Earth

Earth you give me much to see
expecially you pretty green trees
i love to learn about you every day
i love you in a special way it's very
very hard to explaine but ill say it in a
short way

I LOVE YOU EARTH

Love

Saying it is hard
but its worth it
you know hes sharp
but its worth it
very smart
but its worth it

BECAUSE OF LOVE YOUR COUGHT UP YOU KNOW CUPIDS RIGHT SO KEEP YOU
DREAMING LOVING DREAMS ALIVE

Love Clocks

The clock tocks love ticking away but if you speak of it your scared theres nothing else to say if you know theres times and you should go if you say it to him theres 25% of your hope it runs through your brain like never before it fills like you hart has been washed in waves and brought back to shore theres the clock ticking ticking tock its a little bit of time for a alot of love
