Patty Ward(May 18,1970)

43 yr old woman married with one 18 yr old son

Robert

what is life without my Robert,
It means nothing without his heartbeat
his arms around me
his breath on my neck as we lay next to each other
he is my life and breath
he is my true love and soul mate
he's my best friend and the only I want for the rest of my life
I love you Robert with every beat of my heart
