Nicer Keith Madduma(April 02,1995)

I'm Nicer Keith C. Madduma. I really love poems. I write poems to express my feelings.

Give Up

I can no longer be your lover
for I know she was better
I can no longer sacrifice
don't wanna roll again this dice

I'm done with this game
and I know it's a stupid shame
how stupid am I to love you
a person I never knew

I gave my life for you
even heart and soul too
I did all the things you ask me to
but loving you is hard to do

I'm giving up, I'm tired
I got my eyes already dried
I got my whole heart back again
Now, I'm moving on as fast as I can.
