# Don'T And Don'T Ever Believe Them!

If people will tell that you are an idiot, don't, and don't ever believe them. Just remind and talk to yourself with these words "I am a unique, an intelligent, and an extra-ordinary individual; who has the ability and power to think, to create, to decide, and to react; Above all, has the power to make a good and most concrete wises decision than any other creatures."

If people will tell that you're a calamitous man that ever existed in this world, don't, and don't ever believe them. Just remind and talk to yourself with these words "there is no such a calamitous, a disastrous, a doomed individual that created by his Loving and Merciful Creator; For thy Creator is a Loving and a Merciful God; Therefore He cannot allow watching and seeing his beloved human being will suffer as well as will live in miserable life. There is only such a doom and unfortunate being because he accepts and believes all the comment and dictate of others. Whose fault is it? "

If people will tell that your English as well as grammar is poor and has no chance to succeed to your dreams, don't, and don't ever believe them. Just remind and talk to yourself with these words "if the great Abraham Lincoln, Benjamin Franklin and Napoleon Hill was been able to overcome and improve their English as well as their grammar and became a man of excellence and valor and was been able to succeed in their longings in life, how much more I? "

"I too, can be capable to succeed and improve my command in English as well as in grammar by only encouraging, motivating, and nurturing myself in the importance of reading of good books as well as practicing always in speaking and writing. I believed that excellence can only be attained by a matter of believing in me that I can! And practice, practice, practice until I can make it perfect! Man has the power to achieve and change anything what he wants. It's only a matter of constructive thinking, preparation, determination, perseverance, and a will that he can make it."

If people will tell that you can't find a real happiness within you, don't and don't ever believe them. Just remind and talk to yourself with these words "What is real happiness? It is just keeping your heart free from hate; free your mind from worry. Live simply, be contented of what you have but don't be contented of what you are, expect little, and give much. Fill your life with love. Scatter sunshine, forget self, think and help others. Do as you would like to be done by."

If people will tell that you are a failure, don't and don't ever believe them. Just

remind and talk to yourself with these words "The true measure of a man's success lies not on the number of times he falls, but on the number of times he rises and tries again. Therefore, I will not accept and believe in the word such as defeat and failure. For this is the word and vocabulary of the fools and the losers."

If people will continue to tell that you are a real failure man, don't and don't ever believe them. Just remind and talk to yourself with these words "If you think you are beaten, you are! If you think you dare not, you don't! If you'd like to win but you think you can't, it's certainly you won't. Life battles are not always go to stronger or faster man. But sooner or later, the man who wins is the man who thinks he can! "

If people will tell that you are the weakest man in the world, don't and don't ever believe them. Just remind and talk to yourself with these words "When you at your weakest, God is in His greatest. So don't worry, be happy. You can if you think you can! And finally, I will always ponder and think in this wise counsel of the great man, John Maxwell that the only person who can stop you on becoming of what God intend you to become is you! "

Wish you many blessings to come and God Bless!

# I Am Glad

I am glad to learn  
in order that I may educate properly.  
I am glad to search knowledge  
in order that I may discover wisdom.

I am glad to laugh  
in order that I may brighten up my soul.  
I am glad to cry  
in order that I may ease the heartache and pain of life.

I am glad to welcome error  
in order that I may learn and improve more.  
I am glad to compare myself to the past self  
in order that I may learn to love and appreciate my being.

I am glad to be an open-minded  
in order that I may become more understanding.  
I am glad to cooperate  
in order that I may uphold unity.

I am glad to help  
in order that I may share the blessings to the needy.  
I am glad to love  
in order that I may impart the greatest virtue of God.

I am glad to give an encouragement words  
in order that I may lift up and comforted the broken-soul.  
I am glad to sing  
in order that I may sing praises to my beloved Creator.

I am glad to preach  
in order that I may spread the light and good news to the world.  
I am glad to read His book; the Bible  
in order that I may guide and have an eternal life.

I am glad to pray daily  
in order that I may have communication and close-relationship to Him.  
Wish you many blessings to come and God bless!

# I Am The Master Of Myself!

I am the master of myself!

No other creatures can deteriorate; match the skills, talents and abilities of my being.

For the Loving God gave a mind to think for the innovation of myself,  
He gave the eyes, the hands and the feet to transform all my plans into action.

Yes, I am the master of myself!

I am the master of my fate,  
I am the master of my destiny,  
And I can excel in this land!

Yes, I can excel in this land that full of hardships, pain and trials

For the Loving God gave me the power.

Power to laugh at my short coming and error,  
And power to cry, to release all the pain and sorrow of life.

Yes, I am the master of myself!

For the Loving God gave additional power,  
Power to rise up once again after I fall,  
And power to continue to move on, to conquer the impossible!

Now, I learned lesson from the past

That self-discipline, preparation, determination, persistence, love of God and love of my fellowmen is a passport for success.

Trials and hardships make a man strong,  
Failure and mistakes make a man humble but only the Loving God keeps a man going.

Therefore, beginning today no longer I think what others think about me  
No longer I doubt and weep.

No longer have I compared myself unto others,  
Instead I compare only my past self so I can be able to love and learn to appreciate my being.

Yes, I am the master of myself!

To keep me moving and improving,  
Everyday, I will motivate myself to read the Bible and other inspirational and motivational books, for these are the nutrients and vitamins for my mind and soul.

Yes, I am the master of myself!

To keep my spirit alive, I'll endure to think positively,

I'll persist to imitate the lives of the great men of excellence,

And I'll continue to motivate, nurture my intellect to have faith and believe in myself.

Finally, I'll motivate myself to pray and give thanks daily to my beloved Creator

For He is the source of my strength and energy,

For He is my only treasure and faithful friend,

Without Him, I am meaningless in all meaningless under the sun!

Therefore, beginning today, I'll talk to Him with these words:

Dear Lord, thank you for the gift of life. Thank you for loving and being patient to me.

Thank you for giving me the chance and opportunity to plant the seeds of my uniqueness and productivity in this land. Please continue to guide and use me, so I can help and give comfort to the lonely, doubting broken soul and bring them nearer unto you. Finally, forgive me to all my short comings that I committed against thee. In Christ name, I'll pray...Amen.

Wish you many blessings to come and God bless!

# I Dream To Become A Great Man

I was born as a poor boy and grew up in the street  
Without the care, guidance and supervision of my beloved parent.  
I have been experienced an empty stomach,  
Almost naked, without permanent shelter and without proper education.

As a young man with a deprived and sad experiences of life  
I started to think of innovation and dream for my future.  
I dream to become a famous,  
I dream to become a great man!

Yes, I to dream to become a great man  
A great man with power and authority,  
A great man like Abraham Lincoln, Benjamin Franklin, Manuel Quezon,  
Theodore Roosevelt and Winston Churchill.

Yes, I dream to become a great man  
'Coz I want to have a change and improvement,  
A change and improvement to my beloved country,  
A change and improvement to the lives of the needy.

'Coz I thought to become a great man  
Is to have power and authority,  
Power and authority over the lives of the people,  
Power and authority to become their lord and master.

But now, I realized that to become a great man  
It is not to become the lord of their lives, instead the lord of good example.  
But now, I also realized that to become a great man  
It is not to become the master of their lives, instead a master of change in  
helping to improve their way of living.

Now with this precious thoughts that still fresh in my mind  
I am thankful to my beloved Creator for helping me this to realize.  
Another thing is that, to become a great man is to change and improve first  
myself,  
And not be a self-centered, lord and master to others, instead a lord and master  
of my own self.

I realized that, for changing my own self  
I can gradually change my own destiny,  
I realized that, for changing my own self,  
I can gradually brighten up my future.

Lo! Today I will live as if it is my last  
I will improve myself, my character, my skills, and my talents.  
I will serve and help others with love and care,  
And I will become great!

Yes, I will become a great man if I will think the good of others before myself.  
For only in serving, helping, loving, and sharing the blessings from Above,  
I can finally win the hearts, favors and support from my beloved human being.  
And my name will be hailed forever in the pyramid and pages of history!

Wish you many blessings to come and God bless!

## If You Are Wise!

If you are wise, you should have to take time to think before you react.

If you are wise, you should have take time to listen before you criticize.

If you are wise, you should have to take time to analyze before you emphasize.

If you are wise, you should have to take to time to lend your ears before you argue.

If you are wise, you should give enough time others to speak before you clarify.

If you are wise, you should give enough time others to clarify before you justify.

If you are wise, you should learn to cultivate yourself as well as practice encouragement instead of discouragement.

If you are wise, you should learn as well as teach yourself to be patient in dealing with people. Remember, you are not dealing with a people of logic but you are dealing with a people of emotions too!

If you are wise, you should learn and teach yourself to manage as well as control your temper.

If you are wise, you should learn to hold as well as manage your tongue not to back fight, criticize, gossip, condemn and insult other people.

Remember criticizing that is a mark of an inferior person. A real wise person has no time in back fighting, criticizing, condemning, gossiping and insulting other people. They are busy in cultivating and improving themselves and helping the lowly ones.

If you are wise, do not snub people. A real wise person did not snub but greet people with a sweet smile.

If you are wise, be honest in giving praises. Do not give a flattering answer or else people will hate and mock at you!

If you are wise, remain humble instead of being proud. Remember, God mocked the proud but He lifted up the humble.

If you are wise, do not praise yourself in front of the people. Let people praise you, not yourself!

If you are wise, you should be careful as well as watchful in your character. For your character will be your only weapon against the bad tongues of negative, toxic people.

If you are wise, be an open-minded person. Remember, there is more hope to the fools than to the close-minded individuals!

If you are wise, you should continue feeding your mind with fresh knowledge and wisdom. Remember knowledge is power. No knowledge, no power!

If you are wise, you should encourage as well as teach yourself to value other people. Remember no man is an Island!

If you are wise, cultivate yourself to have your own originality. I've learned and discovered that one of the greatest mistakes of the young people nowadays is a lack of originality!

If you are wise, you should practice being kind to yourself as well as to other people. Always bear in mind that the hardest things to give is kindness, it's always comes back to the giver!

Finally, if you are wise, cultivate as well as teach yourself to put God in the center and everything will come together.

That's it!

If You Are Wise!

Wish you many blessings to come and God Bless!

# It's Nice, It's Nice To Hear You Know!

It's nice, it's nice to hear you know!

If someone will going to tell that you are not an arrogant and a hypocrite person.

It's nice, it's nice to hear you know!

If someone will going to tell that you are an honest and a trustworthy person.

It's nice, it's nice to hear you know!

If someone will going to tell that you are a friendly and a humble person.

It's nice, it's nice to hear you know!

If someone will going to tell that you're an open – minded and respectful person.

It's nice, it's nice to hear you know!

If someone will going to tell that you're a hardworking person and rendering a service with a quality results.

For continuous hearing these words it's nice, it's nice to hear you know!

Always encourage and motivate yourself to practice self-discipline,

Encouragement instead of discouragement,

Honesty instead of dishonesty,

Humbleness instead of pride,

Kindness instead of greediness,

Love and faithfulness instead of wickedness,

Sincerity instead of duplicity,

So you can be able to win favor from God and from your fellowmen.

Inculcate these words in your heart and mine,

If you really want to be successor in life,

Then don't look and wait to someone to motivate you,

But look at your inner soul as your best motivator.

Finally, never ever take someone for granted,

Hold and value every person near to your heart,

Because you might notice and wake-up one day,

Realize that you've lost a gem while you were too busy in collecting stones!

Wish you many blessings to come and God bless!

# Just For Today

Just for today, I will improve myself. For today is the sure preparation for future success.

Just for today, I will no longer compare myself to others; instead I compare only my past self so I can be able to become the master of myself!

Just for today, I will laugh at myself, at my errors and at my failures in life for these are the secret of refinement and emotional maturity.

Just for today, I will remind myself often with these words: Life is yours to enjoy. Don't waste it. Don't pass up living by thinking yourself into a failure and defeat. For there is always a room for opportunity and success. What you shall need to do, is to create one!

Just for today, I will cultivate myself to give its best to the world and the world will give back its best to me. For the world is a mirror of king and slave.

Just for today, I will be careful, watchful and vigilant. For the world is full of treacherous individuals. Therefore, in order not to fall in their traps, I'll think thrice before I act and do my activities under the sun!

Just for today, I will motivate myself to be self-reliant, honest, hard working, humble, open-minded, have word of honor, respect, and originality. For these are the true secret of power, fame and integrity.

Just for today, no longer I compete myself to others, instead I compete only with my own self for here is a true secret of greatness and success.

Just for today, I will value the reading of good books. Books are gifts where hidden treasures laid given by Loving God to motivate my intellect to think and grow rich!

Just for today, I will share my knowledge, skills and talents to the world, so I can be able to lift up and give comfort to the wondering broken-soul.

Just for today, I will greet my beloved fellow human being with a sweet smile instead of frown. Encouragement instead of discouragement for "whatever a man soweth that shall he also reap."

Just for today, I will not neglect to give praises and thanks to my Loving Creator. For He is the source of my energy, breath, strength, and wisdom. Without Him, I am vanities in all vanities under the sun!

Just for today, I will talk to Him with these words: My Great Creator, Loving and faithful Friend of mine, I am here now in your front to glorify your name. I would like to thank thee for all the trials, pains and sorrows in life you prescribed to me because it help me a lot to refine my character and views in life. I pray that you now help me to remove every single defect of my character, stands in the way of usefulness to you and to my fellow human being. Please help me to follow these precepts in my hands diligently, so I can gradually become a catalyst of change and inspiration to those people around me. Finally, can be able to bring them successfully nearer and closer to you. Thank you, dear Lord for listening and answering my petitions. In Christ name, I'll pray...Amen.

Wish you many blessings to come and God bless!

# Oh, What A Wonderful World!

Oh, What A Wonderful World...

If there is only a love, there is no time for hatred.

If there is no time for hatred, there is no violence.

If there is no violence, there is no crime.

If there is no crime, there is peace.

If there is peace, there is a harmony.

If there is harmony, there is a friendship.

If there is a friendship, there is a friend.

If there is a friend, there is a relationship.

If there is a relationship, there is closeness.

If there is closeness, there is a loyalty.

If there is loyalty, there is honesty.

If there is honesty, there is integrity.

If there is integrity, there is respect.

If there is respect, there is understanding.

If there is understanding, there is kindness.

If there is kindness, there is tender-care.

If there is tender-care, there is longsuffering.

If there is longsuffering, there is joyfulness.

If there is joyfulness, there is happiness.

If there is happiness, there is contentment.

If there is contentment, there is frugality.

If there is frugality, there is abundant living.

If there is abundant living, there is prosperity.

If there is prosperity, there is hard-work.

If there is hard-work, there is originality.

If there is originality, people will mind their own business.

If people will mind their own business, there is no idle mouth.

If there is no idle mouth, there is no idle tongue.

If there is no idle tongue, there is no back-fighter, gossip and mocker.

If there is no back-fighter, gossip and mocker, there are no enemies.

If there are no enemies, there is no headache.

If there is no headache, there is no loneliness.

If there is no loneliness, there is no need to worry.

If there is no need to worry, there are no wrinkles.

If there are no wrinkles, there is a peace of mind.

If there is a peace of mind, there is no insecurity.

If there is no insecurity, there is self-confidence.

If there is self-confidence, there is no need to be afraid.

There is no need to be afraid because there is a loving and merciful God.  
If there is a loving and merciful God, all impossible things will turn into possible.  
If all impossible things will turn into possible, there is no need to doubt.  
If there is no need to doubt, you can begin right now to dare mighty things to  
shoot for the stars of your dreams!

Oh, what a wonderful world if people around the globe will only imitate, exercise,  
ponder, possess, and apply the precepts above. Our world will be become a  
better, safer, and peaceful place to live!

# The Difference Between A Fool And A Wise Person

In this world we can easily determine who are the fools and wise individual. So, how can you spot if the one you're conversing right now is a fool or a wise people? Here is my answer...

A wise person thinks before his act; a fool person doesn't and even brag about his foolishness.

A wise person known by his diplomatic attitude; a fool person known by his autocratic as well as his volcanic attitude.

A wise person known by his humbleness; a fool person known by his arrogance and pride attitude.

A wise person encourages; a fool person discourages and most fools do!

A wise person plan ahead before his work for tomorrow; a fool person doesn't and even says, never mind about it, I can plan and will do it tomorrow.

A wise person eyes are on the house of working; a fool person eyes are on the house of pleasure.

A wise person known by his frugality; a fool person known by his philosophy of "one day millionaire."

A wise person known by his creative mind; a fool person known by his lack of originality.

A wise person known by his honest attitude, a fool person known by his dishonest attitude.

A wise person known by his word; a fool person known by his duplicity.

A wise person known by his godly attitude; a fool person known by his satanic attitude.

A wise person respects the rights of others; a fool person doesn't.

A wise person acknowledges that there is a God; a fool person doesn't and even says where that God is? I am a god of myself!

Readers, I firmly encourage you, act as a wise and not be a fool!

Remember, your life is like a vapor that appears for a moment and then disappears. Therefore, use your life as an instrument of change and inspiration to other people.

Live as a wise, so, people will love and don't forget you.

Always bear in mind, people will forget what you say.

People will forget what you did.

But people will never; never forget how you made them feel!

Wish you many blessings to come and God Bless!

This too shall pass.

Everything under heaven shall pass away  
Including me and you,  
But the only thing will never, never pass away is...  
Good works, good works and good works.

Therefore, beginning today, makes your life not just a living.

For thousands of men breathe move and live pass off the stage of life and are heard no more. Why? They did not give a particle of good in the world. None were blessed by them. None could point to them as the instrument of their redemption. Their light went out in darkness and they were not remembered more than insects of yesterday. Will you live and die? Live for something!

Remember, the clock of life is wound but once, and no man has the power to tell just when the hands will stop; at late or early hour. Now is the only time you own. Live, love, work with a will. Place no faith in tomorrow, for the clock of life may then be still.

Finally, don't and don't ever forget these  
People will forget what you say,  
People will forget what you did,  
But people will never; never forget how you made them feel!

Wish you many blessings to come and God Bless!

# Who Is God?

He is the First and Last, the Beginning and the End!  
He is the keeper of Creation and the Creator of all!  
He is the Architect of the universe and The Manager of all times.  
He always was, He always is, and He always will be...  
Unmoved, Unchanged, Undefeated, and never Undone!  
He was bruised and brought healing!  
He was pierced and eased pain!  
He was persecuted and brought freedom!  
He was dead and brought life!  
He is risen and brings power!  
He reigns and brings Peace!  
The world can't understand Him,  
The armies can't defeat Him,  
The schools can't explain Him, and  
The leaders can't ignore Him.  
Herod couldn't kill Him,  
The Pharisees couldn't confuse Him, and  
The people couldn't hold Him!  
Nero couldn't crush Him,  
Hitler couldn't silence Him,  
The New Age can't replace Him,  
He is light, love, longevity, and Lord.  
He is goodness, Kindness, Gentleness, and God.  
He is Holy, Righteous, mighty, powerful, and pure.  
His ways are right,  
His word is eternal,  
His will is unchanging, and  
His mind is on me.  
He is my Redeemer,  
He is my Savior,  
He is my guide, and  
He is my peace!  
He is my Joy,  
He is my comfort,  
He is my Lord, and  
He rules my life!  
I serve Him because His bond is love,  
His burden is light, and His goal for me is abundant life.  
I follow Him because He is the wisdom of the wise,

The power of the powerful,  
The ancient of days, the ruler of rulers,  
The leader of leaders, the overseer of the overcomers, and  
The sovereign Lord of all that was and is and is to come.  
And if that seems impressive to you, try this for size.  
His goal is a relationship with ME!  
He will never leave me,  
Never forsake me,  
Never mislead me,  
Never forget me,  
Never overlook me, and  
Ever cancel my appointment in His appointment book!  
When I fall, He lifts me up!  
When I fail, He forgives!  
When I am weak, He is strong!  
When I am lost, He is the way!  
When I am afraid, He is my courage!  
When I stumble, He steadies me!  
When I am hurt, He heals me!  
When I am broken, He mends me!  
When I am blind, He leads me!  
When I am hungry, He feeds me!  
When I face trials, He is with me!  
When I face persecution, He shields me!  
When I face problems, He comforts me!  
When I face loss, He provides for me!  
When I face Death, He carries me Home!  
He is everything for everybody, everywhere,  
Every time, and every way.  
He is God, He is faithful.  
I am His, and He is mine!  
My Father in heaven can whip the father of this world.  
So, if you're wondering why I feel so secure, understand this...  
He said it and that settles it.  
God is in control, I am on His side, and  
That means all is well with my soul.  
Everyday is a blessing for GOD Is!  
I love the Lord and thank Him for all that He does in my life,  
He is my source of existence and my Savior.  
He keeps me functioning each and everyday.

Without Him, I am nothing. But with Him I can do all things. - Philippians 4: 13

Wish you many blessings to come and God bless!

# You're A Plain Idiot!

You're a plain idiot!  
That's the notion of shallow minded individuals,  
They kept on accusing and judging foolishly,  
But are they qualify to judge a man?

They continue to laugh  
They continue to shout,  
You're a plain idiot!  
You're a plain idiot!

The great men of the ages  
Demosthenes, Charles Dickens, Napoleon Hill, and Thomas Alva Edison  
Were been victimized by accusation, you're a plain idiot!  
But was this prediction is accurate?

Wake up young man, wake up!  
Stop on doubting,  
Stop on weeping,  
Have faith and believe in yourself!

Yes, have faith and believe in yourself!  
Remember faith sees the invisible,  
Believes the unbelievable,  
And achieve the impossible.

Beginning today, says these words to yourself  
I am the master of my fate,  
I am the master of my destiny,  
And I can excel in this land!

Yes, you can excel in this land  
If you just learned from mistakes of the past,  
Keep on dreaming and improving with your being,  
So you can change your destiny and conquer the impossible.

Remember the Loving God  
Does not give you the spirit of negativism,  
He does not give you the spirit of cowardness,  
Instead He gave you the spirit of love, humility, courage, and determination.

Always bear these in mind  
The world is cruel to those who cannot help themselves,  
But the world is also kind to those who keep on dreaming  
And improving, innovating their being.

Remember! Never to waste time thinking  
What others think about you.  
Because you will have little time left to think,  
What you think about yourself.

If you really want to be a successor in life  
Don't look and wait to anyone to motivate you,  
But look at your inner soul,  
As it's your best motivator!

God and I reminds you  
Motivate your mind to think positively,  
Have faith and believe in yourself,  
Act now for you are not a plain idiot instead a unique individual!

Wish you many blessings to come and God bless!

# Your Dimension Of Greatness

Life is what we make it. Our future destined upon in our hands on how we can improve our lives to the fullest heights of innovation and success. In this world full of challenges, trials, and hardships, only the strong minded person are capable to change his destiny and conquer the impossible!

Beginning today, I will improve myself. I will cultivate, motivate my being to have a dream and vision for my life. Life is so short. Therefore, I will encourage myself to improve and polish my attitude, character, and relationship with other people. I've learned and observed that these were the only assets and keys, so I can be able to win, gather the love, the support, and the respect from them, enable me to reach the top of the ladder of my goals and dreams.

Beginning today, if I feel inferior, if I feel insecure, and if I feel self-pity, I will remind myself with these words:

No one can know the potential of a life that is committed to win. With courage, the challenge its faces to achieve great success in the end!

So explore the dimension of greatness and believe that the world can be won by a mind that fully committed and knowing the task can be done!

Your world has no place for the skeptic, No room for the doubter to stand, to weaken your firm resolution that you can excel in this land!

You must have vision to see your potential and faith to believe that you can. Then courage to act with conviction to become what God meant you to be!

So, possess the strength and the courage to conquer whatever you chose. It's the person who never gets started, that is destined forever to lose!

Beginning today, I will strive myself to become a man of excellence and valor. If I'll experience defeat and failure, I will encourage myself to repeat and repeat these words again and again:

If you think you are beaten, you are!

If you think you dare not, you don't!

If you'd like to win but you think you can't, it's certainly you won't.

Life battles are not always go to stronger or faster man.

But sooner or later, the man who wins is the man who thinks he can!

Beginning today, I will eliminate and remove from my vocabulary such words as quit, cannot, unable, impossible, improbable, failure, hopeless, and retreat for they are the words and vocabulary of the losers!

Finally, I'll continue reminding myself that the future belongs to those who believe in the beauty of their dreams!

Wish you many blessings to come and God bless!

# You'Re My Best Friend

My friend, don't be sad...  
I'm here for you no matter what,  
I'll never leave you, I swear,  
Like your family who's always there.

If you have problems, don't be hopeless,  
I'm here to guide and give you happiness,  
Just be strong and brave,  
You can do it with all your strength.

Please don't be worry for nothing,  
Instead you must thank for everything,  
You must face your life without fear,  
"Coz God and I, are just near.

I'm always thinking of you,  
'Coz you're my loving bestfriend  
And I hope you'll cherish me,  
Until the time ends.
