its been there since i first saw u..  
i just dont know how to tell u  
cuz im scared of wat ur'll say..  
if only i can find how to tell u some  
other way..  
so please listen up...  
i cant stop thinking of u..  
its like when im talkin to u  
all of my dreams come true..  
cuz i never found a person that makes me  
feel the way u do....  
so imma follow trough..  
and imma tell u true..  
its that u made me fall in love with u....

# Hard To Beleave

Damm im so tried im so sick  
Just all i do is memoriz  
Sitting here lookin at pics.

Now if i had one wish  
For there to be one more kiss..  
Just one more time fell da touch of ur lipz..  
I never felt like this.

I lie in bed at home  
I cry every night when i stay home alone.  
Pick up pleaz i know u see da calls on ur fone..  
Pick it up pleaz i wanna hear ur voice tone.

Porfavor just answer da fone..  
I wanna hear tu voice  
When r we gonna be together los 2..  
Que much pain te extrano mi amor..

Ur da one eres tu..  
All i do is nutin if im not with u...  
I tought i could make it better with  
All these sorry letterz  
But i guess its never gonna get any better

Da only thing i wonder is where u been  
And who u with  
I just cant beleave this..

Now ill let u live ur life and let me live mine  
I know nutin gonna be fine  
I just stay at home  
When u call me we just argue on da fone..

Even tough u tell me this and u tell me that  
I love u i do and thats a fact...

# I Cant Go On No More...

there's days i just cant go on with out u being there, , , ,  
just wanna stay in bed and remember those days we use to share...  
y does love have to be so much pain..  
if only u were still the same..

people walk by me and ask me y dont i stop cring..  
i answer, , its cuz da only person dat can make me stop  
was da one who made me start..

so i try i try to figure out y, ,  
y is it dat after all this time da tears in my eyes still aint dry...

i would wake up each nite and wish it was  
a dream...  
dat i would wake up and u would be next to me..  
i made a promise ad im keepin it true  
ill never love again if i cant have u....

# Iim Still Not Over U

shouldve never waited so long  
to say,  
when i knew from da very day  
u were gonna be sumthing special me,  
and then dat day u had to leave...

when i saw u u bout light in my eyes,  
i knew u were gonna be sumthing special in my life.  
ur da reason now i dat live, and for u i'll also die.  
i promise ill be here just never say goodbye....

even tough i havnt seen u in a while....  
everytime i close my eyes i see u and i smile..  
its like i can feel ur touch  
i never tought ill love sum1 this much  
from da moment dat u toughed my lips,  
i couldnt wait 2 tell u this....

dat ur da reason now i dat live, and for u i'll also die.  
i promise ill be here just never say goodbye....  
i also promise ill never leave all da memories of u behind

i remember when i wrote u a letter  
it was kinda hard 4 me to tell u i love u  
so i tought writing it would be better...  
i try and i try to get u off my mine  
but its seems to get worse  
when days and days go by...

i just seem not to be strong...  
cuz there's alot of feeling  
dat remain since u been gone...

cuz ur da reason now i dat live, and for u i'll also die.  
i promise ill be here just never say goodbye....  
i also promise ill never leave all da memories of u behind  
cuz im still not over u.....

# Liife Aiint Nutiin Wiith Out U

what happen to da old u  
the one i use to know....  
da one that made me happy  
da one who made me smile :)  
just wakin each daii made it worthwhile.

da old u changed...  
to me da old u is dead...  
i still cant help get u outta my head..  
its killing me cant u see...  
i wish it could go bakk 2 da wat it use to be..

i may smile like nutins wrong and act  
like everythings ok  
laugh like its alrite but its not  
im tried of crying..  
inside im dying..  
help me please..  
ur like sum kind of disease..  
sumthing that can not be cured  
do i still love u cuz im not sure..

da only thing u did was play with my head..  
now i just stay in my room and cry in my bed: , (  
u hurt me real bad  
and u made me feel unimportant

wat did i do to make u hate me so much  
all i tried was 2 give u all of me love..  
all my cuzzin would say is dat i am doin to much..  
but its cuz u made me so happy with just with one touch..

i never knew u would do wat u did  
but even tough i made a mistake  
and gave u my heart  
im always gonna love u its sumthing i gotta admit  
i gotta stop loving u cuz i cant take any more of this bullshit...

im tired of u being da way u are

i just wanna go sum where from u far...  
and i know i know this poem is 4 u  
just listen to one thing  
life aint nutin with out u! ! !

## Like I Used To

I DON'T SMILE LIKE I USED TO,  
OR LAUGH LIKE I DID BEFORE  
ALL I KNOW IS THAT MY LIFE HAS CHANGED,  
AND NOW I HATE IT EVEN MORE

EVERY LITTLE THING,  
REMINDS ME OF US TWO  
LIKE WHEN THEY PLAY OUR SONG,  
I CAN'T HELP BUT THINK OF YOU

AND WHEN I SEE YOUR FACE,  
IT JUST REMINDS ME OF THE PAST  
BOTH THE GOOD AND BAD MEMORIES,  
MAKE ME WISH THAT IT COULD LAST

BUT YOU DON'T EVEN CARE,  
YOU JUST MOVE ON WITH EACH DAY  
YOU DON'T EVEN TAKE A SECOND GLANCE,  
2 MAKE SURE THAT I'M OKAY

EVERY SINGLE NIGHT,  
I CAN'T HELP BUT LET TEARS FALL  
EVEN THOUGH YOU HURT ME,  
I STILL WISH FOR YOUR PHONE CALL

I REALLY DON'T KNOW THE REASON,  
BUT YOUR FOREVER ON MY MIND  
I TRY SO HARD TO HATE YOU,  
BUT NOTHING BUT SWEETNESS DO I FIND

WHY DID YOU MAKE ME LOVE YOU?  
IF IT WAS NOTHING BUT A LIE  
I JUST WISH THAT I NEVER SAID HELLO,  
SO THEN, I WOULDN'T HAVE TO SAY GOODBYE

YOU DON'T UNDERSTAND AT ALL,  
BECAUSE TO YOU IT WAS A GAME  
I BET IN A FEW YEARS OR MORE,  
YOU WON'T EVEN REMEMBER MY NAME

TO ME IT'S SAD,  
HOW I THOUGHT THAT IT WAS TRUE  
HOW I WASTED SO MUCH TIME,  
WHEN ALL ALONG SHE WAS WITH YOU

NOW THAT IT'S OVER,  
AND YOU'RE WITH HER  
I AM LEFT HERE HEARTBROKEN,  
AND WHAT TO DO I'M NOT SURE

## Love Ii Tought We Had! ! !

All I ever wanted was to be part of your heart,  
And for us to be together, to never be apart.  
No one else in the world can even compare,  
You're perfect and so is was love that we share.  
We have so much more than I ever thought we would,  
I love you more than I ever thought I could.  
I promise to give you all I have to give,  
I'll do anything for you as long as I live.  
In your eyes I see our present, our future and past,  
By the way you use look at me I thought we will last.  
I hope that one day you'll come to realize,  
How perfect you are when seen through my eyes

# My Heart Bleeds 4 U.

There's this feeling dat i get when u come close...  
and to have u again is wat i want da most...  
and ever since u left me..i feel  
lonely inside..  
some how i have to try to leave all da  
memories behind...  
cuz if i dont i know all i'll do is cry...  
and now u went ur own way..  
so i have to go mine.  
but never in my life ill stop loving u..  
ill give u want u need..  
cuz my heart for u bleeds..

just know there was never a second i didnt trust u..  
all i did was think about u..  
and if u looked in my eyes..  
u would see dat i never told u no lies...  
cuz ur all dat i need to stop loving u there's no such thing..  
cuz 4 u my heart bleeds..  
cuz i fell in love wit u from da monent dat we met...  
and everything u showed me from love to respect..  
making me wish dat it was just me and u..  
this love is unconditional...  
best beleave it true..  
cuz all i do is sit in da dark...  
and think of how much i love u...  
and wat wouldnt i do 4 u..  
i sit my self and take some time..  
to make da feeling i have for u into some rhymes..  
cuz i love u unconditional...  
best beleave its true..  
cuz my heart bleeds 4 u..

# Thinking Of You

Well I wonder could it be  
When I was dreaming bout u  
You were dreaming of me  
Call me crazy, call me blind  
To still be suffering is stupid after all of this time..  
Did I lose my love to someone better  
And does she love you like I do  
cuz i do, you know I really really do..  
And we r letting go of something special  
Something we'll never have again  
and now i cant even call u my friend...  
Me n U were just a little while  
And u touch me with your smile  
And what can I say to make you mine  
To reach out for you in time..  
They said our love was just a phase  
That it's just gonna last 4 a couple daii's  
But I'm going so far  
I wanna be where u are  
And 4rm the moment u looked at me  
And ever since you called my name  
You've been everything that I've seen  
And know I'm caught up in this game  
I only think of you  
On two occasions  
When my eyes are closed and when there open  
I'd go for broke  
If I could be wit' you  
Only you can make it right  
Just want u to know you're the one that  
I'm always thinking of  
You're the one that I'm always gonna love

Nelly Cardenas

# Together 4ever

As i saw him looking at me with a smile..  
i look away thinking is this love real or is it just a while..  
so i look back i wisper i love u..  
and smiles and says i love u 2..  
so as he looks at me i look deep in his eyes  
deep inside..  
and see a broken hearted person  
dat all he did was cry..  
cry 4 me to never leave...  
in my heart i believe there  
would always be a u and me..  
and i hold him close like never befor  
hoping to never let go.  
cuz i dont want him to go i want him to stay  
forever and ever  
with me togther

Nelly Cardenas

# U Would Never

YOU WOULD NEVER CRY

LIKE I CRIED 4 U,

I CRIED TILL MY EYES

COULDNT CRY.

U WOULD NEVER MISS ME LIKE

I MISSED U,

I MISS U EVERY DAY

I'LL MISS U TILL I DIE.

U WOULD NEVER NEED ME

LIKE I NEEDED U,

I NEEDED U ALWAYS

EVEN WHEN U WHERE WITH ME.

AND U ALSO MADE IT CLEAR

THAT WHEN IT COMES TO

LOVE ITS NEVER GONNA EVER BE.....

Nelly Cardenas

# Uncondiitiional Love

I don't think you will  
ever fully understand  
how you've touched my life  
and made me who I am.

I don't think you could ever know  
just how truly special you are  
that even on the darkest nights  
you are my brightest star.

I don't think you will ever fully comprehend  
how you've made my dreams come true  
or how you've opened my heart  
to love and the wonders it can do.

You've allowed me to experience  
something very hard to find  
unconditional love that exists  
in my body, soul, and mind.

I don't think you could ever feel  
all the love I have to give  
and I'm sure you'll never realize  
you've been my will to live.

## When U Use To Be There..

You walked into my life, when i was down and out  
Took away my pain and gave me your smile  
And at the time, i was still lovin someone else...  
But u understood me and took me in ur life...
