Peter Benjamin Le Buhn

I Dedicate this book to all lovers of the written word and poetry and I hope these words speak to your life

# A Second Chance

a second chance  
to dance  
to live...to sing...to be thankful  
to give

set apart this opulent opportunity  
not for myself  
for i am put on the shelf  
a second chance to serve and not swerve

with a narrow faith  
ne'er to swerve  
once fallen...broken wings  
understanding how to serve my king

all of my heart  
all of my mind  
all of my soul

A SECOND CHANCE  
A SECOND CHANCE

Peter LeBuhn

# Basketball

arch it high  
sink it deep  
make the crowd  
sink to its feet

the coach puts you in  
excited....  
running down the court  
the roar of the crowd

two points maybe three  
arch it high  
sink it deep  
make the crowd  
sink to its feet

Peter LeBuhn

# Beacon Of Light

you are my beacon of light  
illumination lights thy path  
trail walked  
course taken

UNKNOWN  
my heart IS  
filled with your love  
treasure for creation  
your teachings are my nation  
your ways my incarnation

beacon of light  
there is no fright  
the darkness made bright

one scripture...one christ  
one word...one GOD  
ONE GLORY  
the five solar  
forever ring true

Peter LeBuhn

# Butterfly

like a butterfly  
you rest on the evening star  
...where you are resting afar  
the song which holds our spirit kindred  
live from day to night

Many struggles...  
Many tears....  
, , , , Many embraces

the joy of something grand  
a cultivated harmonious friendship  
...with no limits  
...you are a friend without blemish  
...you stole my heart

making my stand  
...these dreams  
...these thoughts of you  
unexplained  
...what say you of me?

my precious butterfly  
don't fly far  
...don't fly far

Peter LeBuhn

# China Rose

my china rose  
in the white of the snow  
a glimpse of you is caught  
walking like a china rose

i testify  
to the heights of the sky  
you i cannot let fly by

this china rose  
the way she looks at thee  
with a certain prose  
my heart glows

her smile has made it worthwhile  
my china rose  
my china rose

Peter LeBuhn

# Compassion

great power comes to those  
who listen to the whispers of life  
the spirit and soul  
will become whole

those who follow the guidance  
provided by their thoughts  
walk through doorways  
put a mark on the empty page

ABUNDANCE  
PEACE  
POSTIVELY  
COMPASSION

Peter LeBuhn

# Court Of Love

an anniversary song  
answers in a game of questions  
after the sensation  
the midnight hour

increases thy power  
...thy love higher from above  
coming before thee  
NAKED...BARE...RAW

in your court of love  
...found guilty  
you sentence thee  
to a lifetime of passion

by the river we go  
a care  
ne'er to take  
our love we partake  
an anniversary song will be sung  
forever will be sung

Peter LeBuhn

# Diamonds

eat many diamonds  
you will  
shine  
brightly  
each day

looking over the bay  
molded as clay  
coming from dust  
with a wind gust  
the future is seen...the future is seen

Peter LeBuhn

# Dont Chase

don't chase  
don't beg  
life will come to you  
take life as it arrives

make your wants  
want you  
become one  
with the arrival

Peter LeBuhn

# Duece Game

is it advantage in  
or advantage out  
or deuce  
many questions surround my heart.

unsure of what has been entered into  
knowing what is seen  
it is good and blessed  
director we will take will see

many questions  
remain unasked  
dancing delicately  
in and out of conversations

in time you will know and grow.  
heart is softening.  
no many questions to be asked  
soon will no longer remain

it will be a good duece game-equal partnership.

Peter LeBuhn

# Electrical Storm

living a life that is sunny  
walking around  
i am happy  
now feeling funny

what is going on  
what is happening  
an electrical storm  
a party is going on in my brain  
one that i can't explain

don't like this party  
don't want to be here  
living in fear  
that is no way to live

living with a light on my heart  
thy life from here will make my start  
a start of sharing and caring

Peter LeBuhn

# Emotions

many emotions that you feel  
are not your own  
tuned into absorbing many emotions

the brain fog  
anxiety  
fear  
not yours  
feel it and release it

many emotions that you feel  
are not your own  
tuned into absorbing many emotions

Peter LeBuhn

# Exploring A Mystery

Exploring a mystery  
brings the warmth of sun to my heart  
when we apart  
i think of you in blissful mystery  
for the rest of my days

your hair unfurled  
in golden locks of disarray  
as the sun shines upon you

your eyes invite me  
as we frolic near the stream  
nearer you come to thee

beaming  
shining  
beauty inviting

binding you may be  
i cannot help but be hypnotized  
hypnotized by your captive beauty  
my heart pounds like a drum  
happiness has entered my life

Peter LeBuhn

# Expressionless Page

the expressionless page  
to an expressionless page  
my pen takes action  
the words of my heart flow with passion

a story is being written  
a drama  
a comedy  
a tragedy (i hope not)

in my heart  
i know what is real and true  
every moment  
every second

the pen makes a new entry  
the page has new meaning and feeling  
history is being made  
where my pen takes thee  
the future is yet to be seen

Peter LeBuhn

# Faith Over Fear

faith over fear  
choosing calm over chaos  
serenity over stress  
peace over perfection  
grace over grit

faith over fear

constantly watching all  
conditions of the mind

FAITH OVER FEAR

Peter LeBuhn

# Forgive Yorness

forgive yourself  
for not knowing  
what is not known

POSWER

LOVE

Peter LeBuhn

# Going Outside

going outside...going outside  
a new day is dawning  
stuck inside for months and denied  
for months.

took our lumps  
on the chin  
time to begin  
going outside...going outside

the beginning is coming  
when it is here  
there will be no fear  
going outside...going outside

Peter LeBuhn

Peter LeBuhn

# Greatness

greatness falls upon thee  
rain showers on a stormy day.  
storms...weatherd  
trials...sustained

lives touched  
life becomes stronger  
my testimony reaches further  
with each individual.

this greatness is a gift  
from the father  
he gave me the talents'  
he gave me the water and clay to nuture and mold them

the seeds have grown  
to many in his name  
thank you father  
for this humble greatness  
thank you father

Peter LeBuhn

# Harvest Phantasy

the day is dark...  
rainy...and whet  
with her life is illuminating and warm

as we frolic in the rain  
with all the passion and vigor  
that our hearts can generate  
arms wrapped with a tender embrace

the rain has ceased  
the sun has risen  
all the colors of the rainbow are upon us  
as we lay in a mountain full of colorful leaves

looking at her  
knowing she is joyful  
because of the smile in her wyes  
and the smile on her face

Peter LeBuhn

# Healing

healing your body  
your mind in a new place  
all the pain...gone  
mind in a new place

wounds heal  
learning from time and experience  
the soul is self repairing  
healing our body

Peter LeBuhn

# Hearts Uncharted

smiling to thee from afar  
name...it is unknown  
heart warms to a roaring flame  
drumbeats become louder by the second.

still...not a sound  
inviting me to YOUR WORLD  
a world of the unknown  
many pages will be written on blank pages

the course of the story is uncharted  
no one else has to read our book  
not even us

finding out who you are  
as for the pages  
the first entry is you

Peter LeBuhn

# Hold On

the moon shines bright  
stars overlook above  
a clear night  
separated afar

do you think of thee  
does your heart beat for me  
hold on...hold on tight  
to the one you love

times of trial abound us  
temptations around  
hold on  
hold on tight

you must believe what you have is true  
let's keep it simple  
what we have will grow day by day

second by second  
minute by minute  
hour by hour  
day by day

week by week  
month by month  
year by year  
hold on  
hold

Peter LeBuhn

# In The Groove Of The Night

in the groove of the night  
free of fright  
the moon shines bright  
like a spy

the tide roars in  
expectation about to begin  
watching all of this happen

in the groove of the night  
the portal of passion found  
not paying attention to a sound

you lost in me  
i in you

in the groove of the night  
passion has taken flight

Peter LeBuhn

# In The Hush Calm Of The Twilight

in the hush calm of the twilight  
when day becomes night  
no doubt moonlight to trespass  
on our eve  
envisioning the glisten in your eyes  
as we lay stylishly nude

performing love sonnets  
the sheet music of hearts...of the charts  
delicate and tender  
intrigue of a love story surrounds the melody of thy heart  
flavor of stimulation, excitement, arousal  
wrapped in your arms

engrossing to my clutches  
candles shine their flame blazing on our passions  
the sweet scent of perfume  
drives my desire higher

the expression in your eyes  
the sensation of your succulent thighs before thee

whispering poetry and passion to you  
you lost in my body i am lost in yours  
lost in erotic fashion  
thy body comes alive

your the heat of my desire  
passions into action  
your flavor...i belabor

in the hush calm of the twilight  
in the hush calm of the twilight

Peter LeBuhn

# In Your Eyes

in your eyes  
in your eyes

# Magic Of Love In The Moonlight

from a distance seeing thee  
dressed in cool white  
sweet curves of thy body shine through  
our meeting...long last...happenstance

our eyes  
how they glisten  
outlined against the shimmering sands  
closer to each other

stars shining in a myriad  
twinkling lights celebrating in harmony with joy  
feeling love between us

close to you  
no room between us  
seeing a smile  
from those ruby lips  
inviting for a kiss

taking you in my arms gently  
gazing deep in your eyes  
the look of love, desire  
wanting  
needing

the warmth of your body  
against the beat of your  
kissing gently at first  
lips brush each other in passion

thy heart beats faster  
senses command  
bodies demand  
lying on the white sands

the waves lapping at our feet  
asking shall we swim my darling  
swim in love

it is the magic of love in the moonlight

Peter LeBuhn

# Music Hallfunk

moon has risen  
venturing down a dark back alley  
the night...misty

far off distance  
hearing music  
...people playing  
...people singing  
...people dancing

a music hall  
down a cobblestone street  
slipping in the side door  
the music is overtaking  
...into a fierce dancing beat

noticing two ladies by the bar  
checking me  
playing to them increasingly seductively

coming upon thee they are  
the dream has begun  
the fantasy...set in place  
the dance we will make  
...the future is ours to make  
...the future is ours to take

Peter LeBuhn

# My Angel

coming into thy life life  
on a cool fall eve  
finding the door of my heart  
beginning to play

beautiful music...i heard  
from the start  
lightly i heard the pitter-pat of drums  
as she talks to me

as the conversation continues  
in comes the string quartet  
seeing you from afar  
beautiful music, my angel, beautiful music

now swooning for you  
living for you  
love for you  
you are my reason  
my angel...my angel

Peter LeBuhn

# Nature(In All Her Flavor)

nature  
(In all her flavor)  
silently speaks  
though her radiant beauty

she greets each day with a sense of duty  
rising over the horizon  
the sun slowly awakes  
o'er the unfettered waters  
singing in each day with new psalters

nature in all her flavor  
silent speaks  
through her beauty

the white sands  
in my toes  
the wind in my hair  
water running over thy body  
it is grand  
fresh sea hair

nature  
in all her flavor  
silently speaks  
through her radiant beauty

for what was once small  
will grow in abundance

the glories of the olde  
the promise of things yet to come  
never to forget

golden locks unfurl  
rose petals 'neath us

eyes pulling closer

speaking loudly  
with your heart

struck by the loving dart

Peter LeBuhn

# Puerto Rico

you are in my stocking  
hung with care  
sights of puerto rico...outside are there

whoooooosing waves  
the sea breeze  
just you and me  
all that matters...you and me

diamonds in your eyes  
made you mine  
traveling through the ruins of the city  
the church...the castles

the museums...paintings of El Greco adorn  
living a dream  
living a dream  
near an island stream

your touch  
your love  
your tenderness

Peter LeBuhn

# Quietness Of My Heart

seeing you in the quietness of my heart

you can offer  
YOUR TRUE SELF

Peter LeBuhn

# Serenity

Speak to me of serenity  
treasures not yet found  
peace that flows like a river  
not even a sound  
tell me of places not yet marred or scarred

visions of standing in the sunlight  
against my cheek  
as I live, move and breathe  
show me paths through the lilies of the field  
beds of flowers and buttercups

songs from wrens and meadowlarks are sung.  
the lowing of gentle cows  
the soft mother cow calls to her colt  
lead me past a glass-smooth pond  
where frogs croak of coming out parties  
graduation from tadpoles to green frogs

find me a peaceful place to sit in the sunlight  
thinking quietly  
by the pond-side  
peace be still  
peace be still

# Silence

Silence golden  
in this moment  
through the silence

many thoughts spoken  
something happening  
strange occurrences

your smile stretches a mile  
bright as the sun  
blinding...yet i go nearer  
the heart becomes undone  
it becomes clearer

you are the one  
you are the one

Peter LeBuhn

# Sing A New Song

singing to each day a new song  
sing a new song  
sing out strong  
thy life is my song

the gift to be given to everyone  
all across the earth  
a song for all nations  
tribes, tongues

songs of honor and majesty  
will be sung  
sounds from many lungs  
man, woman, child

rejoice, again rejoice  
let the heavens be glad and the earth rejoice  
let me soar and all that fills it (psalm 96: 11)

the skies will open up  
the brightness will blind us  
this is the day we meet our LORD  
our savior  
our creator

Peter LeBuhn

# Slice Of Time

sailing through life  
on a breeze  
entering in  
a beautiful woman

stealing part of my life  
taking this slice  
making it hers  
with her pirate smile

heart being stolen  
thoughts on the girl  
unsure what will unfurl  
that slice of time  
you own from me

slice of time  
precious...  
in the right place and the right time  
the right woman  
the right man

on a breeze  
a single second  
a slice of time  
changes our whole life

Peter LeBuhn

# Soul

life at a turning point  
frustrations can't be put to words

shine so bright  
they may bathe in the night

Peter LeBuhn

# Stand Tall

stand tall  
as a mighty tree  
undying beauty for all the world to see  
storm clouds above

staying strong  
our life is a gift  
every moment, a treasure  
god has given us the ultimate pleasure

Peter LeBuhn

Peter LeBuhn

# Stuck Inside

stuck inside  
not much to do  
nowhere to go  
everybodys life put aside

what song will we sing  
what will life bring  
stuck inside  
for a reason

this group  
stuck inside  
for a reason  
another season  
we will make

only for now

stuck inside...stuck inside

only for now

Peter LeBuhn

# Surrender

anything you accept  
takes you into peace  
the miracle of surrender

don't close the book  
on difficult situations  
turn the page...start anew

may you be blessed  
never stressed  
whatever comes your way

small reminder  
where there is a will  
there is a way

anything you accept  
takes you into peace  
the miracle of surrender

Peter LeBuhn

# Tapestry Of Who We Are

Thy conscious journeys wistfully into the past  
responding with passion of life into the present  
through this journey the tapestry will be formed and reformed  
a mystique, not knowing where the tapestry will go

the past will stay  
we will live presently  
future is ours to see

as we go we will weave carefully our tapestry of who we are  
THE TAPESTRY OF WHO WE ARE

Peter LeBuhn

# The Circle

equals in the circle  
nothing in front

the circle designed for unity  
for everyone.

Peter LeBuhn

# The Crowd

the one who follows the crowd  
usually goes no further  
than the crowd.

those who walk alone  
will find themselves  
in a place nobody has walked

some people get lost for so long  
they forget what it is to be themselves

FIND YOURSELF AGAIN

the one who follows the crowd  
will go no  
further than the crowd.

Peter LeBuhn

# The Journey Continues

the journey continues  
it has been long  
staying strong  
feeling strong

the journey never ending  
it will continue  
life will be a tribute

singing a new song  
staying strong  
the journey has been long  
the journey continues

no matter the anger inside the soul  
it is gratitude that makes us full of joy.

the journey will remain never ending  
it will continue  
listening as i go and grow  
life will continue as a tribute

Peter LeBuhn

# The Living Song

sing a new song everyday  
live your song  
for the song comes from the soul  
you are the song

sing it  
sing it

loud like thunder  
the seas will part  
the heavens will open  
in pleasing

sing a new song  
sing a new song

the living song

# The One That Got Away! The One That Stayed

lived a life of lost loves  
scars across my body  
from each woman who has poisoned me  
still...my love for the fairer sex remains

all of you got away  
in search of love i say

wait a minute...someone new peeing across a smoke filled room  
the glimpse of you in the alley

you stop...looking at me  
with your big brown eyes  
the message is clear  
in your hesitation  
you are the one that will stay

Peter LeBuhn

# The Open Door

the open door

Many times clouded by our blind spot

we cannot see

the door never closes for it is our way of future opportunity

the rain may fall

we may stall

the door is open

walk through the door

questions are answered

life becomes clear

WHAT IS MY PURPOSE FOR BEING HERE?

Peter LeBuhn

# The Spirit Within

the spirit in me meets the spirit in you  
saluting the divine in you  
saluting the light of GODwithin you

bringing together my body and soul  
focusing my divine potential  
bowing to the same potential in you

recognizing that within each of us is  
a place where DIVINITY dwells  
when we are in that place  
WE ARE ONE

Peter LeBuhn

# The Teacher

are you the teacher?  
the question is asked  
...yes...yes is the response  
a cold wind blows

a bus suddenly pulls forward  
what is about to happen  
...life changing  
off the bus  
approaches the son

the teacher, the father responds  
arms open wide  
my SON  
you have come home  
where you belong  
next to the fathers side

Peter LeBuhn

# The Vessel

put on earth as a vessel  
used for HIS will  
every move that is made  
will determine the future  
how our time will be filled

Thy WORD to be preached  
in the way of our lives  
our talents we grow

without the utterance of your name  
people see HIM as you live your life  
Through our lives and works  
our faith and love is shown for GODabove  
our talents from GOD  
HOW we use them a gift to HIM

Peter LeBuhn

# The Voice On The Radio

your voice on the radio  
touches thy heart so  
your voice from afar  
speaks to thee so dear...so near

smiling and listening  
nervously glisten

my name for all the city to hear  
is this the beginning  
of something dear

Peter LeBuhn

# Theatre Of The Unknown

seeing you out of the corner of my eye  
gnashing your teeth  
looking halfway shy  
i know i saw you before

can't place where  
maybe in that bar  
or that night under the stars  
are you following me

should i speak  
peering at thee  
making not a peep  
only can i see your thoughts

the smoke clears  
you disappear  
once again  
this has been  
THEATRE OF THE UNKNOWN

Peter LeBuhn

# The dance

in the hills of green  
the sunshines asheen  
like a panther...you come upon thee  
without a warning...a trace

like a panther...coming upon thee  
without a warning...a traced  
entrance by your charms  
you are like royalty  
humbly wearing your arms

words are not spoken  
understood  
the dance has begun  
the future is love

Peter LeBuhn

# These Dreams

dreams of these  
so beautiful  
so true

delighting in a horse and carriage ride  
winter day in the city, we ride  
the boulevard gusting with wind.  
the trees dance around

these dreams of these  
so beautiful  
so true

sauntering along the city sidewalks  
talking and laughing  
sometimes just the gift of each other  
just knowing each other is there

these dreams of these  
so beautiful  
so true

candlelight dinners  
sitting by fireside

these dreams of these  
so beautiful  
so true

Peter LeBuhn

# To The White Sea

the journey is made  
being drawn nearer  
choices are clearer

feet sinking in the white sands  
moon and the stars  
shining down  
volumes speak in the quietness of thy heart  
the roar of the sea  
opens up my mind

what stylist? what genius?  
painted a land  
such as this  
alone in the land of thy maker

humbled  
feeling small  
in awe  
of this gift HE has given  
most of all

Peter LeBuhn

# Transition

transition of love

...transition  
...expedition  
...relation  
...elation  
passion into action  
...a flavor  
...to savor

you and i  
i and you  
love abounds

the two are one  
...future yet to become  
...becoming one  
...the two are one

Peter LeBuhn

# Trust Your Journey

trust your journey  
may not understand the path

life gives you experiences  
of joy and happiness  
it is the evolution of conscious

how do you know  
you need this experience

because you given this experience

Peter LeBuhn

# Turning Point

life at a turning point  
frustrations can't be  
put into words

anxiety grows  
swimming upstream  
success follows

nothing has power  
over you  
you have the power  
to influence yourself...and others

souls of some people  
shine so bright  
they bathe us  
in the night

Peter LeBuhn

# Unknown

walk the path of the ancients  
honor those who walked before thee  
respect the wisdom of elders  
trust integrity of equals

walk in the path of ancients  
honor and lift up people before you  
be good to yourself and others

appreciate truths given  
be humbled by adversity  
compassion and loyalty

NOW KNOWLEDGE OF THE UNKNOWN  
KNOWLEDGE OF THE UNKNOWN

Peter LeBuhn

# What Is Love

the question is asked  
what is love  
bewildered they look  
looking around

not a sound  
not a shutter  
nor a flutter  
what is love again asked

love is patient  
love is kind  
love offers peace of mind

patience is someones ability  
to endure through a long trial  
what is kindness  
kindness is the quality of being generous, considerate, gentleness, warmth and  
concern  
being kind requires courage and strength

what is peace  
peace is freedom from disturbance  
peace is tranquility and calmness

that is love

Peter LeBuhn

# When Night Becomes Day

when night becomes day  
when darkness turns to light  
cold wind concedes to the warmth  
the passion...heat...affection  
RISES

when night becomes day  
two worlds collide  
a soirée of émotion

when night becomes day  
coolness of the night  
warmth of the day  
under a moonlit night  
everything to confide

no divide from deep inside  
now day...the warmth of the sun  
two worlds collide  
when night becomes day

Peter LeBuhn

# Without Word

without word

you left for a far off land

...without a plan...you left...i waited and cried for you

what were you going to do?

when the news hit the front page

...thy heart shipwrecked...to the bottom of the sea

without word

you left for a far off land

...without a plan...you left...i waited and cried for you

what were you going to do?

searching the world over

finding no trace

...honey where are you hiding your beautiful face?

i will make you the center of my world

and maybe be happy for awhile

wherever you are in that far off land

...i am with you

...i am with you

we will meet again

i know we will meet again

Peter LeBuhn

# Wondouros Life

leading a wondrous life  
my heart bleeds love  
...my life i give thee  
...my love igive to thee

thy garden of fruitful mastery  
you enter  
all with splendor

taking me by the hand  
around each corner  
...a new surprise  
...to find

what a wondrous life i lead  
my heart bleeds love
