### 3 Hapana Pwaguzi

1 Mja ninanena, neno la hikima,  
Sio kuwachana, wenye taadhima,  
Naweka bayana, mbaini hima,  
Mjuwe hakuna, mume wa waume.

2Mume wa waume, dunia hakuna,  
Tawa gumegume, gwiji kijiona,  
Japo nyamaume, tatishwa na wana,  
Sijifanye pwagu, tapata pwaguzi.

# I Can't Stop Loving You

Ooh! thee beauty of the ages,  
Whose beauty is sung praises,  
For you, I write,  
A poem,  
A poem of the times,

The world has never seen,  
A glory more than your skin,  
Glittering, like the sun of the horizon,  
Are your teeth,  
Fresh, as the breeze of the ocean,  
Is your breath,

You say I'm the last of your choice,  
and I don't mind,  
For you're my ace,  
The healer of my heart,  
The better part of my mind,

As the days pass,  
And away you remain,  
Sure is one thing,  
In my heart you reign,  
It you that I can't stop loving.

# Maabadi Ya Chafuka.

Ijapokuwa na shani, sielewi asilani,  
Chanzo hapana utani, wala si umaluuni,  
Yanatufika shingoni, metukaba hatuoni,  
MAABADI MECHAFUKA, CHANZO HIKI CHA FITINI.

# Magical Affection

It started slowly,  
From a place so hilly,  
She walked shyly,  
Her face smiley,  
Seeing her, man, I felt silly.

Her teeth were shiny,  
Her mouth held them with care,  
Her beauty was beyond any,  
That before I've had a stare,  
I just couldn't bear.

# Naamba.

Imi nataka niambe, niambe kwa ukabambe,  
Sitoamba kwa kithembe, wala kunena kizembe,  
Nifikie na mashombe, ngoma yangu na itambe,  
Ngoma yangu musikile, amani ndugu amani.

Mara nyingine niimbe, jinsi ya mja wa pombe,  
Nikiimbe kisarambe, kote kote kiwakumbe,  
Kisababishe uvimbe, uvimbe wa ujumbe,  
Wimbo wangu musikile, amani jama amani.

Tena nataka niombe, niombe mwema kiumbe,  
Tena awe nazo pembe, pembe zile za wajumbe,  
Kote kiumbe atambe, nayo mawi asiambe,  
Kiumbe wangu muole, Amani kote amani.

Trna niipike pombe, mapishi yangu muimbe,  
Nimimine kwa vikombe, tamu hadi chembechembe,  
Mpe na wenu vikembe, na makono muyarambe,  
Pombe yangu muionje, pombe yangu ya amani.

Kaditamati niombe, kwa Muumba wa viumbe,  
Kisa ili tusigombe, hivyo nanyi pia mwombe,  
Ili yanyooke mambe, maovu yasitukumbe,  
Kwake Mola twelekee, Rahimu tupe amani.

# Usilie, Vita Ni Karimu.

Usilie mwanamwari, kwani vita ni karimu,  
Mpenzi wako kisiri, litupa makono gumu,  
Mbinguni kuso na heri, imara akajikimu,  
Nyamaza dada silie, vita kweli ni karimu.

Ngoma pwewa za majeshi, roho na kiu ya vita,  
Kupekecha kiwaashi, lizawa kufa kivita,  
Jaha so uthibitishi, juu yao inapita,  
Mkuu mungu wa vita, na ugawe wa maiti.

Usilie wewe mwana, kwani vita ni karimu,  
Babayo ulimuona, lijikwa' penye mashimu,  
Kifua kafura sana, akia hadi kuzimu,  
Nyamaza silie mwana, vita kweli ni karimu.

Bendera jeshi kiwaa, kipungu mwe' shungi dha'bu,  
Waume lizaliwaa, kufa kipekecha tabu,  
Wape wema kunyongea, na kua ni ajibu,  
Na ugani kwa maiti, elfu yao walala.

Roho yako nawe mama, lianga kama kifungo,  
Kwa vazi la mwana wima, vulana le vunja ungo,  
Kuli e' nina koma, usijipee kinyongo,  
Vita kweli ni karimu.

# Vita Na Kifo

Makiwa makiwa mama, umempoteza mwana,  
Rajuayo kaditama, mava makazi yafana,  
Peke baki kukoroma, maisha tunga kwa kina,  
Tukufu vita na kifo, pamwe nyanja za maiti.

Kindakindaki kijana, na kiwi cha kupigana,  
Kajitosa pa kufana, na uzoefu hapana,  
Miungu ikaitana, kabidi kuandamana,  
Uwanja wa hivyo vita, maiti waso idadi.

Mwana pole mwana pole, babayo amekutoka,  
Huzuni usiuole, maisha na dhihaka,  
Kavitumia vidole, 'tingisha biriti kaka,  
Lo! kumbe ndaniye pale, mnazo njiti hakika.

Hivi viroho kwa kweli, vina uroho si haba,  
Havijali havibali, kwa kifo vina mahaba,  
Kaendea vita mbali, karudi nayo mikoba,  
Iliyojaa tikiti, za safari ya angani.
