Its Going

Dear Him..

Everyday i see your face..

You make me think how to be close with you..

And everyday i loss my faith when i never hear your breath..

Dear Him

Did you know how many times i try to forget you.?

you never know..

Sometime we`re apart..

sometime we`re together..

Although we`re have space between us

i know the times hard for me

i`ll be the friends you can turn on

i`ll be here for you when u alone.

Dear Him..

I think were not meant to be..

We are different destiny

just go on..

I`ll prayer for you blessing
