Good Bye

How do I say goodbye to what we had?
The good times that made us laugh
Outweigh the bad.

I thought we'd get to see forever
But forever's gone away
It's so hard to say goodbye to you boo.

I don't know where this road
Is going to lead
All I know is where we've been
And what we've been through boo
i miss all the good time

If we get to see tomorrow
I hope it's worth all the wait for us
It's so hard to say goodbye boo

And I'll take with me the memories
To be my sunshine after the rain
It's so hard to say goodbye to my boo

And I'll take with me the memories
To be my sunshine after the rain
It's so hard to say goodbye to you boo i still miss you

'Missing You'

Though I'm missing you
Although I'm missing you
I'll find away to get through
Living without you
'cause you were my sister, my strength and my pride
Only god may know why, still I will get buy
I would've known, that you had to go so suddenly, so fast
How could it be, that sweet memories would be all, all that we have left.
Now that you're gone, every day I go on (I go on)
But life it's not the same (life's just not the same)
I'm so empty inside, and my tears I can't hide but I'll try to face the pain
Oh there was so many things
That we could have said, un-huh
And time was on our side (time was on our side)
Ooh, yeah
Now that you're gone, I can still feel you near
So I'll smile, with every tear I cry
How sweet were the losses to spare?
But I'll wait for the day
When I'll see you again, see you again, yeah
I'm missing you
