KNOWING WHO I AM

A poem by Joyce Nwanokwai

I need to find myself  
because i feel so lost and betrayed  
I need to know who i am  
because i know i am not me  
I need to be set free  
because i feel so locked up in a cage  
I need to find a family  
because i feel like am all alone  
I need to know who i am  
because i know i am not me  
I need to know who my father is  
is...that too much to ask?
