# I Am Me

i am free  
i am me, the real me  
i am no longer afraid of speaking up  
voicing my opinion, saying my say  
i am me  
i am not a yes girl

my wings have grown, i am fearless  
i am free  
i am not empty and i am not alone

i have taken all i am and smiled at the world  
i walk with my head high  
i am no longer submissive  
i am me

you broke my spirit  
you hurt my soul  
you showed me how not to be me

but here i am  
i am liberated  
i am free

free to be me
