# Don'T Say Good-Bye

A black bird flies  
Through the red sky,  
I want to cry,  
Don't say good-bye.

# Heart That Cries

Heart that cries.  
Love from sky.  
Everything died.  
Our time flies.  
Tears of mines  
Roll off my eyes.

# June

Let's move to the Moon,  
Dancing until June,  
Hot Sun of Noon,  
Heal me-my wounds.

# Our Love Is A Zoo

I like this one guy  
And he also likes me...  
We both love each other-  
But have no clue what we shall do.  
We talk, we chat, but that wont do...  
Oh! for now our relationship is more than a zoo

Drink beer,  
Get tears,
