## Parshant Kumar()

I am an IT undergrad from India. I don't have much knowledge of the field of poems but I write whatever I like. My poems represent my state of mind, at a particular time. It's not that i have been in all those situations about which I write, but I have felt what being in these situations is like. Your comments will be precious for me, to encourage me (or to STOP me from writing anymore crap) . So please provide comments.

# I Wish I Was...

The fight of toys  
The tales of granny  
The ships of water  
And the paper plane  
I wish-  
I was the child again

The "class of friends"  
The games and pranks  
The ringing of last bell  
And running like hell  
The fear of maths  
The excuses of pain  
I wish-  
I was in my school again

The freedom from rules  
The bunks from classes  
The lecture in canteen  
And the crush on you  
Whenever I see your picture  
And whenever it rain  
I wish  
I was in college again...

## It's Not Easy...

Lips trembled but words died  
Eyes watered and heart cried  
Tears came and fell a few  
Because now I know  
It's not easy to forget you...

Everyone remained but time changed  
Everything lost and nothing gained  
Heart forget all feelings new  
Because now I know  
How to control myself on every sight of you...

The sun became slow, slower the moon  
Wind blew violently and stopped very soon  
The sky was again small and felt less blue  
Because now I know  
How to stop every thought of you

In the rain, in the child  
In the dreams, in the winds wild,  
In the dark, in the dew  
Now I don't see you!  
Because now I am learning  
How to forget you

# Will You Forget Me...

When the sun is gone  
And the darkness comes  
When I am alone  
And the heart numbs  
Will you forget me...

When life smiles  
And dreams come true  
When you are there  
Where you want to be  
Will you forget me...!

In each moment in each while  
I can't forget your gentle smile  
But knows thee  
Will you forget me...!

# Yesterday Night

I saw a cloud  
Like a tiny snowball  
I saw the mountains  
Looking really small  
I saw you sleeping  
When-  
Through the window  
Came the moonlight  
I was with the moon  
Yesterday night

I ran over the oceans  
I jumped over the river  
I touched your face  
I kissed your hair  
I was in the air  
Yesterday night

I shined like a pearl  
I dived like a bird  
I saw you smiling  
When you heard it rain  
I was in the drops of water  
On your window pane  
Yesterday night

I forgot my limits  
I lost my senses  
I saw the air  
I caught the light  
I was nowhere  
Yesterday night

And to me it seems  
I live better in dreams...
