us to wrap up in while you had your coffee
and I had my Pepsi,
from there my sweet love we would decide
all the wonderful things we'll do together.
I so love you my darling and will write
that poem for you after I have stepped out
of the shower with the sleep cleared from my mind
and a cleansing feeling in full.
I love you my darling and feel all of the deep
caring love and warmth I am sending
and know that your Michael is there with you
holding you tightly and loves you so deep and immensely.

Michael P. McParland

Morning Note 158

An early good morning to you
my sweet Angel dove and let's
not get up just yet my beautiful one.
I just want snuggle with you
and share some soft and sweet
kisses as we rest a bit more.
I love you so much and just
want you here in my arms.
So rest your head back upon
my chest as I send you all
of my loving warmth
and I'll pull you in for
an early morning snuggle
of pure caring and tender love.
Snuggle and cozy up my sweet Kira
because your Michael loves you
and just wants to hold you
as we lay here a bit longer
on this morning of need and longing.

Michael P. McParland

Lightly Dozing (Thinking Of You)

I'm just lying here lightly dozing
as I listen my audio book.
One I've started before but have always
fallen asleep during or my mind has wandered.
It's a collaboration between one of my
favorite authors John Sandford and the fellow
who wrote The Bone Collector.
It's a short story in an anthology of writers working together.
I am paying attention and catching the story
but I'm also thinking of you and wishing that you were here.
To hold so very closely and reassure you
that all is well and that I love you so much
and will always stand by you because you're my Angel.
I'm just lightly dozing and I'm reaching out
to pull you in and so tightly hold you.
You are an amazing woman and I want you to know
I care for you to no end my sweet Queen and Angel.

Feel all of my love and my hand within yours
as I take it so firmly yet gently and place it
on my chest while still holding it.
Feel how it beats for you my darling hero,
I so admire and cherish you and just want to hold you
so as I lay here lightly dozing listening
to my book on audio know that I love you
and feel my hand within yours and my arms around you
as I pull you in so very tightly to hold you so tightly
giving you comfort and peace you need so very badly.
I love you sweet Kira you are my Angel
and I swear to you I'll never forsake you.

Michael P. McParland

I'm So Worried About You

Kira my love I'm so very worried about you
and how you are doing overall.
I'm just so very concerned and I can't sleep
as I just lay here hoping that you are okay.
I know I don't do a great job always
of communicating and telling just how much
I want to be there for you and listen
helping to heal all of your wounds
and I am so very sorry for that my sweet dear.
I worry because I know you are hurting
and I need to know if you are okay over all.
I am so very worried because I love you so much
and I care for you deeply with all of my soul,
my mind, my body, and my heart.
You are my Angel and diamond in the rough
and I just want to hold you and tell you
I am with you always and forever and everything is okay.
I love you Kira and can sense so many things
you are feeling and I hope you can feel that
same connection as clear as I can.
I believe that you do and I can feel all of
your immense deep love and infinite caring
and I'm sending you all of my love and warmth
to give your heart peace and deep comfort.
Kira please remember I am here for you
and I give you all of myself in true love
so pure and truly trusting.
I love you Kira and believe in you fully
as the wonderful and beautiful woman you are
and I just want you to know how truly much that I care.

I love you so much my sweet Kira and I worry for you,
I pray everyday that you will be okay
and be filled with my infinite, unconditional,
and undying love for you my sweet precious Queen and dear Angel,
I pray to God that you will come back
so I can dry your sad tears and kiss your eyes,
your forehead, your cheeks, your hands, and your lips
to help you feel better and begin the process of healing.

I worry about you Kira and am so so sorry
if I haven't made that clear and let you know
that enough my sweet darling dear.
I love you so much and I know that you hurt
and I just want to help you and hold you so very close.
When you cry I cry with you dying inside
because your being in pain is torture to me,
and when you are smiling and laughing the world
is the brightest I could ever imagine.
I love you Kira and pray that you are doing okay,
I pray that you know your Michael will always
stand with you fighting to protect you
and help you through everything.
I love you sweet Kira and am reaching out to
hold you and kiss you in reassurance and most likely
I won't sleep so if I do not know that I'll write you.
Come snuggle though dear and let's rest a bit,
I love you my darling and I worry so much
because I do love you in full and I care with all
that I am right to my core.

Michael P. McParland

Goodnight My Gorgeous One

Goodnight my gorgeous sweet Angel dove
and though I'll probably be awake for
a short bit please come snuggle with me.
I'm so in need of your touch and to feel
your embrace as we sweetly kiss.
I want to give you deep comfort as well
letting you know you're cared for and loved,
that I will give you every last bit of myself
and always do for you everything in every way that I can.
Will you come snuggle with me before
we go to sleep and make me the luckiest
and most happy man that there is?
Please my sweet love come and share kisses
because I want us both to have comfort
in the warmth that we share.

Let's slide into bed and under the covers
I want you to curl up in my arms
getting so cozy and feeling every last
bit of my love warmth and care.
Rest your sweet head upon my chest
and hear how my heart beats for you
while I rub your back and stroke your hair,
I love you sweet one and want to
talk to you so very bad because
I do love you so much and miss you more
than anyone or anything has ever been missed.
Feel my sweet kisses and listen for my voice
as I tell you I love you baby
and I'll forever be yours.
Please be mine forever too and please promise
you won't push me away.
I love you more than anything and I just want
to share my whole life with you giving my all
the best that I can.

I'll see you tonight in the land of dreams
where in a special place it's always
spring and summer for you and me.

We'll just lay down in our big comfy bed
holding each other underneath the heavenly
moon and stars in our own earthly heaven.
Gazing into each others eyes smiling,
kissing, snuggling, and just gently talking,
all the while carried away by the wonders around us.
I'll see you tonight my sweet one and hold you
so very tight just as I pray we will
soon be doing my sweet Angel of true love and light.
I want to hold you and know what it feels like
to hold the person you most love and to
just feel the energy that flows.
I've never had anyone love me sweet dear
and I am so happy that it is you that does dear.
I just want to hold you and thank you sincere
as I say Kira I love you so much
and will forever be with you right by your side.

Goodnight my gorgeous only one and sweet Angel dove.
Will you please honor me and come snuggle
so close and tight as we share some deep kisses
before you rest your head on my chest and we sleep?
I need you my dear and want you to know
I would never expect you to carry the entire load,
I love you so much and want to do things as equal
and loving partners as we help each other
along through lifes many obstacles.
I love you sweet lady and just want to see you
so truly proud and deeply happy.
I love you darling and before we now sleep
I want to kiss you and snuggle.
Goodnight my sweet lady and gorgeous Angel
now just feel me wrapping my arms around you
as we curl up so tight under the covers
to end this long day and night warming each other.

Michael P. McParland

Evening Note 82

Good evening my sweet Angel dove
and I send you sweet kisses a many
on this late one here,
feel my arms around you as I give
to you this massive hug of pure warmth,
feel my hand in yours as I hold you
in spirit now and just share this dream
with me of a quiet evening together
with you curled up in my arms.
I miss you sweet lady so very bad
and I wish you were here to tell you
I love you my gorgeous Queen,
you truly my only one and everything.

I'm just sitting here tonight
watching the National Championship
between Clemson and disgusting and hated
Alabama I so detest,
they'll probably win but it's already
disheartening this year because
Ohio State isn't playing for it.
Too many reasons to go into here
but it doesn't matter either right now.
It would be great if you were curled
up in my arms watching it too
or if you wanted to watch something else
that would be great too.
I just want to be with you
and hope it will be soon
because you are my lady and I treasure you.
You are so beautiful and I admire you,
I hope you know that you truly are
the greatest there is.

So my sweet love feel my hearts beat
and hear its loving call,
feel me beside you as I hold you close
and give you kisses all over
to fill you with warmth.

I miss you baby because you are
my Angel and my exquisite Queen.
The one whom I want to be with
through eternities time.
You truly are the one I adore
completely and in full
and there isn't anything I wouldn't do for you.
Feel all my love as I always
send to you in full
and always remember that your Michael
truly loves you and will never leave you.

Michael P. McParland

I Miss You And Need You

Darling I miss you so very much
and I need your sweet precious beauty within my life,
all of this loneliness makes me so very tired
and all that I want is the soft touch
and to spend time with my beautiful Angel.
I adore you so much and I miss your deep class,
I need you sweet one because you are my hero and true love
whose worth exceeds everything to me in heaven or on this earth.

I miss our conversations that would go on for hours,
I miss your sweet smile as we would just look at each other
and then without a word say I love you my darling
and I know that I will forever and ever.
I miss you Kira and my heart is hurting
because I need you in my arms to give you sweet soothing,
I know that you're hurting and in need of true loving
and I just want to hold you giving both of us
that needed satisfaction fulfilling the longing.
I love you sweet Kira and I miss you, need you,
and above all else you're my best friend so I want you.
I miss you sweet Kira because in all ways you're beautiful
and I need you because you are my sweetest Queen Angel.

everyday I love you so my Angel Queen.
Kira you are beautiful and with each year
you grow even lovelier my dear
and each day I just want to hold your hand and tell you so.
Each day my heart burns to be with you.

Each day my dear my love for you truly grows
and I want to look into your eyes and kiss you now
to let you know how great you are.
I love you Kira and I want to spend each day
with you just spending time.
You are my heart and soul my very essence
complete and in full.
I love you babe and I always will
as each day I send to you my love and warmth
telling you I want to hold you now and forevermore.

Michael P. McParland

Love Note 382

Good afternoon my sweet Angel dove
and I hope that your day has been going well,
my heart has been singing to you
and I hope you've heard all of its
love songs and it's made your heart sing too.
I love you so much and I am hurting inside
from missing you and knowing that
on some level you are upset.
I just wish I could hold you and make
everything that there is alright.
I just want to make you happy and proud
and give you sweet kisses and tell you
how much you are worth.
I want my sweet Queen in my arms
so we can both release all that we feel,
both the tears of pain from the past
and the tears of joy that we feel
being together at last.
Please my sweet dear don't be angry with me
and know I truly am trying my best
and I love you more than anything
in heaven or on earth.
You are the Angel I long to have
right here by my side forevermore.

So my day from various things around
has been a bit up and down.
I never bother anyone truly and of course
you know how it is when on FB or anywhere
you just state an opinion and can be attacked.
I'm just tired of all of that
because truly I leave everyone alone.
You are my rock my sweet one
and I just want you to be here
so I can hold you so tight in my arms.
I truly crave kisses with you today,
kisses upon kisses on end because
you are my true love and I know that
would give us both smiles.

I love you so much and just want
to have you so tightly within my arms.

So my sweet love feel not a fear
because I will be right here through
the rest of this day and through the night
writing the deep truths of love that I hold.
I feel not a bit of anger within me
so if you are ever worried please don't be.
You are my Angel and treasured lady
and I want to give you the best of everything.
Feel me beside you holding you closely
and I pray so soon I will be
here holding you tightly for real physically.
You truly are my sweet gem and diamond
and I want you to know
I love you sweet one with every last bit
of my heart, my mind, my body, and my soul.
You are my only one
and you will forever be my sweet Angel dove.

Michael P. McParland

My Beautiful Soul Mate 2

Kira you are my beautiful soul mate
and I wouldn't have it any other way.
I admire and adore you wanting to
hold you forever and ever.
When I see you upset or angry
no matter about what inside it breaks me.
I love you so much and want to see you happy
for all time as we walk along hand in hand
always standing up and fighting for each other
giving our undying support.
Kira you are my Angel and eternal love,
my best friend and soul mate whom I've always loved.

I've told you before that here on earth when we met
I loved you right away and didn't even know it.
Your heart reached out to mine and mine reached right back
and since then they've been one with no desire to turn back.
You are so beautiful and the one I adore,
please my sweet Kira soon talk to me and then
we can come back together holding and kissing each other forevermore.
You are my soul mate and very best friend,
you are my true love and that is the greatest thing.
I want to hold you forever and say thank you my darling
and I need to hear your sweet voice say I love you Michael.
I know that you feel it as I can feel you send it
but everyone needs from time to time to hear it.
I know you are one that doesn't say it as often
and I understand that truly my one and you show it in many ways
that it shines through so that it can never be questioned
and nor do I question it my lady because I know you
are true to your very core and within your sweet essence,
but it is something I hunger to hear my darling
and I promise I'll never push you to say it more than you want to.
I hope you are okay that I'll say it a lot though
because that is something I want and need to do.
I love you sweet one and you are my beautiful soul mate
and Angel I've always craved to have by me.

Kira you are my soul mate and the most beautiful woman

and I want to be with you forever and ever,
I so adore you and want to be kissing you so
tenderly, sweetly, caring, and lovingly.
Kira I just want to hold you and say thank you,
I love you, and you truly are so very beautiful.
You truly are so adorable and my heart and soul
are calling and singing to you my sweet darling.
You are my soul mate and I love you because
I truly choose to because you are a wonderful woman
whom I find amazing and want to be with
through all eternity.

A Quiet Morning Holding You

Good morning to you my sweet love
and please give me a smile and let
me see those gorgeous sparkling eyes.
You are so beautiful and you lift my heart,
I feel like you are angry and I don't want that to be so
because I am already hurting and feeling frustrated
from the whole rest of the world around me.
I love you sweet lady and truly am working
so hard doing the best I am able.
I just wish you were here so I could hold you
and we could spend a quiet morning so beautiful.
I miss you sweet lady and am hurting so bad,
I send you sweet kisses galore to give you all of my love,
and with a great big hug of warmth to tell you I care.

I want a quiet morning to wrap you up in my robe
and then have you sit back with me and curl up in my arms,
I just want to hold you and let you know that you are my world,
my universe, everything truly I'll ever need and want.
Life is a struggle without the one I most love
and I know you're struggling too my sweet Angel dove.
I know my mental illness is tough to deal with
and I am ashamed of it my Queen I so cherish.
I do my best though I promise and love you all the more
because you've always worked so hard to understand
and deal with it as any love has to deal in their
own way with their partners hurting,
I thank you sweet one for all of you kind loving and understanding.
How I wish we were spending a quiet morning holding each other
while I softly spoke reassuring you that I'm right here
and will always stand by you because I deeply love you.
God bless you sweet Kira for being my lady and being so very loving.
My heart is hurting from very much around me sweet one
and I wish you were here to hold and just spend glorious time.

I would just have you sit back my love while I prepared
your coffee just how you like it and do any other
little things here and there to make everything perfect.
Then just hold you so close as you warmed up

and I would give you the softest and sweetest kisses
to make you feel comforted and safe,
sweet sweet kisses to make you smile and know
that I'll always be here for you and let nothing
harm you or make you sad.
A quiet morning with my beautiful Kira is just what I want
and what my heart needs to light up this day.
I love you sweet lady and want you to know that you
are the greatest thing to ever happen to me.
You are my Angel and true love and I just want to hold you
and give you the sweetest kisses right now over and over.
You are so beautiful and I hunger to just tell you
and kiss you many times saying Kira you are the greatest
and I truly love you to no end.
Please spend eternity with me side by side hand in hand.

Oh my sweet Kira please do not shed any tears or be upset with me.
I so truly love you and want you to know that
you are the most wonderful and special woman I've ever known.
You are my Queen and the one I wish to serve forever sweet one,
I give you myself because I care for you and want you
to be the happiest woman who's ever lived as I give
you all of the love you've ever needed and truly deserved.
Oh my sweet Kira I just wish you were right here with me
to share a quiet morning so filled with love and care,
a quiet morning so I could tell you just how much
you are worth in every way and that with you and my family
my life is complete in most every way.
That with you and your kids I have so very much to work for and give
and I will always give my best because I am already
filled with so much love and it will continue to grow.
I love you sweet Kira and wish you were here to spend
a deeply loving and quiet morning.
Feel me right there beside you as I pull you in
and hold you so tight while giving sweet kisses of deep tender love,
just feel all of my warmth fill and surround you in full.
I so adore you and can't wait to be with you forever and ever
because you are a diamond and gem whose beauty and worth are unequaled my dear.
I love you sweet lady and will always stand by you
because I am your Michael and I will always love you and no other.

Michael P. McParland

Morning Note 157

Good morning to you
my gorgeous sweet Angel dove.
How was your Sunday
and how has your morning been?
I pray you are well and you were
there first thought that I had
as I climbed out of bed
and I dreamed of you much through
this last day and a half that I snoozed.
I thank you so much my sweet love
because I could feel all of
your warmth and loving understanding
that I was so very tired
and I could feel your sweet faith
in me knowing I'll never leave you
or just disappear.
You truly are such a gift to me
and I thank you so much again
for the precious diamond you are.
I'll now explain the best that
I can the last few days.
Not much to tell really but
I want you to know so you can see
for my comfort as well that I
was not just fooling around.
I love you sweet one and want you to know
that I was super super tired
as well as that headache
and fatigue through the roof,
nightmares as well full of intensity
sweet one.
Thank you again my sweet love
and I will say kit many more times
as well as I love you sweet one
you will always be everything
in existence I need and want.

I am sorry sweet one I slept
for so super super long

and was in turn quiet during that time.
Saturday morning I had that miserable
migraine as you'll remember sweet one
and it was a sickening one at that my sweet dear
passing just in time for me to be able
to go to the movie and dinner with my family.
A blessing from your prayers
for which I thank you and a blessing from God because
migraines that bad usually last all day.
Thank you for all of your loving strength
and I love you for all of the care
and the giving you show to me.
Feel of my warmth and these sweet kisses
I send to you in the greatest of gratitude my love.
Kira I adore you so much and
truly pray that so soon you will be here
for me to thank and hold as I
look in your eyes letting you know
you truly are my best friend and universe.
I was STOL exceptionally tired at the
movie my dear that I almost fell asleep
at the very beginning.
The concession line was so long I couldn't
even get a drink because I would have missed the start
and you know how very thirsty I get.
As I told you before though
the movie was good as was my club sandwich at dinner
and I though of you and longed to be
holding you so many times.
I miss you more that you know my sweet Angel dove
and wish I could be holding you
right here and right now.
Although you might not want to be right here
per say because it's well below zero outside
and it feels like they've just about turned
the heaters all the way down in here,
I'm even more thankful for my robe now
and will finally get my blankets washed today,
if you were here though I would give you
my robe so cozy and warm and just hold you so close
to keep us both completely filled
with each others loving warmth.

On the way home from dinner I just thought
of your cute as hell picture and smiled
writing to you about all of it
when I got home my sweet darling
and from there closed my eyes relaxing
and thinking of you my sweet precious darling.
It made me feel so warm and smile
and it was the last smile I would hold for the
rest of that night because the nightmares
hit me so hard and these ones were not
of losing you but a recurring one
I can't give the actual details until
we are talking so it will come together,
a dream though of being haunted
and when I awoke a bit I just hid under my covers
scared most of the night until
I finally fell back to sleep.
It may sound funny to some others
but it's a bad dream and ghosts and spirits
scare the hell out of me so I was frightened
continuing the deep fatigue I felt further.
From there my sweet dear I really just slept
with wired dreams mostly and a few nightmares,
you were in some of my dreams and it was a
good one in the manner that you were there darling
because I was in the hospital for some reason
and you came and visited me.
I know that is strange and that's all I have
regarding that dear and I know you would
visit me if I were ever there for a reason come down.
So my sweet love that's all I really have to say
on that stuff is that I was so fatigued
and just slept and slept until about
30 minutes now passed.
And again I thank you my love for all your
kind understanding and loving so grand.
It means everything to me my Angel
and beautiful Queen.

So again my sweet dear I am truly
so sorry I so quiet for so long

and I am sorry if I worried or upset you.
I promise in full everyday
that I'll never leave or desert you my precious dear.
You are my soul mate and true love
and adored best friend I want
to be with through all space and time.
Just close your beautiful eyes
and remember my loving looks and smile.
Remember that I am right there
beside you holding you so very tightly
and that I am in want of only you
and no other ever my sweet dear.
I will be writing you through this day dear
and right now I need to
get some food into me.
I'm sending you all of my loving warmth
with sweet kisses to let you know that I care.
I love you Kira and wish so very much
that you were here so I could hold you
and tell you you're great,
I truly just want to hold you my darling dear.
So grab onto your faith and hold tight with me
as I reach out and take your hand in mine.
We will make it sweet love I know it's true
because I know you truly love me
and I your Michael truly love you too.
I will always stand by you and give you my all
because my sweet Kira you are
my beautiful sweet Angel dove.

Tired Longings

Just lying here in bed my sweet one
listening to my audiobook a very old favorite.
I lay here half asleep and dozing knowing
that having you right here in my arms
would make everything heaven.
So I just wanted to tell you sweet one
that I so truly love you and miss you
and that I would give anything to have you here beside me
sharing kisses and smiling ever so sweetly
as we both drifted listening to my books on audio.

Michael P. McParland

Love Note 381

As I am about to head out
the door in 15 minutes or so
to go see the film I wanted to tell you
I love you sweet one so very much
and send you sweet kisses and hugs
of true loving warmth straight
from my soul and heart.
As I turned on my computer here
the first thing I saw as always
was your beautiful picture
and that gorgeous smile with sparkling eyes
and I felt the flutter of all of
those butterflies as I said
Kira I love you so much
and miss you tons.
I wish you were coming with me
to hold as we watched the movie sweet one.
And I wish you were here for
dinner afterward my sweet darling dear.
God bless you Kira and feel
all of my love as I'm gone
and remember I'll be right there
beside you the entire time.
I truly love you and my heart
aches so very longingly
because you are my sweet beautiful Angel.
I hope and that so soon
God will open our path because
we both need each other.
Sweet kisses and warm hugs
in plenty and I'll write you when I return,
I love you sweet Kira you are
the greatest woman there's ever been.

Michael P. McParland

Afternoon Greetings (I Love You)

Good afternoon beautiful Kira my sweet Angel dove
and finally my head is feeling better most of the way.
Thank you sweet one for all of your loving strength
and for being here in spirit holding me close.
Just a little bit of this headache remains
but I think some food will take care of that last bit.
I think low protein and blood sugar are the curse there.
Truly my dear thank you, thank you, than you
for all of your kind loving care and I so
hope and pray you aren't feeling upset in any way.
Not sad, not worried, not angry because you know
I will never leave you and I would not intentionally hurt you.
I truly was in such pain it felt like my head would explode.
I love you sweet Kira you are truly my sweet darling Queen Angel.

I thank you as well Kira for your loving strength and help
because later I have plans with my family as well.
We're going to see the new Star Wars film and then
go to dinner which is such a rare treat.
I wish you were here to be with us my love
and I will be thinking of you sending all of my love,
I don't know when we are going but I will write you
as much as I can before going and of course after returning.
I do it because I love you sweet lady and I am
truly missing you something so terrible.
I truly just want to hold you and give you sweet kisses
letting you know just how very much I love and care for you.

So my sweet Kira if you are feeling upset in any way
just feel me wrap my arms around you and lightly
kiss your eyes as I dry your sad tears.
I will forever be right there with you and right
here for when you want and need.
Kira you are my hero, my best friend, my soul mate,
my diamond in the rough and everything.
Let peace fill your heart as I take your hand
and give you these kisses so very sweet.
You are the woman I want as my wife and to be with
side by side through all time.

You are my true love and the amazing woman I admire
and will always give my best and everything to
to make you so proud and smile.

Michael P. McParland

Morning Note 156

Good morning my sweet Angel dove
and I hope your morning is good
and you are feeling well.
I woke with a very bad migraine
about an hour to an hour
and a half ago and I'm only just
barely to the point that I can open
my eyes to write and let you know.
I'm sorry sweet love and I think you're
upset at me please don't be my dear.
Please just wrap your arms around me
as I try to get past this migraine
that is pounding so hard in my head.
Please just hold me so tight
and rub my face and head
and quite possibly my tummy as well.
I love you so much and am doing my best,
I wish you were here to snuggle
and share some sweet kisses
while I wait for this to pass.
Kira my dear I'm sending you
all of my care and loving warmth,
just feel my arms around you
with all of my care filling you up.
Please lay down with me dear
and help me to get through this awful migraine.
I love you babe and thank you
so much for all of your loving strength
and ask you to come lay with me now.
I love you sweet Kira my Queen and Angel
and I am right there beside you
forever and ever because I truly adore you
and want to be your eternal husband.
Again my sweet darling please
come and lay with me and hold me
as I get past this migraine of misery.

Michael P. McParland

I reach out to take your face so gently
and tenderly in my hands caressing your
right cheek while I give you a sweet and sleepy kiss.
Then giving you a weary and happy smile then

Please Kira my sweet one know that you're all I want
and I would give anything to have you here by my side
because I love you so much and want to bask
in your beauty which is truly divine.

Michael P. McParland

Love Note 380

A very sweet good afternoon
to you my sweet Angel dove
and how I wish so very bad I was
lying right here next to you
as we shared kisses so sweet
and then you could rest your head
on my chest as we closed our eyes
for a bit before we ate dinner.
I have bad indigestion
and have to wait for my acid reflux
medication to get to work
so what better way to wait
than snuggling with Angel I want and need
right by me for eternity.
You're such a beautiful woman
and I wish I were more handsome for you,
you love me for just how and who I am though
and that is a gift that can
never be measured it's wonderfulness and love,
you my sweet Kira are the greatest woman
that there is.

I'm sorry sweet one that I didn't
write a bit sooner but I was
watching The Walking Dead with my mother.
Will you watch it with me
when everything has come together?
I know you don't like scary things
and I wouldn't want you to be sitting
there frightened even though I'll
always protect you.
I just want to spend time with
the most amazing woman
I so deeply admire and treasure.

Oh my sweet love how I wish
I were lying here kissing you
and giving the softest caresses.
How I just wish I could spend this

tired evening talking, laughing,
reading, and watching movies
with sweet beautiful Kira.
Just feel me there with my arms
wrapped so tightly around you
with tender gentleness abound.
I'll never abandon or leave you my Queen,
I'll forever be your Michael
remaining true standing by you.
So my sweet dear before we eat dinner
in a few let's close our eyes
while my acid indigestion goes down.
I just want to hold you and give you
all the love I am holding
because you are a magic and amazing woman
that I'll always love forever and ever and ever
my Angel sent from above.

Michael P. McParland

Michael P. McParland

A Tired Afternoon Holding Each Other

An early good afternoon to you my sweet one
and what a day it has been with frustrations
around every little bend it seems.
I so wish you were here to just sit back on the couch with
and snuggle away this afternoon so I didn't
have to really move and continue fumbling around
dropping things on myself and spilling things everywhere.
I even dropped half of my lunch in the trash.
One of those days where I want and need my love
to just hold me close rubbing my face and head
quietly giving me soothing words that would also
take away this feeling of being a grumpy old man.
See you just smiled because we know that's
exactly just how I can be.
I wouldn't be yelling at all my dear I assure you and promise,
I'm grumbling at myself for being so clumsy.
It's just a tired afternoon I want to spend with you
my beautiful Angel and Queen.

Say a prayer for me love that my balance and brain will
clear and straighten out and because I am in pain
from dropping stuff and the arthritis is bad
the pharmacy will give me my pain pills today.
They are ready right now but you know how doctors
and pharmacy's are,
it's always some little hang up of course.
Either way my sweet one it will all be okay
because I feel you near with all of your love
and it is giving me strength to make it through.
I thank you sweet one and love you with all that I am,
I am sending you all of my loving warmth as well.
How I wish we were snuggling so I could personally
give you these loving kisses.

Oh my sweet one how I wish on this tired snowy
afternoon I could be sitting here snuggling with you.
I just bought two movies digitally to stream
but they're both very scary and I know you wouldn't like them,
I would buy us a movie that you loved that we could

enjoy together laughing, smiling, crying if it was that way,
no matter what a quiet afternoon with my diamond in the rough.
I so love you sweet Kira and wish that I could
just sit here and so closely hold you.
Feel me there with you and remember I'm always beside you
and in spirit with me spend a tired afternoon
holding each other and sweetly kissing.

Michael P. McParland

Morning Note 155

Good morning my sweet Angel dove.
I hope and pray your day was
well and good yesterday
and today has been a good one so far.
Mine was restless yesterday for the first part
that even after I lay down I
wandered from room to room half asleep
trying to find the perfect thing
to relax and then fall asleep on.
My blankets and bedding still haven't been washed
because the machine that puts money
on your laundry card here is broke.
So I have no money to clean
my most cozy and comfy things.
Then since this early morning
so restless a tiny bit up but mostly
down lightly sleeping sweet Kira
and now I've been up for about 45 minutes
and would have written so very much sooner
but when I got in the freezer
to get food for eating a corner caught
bring a package of hot dogs and a few
sausages frozen solid crashing down
on my big toe.
It's been one of those mornings
where I'm hurting myself no matter what I do.
So still slightly tired and in pain now as well,
oh my God my sweet darling I so wish you were here
to sit by my side holding me as I eat my pizza rolls.
I love you so much and thank you
so wide and deep for understanding yesterday
and today my tiredness and very serious
need to sleep and I promise I'll make it
as very far today as I can possibly go.
I miss you, I miss you, I miss you sweet one
and send you these kisses to remind you
I'm there and you're my only one.
I wish you were here with me to snuggle
as I find a movie to watch and try to muster

some energy to get up for a shower.
I am so drained my sweet one
and miss you my true Angel and love.
Please come so soon and be with your Michael
who adores you in full to no end.

So please have the best of days dear
and know that your Michael's right there
with you my only love and only friend,
feel my arms around you as I give you kisses
and whisper in your ear I so love you dear
and want you here with me for eternity.
I want you in my life and will be thrilled
to have your kids in my life as well
giving them just as much loving care
as I would my own.
Kira you are the greatest woman there is
and hear as my heart sings in full voice
my very very favorite love songs to you.
Remember I'm here if you truly want or need
anything at anytime no matter what
it could possibly be.
I'll never forsake or leave my beautiful Queen.
Kira I ask you to pray with me that
God will soon hear us and know right now that
he does because I hear the birds chirping
in intensely freezing weather,
I see a sign right there my lady,
pray with me though that so soon
we'll be reunited here in an earthly heaven.
God bless you sweet lady and always
remember that I am your dedicated
and eternally loving best friend.
I love you sweet lady and will always
give you my everything and the best that I have.
I want and need you forever sweet lady
because you're one of only a few
who I know and trust as well as
truly believe is good to the core of your sweet soul.

Goodnight Sweet One In The Morn

Goodnight sweet love here in the late A.M.,
I'm so very tired and inside my heart feels heavy,
and please don't think that's any fault of yours.
It's just that I miss you so very bad
and a handful of other things.
I truly wish you were here with me to hold
as I close my eyes and feel like letting loose some tears,
if I do though they'll be dry because I'm dehydrated bad.
Just know I miss you babe and can't even begin
to tell you just how truly bad it is.

Goodnight sweet love here in this late morn
and through this day feel all of my loving warmth,
I'll be with you holding you so very close.
So as I now lay down my head and close my eyes
I send to you sweet kisses and great big hugs of total care.
I love you dear to the greatest depths there are.
Kira my sweet Angel dove you are a beautiful woman
and I hope you know just how very much you mean to me.

A Quiet Morning Spent Next To You

As I sit here just leaning up in bed
on this morning checking through some
random things on the Internet
and am finding nothing of real interest.
I wish I was spending a quiet morning
right here next to you talking and listening to music.
I wish I were with you plain and simple
spending a quiet and simple morning resting
just feeling you there and perhaps in a bit
you would read aloud from our book.
A quiet morning with my lady is all that I want
being able to spend time before I eventually fall to sleep.

As I put my head back for a few minutes
and close my eyes before finally rising to
get nourishment for my body
I will just dream of you being here to
take in this morning with me surrounded
in quiet caring love that fills us.
As I rest my eyes for this short bit
feel all of my warmth and love as I send it
to you in endless flow.
Feel my arms around you and my hand within yours.
A quiet morning today with next to nothing happening
other than laying here talking just you and me.
That what I want on a day so tired and feeling down
is just to lay with my Kira taking in the deep beauty
that is our love and friendship on a quiet morning
holding each other with not a single distraction.

Sweet Good Morning Kisses Longing For You

Good morning to you my sweet one
and feel my arms around you as I give you
these kisses of deep love and caring
wishing you were here to just lay with me here
spending the morning in bed trying to rest.
It was a tough night and I wish I could be with you
on this morning snuggling and softly talking.
I'm longing for you on this cold winter morning
so we could both give and feel deep comfort
as we calmed and soothed one another just
being right there and giving reassurance with care and soft words.

I send you sweet good morning kisses so you can
start this day knowing I so truly love you
and would give anything to be with you
my sweet special Angel because I so miss you.
I love you so deeply and want nothing more
here this morning to be laying right next to you
gazing into your bright sparkling eyes
and get lost for awhile in the vast
expanse of universes of deep thought and love
you hold within your glorious spirit and mind.
A morning to lay with you caressing your cheek
and stroking your hair knowing I could tell you
what's on my mind and eating at me.
Such a longing morning for you my sweet lady
but I will always have the sweetest of kisses
to try and make yours bright with endless care and loving.

Sweet sweet good morning kisses to you my sweet Kira
of true endless warmth with caring and love.
I will never be able to express adequately
just how very much you are worth to me
and have meant in my life and I would give anything
to be with you and holding you to thank you so much.
I just want to hold you through all eternity,
I want to always be with my Angel who is a true treasure.
So I wish you a good day with these endless kisses
and remind you again to remember I am right there beside you.

Hand in hand the whole way and I will never
stop loving, leave, or abandon you because you are
my Kira the most wonderful true love and best friend
a man can ever pray for my dear.
Sweet good morning kisses with deep loving devotion
and if you get feeling lonely just close your eyes
and see me looking at you so very lovingly
smiling and saying Kira I love you.

A Needed Middle Night Snuggle With Kisses

I'm reaching out to you my sweet Kira
here in the middle of this night
to wrap my loving arms around you so very tight
and ask you to wrap your sweet loving arms
tight around me as well so we can both share
a needed snuggle of comfort with kisses of warmth.
A middle night snuggle to be washed over
in the deep comforting love and deep care that we share.
Let's hold each other ever so tight in spirit
my sweet beautiful Angel of light.
I need your deep caring and loving so badly right now
and I know you need mine just as well.
I'm reaching out with nothing but love
to let you know that you are so special and truly loved.

I am reaching out just to say that I love you.
Kira you truly are so very magical
and I'll always love you because you are spectacular.
I truly want to be with you forever and ever
and I pray everyday for that wonderful miracle.
I know it will happen but I am aching so deeply
as I sit here waiting for our day of heaven.
I love you sweet Kira and will never let go of you
because I know and see what a wonderful blessing
and woman you are completely.
You are my best friend and I adore you completely.
Feel my arms wrap around you as I reach out
to take ahold of you and pull you in
for this middle night snuggle so deeply needed.
Kira I give you all of my love and deep warmth
with these kisses so sweet straight from my soul and heart.
Please take and feel deep comfort within them
knowing your Michael wants you to be okay and rested.
I love you my dear and feel nothing but true love
and deep gentle tenderness for you my dear Angel.
I'm reaching out in the middle of this night
to say that I love you with a snuggle of comfort
and deep caring kisses of pure warmth.
I love you sweet Kira.

Michael P. McParland

Goodnight My Sweet Beautiful One

Goodnight Kira my sweet beautiful one
and I am so very tired so let's now go to bed.
I want to snuggle with my gorgeous Angel
and feel peaceful warmth as we share sweet kisses
so very passionate and caring with meaning so deep.
I'm being hit by a bit of anxiety here
at the end of this night and nothing
could make it better like snuggling with
my sweet beautiful woman.
I love you sweet Kira and miss you so deeply,
there is an ache in my heart calling
telling you I just want to hold you.
Will you come snuggle with me now that the day's through.

Please just rest your sweet head upon my chest
and I'll pull you in so close to rub your back
and stroke your hair while we doze off.
I just want to softly talk to you for a
short bit if that is alright.
I assure you it is nothing serious
I just want to talk to my beautiful Kira
I so love and adore and each day I love
and miss more and more.
Just feel my arms around you as I hold you
so warmly with pure loving care.
Listen so closely for my voice as I whisper
in your ear Kira I love you and you are
the most wonderful and special woman I've ever known.
I am right here for you if you are in need of anything
and in spirit I am always right there beside you.
Feel me holding your hand and know I will
be with you never to part, abandon, or leave my true love.

I will see you tonight in the land of dreams
where hope is always bright and it renews
our faith and courage to continue going
knowing that soon our time is coming.
I will always be your man Kira.
Tonight I'll meet you at the front gate

to take you in my arms and kiss you so deep.
Then ask how you are and tell you I hope you're okay
and I've missed you so bad.
Then a beautiful walk down a path by a field
of flowers and after rolling green hills.
Such sights, smells, colors and wonders,
then to sit down in the shade and snuggle the rest
of our few precious hours away.
A time to tell my lady what a wonder she is
and just bask in the wonder of our shared loving care.
I love you sweet lady and will see you there
where there's never enough time to spend time with you.
I pray so very deeply to God to bring our time here.

Goodnight my sweet beautiful one and come
curl up beside me so I can wrap my arms around you
while you get so warm and cozy.
Feel all my warmth and love as I truly send
every last bit within me to wrap you up
in its infinite and undying caring.
I so wish I could hold you and my heart
grips in deep pain in all of this waiting.
I truly love you with all of my being
both physical and spiritual my precious darling.
Feel me there with you and know that
through the whole night I will be there
holding you tightly.
You are my true love and I won't leave you lonely.
Goodnight my sweet beautiful one
I can't wait till heaven has been delivered to us
here on earth finally as I get to hold and serve
my sweet beautiful Queen and Angel.
God bless you my darling and feel all of the loving care
and deep warmth inside these sweet kisses and hugs
I am sending.
My heart is truly forever yours and I just
want you to remember and know you are the Angel
that lights up my heart and gets me through the confusing dark.

A Tiring Hour Or More Sweet Love

Oh my sweet love what a tiring last hour
or perhaps it was even more.
Tonight I've been going back through my
older poems to revise a bit looking for
bad grammar, misspellings, of course using a spell checker,
places that can use minor improvements
to even greater treatments and better formatting.
And of course trying so hard to find those ones
where my mind was doing it's own thing
and they ended up not making sense in part
or in whole even to me the mad one.
In the course of this some have needed retooling
while others will just benefit from it
and I just finished a major rewrite that
was quite draining and tiring but I am happy with it.
When you go to read it I hope it makes you smile,
I hope it makes you happy and beam with pride
because it is one that honored you and I built it
to the best piece that was possible and I hope
you adore it my sweet Angel as I cherish and adore you
my beautiful sweet Angel.

I have no idea just how long it took
and as I can recall it hasn't been read in forever.
I hope it's new version is truly pleasing
because I'm sure you can tell I am ecstatic.
I'm sorry my love for being so excited
I'm just proud of it and I'll delay no further
so if you want to you can go read it.
I'm Listening is the piece and I posted it
sometime in late December around Christmas 2014,
though that is not when I originally wrote it.
I can't remember when I first penned, typed it,
as for awhile I lapsed in dating my writings.
I just know that I am so very proud of it
and am so anxious that you are honored
and cheered in your heart and your soul by it.
I send you sweet kisses and warm hugs of true love
to accompany it.

Oh my sweet Kira I truly hope that you so adore it
and it touches you deeply.
This is a piece from my deepest and tender
of heart and souls.
So if you would like to please go enjoy it
and remember always that your Michael loves you
and is right there beside you holding you tightly.

Michael P. McParland

I Will Strive (Honor You)

I will always strive darling to honor you in full,
to pay respect to you and treat you as
the beautiful Queen and Angel you are.
To always open my world top the only person I trust,
To always share my life and open heart
with the woman I so truly love.
I promise I will never lie or hide anything from you.
I give you my self and I give you my world
I want to share our whole lives as I give all my best
to honor my sweet Angel dove to no end.
I'll always stand by you to support and love you,
I want to always reassure you you're not alone
and I'll never leave you.
I strive to honor you your golden heart so very tender,
I'll never do anything that would harm or hurt you.
I truly adore you and want nothing more than
to hold you each night and day loving you fully.
I will always strive and work hard to make you so proud and happy.

I will always work hard letting you know
I am so truly proud of you,
I will always be telling you that I am so thankful.
Be prepared to hear over and over that
you are so truly beautiful as I shower you in kisses
saying I love you sweet darling.
I will always give you all of my infinite loving
because you need to know just how deserving you are
and that those who took you for granted have lost out
on the most wonderful woman with so much to give.
I will always strive to make his woman feel
truly loved and cared for just like a good man should,
I will always do it in the deep tender love of
pure truth I hold in my soul and heart.
I'll always work my hardest to give you that which you need.
I will always strive Kira because I simply adore you
and I love you completely and could never be in want of another.
You are my best friend, my hero, my soul mate and true love
and there isn't apart of me that doesn't want to work hard
to honor you always making you feel safe, secure, deeply happy,

and wearing a big smile knowing you're loved completely and fully.

Love Note 379

Good very late afternoon
into almost very early evening my dear.
How has your day been my sweet one,
I hope and pray that it has been well
with you feeling all of my warmth
and love with sweet kisses
and great big hugs of deep and true loving warmth.
I have felt all of your endless loving
care and deep strength and within
the past twenty minutes it's been
so very needed and I thank you my dear.
I will explain here next my sweet Angel
please just know that you are
the most wonderful woman
and I truly adore you so to no end.

I was back looking at many of
my much older poems and ones uploaded first
and ran across one of a deep and painful
experience we've talked about
that I saw could be made so
very much better and fleshed out
to be more detailed, full, and longer.
Not an easy one to have to
go through but I know I needed to.
It wasn't the hardest to go through
but had to detach myself just a little
and truly knowing I have your
loving support helped me.
Thank you sweet one to you
my heart is shouting and singing its thanks.
Now let's move on from that.

I truly send you the sweetest kisses
of true love and comfort
and I am perfectly fine worry not.
I am concerned about you
and if you are doing alright.
I pray that you are feeling me there

holding your hand and pulling you in
for the biggest of hugs.
I'll never leave you my sweet Angel dove,
I am as dedicated to you
as anyone can ever be
because I adore you so much
and cherish you completely.
You are an Angel so truly divine
and you are the Queen that for eternity
I want to be with and serve.
You are my Kira,
a treasure so rare and needed in this world.

Now after working on that taxing poem
I need to sit back and rest my mind.
Feel all of the deep love and warmth
that I'm sending and do not worry my lady
I am fine and just need to rest my brain.
Never ever forget that I am there with you
and feel as I slip my hand within yours.
I am holding you closely and giving you kisses
so full of true love and deep caring.
I am here Kira if you are in needing
and always remember and feel
that your Michael is here for you
with open arms and an open heart
just waiting to hold you and tell you you're loved.

Michael P. McParland

A Great Big Hug Of Warmth

I have for you a great big hug of warmth
to let you know you're great and truly loved,
a great big hug of true love and warmth
just to say I thank you dear for being you.

I have for you a great big hug of warmth
because you deserve the most and greatest love.
I give to you this great big hug of warmth
to let you know I care and truly love you
with all of my very soul and heart,
and with this kiss I thank you dear for
all you do and give to me.

I give to you this great big hug of warmth
because you truly are so beautiful in every way,
I wrap you up in my undying, unconditional loving arms
to let you know you are a diamond in the rough
and you are my entire universe my divine and beautiful
sweet Angel dove.
Kira may your heart be filled with all
the light of true love I feel for you because
no other can ever equal how great you are.

Michael P. McParland

The Best Thing To Me 2

Kira the best thing to me is having met you,
to have you as my best friend and only true love.
To know such an Angel that has touched my heart
is the best thing that could happen
in heaven or on this earth.
Knowing you love me and accept me unconditionally
for just who I am.
You are so beautiful and truly a gem,
you are the best thing that's ever happened to me.

Kira you are so beautiful both outside and in
you have such a precious heart that deserves
to be given the purest love.
You have a soul that shines above all.
You are a sweet Queen whom I want to
always give my very best and all.
You are the best and my heart and soul are yours
and yours alone as am I for all time.
I love you to no end my sweet Angel dove.

Your sparkling eyes and sweet smile to me
are the most gorgeous and wonderful things,
they light up the world giving true beauty.
You are a beautiful woman who makes my heart sing,
you are my hero and Angel who I adore to no end.
I love you Kira you're a true diamond and gem,
and I cherish you because you're a wonderful woman
who's filled with acceptance, loving and care.
Kira I'll always stand by you to no end.

Kira the best thing is that you are a blessing
so truly rare and I love you more and more with each day.
You are a gift for who I'm so thankful
and I want you to know that you are my beloved Angel.
I could never imagine a life with another
because I've met, know, and love the most wonderful woman.
You are the one for whom I give myself to
and there is no doubt you are the best
and I will forever stick by, honor, protect,

and treat as my divine Queen forever and ever.

Michael P. McParland

A Beautiful Good Afternoon To My Beautiful One

A beautiful good afternoon to you my sweet one
and I hope your day is going well
and is as beautiful as you.
I wish you were here to curl up with and spend quality time
I am just sitting here wishing I could hold my Angel so near.
I send you sweet kisses and a big hug of warmth,
my heart yearns to see your smile and feel your soft touch.
To spend the afternoon talking and doing fun things
while your curled up with me keeping cozy and warm.
Feel me next to you right there holding you so very close.

I'm sitting here watching movies and mostly bad ones
and would love it if you were here picking some good ones.
You'd pick the best to make this afternoon great
and I can't wait till that time is here so we can
enjoy fulfillment and joy.
I can feel you so near me though and that makes me feel good,
you are helping to ease the silence and loneliness
with all the loving strength that you send.
I thank you my dear and say good afternoon to beautiful you
and I am sending all of my loving care with sweet kisses to you.
How I want to hold you so close and give all that I have,
how I want to hold you so close so to reassure you
that never again will you be alone.
That I will stand by you giving my all.

I truly wish you a beautiful good afternoon to
fill you with light and all the strength that I send,
give me a smile to light up the world so I'll know you're okay.
I truly care for you completely and totally
and worry that you are okay praying you are not sick or hurting,
to you my heart is forever calling saying I am yours
my sweet Kira forever and ever.
Know that I'm with you and am holding your hand
and you ever so tightly and that I will never leave you.
Please have a great noon my beautiful lady,
and remember your Michael is forever right here if you need anything.
I have an eternal wide open heart and wide open arms
for you to no end because I will never push away,

reject, or turn away from my beautiful Angel and best friend.
I wish I were with you sitting here holding you so very closely,
God bless you sweet Kira and feel my loving arms so tightly around you.

Michael P. McParland

Tired Day Longing For You

Sitting here in the quiet my dear
still focusing on my little tasks to help
the rest of the morning pass through
and my mind inevitably always wanders to you
and I sit here longing to spend time talking
and laughing as we pass the time.
Just forgetting the world as outside it passes by,
just time for us to relax with each other.
It's a tired and longing day for my sweet
and beautiful beloved Angel.

I want to hold you so close seeing your sweet smile
as I make my stupid jokes to make you laugh,
to sit here intently as I listen to everything you are saying
in your stories and jokes, your intelligent thoughts,
and always answer the lots of questions you have.
I like answering your questions because they're
never stupid ones that make me roll my eyes.
They're deep and thoughtful rather they are about
getting to know the person you're talking to
or an interesting subject you want to know more.
I just want to sit here and cuddle spending time talking
and listening to my beautiful lady that my heart eternally melts for.
It's a tired and longing day for my beautiful lady
I so miss and adore in every way that there is.

As I sit here in the complete quiet alone doing
the tedious little tasks that I actually like
it is to you that my heart and mind drift.
Can you feel all of the warmth and the love that I send,
can you feel my arms around you as I sit with you there,
can you feel my kisses as I take your hand in mine?
Can you hear my hearts call as it sings to you?
I love you Kira and though I am feeling quite tired
I stay awake for you so I can keep on writing
and be here ready in case you are in need of anything.
You are my hearts reason to beat and inspiration
and you are everything that I want for all time.
I long for you Kira for among the rough you are a diamond,

you are the one I treasure and cherish to no end.
I send you these smiles with sweet kisses and hugs
of profound warmth and deep love,
Kira you are amazing I hope that you know that.
It is for you that I'm longing because you are
such a pure gift from God and true blessing.
Kira I love you and will always stand with you because
I am your Michael and you are my soul mate and best friend.

Michael P. McParland

A Beautiful Good Morning To Beautiful You

A very early and beautiful good morning
to you my sweet Angel dove and to start it off
I give you sweet kisses with the warmest of hugs.
I wish you could join me here on the couch
as we sat here so quietly as you sipped your coffee
and I held you so close.
It's a quiet morning her where I am
as I do tiny little tedious tasks
and I wish you were here to sit with me talking away.
I miss you sweet lady and wish that here on this morning
with you I could start the day.

A truly beautiful good morning sweet dear
and I send millions upon millions
of smiles with all of my loving warmth to you.
For you my heart is singing morning tunes
to give you a sweet smile as you get up
and get moving on this day.
I truly so wish you were here to spend time
though just of what we would do I have
no ideas or plan,
we would find something even if just for hours
on end like we used to talking and talking.
I just want to hold you my sweet one and tell you
what a wonderful and beautiful soul that you are
and that you do deserve the greatest and sweetest love
that there is on this earth or in heavens width.
I love you sweet Kira and smile at you,
feel its loving power as it is the smile I save just for you.

A truly beautiful and gorgeous good morning
to gorgeous you Kira my precious dear
and feel me there beside you through this whole day
hand in hand step by step the whole way.
You are my true love and the only one I desire
and I give you my whole life you precious Angel.
I would love nothing more than to spend this whole day with you,
just spending time reading, watching movies,
and listening to wonderful music.

I know that it will happen my love as we will never
give up on each other or our bright dream,
God has blessed us with a bond so truly special and strong.
I love you my darling and through the whole day I will be holding you,
Kira I am your Michael and there isn't a thing that could ever take me from you.

Michael P. McParland

Early Morning Snuggle Of True Love

As I climb out of the shower
and have gotten dressed on this early morning
here I softly climb into bed right next to you
and pull you in for a soft gentle kiss,
for a snuggle so loving and warm.
For an early morning just holding the Angel I love.
Kira my dear feel as I reach out to you
taking you lovingly in my arms and pull you in
saying I love you dear and I always will,
never forget that you're not alone.
Your Michael loves you and I am right here,
and then with a soft kiss pull you so close
for an early morning snuggle of true loving warmth.

Michael P. McParland

Night Note 132

Sitting here thinking of you
on what is just a tired night.
I don't understand all this
tiredness myself my sweet one
and my stomach is aching a bit,
but I will fight through for both
me and you.
I soon need to shower and wish you
were here just to join me under
the calming and soothing water.
I want your company so bad
my sweet darling lady.
To snuggle and snooze with,
to talk, smile, and share
the sweetest and deepest passionate kisses.
To just spend time doing stuff with,
I just want to be with my lady
that's all dear.
Feel my arms around you
as I pray you are getting some good sleep
and I hope that so soon
I will be holding you through each day.
Kira you are a gift and a blessing
and I can't wait to be holding you
so I know you are okay.
I worry about you and want you
to know you are so loved and deeply beautiful.
I want to know true closeness with my Angel,
what it is to be connected on the deepest
levels to the supreme partner.

So as I go through more of my night
feel my arms around you with the love that I send,
I so truly adore you and hunger
for the fun that you bring,
and from me you know that's
innocence in the great majority.
I would never use you or view you
as something or someone to be used.

Feel my heart Kira and the flame
that burns for you,
know that true love is all I hold true.
You are an Angel and you are my Queen,
Kira you are my only one and everything.

Michael P. McParland

A Cold Winter Night Holding You Tight

How I wish you were here on this cold January night
to wrap up so cozy in my robe and come out to the couch
and sit with me as I held you so tight.
As you are probably so very tired you could lay down
and rest your head on my lap comfortably
as I wrapped you up in my arms and under my blanket.
To just have you with me while I finished my movie
would be a delight so beautiful and unmatched.
To just give you sweet kisses and then stroke your hair
as you lay there drifting then sleeping is everything
I am longing for and aching.
To be with Kira my lady on this cold winter night
holding you tightly is what I want so very strongly
because you are my Queen and my Angel and I adore you completely.
My heart continues to melt for you daily.

How I wish I could be with you holding you tightly
just softly speaking and reassuring you,
giving sweet kisses and the softest caresses.
Always remember sweet Kira your Michael is with you
and loves you so deeply,
I'll always stand by you supporting you fully.
So feel my arms around you so very tightly
and all of the warmth and love I am sending,
I adore you my Angel and am missing you so badly
and as I sit out on the couch tonight lonely
finishing my scary movie eating my hamburger
I'll be thinking of you and send the sweetest and deepest
most passionate kisses from my heart and soul
with the greatest and biggest hugs of warmth.
God bless you sweet Kira to know and feel how much
I care and love you my beautiful woman because you are
my everything and I want to be holding you and your hand
for all eternity as the most loving best friends.

Michael P. McParland

Love Note 378

Hello my sweet love as I wake
and now try to rise very soon.
I'm sorry I slept so very very long,
I had hoped maybe 8 hours at most
and now this bothersome headache is here.
It's not really bad but headaches
are never fun and waking up
the aches of missing you hit so very hard.
First though dear let me thank you
for all of your sweet understanding
and your loving strength to
help me get the sleep I needed.
It means more to me than you can know
just as do you.
You're my best friend and Angel true
and I'd be so completely lost without you.
I send sweet kisses and great big hugs
of pure and total warmth to fill you up,
feel all of my love my sweet Angel dove,
my heart and soul will forever
be only yours because you give me such
overwhelming feelings of love and light
I cannot possibly describe.
You're my gorgeous girl I so adore
and give to my entire life.
Kira you are everything and all
I need and want forevermore.

Again I thank you dear
and am going to take some headache pills
and let them go to work for half an hour,
then I'll get up and get some food
letting you know just how I am.
So starting to write in 30 minutes
give me 45 or a tad more to get it posted.
You are my Angel and the one my
heart sings to as it adores,
you are the most amazing woman there ever was or is.
I love you Kira and hope you know

just how much I truly do.
You are my diamond in the rough,
my treasured and cherished precious jewel.
Feel my hand in yours as I pull you in
for the biggest tightest hug.
Thank you my Queen for being such
a truly awesome one and always know
that your Michael will not abandon you
always standing by your side
and always waiting right here for you.
I love you babe you are truly
grand and supreme.
Kira you are everything within
my most beautiful dreams
and I can't wait to have you right here with me.

Michael P. McParland

Come Hold Me Tight My Sweet Angel Of Light

Oh Kira my sweet Angel of light
please come lay beside me right now
and hold each other so very close and tight.
I'm struggling as I now wake up with
missing you so very bad and with a headache on top of that.
My heart is aching for you so very hard
and very deep and all I want is to lay with you right here
and say I love you dear.
Then give you kisses and pull you in
just feeling you here right next to me.
Come my love sweet Angel of light so I can hold you close
and you can hold me back.

Come hold me tight my sweet precious Angel
of true love and total light.
I just awoke and the aching sadness of not having you
right here beside me to roll over and hold onto
hit me so hard I just want to curl up in a ball.
I miss you babe and long to just look in your eyes.
To tell you what you mean to me
and what a beautiful woman you truly are.
I long to feel your soft skin and our lips meeting
throughout the day as either one of us need that kiss.
I want you here for times like now to lay with as this headache
gets at me and we could just lay in each others arms
softly talking and feeling true comforts peace as it goes away.

I know you're hurting too and that sometimes is worst of all
because I don't know if I've ever helped you truly
see and know that it kills me when you're hurt in any way.
I want to hold you close and comfort you so your heart
will be calm and still with the loving peace I give.
I miss you so much my sweet Angel dove and want you
here so close within my arms.
Come hold me tight my sweet best friend and Angel of pure light
so I can also hold you back.
I'm missing you because I love you totally through and through,
feel these kisses I send to you and be filled with warmth
by these great big hugs of true love too.

I love you Kira I so very truly do and I can't wait for the days when I am holding you and drying your tears in total loving care.

Michael P. McParland

So Tired. Come Snuggle?

I am so very tired sweet love
and at this moment physically spent.
Would you honor your man and come snuggle
for a little while well I get some sleep?
I want nothing more than to be holding you
as you rest your head upon my chest.
Share some sweet Kisses before settling in
so I can look in your eyes and caress your cheek.
Will you come snuggle in total warmth while we both relax?
I pray so my sweet Kira because I am so very tired
and I love you like mad and just want to hold you closely
stroking your hair and rubbing your back.
I am so tired will you come and join me because Kira
you are my Angel and beautiful everything.
Will you come snuggle because my sweet Kira I simply adore you
and want to give you sweet kisses while holding you
and telling you you're so very beautiful.

Michael P. McParland

Come Sit With Me 4

Come sit with me my sweet one
on the later half of this morn.
I'll wrap you up in my robe
and you can curl up so tight in my arms.
Come sit with me and share some sweet kisses
while we watch TV because soon my sweet love
I'll need to rest my head and eyes for awhile.
The hours are weighing on my body right now
and I want to sit with my beautiful one.
Come sit with me my gorgeous girl
and curl up in your Michaels arms sharing deep warmth.

Come my sweet Kira and sit with me dear,
I want to smell your sweet hair while I stroke it
and smell your soft skin while I tenderly kiss it.
Come sit with me and spend such splendid time
before we rest our heads to sleep for awhile.
I so love you sweet Kira and want to hold you so near me,
I want to look in your eyes as I say
your Michael profoundly and eternally loves.
Come sit my sweet lady I just want to hold and spend time with you
because you are my amazing best friend and Angel
and I truly adore you.

Michael P. McParland

A Quiet Early Morning Holding You

An early good morning to you my sweet one
and as I returned from my early morning shopping
a bit ago I needed to get stuff put away
and catch my breath,
and now I wish you were here so after you had rested
a bit longer I'd get your cup of coffee ready for you
and then wake you up to come out and sit up with me.
To have you curl up in my arms and hold you so close
while you warmed up drinking your coffee and taking in
all of my loving warmth as I held you so tight.
A quiet early morning with you is what would be
so perfect and good on this tired one here.
A quiet early morning with you sharing kisses so deep
is just what we need in this space to feel true cheer.

A quiet early morning just gazing at you
in the deep wonderment I feel as I think and marvel
over the deep love and friendship we share.
A quiet morning smiling as I hold you near and softly
tell you I love you and am so very thankful you're here.
A quiet morning just to feel so fulfilled and good
knowing my beautiful lady is in my arms
and I'm helping her feel so safe and warm.
A quiet and beautiful morning to just sit here
and hold you as we talked, dozed, and woke up.
A quiet morning with Kira snuggling so close
as you drank your coffee and I sat here enjoying your
just being here wrapped up in my arms so very cozy.

Feel all of my love and warmth as I send it to you
with these massive kisses and hugs too.
Know sweet Kira that I'm thinking of and praying for you,
God bless you sweet darling to know I'm right beside you
giving you those sweet kisses in spirit and holding you.
Feel deep comfort inside you knowing I'll never leave you
and that I won't ever stop supporting you.
I am your Michael and I so adore you.
We will have these quiet mornings and when your heart is aching
in need or even those moments of worried doubting

just reach out your hand and take mine and we'll pray together,
to ask God for his deep and strong reassurance.
I love you sweet Kira so just close your eyes seeing
my loving smile and this quiet morning.
My arms are around you and I am giving you kisses so very passionate.
Please my sweet Kira you are my Angel and feel
assurance inside you that I'll never give up on or abandon you.

Michael P. McParland

Love Note 377

Good morning to you my beautiful one
and as I turn on my computer
I see your sweet smile on your gorgeous face,
a picture that so takes my breath away
and gives me a big smile at the opening
of this cold January day.
It helps warm me inside and gives me
the courage to go out and brave the cold
as I head to the store for some early
morning to beat the crowds,
perhaps have time to sit and think
for a minute without feeling pushed
and I will be thinking about you
wishing you were with me to spend time
on such an early morning chore.
Though it should be a quick one
you can never really know.
So I send you sweet kisses
and big warm hugs as in a few minutes
I head out the door.
Feel all of my loving warmth
as I send it to you and I will write
very shortly after I return.
I love you sweet Kira and all that
you are and hold to me is so very magic.
So feel all my admiration and love
as I smile for you and know
that your Michael cares immensely in full.
You are my Angel and my heart melts for you,
Kira you are a blessing totally and for sure.

Michael P. McParland

Holding You Tight Middle Of The Night

While I am not laying down to rest or sleep
I'm reaching out to pull you in so close to me,
to give you comfort and warmth on a winter night so cold
and on a night where I just want to hold you tight
and say Kira I love you babe.
You are a diamond and precious gem,
one so very rare and I treasure you to no end,
you are my best friend with the most gorgeous soul.
You are everything I need and want that is all.
I am in want of nothing but you,
I would never ever dream of expecting you to carry it all
and wait on me as a fat selfish king
because you are my gorgeous girl I so adore.
You are my beautiful Kira I love to no end,
you are my everything my Angel Queen.

So I'm reaching out here in the middle of the night
to hold my beautiful one so very tight.
To give you sweet kisses and soft words
telling you that I so deeply adore you and miss you
my sweet adored woman.
Feel all of my love as with my warmth I send it to you
and let you know that I'll never leave you.
Kira you are so special,
a diamond in the rough shining so brightly
and I will forever stick by you because I love you deeply
and want to spend eternity with you more than anything.

Michael P. McParland

Sweet Night Time Kisses 2

Come sit with me on the couch my sweet Kira
and wrap up in my arms as we wrap up in my blanket,
not my big fuzzy orange one as it's still
in the hamper to be washed but another favorite
I've had since 2008 or 2009,
my mind feels so tired and hazy still I can't remember for sure.
Come wrap up with me though and we'll leave a hall light on
so I can gaze in your sparkling eyes and say
Kira I love you and worship everything that you are.
I adore you sweet one and want to share
these night time kisses to fill you with warmth and comfort,
sweet night time kisses to tell you you're beautiful,
sweet night time kisses for my true love and hero
whom I need more than she knows.
Sweet night time kisses with sweet beautiful Kira
on her lips, her forehead, her cheeks, and sweet neck.
sweet night time kisses for Kira the gorgeous and wonderful woman
I so truly love, adore, and respect.
Sweet night time kisses for Kira the Angel
who holds my heart and my soul.
Will you come wrap up in my arms as together we wrap up
in my blanket so cozy and warm.
I have sweet night time kisses for you
the greatest best friend anyone's ever had and I'll ever need or want
because you are true love and warmth
in a world that can be so very cold.
Sweet night time kisses to you sweet beautiful Kira
my sweet Angel dove.

Michael P. McParland

Night Note 131

Hello my sweet one
and I'm so sorry I drifted off there.
I laid back on the couch
a good while back and then my
white cat Caesar jumped up by my head
and he's a purring machine
which relaxed and took me away.
I am so very very sorry babe
and send you sweet kisses and warm hugs
praying you will forgive me
your loving and remorseful man.
I love you sweet Kira and wish
I could just hold you so very close
within my loving and caring arms
so I could just softly
reassure you while I rubbed your back
and stroked your long beautiful hair.
I wish you were here to sit with me
as I get up for a little while
to just watch some TV
and you could curl up so very cozy in my arms.
I love you so very much Kira
and just want you to know
what a very special person to me that you are.
You are my Queen Angel and beautiful hero,
you are my best friend and soul mate
and I can't wait in person to wrap
my arms around you and kiss you.
I adore you sweet Kira
and my heart melts for you over and over.
Will you forgive me sweet lady?
Please understand I hate how this tiredness
has hit me and I am sleeping.
I am so very sorry and worried you're angry,
come sit with me for a little while
my beautiful Kira.
I would love nothing more than
to be holding you as I get up for a few hours.

Sweet sweet kisses to you
my sweet beautiful Kira
with a great big hug of warmth too.
Remember that your Michael
so truly loves you and will forever
stand there right beside you
and I will be right here waiting
with an open heart and open arms when you're read,
I just hope it is soon my precious lady.
My heart hungers and aches for you
so very badly and I just want to
just take you up in my arms and say
Kira you are beautiful and I love you,
I want to marry you and spend eternity
serving you with my all and my everything.
Kira my dear there's nobody better
you are the one for me.
God bless you sweet lady and feel my arms
wrap around you as I reach out to hold you,
feel these sweet kisses as they shower you.
I so adore you and hope you will come sit with me
as I get up for awhile.
I love you Kira more than anyone can ever imagine
and I hope you can forgive me and understand
as I do feel awful for falling asleep.
I love you baby and send these
endless waves of sweet hugs and kisses
and be filled with peace as I send
all of my love and warmth to wrap you up
like a big blanket of pure comfort and care.

Michael P. McParland

An Evening Holding You

A gorgeous dinner with you on this eve
would be the perfect start as I pampered
and served my beautiful Queen as you deserve.
Cooking you the pork chops I bought as you would
love them most of all along with sauteed mushrooms and onions,
I would be thrilled and so deeply fulfilled
seeing you enjoy them my dear.
Just the start of a beautiful evening with beautiful you,
and after eating our meal I would hurry and clean
so we could spend the rest just spending time.

Afterwards we could just sit back on the couch
and I'd have you curl up so very cozy in my arms,
and you could wrap up in my robe or I'd spread
it out on top of us,
either way I would love as long as I was holding
my only one sharing deep warmth and smiling
with sweet kisses of passion and care.
What could be better?
Nothing I tell you because I would be with you
feeling so cozy and safe without a fear in the world.
I'd like nothing better than an evening with you
holding you close and helping you know you are loved.

Beautiful Kira how I would love to spend
this evening holding you and talking away.
Not really about anything important,
just fun stuff and deep thoughts on stuff like we used to.
Just rest our eyes and drift a little feeling
such comfort spending time with our best friend
while I occasionally dipped down to kiss my beloved Angel.
An evening full of talking, joking and laughing
with my sweet Queen so adorable is what
I dream of this evening and send to share with you.
Oh my sweet Kira what a blessing and gift you are
and I can't wait for the times we'll have together.

Just feel my arms around you this night
as I sit beside you and whisper I love you babe,

in spirit we'll have this great night my dear
and I'll say a prayer for you and our to soon be right here.
I love you my darling and want nothing more
than to be holding you closely spending and evening
wrapped up so tightly and warmly gazing at each other.
feel me there Kira and share this dream with me
knowing that we will soon live it for real.
An evening spent holding you is why I will continue to fight through
because you are the Angel I want to be with forever and ever.
Kira I will never leave you and forever stand by you
and can't wait for these evenings of holding you
because more than anything there's ever been
or will be I love you my precious sweet lady.

Michael P. McParland

Longed For Your Touch

Oh my sweet love I just arrived home
from the very crowded store
and what a very tiring chore with so many people there
and frustrating when so much of what I wanted
to get was gone or no longer there.
I could feel all of your loving strength though
with that great big smile of yours
and it helped me troop on with a smile of my own,
just how I deeply longed to have your hand in mine
and have you right there marching by my side.
And now how I wish you were here eating with me
the special treat that I bought.
A shrimp seafood salad I know you would love.
I love you sweet Kira and long for your touch
of kisses and snuggles with endless smiles.
I long for you Kira because you're
my sweet Angel dove and the loveliest Queen there's ever been.

I truly am so thankful for you and as I walked
through the store I looked upon things
and tried to think of a special meal.
They didn't have what I wanted for ham steaks
with sauteed mushrooms and onions in a garlic and herb butter dear,
but I'll do pork chops for my lady instead.
A grand meal for my Kira so good.
I truly work to honor you by giving my best
in everything that I do
and I send you sweet kisses and hugs to fill you with warmth
my sweet Queen and Angel I adore to no end.

Kira you are my world, my universe, my true love,
my best friend, my hero and everything,
and as I walked through the store I longed
for your touch as everyday I want your hand in mine.
To pull you in close as I look in your eyes and say
I love you sweet one you are all that I want.
I need you because I love you and want to
give you everything that I am and I have.
I thank God for you everyday that I live

and I want to show you through all of my looks and deeds
just how very much you mean to me.
I longed for your touch and do right this second
because I want to hold you and tell you you're the greatest.
I love you sweet Kira and send you the deepest most passionate kisses
and you can count on me tonight writing you
as I hold you in spirit ever so tightly.

Michael P. McParland

All I've Ever Wanted (You're My Greatest Love)

Oh my sweet sweet Kira please don't
be upset and please don't be sad,
I hope and pray that you know
your Michael loves you more than anything
in heaven or on this earth.
I love you so very very much and all I've
ever wanted was to hold the sweet woman
named Kira Petranovich so tight in my arms
giving kisses so sweet while I tell you
you're beautiful and that I care for and love you so much.
All I've ever wanted was to help you know
what a special soul that you are
and to make you happy and proud.
I love you your wonderful soul and all I want
is to look in your eyes while we smile
and say I love you my best friend,
you are my soul mate and my only one,
God bless you sweet Kira you're magical and a blessing.

As I head to the store to do my shopping
I'll be thinking of you and sending sweet kisses galore
with all of my warmth and love just for you,
I'll wear a smile as I can feel all of your love.
Will you wear that gorgeous smile of yours
just for me my sweet Angel dove?
I'll be holding your hand as I stand right by your side,
I love you Kira and I hope I have helped
you understand just what a special soul that you are.
All that I've ever wanted was to show you
that you are a beautiful woman that each day I love more and more.
All I've ever wanted was to hold you and give you
every last bit of this love I hold in store to you.
I hold so much to drown the world it feels
and I want to give it all to you sweet beautiful Kira I love.
All I've ever wanted was to make you happy and proud
and to know what a wonderful miracle you are.

Kira I'm not angry at you in the slightest of ways,
I love you, I love you, I love you you see.

All I've ever wanted was to spend each day with the one I adore
and Kira my heart melts for you and I adore you more than anything.
It so hurts and upsets me when you are upset at me
because all I've ever wanted was to make you so very happy.
You are my best friend and my heart and soul
will forever be yours,
I pray to God that soon I can see you and tell you
just how very wonderful that you are.
As I'm at the store I'll pick us up the most special meal
and wonderful of snacks and even though you aren't here
I hope that it will be special that I make them for us.
All I've ever wanted was to show you my love
because I want you to know how wonderful you are.
I'll write you as soon as I return my sweet love
and I want to tell you more of how special you are.
God bless you sweet Kira and I send you
this massive hug of deep warmth
and these sweet kisses of true love.
Please know your Michael loves you
and send some sweet kisses in return.
All I've ever wanted was the very very very best for you.
I love you sweet Angel Kira more than anyone knows.

Michael P. McParland

Love Note 376

Good afternoon my sweet Angel dove
and as I have finally risen from that long sleep
I want to say thank you for all
the peaceful calming strength that you sent
so I was able to rest.
I could just squeeze you so tight
in my arms and shower you in kisses
of such deep loving thanks.
I know you are angry though too
and that sinks my spirits and heart,
a smile right to an aching frown.
I'm about to go shopping and
get that all done and I was so happy
to just tell you thank you
and say I missed you so much.
I wanted to thank you for understanding
why I have been so very tired
and say I wish you could be with me
to just hold hands and spend time
as we went along smiling so widely
and knowing all was fine in the world.
Now I'm just tired again.
I love you Kira I so truly do
and all I want and need is your
patience and understanding too.
I love you so deeply and send you sweet kisses
and hugs so warmly.
I'll write you soon my sweet love
when I have woken again.
I miss you so much and love you
with every ounce of who and what I am.

Michael P. McParland

A Warm Middle Night Snuggle

As I slip back into bed for a few
more hours of restful and refreshing sleep
I reach out to you my beautiful one
to pull you in for a warm snuggle
of pure comfort and love.
A warm middle night snuggle to soothe and calm
both of our aching and lonely hearts
that have shed so many tears longing for the one
we love and need above all else.
I'm reaching out to you Kira my best friend
to hold you in these middle night hours
to tell you I love you, miss you, and need you so bad.
I love you my darling and long for my Angel,
Kira my sweet Queen I so cherish.

With a sweet kiss full of such deep passionate love
I pull you in my sweet one for a snuggle for full of care.
Take peace my sweet one and know that I'm there
because Kira my darling my heart melts for you in full.
I love you so deeply and truly want and need thee
because you are the most gorgeous woman
that God has blessed to this earth I assure you.
Kira my sweet one feel my arms wrap around you
as I give you a sweet kiss and pull you in for
a middle night snuggle of warmth while saying
I love you Kira and I want to be with you forever and ever,
you are the greatest my gorgeous Queen Angel.

Michael P. McParland

Night Note 130

Oh my sweet sweet Kira
as I sit back here on this night
I miss you so very much
as tiredness begins to strike me again.
I really was much sicker last week
than even I realized at first my dear
and as I watch TV my eyes are
bothering me again.
Although from tiredness or more I do not know
and all that really matters is
just how very very much I love
and miss you Kira my Angel true.
I miss you so much that often enough
my tears may be dry or not physical
they are there because I miss
and long for my darling dear.
Do you know why I sleep so often
at times my sweet love?
And i mean that as I question
since I'm not sure if I've explained it
truly right or good enough.
You know some of my medications
make me very tired and sometimes weak,
and I'm waiting for one lab result
and I may be going back on the lithium.
I sleep so much sometimes because
in that drifting state the spiritual veil
is most open and that's the strongest point
sometimes I can feel your kisses and your arms.
Yes I always feel your love
but somehow God makes it open strongest there
and I smile and say I love you dear
as I'm floating there feeling your smile
and your nuzzles and there is never
room for doubt of what the spirit
sings and shouts,
then the hopes of dreams galore until
we reunite in real life to snuggle,
talk, and hold hands as we rejoice in the gift

that God has blessed.
I love you Kira you're the best
and I'm thankful you are my Angel,
true love, and great best friend
and I want to share my life with you
you gorgeous woman.
I send you sweet kisses and hugs so big,
never forget your Michael's here
and right by you and will never
leave you high and dry crying
all alone facing this cruel world without your loving man.

So as I sit here on this night
either to watch more episodes
of the original seasons of the Simpsons
or watch a film for my eyes
won't take the strain of written word
I think of you and hunger for your
touch as we snuggle tightly on the couch.
I know that you would need your sleep
so rest your head upon my chest or lap
relaxing while i stroke your hair,
caress your face, and rub your back.
Feel at peace as I just give you
all my loving strength.
Kira feel my love and have no doubts
that my heart and soul are yours in full,
I pray that soon you will be here
and we will snuggle on nights like this
as I have you wrapped up in my arms and robe.
I love you babe and I always will
so feel me there holding you so very close.
You are my true love and the one I adore
so come sweet Kira curl up in my arms
and snuggle closely for awhile before
I lay back down to sleep a little longer
to heal my body, mind, and eyes.
I love you baby you are my Angel.

Michael P. McParland

Late Night Snuggle 3

As I now rise for a little bit
my sweet Kira would you like to come
out with me to the couch and sit?
I'll wrap you up in my cozy and thick
new black robe I got for Christmas to keep you warm.
My big fuzzy orange blanket needs to be washed
after all the sickness that's been.
Who needs old germs hanging around?
Will you come curl up under my arms for a
late night snuggle sweet one?
I'd love nothing more than to give you my robe
and have you in my arms as you dozed or ate
a little something with me while watching TV.
A late night snuggle with you is just what we need
just you and me with sweet kisses too.

Let's have a late night snuggle where
as we share a bit of food you can watch
the very early seasons of the Simpsons with me.
Then I'll find the perfect movie for us
or even read if you like as I hold you close
giving you kisses on your cheeks, head,
lips, and soft neck with little nibbles
of love with smiles and laughs.
Then just rest your head into my chest
and drift off a bit as I read and talk to you
and watch some movie a bit.
It won't be scary so you won't be bothered.
Come sit my sweet darling and share a late night snuggle
with your Michael who loves you more than anything
in heaven or this whole world.
Come my sweet Kira and let's enjoy this time
kissing, laughing, talking, and enjoying each other.
I love you sweet Kira and miss you so badly,
please come wrap up in my new fuzzy warm black robe
and in my arms for deep comfort.
Come my beautiful Angel and let's have the most wonderful
and peaceful loving late night snuggle.

Michael P. McParland

Love Note 375

Sweet sweet kisses to you Kira
the beautiful woman I so love and miss.
Please don't be angry or cry,
please don't worry that I have
left you or am somehow angry inside.
If you could only see and feel
these tears that escape my eyes
right now as I worry about you
you'd know the anxiety and sadness I'm filled with.
I need the rest from being sick
but I promised you I'd rise sooner
and I feel so sick that I did not manage
to at least rise to tell you
I was still so very tired.
sweet sweet kisses to you my Angel Kira
please forgive me and feel all my love.
Feel my arms around you
and let's snuggle so tightly right now.
I love you sweet Kira you're my everything
so please don't feel upset and I'll dry your tears.
Come my sweet Kira and rest with me a bit longer
so I can hold you so close and reassure you in warmth.
I love you sweet Kira and I'm aching inside
and I just want to hold you
because I know that you do too.
Come my sweet Kira and join me under the covers
to snuggle and feel comfort as I hold you tightly
speaking reassurances so very softly
while rubbing your back and stroking your hair.
I love you sweet Kira more than anything
there is darling so please never feel fear or worry
that I've gone anywhere or left.
Come join me sweet Kira so I can give you sweet kisses
and stop both of our tears I know are flowing.

Michael P. McParland

Sweet Snuggling Kisses Sweet Kira

Oh my sweet sweet Kira I'm so sorry
I fell asleep this whole day.
I set my alarm and when it went off
I sleepily reached up and shut it off.
I am laying here shaking feeling
awful I want to cry.
I send you sweet kisses of apology and sorrow
please come snuggle with me.
I love you sweet Kira more than anything,
feel me wrap my arms around you in deep comfort with a kiss.
Come my sweet Kira and lay here beside me
where I can give you sweet snuggling kisses
while telling you I so deeply love you.
Oh my sweet Kira I feel so awful and like
I have again failed you.
I'm so filled with anxiety and I just want to hold you.
I'm sorry sweet Kira and I truly mean that
please come rest with me a bit longer and share sweet kisses while we snuggle.
I so truly adore you and love you like no other.
I send you sweet kisses sweet Kira
so let's snuggle sweet lady my Angel I just want to hold you.

Michael P. McParland

Come Snuggle 9

Come my sweet Kira and snuggle with me
on this early Sunday morning we're in.
As I continue to improve from the sickness
that hit me so hard I am in need of a small rest.
I thank you my dear for all the strength that you've sent
and how I've felt your arms around me
as I sat up and got a bit of food in my gut.
I am still feeling but the tiredness has hit me now
and I would like you to join me for this small nap.
Will come nuzzle with me in each others arms
as I catch a small rest so through the day
I'll have more energy?
Also say a prayer that it won't turn into all day.
I love you sweet one and want to feel your sweet kisses
as I turn on my audio book and close my eyes.
Come snuggle sweet one and feel all of my love.
Kira my dear you are my everything
and I want you to be with me because I love you in full and only you.

Michael P. McParland

My Heart Hungers

Sweet sweet Kira how my heart hungers for you.
I hunger to be with my special woman
who fills me with such love awe and wonder.
How my heart hungers to have you here
with your hand on my chest feeling
as it beats and sings for you in pure emotion.
Oh my sweet Kira how my heart hungers
to just have you here holding you closely
while I give you the sweetest of kisses
and tell you that I want to be with you forever and ever
because I adore you and in the purest and most
loving ways only for you do I deeply crave and hunger.
I love you sweet Kira and for you I ache so badly
because you are my Angel and for you I would give anything.
I love you my lady and send you sweet kisses in the trillions.

As I sit here bit by bit feeling better
I'm finally watching Ohio State beat Notre Dame in the Fiesta Bowl
and at the same time all the while thinking of you
and wishing you were right here beside me cheering along.
Sure I already know the outcome but it's still exciting
and to be here with my Kira would make me smile even wider
because you're a blessing and God send,
Kira you're everything I long for and to no end
because you're a special Angel that shines above all.
I love you sweet lady and hunger for you badly.
To sit and spend time with just talking, reading,
watching TV and movies, snuggling and resting.
Kira you are the most precious person that I've ever known
and I hunger to hold you so you'll know how special,
loved, and cared for you truly are my best friend.
I love you sweet Kira you are the greatest.

Kira I hunger for you because you are you
and that is the most special and wonderful thing
to me your ever dedicated and loving Michael.
I can't imagine a life spending time everyday
by another woman caring so deeply and truly
wanting to know in depth everything,

going out and gloating about her to everybody.
Only you my sweet Kira can I imagine these things
and so much more than I can even think of.
I hunger for you because you are so gorgeous with a good soul,
I hunger for you because you are my dear one
and I'll always treasure our bond and our friendship.
True love begins with respect and deep care of friendship
and we are the best of friends my sweet one.
Kira I love you and as I reach out in spirit to hold you
feel the deep aching of my hearts want, need, and hunger.
You are a treasure I so deeply care for and cherish
and I want you to know I will never waiver or diminish
in my commitment and caring for my greatest Queen Angel.
I truly love you sweet Kira and will
stick by you through all things and forever.

Sweet Early Sunday Kisses

A very good early Sunday morning to you
sweet Kira I love with all of my heart,
mind, body, and soul.
After these few days of being stuck in bed
and now that all the bills are paid
come sweet lady and sit with me.
We'll share the sweetest kisses while
smiling oh so big.
Come sweet Kira and sit with your man
who wants to have you here with him
and share a sweet Sunday morning
in each others arms and hand in hand.
Come sweet Kira and see how I smile right now
because of and for you,
come sit with me because I want to thank you
while we sit and spend some time by each others sides
which is where I wanna be through all time.

Come sit with me my sweet Kira dear
so on this Sunday morning here before anything else
I can look into those eyes of yours
and say thank you dear for all you are,
for all you do, for just being you Kira
which is a special thing you know.
Thank you sweet one I love you so
and please just sit here with me while I kiss you sweetly
and we just talk awhile.
I miss you so and want to forever spend my life with you,
not just this one because it's not enough
but eternities time because only then can I be satisfied
I'll get to know my Angel through and enjoy existence as I'd like.
Come sweet dear and curl up in my arms
as I give you sweet Sunday morning kisses so divine.

Oh my sweet Kira come cozy up for
a sweet Sunday morning of true loving warmth.
I'll try to wrap my new fuzzy robe
I got for Christmas around the both of us
or lay it on top to keep us warm while we kiss

and just do some stuff while snuggling close.
I missed Ohio States game while I was sick
and perhaps if on YouTube you'd like to watch that with me?
Or a film that you would like I'd rent
or buy on Amazon digital right now.
Or to sit and read our book would be just great,
just a sweet morning with sweet you is all I want my precious one.
Sweet Sunday morning kisses with Kira oh so good.

So a very very early and sweet good Sunday morning
to you my sweet Kira so beautiful and good.
You are my Queen and I just want to be with you,
come sit and share some kisses so fulfilling and very good.
Kira I truly love you so and more than anything
and hope you know I'll always fight for you.
I'll never leave you girl this I forever swear.
I want to marry you and give you all of myself
in true love and trust because you are the one.
Come sit with me my precious love and share some kisses
to keep healing the mind, the heart, the body, and the soul.
Kira dear I love you truly with everything I am and have,
come be with me so very soon and I will give you
everything I have and all I am everyday with all my best.

Love Note 374

Hello my sweet love
so truly beautiful that
I care for in every way
and am thankful for just as much as well
I send all of these sweet kisses
of deep pure love warmth and care
to you to help reassure you I'm here
and always by you my Kira so good.
Please never worry that I have
left you alone in the cold or that I will
because I can assure you I won't
my beautiful Queen I adore.
It's been a difficult past few days
of physical health and some mental as well
and I will try to explain
the best that I can and just ask that you
understand the best that you can.
I love you so much and thank you
for all of the kind loving strength
that you send.
It means so much to me my darling dear,
especially in vulnerable times
where I feel it harder to face and get through.

Oh my sweet love how my heart
truly is longing and aching for you.
The other morning when I wrote you
I was completely and utterly exhausted
and you know about my eyes which
had been bothering me, they are fine now
a blessing and perhaps was just the strain
of intense exhaustion and allergy,
my ears were aching which I still have
medicine left from the doctors a few months previous,
and you know how bad my tongue was hurting.
It was causing me so much pain
and not long after writing you last
my whole body began feeling so sick.
My mom had to go get me the strongest

oral medicine there is to try
and give me enough relief to relax
and it helped enough that soon
my body gave out to sleep and I slept and slept
until late into the first and still
felt so very ill just resting
until I had to get up
and take care of myself and shower
going extremely slow and then catching
my breath before I wrote you.
I thought of you dear and prayed you knew
that I cared and had not gone anywhere,
I felt so awful I just wanted to hold you
and have you with me to help the shivering
and sadness of both my body and mind
go away.
All I wanted was my Kira I so truly love
and want forever with me.
I love you darling you're my everything.

Oh my sweet love then through yesterday
again I just slept and slept
and it was filled mostly with the dreams
that feeling sick brings.
Wired and sad in so many ways,
at many points I lost you again and again in them
which the very few times I did wake
I was in tears and sat there like that
until I would finally fall back to sleep.
You know how dreams in that state are
are so real in a way and hurt in an extreme way.
Finally I woke up clear enough last night
to write you and ask for that snuggle
and nuzzle which I needed so extra badly my dear
and I want to thank you so much
for sending me that love and strength
as after I got a small drink
I lay back down and could just feel your
arms go right around me
as you just nuzzled your face against mine
and down into my neck with
a few kisses so divine and I was able

to relax in full and have lightly
drifted through the night
knowing you're there and having the sweetest dreams
of you and me talking and spending time.
Thank you, thank you, thank you
my sweet Angel dove I love you so very much
and can never tell you just how much
all that you do means to me.
I love you Kira more than anything
and I pray so deep and hard
that soon I will be holding you close
because that is exactly what I need and want
more than anything else that there is.

I love you so much my dear Kira
and want you to know I would never
just disappear on you or leave you
out of nowhere.
I'm so so sorry I was so quiet
and would never be like this
without such reason as being so sick and unable
to write my sweet love.
I am truly so very worried that
you are in tears and very worried not knowing
just what's going on or how I am.
I assure you my dear I am always there
with you no matter what
because you mean so very much to this man.
Kira I'm reaching out to pull you in
for the biggest snuggle and hug
for the longest while to give you deep
comfort in all my love.
I'm still not feeling super great
but am going to get up for at least a short bit.
I have bills to do and just want
to get my body slowly readjusting.
Just feel all of my love as I am right here
and right there beside you
giving you all of my love my sweet Angel
so truly beautiful and amazing.
I promise I am going to write you
as I go about doing things ever so slowly.

Truly my Kira I am ever so sorry for
any sadness or worrying that befell you
and thank you so much for the cuddle and nuzzles.
I still feel your face against mine and my neck
with the most gentle loving rubs
and kisses so sweet.
God bless you sweet Kira my heart hurts
for you so much and today as I go
I hope to illustrate to you
how thankful I am and how deeply within my heart
I love you and want you here by my side.
God bless you again my sweet Kira
and please say a prayer for me
that my body will hold up and continue
to improve as I move around slowly this day.
I will write you as I go about
doing my bills and other things.
I love you sweet Kira and I hope you know
just how immensely and deeply it goes.
I love you Kira and am sending you hugs and kisses
so sweetly.
Kira you truly are so very amazing
now hear my hearts call as it gives you
it's all singing the most loving songs.
Think of all the Falco, Pet Shop Boys and many others
because my heart is in full voice
for my gorgeous Kira I so totally adore
and that my heart everyday melts for
in true love.

Michael P. McParland

Come Snuggle And Nuzzle

Come my sweet Kira darling
and lay here next to me.
I've been sleeping through this sickness
the entire day through.
Only waking up from moments here and there
and I so badly want and need you my precious dear.
Come snuggle and nuzzle with your Michael
I so need you my precious dear.
I send you sweet sweet kisses of my deepest love
and just want to have you near.
Please sweet Kira come and lay by me
to look into each others eyes and say I love you dear.
Come snuggle my sweet precious Queen
and please understand all that has been going on.
I love you Kira I so truly do and want to have you near.
Come snuggle and nuzzle with me my precious love
and help give me calm and help in healing what makes me sick.
I love you Kira in full and to no end
and I want to be with you through all time my dear.

Michael P. McParland

Sweet Kisses And Warm Comfort

I have and send such sweet kisses
and warm comfort to you Kira my dear.
I am so sorry I've been so very quiet
but have been sleeping most of the time
and all those infections finally went
full blown sickness on me not long after
I last wrote you my dear and even now
am wrapped up and shivering.
I got up about three hours ago
but needed a shower and had to take
my time at every step catching my breath.
Only now have I reached enough energy
so I could write you this note.
I love you sweet Kira and wish you were here
so very badly to wrap up in warmth together
and soothe both our hearts and our bodies.
I miss you sweet Kira you are my Angel
and I have been praying for you
in my moments of clarity that you
would not be worried and know that
I was right there beside you holding you tightly.
Kira I will never leave you so please
never fear or worry that your
Michael will disappear or anything.

So my dear as I lay here still
shivering and missing my sweet precious Kira
I send you sweet kisses of true love
and warm comfort straight from my soul.
I love you so much and wish you
were here to sit with me as I made it through.
I love you Kira and my mind is too
disorganized right now to give you the honors you deserve.
I truly love you so much
and miss you so bad my sweet Angel dove.
So come lay with me dear and hold
my hands within yours as we rest a bit more
to recover from this sickness and just
bask in the presence of our best friend and soul mate.

Michael P. McParland

So Very Very Much My Sweet Dear

Sweet sweet Kira please just come lay down
beside me as I need your loving care
and support very strong.
I've been sitting here in the quiet dark
of my room on the bed with endless thought
and emotion running through me
so as I tried to start writing you my thoughts
it all just came out with no sensible
or comprehensible train of thought to go on.
i know what I think and feel my sweet Kira
and the solid core that is forever
is that I love you so very very much
and forever my sweet dear and I need you here
because I care about and love you that's reason enough.

I am struggling to an immense level tonight
my sweet one and need to just lay down.
Would you come and join me in spirit?
I am sending you all of my warmth and love
with great big kisses and hugs.
I love you so very very much my sweet darling dear,
and just pray that soon all will be well
as we spend every night in each others arms
and find the peace and happiness that is meant to be ours.
God bless you sweet lady and I truly
am and will be right there beside you holding
you so very closely in spirit.
I love you sweet lady and I mean that sincerely
from my hearts very center.
I love and adore you sweet Kira
my heart melts for you anew each day that arrives.

Michael P. McParland

Hold My Hand Tightly Sweet Dear

As I reach my hand out to you
in this hour between late noon and early evening
will you please reach back and take
mine so very tightly within yours.
I just need to know and feel you there
to help me get through this sadness
I'm feeling over a number of things
including not having you right here in person
to hold hands and snuggle sharing sweet kisses.
I'm not sure many kisses I could deliver
or just good they would be because my mouth
is in such radical pain from the canker sores
I can barely talk for a sentence or two
before it gets overwhelming.
So I would just write you little messages
and see if you could guess what I'm thinking and saying
through the looks that I give you.
You are such a dear and beloved Angel
because even in the smallest of ways you
helped make things better sweet dear.

Please my sweet dear as we both reach out
to each other hold my hand so very tightly
and I'll pull you into my loving arms
to give each other deep peace and comfort.
I just want to spend this evening that right now
for me seems off center somehow.
Please hold my hand tightly and I will hold you
telling you I love you on whatever way I am able
and the best that is possible.
Please reach back and take my hand tightly
for comfort as I reach for you and hold hold
you in my pure, infinite undying and caring love for sweet you.

Michael P. McParland

An Aching Awakening

Sometimes I so dread the sleep my sweet dear
even when I am in great need of the rest.
Not always bad dreams as lately they have been few.
It's that sometimes the lonely sadness swings
above you as you sleep steadily descending
just as in Poe's The Pit And the Pendulum
so when you awake all of those feelings come pouring out
hitting you at the time you're least ready
to cope or be prepared.
That was the story as I awoke an hour ago
and was aching so bad I just lay in bed
waiting for it to ease enough that I could get up
in good enough mind and get a few things in order
before I wrote to you sending all of my true love
and warmth with the sweetest of kisses and hugs of strength.
I will make it my dear it's just one of those things
that when it comes and hits it knocks you down.
I love you sweet lady and am here I wanted to
let you know as soon as I could get myself in good enough shape.

Just a very bad awakening of intense
overwhelming emotion and sadness
in how much I miss you and that I am not with my love
right here by my side spending everyday hand in hand
spending time sharing the things that we love.
Such a very deep sorrow for those things that went
wrong and that I know everything with patience
and understanding through our true love can be fixed.
Deep longing from the distance is an extreme
weight to have dropped upon you as you wake.
I love you sweet lady and am fighting along trough it,
I can feel of your loving strength and it is helping
to lift me a lot and give my heart and soul brilliant light.
Thank you sweet lady you are a beautiful Angel
and am amazing woman I'll spend serving and thanking forever.

Then other various hurts and concerns
of varying weight dropped along with it all.
Nothing really to cover here as

they if to be mentioned at all would be
written of in immense detail in a work
of their own.
So don't worry about it now my sweet dear
because you can have pure faith in your heart
and soul that I will stick to my promise
and solemnly sworn word that these walls
will be torn down and only you will get admittance
to my whole world my sweet Angel dove.
A world to share with my Queen where we can express
everything to each other freely.
Have faith my sweet darling your Michael
is not leaving you or slacking off because
you are my true love and Angel I strive to give my very best.
Feel all of my warmth and love sweet Kira and feel me holding you
in deep infinite care so you will know you're not alone.

Michael P. McParland

Come Snuggle My Angel Of Love

The tiredness has hit me hard
in these last 10 minutes my dear
and I do need a few hours rest.
It should only be a few and then I am up again
and here for you if you need and to write
from the depth of my heart, mind, and soul
of all that I feel for you and whatever
may be taking my notice at the time.
I continue coming here for you because
you like and enjoy what I write
and I want to share with you all that is me
the best that I can whenever my dear.
Come snuggle with me my sweet loving Angel
and share some sweet kisses as we wrap up so tightly
to feel comfort and warmth on a cold winter day
and just warm up and soothe each others hearts.

Come snuggle with me my sweet Angel of love
and rest you head on my chest as we drift
into sweet peace in our hearts and souls
just being together spending some time
and for a short bit talking.
I am so sorry my sweet Angel this tiredness
right now is knocking me down
and my mind is cutting in and out.
So please come my sweet darling so I can hold you
as we contentedly rest for a few hours
holding each other contentedly
and feeling the deep peace and warmth
that only being with the one you truly love
can bring.

The Legends Of Notre Dame Football

The legends of Notre Dame
have come and passed through the decades,
now all have become but glimmering memories
remembered as far better than realities outcome
and the echoes are silenced eternally.
Notre Dames greatness forever gone,
their legend and program just dust in the wind.

Michael P. McParland

A Morning In Need Of Your Thoughts (In Your Arms)

Good morning my beautiful sweet Angel
and I give you sweet kisses and big hugs of warmth
to begin this part of the day.
I didn't write a bit sooner because of two
very good reasons,
first I wanted you to get more of the rest you've
so needed praying you'd feel deep peaceful calm,
I suspect you did not rest though so I worry
about your health and know you drive yourself
to far and hard when your body says stop.
Please my sweet lady take care of your health
as you are so precious to me and this world.
I love you sweet Kira and want you to be around forever.

The second reason most likely a foolish dream
and flight of fancy in a very good idea.
A thought of a good poem inspired from two
different songs but in the same vein
of thought and critical take of selfish ignorance around us.
I don't want to give more than right now
incase I so decide to go at it after all.
I have no real talent though and this would
take a lot of meticulous structure and detail at many points
and you've read some of my pieces where it
was there making sense and layed out perfectly
and then reading it after it made no sense
so I even forgot what my point was.
So I wish that here on this morn I was talking to you
so I could get your thoughts,
those of a gifted and intelligent writer.
Then I'd just like to be in your arms because I love you
and want to hold each other.
A simple reason yes but we don't need more reason than that.

I wish you were here this morning because I love you
and need you to curl up in my arms because I just want
you to know and feel that you're loved.
I wish you were here for your thoughts on it
because I would explain all in detail to you

sitting right by my side without critical ears
or those hungry to feast on my idea.
I know your thoughts and help would make something
relevant and good.
So I wish you were here to share thoughts, feelings,
ideas, and techniques on something that is
too intimidating and large at this very moment
to put my mind in and around.
I wish you were here just to sit and enjoy
sweet passionate kisses while spending time with each other.
I just wish you were here because I so deeply
love and miss you immensely and I just want to be
with you going about our needs and pleasures
through the day hand in hand giving smiles
like we used to that said everything that we held
within us without a spoken word.

Michael P. McParland

Taking You Into My Arms

As I finally have risen from that very needed rest
that lasted longer that I expected and have gotten going
a bit though a tad and off center a bit
I'm reaching out to take you in my arms
to assure you I'm here for you and there by your side
to always give you all of my loving care
and concern which I hold for you to no end.
You are my sweet Angel dove and everything
that I cherish and hold dear.
Kira feel my arms around you and all of the
tender and gentle immense true love I hold
for you in all of my heart, mind, body and soul.
You are an amazing woman my Angel Queen.

Even though right now at this point I am not tired
I want to slide into bed next to you to give
all of my warmth and care to fill you up
with reassurance and peace that you're not alone
and I care for you so very much and would
give you the whole universe as a gift of true love
and a trust within it knowing you'd give
all within infinite care and love with happiness to spare.
However it is not mine so I give you my whole world
to share in and explore forevermore.
I unlock the gates of massive defense
around my tender heart to let only you in
to see and feel everything that I do my dear
and I hope and pray that you will do the same for me.
Sweet kisses and deep hugs on this middle night
to give you the comfort you so need and deserve
within your precious Angelic heart of purity and gold.

Sweet sweet Kira my one and only true love
there hasn't been more than maybe three days
in the now fast approaching 17 years since we met
and I'm amazed honestly that there's one
because there's never been a day my heart
didn't feel yours across the distance
and they spoke above any silence,

everyday I worried if you were okay
and how you were doing and where you were,
you've always been my bright center of
loving light within my heart and soul I hold so very dear.
I love and adore you sweet Kira
and am reaching out to take you
in my arms to give you sweet kisses of true love
and big hugs of deep strength and warmth
so you'll know I'm here and that you
have support through all things as I stand by your side.
Kira I so deeply and completely love and adore you
and I will be your forever man because my heart melts
for you my most treasured and cherished best friend and sweet Angel.

Michael P. McParland

Come Snuggle Sweet One

Come snuggle with me my sweet one,
my brain has been slow tonight and the ideas
don't quite form or don't come together
so you will know what I mean and am saying
so I'm truly sorry my dear that you didn't hear
more from me up to this point.
I need to lay down for a short bit
to rest my weary body and mind.
I don't think I'll end up going to sleep
for the night and I will write to you as son
as I get myself together and am able to think.
Come snuggle my darling and share
the sweetest of kisses.
I want to be with you sharing life
because that is truly everything
and I want to have everything with my beautiful Kira
so wonderful and deeply charming.
Come snuggle my sweet one and just rest your head on my chest
feeling deep comfort and care.
I will hold you so close and make you feel safe.

Come snuggle sweet one I so want you by my side
in each others arms feeling so warm, close,
and truly protected and safe in the love you
show and give me with every ounce of your heart and soul.
Come snuggle with me my sweet Angel dove
while I take this short time to give my mind rest
and become clear so I can write for you
and be able to accomplish some other things.
I love you sweet Kira and truly miss you so badly,
please come snuggle my sweet one
so I can finally know and treasure in every way
what it is like to be holding the person you love the most
feeling loving peace fill your whole body.
Come snuggle my sweet one and I'll hold you so closely
to tell you your special and important.
Kira I love you so much I am close to bursting
from it's immense depths.
Come snuggle sweet Kira and feel all of the

unconditional and undying love I have for you in my heart and soul.

Michael P. McParland

An Evening Spent Snuggling And Talking

Evening is here now my dear and through
the whole day I dreamed of holding you
and talking as we just spent time with each other
sitting up in bed and snuggling
as you rested your head on my shoulder
while I rubbed your back and stroked your hair.
A day spent sitting in bed relaxing with you
and now as evening is here I still dream
of us snuggling here and enjoying the evening
talking, reading, watching a movie,
laughing and smiling all the while with
my beautiful Kira I so adore and my heart truly melts for.

I would love to be spending the evening with you
so I could tell you about the things that I'm feeling
and are on my mind in many ways,
an evening spent where you'll have someone
who truly cares and wants to listen.
I want to know everything my lady to share in the joys,
be there to hold you as you let go the sorrows
and help you to feel safe when you are ready to share your fears.
An evening spent snuggling and talking feeling
peaceful content as we give
our trust in true caring love to each other.

An evening where after we've talked our selves
out for awhile we can sit back with a movie
that you have picked out and the hours
can just drift and pass into the night
as we just got lost in the joy and magic
that we have together sharing a bond
so very strong and has lasted through so very much
and I have not a doubt it will
continue to be there growing even stronger
and stable as we continually work
for and through things together.
I love you sweet Kira and wish you were here
to be spending time with on this evening.

I long for you Kira and yearn to
have our sweet time together in pure joy
feeling fulfillment and always giving
our everything and all to each other
supporting with all of the true love
and devotion we hold inside us.
In spirit tonight my sweet Kira I will be holding you,
I will continue to fight those patches
of tiredness that have hit at times
and I have beaten them so I could be here for you.
At times it's what's slowed down my mind
and made getting ideas difficult my love.
I'm sorry about that but will write you
when the ideas come clear through.
I Ewan to tell you I love you because
it is something you need to hear
and it's something I need to do and say often
so I can feel peace not worrying I'm leaving you hanging.
I will be here for you my sweet lady
and right there beside you holding you
tightly and lovingly.
Soon my sweet love I know that we will have
our time of joy in each others arms.
Hold onto the faith and the hope and feel all these
sweet kisses of true love and big hugs of strength
to give you reassuring warmth to give you peace.

Michael P. McParland

Passionate Kisses Of Deep Care

I send such passionate kisses of care to you
Kira my gorgeous and beloved sweet Angel dove.
Passionate kisses of deep longing to be with you
spending time talking and holding each other
so close and tight sharing our infinite warmth.
I send you such deep passionate kisses of deep care
because I fear you are aching and feeling down.
I send such passionate kisses of deep care
to reassure you that you're not alone
and that if you are in need of anything
no matter what I am right here and will drop everything
to help you with anything.
Such deep passionate kisses with that in my heart
and soul which I'll only ever share and show to you.

Kira I care for and miss you and I hope and pray
that you know truly within your sweet heart
that I always give you my very best.
Even if I am upset, brooding, hurting
or going through and of my 5 trillion mood swings
I want to make you happy and proud
and will never have a desire to hurt you
because the things that have been said and done
to cause you pain burn in my mind, my heart,
my soul, and the pitts of my stomach making me sick everyday.
You are an amazing woman who deserves
the care of infinite true love and the best of the world.
Kira I send you deep passionate kisses
of deep care and warmth to give you peace
and calm your dear heart with the love that I send.

I send you such deep passionate kisses of
true love and care because I want you to have
ease in your soul so you can relax in true
confidence and faith that nothing bad will happen from me.
I won't suddenly disappear or turn on you
becoming something that I despise and would harm you.
I send you these deep passionate kisses
of true love and warmth because you need and deserve

the peace of mind and heart to get your deep needed rest.
Never forget Kira that through all these years
I waited for you and our time because it's you that I want.
I truly treasure you and wish to be with you through all eternity
honoring you as the Queen I adore and admire.
Kira I send you these deep passionate, caring, warm,
and tender kisses to you because you are my Angel
and the greatest woman there's ever been.

Love Note 373

Good afternoon my sweet love
and how are you my dear one?
I pray you are well and wearing
a great big shining smile for me.
Sorry I was absent for a bit,
after a calming, relaxing,
and refreshing shower I struggled along
at eating a bit of food.
Canker sores all over my tongue
and a few else where too,
and while fighting through that
I started talking to other Ohio State fans
on Facebook about Fridays games.
Yes I am scatter brained and easily
distracted today.
I am sorry my dear and send you sweet kisses
to cheer you up and know
I'll never ever forget about, ignore,
or abandon you my dear and treasured precious best friend.
You are always in my heart
and on my mind because you are my Angel
and eternal true love.

I am thinking and dreaming
of a day with you in each others arms
surrounded in complete warmth and love
that we feel, carry, and give to each other.
Rather it would be here where I am
or at your house wouldn't matter
as long as we were spending a gorgeous day together.
In spirit I am holding you ever so tightly
and even though the tiredness is hitting
me very hard at points I am and will fight along,
I want to truly be perfect for you in every way.
You are my northern star who fills me with light
and when I disappoint you I get so angry at myself.
I will always fight hard for you
giving everything in every way.

Feel all of my warmth and love
as I send it to you and walk by your side
hand in hand always to no end.
I just want to live a life of true happiness
with my true love supreme
and best friend who loves me just the same.
I love you sweet Kira
and will be here and right beside you.
Feel comfort and peace within
your heart and soul knowing your Michael
will always be yours and give my whole life
freely and in choice because I adore you
and my heart melts in the immense love that I feel.

Michael P. McParland

A Late Morning In Your Arms

We're now here in the later half of the morning dear
and I wish I could spend not just the whole morning
by your side in each others arms but the whole day as well.
To mostly just sit up in bed relaxing after a fine
shower I need to wash away this tiredness
and sick that has been afflicting me.
Afterwards just sit up by each other and listen to music,
it's all I've wanted to do these last days
and what better than to listen to ones favorite music
than with your Angel and one true love.
A late morning in your sweet arms and through the day.
Kira you are my dream and sweet one and I want you forever
to be holding me while I hold you back
never thinking of letting go or pushing away.
A late morning spent in your loving and caring arms
my sweet Angel dove.

I wish you a truly wonderful and bright
good late morning Kira my gorgeous one
as I send you sweet kisses with millions of smiles
with the warmest of hugs for your heart and soul
so truly precious in their tenderness so rare.
Smiles, kisses, and hugs to say I love you so much
and long for a late morning and entire day
in each others arms snuggling, relaxing,
and doing a few light things,
to be with you on this late morning is what
I want and need to make all liefs stresses seem small
and to snuggle with after a shower of refreshing power.
I love you my lady and send kisses so passionate and deep.

So just close your sweet sparkling eyes my dear love
and see my loving looks and smile and feel all
the deep caring tender love as it floods your heart
and fills your body and soul.
Remember in all of your instincts and senses that
your Michael loves you profoundly
and would do anything to see you happy,
protect you and just see you proud and smiling.

I am your man filled with pure loyalty
because it is true love for thee my dear Queen.
It always has been and will always be.
So just share this dream with me and the deep feelings within
of a late morning through the whole day
in each others arms just spending time because it is love
and that's what we want.

Michael P. McParland

talking before the day had to get moving.

is keeping my heart glowing and calm right now
as I'm also surrounded and filled with

on this morning sweet one with great big hugs

Middle Night Kisses Of True Loves Warmth

A very wonderful and warm good night
to you my sweet dove in this middle night hour.
I've been up for a bit but I had to work hard
and wait to get my head clear and in gear.
I was so exhausted that my mind got lost while I was asleep,
it took me around half an hour laying in bed
trying to remember and figure out where I even was
or just what was going on.
All clear though now my dear and as ever
my heart turned to you to call out and say
I love you my sweet Angel dove
and you will always be my crown jewel.
If you were worried that I had disappeared
I can always assure you I never will.
Even when you are mad or upset with me
I will be here and right by your side holding your hand.
I send you these middle night kisses of
true loves warmth to give you deep reassurance
and comfort that I am forever faithful.
I'll always remain dedicated to you my gorgeous Angel.

As soon as my mind got clicking again I
reached out to you in spirit so you would know I was there,
I was sending you the sweetest kisses
right away because I worry about you
and want you to have peace and comfort always.
I love you sweet Kira you are so very
dear and important as my true love and best friend.
I always worry and wonder about how you are doing,
you are my Angel and I love you to no end,
you're everything through all time that I want and I need.
You are my best friend and to share true love with you

that my wants and intentions are pure.

love for you within my heart and soul.
I adore you sweet one and long for your hand
so we can spend everyday together having fun,
fighting for each other and growing as better people.
Feel my deep love as I send you these middle night kisses
of true loves acceptance and warmth and feel
true comfort and peace as I pull you in to snuggle
the rest of the night through.

Michael P. McParland

Love Note 372

Good evening my sweet love
and I hope yours has been well
and filled my deep loving warmth.
I am in pain and frustrated
with a few things so mind
is spinning around in one of its
direction less loops
so I'm sitting here trying to do
little things that calm and relax.
I love you so much and wish we could talk,
I feel so very lonely and just want
to feel your warmth and love.
To feel your armed around me
as I closed my worn out eyes.
I truly send you sweet kisses
of all the deep caring love for you
that I will be eternally feeling.
Open up your sweet arms
and hold me so tight my sweet one.
Please rest with me as I close
my painful and hurting eyes.
I truly love you and pray
that so soon our sweet dream will be here.
I adore you sweet darling and for you
my heart is aching and melting
in my infinite care and true loving.

Michael P. McParland

So Very Beautiful

You my sweet darling truly are so very beautiful
which in a universe of ways fills me
with burning passion and tingling.
You are so very beautiful on the outside and in that
it is so very hard just where to begin.
I'm not sure what I noticed and took me first when we met,
the gorgeous being before me or was it
the spirit, heart, and mind that so truly shined forth.
Even now I'm not really sure I just know you're
so very beautiful and I love you so much.
You are a beautiful woman I want to spend my life with.

You are so very beautiful and you need to realize it
because it tugs at my heart and makes me feel sad
when I have heard you say or you've written
that you are not beautiful,
it hurts my heart because I see in every way
what a gorgeous woman you are.
A true golden heart so filled with love
but you have put up walls because you have been so hurt.
Don't you know and see I understand that completely?
You have the soul of an Angel that is pure
love and light and I know that because it touched mine
right away when we met and I trust my reads at the start.
I knew I had met an Angel and precious beautiful soul.
You are so very beautiful my sweet Angel dove.

Your intelligence is a major point of admirable
and source of tingling beauty.
Looks and no brains is not attractive
and you've got good looks and intelligent brains in your head.
There's almost nothing sexier or alluring
than a woman with her own thoughts and opinions,
one who can form deep thoughts on their own
and seeks knowledge freely in every way when she can.
You're so very beautiful and you're missing
so many of the things a decent and smart man looks for.
You have personality so bold, beautiful and diverse,
it jumps out with such depth most can't comprehend.

Kira you're so very beautiful and you are amazing.

I've said it before and I'll say it again that you have
a natural beauty that blows me away,
makeup on you would be a sin and makeup covers up
true beauty and hides it so much of the time.
You shine forth as you are and I so love that about you
because I always get to see my beautiful woman
as she truly is gorgeous to no end.
Big sparling eyes that keep wonders I can only
begin to imagine and dream,
a bright smile that fills me with warmth,
long hair I just want to run my hands through
as I kiss your soft lips while holding you,
and you have a beautiful body that makes me feel
filled with excited butterflies.
You are so very beautiful and the only true Angel
I so want and desire in every way imaginable in existence.

So as I sit here in the quiet thinking of you
and writing these feelings and needs within
I just want you to know in point
that you are so very beautiful
and you are the sweetest most amazing woman
whom I want to be with forever and ever.
So feel my arms around you and my body against yours
as I hold you so tightly telling you that I love you.
I simply adore you and my heart melts completely
whenever I think of just being with you.
I love you sweet Kira my sacred Queen
and remember that you truly are beautiful
and you are the only one I have eyes for.

Michael P. McParland

A Warm Snuggle 2

As my heart calls out to you on this afternoon
I reach out as well to pull you in
for a tight hug of true loving warmth,
so you can just rest your head on my shoulder
and release anything you need or just relax.
I'm reaching out for a warm snuggle
of deep loving and peaceful comfort.
Hear my hearts call and feel its solid beat
all the way from here just for you.
I'm reaching out to tell you I love you
and share a long snuggle of deep love and caring.
I love you sweet Kira and I want you
to know that truth completely in your precious heart.
Come my sweet darling and curl up in my arms
sharing a sweet afternoon of tenderness
and deep satisfaction as we just sit together snuggling tightly.

Michael P. McParland

Tired Afternoon Hugs And Kisses Of Warmth

As I rise from that desperately needed
sleep this afternoon my dear I send you
tired and warm kisses with hugs full of infinite love.
Tired and caring afternoon hugs and kisses
with a deeply aching heart so in want
to have you here in my arms to spend the day
together in lightness and joy.
I send you these tired afternoon hugs and kisses
so filled with care and love so you will know
I haven't gone anywhere and I'm not going to.
I am by your side forever my dear and I ache so much
to be holding you and feeling your loving touch.

I woke up a short while ago but needed to just
lay here for a short bit with my music.
My eyes are not clearing up and I just miss
my one and true love Kira my beautiful and adored
sweet Angel dove whom I share such a deep bond.
I send you these tired afternoon
hugs and kisses of warmth to say I love you,
to let you know that I miss you my sweet tender Angel.
I dreamed of you while I was sleeping
and it was just spending time and talking with you my true love.
That's all I want on this day and to tell you
the things I can't and will never say here.
I wish you were curled up in my arms as we shared the whole world.

A very tired good afternoon to you my sweet Angel dove,
I love you my Queen and truly do try my hardest and best for you.
I want you to be happy and fulfilled always,
I want to be giving and deliver the love to you
that you deserve every second, every minute,
of everyday through all time.
I will always be there for you my blessed Angel from above,
I get enjoyment from serving you in the giving of love,
and seeing you receive true enjoyment and pleasure
above and before me is wonderful.
I love you sweet Kira more than anything
and I'm sending you these tired afternoon hugs and kisses

so full of warmth with true loving care.

Michael P. McParland

Come Lay With Me This Morning

Come lay beside me sweet one on this morning here,
I am so tired but doubt I'll fall asleep,
and even if I do I doubt it would be for long.
My eyes are hurting and my vision is partly blurry
and I just want to lay in the comforting arms of my lady.
I just lay in bed holding each other
while I rest my head on the inside of your shoulder
as we talked just a bit so calm and loving my dear.
Please come lay beside me so we can just hold each other
feeling deep warmth and reassurance.
Kira please come lay with me this morning
because I just want to be in your sweet arms
feeling all of you caring, love, and deep strength.

Michael P. McParland

Morning Note 153

Good morning my sweet Angel dove
and I pray you felt all of my loving warmth
last night to give you deep peace,
I hope you felt my arms around you
to give you sweet comfort as you slept.
I send you sweet morning kisses
and hugs of deep loving warmth
to start your day off with a smile
and so you'll know as ever
I'm right there by your side
hand in hand my sweet dear
as I hold you close and say
Kira I love you so much
and I do my best,
I've promised I won't give you
any less because you are my Queen
and best friend whom I give
my whole life to and everything.

If you are upset or angry
at me I'm sorry but I just couldn't go on,
I didn't sleep well but I need
to lay down at least for a long while
and my eyes are killing me sweet one.
They're hurting and still tearing up at times,
I think I may have double pink eye
and I can't make it to the doctor
so I'll just have to tough through it.
Please don't be upset I've promised
you I'll always stick by you
forever and ever and never abandon you.
I love you sweet Kira
and hope that so soon we'll be reunited.
So we can wake up on each morning
and smile at each other saying
I love you my darling and I am so grateful
for you and all the time we'll have together.

A truly good morning to you

my sweet Angel dove and feel all
of these sweet kisses, smiles, and warm hugs
I send to you.
Feel me there with you
and please have faith and believe in me.
I love you sweet Kira
you are the only Angel I want to be with forever.
Feel all of my love as it fills you up
and never forget your Michael
is loyal to you and will fight for you
in every way with total pure and true love.

Michael P. McParland

Sunday Night Dreaming Of You

Sitting back in bed on this Sunday night
and I am thinking so very much of you my sweet dear,
how I long to be beside you just feeling you near
and to share all the things that we hold dear.
I've spent the better part of the day making
play lists of all of Falcos albums if you would be interested.
I've gotten through the first five including
all the rare tracks, singles, and B sides I could find.
I just wish you were here to share everything
spending time with each other coming closer together.
I miss you sweet Kira and am spending this night dreaming of you.

I'm just sitting here still feeling so very weary
with my eyes not doing as badly but still not well either.
I just want to lay back with you
and snuggle up in you deep comfort
unleashing and feel your tight squeeze around me
as you hold me so close as we kiss
all the while sharing smiles of joy and bliss.
A Sunday night beside you feeling your touch
is what I need so bad in my soul and heart.
To just feel your hand touch me and a deep kiss
that just says I love you is what I am aching for all over.

So I sit here on this Sunday night so very tired
and longing for the woman I love and admire,
worry not though my lady because you give me a smile
and making those play lists for you makes
me happy to be doing something to show you my love,
even if you don't want them that is okay because
I know our love is not changed and just as supreme.
I love you Kira and hope that you're feeling
all of my loving care and feel me in spirit holding you close.
You are safe and not alone in the least,
I am here for you always my darling and I will
do anything to make you happy.
You are my lady and darling sweet Angel
and don't forget your Michael will never let anyone or thing harm you.
I will forever be your King, Knight, and humble

loving faithful hopeful husband.
Fear not my sweet lady and may God bless you
because you are a sweet soul that deserves the best rewards.

Michael P. McParland

Love Note 371

A very early good evening
to you my precious sweet darling.
I'm sorry I was silent for a good while
but I lost track of time
when I found something interesting
I've been wanting to find for awhile.
I found a site that had quite a few
English translations for Falcos music
and I was copying them over
and never looked at the clock
or put much conscious thought to what
surrounded me love.
I did think though dear how awesome
it would be to share them with you.
Unfortunately no translation
for my second favorite song I adore,
oh well all good things come in time.

How has your day been my sweet one?
I hope you heard and felt the beating
call of my heart as it sent you my warmth.
I hope that you know and take peace
in your heart with mine and Gods
reassurance that I'll always be here
and stand beside you.
I hope through your whole heart,
mind, soul, and body that I am your Michael
forever and ever.
You are my beautiful Angel
and if I ever lose you my dear
I know I'd lose my mind fully and couldn't handle.
How could anyone ever move on
or truly along if you lose the greatest love
and most important person you've ever known?
I am right by you forever
because you are a blessing, a gift,
and my Angel best friend sent straight from heaven.
I want to celebrate life with the most
beautiful woman for eternity.

So my sweet dear feel all of my
loving warmth and care as I send it your way,
feel my arms around you giving sweet kisses.
Right now my eyes are still doing well
and I'm going to read dreaming your beside me
snuggling away.
I'll still be writing you as we
go along through this night and evening.
God bless you sweet Kira
you are my true love whom I desire
in every way with the purest intentions
and I want to tell you that you are my everything.

Michael P. McParland

Warm Kisses And Hugs

I send you very deep and loving
warm kisses and hugs to you on this Sunday noon
my beautiful and treasured sweet Angel dove.
Right now my eyes have cleared and are working fine
so I wanted to write you right away to send
you my sweet kisses of care and true love.
I would give anything to be holding you now
as I've just sat here and listened to music all day,
which is one of my favorite things to do
and I would love to be doing it with you.
I send you sweet kisses of love
and big hugs of pure warmth.
Know that I love you and am concerned
and wondering just how you are.

I am thinking of you sweet Kira and reaching out
in spirit to hold your sweet hand and pull
you in for a snuggle of care that fills me up
and has not an end.
I'm sending you sweet kisses and hugs of
true love and pure warmth so you will know
always the sincerity of my heart and words.
I pray to God daily always asking that he keep you safe
and always assured that I am your man.
I ask him daily to bring us to our needed path
so we can reunite and have joy in our hearts.
I love you Kira and am sending sweet kisses of caring love
and massive hugs of pure warmth to wrap you up
in peaceful reassurance that your Michael so loves you
and will forever stand by you as your faithful King and Angel.

Michael P. McParland

Sweet Sunday Afternoon With You

How I wish you were here my sweet dear
to spend this afternoon in each others.
I for sure have a cold or double eye infection
because my eyes won't stop watering
and I would love to just sit with you talking
and today I would need you to read
as my vision is blurry somewhat around the edges.
I wish I could spend a sweet Sunday afternoon
in your arms just relaxing feeling comfort and safe.
I pray that soon those days will be here
because I miss you so much and so many days
seem so bleak without my Angel in person right by my side.
I wish you were here my sweet Angel dove
to kiss your forehead and cheek so in case it's a cold
I wouldn't pass it right on to you.

A sweet Sunday afternoon with you is what I so want,
to just hold you so close and be surrounded in love,
to be with you today is exactly the calm I want and need,
to just rest my eyes as we snuggled so calmly.
I need a sweet Sunday noon relaxing in full
with my only best friend and true love.
I want to spend time with my lady
the most beautiful Queen and Angel in history.

A sweet Sunday with you is what I will be dreaming of
the entire afternoon, into the evening
and through the night too,
I promise I will write as my eyes permit,
they clear up for awhile and then
go haywire and wonky again.
Remember I am right there beside you giving
you all of my infinite love warmth and comfort.
A sweet Sunday together though is what is so truly needed
and I will always fight for you and never
give up on you or our dreams my sweet Angel.

Michael P. McParland

Morning Note 152

Still trying to get fully moving
on this weary morning my darling
and am slowly going about it,
it would be the perfect morning
for you to be here with me
just sitting next to each other
feeling so warm and cozy as we held each other.
As we just talked and sat silently
taking in the love that surrounds us
and makes us so happy.
A weary morning to just sit back
and slowly wake up would be
the greatest blessing and gift.
I love you sweet Kira you're so very missed.

I'm about to get in a nice
refreshing shower and perhaps
that will wash away the last of
last nights feeling sick
and this tiredness that sticks.
I pray it will give back
some of my strength.
I wish you were here to hold
and spend time with afterward
to sit back and read or just close our eyes.
How wonderful it would be
to just hold my lady.
So I shall now get done what I need to
and write you soon afterward.
I love you my darling
and feel all of the warmth and love I send you
because you are amazing
and I want you to know you are my Angel,
universe, and everything.

Michael P. McParland

An Early And Weary Good Morning

A very early and weary good morning to you
my beautiful sweet Angel dove.
I didn't sleep well and think I'm getting another cold
but I'm going to fight through the day
the best that I can and be here for you.
I promise I'll give you my best as I always do
because I love you so much and want you to know
that I care so much I'd give nothing less.
Sweet good morning kisses to you my sweet dear
with a great big hug of deep loving warmth
to start your day off knowing I'm right by your side.

As I sit back this morning trying to wake up
I'm listening to Falcos album Junge Romer
for it's a smooth one that still carries kick.
The perfect side kick for this weary hour,
as well as your loving warmth with your memory which make me smile.
I reach out to you to hold you so close
while saying I miss you sweet one and want
to be snuggling with you right now.
It's early morning and I am still so very tired
but I wear a weary smile thinking of and feeling you
my sweet darling Angel Kira.
Feel my hand within yours as I take it within mine,
I stand with you always because you are my woman
so truly adorable and amazing.

A very early and good morning to you
my sweet and truly beautiful precious Kira.
Think of me this day as I will be thinking of thee
carrying a prayer in my heart as it sings.
Give me a smile so I'll see my sweet Angel shining,
you're not alone my dear darling.
I love you my lady and hope soon you will be here
because I so long for the joys that will be shared
with my partner, my best friend, and my soul mate.
I can't wait ti spend each day with my Queen and Angel.

Michael P. McParland

Goodnight My Sweet Kira Angel Of Light

Goodnight Kira my sweet Angel of love and light
I'm still not feeling totally well from
my hypoglycemic spell and ask if you'll
come join me right here in bed.
I want to snuggle and nuzzle sharing sweet kisses
so very deep and tender filled with true love
we both feel and share in abundance.
Come lay down with me darling and get
some sleep that's so deeply needed.
I want to hold you as this day has ended.

Come curl up in my arms so I can hold you
so close and tight through this whole night,
I truly need your loving warmth on this one.
I miss you sweet lady and for a number of reasons
I'm feeling quite sad and like a bit of a failure.
I want to hold you and tell you how much I love you,
just stroke your long hair and rub your back
as you rest your sweet head full of such wonders upon my chest.
Goodnight my sweet Kira Angel of light
I will be with you through the whole night.

I'll see you tonight in the land of dreams,
I want nothing fancy just a place for you and me,
to sit and relax pondering our wonderful future,
focus on the light and none of the dark.
I want to sit by you holding your hand
and with my arms around you.
Tonight my darling in our sweet dreams of light
where I can be with you my sweet Queen
over whom I delight.

Goodnight Kira my sweet beautiful Angel of light
and I ask if you will come lay with me on this night.
I'm so in love with you and want to spend
each day of the rest of time with you.
Feel my arms wrap around you as I tell you I love,
I'm right there beside you forever and always
so feel deep and true peace as it fills you.

Goodnight Kira my sweet blessed Angel
curl up beside me so we can fall asleep holding each other.

Come Lay Beside Me 2

Come lay beside me my dear,
not to sleep but relax together for awhile.
I just want to lay with you and feel you so close,
just be surrounded in the glow and warmth of our true love.
We share a bond so very special
and nothing so far even we in our worst times have broken it,
and I know it's because of the care that we hold.
I love you sweet Kira more than anything
and I know with no doubt you love me too
and just as much.
come lay beside me so I can hold you and talk,
Kira I want nothing more than to be apart
of a wonderful woman's life.
I hold no outrageous demands or expect you to carry the load,
I just want to have you by my side as we fight for
and support each other the whole way.
Come lay with me darling and curl up in my arms.
It's not yet time for sleep but snuggling
with the one we so love.

Evening Time Thoughts

As I sit here still trying to in full
get feeling better I my hearts calls out to you
as I send all of my loving warmth and care
to wrap you up in reassurance and peace
that my heart, soul, thoughts and prayers
are with you always my dear.
I of course think of other things through the day
as like other people I get busy
and my bipolar mind will often run
a million different ways a million miles an hour.
However there is always that piece of my
thinking of and holding you as I stand by you in spirit,
I never leave you in any way fully.
Even when life is hectic and I am struggling
with my many mental conditions I feel deep care
and gentle tenderness within me as I send out
all of my love the best that I can.
I want you to know that I care and I would never play
with yours the sweetest heart that there is.
These are just some of my evening thoughts.

I feel such deep and overpowering love
that it so overwhelms me at times.
I'm tired of being called crazy by others out there
and I can't always just ignore it.
You accept me and try so hard to understand me,
when you want to be you are the most loving person
that I have ever encountered and I love you
for your strength and so admire your courage,
to me you truly are an amazing woman and inspiration.
I love you sweet Kira and I wish I could hold you
here so very close on this evening
and help you understand so much to you
the very best that I can,
and I pray you would open up to me.
Only when you're ready sweet dear
I would not push you and reopen old wounds
that are not ready to be shown.
Just some of my thoughts my sweet Angel

on this evening around us.

So I sit here in my many thoughts
as they mostly just wander between this and that.
The one thing though that always remains
so very strong and set in steel central
is the love that I feel for my dear lady
and I know that you are my soul mate.
I ask always for God to bless you
because you need and deserve to know
that you are cared for and loved so very deeply
and that you need to realize you're not alone
because I your Michael will always stand by you.
I believe in you darling and have infinite faith
in your strength and deep care of all encompassing loving.
I love you sweet Kira I'll never abandon you
or do anything intentionally to hurt you.
You are my sweet Queen and my blessed Angel,
I love you my dear darling and in spirit I am holding you.

Michael P. McParland

Love Note 370

Good evening my sweet Angel dove
and I'm so sorry I was quiet for so long.
Please don't be upset I sat
and worried about it over the last little bit.
Earlier I closed my eyes for a while
and got a bit of and rest
but when I woke up I almost
immediately went into a very bad
hypoglycemic and low blood sugar state
and I've been spending the last
hour to an hour and a half
waiting for my body to come back together,
I'm still feeling a bit shaky
and I'm worried you're upset
in some way maybe thinking
I don't want to write for you
or those other things that over thinking
can bring about.
I love you sweet darling
and you shouldn't worry
because I'm always with you
giving you warm caring smiles
and sweet kisses.
I'm sending you all of
my love and warmth my sweet Angel.

Please feel no fear and not
a worry in you sweet precious heart
my darling dear,
please just give me another half an hour
for the last of this shaking to stop
and for my mind to come back together
as much as mine ever can.
I love you so deeply and in spirit
I am holding you closely.
Please have faith and believe always
in your Michael because
I'll always believe and have faith in you
my sweet beautiful Kira.

Sending Sweet Kisses

I'm sending sweet kisses with big hugs of warmth
to you my sweet love on this afternoon,
I'm sending sweet kisses to say I love and miss you.
I can feel your love here as you send it too
and I thank you my dear as it helps give me some calm.
I send you sweet kisses to fill you with warmth
knowing you're not alone because I am with you.
I'm sending sweet kisses because you are the best
and I just want you to know how I feel.

I'm sending sweet kisses with big hugs of warmth
so you'll know and remember your Michael's right here,
my heart longs and aches to feel your sweet touch
as we just hold hands and snuggle or lean against each other.
I pray that so soon you will be in my arms
so I can tear down the walls and share my whole world.
I love you my darling and hope you know
I will never push you away, reject you,
judge you, or treat you as anything less
than the Queen and Angel for which I see and adore in you.
I'll never leave you or intentionally hurt you
because are so special and I want to give you
the best forever and ever.

Michael P. McParland

Longing On This Afternoon

As I sit back here in my bed reading
I long so very much to have you
sitting right here beside me.
Just to have you right here and feel your warmth
as we just enjoy this lazy day
hand in hand in each others arms.
I long so much for you and to hear your voice,
to be in your arms and just share the day as it goes along.
I miss you sweet one and want you near
because you are the one I hold most dear in my heart,
your sweet soul is the one I feel strongest above them all.

I yearn for your company and to see your sweet smile,
I long and yearn to see your sparkling eyes,
eyes that when you feel safe and want to
reveal such universes of thought, love, deep feeling,
so many wonders inside you my sweet woman.
I miss you so deeply and all the love, light,
intelligent conversation and thought that you brought.
And I so miss the tenderness I felt as I stood with you
and then suddenly we'd look up at each other
and say I love you sweet Kira and I love you sweet Michael
with the biggest of smiles.
We've been in love here on earth since the day that we met
and many millenia before we came to earth.
I miss you my Angel and long for you caring presence right by my side.
I'm longing for you because you are my Queen
and I adore you in full.

I love you Kira more than any human can comprehend,
I can't even describe and illustrate
in a single way just how I do.
Just trust and have faith that my heart and soul
will forever and ever be yours to no end.
I long for you darling because you are my true love
and my best friend and I need no other friends
outside of you and my family,
as long as I have my sweet one I will be so fulfilled and happy.
Everyday working my best to make you so happy,

I want you to always be proud of me.
You have so much love in your heart that people have stole
and I wish to show you such love that you have in return.
I love you my darling and long to be holding you closely,
know I am with you and will always be supporting you
with true love and care unconditionally.
I love you Kira you are my everything
and I want to be with you through all eternity.

You Are A Shining Star 2

You truly are a shining star to me
and in my life.
You light up my heart,
you light up my soul,
you light up the path giving me hope.
You light up the darkness that can be
bipolars lonely hells when no matter what
you feel angry, or sad, alone,
or all things at once driving you mad.
You are a shining star my northern light
and I want to be with you forever
thanking you and giving my best.
I love you so much and feel all your pure warmth,
you are an Angel from God I so adore.

Love Note 365

A very wonderful good beginning
to the afternoon my sweet Angel dove
and God bless you and your kind heart
and I thank you so much for all of
you wonderful loving and understanding
of me my sweet gift and blessing from above.
I'm sorry I missed our goodnight
and haven't written until now.
I fell asleep on the couch last night
watching a film and only woke up
about seven thirty this morning,
and then still half out of it
I only got up and got a drink
before wandering off to my room
and climbing into my bed fell asleep
until about 15 minutes ago.
Since I've been trying to shake
the cobwebs from my head and take care
of a few minor things.
I'm sorry sweet lady I know though
that you understand.

My stomach is still ever so
slightly hurting but I think a small bit
of it is from hunger.
Say a prayer for me that my stomach
will not get upset from the food
I will soon be partaking.
I so miss you sweet Kira and wish
you were here to spend the day with me.
I love you my lady and just want
to be with you forever and ever.
Please forgive me as well
if my writing is not the best
on this early part of my rising.
My head is feeling quite foggy
and my stomach is complaining to me.
I wish you were here for me to hold you
and for you to hold me as well

my sweet Angel I so adore.

Remember sweet Kira that I'll
never leave you and that I am
always right there beside you
holding you ever sol closely
saying you are my sweet Queen and Angel
and I love you ever so deeply.
I'll never hurt or abandon you
because you are my everything
and I am fully committed to you.
I will forever be your faithful Michael.
I believe in you Kira and I have faith
and trust in you as my best friend
and true love forever and ever,
so always have faith and trust in me
my sweet Kira so beautiful.
I'll never betray you I promise.

Sunday Evening In Each Others Arms

It's Sunday evening my sweet love
and after a wonderfully refreshing shower
I couldn't help but lay down to relax
for just a short bit.
I'm still unsure of just how my stomach
will stand up but I plan to get up
and eat just a little something
and I so wish you were here to join me
and hold each other through this evening.

A sweet Sunday evening in each others arms
snuggling and smiling as we watched a movie.
I'm still feeling very emotional
and if I have any more tears to let go
I wish I was with you my loving lady
to cry on your shoulder.
A sweet Sunday evening with my beautiful lady
is what my aching heart wants and longs for.
To be snuggling with my darling Kira.

Then later no matter how my stomach
would be feeling I'd want to lay down on the couch
and rest my head on your lap while you read to me,
be it from our book or your gorgeous work
to just lay there relaxing and hearing your voice
is what my most beautiful dreams are made of.
Thank you sweet Kira for your Angelic heart,
love, and entire being.
I would give anything to be spending
a sweet Sunday evening in the arms of my beautiful Kira.

You truly are my true love and only one,
I send you sweet kisses of very deep love and caring.
Just feel me there in spirit beside you
saying Kira I am your Michael and my heart and soul
will forever be yours because you are the greatest.
You are my Queen and most sacred Angel.
I'll be dreaming of you as I go about my evening
and thinking of a beautiful one with you.

I love you Kira and you truly are so very magical,
I adore you my darling you will forever be
the only woman I'll ever love.

Michael P. McParland

Love Note 364

A very good late afternoon
my most beloved Kira
and as my stomach is feeling
ever so slightly better
I wanted to say thank you
for all of your kind caring and loving.
Once again it means everything to me.
I am still much filled with
tears and I am getting up
to take a nice refreshing shower
in hopes that that will
help me feel that much better
and it is the perfect place
to release any tears that have built up..
I wish you were here to just
lovingly stand with me
in each others arms under the water
and you could help wipe away
the tears that come my way.
I miss you so badly
and would give anything to have
you here with me.
Christmas will be a somewhat
sad affair without you
my sweet darling so beautiful
and amazing to me.
I love you sweet Kira
you truly are my everything
and I love and adore you my sweet Angel
completely.

I will write you here
ever so shortly my sweet
diamond darling and let you know

Sweet love I know how I would like
to spend the perfect day with you,
a full day giving you all of my warmth

and show you how much I care
to give you deep comfort.
The perfect day my sweet dear would be spent with you
giving in full of myself and all of my warmth
to show you how much you're cared for and loved.
I send you all of my warmth and love
to give you a smile and know I am with you hand in hand.

The perfect day would e spent with you
as I gave you all of my loving warmth
while we just lay in bed snuggling throughout the day.
Reading, watching movies, talking,
and resting together as well as sweet closeness.
I just want a day to give you in full
of myself and all of my warmth as I spend time with you
and serve you in so many ways.
I send you all of my warmth to fill you
with all of my love so feel my arms around you as I hold you close.

I would cook you breakfast and lunch
while you stayed cozy under the covers
and I would serve you my Queen
so you could just spend the day in complete comfort.
You'd get to pick all the movies and music
as well as reading whatever you want.
Just a day of your pleasures is what I am craving,
I will be happy just because I would get to
spend time with my sweet precious Angel.
A perfect day giving you all of my warmth
treating you like the special lady you are.
I long and ache for a day where we can
just hold each other in bed sharing sweet things.

I send you sweet kisses my dear I love you so much.

As we would be relaxing I'd have you
lay down on your tummy so I could massage
your aching neck and back to loosen up
as much of the tense pain that I could.
Then rub your arms legs and feet
to relax you in full so we could have a nice rest
as we snuggle away the afternoon.
My perfect day would just be spent with you
giving you all of my warmth
giving to you the attention you need and deserve.
Serving my Queen in such a way is what
I crave so deeply and then to hold you so close
seeing you truly happy as I tell you I love you.

Morning Note 151

A very early good morning to you
my sweet Angel dove,
the sun is only just starting
to light up the sky
and while it's still comfortably
peaceful and dark I'm reaching out
to give you a hug and a sweet kiss.
I miss you sweet lady
and wish you were here to snuggle with me
here in bed for a bit longer.
I want to spend this early morning
in bed with my true love Kira
both of us feeling so safe and warm
in the deep comfort of our true love.
A very early good morning to you
and I'm reaching out to pull you in
for a big hug and a sweet kiss of loving warmth.

I'm too fatigued to even cry
my sweet darling my heart
is just feeling heavy as I lay here in bed
so very tired and missing you
with all of my soul and heart.
I just long to have you in my arms
and to share our deep warmth
and care as we soothe each other
and help one another heal.
I want to help heal your heart
with my loving spirit and my loving touch
as I do for you everything that I can
to lift the burden you feel
and to heal the wounds
and the scars that you carry
so you will feel whole and happy.
I want to give you the loving
compassion and comfort you're so in need of
and that you're so deserving of.
As I lay here in bed this morning
I wish we could be wrapped up

with each other feeling so warm and peaceful
as we shared the sweetest of kisses,
and I hope it doesn't upset you
for me to say I wish we could also be here
sharing sweet closeness just as much for the soul
as it is for anything else.
I wish I were holding you
so I could tell you fully that
I so truly love you and want to be with you forever.

A very early good morning to you
again my sweet precious darling
and feel all of my warmth and love
as I reach out and embrace you
in true love so full of care and compassion,

and rest with me for a bit longer.

with you right there as always
and as ever if you start to
feel those pains of loneliness nagging
just close your eyes and see my looks of love
and warm smile that says I love you sweet Kira.
I will be up soon
and I'll write to you when I do.
I love you sweet lady

and to have your sweet love
makes me the luckiest man there's ever been.

A Goodnight Snuggle Of Deep Comfort

Goodnight my sweet Kira and please come
slide into bed with me for a snuggle
of pure love and deep comfort.
I'm so awesomely tired and exhausted completely,
I just want to lay down with you
and hold each other so loving and caring.
I want to share some sweet kisses
before giving you a weary and loving smile
then say goodnight my beautiful darling Kira,
I love you more than anyone can ever know
and I'm so very thankful for you.
You are the greatest thing to ever happen in my life
and without a doubt the greatest blessing
I could ever receive.
Then give you another deep and long
passionate kiss before we rest our heads
next to each other and fall asleep
in complete comfort and peace holding each other
and feeling whole with no worries
because we both know that we'll still be there
for each other come morning
and we will stick by each other through all eternity.

Michael P. McParland

Love Note 360

Hello my sweet love
and sweet kisses and warm hugs to you
in deep loving care.
I was just looking back
at some old conversations of ours
and how beautiful they were
and how great they felt.
Now my heart aches and longs
at least twice as much
for you my dear.
My main reason though for
writing this was just so I could
say I love you dear with all
of my heart and soul.
I will be forever yours because
you are everything I need and want,
you are my sweet Angel
and my dear best friend.
As I read your words and just
read our loving back and forth
my heart cried out in great need for you.
I love you Kira and I miss you
so very badly and I'll be right here
for you my dear when you are ready
with wide open arms and open heart
to just wrap you up and we can
both feel the deep comfort of home
that is within each others arms.

Michael P. McParland

Come Curl Up 3

Let's not go to bed just yet my sweet dear,
come curl up in my arms and we'll just
sit back and snuggle for awhile.
I am aching so very bad as I know you are too
and all I want to do is feel your warmth
as I hold you close and hear your sweet voice as we talk.
Come my sweet one and curl up within
my loving arms and give soothing calm
to both of our longing and aching hearts.
Come curl up beside me where I can give you a kiss
then look in your sweet eyes and tell you
how very badly I've missed you
and then caress your cheek softly and say
I love you Kira you're my wonderful Queen and Angel,
I adore you so deeply and want to be with you through eternity.
I will always stand by you in true love and support
my sweet darling.
You are my everything and I feel so lost and empty without you
I pray you'll marry me and be my gorgeous bride forever.
So come curl up next to me my sweet precious lady
and feel deep comfort and warmth as I wrap my arms around you,
I truly mean everything that I say because I love you
more than anything and I would never hurt you on purpose my Angel,
seeing you in pain is true torture.
I love you deeply with my entire being and I would
give anything to be with you now giving you comfort
and drying your tears.

Michael P. McParland

a relaxing night in spirit my sweet Queen so darling.

Michael P. McParland

Longing For You On This Evening

Still just lying here my dear after my rest
and I'm so filled with longing aches
to have you here in my arms talking and laughing,
I'm longing so very much to be spending time
with you on this evening my dear
just holding each other and our hands
having a good time doing some fun things.
I long for you because you are you
and that's a magical thing.
A true gift and wonder of which I have no words
to describe or explain this overwhelming
love, care, and joy that I feel.
I love you and long to be spending time
in each others arms doing so many things.
I long to be with you my sweet Angel dove
because you truly are everything I need and want
within my heart and soul without a doubt.

I just want to sit back with you to watch
a film or some TV and reach over wrapping
you up in my arms to hold you so closely
and know I am important and giving you comfort
giving you all of my strength and making you feel so safe
as I hold you so lovingly next to me.
Making you feel happy and whole will
make me so happy and help heal my heart
because I love you so much and making you
feel good and pleasing you is one of the things
that's most important and I want to do.
I want to give you my best in everything
my sweet Angel Queen because you deserve nothing less.
I want to give you all of this deep and abundant
love that I hold because you are so deserving
and in need after being taken for granted and used for so long
I want to treat you as the Queen that you are
every minute of everyday through the rest of time.
I'm longing so deep and hard for you my sweet one
and wish I could be with you on this evening at hand.
I just want to look in your eyes and give you sweet kisses

while telling you I truly love you
and will stand by you through all eternity.
I long to be with you and just snuggle so closely
feeling deep comfort surround us with my only lady.

I'm longing for you my sweet dear because
you make everything so fun and good.
Your conversation with your intelligent
thought and deep words,
the silly things we both thought and shared,
just doing anything with you was always a blast.
You hold such a pure heart and carry
a great and golden spirit and once again
so much of these feelings there's no way to describe
or explain just what it's moved and stirred in me.
I just know that you're special
and I want to be with you forever and ever
because I so truly love you with every part
of my soul and person.
God bless you sweet Kira for being such
a wonderful and amazing Angel
and how I'm so longing to be with you on this evening.
I can feel you in spirit and that is helping
lift me and warm me so deeply,
but nothing can compare to being with you in person
and I pray so very deeply that God will soon
grant us the way to this joy we both long for
and want with every ounce of our hearts and souls.

Michael P. McParland

Just a bit of rest for my weary body
and mind that need a bit of time to cool down.

A Beautiful Afternoon With The Most Beautiful Woman 2

Sitting here in the quiet of my room
my sweet Angel dove just trying to keep myself busy
and while I do I dream of what my heart
is so longing for and yearns to have soon.
A beautiful afternoon spent with you
the most beautiful woman curled up in my arms
spending time talking, reading, watching a film,
and laying back together resting and feeling good.
I so long for and dream of a beautiful afternoon
here or there spent with you the most beautiful
woman and Angel there's ever been through history's run.

I want to spend a beautiful afternoon just sitting back
with you snuggled up next to me in my arms
as I read to you from our book or if you would like
I'd read you my poetry which you so truly love.
I'd feel embarrassed sweet one and blush the whole time
but I'd happily read it aloud to you to make you happy
and see you smile.
Just a couple of things we could do on a beautiful afternoon
just spending with our true love and best friend.
You are so beautiful my dear and I wish I were with you
doing all of the fun things that we have planed and hope to do.
I want a beautiful afternoon with beautiful you
the most gorgeous woman in the entire world.

Oh my sweet love feel all of my loving care and warmth
as I send it to you with big kisses and big hugs
of deep care and true love to fill you up with all
of my strength and all of the peace that it holds.
Feel my arms around you as I pull you in
for the biggest hug anyone could ever hope for my dear
and together in spirit we'll sit down together
and share a beautiful afternoon in the best way we can
until we are reunited sweet darling.

and make you so happy,

I want to make you feel like the Queen you are
as I serve you each day with all the true love that I hold.
I adore you my darling and wish we could be spending
an afternoon so very beautiful because you are my lady
and you are so beautiful and I want nothing more
than to spend time with you just having fun doing whatever
and share conversations so good just like we used to.
Sweet kisses and hugs to you my sweet Kira
never forget that your Michael so truly loves you.

Michael P. McParland

Are You Okay? 2

Are you okay my dear?
Please let me know because
I truly am worried and concerned for you.
I know you're hurting deep inside
from loneliness and I want to talk to you
and be able to hold you so very close
while you let out everything you need
and then I will dry your tears
because I love you so much.
Are you okay my sweet Angel dove?
Please let me know soon
because I worry oh so much for you.

I truly fear and worry that you
are hurting much more than I know
because sometimes I can sense it my dear
and I would give anything to make
it all go away so you could be happy
in my arms as we shared our days and nights.
I will always be here for you dear
and I am worried sick in so many ways.
Please my dear tell me how you are okay.

I'm worried and concerned about your
neck and back and if you've had to
get more work done and if the pain
is so bad that you just have to lay in bed.
I think of all the pain you feel
and my heart just cries out in sadness
and righteous anger that my Angel has to suffer this.
I worry about your knees and other
things you've told me give you troubles
and deep pains,
I'm worried that they're getting worse.
Are you okay my precious one
because I'm so very worried and I need to know
just how you are.
I love you more than anything and want to do
everything I can for my Angel Queen.

How is your tummy and are you eating?
Is it remaining true and steady
or giving you waves of sick rebelling?
Are you sleeping and getting the rest
your mind and body is in need of?
Please sweet love tell me that you are
so your health will be as good as it can.
I worry dear so much for you
and I feel worried sick about how you are.
Are you okay my love?

I worry so much about your precious heart
and about all those things I know nothing about.
Are you being hurt or being left alone?
Are the jerks still harassing you at every turn?
I don't know what's going on and I'm
so worried for you my only one.
I care for you more than anyone and I want to
be there protecting you and making
everything alright for you.
I'm worried babe I hope you know
because I love and care for you in every way.

I truly am worried about your aching heart
and want to help heal it so very bad,
I just want to hold you very close
and stroke your hair saying everything is alright my love.
Your Michael's here for you in every way
and I will be by your side forevermore.
I just want to be there to give you all of my love
and give you everything you need.
I'm worried Kira in so many ways.
I love you babe you are my soul mate and my best friend
and I want you to be okay and feeling good.
So please my dear just soon talk to me
and we'll take things step by step.
The first thing though that I want to know
in no uncertain terms is.
Are you okay my sweet Angel dove?

Michael P. McParland

Your Loving Strength And Warmth

As I lay here in bed last night my sweet one
I was not feeling well and was struggling
in many ways aching deep inside,
then I wrote to you a piece of how I knew
we were both hurting and said let's
snuggle dear to comfort one another
in this time of struggle.
I wanted to hold you close at least in spirit
and feel you holding me in comforts calm
and not long after I knew that you had read it
because I felt such peace and calm
overcome me as you sent your loving strength in full to me.
I thank you dear and feel so touched
and overwhelmed once again by all you do for me sweet one.
I'm so thankful my sweet Angel dove I'm almost
moved to tears and I love you so much,
I pray I did the same for you.
I pray that you were filled with all my love and warmth
giving you a peaceful calming night.

Even though I didn't sleep very good overall
without your loving care and strength
I would have seen none at all
and I truly hope you know how much
you truly mean to me my love.
I truly hope and pray I was able to provide you
with calming peace as well so you could relax
and find some rest that you need.
Thank you dear for everything
and I'm sending you big warm hugs of true love
with sweet kisses of pure care
right along with all my loving warmth
to let you know I'm there and holding you
and thank you so very much for all of your
kind loving strength which has touched my
heart and life in so many ways.
God bless you Kira and your precious loving
soul and heart because you truly are a gift to this world.
I love you Kira more and more with each day that comes

and I will always work to honor you my sweet Angel dove.
I thank you dear truly for being such a precious soul
and I will always work so hard for you and give my best
to make you proud.
You are my Queen and crown jewel of my very heart
and I will cherish you forever to no end.

because it was you I was talking to and it felt good
just to know you were right there and I could hear you breathe,
and then you'd speak and your voice would get my heart to beat in joy.
I so want to spend the day with you in my arms
because my heart is yours and it melts for you in pure love.
I want to give you all my loving care and that which you deserve
because I love you so very much and you deserve to

and then as I sit down by you you can curl up
in my arms and I would hold you so snugly
while we sat and talked, watched some TV,
or I read from our book to you.
Just a relaxing morning with you
my beautiful one would make the perfect morning to be in.
To be with Kira my true love is everything
that I want and long for.

When I

When I think of you I feel such
light and joy within my heart and soul,
when I think of you I smile
because you are a rare and gorgeous precious jewel.
You are the Angel I adore
and want to be with everyday through all of time.
When I think of you and the
looks and times we used to share
I know within my heart and soul that
all I feel is true and that you are the only one.
I love you babe I truly do
and when I see you again I'm going to wrap you
up so tight within my arms and let you know
how much I care and all I feel.
When I think of you my heart jumps for joy
and knows there could never be another only you.

When I go to bed at night all my thoughts and dreams
are of my Queen and northern star,
I think of all the things I will say to you
and all the times and things we'll share for good.
I dream of you and that gorgeous smile,
I always dream of you my beautiful girl.
When I think of you I feel such longing in my heart
as to you my soul calls out in pure love with no doubt.
I love you Kira and I've always known that you're the one
because when we met our souls touched
and said hello I've been missing you.
We knew each other before we came to earth
and I know we shared true love since the very start.
When I think of you and all the love we hold
I smile big and say out loud in a whisper
I love you Kira and want you so,
you are my one and I want only you.
You're all I want and all I need,
Kira dear you are the perfect woman for me.

Kira you truly are such a gift and blessing
to me my dear and when I pray

I thank God for you in every way,
I ask him to let you know I love you very much
and to feel me holding you so very tight,
I pray that you will be okay and feel no more pain,
I pray for him to make things great
and soon present the way for us to reunite.
I love you babe with all of my heart, soul, mind,
and body in full and when I think of you
my knees grow weak and I tingle in every way there is.
In the joys of love and that special way,
in excitement knowing that one day soon I'll be with you,
just knowing that my Angel adores and loves me too.
When I see you again my dear I'm just going to
hold you for so long and dry all your tears
as I lean back with you still in my arms
and say I love you Kira you precious soul
and I swear I'll never leave you my gorgeous one,
I'm here to stay because you are all I want
and my everything.
So feel no fear and smile for me because
your Michael loves you and isn't going anywhere,
my love for you is permanent and unconditional
and nothing anywhere can make me give up on my Kira
whom I truly love and adore with every fiber of my being.
You are my Angel and you are my Queen and everyday
I'll give you my best and everything.

My Beautiful One (I Love You)

I truly love and miss you
so very much my beautiful one.
I adore you to no end and just want you
here in my arms tonight to sit by me
as I just read and watch some films.
I would let you pick all of the movies we watched
and I would cook you dinner as well.
Then I'd just want to lay down and rest
my head in your lap as you read aloud from our book.
I love you my beautiful one
and can't wait to hold you so lovingly in my arms.

As I sit here this evening my heart aches and longs
for you my sweet beautiful one.
I can feel your arms around me and my arms around you,
I can smell your pale skin and beautiful hair
and I just want so much to look into your eyes
and say I love you dear,
you're everything that is right in the world
and I want to be with you forever my Queen.
You are the worlds beauty and you make my heart beat,
I love you babe you truly are my everything.

You are so beautiful and I could just marvel
over you for hours and hours,
you have a heart of gold and a soul
that is so bright and full pure light,
it makes my knees shake the perfect Angel you are.
You are my beautiful one and it makes me so proud,
that you love me to is the greatest thing there is.
I love you my dear and just want to be by your side
holding you and your hand and give you a kiss on the cheek
and tell you you're cute.
I adore you so much and need you forever in my life.

I love you my beautiful one and can't get enough
of the gorgeous person you are,
I'm addicted to you in all the best ways
because you are my hero, my soul mate,

my true love, and my gorgeous best friend,
there isn't anything I wouldn't give you.
I love you sweet Kira and dear God do I miss you
and always remember I am right there beside you.

and wish we were holding each other feeling
all encompassing deep comfort.
I love you my darling and miss you so much
I just wish you were in my arms and I within yours
feeling your true love as you were right here,
so I could lean in and kiss you then looking

and my wonderful woman.

I long to share such a wonderful and loving
late afternoon snuggle with you my sweet Angel.
To just be right next to you sharing our comfort
while spending such wonderful time enjoying each other.

Love Note 356

Good afternoon my beautiful sweet love
I hope you are doing so well
and I am very sorry I have been silent
through all of this time,
I am not feeling well at all and I
will explain why my sweet one.
I pray you're not mad at me,
I love you so much and I send you sweet kisses
in droves my sweet Angel dove.
God bless you my beautiful one
that you will feel peace and joy
in your sweet golden heart
and know that I truly love you so very much.

Yesterday morning after I last
wrote for you about sharing
a very warm and peaceful snuggle of comfort
needed by both I could just feel you
wrap your sweet arms around me
and give me all of the love and warmth
that you have which is immense.
I had been up since very very early
Thursday morning with nothing more
than some stretches of okay sleep
and most all of that on Friday.
I felt such deep peace from all of your care
that I began to drift right away
and within an hour and a half
I was gone fast asleep
and never rose to do more than
those human things and get a quick drink.
Thank you so much my sweet Angel of light
for giving me all of that understanding
and comfort of true deep love that you hold,
it means more to me than you truly know.

Then I woke up at six in this morning
and had a raging migraine
and doubled over as the worst stomach pains

ravaged my body.
So until just recently I've been curled up
in a ball on my bed and when I wasn't
getting some sleep I just prayed for God
to make that pain go away and that you
would be okay as well knowing I was with you
and that I cared so very much and will never leave you.
I just sat there saying Kira come help
me please I love you so much
and I just want you to be here with me.
So my sweet love that is why I have not
written until now.
My stomach still hurts a bit
and in all honesty I have been
struggling so hard without me my sweet love.
I miss you so much and just want to hold you
so tight and close in my arms as
I thank you for being my girl and for
all the wonderful things that you've done and do,
and most of all just thank you for being you.
Kira you are a special person and soul
and I love you more than anything that there is.
I love you so very much and I will always
be right by your side hand in hand
giving you all of my loving care and support in full.

I love you Kira and just feel me
wrap my arms so tightly around you,
feel this sweet kiss of true love
that I give you with a big smile.
I miss you my lady and know that our time is coming,
I struggle so hard though with all
of the waiting and just want to hold you
telling you everything within me,
I want to hear your sweet voice while
you talk to me at length about everything.
Feel me there with you as I hold your hand dear
and I promise I will write you more as the day goes.
Say a prayer for me that I will soon
get feeling completely better.
Oh my sweet Kira just know that you are
my best friend and I truly adore you,

you are the only woman I love and want
to spend eternity by you.
God bless you sweet Kira and remember that
I am forever only your Michael
because no other can do when I've
already found my Angel of true perfection.

Michael P. McParland

A Needed Snuggle

Reaching out to you on this very restless night
and pulling you in close for a snuggle of comfort
so badly needed by the both of us.
I just need to hold you feeling you wrapped
up in my arms right next to me knowing
I'm giving you comfort and helping you feel safe.
I'm reaching out on this restless night
to hold you so close and tight
giving you a sweet kiss as I tell you I love you
and need you forever in my life and by my side
because you are the most wonderful woman
there's ever been and that I could hope for ever.
Just feel my warmth as I hold you so close
and feel deep peace as I tell you I love you
and give you a deep gentle kiss.

Oh my sweet Kira it's such a restless night
and I'm reaching out to hold you so close
in a snuggle of comfort that is truly needed by both of us.
I just want to hold you and my first concern
is that you are okay and feel so safe in my arms.
I just need to feel you next to me
so tight and close as I give you strength and comfort
while I hold you and give you reassurance.
I'm reaching out to share a snuggle of comfort
that is so badly needed by both of us.
I love you Kira and need to know how you are
and I want to be there to make everything okay.
You are my Angel and the woman I care for completely.
So just feel such deep warmth and comfort
as I reach out in spirit for a needed snuggle of comfort
and listen closely for my voice as I say
Kira I love you and to me there is nothing more important than you.
I am here for you darling with infinite love unconditional
and I want nothing more than to be with you
forever celebrating and basking in the glow of our true love.

Falling Asleep In Each Others Arms 2

Goodnight Kira my sweet precious dear,
I am so exhausted and weary and hope you will
come join me in bed for a nice snuggle
with sweet kisses before we close or eyes
to drift off peacefully to dreamland.
Come snuggle with me my sweet dove
and give each others hearts peace in our
shared warmth and love.
Come join me my dear for the sweetest of kisses
and a wholesome snuggle before we rest our heads
so happy and peaceful falling asleep
in each others arms so contentedly.
I love you my darling and long to end this night
wrapped up in each others arms drifting to sleep
knowing everything is alright at last.

Just rest your sweet head upon my chest
as I send you all of my warmth and love,
feel my arms around you as through the night
I hold you so close stroking your hair and rubbing your back.
Let's just softly talk as we drift
because I am dying to hear your sweet Angelic voice.
I long to feel your soft skin and loving touch
as we just lay in bed snuggling away.
I love you babe and am longing so bad
to be with you right now.
You are the one that I'd give my whole life for
and you are the Angel I want to be with for all time.
I love you sweet Kira and just snuggle up
resting your head on my chest as I pull you in close
to keep you warm in all my loving strength through the night.

I'll see you tonight my sweet one in the land
of sweet dreams where it is just you and me
with no one and nothing to bother us
as we spend time with each other in so many ways
and tonight in our dreams I want to lay down
together on a soft bed that is ours
and hold you so close opening up my entire world.

I just want to talk to and hold you
my sweet Angel dove and revel in the beauty you are.
I'll see you tonight my sweet one in the land of dreams
where I will hold you so tight and give you
sweet kisses of pure delight.
I love you my darling and I can't wait for
it all to be real.

Goodnight my sweet Kira so beautiful and good
and let's just wrap up so tight
under my big fuzzy orange blanket and snuggle
sharing kisses until we fall asleep
so contented and happy in each others arms.
Feel all of my love my sweet dear as
I send it to you completely in full
and feel my arms wrapped so tightly around you.
God bless you my darling and know
that I am right there beside you
and as I lay down and close my eyes
I'll be seeing you smile and dreaming
of falling asleep in each others arms.
Goodnight my sweet Kira and hear as my heart
calls out in soothing tones to you
to help give you peace and relax you.
I love you so deeply and I treasure you
my sweet darling Angel.
I miss you Kira and will always be waiting here for you.
I only want you to share myself and my life with
because you are my soul mate and best friend
and I know in my soul you truly are so very
special and a wonderful woman sent by God as a blessing.

A Quiet Sunday

Just a quiet Sunday sitting here
all on my own about to get up
and take a soothing refreshing shower.
I'm feeling so very weak and weary my darling
but I can feel you near and all of
your love surrounding and filling me up
and it gives me the strength that I need
to accomplish these things and I thank you sweet lady.
I wish you were here to sit back with me
before I get in and then be able to join me
to just hold you and smile gazing into your eyes
as we stood under the soothing flow of water.
Then afterwards just be able to lay back with you
and relax taking this day mostly for ourselves.
I love you sweet Kira and as I sit here alone
on this quiet Sunday I send you all of my warmth and love
with the biggest of sweet kisses and warm hugs.
Feel my arms around you as I pull you in
and I will be dreaming of you and sending
all of my loving care as I go about this
soothing, calming, and relaxing chore.
I miss you sweet Kira and wish you were here to join me
in the relaxing warmth of the shower and love
that we feel in each others arms as we just held each other
kissing and smiling gazing into the souls of each other.
I so deeply and truly love you my dear Angel.

I will prove to you always sweet lady
the depth and truth of my deep care and loving
because I want you to know that for me it is you and no other.

I'll see you tonight my sweet one in the land of dreams
where we will lay under our tree on a blanket
by the river on a beautiful spring day holding each other
as a calming breeze blows through the grass and flowers.
A time just for us to snuggle and talk, rest,
read, or any number of things.

I most of all just want to hold you and tell you

An Evening Snuggle 3

The tree is now up and decorated my dear
and as evening fast approaches I feel
a longing ache within my heart and soul
to have you here in my arms to share
a warm and wonderful loving snuggle.
I want to spend a warm and content
evening just holding each other
and for neither one of us to have to
sit all alone.
I'm longing for and dreaming of
an evening snuggle with you my beautiful darling.

I don't know just yet what I'll be doing for dinner
but if you were here my sweet Queen I would
find something wonderful just in your honor
and serve it to you while you were relaxing.
I want to give you all the love and respect
of which you are so deserving and I would
do for you whatever you needed and wanted.
I miss you sweet Kira and love you so deeply,
I wish you were here to snuggle with on this evening.

I wish you were here to talk to while
you cozyed up in my arms and to watch
a movie that you have picked out,
and later to read from our books
and after if you would so honor me
read me your poetry and gorgeous short stories.
That would be heaven my lady
as we just snuggled together while you read me
your beautiful and I know brilliant writings.
I can't wait to experience all the art of my lady.
How I long for and wish you were here
to share a beautiful and warm evening snuggle with.

I can feel you in spirit and that does give me comfort
but I so deeply miss you my sweet darling
and wish you were here to hold in person,
I ache for and crave your soft touch

and need to be in your arms sharing a kiss.
I know it will happen but tonight I am aching so badly,
I love you Kira and miss you so badly.
I wish you were here on this evening to snuggle so tightly.
Feel all these sweet kisses I send you my darling
and feel my arms so tightly around you,
take comfort my Kira in knowing your Michael loves you
and that I will always be with you
and right here waiting with open arms so full of true love and acceptance.

my sweet Angel dove and I send to you
sweet sleepy kisses straight
from my heart and soul.
Just a bit longer of resting my dear
and then I must truly get up
to do a few things.
So would you honor me and snuggle up
for just a short bit
to share some sweet time and kisses
with me my dear one?
Would you do me the honor
of just letting me hold you
and sharing our warmth?
I love you sweet Kira and want
to rest for just a bit longer.
So with sweet sleepy kisses
and a weary loving smile
I ask you.
Would you come honor me
and snuggle so closely?
Kira I so truly love and adore you
and I want nothing more than
to hold you close while spending time
with my sweet Angel I'll
love and stick by through eternities time.

A Relaxing Day

I'm feeling tired here in this morning my dear
and as I lay back with my eyes shut
I just dream of you being here in my arms
to spend a relaxing day shutting out the world
and having fun spending time with each other
doing everything and nothing all at the same time.
A relaxing day with you my sweet Kira
is what I have been dreaming of as I lay back
this morning just silently resting.

A day just lying in bed together snuggling
up so warm and tightly sharing sweet kisses and smiling,
just softly talking as we gazed into each others eyes
and shared soft caresses and felt so safe and peaceful.
A day to do lots of reading from the book or two
that we've chosen to read together.
Just a relaxing day for whatever as it doesn't matter
because as long as I'm spending it with my Angel
it is a day so truly special and magical.

As I lay here sweet love on a tired morning
I just dream of the times that we will be having,
both busy days and those for relaxing
and on a morning of resting I choose to dream
of lying here resting along with you.
Feel all of my warmth and love as I send it to you
with millions of smiles and warm hugs with sweet kisses.
I love you Kira and I am there holding you
so just close your sweet eyes and share this dream
of a relaxing day so very happy with just you and me.

of all that I have within me and am feeling.
Just cozy up in spirit my love and we'll share
a beautiful morning with you in my arms.
I love you so much and I know our day will come
and when it does I'm going to gather you up in my arms
and just let you know how thankful I am
and appreciate you for all of your love and all that you do
and let you know how much I care about and fully love you.

that you are the most amazing woman
in heaven or on this earth

to let you know that I'm with you always

Evening Note 76

Good evening my sweet love
and I'm sorry I was so silent.
I closed my eyes for a few minutes
and feeling your love and comfort so strong
all the tiredness sunk in
and I drifted off for the last couple of hours.
I can feel you so near
and can smell your beautiful pale skin and hair
and it is making me smile,
I dreamt of you through the entire while.
Just holding you closely
as you sat in my lap with your arms
so trusting and loving around my neck.
I can feel your sweet comfort
and I'm so thankful for that.
I love you sweet Kira you are the
greatest blessing and Angel
I could ever hope for and have
have not one doubt about that.

I am right there beside you
holding you so tight and closely
giving you kisses so sweetly all over,
just feel all my warmth
as I tell you I care for and love you
and will always stick by you.
I adore you sweet Kira and I truly
want to be with you through all eternity,
I've always wanted to have you
as my wife since the very beginning
and I pray each day that you will so honor me.
God bless you my darling
and know that I so deeply care for and love you,
I truly cherish you and our bond
my sweet precious Angel.
So close your sweet eyes and see me smiling
as I take your hand and kiss you so tender.

mind, soul, and every fiber of my being

and I will always be with you
because you are my everything
and you are all that I want and need
my sweet divine Queen.

Michael P. McParland

Your Loving Touch

How I crave to feel your tender loving touch,
from innocence to closeness the thought
of any of it just takes my breath
and my heart skips a beat before speeding up.
I so long for and crave to feel your loving touch
that the waiting physically and emotionally aches.
I love you babe and it is only your
loving, caring, Angelic tender touch that I'll ever want.

To just have you next to me holding your
soft hand as we smile and kiss
will be true happiness and bliss to me.
To hold you in my arms and feel your
kind loving warmth even right now in sweet dreams
makes my heart leap up and sing
knowing when the time comes I will feel complete
and it will be heavens true beauty on earth
as I am there in the arms of the most beautiful woman there is.
I so long for and crave your loving touch,
that of an Angel I desire in the purest of ways
and hope to have for eternity as my wife.

There is no need to go on here about closeness
because it is too special to be spoken of here.
Just know that your touch is the only love
that I need and want to ever share.
You are my everything and I am yours and yours alone
my beautiful sacred Queen.
I cherish you fully and adore you completely
and I send you sweet kisses of true love and honor
to fill you with my deep love and caring.

I just long to feel your loving touch
with hugs, with kisses, from our souls
as we just gaze deeply into each others eyes
while I stroke your hair and caress your cheek.
I long to feel your sweet loving touch
as I take your hand and place it upon my chest
so you may feel how my heart beats for you

as I say Kira I love you and I always will
and I will be by your side forevermore
because I only want you and I am just yours
my sweet Angel dove,
I am your Michael and for nobody else.

I just long, crave, and desire to feel your loving touch
as we just snuggle and talk about everything
under the sun stars and moon as we always have.
I just want to hold you next to me knowing
true love and feeling safe as I give you all
of the love you need and deserve with all that I have.
I love you Kira and can't wait to be with you
in your arms feeling your loving touch and knowing true peace.
You are my Angel and you are my Queen,
and you are my cherished true love and best friend,
I'll always stick by you my darling dear
because you are my Kira and I love you sincerely.

Michael P. McParland

No Better Place

You are my sweet one and I know
there would be no better place
than to be right next to you
in your sweet arms right now my dear.
There could be no better place
than in the arms of the woman I truly love,
there could be no better place
than right by your side through all space and time.

On a day so wet and rainy outside
there could be no better place
than within your arms feeling such
love hope and warmth filling my soul
while wrapping you up in mine
and saying God bless you sweet one
I love you so much and am so glad your mine.
There will never be a better place than
within your Angelic arms.

Kira I know in my heart there is no
better place than being in your
sweet golden heart and accepting arms,
there could be no sweeter feelings or words
than receiving from you those golden ones
Michael I love you,
every time that you've said them my heart
has sung higher than ever with true love and joy.
Kira there is no better best friend
and soul mate than you my sweet one
and there could be no better place than in your arms.

I so wish I could be in them right now and today
but I can feel them around me in spirit right now.
I can't wait for the day when we'll finally be
in that most warm loving space sharing kisses so sweet.
You are my Queen and you are my Angel
and I am so excited to be in your arms
telling you Kira you are amazing and I truly love ya.

Michael P. McParland

Love Note 352

A sweet kiss to you dear
as noon approaches so quick
and how I wish you were here to snuggle up
with me as I take a short rest
for an hour or two.
I'm feeling quite tired
and just need a nap to recharge my batteries
and I so long to hold and kiss you
while drifting awhile.
To look in your eyes and tell you
I love you then caress your soft cheek
and so deeply kiss you.
Remember I'm with you
and holding you tightly
always giving my love and warmth fully.
So my sweet darling will you
join me in spirit?
I love you my Angel and I am
reaching out to wrap you up
and hold you so close and tight
while we catch a rest for a short while.

Michael P. McParland

A Relaxing Morning Snuggle

Oh my sweet darling after returning home
from my trip to the doctors I feel
tired from being up since 1: 30 to 2: 00 in the morning
and I would love to be able to sit back
while you drink your coffee and I have my Gatorade
and share a relaxing snuggle so comfy and cozy
with you my precious lady and just close my eyes while we talk.
A relaxing morning snuggle with you is what
my body, spirit and mind so very need.

Oh my sweet lady how my body and soul ache
to have you next to me holding each other while relaxing
and what better time than on a morning
after getting home from the doctor feeling winded and tired.
How I would love to sit back with you
and just rub your back and stroke your hair
while I hold you on this morning feeling your love
as you sit by me and hold me just as tightly.
A relaxing morning with Kira is what I so long for
and I'm reaching out for you darling to give you
sweet kisses and the warmest caresses.
God bless you my darling you are the bestest.

to start the day with smile so bright
and hug so very warm to say
Kira I love you and want you to
know I am with you holding you close

Sweet good morning kisses to you
and the biggest and warmest of hugs too.

I will be leaving for the doctors
in about an hour and I wanted to let you know
that I'll be out for just a short while.
I wish you could be with me
just to spend the time talking and holding hands
enjoying the love we have for each other
as we went out and got this little chore done,
and perhaps later go back out quickly
to grab a much needed prescription.
Again my sweet dear say a prayer
that it will get filled today and not tomorrow.
I wish you were here to spend this day
and every day here after going about
whatever things that we needed or just wanted
to go about doing,
but soon my sweet lady I know our time will be here.

Have a great day my sweet Queen and Angel
and may the sun give you kisses
like mine so warm and tender.
Just close your sweet eyes and see me smile
as I give you looks of love and grab your hand
in true love to pull you in.
Just give me a smile as I pull you in closely

to hold so very tightly while I tell you I love you.
I'll be there beside you the whole day
holding your hand and you so very closely,

Holding You On This Night

How I would love to just be sitting back
tonight and holding you so tight
and lovingly while you peacefully sleep
just stroking your hair, rubbing your back,
and caressing your cheek as well
and giving you very soft and sweet kisses
while whispering I love you babe
and am so very thankful for you.
How I would love to be holding you
on this night while you peacefully slept
and kept you so safe and warm through all of your dreams.
In spirit dear feel me there as I'm
holding you tight softly rubbing your back
and giving sweet kisses of true tender love
saying you are so special to me
and I'll be here forever my beautiful dear.
I love you so very much you are everything
I'll ever need and want.
Kira you are my Angel and best friend so beautiful
and I'll be your Michael alone forever and ever.

How I wish I were holding you while you slept on this night
so I could just give you all of my loving
strength and peace to help you get all the deep rest
and true love that you are so in need of and deserve.
I wish I were there holding you so I could
look on my Angel and give you the most tender and gentle
kiss on the lips saying I love you sweet Kira
and I am the luckiest man to be with the most
beautiful and wonderful woman the world has ever known.

Michael P. McParland

Night Note 127

Warm and sweet greetings to you
on this night my sweet love.
As I wake up now I'm still feeling quite tired,
so let's just snuggle right now
as I continue to wake up in full.
I'm reaching out to pull you in close
and give you a kiss so full of true love
while whispering in your sweet ear
I love you Kira and feel not a worry or chill
because I am right here to give
you all of my warmth,
I will be holding you tightly
through the whole night to help
you feel safe and know that
you're not alone because your Michael
is there giving you kisses
and holding you closely with all of my care.
Let's snuggle a bit while
I try to wake up a bit more and get moving around.

I have a doctors appointment
very very early in the morning
and I wish as always could go with me.
It won't take long I just wish
you could be there to sit with me
and pass the time waiting talking
while waiting for the appointment,
and them possibly later pick up
a prescription.
Pray that fill that one today
and not tomorrow as it is for
the chronic pain and my body's been
screaming at me as my head has been.
Those are worries for later though
so let's just share sweet kisses and snuggle
reveling in the warm love
we have so deeply and profoundly
for each other and has not an end to it ever.
Just feel me there with you

as I feel you here with me
and be surrounded in all of my warm loving comfort.
I love you my lady and feel
such true pleasure and joy
knowing you truly care about and love me.
I'll always be with you
because my best friend you truly are
such a beautiful and gorgeous treasure
and I can't imagine this life or the next
without you and never ever spent with another.

Michael P. McParland

Come Snuggle Up

Come snuggle up with me my sweet one,
I am so very weary and tired to the bone.
I need a rest bad and want to
have you right here by my side
in each others arms.
Come snuggle up my sweet one
and share some sweet kisses
as we drift off for awhile.

I'll be sending you all of my warmth and love
as I lay my weary head down smiling
and filled with sweet thoughts of you.
Just holding my Angel and the conversations we'll have
feel so happy and fulfilled in the life that we'll share.
Come snuggle up my sweet one in spirit so near
and share peaceful time of rest with me here.
I love you Kira and want you right here next to me
in each others arms feeling so happy and free.

Come snuggle up my sweet beautiful Kira
and just rest with your tired and loving Michael.
You are a miracle and my sweet goddess Angel
and I just want to be with you forever and ever.
So feel my arms around you as I so tightly hold you
and just snuggle up and share some sweet time with me
because I want you my darling and I truly love you
more than anything my darling Kira.

Michael P. McParland

Worn Out My Love

Back from my very long shopping trip
and my love I am plain worn out.
I'm winded and tired I just want to lay down
but if I do I'll be out the rest of the day.
I'm so worn out from so many things
and I'd give anything to be with you
just sitting back and relaxing with each other
side by side and cooling down.
I'm worn out my sweet love and I'm planning
to sort of sit/lay back and drift into
the sounds of blissful music and heavenly thoughts
of you the woman I love and want to have in my arms
through all space and time.

I'm plain and simply worn out my sweet one
and just want to relax with you right here by my side,
I couldn't snuggle right now as you know
how very over heated I get at times
and right now my body is producing heat in overdrive
but we could share light kisses just
sitting/laying here contented and relaxing.
I'm worn out my sweet love and am planning
soon to close my eyes to the sweet sound of music
and dream of being here with you.

Oh my dear love I am so tired and so worn down
and soon I know I'll most likely need to lay down
and when I do I'll be sending all of my warmth and love
while I dream of you being right here by my side.
I love you so dearly and can't wait for that time
when I can hold you so near and close to me
being able to relax and smile feeling truly happy.
Dear I'm worn out and my mind needs a breather
right now and a short bit of rest,
I will write you more later I promise.
I love you Kira because you are the best
and I send you sweet kisses and hugs so full of warmth.

Michael P. McParland

Love Note 351

Good afternoon my sweet Angel dove
and as I should be heading out
the door shortly I wanted to
tell you I love you and miss you so dear.
Please give me your hand my sweet love
as I need your support very much so right now.
As I told you about just within this
last week of some people trolling me
they gave my love note to you
on your birthday a 1 vote and inside
it is killing me.
I know it's best to ignore them
and I just cleared all the votes
but I've done nothing to them
and that especially was and is
such a deep personal note and it
twists my heart around in so many ways.
Please just reach out and take ahold
as I so need your comfort my dear
and feel my arms around you
as I reach out to take your hands
and pull you so close into me
and give you a kiss of deep comfort and need.
I love you Kira and just am so tired
of the jerks in this world.
I'm sorry I am so upset
but it hurts deeply as it is also
an insult to you for them to be so very rude.

I will be thinking of you
and sending my warm, kind,
and eternally caring love to you
while I'm gone with millions of
sweet kisses so deep and strong,
just squeeze my hand back
as I take yours in mine
and give me a big smile so bright
and sweet as yours always is.
Just feel me there with you

holding you so very tight
my hero and Angel my hearts
wants and needs forever and ever.
Know I am right there with you
and right here for you whenever
you want or need my sweet darling Kira.
I love you so much and always
worry about you and hope
you are okay and know I'm concerned
in my infinite, unconditional,
and undying care and true love for you.
Sweet sweet kisses and big warm hugs
to you my dear Kira.
So squeeze me back my sweet lady
as I so tightly hold you
and I'm so sorry that those jerks
bother me so but just understand
how and why it cuts at my heart bad
as it is from the most tender depths
of me as and who I am and in my view
they are hurting and insulting you
my most beloved and precious Angel.
God bless you my darling
and know that from you I'll never be parting
because I love and adore you,
and in full trust I give my whole self
to you through eternity my sweet darling Kira.

Michael P. McParland

Spend The Afternoon With You

It will soon be noon here my sweet dear
and how I wish I could spend it with you.
In an hour and a half I will finally go shopping
and pick up most of the last of my Christmas items
as well as some groceries to be able
to fill my medium to just over medium sized belly
and perhaps but unlikely go to lunch too
and how I wish I could spend all of that time with you
walking along hand in hand feeling cozy and warm.
I wish I could spend the afternoon with my love
ignoring the crowds and not worrying about anxieties hells.

How I wish I could spend the afternoon holding hands
and just looking at you both of us smiling away,
sharing the looks of love that I remember
and feel so very well deep down in my heart and soul
and taking in all the joy that you my dear Angel
bring into my life and the lightness I feel.
I wish I could spend this afternoon with my
very best and beautiful friend just having fun
while getting some necessities done.

I will be with you though is spirit
and filling you with warm reassurance,
praying that next year we can do this Christmas
shopping together and spend our afternoons
happier and more complete than ever
sharing kisses and forgetting the world around us.
I wish you were here my sweet darling to
be with right now kissing and snuggling
and very shortly hand in hand shopping.
I will be thinking of you and sending all of my warmth and loving
so listen closely for my hearts loud and clear callings.
I love you Kira and can't wait for our time
of true happiness and calming where I will just
give you kisses, hugs, and smiles telling you thank you my dear
you are the most beautiful blessing and Angel
I could have ever dreamed of and hoped for.

Sitting Here (I Love You)

Just sitting here reading my book
and I can feel your arms around me
and your sweet loving spirit
and I am in heaven knowing your

and I wanted to say thank you sweet dear

and greatest most beautiful best friend.
I'm just sitting here reading feeling you
and all of your love sending mine as well

Michael P. McParland

A Cozy Night With You

Now after a nice soothing shower
and gathering up some much needed food
for my hungry and needing body
I wish I could just gather you up
in my arms and give you a big
thank you kiss for all of your wonderful
care and loving gifts over time.
Understanding, acceptance, and just being
the most wonderful Angel and blessing there is.
I wish you could be here to curl up in my arms
and spend the most cozy night as I looked
into your gorgeous sparkling eyes and said
thank you Kira for being the best,
I love you and you are the greatest gift
that there's ever been I swear in full truth
because you are my true love and best friend
and I will stick by you giving myself in full to no end.

How I wish you could come curl up in my arms
for the most cozy night spent with Kira
my true love and best friend whom I so
adore and admire and want to be with forever and ever,
I know you are probably most tired
and want to sleep but that is okay just curl up
so tight in my big orange fuzzy blanket in my arms
and I'll hold you so tight while you sleep
just quietly reading and watching some movies.
A cozy night with my love no matter what
is what this heart of mine needs more than anything else
on this entire earth,
and when you got up I would have your coffee ready
and we would just sit so snuggly holding each other and talking.
And if you decided to stay up that would be great,
just being with you on a cozy night would make me the
happiest man in the universe my sweet Queen.
I love you dearly and being with you is everything
I keep on going and living for because you are the most
beautiful woman and I would give anything to
just be spending time with you anywhere.

Just feel my arms wrap so tightly around you my sweet Kira
and feel me pull you in for a cozy night and just
close your eyes seeing me watching movies that
you have picked out like you know we will do
and see me just sitting here reading while holding you.
Feel all of my warmth and love as I send it to you
with the biggest of hugs and sweetest of kisses too.
Know that I am with you and here thinking of and always
praying for you to feel sweet joy and peace
in your heart and soul and to be able with me
just hang in there tough knowing our time will come.
God bless you my lady and feel me holding you
so close to me and say Kira I love you
so feel not a worry my dear.
In spirit let's share the most cozy of nights
and remember my hand is in yours and I will forever
be right there by your side giving all of my endless
support and true love.

Michael P. McParland

Night Note 126

Oh my sweet love what can I say?
I feel so anxious and upset
in so very many ways
and I just wish I could be sitting here
holding you close and talking
away all these maddening nerves.
Please sweet dear believe that
I am so sorry and just
accept me into your arms.
Sit and snuggle with me for
a few minutes before I finally
get a few things done.
I love you so much and your
comfort is everything I need.
Come sit and snuggle oh my
precious one and help me find some calm.

I'm sorry sweet one that I fell
asleep the whole day through again.
I had so much that I wanted and needed to do
and I feel so awful my dear.
I had shopping and a few other
little things that I feel stressed
over and am anxious about now.
Most of all though I just wanted to be up
so in part I could write for you
and just do many simple
little things like read or
whatever I might come across.
I also still haven't set up the
Christmas tree and that is bugging me.
I'm so very sorry my Kira dear
please forgive me my beautiful one.
I just want to feel your hugs and kisses
as I get myself moving.
I love you dear and miss you so
please come and snuggle for a few
and help give me the strength
to get up and at it all.

Oh my sweet dear a small snuggle
and then first a shower.
Some soothing water flowing over me
to wash away the nerves while
I listen to some soothing music too.
I wish I could just sit under the
waters flow and hold you next to me,
just feel the love of the worlds
most beautiful woman while
my heart and spirit heal.
To just hold you close and feel
relaxations bliss being with my girl
and letting all the anxieties just wash away.
I wish you were here Kira for that
and the rest of the night to
snuggle up and relax.
After that a bit of food at last
and then we'll see from there
right now though dear just a few
more minutes snuggle to pick up strength with me.
I will never leave you this I
will forever promise and I am right there
with you my Angel.
Just feel my arms around you as I
pull you in so very closely
and enjoy this night with me sweet lady
as we go about it always hand in hand
supporting each other in every way
that there is.
I love you Kira and for having
disappointed you I am so sorry,
please grab on so tightly
and just feel your Michael giving all
his love and warmth to you
know that I'll forever stick right by you
as your faithful best friend and true loving man.

Michael P. McParland

Please Sweet Lady

Please sweet lady I ask with this kiss
just reach out and hold me so very close.
I'm struggling bad and it's you
the woman I truly love that I want.
Please sweet lady reach out and squeeze
in for a snuggle so very tight
because you're all I need and all I want
in every way my precious one.
You're all I need and all I want
so please come snuggle up right now with me.

Michael P. McParland

Love Note 350

Sweet love please come curl up with me
because that is all I want and need.
You in my arms in this time so very hard
and in which I'm extremely tired.
Please my sweet one come and snuggle close,
I love you my sweet Kira
and want you here within my arms.
I will always be with you my sweet Angel dove
so feel my arms around you.
I love you oh my tender one so
come hold me in your sweet and loving arms.
Come my sweet Angel dove and let's
wrap up in peace and comfort now,
I miss you so very much and need
your warm touch bad.

Michael P. McParland

Love Note 349

Oh my sweet love how
I wish I were with you so
very tightly and lovingly
in each others arms sharing sweet kisses
and just snuggling away
these late night and early morning
hours fast coming.
I wish I were with you my sweet lady.
I can't seem to get up and get
going quite yet my loving Queen.
I am in much pain and just can't
seem to shake the fogginess and
last bits of tiredness.
I can feel your sweet spirit
and it is helping me keep
a light heartedness that I
would not have otherwise and I thank you.
Soon I must get up completely
for a soothing shower and how I wish
you would be there to just cozily stand there
and hold under the flow of calming water
and afterwards just sit back and enjoy
a warm drink and snuggle on the couch.
I love you sweet dear and wish you were here
to just snuggle up with through everything.
I miss you sweet Kira and know that
I am right there with you
and that I am giving my best.
Now let's snuggle back on the couch for
a bit more and enjoy the warm
embrace of each other before getting up
and doing other things of need and such.

Michael P. McParland

To Spend The Night

I would love nothing more than
to just lay down on the couch
with you and snuggle up so very tight
and put on a lovely relaxing film
to which we could just relax to and feel good.
I just want to spend the night
holding you so very close and just
feel peace being with you.
I want to spend the night with my Kira
just snuggling away the hours
chasing off the sadness I feel
and knowing that my Angel's right there
to rest with and give kisses to.
I just want to spend the night with you.

Kira I just want to wrap up together tonight
on the couch and watch a movie we'd both like,
so I could just hold you and give you
all my warmth and comforting care,
I just want to wrap up with you my sweet dear.
To just lay back and feel you right here
and all of the love that we both give.
Kira I want to spend this night here with you
and as I put on a film I send these sweet kisses to you,
I love you sweet darling and for you
my heart is so mightily calling.
You are my sweet Angel and the only one
I'll ever need and desire.
Kira I love you and feel me there with you
because all I want is to spend the night with you.

Michael P. McParland

Night Note 125

Sweet love before I start
explaining things as I reach out to
hold you so tight and very close
please just hold me back and
take peace in each others warmth.
I need your loving care and kisses
so very bad and I know you need mine as well.
Let's just hold each other as
I tell you why I've been so quiet
and I am sorry sweet one
that there hasn't been a word.
I love you Kira and I know you'll
understand so please don't be upset
or feel angry in any way.
I love you babe and trust me
I wish I could have been with you
the whole time because I feel so much
like breaking down in tears,
I just want to hold you near
and let you know how much you mean to me.

I can't possibly tell you how deeply
exhausted I was when I last wrote you on Sunday morn,
I could hardly keep my eyes open
and couldn't even get up and move around,
I was literally spent my sweet dear
and when I wrote to you for a snuggle
to give each other such deep loving peace
I felt your presence strong and not long after
my body released and I fell asleep.
Dear I did not awake unlit late morning
yesterday and I was still so foggy
I just a ate a tiny something and went
back to sleep until just about within
the hour and have been trying to get
myself somewhat together.
As soon as I awoke all emotion
came crashing down because I had been
with you in many of my dreams

and though no real specific remains
I was spending time with you
and I know we were having fun and feeling very good.
I miss you darling and love you beyond the stars
so when I fully awoke to not have
you near broke my heart and I'm trying
to keep it all together my Angel bride,
my heart cried out and I just want you to know
that I'm still here and want to
snuggle up so tight because you are
everything in the world that is good and right.
I love you Kira and miss you
like nothing else.
Sweet kisses toy you my Angel of
such brilliant care and light.
I'll never leave my sweet dear
because you are everything that is worth
fighting for and living for.
I just want you my precious dear.

So sweet Kira let's just snuggle
here for awhile because I know
you need my comfort and I needs yours
to my sweet God given blessing darling.
Let's just snuggle for awhile
and take such comfort being gathered up
in the arms of the one we truly love
and who loves us unconditionally in return,
just snuggle here with me my sweet one
and share sweet kisses so divine.
I love you Kira and I am so sorry
if you were upset and worried,
I wish I could have been curled up with you
and just held you close.
Please don't be angry sweet one
and just hold me close,
my heart is struggling bad right now
and after this I'm going to curl up
and let out my tears from missing you.
God bless you my sweet girl and remember
that I'll always stick by you
with all the care and true love

I hold just for you.
I miss you Kira and I love you more than anything,
so again I apologize and say let's just
lay back and snuggle so I can hold you
for awhile to rub your back and stroke your hair
just letting you know everything is okay.
Sweet kisses to you my sweet dear
and have no worries because your Michael
loves you more than anything and I will
stick by your side without a bit of waiver
through all time because I love you Kira
and want to be with you in true joy
never knowing loneliness and its fears again.

Michael P. McParland

A Tired Mid Night Snuggle Of Comfort

I am so deeply weary, exhausted and tired my dear
and I'm reaching out to wrap you up in my arms
for a snuggle of true comfort and peace with you
my sweet Queen and Angel,
feel all of my care and loving warmth as I pull you in
and give you a kiss for a very tired and longing
mid night snuggle of comfort with you my sweet Kira.
I love you my darling and to be with you my true love
in hopes of fully relaxing for some good sleep
that will be very refreshing as a needed blessing.
A tired mid night snuggle of true love and comfort
with you my darling beautiful Kira.

I have only lay here drifting off a fair bit
as my sleep has been very erratic and irregular my dear
and I want to share a sweet peaceful mid night
snuggle with you as we both took such deep comfort
laying down next to each other and said I love you
and share some sweet kisses,
I'm reaching out my sweet darling to pull you in
for a tired and truly loving mid night snuggle.
To just lay down holding you and to be held by you in return
is such a truly comforting feeling I'm wanting and needing.
So feel my arms so warm and lovingly wrap around you
as I pull you in closely and feel peace in your heart
as I kiss you so sweetly and say
share this sweet and so very tired mid night
snuggle with me Kira because I so deeply love you
and just want you to be here beside me,
you are my Angel who gives me deep peace and comfort
and I want you to be filled with those feelings to
so I will be holding you tightly against me in loving care.
God bless you sweet lady and feel all of
my loving warmth fill you up as we rest our weary heads
for a tired mid night snuggle of deep loving comfort and care
just basking in the warm glow of the true loving care that we share.

Michael P. McParland

A Tender Nights Kiss

I send to you my sweet one
this tender night kiss to give you
deep peace and warmth through your heart and soul.
A tender night kiss to just say I love you
and I wish I were lying right next to you
holding you closely just sharing the sweetest
and most loving conversation.
I send to you my most beloved darling
a tender night kiss filled with pure and true love
to let you know that I am right there
and giving my very best to the woman I cherish
and want to be with forevermore.

Sweet Kira my hearts only true love and reason to beat
please don't feel upset and just feel this tender night kiss
I send to you so filled with my deep and true love,
a tender night kiss to give you comfort and peace
so you can lay back and relax even if not to rest,
a tender night kiss from my heart and soul
to help ease all of your aches and pains,
feel my hand within yours as I lay next to you
and pull you in for a snuggle to soothe.
My sweet darling Kira I send a tender night kiss
to wrap you up in it's tender care and let you know
that I so truly love you and want for you to be happy
and fulfilled in every way.

Sweet Kira my one and true love I so cherish
I send you this tender night kiss to help chase away
the stresses that are bothering you and to
give you all of my warm loving strength,
a tender night kiss to just I love you
and I miss you and in spirit I am so tightly holding you.
A tender night kiss to you Kira because
because both of our hearts are aching as we wished
we could be snuggling and need it so bad
so I wanted to send you this tender night kiss
to give you peace and comfort as I reach out to hold you
and say I love you Kira and just wish I could right now

curl up in bed with you and snuggle so tight.

Michael P. McParland

Saturday Night Dreams

Sitting back in bed here alone
on this late Saturday night
and I'm feeling your sweet strength and love
fill me up and all around me
and it helps lift my sad and aching heart
knowing you're with me in spirit.
I miss you so much and wish you were here
to talk to and hold just feeling true peace
knowing that everything will be okay.
Saturday night dreams of so much
I want to say to and do with you.
Saturday night dreams of what will be
and how I wish I were with you right now.

Just sitting back on this late Saturday night
writing for you to let you know I'm thinking of you
sending all of my warmth and love
with endless sweet kisses to say I love you dear
and I am with you no matter where you are
with my arms so tightly around you.
You are the gorgeous Angel I adore
and would give anything to be with you right now
and to never have to face parting again.
Writing for you on this late Saturday night
while dreaming of beautiful you
and just holding you near as I look in your
Angelic and heavenly eyes getting lost in the most beautiful soul
with the most beautiful smile there's ever been.
Late Saturday night dreams of sweet you
while sending all of my deep loving care and warmth to you.
God bless you my beautiful best friend Kira
and just hold my hand back so tight as I take yours within mine.

Saturday night thoughts and worries
as I wonder how you are and pray you are feeling okay,
wishing I was there to dry all of your tears
and just hold you so tight giving sweet tender
kisses on your cheeks and head while
I rub your back and stroke your hair in comforting love.

Saturday night dreams, Saturday night thoughts ans worries,
A quiet Saturday night alone just plain
missing you and wishing I could hold you,
talk to you, heal all of your hurts and pains
that are making you suffer.
I hate knowing you hurt because you mean so much to me
and to see you in pain is heart breaking
and sickening for me because you deserve
to be happy and that's what I want most for you.
A Saturday night with a head, heart, soul,
and mind full of things and for you it's just
pure tenderness with true love so very deep.
I love you sweet Kira and miss you so bad.

Sitting back here in bed on this Saturday night
sending you all of my very best in every way
and dreaming of when we will be together
and as I hold you just let you know
that you a treasured gem and Angel
I will always fight for and defend every single day,
to just give you all of my love
in full every single day serving my Queen
and giving you the kindness and courtesies
you as a gorgeous woman have always deserved
but ungrateful ones never gave.
I love you Kira and will give you
every single bit of myself everyday at my best.
A Saturday night writing for you
to let you know that I love you and
just how much I care and want to do for you.
A Saturday night thinking and feeling so many things
but most prominently and above all else
is that I truly love you and would do anything for you
including give up my life if called for.
You truly are so precious my dear and there's nothing
I want or need more than to just be with you
forever basking in and celebrating our true love
that is such a truly sacred and blessed gift.

Michael P. McParland

You Are My

Kira you are my true love and best friend,
you are the one I feel attached to
and know in my soul that we have been
the closest of people since time began
and we were just spirits yet to be born.
You are the woman I've loved here on earth
since I was 15 and through all of the time since then
it's never faded or wavered.
It's only grown stronger my dear
and you are the one I want to be with forever
knowing true bliss sharing unconditional love
and acceptance complete.
Kira you are the one I give my heart and soul to
in all of my true love and trust because you are
my Angel of complete love and light.

Kira you are the one who gives life so much meaning
because you fill me with true boundless joy
and excitement to just be with and talk to,
you fill me with love that has no bounds
and no depths and I would do anything to make sure
you're always happy and fulfilled.
Kira you are my greatest desire in that true way
filling me with the strongest tinglings you can imagine.
You are the one with whom I want to
celebrate life with each day as we work together in everything.
I love you Kira you are my soul mate
and the only one I'll ever give myself to completely.
It's only you because you are a blessing
I admire you to no end and only wish to honor.

Kira you are so very beautiful and I would
just love to hold you with our heads held back
so I could look in your eyes caressing your cheek
and stroking your hair while I just took in
and admired the beauty you are,
then give you the most tender kiss and tell you
how beautiful you are on the inside as well
with your tender heart so full of love

and your giving and strong spirit which will not
be conquered by anything.
Kira you are my beautiful girl and I can't help
but smile and feel butterflies when I think of
or see you because you have the pure beauty
of an Angel as God created you so very special.

Kira you are so wonderful, fun, and an inspiration
because you are so very intelligent and think for yourself,
I love to talk to you because we can discuss
the most deep and thought provoking things
to just silly little conversations that aren't dumb
but just light and fun.
You are so fun to talk to because I can be open with you
and I know that no matter what I will learn something
and you like to listen to me babble and that feels good.
Kira you are everything I want and I love you so much
and just want to be with you through time.

Kira you are my true love and best friend
that I share a bond with I'm so thankful for
and I'm so thankful to know you and to share a love
that is so complete and so rare.
Kira you are my other half and you fill me up
with hope and light that through hard years had been lost.
You are my northern star and the one I adore,
you are the one I treasure and cherish to no end
and hope you will honor me with your sweet hand.
Kira you truly are a gorgeous Angel in my eyes
and I know that there is no other for me,
I will stand by you forever my Queen.
God bless you and feel me there with you
just giving you kisses as I hold you so tightly.
Kira you are my true love and I am and will be
your Michael forever holding your hand
giving my full support
and undying love that fills me up.

Michael P. McParland

Love Note 348

A very warm and good
late evening full of true love
to you my sweet Angel dove
and first thing as I rise from my rest
is to tell you thank you so much
as always for all of your
warmth, care, and endless love.
I love you my sweet darling
and cherish you as my Queen and Angel

and I want to be with forever and ever.
I love you sweet Kira so deeply
that thankful tears of deep love
are coming up to my eyes.
Sweet sweet kisses to you
my tender hearted Angel
I give myself to in full forevermore.

I am shaking with hunger my darling
and must get up and scavenge
to fill the pit in my stomach
but as soon as I'm stable
I'm going to write you the most
beautiful thing I am able.
I want to honor you while always
letting you know that I care for
and love you because you are the worlds beauty.

the very best as well as all
the love in the world,
I'll eternally give all that I hold
to you my Angel true.

So my sweet love I send sweet kisses
and warm hugs to you and am right there with you
and after the food shakes are gone
and my mind is settled I'll write you
my dear I promise,
just feel my hand in yours
with all pf my loving warmth that I send.
God bless you sweet Kira
I love you to no end.
You are the greatest and again
I truly thank you for being
the sweetest loving and most beautiful
Angel that any man has been loved by.

Michael P. McParland

An Evening Snuggle 2

Come my sweet darling on this early eve
to lay down and snuggle during
a very much needed rest at this time.
Come so we can hold each other so very close
and relax in true contentment and peace
as we deeply kiss and then close our eyes
for a short rest of which I'm in deep need.
I love you sweet darling and want
to just lay in bed holding my sweet precious lady
to kiss and feel whole with as
I rest to regain my strength.
Come snuggle with me on this early eve
because I just want to feel your heart beat
and your touch as you lay here with me.
I want to just be with you and snuggle
as we rest in the early part of this evening.

Michael P. McParland

aching and longing hearts.
I send them to you because I love you so much
my sweet Angel dove and want you to

knowing your Michael will always cherish and love you
standing right along side you forever.

Sweet sweet tender kisses of true love
and desire to you my dear one this tired afternoon.
I send them just to say I love you my darling
and to know I am with you and want you
to be happy wearing your bright heavenly smile.
I send you these kisses just to say I care
and that you are the most beautiful woman there is
and as I sit back on this tired day
while resting my eyes during reading breaks
I'll be thinking of you and let
my heart be filled completely with your loving light.
Sweet tired afternoon kisses my darling
as well as big and tight hugs of pure warmth
saying I love you darling and you are my everything.
You are the Angel I cherish and long to be with
for all eternity as husband and wife.

Michael P. McParland

A Sweet Saturday Afternoon 2

Having just risen on this Saturday afternoon
from a good stretch of fair and much needed sleep
it was for and to you that my heart so loudly cried.
It's crying out in longing need as I think of you
and see your beautiful face and imagine you standing
before me and smiling I start to ache because
I want to see you so bad taking you in my arms
to say I miss you Kira you are so truly special
and I love you sweet Angel and want to always be with you.
I feel that aching and want nothing more
than to spend a beautiful Saturday afternoon
talking to you and being together.
I can see and feel you so clearly and my heart
is aching and yearning for you my dear darling.

As I woke from that sleep it is complete truth
that you were the first thing I felt and saw
and I want nothing more the to be with you
on this Saturday afternoon just talking
and snuggling away many hours.
I feel so truly exhausted and spent in many ways
my dear darling and I ache and desire to just hold you
and know everything is right and beautiful.
A beautiful Saturday afternoon with sweet you
would make the world right in this space
and I could just sit with you while we talked and talked
which with you is one of my favorite things to do.

I can see you so very clearly my dear and I feel you too
and I long so very much to be able and reach out
wrapping my arms around you to pull you in close
and give the sweetest and most loving kiss.
I wish I could reach out to just hold you right now
and sit back and enjoy a beautiful Saturday afternoon
with my sweet Angel dove I so truly care for and miss.
Feel all of my love Kira as I send it to you
and feel me there holding your sweet hand.
I can so clearly see you and I also feel you
so very strongly and I long so very much

to be with you sharing a beautiful one with beautiful you.
That would be heaven on earth because
I love you so very much and to be with my sweet Queen
and Angel is the best thing there could be.
I love you sweet Kira and remember I will always be
your dedicated and loving Michael and there's nothing
I want more than to be with you for all time.

Morning Note 145

Good morning to you
my sweet Angel dove and I send you
these great big hugs
of immense warmth with sweet kisses
to wish you a gorgeous and beautiful
weekend filled with comforting peace
and endless light,
I'm sending you all of my love and warmth
with all of my strength,
I will be with you sweet dear
through the whole day right by your side
holding you and your hand every step of the way.
Feel all of my love and hear my hearts call
telling you that you are my only one
and there's not another soul
that could take your place.
You are my Queen and through eternity
I will always give you all of myself in full.

Have a great day my sweet dear
and I pray that the sun will shine
so very brightly upon you
and give you a very special kiss
that I send to remind you that you are
truly a diamond in the rough and precious jewel,
a special kiss to try
and describe all of the love
I feel and hold so deeply for you,
a special kiss of reassurance and truth
to let you know that I'll
never leave you because to
truly lose you would be the
shattering in full of my heart.
Because to know you would be
so deeply wounded and hurt
would twist me around in deep pain
and to ever lose the woman
I truly love and always have
would be the death of true hope for me.

So receive this most special
and precious kiss and take
peaceful comfort knowing the truth
of all the deep feelings it caries
and may it make your day
so extra special my beautiful dear.

So a bright and beautiful
good morning to you my beautiful true love
I cherish and want to be with forever
and feel my arms around you
and these sweet tender kisses I give
on your forehead, your cheeks,
your neck, your lips, and your hands
to say you are so truly my sweet lady
and I love you forever because
you are my truly wonderful and adorable Kira.
Have a good day and just remember
and feel through your entire
heart and soul that your Michael loves you
and that I would do anything
you wanted or needed because I will
in true love and desire serve my sweet Queen
with all of my love and power
because I want you to be happy
and I want you to be proud of me.

Michael P. McParland

Goodnight My Sweet Angel Kira Of Light

Goodnight my sweet Angel Kira of love and light
and I am so very tired and think I'll now be able to sleep,
come slide into bed with me and let's
snuggle and share the sweetest kisses for a short bit
before we finally put our heads down to
peacefully sleep in deep comfort as we hold each other.
Goodnight my sweet Kira and come slide into bed
with me so I can look in your eyes and tell
you I love you while you see the deep wells
of truth and care in my soul and you can be touched
by it's power in full as we snuggle for awhile
before we rest our heads to peacefully sleep.

I have been doing some very deep reading
and that my sweet dear is why it's been so long
since my last message as I finally had
to force myself away because I know you might be worried
that I am upset in some way or fell asleep.
Just a very lengthy short story my dear
and I will finish reading it while you cozy up
and rest your head on my chest.
I'll hold you so close and tight in all of my love
so feel my immense warmth as I send it to you
to give you deep comfort and peace.
Please my sweet dear never worry that I am gone
because I am your Michael and I will always
stick by you and be yours through all time.
I am here for you dear and give you these
deep passionate kisses of true love to set you at ease
and to help give you the rest that you need.
Goodnight my sweet Angel Kira of light
feel my arms around you to give you deep strength.

I'll see you my dear in the land of dreams
to just be with you and hold you
and exactly where doesn't matter
because I just want to be with my lady
snuggling and enjoying your company.
So tonight my sweet dear I just want to meet

and I will see you sweet one
in the land of dreams so majestic
and truly without bounds it is endless.

Goodnight my sweet Angel Kira of hope,
of light, of reason to fight on and live
I love you so much and I hope you know
to even a degree just how very much
because from me it overflows in the greatest way
I treasure you dear and want to be with you
and holding you every single day.
My heart and soul are yours because
I wish it so and present them to you
because I trust you and know you will take
such sweet loving care of the complexities they hold.
Those are two things that no one could ever steal
and I so treasure you I want you and you alone
to have them through all time.
You are my Angel and my northern star
and for me there's nobody else my sweet Kira I love.
You are my soul mate and best friend
and I would never intentionally harm or cause you the tiniest pain
because you are the one I truly love more than anything
and I will be right there beside you always my dear.
Goodnight my sweet Angel Kira of light
God bless you this night with deep peace of heart
and feel my arms around you giving you all of my love and warmth.

Michael P. McParland

I Miss Your Goodnights

Lying here in bed my sweet dear
but not yet ready to go to sleep,
I'm just sitting here reading short stories
to keep myself occupied from the anxiety
attack that's suddenly come over me
and I'm thinking of you and your Angelic voice,
sparkling eyes, heart and spirit of gold
and that gorgeous smile to help stay the nerves.
I'm just lying here and missing you in so many ways.

Right now what I'm missing so much
are your beautiful and touching messages
saying you love me and goodnight,
to get some good sleep and share the dreams
we had had of each other and how we hoped
we would dream of each other again as we slept that night,
and there were always other various tidbits
and it was so soothing and touching
and I miss your sweet words in your good nights
that helped make all bad go away
and for you I was and will always try to do the same.
I miss you Kira my beautiful one.

I'm just laying here sweet dear with so much
running around in my mind while at the same time
it feels slow and empty which makes me feel stupid.
I'm just lying here trying to beat this anxiety
that has creeped up on me and is a true difficulty
but feeling your love and warmth helps make it
far more bearable than it would otherwise be,
without you my dear I would most likely
be crawling out of my skin.
Thank you sweet one once again
and when we've reunited I'm going to thank you
over and over in the most special ways that I can.
It's just that right now the one thing I really miss
is your sweet goodnight message to me that was
a truly divine and celestial blessing.

So please my sweet dear will you come
snuggle with me and hold me so close for awhile
before we fully turn in?
Will you just reach out my dear and take my hand
to give that extra strength that I need?
I know I ask so very much and I often
feel so ashamed of how much you must put up with,
but I truly love you my darling and right now
I so very much need you and know I can come to you
and trust you which I do.
Reach out my sweet darling and help me on this very night.
I know you can't and I understand but I truly wish
I could have that treasure I miss which was your message
of goodnight, true love, and spiritual well wishes.
Things that I know you still send me in full
but I just miss reading them so very bad.

I miss your bright sparkling eyes,
I miss your shining smile.
I miss your beauty that you are in total,
a cute face and wicked body,
a heart and soul that are so pure
and well beyond almost everyone else that I know,
no one can surpass my mother by
but you my sweet
darling are right up there with her.
I miss your goodnight messages simply put
because they were you in a way my sweet dear.
They summed up in the best way it could
the love and compassion with true understanding
you have within you my darling dear.
They were a direct touch from you
that without the momentary possibility of being physical
was so very personal and deeply thoughtful.
I miss your goodnight messages because I miss you
Kira my sweet precious darling and I am so excited
for when the time comes that I can hold you so close
and just let you know that you are the one I love most
and you mean more than everything else.
I love you babe and I always will
because you are my beautiful sweet Angel dove.

A Peaceful Evening 2

Sitting here alone in the quiet my dear
and have such a deep burning and longing
within me to be with you and to talk,
to just snuggle and hold hands feeling true comfort
and peace as we are just sit together sweet you and me,
a peaceful evening of calm to just sit and read
and talk about everything and nothing throughout.
A peaceful evening for just you and me
is what I so long for and need.
A peaceful evening with my dear lady who means everything.

I long and yearn as I sit here alone
in this silence that surrounds to be with you
just sitting back holding each other and holding hands.
A peaceful evening with my lady
and even a great and fun night with the kids.
That is true fulfillment and solace being with
the one who you care for and love
and cares for and loves you the same in return.
A peaceful evening together is what I ache for so bad
and just want you to know I love you my dear.
I can't wait to be with you and in each others arms.

What a wonderful time it would be to just
be with you and your kids just spending time
and getting closer as we do fun things,
a peaceful evening my darling and Queen,
all I want is to be with my best friend
and I send you sweet kisses to let you know
how very much I truly worry and care.
I can't wait for those peaceful evenings
so I can know how you are and that you are okay,
peaceful evenings to just bond and share.
That's what I yearn for my love
is to know you're okay and spend time everyday
getting to know my sweet Angel dove in every way.

So as I sit here sweet love I think of you
and have a prayer in my heart because

I'm always concerned that you're doing okay
and hoping everything is going smooth and safe,
I love you my darling and that's why I worry
so that's a big part of why I'm so deeply
aching and longing to spend peaceful evenings
just sharing talks and kisses while snuggling.
To be there for my Kira and caress your cheek
so I can look in your eyes and tell you I love you,
that I cherish you deeply and want you to be
forever happy receiving the love you've been deserving.
To just be with you in complete and full comfort
finally having a time with no need to fear or worry
because we will be with each other sharing
the most divine and beautiful peaceful evening.

Michael P. McParland

Morning Note 144

A very good morning to you
my sweet Angel dove and I pray
that you felt all of my warmth and love
through the night and slept well.
I hope you had the sweetest of dreams
and saw me there so I could hold you close
and hold your hand as we went along.
I love you sweet dear and give you
these kisses and warm hug to start the day off.
You are so special and my biggest reason
to keep getting up everyday.
I can't wait till I can roll over
every morning and see you there
and give you a kiss as I say good morning babe
I'm so glad you are here
because you are my Angel and I love you so deep.
Feel all of these kisses and hugs
I send to you as they hold every bit of my love.

The night of sleep was restless for me
as I didn't feel well throughout the day
and it just lingered a bit my dear.
I thought of you though the whole time
as I could feel your loving strength
fill and surround me in full
and again I thank you my dear for all that you give
and all of your sweet loving care,
it helped me get through the night
and into this morning here.
I love you my dear and no matter what
I'll always be right here for you
and stand by your side hand in hand
fighting for you with all of my strength
and giving my full support,
hear my hearts call as it sings to you
about how much you are worth and mean to me.

and I'll protect you with my life my sweet darling,

within your sweet heart and loving soul
and remember I'm there holding you and your hand
so just close your sweet eyes and
see my big loving smile as I wear it for you,
remember the tenderness you saw in my eyes
that said I love you my darling
just as you did every time we looked up
and just began to smile.
Remember and take comfort in those
as I do when I think of you
and I know soon we will be in each others
arms my sweet dear kissing
and pouring out all of the sadness
as the joy pushes it to fill us anew.
I love you darling and I always will,

to do as we fancy in the place that is just ours.
I will be there at the gate to so warmly greet you
with the softest loving looks and a big smile too.

Come Snuggle 5

Come my sweet darling and before bed
let's just sit back and snuggle right now,

a bit of time before we lay down to sleep,
we'll just spend some time reading and talking away
so my sweet darling come snuggle with me.

I'm still not feeling great but I just want
to sit with my lady in peace feeling
whole and fulfilled having you near,

winding down this day.
Come snuggle with me and share kisses too,
you are divine my sweet love and I want
to be in your arms feeling so warm.

Come snuggle with me and spend time
just enjoying the best company we can
before we go to bed and fall asleep.

and heal your heart darling with both of ours touching.
I love you immensely and expect absolutely nothing
because both of our love is unconditional.
God bless you my dear I just want to hold you near,
so come snuggle my darling while reading and talking
because there's nothing else I'd rather be doing
than spending time in the arms of my lady.

Michael P. McParland

We Need Each Other

We share a bond of true love and friendship
that's so very strong and has lasted so very long,
we share a bond that has been tested many times
by many things and it has lasted these many years.
We share a bond I know in my heart that has been
blessed by God and we need each other
because we carry such deep feelings for one another.
We need each other because there is something missing
when we're not together and both of us feel so very empty.

We need each other sweet Kira because
we can and do open up in a way like with no other,
we need each other because we've always stood up
for one another to fight for and defend in true honor.
We need each other because our hearts want each other
and our souls can constantly feel the other.
We need each other because we fell in love
long before coming to earth here.
We need each other because there is a completeness
that cannot be described or spoken.
We need each other and it can be seen dear.

Even through the fights we've had I still love you
and care for you so deeply and completely.
We've made it through them my darling
and we will make it here too.
I know you still love me because I can feel it
and in so many ways you have told me.
We need each other because we are so sad without dear
and we are so strong and so happy when we're together.
I love you sweet Kira and I happily tell you
I need you my darling just because I so love and adore you,
and you love and adore me just as deeply.

We need each other because best friends and soul mates
belong together always working through and along
those things difficult and easy together.
You are a true treasure and I long to please you,
to make you so proud and see you smile.

I need you just because I so deeply love you.
We need each other and it doesn't all have to be seen why now
because as long as we're together fighting along for one another
we'll remain strong and will never be stopped
by anything that tries to destroy us or hurt us.
We share a bond that is so strong and will last forever my dear
and we need each other because we are in true love
which is the greatest gift from God in heaven.

Michael P. McParland

Come Lay With Me 2

Come lay with me my sweet dear,
I'm beginning to feel quite unwell
and I would love to have you next to me
hearing your soothing voice
and feeling your soft loving touch.
Come lay with me my precious dear
and give me comfort in this time of need.
It with only you I want right here with me
as I lay down from feeling quite unwell.

Come lay with my sweet Queen and just
be with me for awhile while I lay down.
I'm feeling most unwell and just want
my Queen here to give and feel my love,
come lay with me my sweet Angel dove.
It's you I want to sit with me
and soothe through the time,
it's only you I want my sweet love.
Come lay with me and hold me through this time
because it's the one I truly love
I want and need right now.

Michael P. McParland

I cherish you in full and you're my best friend.

I cherish you my beautiful one
because I feel you near all of the time
and your loving strength helps keep me going,
you are so beautiful it makes me ache
and you are beautiful both outward and in.
I cherish you for just who you are
and I give you all of myself and my love
my only one.
I cherish you in full my sweet Angel dove.

I cherish you my sweet dear and love you more than anything,
I want to spend eternity with you my dear precious Queen.
I adore you so deeply because you are amazing
and you truly complete me.

It's a very cold winters day outside
my sweet love so let's sit back today
and cozy up just snuggling and spending time,

chasing away the world and all its cold
as we wrap up in my big fuzzy orange blanket
and in each others arms.

We could play games like Trivial Pursuit my fav,
or watch some good movies that everyone would love,
build a puzzle or just sit and talk along,

and forget all the troubles that are in the world for now.
Let's cozy up on this cold frigid day
and just revel in the warmth and glow of our true love.
Come curl up with me my precious one and
be filled with all the warmth I have.

Let's cozy up my dear on this very frigid day,
cold winters days were made to snuggle up
feeling warm and safe within your Angels arms
and I want us to spend this day with that sacred charm,
I want to be with you all cozyed up
forgetting all the pain.
I want to be with you my love feeling warm and good,
I want to cozy up on this cold day
because I love you very much.

Kira babe let's cozy up and spend time
just you and me and some with the kids.
Chase away the cold outside and revel in the joy of love,
this time will come I feel in dear
and I can't wait my sweet precious Queen.
So today my love in spirit cozy up and feel my love,
have peace inside and know I'm right there beside you now.

here on earth to celebrate the love we have shared
since time began and we first crossed paths.
Tonight my sweet lady I'll see you in our dreams
to just laugh and cuddle while talking and doing whatever.

A Peaceful Night With You

Oh my sweet love as I took a warm
and very soothing shower than sat and ate some late dinner
all I could have wished for was for you
to be here sitting with me enjoying a night
so very peaceful and so very quiet.
A peaceful night with my Kira my delightful Angel
who makes my heart sing and my soul glow.
A peaceful night with my Kira talking, watching movies,
and just snuggling together feeling so truly cozy.

Oh my sweet love and darling Kira I wish you were here
for a peaceful night to just read and snuggle.
To just sit next to you as we both read from
your works would make my heart sing in a way
that it hasn't in what seems like forever,
not since I last talked to you and read
your sweet precious words from your golden soul.
I wish I were have a peaceful night right here with you
so I could just kiss you and hold you close.

A Warm Evening

As I lay here in bed my sweet dear
just slightly drifting while resting
and hoping soon to get feeling better
I just think of you and sharing sweet kisses
as we just held each other.
I know that is our future but I just wish
I could have you right here in this moment and then forever
to share a warm evening of complete peace and comfort.
A warm evening with my beautiful Kira
is everything that's wanted and needed by me my sweet lady.

Love Note 345

Good evening sweet love
and I'm so very sorry I've
been silent the whole day
after my morning greetings and note
I was so exhausted and overwhelmingly
and totally felt your loving warmth
that I fell asleep very quickly
and only woke about 20 minutes
or just short of it and just had
to slowly work my way out of
that fog of extended sleep.
Thank you my dear for all the love,
kindness, and understanding
you give and have it really means so very much,
I felt your love and care
so very strong I had put on an
audio book of a story only
16 minutes long and I fell
asleep about when it would have been
half done.
I hope you are smiling
in a good humored and loving way
as I am because you know
I never fall asleep so fast just like that.
I feel very emotional right now
my sweet love but because of you
I am smiling so very big.
I love you dear one and thank you
so much for being such a blessing
and Angel to me so very pure.

As I said my sweet dear
right now I'm feeling very
emotional indeed and still
I can't seem to catch my breath in the least,
and my sinuses are super
dry and sore which is annoying for sure
so my sweet love come sit with me
in spirit as I go out to sit

on the couch and drink some broth,
come and let's wrap up in
each others arms and softly
talk while I sip at my soup.
Nothing more on this earth would
make me happier than sitting
with you wrapped up so tight
warming each other
and being warmed up with soup.
I love you sweet Kira
please come sit with me
and snuggle the late evening away.

Oh my sweet Kira I truly
love and miss you so very much
and just wish you were here
to to talk to and snuggle with always
in bad times and the much more good,
I want to be with you through it all.
Right now I don't know that
I'll be up very long
but I will be holding you and sending
you all of my loving warmth,
feel these sweet kisses
I give to you now and the whole night through,
I will write you before
I lay back down my sweet one
and again I thank you so much for
all of your kind love and understanding,
it means more to me than you can imagine.
So come sit with me love
and snuggle so good as I sip
at my hot soothing soup
and let's talk.
I love you Kira more than
I can possibly tell or describe
and I hope you know
that you are truly my only one
and best friend who I'll
treasure forever and ever
because you are the most precious diamond
that this earth has ever known

in my eyes my sweet Angel of heaven.

Michael P. McParland

Morning Note 143

Good morning to you my sweet Angel dove
and God bless your precious heart,
I send you sweet kisses and warm hugs
so big and tight to start this day
right with a shining ray of loves light,
you are the greatest and sweetest my Kira
and I am so thankful for being
my amazing best friend, true love,
and Angel supreme.
You truly are my everything.

It is a day to just spend in bed
resting off and on the best that I can,
I literally can't manage
to catch my breath and feel winded non stop
and am just fatigued to the bone
and beyond it feels.
I wish you were here to snuggle up with
and get as cozy as possible
feeling your deep loving peace
as you held me and read me
your writings and stories.
That would be heaven my dear lady,
to rest and relax in your arms
while you shared your exquisite
and deeply gorgeous art.
Just the thought of that act
makes my heart glow with
true love, longing,
and hope my sweet dear.
I wish we could spend today
that very way having each other
and our very deserved peaceful contentment.

I will be with you my darling
holding your hand and you
so tightly as ever,
I'll always stand with you forever and ever
have not a worry fair lady.

I promise I will write to you
through the day as I can
because I'm here for you my sweet dear,
even here in days of complete
needed rest I'm thinking of you
and giving my best as I send you
all of my loving warmth.
Will you please hold me so tightly
in spirit as I rest through
this deep tiredness and pray
that whatever reason I am out of breath
constantly will soon pass?
I know you will darling
and I think you forever and now.
So have a great day my Kira
so truly beautiful
and see me the whole day
giving you loving looks and a smile
because am sending you millions
with endless sweet warming hugs and kisses.
Good morning sweet Kira and as
I spend this day resting
it is of you my best friend that I will be dreaming.

Michael P. McParland

A Warm Night In Your Arms

Oh my sweet love I am only just getting up
in a manner of speak from my very unrestful rest,
I caught not a single wink of real rest or sleep.
It gave me the chance though to just
lay down and close my eyes to think of you
and all the things I hold within my heart and soul
that I so wish to tell you and will do so in full
when we have come back together again.
The rest was not good but the dreams were divine
because we were together spending such loving and peaceful time.

So as I continue to just lay back on this night
I dream of a warm night wrapped up in your arms
and mine around you as you rested your head on my chest
and we just talked while we relax and rest.
A warm peaceful night in the arms of Kira my Angel
sharing sweet kisses and from the world
feeling finally safe and protected being surrounded
in your immense and never ending loving comfort.

Sweet dear I'm so very tired and miss you so badly
and just want to give you my messages and poems
directly just like the gifts they are my darling,
I want the world to know that I love you
but so much of that is the most tender parts of me
and I want that to be always just for you my sweet dear,
I wish so very much that you were here
to hold each other and share a warm night
just snuggling and talking.

A warm night in your sweet and loving arms
is what I will be dreaming of as I lay back again
while I wrap my arms around you in spirit
sending all of my immense warmth and true love undying.
Close your eyes my sweet love and lay back as well
so together we can share this dream
that will come and be so very special.
Feel me there with you my sweet precious Angel
and know that your Michael is holding you

so very close and lovingly saying I love you sweet lady.
So together we'll dream of a warm night
in each others arms and send
our loving care and warmth to each other
feeling so deeply peaceful.
I love you sweet Kira very deeply and truly
and I wish right now I could be with you
spending a warm night just snuggling with my only Angel.

Michael P. McParland

A Rest And A Dream

Hello my dear darling and I send you
the warmest of hugs and sweetest of kisses
to fill you with cheer and warmth.
To help you know that I am here for you dear
and have been thinking of you
sending all of my loving warmth too.
I am so very tired my dear and I
don't believe I'll sleep long
I am just in need of a rest where
I can dream I'm with you having the best time
just being in your loving arms.
A rest and a dream of my lady
is what's so badly needed on this very evening.

I'm so very tired my dear and want
to escape to dreamland for a while
in hopes that I'll see you there
and I'll be dreaming of you as I drift off
to the light sleep I will get.
A rest and a dream of my Angel so great
is what I need so badly right now.
So I send you sweet kisses
with tons of big smiles warmly
hugging you and telling you you are wonderful,
Kira my darling I so deeply cherish and adore you.
So a rest and a dream right now for me
and throughout all feel me holding you closely
lovingly rubbing your back and stroking your hair.

Michael P. McParland

Evening Note 75

Good evening my sweet dear
and I am just spending this
tired evening sitting back
and relaxing,
I wish you were here beside me
snuggling feeling each others
deep and peaceful comforting warmth.
It's just a quiet evening
and I long for the Angel
I so deeply love, cherish,
and fully adore.
I miss you sweet darling
and can't wait to just
lay beside you holding you tightly.

I hope and pray that your evening
is going happy and well
and that you are feeling deep comfort
in all the loving warmth that I send.
I hope you are smiling and know
that I am beside you holding you tightly.
I miss you my beautiful darling
and I just want you to know
you're so appreciated and matter.
I'd give everything to have you here
because my Angel is my best friend
and the one who means everything.

I am once again sorry
I'm more quiet tonight but my brain
is just really lacking
for the physical movement and words,
but listen closely and feel
the deep beat as my heart
calls out to you in poetry and song
everything that it holds.
My heart is doing everything
that it can to help you know
I am right here and that you are

so deeply cared for and loved.
My heart is my voice
in so many ways tonight
so just listen for it and feel its touch
because I'm always sending my love
in any and every way that I can.

I hope you are having a good
evening my dear and just feel
and remember I'm right there by your side
and you can always reach out
to me here or all the other
places we talked, had, and still share,
I love you sweet Kira and I always will.
I promise I will still
write you tonight as I am able
and I guarantee a couple.
Now please my sweet darling
give me a smile and let your eyes sparkle
because your Michaels heart
needs that beautiful picture of glory and perfection.
Have a good evening and do
take care my sweet dear
I love you deeply and I'm always here.

Michael P. McParland

Butterflies Of True Love

From when we very first met to this
very day the mere thought,
the very mention of your sweet name,
the memory of your sweet voice
and the memory of you still gives me
butterflies throughout my whole body
of excitement and joy,
of being with my Angel so good.
From when we first met to this very day
you still give me butterflies and blow me away.

Every time I would see you I wanted
to just drop everything and run to you
and just hug you and say how happy I was to see you,
but I was so shy awkward and young
and I was afraid I'd embarrass you and make you uncomfortable,
so I would calm and contain those butterflies
as much as possible to be composed and normal
but I know you always saw through me,
hearing and seeing those excited and nervous
butterflies all through and around me.
That makes me smile and still even now
gives me the happiest butterflies in my heart.
From when we first met to the day I write this
and well beyond it I'll love you sweet Kira
and get butterflies wherever you are in anything.
I love you my darling and want to show
and celebrate those butterflies with you forever and ever.

Kira from the day I even first saw you
there was a stirring and fluttering as there
was something special about the girl
in the next row over in math class,
I didn't know what just yet but the wings
of butterflies true love had begun to flutter and flex
sensing something special ahead and ever since
you have given me butterflies filled with true love
every single day of my life and I want
to spend eternity getting that feeling by seeing you

and holding you as my beloved wife,
I want you to know and see these butterflies within me.
Kira I love you so very much and you fill me
with such light and joy,
you give me hope in a world so very dark
by sharing your loving light and kind heart.
I can't imagine how life would have been or how
it could be without you to reach out to and take hold,
life would be empty without these butterflies within me.
Kira I'm sending you some of these butterflies
bearing sweet kisses and warm hugs filled with my love,
I'll always adore and cherish you and I promise my love
I'll forever stick by you and be you faithful loving Michael.

Michael P. McParland

Resting, Dreaming Of You

Oh my sweet darling today I haven't
gotten a single thing done.
Being so drained and exhausted I rested
my head for a minute a fell into a restless sleep,
one in which we were together though
just talking and enjoying time together.
Discussing some of the things we so badly
want and need to tell each other
and that's why I was so silent here is because
I was resting and dreaming of you
until my cat Caesar meowed in my ear and woke me up.

I am truly sorry my dear that I was so quiet,
if only you knew just how tired I was
and still am and needed that rest
which with a God send I dreamed of you
and us spending time holding hands
and I was able to look directly at you
and say Kira my darling I truly love you
and want to be with you forever and ever.
I was resting and dreaming of you my sweet lady,
I love and miss you so very deeply.

Oh my sweet darling Kira I just wish
you were here to sit back and hold
to get through our rough times together
and just talk and laugh like we used to.
That's what I was so wonderfully dreaming
and I know it will happen but I want it to be sooner.
To just be holding and kissing you
just like I was dreaming and being able
to see your bright and beautiful smile
as I looked directly into your sparkling eyes and said.
I truly love you dear Kira and I so adore you,
will you give me the honor of walking right by my side
hand in hand as my Angel for all eternity?

Michael P. McParland

Love Note 344

Hello my sweet dear
and I pray so deep in my heart
that you are smiling and your
morning is going well,
I miss you so much
and for so many reasons
and I just want you to hold me right now.
I'm trying to get moving
on a few things around here
but am so tired and stressed
I can't get going a bit.
I have to though my sweet one
because they need to be done.
I love you my darling
and am longing so hard for you.

I'll be thinking of you my sweet one
as I try to get moving along
sending you all of my warmth and love.
Feel arms around you as
I tell you I love you my sweet Angel bride
and will forever stick by your side,
you are my only one
and I just want to be able to
share all my poems and messages
solely with you because that's
who they are meant for as a gift
from the deepest wells of my heart and soul
so it's killing me when people
criticize, trash, or bother me
about what, how, and how much that I write.
It is so hard to take
when these are the words I give
to the woman I love giving
the very best that I have
even if they aren't the greatest
of all artists through time.
Those words are a present
I know you will truly cherish

and I want to give them to you
myself and in person.
To look in your eyes and say
I love you sweet one
and here is so much a part of myself,
only for you the woman
and Angel I so adore and love.
I know you treasure them dear
but to have others tear down in any way
crushes a piece of my soul
and I just wish you were here to hold
as right now I'm holding back tears.
I love you my dear and can't wait to have you here.

So my sweet darling dear
feel me beside you there and holding
your soft Angelic loving hand
and know that your Michael
is with you and loves you
more than anything.
I'll always stand with you
and be here if and when you may need me.
I love you sweet darling
and now must try to get moving
or I'll never get done with anything.
Sweet kisses my sweet lady
and I will be writing I assure you and promise
and in my heart I'll be praying for you.
Hang tight my sweet love
and feel me sending my love with
every bit of my might
because you are the Angel
I want to be with through all existence.

Michael P. McParland

A Quiet Day And Quiet Night

It was a very quiet day and quiet night
my sweet love.
One in so many ways where my mind was
just distant in it's aching pains
and a quiet day to myself was what was needed my dear.
I'm sorry and I hope you will understand,
it was just a quiet day and quiet night
just for me to be by myself.
Please understand that my dear I thought of
and was with you the entire time sending my love
and sending my warmth.
I'm still here my sweet dear I'm never leaving you
this I swear to you over and over again.

It was a quiet day where in writing I just
didn't have any good ideas in my head for you
and I truly want to give you my best always.
Just a quiet day feeling somber and lost
and wished so many times we could have sat and talked.
I was sending you sweet kisses the whole time
and praying you weren't worried and upset
and that you were receiving all of my loving warmth.
Just a quiet day with so much going on inside of me.

Then as a quiet late afternoon turned into
a quiet and lonely night I just sat
and played my video games for hours and hours
and you know I'm by no means a gaming fanatic.
It was something on which I could focus
and I was enjoying it.
I hope and pray you understand that it was just
a quiet night and a quiet day.
I will always love you my Angel so dear.

Just a quiet night and a quiet day like we all need
to just crawl into our shells and just be,
I love you no less and I mean what I say
when I tell you I love you more and more everyday,
I truly did fall apart when I lost you,

you are my diamond in the rough
and Queen who means everything to me in every beautiful way.
You are my gorgeous Kira and I love you so much
my heart is full and about to burst.
Feel my arms around you and all of this loving warmth.

It was just a quiet day and quiet night
my sweet dear and I truly am missing you so very much.
God bless your sweet heart and remember you're loved.
Your Michael will stand by you for all of time.

Michael P. McParland

Love Note 343

Good afternoon my sweet love
and I pray you're doing well
and feeling all of my warmth and love
as I send it in full endlessly to you.
I love you so much and want
you to know so that's why I'll
never stop telling you so.
My thoughts and heart are with you
as am I holding you near.
God bless you sweet dear
for the wonderful Angel you are.

I'm still feeling down
right now my dear but have been
trying to keep my mind busy with
one of my video games.
It's keeping me focused on something
and it's an old one I love,
it would be awesome if you were
here to play too or sit with me
just snuggling up.
I feel you here with me though
my sweet love and that is helping move
this Sunday right along.
I love and miss you
my gorgeous one.

Just feel my arms about you
as I give you sweet kisses
and tell you I so deeply love,
I'll never leave you my Angel
and am always beside you.
Hear my heart singing across the distance
and remember I'm here for you always.
God bless you again
my sweet Angel diamond
and I'm right there so tightly holding you.

Michael P. McParland

A Somber Sunday

It's a somber Sunday here my dear,
I feel so tired and worn out sitting
here in the quiet all alone.
As I go about doing really nothing
I wonder sweet one how you are doing
and hoping you are having a good day and smiling.
I hope you are my sweet Angel because I want
for you to always have a reason to feel
so splendid and peaceful.
I'm having a somber Sunday but am sending you
every last bit of my warmth and loving.

Just sitting here my sweet dear and wondering
if you are okay and know I'll be with you
by your side everyday all through time.
I'm praying that you know how much I appreciate you
and cherish you as my Queen and my Angel.
I pray that you do not have tears streaming
and that there is no reason for you to be crying.
I'm just having a somber day and am feeling so
sad and lonely inside.
Know that I love you and I'm always here,
I miss the sound of your sweet Angelic voice
and the softness of your beautiful face.

It's just a very somber day my sweet dear
and I'm so badly missing you,
just feel my hand in yours to give us both comfort,
I adore you so much and wish I could hold you close.
I'm thinking of and praying for you always my dear
and please reach back sweet one and help
give extra comfort on this somber day.

Michael P. McParland

Come Sit With Me 2

Come sit with me on this early Sunday
my sweet beautiful darling
and just hold hands while we talk to each other.
As I've said so many times I miss
so very much talking to you as we passed the time.
Talking with you is one of the best things
in this life to me there is to enjoy.
Come sit with me please and just hold each other
while we so loving and joyously spend time together.

Come sit with me and let me look in your eyes
to just marvel at the Angel I adore and admire,
to just have the honor of sitting next to the Queen
my heart eternally loves and desires
and let's just talk and do things together.
Come sit with me Kira and let's just share everything
that we can think of and has been happening.
Come sit with me so I can kiss you
and look in your eyes as I tell you I love you.

Please just come sit with your Michael
as we so closely and tightly hold each other,
I miss you and your sweet loving words
and voice that reached straight into my heart
and gave it awesome light and hope.
Come sit with me on this Sunday morn
and cozy up tight next to your man.

Sweet darling I would love nothing more on this
Sunday morning to be sitting with you talking
or even just enjoying our company in silence.
I would just love to be with my Kira.
Come sit with me soon my dear darling diamond
and let's fill our souls once again with such happiness.
I am missing you so very badly and just
want to be next to you daily.
So come sit next to me here in spirit
and we can just relax holding each other so tightly.

Michael P. McParland

A Sweet Sunday Morning

A beautiful and sweet Sunday good morning
to you my sweet dear and to start your day
with tons of love and light I send you sweet kisses
so full of care and deep admiration
with gentle tenderness straight from my soul and a heart.
A beautiful and sweet Sunday morning to you
my sweet dear.

I am thinking of you my darling and so deeply longing
wishing you were here as this day gets started,
to just sit back and relax with no hurries before us
and just drink some coffee while we tightly snuggle.
I'm thinking of you and sending all of my love and warmth too
so you will know I am right there with you.
I always am my darling dear and am holding you near
so in spirit you'll feel so safe and calm.
So you will have contented peace in your heart.
A send a good morning so sweetly to you on this Sunday
and to have a good day as I walk along hand in hand right beside you.

I wish you a very beautiful and gorgeous
sweet Sunday morning my sweet gorgeous Kira
and soon we will be able to share them all together
where I hold you so close and tight as we first rise
and then I'll make your coffee and cook you breakfast
as we start moving about the day.
Sweet Sunday morning with my sweet Angel and best friend
is just one of the greatest things there could be.
I love you Kira and wish you a sweet beautiful Sunday morning
and feel these sweet kisses as I send them to you.

A sweet sweet beautiful Sunday morning to you
and if you're still tired just rest your head and
dream of my sweet loving looks and smile as you feel
my arms around you to fill you with my warmth and love.
Get the rest that you need and when you rise
I promise I still will be here because you are my darling Angel
and Queen I'll stick by forever and ever,
I'll be right here holding your hand.

So a sweet and beautiful good Sunday morning
I love you darling and can't wait to have all of these with you.

Michael P. McParland

Early Morning Kisses And Snuggle

A very early good morning to you my sweet darling
and I'm reaching out to give you the sweetest kisses
as we so closely and warmly snuggle in this early hour.
I love you so deeply and miss you so badly,
I ache and long for you you even when I am sleeping
as I yearn to be in your arms and have you right next to me.
I'm reaching out for you on this morning
to give you sweet kisses and snuggle to give us both
such deep warming comfort.

Sweet sweet early morning kisses to you my dear darling
as I pull you in to say I love you sweet Kira,
you are my Angel and I truly want to forever hold,
hear as my heart sings to about all of my passion,
feel it's beat as it is for you while I so tightly hold you.
Sweet kisses and a snuggle on this very early morning,
I love you Kira you are my everything.
So before we get up and fully going lets just snuggle
in peace here my dear precious darling.
I'll always be with you and give you my everything,
Kira I truly love you and feel all my warmth
in these early morning kisses and snuggle.

Michael P. McParland

Without You I Fell Apart

Sweet Kira my dear I truly am missing you
because I do love you more than anything
and the reason I have so much to do
and a huge mess that is taking time to clean
is because without you I fell apart so very bad.
For a long time I fell apart and could never
get myself back fully on track
because I was and still am broken hearted without you
but right now am trying to pick back up the pieces
for both me and you.
I'm hoping you'll come back so very soon
and I'll have most everything in order to give you
the best that I can my sweet darling.

After our devastating fight in early 2011
I collapsed physically and in spirit,
some of which you know but in other ways don't
and one day I will tell you all.
Just know that I fell apart almost
completely and in full when at that time I lost you
because I love you so much and I feel
incomplete without my Angel so good and pure.

Then last year as everything was coming together
and becoming so happy and bright
outside things tore us apart and led to
another devastating and heart breaking fight
and once again my heart shattered and I fell apart
even though I never gave up on you
or fully lost hope and I never will,
but I fell apart and around me life's junk piled up
and that is the biggest part of why it is there
because without you the woman I love
I fell apart and am trying so hard to get it all
going right for both of us.

I fell apart without you sweet Kira because
my heart only wants you my sweet lady I desire,
it sings only for you and calls out

to tell you I love and adore you and want
to forever be with and stand beside.
Without you my dear I feel so empty inside
and that is why I now am catching up on so much.
I love you dear Kira and will always give you my best
because you are my Angel and I love you the most.

Michael P. McParland

Tired Night In Your Arms

It is a tired night my sweet dear
and it's one I would love to spend
snuggling in your loving arms.
Not to sleep my sweet dear but to just have you near,
just be with you in your arms on a tired night
were I feel sluggish and slow and want nothing more
than to just spend it in your arms.

A tired night my sweet dear to just curl up
in bed and watch a movie resting your head next to mine,
or for fun like young kids blow up a big
air mattress in the living room in front
of the TV and watch a film and read.
It is a tired night and I want to
spend it with you holding each other so tight.
A tired evening where I want my Kira
and am lying back wondering if you are alright.

It is such a tired night and I want to be
in your arms and hold you in mine,
a night of complete comfort given and felt
by each other as we lay back and relax.
A tired night with sweet Kira I love
and just want us to be in each others arms.
I am truly sending you all of my love and comfort
and Kira my dear I will be holding you
giving you kisses of total caring and loving passion.

Michael P. McParland

Saturday Evening Winding Down With You

Sweet sweet Kira it's been a long and tiring day
and how now returning from a long trip
to the crowded store I would love to sit
down for a few minutes holding each other
relaxing before I got up to make us dinner.
I so very much want a Saturday evening
winding down with my sweet beautiful lady
and rest our aching bodies and enjoy each others company.

How I wish my sweet lady I could spend
this Saturday evening winding down holding you closely
while for a little while watching a bit more
College Football which is in the large part
in it's last major weekend of the regular season.
A Saturday evening to cook you dinner
and wind down relaxing sitting together
and through the night watching movies and reading together.
A relaxing Saturday night winding down
and so lovingly holding each other
feeling so very safe and so very peaceful.

Sweet sweet Kira I so deeply love and miss you
and as I go through this evening I'll
be thinking of you and sending sweet warming and loving kisses
to let you know that you are the most important,
to let you know that your Michael will always
stick by you and support you in true loving passion.
I'll be dreaming of and sharing with you
this dream of a sweet Saturday evening with you relaxing
because you are my Angel and the most amazing woman
that drives this man and gives him reason to keep going.

Michael P. McParland

Love Note 342

Oh my sweet love how
I wish you had been here to
watch and enjoy the game with me,
as it was going on I thought of you
as I could feel your loving warmth
and watched my boys win.
42-13 and through you and the team I love
my heart has been lifted above where it was
and I pray you felt all of
my loving warmth as through the
morning, afternoon, and the game I sent it to you
I love you so much and send you
great thanks for how much you care
and giving me such wonderful
and abundant warmth.
Kira I mean it in full when
I say you truly are the very best,
there is no other I want to hold close.

I wish you were here with me
as I'm about to head out the door
and pick up a few Christmas gifts at the store
and then your fat man will
pick up some food.
Give me a smile my darling so good,
I can see it's sweet shine from here
and it gives me butterflies all over in joy.
I'll be thinking of you the whole time
and in spirit I'll be holding your hand,
I am with you my dear and adore you
completely and totally through.
God bless you sweet Kira and I will
write you as soon as I arrive home.
I love you sweet Kira and for you
my heart is in full voice singing
telling you that I truly love you
and you are the most wonderful
and amazing woman.

Michael P. McParland

Tired And Longing

It's a tired day my dear and I feel frustrated too,
it's been a bit of a stretch where it feels
not much has gone as I want and need around me
and I'm longing so hard to just talk to you
and lay down together and fall asleep in your arms.
I long and yearn to feel loving comfort and protected
as we snuggle close under the blankets
giving each other sweet smiles and deep kisses.
I am so tired and deeply frustrated and I long
to be in your arms holding you close as we pass the time.

It's a tired and longing day so far my dear
and I feel frustrated by a number of things
but with all of your warmth and love it all
may improve and it will for sure help
me feel more comfort than I otherwise would.
I'm just tired and longing so bad
and wish that I could hold you while we talked.
I'm longing and yearning so deep in my soul
to have you right here holding my hand
and helping me know everything is alright.
I'm tired and longing and missing you badly
and I want to hold you so very closely.

I'm tired sweet one and I truly long for,
want you, and need you deep in my soul,
you are the Angel that gives me hope and I so adore,
you are the Queen I bow before with tears in my eyes
and say I love you dear please forever be mine
for I give you myself and everything that I have,
I love you so much and will forever be yours.
I'm tired sweet Kira and long to feel you next to me
while we so sweetly kiss and talk and together
release all that we hold inside.
Dear I'm tired, frustrated, and so deeply longing
so please come into my arms and hold me so tightly.

Michael P. McParland

A Gorgeous Saturday With Gorgeous You

It's about to be getting late morning here
my sweet dear and I am cooking some bacon,
I wish you were here to make you a sandwich as well
and we could sit arm in arm and eat here
as we waited for the start of the game
and just talk while the volume on the pregame was low
and it would be the beginning in full
of a gorgeous Saturday with gorgeous you.

I would love to spend the begging of a gorgeous Saturday
watching what will most likely be Ohio States
last game of the regular season and the biggest my darling
as we face our hated rivals Michigan.
I would love to spend with you that exciting sliver
of todays time and win or lose you would be here
to move on through the day with and have.
A gorgeous Saturday with gorgeous you would
be the light that this life needs.
Gorgeous timers always with gorgeous you.

After the game my dear I have but one idea
and that would be to go out and do a small bit
of Christmas shopping and something very nice
to cook you my gorgeous Queen for dinner.
A gorgeous time out with you sounds so wonderful
and lifts my heart to the heavens my fair one
and I wish I could spend this whole day just holding your hand
sharing a gorgeous Saturday with my sweet gorgeous Kira.

How I just want you by my side spending endless gorgeous days,
days to just serve you and be there for you,
to give you all of the love I have and you've been deserving.
Gorgeous days with your kids as we all become
a family is you would like that as in my heart I do my dear,
Gorgeous days with gorgeous you are what I long for and want.
Oh my sweet Kira how I wish you were here for a gorgeous
Saturday in each others arms but all of my love and warmth
with sweet and great big kisses and hugs are being sent your way
because I love you immensely my Queen I adore completely

and I want you to know just how very deeply.
So feel my hand within yours and know that I'm there
because I'm yours forever and will never leave you I swear.

Michael P. McParland

Morning Note 142

Good morning my sweet Angel dove
and I apologize for being
out of it for so very long,
I just awoke from that long sleep
and am about to get moving bit by bit.
It was a busy day yesterday
my sweet dear and a tiring one for me
with still a bit more to finish.
The dirty part of cleaning
thankfully of this part is over
and it's just getting
organized and put back together.
A task to finish early before
Ohio State plays evil Michigan.
I wish so very much you were
here to sit with me as I finished working
and then I'd cook you some breakfast
a bit before the games beginning.
I just wish you were here
to be with and spend this Saturday at hand.
A good morning to you
my Angel I love and adore to no end.

Remember my sweet love I am
right there with you all of the time
holding you and your sweet hand
giving you kisses while
I tell you I love you,
I so adore you and I want
to be with you forever and ever.
I'll be by your side hand in hand
the whole day every step of the way
to give you my love and support you.
I adore you sweet Kira
you truly are my only one and everything.
I need no other woman,
just you and your kids
with my family too.
I only want you my sweet beautiful girl,

I adore you so much
my heart will forever be yours.

So as I now get going about this day
to get done with and accomplish
the last of this cleaning task
I want you to remember how much
you mean to me and I'm with you there,
you are the most gorgeous woman
in the history of earth
and I can't wait to hold you so close,
feel all these kisses I send to you
and fill you with warmth,
close your sweet eyes and see
my looks of love and smile that says
I love you Kira you are the very best,
I can't get enough of the Angel you are.
God bless you my darling
and I'll be thinking of you as I'm
cleaning and brightly smiling.
I love you my gorgeous one
and am excited for the days we will
in the future be having
because I truly love you sweet Kira
and will forever give you my everything.

Michael P. McParland

Sweet Sleepy Kisses (Goodnight)

Goodnight Kira my sweet beautiful dear,
it's been a long tiring day and I'm
pooped my sweet one,
come snuggle with me and go to sleep
and I'll give you sweet sleepy kisses
as you rest your head on my chest
and then we drift away to the land of dreams.
I'll see you there dear and hold you so near
as we lay on our soft bed under the stars.
Sweet sleepy kisses to you
and now my sweet dear come snuggle with me
and we'll drift off to sleep
with your head on my chest listening to
some new radio play podcasts I found today.
Sweet sleepy kisses to you my Angel so good.

Goodnight my sweet Kira and let's tightly cuddle
I miss you so much and I am hurting,
you are my Angel and I want to feel
and give you all of my deep comfort.
come wrap up in my arms and I'll give you
sweet sleepy kisses to give you such warmth.
Goodnight my darling I truly am so deeply
and intensely tired and I give you
sweet sleepy kisses to tell you I love you.

Michael P. McParland

A Hectic Day

It's been a busy and hectic day my dear
and I am sorry I have not written more for you.
Busy and hectic from when I woke up
having the Thanksgiving dishes to do
and just a few small messes too.
It's been a hectic and draining day
my sweet love and there is still more to go.

Then my dear from busy to hectic
as that pounding headache laid badly into me
and I had to lay down to get rid of it.
With your love and comfort though
I got some sleep and was able to beat it
and I send you sweet kisses to thank you.
A hectic and draining day and I feel so tired
but it isn't over quite yet.

Then my sweet darling marching on in
due diligence to keep going with the cleaning
that's so been needed working on,
a tiring but satisfying feat and I'm
not done with it in full or even tonight.
Thinking of you though gives me a smile
and you are one of the biggest reasons I'm getting it done.
A hectic and tiring day and I'm sorry love
that I've not written you more but I'm
working so hard and sending you all of my loving warmth.

Oh my sweet love it's been a day so very hectic
but in many ways so very satisfying in accomplishment,
I feel so very sad though and worried dear
that you may think I am mad or slacking off.
Please forgive me dear I promise I'm not
it's just been a tiring, hectic, and busy day
and I thank you for all of your loving strength.
I love you my darling and I am with you
holding you closely so just feel me beside you
giving sweet kisses and saying Kira I love you.

Michael P. McParland

Sweet Love 8

Sweet love how I love you so,
each day in my heart and soul
I adore you more and more.
You are so very beautiful and have a heart of gold,
I just want to hold you close and tell you
that you truly are the best.
I get butterflies throughout my body when I see you dear,
you give such special tinglings in body and in soul,
I can feel yours speak to me and reach out
in pure love.
Sweet sweet Kira you are my Queen and in love I bow to you.

Kira my sweet love I want to marry you
and walk by your side the eternities through,
you are the one my heart beats for
and the one I long for and yearn.
You are the only one whom I'll give and share
myself in every special way.
I love you Kira you are my sweet one
and I'll always stand by your side.
Kira you are my sweet one and in joy
your pure Angelic beauty makes me want to cry.

Michael P. McParland

Love Note 341

Good afternoon my sweet love
and I pray your day is going well.
I've been doing some very late
fall cleaning,
a work in progress my dear
that has built up over
a few years here and there
and now I'm working so hard
getting it all in order
my darling dear,
I'm now covered in dust
and about to go get
under the water and let it
all wash of and feel good.
Be cleansed from the dirt of cleaning
and I wanted to tell you
I love you real quick
and later I'll share why all
the build up of clutter.
I love you sweet Kira and
I'm sending kisses,
I love you my lady
you are the bestest.

Your Healing Love

Your love helps me through and heals
in so very many many ways
and I thank you my dear for being an Angel
that cares so very much for me
and loves to no end.
Your healing love is so grand and it
means everything to me my sweet Angel dove
and I thank you so much for all that you do
and I love you because you are you
my best friend and hero to whom I give everything.

When I lay down just over three hours ago
I'd had another headache attack me and create
a horrible pounding within and I asked for
your comfort so warming and caring to help
me rest and get through it fast,
and as I lay down and put my shades over my eyes
I could feel your arms wrap so tightly around
and I felt your lips on my stubbly cheek
giving me the warmest and most loving kiss
and it helped me get some sleep and defeat
the headache that was hurting me
and I thank you my dear you're healing love
is to me everything in the world.

Your healing love though has done so very much more
like given me hope and in so many ways healed my heart
and though it often still has many cracks
and often aches so very bad you've healed it
well beyond what else would and it will be healed
in full when I take you in my arms and look in your eyes
saying Kira I love you and thank you to no end,
I will always be here to serve my Angel Queen.

Kira my Angel over you and your love I feel so emotional
and just want to say thank you over and over
as your endless love gives me such comfort
and heals me again and again time and time over.
Thank you my love for your healing comfort

and I send these kisses to thank you sweet lady.
I love you Kira and you truly are so very amazing
and I want you to know I'll always love and stick by you.

Another Headache My Dear (Your Comfort)

Another headache has stricken me dear
and within the last 45 minutes
has begun ringing and pounding quite bad
and hope you will reach out and hold
me so close while I put on my eye shades and close my eyes.
Hopefully with the Excedrin with your
immense comfort will beat this bad pain
much sooner than later.
My darling dear will you please hold me?
These headaches are quite the annoyance
and sometimes unbearable.
Reach out dear my arms are open and with your
deep Angelic loving comfort hopefully soon
I will pass through this discomfort.

Another headache my darling and I long for your comfort
because it is you alone that I want to be with me,
to calm this pulsing head with this pain
and calm the tension in the body it builds.
Please reach back to me my sweet darling
as I reach out with this headache for comfort
and help give me the peace and relaxation my body needs.
I love you Kira and these headaches are
so sickening and annoying and I'm hoping you'll
hold me in spirit to help give me the comfort to
relax and sleep for a bit to defeat it.

Sweet Early Morning Kisses To You

I send sweet early morning kisses
to you my sweet dear to fill you with warmth
and all of my loving care.
I wish I were there to pull you so tightly in
and just snuggle with you for a good while
while we lay there in bed.
I wish I were with you to give these sweet kisses
as we snuggled for a few more hours before we had to rise
and get going on this day here at hand.
Sweet early morning kisses to you and I am
reaching out to hold you so close.

Sweet sweet early morning kisses to you
my sweet Angel dove and I send you all of my warmth and love,
I so wish I could be there to hold you
and so softly and with care tell you
all of the ways and how much I love you.
Sweet early morning kisses to give you peace
and to help you rest for a bit longer in ease.
Sweet morning kisses to you my sweet dear
and know I am with you snuggling so near.

Michael P. McParland

Night Note 124

A wonderful very late good night
almost good morning to you
my sweet Angel dove and I pray
your day was good yesterday
and you have slept well with the most
beautiful of dreams.
I pray that you saw me and I
was holding you tight saying
Kira I love you my Angel of light,
you are the worlds beauty
and all that is right.
Even as I was sleeping I was
right by your side holding you close
giving you all of my love and warmth
and giving you kisses so very sweet.
I'm always with you my Queen
so very beautiful and supreme.
You're all that I'll want and need
through all eternity.

I still have last nights
Thanksgiving dishes to do
and before I go about it I wanted
to say I so deeply love you.
Today on black Friday
by all means I shouldn't be going out
so I will be here for you
my Angel so great,
I miss you my darling and wish
that you were here to spend the day
just doing wonderful things
spending time together as I can't wait to do,
and I wish that you were here
to snuggle with for about
20 more minutes before I get up
and do the bothersome dishes.

I love you sweet Kira and feel
me there wrapping my arms around you,

I am holding you so loving and closely.
Feel all my warmth as I give it
and remember you are my sweetheart.
Kira I truly love you and am
waiting and so excited,
so feel these sweet kisses and the
peaceful excitement they're holding
and remember your Michael's
right here if you need me.

Michael P. McParland

Come Snuggle 4

Come lay down and snuggle with me
my sweet darling Kira.
I am so very tired from this day
that has been here and is mostly behind us
and I want to hold you so closely and snuggle
while I lay down to listen to my
radio plays again over and over.
I'm just really enjoying them and I want
to snuggle with you sharing the amusement I feel
and snuggle while we rest away.
Come snuggle my sweet darling Kira
and share some sweet kisses so passionate and tender.

Kira I am so tired and may go out like a light
and I want you here to share our sweet warmth,
to feel safe and protected and deeply contented
come snuggle with me my Angel so cherished,
I want to hold you while I am drifting
and quite possibly sleeping,
I want my Kira so close in my arms snuggling.
So come lay with me Kira and snuggle so cozily
because I love you deeply and want to hold you
so close and give you my warmth and deep loving.

Michael P. McParland

Thanksgiving Evening

It's Thanksgiving evening now my sweet dear
and the feast is done and the dishes all cleared
and I wish now I could sit back and snuggle with you
and rest our tired and full bodies just cozyed up
so very close and feeling peaceful content.
It's Thanksgiving evening and I want to have you
in my arms as we just relax and rest for a bit.

It's Thanksgiving evening and as this day winds down
I wish I could sit back with you and snuggle so close,
after we rested awhile we could read our book
and then watch some TV feeling so good.
It's Thanksgiving evening and Kira I wish I were with you
just so cozily snuggling and feeling so good.
I love you Kira and in spirit I'm reaching out
to pull you in for the sweetest kiss.

Warmth 4

Sweet dear as I was just taking a short and light rest
once again the nightmares came and haunted me.
Thankfully I finally awoke from one and feel
shaken a bit my love will you reach out your arms
and hold me tight while the shivers pass?
I'm still feel shaky dear and want to hold you near,
I'm reaching out sweet love to pull you in so close
until these icky hanging feeling let me go.
Then we can just snuggle up in warmth
and watch a film or read.
Kira dear your warmth means the world to me.

Sweet Kira will you wrap me in your warmth
while these nightmares fully pass?
Your warmth is so Angelic and fills me with such light,
my heart beats with such hope and overflowing love,
Kira dear your warmth is the most loving
thing and power I have ever known.
I'm reaching out to hold you close and beat
all the nightmares down.
I'm reaching out because you are the best
and the Angel I adore.

Kira I can always feel your deep loving warmth
and I'm so thankful that you're there,
but at times like this I need that extra bit and
I ask if you'll hold me close.
Comfort me from these nightmares that are hanging over
I know you know just how bad they get.
Kira I need your warmth it is the best there is
and I'm reaching out to take your hand because
I know you'll hold me tight.
I love you Kira and all your warmth the most
cozy and loving thing there is and it will help
these nightmares pass because you are my Angel strong.

Thanksgiving Afternoon With You

It would be truly divine to spend this
Thanksgiving afternoon with you spending time
doing whatever comes to mind as we waited
for our feast to cook and you could see your
fat man mannerly pack down the food.
It would be divine to spend this Thanksgiving
afternoon with the divine Angel my heart belongs to.

An afternoon to play some fun board games I have
or some video games too,
either way as long as I'm having fun with you.
A time to cuddle up on the couch and watch
a heart warming movie that gives us smiles.
To spend a wonderful Thanksgiving with Kira
is everything my heart so desires.
A divine afternoon to share the most wonderful
and sweetest kisses that our souls can deliver.

A beautiful and divine Thanksgiving afternoon
to give thanks for and to you,
to look in your eyes and show you my soul
as I tell you I love you my sweet Angel dove
and to just let you know how special you are.
A Thanksgiving day where I'll treat all to
all of my abundant and giving love
to show how much I care.
A beautiful Thanksgiving with my beautiful Kira
is the most wonderful thing I right now desire.

Michael P. McParland

Love Note 340

Good late morning to you
my sweet Angel dove and I pray
your Thanksgiving is so very warm,
loving, and going well.

having a woman like you
with a heart so loving and tender.

I've been finally cleaning up
some of the messes of junk
that have piled up in my room
and I am now dusty and have cats fur
all over me and am headed
to the shower my dear
and before I jump in I wanted
to check in and say I love you sweet one.
I adore you my dear and wish
you all were here to enjoy the day
playing games and talking away.
I love you sweet Kira
and to you my heart is singing
saying I can't wait to be with you
and no matter what time of the year

because my heart is yours as I long ago
gave it with my soul solely to you.

Night Note 123

A good late night to you
my sweet one and I hope you have slept well
and had the sweetest of dreams
of me holding you so very close
and giving sweet kisses in the place
of dreams created for just you and me.
I'm sorry dear if I dropped off
earlier than both of us would have liked.
It was a quick dinner and afterwards
I was so tired I just dropped off.
I fought so very hard for you my sweet dear
and I feel sadness in my heart
because I know I upset you and I'm sorry love.
You have a right to be upset
but please don't feel hurt the times
I drop off just like that are because
I'm so soothed and calmed feeling your spirit so strong
and I could hear your voice reading
poetry and stories and that made everything
around me feel so very peaceful,
and those times I cannot sleep I still
feel all of your loving peace but other things
will be keeping me up or if I know
you are angry I get very stressed and scared
because then I wish so very much I could
talk to and hold you to fix it right away.
You are an Angel and miracle so very rare
and here in the early Thanksgiving hours
I want you to know above all I'm thankful for you
and will write poems of thanks for you today.
I love you babe and I always will,
you are my Queen and I cherish you.

I awoke about 45 minutes ago
and had a very bad headache indeed
and it's still pounding quite bad
but I wanted to rise just long enough
to say I love you and tell you you're rad.
Smile babe I love to put in funny

little things just for you.
So I'm going to rest a bit more
and listen to my radio plays while this
annoyance in my head goes away.
I am reaching out to pull you in
and have a late night snuggle so
very good and very warm.
To give you sweet kisses and say
sweet Kira I so badly miss you
and I love you, I love you, I love you
and can't wait to once again see you and hold you.
So feel my arms wrap so tightly
and lovingly about you as I rest to
get rid of this headache.
I love you my darling and you truly are
the Angel for who I'm so thankful
and for eternity I promise I will stick by you.
You are my best friend and only lover
and I adore you my beautiful Kira.

Michael P. McParland

My Beautiful Woman 5

Oh my beautiful woman how I long for
and wish you were here to snuggle with on this evening.
I've not yet cooked dinner and I'll
be up to do that in a very short bit
but until I do I wish I could just sit with you
and you could curl up in my arms and snuggle
so very close while I rub your back and stroke your hair.
Oh my beautiful woman I am so tired and wish here
in this early eve I could share kisses and snuggle with you.

Kira my sweet beautiful woman I wish you were here
on this evening just to sit beside me,
right now I feel to tired to read but I would
love to hear your voice reading the stories you've wrote.
I know they'll be lovely and paint a picture so real,
I know they'll grab my heart with joy, sadness,
hope, and all of the things your characters live.
You are an artist and I would love to snuggle so tight
or lay down resting my head in your lap
while you read your writings and I get lifted to heaven
hearing your voice read your beautiful works.

Oh my sweet Kira how I wish I were with you
on this eve to snuggle and nuzzle while relaxing together,
how I wish I could hold you and kiss you
being your warm comforter like a blanket and hero
doing everything that you needed like cooking dinner,
I wish you were here to so lovingly snuggle.
God bless you my dear darling Angel and one day soon
we will have such gorgeous evenings together.
I love you my beautiful woman and want to snuggle
and curl up with you forever and ever,
so feel these sweet kisses as in spirit I hold you
and remember my lady that I'll never leave you.

Michael P. McParland

Love Note 339

Good afternoon my sweet love
and Angel a true gift from God in heaven
and to you I send the biggest hugs
and sweetest kisses of warmth
to say I love and adore you
my sweet Angel dove and forever
I will stick right by your side.
Tomorrow is Thanksgiving and first
thing I want you to know is that for you
I am so very grateful and thankful
that you are my lady so special
and I will try to count
so many ways throughout poems
for you tomorrow.
Thank you sweet lady for all you have given
and I will spend eternity thanking you
over and over in every way I can think of.
I love you so deeply and strive
to give you as much and more if possible
because you are a Queen that deserves
the highest rewards and love known.
I give you my life and everything
within me and that I own.
I give it all to you in my thanks
and desire to serve.
I love you my Kira and will always
be here for you and right by your side
hand in hand every step of the way.

Feel all of these kisses as I send them
to greet you and say thank you sweet lady
and know that your Michael is eternally
grateful and forever faithful,
I'll be thinking of you the whole day
and wishing I were with you
and that you and your kids could join
me and my parents for a good meal.
I pray you'll feel all of the
warming love that I send and we can

share a sweet smile so big.
Kira I truly am so very thankful
that I know and love you
and in return have your adoration.
You truly are my sweet everything
and I will forever be here to serve
and support my sweet Queen.
I love you Kira you are amazing
and I take your hands to
pull you in for a tight squeeze
and let you know that my heart is yours
and for eternity yours alone.

Michael P. McParland

I Miss You So Badly 2

I miss you so badly my sweet Angel dove,
you are my shelter from the jerks of the world
and all of the rain that comes tumbling down.
You are my solace and you are contentment,
you are my hope that there is better.
I love you my darling and I miss you so bad,
I wish you were here to hold so very close in my arms.

I miss you so badly sweet one
and I am so tired from this world,
I am tired of mean jerks that bother you
for some odd reason like is happening to me out of the blue.
It makes me so tired and cry inside
and I just want to snuggle with you
and hide my face in your shoulder and cry.
I miss you so bad and want you here by my side,
I love you Kira and miss you so bad.

I miss you Kira and am so frustrated inside
and I just want to be able to talk to you.
To remember there's good people and light in the world,
to give you the love I hold inside and that you deserve,
I love you Kira and miss you so bad
feel all of these kisses so sweet as I send them your way.
Now please forgive me as I let some tears go
because I am hurting from the jerks of the world.
God bless you my dear for your precious heart
and remember I love you so deep within my heart.
I love you Kira and miss you so bad
please reach out and hold me while I cry out this hurt.

Michael P. McParland

An Afternoon Snuggle (Relaxing On The Couch)

I would love to spend this afternoon
on the couch snuggling with you.
To just spend time with each other
enjoying our love and company.
An afternoon snuggle with you curled up in my arms
feeling so contented and peaceful
as we talked, smiled, and shared the sweetest of kisses.

An afternoon snuggling on the couch where we
could watch a movie as we ate lunch.
Nothing fancy today my sweet dear but a sandwich
but I know you would be happy and love that
and that's just one other thing that makes you perfect
because if it's done in love you know it's true
and you feel thankful my dear like so few.
I love you sweet Kira I truly do.
I have a few ideas for our movie but we
could pick out together to have the best time
just eating our lunch and together snuggling on the couch.

A beautiful afternoon snuggled up so closely with you
watching our movie and feeling deep warmth
surround us completely and in full,
a beautiful afternoon snuggling with you.
To watch our film and afterward talk and read,
and then together collaborate on some poetry.
Nothing could be better than being with you
just snuggling and spending time in a beautiful afternoon.

What I wouldn't give my sweet one to spend
this afternoon with you curled up in my arms
as we just snuggled away the time,
to just be with you is a divine dream
I know will so soon come true and I will
look in your eyes and say Kira I love you
and thank you for being my lady so very
beautiful and understanding of me.
It is the medicine for my heart and soul
and you are the divine Angel I want to be with through eternities time.

So feel my arms around you as I
pull you so very close in and know I am
there with you my dear one giving you the biggest
and most loving smile anyone has ever given.

Michael P. McParland

In Your Arms 3

Being in your arms right now
is the most beautiful and loving place
I could dream of and ever hope to be.
To be in your loving arms right now
truly is just what I want more than anything
and it's what I need to forget this
tiredness I feel from the world around
that gives such frustrating anxiety.
Being in your arms is the warmest
most beautiful loving place I could be my Angel sweet.

Being in your arms whenever is being
in the arms of a gorgeous loving Angel,
being in the arms of my Kira is what
my heart so deeply and truly desires.
To hold you back within my arms
and give you kisses while I say I love you.
To be in your arms and have you within mine
would truly be supreme and divine.
To be in my Kira's arms is the most warm
and loving place I could be in any space.

To be in your arms right now or any other time
would truly be the warmest and most loving place,
to see your smile and your eyes so bright
makes my heart melt with true love so deeply felt,
I want to be within each others arms forevermore.
You are my Angel and you truly are my light
and to feel your warmth within your arms
would make all within my life feel good and right.
Being in my Angel Kira's arms are what I
forever want through all time.
You are amazing and you are divine
and Kira I am forever yours and yours alone.

Michael P. McParland

A Quiet Loving Morning

Oh my sweet darling Kira having just
gotten out of a soothing and relaxing morning shower
how I would love to just sit back
on the couch with you curled up in my arms
for a quiet and loving morning with you
the woman I treasure, cherish, and will love forever,
my sweet Angel dove Kira who gives me such comfort
and reasons to keep bright hope and going.
A quiet loving morning with my darling Kira
is what I most long for with the woman I cherish.

A quiet and loving morning with you so cozyed up
and curled up in my arms while you drank your coffee
I will have gotten ready and I drink my pepsi
and we eat a little something for energy.
A quiet morning where hopefully where
the kids are still in bed and the house is just ours.
A quiet and loving morning for us to just talk
and then read from our book or perhaps two.
A quiet and loving morning with you
all snuggled up so cozy and feeling so very good.
A quiet morning feeling so warm in our loving with you,
that is the dream I want in this life forevermore.

A quiet and loving morning with you is just what i want
everyday with you my sweet Angel Queen,
to hold you so tight and share kisses of such light,
spend time with each other and the family around,
I want to welcome a life with you and your kids.
A beautiful life of such kind caring bliss.
A beautiful life with the Angel I so love and miss,
A beautiful life with my Kira so good
is everything I want through eternities time.
Holding you in my arms for a quiet and loving morn
and through the rest of the day holding your hand.

A quiet and loving morning with you curled up in my arms
is a dream I send to you to share to give you such warmth and a smile,
I send to you with all of my love to feel my arms

around you with sweet kisses too.
A quiet and beautiful loving morning with beautiful you
fills my heart with light hope and warmth
i pray and know you will feel too.
A life and many loving mornings with you.
I love you sweet Kira and hope to spend so many mornings
holding you in the shower so sweetly under the flow
of calm soothing water and then sitting back to sweetly snuggle.
A quiet and peaceful time to always enjoy the love
we share with each other the people we treasure.
I so love you Kira and am sending you kisses
so feel all their warmth these hugs so very tender.
I love you Kira and you are my only true love and woman
and I can't wait to be with you spending quiet times aplenty
so very loving and completely fulfilling.

Michael P. McParland

Love Note 338

An early good morning again
to you my sweet Angel dove
and I pray you are not upset with me.
I pray you felt my arms
around you for that early morning snuggle
so very warm and so very good.
I love you sweet darling
and always will.
You are my Angel and I bow
down before you to take your hands
and give them sweet kisses
as I look in your eyes
and say thank you my darling
you are everything I want and need,
sweet sweet Kira you are so beautiful
and I can't wait to have you here
with me or to be there with you.
I just want you by my side
no matter where it may be because
you are the Queen I so cherish
and honor in every way that
I know how and can.
You are my Kira and I cherish you
to no end.

As I now get ready to jump
in a cleansing and refreshing shower
I wish you were here to just
join me and hold under the calming water
and then sit back on the couch after
and snuggle away the very early hours.
I miss you sweet Kira and remember
when you are ready and I will be here
waiting for my sweet precious lady.
I just wish you were here to
hold so close to me in a vulnerable state
I would never share with any other,
I wish you were here to hold
under the flow of calming water

and then just sit and snuggle
after we were both refreshed and smiling.
I am going now here in a minute
to wash away my frustrations from
the world around me and just think of holding you
afterwards and feeling the love that
you are always sending.
I love you sweet Kira you are amazing
and I hope to have your sweet hand
in marriage one day my dear lady.

SO feel my arms around you
and all of my comforting love and warmth too
for I am there with you giving
you kisses aplenty,
I am holding your hand and saying
in your delicate ear I so love you
and look forward to all the days
I'll be near you.
I can't wait my dear lady to give you
all of the love you've needed
and been so deserving,
I can't wait to share happiness with each other.
I love you sweet Kira and hear
as my heart calls it's deep admiration
and love to you my sweet darling,
your Michael loves you and longs so very deeply.
I am right here waiting and will never be leaving,
you are my Angel and I so deeply
care for and love you and I want to be with you
for all eternity in true loving care
and contented and fulfilled happiness.

Love Note 337

Hello my sweet love and I hope
that you had a good day yesterday
and I am sorry I went silent
on you out of nowhere,
after the Chinese food I had for lunch
that made me feel more tired
than I already did and laid down
on the couch for a short rest
and as you can see I didn't wake up.
I'm sorry sweet love and please
don't be upset,
I promise right now I'm doing
the very best that I can
and I am so angry with myself
and some stuff around here,
I'm not angry with you one little bit
I promise my dear I just miss you
like hell and wish you were here
to hold so very close and talk to
each other about all our frustrations
and all of what's making us happy.
I love you my sweet Kira and want
to be with you so near holding your hand
and drying each others tears.
I'm afraid that you're angry at me
and I wish there was a way I could explain
why I'm so tired and why I'm frustrated
with me and other things.
I miss you sweet Kira and am send sweet
kisses and hugs of deep warmth your way.
I adore you my dear,
my sweet Angel dove.

I love you sweet Kira and am
reaching out to you to take your
sweet hands and pull you in for a good
and warm late night approaching early morning
snuggle before I go in to take
a refreshing shower to wash away

the last of the tiredness and maybe frustration.
I promise I don't stink,
see you just smiled my sweet darling,
so a snuggle of true warmth and care
to let you know that I'm there
and I'll give you sweet kisses on your
sweet and soft cheek and I apologize
if my very short stubble scratches just a bit.
I love you sweet Kira and am
reaching out for a sweet snuggle right now
to give you sweet warmth and reassurance
that your Michael is here
and will always stick right by your side.
I promise to fight so very hard
to stay up through this day just for you
as long as I can.
Kira my dear I will fight so very hard
because I love you more than anything.

A very very early good morning
on this very very late night
just approaching the morning and I
give you sweet kisses of light,
I am sorry sweet dear I've been sleeping so much
but know that one day soon
I will help you understand when
I am able to explain what's going on.
I love you my darling one and don't want
you to feel worried, upset, neglected
or anything bad at all.
I love you my darling one and I'm
reaching out to take your hands
and snuggle with you before I get up
to take my shower to wash away
all the sadness and frustrations
that I feel from what is around
and inside of me and I promise
I will fight my tiredness today
to stay up just for you.
Been planning all week to go out with
my parents to lunch but right now
that is a solid joke so that

and maybe being forced going to the store
are the only places I would be going.
I love you Kira and will always be here
just for you so let's snuggle now
and just bask in the loving warmth that we share,
and later when I jump in the shower
I wish you would be here to snuggle with
after I got out or even join me
not for sex but a refreshing time
to just hug under the water as we
stood there holding each other.
I adore you sweet Kira you are the best
and remember your Michael will
always be here and right by your side
to give you all of my support and undying love.

How I would love to spend a beautiful
afternoon with the worlds most beautiful woman.

A beautiful afternoon here shortly just
spending time enjoying each other doing the things
we most want to do and wholly love.
A beautiful afternoon with the most beautiful woman
I've ever known and she is the woman I truly love.

My sweet dear here in the late morn we could
sit back and read together while we try
this new snack I bought at the store
and then watch one of the many many
movies that I own and I'd let you pick sweet one.
And then around noon I'd cook for lunch the
Chinese food I picked up at the store.
Admittedly it's frozen and is an easy prepare
but I'd want you to relax while I took care of it.
A beautiful afternoon with the most beautiful woman
in the entire world is everything that I want
my sweet Angel dove,
a beautiful afternoon with beautiful you.

Oh my sweet darling Kira I so adore you
and I love you more than anything in heaven
or on this earth to my very core.
I love you so very much and want to spend endless
beautiful mornings, afternoons, evenings,
and nights with sweet gorgeous beautiful you.
A beautiful afternoon like the one fast coming up
today where we could just do so very many things.

woman in the entire world is what I so long for
because I love you so very much and want you

Tender Night Time Thoughts

Sitting here on my bed in complete quiet tonight.
Writing various things and trying to
keep my mind busy from my teams loss today
and the craziness that's ensued as I watch
both the fans and a number of players
act like big babies throwing ridiculous tantrums.
The loss stinks for sure but I'm not angry at all,
but maybe because I just had a feeling all week
that it was the end of our 23 game winning streak.
And it's not the end of the world because
we are Ohio State and we always bounce back.
Just one of the things that brings about
so many thoughts on a quiet night just like this.

My tender thoughts as ever mainly focused
on my beautiful lady and how I just wish
I could be spending time with you
holding each other while talking or doing
some other fun thing we have chosen together.
My tender thoughts are for you
the woman I love and I know is hurting
and how I wish I could heal all of your pain
both outside and within and when you are here
and feel ready to totally trust me
I'll be listening closely with open ears
and not a bit of judgment will come
because I love you and am here to give all
of my loving support and help.
I will be here to listen and hold you close
as I dry your tears my Angel so dear.

Tender thoughts of my darling and how you are doing.
Worried if you're okay and hoping the pain
is not overtaking you as I know it has.
Tender thoughts and concerns for you my sweet Kira
and I want you to know I am always right here
at any time if you need me for anything.
Even if just to talk on a rough night.
I'll always stand by you because I hold such

a tender and gentle love for you inside me.
Tender thoughts and feelings for my true love
and sweet Angel Kira.

Tender thoughts which are too many to count
but in the front of my mind how I wish I could
talk to you before bed and snuggle for awhile
to help wind the stress down.
Tender thoughts of all I would tell you
although if you were to write me right now
I'd most likely forget in my immense excitement
but I would still think of so much and say
so many things I needed like apologizing
and just letting you know I've missed you terribly
and love you so very deeply
and thank you for being a wonderful woman.
These are just some of my tender night thoughts
and I send them to you to feel their warmth
with sweet kisses and hugs so very big and warm.
Tender thoughts on this night to you my sweet one
and God bless you dear to give you deep peace and calm.

I love you Kira and you are at the very core
of so much tender care within me now and forevermore
and feel deep comfort within you as I take your hand
and give you the sweetest kiss in spirit.
Feel my arms around you as I hold you
to keep you company.
God bless you sweet Kira that you will feel my
loving care within your tender heart
and we will soon be together I can feel it.

Michael P. McParland

I Miss My Beautiful One

I miss you my beautiful one and all
the joy that you brought when I knew
that we would close every night with a beautiful talk,
when I knew that no matter what was going wrong
it would melt away when we started talking
because if it was important you would want me
to talk about it so you could either just
be there to listen or help me out if there was
ant help or advice needed
and I was always here to give you that same
loving and understanding service.
I miss you sweet Kira and our conversations
which were a blessing from heaven.

I miss you my beautiful one and the bright
hope and joy you always brought with you,
you always brightened my day and I always
tried to brighten yours by showing you
how much I loved you and cared
and by being there when you needed my dove.
I miss you my beautiful lady and being able
to tell you directly how much you mean to me
and how I treasure you deeply.
I miss my beautiful one and the talks that we had
opening up our whole lives and hearts
as we planned our future so bright
and I am excited and can't wait till we reunite.

I miss you my sweet beautiful woman
and long to be with you snuggling away
the lonely aching that fills us right now.
I miss you beautiful and want to see your smile
as I tell you I love you my Angel Kira
and then give you a kiss straight from my heart
to express the deep love and care within,
I miss you sweet one and can't wait to just sit
and apologize for all that I did wrong,
I miss you beautiful Kira and can't wait
to just hold you so tightly and dry your tears

until they have stopped running.
I miss you beautiful because you are so wonderful
and I truly love you and I want to spend eternity
walking beside you knowing true joy and fulfillment.

An Evening To Sit With My Lady

So now has come evening and the core
of the day has now ended and I want nothing more
right now than to sit with my lady and decompress.
Just forget the outside things that stress
and bask in the glow of that which
truly matters and is important,
spending time with the one you love
just doing the things you enjoy and bring you closer as one.
I want an evening to sit with my lady
I so cherish and adore and want to be with forevermore.

An evening to just sit with you in each others arms
reliving the old times as we talked and talk
about our dreams and plans for the future,
just holding each other and talking would be a pleasure.
An evening to just sit with my lady in splendor
and get lost in the magic that is her.
An evening to sit with my lady just spending time
with each other feeling content and peaceful
as we hold hands and each other.

I love you sweet Kira and wish I could just
sit with you on this evening talking for a bit
and as it went reading and then watching a film.
A splendid evening with you is all that I crave
and I long to feel the deep comfort it would bring.
I long and yearn for an evening with you to just sit
here and snuggle enjoying each others company.
I want an evening to just sit here with you
and hold you so close and give you sweet kisses,
I want an evening to just sit here and spend time with you
because I love you sweet lady and I adore you in full,
I want nothing more than to be with my Angel
spending quality time that is so very precious and treasured.

Love Note 335

A very good late afternoon
to you my sweet Angel dove
and I pray you're having a good one
and feeling all of my warmth and love
as I send it to you with these
kisses so sweet and these
great big loving hugs of pure warmth.
God bless you sweet Kira
and feel my arms around you
as I wrap you up so very tight
to tell you I love you
and that I cherish and appreciate you
for all that you do
and for being in my life.
I love you sweet lady and can't
get enough of your special spirit,
your laugh, your beautiful voice,
your sparkling eyes, your beautiful face,
your beauty of being, or your loving heart.
Plain and simply my dear
I just can't get enough of you
because you are my Angel and I adore you
completely and in full.

I wish you were with me to just
sit by and watch the game with,
it's a nerve wracking one dear
and it is very rare I ever yell at the TV
during the games,
I just tend to be quiet as I am right now
and I would just love to have you here with me
to make things feel smooth and calming
and give me a reason as I looked
over at you to broadly smile,
a smile that tells you I love you
like the smiles we shared in high school.
I just wish you were with me
because I want to be with you
and I miss you so very badly.

I love you sweet Kira and will make
up for lost time when we've made
it back together and are holding each other.

Sweet love my heart is calling to you
and singing its love in full tune,
feel peace and comfort as it reaches you
and give me a smile to light up
the sky so I'll know you're receiving it
and feeling my warmth,
Kira my dear I miss you so much
and just want you to know I'm always here,
and I'll never leave you
my sweet Angel Queen.
I love you completely and I am yours forever,
I'll never give myself to another,
I take your hand in mine
to show you my full support and dedication,
I'll always stand with you
my sweet Angel Kira
because I love you with all
of my heart and soul
and I want to spend eternity
celebrating our true love.
So God bless you my lady that your
heart will be lifted and you will feel happy,
feel all of the love I am sending.
Take comfort in knowing that I truly
care for and love you
and I will always stick by you
through the eternities.

A Sweet Saturday Afternoon

Sending sweet kisses to you my sweet darling
on this fast approaching Saturday noon,
I wish I were with you to make you a wonderful lunch
and then just clean up together before we
sit and relax snuggling in the few hours
before the game starts just taking time for ourselves.
A sweet Saturday afternoon with sweet you
is the most wonderful thing I could have today.
A sweet and beautiful whole day with you
is what I can't wait for and crave in my soul.

A sweet Saturday afternoon just feeling your spirit
as I am now which is so warming and brilliant
but it would be so much better to be beside you
to wrap up within it and your arms together
as we just did some reading as we snuggled.
A sweet and beautiful afternoon spent with you
first cooking you lunch and then spending time
in each others arms and doing some other
favors as well.
A beautiful Saturday noon basking in the glow
of my sweet Kira's loving warmth.

A sweet Saturday afternoon where after we've
eaten and cleaned up I'll have you lay down
on your stomach and I'll massage your aching body
as long and as much as you need and want.
For you I'll even rub your feet which
I won't do for anybody else but for you
I would happily do it from love and to know
that I was helping all aches and pains go away.
I'd give you a very relaxing massage to help
relieve the pains you are in as much as I could.

A very sweet Saturday afternoon with you
my sweet beautiful lady so very good
just being with you is the most wonderful
thing that there could be my sweet Angel dove.
To just spend time with you while holding

you close and holding hands fills my heart with joy
and anticipation unequaled my dear
and knowing it will happen makes me wish all the more
that it could be happening today right now
but know I am with you in spirit my dear
and feel all of my warmth and love surround you in full.
God bless you sweet Kira and give me a smile
because I love you so deeply and these days
will come I know that for sure my sweet lady.

Holding Hands 4

I want to spend everyday holding your hand,
not constantly per say but most of the time
everywhere that we are and go I want
to be holding hands to feel safe and announce
to the world this is the woman I love and
I'm so very proud of her.
I want to hold your hand to show you
I love you and care through that sign of affection.
Something to give us both warmth and comfort.

Even when we're just sitting on the couch,
sitting up in bed or lying down reading
or watching TV perhaps resting awhile
I want to be holding your hand
and feel contented peace in my soul and heart.
I want to hold your soft hand and
hold you so very close and tight because
you are amazing and my northern light.
I want to hold the hands of my Angel
each day and night feeling true loves
electric current run through our bodies and souls.

I want to hold your sweet hand and kiss it so soft
and then just hold it as we sit and talk,
I want to hold your hand as we go about
doing whatever the task is ahead.
I want to be holding your hand so the world
knows I am yours and yours alone forevermore
and so all will know you're the woman I love.
I want to be holding your hand throughout
our many days stretching ahead because
it's another way I can tell you I love you
and also feel so very safe and connected
to my precious Angel to whom I am eternally dedicated.

Michael P. McParland

A Gorgeous Saturday Morning

A beautiful good morning to you
my sweet Angel dove and I pray that you
slept well and had the sweetest of dreams
with us holding each other sharing sweet kisses supreme,
I pray you felt all of my warmth and love
and it gave you comfort and peace through the night.
Feel my hand within yours now as I pull you in
for a tight squeeze of warmth and give you
sweet kisses of pure love to lift your heart
and to give you a smile that lift my spirit up.
Good Saturday morning to you and may it be
a gorgeous day for both me and you.

As I now rise from a rather light and restless sleep
through the night I wish I could just sit with you
curled up in my arms having a gorgeous morning together
just doing our thing and talking away.
I could read to you from our book while you drank your coffee
and rested your head on my lap or shoulder
just resting a bit more on a lazy Saturday morning.
I wish I were with you reading and talking
just enjoying a gorgeous morning with my gorgeous lady.
I can feel your loving spirit though dear
and that is a gorgeousness all on it's own.
Thank you my dear for the endless loving care that you send.

I wish I could just spend a slow paced Saturday morning
with you sitting by me curled up in my arms,
reading, talking, watching TV and a movie,
or even just sitting there quietly and sharing
the occasional sweet kiss so touching and deep.
A gorgeous morning with you my sweet Kira is
what I so long to have with the Angel I miss.
A gorgeous Saturday morning with Kira
the true Queen of my heart which she holds.
A gorgeous morning with my one and only true love.

Ohio State doesn't play until late in the afternoon
so the morning would be free for us through

my sweet Angel dove to do as we pleased,
a gorgeous morning for you and me.
Sweet Kira just close your eyes and share this sweet dream
and feel my arms around you holding you close,
feel my hand in yours and see my big loving smile,
I'm right beside you my Angel I love so wild,
I'll be holding you tightly today giving sweet kisses
to you and reassuring you by giving my loving warmth.
Just close your eyes and feel me there with you
as we share this dream of what's to come.
I love you sweet Kira and I know we'll have what
we so desire and need and then we'll be so
full of joy feeling happy, contented, and complete.
I love you Kira and dream with me now of our future
gorgeous Saturday morning and be filled with warmth
as I whisper to you I adore you my darling
and I truly love you more than anything.

Sweet Late Night Kisses 2

Laying here my sweet darling in this late night
and I haven't been sleeping and just barely drifting,
I'm missing you so very deeply and to give
us both comfort I'm reaching out to hold you
so tightly and give you sweet kisses that will give us both smiles.
I'm reaching out to snuggle with my sweet
darling lady and give you sweet kisses to calm
our hearts and calm the loneliness inside.
I'm sending sweet late night kisses to you
because I love you my dear and I want you to know
I am with you holding you close in all of my love.

Sweet one I am just laying here on this late night
and I'm so very tired but I can't get to sleep for some reason,
I am truly longing for you and to just look in your eyes
and open up my whole world for you to see,
I want to share all with you because you are my best friend
and I trust you in full knowing you truly
love me and care for all that I am.
I know you would never hurt me intentionally
and for that I am so thankful and it makes my heart sing
in full voice the sweetest love songs.

Falling Asleep In Each Others Arms

Goodnight my sweet Angel dove and now
let's climb into bed and I'll give you a kiss
before we snuggle up and fall asleep
in each others arms feeling complete peace
and contentment in our hearts and souls.
I love you sweet Kira and want to
go to bed and fall asleep in each others arms
with a sweet Kiss and saying I love you babe
you are the best and I'll be right by your side
through everything no matter what.
Then just close our eyes heads resting
right next to each other so close
and fall asleep in each others kind and caring loving arms.

Goodnight my sweet love and I will be holding
you throughout the entire night stroking
your hair and lovingly rubbing your back.
I'm sending you all of my warmth and love
with great big endless kisses and hugs of pure warmth,
feel the peace that they hold and wrap up
in it ever so tight knowing you're not alone
and your Michael adores you to no end.
I love you sweet Kira and want to fall asleep
in each others arms feeling safe and secure
both of us with the one we so truly love.
I want to fall asleep in each others arms
and enter dreamland together hand in hand.
I want to fall asleep in the arms of the woman I love
that is my Angel from so high up above,
a true gift and blessing from God.

I'll see you tonight in the land of dreams
where once again we'll sit under our tree
and just hold each other while we talk away,
that's what I want with my lady so fair,
to just sit and talk while we smile
yours lighting up the whole world with
its great big beautiful brightness.
Tonight in our dreams just you and me

in a beautiful scene enjoying
each others loving company.
So soon my sweet lady it will be for real.

Goodnight my sweet Angel dove and now
let's climb into bed and I'll give you
the sweetest and deepest passionate kiss
to express all that I hold within.
A great passionate kiss for my Kira
the woman I tenderly love and greatly desire,
a kiss to tell all through it's electric
passionate power I release from within
and then let's snuggle up and fall asleep
in each others arms as I say Kira I love you
and I want to be with you forever and ever,
I am your Michael and yours alone for eternity,
I am faithful to you and no other will do,
I love you sweet Kira you are my Angel.
So once again I wish you a gorgeous goodnight
and now let's climb into bed and after this kiss
cozy up ever so close and peacefully
and fall asleep in each others arms so very kind,
loving, caring, and warm.

Michael P. McParland

A Peaceful Snuggle Before Bed

Come my sweet darling and curl up in my arms
and we'll share a sweet snuggle and nuzzle
with kisses before we go to bed.
Let's enjoy another hour maybe two
before we turn in and go to sleep my sweet one.
Come and join me and cozy up in my wide open arms
and I'll pull you in close for a kiss.
Then we can sit that way and talk for a bit
just feeling content and peaceful my dear.

Come join me for a peaceful snuggle my dear
before we head to bed and just relax
and feel good in each others arms.
I want you to join me because I love you immensely
and I just want to hold you and heal
your sweet heart by giving you all
of the comfort you need and want.
Come join me sweet Kira for a peaceful snuggle
because I so long and yearn for my incredible Angel.

I'd prefer you here by my side
snuggling and kissing while doing
many things that we love and enjoy.
Just having you here by my side gazing
into your precious sparkling eyes.
I wish you were here for a relaxing night
surrounded in our loving warmth that we feel.

It would even be a relaxing and beautiful night
if we were just here writing to each other right now,
our night time conversations I miss
and were so wonderful to have until we can reunite.
It would make a beautiful evening if we could talk
and I could say right to you in private
I love you Kira my sweet Angel bride.
I love you so much and for you I will
always give my very best and keep trying
to always be the best man you could ever want.

Kira my dear you are the most beautiful woman
to me that's ever existed in history.
A natural beauty that needs no aids,

it would ruin perfection and I would hate that.
You are so beautiful and anyone who's
told you different is a mean jerk who's

Sitting Back With You

I sit here on this quiet morning by myself
I wish I were sitting back with you
within my arms holding you so very close
while I just rubbed your back and we kissed and talked.
I wish and long to just be sitting back with you
and smiling in contented peace feeling free
from all the lonely sadness that's plagued us
in our separated state.
I'm smiling now though dear because I think of you
so please smile for me too
and share this dream of sitting back with me
and sharing of ourselves while we do so very many things.

Sitting back and reading a book we both want
to read aloud to each other and share,
just snuggle up and watch some TV or a movie.
Get up and dance or snuggle up and kiss
while we listen to our favorite music,
or build a puzzle which I'm not great at
but with you it would be tons of fun I know it's so.
Together work side by side to get
all the chores around the house done
talking along to make it seem like fun.
Just sitting back with you spending time
while we did our thing is what I want
my sweet precious Angel Queen.
I want to be holding you my precious jewel
and look you in the eyes and say
I love you babe you are so cool.

My sweet Angel dove as I sit here all alone
on this quiet morning now I wish as always
that I was with you holding you so very close
curled up tight within my arms.
I'm smiling dear because I think of you
so please give me a smile too.
So many things through so many days
in the future we will have and we will do
and I can't wait to look you in your sparkling eyes

and say I love you Kira dear you are my everything.
So in spirit right now come sit with my my precious dear
and curl up in my arms where I can hold you near.
Feel my hand within yours now as I pull you
close within to give you a kiss.
I love you dear and through all time I always will,
I'll stick by you because you are my one.
So feel my warmth and all my love as I share
this dream of sitting back with you.
I love you babe you truly are my everything.

Michael P. McParland

A Quiet And Beautiful Morning

How I long to spend a quiet and beautiful
good morning with you just wrapped up
in each others arms feeling complete and pure warmth.
A quiet and beautiful morning with
my beautiful Kira is what I am dreaming of
and send to you with these great big
sweet kisses and hugs.
I love you sweet lady and I have no doubt
that our time will come and we will spend
many quiet and beautiful mornings in each others arms.

A quiet morning where after we have gotten the
immediate done we can just sit back in beautiful bliss
and when you curl up in my arms we will just kiss.
I'll make you your coffee and have a bit too,
I'll make yours special just how you like it my dear,
you still have to teach me but I'll learn it quick
and then I'll just hold you close while we sit back
and sip from our hot cups.
A quiet and beautiful morning with my beautiful girl,
the perfect start to what will be a beautiful day.

A quiet and beautiful morning which I want
to spend with you wrapped up in my arms,
just hearing your Angelic voice as I forget
the rest of the world.
Feel your soothing and healing spirit as you sit next to me
and feel all of the aches and pains melt away.
A quiet beautiful morning showering each other
in our true and pure shared love is the greatest dream
that I right now have, share, and crave.
A beautiful morning with beautiful Kira
surrounded in quiet loving peace.

Oh my sweet love just sit back and smile for me
as I share with you this beautiful dream
that one day I know will come true.
Mornings so very quiet where I'll just gather you up
and hold you so close while we do what we want to.

I'll make you your coffee and breakfast if you want it,
I'll do everything to make your day perfect.
A beautiful morning with you my beautiful Angel
is what I desire forever and ever.
So my sweet Kira feel the magic within I am sending
and feel your heart lifted with the great big
warming hugs and kisses along with it.
I love you sweet lady and these mornings are coming
and in every one of them I'll have you curl up
in my arms so I can smile right at you and tell you
it's these moments with you I've waited so long for,
I love you dear Kira and I will forever stick by you.
You're my Angel, my hero, my best friend and true love,
you're all I've ever wanted and all I've ever needed,
Kira you are the greatest and I am yours for eternity.

most beautiful woman in the history of earth.

Sweet early morning kisses to you to help
us both through this lonely feeling that's here,
sweet early morning kisses to you
so you'll always know I'll never leave you
and that you will always be safe with me.
I miss you my darling and my heart is hurting
without you here by my side or to be able
to just reach out and talk.
I love you sweet Kira and want you to know

that you are everything I'll ever want.
Sweet kisses to you because you are so cool,
sweet early morning kisses to you my sweet one
because you are my soul mate and best friend
and I will stand by you through all time to no end.

Night Note 121

Oh my sweet darling Kira
hello to you my dear one
and here in the middle of the
November night I pull you in
to say I love you so much
and I am right here forever
with you my sweet Angel dove.
Sweet kisses and hugs in the millions
and more just for you.
I love you sweet Kira and feel
my arms around you as I wrap
you up so tightly to give you
all of my loving warmth.

After I wrote yesterday afternoon
asking you to come and snuggle
I closed my eyes only meaning to rest
for a few right before dinner,
but I knew as soon as you read it because
I could feel even stronger
all of your warmth and comfort
and your loving arms wrap around me
and it calmed and soothed me immensely
so all the tiredness I still felt
overtook me and I fell asleep
until about half and hour ago my sweet lady.
Writing to you here is one of
the first things I wanted to do
so I could say thank you, you're wonderful,
you're so very beautiful, and I love you.
Kira my heart sings your praises
and I send you kisses from the high heavens.
Thank you my Angel for all of your
kind caring and loving
and I'm sorry if I had you worrying.
You just gave me the comfort
and peace that I was so needing
and I thank you sweet darling
and trust me my Angel you truly are

so very amazing.

Oh my sweet Kira as I get up
and do a few things feel my arms
so tightly around you and feel all
these sweet kisses I am sending
with all of my warmth and loving.
I miss you sweet lady and my heart is calling
letting you know that I am faithful to you
and will always stick by you my dear.
God bless you my Angel
and may he see it fit to soon reunite us
my sweet northern star that guides me.
I love you so deeply, totally,
and completely I feel so very lost
without you here to hold and talk to.
I love you sweet Kira and I
promise I am forever your Michael.
So sweet kisses to you on the
middle of the night we have right here
and I will be holding you the rest of it through
and into the rest of time too.

Michael P. McParland

Snuggle 38

Come snuggle with me my sweet lady
on this late afternoon and just
talk away these many hours
feel complete and contented.
Come snuggle with me and share some sweet kisses,
come curl up in my arms so I can give you
all of my loving warmth as I look in you eyes
and say Kira I love you and nobody else.
I love you so much and want to be with you for all time.

Come snuggle up with me my sweet Angel dove
on this late afternoon and just
shower each other in kisses so sweet and good.
I just want to be with my lady and in each others arms,
I want to make you feel safe and let you know
that you're truly and deeply loved.
I just want to share each others worlds
and feel your immense love as you sit next to me dear.
Come snuggle so close and curl up in my arms
because I love you sweet Kira and miss you so much.
Come snuggle with me and together block out the world,
I want you sweet Kira and need you more than you know.
I want to be with you through eternity my sweet Angel bride.

A Truly Beautiful Afternoon

What on earth could be better than
being with you enjoying a truly beautiful
afternoon with sweet beautiful you?
nothing my sweet one, nothing at all
and that's why I wish I was with you
just holding each other and hands.
I wish I was sitting right now with you
as I watch YouTube videos.
I love you and miss you and I am dreaming
and longing for a beautiful afternoon with you my sweet lady.

I'd have you just put up your feet
so I could rub them and your legs
getting all of the soreness I know you feel out.
I'd have you lay down on your tummy
and tell you to fully relax while
I rubbed your back arms and neck
to help ease all the pain that is there.
a very beautiful afternoon with very beautiful you
serving my Queen as I want to do.
I miss you sweet lady and can't wait to
give you all of these things and so much more.

A truly beautiful afternoon with kissing and snuggling,
just talking and talking with lots of laughing.
A truly beautiful afternoon with
my gorgeous sweet diamond Kira,
what a wonderful time it will be when we've come back together.
Just peaceful loving and laughter with
the woman my heart and soul so desire.
I love you Kira and long for a beautiful
afternoon just spending time with you.
To give you all of myself and serve you as you so deserve.
I miss you my sweet Angel dove and inside of me
for you there's an eternal flame that burns.
I can't wait to be with you at last my sweet one
and know what it's like to have your true love
wrapped up so tightly in your arms.

Michael P. McParland

Love Note 333

I love you Kira,

lighting up the path.
I reach out to you
to pull you in close.
I love you sweet Kira the very most.
You are my Angel and my sacred Queen,
I adore you sweet Kira

Michael P. McParland

I Love You So Very Much Sweet One

I love you so very much it is true,
I love and care about you through and through
and as I've said before and I'll swear
to it again and again I'll never give up,

loving woman that I know you are.

and I miss you so bad and it hurts.

I love you so very much and I will
always stand up for you and right by your side,
hand in hand my sweet Queen all the way.
I just want you here in my arms to share
such beautiful days doing beautiful things.
Snuggling and reading, watching movies we love,
sharing our favorite music, and best of all
doing one of my favorite things with you
that I so deeply miss,
having talks about everything from deep seriousness
to pure lightness always filled with warmth.
Kira I love you so very much and miss you mega tons.

Kira I love you more than anyone or anything
in heaven or on this green earth,
I miss you so much because my heart beats still
for the Angel I so cherish and miss.
I love you so very much and I just want to
hold you so close and share both of our worlds.
I love you so very much and want to do all
the little things of true love like
cook you nice meals and rub your back when it hurts.
I love you so much and I miss you so bad,
Kira you're my sweet Angel dove and I
give you my heart and soul and my life in full.

Michael P. McParland

I Hurt 4

I hurt my dear because I miss you bad.
I hurt my dear because you're mad at me.
I hurt and I want to talk to you
so all can be understood.
I hurt my dear because I love you so very much
and you're not here wrapped in my arms.
I hurt my dear and I'm throbbing deep inside.
I hurt because you're mad at me
and that twists my heart around in knots.
I love you dear and want to look you in the eyes,
I want to see your big bright smile and kiss you on the lips.
I love you Kira dear and I hurt
because you're not here and we aren't talking right now.
I hurt my darling dear because I miss you so damn bad.

Michael P. McParland

I Miss

I miss you babe and the special one you are,
I miss all of your beauty my only one
and I long to have you back again.
I miss you and all the talks we shared,
I miss the laughs we had from all the little jokes.
I miss you my precious one you are so beautiful.
I miss you Kira dear because I love you very much.

I miss the few friends I had on here
and one in particular who mostly tried to understand.
I don't know really what I did wrong
and I've tried to write a few times to say hello
but my messages were never even read.
I promise it wasn't anything like a fight at all
I guess it was because I'm nuts.
I miss talking to them though and I talk
to almost no one at all ever now.
I miss those few friends that I had on here
and wish I could tell you all.

There is a lot in life that I truly miss
but Kira I miss you most of all.
I just want to hold you close and release
all the tears I hold inside,
I want to hold you close and say I love you so.
I miss you Kira and I want to pick you flowers everyday.
I miss you my darling dear and want to snuggle now.

I miss you Kira I hope you know
I want to forever be your man.
I love you dear you are my diamond in the rough
and I cherish you for who you are.
To me you are the perfect girl and I long
to have you within my arms.
I love you Kira dear and I want to marry you.
I miss you oh my darling dear and my arms and heart
are wide open waiting for your return.

Michael P. McParland

Morning Note 139

Good morning my sweet Angel dove
and sweet sweet kisses to you on this morn.
I know you're upset at me
my darling one but please don't be.
I am sorry I was out all day yesterday,
I know though you understand
I was so very tired and I do also
understand why you feel upset.
I know it's because you miss me so much
and want to hear from me my dear.
I promise to dear as always
I'll never leave you I'm always right by your side,
feel my hand in yours as I pull
you in close to give you a big warm hug
and the sweetest kiss.
I am sorry babe and please understand
after I explain which I know you will.
I love you sweet Kira you are
my diamond and I treasure you
my sweet gorgeous beautiful woman.

Sweet love there is just so
much going on inside of my head
and inside of me and I miss you so much
and when I can finally sleep
I will so at least in a dream
I can see and hold you.
Can you blame me my dear?
I still inevitably end up
with my nightmares but
that doesn't matter.
As long as I get some time with
my sweet Queen and Angel
I get a bit of time to be truly happy.
That's partly why my sweet darling
and the other reasons I
will tell you but not here my sweet Angel.
I love you sweet lady and
I so deeply miss you and want

to be right beside you.
Even today is a day to just
lay down and put on an old
comforting movie or my audio book
and rest away these hours before me.
I promise I'll write but also ask
for your kind hearted understanding.
Sweet kisses and hugs to you
my sweet precious lady I'm ever adoring.

Remember sweet lady I'm right there
beside you because I love you so much
and never for a second will I give up.
I am your Michael and I want
all eternity to be with you as your husband.
I want to hold you in my arms
through eternity so very close to me.
I love you sweet Kira and will stand
up for and fight for forever.
I'm never giving up on my only lady.
So come sit with me Kira
while I hold you and kiss you.
God bless you sweet Kira
I so truly love and miss you.

Michael P. McParland

Morning Note 138

A very early and sleepy
good morning to you my sweet Angel
and as I plan to spend a bit longer in bed
I just wanted reach out to you
and put my arms around you pulling you in.
To just snuggle in deep and true love
on this morning in late fall
just helping each other feel
protected and peaceful wearing big smiles.
Feel my arms around you sweet dear
and feel me right beside you so close
rubbing your back and stroking your hair
while giving kisses so sweet as well.
Good morning my dear I love you
so very deeply and truly completely
so as I just rest for awhile longer
here on this morning I reach out
to take you up in my loving arms
to share a sweet and warm snuggle
filled with peaceful strength
and deep comfort in the pure love that we share.
I love you babe and want you
right next to me snuggling
as we get a bit more rest and sleep.
I love you truly my sweet Angel dove
and I just want you my dear Queen
right next to me feeling so very cozy and complete.

Michael P. McParland

A Longing Goodnight

Goodnight to you my sweet Angel dove
and I long for you so very deep and hard.
I'm extremely tired to the bone and I wish
I were with you as for the night we retire
to just share the sweetest kisses while we snuggle,
tonight my dear I need your soothing comfort
as I close my exhausted eyes once again
to at the very least get a good rest
and I pray a night of truly wonderful deep sleep.
Will you just rub my face and head so lightly dear
as we softly talk while we drift away to sleep?
Will you give sweet kisses too on my fuzzy face?
Now I'm smiling because it is you who
gave me that little name and from you it is so cute.
I hope you're smiling too my precious dear.
Goodnight my dear I so long for you to lay
right by my side and in my arms as you rub my face
and head as we go to sleep.
I love you Kira dear and can't thank you enough for all you do.
So very soon I'll kiss you on your soft
and luscious passionate pink lips to thank you as you deserve.
Goodnight dear I truly want to be with for all time.

Goodnight my sweet Angel dove and I'll be
holding tight through this longing and achy night
sending all my loving warmth to you,
tonight even in the land of dreams I'll
probably be tired so let's just find a cozy place
to sit and hold each other while we talk.
The exact thing I'm dying inside to do for real,
to be with my Kira whom I love more than anything.
Now on this longing night of need let's just snuggle up
and get such very needed rest and sleep.
Kira feel me right there beside you as I give you
warm and toasty kisses with ever so sweet caresses,
feel my love as I send it to you in full force
to wrap you up in its caring strength.
A longing goodnight to you my sweet Angel dove
whom I love with all my heart and soul.

I truly can't wait to have you in my arms
and it's what I dream of always as I go to sleep.
So please my dear so very soon so I can
finally release and give all this love within me just to you.
To finally give you all the love you've always deserved
and I want to give it to you soon because I know
we both so badly need to give our love and receive it.
Goodnight my dear I so truly love and deeply long for you.

Michael P. McParland

My Hearts Call To You

My hearts call to you right now
is just to say I love you dear
and just want to hold you so very near,
to just kiss you and smell your hair
while I rub your back and whisper in your ear
that I love you so very much
and I want to be with you forevermore
as your forever man because I will
always be your dedicated best friend.
My heart calls to you just to say
you're beautiful my gorgeous girl
and let's just lay down for a while
and you can rub my face and head
while we hold hands and share our warmth.
My heart calls to you my sweet Angel dove
just to say that you are the best
and I want to be with you my true love
through this whole life and into the next.
It calls to you because you truly
love and care about me as well
and it's thanking you in full for everything you do.

Michael P. McParland

A Quiet Evening With You

A quiet evening now within your arms is
how I would so very much like to wind this day down.
A quiet evening with you curled up
in my arms as I rubbed your back and stroked your hair,
as we both felt safe and loved being protected
by each other from the outside world.
I'm tired of it and the pains it causes
and I want my lady so we can both help heal
the wounds and scars upon us left by it
and take special care to repair those pains we caused each other.
A quiet evening with you in pure love
is everything in my heart and soul I truly need and want.
To the universe I say is that too much to ask
to have my love beside me spending time?
A quiet evening with you my dear is all I want
for you and me right now to talk away the hours.

A quiet evening with you just doing whatever
it is we wanted to taking it step by step as we go,
just do as we like as the time goes by because
spontaneity with you was always fun,
you make me smile my darling so very wonderful
and you excite me in so many ways from innocent
fun like kids to those tinglings between
a gorgeous woman and the man she loves
and he madly loves in return.

A quiet evening with my only one would make my heart
so very happy now and give us the comfort we so need.
Serving you is something I want so bad,
I have so much I want to do for you and I long
to give all of it to you to see you very happy and very proud.
I love you dear and I always will because
it's you I want by my side through all time.
You are my best friend and precious jewel
and right now I want nothing more than a quiet evening
spent alone with you curled up in my arms
and telling you how much I care and that you
truly are so very beautiful and magical,

you are a blessed gift from God in my view.

Oh my dear a quiet evening now is all I want with you
my sweet Angel bride and I pray it will come so soon
because I love you dear and I have so much inside me
I want to give and I want to give it all to you alone
my sweet lady I've loved since the start of time.
I want to give it just to you because I am yours
and yours alone for eternity my only one.

Michael P. McParland

God Bless You 7

God bless you my sweet dear through all time,
may he bless your aching heart as well as mine.
May he bless you to know how much I love you
and fill you with the warmth I'm always sending,
may God bless you that you'll have peace
within you here through this very night.
God bless you that you'll feel my arms
wrapped around you in true caring love,
God bless you with the knowledge that my heart
is open and I accept you for just who you are.
I fell in love with sweet Kira and that's
what I want forever and ever so if there has
ever been a perception I want different I'm sorry dear
because I just want you for you.
God bless you dear you'll know that's true.

God bless you truly my sweet Angel dove
because I care so much for you my only one
and I appreciate and worry about you all the time.
You don't tell me how you are so I never know
and it turns my guts around inside out.
I know you're hurting and so am I and I
express my love so you'll know you're not alone
and to help cheer you up with reassurance
that I won't rebuff you or push you back.
I write because I want you to know
how much I care for you my dear.
God bless you that you'll know this truth
and be filled with its warmth through and through.
God bless you dear I love you truly so very much.

God bless you Kira to give you everything
you'll ever want and need both in this life
right on through into the next
and I hope I'm right there to share your smiles and your joy,
I just want to see you happy dear
because you mean so very much to me,
I cry when you cry and I laugh along when you
are laughing filled with great joy,

I'm right beside you all the way my dear
and I always will be this to you I swear.
God bless you dear I hold within my heart so tenderly
that you will feel the kind and comforting
love I hold for you within myself
and that it will give you peace throughout the night.
God bless you babe I love you truly in every way
and I pray to have you as my wife for all eternity.

Michael P. McParland

Love Note 332

A wonderful and good late
afternoon to you my precious sweet Angel dove
and as I rise from my rest I want
to thank you so much for all of
you kind loving care and warmth,
I could feel you so close holding me tight
and I was able to relax and get
a bit of fairly good rest.
Thank you sweet one and I pray
as always that you're feeling my
love in full as well.
Sweet kisses and hugs to you my sweet one,
sweet kisses and smiles to you
my beautiful sweet Angel dove.

As I've gone through this day
and now head into the evening so close at hand
I hunger for you to be in my arms.
There is so much in me I can't
even explain or describe just what it is
I just know that it's there
and it is for you that I so
deeply love and so deeply care.
Does that make sense my sweet one
that there is so much I can't describe?
Do you have those same feelings to
that you can't grasp a description of?
I'm just wondering if it's me
or if you have that as well.
Either way my sweet love it overflows
from my heart and soul and I
can't wait to give it all and share it with you.
I can't wait for you to see
and to show me your smile as we
kiss and embrace,
I can't wait to once again dear
hear your heavenly Angelic voice.
I can't wait till we share our
whole lives as we stand side by side

fighting together to beat all the odds,
fighting together to beat the jerks down.
I love you Kira and see my big smile
and feel my sweet kisses to
turn any frowns of sadness, worry,
or loneliness upside down
because your Michael is here to
give you everything that I have and I am.

There truly is so very very much
I want and need to share with you
as I tear down the walls of defense just for you,
stuff I want to tell you but not
one bit of it can I ever or will
I ever say here in these public poems,
I've already shared more than I
normally would just for you to let you know
that I will stick by you and trust you,
to let you know that I'll
never leave and abandon you and I'm
happy to let the whole world know
that I love you and so very soon
I want to share with you these
special things in true private
letting the woman I love see totally inside me.
I miss you sweet Kira and want you beside me
because I love you completely
my sweet gorgeous Queen and everything.
You are a treasure I cherish completely.

So feel my arms wrap around you
so tightly now as I pull you in
for a big hug of warmth to fill you
with all of my love and great peace,
I'll be with you all night
with my hand in yours so feel me
right there in spirit beside you.
I love you Kira and will forever stick by you,
I promise that you are safe with me
and I'll always fight for and protect you.
I'll never let anything happen to
my sweet Queen and Angel because I adore you,

so once again just feel me beside you
and giving you comfort because
you are the woman I so truly love
and treasure completely and totally forever and ever.

Michael P. McParland

An Afternoon Snuggle

Sweet love Kira will you come and join me now
for an afternoon snuggle and a short rest?
Come rest your head upon my chest
and I'll pull you in for an afternoon snuggle
so full of love and warmth that feels grand.
Will you join me now my precious dear
and close our eyes for awhile while we
snuggle away a few afternoon hours.
Will you honor me my darling one
so I can hold you very close and give you
all my loving strength and peace?
I love you babe and want you here with me,
let's share an afternoon snuggle and a rest
because I want to be with my lady who is the best.

Come and join me dear here in bed for awhile
so we can snuggle and rest in peace
with our hearts content and fully healing.
Come cozy up with me because it's with you I want to be,
I want to feel you in my arms and against my body,
I want to see you smile and hear you say
I love you Michael,
and then I can look right back and say I love you too,
then we can just close our eyes and softly talk as we drift off.
Come my dear and let's on this afternoon so tightly snuggle,
please come and join me dear for some needed resting.
I truly love you so with all my heart and soul
and one of the best ways I know how to show you
is by holding you and giving you all my warmth,
I want to hold you close and release myself,
I want to show you my love in this one way I know how.
So please my dear come and snuggle on this afternoon
and rest with me for a little while.
I trust you babe and love you oh so very deep
and that's why I can hold you next to me for so long,
I want to give you all my love with that one sign
and many more to come.
So let's snuggle now and catch some rest feeling happy
with the lady of my heart I love best.

Michael P. McParland

My Hand In Yours Forevermore 3

I take your hand within mine now
and kiss it so very softly as I
look into your eyes and say sweet Kira
I love you even more today than I did yesterday
and tomorrow I'll love you even more my only one.
My hand in yours holding on in true love forevermore,
my hand in yours because you are the one I adore
and a diamond in the rough I treasure and cherish
in every single way there is.
You are so very beautiful sweet dear
and I love you with all of my very heart and soul.
A heart and soul which I give to you to hold
forevermore because I love and trust you like no one else.

My hand in yours forevermore to give you
all the peace and strength you want and
each and every day from me.
My hand in yours forevermore so you'll know
in your very heart and soul that you're not alone
and that I'll not abandon you and break your heart.
My hand in yours forevermore because we
need each other with all the love we hold.
My hand in yours forevermore because
I cherish you my sweet Angel dove.
My hand in yours forevermore because you are
my best friend who I have a deep connection with,
a bond so very strong that's such a gift.
My hand in yours forevermore because you're you
and for me that is enough.

Feel now as I take your hand in mine and pull you in
to kiss your forehead, then your cheeks working
down toward your soft smooth neck planting kisses
all over as I then work my way to your luscious lips,
my hand in yours forevermore because I cherish you my dear,
I hold you in my heart and soul in the most
tender sacred parts where you belong.
My hand in yours forevermore my one
because I want to be with you through the rest of time.

I love you dear and deeply so because you are the Angel I adore,
my hand in yours forevermore as I stand by your side
giving all my endless loving warmth and full support.
My hand in yours forevermore because you simply
are the best there is and I want to spend my life in bliss with you.

Michael P. McParland

Middle Night Snuggle Of Warmth

Hello my sweet love here in the middle
of this very night,
I've mostly just slept very light
fading in and out not really awake
yet not really asleep,
just that strange place in between
but that's okay because I've been
thinking/dreaming of you.
It's a bit of both in that state in between
no matter though how it's described
I'm smiling and feeling deep warming comfort
thanks to you my precious dear.
You give me peace to rest and such sweet dreams
and I send you all of my love too
and I pray it has kept you warm and given peace.
I thank you dear and am pulling you in
for a hug of thanks with kisses and a snuggle of pure warmth.
I'm pulling you in so very close to thank you dear
and I say I love you more and more with each day that comes.

As I prepare to close my eyes again to get some sleep
I take your hands and pull you in for a kiss
and snuggle so we can share our deep love and warmth,
a snuggle to feel each others hearts as they
beat together in the true love we share with each other.
A warm snuggle that says I am here for you forever
because I truly love you my sweet Kira,
I am your Michael and I have no want or need for another.
So feel my arms and all my warmth as I
pull you in so very close for a
late night kiss and snuggle of pure warmth.
I love you Kira my sweet Angel dove and I will
quite often hold you close when I wake up at night
when we have come together once again,
a snuggle of reassurance and deep peace so
you'll know you're safe in your sleep.
I love you babe and am always there right by your side
and I'm now pulling you in for the sweetest kiss
and a snuggle of deep and caring loving warmth.

ILYF and ever KP

Sleep Well My Sweet Darling Dear

Goodnight my sweet darling dear Kira
and let's slip into bed and cuddle for awhile
and share some sweet kisses so very good
before we go to sleep,
I want to end this night as every other night
in your arms my sweet darling dear of true love
and just snuggle away the twilight hours.
Come my sweet dear and let's climb into bed
and cuddle sharing passionate kisses
that make our hearts and souls sing to the heavens.
Let's slip into bed my darling dear
and just snuggle while I whisper in you ear
so very softly and loving I love you Kira
to me you are magic.
Will you marry me and be mine forever?
I love you sweet darling because you are my Angel
and I will always honor you with the best I have in me.
I will give you all the love you've been deserving
and serve you my Queen so very faithfully.
I honor you in true love my dear darling
now let's share sweet kisses in bed while we snuggle away.

Goodnight my sweet darling dear and after
we snuggle and kiss for awhile
just rest your head upon my chest and I'll
pull you in so very tight to rub your back
and stroke your hair while we talk until we fall asleep,
or if you would like I'll read to you
your favorite pieces of my poetry.
Only to and for you my sweet dear will I read it aloud
and there will be a private collection just for you.
So as we lay down feel all of my loving care and deep warmth
and feel these sweet kisses I send to you.
I'll be watching over you as I always am
and I'll be giving all of my love to you my sweet Angel dove.
A sweet and precious goodnight to you
my dear gorgeous Queen and Angel of light.
I love you so deeply and miss you so much,
just rest your head upon my chest to give us both peace.

I'll see you tonight in the land of sweet dreams
where we'll take a walk along the path
of the brilliant moon and bright stars,
getting lost in their magic as we sit down
after a while to cuddle, talk, and picnic.
Tonight my sweet love a cosmic journey
on the rocket ship of our love along the moon and the stars.
There's nobody else I'd rather be with than you
the woman I love with all of my mind, heart, soul,
and body to my very core.
I love you sweet Kira my divine northern star
and in the land of dreams tonight I'll see you
and hold you so very tight among the brilliant
moon and stars that for you will be shining so very bright.

Goodnight and sleep well my beautiful and wonderful
darling dear whom I hold and cherish above all,
my heart calls out and sings to you all
of my most favorite love songs to give
you comfort and peace within your heart and soul
that are so very beautiful and pure,
just feel me wrap my arms around you and pull
you in for a tight snuggle with kisses of love
so very full of true love so pure,
I'm taking your hand and holding it all of the time.
Goodnight and sleep well sweet Kira my beautiful
and amazing darling dear.
I'll love you forever and remain dedicated to my only lady,
I'm here for you Kira and I always will be
because you are my hero, my soul mate, and my
most wonderful and treasured best friend.

Michael P. McParland

Quality Time

What I want my dear is to have
and spend wonderful quality time alone with you,
time to just sit and talk while we laugh,
time to sit and pour our hearts out
just like we need and want.
Quality time to sit and read together
rather it be out loud from the book we chose together
or just sitting side by side cozyed up
while we read silently from the ones we're reading privately.
I want quality time just you and me to share
our favorite films and TV shows.
I just want quality time by your side and within
each others arms each day and especially right now
for a good while before we head to bed.
Quality time with my babe is what I crave in full and need.

I'll always need my personal time and that
will never change and I know you understand that
like so few ever would and I thank you
so very much for your knowing what I need and why I do.
With you though I want much less of that space
and want to be with you so very very close,
it's always been that way and it always will.
Even back in school days were bland and bad if you weren't there,
I needed to be close to you and you were
the brightness of my day because we shared
quality time just being near each other feeling
all loving warmth and care that we have always shared.
You were the reason I liked to go to school
and would walk past your first hour class to see
if you were there at your desk and if you were
my soul and heart would brighten up
and when you weren't my heart would drop.
You have always been my Angel and star so bright
and endless quality time is everything I want.

Quality time is what I want and crave with you
my dear and precious best friend I love,
quality time filled with such bright and warming

peaceful love that heals the heart and soul
and helps one see and remember all the beauty in the world
and to me my diamond in the rough
you are all the worlds beauty and what's good and right within,
I love and adore you to no end and want you
here within my arms where I can give you all my love
and tell you how truly wonderful and beautiful you are.
Quality time with you in so many ways is what I crave
because I love you babe in indescribable lengths and ways.
So my dear when the time has come I'll spend much less
alone time because I want to be so close to you my Angel bride,
I want to be with you having quality time
with the one I love through eternity forevermore.

A Day Of Snuggling

How I wish we could make today a day
together with you here or me right there
to tell the world to go away and we would
just lay in bed or sit on the couch
and snuggle it away just talking, reading,
watching TV and movies having fun.
A day of snuggling with my only one
is what I crave and that dream I now share with you
fills me with such anticipation and great warmth.
A day of wholesome snuggling with you my dear
is exactly what I really need and want.

A day of snuggling where I can just look at you
and admire you for the beauty that you are.
A day of snuggling where I tear my walls down
and give all my secrets and what's within to you,
a day of snuggling hearing you gorgeous voice,
a day of snuggling sharing sweet kisses
with the beautiful wonderful woman that I miss.
Feel those kisses and my arms around you sweet one
and see my smile as I give it to you now.
A day to snuggle and just spend time is what we'll
have so very soon and it will be heaven
just because I'll be with you.
You are my Kira and you are the Angel
that I lovingly adore through and through.

So sweet Kira just sit back when you can
and feel my arms around you as we share this
dream and vision of what we will have and will be,
a day of talk and snuggling as well as
me cooking you a wonderful meal and us reading
and watching some films picked by both you and me,
a day of snuggling which we've so craved and longed
for in every way we will satisfy in each others arms.
A day of snuggling my only one and even now
it fills me with warmth and makes me broadly smile
and I pray that you can feel it all as well
my precious Angel I adore,

a day of snuggling with Gods greatest blessing
and most beautiful gift on this earth.
I can't wait to just hold you close and look you in the eyes
and say to you Kira I love you dear my heart
and soul truly are forever yours,
to me you truly are the very best and nothing anywhere
can ever take me away from my Queen who's best.
I love you so and I always will because I'm dedicated
just to you my precious dear.
So God bless and keep you dear and your precious soul
and with me today just share this dream of what will be
a day of snuggling just you and me.

Michael P. McParland

Feeling You (Holding Tight)

Between all the chores I have to do today
I just lay down a while ago to close my eyes
for the shortest rest and I could and still do
feel you so very close and I pray you're
feeling me holding on so very tight.
As I drifted I just said I love you Kira
and I always will because you're the best,
you're so very kind and the most beautiful
woman God has ever blessed to the world.
Kira I can feel you so very close and I
feel so very warm and blessed,
I smiling because of you my dear and I hope
you can see and feel that too.

I'm feeling you so very close my dear
and it truly is the greatest feeling that there is.
My heart is lifted with such joy
and my stomach is filled with calming butterflies,
I'm filled with happiness knowing that
I am in your arms right now as you're in mine,
you've made my day my sweetest one
and I send you kisses oh so sweet to cover you from head to toe.
I love you Kira you truly are so beautiful
and can feel your loving care as well
you make this life so truly wonderful and bearable
and I want to thank you my true best friend and Angel Queen.

because I truly love you through and through.
God bless you Kira and feel me there and holding you

A Loving Morning With You

Oh my sweet love having just gotten out
of a most wonderful and refreshing morning shower
the most perfect thing there is on this earth
and would be heaven is a loving morning
having you within my arms sharing the sweetest
kisses and the biggest smiles.
A loving morning with you is what I want
right now to make the world a perfect place
within this very place and time.
A wonderful morning with my Kira the
gorgeous woman whom I love and cherish,
the most beautiful woman God has ever created.

A loving morning with you right here curled up in my arms
while you drank your morning coffee and I drank
the root beer I am right now having.
A loving morning with your big beautiful eyes
and smile brightly shining as we shared looks of love
just like we used to do that filled us up
with loving warmth that felt very good.
A loving morning spent with you feeling so fulfilled
and dreaming of it now knowing it will come
gives me smiles and such joy I send to you
so we can share the ecstasy within.
A loving morning spent with you curled up in my arms
as we talked away sharing kisses from the heart and soul as well.
A loving morning with my Angel Kira is a dream
which will soon be for real and on this earth a heaven.
I love you my sweetest one and I can't wait to have you in my arms.

Kira I send this lovely dream and all my loving warmth
to you so we can share and you can take joy within as well,
just feel yourself curled up in my arms
and close your sweet eyes to see my looks of love
and my big loving smile.
Dream of this loving morning and with me have a prayer
that God will soon grant us the way to
our great dream and wish so we can always snuggle and heal,
so we can have such joyful loving mornings

just like this where we will smile and be fulfilled,
loving mornings that will heal our hearts
forevermore just being with the one that we so truly love,
loving mornings filled with peace and giving hope
that can't be matched by any other thing
I love you babe and can't wait to spend these times
with you curled so cozily within my arms.
So join me now within this prayer and then smile for me
as you curl up so tight within my arms.
Our day will come I know it dear and then we'll have
such beautiful loving mornings for sure.
So feel my hugs and my sweetest kisses
I love you dear and you truly are the very bestest.

ILYF KP :)

Morning Note 137

Good morning my sweet one
I hope your Sunday was fun
and went well topped off with a
good night of sleep and sweet dreams
of us snuggling and kissing with tons of laughs.
I'm sorry from all the silence
from me yesterday but after my last write
I was so very exhausted from the days of travel,
the little hurts and frustrations
that had popped up along the way,
which I assure you I perceived nothing
wrong from you at all as hurtful,
we've both made that mistake with each other before
and I want to assure you I never thought
you did anything anywhere wrong,
all you did was give me loving comfort for which
I am so thankful and I love you for even more.
I was so exhausted from missing you
and the family I just had to leave again,
I was exhausted from so much crying
and I wish you had been here to hold
throughout all of that,
between just tears and outright sobs.
I miss you so much and from all of that
pure fatigue and exhaustion
I could feel your arms around me
and your kisses so sweet which
gave my spirit peace and I fell asleep
until a short while ago.
Thank you my dear I truly love you so very much,
you are a diamond in the rough
and I treasure you to the heights.

I'm sorry I didn't write sooner
after getting up but I was so hungry
and wanted to get my head clear from
the deep fogginess of sleep and the very
strange dreams I had been having.
I love you babe and I was thinking of

writing you from the moment I got up
and started shaking off as much
of my aches and pains as I could.
I have so much to do today my sweet dear
and I wish I could just lay down
and snuggle with you before I
have to get to work on all that stuff.
I still haven't unpacked from my trip
and have a big mess in my room to clean up,
I'll be thinking of you all the while
to give me strength and make me smile,
oh my sweet lady I can't wait to be with you
sharing kisses so sweet and knowing
that all in the world is good and right.
I need to shave my head which I haven't
done now in three weeks and get in the shower
to feel and be refreshed and also shave
my very fuzzy face,
see you just smiled as did I
my sweet Angel dove.
I love you mega tons and you will
as you always do help give me strength
to make it through.

I love you babe and wish you
the sweetest good morning dear one
and send the sweetest kisses
and big warm hugs to you,
may the sun shine right on you
to give you its warm loving kisses too.
God bless you sweet one for you
are a treasure unequaled and I cherish you
to no end my sweet Queen,
feel me there beside you holding you close
and holding your hand as I
walk right along beside you
in true loving support.
Remember I'm always beside you
and right here for you just as well.
I love you more than anything and I always will.
I love you Kira I truly do
and will be sending you all of

my loving warmth and care,
feel it surround you sweet one
and give me a smile so I'll see its shine from here.
I love you babe you are all I want
and I'll wait for as long as you need.
God bless you and all that
you care about and love,
Kira you are my Angel and I kiss you so sweet and deep
and want you to know you will always
be my best friend and true love.
I hope that soon we will have our day
and I promise you I will always give only my best and full
to you my sweet Angel dove because
you are my beautiful one and I strive to
always make you so very happy and proud.

Michael P. McParland

Comforting Morning In Your Arms

A quick message just for you on this
morning at hand my sweet Angel dove
of kisses so full of passion and love just for you,
sweet kisses of care to say I love you dear,
sweet kisses to ask will you hold me dear?
Sweet kisses to ask for you to hold
me so very close in your kind warmth.
Having mostly just laid here with tears
on and off leaking and flowing
with not a bit of real sleeping
I just want my Angel Kira to hold me.
I want you to get cozy in my big fuzzy orange blanket
with me and share sweet kisses of comfort.
Will you snuggle with me my sweet Kira?
Do you know in your soul and heart
just how much I care for and love you?
I think you do and I just want to hold you too
so please my sweet lady come share
a sweet Sunday morning of comfort with me
as we just snuggle away the time
in total peace to get some beautiful sleep.
I love you Kira and right now I need
a comforting moment with you my sweet dear.

Michael P. McParland

More Than Anything

Kira I love you more
than anything or anyone
and I said I'd never leave
you and I never will.
I'm only retiring on this night
in which I feel such lonely
and longing pain.
I miss you so badly and
I feel so very broken.
I send you sweet kisses so deep
because I truly love you.
I want to hold you
and tell you how deeply I love you,
I want to be with you forever and ever.

I love you sweet Kira
more than anything
and I wish you were here to hold me.
I love you, I love you,
I LOVE YOU my only darling
and I must cry my eyes out
because I feel so broken without you.
I love you sweet Kira
and need to cry myself to sleep
because I so madly miss you
so please don't be angry at me.
I'll never leave you
and even now I'm right there beside you.
I love you sweet Kira
please come so soon and hold me.

Michael P. McParland

Goodnight My Eternal Love

Goodnight my sweet Kira
and I send to you these sweet kisses
of true love that is unending,
I'm so very very tired and am
going to now retire my darling.
I love you and just want to hold you,
goodnight my eternal love and feel
as I wrap my arms so tight and loving around you
and just feel my warmth knowing
I truly love and miss you.
Goodnight my true love I send you sweet kisses
as I go to bed now and for awhile
hide under the covers.
I'm with you forever and always without waiver
my sweet Angel of all days.
Goodnight my sweet Kira my eternal love
I adore in all ways I hope you know
how much for you my heart aches in true care,
I love you my darling and will always be here.
Goodnight my sweet Kira you are amazing
and as I slip under my blankets
I send you these soul filled kisses
of love so enormous lasting eternal.

Michael P. McParland

You Are Divine

Darling you are divine in my heart,
soul, eyes and mind with all of
the loving light that you bring and hold.
You are divine my sweet Angel dove
and here before bed I want to
snuggle the hours away in peace with you
my sweet divine Queen.
Will you snuggle with me so we can feel
happy and warm as we lay here in bed?
You are divine and the most wonderful woman
in the whole world.

I know you are divine by the way you have
so deeply and permanently touched my soul
with your strong spirit of kindness and love,
you are divine and I treasure the bond that we share,
you are divine and a precious soul
so very kind which is so rare.
You are divine and so beautiful and I just want
to be so very close to you snuggling away
these late hours before sleeping at last in deep comfort,
comfort, safety and peace that will be felt at last
when I'm holding you right next to me.
You are an Angel so truly divine and I pray
you'll make me the luckiest man
by honoring me with your cherished hand.
You are divine and I want to be by your side
as husband and wife through eternities gates.

Kira you truly are so divine,
when I think of or see your eyes sparkling
and that shining smile so big and warm
my heart melts instantly just for you,
every time that I think of or see you
I fall in love all over again feeling like
the bashful and shy kid I was,
I'm still very very shy but I become
more so that the slight stutter I get
becomes deeper when I see you because

I get so flustered and excited.
You are my Angel and I keep falling for you
over and over deeper and deeper
and there isn't anyone that could make me happier.
I love you dear Kira and you truly are
my sweet divine lady I treasure.

So my divine lady will you come snuggle
so tightly and warm with me before bed for awhile?
Will you share some sweet kisses with
your longing and wanting Michael
that just wants to comfort and love you?
Can I sweet lady just hold you close
while we talk the night away?
Kira you are amazing and in my eyes
a divine Angel who is my best friend,
you are my everything and I'll stand
beside you to no end.
You are my lady and for you I'll always
keep going on and fighting through,
you mean that much my darling Queen so very good.
I love you so deeply and you are divine to me truly
because you are Kira and you are true to
what you believe in and all that you care for.
I love you Kira because you are Kira
and that's all I could ever want and ask for.

Michael P. McParland

Mee Too (Conversations With You)

Mee Too I miss sitting here and talking
on endlessly at length like we used to,
I miss the fun little things that we
laughed about and learned as we shared,
I miss your sweet spirit and how you
always helped give me inspiration
and filled me with hope in my heart and spirit
in so many ways but helping me to know
most of all that Kira was still there
and loved me just as much in all ways,
I miss you Mee Too my dear and great friend
and I pray you'll return one day so soon.
I miss you Mee Too and love you immensely too,
I apologize for our fights and how I hurt you.
I can't forgive myself and I worry if you are okay,
I miss you Mee Too and all the conversations
of true loving care and sweet openness.
I miss you Mee Too you're so very cool.

I miss you Mee Too and there is another friend
I have on here who I lost as well
because I think my stupid mental instability
became too much to deal with and I do understand it,
I miss you my dear friend Mee Too
and you are such a kind person and wonderful woman.
I miss our conversations and how seeing
your good morning messages gave me the most
happy and wonderful starts to the day
and how our goodnights would give my heart
the needed calm, love and joy I so need and want.
To give those messages in return made me feel so very good
knowing that to you they meant the world.
I miss you Mee Too and feel so very lonely
and sad without our conversations
and all the small things we shared.
I miss you Mee Too and care for you a lot.

I miss you Mee Too in so many and honestly
all ways because you are great,

I don't miss the fights but we can always
learn the steps we need to work through
the things that often got in our way.
It was almost always miscommunication
taken the wrong way and I promise I'm not blaming you,
I messed up so very much and I'm sorry
my dear wonderful friend and I would
give anything to make it all right.
I miss you Mee Too and our conversations
that could last the whole day and sometimes
through the whole night as well.
I miss you Mee Too and it hurts like hell,
I miss you Mee Too and I pray to God you still read
and know in your heart and soul how I feel.
I miss you Mee Too more than you can know
and I hope you'll return soon so we can fix all
and have our conversations again planning the future ahead
and sharing all of those good things that we did.
I miss you Mee Too and I hope that you'll
come back to me so very soon.

Saturday Evening With You

I would love to spend this restful
Saturday evening with you in my arms.
A Saturday evening spent reading and talking
and if you wouldn't mind a bit more
of my college football.
Whatever you would want though I would be fine with
because I would have you in my arms
spending a beautiful Saturday evening
in deep loving care and peace.

Oh what a beautiful evening so fulfilling
because I would be with my Angel
and the worlds sweetest most beautiful lady,
I love you sweet Kira and look forward
to so many future peaceful and loving
Saturday evenings just holding you tightly
and sharing deep kisses so sweetly.
I wish you were here for a beautiful
Saturday evening.
It is that of which tonight I will be dreaming.

Kira I'm sending you all of my warmth and loving
to give you peaceful reassurance,
I'll be holding your hand and lightly kissing
your cheeks, forehead, lips and neck
while I stroke your hair and rub your back.
A beautiful Saturday evening with you
is where my hopes, dreams, and heart are at
and I want to share all of that with you my sweet one
I so cherish and want to be with for all time,
I want you and love you more than anything
and in spirit tonight I will hold you
and be telling you that you are so beautiful.
God bless you sweet Kira and I can't wait to be with you
because you are my true best friend and hero.

Michael P. McParland

Love Note 331

Sweet sweet kisses to you
my sweet love on this afternoon.
I apologize for being so tired
and therefore so very silent
as I rest while the football games are played,
I'm truly sorry sweet one
and will continue to give you
my very best,
I wish you were here to snuggle
and nuzzle with on this noon
getting quite late.
Just time to rest and be close
with you my dear Kira
my sweet peach.
I love you so much and will
always keep you warm and safe in my arms.

Oh my sweet darling
I am so very sorry if I am failing
because I just want to make you smile,
I want to be with you forever and ever
because you are my beautiful Angel
who I'll stand by forever.
God bless you and keep you
always my darling and may he bless
you to feel peace and comfort
with the loving warmth that I send you
and the knowledge that our dreams
will one day soon come true.
I love you Kira and I'll never
give up and leave you my sweet Angel dove
you are my everything and only one.
So in spirit come snuggle awhile
and feel me holding you tight
and listen so closely for my voice
as I tell you Kira I will eternally
love you unconditionally and always
remain true and faithful,
you're all I want and you're all I need,

Kira you are so beautiful and my gorgeous Queen.

Michael P. McParland

I Wish I Were (I Miss You)

Good afternoon sweet Kira my true love and dream
I hope you are well and have felt every last
bit of love and warmth that I send.
I miss you so much and am still feeling the aches
of wanting you throb inside of me bad.
I want to hold you right here
while we watched Ohio State play.
I wish you were here my sweet love to
share this day and the last part of this game
which is one of the few things keeping me
happy, hopeful and sane while we aren't together right now.
It's one of the things that helps get me through
and I can't wait to share this one thing of many with you.

Oh my sweet darling how I wish I were with you
my body is seriously hurting just as badly
and I just want to be with you holding on
so very tightly feeling your deep love and caring
as you tell me you love me and all will
go well and be taken care of so not to worry.
I just want to be with my precious lady
and rest my head upon your sweet shoulder
and feel your peace and strength overtake me.
I love you sweet Kira and miss you so badly.

I miss you sweet darling and wish I were with you
to just relax on this Saturday that right now
in every way feels so very painful,
my body is screaming at me and my heart
is twisting around in want of my lady,
I love you and wish I could be near you.
God bless you sweet Kira and feel me
right there beside you giving you kisses,
I just wish you were here so I could deliver them in person.
I love you sweet Kira and for Gods mercy
that we will so soon be together.
I want everyday to share the biggest smiles
while I have you by me shining in your beauty so brightly.

Michael P. McParland

Snuggle With Me My Sweet Angel

Goodnight Kira my sweet Angel bride
please end this night with me snuggling so close
to share the sweetest of kisses
as we go to sleep my only one.
My head aches and I am so very tired
and all I want is the woman I love in my arms,
all I want is my Kira for whom each day I write.
Come snuggle with me my Angel of light
and fall asleep with our hearts filled with joy
and stopping this fierce aching that's there.
Snuggle with me as we go to sleep
so I can look in your eyes and you'll see
pure truth as I say Kira I love you my dear
and it's always only been you for me
and it will only ever be you because you are you
and that's the greatest thing that there is.

Come snuggle with me so I can hold you right
next to me and help heal the pain
that you are carrying inside.
I will hold you so close through the night
giving you all of my loving warmth
and I will sit with you wide awake
if you need to help you feel protected and safe.
I'll do whatever you need to feel
happy and good and so you'll know that
you're truly loved and not alone my sweet Angel dove.
Curl up in my arms and get cozy dear
so we can feel deep peace and comfort as we go to sleep.

Goodnight my sweet Angel Kira I love
and write everyday for,
come and snuggle with me as we go to sleep,
I need my lady and your deep peace.
My head is aching and I am so deeply hurting,
I just want you to talk to and share
everything that in our lives has been happening,
to just be right here for each other
holding our hands and looking into each others eyes.

I have so much to tell you because
you are my true love and best friend
and it's with you that I want to share everything.
Goodnight my sweet beautiful Kira of light
please come snuggle with me I love you so much.

Michael P. McParland

Kira My Angel For Eternity

Kira you are my Angel
and I present my heart and whole world before you,
I break down these walls because
I truly trust you with all of my secrets,
dreams, pains, happiness,
and even the things not yet discovered
and perhaps even things I may have forgotten.
Kira my Angel I want for you
to be the happiest and most satisfied woman,
I want you to know that you've
never been forgotten nor
will you ever be abandoned.
Kira you are my Angel and I demand nothing,
I will only ever respectfully
ask and act for my Queen of such class.
Kira my Angel your love for me
and my love for you fills the glass
of true love to overflowing.
You are my Angel and I so adore you.
I love you Kira and want you
as my eternal partner to hold forever,
you are my Queen and my greatest passion,
Kira you are my Angel and for you
I am extremely grateful
and through all time and space
I will thank you for your
deep care and loving and for
being such a wonderful blessing.
Kira I love you for being my Angel
and I pray you can feel all the love that I'm sending.

Beautiful One 9

Beautiful one how I long to have you here
right beside me tonight just holding
each other so very close and lovingly tight,
a few hours ago it just became a frustrating night
where all the fatigue and sadness
from missing you and my nephews too
came toppling down from hurtful words
of a stupid and mean jerk on FaceBook
on a post that was very heartfelt.
Something I would have otherwise shrugged off
and I promise I didn't attack it just
struck my heart and I sat here and cried,
I miss you so much my sweet Angel of light
and I wish you were here to snuggle with.
I want you so close my beautiful one
because you give me cheer and help me forget
all of the worlds cutting things
and I want to always do all of the same for you.

Beautiful one I don't think you know
or right now can realize the calming joy
you bring to me and my heart that is yours,
right now without seeing me you can't fully know
that even the thought gives a bit of peace
and feeling your loving warmth has kept
so many tears of painful loneliness at bay
so I know when you're here and we are
holding each other the only tears from my eyes
will be tears of joy from being with you.
Beautiful one you are adorable and I
truly cherish you just because you are yourself
my sweet beautiful precious Kira.

My dear beautiful one I wish you were here
not so you could hold me but so I could hold you,
just stroke your hair and rub your back
while we sat and quietly talked,
just forget the world outside of us and those
things and people that we need and want to take care of.

I just want my beautiful one and give you my best
because you deserve that and nothing less.
I love you sweet Kira you are the best
and you are so beautiful my darling and the sweetest Queen
for you I would do anything.
I miss you my darling and long so very much
to just hold you and kiss you to give us both comfort.
I love you my beautiful one and am always with you
so feel my hand in yours as I reach out and take it
to fill you with all of my loving care and devotion.
Kira your Michael will always stand by you
and for you because you are my best friend and hero.

Michael P. McParland

You Are My Heaven

Kira you are my Angel, you are my hero,
to me you are all the worlds beauty,
I love you so much you are the reason
I continue to fight on through this life.
You are my best friend and cherished lady,
Kira to me you are my heaven.

You are true love and beauty that
loves and accepts me.
I adore you sweet lady and you are amazing.
Kira you are my heaven and you always will be
because I love you so truly and deeply.
God bless you my Angel you make my heart
feel light and happy.
Kira you are my heaven and I so
deeply love and thank you.

Kira you are my heaven because
you make the worlds hurts and darkness
less and lift its deep burdens.
I love you sweet Kira and you are my heaven
and I want to spend eternity
in each others arms celebrating
the joy, love, conversations and fun
we share through our special bond with each other.
Kira you are my heaven and the most
beautiful gorgeous woman and I can't wait
to just hold you and let you know that you are my everything.

Michael P. McParland

Always In My Heart And Arms

Kira as I rise from my very long rest
of recovery from my long trip
I want you to know that I love you so much,
you are forever in my heart and arms
both in spirit and soon in person
I'll be holding you close and smiling
as I look in your eyes saying Kira you are the best
and I love you so very much,
I waited all these just for you
because it's always been you in my heart,
it's always been you and now with tears of
pure joy you are within my arms.
That is what it will be like when we reunite
but for now in spirit feel all my warmth
as I stand next to you with my hand in yours
and my arms wrapped around in comforting peace.

Kira no matter what, no matter where,
no matter anything in heaven or on earth
you are forever in my heart and arms
because I love you so very much and I feel
your eternal undying love in return as well.
What we have and we share is a gift
from almighty God himself because
true love is so rarely found on this earth
and our spirits have touched each other
and we deserve the endless desire that we both have
to give the endless love to each other we hold.
Neither of us have asked for more than we give
and we just love each other for who we are,
Kira you are in my heart and arms forevermore.
Kira you truly are my only one.

Kira my dear you will always be in my heart
and my soul as you are the holder of both,
you will forever be in my arms both in spirit
and I know physically too because we
are both determined and share such a deep love,
you are forever in my heart and arms because

I will stick by you through everything
and I can't wait to just look in your eyes
and see the Angel I have been touched by
and missed through these many years,
I can't wait to caress your cheek and
kiss you so very long deep and sweet,
I can't wait to share with you all of me
and just tell you I love and adore you my Queen.
Kira you are always through eternity
in my heart and arms because I will never let go of
or stop fighting for the most wonderful
woman there's ever been and that I truly love.

Michael P. McParland

Morning Note 136

On this early morning
sweet lady as I lay here
just in a state of sleep
between waking and drifting
and I wanted to say I love you dear
and wish you were here
to hold so very near
as I give you sweet sleepy kisses
to let you know you are loved
and to help brighten your day.
Remember your Michael's
beside you all through the day
every step of the way
I'm holding you and your hand when you need.
Sweet sleepy kisses
and a snuggle to you.

Before I maybe drop off in full
for a bit my sweet dear
I wanted to tell you I love you
my precious best friend
and between us there will never be an end
because our love is so pure and strong.
I just wish you were here
so I could pull you in close
to give these sleepy kisses so sweet
with a snuggle so warm
and tell you in person I love you Kira
and the greatest blessing
that has ever happened to me
because you are my Angel and miracle
and I truly and simply
love and adore you completely with
all of my soul and being.

Michael P. McParland

I love you sweet Kira and I send you these kisses
of endless respect admiration and passion.

so very close and so very tight
to rest your sweet head upon my loving chest,

my whole life and world with only you

always because you are my diamond in the rough,
you are everything that I'll ever need and want.
Come my sweet Kira and cuddle up
so I can give you these sweet kisses goodnight.

Sweet sweet goodnight kisses just for you
my sweet sweet Kira who holds my heart,
at the end of this long tiresome day

it's just you I want in my arms
and every night for the rest of time
sharing sweet kisses and caresses with my only girl,
sweet sweet Kira for me it will forever only be you.

myself and share in total and full.
Come my sweet because to me you're all there is
and I want to give you sweet kisses and deep love
through all the rest of time,
I want to always give you the loving respect you deserve.

Michael P. McParland

Long Days Ending In Your Arms

Here at this long days ending
I can feel you so very close to me
and all of you sweet loving warmth surrounding
and I wish I could just end it here
with you in person snuggling and sweetly kissing
but even in spirit I feel such deep
peace and divine comfort.
My God sweet Kira you are my Angel
and I feel so grateful to both of you
for being there for me giving such strength
and love undying and unconditional.
A long days ending in your arms both in spirit
and hopeful for actuality soon is such a deep comfort.

With you in so many ways I feel and know
what true kind care and loving feels and looks like
because you are those great things and I
always feel the beauty within you.
You're such an Angel and I adore you in full
so please my sweet darling wind down this long day
with me in each others loving arms,
I am not yet ready for sleep but just want
to end the hard tasks of this day
in the arms of the woman I so cherish and adore.

Such relief in so many ways at this long days ending
and the greatest blessing there is is to
end it in your arms in any way just snuggling
feeling your glow and surrounded in our warmth,
I can feel you so near and it fills me with cheer
and I pray that so soon you'll be here
to begin and end each day in each others arms
kissing and snuggling so tender and passionately
my dear sweet Angel dove,
come take my hand and I'll closely pull you in
to tell you I love you sweet Kira and you
are the only woman ever for your dedicated Michael
so have no worries of being alone and abandoned.
So at the end of this long day come snuggle with me

and feel these kisses so dear.
I love you sweet Kira and I always will
because you hold my heart and my soul
which in true trust and love I give to you.

Michael P. McParland

My Hand In Yours Forevermore 2

I'm back home from my trip my darling one
and first thing I wanted to do was say
thank you my love for all that you do
and for being just who you are,
I love you sweet Kira and my hand
is in yours with my arms holding you tight forevermore.

Thank you my sweet darling for all
of the sweet loving warmth and strength that you sent
as there were many points that were stressful
today in this trip and my joints were
aching so bad from the arthritis flaring up,
I could feel you right there and hear you in
spirit saying I love you babe it will all be okay.
Thank you sweet Kira you'll always be
my Angel and hero I fully love.
I am all yours as I hold you and your hand forevermore.

I'm so sorry I couldn't be right here today
writing for you much more,
the flight got delayed putting me way
behind schedule of getting home and they
didn't have WiFi to buy for your computer
like almost every other airline out there does.
I'm so very sorry sweet darling
and I hope that you weren't worried and crying,
I pray you felt all of my love as I sent it
to give you deep warmth and reassurance.
My hand is in yours and it always will be forevermore.

My hand in yours forevermore my sweet Angel dove
and I will stand beside you through eternities time,
I love you sweet darling and you truly are
my sweet precious best friend and everything,
you are the most beautiful woman to whom
I will always give myself in full and everything.
My hand in yours forevermore because I adore you sweet Kira
and I will love you forever through all space and time.

Michael P. McParland

Love Note 330

Sitting here now at the
airport my dear and wanted to say
I love you my only one.
I only just found out
I'm flying the cheapest airline
with massive hidden fees on earth
so on the plane there is no Internet.
I'm sorry sweet lady but I
know that you understand,
I still feel rotten though
my sweet Angel dove.
I promise I'll write you
as soon as I get home later tonight,
I thank you for you patience,
great understanding and strength.

Remember I'm with you
and smiling so warm and lovingly,
I adore you sweet Kira you are my everything.
Hand in hand through the
whole day and everyday
because you are my Angel.
Kira I love you you truly are
so very amazing,
I'll always stick by you
because I simply adore.
Again I so thank you
and say hang in there sweet lady
our day is soon.

Michael P. McParland

and can just hold you so closely drying your tears
and say in person I am so very sorry
and heal our hearts with the kisses we're needing.
It will happen my darling I truly promise
but tonight in our dreams I'll just hold you
right next to me telling you that

Sweet Lazy Afternoon Kisses

Sweet lazy afternoon kisses to you my sweet dear
with a great big warm hug of pure love as well.
Sweet kisses on this tired and lazy afternoon
where I just wish before my long trip
I could snuggle with you resting up
to forget and let all this stress go up in smoke.
Sweet lazy afternoon kisses with a big hug
of pure loving warmth to you my sweet Angel dove.

I would love to sit with you just relaxing
and resting on this lazy afternoon holding you close
and giving you kisses straight from my heart,
a lazy afternoon to just sit and talk
as I can't watch the T.V here right here at this time.
A lazy afternoon though where we could just
read from our book as well as our poetry
to each other in peace feeling happily content.
I want a lazy afternoon with my darling
who is my beautiful and amazing best friend.

I want to be with you relaxing on this lazy
and very tired afternoon forgetting the stresses
that surround us in this very life.
I miss my sweet lady and want you
to no longer be angry because my heart is
so filled with tenderness for you darling.
God bless you and keep you forever and ever
and remember I'm always right there beside you.
I love you sweet Kira and want to be with you
through all eternity as immortal partners.
Right now though sweet lady I wish you were
here with me enjoying this afternoon so tired and lazy
because I love you so deeply and want you
with me everyday that we are living now
and through the next life we will be sharing.

Michael P. McParland

Warm Afternoon Snuggle

Good afternoon my sweet precious Kira
and as I rise here after a sleep
that took a good while last night coming
I would love for you to sit with me
to snuggle so warmly this afternoon
while I drink my Pepsi and chase away
this small but annoying headache.
Sweet kisses to you my sweet Kira
and I long for a warm afternoon snuggle with you.

A warm afternoon snuggle would be the
perfect way with you and help me forget
the long stressful trip of tomorrow too.
A warming snuggle of the soul that would
erase all worries, stresses, and fears
is everything I want with sweet Kira my dear.
Sharing sweet kisses and smiles just talking away
as my small headache melted away.
Oh my sweet Kira a warm afternoon snuggle with you
would be ideal and I can't wait until
everyday it will be for real
because I love you more than anything,
and you are my sweet Angel dove I'll always adore.

Good afternoon to you my sweet Queen I adore
and endless sweet warm kisses and hugs
to you in great big waves of loving care,
you are everything I'll ever need and want.
I need and want to serve you in infinite love
and just hold you as your heart heals,
kiss your sweet eyes after I dry your tears.
Kira I want a warm afternoon snuggle now
in each others loving arms to know
and feel complete contented joy in our souls.
I want to share a sweet warm afternoon
snuggle with you because I love you so much
and you are my everything and everything
in the world that is beautiful and right.

Michael P. McParland

Goodnight My Sweet Dear

Goodnight Kira my sweet dear and let's
close this day wrapped up so tight
in a snuggle of pure warmth and delight.
Just slide into bed right beside me while
I pull you in close and give you the sweetest
of caresses and kisses.
Goodnight my sweet Kira and let's end this
night together snuggling away the lonely cold
that can so often bring tears.
I love you my sweet dear now let's
fall asleep in the warmth that our true love brings.

See my sweet loving smile as I wrap
my arms so tightly around and pull you in
to give you my loving warmth,
feel my lips upon yours for a sweet passionate kiss
before you rest your sweet head upon my chest.
Just cozy up my sweet Kira because
I love you and care for you so very much.
God bless you sweet Kira and listen so closely
as I soothingly tell you how much
you mean and are worth and I stroke your hair
and rub your back to help you relax.
Just dream of me reading to you all of
my poetry too to give you such peace
knowing that's one of the many things that we'll do.

Goodnight my sweet darling dear and after
my little snack I'll see you in the
vast and beautiful land of dreams.
Again I want to lay with you on a beautiful
soft bed that is ours out under the moon and stars
wrapped up in my big fuzzy orange blanket
in a perpetual comfortable breeze
while we so lovingly hold and kiss each other,
a beautiful time to just gaze at each other
and above us the divine celestial wonders.
I'll see you tonight my sweet darling
in the dreams where for now while we wait

we will always have each other to keep

Love Note 328

Good afternoon again
my sweet Angel dove
and I hope you've felt me there
by your side giving all of
my endless undying warmth and love,
you are my Queen and Angel
sweet one and everything I'll ever want.
Kira you are amazing and beautiful
and always believe that
because in you I've seen such
a divine heart and spirit.
I love you Kira and can't help
but smile when I feel you.

I'm feeling worlds better now darling
after a cleansing shower to wash away
all of the sickness I was feeling
and before eating I wanted to
reach out and in spirit hold you
saying Kira I love and adore you,
there isn't anyone in heaven
or on earth that I'd rather be with,
I will stick by your side
as my best friend and soul mate on earth.
I love you Kira and will always be
your faithful Michael
that adores his diamond in the rough.

Oh Kira how I wish you were here
to enjoy with me this last
day and a half that I am in the west
before Thursday when I must travel back.
I love Minnesota and not so much the west
but it's where you are and that's what
I want is to be with you no matter where,
rather you'll like to go where I am
or have me be where you are
I'll just be happy to be with
my sweet beautiful Queen,

as long as you're in my arms all will be fine.
I love you sweet Kira and will
talk more about my stressful trip later,
I just wish you would be there with me
so I could hold you and talk so lovingly.
So my sweet Kira I must now go eat something
so my headache does not begin returning
and I will be going feeling good completely.
Just close your sweet eyes
and see me lovingly smiling saying
I love and adore you sweet Kira,
my hand is in yours forever and ever.
Feel my arms around you as I send the deepest
and most passionate sweet kisses
because Kira I love you you are magnificent.

Michael P. McParland

True Loving Afternoon Kisses

Good afternoon my sweet darling
and I have finally risen from that long sleep
I so needed to help get rid of my headache
and feel better in total.
Thank you sweet darling for all of
you complete care and understanding
it truly means so much my sweet Angel who means everything
and I give you these sweet true loving kisses
and smiles to start this day off right.
Sweet kisses to sweet Kira my sweet Angel bride.

Before I go jump in the shower to wash away
in full that feeling of yuckiness
I wanted to say I love you my sweet precious darling,
you are my diamond so charming and very
adorable and endearing,
I hope that soon we can at least start talking
and sending these sweet precious kisses directly,
so even at least until we are in person
I can in FB messages or emails or on here
say Kira I love you and you are amazing,
as well as in poems I would continue writing
but like now I could thank you directly
and say I love you Kira I want to marry you.
Sweet true loving afternoon kisses
to you my sweet Kira so good,
feel my hand in yours as I'm right there with you.

Sweet sweet kisses of afternoon loving caring to you
my only one so very beautiful Kira.
As I go now to clean up washing away the
after sick and not feeling well yucky
feel me there with you darling smiling so bigly,
feel me holding you tightly saying
you aren't alone my only Kira because I'll
always be standing right beside.
I love you, I love you, I love you, I love you,
you are everything I've always needed and wanted.
Kira you're gorgeous and from God an Angel

to the world he has gifted,
I love you sweet darling and I miss you so badly
and can't wait to hold you giving
sweet true loving afternoon kisses
like right now I am sending.

Michael P. McParland

Sweet Kisses Of Sleep

Cozy up now my sweet love
for some sweet kisses of sleep.
Come snuggle with me as I
try to chase off the last of this headache
and share with you all the warmth that I hold.
Sweet kisses of sleep are what I need with you now
as I try to keep building back up
my stamina and good health.
Come snuggle with me so I can tell you
and show you through kisses just how much I love you
and then rest your head on my chest as we rest finally.
I love you sweet Kira my dear Queen and Angel
let's go to bed and share sweet kisses for sleeping.

Michael P. McParland

Very Late Night Snuggle Of Warmth

Dear Kira I have now woken for a small bit
on this very late night and feel quite a bit better
from how yucky I was feeling last night,
my head still aches just a little and my stomach now grumbles
but before I do anything I'm pulling you in
for a very late night kiss and snuggle,
a snuggle of loving peace and kind warmth.
A very late night snuggle with the woman I love,
I miss you sweet Kira and in spirit wrap you up in my arms
to tell you and show you I love you.
Let's revel and feel so very cozy in this warming
late night true loving snuggle.

Sweet Kira I know you are probably upset with me
and please I ask that you not be.
I felt so weak and my head ached so badly babe
and it was such a hard day that I literally
lay in bed crying for the longest time.
It was a day and night where I longed for you
so badly just as I always do but as there
will always be yesterday I needed you even more
to help comfort me from the things bothering me.
So I pull you in now to give you my loving warmth
in a very late night snuggle of shared and mutual
caring and loving strength.
I'm pulling you in my Angel so sweet to tell you
I love you and that you are so great.

Oh my sweet beautiful darling now as we lay here
in this very late hour let's just snuggle
and share the sweetest of kisses and let our hearts
feel completely peaceful and happily contented,
I just want to snuggle with my soul mate my heart is adoring,
I want my best friend to know that I love her
and I'll always be there right beside you.
I love you Kira and can't wait to look directly upon you
so I can say I love you my darling
and it is you for whom I've been waiting,
it's only you that I've ever wanted and no other can ever

replace my sweet gorgeous and beautiful cherished Kira.
I love you my darling you are my universe.
So feel my arms wrap around as I pull you in so we can
share a very late night snuggle in true comfort
and soul pleasing warmth.

Michael P. McParland

Snuggle 37

Come snuggle with me my sweet Angel dove,
this headache persists and I'm not feeling good,
come snuggle with me and let's be
in peace while this weakness and sick feeling pass,
I want my Angel here in my arms
to quite all the sadness that I feel within.
Come snuggle my dear and spend time with me.
I love you sweet Kira my Angel so great
please come snuggle with me and help
me heal from this yuckiness that fills me now.

Michael P. McParland

Love Note 327

Good evening my sweet

wants and needs forever,
you are the most wonderful woman
and I want to be in each others

As I rise now from my rest
I just think of you and my heart
deeply aches to hold you so close,
to tell you I love you
and want to give you all of the best
because you are my soul mate
and very best friend.
As I earlier lay down for my rest
I just lay there and cried
for the longest while missing you
so very much and wishing
I could hold you so very close,
wishing I could give you sweet kisses
while you look in my eyes
seeing all of the love I hold inside,
I love you dear Kira and I always will
you are everything that I want and need.

I love you sweet precious Kira
and know that I am always there with you,
you are my true love and gorgeous Angel

I adore you completely
and I will stand by my darling sweet Queen.
Hand in hand my dear one
no matter anything because Kira

you are the most amazing woman
and I love you more than you can imagine.

Michael P. McParland

Long Day (Needing You)

Oh my sweet Kira it's been a long day
and I wish you were here so I could hold you
and you could soothe me with your touch
saying it's okay my darling because we have each other.
We can hold on as long as we need to
until the frustration and sadness have passed us.
I'm sorry my darling that I was gone so long
but it's been a frustrating and discouraging one
and my sister lives far from the places we had to go.
I'm sorry I was not here for you more
because I love you so much and miss you so bad.

What a long day where even though I couldn't
control 99% of the few things that went wrong
I feel like I failed and am embarrassed,
it wasn't even big things I just hate failing
the people I love most and I worry
I failed you by not being her writing for you,
there was just stuff to do and so far from here
I hope you felt all of my love as I sent it to you
and you felt all of it's warmth surround you in full,
I thank you sweet darling because I felt you so strong
at my weakest points when I almost started to cry.
It's been such a long day and I need the woman I love
to help make me know it's okay and help me feel good.
I need you my sweet Kira because you're my everything.

Such a long day my Angel Kira so good,
so long in the car having to listen to
music I hate and going nuts while I did,
not a word from my mouth though out of respect,
it was not my car so not my choice.
I felt so down and embarrassed from the few things
that went wrong no matter that it was
not really something I could know or have control of,
and feeling so very tired with a headache
that now approaches a stupid migraine,
it's been a long day and Kira I want you to hold me
and help me forget all of the bad things.

I'm truly sorry if I've let you down,
you are an amazing woman I'm so very proud of.

Oh my sweet Kira such a long day that I wish
I could spend the rest of with you
my sweet precious diamond and darling,
a day where as I go close my eyes to rid
myself of this infernal headache
I wish I could hold you so close to me
and say Kira I love you and you are my woman,
I am your Michael forever and ever,
I wish I could spoon with you while I rest for awhile.
Kira I love you and I can't wait till
I see you and kiss you so very deeply.
God bless you my lady and if I hurt, worried,
or frustrated you today I'm so very sorry.
It's been a long day and I miss you so badly,
please come my sweet Kira and cuddle so lovingly
with me while I release what I am holding inside.

Michael P. McParland

as we can hand in hand in each others arms

my gorgeous precious jewel.

Kira dear you truly are my only one
and I don't want another in my life in such a way,
to even entertain in the slightest way
is unfaithful to both you and me,
my heart can't give to another soul in
physical touch or the spiritual way,
it's only you my gorgeous girl and I want you
to stand by me and I by you forevermore.
Kira you are all I want and all I see and
I hope to walk through the gates of eternity

as partners that will live in bliss and golden joy.
You are the only one and my heart is yours
because I love you babe and I always will.

Michael P. McParland

Goodnight My Beautiful Kira

Goodnight my sweet beautiful Kira I adore,
I'm not ready to fall asleep just yet
but want to lay in bed snuggling with you,

and know I care for you.
Let's snuggle up and share kisses in endless time,
goodnight Kira my only one I love you very much.

only you sweet one.
Just rest your head upon my chest
and snuggle up knowing everything is okay.
Just curl up in my arms and know I love you dear.

to hold you close there as well,
just protect my Angel in the ways you need
and give completely of myself.

noble and loving actions is what
I want you to there at least get a glimpse of
so you'll know just what I'll do for you
when at last we're reunited.
I love you Kira as tonight in our dreams
I will continue throughout to tell you.
Goodnight my darling and remember
your Michael is watching over.

Goodnight my gorgeous beautiful Kira

your Michael loves you more than anything
and I want in full to prove of myself my darling,

to give you everything there is to have
and I want to spend all time with you
walking hand in hand.
You are my soul mate and my true best friend
and Kira you truly are the only one for me.
Goodnight sweet one I truly love you more than anything
so as I take your hand and pull you in
please soon come to me and I will give you all of myself.

Michael P. McParland

I Long And Yearn So Hard

I long and yearn for you so hard
my precious one I love so much.
I miss you deep and love you more than anything
and inside I so badly ache for you
to spend all time with me hand in hand
smiling in the light that can be life.
I long and yearn so hard for my sweet one
because you are my girl and my Angel too.
I long and yearn so hard for you
because I love you so much
and I give my heart and soul to you.

As I lay down hours earlier it was from my
heart ached so bad and inside in every way
I longed and yearned to have you there
and wrap you up in my arms.
To pull you in close as we spooned and I
just had the chance to pour out with you
all the things we've longed to tell and hear
through the time that has slipped by.
I longed and yearned so hard to just have you with me
and chase away the tired aches I know we both feel.

Even as I slept the sadness and aches continued on,
dreams that had no real sense or cohesion in this world
but either way my heart and soul just as I
were missing you knowing you're the one whom
I want and belong with as you are my best friend
and soul mate that I adore in every way there is
and that has ever been,
you are the Angel that I want in my life for all time.
I love you babe and just how much
I hope you know and it makes sense.
You are the one that holds my heart and having had
you in my life there is no one else
that can make a bit of sense.

And now even as I rise to go about these few hours
of this night I long and yearn in pain so hard,

to just hold you close and share our warmth,
to give you kisses and tell you you're the best,
to just know that you're right there and to
hold onto in every way in every emotion that there is.
I long and yearn so hard for you because you are Kira
and you are the best,
I love you more and more with everyday.
I long and yearn for you so very hard because you are
the Angel with whom I want to spend all time.
I love you Kira without stop at any point
because you are the greatest woman that there is
and that I have ever known.

Michael P. McParland

Love Note 326

Good afternoon my sweet love
and God bless your
sweet precious heart and soul,
you are the Angel I
always dream of and long for,
I can't wait to be with you
in my arms telling you
how much you are beyond
measurable worth,
I can't wait to hold you so close
and say Kira I love you
you are the best.

I hope you are doing good
on this afternoon my sweet love,
I'm still on a little
bit of a bumpy ocean of emotion,
I wish you were here to lay
in bed with snuggling and kissing,
feel in harmony and
not bored even slightly.
I just wish I was with you
my sweet Angel so sweet supremely.
I love you Kira
and want to be with you forever and ever.

I love you sweet Kira
and pray that so soon we will
be in each others arms back together
so I can just share my whole
life and world with you darling,
so I can give you the love
that you need and are deserving.
I love you Kira and I swear to you
I am always working in the best
ways I can and in all that I know how.
I love you Kira and I can
in full honesty always promise you
that I will give my best

because you are the woman
I give my heart, soul, and entire life.

Michael P. McParland

A Lazy Afternoon With You

I'm bored my sweet one and wish you
were with me to pass the time with,
you take away all boredom that
makes you feel tired and even sad.
Being with you snuggling is what I want
on this lazy Sunday afternoon here.
A lazy day in your arms just feeling
whole and at peace with my divine girl.

This vacation seeing my family has been nice
but I'm ready to leave and I wish it was
with you to be in our own home so quiet
with endless fulfilling peace.
I wish it was with you to spend a
lazy afternoon in each others arms just resting
and knowing life is where we want in so many ways
and we'll keep working in humble step.
I want and crave a lazy afternoon with you
my sweet Angel dove.

So I sit here still feeling tired and bored
and I wish I was here with you to forget
that time even exists at all,
to be with my Queen I deeply adore.
I just want a lazy afternoon snuggling with you
and sharing my heart and soul with you
while you share all you want and need as well.
I just want time with the woman I care for
and I know cares just as much for me,
I want a lazy afternoon with you to smile and talk.
A lazy afternoon with beautiful you
to make our hearts feel so good and while
I look in your eyes say I love you my dear
and give you the sweetest kiss from my heart and soul.

Michael P. McParland

Love Note 325

A wonderful late night
to you my beautiful one
and I wish you were here to
celebrate another win with.
It was a good game and one
I wish I could have watched with you
sitting here now smiling
now that a thriller is through.
A celebration where I could
just smile at you and give a kiss too.
A late night here now where
we could together relax
and just snuggle while we
sat on the couch and shared
sweet kisses while we watched
The Simpson's first season
which I only just bought.
I wish I could be here with you
my sweet Angel dove.

I want to spend every night
right by your side so I can
always know if you are okay
and if you need anything at all,
I want to be with you
surrounded in our loving warmth
and know that we are both
doing good and safe.
I wish I were with you
so I could know if you're good,
I am worried about you
and want to be there for you
so we can share the good times
just like we want to.
I wish you were here to curl up
in my arms and laugh with me
as we watch the show.
I wish I were with you
so I could kiss you and say

I love you sweet Kira
more and more everyday.

Kira my dear I miss you
and wish you were here
just to enjoy this night
and all other nights in each others arms.
To know that my divine
Angel is well and we're both
feeling comfort as you cozy up
so close in my arms,
a night with my darling
I so dearly long for and want.
Kira let's make it soon so we
can both have those things we've
both so long wanted and need,
so we can feel happy
celebrating whatever is going on.
I love you Kira and wish you were here
because you are so precious
and the most amazing woman.

Michael P. McParland

Beautiful woman even as I sit and watch the game
I sit here smiling as it is of you I am thinking,
I'm wishing you were here sitting with me
enjoying wonderful time wrapped up together,
you are my beautiful woman and the Angel
I'm so deeply in love with and long to be with.
You are more beautiful than you realize.
Beautiful Kira I hope so soon to hold you so close
and just tell you I love you and say thank you
to you over and over for all you have done and given.
I love you sweet Kira my beautiful woman.

Beautiful Kira for you I am more thankful
than anything there can ever be my sweet darling,
you are my Queen I want to be with forever and ever.
My heart is so joyful whenever I see
or whenever I think of you my beautiful darling.
I just so want to give you all the things
that you've wanted and needed
and show you a love that you've so been deserving.
I love you Kira and you are so very beautiful,
make sure you catch all of these sweet warm
hugs and kisses that to you I am sending.

Your Picture 8

Just as I turned on my computer
to write to you first thing I see
is your beautiful smile from your picture,
my breath is taken and an aching pain
shoots through my heart of loving care,
loving desire to give my all,
and loving need to hold you in my arms
and just have you near my sweet Angel dove.
Looking at your picture and saying
I love you Kira and I will hold you soon,
I am forever only your man helps
just a bit to keep me going knowing
that you can feel my love and that
your spirit hears my loving words.

Kira even as I see in your picture
your bright glowing eyes I know you are
the one for me and I adore to no end.
I see your smile and through my body
in every way there is I feel such stirrings.
I know you are the person that I
want to have hold me in my best times
and when I'm having the hardest
even though you may not understand them all,
I know you will hold me because I see
the Angelic spirit you posses
and I know you love me just as much.
When I look upon your gorgeous picture
I feel somewhat closer and know more than ever
that my best friend is the only woman
I want to be with in every way forever and ever.

Kira I want to be there just as much for you
and I hope when you look upon me
in the pictures that you have you feel
comfort seeing the love you know is there.
I hope you have all those stirrings too
that I feel of true love that never ends.
You are my gorgeous girl and my heart and soul

longs for you to be by my side for all time.
When I look upon you I just want to caress your cheek
and see you smile before I kiss you deep,
as I look upon your picture I can see it clear
and feel you so very near and can't wait to share this gift
so very deep and pure with my divine Angel I adore.
Kira just now as I write this I still glance
upon your beautiful countenance and want
to cry from the love I feel and pure gorgeousness I see.
Kira you surely are the very best and I will
turn to you always for deep needed strength,
Kira you truly are my one and the girl I so deeply love,
so in spirit as I go on through the rest of this day
and into the night and while I watch the game
listen closely as in spirit I say I love you dear
more and more with each day because you are my Kira
and the only one I can ever ever love in this way.

Michael P. McParland

A Beautiful Saturday Noon With Kira

Sweet beautiful Kira I wish I was with you
for a beautiful and most likely lazy
Saturday noon just to sit and cozy up
together in each others arms.
A beautiful Saturday noon with Kira
the most beautiful woman who's ever lived,
a beautiful Saturday noon with the perfect woman
and blessing I adore in every way.

I'm soon taking everyone out for a simple lunch
and I wish you were here to join us my sweet one,
it's nothing special and nothing big
but to have you here and spending time
would be the most wonderful dream come true.
A beautiful Saturday noon with Kira so good
is everything in life I want and need
and to have days with the favorite members of my family
would be heaven supreme on this very Saturday.
Having my gorgeous lady with me is what
would push it over the edge to a magic way,
to have beautiful you at my side is what
would make it the perfect time.

A beautiful Saturday noon curled up with you
under my arm is what I want most while reading,
watching a movie or two, and watching
some college football with you.
Dream with me on this day of that beautiful
afternoon and feel all of my warmth as
it surrounds you in full and fills you with love,
feel me holding your hand and holding you close
to keep you cozy and feeling deep peace,
feel safe knowing that I will stand for you
and by you in each place that you stand and go.
Feel hopeful and happy knowing that
your Michael is faithful and loves you.
So let's have a beautiful Saturday noon
my sweet precious Kira and pray that it will
be so very soon that it will be in body and spirit,

I want you to be with me forever and ever
because Kira I love you and you truly are so very beautiful.

Michael P. McParland

Morning Note 135

Good morning my sweet Angel dove
and many kisses to greet you
on this day here.
I'm sorry I missed our goodnight,
the Internet here was giving me
problems off and on last night
and went out before I could write
and post my sweet lady so great.
I truly do apologize and it was on my mind
worrying me before I finally fell asleep.
I love you babe and you
are my everything and I feel I
let you down and I hate doing that my dear.
Sweet kisses and big warm hugs
to you my Angel of so good.

A true and beautiful
bright good morning to you
my sweet Kira so gorgeous
and wonderful and how I wish we
could spend this day together in so many ways.
Ohio State doesn't play
until tonight so we'd have time
to do plenty before sitting down
for that love and enjoyment
of mine with you I want to share
so plenty of other things to do my dear.
Maybe play some games with my moms and nephews,
go on a walk and get lost
among the houses that are around,
or just lay down on my nephews bed
which I'm on to cuddle up
and enjoy each others warmth.
A beautiful day with beautiful you
is a dream no matter where.
You are all I want my gorgeous girl.

Remember my sweet darling Angel dove
I'm with you all the time and everywhere

holding you close and holding your hand
giving sweet kisses on your forehead,
cheeks, neck, lips, and hands giving
you smiles of pure love to say
I love you babe and want to marry you
and spend my life giving all I have
to make you proud and know
that you're not alone and will not
be as long as I exist in any way.
I love you Kira complete and full.
So a gorgeous good morning to you
my gorgeous girl so bright and good
you are a diamond in the rough
I treasure deep in every way,
feel my kisses and feel the happiness
to me you've given and know
that for you my love truly is
completely unconditional and infinite.
You are my girl and you are my one,
Kira I love you from here to the moon and stars
and well to infinity my dear.

Michael P. McParland

Snuggle With Me

Come snuggle with me my sweet darling
as we just sit back and watch
TV for a bit before we head to bed.
Let's snuggle my darling as I pull you in
giving you sweet kisses and smiling.
Snuggle with my darling so grand
because I love you so much
and want to spend time in each others arms.

Let's snuggle on this late night my dear darling
and as we just sit back holding each other
we'll just revel in the love that fills
us completely in joy and unity,
we'll just cuddle with you curled up in my arms
while you put your head on my shoulder.
Kira please snuggle with me and let's
fulfill just one tiny part that means worlds
of our dreams.
Come my sweet Kira and join me in glee.

Oh my sweet Kira Angel I just want to snuggle
with you at this somewhat late hour
giving sweet tender kisses so passionate and sexy
saying I love you my baby.
Just rubbing your back and letting you know
that there is nobody else and you are the best,
I just want a night snuggling with Kira so good.
Oh my sweet Kira so adorable and amazing
come here in spirit and let's so tightly snuggle.
I miss you so deeply and just want to hold you
making both of us feel so very happy.
I love you Kira and you are my everything,
come and let's snuggle so I can look upon you
and say Kira you are truly the greatest
and I want to be with you as my wife through all eternity.

Michael P. McParland

Relaxing With My Angel Queen

Now that dinners done and the nephews
are doing their jobs cleaning up
there is nothing on this earth I'd love more
than sitting back and relaxing with
my gorgeous Angel Queen a gift on earth
sent by God.
Babe I love you so very much and want
a peaceful relaxing evening with you.

I want a relaxing evening here with you
my sweet beautiful Angel Queen
listening to music while we sit and cuddle
kissing all the while content in our warmth,
a relaxing evening while I just
serve you my Queen and do whatever you want and need.
A relaxing evening to just have
you curl up in my arms to reassure you
that I'll stick by you through all time,
just hold you and tell you it's all okay.

Sweet sweet Kira my Angel Queen a relaxing evening
would be just seeing you content and happy
while I rub your feet and massage your
sore legs as well as your aching neck and back,
to s=make you as comfortable as I can
and just fill you with my warmth of love.
To serve you my Queen reading the book
we would choose to share and though my voice
is far from good I would sing if you wanted that my dear.
I just want a relaxing evening with you my babe
and reassure you that your Michael knows
you're the best and will give you everything I have.
I want a relaxing evening with my Angel Queen,
an evening with you wrapped up in my arms
knowing life is good and all is fine.
Kira I want to have this evening here with you
because you're the best there is and I love you
more than anything my Angel Bride.

Michael P. McParland

Love Note 324

Good afternoon and close
to early evening sweet Kira I love,
once again it's about time
to prepare dinner and I wish you were here,
a stir fry for you my girl
so beautiful and so very good,
I know you would love it
because it would be special for you.

Sorry I didn't write again
a bit sooner my darling
my nephew was using my computer
to practice his typing.
I was as always send my
warmth and deep loving
to give you a smile so bright and shining.
I love you sweet Kira
you are truly amazing and gorgeous,
I want to hold you in my arms
forever and ever.

A good late afternoon
and almost early evening
my sweet darling and precious Kira
I wish you were here
to have fun talking
while we prepare this dinner
and then give me the honor
of seeing you enjoy it.
Doing those little things
for my Angel will make me most happy,
seeing that you know at last
that you're truly
and unconditionally loved
and just knowing I've made
a perfect woman so very proud.
Those are the things I long for
and want.

Kira please believe it
that in my eyes and my heart
that you are the most beautiful woman
and only abusive jerks
that like to hurt have said otherwise,
when I've shown my family
and few friends I have trust in your picture
they say with sincerity
she is very beautiful,
I know I am blessed to have you
as my best friend and I pray
future wife my dear darling.
So as I go about this business
of preparing a dinner I wish
you could enjoy here
feel all of these sweet kisses and love
I am always sending.
I love you Kira my precious darling
it's only you I can ever
imagine or want to be with.

Michael P. McParland

A Beautiful Afternoon With My Beautiful One

Good afternoon my sweet beautiful darling Kira
and after my long morning of sleep
I just want to be with you enjoying a
beautiful afternoon with you my gorgeous darling,
a beautiful afternoon with sweet darling Kira
talking and laughing like we should be doing,
a beautiful afternoon on the couch warming up
by snuggling while I drink my Pepsi.
I just wish I was with you anywhere my dear darling
sharing a beautiful afternoon giving sweet kisses so good.

A beautiful afternoon with you my sweet darling Kira
where I can look directly upon your sparkling eyes
and not just your picture my dear,
a beautiful afternoon where I can look in
those magical eyes at my magical girl
and tell you Kira you are beautiful
and I love you so much I feel like death
when you aren't directly in my life,
then see that beautiful smile and give you a kiss.
I want a beautiful afternoon with the
Gods most beautiful Angel I love and miss.

A beautiful afternoon where as I've gotten up,
looked in your eyes, we've both given loving smiles
and then said I love you babe forever and ever
I just want you to curl up with me on the couch
and as I drink my Pepsi just rest your head on my lap,
while I stroke your hair and rub your back
we can just sit and talk as we always
did and find so much to go on about,
rather important or just flight of fancy
I would be thrilled because you'd be with me,
a beautiful afternoon with beautiful you.
Let's make it happen so very soon.

I just want one of many beautiful afternoons right now
with the woman I love more than anything,
I'm getting antsy and feeling sadder and sadder

without my beautiful lady to just spend time with,
there is so much to say and share with,
so much I'll never say here as I've already
said more than for any other I ever would,
I do it because I love you and want the world to
know that it is so deep,
but there are private things to say and beautiful
times of true loving beauty to share
and I want to share every one of them with gorgeous you,
and right now a beautiful afternoon curled up with you
just feeling so warm and loved in every way.
A beautiful afternoon feeling safe with my loving babe,
a beautiful afternoon with beautiful you.
Kira I want to share my life and all times with you
because you are my best friend, my soul mate,
a gorgeous woman I adore greatly.
Most of all Kira what matters above all
is that I love you so much with all of my soul and heart.

Michael P. McParland

Night Note 120

My sweet Kira I sit here
on this night watching a movie
but still with so many things on my mind,
I feel stressed at the moment
in various things
and I wish I could talk to you
because you're the only one
I can talk to about some of these things,
I sit and wish I could
talk to you because
I want to share.
I sit here wishing we could talk
just because you are my one
and I miss you so much.

Sitting here on this night
and hoping you are alright,
I wish you would talk to me
and tell me how you are doing
every day and each night,
I want to talk to my lady to be
right here for you to reach to
and tell you I love you sweet darling
because I love you and will
always stick by you.
I just think of all the things
that we would share and say
helping each other out of
these stressful thoughts
that can drive one so mad.
I miss you sweet Kira and in spirit
I am right there holding you,
I just wish it were real in person.

I miss you sweet lady
sitting here on this night
as I feel so stressed and worried
about so many things.
I wish I could hear you

and tell you all is alright,
I just wish I was with my Kira
so very good and bright.
I love you my darling and send
all of my love and warmth to you.
I truly love you sweet Kira
let's come back together so very soon.

Michael P. McParland

My Beautiful Girl 2

Kira my beautiful girl I so hope you are well,

come so soon my sweet Kira and share each others worlds.

Michael P. McParland

An Evening Serving My Queen

Just got back from the store my Queen
to pick up a few things for the tacos
I'm getting ready to make
and making dinner for you is just one way
on this evening I'd love to serve you.
Making dinner for you is one of
the most wonderful ways I can't wait
to do for my Queen while serving you
in true love the way a man should.

Cooking and serving you dinner would
just be the first step of serving you
on this evening to make you so happy and proud
knowing you're cared for and loved in every way
that there is and that you're Michael
will always be there for you to give you my best.
I wish I were with you to serve you
and make you the happiest woman on earth.

After dinner I would clean up and anything
else you wanted and needed from me,
I would massage your feet and rub
your aching hurting back,
I would serve you just by holding you close
and breaking down my walls giving you
exclusive access to my world which
I give to you.
I'd sit and just talk and listen to you
as you poured out what you wanted
and needed to feel better and know that
I won't reject you for anything proving you're loved.
I want an evening serving my Queen
the woman I truly want and love.

An evening serving my Queen in true love
is what I long for and need to prove
to you how much I care and to heal your
sweet loving heart in the ways that it needs,
to let you look into my wide open soul eyes

so you can know the full tender truths
I hold inside for you and so you can see
as I share with you all of my hopes, my loves,
my worries and my deep pains,
I'll share it all with you my sweet Angel Queen.
I give myself to you in full because
you're so adorable and I love you in full.
So soon my sweet darling and Queen I'll spend
every day and night giving all of my love
serving you as a man should for the woman he loves.
Kira you are my best friend and supreme Queen
and I love you more than anything my precious one.
I love Kira my dear Queen and I'll stick by you
for eternity I swear to you.

Michael P. McParland

Holding Your Hand

Holding your hand and holding you
to give you comfort and warmth
while I show you my loving care.
Please be calm in your heart
as your Michael sends you his soul and heart,
please feel peace and calm in yourself
with the knowledge will soon actually
be in each others arms kissing so sweet.
So feel my hand in yours as I take it mine
and pull you so close saying I love you babe.

I love you sweet Kira and I'm holding
your hand through everything no matter what,
I am all yours and I love you so much,
I will always give my best and stretch
my limits to give you all that you need and you want,
I love you sweet Kira and will stand by you for all time
because you are my Angel and northern star.
I am right by your side hand in hand
giving you my full support in every way.
I love you sweet Kira and will hold you through all time
because you are my soul mate and true best friend.

Kira I am holding your hand all the time
and all the way because I don't want you to
feel like you are alone when you aren't
my dear love and sweet friend,
I hate to see you suffering in pain
as it hurts me as well.
Seeing people I love hurting inside makes
me curl up in deep pain as well.
Kira I'm holding your hand because I love you so dear,
I'm holding your hand because I don't
ever want to lose you in any way.

Kira I'm holding your hand because I know
how much love that you need and crave,
I'm holding your hand because I have
so much to give and crave to give it all to you,

I adore you sweet lady and crave your presence here
because I want to give you myself in every way.
I love you sweet Kira and will share
myself in every way only with you,
in little activities and very deep
emotional closeness I'm yours alone my sweet Goddess.
Kira I love you and miss you so badly
and I'm holding your hand to show you
that you are the greatest.

Michael P. McParland

Love Note 323

Good afternoon my sweet love
I miss you so very much.
I'm sorry and promise you
I wasn't avoiding you this morning
in any way at all,
I was just sleeping so very long
and you're the first person
I'm writing and talking to at all,
that's how I want it be through all time,
I want to wake up by you and say
hello my sweet Angel dove
I love you so very much
and will always be here for you,
I love you my sweet Angel dove
I'll be with my love hand in hand for all time.

Good afternoon my sweet love
and I just miss you so very much,
when I wake up quite often
even in the tiniest of fashion
knowing you're not right there
and that you're beautiful words
and voice I most likely won't be hearing
I just sink back down quickly
in hopes I'll see you so I can
so closely hold you and kiss you.
I can't stand these many day
through this life without my beautiful Angel
because you are such a wonderful
and beautiful woman.
I love you sweet Kira
and I hope you understand that
that is one reason I spend time
resting so often because I miss you deeply
but a lot of my other maladies
make me so very tired.
Psoriasis is more of a nightmare
than people imagine and I have
a severe bad case my darling

so please be so understanding
just like I know you can be
and so often are my sweet lady,
I just miss you so much
and it all is a perfect storm so very often.
I love you sweet Kira
and I am always right there beside.

Sweet love Kira just feel me
tightly holding you
while kissing you in true love
over and over to warm and reassure you,
never ever forget I am
dedicated to you my gorgeous Ange
and need you in my life
because you are my best friend
and our bond will always be there,
I don't want to lose you
and I'll never leave you,
please let's soon repair these
hurts as we can and we need to
and give each other the peace that we need
in our dreams we have together.
I pray for you everyday my dear darling
and hope you feel its loving comfort,
I so care for and adore you
as my guiding light and sweet Angel.
So feel me so closely
and remember I'm never leaving,
I love you sweet Kira
you literally are my only true love
and my dear everything.

ILYF and ever KP.

Michael P. McParland

Goodnight My Angel So Dear

Goodnight my Angel so dear
and God bless your heart that you will
feel peace through your body and soul
and feel all of the love I hold for you.
God bless you sweet Kira my heart calls out to you
saying come snuggle my dear and I send
the sweetest of kisses to you.
Goodnight Kira please come so soon so
each night together we can snuggle our way to sleep,
goodnight my sweet Kira my Angel of light
I am sending you all of my loving warmth.

Goodnight sweet Kira my Angel so very dear
I'll be holding you so tight in spirit
stroking your hair and rubbing your back,
I just want to give you deep peace
through all of my understanding and love
which is infinite my dear on both of those fronts,
I want to show you I'm here through it all
no matter what my sweet precious darling
I will give my support in all of your
needs, ventures, feelings, and endeavors.
I'm here for you sweet lady and I always will be
because you are my everything and I want
to give you all the loving safety that you are
in need of and craving.
Wrap up in my warmth and comfort just like a blanket.

I just pray for a dream where we will
be sitting and talking enjoying each others
loving smiles and company.
I will be with you there in spirit always
to protect you even in dreamland
because I don't ever want you to suffer from
the nightmares like those that haunt me,
I will be there always in spirit even if
it's not one where we're blessed directly
to see each other I'm there to hold you and protect you
because I hate to see my beautiful Angel

suffer from the types of nightmares I've faced always
so I promise to protect you and pray
that tonight I will see you and give you
the warmest hugs as kisses you can imagine.

Goodnight Kira my Angel so dear
I hope that so soon you'll talk to me
because there's so much to say in pure love
about everything that there is,
even discussing the hard times we've as
we work them out I have such loving things
to share with you my sweet Angel true,
I have nothing but love even in the deepest of wounds
because I adore you my precious jewel.
So please my sweet darling let's in person
snuggle sooner than later because
you are the bringer of peaceful calming
but tonight in spirit is how we will give it.
Goodnight Kira my sweet Angel so gorgeous
I love you so deeply only God understands it.

Michael P. McParland

Late Night Enjoyment

Kira how I wish I was there with you
sharing a night of enjoyment in each others
arms snuggling before sleep time arrives,
rather in bed on the couch or some little
space in the house we've made for ourselves
I just want a late night of enjoyment
my sweet Angel of light.
A late night of enjoyment with the Queen
I give myself in pure love and heart.

A late night of enjoyment and fun
would be just holding you so close to me
as we read to each other, talked,
or watched a movie and some TV.
A late night of enjoyment is that
as well as possibly bonding and then
all of that as well just feeling so close
but tonight it's the innocent
I want most as I just hold you close before sleep
and say Kira I love you so deep
you are the Angel whose heart I treasure and need.
Kira my dear you are the one that I love
and not another person has ever had so much effect
upon this heart and soul I give to you.

I just want a night of enjoyment with you
right where you are at this very time
to hold you so close and look in your eyes,
I want to see you smile as you look into mine
and realize again that all that I've said
is totally true and that I completely love you.
I just want a late night of our honest love
playing games and having such fun
like we always did before torn apart by things on the outside,
I want a late night of bonding through words
and having a good time with laughs that will last,
I want a late night of excitement with Kira
my sweet Angel dove of pure light,
I want a late night of excitement knowing the world

is finally right as I hold my lady in pure love
so very close and so very tight in reassurance and care.

A Relaxing Evening With You

All I want right now is a relaxing evening
with you my sweet Kira in your dear arms,
feeling your warmth and feeling your love,
hearing your Angelic voice to soothe my heart,
to look in your eyes and say Kira you're great
please be with me forever so I can hold you tight.
Kira I love you and want to give you my life,
my heart and soul are already forever yours.
All I long for right now is an evening
so relaxing and good in each others arms.
Sweet sweet Kira my love all I want is you.

Super Sad Missing You

I've just woken now from my long
and much needed tired nap
and even in my dreams I felt scared and sad
just wanting you within my arms
to give you my warmth and feel yours in return.
Even as I slept in my dream
the sad loneliness I feel without you
was overwhelming and I need you
because I love you so much.
I miss you sweet Kira you are my girl,
I'm super sad missing my Kira my Angel and best friend.

As I finally awoke to cook dinner for
my mom nephews and me the super
sad loneliness hit even harder where I almost cried,
I just lay there wishing you were by me
to give me that beautiful Angelic smile
and we could say I love you babe to each other,
it's alright my darling because I'm
never leaving and going to stick by you
for all eternity.
I love you Kira and I so deeply miss you,
I am so sad without you here my sweet darling.
I miss you sweet Kira and I so completely love you
and feel sad in deep longing to just hold you so closely.

Kira I'm so super sad without you here
for me to cook dinner for you as well
then sit down and watch one of my favorite
little YouTube cartoons Simon's Cat,
it really makes me laugh and I want to share it with you
and I'm super sad and deeply missing you.
Just feel my arms as I tightly take you in
as I give you my loving warmth to show you how much I care,
I love you sweet Kira and I'm yearning so
very hard to just be looking into your eyes as I
see your smile then give you a kiss of passion
straight from my heart and soul so filled with pure love.
Please believe me sweet Kira that I'm so madly in love with you

and miss you so much wanting to hold you
and give all that I have to you.
I truly am so very sad and missing you super bad
because Kira I love you my sweet Angel dove.

Love Note 322

Good afternoon my sweet love
and I'm so sorry this morning
was a quiet one indeed,
another wonderful migraine visited me
as I opened my eyes around
an hour and a half ago.
I'm sorry sweet love and I know
you're upset and worried my dear
but please know and understand
that no matter what
I'll never leave you
and will give my very best.
Always have faith I am standing
beside you giving all of
my loving warmth and endless support.
I love you Kira you truly are
my sweet precious Angel of light.

Good afternoon my
sweet Angel dove I know
you miss me just as bad.
I love you my darling and it is
a feeling that is mutual
and we will forever be sharing,
I long for you Kira and it is
your caring love I will
always be needing and it is mine
that to only you I'll only be giving.
I love you sweet Kira you are
my whole universe and everything
and I want to just hold you
so close and tight telling you
I love you sweet one
and that everything is alright.
Kira you are a miracle
and true beacon of light.
I only want you as my special love in my life.
I'd rather be lonely than
there be anyone else.

You are my best friend and soul mate
who I want to be with forever through time.

Good afternoon my sweet precious love
and feel me hold you so tight
as I give sweet kisses of the
purest and deepest love ever felt
for anyone,
I know that's a love you hold
for me too and it means the universe.
Sweet kisses to Kira the woman
and Angel I ache for so bad,
sweet kisses to Kira
the only woman I'll ever want
and hope to marry.
So feel me beside you
while I hold you and kiss you.
I love you sweet Kira
and you are the most beautiful
person or thing that
God has ever sent here.
Have faith that I care for and
want to make you the happiest woman.
You are perfect my darling
and it hurts how badly I miss you
and just want to be with you forever and ever.

Michael P. McParland

Night Note 119

Sitting here so very lonely
in the middle of this night,
I've been laying here thinking
and just wishing for my special lady.
I am deeply longing and aching
through a time of very deep struggling,
struggles I know you're having too
and I wish I could give you
the entire world and help
heal your sweet heart right now
with all of the deep love I hold.
I miss you so much
and just want to give you the best.

I sit here so very tired
my heart so fiercely aching
for you my sweet Angel
and I am there with you giving
all of the warmth and love
within me.
Don't think for a second
that I've forgotten about
or given up on you.
So as I now go back about
trying to sleep through this aching
remember sweet Kira that to you
I am faithful and will stick by you
Forever and ever.
You truly are my one and everything
and I so deeply treasure you

you truly are my sweet Queen and Angel.
So as I now go to eat my supper
I want you to know I so
exceptionally love you
and ask you so kindly in love
if in spirit you'll hold me
and comfort me.
Help me to release all of
this stress and tension
from the anxieties around me.

Please My Dear Darling

Please my dear darling come so very soon
so I can just hold you and show you
how very much I care for and love you.
I hurt so very bad to be with you
and just share all that I hold inside
for you alone my sweet precious Kira,
please come so soon because for both
you and me I need you so bad.
Please my dear darling talk to me so very soon
and lovingly as we always have we'll
work through obstacles that there are.

Please my dear darling just love me forever
as I know you will but so soon I need to give you,
I feel so very sad inside and frustrated,
no I'm not mad at you but the many things
and other people that put us in this situation,
people and things that have so confused me
and I feel so useless and painful because
in spirit I'm with you but in person I need to be
to protect and hold my precious lady.
I just feel so very tired from missing my sweet Kira
that so often I just feel like sleeping
or from numbing up I'll for many stretches
of very long times through days I'll stay up.
I miss you my sweet Kira and want to hold you
so lovingly within my giving arms
just as I want to be held within yours.

I love you my dear darling Kira and I know
you love me just as much in your heart and your spirit
and I so thank you my sweet precious darling
for how you accept me with all of my
imperfections and follies,
you are my best friend and Angel for whom I'm so very thankful.
I know I'm not the most handsome man that
there has ever been and I know there have been those
that we're much more beautiful than me in your life
but in your eyes I'm so very handsome

and beautiful and that means everything to
this man that forever stands by you.
I am bipolar and you can't always know
and predict where my emotions and reactions will go
because honestly my sweet dear quite often
neither can I and it frustrates and embarrasses me
so I know how hard it is for you
but you do your best when you can and that's
almost always all of the time.
I love you sweet lady and hope that soon you'll be coming.
I pray my sweet darling that we
will be together so my sweet Queen I can serve you.

Please my dear darling just come so soon
so I can hold you so closely and you can
hold me so close in our love in sharing feeling.
Please just love me forever and never leave me
because you are my dream and I truly love you,
I will give you all that I have my precious darling.
Please understand and know that I am always
doing my best and doing for you all that I know
and I will always work so very hard for you.
I will always treasure my Kira giving my heart and soul,
I will always stand by my sweet Kira
as your loving man taking your hand.
Please my dear darling your Michael loves you
more and more than anything with each passing day.
Please my dear darling let me break down my walls
just for you so you can step in and be apart
of my world for all time as I give it to you
as the Queen to your King and with free will
I give it all just to you.

blanket and so peacefully snuggling.
My brother in law and sister are now on vacation
and my nephews are in school so it is so quiet
and my mom could do her own thing while we
just enjoy our own time so very quietly snuggling
in the deep love that we share and are feeling
all around us inside ourselves and through the air.

A truly wonderful and bright beautiful morning to you

your sweet face and back as I read to you
and tell you so gently that I truly love you.

drifting and then fully sleeping just
feel my arms around you and take us both to the place

I Hurt So Bad For You

As I sit here babe in this piece
of silence that comes for a moments time
I just wish even more that you were
here within my arms as I gave you all my love
through my warmth and kisses so gentle and very sweet.
I've hurt so bad for you through the entire night
and as I think of all the happiness you give
I just long and hurt for you more and more.
I hurt so bad for you my precious one
and I just want to be with you sharing the sweetest time.

As I lay in bed earlier on this night
for the smallest rest and time to reflect
I began to cry with all the feelings of love,
need and memory I hold for you,
I cried such hurting tears as I thought of
all the things I want and need to tell you
my sweet Angel dove.
I hurt so bad for you because you are my best friend and only one,
I hurt for you because you are my precious jewel
and for all time I gave my heart and soul to you.
Kira I hurt for you because you truly are
the most special person to me there has ever been.

I truly hurt so bad for you because
you are the greatest there is and will be for all time,
I hurt for you because I want to hear
your sweet voice and words as I look into
your eyes and see you brightly smile
showing all your shining pure true love in return.
I hurt for you because you are a doll
and a gorgeous one at that,
you are my precious one so pure and good
and I'll never ever be in want of anyone but you my dear.

I just love you so much with all
my soul and heart and it hurts for you
to be so far and without any word at all.
I worry about how you are and if

you are okay or not and that makes me hurt
hoping you are doing well but knowing you truly
are in so much pain both deep within your
heart and soul with loneliness and others hurts
inflicted on my precious girl and that your body
is so often in deep pains.
I hurt for you just because I want to be with you
everyday serving you hand and foot.
I hurt because I want my Queen within my arms
to give my best and whole self everyday.

Kira I just hurt so bad for you because
my heart still beats to be with you again,
it beats to help you see you're loved and cared for
in the deepest ways and show you that you are so great,
it still beats in the pure love we share
because I want to share all existence just with you.
Kira dear I truly long and hurt so bad for you
because I truly love you dear to my core.
I truly love you babe and that is in full for sure.

Needing You Forever

Just woke up from a long nap
and as I rose slowly up from the sleep
I was thinking of you and felt all
my aching need rise to the surface
and overtake me in every way.
How much I want and need you forever in my life
as the woman I adore and want as my wife.
I felt the fears I have of losing you
and how it fills my heart with aching sadness
and great fears of the emptiness it would bring.
I just felt so much as I awoke and above all else
it comes to at its core is I love you
more than anything and am needing you forever
as my Angel and my girl.

As I rose from my long nap I just feel
the longing ache to hold you close within my arms,
to give you kisses and feel your warmth
surround me as I say I love you.
To feel your soft skin as I brush my lips
against your forehead and beautiful cheeks.
To just feel the full lusciousness
of your lips as we snuggle and I say
I love you babe more than anything
and need you in my arms and life for all time.
I just feel such love for you through all of me
and I ache for the happiness we will have.

I just want and need you to be with me
because I want my best friend in my life
both in this one and the next,
I want to share such gorgeous things with my gorgeous one
and know I am with the person who will
always have my back and be there for me
with true love and pride in her dedicated man
and I want you to know you are with someone who
gives you their all and would never let anything
harm you in any way because I stand up for and by you
in true love as everything you want and need.

I love you Kira and ache for you,
you are my Queen you precious jewel.

I love you girl I truly do and just want
to heal our aches in each others arms,
you are my most treasured and beloved northern star
and I want to thank you for who you are
and all you do because you are so good to me
and you are a wonderful loving soul that deserves pure joy.
I love you Kira with every part of my heart
and soul in every single way because we share a bond
of true and pure love that surrounds us
even in the air.
I love you Kira and I so ache for you
because I love and need you more than you can truly know.

Michael P. McParland

Love Note 318

Good afternoon to you
my sweet Angel dove
and I have just arrived back
from a few hours out to
the store and just bumming around
and first of all
I wanted to say I love you sweet one
and you are a wonderful woman
whom I totally adore.
You truly are my everything.

Even when enjoying myself with
my family I think of and long for you
wishing you were there with me
talking and laughing
enjoying the fun and quality time.
I always think of you and wish
you were there holding my hand.
I want my beautiful Kira
with me in every way and everywhere,
you are my lady
and my precious jewel.
You are my everything and universe.

As I now prepare for a late lunch
I just wanted to say I love you my number one,
remember I'm with you and feel me
there ever so close giving my love to you,
I'll never leave or hurt you darling
I promise you.
I am your man forever and ever.
I wish you were here with me now
as for lunch I try to find something
and I could just hold you
as we watched a movie or some random
college football,
Ohio State doesn't play today sadly.
Just know that I'm with you
and am so tightly holding you,

I love you sweet Kira
my Angel so beautiful and darling.

Michael P. McParland

A Cozy Saturday With You

I would love to spend a cozy Saturday
wrapped up so tight in each others arms
and and blanket with you curled up in my arms.
I just wish I could hold you near
and say I love you dear you truly are my everything.
A cozy Saturday with you in my arms
spending time with those I love is the greatest
dream there is and I always want to have.
Let's soon have cozy Saturdays in each others arms
sharing kisses and our loving smiles.

I would love it if we could spend a cozy Saturday
with you curled up in my arms early in the day
firstly quietly talking and then spending time
with everyone just doing whatever is going on
and enjoying the peace we feel being with each other
surrounded in pure loving joy.
A cozy Saturday with you my only girl
and the Angel I so love and adore in every way.

Later we would find ways just to be alone
and do our own wonderful and fun things.
Read our book and listen to sweet music
while we would lay in bed and snuggle to
just feel close together.
I so long for a cozy Saturday with my
sweet beautiful gorgeous Angel.
A cozy day with you curled up in my arms
feeling whole and peaceful like we've so wanted and needed.

A cozy Saturday is what I want with my Queen
and sweet Angel dove.
To just look at you and say my love without
a single spoken word and see yours as well,
A cozy Saturday with the most gorgeous girl,
woman and Angel I will ever know and want
to be with for eternity as my bride.
I adore you dear and want to spend my life
giving all myself and all I have to you.

A cozy Saturday we can still and will share
as I will in spirit hold you close my dear.
I love you babe you are my one
and I will always be there right by your side.

and let's snuggle now before we go to sleep.

Goodnight my sweet gorgeous Angel I'll be
holding you ever so tight through the night
giving you all of my warmth and love
while you rest your head on my chest
and I'll just stroke your hair and rub your back
occasionally lifting your head to lightly
kiss your sweet and soft cheeks saying
I love you sweet babe and I am your man for all time,
I will hold you so close through this life
to always help you feel safe in my strength.
I love you sweet Kira you truly are my everything.

I'll see you tonight in the sweet land
of our shared beautiful dreams,
I love the vision of us on a soft bed of our own
under the moon and stars in perfect weather
wrapped up so peacefully and cozy
in each others sweet loving arms.
Feel my hand within yours the entire night long
as I hold you so tight and give you sweet kisses
of pure love and delight.
Listen for me so closely as I tell you
I love you more than anything Kira
and I want to spend eternity with you.
You are my sweet gorgeous Angel and I truly adore you.
I'll see you tonight in our dreams snuggling
under the moon and stars in our future soft bed.

Goodnight my gorgeous Angel I so
deeply and truly love you,
you truly are a rare and precious diamond
I cherish and value above everything
and I just want to give you my everything.
You are the most wonderful and magnificent
woman and my heart completely melts for you.
So come snuggle with me and share sweet kisses
so wonderful and lovingly before you
rest your head upon my chest so gently.
I'll always stand by you because I so
throughly and completely love you.
Goodnight my gorgeous Angel and feel me always
there right beside holding you ever so tightly.

Feel My Hand In Yours 2

As we go through the rest of this night
and through the long day tomorrow
feel my hand in yours and know I'm beside you.
Feel all my loving warmth as
I stand beside you with my arms
so tightly wrapped in pure loves comfort.
As we go through th rest of this night
and through the long day tomorrow
feel my hand in yours and all the kisses I give to you.

As we go through the rest of this night
feel my hand in yours knowing all will be alright.
My flight is so early in the morning hours
and I'll need to sleep soon my precious darling
but I promise I'll not forget our goodnight
kisses with our tight snuggle.
I want to share that with you forever
and especially tonight since I'll not
be able to write so long through the morning
into the afternoon some time.
Just feel me there beside you with my hand in yours so tightly,
I adore you my sweet Angel and I'm always
at your side holding you so close and tight.

Through all the time babe feel my hand within yours
as I watch over you to give you all my strength,
even though I won't be able to write for half
the day I'll still be with you in every way.
See my smile as you feel and hear my heart as it calls to you,
just be surrounded in my warmth as I send it all.
Just feel my hand in yours because I love you so
and will not ever leave you all alone.
Kira feel my hand in yours because I love you
my sweet Angel dove and want you to always feel that peaceful care.

Michael P. McParland

My Beautiful Queen

All my thoughts are with you
as I send you my love and warmth.
In spirit and true love I wrap you up
in my caring loving arms.
You are my beautiful Queen
I so adore and deeply love.
Kira you are my beautiful Angel Queen
sent from God up above.

You are my beautiful Queen who
I want to be with for all time.
You are the beautiful Queen that
gives me butterflies.
My soul and my heart will forever be yours
because I will always love you my
beautiful Angel and Queen forevermore.

Early Evening Kisses

Though it's just a short bit away from evening
I want to send and start early sharing
sweet early evening kisses with sweet you.
I want to spend time before dinner with you
so close and cozy within my arms
while I gaze in your eyes and smiling
while I caress your soft cheek saying
I love you babe you are so great.
Then share some sweet early evening kisses
from the soul and heart.

My sweet sweet lady what a busy day
and still so much busyness to go,
right now before I would cook you
a fried chicken dinner I just want to
sit with you and snuggle sharing early
evening kisses with the most beautiful Angel,
sharing sweet early evening kisses
with my gorgeous precious Kira.
So before I start cooking within the next 10 minutes
feel my arms so tightly around you.
Giving sweet kisses of true love and comfort,
sweet early evening kisses of strength for each other.

So my sweet lady on this very verge of early evening
just feel the brush of my whiskers as I kiss you
ever so sweetly on your neck cheeks and tender lips.
Share with me a snuggle and sweet early evening kisses
with you the one I adore and cherish.
I am here for you my sweet lady so good
and I will forever stick right by you.
I love you sweet Kira you're my beautiful girl
and want to share sweet early evening kisses with you.

Michael P. McParland

Love Note 316

Sweet darling Kira
as I continue to get ready
and prepare for my trip
I think of you and send
my loving warmth with sweet kisses
to wrap you up in comfort and peace.
I think of you to give me a smile
and help give me calm and strength
so I won't be nervous and stressed
about the parts that are the most.
I send you my love so you'll
know I am with you holding you close
giving my love in every way that I can
to give you the greatest comfort there is.
I love you Kira and I'm holding your hand
so remember you're not alone
your Michael is forever by your sweet side.

Sweet darling as I continue
to get ready and prepare
there is a tug at my heart because
I'll be closer to you being back west
and I will struggle more than usual
knowing that we are that much closer
but I pray you will feel
my love that much clearer and stronger,
I love you darling you are my Angel.
I just wish you could be there
to spend time and talk with me
while we held each other.
You are my everything my beautiful Kira,
but thinking of you is helping me smile.

Sweet darling remember that today,
tomorrow and everyday I am beside you.
I won't be able to write you as much tomorrow
but I promise I will be able to
and I swear to you and before
God that I will.

I want you to feel comfort
in my undying love that is unconditional
and remember you can reach out to me
still through here or my email.
I'll never leave you without
my hand, arm, and full support,
I love you sweet Kira and I want to be
your forever hero.
So feel me beside you as I
grab you and hold you.
Kira I love you deeply
and am here for you completely.

Michael P. McParland

My Special Lady

Kira you are my special lady
who I adore and best I believe there is,
you are a sweet and bright shining soul,
the most beautiful woman there is
anywhere and I want to spend my life with you.
You are my best friend and an Angel
who is a true gift and blessing.
You are my special lady and I wish
I could just hold you so very close right now.

Kira my special lady you are such
a loving and calming force and I wish
you could be with me on this coming trip
for many reasons which most of all
would just be spending time with you.
To snuggle on the planes and even just see
the few parts of Arizona where we would be,
I just wish I could spend time with my special lady
and I know soon one day we will.

Kira you are my special lady and to ever lose you
would be the worst thing that could happen,
I just want you to know how wonderful
to me you truly are my sweet Angel.
My heart truly beats just for you and I can't wait
to just have you here forever in my arms
just both of us complete and basking in the glow.
I love you babe you truly are my one
and for eternity I will always love
my special lady Kira who I treasure and adore.

Michael P. McParland

Come Sit With Me

Come sit with me in this mid morning
and rest your head upon my shoulder
after I give you the sweetest kiss.
We can just sit here in peaceful silence
taking in the beauty of this time
we would have wonderfully together,
or just talk and talk like we always did.
It seems like we always had something to talk about
no matter what it may have been about we
could just go on at length branching off
in a million ways.
Come sit with me my peaceful dove
and we'll just bask in the love that surrounds us
from our hearts and souls.

Come sit with me and rest your head within my lap
and we'll just talk while I stroke your hair
and rub your back to keep it calm and loose through the day,
come sit with me and just relax knowing
that I am forever here and everything is okay.
Just come sit with me where you can feel safe
and know you're loved in every way there is,
come sit with me and just let me take care of you
in every way you need and that there is.
Come sit with me so I can serve my Queen.

Come sit with me my Queen and let's just snuggle
so close together in our shared loving warmth
feeling content and safe sharing our combined strength.
I just want to sit with you and forever have you near
for you are my beautiful precious one
whom I'll always adore in every way there is for all time.
Kira babe come sit with me while I hold you close
and give you the sweet kisses there have ever been.
I love you babe and I always will
and I can't wait to have those times that you
just sit with me and curl up within my arms
no matter where it may be rather in our house
or out for a walk.

It will be grand no matter what the place or time
because I'll be with you my Angel so supreme.

Michael P. McParland

Sweet Morning Kisses For My Angel

Good morning sweet love and millions
of sweet morning kisses and hugs
of endless love and care to you.
I'm sorry that I fell asleep last night
but as I told you I could feel you
so strong and you give me such peaceful comfort
I want and need.
Thank you my love for the care you provide.
You are my everything my sweet Angel bride.

I woke up about an hour ago but was sidelined
by another bad headache again my sweet dear
and had to rest it off.
Thank you for your understanding and in true
loving and thanks sweet good morning kisses to you

A Late Night Snuggle

A late night snuggle with my beautiful Kira
is what I am so in need of and craving,
just sitting on the couch with you in my lap
and your arms around my neck while mine
are so comfortably around your back would be a beautiful thing,
us resting our heads against each other
talking while we laughed and laughed.
A late night snuggle with my gorgeous
and beautiful Kira is what dreams are made of,
dreams yet to be fulfilled but I know will be.

My sweet sweet darling Kira I so just want to
sit with you for a long late night snuggle
telling you I so deeply love you
and just gaze upon you while I nuzzle
with you my sweet precious Angel.
I so crave and need a snuggle and nuzzle
with you my deeply beautiful Kira
and I can't wait to share such beautiful times with you.

My sweet Kira I so want a late night snuggle
where life on earth with you is pure heaven,
just holding each other close while we rest
our heads next to each others in peace
is all I truly want and need.
I want to always snuggle with my sweet Queen and Angel
especially at night to feel cozy and comfy.
Kira you are amazing and my precious Queen
and I love you so much as I right now relax
I dream of a late night snuggle with my only one.

Michael P. McParland

Love Note 315

Babe as I head out the door
to pick up a few more things
for my Thursday trip.
I wanted to say I love you so much.
I wish you were here to
join me now as I go to the store
and I wish you would be
with me for the entire two
weeks of my trip.
I adore you so much
and just want to be with you
my sweet Angel dove.
I can't wait to hold you
and say I love you Kira
you truly are the very best
there's ever been.

Michael P. McParland

I Just Want To (Right Now)

I just want to lay in bed and sleep with you
right now and through the entire night.
I don't mean sex though that desire for you
fills me up in every way there is.
Right now I just mean being in your arms
and us both feeling whole and loved
as we lay there in each others arms snuggling
with sweet soft kisses and soft caresses
on each others faces backs and on our arms.
I just want to lay my head next to yours
and sleep with the Angel to whom I belong.

Right now and through this night I just want
to feel your warmth and share mine with you.
I want to hear your sweet words as you
rest your head upon my chest and I stroke
your hair as well as rub your back.
I just want to sleep and snuggle with
the Angel to whom I give my life
and feel completely safe and loved truly
in my lady's arms for once and all.
I just want to hold and sleep with you right now.
I just want my Kira by my side because
I treasure you my sweet Angel bride.

Right now my Kira I just want to lay
with you so near and dear within my caring arms
and be within yours as well.
It's getting harder all the time without
my only love and I pray to God for your
heart to be calmed and feel all my love,
I pray to God that you'll talk to me soon
and to know I would never push you away or turn on you.
You are my love and you are my one
and I love you so much I just want to lay in bed
with you right now and fall asleep in true peace
in each others kind and caring loving arms.

with pure love for you in so very many ways.
It aches with the immense depths of purity
and immense joy which I will always
be so very happy to carry with me.
It aches with how much I miss you
and my need to hold you and open my soul
to the only woman I'll ever love and give myself too.
It just aches with the hopes and the needs
to give you my whole world and spend eternity
in each others arms and by each others sides.

intentionally hurt you emotionally
or lay a hurtful hand upon you.
I will only ever put the most tender, loving,
and gentle caring hands of pure love on my Kira
and I want to hold you to show you that
you deserve the love that is given the greatest woman,
I want to show you that there is a man
who has saved himself for his Queen and true darling
and will forever and ever no matter what happens.
A huge hug of pure love to you my sweet Kira
because through it all and no matter what
you are worth everything and I love you so very much.

Love Note 314

Good afternoon my sweet Kira
so good and pure in your heart and sou.
I've just risen from a nap
I never intended and I am sorry
I never told you or asked you
to snuggle so tightly with me.
If you were worried I promise
I am in no way angry at you.
I am not angry at you in any way
it's just tiredness catching up
with me in so many ways.
I miss you sweet Kira
and love you so deep.
I'm sorry if I disappointed you
and I wish I hadn't fallen asleep,
at least until after I had asked
if you would come snuggle
and share sweet kisses with your Michael.
I love you sweet Kira and want
my arms around you forever and ever.

I'm still trying to wake up
my sweet precious diamond
and I have such beautiful things
of truth from my heart
as soon as I am able to get going,
I like telling you how special
you are to me and I just wish
I could do it with you right here
while I so tightly hold you.
I so love you my sweet darling Kira
and never forget I a right there
holding your hand beside you
giving sweet kisses of all my desires,
not just physical but also spiritual
to remind you that I will not leave you

that I let you down and fell asleep

without asking you to join me.

I Am Forever Yours

My heart calls to you my sweet love
in its longing ache and wanting need for you
saying sweet precious Kira
I am forever yours because I love you so very much.
Believe it or not i just want to hold you
in my arms so very bad and release all the tired
tears that I have inside because I trust you
to understand where they come from
and understand how they feel in every way.
I just want to hold you while you give me
sweet kisses on my face and tell me it is okay.
I am forever yours because my heart is yours
in the deepest of ways believe it or not.

My heart calls to you telling you I love you
and I am yours my sweet Angel dove
because you mean everything to me in my heart and soul.
I just want to hold you while you release what's inside
while I dry your tears and kiss your sweet face.
I know you have a very hard time trusting
as do I my sweet love but if you will have faith
and trust me you'll see a heart that is only for you
and will go the lengths of all space to give
you its love and everything you need and want.
I am forever yours and I just want to hold you so close
to help you heal from all the hurts you've carried alone
inside for too long in your life.
I am forever yours and give you myself, my heart and my soul,
and everything about me that there is.

I am forever yours and I feel so tired
and am aching inside for the woman I love more than anything,
my heart is aching and calling to you saying
Kira you are my diamond in the rough
and I love you so very much.
You are a miracle and gift to this man
that sees you as a gifted Angel God sent to earth.
I adore you so deeply and just want to hold you
so we can feel comfort and safety at last.

So we can lay down and rest or just sit and talk,
so I can finally tell you things in private I need
and so you can share with me as you feel ready
with each step and each day.
I would never push you to tell me those painful things
before you would be ready because I know how it is
and it makes things even more painful.
Kira i am forever yours because you are my sweet precious lady
who I trust and love and my walls are ready
to come tumbling down as I share with you my whole world.
I love you so dearly as you are the greatest,
my heart calls to sweet you saying I am yours my darling dear
forever and ever.

A Quiet Morning In Bed With You

Good morning my sweet little Angel Kira
and how I wish long and desire I was in bed
right now next to you my sweet Angel dove
and not next to my computer and having
to only look at your gorgeous sweet picture,
I'm so glad to have it but I want you
to be in its place my dear darling.
I long for a quiet morning in bed with you
my sweet Angel my heart is always adoring.
I love you sweet lady and just want to snuggle
with you here in bed on a quiet morning for awhile.

A quiet morning in bed with you my sweet darling Kira
who is my best friend, soul mate, and true everything.
I just want to lay here in bed with you curled up
so tightly in my arms while I stroked your hair
and rubbed your back saying baby it's going to be okay
because your Michael is here for you always sweet one
and I love you more than anything there is including God himself,
I love you sweet one you are the best there's ever been.
I just so wish we could have a quiet morning in bed
together in pure comfort and peace before we have to rise soon
because you are my light and peace and I pray
I help lift your heart too because you are my gorgeous
sweet Angel bride and I love you more and more everyday.

A bright good morning to you my sweet Angel
I so admire love and adore and feel my arms
as I wrap them around you in pure warmth,
remember that your Michael loves you so much
and can't wait to have you in my loving arms
and I can't wait to be within yours.
I just wish and desire for a quiet morning in bed
with you the woman who I give my heart and soul to
forever and ever.
I miss you Kira and love you to the high heavens,
when we are back together I'm going to hold you forever
because I love you so much and need to tell you and show you.

Love Note 313

A good and wonderful
late morning to you
my sweet Angel dove and
a million sweet kisses to you.
I miss you so much and wish
you were here to sit and
talk to me as I prepare to do
the last of the big pile
of dishes I have to do
which I only finished part of yesterday
and got a small portion done
in the last hour here.
I wish so very much
that you were here to sit and talk
while and did them
and then a little bit later
cooked us tacos for lunch.
A time we could share watching
a movie you picked which
would be far happier, better,
and less depressing than the one
I've been watching the slowly
the last couple of weeks.
I just want to sit with you
and share good times and good food,
you are the greatest my babe
and I can't wait to spend times like that
feeling whole and complete
once again with my Kira so grand.

Many many sweet kisses, hugs,
and huge smiles to you on this
late morning here my sweet Angel dove
and Queen I so dearly adore
and remember I'm right there
by your side hand in hand
smiling so big at you
and giving my looks of love
which are the greatest truth

and straight from my heart
to you my beautiful one,
I'm right there with you
always giving my total
love and support for my Kira
so beautiful pure and good.
I love you more than anything
there's ever been
and will ever be.
I don't want to be without you
anymore in any way
because you truly are my everything,
you are my Kira a precious diamond
who I am so truly proud of.
Have a good rest of the morning
and I so wish you were here to sit with me,
I'll write you though before
I make the tacos I wish I was sharing with you.
I love you my darling
and feel me holding you tightly
kissing your cheeks, neck, hands,
forehead and lips to fill you with warmth
and to wrap you in all of my strength and love,
I cherish and adore you sweet Kira
for all time and in all ways.

You Are My Angel

You are the woman I so deeply
and truly love on every level there is,
you are the woman I truly want and need
for all time by my side.
You are my Angel and my best friend
and I promise to stick by you for all time.
I always have and I always will,
I love you so much and I don't want you to be hurt
and leaving you abandoning suffering alone in the cold
would hurt both of us beyond words
and I won't do that I swear.

You are the woman I have always loved,
even in the time that was forced on us
being apart without word I felt you
and knew I would forever love you
and deep down inside me I knew you still loved me too.
We share the deepest and strangest connection
but strange in a good way in that we can't
explain just how we know what the other
is thinking and feeling and can so truly
send our love and our warmth so the other will feel it.
I have always loved you my sweet Queen and Angel
and I know you've always loved me my sweet darling Kira.

Kira you are my Angel and I reach out to you,
I reach out in pure love so you will know
that I am right here and you aren't alone.
I promise you Kira I'll never leave you that way
because you are my beautiful Angel and everything,
I adore you so much and feel your spirit by me,
feel mine beside you as I hold you close.
You are my Angel who I love and care for the most,
you are my best friend and I just want to give you
all of myself for eternity as my mate.
I love you sweet dear for you are my one,
I love you sweet Kira you are my Angel so pure and good.

You are my Angel whom I can't get enough of,

your smile, your laugh, your sweet face,
and just beauty throughout your small frame.
You are larger than the illnesses and the
earthly restrictions than mortality has given,
in spirit you are the biggest so strong and so bold
and in the next life you will be rewarded
by God for your kind heart and loving giving
that I so admire and adore.
I love you sweet Kira you are my Angel I behold
and you are a blessing and gift I want more and more of.
Kira you are my Angel and only true love,
I want to spend eternity as Michael the husband you adore too.

Michael P. McParland

Good Morning To The Angel I Miss

Good morning to you my sweet beautiful Kira
the Angel of my heart and soul I so dearly miss.
Sweet kisses a plenty to you to give you a smile
and great warmth as I rise now with heavy lidded
eyes that still have a bit of sleep trapped within.
Good morning to you my beautiful Angel
I so truly adore and please curl up in my arms here
while we just sit back for a few and cuddle
so close feeling the love that we have surround us in full.

Good morning to you Kira my sweet Angel dove
and how I wish I was waking up next to you
every morning instead of my other pillow and computer
which I play my music and audiobooks on every night.
I can't wait until it's you I open my eyes to
and I can smile seeing my sweet Queen and Angel beside me
in your perfect and gorgeous beauty.
I can't wait to wake up next to you and give
you sweet kisses directly to start the day properly.
Good morning sweet Kira and in spirit right now
feel my arms so tightly around you and telling you
Kira I love you so much you are everything I need and want.

Good morning sweet sweet Kira the Angel
so dear to my heart I so deeply adore and miss.
As we both go about this morning getting up
and moving about feel me there by your side
my arms around you keeping you warm
and giving sweet passionate kisses to show you
all of my love and how much I love you and care.
Feel my slight fuzz on my face as my whiskers
are coming back in lightly right now while I give
you the sweet kisses on your forehead and cheeks.
Just feel me there with you holding you close as this day begins
and never forget that to your Michael you're
the most important thing in heaven or on earth.
Good morning sweet Kira you are the Angel
I so deeply and dearly miss.
Sweet kisses to you with my big smile too,

I love you Kira and I always will.
Please reach back to me so soon so our dreams
will be here as we hold each other so close
and say I missed you babe and love you more than anything that there is.

Snuggle 35

Come snuggle with me my sweet Kira
here on this Sunday eve.
Come snuggle with me in the warmth
that we feel and in each others arms need.
Come snuggle with me because I need you
and I know you need me too.
I want to lay in bed here with your head on my chest
while I hold you so close rubbing your back
and stroking you long and soft beautiful hair.
Please my sweet Kira come snuggle with me
and we'll forget the rest of the world
just enjoying the true wholesome love we have
and need to share in full in each other arms.

Kira I'm tired so deep inside from
missing you so bad and breaking inside last week,
though mentally restructured for the most part
physically I'm still so badly worn out.
I'm sad and just want you here in my arms
to snuggle with the beautiful woman
I so deeply care for and love in every way that there is.
come lay here with me and snuggle the
evening and maybe night away too.
Please my sweet Kira please understand and feel
all the deep loving care within me and snuggle right now.
Please come while I hold you and tell you
how wonderful I know that you are.
Come snuggle sweet Kira I love and need you so bad.

Come snuggle sweet Kira you are so very
beautiful and cherished completely.
I would never ask you for more
than I would myself give to you
because you are my Queen so very sacred.
I want and need you sweet Kira so please
come and join me.
I just want you to lay here and snuggle
as I tell you I love you
and want to be with you through all eternity.

Michael P. McParland

A Quiet Evening Together (Peaceful Healing)

How I just want to spend tonight all night
in your arms so peacefully in each others arms
healing in the love that we feel.
Healing our hearts from the hurts that our
fights have caused and inflicted
and I know we can and will work through
with the bond that we have and the true love we feel.
I want a quiet evening in each others arms
in quiet peace just healing and feeling happy
to be together again and very much more this time.
I love you Kira and want a peaceful evening
in each others arms in our living room
dimly lit yet bright enough so I can gaze
lovingly upon my beautiful Angel I so deeply adore.

More importantly I want a peaceful evening here or there
in your arms to heal each other from the harms
and the scars of the world in the care that
only the true and pure love we have for each other
can truly provide in its infinite unconditional caring.
I am aching and dying for a peaceful evening
so we can heal with each other drying the tears
that have flowed so freely and immensely from our eyes.
I want to dry your hurt tears my sweet lady
and I want only you to dry mine because you are my Queen
with infinite love who holds my soul and my heart,
you are my diamond and light and I want a peaceful
evening of quiet healing in each others arms
finally knowing that everything will be good and alright.
I want this evening in Kira's arms
the woman I so deeply cherish and love.

I so want a quiet evening of peaceful healing
not just in your arms but serving you in the ways
that I want and those fun little innocent things
that I know others would make fun of but you would not
and I want to do with you because it is from my heart,
a heart that sees just you because you are my darling so good.
I want to cook for you and see you enjoy it,

I want to read together a book that we'll
enjoy so very much through the adventure
as if we were living it hand in hand together,
and I want to watch a peaceful and quiet movie of
your wonderful loving choosing while we sit
in each others arms so peacefully and lovingly
healing and feeling safe with each other completely.
I want a peaceful evening of quiet healing
with you my sweet precious Kira my Queen and my Angel.
I want to be with you wherever because you are my everything
and I want to be with you in our endless love forever and ever.

Michael P. McParland

Spending Time With You

Spending time with you is all I wanna do,
holding you in my arms while we talk.
Reading a book with you while we sit
up in bed or on the couch so close.
Watch a movie which you love or I love,
one we love together just sharing and spending time together.
All I want is to sit with you
my sweet precious beautiful Kira I adore and love.
I just want to spend time with you because
you truly are my universe and everything.
I just want to be spending time with you no matter what.
So my dear will you come sit with me
while I do all these dishes I have and spend time with me?
I just want to spend time with you no matter what
so just come sit and then snuggle so close, warm,
and very tight afterward before dinner sweet one.
I love you Kira and want to be with you everyday
spending personal time in true happiness with my Angel
who I so deeply love and miss.
Kira you are the best and spending time with you is all I want.

Sweet Sunday Dreams

As I laid down and had a long nap
I had a sweet Sunday dream of us.
A sweet Sunday dream in a beautiful place,
a place almost as gorgeous as you
and we just sat and talked and talked
while I held you tight as you were
curled up in my arms and you just kept
lightly touching my face and I would kiss your hand.
It was a sweet Sunday dream of you and me
sharing a beautiful day in pure
happiness and peace smiling ate each other.

I am still very tired just having woken
but this dream is getting me moving
because I wanted to share with you
this beautiful vision of us being together
gazing in love and sharing sweet kisses
feeling peaceful and whole as we just
enjoyed each others loving company.
A dream which I can't wait to be real and come together.
I love you my sweet lady and this dream
will soon be reality,
a sweet Sunday dream of talking so
lovingly and peaceful like we always did and will again.

This beautiful dream of beautiful you will
help keep me moving on more through the days
because I can't wait for this beautiful
Sunday dream of true bliss to be real.
To hold my sweet Kira and look in your eyes as
I say I love you my Angel I'm so glad you're here
to hold and to look at and just give you my love.
I cant wait to tell you just how much you mean to your Michael
who cares for you more than anything that there is.
I love you Kira and it was a beautiful
Sunday dream and it is a dream so truly wonderful
that we'll share soon my only one.

because it will be with you an Angel that

has been given as a true blessing and gift.

Michael P. McParland

A Quiet Sunday Morning

How I want to spend a quiet Sunday morning
here with you curled up in my arms
as we just sit back in the medium light
in the room that is so relaxing and peaceful
making for the perfect comfort while we
get moving on this Sunday morn
and I'll just hold you close while we drink our coffee
softly talking and smiling at each other
as all the time in the world marches on.
I want a quiet Sunday morning with my babe
to just relax with you and forget today
that there's a world outside our door.
It will be just you, me, and our family.

So my sweet love even though right now
we can only have our dream in spirit here
grab your coffee and curl up in my loving arms
for me to keep you nice and warm while we
just revel in the love we have and feel so deep
and we share so openly because we are proud
of each other and the things inside we keep.

Deep Kisses Beautiful One 2

My beautiful one how I would love
to just lay down in bed with you
and share deep kisses of healing and true,
to just lay in bed softly talking
in each others arms as we shared deep kisses too
feeling contented peace knowing that everything
is okay holding each other and feeling
at home snuggling and sharing deep kisses
of true and pure love from our hearts and souls.

How I wish I could just lay down with you
in our bed in the dark while I made up
for all the things I did wrong with
deep and meaningful apologies and deep kisses
to show you the depth of my love and sorrow
and how much I want to heal your aching heart.
I just wish I could lay with you in
our bed in the dark holding you close while
I gave you deep kisses of love and told you
I'm sorry sweet one and love you so much.

My Beautiful Kira 3

Oh my sweet beautiful Kira I have
so many thoughts and dreams of what
I want to do with you when we have come together.
I know most of all I just want to hold you close,
especially at first so we can feel the warmth
of healing all around us as we talk
and let it all out in tears of shedding sorrows
and the now tears of joy that we feel
as we have found our dreams and as a team
will make it work side by side hand in hand.
I love you my beautiful dear and can't wait
to say it right to you and thank you too.

My beautiful Kira whom I adore and care for
more than anything I wish you were here
to spend this evening with me as I cooked

Spaghetti for dinner such a delight
and I would love for you to sit with me
as Ohio State plays Rutgers and it will be fun,
it would be even more fun though to have you
my sweet dear right beside me here watching
my team march up and down the field.

Michael P. McParland

Love Note 311

Good afternoon my sweet love
and millions of sweet kisses to you.
I'm sorry I didn't write you
a lot sooner but a chaotic
couple of hours I know you'll understand.
Frustrating but saw some nice
things around St. Paul
and annoying adventure in the store
because they moved literally
everything around.

I went to take some cans
to the recycling plant
a chore that was supposed to go quick
but then got lost and couldn't
find it winding around
into the mazes of downtown
St.Paul where the streets
go all over with no pattern it seems.
Then stopped by the store
on this crowded Saturday
and the whole place had been
rearranged oh what fun
so I sat there looking at my watch
the whole time worrying that
you'd think I'd forgotten you
and I promise I haven't.
I never will my sweet darling dear
because I love you so much
and wish you were here to share
these adventures all over in fun.

So my sweet love I'm sorry
you were kept waiting and feeling so blue,
I promise I'll always
be here and there in support
right beside you.
I love you so deeply
and I love you so dearly

and I'll always give you my best
my sweet precious Angel.
I am here my sweet darling
and will keep writing always
and more today for you.
I love you sweet Kira
and forever I will.

Michael P. McParland

A Beautiful Saturday Morning With My Darling

Good morning my sweet beautiful darling
and as I move about at a medium pace getting
myself moving and together I think of you
to give myself a smile and send all of
my loving warmth to you to give you a ray
of sunshine and make you smile too.
A beautiful good Saturday morning to you
and sweet kisses to you my sweet Kira
for all that you do and just for who you are.
Sweet kisses and hugs to you because I love you
so very much and treasure you like nothing else.

A beautiful Saturday morning with you is the
dream that I have in my heart and mind and am
sending to you to give your heart light and peace
and so you'll know that I'm with you giving my love in full
because I want to always be with you as
my only partner in life to share everything with.
To be with a family of our own and to enjoy
things with our families in so many ways.
A beautiful Saturday morning dream of being with you
as we sit on the couch drinking our coffee
with you curled and cozied up in my arms
and we talk about all of the charms in this life
that we have and hope to share.
A beautiful Saturday morning with my Kira so fair.

A beautiful morning filled with sweet snuggling and kissing
as we just bask in the glow of the eternal love
that we are always enjoying and feeling.
A beautiful morning of good coffee of your choosing because
that's one of your many areas of expertise over me
and I know that you know the greatest stuff.
Snuggling while just softly talking and then maybe
even another book we've chosen along side the other
but is lighter for beautiful mornings spent together
smiling and rejoicing in the life we share and treasure.
Oh a beautiful Saturday morning with my beautiful Kira,
I can't wait for these days I'll sop deeply cherish.

A good and beautiful Saturday morning to you
my sweet precious darling Kira
and rather it will be here or there it doesn't matter
because beautiful mornings with you will be
everything that truly makes me happy and matters.
Beautiful Saturday mornings with beautiful Kira
the woman I stand by and give myself to forever and ever.
The woman that I will stand up and by for defending her solely,
My beautiful Kira who is my universe, soul mate Angel and everything.
So I have this dream and send it to share with you
of a beautiful Saturday morning in each others arms,
a beautiful Saturday morning with you the woman I
so deeply treasure and love to no end because you are my best friend.
God bless you Kira to feel my warmth and my love
and to feel it so deep share with me today and always
this beautiful dream that we'll live when we come together again.

Michael P. McParland

A Beautiful Afternoon With My Angel 2

After a long mornings rest I now rise
wishing I could have a beautiful afternoon
with my beautiful Angel so good and pure.
I'll be thinking of you Kira and sending my love too.
A beautiful afternoon with you is what
I can't wait to have everyday when you are here,
beautiful afternoons with beautiful you
my best friend hero and Queen.
Heaven on earth with my lady so true.

A beautiful afternoon with some late day
coffee to get moving as good as I can at this time
and then just sit back on the couch
and with you peacefully relax while we watch
a movie and a few TV shows I've been finishing.
To sit back and snuggle with you today
would make the most beautiful afternoon
where everything would be good and right in the world.
I can't wait to spend so much time feeling safe
and at peace here or there with you in my arms
telling you how beautiful and wonderful
you truly are.
Everyday will be a great one in heart no matter what
because I'll have you in my life for all time.

It's too cold and cloudy outside to go sit
so we could just stay inside holding each other
while we did tons of stuff.
Find something so nice for lunch while we watched
our movies and shows,
then sit back and read to each other in peaceful
quiet with nothing to bother us.
It would be a beautiful afternoon no matter
what we would do as long as am with beautiful you.
To just gaze upon you while you rest and read,
and to be able to look over at you as we watch TV.
A beautiful afternoon with my beautiful Angel
and best friend so very cool.
A beautiful afternoon with Kira the greatest girl.

As I have risen from a long and needed late morning rest
I send to you this beautiful dream of us.
So we can both have and share with each other,
so we both have something to make us smile.
So we can bask in the glow of our warmth and love
as we shot it back and forth in its great and powerful flow,
as we feel the true joy of all that there is
and will be in the bond that we share.
I love you Kira just as you so love me
and I am so blessed that you do because you're
everything I'll ever want and need.
For me it's just you because Kira you are you,
for me it's just you because you are the holder of my heart and soul.
So a beautiful dream of beautiful you sharing
a heavenly beautiful afternoon.
Just snuggling together as we do what we want to.
What could be better my dear than being together?
Nothing because you are my happiness and my Angelic best friend.

Michael P. McParland

A Beautiful Morning With My Best Friend

A beautiful peaceful morning with
my best friend Kira is what's in my heart
and on my mind right now.
Just laying in bed holding each other so close
in a snuggle of pure loving comfort.
Surrounded in pure warmth and love
and feeling truly safe as we lay here.
A beautiful morning with my beautiful
best friend Kira is everything in existence
that is wanted and needed by this man.

A beautiful morning here with my best friend
in bed just snuggling and getting a few
more hours of deep needed healing rest
is what's in my mind and heart making me smile
knowing in spirit it's true and soon
in person it will be too.
A beautiful morning with Kira just resting
and talking while we hold each other
is what I want now and forever.
Beautiful morning with Kira my best friend and true love.

Sweet Kira let's spend this beautiful morning
together for a few more hours just snuggling
and resting while getting to feeling better.
Just wrap our arms around each other
and feel deep comfort and warmth provided
by the love we've always felt for each other.
Let's just spend a beautiful morning
telling each other I love you and feel true peace
as you rest your head upon my chest
and we drift off for a few more hours of healing need.
Let's just grab onto each other and squeeze.
I love you Kira and that's what we need
so come slide into bed next to me
so we can have a beautiful morning with our

of the pains both of us feel.
Oh my sweet Kira I need you dear.

Thank you again my sweet Kira
and I wanted to say I love you dear,
because of the cankers I can not eat
and my stomach is barren and empty
so I'm feeling worse physically,
so I wanted to tell you if
I happen to get to sick to write.
I so deeply love you my Angel of light.
As always feel me right there beside you
putting my arms around you
holding your hand and smiling
as I kiss you so softly with tender care.

is like being torn to pieces and missing
so much of myself in a million ways,
and I'm glad it's you that I feel that way for.
Thank you so much for all of your help
and loving care today and everyday that there is.
Our love is so strong with a bond that I

I Need To Be (Your Arms)

I feel completely and totally drained after
over two days of no sleep my sweet dear
and having only nibbled on a small bit of food
over the previous 24 hours behind.
I finally got a little bit of sleep and ate some
soup but I still feel so icky my dear
and I need this day in your arms
to make me feel at peace and be able to
relax and to be able to sleep.
I still can't really eat because canker sores
again haunt my entire mouth.
Hold me sweet darling I'm in need of you bad,
wrap me up in your arms so I can have peace and relax.

I'm struggling today my darling one as I
almost always am now and I need your
sweet loving spirit and unique help.
Come wrap me up in your arms and rub my
head and face telling me everything will be alright.
Just talk to me and tell me stories
of your life and what's on your mind.
If it hits your fancy make up a fictional story,
that would be awesome and you being here
holding me would be so deeply healing.
I need you sweet Kira so please come
and so tightly hold me and talk to me.
I need you my sweet Angel because you
are a healer with your great loving heart and spirit
and I love you my lady and want the one
I adore to hold me in her arms as I
lay here in bed hoping so soon I'll feel better.
I need you sweet Kira and I need to be in your arms,
come wrap me up my sweet Queen and through the day
talk and rest with me please.

Looking To The Stars 2

I look to the stars and I see you there
shining the brightest and you're the most beautiful,
I look to the stars and see your gorgeous smile.
When I look to the stars I see divine
and glowing celestial beings and while we're
not celestial yet while here on this earth
you are divine and so truly amazing my old friend.
You shine forth in your love and your care
and it touches my soul.
I look to the stars my sweet Kira and I see you there.

I look to the stars and you are my northern
giving me hope and lighting the way through the dark,
I look to the stars and see a reflection of you.
An Angel so pure with a heart and wings that are hurt
but can be fixed if you'll let someone
who loves you with all of their heart and soul in want
to wrap you up in their arms and give you pure love
with no expectations of anything.
Someone who's heart truly aches for you
and would give anything to help you through
including give up their life if they needed to.
I look to the stars and see my Angel of light
and I wave saying Kira I'm here so reach out if you need,
I love you baby and will drop everything just for you.

I look to the stars and I know that's where
it all started for you and me before we came to earth,
we fell in love as young spirits
and formed a deep bond we brought along with us.
a true blessing and gift that is so well deserved,
and I know I'm in love with the most wonderful
woman in the entire universe.
You are the brightest star and the most beautiful,
a soul so unique and deep you're a rare diamond.
You are a treasure and one I so deeply treasure
and I want to give you the love you are so in need of.
I know you are special because in you
I've seen and felt such truly marvelous things which

very few can ever perceive or pick up on.
You are an Angel and an example of leadership and courage to many,
you shine so brightly it is amazing.
So when I look to the stars I truly see you within
as you shine forth so bright giving beauty, guidance and hope
to so many people and things, more than you know.

Kira I love you and you are my shining star
and I adore you immensely my dear.
I send you this kiss in love and comfort
with a deep feeling of warmth to give you peace
and heat you up so you will be happy and feel me there
holding you close and giving you my love completely.
Don't feel empty inside my dear because
I am there filling you up to give you support
and give you a loved one to lean on if you so want.

Michael P. McParland

True Love In My Soul And Heart

True unconditional love is what I
carry for you completely in my soul and heart.
A love with no bounds and no end
exists for what I carry within.
True love for the woman I so adore
and cherish beyond words
is what I carry in my heart and soul
and I give those to her in true trust and faith
for the wonderful loving woman she truly is.

True love brought on by the Angel I saw
and got to know as she touched my soul.
A woman I admire and want the best for
so she will forever be happy and fulfilled.
I am always here for her and right by her side
so she'll know she's not alone and that
she's loved in the greatest way that there is.
I carry true care and love in my soul and heart
for the most beautiful and greatest woman there's ever been.

I know and feel that she carries the same for me
and feels just as deep and strong as I do for her.
I know she'll stand by me and for me
accepting me for the person I am
and she loves me for the man that she sees
and I'm so grateful for and to her that
she's there for me giving endless love
unconditional and undying.
She is a jewel and there's nobody better than her.

I carry true love for a wonderful woman
who I have loved for a very long while,
I've never wavered in my feelings and dedication.
I'll stick by her always because she
is my best friend and hero.
She is my Angel who's rescued me in so many ways
that I can't even begin to list them here.
I love her completely and unconditionally
because she is am amazing lady with a loving heart

and a pure soul that shines so very bright.
She's a wonderful woman who deserves the world
and while I can't give her that
I will share with her mine and the infinite love
in my soul and heart that is there only for her.

Love Note 307

Good early evening my sweet dear.
How has your day been so far?
I pray it's gone well and you've
felt all the smiles, kisses,
and hugs of loving warmth I've been sending you.
Deep love and care that is
for the one who means everything to me.
True love for my Kira
who also feels such love for me.

My days been kind of odd with
a frustration along the way.
They shut off the water
while I was half way done with the dishes
so there's still a few sitting there waiting.
Odd in what way I can't explain,
just a feel is all it is.
Partly from so badly missing you
and nothing sounded good
or interesting for awhile.

I spent the last two hours
writing you a letter pouring
out so much of what I want and need to say
to you when you're here
but I had to release it
in a way today right now.
It's a letter just for me
but one I wrote to you
from my heart with all my love
and expressing how much
you mean to me and your abundant worth.
That's why I didn't
write you a whole lot sooner
because I had so much to say
and pour out within,
and even though you most likely
won't see this one I can
promise you when we're reunited

you'll know everything that is within it
because it is my heart
and how much I care for you,
how much I love you in every way.
One day I can and will share
everything it says now and it will say
as I'm not done with it just yet.
I just had to stop
so I could say I love you dear
and that Kira you truly
mean so much to me and without
a doubt it's only you I see.
As I was writing I could feel
it so strong and flowing inside me
and it just reaffirmed what
I already knew that my heart is yours
and it always was and always will be.
You are my Angel whom I adore
and give myself in full.
I love you Kira and I want
to share my whole world and self with you,
my world is yours when you come
and I will give you everything I am
in true faith, trust and love.
I will be yours and yours alone for all time
because you are my one
and my blessed Queen sweet Angel dove.

Michael P. McParland

My Beautiful Woman 4

My beautiful Kira I so deeply adore.
It's a tired afternoon here and
I'm thinking of you wishing
we could talk while I held you close.
My beautiful Kira an Angel of gold
I would give anything to be with you
and lay down together in bed just cuddling
the rest of the afternoon away in our warmth
and hear your sweet voice as we just talked and talked.
My beautiful woman I miss you so much
and can't wait to have you back in my life.

My beautiful Kira I'm feeling quite tired here
but am going to fight through it just for you,
to write and be present if you need some support,
my beautiful woman I always strive hard
to not let you down feeling worried upset and sad.
I am right here for you and want to give all the best
that I have for my number one.
I adore you my love and just want you to be proud.

My beautiful Kira so precious and rare
I send such big kisses and deep warmth to you now.
Just feel all of the comforting peace within
and let it calm your aching heart
as you feel my love fill you up and wrap
around you like a blanket of safety and strength.
My beautiful Kira I miss you so bad
and want you to know in any way that there is
that I will always be here and love you so deep.
My beautiful Kira I wish I could hold you and kiss
you right now but hopefully so soon God
will bless us and grant us the way
and we will be able to celebrate our future ahead.

Michael P. McParland

Sweet Kisses, Smiles, And Hugs

On this very late morning just shy of noon
before I finish the last of my one chore
I send smiles, kisses, and hugs to you
in the zillions to shower you in all
of my warm and tender love.
I send them to tell you I care and I'm
right here always for you if you want or need
anything ever my dear no matter what and no matter when.
I am your man and so happy to give myself to you
in full in every way that there is.
Sweet smiles, kisses, and hugs in the zillions
to brighten your day and give you peace.
I send them all because I love you so much.

On this late morning my precious one feel
my hand in yours and my arms around you
as I send you these zillions upon zillions
of sweet smiles, kisses, and tight hugs
in true love for you the woman who loves me
just as much in return.
I adore you my dear and my heart melts for you,
you are an Angel so good I admire and respect you in full.
I love you my Kira you're a true diamond in the rough
and forever my sweet Angel dove.
So forever I send you zillions of passionate
and deep loving sweet smiles, kisses, and huge hugs
for you my Angel Queen of true light and true love.
I am forever yours faithfully right by your side.

A Love That Lasts

What we have is a love that lasts
through all the distance and the tests,
love that lasts through the road blocks in the way
and lasts through the times other people
have interfered trying to ruin the beauty that we have.
We have a love that lasts because we're still here
with all the love we've ever felt within
us now and it just keeps getting stronger all the time.
We have a love that lasts and that's true love
at its best to show the world that it exists
and as true loves who care so deep we cannot be beat.
We have a love that lasts and I'm so proud of that,
I'm proud to have you as my true love and best friend.

We share a love for the ages and it's something
that comes along all to rarely.
We share a love and a story that can teach
so many if they work hard for each other,
show they can make it and save some things that are so very sacred.
We have a love that lasts and one that has been
so rarely seen outside a cheesy movie script.
We're not cheesy though because we've faced very
harsh realities of pain and loneliness
when we have fought and then suffered even worse when we're alone.
We're not bad for each other we just
need better communication and forever savor what we have
in this beautiful gift from God a true love that lasts
and can't be broke because no matter what in many
ways we haven't let it and I know we won't.
We have a love that last and a love that will last
the ages as a symbol of two souls who are connected
and truly love and care for one another.

We have a love that last and that it's with you
I am so truly proud and filled with joy.
There is no other soul I'd rather share such
a gift and blessing with for all time.
To share it with an Angel is such an honor
and I can't help but feel elated and deeply honored

that you love me back and adore me.
What a true gift it is to have from you and it
moves my heart and soul which I forever give to you.
We have a love that lasts and true love like ours
is something so very few ever get to find within
their lives or within this world.
I know that you're the one and I always have my dear
because our souls touched when we spoke to each other
our first words in random conversation.
I felt a connection like I never do and
I fell in love with you right then and there.

We have a love that lasts and I hope soon I'll
get to hold you very close to give you a deep and loving kiss.
I hope soon that we'll reunite and once again have the happiness
that we always shared and be fulfilled in every way.
I love you Kira just as you do me and it will forever last
because it's true and we will always care with all our hearts,
all our souls, all of ourselves in every way.
We share a love that lasts and that it is with you
is the best I could ever dream and ask.

Michael P. McParland

and all the love I felt and all
the love you gave to me.

making this a beautiful morning leading
to a gorgeous day spent hand in hand throughout.

then we can just sit and talk and feel such loving peace.
You are my Queen and everything and I'll stick
by you through eternity because I truly care
for you in every way and support you with all my being.

Michael P. McParland

Angel, my best friend, my Queen,
you truly are my everything.

Michael P. McParland

A Prayer For My Love 3

Dear God I come before you again
to ask these things in pure love
from my heart and my soul.
I ask for these things to help Kira
be at peace with happiness galore
and to help bring us together again.
Dear God please clear the path and help
us both see the ways we need to go and to do.
Dear God I love her so much and want
to be with her forevermore.

Dear God please help to give Kira deep
comfort and warmth within her heart and soul.
Help her to know I'm always with her
and help her to know the truth of my words.
Help her to know the sorrow I feel
not just for my follies but all the follies
of others that have been put upon her.
Please give her comfort and peace
also helping her know my immense love
and desire to give her the love she needs and so deserves.
Give her the solace she needs as soon as you can.

Dear God please help her to know what a
beautiful woman she truly is
and help her to know she's a wonderful
gorgeous soul that is so worthwhile
and wonderful that it shines so bright
to those who have opened their eyes.
Please help her to know her great worth
and help heal her heart because it's one of gold.
Dear God please be with her and bless her
non stop everyday as she goes and help her
know I am there by her side hand in hand everyday.

Dear God please help heal all of her pains
and give her the health she truly has earned.
Please take away the ailments that she suffers
because yes she is tough but does not deserve this,

I would carry them all just for her
including give up my life if that was the cost.
Dear God please grant her reprieve from these
horrible pains that she courageously faces everyday,
grant her the health and happiness your gift
and Angel you sent so deserves.

Dear God please help her to know that she's not alone
because her Michael is here with wide open arms and an open heart,
let her know I'm not angry or holding any grudge
because I love her and just want her here to have and to hold.
Help her to feel my loving strength and to
be wrapped up tightly within its warmth.
Dear God I love her so much please help her to know
that that is the full truth.
I love her so much and just want her to be happy
and have joy through all time,
help her to know that I care and will always give my best for her.
No matter what though God always watch out for her
and protect and comfort her always my lord.
She is so precious and my heart melts for her,
dear God please just help her to know that she is so good
and she is an Angel that is so deeply loved.
Help her have peace of mind and of heart.
Dear God watch over her and bless her,
and please soon give us the way so we can be
fulfilled in our true love through all time.

Amen.

Love Note 306

Good evening sweet love
my true love and apple of my eye.
How are you doing tonight?
I've keeping myself busy
arranging my YouTube play lists
and have been thinking of you
while I go about doing.
Seeing videos that I know you'd like
and hoping maybe you'll
find my channel on there
and check out my lists,
that would be awesome
and in a way make me feel closer to you.
I love you sweet lady
I truly do.

I so wish we were together
spending this night snuggling
and doing fun things of whatever,
I just want to spend time with you
and be happy knowing you'll
never be gone again.
i miss you sweet love
and I want to make everything alright again.
You are my dreams and hopes
so big and extremely happy,
Kira I love you and I always will,
this bond that we share
is so very special
as are you.
I want to hold you and tell you
all that I feel.

Here on this night as
always I send you kiss
with my warmth and love too,
feel my arms around you
and let it fill you with peace,
I'll always be here and beside you I swear.

I am yours for eternity
and that's the full truth
because Kira I love you
and only want you.
Kira my dear I'll always be here
because nobody else
is as good because they aren't you.

Michael P. McParland

A Beautiful Sunday Evening

Another Sunday evening is here
and as dusk now settles in
all I can think about is how I wish
you were here to hold so close
with you curled up within my arms
as we shared a beautiful Sunday evening
sharing such wonderful loving company.
So soon my love I pray that we'll
have that blissful time at hand.
A beautiful Sunday evening where after
such a long day I know you must be sore
and in a lot of pain,
so I would have you lay down on your tummy
and I would give you a massage to
relax and loosen those tight muscles
and just help relax you in full so you
would feel peace throughout your body in whole.
I'd rub your back and neck so gently
yet firm enough so you could enjoy and it would help,
I'd massage your feet and help rub away
all the stress that builds up there
and your legs which I know get so tired.
I love you babe and would do anything for you.

An evening where we can once again just sit and read,
I love to hear your voice and would sit
so relaxed and enraptured by the story and your Angelic voice,
I'd stop to give you kisses throughout because
I won't be able to resist my ladys greatness there.
An evening to just rest and snuggle feeling
safe and content holding tightly onto each other.
An evening filled with love and contentment,
an evening with the woman I intend to marry.
An evening with my true Angel whom in
every way I truly love and desire.
That's the beauty I can't wait to have here.

A beautiful evening with my sweet Kira
is what I dream of always,

to be with you finally knowing what it's like
to be loved like a boyfriend and be held
within a great and perfect lovers grip.
I've never been anyone who called me there own
snuggling and kissing me time and time again
and I can't wait to share that with such
a wonderful Queen and rare diamond.
A beautiful Sunday evening with my Kira
is everything that is wanted and needed by your Michael,
to just have you near as we share everything we have within.
To feel your warmth as you're curled up
beside me and in my arms,
to look in your eyes and see true love
that is unrestricted and completely unconditional,
I need that and so do you my sweet precious Angel
and I'm so anxious and excited for that time.
I love you so deeply and I'm missing you completely,
so please let's work things out soon
so we can forever enjoy beautiful Sunday evenings
in each others arms feeling fulfilled and as one.

Michael P. McParland

A Big Warm Hug 3

I give a big warm hug with kisses too you
to fill you up with all my loving warmth
and to give you comfort in these
very hard and lonely times.
I understand and know what you're going
through on that part my dear
and I know it hurts like hell.
So a great big warm hug for you
with endless kisses too.

A great big warm hug with comforting
kisses for all the things you're
struggling with that I don't know about.
I may not know the circumstance
but I know and feel you're hurting none the less
and I want to give you comfort
and deep reassurance that your Michael
is right here and there with you for all time.
A great big hug of warmth and sweet kisses too
to say I love you dear and I always will,
please come so soon so I can marry you
and we'll be together through eternity.

I'm sending endless great big hugs of warmth
and deep kisses of true love from my heart and soul,
a heart and soul you hold and are all yours.
A heart and soul from a man who adores you
to no end and would die for you.
A man who's always known he loved his
best friend and wanted to be with her
till the end of this earthly time
and then spend eternity by you loving side.
A great big hug of warmth and endless kisses
to you my precious only one.

A great big hug and sweet kisses for you my dear
because I want to heal your aching heart
as well as mine and doing that together
is the only way there is that I know how,

it's all I want my beautiful one
and I can't bare this life without you here.
You're everything I want and need
and I will always be here for you with
an open heart and open arms.
I'm yours alone my precious one because
I want no other only you,
we have a bond that's made of steel
and this bond to me is everything just as thee.
I love you Kira as you also feel such love for me
and I can't see a life without us giving
all our love to each other everyday,
I love you dear and I always will.
So a great big hug of deep and endless warmth
and sweet kisses of comfort for you dear.
My hearts with you as I always am
and I'll never leave you my darling one,
I won't abandon you leaving you broken and suffering all alone.
I love you babe to no end and I will never do anything
that hurts or damages you I swear.

A Beautiful Sunday Afternoon With You

What would be perfect right now and make
everything well and good in the world is
a beautiful Sunday afternoon with you,
an afternoon to sit and snuggle,
to do things with each other.
to just hold hands while we watch a movie,
to have you curled up in my arms while we're reading.
A beautiful and perfect Sunday afternoon
with beautiful and perfect Angelic you.

I've been wanting to play Trivial Pursuit so bad
and we would play that if you like for sure.
To have brilliant competition would make
things so perfect and exciting.
Playing a fun game with you of trivia,
or maybe some video games on my PS3,
I don't have many but maybe some NCAA Football 14
or NBA 2k13 would be supreme.
We'd get a lot of laughs and tons of fun.
Nothing would be better than
a beautiful Sunday afternoon with you.

A beautiful day to put on our jackets
and sit outside while we do some talking,
about this and that and see just where
things go because you know how
I babble on and branch off a million ways.
A beautiful day to sit outside under a tree
and just hold each other while we chat away.
A beautiful Sunday afternoon with my love
is exactly what we need and want.
Sweet Kira my precious dear I hope so soon
that you'll be here.

A day where we could just sit and kiss,
oh what magic wholesome bliss,
I dream so much of those shared kisses
we will have and they will feel so good
and when I dream of them and you

I just miss you even more
because you're my best friend and I love you so,
you're my sweet Angel dove and everything
that is truly beautiful within this world
and that is why I want to spend everyday
as a beautiful Sunday afternoon with only you
my sweet peach so very sweet.
I want to be with you for eternity
because you make me feel whole and complete
I want to be with you to give you
all my love and all I have.
I want to be with you for all time because
I adore you so and cherish all you are.
So feel my immense loving warmth as I send it all your way
and share this dream with me of a beautiful
Sunday afternoon in each others arms feeling good.

To Just Hold You 3

To just hold you now would be
so brightening, so fulfilling,
soothing, and so very satisfying.
To just hold now is what I so crave,
to have you right here curled up in my arms
and together watch the movie I'm about to start
is everything that this day needs now.
I love you sweet lady and I want to
just hold you and tell every thing's alright.

To just hold you now while we watch
the movie would help cure my hearts constant aching.
I think you would like it it's
a political thriller.
I've never seen it but it seems interesting,
you like things that involve thinking
which is one of the things about you
that I am so fond of and I find a turn on.
I just wish I could hold you and tell you
Kira baby I love you.

To hold you not just today but everyday
through all time is everything
your Michael here so needs and wants
and I know you do too my lady of truth,
I know we both need that closeness of
being together each day that we live.
I don't mean closeness that way
but closeness in holding each other
while we just talk and enjoy each other.
Sweet Kira my dear I just want to hold you.

To just hold you right now is what
I so deeply crave my beautiful dear
and to just share the day as true lovers do.
To look at you and smile as we laugh
while we talk and give of ourselves.
To be fulfilled and happy as I spend
a beautiful day with my beautiful lady.

That's what we need my sweet beautiful Kira,
to be with the one we so love completely.
I just want to hold you my Kira
because I truly love you
and being with you has always made life worth it,
you are everything that is good and beautiful.
I love you Kira and just want to hold you
and feel all these sweet kisses I am now sending you.

Good Sunday Morning

Good Sunday morning my beautiful one
and millions of kisses and hugs to you
to start this beautiful day of true love
that exists between you and me.
We're best friends and true loves,
the greatest gift and blessing
from God anyone can receive.
Good Sunday morning to you my sweet Kira
I love you so very much.

What would be better than A Sunday morning snuggle
on the couch while we drink our coffee and wake up.
I like mine black as you know and sadly
how you like yours is one of those few
little things that right now I do not,
but when we're together again I will learn
and I'd have you sit on the couch curled up in our blanket
while I got it all ready for us.
Then we could snuggle for the early hours
while we just snuggle away and drink the delicious
coffee that you buy.

A good Sunday morning to you my beautiful one
and as the day went on there's so much fun we could have.
Even though I'm not a big NFL fan I know you like it
and I still have the Browns.
So if you wanted to watch I would sit there with you
and cheer your teams on just with me
you do for my Ohio State teams.
Just as long as I'm spending time with my one
I'll be the happiest man alive my sweet dear,
as long as I'm with you I'll be fulfilled.
A good Sunday morning my Kira
your Michael so deeply loves you.

As the day went on from there we
could sit and read to each other from something
as a couple we've picked.
On my kindle there's over a thousand books,

we would find something for sure.
I just want to sit with you and to get lost into
a good story together would be the perfect time.
Then what part we read afterwords,
what we thought and what we felt,
I always love to know what you think and feel
my sweet one as your take is always so unique.
A sweet Sunday with Kira would be so truly great.

A good Sunday morning to you my sweet one
and it will be a beautiful day,
for as it goes on I'll write you many poems.
A few more like this and as other ideas come to me,
I love you Kira and I am with you everyday
hand in hand holding you close
giving sweet kisses to fill you up
with all of my sweet loving warmth.
Close your sweet eyes and feel me so close
and see my loving looks and smile just for you.
I love you Kira and have a great day,
your Michael is thinking of and sending his love to you.

Michael P. McParland

Michael P. McParland

Morning Note 131

Good morning sweet one
there's nothing more wonderful
than waking up and seeing
your smiling face,
right now it may just be your picture
but one day soon I know for real.
I love you my darling
and can't wait to have you
so close and tight within my arms.
I can't wait to be with you
everyday through all time.

Let's just rest a while longer
and we can just snuggle in peace.
I'm still so tired
from all the emotions inside
and when I feel your spirit
and love so very strong
it relaxes me deeply
and I can rest easier finally.
So let's stay in bed
my dear darling and just
rest while we're snuggling,
first sharing sweet kisses
before we start drifting.
Kira my dear I'm sending you
all of my love for peace,
strength, and warming.
Don't ever forget that
I'm here to help you and listen
my Queen.
I'm serious when I say
you are my everything.
I can't even describe
the depths and intense flow
of all that I feel.

So my sweet Kira
wrap up tightly with me

and snuggle, snuggle, snuggle
the whole morning away.
Feeling comfort and peace
and having true happiness
with my favorite person in history
let's snuggle and rest for awhile
sweet Kira because I love you my darling
and you bring such joy and peace to my life.
I want to just rest and snuggle
for now with the Angel
who loves me just as much.

Michael P. McParland

Sweet Sleepy Kisses

Here at 3: 41 A.M and I'm so very tired,
only drifting in and out lightly
but staying sane with my dreams
of us being together,
all the joys and smiles we will be sharing
and the many wonderful things ahead.
I'm so very tired but knowing you're there
keeps me hopeful and going.

So I now reach out to you my sweet darling
and gently wrap my arms around you
pulling you in so close to me as I look
in your eyes and say I adore you my sweetie
and I'm going to love you for all eternity.
Then I'll give you the sweetest sleepy kisses
as we lay down together in bed to snuggle
and sleep for awhile.
Sweet sleepy kisses for you my sweet Kira
and I truly will love you for eternity.
Now just feel my warm and my hearts
steady loving beat as I hold you close

walking along hand in hand all of the time.
Peaceful times with my babe is everything

Peaceful times spent with you talking and kissing too,
snuggling each day as our love grows
bigger and stronger with each passing day,
peaceful times where we can get away from it all
and have each other to talk to when
the world reaches in and causes us pains.
Peaceful times fighting for each other with endless support,
peaceful times spent together knowing true love.

I long for and want peaceful times with my Angel,
to sit talking and holding my darling Kira,
to kiss you all over and tell you I love you.
To satisfy those deep tinglings with
true and pure loving closeness.
I want peaceful times with my sweet Queen and Angel

Good Friday Morning

Good Friday morning my sweet Angel dove
and I send millions of sweet kisses
and smiles to shower on you,
good Friday morning and I send
all of my loving strength and warmth
to you my dear one.
Feel my hearts beat as I hold you so close.

Good Friday morning sweet dear and as I get up
I wish you were here to greet with the day
and be with along the way spending time
and having fun as we get things done
both important and things just for fun.
I wish you were here on this Friday
morning before us so we could get moving
slowly together after any things that
would need quick taking care of,
and then quietly sit drinking some coffee
while enjoying each other so silently
or softly speaking and smiling.
A quiet Friday morning that would be so good
with you in my arms as we got it going leisurely along.

A Friday morning that we could take our time
getting done those little things that need doing
and just help each other to make the tasks easier,
to give our loving support and just be
able to be with each other which is what
we've so very long wanted and needed.
No need to rush through what needn't be hurried
because we would work together sharing our love,
it would feel good no matter the task because
I would be spending the morning with my sweet Angel dove.

A wonderful and good Friday morning to you
and as the day went working together
the chores would be done fast as ever
and then we could put on our jackets and go for a walk,
or snuggle up in our bed or our couch

watching movies, reading books,
or resting to music and audio books.
Perhaps even find somewhere to go just for fun,
no matter what everything withing would
feel fulfilled and complete because
you would be with me just laughing and sharing,
you would be in my arms and we'd be feeling such warmth.
I wish you were here but never forget
I am with you in spirit as you are with me.
So we're not truly alone and we'll soon have each other
to be with on Fridays like this in real life.
I love you Kira and beautiful Fridays and every days
with you are what keep me going.

A good Friday morning to you Kira my sweet precious darling
and I'll be dreaming of this on this morning
as I get a few chores done and will dream of it
still as my day goes along.
I'll be sending you smiles and hugs with sweet kisses so big
to brighten your day and fill you with strength,
feel the suns warmth and let it fill you
a in it's symbol with all of my love,
close your sweet eyes and see my smile so big
and so full of love just for you my Kira so pure.
Feel my hand within yours and me by your side
as I put my arms around you to hold you so close.
I'm with you Kira and out to you my heart calls,
sharing these dreams and all my warm feelings
so you will smile and light up the world.
I love you Kira and I'll always be here.

Good Friday morning my sweet darling Kira
and one day soon we'll be spending them together
holding each other and drinking our coffee,
starting the day with sweet kisses so deep
and straight from our souls truth,
we'll have each other this I promise you.
Good Friday morning and please smile for me,
I love you sweet darling and feel my arms
as I give you a big squeeze.

Michael P. McParland

Tender Touch And Kiss

As I wake for a few on this very early Friday morn
I reach out and take your soft hands in mine
and gently pull you in close.
I look into your eyes so lovingly as I
gently caress your soft and beautiful cheek.
Then say I love you my dear and give you
the most tender of kisses to give you warmth,
to fill you with light and to fill you with joy.
A tender touch and kiss with a snuggle
to savor before we have to get up
and truly moving in a few hours.
A tender touch and sweet passion filled kiss
for the Angel from above I so dearly miss.

In this short period of waking on this early morning
I wanted to tell you I love you my darling,
so I'm reaching out to hold you so close
and to tenderly kiss you in true pure love on the lips.
An early morning of tenderness with my Angel
that fills me with light and bliss.
A tender caress and a tender kiss,
I love you sweet Kira and before we must rise
let's snuggle and feel peace in our massive warmth.
A tender kiss to you my sweet Angel dove.

Michael P. McParland

Goodnight My Beautiful Angel

Goodnight my beautiful Angel I love you,
come slide under the covers with me
and let's wrap up together and snuggle
in our shared and infinite loving warmth.
We'll share some sweet and deep passionate kisses
before I so tightly pull you in
as you rest your head upon my chest
to hear my heart beating for you as we go to sleep.
Goodnight Kira my Angel so beautiful I love you
and let's snuggle forever and ever my precious lady.

I'm sending you all of my love and warmth
with the biggest and sweetest of kisses and hugs,
I'll be holding you tight through the whole night
to give you comfort and peace to soothe your heart.
You matter to me so very much and if
there are tears I'll dry those as well,
read you a book and sing you some songs.
Whatever you need my sweet dear I'll do for you,
I love you Kira and I always will,
hand in hand through all time I'm right by you,
I'll keep you safe and support you through all.
Kira my dear I won't abandon and hurt you,
I adore you my love and will back you in whole
through all space and time.
Feel my arms around you as I rub your back and stroke your hair.

I'll see you tonight in the land of sweet dreams
where we will lay in that field under the moon
and stars shining so bold and bright,
I'll be looking at you just as much
as they shine upon you and light up
your beautiful smile, eyes, face,
and entire gorgeousness.
We'll just lay under the moon and stars talking,
snuggling, kissing and laughing
like we've always hoped too,
and like we will soon do my Angel
for whom I'm so deeply grateful.

I'll see you tonight my divine one
where I will hold you so tight
as we watch the divine lights.

Goodnight Kira my beautiful Angel my heart
calls to you in full love and care.
I want you so soon so I can give you my love
and so you no longer feel like you're going mad
with the loneliness I know you feel inside,
I know how you feel because we feel the exact same,
we both know we're not alone as we're there for each other
but at the same time we feel haunted and sad
by the immediate loneliness around us.
I want to hold you so I can cure that,
I want to give you the love that you have deserved,
I just want to spend each day with you by my side,
I want to end every night snuggling
and kissing my beautiful sweet Angel bride,
I want you my sweet Kira in my whole life.
Goodnight my dear Angel you truly are so very beautiful
and I'll tell you that everyday my sweet darling.
I want you to know that that is the truth
because I love you my lady and want you to know your great worth.
I want to give you all of myself to make you happy and proud.
I want to spend eternity in ecstasy as husband and wife.

Longing So Deep And Hard

I'm longing and yearning so deep within
to talk to and see you again,
I long and ache so very hard to have
you so close within my open arms.
I'm long and yearning so deep and hard
to just be with you my sweet Angel dove,
to just be with you no matter where.

It doesn't matter to me if it is here
or if it is there just as long
as I'm able to be with you my sweet dear,
I'll be more than happy to travel to you,
all I want in the end is you in my arms
and us side by side holding hands.
I long so very deep to look in your eyes
and marvel at my sweet Kira
I so desire and love.
I crave you my dear darling
because you are the one that I love.
I miss you sweet Kira and I long for you so deep and hard.

I long and ache for you because
you are just very good
and I miss feeling the full strength
of our bond as we sat and talked,
and when we stood together it was electric.
You could literally feel our love in the air
and I long for that darling
because you are the Angel that gives
life color and taste.
Life is so empty without my best friend
who I give my whole self.
I miss you Kira because you are the best.
I long and year so hard and deep
to just be with you doing everyday things.
I long and yearn so hard and so deep
to do couple things in all ways there are,
I just long, yearn, and ache so hard and deep
to be with you Kira my sweet Angel Queen.

I just want to be with you no matter where,
nothing has to be on my terms at all
because that's not how I want it all
and that's not how it works,
I just need you to talk and to give me help
because I want to be with you for all time,
I love you Kira and I want you as soon
as possible to be right by my side,
so I can take your hand and look in your eyes
confessing my love as you look in my soul,
so I can hold you so close and we can release all we hold.
Kira sweet love I long so deep and hard
to just be with you and give my all,
I miss you so much and want to be with you now.
I long and ache so hard and deep
and it's you that I want to bright life back to good.
I love you Kira and I long for you love and your touch,
I crave your spirit and being in your sweet arms.

I truly long and yearn so very hard and deep
to be with my Angel serving in every way,

to heal your heart while I give you kisses and hugs
and everyday standing by your side
giving non stop my loving support.
I want to be there to help take care
and help keep you safe,
give you endlessly all of my strength.
I love you Kira and deeply I long, yearn, and ache
to be there for you in true love
celebrating our bond each and every day.

Relax Before Bed

Let's sit and relax for awhile before bed my dear,
sit back on the couch in each others arms
and watch some T.V, read, or just softly talk.
As long as your by me all would be fine
let's not go to bed yet and just relax.
Sweet Kira my lady I love you so much
and want to be with you as much as I can.
I just want to have you here in my arms
to spend some time before we go to bed.

Just sit with me dear and we'll relax before bed
just sitting up on the couch snuggling
and sharing sweet kisses while we do
whatever it is we decide that we want.
I just know I want you here in my arms
and to hear your sweet voice while I look at you smile,
get lost in your eyes and show you
my whole soul while you look in mine.
I can't hide anything from you and nor do I want to,
I want you to see your man in full and total.
My whole world is yours my sweet precious Kira
so let's not go to bed and just relax for awhile.

So let's just sit and relax having fun with each other,
just talk, read, watch T.V, or write some poetry
for each other or even collaborate on some work together.
I never work with other people but with you
it would be such an honor,
to see you at work and to partake in the creations of a
beautiful artist would make me the happiest man in this universe.
To spend time with you darling would mean everything to me
so let's just relax for awhile sweet lady so wonderful.
I love you sweet Kira I so deeply truly love you
and I just want to hold you and kiss you over and over.

Snuggle Under The Moon And Stars

Let's snuggle underneath the moon and stars
here upon this quiet evening here,
just you and me in a large green and lush grassy field
lying on a blanket in each others arms.
Let's snuggle oh so close within
our shared loving peace and warmth
beneath the moon and stars and kiss away the loneliness.
Let's snuggle through the night
and talk away the hours as they pass away.

Let's snuggle wrapped up in my big orange fuzzy blanket
and in each others arms taken in the moon and stars enchantment
as well as ours and our true caring, loving passion.
Let's just talk, kiss and snuggle in the celestial light
that the moon, stars, and in our love we emit.
Let's snuggle and heal our wounded hearts and scars
within each others loving, accepting, caring arms.
Let's talk and snuggle through the night underneath
the moon and stars in a giant and green luscious grassy field.
Let's just kiss, talk, and snuggle you and me.

I know we will feel fulfilled and so happy dear
as I always was when you were near,
I hope I gave those feelings to you as well
sweet precious Kira I so adore.
Let's snuggle just you and me through the night
underneath the moon and stars where we can kiss and talk.
I just want to be with you my precious one,
I want to spend the night snuggling underneath
the moon and stars with my sweet Angel dove.
I want to snuggle in divinity with my Queen
and Angel a gift and blessing from on high.
I want to snuggle with you my Kira
underneath the moon and stars.
I just want to snuggle with you while we talk and kiss
because I love you dear and want to be with you for all time.

A Mid Night Snuggle

A night of very restless sleep
feeling sad with no relief.
I ache for you and sense that you're upset,
over what I know not but I can
feel your distress and I just want to hold you close.
A mid night snuggle with you would be so good
so I am reaching out to you to pull you in
for a deep comforting kiss with a
tight snuggle oh so close.
I miss you dear and love you the very most,
a mid night snuggle is what is wanted now.

A night where I just can't in full relax
and lay here no more than three quarters
of the way asleep,
I miss you so bad and want you here by my side
to feel your love and feel your warmth
as I stroke your hair and rub your back
and perhaps you could lightly rub my face and head.
A mid night snuggle with my only Angel
is what my heart is crying for my sweet lady,
I'm reaching out to take a hold of you
and give sweet kisses too.
I love you dear and want you here
to kiss and snuggle till we fall asleep
the whole night through.

A restless night with no good sleep
and I'm feeling sad with my need to have you by my side,
so I'm reaching out to pull you in to give
us both such peace and warmth,
Kira dear I love you so very much
and just want to be with you for all time,
please don't push me away and just let me hold you close
and tell you everything is okay.
I love you dear more than anything,
I always have and I always will.
You are the one I want and need within my life
each and every day and night.

You are my best friend and I know
what I feel for you is truly good and right.
I love you dear and am reaching out to give you a kiss
and snuggle here in this middle night,
to give us comfort, to give us peace,
so you can cry with me if that's what you need,
to give you strength from all I feel
I'm reaching out to take ahold of you.
A mid night snuggle here to finally feel safe and relaxed
I love you dear and that's a fact.

Michael P. McParland

Thank You Sweet Love

Thank you sweet Kira for all
of you kind and understanding sweet love.
That was a migraine that just wipes you out
and I thank you for the love and warmth that you send,
after I told you what's up I could
feel you sweet giving love all around.
i felt your arms around me so I could relax.
Thank you sweet love for all that you do
and I'm sorry that if the day you were worried my dear,
I just couldn't do anything but close my eyes
we both get these migraines and they really stink.

Thank you sweet love for your help over the last
of these struggling hours.
It took a few more for the migraine to go
and when it did it was like a fever breaking
I felt a bit better but still oh so weak
and feeling your loving power I was able to sleep,
thank you sweet Kira i love you so deep.
You are my Angel and I would be fully lost without you,
Kira my dear I send kisses of thank you over and over.
You mean everything and I'm sorry sweet one

and I wanted to thank you for all of you kind caring
and warm loving which helped me make it through
the pain and the sickness.
Thank you sweet Kira I so deeply love you
and am always here for you too.

Love Note 303

Good evening sweet love
I'm sorry you haven't heard from me
so far on this day here.
Yesterday in exhaustion
I felt your caring love
and understanding surround me
and I dropped off to sleep
till very late on this morning
waking with another bad migraine.
The type that you can't do
anything but get the bucket
and lay in complete darkness.
I'm sorry my love
because I knew you were worried.
I sat and thought about you
so you would feel me there with you
and to help calm my head down.
Even now I am fighting the last of it off,
I so needed to tell you I love you sweet Kira
and I promise I've not gone anywhere.
I will write for you a lot
as soon as I am fully better sweet one.
You are my everything and I so adore you,
say a prayer that I'll soon be better my darling
and feel me giving sweet kisses
so deep and caring,
I love you sweet Kira and always
giving you all of my loving.
I'll write you when my head is feeling better
to give you endless kisses and sweet comfort
I'll always be with you my sweet Angel so tender.
I'll always love you forever and ever.

Michael P. McParland

grows exponentially so please come snuggle with me
and share some deep kisses because I just want us

Drying Your Tears

Darling I'm so sorry for all the pain you're in,
I understand it in so many ways because
I feel that pain and share many of the reasons
and experiences just as you.
I will one day soon though dry your tears
and kiss you after I say it's now all okay,
I love you dear now let me dry those lonesome tears.
Kira dear I love you and miss you so,
I'm going to dry your tears one day soon and make you smile.

I'm sorry for the pains I've caused
and beat myself up everyday for the ones I know,
I'm sorry for the ones I've caused that
I am unaware because we all say or do things
at times that we don't know have hurt the ones we love,
I am so sorry love for all those pains
and I send you kisses filled with remorse and love,
kisses to say I'm sorry dear and I care for you so much,
kisses to say you are a jewel and I treasure you.
Kira I will dry your tears one day soon
and hold you close for so very long.

Kira I'm just so sorry that you are hurting
in any way at all and it tears at me
to know you're feeling such deep throbbing pain,
I would do anything to take it away
and I wish God would transport me there
so I could be with you for the rest of time.
I would dry you tears and then lightly kiss your closed eyes,
forehead, lips, hands, and then your eyes again.
I want to make you the happiest woman
for all time and dry your tears of lonely pain.

In spirit dear I am with you holding you
so very close and kissing you on your cheeks and neck,
feel my arms around you and my lips as
I give my strength to comfort you,
I am doing my best to help dry your tears right now
and when God has cleared our path

I swear to you I will dry them for real,
I love you Kira and can't stand to know you're in pain
because you are my best friend and everything.
So feel my hand in yours and my sweet kisses on your eyes,
Kira I am here for you and one day soon
I'll be drying your sad tears for real.

Michael P. McParland

I Miss You 17

I miss you my sweet darling Kira,
you're the most wonderful
and beautiful woman there's ever been on this earth.
I promise that I'm not exaggerating
or overstating that because in my view
there is no better than you in this world
or in heaven that anyone could ever
hope and ask for.
I miss you Kira so very bad because
you are the one I truly adore and love.

I miss you and your sweet smile and glowing eyes
and even though we never got to share that many hugs
I've missed those in the worst of ways.
My heart melts for you and my legs
always felt weak and shook when you were around.
my stomach filled with butterflies
and my heart began to race every time without fail.
You still make me feel all these ways no matter what
and I miss you because I love you truly dear,
forever through all time I just want to have you near.

I miss you dear and our long talks of true love
and intelligent thought contemplated from within,
I never had to dumb things down at all
because you understood and know what things are,
even when you didn't know it was easy to explain
because your brilliant mind caught right on.
If anything I sometimes felt stupid compared to you
and that only made me feel proud for you
because I know I'm not dumb and you are so damn smart
and that's just one part that makes you the best.
I miss you dear so very much and want
to kiss you while I hold you close.

I just plain miss Angelic you and all
the things you do and ways you make me feel,
you are a blessing I so truly feel
the greatest things for in every way.

I would do anything for you because
you are so very good and I love you to my core without a doubt,
you're so beautiful and it makes me
feel so good that you think I'm handsome,
I miss you dear because we have such
a true and shared loving passion.
I miss the woman that holds my heart so tenderly
and gives me the greatest love there is in any fashion.
I love you Kira and I miss you more
than a fat kid misses cakes and candies.
I miss you dear because you are the greatest woman,
I miss you plain and simply because
I truly love you and want to be with you non stop
through all time as we celebrate our love as man and wife.

Michael P. McParland

Amazing Woman 3

You are am amazing woman who's
touched my very heart and soul
and made it brightly glow.
You've renewed my life and given me
such endless cheer and hope.
When I am sad it's not because of you
but because I'm missing you.
You don't make me sad because you are
amazing dear in every way there is.
You are a miracle and I want to marry you.

Kira my Amazing woman you don't see
within you all the greatness that I see.
I seed a true fighter who's beaten
so much tough adversity,
I see a woman that still deeply cares and loves
about people all around when many others
would be cold and callous after all you've gotten through.
You are an Angel and a saint
and I so admire you.
Kira my amazing one my heart melts all over you,
you are a treasure and a jewel and I adore you so.

Amazing Kira you are beautiful in every single way,
I know that you can feel my love
and do have faith and trust in me.
I can feel it dear and it makes me feel so good,
we both just struggle with this distance here
and trying to do all our best.
We work so hard for each other and it is so great,
it feels so good to know you're there
and support me in full too.
Kira you're amazing and I want to hold you near,
Kira you are my best friend and I want to marry you.

Sweet Sunday Afternoons

Sweet Sunday afternoons in my Kira's arms
are the dreams that fill my waking head now,
to just hold you so close on the afternoons filled with sun
would be heaven on earth and strengthen our sacred bond.
Sweet Sunday afternoons in your arms
just feeling at peace is the miracle we both want and need.

Sweet Sunday afternoons snuggling and kissing
while quietly talking about everything that surrounds us.
I want to spend sweet Sunday afternoons
just you talking while I am listening.
I know that you need to talk and share just as much
and I truly want to hear all that you say,
if I have ever not seemed in want to listen I apologize.
I want to learn about you in whole my sweet dear,
I want to learn all of your thoughts and feelings
about the world, books you've read, places you've been
and would so like to see, music you love and want to share with me.
Sweet Sunday afternoons so beautiful through
with sweet Kira my dear is what I want right now.

A sweet Sunday afternoon watching movies
and reading fun books.
We'll read our own books but pick out
ones to share an read together as well.
Sweet Sunday afternoons getting cozy as you
curl up in my arms and I'll read out loud.
A sweet Sunday afternoon just me and you
saying to our loved ones we love you
but this is our time so please leave us alone.
Sweet Sunday afternoons with sweet beautiful you.

A sweet Sunday afternoon holding my Kira
and telling you that you are so beautiful.
you are appreciated and valued my dear
and I just want you to know how much I care
so when we have reunited we'll set times and dates
aside just for ourselves,
we've been robbed of our time long enough

and maybe I'm selfish but no matter what
I need times with you my sweet Kira just to myself
and sweet Sunday afternoons sound great
even if they're in the middle of the week.
To talk and to laugh just coming closer together
as we strengthen our loving bond both
physically and spiritually which I don't just mean sex.
I just mean spending time with you Kira the woman I love
in sweet Sunday afternoons feeling fulfilled.

Sweet Saturday Evening Kisses

I want to share sweet Saturday evening
kisses with you my sweet Angel dove,
just holding you in my arms while we
spend personal time just for.
Send everyone else out of the house
or just sit in our room
and not answering the phone or letting anyone in,
we'll just snuggle and kiss no matter
what else we may also be doing.
Sweet Saturday evening kisses with my only Kira
are the dreams that keep me going
because when it comes and happens
sweet Saturday evening kisses
with you will make life worth living.

Kira sweet Saturday evening kisses
while we sit and talk or read to
ourselves and each other is what I hold onto,
knowing a sweet life that's so good
with my sweet Queen and Angel gives me the light
I need to hold on because being with you
is what my heart and soul need and want
forever and ever.
To be with my best friend who's so very beautiful,
my sweet woman who I want to know can trust
and have faith in me to always be there.
To give you the love others have not showed
because they are stupid and took a divine woman for granted.
Sweet Saturday evening kisses should be shared
between to very good people and true lovers.

Sweet Kira sit and dream with me of
sweet Saturday evening kisses,
don't let the sadness of the longing get to you,
please feel the light of knowing it will come true,
feel the warmth and the touch of sweet
kisses and caresses that I so strongly send you,
see and feel the smile i have for my true love.
Kira my dear I so deeply love you

Evening Note 71

Good evening sweet love
it's a late dinner tonight
and I have been getting it ready
with beautiful you in my mind
and thinking of how
I would be making yours special
with the deepest of love
behind my wants and intentions.

The pizza is in the oven
cooking as I sit here writing
to yell you I love you and miss you,
that I wish you were here
to enjoy this good meal
and then after we'd clean up together
readying ourselves for the most
relaxing and loving of evenings,
and evening spend snuggling
and reading, watching movies,
and softly talking and laughing.
I love you Kira and you are
truly so very special.
My diamond and Angel
I so truly cherish and treasure.

So as I sit here this evening
and eat and afterwards do various things
including writing for you
I'll be sending you all
of my endless love and warmth.
Feel my sweet kisses as
I send you the beautiful
dreams that I have
and will write them
down for you the beast that I can,
feel my hand in yours
and my arms so tightly around
as I pull you in for
a hug so tight and big.

Oh my sweet Kira you are the best.
I am with you sweet love
and I promise I'll never leave you my dear,
my dedicated love for you is eternal.
Kira my darling feel as I take your hand
and smile for you,
then listen closely as I say now
Kira I love you there's no better my dear.
So soon I want to marry you
and have the greatest of times
as we will forever be at each others sides.

Michael P. McParland

Serving My Queen

I long to serve my sweet Queen
tonight and every day that we live,
I long and yearn to serve my sweet Queen
for all time through the next life.
I want to stand by and give my everything
serving my Queen in true love with all means.
I love you my dear and want to serve you
because you are so wonderful and I truly love you.

Serving my Queen does not mean
being a servant or slave because
she's such an Angel she would never want that
or treat me in the smallest of ways.
Serving my Queen is by giving all
my loving a true support that I have within,
serving her is giving of myself in whole and full
because I want to give all with the love that I have.
I want to serve and treat her as the Queen that she is,
I want her to feel the love she's always deserved
and know that she's special and I'm always here.
I love you Kira and through this whole life
I want to hold and serve you as the beautiful Queen that you are.

I wish you here my sweet Queen
as I cook dinner tonight I'd make
a special pizza just for you that you most like.
I know my always cooking dinner
I mention a lot and cooking for those I love
means something so special and close to my heart,
so cooking for you would make me happy my dear
and would be one of the greatest ways I could serve you,
I wish I could make you a pizza you'd love.
So special for you and you alone,
only you would get that special preference made just for you.
Serving my Queen through life will be fulfilling
and eternally make me smile.

Serving my Queen means doing everything I can
to always make her so very happy and proud,

to show her total undying and unconditional love,
it's by letting her share my entire world
by breaking down my thick protective walls.
I'll honor and serve her because I will do that
only for her and nobody else.
I will serve my sweet Queen because she truly is the very best.

My Queen I would hold you each night and day
giving the sweetest kisses you'd ever need or want,
I'll serve you in love by always
having you lay down on your tummy while I gently
rub your sore back and hurting neck.
Rub your feet which is something I'll only
ever in regular everyday life do for you
and rub your sore legs as well as whatever you need.
My sweet Queen I'm here to serve because
my heart and soul are yours in true love.

Through my true and pure love I'll serve you my Queen,
I'll stand by you forever holding you close
and giving you all my support,
I'll fight for and protect you forever and ever,
you my sweet Kira I will adore through eternity
and as my best friend and soul mate give of myself
working hard to make you proud and smile,
I love you Kira my Queen and I'm here to serve you,
I'm here to snuggle, and in serving you true love
I send you warmth in these millions and millions of sweet kisses.

A Quiet Loving Talk

The game is now over and the TV turned off
and I would just like us to sit up in bed
and quietly talk for hours.
I just want to look in your beautiful eyes
and have both of us smile as we snuggle
while sharing sweet peaceful kisses.
then sit and quietly talk about
all of our feeling and thoughts.
Quietly talk from the depths of our hearts and souls.

To just sit up in our warm bed and snuggle
while you share everything you want and need to my dear,
be it all of your thoughts and feeling on me
or about your life which I want to know all
or just about your thoughts and feeling
of what you see in the world that surrounds,
I just want and would love to sit and quietly talk.
I want to sit with my beautiful woman
who means everything to me in this world.
Let's quietly sit up in bed and snuggle while we quietly talk.

Let's quietly talk my sweet one and sit up in bed
snuggling and share some sweet kisses so deep and warm
then ask me any questions you want or need to know
and I will lovingly answer them all in truth and pure care,
you know how I can babble on and I love that you love it
and am so thankful you do and don't tell me to shut up.
I would love just to sit up in bed and quietly talk
as I shared my various thoughts with you
as they pin balled around and around in my head.
I love you sweet darling and talking to you
is one of the most wonderful things I am missing.

now that the game is over and we have quiet around us
I just want to sit up in bed and be close together
snuggling ever so warmly and tightly,
give you soft kisses while we talk so loving and gently.
I want to sit and quietly talk with my
Angel and sweet beautiful lady sharing what we

are thinking and feeling so deeply,
we'll share this dream my sweet Kira and take comfort so warmly
because we will be able to have this soon
my rare diamond of exquisite and divine beauty.
God will reward us for our struggles and being so faithful,
I can feel it in my soul and we just need to hold on.
I love you sweet Kira and let's through our souls
sit up and feel each other quietly talk
and just feel deep comfort having this peace,
we'll be in each others arms soon and I'll
always be here sweet Kira preparing for that time.

Michael P. McParland

Endless Beautiful Saturdays

I love you Kira my Angel so pure and true
and even as I sit and watch the game
on this early Saturday afternoon
I think about the endless beautiful Saturdays
I hope to and want to have with you
this entire life through.
Endless beautiful Saturdays
with eternally beautiful you.

I want eternal beautiful Saturdays
where like right now we could sit and watch the game,
it's half time now and with you the first half
would have been one hundred times more fum.
Endless beautiful Saturdays with my precious one
are what I think of through the weekend days
thinking of such fun things we could do in each others arms.

A beautiful Saturday where after the game is through
we could bundle up and sit outside under the fall sun
and hold each other very close,
just sit and smile knowing peace and cozy content as we
talk so softly about the many things
that we have needed to for so many years.
Not serious per say but the things we've so needed
and wanted to let the other know and can finally tell.
Oh the many things that we could do my precious one.
Endless beauty in your arms is truly everything
I want and need within this world.

Saturdays where when it is cold we can just
wrap up in my fuzzy orange blanket and snuggle up
giving kisses oh so deep and sweet,
listen to our favorite music and just
sit back on the couch never moving until we must.
Endless beautiful Saturdays in each others arms
are what we need and we truly need them soon.
Let us pray that God will soon open up our way
so we can have our life and have our dream.
We deserve beautiful Saturdays everyday we live.

Dear as this day goes by I will be writing you
and dreaming of the things we would do,
I'll write those down as the best ideas
within me come together and best form.
I'll help us both see such beautiful things
that will be and you write me too what you can see,
endless beautiful Saturdays with my lady fair are everything,
holding you so close and saying it's alright
is a gift I want to give to you,
to look you in the eye and see you smile as I say
I love you dear you are the best,
Kira I'm so happy and fulfilled that you're here.
The knowledge of knowing that we'll have these days
will keep me going through the saddest times
because you are my one and shining star
and through it all having you will makes all troubles
in this world seem so very unimportant and really small.
I love you Kira and through eternity I always will.

Michael P. McParland

Morning Note 127

Good morning my darling Kira
I hope you slept well
and had the sweetest of dreams,
I woke but 10 minutes ago
and before I turn on
the Ohio State game
I wanted to tell you
I love you so
and wish you were here
to sit with me and
enjoy the day.
First the game and then
random things.
Being with you is what
I want to be doing
every day through the rest of time.
Kira you are my Queen
and I adore you so much.

I'm sorry sweet one for the
slow start on this morning here,
just one of those nights
I slept so deep and long,
please feel all my warmth
and love as I send it your way
and wrap up in its comforting peace,
Kira you are my darling
and I want you to not feel alone,
I understand how hard things are
and I want you to know
I am with you sweet one.
I'll be holding you extra
tight today for even more comfort to you.
I love you Kira and hand in hand
I'm right beside you.

Have a great day my sweet Kira
and feel the warmth of the sun
shine in whole upon you,

feel it as the sweet kisses
I plan to give you,
feel those sweet kisses
all over you,
you are my beautiful girl
and when you are here
I'm going to kiss you
and hold you for the longest of times.

Sweet Kira sweet Kira
if you're in need please reach out to me,
I am here for you love
and I always will be.
You are my Angel so pure
and my best friend that
is my soul mate too.
I'll never leave you sweet girl,
I'll take your hands gently
and today I'll hold you ever so firmly,
I love you Kira and I want
to always make you so proud and happy,
I will always be here to
take care of my sweet precious Kira.

Michael P. McParland

Goodnight My Sweet Beautiful Kira

Goodnight my sweet beautiful Kira,
I adore you so much and just long
to do everything right and hold you tight.
I want to snuggle in bed with my Angel
so pure and good as we fall asleep
feeling safe and at peace.
I love you sweet Kira please come snuggle with me,
let's reunite in our true love and talk,
I just want to be the best man for you that I can
and right now I feel so confused
about many things before me and at hand.
One thing though I am not confused over
is that I love you sweet beautiful Kira,
you are adorable and I miss you.
Let's snuggle each night as we share kisses
in love as we go to bed feeling cozy.

Kira it makes me happy and smile when I know
that my poetry and my letters make you feel good
and smiling warmly on the inside,
I truly hope you realize there is not a negative tone
intended in a single thing I have wrote
and if it's ever seemed that way I apologize,
remember as we discussed with each other
that loving words are truth and reality,
I don't have a poem posted that I can think of
that has a single negative I meant in it.
Just loving tones and words for you my sweet Angel,
so as you read any before bed just feel the softness
of which I mean and intend.
Gentle and tender goodnight kisses to you my sweet dear.

Goodnight my sweet dear and through this night
I'll be holding you ever so tight
giving you kisses so sweet with my love and warmth
I always give thee with my strength,
sweet Kira my dear my heart is yours
and as you rest your head on my chest feel its strong beat,
that beat is for you and you alone,

please feel its sincerity and deep love for you
my sweet Angel dove.
Hear it's sweet songs that it writes for you
and feel one hand in yours and my other
rubbing your back gently and stroking your hair,
listen as I tell you I'll never hurt you Kira
I don't like you in pain and I love you more than anything.
You are an amazing miracle and blessing I'm so thankful for.

Goodnight my sweet and kind beautiful Kira
please don't cry and come let me dry your tears,
I have them too from missing you
and I just want to hold you so close to me.
Tonight in my dreams I pray that I'll see you
and we will spend time like we want to,
just like I soon hope we will do my only Angel,
I love you and want to always be with you.
Why does God have to make it so hard
for two people so dedicated and faithful?
I love you Kira and as I go to bed
I'm longing and aching for a sweet snuggle
with the Angel I'm dedicated to forever,
I want to share kisses with sweet beautiful Kira.
At that my sweet one I wish you beautiful dreams
and a peaceful goodnight I love you Kira
with all of my heart, soul, and might.
I'll be with you always my Angel of light,
so sweet kisses and snuggles to you my sweet one,
I'll never give up on you because you are my one.

Michael P. McParland

Michael P. McParland

I Love You Kira 13

I love you Kira more than anything,
I treasure our friendship and our loving bond
having you as my best friend is
the greatest thing on this earth.
I could spend each day hold hands
and talking with you to no end,
I want to give you sweet kisses so very deep
and just look at my Angel and marvel
at the amazing love we share.
I love you Kira you're the best.

can compare to you beauty or your worth.

I love you Kira and without you
my heart is just so very very sad,
I want to pull you in so close and just say
my darling dear you are the best and have been deeply missed,
I want to just pull back and give you true loves kiss
and then break down all the walls as I have
so often tried and let you inside.
I love you Kira and you are my Angel bride,
you are the only one with whom
I want to share this earthly life and be with in the next,
I want to spend eternity with Kira
as the Angel I am partnered with in the afterlife
and be in joy through all time.
I love you Kira more than anything there's
ever been or will ever be.

You are a blessing and a saint and you are my best friend
which to me means the most.

Michael P. McParland

More Than You Can Know 2

Sweet darling having literally just arisen
from a fairly sad sleep of loneliness
I wanted to tell you babe I truly love you so
and more than you can right now know.
Being so far away I can't show you
all the things I hold and have in store.
So far away you can't look in my eyes
and see that I am full of Gods loving truth
and I would never lie to you.
I love you Kira more than you can know
and I want you to see just how deep and real it is.

I never want to hurt you dear or put you in pain,
I would not do that intentionally ever
and I'm so sorry if I am.
I hurt so bad too being away from you
and I'm not playing any false facade
I promise because you're the one I trust
and you're everything I need and want.
You are the one I adore and give myself to you in full,
to see you hurt makes my pain worse
and I hope you would never think I lie
and try to make your heart pound with pain so bad.
I would never hurt my sweet Angel dove.

I want to hold you so badly that my heart
feels like it's being shredded that I cannot do it,
I wish I knew the miracles to go and get you
because I want to be your hero that
is able to give you everything right away and make you smile.
I want so bad to hold you and I hurt
sitting here not knowing what I'm supposed to do.
I love you Kira more than you know
and I know you love me too and that's why
I'll sit and cry so many days and nights
because I don't have my best friend and true love here
to hold and kiss through the days and night.
I miss you Kira and love you very much.

I love you Kira and have presented to you
only the greatest truths of my very soul.
I would never even reveal a quarter of
what I have on here except for you
because I love you so very much
and want to show the depths of my
heart and souls loving care.
I love you Kira and that is true,
please talk to me and you'll see
all that's there within me dear.
I love you and I know you hurt,
I hurt too and want to end this hurtful state,
us being alone and apart is the worst thing in my life
and I've so often contemplated suicide
because the pain I feel is so extreme I can't stand
how it weighs on me without you here to share my love.

I know you feel alone even though you don't at the same time,
I feel the same way and I want you by my side
inside my spirit just screams and screams,
I don't need you to save me but just hold me
and let me know you are right there for all time.
Reach out so we can kiss and tell each other
how much we've missed this time apart.
I hurt just like you and love you
more than you can know in how things are right now.
I love you Kira and just want to give my best,
I adore you my one in every way and want you in my arms.
I love you Kira so damn much in every way
and I just want to look you in the eyes
and say it every night and every day.

Michael P. McParland

Close Our Eyes 2

Let's lay down for a little while
my sweet Angel and recharge
our batteries so we can have energy later.
The medicine from being sick
is making me weary and I need some rest
and I want you here by my side to give a kiss
and pull in to hold so very close.
Let's close our eyes my sweet one and rest for awhile.

I love you my sweet one from the very depths
of my heart and soul and I care about you
completely my dear sweet Angel dove.
Come lay with me and get some rest
while sharing sweet kisses that feel so warm and right,
I want to feel good with my Queen laying beside me
for real and have you smiling us being fulfilled,
at one and whole again my sweet Queen supreme,
come lay with me and will close our eyes for some good rest,
I'll snuggle with you my who is the very best,
I'll stroke your hair and rub your back
as you rest your sweet head upon my loving chest.
Hear how it beats for you beautiful Kira
whom I give my whole life.
Come lay with me and we'll close our eyes for some rest.

Let's close our eyes my sweet one and get
a bit of such needed rest,
I want to kiss you and talk a bit as we drift,
just let you know that my heart
swells with love for my girl I adore
and want you by my side forevermore.
I love you my one and that will never change
because you are the one I cherish above anything.
You are the Angel my heart calls for each day
come my sweet Queen and let's close our eyes
and see each other in the sweetest of dreams.

Michael P. McParland

Deep Kisses Beautiful One

Deep kisses for and to you my beautiful one,
I have some dishes to do and then
I'm going to dream of sweet you while
for a little bit I close my eyes
so I can be more refreshed and make it through the whole day.
So I can write for you with a fully
functioning mind not dragged down by being so tired.
Deep kisses of true love to you my beautiful one
I give myself and entire life to.

Deep kisses with big smiles too because
my heart glows when I can feel your spirit here,
I feel you so close and your love fills me up,
you'll help me get through this medium sized task
and to relax so I'll get that refreshing rest.
Deep kisses to you and I would like it
if you would rest peacefully with me too.
In my arms in spirit giving you warm comfort,
stroking your hair as you rest your head on my chest
and tell you I love you and you are the very best.
Deep kisses my one who brings me hope and the sun.

Deep kisses for you my sweet love filled with burning passion
and gratefulness for being such a wonderful woman,
deep kisses to you as I can feel you here
and I put my arms around you so feel me right there,
feel my big smile of loving care and say I love you my dear,
come and join me so soon so I can show you
how much you're loved and that you are my Queen.
Deep kisses to you my beautiful one and feel how my heart
beats so long and so hard just for you,
hear its sweet songs of true love just for you.
Deep kisses of deep love for my only one,
deep kisses for a loving spirit and heart so very pure,
I love you my dear and I always have,
I love you for eternity my beautiful dear,
you are the Angel I so want to be with through all time
and send deep kisses of true love to my only one
the Queen of all that is truly good and fine.

My sweet beautiful Kira whom I want to give kisses forever and ever
all over again and again saying you are the greatest my dear
and I love you more than anyone or anything.

Michael P. McParland

Good Morning Beautiful Kira

Good morning beautiful Kira
my sweet precious Queen,
I was just looking at you picture
as the computer came on and my heart
jerked a little with such longing and joy.
There is always joy in my heart
when I look upon you and see that smile.
I can feel you here and smell your
beautiful pale shin and hair right now
and it gives me such wonderful calm.
Good morning sweet Kira you're so beautiful to me.

Good morning my sweet Kira so beautiful
and loving in every way,
I just wish I could rest my head
against you well we spent a quiet and somewhat
slow morning just waking in full and getting going.
I would just love to lean next to you
and rest a bit while you drank your coffee
and we would just sit and talk with
beautiful quiet around us and fulfillment
just spending time one on one.
I love you sweet Kira I can't get enough
of talking to you and hearing your voice.

Good morning my beautiful Kira and as this day goes
I'll be sending you smiles with my loving warmth,
when I close my eyes in a bit I'll be dreaming of you
and sending you those sweet thoughts where we
go and do everything we dream of hand in hand,
I will send all to you so you'll smile too.
I'll need to lay down because these meds and being sick
are making me so very tired but sleep is sparse
and I promise you I'll write you before
and want disappear the whole day,
I won't let you down because I hate how it hurts you,
knowing your hurt makes my heart hurt as well.
I promise my dear I will be with the the entire day.

A beautiful good morning to you my sweet beautiful Kira
and God bless you my sweet Queen and darling,
feel my arms around you as I am so tightly holding you,

feel the sun as it shines upon you giving
you all of my passionate care and deep love,
close your sweet eyes so you can see and feel
my ever loving looks and smile,
feel the warmth of my heart as I think of you always.

you are the Angel that gets me through things,
you are the blessing I've always waited for
so have a good morning and remember I'm right here if you need me,
I love you sweet Kira and have a beautiful day
as I stay forever faithful to my only lady.

A Tender Early Morning Snuggle

How I long for a tender and gentle
early morning snuggle with you my sweet Kira.
To pull you in close and give you
sweet and soft kisses while stroking your hair,
both of us shuddering in passion
and the warmth that is generated by true love.
A tender early morning snuggle
highlighted by to most tender and gentle soft kisses
as we felt fulfilled and peaceful
resting a little while longer before the day starts.
I yearn for that my sweet one
and I long for it to be with you and you alone.

A tender early morning snuggle my sweet one
can you imagine the sweet comfort
and cozy safety we'll feel together?
I get a longing smile and burning inside
just imagining it here where I sit,
my heart calls out saying Kira this would be
the greatest you are just who I want for this,
I want a tender early morning snuggle everyday with my Angel.
I send you my warmth and this dream with kisses supreme
so you will be happy and smile too.
So soon my sweet love tender and gentle kisses
while we rest and snuggle in the earliest of mornings.

A tender early morning snuggle sweet Kira.
Another part of life I want to share with you
my sweet beautiful Angel,
another part of myself in both need and want to give
I can share with only you because my heart is yours,
you know I can't touch very much or very long
but with you my dear one I know I can.
To give and receive such love innocent and pure
in all ways no matter in what way we touch
is the dream and truth of true love,
that's what we have in the bond that we share,
a connection that neither of us fully understands
but we have and are thankful for in every way.

I want a tender morning snuggle with you.

A tender morning snuggle and days filled
with real loving joy are what I know
I can and will share with you,
the most amazing woman there is in heaven
or on this earth.
A miracle and blessing I'm so thankful for,
I just want to be worthy of the greatest girl
and share sweet and tender snuggles with gentle kisses
each and every morning for eternity.
I want to prove my true love to thee,
I want you to see I will always be here for you
my sweet Queen and true beauty because
I do love you deeply and together I want us
to be forever happy.

Michael P. McParland

Night Note 114

Sweet kisses and big hugs
to you my beautiful sweet Angel dove
and I'm reaching out
to pull you in for a snuggle
as you are the brightest Angel
there is and the woman I so adore,
I give you my tender
and loving smile because
you make my heart happy
and whole once again.
Sweet kisses so passionate
you you over and over again.

Sweet Kira my one
on this night where I try
to get some odds and ends done
I call to you to feel
all my peace and warmth
and let it wrap you up
like in a blanket giving
you cozy comfort so you
will know that you're safe,
I'll be with you always
standing beside you
giving pure love from my soul and my heart.
I'll be giving sweet kisses
as I hold you so close
and saying softly
in your sweet ear
I love you my darling
and for a while let's forget the world
and just relax with each other
feeling so whole and good.
I love you sweet lady
and you are supreme.

So my sweet lady
curl up beside me
and let me tell you

how extremely important you are
to this man who adores you,
how you are my best friend
and I truly love you.
Let me release so much inside me
because I need my trusted one
right now to be right here
and hear all the things that
I'm thinking and feeling
about my dear Angel and everything,
to kiss you and hold you
feeling your love surround me
and give you comfort
by giving you everything.

Sweet Kira my lady as
I go about the rest of this
night before me I'll be
sending my love so deep and true,
close your sweet eyes
and see me smiling at you,
know that my heart and soul
are forever yours and yours alone,
feel my sweet kisses my sweet Angel dove
because for eternity my kisses
and myself in full will
only ever be just for you.

Michael P. McParland

Holding You Tonight

I'm holding you so very tight tonight
my sweet love of true light and I care for so much,
you are such a wonderful woman
and I love you so very very much.
I'm sorry I'm bipolar and sick because
I know how difficult it is for you
and how much it can hurt even when
I'm not trying to do anything to give pain.
I wish so much I could heal it
just for you so you could have the perfect man.
I love my perfect woman here and I'm holding you
so very tight and near to give you peace within my strength.

I'm holding you so close and tight to give you warmth
and help you know in full that you are loved,
with kisses on your cheeks and head I say
I love you oh my precious one and my heart is yours forevermore,
I give you my whole life and strive to make you proud
everyday in all I do because you are the one
whom I so deeply adore and cherish in every way.
Sweet Kira I am holding you and gazing in your eyes
to let you know the depths of my loving care
within my very heart and soul.
I'm holding you to take away your fears that you're alone.

I'm holding you tonight because I know you need the
loving warmth that I have and you are a special
person whom I adore in every single way,
my heart melts for you and I miss my one
who gives me butterflies and weak knees.
I'm holding you to help ease the physical pains that we're both in,
your back, your neck, and there is more I know
but not exactly sure in full though I
believe your knees are just as bad as mine.
You help ease my knees, the arthritis that's gotten
so very bad indeed I can't write with pen or pencil anymore
and some days typing hurts a bit,
my neck and shoulders with my feet in tow
and two days ago I fell and cut my head,

it is not bad and I was sober dear but it stings none the less.
I hold you close so in our warmth the pain is less.
I love you my precious one and my heart gives everything for you it's got.

I'm holding you tonight to soothe our heart
and I just want you to know that you are loved,
you need to know what a beautiful precious woman that you are
and how I love you so very much.
I adore my Angel and I have from the very start,
you are my Queen and shining star who needs to know
just how much you truly mean to me so I tell you
by holding you and saying Kira you are so dear
and I love you more and more with each passing day,
I want to marry you and spend all our lives here and in the next,
I want eternity by your side to end all sad tears,
I want to hold you through all time just like in pure true love
I do on this night and every one my darling dear.

Michael P. McParland

I Need You (More Than You Know 2)

Oh my sweet dear I hope you are alright,
I know you're angry at me now
and I'm sorry please don't be,
I need you so much and I want to
just fill you with pride because
I truly love you so very much.
I need you my darling and I will do my best
to explain how much you mean in so many ways.
Kira you are a miracle and my every thing,
you are a God send and diamond that shines
through all dark giving such hope through all dark.

After I wrote you last night telling of
my pain and distress and telling you
that I wish you were here to hold and kiss
which I feel no matter the deal
I lay down my head and began to cry
for a little while from the hurt inside.
I thought of sweet you and your smile so good
and not long after the tears I fell asleep
my sweet dear until 10 minutes ago.
I am sorry sweet dear and you did help stop the tears
sooner than they would have alone.

I need you sweet dear because otherwise
I would be all alone without the woman I love,
I'm hurting already with you so far
and us not hearing each others voices right now,
I'm sad and hurting that I can't share
news and happenings with you either way.
I'm hurting and struggling without my Kira
so adorable, caring and full of true love.
Your love is unconditional as is mine
and I need the most wonderful woman
to reach out and touch, to look at when I want,
to say I love you my darling every day and night.
I need you more than you know my sweet Angel dove.

I need you because I love you and you make burdens lighter,

I can talk to you because even when I'm not
making sense you try to piece together by helping
me slow down and I don't feel stupid giving my meaning.
I'm tired of being hurt by others and it really
only matters if I can share with you anyways.
I need you because I want to remember what true beauty is
and true beauty is you my precious girl,
you are the worlds beauty my Angel so pure.
You help stop the awkward pains of the world,
you don't look at my ailments as a burden too.
I appreciate all that you do and you being you,
I need you more than you know.

I need you more than you know because I
want to be here just for you and show you are loved.
Kira you're not alone and I'll never
push you away for any reason there is.
No matter what fear you have I will listen
with open ears and full understanding
even in those things I do not I will try diligently.
Kira I need you because I care for you
and hate the pain you are feeling,
you need to know that you have someone worth trusting
and will never do anything intentionally to hurt you.
I need you more than you know because
so few in this world ever get that true love
and losing you would take all hope away.
You are my Angel and Queen and deserve everything,
I want to give you the love that Kira deserves.

I need you sweet Kira for a host of reasons
but all that really matters is that I love you
deeply, truly, and completely.
The need is my lady to be by you and giving
all my support and tender loving,
the need is fighting together as true
and dedicated lovers forever.
The need is to tell you Kira I love you
while I give you sweet kisses over and over.
The need is to share with you my whole
heart and soul forever completely sweet one.
I need you more than you know because

you are my best friend and have totally touched me
in the most special of ways with a sacred bond
that we share for all space and time.
I'm thankful for you and that is something
so very true that you need to know and feel.

Michael P. McParland

Love Note 299

Good late evening sweet dear
I truly hope and pray
you are doing so well,
I'm hurting right now
from other people and the
stuff that goes on here.
I wish you were here to hold
and help all this pain go away,
to help dry the tears
that are on the verge of breaking free.
I miss you my sweet love
and wish so bad that you were here
to just spend time with
and have you tell me
everything is okay.

I am sending you all
of my deep loving and caring
and I miss you so very painfully,
I wish you were here
to hold me tightly
as I let go the sadness
and tears I am now so deeply feeling,
I need your comforting my sweet lady.

As ever I'm sending you kisses
and am with you my Angel
I love and care for so deeply,
you truly are my heart and souls holder
that I need because I so love thee,
I just want to do right
and am tired of hurting.
I feel good when I make you smile
and proud,
I love you sweet Kira and I always will.

I'll write you later
as now I'll bury my face
to cry for awhile.

I so love you and wish you were here
to be close and talk to.
I love you sweet Kira
because you give me light and you are my Ange.
So as I lay here
pouring out these tears that are needed
I'll be sending you my sweet love
and warmth which for you I'm always feeling,
feel my hand in yours
and my arms wrapped around so tight in care.
I wish you were here because
you will always be all I want and need.

Michael P. McParland

Sweet Evening Kisses With Kira

I dream of giving and sharing
sweet evening kisses with my dear beautiful Kira,
as we sit and watch fun videos
I would just hold you so close
and give you light kisses on your
forehead, cheeks, and soft beautiful neck,
then turn your head to me smiling and say
I love you my beautiful Kira you are the best,
then passionately kiss you on your sweet lips.

As I sit here watching videos also doing
other little odds and ends I just smile
and dream of sweet evening kisses with Kira
the most beautiful woman in heaven
or on earth and I so madly love.
Sweet evening kisses while inside me
the intense flames of passion and true love burn on,
sharing sweet kisses that give the tingling
from and of the only person on earth
or in heaven I want like that and would give of myself.
Sweet evening kisses with Kira my soul mate
and treasured best friend.

Sweet evening kisses my dear Kira will come our way,
true happiness in our souls and grand times
celebrated with our families on both sides
and felt so deep and fulfilled with each other my dear,
right now though in spirit sweet evening kisses
with sweet beautiful you whom I cherish,
I love you Kira my Angel I treasure,
eternity is the place that true happiness
after this life is what I want with you after this one,
fulfillment and happiness here and there with my dear one
as we share forever and ever sweet evening kisses
so deep and meaningfully beautiful.

Beautiful One 7

My sweet beautiful one I'm here
trying to get moving on some things
I need to get done by first gathering up my strength.
I've been smiling thinking of you
and the little things you do that make me smile
and the little things that make you
so very adorable and really cute.
Those little things are what add up
and make time and life with a special person
the very best there is on earth
and I'm praying that with you in the next life.
Beautiful one you've given me a smile
which today I can and will build upon.
Thank you darling one you are beautiful in every way.

Beautiful one as I sit here eating just a bit
before I get up to do my few chores
I wanted to let you know you are so beautiful
and that I just love you so much,
my chores aren't but a few and I wish
you were here to eat the fried chicken dinner
I've planned tonight because I know
you'd love it and for my lady
I'll roll out the red carpet and greet my Queen
on my knee to present all my world to her.
Your fat man wants to give you everything
he has to give because my heart overflows
with admiration respect and unconditional never ending love.
My heart swells and melts for my beautiful one
that I would give my whole life for.
Beautiful one soon we'll have everyday in our hands.

Beautiful one how could I not adore you so?
I tell no lie or exaggerate when I say
you're the perfect woman in my eyes
and that I could ever want or see.
Beautiful one anyone who has you in their lives
is the lucky one and like me should
get on their knees and thank God

he's sent you in their life to give
such loving friendship through all things.
Beautiful one I truly do than God for you
as an Angel, as a gift, as a blessing
that is a diamond in the rough.
Beautiful one I can't wait to spend each day
with you in my loving arms.

Beautiful one as I go in a few to do
my small chores that won't take long
I send you kisses and my loving warmth very strong.
I wish you were here to just sit with me
and chat while I did my work.
I wouldn't want you to do more than just relax,
your company would be the greatest treat.
To look across at my precious one
would heal my heart time and time again,
beautiful one my heart swells with such pride
and joy even over the smallest glimpse of or dream of you.
Beautiful one I plan to marry you and be
the greatest man you can ever want or need,
you are my everything and you make me happier
than I've been in so very long because you are a joy.
Beautiful one I love you so and I always will,
remember dear I am here for you because you are
my beautiful one I hold so tight within my heart and soul.

Michael P. McParland

I'm Sorry Babe, Thank You

Good late afternoon to you babe
I'm so sorry I was in a sense away
for a long time today as I only just woke up
about 10 minutes ago from that very long sleep
and I thank you first for your peace
and love that you sent or I otherwise
would never have been able to fully relax
and I thank you for understanding
such a deep need and always always
for the loving you give to me.

I'm sorry sweet one if you were worried
or thought maybe I was somehow upset,
not at all my darling one but in
a state of very deep sleep which
I'm still trying to shake off in full
and thank you always for being right
there for me to take grab onto and take your hand
rather in spirit right now or when we're together again.
I love you sweet Kira and you are the best,
remember sweet one I'll be at your side for all time.

Oh my sweet love I am truly sorry for
any worry you had and wish I could
gather you up into my loving arms right now,
to give you sweet kisses and tell you don't worry.
That I'm sorry sweet one and I so deeply love thee,
thank you for always being so caring and loving,
being so truly understanding and supporting.
I promise sweet lady I'll never be abandoning
because you are my lady so full of light and hope.

I'm sorry babe and please give me a smile,
I promise I'm with you always holding you tightly,
I'll never do anything I know would hurt you
because you are the Angel who my souls connected to
and I say thank you for loving me too.
You and your care mean everything my sweet dear
and I want you to know you're one of the

few things that still gives me true bursting cheer,
I'm sorry for ever hurting you and worrying you today
and I thank you always for the wonders you do,
I love you and when you are here I'll list them
and thank you in full.
I'm sorry my babe for having been so late today
and thank you for all of you kind and caring loving peace.

Goodnight Snuggle With Kisses

Goodnight my sweet Kira so beautiful and divine,
let's now slide under the covers in bed
and snuggle like the two true lovers we
always have been in our souls and hearts.
Let's snuggle with sweet precious kisses
and smile so brightly to each other like we used to.
To bask in the glow of your love
has always been the most wonderful thing there is
and to snuggle with sweet beautiful Kira
under the covers sharing loving kisses
is how every night should begin to end.
Goodnight my sweet Queen will you come and join me?

Goodnight Kira my sweet Queen and despite
that these meds for being sick and the headaches
are making me so very tired it's making sleep erratic
so I'll most likely be up and down between sleep and wake
I promise you though dear I'll be holding you tight
through the whole night rubbing your aching back
and stroking your hair while you rest your head
peacefully on my chest taking peace in my warming care.
I'll not leave you alone or without the blanket
of my peaceful strength and love to
help you feel cozy, comfy, and safe withing.
Listen closely as I tell you I love you
sweet beautiful Kira I'll be by you forever my dear.

Tonight my sweet love I'll see you in our dreams
both in my waking, sleeping, and in between.
I'll be there to hold and protect you as always,
however in our dreams it will be just you and me.
We'll lay on a blanket in the vast green field
that in our dreams we found together and go to,
we'll lay down a big fluffy blanket
and together wrap up in my big fuzzy orange blanket
snuggling tight under the dazzling moon and stars,
oh my sweet Kira one day soon I know
and there will be no looking back
because we are best friends and soul mates

and I am truly your my sweet lady.
Tonight in our dreams sweet kisses and hugs just for you.

Goodnight my sweet darling Kira and now
let's slide into bed under the covers
for snuggling and nuzzling with the sweetest kisses.
My sweet beautiful Kira I promise you

in peace healing together
I love you sweet Kira for you are my Angel.
So a sweet goodnight to you my dear Queen
I'm now pulling you in for pure comfort
my sweet Angel dove a true blessing and gift from above.

what an amazing blessing from heaven you are.

My sweet beautiful woman come rest with me,
you are my best friend and everything.

let's help end this longing pain in each other.
I love you Kira my sweet precious beautiful woman,
please talk to me and we will soon come together
having fixed everything and we can begin our eternal journey.

Michael P. McParland

Curl Up In My Arms

Come curl up tight in my arms
and let me just wrap you up close
to give you sweet comfort in my loving arms.
I want to know that you are safe
as I hold you near and that you feel true peace,
I want to give you true calming
love to just fill your soul
and to know I'm giving you something
you so very want and need.
Please my sweet lady curl up in my arms
and I will give you sweet kisses
as you feel safe comfort and unwind in my arms.

Come my dear one and curl up in my arms,
bury your face if that's what you need
and cry away all the things you hold inside.
I understand and will be there the whole time,
you can feel safe when I am around,
just hug me back as you curl up
and rather we laugh, cry, sit in silence,
or just smile and kiss I am right
by your side my sweet dear,
come curl up I know you need the warmth
and I will give you all that I've got and more.

Come my sweet dear and curl up so tight
within my arms so you can know

I miss my best friend and I can
also feel the deep pain you are in.
So please my sweet dear and come so very soon
curling up in my arms as I support and protect you.
I love you immensely and right now
my heart aches and hurts so very badly
and my greatest desire is to hold you so closely

and help you feel safe, truly loved,
and for you to know you won't ever again be lonely.
Come curl up with me my sweet lady and Angel,
you are everything I want and need forever and ever.

Michael P. McParland

To My Special One

To my special one I send sweet kisses
so full of love and and true care,
I wrap you up in my arms with acceptance
from true love of just who you are.
My special one I send to you all of my warmth
and can't wait to hold you seeing you smile.
To my special one I send such caring love
and all of my strength to wrap you up
in total comfort and caring peace.

My sweet special one I send this message to you
letting you know from the bottom of my heart
and deepest parts of my soul I wish you were here
to so tightly hold and let you know you are loved.
To just heal your hurt heart and start
the process of building our life together
by first patching up the misunderstandings that were worst,
the miscommunication is what broke us apart
and I know we can fix that because of our bond,
we share such true love and have never let ourselves be stopped.
To my special one I send the warmth of my heart
and its loving pleadings in need to be with you forevermore.

To you my sweet special one I so love
I truly want to spend my time with you talking,
laughing, reading to each other and watching T.V.
I know some of the things I want and would enjoy
may sound cheesy but in a lot of ways
I still have the heart of a boy that wants
sweet innocent things with my one as well
as those things of a man.
I would only share all these things with you
and to you my sweet love I send my heart
in this message so sincere in my love.

To my special one I say I love you so very much
and to only you I open my heart,
because even through our hard times and fights
I know you would never want or try to

intentionally hurt my emotional heart
nor would I try to hurt yours my precious one.
I've closed pretty much all other doors
because I can no longer take the pain
and you are the Angel who I will let in,
you are my Kira I so deeply adore in every way,
I love you my dear and that won't stop for anything.
So to you my special one I give my soul, my hand,
and my heart and whole life.
I trust you sweet one and will let you in all the way.

Michael P. McParland

My Heart To Yours For Eternity

My heart to yours for eternity my sweet one
I love and adore you more than anything
and there I strive to always make you proud and happy.
My heart to yours for eternity
because my heart, my essence and very soul are all yours.
I love you my darling and with true love for you
my heart overflows pure rivers of gold.
You are the most precious thing in this world,
you are it's beauty and in joy that makes me cry.

My heart to yours for eternity because of
the most special and sacred bond that we so deeply share.
Could you feel its power to when we first met?
I think you could but must ask,
I think you did because we are both so very shy
and in so many ways opened up to each other
that with others we could not or would dare not,
all that kept us back was that last bit of shyness
which kept us from saying our love directly,
when we looked at each other though everyone could see it.
It was mentioned to me so very often
and I've always known you are who I cherished and wanted.
My heart to yours for eternity because you
are my Queen and sweet Angel.
You are so darling and my heart melts and sing for thee.

My heart to yours for all eternity because it aches
so very much when you aren't near to me
and when we are not talking.
Even now when I'm smiling I ache and yearn
for the beautiful woman I adore and love,
I pray you are not angry even though I don't feel that you are,
my heart longs to give you sweet kisses
and hold you so close sharing sweet warmth.
My heart to yours for eternity because
you are my dream and only true love,
I want to marry you and be with you for all time.
My heart to yours for eternity because you are my light,
you are my hope, you are my northern star and a diamond in the rough.

My heart is yours and forever it shall be to no end,
My heart to yours singing my favorite songs of love
and writing poetry just for you through eternity my dear.

Michael P. McParland

I Want You In My Arms

I want you here in my arms my sweet one
to give you such sweet love and heal your
hurt and and aching heart with soothing
words and actions in the many ways
a man should and does show the woman he loves that he cares.
I want you here in my arms my sweet one
because you are my everything
and mean so very much to me.

I was just lying down for a few hours rest
and another nightmare struck me
I feel so very close to hurt tears.
You did not hurt me nor did I hurt you
but I could feel the hurt that you hold
as you told me how hard things have been
and how others have so badly hurt you.
I remember no specifics other than
the pain held by my sweet darling Angel
and it wrenches my heart because
I know that you truly carry that deep hurt,
and I made it worse at times through
my hurtful actions that stemmed from various reasons.
I want you in my arms to help heal you
by showing you caring love so very peaceful.
I want to be the man who let's you know
you are so worthwhile and a gift
that anyone would be the luckiest to have.
I want you in my arms because you
are the best thing that has ever happened to this man.
I know you hurt and I want to cry.

I want you here in my arms because you
are my sweet and dear only one,
you have touched my heart and soul
more than you can truly ever know.
I want you here in my arms where you can feel safe
and have a trusted love to whom you can turn.
I want you here in my arms so you'll know
that never again on this earth will you be alone

and that I will be with you for eternity on the other side.
I thank God for you everyday my beautiful woman
and I want you in my arms to give you my everything.
In my dream I truly could feel so much of your pain
and my heart for you is hurting intensely and insane.
I love you sweet Kira and will always protect you,
I want you here in my arms so I can tell you
that you are important and give the most caring kisses
to my darling sweet and beautiful Angel dove.

A Beautiful Morning With My Beautiful Lady

Here in this early morning sweet one
I reach out and take you in my arms
to say good morning and I love you so much,
you are my special one so very dear
and I'm going to hold you in my heart for all time,
that heart which is yours my sweet Angel dove.
Even though right now in spirit
it's a beautiful morning with you my beautiful one.

Even with right now so far away it's a
beautiful morning with my beautiful lady
in my sweetest thoughts and sweet dreams,
I can feel you so near and I hope you can feel me.
I send all my warmth as I hold you ever so close,
a beautiful morning I will have with you no matter what
because I know our great time will come.
Kira my dear feel my heart from even afar
and know you are the one to whom I belong.
I want no other just you for all time.
I'm dreaming of a beautiful morning with my beautiful one
and reaching out to take your hand and kiss you again and again.

A beautiful morning where I know we would
just sit together holding each other drinking coffee
and so tightly holding one another,
smiling those smiles that say I truly love you.
I really do painfully miss that sweet smile
from the woman I love and admire,
please bring that back soon so I can kiss you
while you smile so big and look into my eyes.
A beautiful morning with beautiful you
just sitting here together feeling so good.
I adore you sweet one and my heart melts just for you.

A beautiful morning with my beautiful lady
and all these thoughts give me so many tingling feelings,
of hope so clean and pure, of sharing myself with you,
of spending time talking and playing games,
taking walks and enjoying our families and those we care for and love.

I dream of being there for you and to help
with those kids you already have.
I would feel not a burden learning a new life
and challenges I've never known.
I'll forever be happy if I can have my beautiful mornings
with my precious and pure beautiful lady.
To just sit and hold you talking and talking.

A beautiful morning with my beautiful lady
is what I know will be one of many things
so very meaningful, important and special,
I dream of it now and send my warmth in abundance,
feel my arms around you as I shower you
in sweet passionate kisses for my future Mrs.
You are the most important person my heart
yearns for endlessly because I love you to pieces.
A beautiful morning with you my beautiful lady
though now just in spirit is something
we can both smile over knowing
we truly care for and love each other
and one day our dreamed as will we come together.

because you won't break yet you're so tender and caring inside

and never abandon you.
God bless you my hero who I share a bond with,

Night Note 113

My sweet love I pray
you are sleeping well
and having the most beautiful of dreams
feeling my arms around you
and all the warmth I give.
Truly my love please forgive me
for any and all mistakes
that I have ever made.
I feel I need to let you know
how sorry I am and hope
you can forgive me.
A feeling I have tonight
of what I need to say.
I love you and never
want you to hurt my sweet one.

A few hours light sleep here
and a tiny headache lingers
so I will rise for awhile
and take my antibiotics and
headache meds the doc gave,
perhaps with a bit of food it will
finally clear.
All of your love will help me too,
it always does my sweet dove
and I adore you to no end.
I send sweet kisses
of true love to you
my sweet Angel dove.
I'll be thinking of you
as I go about the things
I will do.
You are everything
and my universe my sweet dear.
I'm always here and holding you.

So I send you sweet kisses
on this late night here
and pull you in tight for

a snuggle so good and right.
I'll never leave you feeling cold
and all alone,
your Michael is here just for you.
With kisses and delicate
caresses I love you sweet lady
and my heart melts
over you no matter what
every single day.

Come Hold Me Tight 5

Come hold me so tight my sweet Angel
that I long and yearn for each day and night.
I'm so very tired from being sick
and I'm still running a fever
from the sinus and ear infections that are truly quite bad.
I don't want you to worry
I just want you to come hold me tight to
chase away the slight chills I feel
and hold me to make me feel safe from the whole world.
Come hold me tight my sweet one to
help me find peace from this tired fever I have.
I love you sweet one and want to be in your
kind and loving arms giving me warmth that I need
from only you.

Come hold me tight and let me hold you as well,
I want to give you comfort in your heart and soul too.
That will help me feel better to let you know
how deeply I care and that you are loved.
Come lay with me and hold me so close
and let me just talk to you as I drift off.
I need my woman's sweet tender care and love
that's so deep pure and true.
Don't worry about me being sick
please just come and hold me ever so tight
so we can feel peace and I can show you I care.
Please come hold me tight to chase away
this fever and infections that are a bother.
Come and let's hold each other so tight
because my sweet Kira I love you so very much.

where under our tree in sweet twilight
wrapped in a blanket I'll so tightly hold you
and by the rushing river give sweet kisses
as we just talk and catch up.
Bask in the warmth and light of our true love,
I want to just let you see in my eyes
the whole and full truth so you'll know
I have never lied to you my precious darling.
So you'll be reassured as you deserve
that I'll be by you forever,
tonight in my dreams my best friend and Queen.

Goodnight my dear best friend I love to no end
come snuggle with me as we peacefully wind down,
feel my arms around you and my lips upon yours.
We will make it I promise because true love
cannot be defeated between souls who are
so deeply dedicated to each other.
I'll hold you so tight forever and ever,
you are my best friend who I've known
and loved since before time on this earth started.
I'll hold your hand and be your rock of a man
whenever you need that because you complete me
and I want to be the best for my only lady.
So goodnight my best friend and true love so splendid
let's go to bed and snuggle the night away.

A Long Afternoon

Good afternoon my sweet one
and how it has been a long one.
To the doctors where I find out I am sick,
running a fever with a temperature
not very bad but still there,
then do my last bit of shopping
and still waiting for another hour or two
for my prescriptions to be filled.
A long afternoon indeed my sweet one
and a bit farther to go.
Thinking of you and feeling the love you send
is helping me continue to push through.

A long day and trying to fight
this annoying tired and headache I feel,
I want to get my medicines to be better
and also be here just for you.
To write and be ready should you call
needing some help or just to talk.
I am here for you love even through
the longest and hardest of days,
I'm holding your hand in true love
because my heart and soul will forever be yours.

Truly a long afternoon my sweet love
but I am always here just for you,
you give of yourself sending your love,
your warmth and strength have given me light
to push along through this tiredness I feel.
This long afternoon means nothing
in comparison in my care to you
and standing by your side in pure support and love.
It's been a long afternoon but it matters not
for as long as I have your love I'll
keep pushing along and make it through.

Michael P. McParland

Love Note 298

Good afternoon my sweet love
I pray you feel all
the loving and caring warmth
I eternally send to you.
I am holding you close
and rubbing your back
as I tell you it is okay
for you I am always here,
I'll never leave or abandon my only one.

As I prepare to run out the door
in 10 minutes or so
to see the doctors about
these headaches I have
I wanted to say
I love you sweet one and I always will,
I adore you my love
deep down to my core
and can't wait to hold you so
tight and near.
I love you my sweet Kira
you are my soul mate
and beautiful best friend.

Feel me there with you
as I'm always holding you
and giving deep looks of love,
close your beautiful eyes
and see my loving smile
as I so firmly take your hand,
I'll always stand by
and support you no matter what
because you are my lady
I give myself to in full,
even when I don't feel good
I am with you my dear.
So I'll write you
when I arrive back from
the doctor and remember I love you

my sweet and soft hearted
love and best friend.
Feel and hear as my heart calls you
saying I love you sweet Kira
you will forever be my Queen Angel.

Michael P. McParland

Your Care And Loving

Your care and loving sweet one
to me truly mean everything.
I can so often feel you with me
giving such warmth and true depths
of real and pure love.
I can feel you smiling and the kisses
ever so sweet you shower on me.
Your care and loving are two of
the most important things to me.

My headache is not gone but somewhat better
and it's so much because of your comfort,
I could feel you laying here
holding me so close to you my sweet lady
and it's given me enough energy to get up
to shower and eat before I must leave
in a little over an hour.
Thank you sweet love for your care and love,
you are a gift and blessing from God
I'll be eternally thankful for.

Thank you for all of your deep care and loving,
when we are once again together I'm going
to kiss you so deep and thank you over and over
telling you how precious you are and that
I so deeply cherish and love you.
Tell you I want you as my wife for eternity
because you are the most wonderful person
I've ever known and cared for.
I love you dear woman and am ever so grateful,
your love and care light up my life
and get me through the toughest of times.

Michael P. McParland

Morning Note 126

Good morning my beautiful one,
I hope you slept well
through the night and saw me
in your sweet dreams as
I held you so close.
Sweet kisses to you my precious dear
as I pull you in for a snuggle
on this cool fall morning
and to hopefully get
feeling better soon.
Another headache for me
and a trip to the doctor
this afternoon to see what is wrong.
I wish you were here
to kiss and hold while
we listened to soft
and soothing music
while wrapped in our warmth.

Feel my arms around you
and pull you so tightly in
as I close my eyes a bit longer
to help this headache go away
and no longer bother,
I can always feel your sweet love
and know it will be helpful,
I'll wrap up in the covers
and feel your loving arms around me.
Oh my sweet Kira you're
so very beautiful and special
and I truly thank you.
You are a miracle.
So I'll see you here in
my half waking dreams
as this headache now leaves me,
I adore you sweet Kira
and love feeling you and your
loving warmth surround me.
Sweet kisses to you

and hopefully this headache
will pass so very soon,
I love you sweet one
and very soon my love
I'll so caringly snuggle with you.

Looking At Your Picture 2

Lying here as the night winds down
and I was relaxing looking at your sweet picture
marveling at your sweet beauty.
I have my fans on turned to high
and wrap up tight in the blankets
and feeling the warmth you send underneath.
Looking at your sweet picture and feel
so deeply relaxed as I say I love you sweet Kira
you are the best.
The most beautiful woman I want to hold and sweetly kiss.

Lying here feeling so deeply relaxed
as I look at your picture and in spirit reach out
to take your soft and sweet hands pulling you in,
giving you kisses and saying snuggle with me
my dear precious one.
Just look in my eyes and smile for me,
that's a big thing that your man so very needs.
I look at your picture feeling peace
and say these things knowing our souls are touching
and you hear these things.
I love you Kira you are a brilliant woman
and soul in every way.

Lying here my sweet Kira and looking at
your dear and beautiful picture,
I'm so sorry if I drift to sleep dear
but with my music and your gorgeous smile
I feel so peaceful and am sending you
my loving warmth and essence,
come snuggle sweet one I'll try to make it
as I lay here though I'll keep looking at you
and your dear and pure beauty saying
so many things I have needed and wanted.
Feel my arms so tightly around you,
feel the sweet kisses I send you and be peaceful.
I love you my dear Kira you truly are so very beautiful,
I'm lying here looking at your beautiful picture
and smiling because of my dear darling Angel.

Michael P. McParland

A Relaxing Monday Night

A relaxing Monday night here with you
is what I long for and smile over now,
after shaking the nightmares that hung
over me for a little while I just think
of spending time with you in each others arms.
Doing nothing really but feeling
peaceful and calm with the greatest lady
I'll ever know and the only one I'll ever love.

A quiet and peaceful evening with you
my sweet Queen and dear Angel,
I'm still slightly tired but not enough
that I would fall off while we
lay there together talking and enjoying
the great company of each other.
A quiet Monday evening my dear
with you right beside me smiling and glowing.
I adore you my lady and want you
with me for eternity.

I want you to be here on this Monday
evening and night to just sit with me and hug,
watch YouTube videos where I'm
entertained but also learn
while we just sit and share our deep warmth,
a quiet evening with my sweet Angel dove,
sharing sweet kisses because Kira I love you so much
and I want to be with you almost all of the time
except when I need those times alone,
otherwise always with you because I adore who you are
and I feel the connection our souls have.
I love you Kira and wish you were here
to share a quiet Monday night holding you.

Michael P. McParland

My Hero

You are my soul mate, my best friend,
my hero who fights for me and defends,
even in my dreams you rescue me
if I'm having the worst of nightmares
filled with my worst fears and frightening things.
You are my hero and I thank you my one,
you saved me my Angel and you are the best.

You are my hero my darling so good
as you saved me from the ugliest of nightmares
while I napped for awhile to recharge myself.
You saved me from the ugliest dreams
that are still bothering me
when I know you reached out and shook me awake.
You are my hero my Queen
and I adore you for everything my sweet Angel I love.
Kira you are a true diamond in the rough.

You are my hero, my soul mate
and my darling everything.
I love you my sweet Kira and wish
I could hold you to thank you
and shake away the last of these
nightmares out of my body and mind,
but I know my hero will help chase it away.
Kira you are my true love and hero
and I say I love you my darling
and thank you over and over.
If it weren't for you I would be lost dear
you are my northern star that helps get me through.

Michael P. McParland

Love Note 297

Good afternoon my sweet love
my heart and mind are with
you as ever my sweet Angel dove,
it doesn't look like I'll
be getting out of here
any time soon.
I wish you could snuggle with me
for the shortest of naps
and relax for a short time
chasing away the tired
and aching loneliness.
I wish you were here to hold and kiss.

I love you sweet one
I truly do and feel my arms
wrapped so tight and lovingly around you,
feel my strength and warmth
as I say I love you Kira,
you are the best and my only one,
no other will do
because you are a jewel
so beautiful and rare,
then give you a kiss and pull you in.

I love you sweet one
and wish you could join me
for a snuggle and small nap,
I'm so very tired
and want to give you a kiss,
I am with you though holding you tight,
I'll never leave you
or let you go
because you are the Angel
I give myself too.
I love you Kira and I always will,
you are a miracle
I treasure and cherish
every way in full.

Michael P. McParland

I Miss You Beautiful 2

Sitting here feeling tired my love
and fighting that feeling very hard,
I need to go out shortly and pick up some things.
Wish you were here to go with me,
I wish you were here to rest my head
in your lap and take a short nap
before we then went.
You would help get me going and give me that reason,
to spend time with you would be heaven.
I miss you beautiful you are my everything.

Missing you my beautiful one as I sit here
tiredly and wishing I could take a small nap with you,
just hold you close and tell you I love you
my beautiful one and spend eternity hand in hand.
I want to lay with you under the covers and laugh
just like when we were kids doing dumb things
and talking seriously but about lightness
and love in the bond that we share.
I miss you sweet one and want to lay
with you here for a light nap before we would go out
holding hands and feeling the glow of our love.

As I sit here on the couch playing
my NCAA 14 college football game i would love
to have you sitting here watching and cheering,
that probably sounds cheesy but having
my lady beside me is everything my heart
needs and is aching for and longing.
I miss you my beautiful one and want you
here in my arms to stay warm, to feel loved,
to give love and see beauty in this world.
I miss you beautiful one and hold to hope
praying that soon our time will come
because I love you Kira my beautiful one
and I miss you so much life is incomplete
without Kira my soul mate and greatest best friend.

Michael P. McParland

it is true that you are the wind beneath my wings,
you my sweet Kira keep me afloat.

but I want to give my all and best to you
the most special woman there's ever been.
To give you the love you've so long deserved,
to just nurture and make happy my precious Queen,

sweet Monday kisses to you on this day.
I love you my darling and feel all my warmth,
close your sweet eyes and feel my hand within yours,
I adore you my beautiful Kira and I always will,
just keep your eyes closed and see my glowing smile for you.
You are the magic and diamond I've always loved
I am here with open arms and an open heart just for you.

ILYF KP.

Goodnight Snuggle 2

Goodnight my sweet love
I'm exceptionally tired
so let's got to bed and with a sweet kiss
cozy up tight in a snuggle
and go to sleep.
I love sweet Angel and feel so worn out
and want to drift off with the woman I love.
Say thank you with a deep kiss
then as you rest your head on my chest
I'll gently talk to you and rub your back.
Feel my arms around you so very tight
and the warmth of my love as it surrounds you in full.

Goodnight my sweet Kira and I'll see you
and hold you so tight in our dreams,
as in real life so soon I'll snuggle with you.
Please rub my face and head for
I need your comfort in spirit, real life,
and in our sweet dreams.
Help me to sleep to drive away this deep
exhaustion that haunts me right now
and I'll give you sweet comfort too.
In each others arms heal each others
hearts and souls with a goodnight snuggle of true love,
being with the ones, each other,
that we love so deeply and the most.
That's what we need my sweet Angel dove,
you truly are everything I need and want.
Goodnight my sweet Queen and let's now
slide into bed with each other and fall asleep
in a tight and warm snuggle.
I love you Kira and can't wait to spend my life with you,
you truly are a dear Angel and so very beautiful.
I adore you my love and don't ever want to hurt or lose you.

Michael P. McParland

Late Sunday Night Snuggle

Before bed tonight my sweet one
I would just love to talk and snuggle with you,
share our sweet warmth in each others arms
as we felt so happy in peace and fulfilled.
A late Sunday night snuggle before bed with you
would be the most beautiful thing
with beautiful and gorgeous you right here and now.

A comforting late Sunday night snuggle
with the Angel I adore and so deeply treasure
is what I want to share before bed my sweet Kira,
talking and kissing while I tell you
that I'm so in love with you my beautiful woman
and just smile in love like we used to.
I love you sweet Kira and long for
a late Sunday night snuggle holding
you so very close and tight next to me.

So my sweet dear let's share the most beautiful
late Sunday night snuggle in true loves warmth together.
I know it sounds stupid but will you
tell me I'm handsome when you say you love me?
Something an average man like me so very needs at times
and to hear it from you would make me the happiest man,
snuggling and talking with my gorgeous Angel bride.
A late Sunday snuggle with the woman
who gives me tremors or nervous joy and butterflies.
A beautiful late Sunday night snuggle with Kira
the greatest woman that's ever existed.
So let's lay down my sweet one in each others arms
and snuggly pull in for a beautiful time.

Michael P. McParland

Beautiful Sunday Night

A beautiful Sunday night with you Kira
my sweet Angel of love and Angel of light
would be a true heart and soul delight,
A beautiful Sunday night snuggling
and reading, watching a movie
in peace and tranquility.
A beautiful Sunday night with beautiful you
Kira so very pure and good.

A beautiful Sunday night Kira
to quietly sit for awhile just talking
about old times our future and working out things
so lovingly and understanding.
A beautiful night to just kiss you so deep
and tell you I love you and always have.
Tell you the things I was scared to
when we were so young
and tell you what I thought and felt
in all those painful years apart.
A beautiful Sunday night to sit
with my Angel so bright and hold you close feeling good.

Oh my sweet Kira how I wish right now
that I could just hold you and kiss you
whispering in your ear that I love you
and it is okay because I'll never leave you,
a beautiful evening here with you
would be all the true beauty I can imagine,
I adore you sweet one and so deeply love you.
So my sweet one feel all my love as I send it
and think also of a beautiful Sunday evening
knowing I'm here for you through eternity,
you are my one and everything.
So let's share this dream of sharing this Sunday evening
as I'm smiling for you and thankful
for all that you do and that you are you.

Sweet kisses to you my sweet one
before this dinner that I will

and wrap up in the peace and strength I give to you.

Sweet kisses to sweet Kira so beautiful and good,
sweet kisses of true love on this early evening here at hand,
I wish you were right by me to eat dinner and then
hold so close to me while watching Star Trek.
Tonight I get to pick and that's what I want,
I want to watch Star Trek with my beautiful one and snuggle up.
Sweet kisses to you on this evening now here.

Sweet kisses to you my sweet precious dear
and I will be holding you in spirit sweet one.
I will be thinking of you and holding your hand
while I send you my love and all these

Beautiful One 6

Sitting here on a lazy Sunday afternoon
my sweet one and will start cooking dinner soon.
A good one I wish you were here
to enjoy too and be with your fat man that loves you,
I know that made you smile as that stupid joke
made me smile too.
Making you smile and laugh is a pleasure
that seeing is something I truly miss.
So soon my sweet love I hope to hear
and see that again.

Sitting here my beautiful one
and trying to decide what I want to do
until I get up and get to work on the food.
Should I read, or play my NCAA 14 football video game?
Or maybe a movie that I haven't seen.
I don't care for the NFL in large,
you know my reasons though not that big or important
I just wish you were here to look upon
spending time and holding you next to me.
Beautiful one you are the company that I need
everyday here with me sharing kisses and caresses.
You are the Angel that makes my life worth living
and it is our future of which I am dreaming.

So right now I sit here sweet one
and watch funny, informative and spooky YouTube videos,
I would love to share the ones that you'd like,
that would be the best my sweet Angel
so very good and the best,
a lazy Sunday with my beautiful one I so adore and respect,
my beautiful one that gives me bright hope
that life is truly beautiful and good.
I want you to know you're not alone and I'm here,
I love you sweet one and am holding your hand.
Beautiful one I want you to spend this life with me
and have many happy lazy Sundays
feeling the sun and the happiness that we deserve.
Kira my beautiful one I want to share my sweet love

only with you and sit close together knowing true peace,
beautiful one I so deeply miss thee.

Beautiful one I truly love you with
all of my heart and all of my soul,
it is for eternity I want to be with you.
We share a bond I'm so thankful for
and you are my soul mate and true best friend
and as I sit here my beautiful one
on this lazy Sunday I'll be dreaming of you.
Kira you are a diamond so precious and rare,
Kira my dear you are everything
that is beautiful in this world.
So remember I love you and am sending sweet kisses
and feel me beside you holding you ever so closely.
You are my Angel and I promise I'll never leave you,
you my sweet Queen are so precious and beautiful.

Michael P. McParland

Love Note 296

Good afternoon my sweet Angel dove
and I pray your day has been
lovely and beautiful so far,
I send you sweet kisses of
true and pure love,
feel my arms around you
as I hold you so close
and hold your soft and sweet hand.
You are such a beautiful
Queen and Angel my darling dear.

I woke up around an hour ago
but dealt with another headache
and had to beat it down.
I'm getting tired of them
and wish you were here to read
me your poetry while
I had to lay down and wait those out.
Hearing your beautiful voice
and Angelic words of true love,
your thoughts and feelings
of the world that surrounds
would be the perfect medicine
to soothe such rotten things.
I'm sorry sweet one that
I didn't write and I know you'll understand,
you've had to deal as well
with so much of these pains.
I thank you my love
for always be there and listening to me.

I love my darling one
and want you to have a great day
knowing I care and
I'm with you always all the way.
I'll never leave or abandon you
my Angel so good,
I'll always support and defend you
giving all of my love

to my sweet beautiful Angel,
oh my treasured lady I so adore you,
close those beautiful eyes
and see me lovingly smile at you,
my heart is yours forever and ever
and I want you as my wife for eternity.
Kira my darling my heart will never
stop singing and calling to you.
You are my universe and everything
and I want you to know
my love for you is overflowing.
Kira my dear I'll be your man forever
and when you want me and are ready
I'll be here for you my dear Angel
because you're everything
I want and need because
you are my soul mate and eternal best friend.

Michael P. McParland

Goodnight Snuggle

Goodnight my beautiful woman
and let's slide into bed
kissing and snuggling for a good while
before we fall peacefully asleep
so lovingly in each others arms.
Goodnight Kira my beautiful one
and let's snuggle now as we go to sleep
feeling content in our warmth and fulfilled.

Come rest your head on my chest
as I pull you in tight saying
Kira my darling you are the best,
then just stroke your hair and rub your back
while I'll sing you some songs
while you drift away to sweet dreams
feeling all my loving peace.
I'll whisper to you how much I adore you
and how I'll always stand by you
giving sweet love to you my sweet darling.
I'll hold you so close and give you my strength
as I will forever through time in full.

Goodnight my sweet Queen and let's
snuggle now my true Angel supreme,
I'll see you tonight in our dreams
where we can go beautiful places
and do random things,
as long as I'm with you I'm happy sweet one.
I'll see you in my dreams
until this world so cold and cruel
warms up at last and gives us the sun
we want and deserve at last.
I bask in the glow of true love with you
in our beautiful dreams where happiness blooms.

Goodnight my beautiful Kira will
you grant me the honor of goodnight
kisses and a beautiful snuggle?
Will you rest next to me and forget

the whole world for awhile?
Please let me see your gorgeous smile,
I need your comfort my beautiful Angel.
Please never forget how much I love you
and cherish you so very deeply.
Remember your are my soul mate and best friend
who I so desire to marry,
Kira my dear you are my adored hero
and I love you more than anything.
Goodnight my true precious beautiful darling,
I would do anything to make you so proud and happy.

Saturday Evening In Your Arms

A late Saturday evening snuggling up
within each others arms would be
the perfect way to wind this whole day down.
Being wrapped up in your warmth
and pushing out the rest of the world,
being with the Angel I hold so dear.
Saturday evening here in your arms
would be the greatest thing right now.

A late Saturday night to just curl up with you
so tight and close on the couch
as we decompress from various stress
and just bask in the light and joy
of the deep love that we share.
I so want this Saturday night bliss
of being in the arms of the one I so miss.
I love you my Angel and am longing
for all the things that I hope soon
we can have together each day and night.

A late Saturday evening in your loving arms
is what I need so very much right now,
to lay my head next to you and close my eyes.
Just feel the comfort of my Queen
I so deeply respect and treasure,
a Saturday evening holding you tightly
and having peace of your presence fulfill me.
A late Saturday evening is everything that I'm needing
to escape the frustrations of the outer world
and other people.
I just wish you were here to hold and relax with me.
Sweet Kira you are my bright dream on this evening.

I so long for Saturday evenings in your
wonderful loving arms,
to celebrate things or cry them away,
to just open up about what we think and feel,
to watch movies T.V and the late games.
I want Saturday evening with you my sweet babe,

feel my warm and sweet tender kisses
and know I am there with you
holding you tightly in all the love I am feeling.
I'll send you my warm tender dreams
of us on a wonderful Saturday evening
so you can feel warmth and with me be smiling.
I want this sweet dream my dear Angel Queen
where we will soon be having a wonderful
and calming late Saturday evening feeling peaceful
as we just lovingly relax together.

Michael P. McParland

Evening Note 70

Good evening sweet love
my game just ended
and my nerves are frazzled,
it came way too close for comfort
but we won and that's what matters.
I wish you were here
to sit with and help me decompress.
I need your soothing voice
and loving spirit
to calm down my nervousness
and spending this Saturday night
would be the ideal way
of any night here.
To watch movies
and read books with my babe.
I love you Kira
and wish you were here.

Sweet lady my nerves
are still on end
and I need to relax them,
dreaming of you will help that
along with beautiful music.
I wish you were here
just to snuggle and relax,
enjoy peace and quiet
together on this September night.
I love you sweet Kira
and miss you so much.
I'll write you later
as I need to let my nerves calm,
I'll be sending you all of
my warmth and loving.
I'll calm down by dreaming
of you my sweet lady,
I wish you were here
to cuddle while kissing and smiling.

Michael P. McParland

Beautiful Woman 4

Beautiful woman of my brightest hopes and dreams
I truly love you more than anyone or anything.
If you could see within my heart
you would see a pure and perfect diamonds glow,
one just like the pure and perfect diamond that you are.
Beautiful woman I so deeply treasure and adore
I want you here within my arms to deeply kiss and hold.

Beautiful woman I so treasure the great bond that we share,
it means so much to me being connected

Eternity is lonely without the one you most love,
I want my best friends love through all space and time.
I want to be with you sweet one everywhere we are,
I want to be by your side hand in hand always in true love.

Beautiful woman I always send sweet kisses straight to you,
I hold you in my arms in spirit and soon hope
to hold you very close for real,
you are beautiful in every single way and I want
to give you everything you want and need
including myself in full.
Beautiful woman you are a jewel and I treasure you,
beautiful Kira you are my only love and I cherish
you just for who you are.
Kira you are beautiful and that I know for sure.

Michael P. McParland

Love Note 295

Sweet one so beautiful
through and through
I send you sweet kisses
so passionate and good.
As I head out the door
just for a few
I wanted to tell you
I love you Kira my babe.
I'll be thinking of you
and wishing you were here,
I'll be sending my warmth and full love.
Kira you're everything
this man will ever need and want.

So sweet kisses to you

Michael P. McParland

Saturday Afternoon Snuggle

Come my sweet beautiful woman
and we'll share a beautiful Saturday
afternoon snuggle.
Rest for an hour or two
to be able to make It the whole day through
and just have my beautiful darling near.
Hold you tight in my arms
and surround you in warmth.
A Saturday afternoon snuggle with Kira my babe.

Let's share a beautiful Saturday afternoon snuggle,
I just want to rest comfortably with
my sweet and wonderful precious lady,
just pull you in for a kiss and then in my arms,
snuggle with you and chase away these light chills,
just share some time with my Angel so good.
So come my sweet lady and slide under the covers
into my loving and accepting arms.
I want to snuggle and nuzzle with you the woman I love and adore.

Michael P. McParland

Sweet One 10

Sweet one I so adore,
I wish you were here to snuggle with
and watch the games with me.
I know college football may not be your thing
but for some reason I'm still so tired
and just want to be with you snuggling on the couch
or pull out an air mattress to lay upon.
Sweet one I wish you were here to snuggle with
oh so close today.

We wouldn't watch games all day,
Ohio State doesn't play until late afternoon.
We could just rest awhile or watch movies
or some comedy I love and want to share with you.
Though you might find me silly and dumb
for some of what I like,
but you can pick it out my precious one.
I also bought Psycho on Blu Ray
but I know horror's not your thing.
Just a day to relax with you watching
Ohio State and bits of other games
relaxing in each others arms
and also enjoying lots of other stuff.

Sweet one I would just love to have
you here wrapped in a blanket in my arms,
a sweet time to bask within our love,
as I go about my day this I'll dream.
I'll be with you all the time
holding you and your hand.
Listen close as I whisper in your ear
I love you Kira you're my everything
and then kiss you on your forehead lips and neck.
You my Angel truly are the very best.

Michael P. McParland

Good Morning Smiles

Good morning sweet love with
great big smiles and kisses for you,
despite feeling perpetually tired
this morning I have a reason to shine and smile.
It's because of you my sweet Angel
as it always is my sparkling diamond.
Sweet kisses and smiles to you
on this bright Saturday morning.

As I spent the last hour in bed
gradually waking I put on a play list
of beautiful nature sounds.
Scenes of true joy came to my mind
as I saw us in a great big majestic field
of green grass so soft and lush,
where we just sat down next to each other
ever so close and held hands,
smiling and talking we just passed the time.
One day soon my sweet dear we'll
find such a place to sit and be as one.

Such a beautiful dream and I have
such sweet kisses and smiles for you,
I send you this dream so you will smile too,
so you can take comfort in the love that I feel.
See my smile so big as I hold you so near,
sweet kisses to no end for you sweet Kira my dear.
I would send you sweet flowers I could my dear
and in your minds eye see them
as you feel all the kisses I send.
Such a beautiful dream with the gorgeous woman I love,
Kira you are the best and I truly love you so very much.

Michael P. McParland

Goodnight My Sweet Queen 5

Goodnight Kira my sweet Queen,
after a late snack I just looked at
you picture and felt longing pain in my heart
to just kiss and snuggle as we
turn in for the night.
Feel comfort together as we end
this week so long and tiring.
Goodnight Kira my darling Queen
and let's snuggle and kiss passionately
as we go to sleep and sleep in
on Saturday morning so lovingly in each others arms.

Goodnight Kira my beautiful sweet Queen
I'll be holding you tight
through the entire night softly rubbing your back
as you rest your head on my chest.
We'll just softly talk as we drift
about wonderful things we dream of, need and want.
I'll just hold you so close
and give to you in full of myself
saying I love you sweet Kira you are the best,
life without you is bare and bereft.
I just want to be with you for all time and space.

I'll see you tonight in our sweet dreams,
just you and me under the stars
wrapped up so tight in my blanket
and each others arms,
just talking and kissing feeling at peace and as one
saying the hell with the world my darling so good.
Just the perfect way I want to be,
wrapped up with my lady I want and need.
The sweetest lady there's ever been
and totally has me as her own.
Sweet beautiful Kira my Angel so pure.

Goodnight my sweet Queen and I love you so deeply,
I hope you will come soon and hear me.
I want to look at you and say I'm sorry,

I want to look at you and tell you I love you.
I want to look at you and ask you to
no longer be angry and explain everything in me.
Tell you what I could not before for various reasons,
I want to hold you closely and know
you'll be there forever from then on.
I want to snuggle with you every night for all time.
Goodnight my sweet Queen and Angel so dear
I love you so deeply and I always will.

Michael P. McParland

Love Note 294

Sitting here alone
on this Friday night
dreaming of it being
just you and me wrapped up
in my big orange blanket
so warm, fuzzy,
and toasty cozy
as we just cuddle
and watch something funny
on the T.V.
A cozy night with
my beautiful Angel of light
wrapped up and filled with peace.
A night of warm delight
as we feel whole and happy
once again in each others arms
smiling content and feeling calm.

Sitting here alone
on this night and sending
all my warmth and love
to my soul mate who I adore,
with kisses and hugs galore
to cover you with
my heart and souls deep love.
I wish that you were here
to hold and give all my love
but as always dear I'm there with you.
So feel my arms around you
so very tight and feel the kisses
I give in passions light
I am yours now and forevermore,
Kira you are the only one
and I want to spend every night
through eternity in your arms
because you are a diamond in the rough
and I truly love you so very much.

Michael P. McParland

A Beautiful Afternoon With My Angel

Just arriving home from my afternoon
shopping getting some odds and ends,
it's a gorgeous day my sweet one,
almost as gorgeous as you except
that nothing ever is or will be my dear,
it's a beautiful day I wish I could
spend with you outside holding hands
with you in my arms basking in the sun.

Outside it's light and breezy
where we could still go outside
with out jackets feeling nice and easy,
while we sat in the sun if you felt cold
I'd just pull you in and hold you tight
to make you cozy feeling nice and warm.
A nice afternoon to sit and talk
with the one I love for all time.
A beautiful day with the Angel I adore.

In the evening we could make some sandwiches
and sit out with each other on a blanket
huddled up together keeping warm
in the love we share and feel within
ourselves for the other complete and through,
just smiling and feeling whole
on a beautiful day in Minnesota
with my sweet babe I treasure more than anything.
A beautiful one with my Angel
so beautiful pure and good.

At last my dear a beautiful night
wrapped up in a blanket together oh so tight,
snuggling, kissing and for once
knowing life and the world are right,
being with my love is what my heart
and soul truly need and this beautiful
day and night with you help light the way.
You are the jewel that sparkles bright
and helps guide me through the dark,

you are my Angel and it's with you I want to spend my life.
A beautiful afternoon into the night
is what I long to have here with you,
I love you Kira and I want to have eternal
beauty everyday spent with you.

Michael P. McParland

Love Note 293

Sweet love as I head out the door
I wanted to say I love you
sweet Angel from above
I so admire and adore,
I wish you were here to join me
as I go out to get my shopping done.
My heart will be singing to you
and as ever I'll be thinking
of you and by your side
hand in hand all the way.
You're not alone
and I am holding you
within my loving arms,
I miss you so much
and wish you were here
to just spend time with
and add such joy and fun
to a rather mundane chore.
I'll be thinking of you
and sending all of my
warmth and love.

I truly love you sweet dear
and want you to carry that
with you throughout the day
and everyday that comes
my sweet Angel dove
for even when you are in doubt
I am right there with you
giving my support
holding your hand.
I am yours for all time
and I'll never leave you
in the cold all alone.
Kira you are my one
and I give myself to you in full.
So stay strong for me dear
and have not a fear,
your Michael cares and will

take your hand so you won't fall
because I love you so very much
and through all eternity
I always will.

Michael P. McParland

Missing You On This Afternoon

As always I'm missing you on this afternoon,
I feel so alone and sit here bored
even as I play my NCAA Football video game.
I wish you were here to play with me
while we sat and laughed fooling around.
I wouldn't take it serious unless you wanted me
to push down on the gas and play my best.
I smile as I think of how that would be fun,
I'm missing you on this tired and lonely afternoon.
I love you babe and hope you'll be here soon.

Relaxing here with you and talking,
who cares about what as long as it's
a loving peaceful time with you.
To just sit and talk about all the things we've missed
and how we want to make up for all of it.
Work through those deep hurts and tenderly talk them out,
then just hug it out and kiss like we need
my beautiful Angel Queen I miss.
I'm missing you on this afternoon and want you here
with me through all time.

I'm just missing you my special dear for who you are
and all we have for each other still,
such deep love and good times in ourselves we can see,
such abundance within that we can feel.
A need for the one that we truly love and need,
A desire to have the Angel we know holds
such love that is unconditional in every way there is.
I miss you dear and just want to hold you near,
I love you more than anyone can ever know.
It is you Kira that I truly love and always will.

Michael P. McParland

A Quiet Morning

Good morning sweet babe and on a tired
morning here I wish I could spend it
dragging around the house with you.
Maybe rest a bit more while we snuggle up
or just silently sit with some gentle talk
while drinking coffee with light music on.
A quiet and peaceful morning with my only one
would be ideal on this lonely morning right now.
To just wake up with you is what I want right here and now.

It's payday today and the bills are already done
and to now spend the morning with you
relaxing would be the perfect thing.
Not worry about money too much as most
of the bills are now paid.
Just sit here and quietly think of
some fun things we could do on this noon.
A quiet morning my babe while I'm holding you
would be the ideal dream I want to have
this entire life through.
Quiet mornings with you just thinking
of loving and fun things to do.

I won't be going out shopping until
much later today and I wish you could spend
this quiet morning as we figured out just what we would need,
in our house together with a family so beautiful,
Kira my love a quiet morning with you
drinking coffee on the couch smiling
and snuggling while we plan out the day
is something I can't wait to share with you my darling so true.
Quiet mornings kissing and snuggling with my precious jewel,
nothing on earth could be better my sweet Angel so good.

So sweet kisses to you on a quiet morning
my sweet Angel dove.
Right now I'm alone here but hope I'll soon be with you,
to snuggle and wake up seeing you smile,
knowing I'll be warmly loved within your beautiful arms.

Knowing I'll be giving my all making
my Queen the happiest woman of all.
A quiet morning right here is what I will dream
and I'll send it to you for peace to feel good.
I love you Kira and hope you know how deep,
I want for you to spend loving and quiet mornings
for eternity with me.

Michael P. McParland

More Than You Know

I love you more than you know
sweet woman of my heart and soul,
I need you because you're the one
I truly love and trust with what I hold inside.
I've said more here for you than
I ever would for another soul
because I want you to know how much you mean.
I want it clear for all to see
that Kira is the one I love in every way
but there's lots of private stuff to say
and I'm dying to tear down these walls
and to you give it all away.
I adore you more than right now
you can know because you are the woman
I want in my life forevermore.

I want to be with you more than you can know,
to just spend time as we sit and talk,
to go out for beautiful walks side by side
holding hands and seeing the beauty that surrounds,
i want you with me while I watch Ohio State
to cheer them on with me,
to go out and eat or whatever we think
would be good for us that day.
I want to have you here with me more than you know
in every way my sweet Angel dove,
you brighten up and complete my soul
and I so badly want to be here for all your needs.
I love you madly Kira can't you see?
I know you do and can feel it too,
please come so soon and have no fear.
This man is on his knee and ready to do everything
he can and needs just for you my sweet precious jewel.

I love and want you more than you can know
right now sweet Kira so good and pure,
I want to kiss your lips and hold you close,
I want to share closeness with the only woman
and only soul I trust to give myself in full,

I want to snuggle and just feel safe
in finally being able to touch someone for an extended time.
I trust and love you more than you can know
and want to give you all the love that you deserve,
I feel so tired and very broken with how things are,
if I don't cry I quite often feel like it.
I miss my Angel who gives me reason to
feel good with hope and have a smile.
I love you Kira more than you can know right now.

I miss you and want to share my heart
and feelings just with you and not on here,
I want to build a life with a woman
so beautiful and truly great.
I want you here within my arms more than anything.
I just want to look you in the eyes
and let you see the love and truth I hold inside,
I want eternity with you as my Angel bride,
I want to give my Queen everything
great and wonderful that she deserves.
I love you more than you can know right now
and when you come I'll let it out
and give you myself in full.
I love you Kira and deep down I think
you know just how much I really do
because through our bond we know each other
in the most wonderful deepest ways.

A Peaceful Evening

As I return from the store
with the items I need to make
a wonderful dinner I think of
and long for you to be here to join me
for a peaceful evening enjoying
each others good company and good food.
I long for and look forward to
a peaceful evening with you my sweet dear.

A peaceful evening with you in each others arms
while dinner cooks and comes to the perfect point,
watching a bit of light T.V and gazing
at each other smiling in pure warmth from our hearts
saying I love you my dear while we kiss
and from lightness of soul just laugh.
A peaceful evening with my one is everything
in the world I need and want.
A peaceful time with my girl so very beautiful and pure.

A peaceful evening with my sweet lady
for whom I would share a wonderful dinner,
then clean up for you and we could just sit back
and relax chilling out from the world and its stress.
A peaceful evening with you I look to God
and say is that too much to ask.
A peaceful evening of true love with the one I love best,
a peaceful evening with Kira the greatest Angel
and blessing for me that's come to pass.
A peaceful evening with the woman I want
for eternity as my beautiful wife.

A peaceful evening and night my dear Kira
are what I so badly need and want,
to cook for you and please you in every way,
see you smile as you feel and know
you are so truly cared for and loved.
To see you glow as I hold you and kiss you
so deep from pure love.
May God have mercy soon one day

and see fit to let us finally have our bright days.
Peaceful evenings with you are such a bright dream,
peaceful times in each others arms are what we deserve,
we've both been through a lot and have earned our
time of happiness in true love.
A peaceful evening is what I'll be dreaming tonight,
I love you Kira because for me you are
the worlds beauty and brightest light.

Early Morning In Your Arms

An early morning spent in your arms
and you within mine is what
I sit here now and dream of.
Looking in your Angelic eyes as we both smile
and share kisses of true and pure love
is everything I want here in my bed.
An early morning holding you
my sweet Kira so good is what I need
giving all the love I feel to you.

Early morning in your sweet arms
is what my soul needs to shake
these fears and nightmares.
Having you in my arms hearing you breathe
and feeling you beautiful heart beat,
that would reassure me that there
is good in this world.
Reaffirm faith that I have lost
in so much that surrounds.
Early morning spent snuggling
with my Angel now is a soothing thought
that I hope will come soon.

Early morning before we must rise
in your sweet loving arms
and you within mine kissing and basking
in each others glow and warmth
is all that I want because you are the one,
I love you sweet Kira and crave you
because you are so beautiful and good,
I've lost my faith in this word
except for you and another few,
you are the beauty I still know is real
and I want every day in your loving arms
my sweet Angel dove.
I want peace with each other for all time my dear.

An early morning snuggle sweet one
in each others arms is the beauty

within such a world that I need and want.
Looking at you and caressing your cheek
while lovingly smile and then kissing you
as we feel the electricity of true love,
every morning, every day, and every night.
Kira my dear that's what I want,
I love you so much with all of my heart and soul
because along with me they are forever yours
and yours alone.

Michael P. McParland

I Miss You 16

I miss my sweet beautiful Kira
so kind, wonderful and divine,
I miss you dear more and more all the time.
I miss my Kira and I want you here
within my loving giving arms.
I miss you darling more and more all the time.

I miss you my darling and it is a throbbing
aching pain with my chest that feels horrible.
Every night now I have nightmares
of being somewhere wonderful with you
and all of a sudden you disappear
without a trace and I lose you again.
Tonight that haunted my dreams once again
and it gets worse with every night
that comes to pass.
I miss you Kira please come so soon and fast,
I love dear and want you in my arms for all time
my dear Angel I adore and must have.

I miss you my Kira my bright and Angelic northern star,
I'm truly lost without you my beautiful one so good.
Please come and let me hold you close,
let me kiss you oh so deep and look you in the face
so I can say I love you babe you are the best.

you are my dream and the person I love the most,
I miss you babe and I need you because of that true love.

With our families and the one we build
I want to spend eternity surrounded in that love so pure.

Michael P. McParland

Relaxing Late Afternoon

I wish you were here to spend
a relaxing late afternoon with me
my sweet lady so dear,
just lay here and snuggle for
a short bit before dinner.
A small nap with my Kira would be perfect
sharing sweet kisses to relieve some stress.
A relaxing afternoon with you my dear Kira
would be the best.

Relaxing late afternoon is what I need
with only you my darling one,
to lay back and talk while in each others arms,
a peaceful and soothing time to melt away
all the frustrations I have been feeling,
to look at you and smile saying Kira I love you.
I want a relaxing late afternoon with my Angel
now feel my arms as I wrap them around you.
My Queen you are amazing and I adore you
and I just want you here to snuggle up
and feel comfort and warmth with.

Beautiful Days With You

Thoughts and dreams of beautiful days
with you my Angel true are what fill
my heart and head through and through.
Your loving heart and soul fill me up
and make me glow with hope.
The beautiful days with you will come
and I can't wait for you to be in my arms
and for us to spend all that time holding hands.

As I go about some chores around the house
I dream of us and all the times we'll have,
I am feeling stressed and quite a bit on edge
but these dreams and feelings of us
just being in each others arms and smiling
is helping lift my heart to make it through
this day and through the dark.
Beautiful days with my precious one
are everything that makes this world worth staying in.

Beautiful days with you are what I'm striving for
and are keeping me going through these
many frustrating and tiring days I can have.
Knowing that one day soon I can be in your arms
while we talk and I can let go and cry
gives me the will to move along so I can see you again,
bask in the glow of my Angels smile and know
true closeness in true love with a precious soul.
Beautiful days with you are what I look forward to
and to give myself in full to you.
Beautiful days with a rare jewel that shines right through.

Beautiful days my one so soon I hope will come
so I can gaze in your eyes and stroke your hair,
rub your back and caress your cheek,
kiss you on your forehead and sweet delicate lips
and say I love you Kira you are great.
You are my hearts life beat and it will
keep on going just for you,
feel how it sings in glory and true love just for you,

I love you dear you are my Queen and deepest care
and I'm so overjoyed for endless beautiful days with you.
I love you dear and always will,
from within your beautiful heart, soul, and loving arms,
I'm so filled with light through your endless charm
and I'm thankful for this blessing of beautiful days
through all time with the Angel I so adore in every way.

Just waking up to the worst

losing you unexpectedly.
So sitting here shaking
and I just want to cry.
Such wretched nightmares straight from hell
where I lose you my sweet dear.
I wish you were here to hold
and chase away these shakes and near tears.

Waking up now shaking and about to cry
from nightmares of losing you in my pointless life,

I Miss You Dearly 2

I just got back from shopping
about 10 minutes ago
and while out I thought of you
very very many times
and a few I wanted to cry
because I miss you my dear so very much.
I want you to be with me everywhere
spending time hand in hand.
I miss you dearly sweet one
and want you right here in my loving arms.

I just thought of you and how much
I want you to be there by my side
as we walked around picking up
what we need and stuff for fun
and how I wish you could be here
to enjoy the pizza I'm making for lunch.
I miss you dearly sweet one
and want to look you in the face smiling
and say Kira I love you
you are so great.

I miss being able to just look up at you
and as we smiled saying silently
I love you my dear.
I miss knowing I could just reach over
and give you a hug even though
being so young I was to scared to.
I wish I had and been able to say
I love you so much.
I know though you saw it in my looks
and felt our spirits lovingly touch.
I miss you dearly my Kira,
I miss my sweet Angel dove I adore so very much.

I miss you dearly sweet Kira
and wish you were here to spend time
putting away the groceries we bought
while listening to fun and good music,

then just sit down till lunch
and hold each other so very close
sharing sweet kisses of true love.
I know you're with me and that feels so good
and I'm with you too my Angel of Gold,
I just wish you were here to safely hold.
I miss you my one you mean more than the world,
I miss you dearly sweet Kira
and will until you are here in my arms.
I love you my Kira so beautiful and pure
and I'll never abandon you you have my word.

Wishing You Were Here

I wish you were here to share
this tired and lonely day.
To brighten it with your glowing face
and spirit so bright and full of love.
I'm wishing you were here to hold
and so I could be held by the Angel
I deeply love and who cares.
I wish you were here so life would be good.

I wish you were here to talk to
about everything and help ease
the frustrating pains that I feel.
You are the one that's always helped
ease the pains in my soul and heart,
you always made me smile and laugh
and miss you my dear and all of that.
I wish you were here to help catch the tears
and drive them away with your hopeful cheer.

I wish you were here just to sit with
hand in hand in each others arms spending time,
no walks right now as I am in pain
and my right leg is dragging on me.
I just wish you were here because I love you dear
and you are everything I want and need.
Kira sweet love I wish you were here
because you are the one I adore and makes everything good.

Michael P. McParland

Good morning sweet love
and millions of sweet kisses and hugs
I send you way.
Let them fill you
with peace and comfort
knowing I'm here for you
and always will be.
I love you immensely
my sweet Angel dove.
You are my universe
and a miracle I adore.

I'm sorry I dropped off yesterday.
I was so exhausted from no sleep,
and then so filled with
contented peace having those
beautiful dreams of you and me
and I was filled with all of the love
you send to me and I fell to sleep.
I'm sorry sweet one
and I truly love you
my beautiful pure Angel so good,
please understand though
I feel so burned out from so much
and I will as always give you my best.
I'll be writing you as always today
please give me understanding
and time because my mind
is moving slow and my body is in pain,
I will be here though I swear.
I love you my lady
and don't want to let you down.

Sweet kisses to you
my sweet dear and have
a bright sunny morning so clear.
Feel all my love as it surrounds you
and feel my big loving arms around you,
know I'm right beside you

giving you my full support and love,
see and feel my big smile
and deep tender looks of love.
You are my Angel and I adore you so much,
you are the dove of peace in my heart.
You are the reason I go on
because otherwise I'm ready
to completely give up and go home.
My love for you is truly that strong
and I want you to know
how deeply I care and how great that you are.
I love you Kira and want
you to smile for me.
Have a great day in all of my warmth
and don't forget I am with you
holding your hand.

and be filled with peace
for I love you so deep
and I'll stand beside you
forever my sweet
Angel so deeply adorable.

You are the one
whom in full I treasure.

Sunday Dreaming 2

Sitting here on this Sunday near noon
and feeling very tired from not sleeping
the whole night before
so I meditate on sch beautiful dreams
of you and me spending this day
in each others arms.
I'm dreaming of just being with you
my sweet Angel dove.

I'm here Sunday dreaming about
us just spending the day leisurely
as we rest a bit and just
enjoy the day together ever so close
forgetting the world in this window we can.
I'm just dreaming of being with you
and having no specific plans.
Just to be with each other and snuggle
sharing sweet kisses while talking.
My mind wanders over every subject
and that's how we always went about it.
I'm Sunday dreaming of having time with my precious Angel.

On this Sunday now my sweet one I dream of you
being here in my arms and send you
these dreams for cheer with all of my warmth and love.
Feel peace my sweet dear and know
my hearts with you as it always is
and I'm holding you close in my loving arms.
I'm dreaming of what I know will be the future
if we just talk and grab it.
A beautiful Sunday relaxing with the woman
I love with everything I am.
Sweet Sunday dreams where the smiles are real,
sweet Sunday dreams where you we are at one.

Sweet Sunday dreams my dear one and I'm not letting go,
I'm sticking by you my only one,
my heart is yours and I adore you so
and I'll sit back now and drift into these dreams

where we are snuggling the whole day
talking and laughing as we want and may.
I'm dreaming of you my sweet one
because I long to be with you through all time
and I love you immensely my sweet Angel dove.

Good Morning Kisses Of True Love

Good morning sweet love on this fairly
early Sunday morn and to start it of
I give you deep kisses of true love
to fill you with warmth and deep reassurance
that I care for you and love you so much.
I give to you on this day so new
good morning kisses so sweet filled
with everything I hold in my heart and soul for you.
I love you sweet Kira and wish you were here
to spend the day and just have a good time with me.

With these deep kisses of love I also wish
that here on this morn we could just
lay in bed and snuggle for a little bit more.
A good way to start each day would be in your arms
gazing into your eyes and saying I love you my dear
and thank you for being here with me.
It means everything in the universe to me
to have the sweet Queen I so deeply want with me
here in my arms and my life to share everything with.
I wish on this morn we had just a few extra hours
in each others arms.

Good morning to you my dear one and I kiss you
so deeply and ever so proud with all the love that I give.
To spend this morning with you would be grand,
to just take it slowly and have you beside me
would make the sun so much brighter
and it's warmth ever greater.
Sweet good morning kisses to you my dear one
and in all ways I am there holding you close,
stroking your hair and rubbing your back,
softly speaking to you of how much I care
and will stick by your side through thick and thin
no matter what because I love you completely
and give you my total support.
With sweet morning kisses of true love
I swear it to you.

Have a good day my precious one
and may the sun shine so brightly upon you
and God bless your beautiful heart and soul.
Feel my hand in yours and see my smile
and deep looks of pure love.
Take strength my darling for I send mine to you
and take comforting peace in these kisses
I give from my very core to you on this day.
I love you dear and feel it all as it
surrounds and protects you.
Have a great day for I am with you always
hand in hand every step of the way.

Sweet Sunday Morning Snuggle

It's early morning Sunday sweet one
and there's no reason or need to get up
so let's just roll up tight under the covers
and have a sweet loving snuggle
of peace and warmth with each other.
Let's share a Sunday morning snuggle today
and just kiss away our aching longing pains.
I'll pull you in my sweet one
for a Sunday morning snuggle so fine.

A sweet Sunday morning snuggle
with my sweet one is what is
so very needed and wanted.
Spending time in the arms of my one
on a Sunday morning so very young
is the things of divine dreams I've had.
Come my sweet one into my arms
and let's snuggle away this early Sunday morn.

I love you sweet one and on this
very early Sunday morning I reach out to pull you in
and give a sweet kiss of pure
as we get ready to share a sweet loving snuggle.
I want to wrap up with you and forget the world
for awhile and lay here in peace snuggling
with my sweet precious Angel.
Hold me back tight my sweet one
and heal each others hearts.
I love you babe and I want nothing more
right here and right now than to snuggle with you
my sweet Angel dove.
So let's curl tightly together under the covers
and share the most wonderful and loving sweet Sunday morning snuggle.

Trying to keep myself
busy on this sleepless night
and thinking of you
and hoping you are alright.
Sending my prayers
with all of my love and warmth.
I have such deep tenderness for you
and hope you know how much I care.
I'd give my whole life just for you my sweet one,
anything for you my sweet Angel dove.

Not much to do on this night
and in spirit sweet one
I'm giving you kisses
and snuggling so tight.
I just want you to feel peace
knowing you're loved
and I so wish you were here
to show in full and share mine.

and I'll dry your tears as soon as I can.
You are a beautiful Angel
my lady so grand
and you deserve the best that there is.
Sweet kisses to you my Angel Queen.

So on this late night
my sweet Angel of light
take comfort in knowing
I'm with you holding your hand
and feel endless peace in your soul.

So with a sweet kiss
let's snuggle in spirit my dear

because I just want
to be with my lady I hold so dear.

Michael P. McParland

I Ache

I ache for you always my darling one,
to be with you and hold you here in my arms.
To spend time while talking
or just sitting together in quiet peace,
I just want to be with you
because I love you my dear.
I ache for you because you are special
and mean so much to me.
I want to spend my life with you by my side.

I ache my darling for what I feel in my soul
by that I know you are the only one
and not having you near hurts so very much.
I ache to have you in my whole life,
I ache for you Kira because I want you as my wife
and to spend eternity with you as my Angel bride.
I ache for you because you're so good,
Kira my one I love you deeply
and being away from you hurts immensely in every way.
I ache for you because I love you for you
and miss my sweet darling one.

Michael P. McParland

Sleepless Night 2

A sleepless night sitting in bed
with so much on my mind and heart.
I'm worried about me,
I'm worried about you,
and I'm worried about what we're gonna do.
I'm worried sweet one you're mad at me
and I'm worried about when I'll see you again.
I miss you sweet one and love you true,
I wish you were here to hold and talk to.

A sleepless night where I wonder
and worry if you are alright.
I wonder and worry if you are mad
and what more I can do for you
and if I've failed you again.
I worry you're hurt because I know you are
and I am too my sweet one
and want to be there for you.
I'm worried for you because
I love you my dear.
I'm worried because I can't be there for you.

A sleepless night where I wonder and worry
over how lonely life is
forever would be if I completely lost thee.
I worried for so many reasons
I can't even state them in the slightest
except that I'm truly worried
that I'll never get to tell you how much I love you
and how much you have meant to me darling.
I'm just worried at all the time that we're missing.
It's a sleepless night and that won't be changing.

It's a sleepless night and I hope you know
I love you truly because you are an Angel sweet one
and I am not crazy.
I know what I know deep in my very soul
because you have touched me so deeply.
I love you sweet Kira you're truly amazing

and I'm sending my love to you my dear lady.
Feel it wrap you up on this very night
for as I sit here awake I'll be praying for you
to feel all of the truth that I hold.
I care for you immensely and worry it's true.
I love you sweet Kira and I'm here
with my heart and arms wide open in love.
In spirit feel me holding your hand
as I sit here on this sleepless night
sending you all my eternal warmth and love.

Michael P. McParland

Goodnight Sweet One 5

Goodnight sweet one I love
now let's go to bed
and share a long and warm snuggle
sharing sweet kisses of true love
that's so deeply felt between us.
I want you my dear right beside me
as I hold you near and tell you I love you.
Goodnight my sweet one and let's
go to bed and snuggle tonight away.

Just rest your head ever so lovingly upon my chest
and I'll hold you so tight through the night.
I send you all of my strength and comfort
to fill you with peace knowing I love you,
wrap up in my love and warmth so you will
feel safe knowing I'm with you.
I'll be holding you close stroking your hair
and rubbing your back as I softly speak
telling you how important you are
and what you deeply mean to me.
Listen for my voice as I say Kira I love you
and you are the best.
A diamond in the rough who shines brighter than the rest.

I'll see you tonight within the land of dreams
where we will walk in the park
under the moon and stars hand in hand
just talking and enjoying our time as one,
then after a bit I'll hold you while we
just sit down and relax for awhile.
Just giving you comfort and peace
in your heart and soul.
Tonight we'll walk in the park
in the land of dreams.
Under the moon and the stars my sweet one
one day for real.

Goodnight my sweet one I love very much
and I send you these millions

of great big kisses and hugs,
feel my arms around you as I pull you in
and now let's go to bed and snuggle sweet one.

Night Time Conversations

I miss you dear for who and all you are
and I can't wait till you're here again
to just feel your glow and bask in it's
hope and warming joy.
I miss you dear in full because
you are my Angel oh so good
and I miss our conversations most of all.
They were filled with all our feelings,
all our thoughts and all our souls.
Our night time conversations were the best.

It felt good to end the night by talking
and sharing everything with my Angel bright.
I was so soothing, calm, and relaxing
to just unload to each other all the while smiling.
Talking about both big and small.
Sharing emotions, happy, sad, upset,
or a mix because we both listened and that helped
by giving our support or advice.
We gave what was needed because we feel true care
and love between us dear.
Our night time talks were the best
and I miss those dear because I miss you.
You are the one I love more than anything.

I miss our night time talks because
I could feel you close as I read or heard your words.
I would be filled with hope and endless joy,
talking to you made my whole night good.
Our night time talks were the best
because I was talking with my love
as we gave our trust and deepest selves.
I miss our night time talks where we
would wrap the day in each others loving words.
A way to help get through the days
until we come together once again.
I miss talking to my true love right before I go to bed.

I miss you dear because you're my one

and I want to talk to you every day and night.
Profess my love time and time again
and just have us share what's in our hearts
and on our minds my only one.
I love you dear and so soon want you here
to hold within my arms.
So we can talk and look into each others eyes,
glory in the glow of both our smiles.
Feel the love within the air
as what we share grows each and everyday.
I miss you dear and I love you so,
I truly want to talk to you
and share with you everything there is to give.

Michael P. McParland

Sweet Thoughts 2

Sweet thoughts of sweet you
as I sit here wishing you were
by my side and in my arms to hold.
To look in your eyes and say I love you dear
you are the best and beautiful my one.
Sweet thoughts of you fill my heart,
soul, and head as I long to have you near.

Sweet thoughts of all we'd do
as we walked hand in hand the whole day through,
no matter where we were or how we felt
we'd be holding hands in precious love.
I want to have you in my life sweet one
because it's you that holds my heart.
Such sweet times I know we'll have
because we share a bond of true and solid love.
I know our time will come and I'll give you
all the best I ever can.
I show my Queen all the love that she deserves.

Sweet thoughts of kisses short and sweet,
sweet thoughts of kisses so long and deep.
Sweet thoughts of you and me as we
go along through our lives together
held in love so strong.
Sweet thoughts of you my sweet one.

Sweet thoughts of us my darling one
and all the good times we've had.
The talks, the laughs, the smiles
that came with loving looks.
Feeling your eyes look through me
as I was scared but still wanted you to see
through to the core of me
and feel all the things I had to share.
Sweet thoughts of wanting to know
my sweet Angel dove in full.
Sweet thoughts of you my dear sweet one.

Sweet thoughts of you and how good you are.
Sweet thoughts of how you're the one I adore,
sweet thoughts of what a blessed gift you are.
Sweet thoughts of you sweet Kira my only one
and how I love you and want you as my bride.
Sweet thoughts of you and you being in my arms,
sweet Kira my Angel Queen I love you please come so soon.

Evening Note 69

Good evening sweet one
Ohio States game is over
and of course we won.
I thought of you many times
and wished I was with you holding hands
and snuggling close on the couch.
I miss you sweet one
and long for your touch.
To feel you next to me
as I hold you close
and the personal touch
of your personality and quirks.
Those are the things I really miss.
My sweet Angel it's
you in whole that I miss.
Seeing your smile as you make the room glow
and hearing your voice
just saying sweet things.
I miss you dear and my heart is with you
as am I my sweet one.

Not much to do on this evening
here my sweet dear
so I'll just be picking
at odds and ends.
I wish you were here

and just share the evening
being silly fools.
I know it will come
but still I wish it were now.
I long for you darling
and deeply yearn.

Saturday Morning Snuggle

Another early morning Saturday has come
and here it is a rather chilly one.
What better way to greet this one
than to lay in bed with my lovely one
and snuggle away in each others warmth?
Nothing sweet one and I wish I could spend it
in bed with you so close within my arms.
A Saturday morning snuggle with you Kira
is what would be perfect on this early Saturday morn.

An early Saturday morning sharing sweet kisses
and smiles so big and filled with the joys of our love,
a snuggle to just focus on each other before the day starts.
An early Saturday morning snuggle with my darling Angel
where I can just wrap you up in my arms and say you are wonderful,
say that I love you and I'll never leave you.
A joyful early Saturday morning snuggle
with my beautiful precious Kira.

It's early Saturday morning and here it is quite chilly
and I wish I could snuggle with you just wrapping up
in each others arms and our endless love.
Get prepared for the day by just getting lost
in each other and the love that we share.
Kissing and talking a little while resting a bit more,
a Saturday morning snuggle with my only one
is what would be best right here and now.
That's what would always be best with you my sweet Kira.

A Saturday morning snuggle with you is what
I dream of sweet one as I send all my loving warmth to you.
As I sit here this morning with not much to do
I wish it was spent snuggling so sweetly with you.
Soon my sweet dear I know it is true
and then each Saturday morning and all
I'll spend snuggling with you so just feel my arms now
as I wrap them so warm and tight around you
and hear my voice as I say Kira you're great
and I love you more with each day.

Let's snuggle this morning in spirit and soon my sweet Kira
I'll have you here giving endless snuggles and kisses.

Michael P. McParland

Night Note 110

Waking up ever so slightly
anxiously wishing I was
next to you my precious sweet lady.
I truly love and miss you immensely,
and just want to snuggle
so tightly with you.
I adore you my lady
and this small waking anxiety
will pass ever so quickly.
I just wish it could be
in the arms of the universes

Love Note 289

My dear sweet Kira
I love you so very much.
This morning while lying here
in all that pain both
inside and out I felt you there
holding me and giving me
the sweetest kisses of love
and I was able to relax
and fell back asleep
for the longest time
until about an hour ago.
Since then I just laid here
crying awhile in thankfulness
but because I wish you were here.
I ache for you sweet Kira
my Divine Angel of earth.
Please forgive me for where
and how I have fallen short.
I love you deeply with all
of my soul and my heart.
Kira you are the reason
that I keep on going
because a love like ours
trancends earthly meaning.
I won't leave you behind
broken and freezing alone
my sweet lady.
You truly are my everything.

My dear sweet Kira
I know you are hurting
and I promise I will hold you
forever and ever.
I'm dedicated to the only woman
who I love so very deeply
and so very special.
I won't let you go
I solemnly promise.
So my sweet love

even though I am still in pain
all over come join me
in spirit as I get up a bit
to finally eat something
in close to two days.
Sit with me and hold each other
so very close.
I'll give you a smile
as I always happily say
Kira I love you
my precious one.
I need you because
you are the one.
Kira my darling life is nothing
without my northern star.

My sweet darling Kira
I truly love you so much
feel all of these kisses and warmth.
I'm holding you tightly
and thank you so kindly,
sweet Kira as we now get up
feel my hand as it's in yours
and take strength from
your Michael who will
always give you his everything.
Thank you sweet Kira
I love you immensely.
Come and let's hold each other
as we go about this night
together in spirit and soon
in person my sweet Angel so splendid.

Lying Here Dreaming

Lying here in bed and dreaming you're with me,
as I relax to the soothing chords of Mozart
I still feel the ache in my heart
and the deep need in my soul.
I'm dreaming of you being right by my side
holding each other in peaceful content.
I'm dreaming of what needs to be real.

I'm lying here longing in these soothing sounds
wishing you were here to enjoy their divine chords.
I'm dreaming of lying here with my lady
feeling comfort and peaceful holding you so very closely.
This is the thing I'm in need of.
It's the thing we're both in need of.
Time with each other to just heal and feel good,
time to just kiss and relax while we talk and rest.

with my sweet precious lady,
the Angel I cherish above all else.
I miss you sweet lady and need you so badly

So feel all my warmth as I lay here for awhile,
I'll be dreaming of us and all of our future smiles.

To just hold you so close
and say Kira you're so great
and I love you so truly deep.
Please don't be upset forever my love,
I just want to give you all that I have.

To just hold you now
would be all the comfort in the world,

You're An Artist

You are an artist my dear and I always saw
the gift of God given divinity in you,
you are an amazing talent and I am in awe of it,
truly not one bit jealous.
Well just the tiniest bit but I love you so much
and just feel pride in your talent and work.
Kira you are an artist and I applaud it,
you are a craftsman and I adore it.

Though I have never seen most of your works
I know they are there and I can't wait to see them,
to marvel in the beautiful creations
and visions of my divine Angel.
To get lost in the heart mind and soul
of the mysterious woman I've always treasured.
Kira you are an artist and a magnificent woman.
How could I not love you you're perfect?
I never pay lip service so you know that I mean that.

You draw, and you paint, and you write many things,
I know sweet lady love that you even write songs.
All stuff I've know but didn't know what to say
until this poem hit home.
Just how matters not now I just want to
tell you how wonderful you are
and how proud that I am for the artist of love that you are,
how proud that I am in my fearless Queen.
Fearless because you take on what is there,
not fearless just because it isn't there.
True courage is going along no matter
how strong the fears,
and you are a courageous one my dear.

You are an artist and that's just one of
the aspects I love of my soul mate,
and truly I promise I feel not jealous,
just proud and joyful over the woman
I deeply love and care for,
the woman I want to be with seeing her art

forever and ever.
Sweet Kira my love you are an artist,
and you are amazing and so very talented.
I love you my lady and look forward
to seeing all you have created.
Sweet lady my artist it's you I so deeply admire and cherish.

I hope you're reveling
in that sweet dream of
love in our future time,
I pray you feel the freedom
of pure hope and just like me.
I smile at you my sweet one
because you are my Angel
and everything.
You are amazing
and a miracle to me.

My heart sings to you
on this late tired night.
It sings to you
the songs of love
that in all the best ways
remind me of you.
My heart calls out
saying Kira I love you
and you are the best.
I so adore you
sweet lady I so deeply respect,
I can't wait to hold you
and share all of myself.
Tear down the walls
and show you all that is there.
I trust you sweet one
and it's you my heart calls to
as it will forever be yours.

Sweet Kira my lady
continue to sleep ever so sweetly,
rather awake or resting
I'll be here when you're waking.
I'll stick by you dear

forever and ever.
True love never falters
even when we hit the hard times.
I'm here for you
and in spirit right beside you,
and so very soon
I'll be by your side
to give my full loving support in person.
I'll be sticking by you
to give you the love and attention
a Queen should always be given.
I love you Kira
feel peace in your heart
as I so tightly hold you.

A Quiet Weekday Night

Here on a quiet weekday night
I sit back now sweet one
after getting a few chores done
and taking a refreshing renewing shower so good.
I sit back now my love and in everything
that I do I dream of you.

I dream of holding you and giving
full reassurance in warmth
to the woman I so truly love.
We all deserve warm loving reassurance
at various times and right now
I would just hold you in my big arms.
Kiss you ever so sweetly and gently my dear,
just tell you I love you so much
and I'll always be here.
A quiet weekday night with my only one.
Oh my sweet lady let's make it so soon.

A quiet night just to snuggle up with you
to show you all of my admiration and love
as I regain my strength.
I love you sweet lady and you are the greatest
dream that could ever be had in real life
or in fantasy.
Kira my love you truly are everything
and a quiet one here with you
is everything I want and need.

A quiet weekday evening
and I don't ever care what we are doing
just as long as I'm here with the Angel
who keeps my heart in true love always beating.
A quiet weekday evening with my Kira
is what makes it worth it to know
I'll once again see her and have endless
quiet evenings where I just hold her
and talk to her feeling the power
of true endless love for and through

an Angel so good.

Michael P. McParland

Love Note 285

Sweet love who I treasure so much
I hope your night is going well so far
and you are feeling all of my
endless warm love.
I can feel yours
and it's helping me as I pull
out of this strugglinh hole.
I know it may not make sense now
so you understand but it all will
when I can explain it to you I swear.

As I get up now to do a few things
and clean myself up
I want you to say I love you
and miss you so much.
I'm concerned for you too
and hope you're okay.
I just wish I could snuggle with you
through the rest of this night
after I'm done with my things.
I just want to sit on the couch
with my only love and forget
that the world even exists,
Kira my love you are the best.

So as I get up now to do
these few little things
I love you sweet one
and feel all of the warmth
that I send.

Michael P. McParland

Sweet Kira My Darling

Sweet sweet Kira my darling
I love you and am thankful for your love.
I'm sorry you didn't hear from me
for so very long,
I slept and slept and slept
for the longest time
and then when I got up I felt sick
and had a few problems.
I'm so sorry I didn't write you
but I truly felt so very awful
I had to just close my eyes.
Then fell asleep again until now.

I'm so sorry sweet Kira my darling
and I feel awful I couldn't let you know,
I want to cry worried that
you are upset and worrying
or somethingelse that
I just can't think of right now.
I love you sweet Kira
and you to know everything
is okay and I wish I
could lay here in bed and hold you so close.
I still feel so drained from it all
and I want my Kira the most.
I love you sweet lady
and I truly am sorry indeed.

Sweet Kira my darling I miss you so bad
that as I lay here right now
all I can think about is how
I want and need you so much.
Sweet Kira my darling you are the greatest I know.
I send you these millions of kisses
and big giant hug squeezes.
I'll never leave you sweet Kira
this I eternally promise.

Michael P. McParland

Rest For The Weary Sweet Lady

I'm so very weary sweet lady
feeling tired through my entire body,
now after being up for a very short while
I'm ready to close my eyes once again
and I wanted to say I love you
and goodnight once more before I do.
It's time for us the weary
to go to bed smiling as we feel
the loving warmth from each other.
Rest for we the weary who will find
at least enough comfort to make it through
sharing our connection to dream together
there feeling all of the loving power.

Just a few funny videos on YouTube
as I struggle to eat this little bit of food
that I knew I could fight on through and handle.
Then I'll find the book that I want to put on
and smiling close my eyes to dream of you and I
snuggling this night in peace and comfort.
I love you sweet lady and send you sweet kisses
to help we the weary find the peaceful
and refreshing sleep that we need.

Michael P. McParland

Sweet Middle Night Kisses

It's the middle of the night my sweet lady
and I managed to catch a few hours
of light and somewhat restless sleep,
still feeling out of it and will
go back to sleep shortly.
To help myself smile it's of you I am thinking,
how I wish I could reach out to
pull you in close and say I love you my darling,
then give you the sweetest kisses on
your forehead, cheeks, then sweet luscious lips.
That dream makes me smile and I share it with you
hoping it will make you feel better also.

Laying here and still feeling so very tired,
trying again to find what I want to listen to.
Did you feel the sweet happiness I sent you
when I found the perfect place for us
to snuggle in my happy dream?
I sent you my warmth and love right away
so you could feel peaceful
and be filled with my loving strength.
I send you these sweet middle night kisses
so you will know I am here and thinking of you.
A tight hug of comfort and kisses of love,
I'll always give those to you
as a sign you are the Angel I adore and want.

Somewhat restless sleep a few hours,
I want to get more and very soon will.
Food would help to quell the empty
ache in my stomach coming on,
I can't eat though because I have canker sores severe.
Eat something for me sweet lady
and share your enjoyment with me.

I'll soon close my eyes to find
the solace of sleep land once again,
but for now I'll quietly sit here thinking
of giving you sweet middle night kisses

while I tightly hold you.
Dream of looking right at you and saying
you're so very special and a truly beautiful woman,
I love you immensely and want to be with you always.
Being able to say as I look in your eyes
I love you sweet Kira you are an amazing miracle.

So deep and sweet passionate kisses of love
to you in the middle of this very night,
and before I truly lay back down for sleep
I'll say goodnight again.
I can't tell you enough what a treasure you are
and that I would give you the universe
if it were mine and not Gods.
I can promise though to always give you my best
and work to keep you happy in every way.
I love you deeply and will always give all
the very best things that I can.

Michael P. McParland

A Sweet Nights Sleep

Goodnight my one and it's time for
a sweet nights sleep to recover from
the tiredness and exhaustion we feel.
Let's go to bed my sweet Kira and snuggle
so very tightly feeling comfort
in each others kind, loving, and reassuring arms.
I miss you sweet lady and being with you
will be my heart and souls recovery.
To just snuggle with you through the nights
is something only you'll understand
and will help heal both of our hurting hearts.

It's time for a sweet nights sleep
and I don't know what to put on and listen to.
Nothing sounds truly moving or good,
I just need that tiny escape
being here in bed all alone.
If you were here by my side I'd just
pull you close and listen to you talk or read,
anything would be okay as long as it's
your soothing calm voice.
It's time for sleep and I need something
that will take me away to the right place
where we are happily snuggling in each others warmth.
Feel the happiness I send to you
when I shortly find it.
You will know it when I do as I will send you
the peaceful happiness so you can smile with me.

Goodnight my dear one and it is time
for a sweet nights sleep,
I promise I will be with you in spirit.
You'll feel where I'm at and then just snuggle close in,
rest your head on my chest as I so
very tightly in comfort and love pull you in.
Know I'm always with you
and my God bless you my sweet little Angel,
my Angel with the biggest heart so full of light and love
and you deserve to receive all of the true love I so long to give.

Please don't push me away again
just know you deserve and can have true happiness to,
I so long and want to give it to you,
I'll always stand by giving my full loving support.
A sweet goodnight and I'll send you my dream
of us snuggling so we can share its brightness as one.
I'll be holding you close giving sweet endless kisses
as we share caresses saying I love you sweet dear from heaven.

Michael P. McParland

Saturday Night Snuggle

Sweet darling Kira I so truly adore
I dropped off for awhile from the
fatigue and exhaustion I have built up,
I'm still so very tired and struggling
with my need to see you and hold you close.
I'm hurting tonight and feel ever so tired,
I wish I could be with you to spend the night
in complete comfort and peace as my lady
lays next to me.

Sweet beautiful Kira I have but one
small chore in front of me
and it won't take long at all
but the motivation lacks and I just want
to lay here in bed listening to my book
dreaming of sweet beautiful loving you.
I want to snuggle tonight with my sweet Angel dove.
I would get everything set up
so beautiful and nice just so we could
be surrounded in perfect beauty as we embraced.

One chore to do and if snuggling with you after
was something I could look forward to
I'd be done with it in 10 minutes flat
so I could be right back beside you again
looking into your eyes and smiling
as I kissed you so tender and sweetly.
A Saturday night snuggle with you
is not too much to ask.
I know you would come in a flash if
you were able my only one.

A Saturday night snuggle is what I'll
dream of as I lay back down here
after my small task is wrapped up and done.
I'll be sending you all of my care
and endless loving warmth.
Sweet Kira please let's solve everything soon,
I can't describe the love that I feel,

the ways that I've crumbled in the last year.
Just how much I treasure and cherish you my sweet dove,
that you are my dream and the person
who I can feel my soul connect with.
I love you Kira my only darling
and a Saturday night snuggle with my
sweet precious lady is what my heart and soul need.
Receiving your comfort and giving you mine
in complete and total contentment so good.

Total Warmth To You

I send my heart to you in total love
and total warmth to give you peace.
Know that I'm still here and so deeply care,
as my game now comes close to its end
I wanted to let you know my whole
heart and mind have been with you through it all.
A bad game for sure though we won
but I just truly wanted you here by my side.

I send my total strength and love to you in full
because you mean so much to me
my beautiful and sweet Angel dove.
I admire you and want you as my wife
because you are the one that gives me reason
and makes my heart beat for continued life.
I send my total love and total warmth to you
so can feel at peace on this September night.
So you'll know I'm right there by your side
supporting you in all you do
and for the Angel you truly are.

my total self so you'll know my love
and promises from my very soul are real and true.
I want to give you all the best
within my life and within myself
so you will be happy and at last receive
the accepting love that you deserve.
I want to give my Queen those things which
you have not been given in the proper ways
when you have given of yourself time and time again.
Kira I send to you my total warmth and my total strength
because each day my love for you grows in every way.
I send to you myself in full because I want
to be the man you can turn to no matter what at all times.

Michael P. McParland

Sweet Kira So Precious

Sweet Kira so beautiful loving
and truly precious you are
absolutely my very essence.
I crave you to be here
so tightly and loving
within my kind and accepting arms.
Sweet Kira so precious
your love truly moves me.

Sweet Kira is a true precious treasure
so truly beautiful and rare
within this all too often cold and dark world.
I can attest from experience that she
deeply cares about the people and world around her.
She's filled with love and wants so much to give
but like me has been so hurt before
she has in need of protection
put up walls so very thick.
Those who truly know her though know and see
the bright Angelic soul within her.
She deserves deep giving love in return
and better than she has received.
I want to give of myself because
despite my mistakes and hard falls I know
just who she is and have worked to be worthy
of her bright precious heart.

Sweet Kira so truly precious I've
thought of you through this whole game,
it's not a good one so far but that doesn't matter,
no matter the flow or excitement within
I just wish you were here holding my hand
talking about whatever comes to mind.
Sweet Kira so truly beautiful I truly feel
and know the kind caring love in your heart,
I know you have been hurt and need someone to trust.
I want to prove myself as that worthy man,
I want to share my whole life just with you,
supporting each other hand in hand.

I want to give my lady all of my dedication and love.
Sweet Kira so precious you are the Angel
I want to be there for everyday
having fun and feeling true love through all eternity as one.

Michael P. McParland

Love Note 284

Before my game starts
my sweet one I wanted
to give you a great big
kiss and hug of pure warmth.
Feel my love deeply as
it strongly surrounds you
in the energy I send.
I love you so deeply
and today I need you in my arms
and to be in yours.
My heart is with you
and my hand so tightly
gripping yours for support.

Before my game starts
I want to let you know again
you will always have
my never ending support.
I give to you this great big
kiss and hug filled with all
of my loving warmth.
God bless you sweet Kira
I love you so much.

Michael P. McParland

Missing You Badly Today

I'm missing you so very badly today
my sweet one and nothing helps.
I just miss and want you
and it so deeply hurts right now.
It hurts everyday but today
I feel it more in every way.
I miss you badly and I need you so much
because you are my Angel and my light.
I just love you is all there is to say,
I'm missing you so very bad and I want you here
just to sit with me and hold hands
relaxing and chasing off the stress.

I'm missing you so very badly
and there's no one around to understand
a number of the things I feel and face.
It's only you I could open up to
and have understand so much of what I say.
I miss you so bad and don't know what to do,
it's a hard day struggling as you know I do.
Not a bit of anger because that's not always there,
just longing need and sadness to have my one right here with me.
To have you near while I lay down on the couch
and rest my head on your lap.
Then maybe you could rub my face and head to
help me relax and have peace.
I miss you so bad and feel lost today my dear.

I miss you so bad and I am reaching out
to take your soft and loving hand.
Just to know you're close and help you feel me as well,
I'm struggling today and just want my Angel
who gives me kind, tender, loving peace.
I miss you my dear and want you to know
I love you with all my soul and heart
and I want to hold you forever by my side
going hand in hand for all eternity
as my wife I'll truly treasure and cherish in every way there is.

Michael P. McParland

My Beautiful Woman 3

My beautiful woman I just love you so much
I wish I could show you right now
in a few ways.
Through tender words with true depth and meaning,
through holding you tight and letting
the spirit and power of my heart and soul
bare witness to you in the message they share.
My beautiful woman I am filled with tender
and deep loving care and I just want you
to see and know all that is there.
My beautiful woman I love you so
gentle and kindly with all that I am.
I just want us to share with each other
the greatest love that there is
and that is the love we have for each other.

Michael P. McParland

A Quiet Afternoon

All I want is a quiet afternoon spent with you,
in your arms while we spend time
just feeling our bond fully reconnect and grow,
becoming even stronger than it's been before.
I just want a quiet afternoon with you my love
to just have you near and do something simple
hand in hand in each others arms.

I wish you were here with me to watch the game,
and if you didn't feel like that we would
find something else like reading to each other,
watching movies, or playing games both video
and board where there is a great choice.
Only for you my love would I miss Ohio State
and that's because my woman makes up
all the important parts of my time and life.

I just want a quiet afternoon with
my babe so truly bright and good.
Just be with you and look upon my Angel
I adore in every way there is,
just hold you close to say I've missed you dear
then place a soft kiss upon your lips
of true tender care and love.
I just want a quiet afternoon with you
because I want you here
and I love you more than anything there is.

Michael P. McParland

Good Saturday Morning 2

Good morning sweet love and I hope
you are having a bright morning smiling.
I'm sending you kisses to help make it brighter
and fill you with love so you can
find reason to be happy and have sweet wholesome laughter.
I want you to be happy and fun on this day,
I want you to be happy and whole everyday
and I hope so soon I can share that with you.

A few hours light rest here my sweet love
but I woke with a headache and still feel exhausted.
I will march on though my darling
so I can be here for you and watch
Ohio State play this afternoon.
Both things are important but if you called
just to talk or needed me in some way
I'd drop the game right away to be with you
in any way no matter what it would be.
You are the most important person and thing in my life
there will ever be.

I hope that a bit of food and a small little rest
will be the answer I need to cure this headache.
Soup is my go to and I hope it will
adequately fill me to chase away this low protein
attack that is getting my head.
Say a prayer for me dear that it will
be the answer and cure that I need
so I can be up doing all the things I want and need.

I will be holding you tightly and sending my prayers,
asking God for the miracles and help we need,
I ask him to help you know I'm holding your hand
and always right by your side.
To help lift your heart and make sure you know you're not alone
and that I'll never give up on my sweet Angel dove
because you are everything I want and need,
you are the Angel in this life and my brightest dreams.
You are a truly wonderful sacred Queen to me.

So close your sweet eyes and feel the sun
shine so very brightly as it gives
you my endless warmth of deep loving passion.
Feel my loving looks and accepting smile,
just remember and feel that to my very core
I truly love you and I always will.
You are amazing and the one I adore.

Michael P. McParland

Tender And Gentle

Sweet dear in a minute or two I'll close my eyes
to try and get some rest that I'm not sure will come,
I'll think of you though and your tender love,
that bright shining smile and glowing eyes
that were always so full of care
and showed the gentleness you had for me.
I'll think of you and ignore the persistent ache
just so I can focus in full on your
tender gentle soul and heart.
It's what will get me through this night.

Gentle tenderness is what I hold inside for you,
it fills me up in every way and I just want
to give you all of what I hold inside,
to show you the love you deserve
treating you like the precious Queen you are.
I just feel tender love throughout
my entire heart, body, mind, and very soul.
The gentle care I feel for you I can't describe
I just know it's there and I'm truly grateful that it is.
I'm so thankful for how our souls connect
on the deepest levels that we can't understand.
I'm thankful it is you I love and have in my life,
I wouldn't want anybody else.

So as I now finally prepare to close my eyes
and attempt to get some rest I'll let
the gentle tender love that we both share
fill me up and surround me in a blanket of pure peace.
I'll think of you and all your gorgeous traits
from both in and out and how I just want to hold you close,
I send sweet kisses your way my only love
and know sweet one I'm filled with only true and pure
gentle tender love for you.
My sweet Angel dove my heart is yours forevermore
in its infinite undying love it beats for you.

Michael P. McParland

A Sweet Goodnight In Each Others Arms

I wish you a sweet goodnight my sweet Angel dove
now let's wrap up together in each others arms
and go to bed kissing and snuggling before we fall asleep.
I so truly need to give you my deep and gentle affection
to show you how deeply I care and love you so.
Affection tonight not in closeness that way
but being close which is another way I can show you my trust.
You know I have troubles with touching and you know the story
so to be able to hold you giving and accepting
affection is a great way of showing how much
I give of myself and truly need you in trust.
A sweet goodnight my dear lady let's snuggle together
sharing kisses that our hearts and souls have so needed.

Just snuggle up close tonight and rest your head on my chest
and I'll stroke your hair and rub your back
while we listen to one of my audio books.
Stories I would love to share with the lady whom I truly care,
just having you in my arms feeling our warmth
as we both smiled in contented peace.
I'll be holding you ever so close in spirit
telling you that to me you are so very important.
That I would give anything to have you in my life
forever and ever as we experienced it all side by side
taking on all challenges as one.
I'll be giving you kisses and surrounding you in
my loving strength and warmth.

Right now I'm not sure if I'll sleep
so I'll send you such special dreams from
my soul and heart where I'll hold you so close
looking into your eyes and just telling you
about all of my love and how I need you because
I so truly, deeply, and sincerely care.
Our love is not mistaken for other things
as so many peoples are in this world.
We need each other out of desire to give
in our true and pure love.
We need each other because our souls have bonded

on the deepest of levels.
I'll send you these special dreams tonight my sweet Kira
so we can feel closer together as I hold you
so tight and so close revealing my soul and true spirit.

A sweet goodnight to you my sweet Angel dove
and know I'm watching out for you
and am here if you need me I'll be right there
as fast as I can to give you all the help and support
you need in anything and everything my sweet precious lady.
I truly love you with no limitations,
my loving care is unconditional.
You are a true Angel I admire and give myself to,
I want to be your man and true hero forever and ever,
just as you are my hero, best friend and sweet woman.
I desire to give you as much as you've given me,
I want to always make you so proud and happy.
A very sweet goodnight to you my sweet Angel of light
and feel all of the love I carry and shower on you.
An eternal flame burns inside of me just for you
because you are the Queen I give myself to in full.

Michael P. McParland

Night Note 107

Hello my precious darling
I promise I have not forgotten
about you and to say goodnight.
I've been so caught up in the last
few hours organizing some stuff
that I've needed to get to forever my dear.
Still not quite there
but a good chunk is done.
So have not a fear or
doubt in your heart
as I'll never forget you my sweet Angel dove.
In fact as of yet I'm not even
ready for bed.
So let us just snuggle awhile
while I rest my eyes from the strain
and we can just talk
winding a bit of time away.
Let's just snuggle for now
because I want to spend time with you
and feel your love surround me.
Together share our warming
depths of true love from our souls.
Right now let's not go to sleep
because I just want to hold you
while you tell me how you've been doing.

I want to know if you are okay,
the worry and not knowing
has been sitting on my heart and mind
so very heavy.
I can't stand the thought
that on the inside you may be
brutally hurting in a fashion
I'm familiar with and know its hell.
I'm worried that your eyes
are filled with tears
and you worry that I'll forget about you.
I promise sweet love I never will
and the time will come

I'll hold you close healing your heart
and drying your tears while
giving sweet kisses saying
Kira I love you you are my everything,
life without you is constantly
hurting with a vicious sting,
but I am here now to hold you so tight
give me a smile because Michael is here.

I promise I'll do that when
our time hopefully soon
comes to pass.
I'll just hold you so close
until you feel safe and at peace
just enough so I can pull back
and kiss you so deep.
Now my sweet Kira it's not yet time to sleep,
please come join me for a snuggle
so very passionate and warm.
I just want to hold you and talk for awhile.
I love you Kira and I won't miss
our sweet goodnight,
I'll never forget you because
you are so very important
and my beautiful Angel I so deeply adore.

Michael P. McParland

My Beautiful Angel I Love

My beautiful Angel come sit with me under the moon,
it's been a bit rainy since last night and a little earlier today,
so we'll lay a blanket down to sit on
while I wrap you up in my arms to hold you so close
while we snuggle up under my light fuzzy and cozy
orange blanket to give us the proper warmth.
Come my beautiful Angel and let's sit under the moon
on this night being so close in each others arms.

As we sit there being enchanted by the moons light
we can just open our hearts and in full trust
freely share what we feel and talk.
I'll have not a fear of sharing everything that I hold
with my sweet Angel I so dearly love,
I trust you sweet one in a way I never have
with anyone ever before and other than you
I never will again.
I want to sit under the moon holding you
and pouring out my life's secrets while
sharing sweet soul passionate kisses.

Join me sweet Angel and don't feel forced into a thing,
take it a step at a time as you truly need.
Just share what you can while I hold you in comfort
to reassure you that I'll never judge you.
I'll always love you no matter any circumstances,
you are my Angel and I love you so deep and passionate,
just take your time for I will be patient
in the knowledge that you love me just as deeply.
I'll always be ready to listen when you feel safe to be open.
Come my sweet Angel and let's cozy up in the blanket
getting lost in the moons magic and each other.

My sweet Angel you truly are so very fantastic
and I'll hold your hand through everything,
no longer going it alone we'll face all things together
giving our support and our courage for one another,
always standing tall because we'll have each other once and for all.
Kira my dear you are my sweet Angel and I so deeply love you,

I want to be holding you everyday through eternity.
So let's start tonight even though just in spirit
wrapped up in a blanket under the moon
so sweetly kissing and holding each other.

Michael P. McParland

Big Hug 2

I'm taking your sweet soft hands
and kissing them so softly
as I pull you in for a big hug
and to hold you for a good while.
I can feel your need just as I need it too,
so I give you a big hug
and hold you tight stroking your hair
and softly telling you it's alright
because I am here and I love you so very much.
Feel the warmth and love within
this big hug I send to you.

Michael P. McParland

Evening Note 68

Good evening my sweet
precious love
and crown jewel of my very heart,
I pray your day was well
and you felt all of my strength
with my warmth and love.
I was holding you the whole day
as I will be doing right
through this night.
My heart beats for and calls to you
in its deep love for my Queen.
You are so beautiful
and gorgeous to me.

Not much to do on this
Friday eve except watch
the new movie I got and try
to focus a while so I can read.
All the while though I'll be
thinking of you and how
things would be better if you were here
to sit and spend time with.
Be it reading, movies, talking,
or quietly holding each other
I'd be happy and peaceful
being with my precious sweet lady.
I adore you my Angel
and can't wait to hold and kiss you.
Spend many evening having
fun with each other and losing
track of time as it goes by like lighting.
I'll be dreaming of you
as I'm already yearning and longing.

So on this evening feel me
right there holding you,
I am concerned that you are
truly deeply hurting
and I want to dry your tears

even if just in spirit right now
because soon enough I will be able
and then kiss your forehead
and cheeks then kissing your eyes
that I will have dried to
take away the sadness in them.
My hand is in yours and my arms wrapped around,
my darling Kira I am right here
and I will be ready as soon as you are.

Michael P. McParland

My Best Friend 2

My best friend is all that's
good, beautiful, and right
within this world.
She makes it brighter
making the beauty on this earth
so much bolder and alive
in all the loving care she radiates and gives.
She is my northern star that
guides me through when the days are dark
and I need help down the path.
My best friend is so truly great
and I love her more than anything.

My best friend is all
I could ever hope for and dream of
in this world where true love
is so rarely found and shared.
Our souls touched and spoke
right from the very start.
It's like we knew each other since the start of time.
She is my soul mate and beautiful,
loving, kind best friend.
My Angel and my hero to no end.

My best friend truly is a diamond in the rough,
a rare treasure that is unique
because she's never fake and remains true to herself.
A heart and soul so truly kind and loving standing bold,
my best friend is my true Queen and
I'm so very proud of her.
I send hugs and kisses to no end to give her comfort
in my everlasting and undying love.
My best friend Kira truly is so grand.

I truly am a very lucky to be in love
with my true best friend and have hers in return.
A true love that only me and her will ever understand
fighting for each other through all time
with pure support hand in hand.

Kira is my best friend and she is my everything,
I love that woman to my core with all I am
and I will always stick by her and give
of myself complete and full.
She truly is my Angel and my only one.

Michael P. McParland

Always (Trust And Faith)

I will always love you dear
and stay true standing by your side
hand in hand through all time.
Have trust in me that I will work
and strive to give my best and never let you down.
Have faith in me that I'll always fight for
and defend my lady in every way there is.
i won't let anyone or anything harm
or hurt you in any way sweet one.
I swear to you on my life,
and if anyone ever did they would pay a price so truly high.

Always have trust and faith in me
that I will not betray you dear leaving
you all alone feeling completely broken in the cold.
Trust me that I could never hurt you
in that way and continue living with myself.
Have faith in that because I truly love you
deeply and so very very much.
I would never hurt you my sweet one
because to see you wounded and in tears
breaks my heart knowing you're in pain
and I'll always do my best to take it all away.

Always know that you can trust me to be there for you,
to pick you up if you fall down and need help,
to hold you close and speak loving words if you feel down.
Just have faith that I'll always be there for my Queen,
to show you how great you truly are and how
deep my loving admiration and true care really go.
Just to have a happy life with my only one.
Please have faith and trust that I'll always
give my very best at all times to never let you down
and make you truly proud.

Please just have faith and trust in what
you know I feel through my entire heart, mind,
body, and very soul.
Have faith and trust that I would do anything

for you including give my life just to save yours.
Feel the truth in the loving warmth I send to you
and have faith that your man Michael
is dedicated to Kira his sweet Angel dove
and gives you always my full support.
I love you dear and you can have complete faith in that,
trust me Kira that I'll show it's great abundance everyday
through all time and eternity.

Michael P. McParland

As I Drifted Off

As I drifted off to sleep
for my nap I sent a prayer to you
so you would feel at peace and all my loving warmth,
so you would know I was there and you're not alone.
Then as I lay down I put your lovely picture
up on my computer screen.
It is my background and locked screen all the time.
I began to smile feel lightness in my heart
as I looked upon your glowing eyes and shining smile.
I thought to myself and I know it is the truth
that there is no one as beautiful that exists.
Neither in heaven or here on earth is there
a sweeter woman for whom I would ever give my heart.
You are beautiful within and out and you bring me peace
my little Angel of great worth.

As my eyes began to grow a little heavy
with the peace your picture and beauty brought to me
I then felt your presence as you wrapped
your loving, caring, accepting arms around
my stomach as you rested your head upon my chest.
I could feel your smile and awesome overwhelming love,
It made me smile in joy even more,
pure peace and comfort filled me up
and I was able to rest a bit at last.
As I drifted off I thanked you dear and said
Kira you are such a hero to me,
you are the Angel who looks out and
protects me from so very much.
Thank you my one you are my everything.

As I at last awoke about 15 minutes ago
I was still wearing that awesome smile you gave to me,
I could still feel the love you brought with you.
As I opened my eyes I just turned again
to look upon your lovely picture of perfect you again,
I said Kira you truly are the most perfect woman
and so beautiful I want to hold you all the time.
You make the earth quake in all the loving power

that you bring with you in your heart and soul,
you are the only Angel and Queen I will
forever give myself freely to.
You are all I want within this world
because I love you dear and you are a treasure
that I cherish in your unique beauty in every way there is.

Michael P. McParland

Rest Your Head (On My Chest 2)

Come join me for a needed afternoon nap
my sweet lady I love so very much,
I never slept last night beyond
a short period of light drifting off.
If even in spirit please my sweet one
let me wrap you up in my arms to fill you
with all of my warmth and love.

Come slide into bed and snuggle so tight
right up against me so I can hold you close,
then rest your head upon my chest as
I softly talk to you reassuring you
that I am here forevermore in total love.
Sing you some songs and read from a book
of poetry if that's what you want.
I want you to relax and be at peace first
and then I'll tilt my head down to be near yours
and get some peaceful rest in this afternoon nap.
Come my sweet lady and let's give our hearts needed peace.
We love each other so very deep and there's no need
or good reason to not have the happiness of our dream
that we so deserve.

So slide into bed with me Kira and cuddle so close,
rest your head upon my chest as we share some sweet kisses,
then I'll rub your back and caress your cheek
giving you comfort and peace that I'll always be here.
I need you as well my sweet lady
and just want us to be in each others arms.
Please come have an afternoon nap with me
because I love you so very much
and crave the company and caring love
of my precious sweet Angel dove.

Michael P. McParland

and feel such tender and gentle love for my sweet Angel dove.

Sweet Morning Kisses To You My Sweet One

Good morning my sweet Angel dove
and to give it the proper start I have sweet kisses
just for you my sweet one straight from the heart.
I love sharing sweet morning kisses
with my Angel and only true love.
How I wish you were here to give them to
straight from lover to lover and to have a while
to just sit here on the couch and tightly cuddle.
Sweet morning kisses for my sweet loving lady.

I love you sweet lady and sweet morning kisses
in each others arms are the best way the
day could ever be started.
Mornings can so often be a bit of a struggle
for any number of reasons beginning with just
having to get out of bed when you are so comfortable,
but no matter be it good or bad and whatever you're facing
the way I want to start them is by giving sweet kisses
to my precious sweet lady,
telling her I love and treasure her so very deeply.
I want to end every night and start every day
smiling at you and kissing so deeply and sweetly.

My sweet Queen and Angel I'll be with you each
step that you take everywhere through the day,
I'll take your hand and stand by you as your loyal man,
you'll have my caring support through our whole lives.
With sweet kisses I give you strength and want to see
your sparkling eyes and bright shining smile,
please light up my heart and world with
that God given Angelic smile.
Help make today so beautiful by being in it
and helping me know that you feel my loving spirit.
I'll close my eyes to feel yours and lighten
the load on my heart and soul.
You make me happy sweet one,
you truly are my everything.

Sweet morning kisses to you my sweet one

just close your eyes and see my loving smile and looks
to fill you with comfort and warmth,
that's what I do is think of you
and the random yet connected looks we would share
back in high school so filled with loving care.
True loving care that for both of is still there,
I'll never leave you because you mean everything,
you are the whole universe to me.
I love you Kira and to start this day off with a smile
of true peace and happy serenity
I give you sweet morning kisses to you my sweet one.

My Heart Is Forever Yours

My heart is forever yours my beautiful one.
I still lay here aching and longing just for you.
The nights truly are the hardest time
because that's when all is pure quiet
and I know you should be here in my bed
as I hold you so close and near.
To watch you sleep and give light kisses
on your soft forehead and cheek,
and softly speak in the silence that surrounds
saying I love you Kira you are my only one,
a gift from God and my greatest dream.

My heart is forever yours because you
are the woman I adore in every way.
You know my need for personal time and space
and understand why it is there,
but with you I need less time alone
because I just want to sit with you.
I want to hold you tightly in my arms.
I am a man and human being so I
truly want and need that closeness dear,
but in love not base desires drive,
and more than that I just want to be with you
holding hands and snuggling too.
Gentle innocence is also a thing I crave
because you're the one I want and need.

I know how you feel in so very many ways
and more than you may know my dear,
you know I get such strong feelings that I trust
and the bond we share makes the power even more.
I understand yet in not all ways
I also worry if you are okay.
I need to see you everyday and be there for you
as my Angel Queen and eternal bride.
Eternity truly is a strong word and a long time,
but I swear to you I would never promise that
or give it up to another soul.
Only you my sweet Angel dove.

My heart is only yours forevermore.

Oh sweet Kira I truly love and miss you very much,
I can so often feel your tears as I know
you quite often can feel mine too.
I need you babe to take care of you and all your needs
making us both feel good and happy being complete.
You give me light and the biggest smile,
my heart and soul swell with loving pride over you.
Please just reach out and say hello
and we can take it step by step from there,
I know the fear that comes along because
I was so scared earlier this year.
I can't handle losing you my dear
because you are my everything and
I truly believe I would collapse
if I ever lost you complete and full.
I hate life without my Kira dear.
I love you deeply in a way that only
you and God can truly understand.

My heart is forever yours my sweet Kira love
and I want you to know just how
very much I care for you my sweet Angel dove.
Feel my heart as I send its beating love
and power out your way and feel warmth
and strength in its total care,
it is yours forever babe
because I love you Kira in the
biggest and most awesome way.

My Beautiful Lady 4

Kira my beautiful lady
as I lay here in bed winding down
my heart turns to you as it always does.
I'm so very proud of you in so many ways
and my heart truly longs for the woman I love.
Tell me truly do I do a good job at
communicating how much you mean to me
and how much I care?
I often fear I am falling short at showing
how much I adore you and want to do for you always.
I fear that it may sound like I'm only
focusing on myself when I'm trying
to point out how wonderful you are in my eyes.
I worry though that as I so often do
I am not saying it right so you know
I care just as much about you and I'll
always be there to help you out and give my best.
I love you beautiful lady and I don't
mean for it to ever seem as if I am
the main focus of everything.
You are my jewel and I want to learn just as much about you
and have you tell me everything in your heart.
I could sit and listen forever as you
just poured your whole heart and mind and soul out.

Sweet lady as I get ready to soon close my eyes
I just want to tell you I love you so much,
you make me feel special and I want to
show you just how wonderful you are,
you are a Queen who deserves better than you've got,
including from me when I have fallen down.
I want to show you my beautiful Angel
just how much you are worth by being there always
with true love and cheer in my heart.
I want to give you all of the love that I have
and share myself with you in full.
Sweet beautiful Kira I need to be held and so do you,
I want to be with you forever through all time because
I love you so deeply and cherish you.

You are the brightest and my northern star
I'll truly love you always my sweet beautiful Angel bride.

Michael P. McParland

Goodnight Kisses For You

I have so many goodnight kisses for you
so let's slip into bed and in each others arms
to share these sweet kisses I have for you
my precious sweet Angel dove.
Let's snuggle in comfort and share
our deep passion in kisses so deep
from our souls and hearts.
I love you sweet Kira and have tons of kisses
for you in pure love.

Millions upon millions of sweet goodnight
kisses of true love and strength to you my sweet one
feel all the warmth and the love that I send.
Before we lay down though lay down on your stomach
and let me massage you legs, neck and back,
help release all that tension that I know
must feel like absolute torture.
I'll help relax you that way to begin with
and then climb into bed to hold you
and so sweetly kiss you.
Feel my arms around you and my hand within yours,
listen for my voice as I proudly tell you
I love you Kira and I always will,
you'll never be lonely because I am your man.
I would never even dream of hurting my Angel
because you are my lady and true love so very special.

I'll see you and hold you tonight
in the land of dreams riding
a shooting star that has been
specially given to us for a romantic ride
of warmth and discovery,
we'll just hold each other and be amazed by the sites
and as always amazed by each other
sharing sweet kisses and smiling.
I'll see you tonight on our majestic ride
to hold you and kiss you through the whole night.

I have endless goodnight kisses for you my dear one

and every night through all time I want
to snuggle and share them with you.
My heart and kisses are for no other soul,
they are only meant for sweet Angel you.
My heart is not in want or need of another love,
it's always known what it wants in you my true love.
I'll be holding you ever so tight in comfort
through this entire night,
God bless you sweet one that you will feel safe
and all of his and my love.
You are a special Angel and a true gift from God.
Kira I love you and want you forever by my side.

Michael P. McParland

True Comfort With My True Love

True comfort in this world for me
is spending time with my true love
no matter how that may be.
Seeing each other was always best
and when it happens again
I'll cry out in joy and say I love you dear
I'm so truly happy you're here.
I know in my heart and soul it will happen,
I pray sooner than later.

Sitting and talking rather in person,
on the phone, or on the computer
was always bliss in a manner because
I was spending time with my dear Angel.
We were sharing ourselves and our time
not even noticing it as it flew on by.
True comfort here on this earth is time spent
with my Queen and Angel I so treasure in full.

I treasure all the love that you give me
because even now I feel its comfort
from so far away in its strength to cross the distance,
I'm sending you mine and I hope it gives
you comforting peace as well.
I love you sweet Kira you are all I want
in this life and into the next.
You are my Angel and best friend,
my righteous Queen and you truly mean
everything in the universe to me.

You are true comfort sweet Kira and I thank you dear,
so soon I want to hold you near,
thank you so deeply as I hold you closely
and tell you I truly love you and will
always be here my sweet precious Kira.
You are true comfort in this often lonely world,
Kira my Angel you're the greatest there is.

Michael P. McParland

Late Night Snuggle Of Comfort

I'm not ready for bed yet my sweet Angel dove
so let's just lay down together to snuggle
in pure peace and comfort while we softly
play some light music and talk to each other.
I just want us both to have a peaceful
and warming night with each other
feeling peace in our hearts and souls
the pure comfort which only we can provide and share.
Let's lay in bed for awhile talking and snuggling.

I'll be awake for our goodnight I promise,
I just want to hold you right now
and maybe write you another poem before
sleep comes and finds us.
I just want to share this time with my lady
even if just in spirit,
I want to feel all of your love smelling
your beautiful delicate hair and skin.
Let's have a late night snuggle and smile together,
I want you in my arms forever and ever.

Come my sweet lady as I take your hands
and guide you to the comfortable bed,
let's share a sweet snuggle in these late night hours.
Just talking and laughing like we always used to,
just shoot the breeze on everything we feel and think.
Oh my sweet Kira I love you so wide and so deep
I want to talk with you and snuggle so tight and long,
let's just snuggle my sweet one and feel comfort all around.

Michael P. McParland

Sending You All My Love

Every night I'm sending you all of my love and warmth
but tonight I send it to you even stronger
with every bit I can muster,
I can feel and know that right now you need a little bit more
so I send you all the strength I have
with all my endless warmth and love.
Feel my hand in yours and my arms around you
as I pull you in for a tight hug and big reassuring kiss.
I love you dear and I am here to give my support.

I am watching over you in every way I can
and standing by your side holding hands.
Feel my strength and warmth as it surrounds
and fills you up with calming peace.
Know that I am there to hold you close and dry your tears,
I love you so very much and I don't want
to see you worry over anything
or feel sad in any way.
I am here to hold you up and give you my support,
I'll take your hand and walk along standing tall
and fighting along side my only one.
I'll never leave my sweet Angel dove to face
this harsh life all alone.

My darling dear feel all my love with these deep kisses
as I send them to you with my warmth and hugs,
remember I am here and with you no matter what
and no matter when you can call on me and you'll
have me in full as I'll drop everything else that's in my way.
You have all my love and you always will.
Kira I can feel you need that extra bit of warmth and love tonight
so with my strength and smiles I send you every bit I've got.
I love you dear and don't you fear I'll ever leave
because I love you my Queen and will always be with you
to give my very best to you and everything.

Michael P. McParland

My Heart To Yours (Gentle Love)

My heart calls to yours in pure gentleness
and true caring love.
It calls to you to tell you I care
and I will always be here.
It calls out to say you're a good woman
and I know that is true.
It calls out to say you're beautiful too
in every way.

My heart calls to yours in true
caring gentle love that is so rare in this world,
It calls to yours in it's admiration and
need to have you near so we can feel
each others hearts lovingly beating together.
My heart, soul and I want you to know
you are the most important and beautiful woman in this world
and that life is incomplete without you here
to talk to and share everything with.

My heart calls to you in true gentle love
to let you know again that it is always yours,
it was from the start and I want you to keep
and cherish it through this life and into the next.
I want you to cherish it as I cherish you
holding you so very close In my arms
giving sweet kisses to my sweet Angel dove.
My heart is yours and it calls to you
so you'll always know.

I call to you my sweet love with my heart
so full of pride and true love for you it overflows,
it fills the universe to near bursting in
it's immense gentle care and loving ways.
I just want to be with you and take care
of all our lives needs.
I want to help heal your heart and mine while we snuggle
and bond in the most wonderful of times.
I want to be with you everyday
through the rest of space and time.

I love you sweet Kira and my heart calls to you
in true and pure gentle caring love.

Michael P. McParland

I Cherish You

I love and cherish you now
more than I ever have before.
My heart melts and my knees go weak
at just the thought of you sweet one.
My heart overflows with admiration
and pure love I want to share with you.
You are a precious jewel so rare
and I treasure you for who you are.

I cherish you my dear for all the
good times we've had with each other
through it all.
Despite the lessons that have been learned
I don't focus on the bad because
it does no good to let that stuff in.
I choose to remember that shining smile,
to close my eyes and hear your voice so Angelic.
To just reach out my hand and take yours
to pull you in and squeeze in spirit.
I treasure you and feel so good
when I am with or talk to you.

You are a rare and gorgeous diamond in the rough
and I love that you will not be pushed.
You stand for what you believe and know is right
and I cherish that you won't back down.
I love that you stand tall for those who need your
true kind and caring loving help.
You look out for those who need a helping hand,
I cherish you because you've helped me in
true kindness and giving love
and I've tried to give as much as I can back to you.
I will always give you everything I have in me,
I cherish you dear and love you deep.

I cherish you because of the strong bond we share
and all the deep love I feel for you,
you are my sweet Angel and great Queen
and for you I'll do anything.

I cherish your heart and spirit so truly big,
I cherish the loving that you share.
I treasure you my only one
because I love you Kira my only
sweet Angel dove.

Michael P. McParland

I Hope (You're Appreciated)

I know I haven't said it enough
or maybe ever at all and shame on me
if I have not let you know
I appreciate you because you are so good,
I appreciate your love and all you do.
I love you for you and appreciate
that you are in my life and love me too.
It truly means everything to me
and shame on me for not saying it enough
if I have at all.
I love you dear and am so grateful you are in my life
and I appreciate the blessing that you are.

I hope your family sees and knows
just how wonderful you truly are
and appreciate the daughter
and great sister they were blessed with.
If they do not see and understand
taking you for granted in every way
I say shame on them and I truly pray
that they'll soon see and feel it one day soon.
I hope your family knows that they have been blessed
with a beautiful and loving jewel
right there that loves them in full.

I hope your kids that are now here on earth
and I hope for us to come will see the
wonderful mother and woman that
God has sent them too.
I hope they know just what a gift they
have been presented in this often cold life.
I hope they see and know what a warm
and loving soul they have been given in this world.
A loving parent and smart teacher
to show them right from wrong.
I hope they appreciate all you've done
and all you will do.
I pray sweet Kira that you will get
your loving dues.

I truly love you dear and shame on me
for not telling you how much you mean,
for not saying that you are so appreciated
and treasured in my heart by me.
I'm so blown away and thankful in every way
and for me to be so absent minded is not okay.
I truly appreciate your beauty both
outside and in.
I truly appreciate all the kind loving care you give.
I love you dear and appreciate just who you are,
Kira you are everything I find right within this world.

Love Note 283

Good afternoon my sweet one
and I have just arrived home
from my few chores.
It's muggy outside from
all the rain and I'm
hot and sweaty which is annoying.

I've been thinking of you
and how much I love and miss you
because there's so very much with you
I'd like to share.
Tell you everything about my life
and what is going on in my day.
Just share with you my various thoughts
and my feelings on them.
Even more so I want to
hear your thoughts and how your day's gone.
I want you to share with me
just how you are feeling
and if you are doing okay
or feeling different.
If you are sad I want to make you happy
and have a reason to smile,
if upset or angry I'll sit and listen
then do everything I can to fix it.
I am here for you darling
and want to give you everything
you'll ever need to be
complete and happy.
I want to be with you
hand in hand forever and ever.

I'm thinking of you my sweet lady
and sending sweet kisses and hugs
filled with epic desire and love
just to you for comfort and peace.
I'm holding you tight
as I am right there by your side,
listen closely as I put my lips to your ear

and say I love you Kira
my sweet Angel Queen,
I can feel you so close and all
of you precious love in the bond that we share.
I'm so thankful for you
and all that you are and you do,
when we are back together
I'm going to thank you over and over
as I tell you Kira you are the greatest
and a true heaven sent blessing.

Michael P. McParland

my true love and best friend.

You are my best friend and there isn't a thing
in heaven or on this earth I wouldn't do for you,
to see your eyes shine and that happy smile
makes me glow inside knowing that you are shining.

you everything in this world I can and have.
I will honor you in every way because
I'm filled with respect and pride for precious you.

all my strength and all my genuine care.
I will be with you through all time because
you're my best friend and I truly love you Kira

Morning Hugs And Kisses

As I now awake on this rainy morning here
I give you sweet hugs and kisses to brighten the day,
sweet morning kisses to you to warm everything up
and to give us smiles as this day begins.
I love you sweet lady and am sending you
all of my love and warmth to help give you
all of my strength to face this day.
Sweet kisses and hugs to give you that beautiful smile
I so love that you have.

A few things to do here shortly my love
and perhaps after wards a quick snuggle together
climbing under the warm covers.
To just smile and laugh while we talk away,
I so want to hear your Angelic voice again,
I miss it so much and I miss you babe.
Perhaps later a snuggle under the covers
on this cold and overcast rainy day.

I give you these sweet morning kisses and hugs
to help give the day a shining start,
to give us both strength and to remember
we're always by each others sides hand in hand.
When we both need we'll close our loving eyes
and remember those beautiful smiles and looks
that showed nothing but acceptance and true love,
I will be with you sweet Kira as I know
you'll be with me,
so sweet hugs and kisses to you on this rainy
morning my sweet Angel dove.
I love you Kira you're simply the the best.

Restful Evening In Each Others Arms

What would be perfect tonight
would be a restful evening in each others arms.
Eat dinner here very soon
and then lay down together on the couch
in each others arms and close our eyes
for a short while.
Chase away the last of this tiredness together.
A restful evening with you is what
I so truly want and desire.

To be with you is the most peaceful
thing there is in this world for me.
To hear your sweet voice and smell your skin and hair,
to just feel you next to me would help
all the tension melt away
as my heart melts for you in total love.
Oh my sweet darling Kira let's pray to God
that so soon you will be here or I there.
I just want us to be in each others arms
feeling pure comfort and warmth.

As we were relaxing tonight we could watch a movie,
you know I have a huge collection so you could
pick out which one you would like us to share,
just lay on the couch getting lost with each other
in the story that it is telling.
Feeling safety and peace being so close together.
A quiet evening in each others arms.
What could be better my sweet precious lady?
Nothing I say because being with you
is the ultimate blessing and prize I could hope for.

I want a quiet evening in each others arms,
the perfect time with my only love,
to lay on the couch wrapped up with my Angel
my sweet Angel dove is the most peaceful thing there could be.
To share kisses and smiles with tender looks
of pure love from the soul.
I love you my sweet Kira and want a quiet evening

in each others kind, loving, and accepting arms.

Michael P. McParland

Love Note 281

Good afternoon my sweet one
I pray you're having a good day
and getting some good rest as well.
I'm sorry I haven't gotten
much writing done but this tiredness
has struck me hard today,
I promise though sweet one
I'll do a lot more as the day and evening go.
I love you so very much
and don't like to let you down
I send you these great big
kisses and hugs so sweetly
with all of my love and warmth.
You are my Angel and my
love and care for you is immense.

All of my dreams have been of you
and all the beautiful things
I'll tell you and we'll do when
all comes together again.
I will pour my soul out
to show you my trust
and to just give myself in full
to my sweet one and only love.
I can't wait to hold you
and I hope have a wonderful family.
You will make the perfect wife and mother,
I know in my heart and soul
there can be no possible better,
I've seen and felt
your heart and soul
and I know all the loving care
that they hold.
You are a saint in so many ways,
you are my Angel and sacred Queen.

As always I'm right there
with you by your loving side,
feel my hand in yours

and my arms around you
as we go along,
I'll never abandon you
because you mean everything,
I adore you sweet lady
and want you in my arms for eternity.
I love you sweet Kira
and I just want to give you
everything you deserve
in this life with all my
abundant love that
wants to give you the best.
You are amazing and a blessing
straight from God.
Your love is a miracle
that I will always thank
both of you for.

Michael P. McParland

Lying Here With You

How I wish I was lying here on the couch with you,
there's not a lot of room but that's okay
because we could just squeeze together and be close,
holding you so near and feeling your heart beat.
I wish you were lying here with me resting away
all the tiredness and loneliness we feel.
Just feel safe and peaceful as we lay here holding
each other so very tight and close.

I just wish you were lying here with me
because I want to be with you sweet lady.
I want to have you in my arms healing each others aching hearts,
I know we're the ones that can heal each other right,
I know that we can make through it all
with the bond of indestructible steel we share,
I know we are meant to be because we have such true love
and respect for each other deeply and in every way.
I love you Kira and wish you were here lying
on this couch resting with me.

I wish you were lying here with me so I
could give you deep passionate kisses
and look you in the eyes and say I love you Kira,
I want to be with you forever and ever.
I want to share myself with you
and maybe have the sweet treat in another
poem of which I speak.
Just be close to you and feel complete through and through.
Kira I wish I was lying here next to you,
I wish that you were to hold so close and say
I love you babe you are the best.

I just want you here next to me to give
you everything you'll ever want and need,
I want to make you so very proud everyday
we live on this earth and right into the next.
I want to make you happy and feel complete,
I just want you here with me.
I truly love you so very much

and holding you close is what I want,
you are the one I so adore,
Kira you are my sweet Angel dove.

Yearning For My Angel

Lying here on the couch resting
I lost track of time as I dreamed of you
and am yearning and longing to hear from you
and feel the touch of my Angel true.
I'm yearning because you're so special to me,
a true diamond in the rough,
a rare jewel.
I'm longing for you because you
are amazing and I truly love you.

Just lying here resting and felt so relaxed
from all the deep caring love you are sending,
I thank you sweet lady because I am so sleepy
and just need the rest for a little while.
You give me true peace and that is why I am yearning
to have you here where I can see my Angel everyday
and give you that sweet loving peace in return.
I love you sweet Kira you truly are my everything.

Lying here dreaming of you and my heart
longs and yearns in full for you,
just to talk and hold you.
Just to see your gorgeous heavenly smile,
just to feel safe with my sweet precious lady.
I yearn just because you are you
and that's what I truly love.
I love you Kira because you are you
and that's all I'll ever want and need.

Morning Note 120

Good morning
my sweet Angel dove
and to start the day
I give you a great big shining smile
with a deep kiss and a tight hug.
Saying good morning to you
helps give the day a fairly
good start when you are not here.
It would be perfect if I could
look in your eyes and say
good morning sweet Kira
I'm so thankful for you
and my love for you grows everyday.
Then put my arms lovingly around you
and give you sweet kisses so passionately.
One day my love and God willing
and if he has mercy it will be soon
my sweet Queen and Angel.

It may be time to get up
not that I have anywhere important
to be but I want to write you
and be up in the hopes that maybe
I'll hear from you.
If you were here though I would
just lay here a while longer
and hold you so tightly
just gazing in your sweet eyes
and smiling so brightly.
You are the worlds beauty
and you make so happy.
I want to be with you
through all eternity.

Remember sweet dear I'll be
right there with you
the whole day through step by step
hand in hand the whole time.
You have my full support

and my absolute love.
There isn't anything
I wouldn't do for you
my sweet Angel dove.
You're not alone and my heart
is all yours,
close your sweet eyes and see
my loving looks and smile,
my heart yearns to have
you right here in my arms.
Take care through this day
and I'll be right here
if you want or need,
I love you sweet Kira
and I long so much
for your glorious return.

Snuggling Under The Covers

I've just been lightly drifting
and sleeping so far my sweet lady,
happy thoughts of you are running through me.
I'm dreaming of what we'll talk about
and just holding you close feeling you in my arms.
I'm thinking of how you look right now
looking so beautiful as you're peacefully sleeping.
You're always beautiful but that thought
just makes my heart widely smile.
The picture of my beautiful Angel
looking and feeling so peaceful.

Sweet lady if you're awake or asleep
in spirit come tightly snuggle with me.
We'll slip under the covers hiding together
from the rest of the world in our own,
just smiling, talking, and laughing
like we always did.
You make me so happy and I want to
share time snuggling and kissing
under the covers with my only lady,
then just rest our heads close together
and drift off to sleep holding each other.

So far my sweet lady just lightly
drifting and sleeping but happy thoughts of you
fill me up and make me happy.
I'm sending you kisses so sweetly
and am hoping you'll come and snuggle with me
under the covers ever so sweetly.
I want to be with my Angel both of us smiling,
I love you Kira come join me under the covers
and feel peace in each others arms.

ILYF and ever KP

Michael P. McParland

Goodnight Kira My Angel

Goodnight Kira my Angel and sweet
endless kisses of pure love to you.
Let's go to bed and snuggle the night away,
let me just gaze into your beautiful eyes
as we share kisses so sweet from our soul.
I want to see you smile so brightly
as we end this night feeling so
peaceful and cozy in each others arms.

Goodnight Kira my Angel
and feel me there holding your hand
with my arms wrapped so tightly around
telling you how deeply and truly I love you.
I hope you don't mind as you rest your head on my chest
and I rub your back if I just release
and let some tears go as I feel your spirit
and your kind and abundant love.
I feel safe crying in front of you
because I trust your heart and I know
you would not make fun of me and say cutting things.
I just want to hold you close letting go
and give some release.
I love you so much and trust you the most.

Goodnight my Angel sweet sweet Kira
from high up in heaven
I'll see you tonight in dreamland
where we can always be together.
Until we are reunited that's where
I can hold you and smile feeling
complete and happy for a little while,
I can see you there my sweet lady and kiss you so deeply
which is what I'll do tonight as we
go on a journey with the moon and stars
as they carry us through the universe.
A special trip just for two true lovers,
hold on tight my sweet lady and feel
all of my loving warmth.

Goodnight Kira my one and only sweet Angel
I am with you forever and always,
I'll be holding you tightly giving
you kisses as I reassure you speaking softly.
Never have a fright or doubt that
I am right here to help you out,
I'll drop everything if that's what you need,
I will give you my all and everything
because I want to be with you for all eternity
making you so very happy,
I will give you the love of which you're so deserving,
I love you sweet Kira and I'll never leave you,
I'm dedicated and faithful as you are my true Queen
and my true love.
You will forever be Kira my sweet Angel dove.

Michael P. McParland

Snuggle 33

Will you come snuggle for awhile sweet one?
Not go to bed just yet but rest here
while we so lovingly hold each other
feeling peace and comfort.
Will you come snuggle and nuzzle with me
my sweet Queen and Angel?
I want to hold you close and give you comfort.
I need you too my sweet lady.
You are to me the whole worlds true beauty.

Will you come join me so I can give you
all my warmth and love filled with comfort?
Please my sweet lady I need you next to me
so I can feel peace and return it to thee.
I just need to know right now that you love me,
to give you kisses and feel safe and needed.
Please come join me so I can give you comfort.
I love you Kira and want to give you
all the love that you've needed making you happy
and smile again.
I miss you my darling and want to hold the woman
who truly means everything.
I want to hold the Angel I long to be with for eternity.

Michael P. McParland

I Care So Deeply

I care so deeply for you
and I wish I could just reach out
and take your hand right now
to pull you in for a hug and hold you
while you just released and let everything out.
I can feel your sadness, anger and hurt
so very strong and I want to give you all of my love.
I want you to be able to bury your face
in my chest or shoulder so you can tell me everything
and cry if you need to,
cry as long as you needed to while
I just sat there with you stroking your hair
and rubbing your back softly reassuring you
that I care and I'm there and I'll never leave you my one.
I care so very deeply and I just want to hold you right now.

I care for you so very deeply and I just want
to lay here in my bed with you,
feeling so close but not through sex at this time.
Love making can wait because talking
and gentleness are what's needed right now.
Looking at each other and sharing sweet kisses,
breaking down the defenses that have
gotten in the way and hurt us.
I want to share my whole world with my lady
because I so deeply care and I trust you.
I love you sweet Kira and I care immensely.

Kira I care so very deeply and I want to be
here for you freely forever.
You are my Angel and best friend so beautiful,
you are the only one I want to be with,
my sweet darling Kira I will always stand by you
fighting for and defending you.
There isn't anything I wouldn't give or do
to see you smile and make you happy.
I love you sweet Kira and I care so very deeply,
my sweet Angel dove I want to be with you for all eternity.

Michael P. McParland

You Are The One

You are the one
and I love you so much.
With a smile I kiss you
and caress your cheek.
You are amazing
and a miracle to me,
Kira you are the one
and I love you immensely.

Michael P. McParland

Tender And Delicate

A tender and delicate kiss to you
my sweet Angel dove.
A tender kiss filled with deep endless passion,
a delicate kiss to show the
deep care I feel for you my dear love.
Millions of tender and delicate
kisses will be given to you by me
through all eternity.

A tender and delicate kiss
to my best friend and soul mate.
Feel the electricity as it flows
deeply and freely between us.
My heart melts completely for you my sweet one
as I truly and fully adore you.
Sweet tender and delicate kisses for you my dear Kira
because I love you completely
and I always will for all eternity.

Michael P. McParland

Love Note 280

Sitting here my sweet one
on this late afternoon
thinking of you and wishing
you were here in my arms.
I can feel you so close
and smell your sweet skin and hair
but I still wish I was
kissing you right here and now,
I miss you deeply
and I ache so very much
to see you and hold you
so near.

I can feel your loneliness
here as well and I wish
I could hold you
and say everything is okay.
Just massage your back
while we lovingly talked,
just close your sweet eyes
and feel all of my love as it
completely surrounds.
Feel peace and comfort
knowing that I'll never waiver
and I will always be here
and I'll never leave you.
I love you sweet Kira
and so deeply miss you.
I'll be waiting for you
as long as is needed.

Michael P. McParland

Reaching Out To You 2

I'm reaching out to you
to take your hands in mine
and pull you in for a tight and tender hug.
To give you all my warmth and love
and to reassure you that I am here for you.
You are not alone sweet one
and I'll never leave you feeling
broken, cold and scared.
I love you too much and so deeply care,
to know that you hurt truly is burning hell.
I'm reaching out to hold you tight
and say I love you dear.

Michael P. McParland

I Just Want You

I just want you in my life,
I just want to be with you all the time.
I hold no expectations for more,
I just want your love and support,
those things which you've always given me before.
Sweet sweet Kira my only one
I just want to be with you because you are my one.

I just want you because I love you
so very much and deep within my soul.
I don't want something like money
or to get other things.
I just want you and all the joy that you bring,
you give me loving support and that's all I want.
I just want to have the woman I love
right by my side hand in hand for all time.

I just want you and to give you all my love,
I truly do have so much love to give
and I want to shower all of it onto you,
my heart melts for my sweet sweet Angel
and I want to give you all that I have.
I want to be there for my Queen,
my sweet Angel dove.

I want to be there to give you
all of my kind and caring loving support.
I want to be by your side to help heal your heart,
I just want to hold you so close,
I just want you my precious one.
You're a diamond in the rough and a gift from God,
I just want you my only love.

Kira I just want you because
you alone are the greatest prize there is,
I love you for you and expect nothing more.
I don't want you to morph or change
because Kira is the one I love and always have,
I just want you because you're worth more

than all the riches and other women in this world.
I just want you because you are the one,
I love you because you are my soul mate and best friend.

Michael P. McParland

The Best Thing

I'm still quite tired my dear
but feel it's time to get up anyway.
I woke up to the very best thing
and do you know what it is sweet one?
It was your picture on my computer screen.
It was you smiling and being happy
which helps me feel good and happy in my heart
as I get up to face this day.
Seeing your picture was the medicine I need,
the only better thing would you being
right here next to me to kiss and hug
saying right to you I love you Kira
you are my sweet Angel and only one.

You are the thing to ever happen to me
and the person in this world you see.
I love you my darling dear
and send sweet kisses to you my only one,
waking up to see your picture was the greatest thing
because seeing my beautiful one
is everything in the world to me.
The only better thing is when I'll
be able to hold you close and feel your skin next to mine.
I love you deeply dear and I always will.

Kira you are the perfect one for me
and I hope you know just how much you mean to me.
As you go about this bright day
feel me there along with you as I hold your hand,
my arms will be around you too as I whisper
in your cute ear I love you my Angel oh so true,
you are dynamite and I can't get enough of you.
You're the best thing in this all too often
sad and bleak dark world,
you give me light and you give me hope.
I want you to be my bride and be together through all time.
Kira you truly are my one and starting
everyday next to you would be the greatest thing.

Michael P. McParland

Restless Rest

Lying here tonight restless,
I'll drift off a bit then wake again.
Beautiful thoughts of you
fill my heart and mind,
then the longing need to hold you begins.
Remember dear it's not you that makes me sad,
it's the not being with you
and you being so far away that hurts me.
You make me happy while the circumstance
often makes me so sad and weepy.
I miss my lady so good and classy
I just want to hold you and kiss you.

A restless night of rest because
I wonder how you are doing
and I can feel your aching
and lonely need to be held within you.
We both so need to hold each other
and it hurts all this distance.
I love you my dear darling and you are my Angel,
I want you to look in my eyes
and see all the love that is within me.
I want to share my whole life with the woman
who's more important than anything
in heaven, on this planet, or in the universe.
I just want to lay here and hold you
talking and resting in peaceful contentment.

A restless night of rest for both of us
and I'm sending you all of my warmth and love
to help you feel safe and protected,
wrap up in my strength like a big comfy blanket
feeling so relaxed and deeply cozy,
knowing you're okay will truly help me
because as long as you are okay
that's all that truly matters.
I love you sweet Kira and I am right there with you,
I'm holding you close giving sweet and deep
yet gentle loving kisses.

Let's rest our heads together and end this night
of restless resting comfortable and peaceful
sleeping in fulfilled harmony together.

Michael P. McParland

Close Our Eyes

Come my dear one and let's slip into bed,
we'll share a sweet and deep kiss
then rest your head upon my chest
as I tightly pull you in to give you peace.
I love you sweet lady now let's close our eyes
and talk a little bit as we drift off to sleep.
I will be with you holding you tight
so feel my deep comfort and not a single fright,
I love you sweet Kira you're my sweet Angel dove
and only one.

Come my sweet one and join me in bed.
As you rest your head on my chest
hear how my heart beats for my lady so sweet.
I want you and need you so let's
keep on working to be closer together,
I love you so much my beautiful Kira
now let's close our eyes so we can
go to our dreams and see each other.
Let's talk so soon for real
because you are my dream and I want to
be with you forever to no end.

Michael P. McParland

Smiling Because Of You (Goodnight)

Goodnight my sweet one and sleep well,
I'm wearing a smile right now
because I'm thinking of you and feel all your love,
you truly are amazing and make me
feel just like a good man and King.
I will always strive work and aspire
to be a great King for my divine Queen.
I'm smiling because of you
and I say goodnight with these endless kisses of love.

Goodnight my sweet Queen and let's go to bed
snuggling up so tight through the night,
sharing sweet kisses of admiration and passion.
I want to spend every day and night
with my gorgeous Queen and Angel.
I want to hold my sweet darling Kira
forever and ever through eternity.
I love you my darling and can't make it without you,
I'm smiling because I so deeply love you
and I know you love me because I can completely feel it.

I'll see you tonight in our sweet dreams
where I want to see your beautiful smile,
where I'll show you mine forever
while I tightly hold you and sweetly kiss you,
sitting under our tree by the rushing river.
I just want to talk with my lady
snuggling and sharing sweet kisses.
Soon my sweet one in reality
tonight though I'll see you and hold you
in the sweet dreams we share together.

Goodnight my sweet love and because of you
I am actually smiling feeling the lightness
in my heart and soul your love provides me.
What would I do without my northern star
and sweet precious Kira?
I'd be more lost than I already am,
I love you so much and I want you near.

Remember though darling I'm by your side always
and I'm always here whenever you need me,
no matter when and no matter what
my sweet Kira matters the most.
Goodnight my sweet lady and know I am smiling,
feel its bright shine within you.
It's because of you that I wear it
and I love you each day more than ever.

Michael P. McParland

Missed You A Lot

Back home from the baseball game,
the Twins won 7-1,
it was a good game and mostly fun,
I missed you though and I longed
for you to be there to hold.
I missed you a lot and always do
because I so deeply care and love you.

At many points I could feel you near,
I could smell your delicate skin and hair,
it moved me so much that I wouldn't
be able to focus on the game.
I would just give a smile and say
hello Kira, I love you so much
and I miss you tons,
I wish you were here my only one.
I missed you a lot and ache for you now.

I thought of you at the game
and sent you all of the warmth I carry within,
I said I love you sweet dear
and gave a smile to send your way.
I missed you a lot and wish you had been there,
I love you Kira and want to be with you
forever and ever.

Michael P. McParland

Love Note 279

As I get ready to
head out the door
to go to the game
I wanted to say I love you babe
and I will be thinking of you
the entire time wishing
you were by my side
and I was holding you.
I love and miss you so much
and not having you here
part of me is missing
and it hurts.

I will be sending you
all of my warmth and love
so close your sweet eyes
and just feel me in spirit
and see yourself there.
I'll be sending sweet kisses
and holding your hand.
I love you my Angel Kira
and I always will.

So as I now go
remember I am right by your side
always hand in hand.
Feel my arms around you
ever so tight.
You are a beautiful woman
who I care about and love
with my whole body and heart
you are my special lady now
and forever you always will.

Michael P. McParland

Aching And Longing

I'm aching and longing so much
to have you here in my arms
and to just show you how much I care.
I know if you just looked in my eyes
without me hiding a thing
you would see it all and feel such peace in your heart.
I ache so much and so bad
to just have you near and hold you so close.

I long for you sweet one
because I care so very much and want you
to be here to rest your head upon my chest
and listen while I stroke your hair and rub your back
to just how for you my heart stays alive and beats.
I ache for you my sweet Kira and to have you
eternally in my loving arms.
I ache and I long to show you just how wonderful
I know you are.

Kira you are amazing and my only best friend
and I long so much to sit here and hold your hand,
you are so beautiful and so very kind
I pray you'll soon return so I can
give you all of my sweet love and kisses in return.
I love you Kira and an eternal flame for you
inside me brightly burns.
I love you so deeply and yearn for you always and now.

My sweet Kira I long and I ache for you so very bad
and just wish I could hold you right now,
to see your smile and your sparkling eyes.
I want to look upon you in love for the longest while,
I want to say I love you through my eyes and smile,
I want to say I love you with the tears of joy I would be crying.
I ache for you sweet one and I need you here my dear Angel.

I ache so often and sometimes so bad that
all I can do is lay in bed.
I dream of you and giving sweet kisses,

I send you all of my love with everything I hold for you.
I miss you sweet lady and I long in pure passion,
I want to give you everything that I have within me.
I love you sweet Kira and I ache to see you and touch you,
I need you so badly because I love you so deeply,
Kira my lady I ache for and long to hold you so badly.

Michael P. McParland

Sweet One 9

Sweet one you are my Angel so very bright and true,
this life would be so empty if I had never met you.
You are my light and you fill me up with hope,
I love you sweet one and I always will.

Sweet one my heart is always yours,
it beats just for you because you're a gift from God.
I truly lack the words to tell you how much I care,
just know sweet one I love you and I am always here.

Michael P. McParland

Holding You Forever

I'll be holding you forever sweet one
rather it be in spirit or in person,
I'm never letting go because
you are the one I completely and truly love,
I'll be holding you forever because you are my only one.

I'll be holding you forever to keep you safe and warm,
to give you endless peace and feel comfort in your heart.
I'll hold you when you're tired,
I'll hold you when you are asleep,
I'll hold you when you are wide awake,
I'll hold you when you're sad and need me bad,
and I'll hold you when you're happy just wanting
to have me there.
I'll be holding you forever because you're my beautiful one.

I love you madly Kira and I want to hold you now,
give you kisses oh so sweetly on your lips
and just kiss you in passion everywhere.
I want to whisper in your ear I love you
and that you are the only one who I want forever.
I'll hold you always my sweet one because
you are the greatest Angel.
I'll never let you go because you are the one I love.

I'll be holding you forever because you're my only Queen,
I want to give you everything you truly want and need.
I want to heal all your wounds and scars,
I want to help you forget the jerks that took you for granted
and badly hurt your soul and heart.
I'll be holding you forever so you'll always know you're beautiful,
I'll be holding you forever because I truly love you.
I don't want to let go or ever lose my Angel,
you are my everything and I want to be right by you.
My heart is yours as is my love and soul completely,
Kira my sweet one I'll be holding you forever because
I need and want only you completely.

Michael P. McParland

Love Note 278

Good afternoon my sweet love
my heart and thought as ever
are there with you.
I'm right by your side
hand in hand giving a loving smile
with tender eyes just for you
my sweet Angel dove.
Feel my arms around you
as I pull you in tightly
for the biggest of hugs.
Sweet kisses as always
to you as well.
I miss you so much
and just wish we could talk.
I hope that so soon
I will be able to hold and kiss you.

Tonight I am going
to the Minnesota Twins
baseball game
and I so wish you could
be there with me.
To enjoy the open air
with each other
and just have a special time
as two people so in love together.
I want to be with you always
and I would give anything
to share such a fun thing
with my dear sweet Angel.
I love you sweet Kira
and want you to be with me
more than anything.
I'll be thinking of you
while I'm out there
and sending extra warmth and love
to you my sweet special lady.

It will be hours yet dear

so I'll still do plenty of writing,
I just wanted to share
such a fun thing
with my sweet darling Angel.
Just close your eyes later
and see the sun and smell the sweet grass
as I send you my energy.
I just wish that through
everything you could come
along with me.

Oh my sweet Kira
I so truly love you
and hope that so soon
I can see you and hold you,
I hope that even sooner
we will be talking and laughing
also planning our future.
I miss seeing your words
and hearing your voice
a true treasure of heaven.
I miss you sweet Kira
a blessing from God directly,
you are truly an amazing woman.

Feel all of my love as
we go about this bright day,
know that my hand is in yours
and I'm here to stay.
You'll never again be alone
because I am your faithful man.
Kira I will always give you my everything,
you are all that I want
and all that I need.
Kira my darling you are
so truly amazing
and I want to be with you
forever and ever.

Michael P. McParland

My Best Friend

Kira you are my best friend and soul mate.
The other friends I had here hate me know
though I honestly know not why.
I promise you it's not because I lost my temper
or said things that I am filled with regret over.
I guess my mental state and twitches just
got to be too annoying and not worth understanding.
You are my best friend and I miss talking and sharing
everything that has happened and does happen
with my special woman.
I adore you and all your loving care and understanding.
You are my best friend and hero and I so deeply miss you.

Kira you are my best friend and I wish I could
just sit here or lay down and hold you.
There is so much I have in my heart and soul
I want to show and tell you.
You are my sweet precious diamond and I trust you,
I trust you so that I can share with you
things I never have with another and things
I would never share with anyone but you.
You are my sweet Angel and I want to give you
all of myself and life.
You are my best friend and the one I truly treasure.

You are my best friend and without you I'm filled with pain,
I miss your loving voice and seeing you
giving me such abundant joy and hope.
I miss giving in full of myself and knowing
that so very soon it would be for life.
I know it still will be but I want it to be now
and I miss my best friend more than anything.
I miss you Kira like a fat kid misses
his donuts when he needs them bad.
I miss you and long to have you here holding your hand.
You are my best friend and I love you more than anything.

Kira I love you and everything about you in every way,
you are my greatest friend and I wouldn't

have it any other way.
I want to give you all the best that you deserve
and I want to give my whole entire existence to you.
My heart and soul are yours through all time
because I want you to have them as my Queen
and pure Angel so very true.
You'll be my best friend through all time
and I'll always love you more than anything.
I love you Kira it is so very true
and no matter what through it all I'll stick by you,
you are my best friend and hero in every way,
you are my soul mate and you are the one I want
to be with through everyday through this life
and the rest of time.
Kira you are my best friend and I'll stick by you to no end.

Michael P. McParland

My Shining Star 2

You light up my life and world
Kira my shining star
and I love you more than all the
other stars in the sky combined,
you are the brightest and most special
giving me hope and direction
when it feels both are gone.
Kira you are my shining star
and I love you more than anything
in heaven or on earth.

I love you so much my beautiful shining star
and I give you my whole life,
you are everything I'll ever need and want
so I give you everything in and of myself
so I can do my best to make you truly happy.
I want to see you smile and shining
everyday that we live and then through eternity.
I love you Kira so truly amazing,
you are my shining star and I love you more
than all the other stars put together as one.

Kira you are my beautiful gorgeous shining star
and I hope to feel the warmth through all time
of your abundant love while always sharing mine.
Our light combined will light up the universe
as an example of true love for the whole world,
but they'll never have what we do because
we hold a bond so very special and true.
You are a shining star of immense joy
and I so deeply love you.
Kira you are my shining star and I give
myself in full only to you.

I'm Sorry Sweet Love

Good morning my sweet Angel dove
and I truly do love you so very much.
I am sorry sweet one that you
didn't hear from me for so very long.
I was so exhausted yesterday
and fell asleep for the whole day
not long after noon.
I've only been up for a little while
and am waiting out the last of a migraine.
I love you sweet one and am sorry
if you were upset and worried,
remember my dear that I'll never leave you
and I'm always holding your hand no matter
where I may be or what I am doing.

I am sorry sweet love and please don't be upset
I was so exhausted and wish you had been here to hold,
I promise I will always give you the best I can
and I hope this headache is gone soon my sweet girl.
I love you so much and worry that you you have been crying
feeling worried or thinking I have skipped out.
Not a chance my sweet lady I am here for you always
because I love you so deeply in every way that there is.

Good morning sweet lady and today's a new day,
I am truly sorry if I upset you in any way.
I will be with you this entire day through,
I love you so much and I always will.
I hope this headache passes so soon
for I have a small piece of exciting news for you.
Not important at all but still fun none the less,
I love you sweet Kira and I'm holding you close.

Michael P. McParland

Softness In My Heart

Such softness and love for you
course through my body in whole.
Such abundant hope and light
with joy and love so pure.
I adore you dear and than you
for all you do.

I have such a softness and deep well
of love for you and it overflows in full.
The softness that I feel for you
will never have an end,
as an Angel and a gift from God
I'll always be in awe.
As a blessing I adore I'll be thankful for all time,
and as a woman so very kind and loving
and beautiful in every way
I'll feel such a softness of love through all eternity.

I rise for a few minutes sweet one
from my sleep just to pull you in
for a tight morning snuggle
and to say my sweet darling Kira

With all of my heart, all of my soul,
all of my mind and body to my core.
You are an amazing woman
and I'm so happy that you love mee too.

My sweet darling Kira I rose
early for this moment to give you
a morning kiss and snuggle so special.
You are my lady and I would do anything for you,

Love Note 277

My sweet Angel dove
I once again close my eyes
to try and get some sleep.
I will dream of you
and be sending all my love.
Feel its warmth and peace
and know I am not upset.
I feel such deep tenderness for you
and would give my life
for just 10 minutes to
talk to you and hold you close.
I will dream of you
and think of all the loving words
I want to say and how
I will show my love to you.
I love you my sweet Kira
and send all my endless love.
You are such a treasure dear
and I truly cherish you.

Michael P. McParland

Late Night Kiss

A late night kiss for you my dear,
one of true love and total care.
I miss you so bad and I fear that you are mad,
I wish I could say I'm so sorry right to you
because I love you more than anything
within heaven or this world.
I want to hold you close here in bed with me,
not sex right now but just having you oh so close
feeling you right next to me feeling peace and safe.
If you only knew how scared I feel and I don't
know how to explain it all this way.
I just want you here beside me where we can share everything,
I want my Angel to be able to see all the love I hold within me.

I send a late night kiss because I want comfort
for the Queen and love I so deeply miss,
I want you to know my heart is filled with so much love
it overflows and melts for you because
I adore you immensely in every way
I can't even describe the depths of loving admiration
I most sincerely and deeply feel.
I just wish I could hold you near and kiss you deep
so through that touch it would all be known.
I love you Kira, I so truly deeply do,
please accept this late night kiss from me to you.

Michael P. McParland

Snuggling Among The Moon And Stars

Goodnight my sweet darling dear
come and join me sweet one
to snuggle and be at peace
among the moon and the stars.
Sharing sweet kisses as we lay on a blanket
by a cosmic and majestic blue lake
we'll drift away into dreamland
holding each other in pure peace and comfort.
Join me sweet darling and we will snuggle
so tightly in comfort with the moon and stars
shining a calming ambient light to give us calm.

Goodnight my sweet precious Kira and through
the whole night in spirit I'll be holding you in my arms.
As I stroke your hair and rub your back
gently rest your head upon my chest and together
we'll drift off to sleep and meet in that dream.
Among the moon and the stars getting lost
in each other and the enchantment all around,
both we together as well as the moon and the stars.
As you are sleeping feel my sweet kisses
and caresses of love.
Be filled with all the warmth I send to you,
feel comfort inside as you hear my voice
saying Kira I love you you're my everything.
You are a blessing that I thank God for everyday,
I than you as well for just being you
and all the love that you have,
you just blow me away.

With millions of kisses and hugs that I am sending
let's rest now my dear and meet in dreamland.
I want to hold you in that ambient scene,
laying down on a blanket and wrapped up with you
by a clear blue majestic lake getting lost
in the wonder that is you.
To look in your eyes and hear your voice,
to kiss you at last how my heart longs and aches.
One day soon in reality I'll hold you close

but tonight my sweet love we'll be
with the moon and the stars in our sweet dreams.
So goodnight my dear sweet Queen my heart calls to you
it is saying Kira my Angel I so deeply love you
through and through.

Michael P. McParland

Snuggle Up Sweet One

Come and let's snuggle up so tight sweet one
filling each other with total peace and warmth,
let's just spend this tired Saturday night
relaxing in each others loving arms.
I truly need to feel you close giving you my love
and receiving your pure true love as well.
We give equally sweet one because
what we feel is completely real.

Come snuggle close with me sweet one
so I can give you kisses
and tell you how much you mean to me.
I want to show you while you look in my eyes
where you can see the depth and truth within.
Let's snuggle oh so close on this night
because it's you I need the most.
Kira I love you and want to just hold you
in my arms and give you all the love
that you deserve and have not been given.
You deserve true love more than any other soul I know
and I want to give you all I have
so come snuggle with me and rest your head upon my chest
while I reassure you that I'm here in every way.
Kira you are my only one and I truly love you so,
God bless you in every way
please come snuggle with me my sweet Angel
who I care for and about more than anything there is
in heaven or on earth.

Michael P. McParland

My Only Love

You are the only one I'll ever love
in that special way that is in the soul,
you will always be the only one
I will give myself away to in full.
No other will ever see my entire world,
I'll only ever give that key to you.
You are my only love and I so badly want
to share all time with you.
I want to have your hand and give you mine
as the most loving man and wife.

You are my only love and I give my heart to you,
I just want to hold you close and know
what it's like to be loved like that
and feel complete and total peace.
I feel your love here right now
but I've never shared a relationship
and I so long to be with you here to share,
you are my only love and only you will do
my sweet precious Angel dove.

You will always be my only love
because you are a true gift from God,
I am so in awe and filled with love for you
it overflows and I at times get overwhelmed.
I just want to have you here to
hold so close and kiss at those times.
You are my only love in that special way
and we share the most special bond.
You are the only one to whom my heart belongs
and you make me feel safe and that's
more important than you can know.
You give me peace and calm my racing mind
that the bipolar gives to me.
You are my only one so very special because you're kind
and I want you to know I'll love you
through eternity because you are my only one
so very true in every wonderful thing there is.

Michael P. McParland

Kira My Angel

Kira my Angel you are so truly beautiful
and on a tired evening like this
I just want to sit back and so tightly hold you,
tell you I love you and so deeply adore you
and that I thank God every day to have you,
to tell you you're a diamond I treasure
and I'll never leave you.

Kira my Angel I just want to look in your eyes
and show you my world in whole through mine
as I open my soul to you my sweet one.
A world that is mine and I'll never share it
with anyone else but my Angel and sweet one,
I long to sit back and give you sweet kisses so deep
and just hold you through the whole night.

Kira my Angel on such a tired evening
at the end of a difficult week
I long for nothing more than to be in your arms,
having you gently rub my face and head
to relax and feel peace in full.
So I can massage your back neck and feet,
any part of your body that so badly aches.
Relieve the pain in our hearts as we just sit
with each other getting lost in our talks.
Just like old times feeling the love,
it is still there my sweet one and it will never go away.

Kira my Angel I just so deeply adore you
and want to tightly hold you,
let you know that you; re not alone because
I love you so deeply and will always be present.
I just want to drift lightly in sleep
feeling total comfort with my Queen and my Angel.
I love you sweet Kira and just want to wrap up
with my sweet Angel dove.
She is so special and her name is Kira.

Michael P. McParland

Gorgeous Lady

Gorgeous lady how I wish I could
have you here to hold within my arms,
to sit and watch the game in peace
with my only one.
To cheer and talk laughing along the way,
gorgeous lady you are my hopes and dreams
and I send this kiss to you.

Gorgeous lady my heart sings so loud for you,
it beats continuously because you love mee too.
I feel such pride and light from the hope you give
when I look into those eyes I know what true love is.
The looks and smiles we were young
said more than we knew,
but on the deepest level of our bond we
knew we were saying I truly love you dear.
You are my gorgeous one and my heart melts for you.

Gorgeous one what can I say
but you're everything I need,
you're the only one I'll ever want
standing next to me.
I will hold your hand and hold you close
through the lengths of time.
Kira you are my gorgeous one
and my heart's forever yours.

Sweet Saturday Afternoon Kisses

As I rise from a Saturday afternoon nap
my first thoughts are of you and a sweet kiss.
I send all my love and warmth within my heart to you
with endless smiles to give you peace within your heart.
I'll be thinking of you as I watch the game
and will be wishing you were here to watch It with me.
I just want to be with you spending time
with my Angel in my arms.
I send sweet Saturday kisses in the afternoon
to sweet wonderful, beautiful you.

So as I rose from a rest I needed much
my first though was of my love and how I care so much,
I wish I could sit with you and heal our aching hearts
but remember I am there with you and will never ever part.
You are the Angel whom I give myself in full,
I know our time will come and I'll just hold you all the time.
We will watch the games together and do so much more as one
I love you my precious Kira and I send you kisses in bunches
of a million and one.

Michael P. McParland

My Adorable Love

My adorable love so many days I don't know how
I make it through without you
by my side or at least to talk to.
It feels so empty at certain times
I can only curl up in a ball and try not to cry.
It's because I miss you dear and want
to be with my love who is so adorable.
My heart melts for who you are
because you are a ray of sunshine and my northern star.
You are everything I need and want.

My adorable one I want you to know
just how important you truly are
and that you've touched my heart in the deepest way.
I'll never stop loving you
and couldn't even if that was what I wanted dear,
but it is not because I love loving you
and giving my heart in full forevermore.
My adorable one I don't know what to do
without you right now being separated in most every way.
Adorable one my heart calls out and sings to you
because I want you to know I'm always here
and that you will always have my support.

My adorable one I truly care and want to hold you near
to reassure you that I'll never hurt and abandon you.
I want to let you know that those who hurt you in the past
are right there and I am here to last
because I would give my life to have just one night,
I will give everything I have to be with you
for all time and give my best for my Queen.
I love you adorable one and I want you to know
in all senses just how I feel
because there is nothing that exists that is more real.

Michael P. McParland

Good Saturday Morning

Good Saturday morning my dear
and many sweet kisses and hugs to you.
With a nice cuddle and smiles
let's start this day
and share a beautiful weekend ahead.
With millions of kisses and a cuddle
good Saturday morning my one
I love you so much.

If you were here we could spend
a little while in bed snuggling and talking
while kissing as well.
Then get up and I'd cook you some food
massaging your neck and feet as you would eat.
Then sit outside in the sun and read for a bit
cozy and up close while we both felt complete.
Good Saturday morning my love as that would
just be the start.

We could just take our time lounging
through the whole morning
as it would be our time together no one
to push us or hang over us now.
Then as the noon came I'd cook you a nice lunch,
to give my lady the finest there is
is a dream I so want I can feel it so bad.
I wish you a good Saturday morning
so filled with love.

As we went through the noon
I'd ask if you wanted to sit with me
and watch Ohio State as we played Hawaii.
Watching my favorite team with my
best lady would make cheering them on
a million times better.
I want to spend the day with my Angel
because it is you that makes this earth heaven.

We could take on the evening as the day came

and up through that point just take it slow
enjoying the whole time being together.
Basking in the loving bond we share together.
A good Saturday morning to my only lover
and sweet Queen and Angel.
Endless kisses to you my darling so special.

A sweet and good Saturday morning
my sweet Kira I treasure
and I will be with you holding you tightly
feel the warmth of my love as it
completely surrounds you,
close you sweet eyes feeling and seeing
my loving looks and big smile.
Smile back for me and share a kiss with me
you are the one who will help get me through things.
Feel the warmth of the sun and know it's
only half as bright as the love I hold for you,
I love you sweet Kira and I wish you
the greatest Saturday morning.

The Beauty Of An Angel

I woke up not to long ago in just
a random waking in the middle of the night,
still being so very tired I needed
something to help calm my nerves
and relax me with a smile.
So I brought up your picture and my heart
felt so much lighter even in the longing I feel.
Gazing upon the beauty of my Angel makes me smile
and I just want to have you here within my arms.
Every time I look at you my heart and stomach flutter
filled with butterflies.

I looked upon your picture with that shining smile
and I said aloud Kira you are so beautiful
and I love you so very much,
I miss you more and more each day
and I want to feel your tender touch.
Just to feel your embrace and hold your soft and loving hand.
To caress your soft pale cheek
and savor the moment leading to that first kiss.
Just stroke your hair and be amazed by your eyes,
you are so beautiful like an Angel
I truly love you fair complexion and pale skin.
Pale in the most beautiful way with long dark hair,
my God you are an Angel how does an average man
receive the love and admiration of a woman so divine?

You truly are a beauty I hope that you can see,
it is natural and you need no enhancement
and I'm thankful you don't ruin it with make up
and accessories witch would cover up perfection.
I so deeply love you dear and your Angelic beauty
of truly breath taking and tingling perfection.
Every part of you both within and out
you are a beautiful woman I can't live without.
I long and ache to hold you close as I smile now,
it may seem crazy but I do talk to your picture
so I can say what I feel to you in some manner and some way.
You have the beauty of an Angel and my heart calls out to you.

As I now relax and close my eyes again
I thank you dear for all the love you send.
You amaze me dear all the time and I'm in love with you,
oh my dear Angel you truly are divine.
I can't wait to hold you close and cry my tears of joy,
I love you Kira my dear fair Angel
nothing in heaven or on earth can compare to you.

Michael P. McParland

Love And Kisses From The Stars

As I say goodnight sweet one
I send you all my love and sweet kisses
from the stars that shine upon you oh so bright.
With a smile so very big and filled with love
I send down my abundant depth of love
and as I reach out to pull you up
I also send you sweet kisses and tight hugs.
Eternally I send you all my love
with endless kisses from the stars.

I reach out dear to bring you up with me.
Will you join this man who wants
to be with you for all eternity?
Can I hold you among the stars
as this night rolls along and I'll
make sure you feel warm without a fright?
Will you my Angel grant me my greatest wish
to hold you in the stars great brightness
to give you kisses and hold you close?
I want to take your hand and spend the night with you.

Look up to the stars and see my loving smile
I'm reaching out to take your hand,
to say I love you dear and want to have you near,
hold you so tight within my arms so you
can feel how just for you my heart beats.
From the stars my love shines so bright on you
and the infinite stars represent my kisses to.
I'll be holding you the whole night through
so feel my warmth and my arms wrapped around
to give you total strength and peace.
My sweet Kira I am always here for thee,
I swear to you I will never abandon my sacred Queen.

Goodnight my one and only love
and I gaze upon you in awe from the brightest stars,
I adore you immensely in every way
and hope you'll join me forever to be near and stay.
You are a jewel so rare and I crave

the pure and true love you bring.
I only wish to give you my love and treat you
as my righteous royal Angel Queen.
I want to kiss you tenderly.
I just want to be your man for all eternity.
So feel my warmth as it wraps you up
and always know I love you more than anything,
it will always be you I love the most.

Michael P. McParland

I Just Want To Spend My Life

I just want to spend my life
with you so close and in my arms.

I just want to spend all time with my sweet Angel bride.

I just want to spend all time being filled with pride,
the pride of being with the greatest girl
that God ever created with his hands.
I just want to spend my life healing all our scars,
I want you to know and feel all the love that you deserve.
I just want to spend my life with my true love and best friend.
I just want to be with you because with you I never feel alone,
you never look at me as a freak and you are so intelligent my one.
I'd give my life up for you if it was needed now.

I just want to be with you because you are my hearts crown jewel.

I just want to be with you because you are my one,
I adore you deep in every way and you complete me my sweet dear.
I just want to see you smile and know that you're okay,
I want to take care of you because I worry so very much.
I worry for my true love because I know you're sad,
I just want to heal your heart and give it all my love.
I want to give you peace with
endless sweet kisses and the tightest hugs,
I want to rub your back and all your aches
and give you comfort that you need.
I just want to be with you because without you I'm incomplete.
I just want to be with you because you are my everything.
I love you Kira more than you can know and want
to show you through eternity how much I truly care.

ILYF and ever KP.

You Get Me Through

With all the love you have for me
and all the love you send

when my temper makes me want to bend.
The strength that you send me so grand
helps get me through the nasty stress
that sometimes I must face just like today.
I thank you dear for all you do
you truly get me through.

With that smile and those eyes so bright
I can feel them even now from so far away,
they help light my path and give me heart
so I can keep along the path and keep my head
most of the time except when I let it get away.
You help get me through and pick me up when I fall,
I adore my special girl and want to thank you dear.
I wish I could hold you close and say you are the best.
I wish I could hold you near and say I truly love you dear.

A Tired Morning

A tired morning my dear I want to spend
for a little while here in bed
held within each others loving arms.
A few hours of kind and caring loving peace,

A tired morning with my beautiful woman
sharing kisses a few more resting hours
is what I long for and desire.
Looking forward to waking and saying

and face a bright new day together.
Everything is renewed, bright and hopeful
with my true love and only Angel.
Let's snuggle here for a few more hours
then face the day so strong knowing
we cannot be beaten standing so very tall together.

Michael P. McParland

My Sweet Angel 4

My sweet Angel Kira how I wish
that you were here to lay with me
just holding close looking at you and smiling.

My sweet Angel I so wish you were here right next to me.

My sweet Angel you are so good to me

you are all I want and need sweet one
because with all my heart, all my mind, and all my soul
right to my very core I love you more than anyone can truly know.

A Sad Night

Waking up but half an hour past
and all the stresses and sadness of yesterday hit.
Woken up at seven at night by
something that I believed to be taken care of
but doctors tend to be incompetent andon them you can't count
so the worries and the stresses of doing it
all over again on me so heavily sit.
I'm sick of all this junk and worst of all
I don't have you here to just hold, talk, and kiss.
I just want to cry in this overwhelmingness.
I miss you sweet lady and you always helped
talk me through it all.
It's a sad night from all of it and I just want
you here to talk and hold.
You are the Angel I adore and I need your strength right now.

It's a very sad night my dear and I am stressed in full,
I just wish I could talk to you to gain my nerves
and straighten out my thoughts and mood,
then we would just talk about everything and forget the world.
You are the medicine that brings beauty to this world,
you are the Queen that keeps me going on.
If it weren't for all the love we share I would give up
and finally leave it all,
but you and your sweet soul I can't leave behind.
I want to be by you hand in hand always helping
each other right along here on earth and through eternal time.

It's a sad and stressful night within my mind and heart
and you're all I need and want within my loving arms.
At times like this you are the only beauty
in this cold and ugly world.
I just want to look you in the eyes and thank you deeply
for all you do and say I love you dear,
you are so wonderful and truly special and everything to me.
I love you Kira and you're all I need
and I want to give you all the things so good and bright
within this universe that you so deserve.
I love you Kira my sweet Queen and I just want

to hold you close and have us both be filled with peace.

Michael P. McParland

A Deserved Rest

A well deserved and needed rest for me my sweet dear.
Will you come and join me for a snuggle so sweet and near?
Will you honor me with your sweet spirit and open arms?
Can I hold you dear and feel your peace surround me now?
I need this rest and some wholesome sleep,
I so want you here and have you next to me.
I want to hold my one and say I love you more each day.
Kira you are my Angel Queen and I need you in my arms.

It's a well deserved and needed rest my dear and Angel true,
a deserved rest and snuggle for the
both of us and I want to hold you near.
Come sweet one and look me in the eyes,
I will caress your cheek and rub your back as I give you all my love.
I want to surround you in all my warmth as we close our eyes.
I love you so my only one and want to sleep with you,
not sex my dear but peaceful holding now.
Come rest with me my only one you're all I want and need.

Michael P. McParland

Sweet Afternoon Kisses

On an afternoon where I'm so very tired
and have had to be on the phone
dealing with frustrating doctors
I wish that now that part's over
I could just sit with you relaxing
snuggling so very tightly,
sharing kisses of deep comfort to chase away the stresses.
I just want to be with you to forget
the world that gives me chills.
I want to be with the Angel who cures the pain I feel.

Sweet afternoon kisses are what would heal my heart,
sweet kisses with the Queen and Angel
who truly listen and understand.
Holding my sweet lady that helps me forget the world,
the sweet lady on whose shoulder I could cry.
I love you oh my Angel and I wish that I was with you,
life seems to be more impossible each and everyday.
I just want to be with you and relax this afternoon.

I just want to be with you to hold and give all my sweet love,
I just want to be in your arms and know that it's alright.
I just want to look at you and say thank you dear
I truly love you so, then give the sweetest kiss
a man could ever give the Angel that he loves.
I love you dear and want to hold you near
to feel peace and forget the world.
You are everything and the cure for this hurtful world.

Sweet Good Morning Sweet Love

A sweet good morning to you my sweet love
and I wish you the brightest of days.
With a sweet kiss I remind you that
I'll be with you hand in hand all the way.
You are my only one and I'll never leave you
feeling sad cold and broken
because I adore you in every way.
You are my sweet Angel dove and I give you my whole life.

A sweet good morning to you as I hold you so close
in these chilly early morning hours to fill you with warmth.
If you start feeling lonely today remember I'll
take your hand and put my arms around you.
Then close those sweet beautiful eyes and remember
the loving looks and smile I always gave you
full of adoration and pure love.
I will always stand by your side in full support.
I will stand and defend my Queen for all time.

Feel the sun this day as I send it to shine on you,
let it's warmth remind you of the deep and abundant love
I hold just for you my sweet Angel dove.
My heart and soul are forever yours through all time
and I long to have your hand as my gorgeous wife.
Kira you are the best and I love you so very much.
A sweet good morning to you my sweet love,
never forget that I am always here just for you my precious jewel.

Michael P. McParland

Longing For A Beautiful Day (With You)

I long for a beautiful day today with you.
To start this morning in your arms
snuggling on this chilly morning keeping each other warm.
I long to be here with my only one in bed
side by side feeling the true love that we share.
I long for a beautiful day with the Angel
who holds my heart and soul in every way.

I long to spend the early morning hours shaking off
the rust and dullness of sleep holding hands
and doing whatever various things we do with you.
I long to just sit at your side and see the brightness
of your smile and eyes.
I want to see the bright lights of life with you
as you light the world no matter the weather that's outside.
I want to spend a beautiful day with my Angel bride.

I long for that beautiful day to soon come
when I just spend endless time with you.
No matter what we do it will be filled with joy
as long as you are by my side.
Walks and talking having lunch,
cooking for my sweet one her favorite meals to please.
Reading and watching movies that we love,
giving myself to you in whole and full.
I love you dear and want our days in full so soon.
I long to spend this beautiful day with you.

My sweet lady I can't wait for each day
that I can hold you close telling you
about how I feel and adore you.
To share beautiful days and nights in each others arms.
You are what I want and need for all time,
I truly love you more than anyone or anything.
So come my dear and let me give you all I have,
I long for beautiful days with you as my bride.

Michael P. McParland

Night Note 106

Sweet lady holder of
my very heart and soul
how I wish you were here
to lay beside me on the couch and hold.
Snuggle so tightly
while I still sit here
tiredly awake.
Just to be near you
and have your company
as I watch some movies.
I so want you here in my arms
to keep us both warm
feeling totally of peace.
Oh my sweet Kira you
are the woman that makes up
the substance of beautiful dreams.
You are the woman for whom
my heart truly beats.

On this late night
I wish I was with you
cleaning up the house
to surprise you.
Mostly though just lying
with you at my side
as I held you giving sweet kisses
to my only Angel bride.
Feeling your warmth
and the deep love that you hold.
Oh my sweet Kira
my sweet Angel dove.
One day we'll be sitting
and holding each other so close
and can't wait to be with you
to say I love you Kira
and give you a kiss.

Michael P. McParland

Late Night Memories

As I slowly go about the few chores
tonight while I'm up for a short bit
I think of you my special one so good.
I think of all the happiness to me that you are
to help get me along and give me
the little smile I'm right now capable of.
I think of you and all your beauty
and though I ache for you it makes me feel good too.
I love you Kira and you're everything
I need in this cold and cruel world.
You're all I need to make it beautiful again.

Late night memories of your beautiful face
and beautiful smile and eyes.
Memories of that beautiful woman in whole
that drives my manly senses wild.
Memories of tenderness and loving care.
Memories that invoke and intensify
all those feeling that are still there.
I remember it all my sweet Kira dear
and I focus on the loveliness
because the moments of badness were not the realness.
We just have bad tempers that have gotten away from us
and with all the true loving tenderness
we can and will overcome this.
I love you sweet Kira so truly wonderful,
I want to marry you and have forever in our arms so full of bliss.

Late night thoughts of the Angel I give myself up,
the one who fills me up with light and hope
stopping the great majority of my deep hurts
and over time I know would cure them all.
My sweet precious Angel for whom I want to do the same,
my sweet Kira who I love more than anything.
My sweet Kira who I want to be with for eternity,
you fill up my heart and mind on this night
just like every other my precious gem.
I love you and want you here forever by my side hand in hand.

Michael P. McParland

for a little while.
From the nightmares I still feel tired
and want my lady by me as I rest awhile.

and have you here with me.
I love you so very much and want to hold you close.
I want to feel the comfort of my only love
as we snuggle the morning away.

Michael P. McParland

Beautiful Kira 5

My sweet beautiful woman I adore
how I wish you were here to kiss and hold.
To just lay here in bed talking away.
I want my beautiful Kira here everyday
to brighten the world in which we live.
I want to be with you no matter
what it is that we do just as long
as I am able to hold you so near.
So I can look in your sweet eyes and say
beautiful Kira I deeply love you.

On a day like today where I've slept it away
and find no reason to get up and out of it right now
I so wish you were here to lay down with and hold.
It's a little coolish outside and I'd open the window
and turn the fans onto high,
that way it would be a bit chilly and together
under the covers we could keep each other so warm.
I love you sweet Kira you are my Angel so charmed.
I wish you were here because you're my everything.

Beautiful Kira I so deeply adore you
and the longer things go the more that my will to live goes.
You are the light on which my hope grows
and it gets so hard without my beautiful Kira to hold.
I adore you sweet one and want to be near you dear one,
I want you here laying with me to hold close.
Beautiful Kira you are amazing and I would
give anything to be with you because I truly love you.
Beautiful Kira you are my Angel and I'll be here
for you no matter what my sweet lady.

Michael P. McParland

Snuggle With You

As I have waken for the shortest time
my first and biggest thoughts are of you
my sweet lady who I want and miss
and how I love you so much.
So I reach out in spirit and with a big kiss
I pull you in for a comforting snuggle.
Feel my arms around you as I kiss you
so light and so sweet on your fore head dear.
I just want to snuggle with you
and help both of us feel complete and good.

I just want to snuggle with you
and get rid of this lonesome gloom.
I just want to hold you so good and say I love you dear.
I just want to snuggle with you
and feel the glow of our hearts
as I look into the eyes of my Kira I love.
I just want to snuggle with you
and have the pain healed that I feel inside.

In this short wakeful moment my first thought was
of my one and only true love Kira
and that I so deeply hurt and miss her,
and that I know you hurt and miss me.
So in spirit I reach out in love and comfort
to give you this kiss and snuggle.
I love you dear Kira and so very desire to hold you,
so let's rest here in deep peace and snuggle together.
Oh my sweet beautiful Kira I truly can't live without you.

Michael P. McParland

Goodnight My Angel 3

Goodnight My Angel Kira
now let's snuggle up and go to sleep.
Just rest your head upon my chest
as I pull you in and let's feel at peace
being with the one we truly love.
Goodnight my sweet Kira I miss you so much,
now let's snuggle so close for a sweet kiss
and then in pure warmth go to sleep.

Goodnight my Angel and know that
my love for you is the truest there is.
I would give anything to have you here with me,
I'll be holding you tight through the whole night
giving you kisses so sweetly and rubbing your back.
Oh my sweet Kira I love you so much,
I am so tired and want you to be here.
To have peace in our arms as we go to sleep.
I miss you sweet Kira my Angel for real.

Goodnight my sweet Angel and feel as
I now pull you so tightly in.
I'm giving you sweet kisses and hugs
to fill you with my never ending warmth.
Kira my Angel you are everything
I need and want,
you give me the peace and calmness I need
and I want to give you that greatness too.
Kira my Angel I'm so thankful for you.
Goodnight my sweet Angel Kira
you are the greatest gift within my life.
I'm there with you always and will be holding you tonight.
With sweet kisses and caresses a sweet kiss
I plant right on your lips.
I love you sweet Kira you're purely the best.

Michael P. McParland

Sweet Kisses Tonight

Let's not got to bed just yet my sweet one
and just lay here snuggling for now.
We'll share such sweet kisses of true love
and fell safe and secure within each others arms.
Let's just snuggle right now sharing sweet kisses
that we both so long for and need.

Let's not go to bed to sleep
but let's just snuggle and talk
while sharing kisses so deep and sweet.
I want to spend time with my lady
in her kind and accepting loving arms.
Let's just snuggle for awhile
so sweetly kissing and talking.
I miss you sweet Kira and deeply love you.
Let's just snuggle for awhile
and feel the warmth of each other spirits.

So come my sweet lady and just lay here with me
so we can snuggle and share kisses so sweetly,
just lay here and talk to me.
Sorry my whiskers will scratch at you as I haven't shaved
but I just want to be with the woman
I gave my heart to.
So come and snuggle sweet Kira because I truly love you
and I want to snuggle while giving you sweet kisses and talking.

Michael P. McParland

Love Note 276

Sweet kisses of passion
and tenderness to you
my dear one as you're
all I want in this world.
I wish we were snuggling
and kissing here in bed right now.
I'd turn off the game
just to be with you.
I love you sweet Kira
and want to just hold you forever.
You are everything
that is wanted and needed
in my life forever.
Always feel it and never forget
my sweet darling Kira
that it is only you
I'm truly in love with.
It's only you
that I want to be with.

Michael P. McParland

My Sweet Beautiful Kira

My sweet beautiful Kira
I love and miss you so very much.
I fell asleep yesterday not long after
my last poem and stayed that way
until earlier tonight.
I'm sorry for worrying you
my sweet Angel dove.
I send you sweet kisses of comfort
and hugs to keep you warm.
My sweet beautiful Kira I'll never
leave you all alone.

My sweet beautiful Kira
I wish I could just lay here
in bed now and snuggle with you.
To give us both comfort
and joy feeling each other so close.
I need you darling and I know
you need my love too.
I wish so very much we could be
snuggling in each others arms now.

My sweet beautiful Kira
please know that I am always with you.
Feel the warmth of my arms
and my hand tightly in yours.
I'm giving you sweet kisses
straight from my loving heart.
My sweet beautiful Kira

there has ever been.
I love you so much and want to spend
eternity as your loving man.

My beautiful sweet Kira
feel not a fear or chill
as I am here and will hold you always my dear.
I wish we could snuggle tonight
right here in my bed and in spirit

I'll just hold you as I continue to lay here.
I love you immensely and I love you completely.
My sweet darling Kira you are my everything.

Michael P. McParland

Rainy Day

It' a rainy day here my love
making it a perfect one to stay in.
I was already just gonna spend the day resting
and wishing you were with me and dreaming.
Now all the more if you could be here.
The perfect day to stay in bed snuggling
with my sweet lady so rad.
A great day to stay under the covers together
in each others arms listening to the rain.
Just spending time with each other again.

A rainy day outside sweet one
but inside with you it would be sunshine
because we would have another reason
to hold each other to keep warm
and chase the clouds away,
and being in each others arms
all clouds would be defeated and gone.
It's a rainy day dear and I wish I could
spend it with you just snuggling in bed.
I'd be smiling at you the whole time
in happiness so content.

It's a rainy day my sweet one
but in no way am I sad.
I feel your love for me so very strong
and as I lay here today I can feel you
in spirit right by my side.
So as I rest today I will smile
feeling you and dreaming it's true
and knowing it will be so very soon.
Our day will come and we'll be able to
do everything to our hearts content
rather a day to go out or a day like today
where we just stay in bed buried under the covers
snuggling in comfort on a rainy day.
Oh my sweet Kira I love you and can't wait
to be with you forever.

It's a rainy day but it won't dampen
the happiness I feel in all of your love
that is surrounding me.
I smile for you and am in spirit holding you too,
feel all of my warmth and love
and share todays dream with me of us
just snuggling in bed to beat the rain.
Know that I'm with you just as you are with me,
let's bask together in the light of this dream.
I love you Kira and you are my reason for living,
I so deeply appreciate and cherish you
and my sweet Angel dove I'll spend eternity thanking you.

Michael P. McParland

My Sweet Angel Kira

I have been up for a short while
from another stretch of restless sleep
and now that I am more or less put together
I wanted to say good morning
my sweet Angel Kira I so deeply love you.
I wish more than anything you were here this morning
for a long and warm snuggle.
I want my beautiful woman here in my arms
to make the day great with your charms.

I'll be resting throughout this day
though there's much I'll be awake
so fear not my sweet dear I'll be here for you
and writing you poems when the mind
gives me the right idea to express what
I am thinking and feeling for you.
It's mostly a day though of resting in bed
and regaining some strength and health.
I love you my sweet Angel Kira
I wish I could hold you so close.

My sweet Angel Kira I will be with you
holding you near me as the day goes.
You won't be alone I promise you,
with sweet kisses and hugs I assure you
I'm not going anywhere.
I'm gonna be here for my lady for eternity,
you are my soul mate and I adore you my lady.
I want so badly to have you here with me
resting this Sunday in peaceful personal time
for us both as we need.
My sweet Angel Kira so adorable indeed.

My sweet Angel Kira I so want to see you happy
and need to know you're doing well.
I want to take care of you and give you
everything I have and all the loving care that I carry.
I love you my sweet Angel Kira.
and when you are here I'm just going to hold you

and keep you warm with my care and love forever
with no conditions or expectations.
You are my everything and being with you is a blessing.

Michael P. McParland

I Wish I Was

I wish I was there with you right now.
I would love to hold you close to me
and just kiss you sweet and tenderly
while I gaze into your perfect shining eyes.
Kira you are a dear and I long to be
with you everyday through all time.
I just want to spend time with the woman
I find so truly beautiful and divine.

I wish I was able to in some way
talk to you so we could pass the night
talking just like old times as we
shared our hearts and souls,
everything that had happened,
how we felt and what we thought.
I miss you dear and want to talk to
the one person whom I felt close enough
and had the trust to give so much of myself.
I wish there was some way my one.

I wish I was able to in some way look at you
and say that over the years my love for you has grown
as you have become more beautiful
and you are stunning as a fully grown woman.
I was so in awe and ached for the girl you
were when we were young just more than kids.
Now I truly am stunned and yearn for the
beautiful and gorgeous woman you've become.
I wish I was able to take your face softly
within my hands and say you are an Angel
oh my one and your beauty truly is divine
as I caress your check the give a sweet kiss.

I wish I was able to just reach over
and wrap my arms around you lovingly
and sit that way for awhile in perfect peace
just taking in a special time
with the only woman I so love.
I wish I could just reach out and touch your hand

saying Kira dear your all I want.

I wish I was with you right now.
I know our time is going to come
but I hate the waiting and I feel
that we have fought so hard and been patient.
We deserve to have the love
that is in our hearts expressed in perfect
embrace each and every day through time.
I wish I was holding you right now.
Know though dear my hearts with you
and my prayers are too.
I'll never give up on my one,
I am always here to give all my support.
I love you Kira my sweet Angel dove
I truly wish I was there with you to see you smile
and just lay down and rest in each others arms.

Sweet Kisses For Sleep

It is late my dear one and so very soon
let's pack it in and go to bed.
There I will hold you and give
the sweetest kisses to fill the soul
with happiness and content.

I give to you all of my loving warmth.
Tonight let's just cuddle up
and share sweet kisses that bring
tiredness through contented fulfillment.
I'll just hold my lady as we
share sweet kisses so deep and then
as we rest and fall asleep.
It will help both of us find
a true calmness that hasn't been there
without each other to be there.
Sweet kisses for sleep my Angel Queen.

without my Angel I treasure and need.
Come join me and let's go to bed
sharing sweet kisses from our hearts
so filled with kindness and love.
Just bask in the light of true love
as we kiss and snuggle so very close.
Sweet kisses to help give us peace

A snuggle so longed for with sweet kisses to
because Kira my darling I so deeply love you.
I want to end this night in bed with you
my dear precious only one

knowing we'll both still be around when we wake.

and I just want to snuggle giving kisses so sweet.

A Cozy Saturday Night

A cozy Saturday night with you
my sweet love is what I'm dreaming of.
I'm sitting here smiling thinking of us
being together with no more reason for crying.
Just feeling cozy and peaceful
holding each other at the end of a late summer Saturday.

Just holding you while we relaxed
I would have you so close and just
stroke your hair giving sweet kisses
on your cheek and lips.
A cozy night just talking and watching
the last of the games as they finish tonight.
A cozy Saturday night from heaven
in each others loving arms.

I love you babe and it's this dream tonight
that will get me through and help me
till I can actually sit and hold you.
Say I love you sweet Kira not just yesterday,
today or next week,
I'll love you forever because
you make my heart swell with
the ultimate light of true love.
Kira you are my sweet Angel dove.

So I dream and wait for that perfect
cozy Saturday night with my soul mate
knowing that happiness is just being
with the Angel who gives your life reason
and for you I'll always keep working and improving.
So my sweet love I send this sweet dream to you
so you can smile for the happiness to happen as well.
My heart is with you as I am in soul,
I love you Kira because you are perfect in my eyes.

Michael P. McParland

My Sweet Love And Angel

Kira my sweet love and Angel
how I so deeply wish you were here
to hold onto and share a snuggle.
I just have the need to be near you
and have your true glorious love surround me
as we hold each other in full peace and comfort.

Kira my sweet love and Angel
I so deeply adore you for you are a reassure.
You bring me such peace and give
me comfort by just being you no matter what.
My sweet love and Angel Kira
I would give you the universe if I could.

I just awoke 45 minutes ago from a long nap
but it was restless racked with nightmares
that left me wanting to cry when I woke.
I needed to compose myself before
I wrote you a poem so I decompressed with some songs.
Still my sweet love I wish you were here
to hold for awhile helping the beauty
that there is in this word can return
back to me in full.
You are the worlds beauty in my adoring
heart, soul, and eyes.
You are the Angel for whom I would die.

Kira my sweet love and Angel
I can never tell you enough
just how much you mean to me.
A rare treasure of loving caring beauty
and a diamond in the rough who is amazing.
I just want to show my Queen
what a true gift and blessing she is.
I love you Kira my sweet darling Angel,
I am thinking of you and holding you tightly in spirit.

On Every Star

On every star there is within the sky
I'm dreaming and wishing you were here.
Just to look upon so tenderly
and give you a kiss as I hold you close.
On every star in the I wish for and ache
to feel your soft tender touch.
Just to be right next to you
and feel your love as we are in each others arms.
So I could give you all of mine
as we found peace in each others arms.

On every star there is I see and there is within the sky
I pray and wish that we will be together soon
so I can hold you and help heal your hurting heart.
To be there as you need and give those things
that will stop the pain and fill you with happiness
by providing everything I can.
I wish upon every star for us to be free from
the pain of being separated this way.
I just want to hold you close and show you my love.

Kira I wish upon every star there is
that we will be together soon.

Up And Down Day

It's an up and down day my sweet dear
in quite a few ways.
I'm up and about with stretches of resting
that I can manage to get because
I am so exhausted and worn out.
So up for awhile and then down for a bit.
That just one example of it being an up and down day.

In what may seem silly to some it's an up day
because it's the first Saturday in full
that the College Football season has begun.
One of the greatest things and time on earth
so that is a reason to be up.
It's down though having to watch everybody else
get to play today and having to wait until
Monday night for Ohio State to take the field.
Waiting stinks for sure my dear one.
Another example of an up and down day.

It's up and down in the sharpest way
though because I miss you and you're not here.
Whenever I think of you with that gorgeous smile
I go up and feel good in so many ways,
but without you right now it also makes me sad
because I can't tell you directly that I love you
any you make me so very happy and greatly proud.
It's a mixed feeling of up and down
and also will cut each way in full dramatically at times.
I will be so up with joy knowing you love me
and thinking of all the joy that you bring
and knowing our future will be grand.
Then I will crash because I don't have you right here
to hold so very close and give sweet kisses of true love.
It's so up and down and I miss you like a fat kid misses his candy.
I love you sweet lady for you are the best and my everything.

So it's an up and down day here
and I just want you to know that I love you
and that you so truly matter.

I care for and about you so deeply
that I would give anything to just talk to you.
To see you and your sparkling eyes that set
my heart and soul on fire.
See your cute face and breath taking beauty
with that divine smile that lights up the world.
You bring me up sweet one and make my spirit
feel light with happiness and contented peace
feeling all of your comforting love.
It's not having you here or to talk to right now
that brings me down.
It's not you that makes me sad my sweet Angel dove,
it's the missing you and missing a huge piece of myself
without you here as my other half.
You are my happy thoughts my precious dear.
I love you deeply and I always will.
You are my amazing best friend and soul mate,
I'm so very lost without you.

So my sweet love just an odd up and down day.
I still give smiles though because
I give them for you the light of my life.
You are the Angel that helps get me through.
I love you Kira and you will always be
that special one that I care about and truly love.
You will always lift my spirits with your
Angelic soul and loving heart.

Michael P. McParland

Naturally

Naturally my dear it would be you
I fell for so deep and in every way.
It's because you're such a
rare and special treasure.
You are an Angel and I so deeply
love and care for my only lady.
In so many ways it was just natural
that we would find each other
and that true love would fully blossom.

Naturally dear it would be with you
on this earth I would love and forge
to share my life's path with.
How I feel and know it in my heart and soul
is through a belief of both feeling soul
and an intellectual learning in my life.
Not something that I can explain
to make full sense here but it will
when I am holding you and explain
it so you can fully see.
I know it was a natural friendship
and love that grew so fast just like
we had been in each others life's for many years.
A natural touch of familiarity between our souls.

I know we knew each other long before
we came to this earth.
As just souls yet to be born I know
that we were friends from how I felt
and was touched right from the start.
I believe we were best friends filled with love
a millennia before we finally met on earth.
It was a natural connection because
you felt familiar and you made me feel comfortable.
You know how awkward I am most of the time
and with you a natural feeling came
that I could be myself.
You have been my best friend and love through all time.

Naturally it was you my sweet Angel dove.
You are so good and kind and when you want
you are truly the most understanding person.
You give such great warm kind love
and you are sincere in every way.
There truly is no lying or false fronts within you.
You have such moral courage I admire
and you inspire me my love.
You are everything that I look for and want.
You are the worlds beauty in my eyes.
I adore you because you're true
to who you are and you so truly
beautiful and loving my sweet one.

I love you for all those things
and so much more that through the years
I will try to give and explain them all
but right now I'll say I love you
because that's how it comes is true and natural.
A pure mountain spring that flows into
a deep clear massive lake.
My love for you is natural because
I love you for who you are
and our souls share a bond and touch
in a deep way neither of us can explain.
It's just natural the love I feel and hold for you.
It's pure tender gentle love of giving
and kindness for you in my soul
and I know it's what you hold for me as well.

Michael P. McParland

Taking Your Hands (I Am With You Dear)

Sweet one be filled with strength
as I dry your tears and then take your hands.
I'll just pull you up close by me
so I can kiss your soft cheeks and forehead
and then your weary eyes that
are hurting tired from all of
the lonely and aching crying.
I'm taking your hands in mine
to let you know I'm there with you
and to show my support
and give you my warmth and love.
I'm taking your hands to give you peace.

I love you deeply and care for you more
than anything there is anywhere.
I want you to know that you're not alone
because I will stand with you
as the man who loves you
and will fight for and protect you
no matter the situation.
I want to show you that I will stick by you
because you are so dear and amazing.
I adore you my sweet precious Angel.
Be filled with peaceful warmth
as I take your hands gently yet firmly
and look lovingly in your eyes as I say
I love you sweet lady and I'll
never leave and abandon you.
I couldn't live with myself crushing
such a beautiful heart as yours,
and I can't live without you because you are my one.
Being away from you is literal pain.

I am taking your hands in mine
my sweet and pulling you in for a kiss of
deep and true love from my very heart and soul
then I will just hold you so long
and so very tight.
Just let us take in the comfort of being

with one another finally in each others arms
just basking in the glow and joy
of the bond that we share that's so filled with love.
I'm taking your hands in mine because
I love you my sweet Angel dove.
I want to be with you and show you great love,
I want to spend time with you every day.
I want to show you how important you are to me.
You truly are my sweet Angel and everything.

Michael P. McParland

Late Night Wonderings

Having again woken not long ago
from another stretch of rest need
I now sit here in bed my brain
is to occupied with thinking
to accomplish any reading.
I wonder how you are doing
and if you would come and be in my arms
to so tightly hold you and snuggle
if God granted a miracle and could bring you.
I believe you would so I just wonder
what if God would show mercy
and deliver us right to each other.
What if God would give us that chance
to be in and feel peaceful loving comfort
as we just lovingly held each other.

I just wonder if you my sweet lady
are doing okay and not suffering
from such pains that give endless tears
which feel like the loneliest things
so full of bite and burning.
I worry you're crying and feeling
deeply hurt with throbbing so fierce.
I wonder if you are just having
those life's troubles that can
bring us down and feel tired and beaten.
I worry because I'm not there to help you.
I wonder if you know just how
deeply I care and love you.
I would do anything you needed my Angel.

Late night wonderings run through my head
as I want to know how my sweet lady is.
Wondering when the night's here when
I can just reach over a lightly touch you
saying sweet Kira I so deeply love you.
Then just pull you in holding you
in true loving peace feeling whole
and as one being right there with you.

I long and ache for that time.
Just late night wonderings and memories
of my beautiful woman I love so very much.

So I lay here praying that you are okay
and are feeling the love I send to you.
I wonder when I will be able to hold you
and comfort your aching heart.
I just want to make every day and night
of your life special by giving you
my everything to make you proud and happy.
I want to just see my Angel
to give you a kiss and say I love you
and you are so very special.
I wonder in dreams that are happy
just what it will be like when it all finally happens.
So my sweet love know I am here and love you
with all of my soul and heart.
Feel all the loving warmth that I send
as I sit here thinking and wondering
praying for the well being and happiness
of my only love and true best friend.
I'll never desert you my sweet Angel dove.
My heart is eternally yours.

Michael P. McParland

Gentle Thoughts And Feelings

Gentle thoughts and feeling
of and for you fill my heart,
my soul and my mind.
I love you sweet one and miss us
as best friends having fun.
I miss us everyday knowing
you would be there so we could talk
and share everything there is
that's on our minds and in our hearts.
Discuss anything because we
would just listen and feel good
for having such a special bond and thing.
I have such gentle thoughts and feelings
for you my kind and dear only one.
Tenderness for you fills me up
and I just want to show you the love that you deserve.

I just feel gentle love for you
with a truly tender loving soul.
Gentleness for a heart that wants
nothing more than kind, caring,
accepting love and has given so much
not getting back and being shown
what a wonderful precious woman she is.
I just have the most gentle feelings
and needs for you my dear,
and so many of my needs are what
I want and pray to do for you.
My needs to have you are not just about me
but all the things I want to give
and the gentleness that's been given to you
in such little doses and not enough.
Gentleness and acceptance are in my
soul, heart, and entire being for you sweet one.

Gentle thoughts and feelings are what
fill me up for you my darling dear.
I want to feel and share the love we hold,
I want to give and share myself in full

with the woman of my dreams.
I just want to hold you close and share
such gentleness in closeness that is true love.
I just want to share sweet kisses
with the lady I care about so deeply.
I just want a life filled with the gentleness
we've always had and held for each other dear.
I love you tons and sincere gentle tenderness
is all I have and want for you.

Missing My Sweet One

Missing my sweet one so very much.
I miss the sweet woman that she is.
So beautiful and with a heart filled
with care and love I could feel just being near her
and it overwhelmed me with affection
and true love for this Angel.
I miss my sweet one and would give anything
to have her here and hold her.

I'm missing my sweet one who means so much
and I want to talk to because even
just by listening she made things better.
Knowing my sweet one was there to
pour out my heart to was always
happiness, love, and relief.
I miss her and her caring, loving,
helping soul being there.
I miss her because she means everything
and truly is so great.
I miss my sweet one that for eternity
I want to be with never parting ever again.

I'm missing my sweet Angel dove
for whom my heart has continued to beat
through many years to find
the life within our true love we've always dreamed.
I miss her deeply and want to hold her
just giving comfort and reassurance
that I'll always stick by her.
I want to just have her close
and feel the light of her soul and heart
as her smile brightest up my path of life.
I'm missing her because she's my sweet one
and I treasure her for the great woman that she is.

Just sitting here and missing my lady
who is so very good and sweet.
I hope she feels all the deep true love I send.
I want her to feel the peace knowing

I'm by her side hand in hand
to watch out for her in every way.
I want her to know that she's the one I adore.
I'm missing her because I love her
so very deeply as only someone in true love can.
She is treasure and Gods finest creation
that has ever walked this earth.
I'm missing her because she is so beautiful
and it hurts not being able to be close to her.

Michael P. McParland

Felt You

Sweet dear and love of mine
I have finally risen from a badly needed rest
and my first thought and tender feeling
were of you my Angel so sweet and good.
Of your smile and kind caring concern
I know and feel you have for me.
I felt your love and strength
which helps me in so many ways
I will be able to tell you about in full
when you are here in my loving arms.

As I now sit here listening to Falcos
album Data De Groove that's so sadly out of print
I think of you and send all of my loving care
wishing you were here to lay back with me
and enjoy the music of an album
sadly has been mostly forgotten
but I would love to sit and share with you
I can feel you though and your smile
and that makes me smile too.

I felt you and your deep felt care and love
as soon as I woke up and needed to say
thank you dear and I love you too.
You are my Angel who watches out for me.
You fight for me and I'm so happy and honored
to have this Queens heart giving such
a joyous gift to me.
I adore you sweet one in every way there is.
I wish I could hold and kiss you right now.

I felt you and I still do
and it is the light in my life right now
knowing you are still there and deeply care.
Your love is a truly wonderful thing
that nothing in existence can equal.
You truly are an Angel that God gave
as a gift so beautiful in every way.
I love you dear and send all of it to you

every single moment every night and day.

Michael P. McParland

A Sweet Kiss 2

A sweet kiss to the Angel
I so dearly love and miss.
I smile just for you
and in spirit wrap my arms around you.
Feel all the love I hold
and always send to you.
I would give anything for you to be
right here with me.
I love you Kira you're so special
and truly one of a kind.

I send this sweet kiss to you
because I am thinking of and yearning for you.
I want to know how you are
and if you are alright.
I miss you my Angel of light,
I need you to still feel there is
good and light in this world.
You are the beauty that wipes away
all the ugliness that there is.
You are a wonderful gift I am
truly thankful for.

A sweet kiss to you my Angel I
so deeply adore and miss.
There will be millions more too.
I want to shower you in all the love I feel.
You truly are amazing in every way
and I want you to know
I'll always love and treasure you.
You are everything in this world
that is good, beautiful, and right.

Michael P. McParland

My Heart And Soul

In my heart and soul
I carry such deep and immense love for you.
They ache and yearn for your return
so we'll once again be happy and whole.
Though I may not always make it clear.
I am just as concerned for you
and all the lonely longing pain you feel.
I know you hurt like me and I want
to heal you just as much if not more
because I want to see you smile
and know you are happy in your precious soul and heart.

In my heart and soul I carry
a loving care that stands just for you.
I strive to be a better man in every way
so we can have the best and succeed.
My heart and soul cry for thee
and want to have you here with me.
Even now across the space I can feel you near,
I can smell your skin and hair
as if you were right by me here
and it feels so very good,
but I want you here within my arms
to give you kisses and showing all my love.
My heart and soul cry out in their need for your touch,
the hunger to have you right next to me.

My heart and soul truly belong to you.
It's for you they sing and glow
and have any real hope at all.
I adore you my precious one so good,
I just love you dear and that's the perfect phrase.
I love you Kira and it's with everything
I am and hold inside.
My heart and soul long and ache to
feel and share your special presence.
They long to have your loving acceptance
as I rest my head on your shoulder
and finally tear down the walls and

pour out my whole heart and soul to you.
The ache to be set free in true love to you.
No other will ever see those things
which I've kept just to me because
I can't share with them like I want to
and can with my Angel Kira who's my only one.

My heart and soul truly need you
and more important so they want you
because you are a Queen so beautiful and good.
I love you because you are you
and that is just how I want it
because you are perfect for me
my saintly soul mate and Queen
who means everything to me.
My heart and soul send out my love
and say to you Kira you are the best
and I want to give you myself through
this life and all time.
I love you dear you truly are divine
and supremely good within my eyes.

Michael P. McParland

Holding You Close In Love

Holding you close not just today
but everyday through time in pure love.
I'm holding you close in every way
to show my love and give it to you
in all the best ways I know how,
and holding you is one of the best
ways I know to give you comfort
and help you know I'm always here for you.
I'm holding you so very close
in pure and total love.

I hold you close within my heart
and I hold you close within my soul.
You provide a true hope and light
to continue on in large part
because I love you so very much
and will fight for you in every way.
I adore you my precious one
and hold you close in spirit
till we are together once again
and I can hold you in my arms.
I will always truly hold you close
in pure love and tender care.
I love you my sweet Angel dove.

I am holding you so very close
to let you know I care and give you
all of my love and myself.
You are the woman I can't help but love.
You are so precious and as cheesy
as it may sound you are so cool
and I'm in awe of you and honored by your love.
I hold you close because everything about you
is worth more than all the riches in the world.
I cherish you as the woman you so truly are.
I hold you close in every way there is
in true love and to give you
through my support a true comfort and peace.
I'll hold you close for all time my sweet Angel Queen.

Michael P. McParland

Good Morning Sweet One

Good morning sweet one and as the day greets us
I give you this kiss of endless peace
and deep loving warmth.
Give me a smile to light up the sky
and to let me know you feel a comfort
in the endless love that I send you.
Give me your glowing smile
because it helps me to make it
a little bit farther knowing I'll see it,
and with you as my northern star
it helps light my path.

I wish here this morning as I do
every single one that I rise
that before we truly had to get moving
I could spend time in bed with you.
Kissing and snuggling getting our fill
of our love the best that we can
to face the whole world and make
it back to each other as soon as we can.
I wish I could spend this morning with you
and every one after kissing, snuggling,
and some mornings a bit more passion.
I want to start every morning holding you darling.

Good morning and bright skies of
love and hope to you my dear.
My heart and I will be with you
hand in hand by your side every step of the way.
I'll be with you wrapping you up in my arms
giving you my support so you'll know you're not alone.
You are my Angel and I will always be yours,
I will always stand up for and protect you.
You are my Queen and I adore you.
If you start dragging and feeling sad
and need my hand it is there and I'll take yours.
Close your sweet sparkling eyes
and know I'm smiling just for you with
my deep looks of love I give only to you.

I'll never leave you feeling cold and abandoned
because you are my everything.
So truly sweet one have a great day
and remember I love you more than anything.

Michael P. McParland

Night Note 105

Sitting here on this night
doing whatever little
thing comes to mind
to occupy myself
in this late hour
in which I find myself.
I long to just have my love
with me to even just
sit by me or be there
sleeping next to me
as I read or do something quiet
so you won't be disturbed.
I would just look at you
and smile at your beauty
and the peace of heart and mind
I'd have with you here.
I sit here now and dream
of such a thing.

I sit here now at this late hour
and send you all my love
to give you peace and warmth.
I sit and wonder how you are
and hope your tears are very few
and the time between is far.
I adore and cherish you
so I worry over how you're doing
and how everything is going.
It worries me deeply not knowing
how things for you are going.
I hope and pray for you everyday
that you are well
and feel my hand as I take yours.
I pray you feel my arms around you
pulling you in for strength
and reassurance of my dedication.
I hold pure love for you
my sweet Queen and Angel.

So on this late hour
remember that my thoughts,
my heart, and my prayers
are with you complete and total.
I'm always with you to give
true support and comfort.
I will always be here for
whenever my Queen may need me.
I give you everything
that I hold high and dear
and have within myself.
You are my everything
my sweet Angel dove.
Now feel these kisses as I send them
in bunches so big to you.
I love you Kira
I truly deeply do.

Michael P. McParland

Goodnight Sweet Angel I Love

Goodnight my sweet Angel I adore.
I'm far from ready for bed
but I want to give you this greeting
and sweet passionate kiss.
I'll lay down with you darling and snuggle
caressing your cheek so softly
as I smile at you and say
I love and adore you sweet one.
I want to be with you forever
because you are a beautiful woman
I cherish and want as my wife of gold.
You are everything I will ever dream of and need.

Goodnight my Angel of love and light
I'm sending you kisses so big
with all of my warmth and love.
May they fill you with the comfort you need.
I want your heart to be at peace
in the knowledge that I love you true
and will always be by your side
to support and protect the crown jewel of my heart.
Kira sweet one you are an Angel from heaven
that is so very good and has a big heart.
I will always be holding you and taking your hand.
I will always strive to be the perfect King
for my treasured sacred Queen.

I'll see you tonight in dreamland
where it will be just you and me
walking through a field of flowers
made up of bright colorful stars
as we walk among the moon
and regular bright shining stars.
The perfect way to spend time
in a magical place with the lady
I dream of all night and day.
After our walk we'll sit down and snuggle
basking in the glow all around
and within us.

In dreamland tonight I see you
and give you a magical time.

Goodnight my sweet Angel Kira
I love and adore so very much.
I'll be holding you so very close and tight,
snuggle in close and rest your head upon my chest.
We'll talk so softly as we lay there
while I rub your aching back.
Share random kisses so sweet and smile
from the happiness they bring.
Kira you are a miracle and I so admire you.
The bond that we share is the most
special thing to me there is beside you,
it has given me a true love for the greatest woman.
I can't wait to be with you holding you
ever so tight and closely.
Crying from happiness and relief,
crying from shedding the built up grief,
crying because of the miracle of being with you.
The woman I love and the Angel who shines,
I love you sweet lady you are so very fine.
Goodnight my sweet Angel and feel my arms around you
as we end this part of the night
and I give you all of my heart and love
as a true gift that only you can ever have.

I Miss My Best Friend

I miss my best friend
the most important person to me
in the entire world.
I miss her sweet spirit as we
would spend time with each other
just talking and sharing everything
we felt and thought.
I miss my best friend who holds my heart.

She truly is a gift and wonder
for whom I am truly so thankful.
I would give anything to see her
and hold her just being surrounded in her glow
as I looked in her eyes
and was hypnotized by the most beautiful smile.
I love my best friend
and I miss her more than anything.

My best friend is my soul mate and Angel
and I am so taken with her because
she is unique and an independent thinker.
She is so beautiful and I want to
be with her forever and ever.
She is amazing and she is my hero.
I miss my best friend because
she truly is my everything.

I miss my best friend because she's my other half.
She completes and fulfills me in every way.
She gives me hope and she gives me light,
she gives me a reason to keep on living
and facing everyday that comes on.
My best friend is my inspiration
because I love her deeply and she truly is amazing.
I miss my best friend and I know
that she is the woman for me.
I pray so fervently that she'll soon return
so I can show my whole world to her.

My Special Angel

My special Angel I miss you so very much
and want you to know love overflows
for you not just from my heart but my soul
and entire being because you are truly amazing to me.
My special Angel I adore I wish you knew
just how deeply I feel true pure love for you
and the depths of sorrow I have within
my truly loving heart for what went wrong.
I apologize on my knees for all I did wrong
eternally with tears flowing from my eyes.

My special Angel I so wish you
weren't still upset and feeling reticent.
I understand for I have my own fears
in my minds way of over thinking things.
My special Angel though I know
and feel such overwhelming love
between our hearts and souls.
That unbreakable bond that's got us through before.
We have a true righteous love
and I know we can make it through.
We both love and care for each other
just as much as the other.
Our love and care is equal because we feel it
throughout our beings giving all we have equally.

My special Angel I treasure and adore you.
You are my special diamond that I cherish
because you are a kind and tender loving woman.
I've seen and felt that tender heart
that has been so badly beat and hurt
and I know the gorgeous spirit and woman
that is kept within because you are beautiful
my Queen and Angel so very cute and adorable.
You are a magnificent woman who gives so much
and I want to give you all the love that you so deserve.

Oh my special Angel if I could just let
you see what I hold within me

so you could see my truths sincerity.
I am not perfect and I mess up quite badly
at times sweet one.
Often from my manic minds spinning confusion
and I've hurt you and others and I feel
such deep and painful sorrow.
I hate the hurt that I have caused
my one true love who means so much.
I fear messing up again though I truly try
and give my very best.
I just want my special Angel to come
be here with me to lay down for a while
and rest her head upon my chest while we
feel peace and warmth as our hearts heal
and we reconnect.

My special Angel I give myself to you
each and every day for all eternity.
You are such a gem I respect and admire
for just being you and pushing through your pains.
My special Angel I so love you
and can't help but feel broken and incomplete
without you here or at least talking every day.
You truly are amazing my special dear.
You are my Angel and I give my heart and soul
to you forevermore as a gift in total love.

Adorable One So Good

Adorable one I care about in every way
if it weren't for you and the hope
I've always carried for us in the love
I know within my heart and soul we hold
I would have lost the battle long ago.
The love I hold for you
and the love I know you hold for me
has gotten me through.
Even in our toughest times I knew
our love could not be defeated
and was not dead.

Adorable one you cannot know
how my heart melts for you completely.
I can't tell you all of what
I hold within my heart and soul
because as much as I want to in every way
there are no words to describe
the emotions and depth I feel.
How can one ever hope to verbalize
an emotion and admiring love
held so intense, immense and deep.
Adorable one you are a perfect gem to me.

Adorable one how I long to just hold you
close to me giving both of us peace
and comfort that we've been deprived.

In Need Of Your Strength

I'm in need of your
deep loving strength today my dear.
I'm just feeling very weak
and in need of your stabilizing
care and love.
I just ache both in body and in my heart.
Please my love send me some extra
loving strength to make it through
a difficult day so far filled with clouds.

I have not cried but feel on the edge of tears.
I just need an extra dose of the great
strength and love you have and give to me.
You know how I will have such days
and I ask for your help because
you are so truly good and kind inside and good to me.
We love each other so profoundly
and it has helped get us both through
tough times on the caring support
that we give in truth from our hearts.

I am in need of your loving strength because you are
the Angel I adore and find so truly great.
You've helped lift me up on the darkest days
and light my path as my northern star
through some of the most painful and darkest times.
I ask for your help with you to wrap me up
today with all your precious loving strength.
You mean everything to me my dear
and I pray you know how much I love you too.

Your Picture 7

Lying here in my bed looking at your picture.
It helps me feel in some way a bit closer to you.
Looking at your glowing smile and your eyes so bright
it helps soothe my aching soul and heart
in the slightest bit.
I miss my only one and today I just want
to lay in bed and dream of you.
Your picture helps calm my heart
because I get to gaze upon your
Angelic face and countenance.
I lay herewith your picture on my screen
so I can feel you watching over me.

Lying here in my bed and how I wish
I could hold you close to feel fully calm
and just rest my head right next to yours.
Give you kisses so sweetly from my heart
just look at you and fall into
that special place of calm you always brought.
Just to feel your soft skin against me dear.
I just want to have my Angel in my arms.
Your picture helps me feel like you're
a little closer and I can lightly smile.
I look at it and say I love you Kira,
I miss you deeply with all there is
within my heart and soul.
It's only you that can fix my aching heart.

I look at your picture to pick back up
that little bit of strength that I have left.
It gives me hope that you'll soon return,
that I'll be able to share with you
everything we both think and feel in every way.
Your picture helps give a bit of light
because in some way I can look at you.
Say the thing that are in my mind and heart,
smile at you saying of you I'm so proud,
here's a kiss to keep you safe and warm.
You are my hero and best friend

with whom I share a special bond.
So I lay here now within my bed
looking at your picture and sending all my love.

Michael P. McParland

Sweet Thoughts Of You

Sweet thoughts of you my sweet one
and all of the fun we will have.
Taking beautiful walks in the park
and finding a soft shaded spot on the grass
to sit and talk.
In the evening lay down a blanket
and hold each other as we watch the sun set.
Sweet thoughts of you my Angel
I hold so deeply in my soul and heart.

Sweet thoughts of you and the beauty you hold,
how I could gaze upon your features
for hours in total rapture.
I just want to kiss you over and over all over
as I tell you I love you and you are amazing.
I wish you could be here so I could hold you,
lovingly stroking your hair as we lay back
and listen to beautiful music.
Sweet thoughts of sweet things
with my only sweet lady.

I adore you my Angel and long for you badly,
I would give anything to be spending time with you.
I wouldn't care what as long as I were with you
and giving you all of my best and all of my love.
Almost all of my sweet thoughts are of you
and your beautiful wonder.
I truly love you so deeply and my heart aches
to have you so close to me.
I want to share my whole life with you
giving myself freely.
Kira my dear you are amazing.

Sweet thoughts of my one who is so sweet
herself in every way.
I cherish her totally and thank God that he
created and sent her as a true blessing.
I love her completely for she is the greatest.
Those that have missed what a beautiful person she is

have lost out on getting to know an Angel so good.
She is my soul mate and true heart felt best friend.
My heart is hers as a sweet gift and thought
through all space and time.
She is the only one I give myself to.

A Beautiful Evening With You

A beautiful evening spent with you
would be a wonderful thing
to have on this night
and every one we could grab through our lives.
Spending time enjoying all in life
that is wonderful fun and fine.
A beautiful evening with my one
is what I would like to have right now.

Cuddling up and kissing on the couch,
giving passionate kisses that show our love.
Caressing and holding each other in
needed comfort very close.
Sharing our special bond between ourselves,
smiling a feeling fulfilled peace.
Being and feeling closer than we've
been able too up to now.
A beautiful evening with my soul mate,
my best friend is the one who makes life great.

A beautiful evening as I hold you close
stroking your long dark gorgeous hair
as I softly speak to reassure you
of my dedicated soul and heart to you.
Look into your eyes to show you the truth
within my kind caring loving soul
filling you with peace as I say
I love you dear and I'll be here for you forevermore.
You are the only one whom I want
to spend all time and hold so near.

A beautiful night with my best friend,
my only love, and my future wife.
How I long to be with you
each and every day and night.
In your arms and feeling all your love
as I look at you and smile before
I lean in to kiss your soft lips.
I want to be with you and forget

all the lonely longing pain that grips.
I love you dear and you are everything
I'll ever want and need.
A beautiful evening here with you
would be an awesome dream come true.

Eternity In Each Others Arms

Eternity in each others arms
is the greatest dream I hold and have.
To be with the one I love by my side
for all time is the most wonderful thing
anyone could ever hope to have.
An eternity of true love is a dream
I long and hope to share with you.

An eternity in each others arms
as we gaze into each others eyes
smiling all the time as our souls touch
and we feel peace within us as we feel the sun,
enjoy the stars and moon,
going on endless walks across the cosmic stretch.
Eternity in each others arms is everything
I hope to have and share with you.

An eternity in each others arms
with total endless understanding,
always being there for one another.
No one and nothing that can interfere
and hurt us in the way they have on earth here.
An eternity with my Angel who I give
myself to in total with no expectations
or demands for anything in return.
An eternity with the one I'll always love.

An eternity with the most gorgeous woman
with a bright and loving gorgeous soul.
Sharing all our warmth forevermore,
knowing that all we have is safe and secure.
Nothing will ever part us in that realm,
death no longer a lingering fear.
An eternity with the one I hold so dear
giving everything I hold within.

An eternity in each others arms will come
but first let's spend our earthly lives
together conquering all fear.

Working together to achieve our goals,
never giving in to anything that aims to hurt our bond.
I love you dear and want to spend this life
and all eternity within your Angelic arms.

Michael P. McParland

An Evening Snuggle

How nice it would be to have you here
to share an evening snuggle with me.
To hold you near as I stroke your hair
and say sweet lady you are so wonderful
and I want to be with you everyday
for all time lying under the moon and sun.
You are my dream and I want you here with me.

My stomach still continues to ache
into and throughout this day
and I wish I could just snuggle with you
as it works its way on through.
I'm not sick it just persistently aches
and being with you would make it tolerable
in its annoying wake.
I wish I could share and evening here with you
snuggling and feeling your arms around me
comforting those things that bother me.

I wish I could share an evening snuggle
with you my precious dear as I rested my head
right next to yours giving kisses oh so dear.
I love you dearly with all my heart
and I long to be with you so very close.
To just have you here within my arms.
So very soon my dear I know it will be here
the day we can snuggle as we please.
I'll never ever let you go
and I will always give completely of myself.
I love you Kira and wish I could snuggle with my Angel.

You Are Beautiful 2

You are beautiful in every way there is.
You make my heart and stomach flutter
with uncontrollable nervous glee.
You make me so very happy
and fill me up with light
when you look me in the eye
and give a loving smile.
You are beautiful my only one
and I want to hold you close and tell you so.

You are beautiful in heart and soul
to no end it's true.
You give of what you have to make
others burdens light.
You are such a precious jewel
I want to give you all I have.
I want to show you how much you mean
to this very bashful man.
I want to break the walls that I have kept
and give to you myself in full.
You are beautiful in every way
and I love you my sweet Angel dove.

You are beautiful in your features too
a true monument to everything I find
so truly delicate in many ways
you are a goddess in my eyes.
Your eyes and smile that hypnotize
and make me smile big.
A lovely body that drives me wild
I just want to hold you near
and kiss your soft cheeks and lips.
Plus inside a big brain of worth
full of intelligent thought
a truly sexy thing.
Kira you are beautiful
and I love you so very much.

You are beautiful no matter what you think,

you are so truly wonderful I want you as my wife.
You truly are so kind and good
with a heart that's worth more than gold.
You are a true woman who deserves the best
you are my high held Queen.
I want to be with you and give you all of myself
for all eternity as your man.
You are beautiful and I love you dear
because you are a diamond so very good and rare.

Michael P. McParland

I Ache For You 2

I ache for you because you are beautiful.
You are beautiful in every way
a man or anyone could ever want and need.
So beautiful and fair in features
so breath taking it gives me pause.
You're a beautiful woman that I want
to hold so tight within my arms.

You are so beautiful in heart and soul
and when you want to be you are
the most tender woman with understanding care.
Only my mother is the other person I
have known that is so caring with a heart so pure.
Kira you are beautiful with a righteous soul.
I love you darling because in every way
there is you truly are so beautiful.

I ache for you because our bond is there
and I feel so much of what you do too.
I feel your love, I feel your pain,
and I can feel your anger quite often too.
It all touches me deeply in different ways.
Can you feel all the things I hold in me?
Can you feel my aching love to have you here?
Can you feel and do you know that though
I may get upset at times I am not angry with you dear?
I am not angry I truly love you so
and I ache to look in your eyes and hold you close.

I ache so very bad for you
because you are my Angel and you make me whole.
I would give anything for you my dear.
You are everything I treasure and hold dear.
I want to share our lives in full.
I want to talk to my beautiful woman
who knows me better than almost everyone who's ever lived.
I often cry in bed asking God to bring you back.
I ache for you because you are so good,

I truly love you with all my heart
and I ache for you to see it in its full and open state.
Something I won't do for another soul
because I adore you oh my precious one.
I ache to give you what no one else deserves to have.
Only my best friend who gives me reason to still live.
I ache for you because you are the one I truly love.

I ache for you to show you that you're truly loved,
so I can show you that you're understood
and not alone.
I ache to treat you like a Queen like you deserve.
I ache to heal your heart from a hard past you don't deserve.
I want to help you forget those fools who hurt you bad.
I ache to give you a happy life.

Oh my Kira how I ache to give you all the best
and snuggle with you every night as
you rest your head upon my chest.
You can hear how my heart beats for you through life,
then walk hand in hand forever in our next life.
I just want to hold you for all time
as I make you proud and make you smile.
I ache because I truly love you so.
Oh my darling Kira I so ache for you.

ILYF Kira my sweet dear lady.

Lying here in bed missing you

To look in your eyes and say

Then give you a kiss
pulling you back in smiling.

To hold you in my arms and kiss you so sweetly,
to see your beautiful eyes and gorgeous smile.
To see you in full and be taken in by your power,
I love you sweet lady and I ache so very badly.
I would give anything for us to be together and happy.
I miss my sweet lady oh so badly.

I ache and long to talk with you once again.
Spend hours upon hours getting lost in each other
just like we used to.
Discussing everything under the sun,
we were both so very happy at those times.
I miss you my darling and await your return,
I ache and I long for my Kira my only one.

Beautiful Saturday

I long for a beautiful Saturday
spent with my beautiful lady
spending time doing whatever we want.
Be it a walk in the park,
going out to lunch,
going to the Mall of America to walk around,
or just staying in to watch movies, T.V,
listen to music or read it wouldn't matter to me
because it would be a beautiful Saturday spent
with my precious beautiful lady.

A beautiful Saturday spending personal time
that has been so missed and needed for a long while,
I yearn to have my sweet Angel here
to share a beautiful Saturday holding her,
enjoying the sun on this summer day
just admiring her beauty under its rays
and tell her how gorgeous she is
and that I love her.
I so want a beautiful Saturday to spend time
talking and getting to know her better and better.

A beautiful Saturday where we would have
a very simple lunch because that night
I would cook your favorite dinner out of love,
then watch a movie you pick while we
lay down on the couch spooning.
I just want to be with you and make you so very happy,
as I lay down for a short rest its of these things
I will be dreaming.

A beautiful Saturday where we could just
sit and talk after our simple lunch
as I have you lay down on your tummy
so I can massage your aching back.
I'll massage you wherever you need
from the pain you suffer so strongly.
It tears at my heart though to know that you hurt,
in body, spirit, and heart I hate seeing you hurt.

I would take it away and carry it for you
if God would grant that wish.
I would sit and rub your back as long as want.
I long to be able to do that on a Saturday like this,
a beautiful Saturday with my only lady is my greatest hope.

I so long to see you, to talk to you and hold you,
I want to be with you spending endless
beautiful Saturdays with my beautiful lady
doing whatever it is that takes our fancy.
Just being with would make it beautiful alone
so doing fun things is just a bonus.
Any day with you is a beautiful one
because I love you and cherish you so very much.
A beautiful day is one spent with you in some way,
I adore you sweet Kira and want to hold you always.

Michael P. McParland

would be so peaceful and helpful
before having to face the days tasks, chores, and struggles.
An early morning snuggle with you would
help give me that extra strength to make it through

and feeling so very good.

Night Note 104

Sitting here tonight
watching videos on Youtube
and playing games on the kindle
to try and distract from
the aching I have in my heart.
It aches for you to
be here in my loving arms.
It aches so very bad
to be in your loving arms as well.
To be with the sweet woman
I so deeply love and adore.
Feel all of my love
and warmth as in spirit

I miss you so much
my sweet Angel dove.

I sit and think
of all the good times we had.
I don't dwell on the bad
except the lessons I learned.
I focus on those so I won't do
them again.
I want to get everything
perfect as possible
so we will be happy at all times.
I wish you were here
to hold and tell you
Kira I love you mega tons.

you are the greatest woman and my heart beats for you.
My heart is a gift which I give to you,
you are my soul mate and I know we will get our time.
I pray to God that it will be so soon.
Goodnight beautiful Kira and God bless your heart,

Love Note 273

Good evening sweet love
how have you been today?
I just rose from my long sleep
about half and hour ago.
I waited just a bit to write
because my head was foggy
and I want to be my best.
I love you so very much
and I want you to smile.
You are my Angel
my sweet love and Queen.
I care for you deeply
and hope that
your day has been good.

It was a dreamless sleep
which is always so lonely
because it is without you,
I thank you though darling
because I know you helped
keep my nightmares away.
You are such a blessing
I am thankful for in every way.
I love you sweet Kira
my Angel who looks out for me.

I pray you felt
all of my loving warmth
as you went through the day,
I am with you always
holding you close to me.
Giving kisses so sweetly
and giving my smiles of love.

Snuggle 32

As I drift further down to an actual sleep
I wanted to say I love you sweet lady
and I wish that we could snuggle
and I would fall asleep smiling in your loving arms.
Feeling totally happy and peaceful
as I held my lady and shared sweet passionate kisses.
I wish we could share a sweet snuggle
so I could fall asleep with you so closely holding me.

Let's snuggle in spirit sweet one as I
am so very close to fully dropping off now.
I crave you company and comfort
and just being enveloped by your loving spirit.
I love you sweet Kira so let's so sweetly hold each other.
I'll see you in my dreams and we'll
snuggle so tightly there too.

As I now close my eyes and try to sleep
I just want you here to kiss and snuggle
up with to feel at peace.
My heart is hurting and I'm oh so tired,
I just want to have you in my life
and have you in my arms giving of myself in full.
As I try to sleep I just want you here
to kiss and snuggle with feeling content and whole.

I just want to hear from you and talk
for hours on end just like we used to do.

I Worry About You

I worry about you and wonder if you're okay.
I wonder and worry over how much pain
you are in each day and wish there
was a way I could take it away.
Or at least be there to give you a massage
to loosen up and relax the tension
in the muscles bunching up
and help you relax in full by giving
you my loving touch through that massage
with sweet kisses one by one to give you cheer.
I worry about the physical pain you feel
and hope it isn't overwhelming you in its grips
making it so you can barely move.
I pray each day that you're okay and feel my strength.

I worry wondering if you are crying
hurting on the inside feeling pain and misery.
I worry that you are feeling all alone
and depressed inside coming apart
from the needs and sadness that you feel.
I worry because I know that pain so well
and I hate to know you are in pain
it makes my heart hurt so bad that I can't be there
to take you in my arms and comfort you.
I worry that you are in pain and tears
thinking you're alone when I am here
and would give anything to hold you near
and soothe your heart while drying your
precious eyes from the tears.
I worry because you are the sunshine
of my life and I can't bare to know you hurt in any way.

I worry because I love you deeply
and how you are means everything to me.
I want my Angel to be well and happy
and not knowing how you are
is driving me so very crazy.
I know that you are hurting very bad
in so many ways from many things.

I know I am the cause of some of your pain
and I want to say I'm sorry dear
and hold you close well I just softly
speak and reassure you that I'm here
and love you deeply in every way.
I want to heal your heart and hold your hand
standing by your side for all time as your man.
I worry dear because my love for you is so pure.

I worry because I know you love me just as much
and with the bond we share I know you worry too.
I want us to hold each other to have peace of mind,
to help each other find our happiness once again.
I want to help my only one because I love you
with all my heart and soul.
Kira I worry over you because you mean so much.
You are my everything and universe,
you are my Angel I adore in whole and full,
you are my Queen whom I treasure in every way.
I love you Kira so I worry how you are
because you matter most and more than anything.
Kira you are my soul mate and best friend
and I worry because I care about
and love you so very much.

Michael P. McParland

Pure Love 3

I have pure love for you within
my very soul and heart.
Such tender care with concern
and that never stops.
All I feel for you is total love
that even when I may be upset
that tenderness still is at the core
and I can never stay upset for long.
I'm not upset now but making the point
that I have pure tender love for you
within my very heart and soul.

I care for you so deep and true
there isn't anything I wouldn't do for you.
I adore you in all your beauty
both outward and in.
I love you for who you are
my sweet Angel Kira from up above.
I just want to hold you close
and heal your heart in all my tender love
and complete care.
I hold nothing but pure love for you
my sweet Angel dove.

It is pure love and I knew it from the start,
I was in love with you before
I even realized it within my conscious mind.
My heart swelled with pride and swelled with light
whenever I would think of you or
be standing next to you I just wanted
to shout out for the world to hear
I love this girl and she's the best.
I hold pure love for her in every way.

I hold pure and endless wholesome
love for you within my soul and heart
and I can't imagine or stomach
a future in this life without you in it.
You are my saving grace and divine Angel,

I can't describe in full how much you mean to me.
There are no words to describe the epic
joy and pride I feel for you.
You take my breath away with how great you are,
you are a precious jewel who is everything to this love struck fool.
I truly cherish you because you are
so wonderful and admirable in so much of what you've done.
I am in awe of you for so much
of what you've made it through and continue on.
I hold pure shining love for you within my soul and heart,
I want to have you here by my side
and long to spend eternity with you as my treasured
and beloved precious wife.

Michael P. McParland
